John and Maebelle Francis Turkey Plans Community Thanksgiving

The community of Turkey and the Turkey Proud Committee encourages everyone join their neighbors on Sunday, November 22 for the Community Thanksgiving Celebration Dinner.

Serving will start at 12:30 p.m. with turkey, dressing and all the trimmings. Entertainment will be brought to us following the meal by John and Maebelle Francis of Silverton.

It would be appreciated if you, from Turkey would bring a salad, vegetable or a dessert, (one dish only), if possible. If unable to do so, come be with us anyway. There will be a charge at the door for the dinner.

To the men and women who may be working in the fields harvesting their crops, come as you are.

Carry out plates will be available.

THEN & NOW!

by Eunice McFall

We have been having beautiful fall weather the past few weeks. Of course we all know that one fine morning, old man winter will awaken and blast us with his cold breath. Are we prepared? There are many things we need to get ready for winter—cars, homes, yards, gardens, even ourselves!

Cars need to be winterized so that they will survive the winter without frozen radiators. Sometimes chains are needed because of icy roads. It is even recommended that we have blankets, etc in the car in case of being stranded because of winter storms.

Homes also need care before winter sets in. All the cracks and openings should be closed up to keep the heat in and the cold and wet out. Pipes should be protected so as not to freeze and cause a multitude of problems for the homeowner. Air conditioners are turned off and covered up while heating systems should be checked out before using for a new season.

Plants also need to be protected from the cold winter season. Many plants need to be covered with mulch of some sort to survive zero weather. Many plants do not live through the winter because of dryness. So it pays to water the plants you care about. Some trees and shrubs and other plants need to be trimmed so that they can come out next spring with vigorous growth and bloom beautifully for you to enjoy throughout the summer or to just be pleasing to the eye because of the beautiful leaves that layer the stems.

As for as "winterizing" ourselves—first we have to get reacquainted with short days, long, dark nights. Learn to deal with long mornings and short afternoons and still accomplish all the chores that are on our agenda for the day. But then comes the long nights. These can be a wonderful time or a time of despair. If you can enjoy catching up on your sleep, playing games with family and friends, reading a good book, or visiting friends, the "long" winter will be a good one for you—and before you know it spring will arrive with birds singing, sun shining and flowers blooming. Winter is a good time to simmer all those slow cooking soups and stews to warm the body—bake fresh breads and enjoy the aroma of it as well as the taste. Enjoy your long, long winter by looking forward with excitement for what will happen tomorrow.

Jim Stroup and Jimmy Davidson are both recovering from surgery at St. Marys Hospital at Lubbock. Let's remember them this week.

Patriots Move Into Regional Play After Friday's Win Over McLean

Valley Patriots will face Lazbuddie at Silverton Friday night at 7:30 in the Regional Championship playoff game. The Patriots advanced to regional after a 78-30 win over McLean last week for the Bi-district championship. This was their second consecutive win over McLean for the district title.

Valley won the game behind a great defensive effort by the Patriots. The game started off badly for Valley, as they fumbled on the very first play, but the defense forced McLean to punt, and Bradley Price, following great blocking, went in from 22 yards to put Valley up front 8-0.

On the next set of downs for McLean, Patriot Jason Smith picked off a Tiger pass, and raced 27 yards for the TD and a 16-0 lead.

The Tigers got on the scoreboard when Christian Looney hit Will Shaw on an 18-yard pass to make the score 16-8. Recovering an onside kick at Valley's 23 yard line, McLean

Thanksgiving Supper Slated At Quitauque

The Community Thanksgiving Supper for Quitauque will be on Monday night November 23, 1992 at the Community Center beginning at 7 p.m.

This celebration of thanks is sponsored by the ministers of Quitauque.

Each family is requested to furnish a vegetable dish, salad or a dessert. The meat will be furnished.

Everyone is encouraged to come and count your blessings with your friends and neighbors.

looked as if they were about to tie up the game, but Josh Scoggins put on a hard Valley rush, and forced a fumble into the arms of Clay Merrell, who raced 50 yards to increase Valley's lead.

