Quitaque Volunteer Fire Department Begins Training

by Lisa Farley, Reporter
 The Quitaque Volunteer Fire Department met Monday, September 28, 1998. The purpose of the meeting was to begin training new members in operating the fire fighting equipment.

James Cathey conducted a demonstration on the use of the city pumper at a fire hydrant. Each member was allowed to operate both the truck and the hose. Eventually, each step in the process of fighting structure fires and rangeland fires will be taught.

The Quitaque Volunteer Fire Department also, regrettably, accepted the resignation of Anthony Sisemore and wished him well in his new location in Floydada. He will be missed by this department. The resignation of Susy Saul was also accepted. She will, however, still be an active EMT and will be involved in the Emergency Services.

The Quitaque Volunteer Fire Department meets the second and fourth Mondays of each month at 7:30 p.m. Please join, if possible. There is a job for everyone aged 18 to 80.

MANDY PIGG, RECIPIENT OF *I DARE YOU* AWARD AND DONNY BURSON, GOLD STAR AWARD RECIPIENT AT 1998 BRISCOE COUNTY 4-H ACHIEVEMENT BANQUET.

Leadership Award Recipient Named

by Pammy Millican, CEA-Ag
 Mandy Pigg has been awarded the national *I Dare You* Leadership Award in recognition of personal integrity, balanced living and potential for leadership. The honor was presented by Briscoe County 4-H in ceremonies held at the Silvertown School on August 30, 1998.

The *I Dare You* Leadership Award is presented each year by the American Youth Foundation (AYF) in cooperation with principals, headmasters and 4-H County Agents across the nation.

The award was first offered in 1941 by the late William H. Danforth, founder of the Ralston Purina Company in St. Louis, Mo., who challenged young people to achieve their highest potential and to influence others through lives of service. The award takes its name from the book, *I Dare You*, written by Danforth, in which he commends the balanced life of mental, physical, social and spiritual development as the backbone of leadership.

In addition to a certificate of recognition, each recipient received a scholarship opportunity to attend AYF's International Leadership Conferences at Merrowvista in New Hampshire or Cedar Lake in California. Over 4,000 high schools and 4-H programs participate in the *I Dare You* Leadership Award program each year.

In 1925 Danforth helped establish the American Youth Foundation, a prominent national organization which develops leadership in young people. AYF works directly with children and youth, as well as adults and institutions that serve them.

THEN NOW!

by Eunice McFall

Criticism! Oh how we hate to hear that word and how we hate to have to deal with a person that is criticizing something that we have done. We all hate to have our work, looks, lessons or homes scrutinized. We suddenly see everything that is just a tiny bit off size, off color, out of line, or doesn't fit the space awarded to it. Why do we care so very much about what others think about us? Is our self-esteem so fragile that we can not stand up under anyone else's judgement or review of us? Why do we let someone have this kind of power to ruin our day, our happiness or our pride in a job well done. There are people who just can't wait to pick apart any project that you may have worked days on and did the very best that you could. If you have done the best that you could and you feel that it is a good job, don't let anyone tell you differently. Now I do not mean for you to be arrogant about your accomplishments but do try to be realistic!

In a recent newsletter, the following story was told about a shabbily dressed older man. He approached a young man at the post office with a post card in his hand and hesitantly asked him if he could please address the post card for him. The younger man very graciously did as the older man requested. The older man then asked if he would please write a short message for him, which the younger man also did. He even signed the older man's name to the post card for him. Then as he handed the card back to the older man he asked, "Is there anything else that I can do for you?" The old fellow looked at the card for a moment and then replied, "Yes, at the end would you please put 'PS. Please excuse the sloppy handwriting.'"

It seems that there is just no pleasing some people! Haven't you been in similar situations when you have done the very best that you know how and it simply just was not enough to suit someone else! How do we react to such a scene? Well, we could get angry or dismiss their thoughts. We could just stop doing anything that would cause us to have to face criticism ever again! How I do not know, because there are some folks that just never are satisfied with anything and I believe that we all have a few of them in our lives! We can also let those who criticize us, overwhelm us with their belief whether it be right or wrong! Just because they are so forceful with their ideas!

