Go For Regional Friday Against Klondike

Patriots Win Bi-District

The third time proved to be the charm for the Valley Patriots.

For the third year in a row, the Valley Patriots drove over to Memphis to play the Bi-District Championship game. The two previous years, the Patriots had been turned back by Wheeler, last year by a mere one point. This year, however, Valley, the state's No. 2 ranked team, won the Bi-District Championship and won it in a convincing manner.

The Kiowas won the toss and took the game opening kickoff and set up for business on their own 29 yard line. The Kiowas picked up two yards on their first play from scrimmage, then

threw two incomplete passes and kicked to the Patriots.

The Patriots started their first drive from the Booker 47 yard line. They were able to pick up eight yards and turned the ball over to the Kiowas on the Booker 40 yard line. Booker picked up one first down on their next possession, then turned the ball over to Valley on their own 30 yard line. From that point, the Patriots marched down field for their first touchdown, with James McNary lugging it in from 16 yards out. The extra point try was no good, and that was all the scoring in the first period.

James McNary scored Valley's

touchdown from ten yards out with 5:57 to play in the first half. Once again the extra point try failed.

Booker took the kickoff on their own 22 yard line and was stopped again by the Valley forward wall, and had to kick the ball away.

The Patriots took the kick at the 50 yard line and marched it in for the third touchdown, with Williams going the last two yards. The PAT was missed and with 2:02 left to play, the Patriots had extended their lead to 18-0.

Following the kickoff, the Kiowas picked up two first downs, then were forced to punt to the Patriots, who took it on their own 31 yard line. This was where the first half ended.

The Patriots took the second half kickoff and Kevin Hendrix returned it to the 31 yard line. It took the Patriots eight plays to score their fourth touchdown and James McNary carried it the last five yards, to make the score 24-0. Then Fuston passed to Dee Dowd to make the score 26-0, with 9:31 to play in the third quarter.

The Kiowas took the kickoff on their own 33 yard line and after two plays, they fumbled the ball. Valley recovered at the Booker 39 yard line.

The Patriots took it in to pay dirt from there, with Kevin Hendrix going in from three yards out. Richie Fuston scored the PAT on a quarterback sneak, bringing the score to 34-0.

The Kiowas took the kickoff and marched to the Valley nine yard line, where the Patriots recovered a fumble. Six plays later the third quarter ended with Valley in possession.

The fourth period started with the Kiowas in possession at midfield. Four plays later, Booker gave it back to Valley on the Valley 38 yard line. The Patriots picked up a couple of first downs, then fumbled it away to the Kiowas, who promptly ran a couple of plays and gave it back to Valley on a fumble. Then Valley ran a couple of plays and gave it back to the Kiowas on the Valley 44 yard line. On the fourth down with 32 to go, the Kiowas' Brett Mayfield passed 38 yards to Johnny Epp for a touchdown, and Jay Craighead kicked the extra point; just 5:14 later, the Valley Patriots owned their first Bi-District Championship.

Friday night of this week, Valley will meet Klondike High School for the Regional Championship at Lowrey Field in Lubbock at 7:30 p.m. Lowrey Field is located in south Lubbock, just off Avenue Q.

Coach Ted Giddens said he is well satisfied with the Patriots' play last Friday night, but that it will take a bigger effort against the Klondike Cougars. Klondike has a record of 10-1 for this season, losing only to Class AA Plains High in an earlier season game. Coach Giddens reports that the Cougars, from tackle to tackle, will out-weight the Patriots more than 50 pounds per man. The Patriots will have to depend on quickness and speed to get by the Cougars. That will be nothing new to the Patriots, for they were faced with a much bigger team in Motley County. So the Patriots must out-quick them.

Local fans feel they are the team to do it! They have been doing it all year long.