McLean came back, and Looney hit Casey Carter on a 39-yard pass to close the gap again, but Valley's offense went to work, marching 65 yards in ten plays, and capped it off with a one-yard run by Dewayne Davis.

After Valley forced another punt by McLean, Davis went over again, this time from four yards out, to bring Valley to a 48-22 lead at halftime.

On the first play of the second half, Smith picked off a pass and returned it 35 yards for a TD. McLean was forced to punt,

and on the very first play, Smith rambled 32 yards for another TD.

McLean scored once more, when Looney hit Chronister on an 8 yard pass. On the kickoff, Davis returned it 45 yards for a TD, and Josh Scoggins ended the scoring when he went over from the 5 yard line for the final score of 78-30. The game was called due to the 45-point rule.

Special teams people played a big role in the win, with extra point people Ricky Hughes, Joe Valdez, Scoggins, Danny Ulrey, Davis, and kicker Bradley Price's 9-9 extra points for 18 points.

The defense was led by Valdez with 7 tackles, Price with 5, Smith with 3 INTs and 5 tackles; Josh Scoggins had 3 tackles; Clay Merrell had 7 tackles, and

one fumble recovery; Dewayne Davis had 4 tackles.

On offense, Price had 11 carries for 90 yards, and one TD; Smith had seven carries, 82 yards, and four TDs.

The regional playoff with Lazbuddie will be at 7:30 p.m. in Silverton.

Attention Patriot Fans

by Katy Browning
The Valley Patriots will be playing for the Regional Six-man Football Championship on Friday November 20, 1992 at Silverton.

Everyone's support is greatly appreciated. Persons interested in forming a caravan will meet at the Quitauque Allsup's at 6:15.

We will all ride into Silverton together with full force as we support the Patriots all the way!

Turkey Fire Department Adds to Fire Equipment

Turkey Volunteer Fire Department recently bolstered its firefighting arsenal with the acquisition of a truck, thanks in part to assistance from the Texas Forest Service and the Rural Cooperative Fire Protection program.

Last Saturday night at the Bob Wills Center, during game night, Richard Robinson, a contact trainer for the Texas Forest Service, part of the Texas A&M University System presented the Key to the truck. Receiving the Key was Fire Chief Gary Clinton and other members of the Turkey Volunteer Fire Department.

Fire department officials stretched available funds further by obtaining the truck free of charge through the cooperative fire program, which is administered by the Texas Forest Service. The state forest resource and rural firefighting agency had obtained the truck as federal excess property, and it, in turn, passed on the truck free to the department for its use.

For additional information about assistance available to rural firefighters contact the Texas Forest Service, Fire Control Department, P. O. Box 310, Lufkin, Texas 75902-0310, Phone 409-639-8100. Thanks to one such contact, Turkey volunteer firefighters gained a free truck for their use.

Caprock Public Library News

by Arlene Hinkle
Some days at Caprock Public Library are more eventful than others and Veteran's Day was such a day. Mrs. Linda Lemons and Miss Celia Johnson of Valley Elementary School brought their kindergarten and first grade classes for a short session at the Library. These students are a great group and we hope to see their smiling faces often!

Several book donations have been received over the past few weeks from Mr. and Mrs. Willis Winters; Jane Pigg; Mr. and Mrs. Keith Edwards and Mr. and Mrs. Weldon Purcell.

We are planning our BOOKSALE—to coincide with Caprock Country Christmas.

Caprock County Christmas Approaching December 5

Quitauque's annual Caprock Country Christmas is just around the corner. Plans are still being made and new and more interesting events are in the works.

The Arts and Crafts show will again be held at the Quitauque Catholic Center. Booths are still available but are going quickly. Make your reservations soon so you don't miss out.

The Commercial Exhibits will be in the Quitauque Community Center. Several local business people will exhibit their wares and take orders at this time. No sales will be allowed.

