Football Season Ends With 19-8 Loss To Rankin

A dream burst at Snyder last Friday night. It was a dream shared by the coaches and players alike, of playing for the state championship. Instead the Patriots fell to Rankin 19-8.

The game was closer than the score would indicate, as the statistics will show. Mistakes, mainly in the form of pass interceptions, were turned into touchdowns by the Red Devils.

The first quarter was scoreless, with neither team being able to mount much of an offense, although the Patriots did move inside the Rankin 20 for a penetration, but was unable to score.

Late in the second period, the Red Devils intercepted a Valley pass at the Valley 18 yard line. The Patriots stopped the Red Devils the next three plays, in fact, throwing them back to the 25 yard line, then facing a fourth and 18 situation, Rankin's quarterback, Bo Rose, hit Naldo Esparza with a 26-yard scoring toss and then Robert Jeannotte kicked the extra point to give the Red Devils a 7-0 lead. That was all the scoring in the first half as there was only a little over two minutes to play.

Valley took the second half kickoff on the 10 yard line and returned it back to the 30. From that point, the Patriots marched steadily downfield, and appeared on their way to tying the ballgame up. The Red Devils, however, stopped the Patriots on the six-inch line.

Early in the fourth period, Rankin intercepted the Patriots again around the Valley 35 yard line and from there moved in for their second touchdown. The extra point was missed, and the Red Devils led 13-0.

On their next possession, the Patriots were intercepted once more in Valley territory, and the Red Devils moved to their third touchdown, to lead 19-0.

The Patriots took the ensuing kickoff and moved steadily down field with Big Juice Williams taking it in for 26 yards out. Quarterback Richey Fuston, on a keeper, took it in for the points after. The score then stood at 19-8.

Statistics show that the game was just about as even as possible. The officials told Coach Giddens that Valley made 14 first downs and Rankin 13. The Patriots accumulated 218 yards rushing and 51 passing, for a total offense of 269 yards gained. Rankin had a total of 223 rushing and 33 passing, to bring their total to 256. Rankin had five

penetrations inside the 20 yard line as compared with four for the Patriots.

This has been the finest season ever for Valley, having won 13 straight games before losing the 14th.

The Patriots scored a total of 524 points, while giving up only 92 points in 14 games.

To Coaches Giddens, Adams, Slover and Phelps, and to everyone of the Patriots, the Valley Tribune offers sincere congratulations. We are just as proud of you as we would have been had you won games 14 and 15.

Coach Giddens told the Tribune Tuesday: "I'm very disappointed. We wanted to play in the final game. At the same time, I am very proud of our kids. The seniors did a good job of leading all year. All the kids, from the freshmen up, have made a super effort. We lost to a fine football team. Rankin may win the state championship."

Christmas Greeting Page To Be Sponsored by Valley Booster Club

Send your Christmas greetings to your local friends by donating to the Valley Booster Club and get your name on the greeting page in the Valley Tribune.

The deadline is Friday, December 12. The minimum donation is \$5.00.

Quitaque Lions Club Ladies Night Is Monday Night

The Quitaque Lions Club annual Ladies Night Christmas Party will be Monday, December 15, at 7:00 p.m. at the Quitaque Community Center.

Music Students To Present Recital

Mrs. Ross Herrington will present her piano and organ students in a Christmas recital, featuring all Christmas music, on Wednesday, December 17, at 7:00 p.m. at the Valley School.

Those performing will be Tina Clay, Karen Ramsey, Angela Eudy, Kacey Fuston, Laurie Norman, Oleta Lane, Vera Pinkerton, Mikie Fuston, John David Harmon, Cindy Farley, Sheila Johnson, Kyle Fuston, Amy Maupin, Gina Conner, Cayley Catoe, Sherry Clay, Michelle House, Sherry Morrison, Stacey Rothwell, Suzie Farley, Sandy Price, Kim Cagle, Brandon Smith, Derek Mullin.

Others are Carl Morrison, Melissa Maupin, Tammy Clay, Cristi Calvert, Jeff Fuston, Sandi Lipscomb, Kristin Couch, Joe Morrison, Laurie Harp, Debi Grebenik, Iva June Johnson, Robin Myers, Kaylene Green, Cheryl Merrell, Eva Reagan, Misti McElreath, Stachia Chadwick, Lori Clay, Melody Cruse, Patti Ramsey and Dana Ramsey, and Carey Blackerby of Silverton.

The public is invited to attend.

Mrs. E. E. Lokey of Lubbock spent the weekend with her sister and husband, Mr. and Mrs. Charley Grundy.

Quitaque Lions Club To Sponsor Santa Claus

The Quitaque Lions Club will sponsor a visit from Santa Claus at the Quitaque Community Center Saturday night, December 20, from 6:00 to 7:00 p.m.

All the children of the community are invited to come and visit with Santa.

Valley School Choir To Present Concert

The Valley High School Choir will present its annual Christmas Concert on Thursday, December 18, 1980, at 7:30 p.m. in the school cafeteria.

The public is invited to attend.

