# The Valley Tribune

VOLUME 23 NUMBER 31

THURSDAY, JANUARY 13, 1983

## A New Era

Your editor hopes you noticed the new size and construction of The Valley Tribune last week. We have had many comments and all of them good. When the Owens came back to Quitaque to put in a newspaper in 1960, they went to the tabloid size for the first two years. This will hopefully help us to get most of the news in the paper each week without having to carry some over to the next week.

The Owens family wants to thank the Charles Sarchets for the 11 years they have printed The Valley Tribune with very little profit and much, much hard work. We hope Charles and Mary Ann have a little more time now to enjoy some of life.

We hope we can keep publishing the newspaper and we hope you will cooperate with us so we can have the things in the newspaper which YOU enjoy. If you have anything of interest to share with our readers, bring it to the newspaper or call us and we will come and get it.

We don't intend to write a column. (Mr. Owens always shied away from column writing because he said one would antagonize SOMEONE in any column) but we thought we would comment on the turn-around in the paper over the last 23 years. (Eddie was so proud of the looks of the paper last week. He stated he wished his daddy could have lived to see his paper look like that.) We hope you like it, too.

Mrs. Henderson and sons, Wayne and Zane, and Mrs. Owens visited Eddie, Diane and Kami, while Dwain stayed at the hospital with Joe McWaters to let his wife come home for awhile. She had been at his bedside since Thursday without a break. Joe has been quite ill but is some improved. The couple is well known in the Quitaque area.

## Valley Patriots Take First Place; Lady Patriots Settle For Consolation

The Valley varsity boys and girls drove to White Deer Thursday to enter the tournament, with the boys taking first place by defeating Sanford-Fritch, a Class AA team rated No. 8 in the state. Another commendation to the Valley Patriots: they were rated No. 10 in the state by the Fort Worth Star Telegram last week and were rated No. 11 by the TABC (Texas Association of Basketball Coaches).

The Lady Patriots played Higgins Thursday, winning that game 46-33. The first period score was 10-8, and at halftime stood at 28-12. The third quarter score was 34-24, and the final tally was 46-33.

Sherri Hendrix scored 16 points to lead the Lady Patriots, and Candy Jones added 14. Angie Clay hit for nine; Lori Clay, three, and Elaine Adams and Cindy Fulbright, two points each.

Friday, the girls played White Deer and the Lady Patriots took this one also, 40-37.

The first buzzer sounded with Valley ahead by two, 9-7. By halftime, the Lady Patriots had fallen behind 17-19, and in the third quarter bad things began to happen (the grapevine says it was the refs), and the Lady Patriots fell still further behind, 27-36. In the final period, the Lady Pats staged a comeback and outscored White Deer to win 40-37.

Jones was high-point individual with 18 points. Angie Clay got 12; Sherri Hendrix, five; Cindy Fulbright and Mary Dowd, two points each.

Saturday, the Valley girls played Sanford-Fritch and lost by a point, 55-56. The Fritch girls were ahead at the end of each period, 18-10 at the end of the first, 33-19 at halftime, 42-35 at the end of the third, and went on to lose 56-55.

Candy Jones hit for a big 26 points in their losing effort. Angie Clay got 13; Sherri Hendrix, 10; Mary Dowd, four, and Elaine Adams, two points.

The Valley Patriots played Higgins Thursday in their first game, leading all the way. The score by quarters was 10-6, 29-10, 41-25 and at the final buzzer the Patriots were on top 68-33.

Jerry McNary was the offensive leader in this game with 12 points; Billy Shannon, 11; Tommy Williams, 10; Brett Cheatham, eight; Tim Clardy, seven; Will Williams, six, and Kraig Cox, four points.

Friday, the Patriots played White Deer, winning 68-45. At the first buzzer, the Patriots lagged 12-14. At halftime, they drove ahead 30-29, and at the end of three

periods the Patriots had extended their lead to 44-35. They finished with a 23-point victory.

Tommy Williams was high scorer with 16; Randy Fuston, 15; Brett Cheatham and Jerry McNary, 10 points each; Kraig Cox and Will Williams, six points each, and Billy Shannon, five.

The Valley Patriots played Sanford-Fritch for the championship Saturday night. Both teams were regional tournament qualifiers a year ago, and both brought their graduation-depleted teams to centercourt, with the Patriots coming out victorious 55-53. This brings the Patriot record to 17-1.