The Chamber of Commerce will be in charge of the concession stand at the Catholic Center. They will be serving barbecue beef on a bun, frito pie, drinks and desserts throughout the day.

The Valley Homemakers Club will be sponsoring Cow Patty Bingo and will also have tickets available on a "Winter Warmer Basket."

An added attraction this year will be the Circle Dot Ranch Chuckwagon. Joe and Virginia Taylor will be setting up camp next to the Quitauque City Hall.

Property Clean-up Requested By City Council

by Ann Coker
The Turkey City Council met last week. The prime issue of discussion was to clean up our town.

Several concerned citizens met with the council and plans were made to form a committee to spearhead the clean-up operation.

The City is not responsible for cleaning up private property. The committee will probably try to contact every property owner in town. City needs your cooperation.

The next City Council meeting will be December 10th. If any of the citizens of Turkey have some workable suggestions and want to help your town with your involvement, please attend the meeting. Helpful suggestions are welcomed!

Show your pride—clean up your property!

The firehall will be a busy place during the day also. A fishing booth, duck game, cow kissing contest and other events will be taking place along with the open house.

We the Women will sponsor a bake sale to help with holiday baking.

Area merchants will be having open house and many will be giving prizes throughout the day.

This year's Caprock Country Christmas promises to be fun for the whole family with a wide variety of things to see and do.

A meeting will be held Monday, November 23, 1992 at 5:00 p.m. at the Methodist Church in Quitauque. All interested individuals and sponsors are asked to attend.

Fire Department Play-off Game November 23

by Jerry Beck

The Quitauque and Silverton Volunteer Fire Departments will play the third and final game of six-man flag football. The game will be at 7:30 Monday night November 23, at the Silverton High School.

A nominal admission fee will be charged for persons over 12 with children free. We promise that you will get your moneys worth of entertainment and the money will go to a very worthwhile project.

Your support is always needed and very much appreciated by these organizations.

Catholic Community Holds Hot Tamale Sale

The Catholic Community of Quitauque will be having a Hot Tamale sale on Saturday, November 21, 1992 at the Catholic Center.

You may call 455-1458 or 455-1208 during the day to place orders or call 455-1273 after 5 to place your order.

On Saturday, call 455-1277 early to request your tamales.

Proceeds of this project will go towards payments on the Center.

RECEIVES FFA DEGREE
Bengie Hughes of Flomot is congratulated by Lee Thurber, (right) National FFA president, on his achievement of the American FFA Degree.

Bengie Hughes Receives Top FFA Degree

Rodney "Bengie" Hughes of Flomot joined an elite group of FFA achievers last week.

Hughes received the highest degree of membership awarded by the National FFA Organization, the American FFA Degree. Along with 1,208 other degree recipients, the Valley FFA chapter member was honored at the 65th National FFA Convention in Kansas City, MO, Nov. 12-14.

One of the highlights of the convention, the American FFA Degree ceremony included the presentation of a certificate and gold key to Hughes, as he walked across the convention stage with thousands of FFA members in the audience.

Open House For GTE Conversion December 2

by Jerry West

Last year, GTE announced plans to replace the telephone office in Quitauque with a new telephone technology. The conversion is now near completion, and is scheduled to be placed into service 12:01 a.m. December 2, 1992.

Quitauque was chosen to be the first city to receive telephone service from this new technology and has the distinction of being the first "Wireless City" in the United States.

Existing cable will not be removed, since wire or cable has been used to serve customers over the years. Several people are working in Quitauque to ensure a smooth conversion to the new technology.

To help acquaint the customers in Quitauque with the new service, GTE will host an Open House November 20, from 10 a.m. to 2 p.m. in the First National Bank Community Room.

The new system will be demonstrated, and questions you may have concerning your telephone service will be answered at this time.