In last Friday night's Bi-District game, Valley won all the

statistics. In the first down department, Valley racked up 28 to Booker's eight. Valley ran for 408 yards to Booker's 147. Only in the passing department did Booker have an edge, for Valley completed only one pass for two yards, while Booker gained 81 to bring the total to 410 and 238. One pleasant note was in the penalty department. Valley was penalized three times for 15 yards and Booker was tagged one time for five yards.

McNary was the workhorse for the night, as he lugged the ball 40 times for 253 yards. Williams carried 19 times for 116 yards. Coach Giddens singled out Pinkerton, Lacy, Smith and Brown for their defensive work, along with the secondary which did a fine job. He stated that Williams and McNary ran hard, as did Fuston, Morris and Hendrix. He also said that "the offensive line won the war at the line of scrimmage."

LONG TIME STATE FARM LEADER WILL NOT SEEK RE-ELECTION

Texas Farmers Union President Jay Naman, who has served the statewide farm organization for 19 years, has told TFU Executive Board members meeting in Abilene that he will not be a candidate for re-election when the general membership holds its annual convention in Dallas January 8-10.

Naman, a 55-year-old cattle raiser from Waco, said his decision was "based partly on what I consider the best interest of Texas Farmers Union and partly on personal consideration." He further stated that he intends to continue his involvement in agriculture and remain an active participant in the Farmers Union.

Several candidates are expected to announce for the post which will be filled through the votes of convention delegates representing chartered county chapters across Texas. Texas Farmers Union, with a membership near 10,000, is one of 22 states in the National Farmers Union which represents around 350,000 farm families.

The general farm organization experienced dramatic growth in Texas after Naman took office in 1961, expanding from a membership of only several thousand concentrated in north and north-west Texas to its current geographic spread from the Panhandle to the Gulf Coast. Serving as both president and chief executive for the state organization, Naman has also held an automatic position on the National Farmers Union Board of Directors. He additionally has served in an elected position on NFU's Executive Board and sat one term as Chairman of the Executive Board.

In making his statement of intent to step down in January, Naman predicted, "family farmers and ranchers should soon see the 'golden years.' They shall, if they are responsibly organized and represented with creditability."

He concluded, "Our organization is the only organization that meets the criteria and has the potential of providing this kind of representation. I expect to play a role in helping our new leadership rise to the challenge."

Lady Patriots Take 49-34 Win Over Rockettes Saturday Night

Coach Greg Slover put his Valley Girls Basketball team on exhibition here last Saturday night for the second time this season, and the Lady Patriots took a 49-34 win over the Wellington Rockettes.

Earlier last week, the Valley girls had defeated Clarendon. In two outings now, both against AA teams, the Valley girls are undefeated.

Jenny Turner with 11 points, Candy Jones with 10 points and Jenny Clay with nine points led the scoring attack against the Rockettes. Also scoring were Angie Eudy, six points; Nina

Reyna, five; Lana Fuston, Mary McNary and Angie Clay, two points each; Nadine Rice and Lisa Payne, one point each.

Wellington led in the ball game at the end of the first period, but Valley caught them and went ahead to lead by 23-16 at halftime. At the end of three periods, Valley led 38-25 and increased their lead to 15 points before the game's end.

Games are scheduled for Tuesday night of next week at Lorenzo. Next weekend, the Clarendon Tournament will be in progress.

White Elephant Sale In Progress

The Baptist Women of Quitaque have a White Elephant Sale in progress in the building across the street from the Valley Tribune. This is the building once occupied by Lolla Belle's Beauty Shoppe. Stop in and look through the merchandise; you may find something you have been needing.

"We The Women" Christmas Party Is Monday

"We the Women" will meet Monday, December 1, to kick off the holidays with the annual Christmas luncheon and party.

Each lady is to bring a homemade gift or home baked goodies. These gifts are not to exceed \$5.00 in price. If you plan to bring a guest, please provide a gift for that person.

Everyone is sure to attend and join in the fun.

Valley Future Homemakers Enjoy Banquet

The Valley FHA had a Grandmother's Banquet Thursday, November 20, 1980. Each girl brought her grandmother or an appropriate grandmother. The meal consisted of meat, vegetables and fruit salads.