Jerry King and son, Mark, of Odessa drove to Snyder to meet the Valley folk who were attending the football game and to see the game themselves. They are the son and grandson of Mr. and Mrs. John King.

Green Thumb Honors James Brunson

Farmers Union Green Thumb held its semi-annual training session for Donley, Briscoe, Hall, Randall and Swisher counties in Quitaque, Wednesday, November 19, 1980, at the Quitaque Community Center.

Green Thumb District Director for West Texas, JoAn Mahaffey from Lubbock, presented James Brunson of Quitaque with a certificate of appreciation for his generous support of Green

James Brunson was presented a certificate of appreciation for his support of the Green Thumb program by Green Thumb District Director JoAn Mahaffey of Lubbock.

Thumb in Quitaque. Brunson has been a host agency for Quitaque Green Thumbs since 1973. He has been cooperative in finding senior citizens who need and want to work and he has been willing to be the sponsor of a job for qualifying persons who are then placed on Green Thumb payroll.

Brunson was largely responsible for much of Wednesday's program for which the Green Thumb is thankful. Brunson invited Green Thumb to hold the meeting in Quitaque and through the city office, he provided the meal. Several lady Green Thumbs baked cookies which were served during the coffee held during registration that morning.

Guest speakers included Max Ham, Assistant Vice President of the First National Bank of Quitaque. He spoke about the NOW Accounts, the interest one can draw on checking accounts which becomes effective January 1, 1981. The other speaker was David Brunson, Emergency Medical Trainee, who gave a demonstration of first aid for choking victims. David also provided the merchandise for the door prizes. Everyone enjoyed the drawing—winners or not.

Winners of the drawings were Olivia Stockton and Jess Brunson of Quitaque; Mary Miller, R. N. McDaniel and Howard Cowell, all of Silverton; Dow Aplin and Edith Guest, both of Turkey; Francis Sosa, Alleen Cansler, Clara Gales, Bob Kinslow, all of Tulla, and Kate Jones of Clarendon.

Other business at the meeting included electing a representative and alternate to the Green Thumb State Advisory Board. Edith Guest of Turkey was elected as the representative and Pauline Davis, Green Thumb Area Leader from Dimmitt, was elected as the alternate.

A blood pressure check was conducted for the members by Kay Calvert, Cathy Purcell and Lorna Powell, all of Quitaque. Others present were Green Thumb Area Supervisors Derrell

the night with Mr. and Mrs. Ted Bingham and family, returning home Saturday evening.

Hale of Plainview and Eula Merrell of Clarendon. Virgil Blakney, Farmers Union member from Turkey, also attended. Two other Green Thumb host agency were present: Billy Ray Johnston of Donley County Medical Center at Clarendon and Shirley Couch of Turkey.

Construction Begins On Caprock Canyons State Park

In the October issue of O. R. Stark, Jr.'s newsletter, he stated that work was scheduled to begin on Phase I of the construction at Caprock Canyons State Park. The bids were let on October 30. In his December issue, the job was reported to have been let to the High Plains Pavers, Inc. of Plainview. The Texas Parks & Wildlife Commission had met and awarded the contract for the full amount of \$2,312,000. Atkinson, Wofford, White and Prutzman, Inc. of Plainview are the primary subcontractors on the job, and this is the same firm which recently completed construction of the First National Bank in Quitaque.

Arnold Castillo, acting park manager, informed the Valley Tribune Wednesday morning that the crew for construction began

Valley Wins Three Games At Paducah Tuesday Night

Valley basketball teams drove over to Paducah Tuesday night and won all three games played.

The JV girls took the floor for the first encounter, with Valley winning that by a score of 45-35. Leading the way for the Lady Patriots was Lisa Payne with 15 points. Next in line in scoring was Keeli Cox with 12 points, followed by Elaine Adams, with six; Melody Cruse, five; Sherri Hendrix, four, and Lori Clay, one point.

Paducah's Alexander was the high scorer with 18 points.

The Valley girls led all the way, being ahead 10-4 the first quarter, 17-14 at halftime, 31-22 at the end of three quarters, and 45-35 at the finish.

The varsity girls played the second game, with the Valley girls taking their fifth win of the season to remain undefeated thus far. The score in that game was 62-45.

Sparking the Valley girls were Nina Reyna and Mary McNary, who shared scoring honors with 14 points each. Next in line were Jenny Turner and Lana Fuston, who scored eight points each; Angie Eudy and Angie Clay, six points each; Candy Jones, four points, and Jenny Clay, two points.

Again the Valley girls led all the way, the scoring being 14-11 at the end of the first quarter, 31-26 at halftime, 44-35 at the end of three quarters, and 62-45 at game's end.

Paducah's high pointer was Holley, with 12 points.

Coach Greg Slover has his girls working well together, and they are looking to having a good season.

Coach Steve Adams and his Valley boys, who completed their football season last Friday night, and with only one day's workout, made a successful transition to basketball as they took a 62-53

LOCAL OPTION ELECTION DEFEATED AT TURKEY

The election to legalize the sale of alcoholic beverages for off premise consumption within the incorporated city limits of the City of Turkey was defeated by a 75-vote margin last Friday.