Coach Steve Adams lost five starters through high school graduation last year, and Fritch lost four starters. Coach Adams says he has a great bunch of players this year.

The Patriots had a four-point lead at the first buzzer, 14-10, dropped to a two-point lead at halftime, 25-23. In the third quarter, the boys began a scoring spurt with 4:22 remaining and, using a tough inside offensive attack, they built a 10-point lead which the Eagles were never able to match.

"That third-quarter spurt was definitely the turning point for us," stated Coach Adams. "We were able to get buckets inside that we haven't made this season."

Tommy Williams got a two-shot foul in the last 15 seconds which he made to win the game.

Both winning teams placed four starters each in double figures. Valley's Brett Cheatham, 12; Randy Fuston, 12; Tommy Williams, 11; Jerry McNary, 10; Kraig Cox, eight, and Lupe Reyna, two points.

Tuesday night, Valley hosted Lubbock Christian A & B girls.

The varsity girls won their game. The first period ended with Valley one point behind, 10-11, and the same one-point deficit was with the team at halftime, 20-21. Then in the third period, the Lady Patriots found the range and started popping the nets and the buzzer sounded with Valley ahead 34-26. The final period ended 46-30.

Sherri Hendrix dropped in 12 points; Elaine Adams, 11; Candy Jones and Angie Clay, nine each, and Mary Dowd, five.

The JV girls won their game, leading all the way. The first quarter ended 5-2, at halftime the score was 14-8, after three periods it was 24-19, and the final tally was 38-27.

Devonna Smith was high-point player with 12; Tammy Clay, eight; D'Anna Smith and Wanda Brittan, seven each, and June Johnson, four.

Valley hosts a JV Tournament for boys and girls teams this weekend, January 13, 14 and 15.

Fans are urged to come out and support the teams.

# Jamathew Eudys Honored On Fiftieth Wedding Anniversary Sunday

Mr. and Mrs. Jamathew Eudy were honored on their fiftieth wedding anniversary with a celebration held in the fellowship hall of First Baptist Church in Turkey Sunday afternoon, January 9, from 2:00 until 4:00 o'clock. Hostesses for the occasion were Gladys Hanna, Colleen Stone, Ying Lyles, Vida Mae Pierce, Mary Beth Adamson, Mary Jo Barnhill and Edna Earl Blakney.

The couple repeated their marriage vows with the Rev. Melvin Clinton, church pastor, officiating. Joyce White of Lubbock, Mr. Eudy's niece, was matron of honor, and Jackie White of Lubbock served as best man. Mrs. Eudy's brother, L. B. Collins of Washington, Oklahoma, gave the bride away.

Mrs. Eudy said she had to wait 50 years but she got her church wedding that she didn't get to have the first time. The couple was married in Hollis, Oklahoma the first time on January 4, 1933, by a Baptist minister, Rev. J. H.

McCuiston. Ying Lyles presided at the registration table. Mary Jo Barnhill served the punch and Edna Earl Blakney served the three-tiered white and gold wedding cake, a variety of cookies, nuts and mints. The centerpiece was an arrangement of gold silk flowers in a brass bowl. The bride's bouquet was of light yellow silk flowers tipped with gold.

Guyretta Clinton sang "I Love You Truly" at the ceremony and was accompanied by Mary Beth Adamson, who also played wedding selections.

Out-of-town guests were Mr. and Mrs. Jackie White of Lubbock; Mr. and Mrs. L. B. Collins, Washington, Oklahoma; Mrs. Opal Weel, Las Vegas, Nevada; Mrs. Marguerite Wallace, Dallas; Mr. and Mrs. Van Allen Collins and two sons, Jeff and Kevin, El Paso; Mr. and Mrs. John Wyatt and their children, Ashleigh and John Trey, Silverton; Mr. and Mrs. Bruce Price and Mrs. Hazel Robinson, all of Quitaque.

## LP-GAS REGULATORS FREEZE, RESPONSIBLE FOR FIRES

Austin, Texas—A combination of freezing weather and improperly positioned regulators on home propane and butane tanks has caused five building fires in the last month and prompted the Railroad Commission's Liquefied Petroleum Gas Division to issue a warning to both LP-gas users and dealers.

Regulators control the flow of the propane or butane from the storage tank to the appliances in a home, stepping down pressures of 200 pounds per square inch to a few ounces. Each regulator has a small vent opening which must be

protected from dust, dirt, insects, rain or snow.