Entertainment was provided by Mary McNary, soloist. The next FHA meeting will be December 10 at 7:00 p.m.

Mrs. Majors Has Birthday Dinner

Mrs. W. A. Majors was honored with a birthday dinner on Saturday for her 86th birthday which was on Sunday.

Her daughter and son-in-law, Mr. and Mrs. Barry Smith of Amarillo, another daughter, Marie Majors, daughter and grandson of Lorenzo, Harvey Kyle and Kelly Williams of Hereford all came to enjoy the occasion along with Turkey residents, daughter, Arlowene Williams, and Mr. and Mrs. Jim Majors.

District Basketball Playoff Schedule

The following provisions are included in the district basketball playoff schedule.

The girls will play a double round robin with first and second half winners. One play-off game will be held if there are different winners. The Girls' District Champion must be certified by February 21, 1981.

The boys will play the same schedule as the girls but with a single winner of the two rounds. This will determine one half of the district championship. The other half winner will be determined by a playoff schedule beginning February 19 and running until March 6, 1981. All seven teams will participate.

The first half winner will draw a bye in the first round and the second, third and fourth place teams will play the seventh, sixth and fifth place teams, respectively, at home. The second and third rounds will be decided by flip or mutual agreement. One play-off game will be held if there are different winners. The Boys District Champion must be certified by March 7, 1981.

Remember Saturday

Drawing At Turkey

On Saturday, November 29, on Main Street in Turkey, a name will be drawn for \$200. If the first person whose name is drawn is not present, the money will be added to next month's pot.

On November 15, the name of Teresa Rodriguez was drawn to receive the \$50.

On November 22, the name of Gueretta Clinton was drawn. This was the second time she had been the lucky one.

Turkey Senior Citizens Enjoy Festive Thanksgiving Supper

Fifty-four Senior Citizens enjoyed a Thanksgiving supper on Tuesday night, November 18, in the Senior Citizens Room at the Bob Wills Center in Turkey.

A variety of foods were served along with baked chicken and dressing. After the bountiful meal, games of "42," Bridge, and Skip-Bo were played.

The members were glad to

have Ying Lyles back after her month-long trip to China. She will show slides and tell about her trip at the next meeting.

Guy Smith presided over the business meeting.

A number of gospel songs were sung and enjoyed by those present. The meeting was adjourned to meet again on December 2.

Open House Is Sunday

Monte and Carol Stephens are announcing the opening of their new home Sunday, November 30, 1980, from 2:00 until 5:00 p.m.

The home is located three miles west of Quitaque.

Everyone is welcome to attend.

JANET HOUSE ATTENDS OPERA IN HOUSTON

Mrs. Janet House attended the Houston Grand Opera on Friday, November 14, where the opera, "The Magic Flute," was presented. Her cousin, Phyllis Hunter, made her Houston Grand Opera debut in this production.

Janet accompanied her aunt, Mrs. Doris Hickey, and cousins, Mrs. Tom Ford and Mrs. Jim Shults, all of Perryton. They flew home on Saturday, November 15, in the family's private plane.

NEW ARRIVAL

Mr. and Mrs. Woody Johnson of Rapid City, South Dakota announce the adoption of a baby son, Richard Vollie, on November 8. He was born August 27.

Mrs. Johnson is the former Briggett Williams, daughter of Mrs. Arlowene Williams and the late Doc Williams.

The couple plans to bring their new son to Texas for Christmas, according to his maternal grandmother.

Mrs. Ruth Ware left Saturday for a visit with her daughter, Mr. and Mrs. Doyle Purcell in Borger. She plans to remain until Thursday afternoon.

Mr. and Mrs. J. B. Buffalo of Hobbs, New Mexico and Mr. and Mrs. C. D. Walser of Dixon, California visited three days last week with their sister, Edith Guest. They also visited in Am-

arillo with their niece, Mrs. Carl Christian, Edith's daughter. They all reported a very nice get-together. It was the first time all three sisters had been together for a visit in several years.