A total of 347 votes was cast, with 211 voting against the issue and 136 voting for the local option. This represented about an 84% turnout of legal voters.

Mr. Stark states in his November issue: "It is exciting to think what a great attraction this park will be when the works of improvement have been completed, and we, along with thousands of others in this part of the state, are anxiously awaiting the day when Caprock Canyons State Park officially will be opened for public use."

win over the Paducah Dragons. Sparking the Patriots in the scoring department were Richey Fuston with 17 points and Kevin Hendrix with 15 points. Other Patriots scoring were James McNary, eight points; Dee Dowd and Tommy Morris, six points each; Ray Williams, four; Brent Brown, three; Tommy Williams and Kirby Chandler, two points each, and Brum Pinkerton, one point.

The score by quarters shows that Paducah was leading at the end of the first quarter, 15-10, but Valley had moved ahead 27-21 by halftime. At the end of three quarters, the score was tied at 38, but Valley had a big fourth quarter to win it 62-53.

Both Valley boys and girls teams are entered in the Ralls Tournament Thursday, Friday and Saturday of this week. In addition to Valley, boys and girls teams are also entered from Cooper, Littlefield, Crosbyton, Tahoka, Frenship, McAdoo and Ralls.

The Valley girls play Frenship in their first outing at 4:00 p.m. Thursday. The Valley boys also play Frenship at 5:30 Thursday. The winners of the Valley-Frenship games play the winners of the McAdoo-Ralls games. The girls game will start at 7:00 p.m. Friday.

Tuesday night of next week, Hedley boys and girls come to Valley to start district play. Some changes have been made in the district for this season. Teams in the district this year are Valley, Lakeview, Silverton, Claude, Hedley, Groom and Estelline.

Aubrey Turner is home and improving each day after having eye surgery last week in Amarillo. His daughter, Sarah Couchman of Amarillo, is visiting this week.

Mr. and Mrs. Tom Chandler of Moore, Oklahoma visited in the home of his aunt, Mr. and Mrs. Charley Grundy, last weekend. They also visited other relatives in the community.

Remember The Tour Of Homes

The TOUR OF HOMES will be Sunday night, December 14. All who would like to take this tour are asked to be at the Community Center at 8:00 p.m. and the tour will begin there.

Homes to be visited are the Rusty Hensons, Wayne Normans, Scotty Starks, and possibly others.

There is no charge. Those taking the tour will return to the Community Center for refreshments.

James Monk Services Pending

James Monk of Flomot was taken to Swisher Memorial Hospital in Tulla Tuesday morning by Quitaque Ambulance. According to report, he seemed to be resting, but died shortly after arrival at the hospital.

A complete obituary will follow in next week's Valley Tribune.

A. B. Ramsey Undergoes Surgery

A. B. Ramsey was taken to Central Plains Hospital early Sunday morning. After the doctor made X-rays and other tests, he sent him on to Amarillo where he entered St. Anthony's Hospital for further tests. The doctor in Plainview reportedly told the family he had some hemorrhaging in the brain. The doctors operated Monday morning and the report is that he is doing exceptionally well, and barring complications, he will probably be able to return home within a week.

Valley Area Received Good Showers Sunday

A spring-like thunderstorm moved over the area Sunday afternoon, dropping nearly an inch of rain across the Valley.

Thunder, lightning and blustery wind accompanied the storm, which was more mindful of May than December. This moisture which follows two snowfalls brings the harvest season to a complete halt but leaves the area in good shape moisturewise.

Emmett Baisden of Turkey entered Hall County Hospital at Memphis Sunday afternoon suffering with chest pains. The doctor determined he had suffered a heart attack. He will go back Friday of this week for further consultation about the X-rays and studies by the doctors.

GREAT-GRANDDAUGHTER DIES IN DALLAS

Services for Sarah Ann Hawkins, 2 1/2-year-old daughter of Mr. and Mrs. Stan Hawkins of Garland, are pending at this time.

The baby died in a Dallas hospital Sunday afternoon, December 7, after accidentally swallowing several pain pills.

She was the great-granddaughter of Rev. and Mrs. Roy Patterson and Mr. and Mrs. W. T. Hawkins of Turkey.

Additional information will be available next week.

Registered Voters Need To Sign Form At Tax Office

Every registered voter must go by the county tax office to sign a new card showing address, etc.

This word comes from Tax Assessor-Collector Fairy McWilliams.

Courthouse To Observe Holidays

The Briscoe County Court House will observe the following Christmas and New Year's holidays: December 25-26 and January 1-2.

A Small Town Made of Memories

The following story was taken from the Paragould Daily Press, Paragould, Arkansas newspaper.

Mr. Carter is a builder and has built replicas of all the buildings in his back yard. He also has a Gasoline, Texas store building and a church with a steeple.

His daughter, Gay Carter, is confined to a wheelchair. She was born with cerebral palsy, and has recently developed cancer.

Mr. and Mrs. Hayden Carter have been an integral part of Christian education and Christian child care in northeast Arkansas for more than 25 years. He has been on the board of Children's Homes of Paragould and president of the Crowley's Ridge Academy PETA. He now serves as a member of the board of trustees at Crowley's Ridge College, a small christian college.