Refreshments will be served by Roy Pigg of the Sportsman Club and Restaurant, and door prizes will be given. Visitors will register for the door prizes which are a Winchester 270 rifle with scope, and a Browning 12 ga. shotgun. These prizes are provided by Interdigital Corporation, manufacturer of the new telephone equipment.

You are invited to come by the bank Friday, November 20 to try out the new telephone system and register for prizes.

Do Gooders Holiday Fantasy November 12

Mrs. Patri Spurlen of Childress, marketing representative of WTU, was featured guest at Do Gooders' Club Thursday afternoon, November 12, at the community center in Flomot.

Mrs. Spurlen demonstrated that holiday time is a fantasy with her decorative baskets filled with cookies, candies and cakes and gift wrapping the receiver would appreciate as much as the gift. She had on display dried flower and berry studded garlands, and gilt scones for a golden antique look. At the conclusion of her Holiday Foods and Crafts program, she presented each one attending a WTU 1992 Holiday Delights book.

Following the program, vice president Mrs. Bill Washington presided over a business meeting. Plans were made for the annual Christmas Party at the Community Center, December 1. Secret pal gifts will be exchanged, and names will be revealed.

Hostesses Mrs. Howard Rogers and Mrs. L.E. Shorter served refreshments from a table laid with white cloth. The centerpiece was a beautiful autumn arrangement of vegetables and pumpkins, dumb cane and fall foliage in an old wooden tomato basket. A golden color service complimented the decor.

Attending, in addition to those mentioned above, were Mmes. Wayne Hunter, Junior Payne, Clayton Bond, James Monk, Doyle Calvert, D.M. Gilbert, and guest Mrs. E.G. Reed of Quitaque.

Submerging a lemon in hot water for fifteen minutes before squeezing it will yield much more juice.

"THANKS"
 To the Turkey Fire Department & Auxillary for having the Chili Supper and Pie & Cake Auction for my benefit.
 Also to all the people who came or donated to the cause, as many came from Turkey, Quitaque and Flomot.
 Again, many thanks for your time, money and prayers.
 Byron

Red Ribbon Week Features

by Rhonda Cochran
There were many activities during Red Ribbon Week held at the Valley School. The Kindergarten through second grade had a stuffed animal contest where they decorated their favorite stuffed animal in red with a drug-free message. The first place winner, Jessica Wellman, had a large red heart on her rag doll which said, "Hugs-Not Drugs." Douglas Payne, second place winner, had his Winnie the Pooh saying, "Pooh on Drugs," while Scarlet Sperry's chimp said, "The Valley Terminator." She was the third place winner. Receiving honorable mention were Sammy D. Ross, Robert Mendoza and Brenda Angeles.

The third through sixth graders drew posters showing different ways to "Pledge to Be Drug-Free." The first place winner was Jamie Taylor; second went to Jess Yeary; with third going to Tate Bennett. Honorable mention was received by Peggy Reid, Manuel Ramos and Jana Merrell.
Businesses donating money for the stuffed animal and poster winners were Turkey Automotive, CC Valley Food, Lacy's Dry Goods, Farleys Variety, Karols Kountry Korner, Merrell's Food and Butler's Drive-In.
Their willingness to support our school was very appreciated in this way!

"Drug Free" Fun Activities

The junior high and high school students heard a presentation on steroid and drug use by Dr. Robert Banks who is the Director of the Substance Abuse Counseling Program at Amarillo College. He is consistently a guest lecturer at West Point and Florida State on the topic of steroids.
The Valley Student Council had a style and talent show on Thursday afternoon to culminate the week's activities. There were many very interesting models and lots of talented Valley stars performing for the student body.

Valley Plans Smoke Out Celebration

by Rhonda Cochran
The American Cancer Society's Great American Smokeout on Thursday, November 19, will mark the 16th annual celebration of this lighthearted, positive event to encourage smokers to take a day off from smoking.

Valley school will join thousands of others across the country, participating in the world's largest health promotional activity; students will "adopt" friends, parents, grandparents and teachers who smoke, dip or chew tobacco, and encourage them to quit.