Mrs. Bain Hosts Nuevo Study Club

Mrs. Gordon Bain was hostess for the Nuevo Study Club Thursday afternoon, November 20, in the home of Mrs. Bert Degan.

The dining table carried out the Thanksgiving theme with the horn of plenty, pilgrim figures, miniature turkeys and beautiful lighted candles.

Mrs. Bain opened the meeting with a beautiful Thanksgiving prayer. Names were drawn for the Christmas meeting, December 11. Members brought gifts to be sent to the Vernon Center for Christmas. Members answered roll call with individual items.

The hostess was program leader for an interesting and informative program on "The Vikings."

A delicious refreshment plate was served by the hostess to nine members.

Patterson - Elder Rites Held In Bride's Home

Miss Teresa Patterson and Lacey Kent Elder were united in marriage Friday, November 21, at six o'clock in the home of the bride's parents, Rev. and Mrs. Roy Patterson. The ceremony was performed by Rev. Patterson.

The bridegroom is the son of A. M. Elder and Mrs. Sarah Mills of Plainview.

The bride wore a cream colored silk knit dress with gathered skirt, V-neckline and butterfly sleeves. She wore a yellow carnation corsage at her waist.

The wedding cake, decorated with yellow roses, was served with punch and coffee following the ceremony.

Those present were A. M. Elder, Beverly and Kathy Elder, father and sisters of the bridegroom; Mrs. Roy Patterson, Teila and Tony, mother, sister and brother of the bride.

The bride is a Valley High School student and the bridegroom is employed in Plainview where the couple will make their home.

Mrs. Lillie Peery has returned to her home in Turkey after spending several days in Hall

MAN HAS ALWAYS BEEN FASCINATED BY STARS

Since the beginning of time man has been fascinated by the stars.

Very early in his existence man learned to navigate, tell directions and determine seasons from the stars.

Sirius is the brightest star in the sky, to persons on Earth, with the exception of our own Sun. To the Egyptians Sirius was the most important star in the sky. Its appearance annually just before sunrise marked the flooding of the Nile and another season of plentiful water and good crops.

As early as 2137 B.C. the Chinese are recorded as having observed an eclipse during the reign of Emperor Chung K'ang Ti of the Hsai Dynasty.

"THE STAR" is the new Christmas program at the Don Harrington Discovery Center in Amarillo starting the weekend of November 29-30, and running through December 20-21. Showings are scheduled at 8:00 p.m. on Saturday and 3:00 p.m. on Sunday. Special group showings may be arranged by calling the Center.

Attention! TV Viewers Of Valley Translator TV System

Before the start of the new year on 12-1-1980, I would like to make the follow announcements:

1. The rates will remain the same at \$55.00 per year for 1981.

2. We are pleased to announce that application for a Satellite Channel will be made to FCC (Federal Communications Commission), Washington, D. C. within the next few days. There several Satellite stations from which to choose, such as, HBO, Showtime, etc. We will try to pick the best one for this area to put on during 1981. Later on, other Satellites can be added when feasible. We will assure you, the TV viewing public, that this first Satellite station will be on the air as soon as permission is granted from FCC in Washington, D.C. and equipment can be shipped.

3. All viewers that are now paying regular rates of \$55.00 per year will have the option of receiving this Satellite at an additional cost per month. This Channel will be scrambled or coded signal and can only be unscrambled or decoded by special equipment furnished by Valley Translator System to it's paying customers.

4. Due to health reasons, Mrs. Buddy (Leona) Morris will retire as of 12-1-1980 as our representative in Quitaque.

Mrs. Lefty (Donna) Jones, who is our representative in Turkey and Flomot, will now cover the Quitaque area as well.

Mrs. Morris has been with us since 1958 and we hate to lose her, but we understand and hope she and Buddy improve in health.