In addition to the \$40,000 Victory Campaign pledge of the other board members, the Carters have contributed \$60,000 during this school year for the construction of a field house at CRC. In recognition of their gift, the structure was named the Gay Carter Field House. The 13,200 square foot facility is already in use. The facility was dedicated a year ago, on Gay's birthday.

Paul Harvey, a national news commentator, made the dedication address.

Mr. Carter is the brother of Ralph Carter and Mrs. Floye McCracken of Quitaque.

Gay Carter gets a couple of affectionate hugs from her nephews, Bryan (left) and Mark Carter who are the sons of Tommy and Sue Carter.

the town, which consists of a church, a high school, a house, a barn, a caboose and a country store all seemingly built to scale. Various decorative additions—ceramic horses, deer and rabbits along with a water tower, a windmill and a fire bell—have been added to give the place "atmosphere."

Thanks to Gay's suggestions, every building in the Carter's back yard is symbolic. "The Gasoline (Texas) high school is where Nora (Mrs. Carter) and I went to school. I graduated second in my class in 1933. Of course there were only two people in my class (Hayden and Chloe Woodruff Hamilton)" Carter says with typical humor.

The Doodle Bug Playground Route, a caboose replica, is where the Carters first lived in Texas. "The first house we built 35 years ago. The boys and I have averaged a new house every three weeks for the last 35 years," Mr. Carter said. "The miniature church is the first church we worked on."

"The grandchildren enjoy it," says Nora Carter, but not as much as she and her husband. "We enjoy just sitting here at the window (in the kitchen) and watching."

KIKER'S KORNER

Earnest Kiker
Briscoe County Extension Agent
**FEEDING RUMEN "BUGS"
KEY TO CATTLE
PERFORMANCE**

When feeding cattle, producers need to know that they are actually feeding little "bugs" in the animal's rumen or stomach.

These microscopic organisms turn forage into something cattle can use.

Rumen bugs need six to seven percent protein to function properly.

So, if hay has this much protein or more, no supplemental feed is necessary for adequate microbial activity and good digestion. However, with low quality hay or forage of three to four

percent crude protein, a protein supplement will increase digestion, total feed intake and daily gain.

Classes of cattle such as growing helpers, fattening cattle or cows nursing calves require protein levels of 10 to 12 percent for good production—levels above those needed by rumen bugs.

One way to determine if cattle are getting an adequate protein diet is to examine their droppings. If droppings are dry and tall, it's a good sign of constipation and lack of protein in the diet.

Small amounts of supplemental phosphorous and protein stimulate these bugs and the digestion process so that mature cattle can use low forages that are available this time of the year. A pound of 30 to 40 percent protein supple-

ment and a few ounces of a good salt-phosphorus mineral can change poor animal performance into acceptable maintenance performance on low quality forage.

However, young cattle do not have the digestive capacity to use low quality forage effectively. So they need higher levels of protein and energy supplement, higher quality forages or both for acceptable growth rates.

RESIDUAL NITROGEN ON CORN SOILS

Now is a good time to test soils for residual nitrogen following corn. Some producers set their yield goals for 10,000 lbs/a of corn and missed due to a dry summer and insufficient irrigation water. In some cases, the southwestern corn borer caused lodging thus preventing harvesting. Reports from area Extension agronomists indicated that fields suffering severe lodging have from 2000 to 3000 lbs/a of grain not harvested. In either case, our producers may have residual nitrogen present in their soil which could be utilized for the 1981 crop. This nitrogen is available and can be detected by soil testing. Producers are cautioned about several areas in which to be particularly careful when taking soil samples. Sloping fields which were furrow irrigated had very poor yields in the middle of the field. Soil nitrogen levels will be generally higher when yields were lower. Producers using certain pivot irrigation systems should also use care when sampling the southwest edges of their circles. Dry winds depleted moisture and reduced

yield and nitrogen utilization in these areas.

Fields under heavy nitrogen fertilization should have a profile sample. Recently, a corn field where 300 lbs/a of nitrogen was applied for several years indicated that over 300 lbs/a of nitrate-nitrogen was present in the top 18 inches of soil. Here, fertilizer application can be reduced and still be adequate for a 10,000 lbs/a corn yield. On the other hand, another field fertilized at the same rate did not show the same level of nitrate build up. Soil nitrate-nitrogen levels were only 90 lbs/a. If the fields were fertilized the same, then the method of fertilizer should be changed since it appears that some nitrogen is being lost due to leaching.

Where cattle graze corn stalks,

producers are reminded that sampling in urine spots is a problem. If you have a soil sample testing high in nitrogen that really does not make sense, resample field and have field retested for

nitrogen. Many times, the laboratory will suggest a resample if an analysis appears out of line. Mailing cartons and instructions for soil sampling are available at my office.