If they are our friend, they are in our corner and are just trying to help us to be a better person. If they are not a friend, being angry will only cause us pain. If we simply dismiss their thoughts on the subject we may be missing out on the best of the rest of our days. We mostly need to accept criticism as constructive and try to do a better job on the next project and not let it cause us to destroy our own self-esteem.

When we offer criticism, we need to be constructive and not just tear down the other party. We need to especially remember this when we are dealing with children so that we do not destroy their feelings of self-worth. After all we are using criticism to build someone up and not destroy them!

Ray Price Concert Approaches

by Lawana Cruse

Since his first appearance in Turkey last October, Ray Price has really been a busy man. In fact on the "Opry Backstage Show" a couple of weeks ago he said this year had really been a good one for him. So good that he was almost afraid to talk about it. This summer he recorded a big band album in Hollywood and he has just finished recording an album in Nashville.

Ray and the Cherokee Cowboys performed in the Chicago area in May and the *Chicago Sun-Times* reported that he was in top form and that we would be hearing more about him when his *Heart and Soul* album comes out. That is an appropriate title for an artist who still sings with heart, soul and style.

He performed in the Washington area in August for the first time in 20 years and the *Washington Post* reported that his voice has retained its characteristic charm and intimacy and that he approached each ballad with a quiet soulfulness that now sounds refreshingly old-fashioned.

Of all of the places Ray Price has been he says Turkey is one of his favorites. He will be here, along with the Cherokee Cowboys, on October 17 for two performances.

Ticket sales are going good and tickets will be available at the Caprock Jamboree in Silverton, Texas on Saturday, October 3, 1998. For more information call 806/423-1273.

Turkey Happenings

by J. Guest

Last week, Oleta and Louis Randell enjoyed visiting and reminiscing with Charles Hedrick and his wife of Amarillo. The Hedricks were here with the son of Cliff Hedrick (deed) who was checking on his father's grave site.

The Randells also had some Irving friends, Richard and Nora Phillips, to drop by on Tuesday. They had been camping for a month and decided to spend the night in Tulia in their camper. Someone told them about a place to camp, but they couldn't find it, so parked near the hospital. A policeman came by and suggested, after talking with them, that they park closer to the hospital where the lighting was better. He also said he would inform the policeman taking his place that they had been given permission to stay there. The next morning, nurses at the hospital knocked on the door and told them to come on in, the coffee was ready when they were. Oh, the hospitality of small town people!

Marjorie Bell and Joyce Guest went to Lubbock to see "Smokey Joe's Cafe" musical at the Tech auditorium. They went first to Mary Beth's walked in to the aroma of the most delicious blueberry muffins. Later, the three ate out, made a trip to the music store, and then to the show. It was a foot stomping, handclapping, mood lifting show of 42 songs, wonderful choreography, exciting lighting and scenery. Mary Beth then treated them to a "frosted" coke before they returned to Turkey. Stopped at the pumpkin place in Floydada and picked up a pumpkin or two.

Robin Boedeker of Quitaque, Denny Fuston and Marjorie Bell of Turkey attended the seminar that was presented by the Cactus Feed Yards of Memphis, Texas. A delicious meal was served. From video, they judged beef cattle - what grade the carcass would be and what they

would bring on the market. They judged whether they were prime, choice or satisfactory. It was a very informative and interesting seminar.

Visited a short time with the former Beverly Lisenby and Clayton Lisenby whose mother, Ola, was buried here on Saturday. It's always good to see those from your past. Beverly made the statement that their class (about 1954) always watched everything our class (1949) did, said, wore, thought etc. The interesting thing is, that was the second time that someone had said that to me. Nita Puckett mentioned the same thing. That is really a wake-up call to the older kids in your school. Whatever examples

Bruton - Pigg Vows Said

Given in marriage by her father, the bride wore a sleeveless corset top dress designed with a full tulle skirt. She wore a pillbox hat-like fingertip veil.

