City Library Has Shelves; **Open Now**

by Arlene Hinkle

Progress is the key word at the Caprock Public Library and during the past few weeks, we have made some cosmetic changes. The arrival of several units of shelving has transformed the bare walls into a bright and cheerful workplace. Most of the core reference material and a variety of fiction material are available to patrons. We continue to process and new additions are made daily.

Mr. and Mrs. John Speer of Amarillo donated several boxes of books and also gave us an autographed copy of Mrs. Speer's "Bootsteps, Bootsteps" is a book of poetry about the west,

Forgetfulness--Now there is a word for us! This is a disease we Il catch at one time or another-perhaps sometimes on purpose! Well, now of course not one of us would admit to that!! In fact we hate to admit that we ever forget anything--makes us uncomfortable! It is embrassing and usually costly!

Several years back I decided my forgetfulness had accelerated too much. I bought a book that promised to help improve my memory. I took it with me everywhere and when I had a couple of minutes I read. Well to make a long story short, I left it in a store and had to return later to pick it up. The clerk that returned it to me gave me a strange look! She probably felt that I needed to not only carry the book around to read but to put the ideas it gave into

Well, I have tried but still get caught short every once in a while in the embrassing situtation of having forgotten something impor-

In fact this past week I pulled one of my worst yet in the area of forgetting. During the week I put our news into the computer on a disk. Then the disk is carried to Paducah on Wednesday when we put the paper together for the week--Well last Wednesday when I arrived at Paducah and we started to copy off the news--no disk--no news--and I am flabbergasted! I had forgotten to take the disk out of the computer and had left them in Quitaque.

Panic time! Frantic calls! Lines busy! No one home! Finally

got a call through to Steve Ulrey and he took pity on me! He and his wife Julie met me in Matador at noon with the disk and saved the day! So you have Steve to thank for last week's paper.

So you see forgetfulness is a rotten disease to contact but it does bring out the best in some people! Thanks Steve and Julie!

March Toward Nutrition

March is National Nutrtition Month! This years theme is "Eat Right America." To celebrate this, we should all choose foods from the basic food groups: milk and dairy products; meat, fish and poultry; breads and cereals; and fruits and vegetables. Good health depends on electing a wide variety of low-fat foods in moderation and maintaining healthy body weight.

All articles featured in March's News Columns will concern nutrition and healthy eating. If your club or group is interested in having me give program(s) related to nutrition this month, please contact me at 823-2131 at your earliest convenience, so that we may schedule the

Another option available this month, if you would like more information on nutrition, is a letter series. There will be two series available this month, both are free of charge and will be mailed directly to you. They are "Food For Older Adults For the 1990's" and "Healthy Eating For Kids." If you are inter ested in signing up for one of these or nave any questions, please do not hesitate to call.

then and now. Such a thoughtful gift and will be a most welcome addition to our local histroy section. Much appreciation goes to Mr. and Mrs. Wayne Hunter of Flomot for transporting and unloading.

Also, Mrs. Walter Berry of Amarillo donated several boxes of books and cassette tapes. There are some excellent books on the techniques of writing and photography.

Our work days continue on Tuesday, Wednesday, and Thursday from 9 until 3. Volunteers are always welcome. Stop by and pick up your library card--it is free.