**SOCIAL SECURITY
IN
BRISCOE COUNTY
BY
JANICE ULMER**

This 1980 tax year the Social Security Administration will post annual wage statements for the third consecutive year. Public law mandated a change in the reporting of wages from a quarterly to an annual basis. Employers now submit Federal W-2 reports directly to the So-

cial Security Administration. The quarterly reports (941's) showing a summary of wages, taxes and the tax deposit schedule are still required by the Internal Revenue Service.

All W-2's are now sent to one of four data operations centers. The address of the data center servicing Briscoe County is: Social Security Administration, Data Operations Center, Albuquerque, New Mexico 87180. Employee copies of the 1980

W-2 form must be given by January 31, 1981. However employees who go out of business should give the employees their copies within 30 days of the last paycheck.

Copy "A" of the W-2 form should be submitted by February 28, 1981 to the data center. If an extension is needed, the employer needs to submit a written request to the nearest Internal Revenue district director or service center director.

The copy "A" is designed to be read by an optical scanner. The format, three forms to a page, makes processing more efficient. These forms should not be separated even if some of the forms are blank.

To enable the scanner to read the W-2's, they must be neatly typed with no white out corrections, erasures or strike-throughs. Any defacement of the W-2 results in the W-2 having to be manually keypunched. This escalates the processing cost to the government, and eventually to the employer, in the form of taxes. The optical scanner reads 120 W-2's per minute. To keypunch 120 W-2's manually requires one and a half hours.

The copy "A" is printed in optical scanner blind ink. This appears light red to the naked eye. Copy "A" is shaded to facilitate optical scanning. All entries on the W-2 must be made in the unshaded areas. Only copy "A" is shaded.

The 1980 W-2 format was changed to improve scanning accuracy. The biggest change appears in Block 5 which includes eight ballot boxes. Depending on the record, none of the boxes may need to be checked or as many as five may apply.

In addition to the Subtotal, Correction and Void boxes, employers will need to familiarize themselves with the definitions for Statutory, Deceased, Pension Plan, 942 Employees and what constitutes a Legal Representative.

Employers who have a computer capable of preparing magnetic tapes, diskettes, or disk cartidges have an option they can apply for. The copy "A" data can be reported by this method instead. A wage reporting specialist can provide all the necessary information concerning reports by magnetic media.

**Young Farmers
Host Supper**

A Thanksgiving Supper was hosted by the Silverton Young Farmer chapter in the Pioneer Room at the First State Bank in Silverton on Saturday, November 29.

Ed Chavez is the wage reporting specialist servicing the Briscoe County area. He can be contacted by phone at (505) 768-2024 or by writing to him at Social Security Office, P. O. Box 26184, Albuquerque, New Mexico 87125. Mr. Chavez is prepared to assist employers on any matters concerning annual wage reporting and he is also available to conduct seminars before professional groups.

Recent legislation has made several changes in Social Security's disability program. They are effective this month, December 1980.

Many disabled workers are, and have been for several years, eligible for a trial work period. This is a nine month period during which a disabled worker tests his ability to work. Benefits continue during this time regardless of the amount of earnings.

At the ends of the trial work period, a decision is made as to whether the work is substantial and gainful. If it is, benefit checks will still be paid for an additional three-month adjustment period. If it is not, payments will continue.

The 1980 changes in the law now allow that if a person's benefits are stopped after a trial work period and within a year he becomes unable to work again, the checks will be started again. No new application will be required.

Medicare coverage, available after 24 months of disability benefits, will continue for three years after the checks stop due to work activity.

Most impairment-related work expenses can now be deducted from earnings in determining if the work is substantial. These expenses include medical devices and equipment, attendant care, and drugs or services required because of the impairment.

Furthermore, if a person, who has recovered from a disability and returned to work, becomes unable to work within five years after benefits end, he will not have to undergo another five-month waiting period before his checks begin again. Medicare will also pick up immediately.

If it appears that these changes could affect you, call our toll-free number, 1-800-392-1603, for more information. You may also stop by our office at 1401-B West Fifth Street, Plainview, for further information.

Turkey and all the trimmings were served to members and guests. Following the meal, card games were enjoyed. A short business meeting was held pertaining to the YFT state convention to be held in Waco in January.

Attending the supper were Calvin Shelton, Tobe Riddell, Fred Brannon, Wayland Fitzgerald, Mr. and Mrs. Fred Minyard, Mr. and Mrs. G. W. Chappell, Mr. and Mrs. Donnie Perkins, Mr. and Mrs. Bill Reid and Mr. and Mrs. Wayne Stephens.

Rod Setliff of Den Helder, Holland, has arrived for a two month extended visit with his parents, Mr. and Mrs. Arville Setliff, in Turkey.

Mr. and Mrs. Gary Edwards and children spent the weekend at Hico. They all enjoyed deer hunting. Jody was the lucky hunter and got a deer. They visited in the home of Gary's mother, Mrs. Willetta Patterson.

Mr. and Mrs. Orval Cobb, Mr. and Mrs. Woodrow Cobb of Hale Center and Mr. and Mrs. Henry Hasteley, jr. of Clarendon met in Amarillo Saturday morning, December 6, to take the KGNC bus tour to the National Finals Rodeo in Oklahoma City. The group attended two performances. All of them report a good trip. They returned Sunday night.