PROPER INSULATION...
 Keeps in the warm air
 you've paid for.

The most effective defense against rising energy costs is proper insulation. Insulation keeps the heat in during the winter and out during the summer, so that both your heating and cooling costs will be less.

Insulation is measured in R-values and the higher the value, the more effective the insulation. R-values of R-40 in the ceilings and R-18 in the walls are now being recommended for new construction in this area.

IF YOU ARE INTERESTED IN A MORE ENERGY EFFICIENT HOME,
 CALL WTU TODAY.

TRAINED ENERGY EFFICIENT CONSULTANTS ARE AVAILABLE
 TO ADVISE YOU ON PROPER ENERGY MANAGEMENT.

Urinalysis Screening Re-Scheduled For January

The urinalysis screening clinic which was to have been held Tuesday of this week in the Silverton Schools, was re-scheduled for Tuesday, January 20. This will include students in kindergarten through the eighth grade. Sponsored by the National Kidney Foundation, this program is designed to detect kidney disease early among school age children at no charge to the student or the school.

The program will begin with an assembly at 9:30 a.m.

Kidney and urinary tract diseases affect more than 13 million American men, women and children, and continues to be one of the major causes of work loss and school absenteeism. Of these people, 3,000 need an artificial kidney just to stay alive; some of these are children. The mortality rate due to kidney disease is 54,000 annually, more people than are killed in traffic accidents each year. There are currently more than 200 people in this area who must sustain life on an artificial kidney machine because of renal failure.

Funding for the project is being provided by a private grant and various donations by individuals.

FmHA Announces Goals For 1981

Approval of the Farmers Home Administration state management plan for fiscal year 1981 which began October 1, was announced recently by W. H. Pieratt, State Director for Texas. National FmHA Administrator Gordon Cavanaugh had recently notified the state office of final approval.

The state management plan establishes FmHA goals and policies for the use of over \$800 million of loan and grant authority in Texas. The plan addresses tar-

geting of FmHA resources to assist distressed communities and disadvantaged persons and outlines methods of coordinating with other agencies to better serve rural Texas. Goals for assisting citizens and communities most in need have been established for each FmHA program.

Farmers Home Administration is an agency of the U. S. Department of Agriculture and is charged with the responsibility of providing rural credit to families and communities. FmHA provides loans and grants for farmers, housing, water and sewer, community improvement and business and industry.

In addition to the state office, there are District and County offices in Texas to serve rural citizens. "Rural" usually means places of less than 10,000 persons, with the exception of the Business and Industry programs which may serve communities up to 50,000 population.

Last year in Texas, FmHA provided 16,043 loans and grants to families and groups totaling over \$826 million. Group loans include rental housing, business and industry, water and sewer and community facilities. These loans are repaid with interest and provide a means for rural people to help themselves improve their lives and conditions.

Summaries of the Texas management plan can be obtained from the District or County FmHA offices. George H. James, Jr., at 995-2318 is local County Supervisor and Lee Tunnell is District Director serving this area. He is located in Amarillo

TURKEY FLORIST
Let Us Help You With
All Your Floral Needs
Ph. 423-1323
Patsy & Beth Lyles

THANK YOU!

We want to express our appreciation to all our patrons over the years. Thank you for your business, courtesy, and help in so many ways during the years we have been in business.

We want to ask you to continue your support to Mary Helen and her family.

Thanks again.

Mr. and Mrs. J. W. Kimbell

DON'T BE LULLED BY FALSE CLAIMS

The beer dealers wanting to move into TURKEY promise pie-in-the-sky benefits for us all, from tax relief to a booming economy. They don't warn of the package stores that will spring up in every neighborhood . . . of the mounting DWI's and accident rate . . . of the increase of juvenile drinking when it's made more "convenient" and ever-present. *Is it worth it?*

HERE ARE THE FACTS:

From Police Records . . .