Cigarette smoke is a collection of over 4,000 chemicals—some of which are cyanide, formaldehyde, methanol, and acetone. Secondhand smoke is a Class A carcinogen, causing 3,800 lung cancer, and 12,000 other cancer deaths in the U.S. each year.
Smoking is the #1 "preventable" cause of death in the nation. Every 13 seconds, someone in the world dies from a tobacco-related illness. Cigarette smoking is responsible for one out of every five American deaths.

The goal of the 1992 American Cancer Society's Great American Smokeout is to help at least one in every five smokers (20%) to give up cigarettes for a 24-hour period. Join the Valley students and adopt a smoker or smokeless tobacco user and help them to "kick the habit."

Coyote Tan Cotton

Fox Fiber Cotton

The cotton in the picture has the color name of Coyote Tan. The Lewis Eudy's did have some of the Fox Fiber green cotton but had given it away.

Cleo Green of Slaton has recently reported to the Eudy's that some of the people in that area are not planning on planting the Fox Fiber next year. It has caused some concern among their neighbors who grow white cotton. The neighbors are afraid the Fox Fiber will pollenate their white cotton and a bad grade at the gin could occur.

Mrs. Green also reported that she had seen a skirt made out of the Coyote Tan Fox Fiber Cotton and it was beautiful and extremely soft.

PUBLIC NOTICE

GTE Southwest Incorporated (GTSW) and Contel of Texas Inc. (Contel) have filed an application with the Public Utility Commission of Texas to seek approval to provide two new private line services and to change rates for existing services. GTE's intraexchange DS1 Service will be offered pursuant to the rates proposed with this filing and will no longer be available through concurrence with GTE's interLATA access tariff rates which are lower. Contel's intraexchange DS1/DDS Service will be offered pursuant to the rates proposed with this filing and will no longer be available through Contel's current private line tariff rates. Existing customers with DS1/DDS Services will not be affected by these rate changes. DS1 1.544 Megabits per second (Mbps) Service and Digital Data Service (DDS) will normally be used for the transmission of data communications or large volumes of voice communications between two locations. These services are optional and will not affect the existing rates of customers who do not order these services. The estimated annual effect on GTE-SW's revenues in the first year is \$1,080,567. The estimated annual effect on Contel's revenues in the first year are \$42,383.

DS1 Service

DS1 Service is an intraLATA Private Line Service which provides a dedicated, high capacity channel which may be used for simultaneous two-way transmission of voice data or other digitally encoded customer information signals. DS1 Service provides a transmission speed of 1.544 Mbps and is designed to provide an average performance of at least 95 percent error-free seconds of transmission over a continuous 24-hour period.

DS1 Service is available in and between all exchanges of GTE-SW and Contel where digital facilities exist. DS1 Service is available on a point-to-point intraLATA basis between two Customer Designated Locations (CDL) between a Serving Wire Center (SWC) and a CDL, between a CDL and a point of connection with another service provider or between two SWCs.

IntraLATA DS1 Private Line Service is comprised of three rate elements: DS1 Local Loop, DS1 Transport and DS1 Transport Termination. Each element is described below.

DS1 Local Loop

This rate element is for the cable facilities from the CDL to the SWC. The customer has two payment options for the purchase of DS1 Local Loops. There is a month-to-month plan or term contract Optional Payment Plan (OPP).

The month-to-month payment basis allows the customer to establish and disconnect DS1 Services, without penalty, other than to meet the minimum service interval of one month's service, as needed. Under the month-to-month service, the additional DS1 Local Loop rate applies only when the additional DS1 Local Loop (s) is (are) ordered at the same time and between the same two CDLs as the first DS1 Local Loop.

The OPP plan allows the customer to select a term of service (1 YR, 3 YR and 5 YR) with lower monthly rates associated with longer term contracts. If the customer selects an OPP, additional DS1 Local Loops may be ordered and installed at the Additional DS1 Local Loop rate between any SWC and CDL covered by the OPP, at any time during the term of that OPP.