Pre-Christmas Event Held Sunday At Quitaque Community Center

A pre-Christmas dinner and gift exchange was enjoyed by the Smith-Kimball family Sunday at the Quitaque Community Center. Those attending were Mr. and Mrs. Neal Smith, Jr., Terri Smith, Mrs. Jimmy Nichols and sons, Mr. and Mrs. David Ware and daughters, all of Floydada; Mr. and Mrs. James Kimball, Mr. and Mrs. Charles Wallace and Donita and Randy Clay, Mr. and Mrs. Ike Smith, all of Quitaque; Mr. and Mrs. James W. McBea, James, Jr., Mr. and Mrs. Dale McBea and family, Mr. and Mrs. Roy Williams and daughters, all of Amarillo; Mr. and Mrs. Sebastian Skinner, Miss Janice Cobb, Quitaque; Mr. and Mrs. J. C. Mabry, Jeff and Cindy, Tulla; Mr. and Mrs. James Lynn Kimball, Shorty and Travis, Mr. and Mrs. David Setliff and sons, Turkey; Mr. and Mrs. Bobby Brunson, Edmonson; Mr. and Mrs. Benny Cantwell, Finney Switch; Mrs. Osil Smallwood, Mr. and Mrs. Edgar Lee, Matador.

Mrs. Estelle Davidson, Mr. and Mrs. Jimmy Davidson, Mrs. S. B. McCracken of Tulla drove to Everman Wednesday afternoon of last week to attend the funeral services for H. R. Hay, Mr.

Hay was the husband of the sister of the late James Davidson.

EXCERPTS FROM SENATOR BENTSEN'S NEWSLETTER

Congress on Wednesday approved and sent to the White House legislation co-authored by Senator Lloyd Bentsen that will provide relief to small royalty owners hit hard by the so-called "windfall profit" tax. Bentsen's bill will benefit the small royalty owners immensely.

More than a year ago, Senator Bentsen called for a tax cut, becoming one of the first senators to do so. Since that time, President Carter, members of the Senate Finance Committee and countless other members of Congress have joined him in calling for a tax cut effective in 1981.

Senator Bentsen has been instrumental in helping the small hospitals (including Lockney General) to keep in operation by being able to get legislation to override federal regulations that threatened the existence of rural hospitals in Texas and other states. The Bentsen bill, included in the Budget Reconciliation Act sent by Congress to the White House for the President's signature, renews exemptions for rural hospitals from Medicare regulations which demand a certain number of registered nurses be on duty around the clock 24-hours a day. This often was unfeasible and impossible for the small hospitals.

The Senator is also seeking to end New Federal Paperwork Program requirement estimated to add \$1.66 million to college tuition costs.

This is a summary of the many areas in which our Congressmen and Senators are working for us, the American Public.

Quitaque FWA Has Meeting, Elects Officers

The Quitaque Firemen's Women's Auxiliary met Thursday, December 4, for their regular monthly meeting. Several topics were discussed, including tentative plans for projects for the coming year. Jan Merrell, Sales Chairman, reported that the "All-Time Favorites" cookbooks are selling very well and the ladies wish to thank the members of the community for their support in this project. The cookbooks make nice Christmas gifts and are available at Elaine's Beauty Shop, West Texas Utilities, Farley's Variety, Merrell Food, and from Jan Merrell. Anyone wishing to have one mailed may contact Billie Jean Griffin. The cookbooks sell for \$5.00 each, or \$6.00 if mailed.

The main item on the agenda for the FWA was the election of officers for the coming year. Those elected were as follows: Dianne Brunson, president; Ruth Ann Conner, vice-president; Maria Cruz, secretary; Billie Jean Griffin, treasurer and concessions chairman; Elois Price, reporter and publicity chairman; Elaine Harmon, phones chairman; Debbie Wellman, cards and flowers chairman; Jan Merrell, sales chairman; Debbie Wellman, Kay Calvert and Amanda Curry, fire captains.

FWA looks forward to another year of working with the community for the Quitaque Volunteer Fire Department.

Quitaque Baptist Women Meet

On Tuesday, December 9, at 9:30 a.m., the Baptist Women met with Mrs. R. J. Harmon leading the opening prayer.

The study was led by Mrs. Leon McCracken, assisted by Mrs. A. E. Gragon. The subject was "Peace in the Middle East." Mainly, the topic was about political and religious suppression and harassment of christian missionaries in the Middle East.

Mrs. Lillian White read the names of missionaries and scripture from Galatians 5:16-26. A prayer was led by Mrs. McCracken.

A chain prayer was given, in which each lady present participated.

Those present were Mmes. Harmon, Gragon, McCracken, White and Miss Gladys Stroup.

Ying Lyles Gives Program For Senior Citizens

The Turkey Senior Citizens met December 2 with 28 members present. Grace was said by R. C. Green. A salad supper was enjoyed by all. The president, Buck Lancaster, was absent and the vice-president, Guy Smith, presided.

Ying Lyles gave an interesting program on her recent trip to China. She touched on several subjects, including the farming conditions; the social life of the laboring class of people; how they are cared for in old age; the food situation, and how the Americans are treated. She visited many kinds of factories and manufacturing plants. She also presented some of China's history.