- Peace disturbances increased 214% after Denison went wet.
- Law enforcement costs mounted 365% after Terrell went wet.
- DWI's jumped 66% in wet Denison . . . Oak Cliff's moving traffic arrests declined 229%, accidents down 75% after going dry.
- Juvenile arrests for alcohol possession up 156% in Lubbock after one small precinct went wet.
- Bootlegging offenses in wet Longview run 11% higher than in dry Tyler.

Economic Growth?

- It will require \$10,000 in beer and wine sales to yield only \$100 in sales tax to TURKEY
- "For every dollar collected in tax revenue from alcohol sales, the city must spend four dollars for added law enforcement, clean-up and repair" . . . American Business Man's Research Foundation
- Alcohol sales and taxes have no effect on old age assistance, school aid, etc. These go to all areas alike, regardless of wet-dry status.
- Garland, Irving and Plano are Texas' fastest growing cities. All are dry.
- The only people who make money from beer and wine sales are the sellers of beer and wine.

We choose to live in TURKEY because it is a clean, quiet city . . . a beautiful place to call home . . . an ideal setting to raise our children.

Let's keep it that way!

Regardless of
how you drink...
It's how you
VOTE
that counts.

KEEP TURKEY SAFE AND CLEAN

COAL COST INCREASE

1973	—	\$7.90
1974	—	\$11.00
1977	—	\$11.37
1977	—	\$11.84
1978	—	\$12.42
1978	—	\$16.12
1978	—	\$17.01
1979	—	\$17.21
1979	—	\$18.10
1979	—	\$18.43

The price of delivering coal to this electric generating facility has risen 158% in just six years from \$7.90 to \$18.43 per ton.

While fuel costs may be more temperate in other sections of Texas, it is the constant increase in fuel costs that makes the power cost or fuel cost adjustment necessary. Since the total fuel cost increases as our electric usage rises, our best chance for lower bills is conservation. Your member-owned electric cooperative Wants to help you save

**Hunter Influences
Deer Meat Quality**

Deer hunting provides both outdoor recreation and table fare—venison—for Texas sportsmen each year.

Some 11 million pounds of boneless deer meat are harvested annually in Texas, and the hunter is the key person responsible for the quality and edibility of the venison he brings home, says Earnest Kiker, county agent with the Texas Agricultural Extension Service, Texas A&M University System.

The entire process of handling the carcass from field to table can add or detract from the desirability of the final product. The hunter plays an important role in determining whether a deer steak is tender and tasty or tough and bad-flavored.

Based on studies regarding the effects of handling on deer meat quality, gives these recommendations:

1. Whenever a choice is available, select a female animal for less flavor intensity (gaminess). This does not mean that male animals provide undesirable meat, but rather that most consumers may prefer the less intense flavor of the female.

2. Whenever possible, place the shot in the neck or head to insure clean, rapid kill. This prevents post-shot stress and also reduces tissue damage considerably.

3. Field dress the animal as soon as possible. If contents of

Send bids to Dale Garner, Box 43, Turkey, Texas. 23-2tc

the intestine or paunch have been spilled, rinse the carcass with water. A publication, L-634 entitled "Field Dressing Big Game," is available from any county Extension office and provides more information.

4. If weather permits, leave the skin on the carcass to help conserve moisture. However, in hot weather, skin and cover the carcass with a fly proof bag if a cooler is not accessible. Also, a male in the rut may have a strong urine odor on the hind legs and probably should be skinned prior to storage.

5. If the family prefers a somewhat more intense flavor similar to aged beef, hang the carcass in

a locker for about a week before final processing. Use a clean locker to avoid contamination of odors from poorly handled carcasses.

These recommendations are not the only way to handle carcasses, Kiker notes. For the hunter who has a preferred method which differs somewhat from those recommendations but whose family is satisfied with the venison brought home, change is unnecessary.

If a hunter has no experience in handling deer carcasses or has had a bad experience with deer meat, these suggestions may help increase the use of the deer resource.

Further suggestions on care and Game Cooking Care," also available from any county Extension office, adds Kiker.