DS1 Transport

This rate element is for the mileage sensitive charges for transporting a DS1 signal between Serving Wire Centers. Transport occurs only when the two CDLs being connected are served by two different SWCs.

DS1 Transport Termination

This rate element is for the equipment to terminate DS1 Transport at the SWCs. This charge applies only when DS1 Transport is required for the service configuration of the customer. One transport termination charge applies at each end of the DS1 Transport.

Proposed Rates and Charges for DS1 Service are as follows:

	Nonrecurring Charge	Monthly Rates
DS1 Local Loop		
Month-to-Month		
First System	\$ 1,000.00	\$ 298.00
12-month term		
First System	-0-	\$ 283.00
36-month term		
First System	-0-	\$ 255.00
60-month term		
First System	-0-	\$ 226.00
Additional System	\$ 130.00	\$ 130.00
DS1 Transport		
Per airline mile	-0-	\$ 16.00
DS1 Transport Termination		
Per Termination	-0-	\$ 40.00

Digital Data Service

Digital Data Service (DDS) is an intraLATA Private Line service which supports synchronous, full-duplex transmission between the CDL and the SWC or the point of connection with another telephone company at transmission speeds of 2.4, 4.8, 9.6, 19.2 and 56 kilobits per second (Kbps). DDS provides a transmission path for digital data signals within the same LATA.

DDS Service is available in and between all exchanges of GTE-SW and Contel where digital facilities exist. DDS Service is available on a point-to-point intraLATA basis between two CDLs or between a CDL and a point of connection with another service provider.

IntraLATA DDS Private Line Service is comprised of three rate elements: DDS Local Loop, DDS Transport and DDS Transport Termination. Each element is described below.

DDS Local Loop

This rate element is for the cable facilities from the CDL to the SWC. The customer may establish and disconnect DDS Local Loops without penalty other than the minimum service interval of one month's service, as his/her needs demand.

DDS Transport

This rate element is for the mileage sensitive charges for transporting a DDS signal between SWCs. Transport occurs only when the two CDLs being connected are served by two different SWCs.

DDS Transport Termination

This rate element is for the equipment to terminate DDS Transport at the SWCs. This charge applies only when DDS Transport is required for the service configuration of the customer. One transport termination charge applies at each end of the service.

Proposed rates and charges for DDS are as follows:

	Nonrecurring Charge	Monthly Rates
DDS Local Loop		
2.4, 4.8, 9.6, & 19.2 Kbps	\$ 85.00	\$ 85.00
56 Kbps	\$ 85.00	\$ 95.00
DDS Transport		
Per airline mile		
2.4, 4.8, 9.6 & 19.2 Kbps	-0-	\$ 1.60
56 Kbps	-0-	\$ 3.20
DDS Transport Termination		
2.4, 4.8, 9.6, 19.2 & 56 Kbps		
Per Termination	-0-	\$ 20.00

This filing has been assigned Consolidated Docket Nos. 11408/11435. The deadline to intervene in this docket is January 1, 1993.

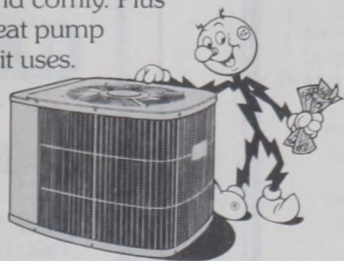

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission. Slip into comfort... when you install an electric heat pump.

Like your favorite slippers, an electric heat pump will keep you warm and toasty this winter. Then when summer temperatures roll around, the heat pump works just like a high efficiency air conditioner to keep you cool and comfy. Plus you'll save money because a heat pump delivers about twice the energy it uses.

So when you're building, buying, or just replacing your present system, consider the year-round comfort machine, the electric heat pump!

-FLOMOT NEWS-
By Earlyne Jameson

OVERHEARD: Education should be used not to get rich, but to enrich others!