The next meeting will be December 16 and will be a Christmas party, with a salad supper. Each man is asked to bring a man's gift and each woman is asked to bring a ladies gift, not having paid over \$2.50 for the gift.

MRS. GREBENIK TO RECEIVE RECOGNITION

Mrs. Mike (Debi) Grebenik has been named to be included in the 1980 edition of the Outstanding Young Women of America.

This honor is to encourage young women between the ages of 21 to 36 who have distinguished themselves in their homes, professions, and their communities. Accomplishments such as these are the result of dedication, service and leadership. Mrs. Grebenik has been chosen, along with 15,000 young women across America. She is being considered for one of the 51 state awards to be presented to those who are most noteworthy.

Ten women will be chosen from this list to be recognized in Washington, D. C. this fall at an awards luncheon. They are

chosen by the General Federation of Women's Clubs.

NEW ARRIVAL

Mr. and Mrs. Johnny Dee Mullin of Turkey are proud to announce the arrival of a baby daughter, Ronee Dee. She was born in Memphis Saturday, November 29, and weighed six pounds and nine ounces.

Her grandparents are Mr. and Mrs. Woodrow Mullin of Turkey and Mr. and Mrs. Love of Tulla.

Mr. and Mrs. Murry Wayne Morrison and children and Mrs.

Visitors with Mrs. Beatrice Northcutt this past week were her sister and her sister's daughter-in-law, Mrs. Altie Gunn and Mrs. Mary Yvonne Gunn of Levelland. Mrs. Mary Gunn visited her aunt, Mrs. Mary Hall, while Mrs. Altie Gunn visited Bea Thursday of last week. On Friday, another sister, Mrs. Irene Irby of Floydada, visited Mrs. Northcutt.

Ella Colvin were among those attending the football game at Snyder Friday night. They drove on to Big Spring and spent the

weekend with Buddy Colvin and family.

Quitaque Ambulance Service took David Clark, Jr., three-year-old son of Mr. and Mrs. David Clark, to Central Plains Hospital in Plainview early Tuesday morning.

Guests in the Murry Morrison home for Thanksgiving were Mr. and Mrs. Mike Spier and Darren of Clarendon, Mr. and Mrs. Murry Wayne Morrison and children, Mrs. George Ray Colvin and Clyde Morrison.

Mr. and Mrs. Phil Barefield and family of Darrouzett spent the weekend with the Walter Taylors and attended to business for the Caprock Home Center. They were guests for lunch Sunday with his parents, the James Barefields.

The Gaston Owens want to thank their children, Eddie and Diane, for being so gracious in taking them and helping them to attend the football game at Snyder between the Valley Patriots and the Rankin Cougars last Friday night.

Hesston Dealers To Sponsor National Finals Rodeo Telecast

Brown-McMurtry Implement, Silverton, will join Hesston Corporation and over 1,000 other Hesston Farm Equipment dealers across North America in sponsoring a special telecast of the 1980 National Finals Rodeo from Oklahoma City.

The program will appear locally on KAMR-TV (4), Amarillo, December 17, at 8:00 p.m.

This makes the seventh consecutive year that the Hesston Corporation has televised the National Finals Rodeo. Recognized as the "World Series" of professional rodeo, the N.F.R. climaxes nearly 600 Professional Rodeo Cowboys Association (PRCA) sanctioned rodeos held in 1980 throughout the country.

To qualify for the National Finals, entrants must rank among the top 15 money winners in their respective event(s) for the year. The cowboys that come out on top during the National Finals then win the coveted World Champion title in their event. Standard pro rodeo events: bareback bronc riding, steer wrestling, team roping, saddle bronc riding, calf roping and bull riding. Girls barrel racing will also be featured.

The two-hour telecast will start with a 30-minute segment showing the best action from the nine "go-rounds" (performances) that lead up to the 10th and final championship performance. This "N.F.R. Review" is hosted by country-western artist Red Steagall. The remaining 90 minutes of the show carries all of the ac-

tion of the final "championship" performance where the world championships are usually decided. Rodeo commentary during this portion of the telecast will be handled by six-time world champion cowboy, Larry Mahan, and veteran rodeo announcer, Bob Tallman.

The final championship performance segment is sponsored exclusively by the Hesston Corporation and more than 1,000 participating Hesston Farm Equipment dealers across the United States and Canada. During the show, Hesston will air a special "Salute to Agriculture," which pays tribute to North American agriculture. This year's "Salute" was written by Harlan Hentges of Perry, Oklahoma, and was the winning entry in a competition sponsored by Hesston for members of the Future Farmers of America (FFA), a national organization of farm youth.

The special will air in nearly 40 states in the United States and in three provinces in Canada between December 17 and December 23.

Mrs. W. F. Sauls and Mrs. Cora Gragson drove to Clarendon on Tuesday of last week to attend an Eastern Star School of Instruction. Mrs. Gragson was one of the officers, filling the office of Electa. The ladies were overnight guests of Mrs. Eula Merrell.