If the regulator is not covered or protected, rain may collect in the vent opening and later freeze when the weather turns cold. Freezing rain, sleet or snow can also block the vent. When the moisture freezes, it can disable the regulator, allowing the full 200 pounds of pressure from the tank to shoot to appliances in the home.

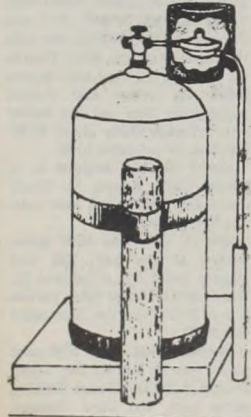

A normal 3/4 inch blue flame can suddenly become a roaring two-to-three foot torch, igniting walls, ceilings or anything nearby.

That's exactly what happened in the five building fires recently reported to the LP-gas Division. Four occurred on the same day, November 27, as an icy cold weather front moved through the Panhandle.

Two residences and a mobile home office building in the town of Wheeler went up in flames with one injury reported due to smoke inhalation. A residence also burned in Shamrock. On December 8, a frozen regulator vent caused a fire which destroyed a mobile home in the Reeves County city of Toyah, injuring one person.

Investigators in each case found unprotected regulators on LP-gas tanks installed with the vent opening pointing up making it easy for moisture to collect, freeze, and block the vent.

With more winter weather on the way, LP-Gas Division safety personnel urge everyone who uses propane or butane from tanks to have the regulator checked for proper positioning. Any certified LP-gas dealer can make the check. It's especially important to check older tanks and regulators. Many of the older regulator installations

have exposed vents which can freeze easily.

Ideally, the regulator will be located under a protective dome cover on the top of the tank. Exposed regulators should be positioned with the vent facing down and should have a vent assembly or vent suppressor to protect against freeze-ups. Protecting regulators need not be expensive. A slotted can or modified plastic container can provide adequate protection.

According to Mike Moeller, President of the Texas Farmers Union, "this year's convention is certainly timely with many new faces around the capitol and a growing awareness of the problems facing our farmers and ranchers among our newly-elected statewide officials. ### TEXANS TO CELEBRATE GOVERNOR'S INAUGURATION

Governor-elect Mark White and Lieutenant Governor Bill Hobby will be honored with "A Texas Celebration" marking their inauguration Tuesday, January 18, 1983.

White and Hobby will be sworn into office at high noon at the south entrance to the Capitol. Immediately following the swearing-in, White will go to the Governor's Mansion where he will cut locks from the door, symbolically opening the governor's mansion to the people of Texas. The public will then be invited inside the mansion. A luncheon at the Capitol will also follow the ceremony.

Highlighting the celebration will be two formal inaugural balls as well as an informal gala Tuesday night. Two formal celebrations are planned to allow the fullest access to all Texans participating in the inaugural ceremony.

The two formal balls will begin at 8:00 p.m. The northern region of the state (including Austin, Dallas, Fort Worth) East and West Texas will celebrate at Palmer Auditorium and the southern region (including Houston, San Antonio, the Gulf Coast and the Rio Grande Valley) will celebrate at the Frank Erwin Center.

THURSDAY, JANUARY 13, 1983

The Bluebonnet Ball, an informal gala at the Austin Opera House, will begin the evening's festivities at 7:00 p.m.

Governor and Mrs. White and Lt. Governor and Mrs. Hobby will lead the Grand March of state officials to each of the three celebrations over the course of the evening.

Also participating in the festivities will be more than a dozen college and high school bands and precision military units marching in the inaugural parade on Congress Avenue Tuesday afternoon.

Prior to the swearing in, Governor-elect and Mrs. White and Lt. Governor and Mrs. Hobby will host a breakfast at the Hyatt Regency Hotel to honor campaign volunteers.

Following the volunteers' breakfast, ministers and laymen of all faiths will conduct a nondenominational service at the Hyde Park Baptist Church.

To recognize the achievements of the Democratic Party in Texas and to honor all elected state officials, the State Executive Committee is sponsoring a victory dinner Monday, January 17. Charley Pride will provide the entertainment for the evening.

## UNITED STRONG Farmers Union

### Can Family Farm Agriculture Survive and Prosper in the 1980s? We in the Farmers Union believe it can.

But some changes must be made in the present direction of farm policies. Most of all, there must be strong support for positive change by farmers and people at the grass roots of agriculture.