WEATHER REPORT
Early Wednesday morning, October 11, rain reports varied in the Flomot and Whiteflat area. Moisture registered in Flomot was .20 to .50, and in Whiteflat, .20 - 1.50. Cotton strippers are traveling across fields of cotton that are white as snow. However, field operations are not yet at a peak. No one would have predicted good yields with the cool summer months, and short growing season!

Guests of Mr. and Mrs. D. M. "Ikie" Gilbert from Friday until Monday were their grandsons, Gary and Jeremy Gilbert of Jacksonville, Alabama. They met their plane at the Lubbock Airport and accompanied them to Lubbock Monday for their return flight home. The boys also visited their maternal grandparents, Mr. and Mrs. Joe Degan and in Calgary with their uncle and family, Mr. and Mrs. Stanley Degan.

Meta Adams of Wichita Falls visited overnight Friday with Mary Ellen Barton and Viola Stinson. They attended the Rodeo Cowgirls Reunion held at the Holiday Inn in Abilene Saturday and enjoyed renewing memories with friends. They returned to their respective homes Sunday.

Mr. and Mrs. John Kempf of Amarillo visited during the weekend with Mr. and Mrs. Marvin Starkey, Tanya and Jackie.

Donnie Rogers accompanied his daughters, Natalie and Brooke to their home in Lindale Saturday. They visited here the past week.

Mrs. Wayne Hunter was a volunteer worker at the Motley County Library in Matador Saturday. She visited Earline Vaughn and they enjoyed the Matador Arts and Crafts Club Bazaar.

Monty George of Lubbock visited the weekend with his grandmother, Mrs. C. W. Starkey.

Mr. and Mrs. Howard Rogers visited in Calgary, Sunday with daughter and family Mr. and Mrs. Stanley Degan, Dane and Shay.

Mr. and Mrs. Wayne Hunter visited the weekend of October 6-8 in Austin with their daughter and family, Susan and Steve Smith and Allison. They attended the Hyde Park Church services, Sunday, where the Rev. Joel Gregory held a one-day revival. Mr. and Mrs. Hunter visited in Hockley Monday with her sister and husband, Mr. and Mrs. Tom Shelton. They returned to Austin Tuesday to visit

the Smith family. Enroute home Wednesday they visited in Round Rock with her cousin, Mrs. Georgianne Wynn.

Mr. and Mrs. Morris Stephens attended to business in Hollis, OK Saturday.

Visiting from Friday until with Mrs. James Monk were her great-nephew and family, Mr. and Mrs. Robert Suddeth and children of Hugoton, KS. Other visitors Sunday were Mr. and Mrs. Jean Pope of Tulia and Don Monk, local resident. Steve Green of Silverton visited Wednesday with his father, Art Green.

Christi and Cindy Shorter, students at Texas Tech in Lubbock, visited the weekend with their family, Mr. and Mrs. Clois Shorter and Keri.

Tommy Ross of San Antonio visited recently with his family, Mr. and Mrs. Tom Ross and Aleda Elaine. Visiting the Tom Ross family overnight Thursday was his brother, James Ross of Dallas.

Katie Hamilton of Amarillo visited the weekend with her grandparents, Mr. and Mrs. Joe Edd Helms.

Conducting religious services at the Care Center in Lockney Friday morning were Bro. and Mrs. J.E. Lee of Plainview and Mr. and Mrs. Clayton Bond, and Mr. and Mrs. Wayne Hunter. Mrs. Emma Thomas of Lockney joined them for lunch.

Weekend visitors of Mr. and Mrs. Jack Starkey were Mr. and Mrs. Gene Davis and sons of Fritch, and Mr. and Mrs. Michael Starkey of Canyon.

Bengie Hughes returned to Flomot Saturday from Kansas City where he attended the National FFA convention the past week. He visited overnight with his family Mr. and Mrs. Butch Hughes and Rickey and returned to his home in Lubbock Sunday.