Mrs. Murry Morrison, Mrs. Ruby Cushenberry, Mrs. Bruce

PUBLIC NOTICE

Pursuant to the provision of the Communications Act of 1934 as amended, notice is hereby given that, on December 5, 1980, Valley Translator System, filed with the Federal Communications Commission an application for a construction permit for a new 100 watt low power television broadcast station to serve Quitaque, and Turkey, Texas by rebroadcasting Warner-Amex Movie Channel as a Subscription TV Channel 60. The transmitter site will be located 4 miles Northwest of Quitaque.

COUSIN OF BUDDY MORRIS BURIED LAST WEEK

Casey Meek, 69, of Adrian, Texas died Monday of last week. Funeral services were held at

N. S. Griggs & Sons Pioneer Chapel in Amarillo Thursday with the Rev. John Miller, pastor of Adrian Baptist Church, officiating. Burial was in the Hedley Cemetery.

AS A MAN THINKETH

Gerald Beasley

AN UGLY MONSTER

A man saw a small, odd-looking creature by the road. Thinking the varmint should be destroyed he clubbed it. It doubled in size! The excited man then violently beat the little beast. The more he beat it, the larger it grew. The man jumped the fence and found a rail, but as he thrashed the critter, it filled the whole road.

Exhausted, he drew back to rest. When the beating stopped the thing shrank and became smaller in size than when the man first saw it. It crept whimpering into the brush and vanished.

The creature's name is RUMOR!

TURKEY FLORIST
Let Us Help You With All Your Floral Needs
Ph. 423-1323
Patsy & Beth Lyles

Rumor and gossip are twin termites bent on undermining. Magnified under God's truth they are hellishly ugly.

A five-year-old "preacher" lined up his friends on the curb and gravely announced, "This morning we will preach the gospel."

"Where no wood is, there the fire goeth out: so where there is no talebearer, the strife ceaseth." (Proverbs 26:20).

Paul, seeing Peter in grave

Mr. Meek was born in Briscoe County and moved to Adrian 45 years ago from Hedley. He was a retired ranchhand and a U. S. Army veteran of World War II. Survivors include four sisters, Mrs. Sybil Stevenson of Silverton, Mrs. Jean Childress of Phillips, Mrs. Inez Ray and Mrs. Dorothy Tanner, both of Deer Park, and a brother, Alvis Meek of Phillips, South Dakota.

Mr. Meek was a cousin of Buddy Morris of Quitaque.

21:1-17

Yes. We have a Christmas Angel living at our house. And most of the excitement of this joyous season revolves around her.

Of course, she is not an angel most of the time. She is a very special little girl — very special because we love her.

At church this Christmas she'll be one of the "angels" singing to the shepherds the joyous news of Jesus' birth.

We are glad the church has become an important part of her life. That's where she has learned that she is very special to God.

So are we all!

The joy of Christmas at our house . . . and in God's House . . . begins with the realization that Jesus was born because God so loved the world.

PEACE

Sunday
Psalms 46:1-11

Monday
Psalms 42:1-11

Tuesday
Psalms 40:1-17

Wednesday
Psalms 51:1-17

Thursday
Titus 2:7-13

Friday
Job 8:5-14

Saturday
Job 27:1-8

Peace can be a moment of stillness, steeped in the beauty of God's world, shared with those you care about.

Yet there is no definition that can fit every human experience of peace. That's probably why the Bible speaks of *the peace of God which passeth all understanding.*

And the way to find peace — the best way — has always been to seek God. As we turn to Him in prayer and fix our thoughts upon his truth we know a calmness and confidence that neither nature nor companionship alone can provide.

If you haven't already begun the quest for peace — start this week in your place of worship.

INTERESTED IN PAINTING? With Jean Green in Quitaque. For more information, call Jan Merrell, 455-1466. 26-4tc

PUBLIC NOTICE

The Quitaque City Council met in a regular meeting on Monday, December 1, 1980. Among the proceedings a resolution was passed pertaining to the sale of fireworks within the corporate limits of the City of Quitaque. This ordinance is necessary to conform with the board of fire insurance.

WHEREAS: From the passage of this ordinance, it is unlawful to sell fireworks within the corporate limits of the City of Quitaque. This ordinance, being an emergency, is passed on first reading. This becomes ordinance No. 46.

Jake Merrell, Mayor

CARD OF THANKS
We would like to thank everyone for all the nice things done for us when I fell. Thanks for the prompt help of the EMT men and Brenda Seymour for helping. Thanks, too, for all the visits, cards, calls, food, and most of

all, for the prayers of everyone. In christian love, Elmer and Belle Cruse

CARD OF THANKS

To the many, many people of our communities, for each act of friendship done during my accident and since, I offer my humble and sincere "thank you." To the EMTs, Jimmy, Clara Ruth, Elgin, Manuel, Jerry and others I may have been too out to know, thank you very much for your gentle, efficient handling on both the Memphis and Amarillo trips. To all who have visited, phoned, or sent food, and those who have sent the many beautiful cards

and plants, my heartfelt thanks. May God richly bless each of you.

Jo Mae Merrell