Overproduction has wreaked havoc on farm prices. Never in recent memory has the need been greater for the fundamental policies of the Farmers Union—for an effective farm program that will provide fair farm prices and control overproduction; for credit made available at reasonable rates on a permanent basis; for exports that are unrestricted and sold at fair prices; for strong farmer cooperatives.

Membership in Farmers Union offers many benefits, including access to the latest farm news, valuable educational programs and, most importantly, a strong voice in improving local, state and national public policies.

Make the strongest statement you can in support of the family farm. Join the Farmers Union.

### Quitaque Methodist "Dayspring" Services

#### Set For Three-Day Emphasis

Wesley Putnam, widely acclaimed singer, composer and evangelist, will be at the United Methodist Church in Quitaque on Sunday morning, January 23, through Wednesday night, January 26, to lead a "Dayspring." There will be a youth choir Sunday night, January 23, a ladies choir Monday night, men's choir Tuesday night and a mixed choir Wednesday night.

Rev. Putnam tells how he began writing folk songs to celebrate God at work in the lives of his congregation. He begins, "I don't remember a time when I didn't love music. My dad tells a story about my standing on the front pew and singing my first solo in church at the age of three or four. The only problem was that it was in the middle of his sermon.

"I was always fascinated with my dad's guitar and any instrument I could toot, pound, pluck, or play. My parents reinforced this interest by giving me piano lessons and encouraging my brothers and me to sing together. Our gathering around the piano to sing developed into a boys quartet. We sang in church and wherever else we could get someone to listen.

"During my high school years in Vivian, Louisiana, I played in the band, sang in the choir, and began to sing solos. By the time I graduated I was certain that music would be my life. I went to college to become a performer and teacher of music.

"But in my sophomore year I had a great experience with the Lord, and in the summer of 1972 I felt strongly that I was to go into the pastoral ministry. My reaction to this revelation was disbelief. I had my heart set on music, and after spending my life in a parsonage, I had very little desire to be a minister. But I knew that God

loved me and was only going to lead me toward what was best for me.

"By November of that year I was standing behind the pulpit of my first charge in Northeast Louisiana and I was making plans to study at Asbury Theological Seminary after finishing college.

"The pastorate did not, however, silence my love for music. During student pastorates in college and seminary I began a tradition of singing my Christmas and Easter sermons. In these sermons I spiced traditional and contemporary songs together in a sequence, connecting them with narration. I began to see that I need not choose either music or preaching, but that the two could be merged into a better ministry.

"The first song I wrote as a pastor was an unexpected treat. I was preparing my first Easter sermon in a student pastorate in Grayson, Louisiana, and was meditating on the great love God had shown us through Christ. I picked up a pen and paper and the words seemed to flow effortlessly onto the page. I ran excitedly next door to the parsonage, grabbed my guitar and began to put the words to music. From the writing of the first word to the time I was playing this song for my wife, Felicia, only 20 minutes had passed. This song was named, "The Gift," not only because of His gift to me of the song, but also because of His greatest gift, Jesus."

The Rev. Putnam thought this would probably be the only song he would write, but he realized later, this was God's way of dealing with him to open the way for his song-writing over the next five years and the ministry they would become. Many things were prepar-

ing him. His years of study at the seminary to give him the theological base from which to work. The semester he worked at the university hospital confronted him with the real world of suffering. The struggles and temptations he faced showed him his dependence upon God.

After graduation, he was appointed to Lazbuddie United Methodist Church in Lazbuddie, Texas. It was here he began his song writing again. This was the first church he had pastored which had an organized youth group. Out of his own struggles with temptation, he had realized the struggle of youth, and he wrote the song, "Intercessor." What would Jesus say if He confronted us in a moment of temptation.

This is the background of the ministry of Wesley Putnam. If you want to hear more, and hear the songs he has written and put to music, make plans to attend each service of the "Dayspring" at the Quitaque United Methodist Church. Morning services will be at 11:00 o'clock, and the evening services will be at 7:00 o'clock.

The South Plains Development

Program is a coordinated regional effort of individuals, associations, businesses and agencies to promote economic development in agriculture and improved family life in 21 counties. Texas Farmers Union Week Declared

"As one of my first official acts, I am proud to declare January 10-14 as Texas Farmers Union Week," stated Jim Hightower, newly elected Texas Commissioner of Agriculture.