TAFCE Club News

by J. Guest

The monthly meeting of TAFCE was held on September 21, 1998 at the Senior Citizens Room.

Some interesting historical events were given for roll call. Coincidentally, three of the events centered around the historical 1927 Ft. Worth and Denver Railroad arrival. It, nicknamed "Doodle Bug", signified a connection to the rest of the world by the delivery of mail, daily, and passenger service.

The Treasurer gave a report and reminded members that our October meeting is the time to pay dues for next year.

Marjorie Bell brought up the fact that we needed to make our wishes known to the Commissioners and Judge in order to retain the needed services for an extension agent.

The Club voted to become a part of the Turkey Web site that is currently being compiled by the Turkey Planning and Development Committee. The purpose of the Web Site is to let people from all over the country know the services and businesses that are available in our community.

Election of officers will be conducted at the next club meeting.

Betty Driskill reported on the progress of the 4 p.m. brisket dinner that they will be preparing for the Ray Price concert goes on October 17th. Volunteers are being asked to prepare briskets that will be provided, furnish potato salad, beans and collaber.

After delicious cake and drinks furnished by Mable Morse, the club was dismissed.

Valley J.V. Falls To Vega

By Coach Saul
The Valley J.V. hosted Vega last Thursday and came up on the short end of what turned out to be a defensive struggle.

Neither team was able to generate much in the way of offense, but kept themselves in the game by playing stingy defense.

In the fourth quarter, Vega got loose on a long run that ended up being the difference in the game as Vega won by the score of 8-0.

The J.V. record is currently 0-1-2. At this time there is not a J.V. game scheduled for this week. We will continue to look for a J.V. game, however, so see one of the coaches later in the week to find out when and where the game will be played, if one can be found.

Valley J.H. Vs. Vega

by Coach Ramsey
The Junior High Patriots squared off against Vega here Thursday evening, with the Patriots coming out on top 24-0. The Patriots first score came on an end run by Cliff Yeary. Cliff also added the extra point.

The Patriot defense shut down the Longhorn offense the entire evening.

The next touchdown for the Patriots was the result of a touchdown pass from Justin Wilks to Dylan Gaddis. Yeary added the two point conversion.

The final score of the evening came when Robert Mendoza broke loose up the middle on a nice run. Justin Wilks ran the try for two.

This next week the Junior High travels to Hart to play at 5:00 p.m. Please come and support the Patriots.

Valley Junior High Vs. Crowell

By Coach Ramsey
The Junior High team traveled to Crowell Thursday night to take on the Wildcats.

The Patriot's took the opening kick-off and marched the length of the field for their first score. Robert Mendoza scored the touchdown on a tough run up the middle. Cliff Yeary ran the two point conversion in.

The Patriot's defense then held the Wildcats and forced a punt.

The Patriot's next drive included several nice runs by Cliff Yeary, Robert Mendoza and Dylan Gaddis. Cliff Yeary ultimately carried the ball into the end zone for the second touchdown of the evening for the Patriot's. The try for two points failed.

After the kick-off the defense stiffened again for the Patriot's and forced a Crowell punt.

After a couple of short gains for the Patriot's, Cliff Yeary took the ball around the right end for a 62 yard touchdown run. Cliff then ran the two-point conversion in as well. This resulted in a half-time score of 22-0 in favor of Valley.

The second half was a defensive struggle, with each team unable to score. The final score was 22-0 in favor of the Patriot's.

Cliff Yeary, Robert Mendoza, and Dylan Gaddis turned in strong performances offensively for Valley. The line led by Rodney Fuston, J.C. Pigg, Douglas Payne, and Ramiro Ramos opened some impressive holes for the backs.

The defense as a whole played a great ball game also. They held Crowell without a score to register their first shut-out of the season.

After the game the two teams held a short scrimmage to let some of the younger kids get into the action. These gents did a great job and got some valuable experience.

Valley Escapes With A Win

The Valley Patriots narrowly escaped with a win against the Vega Longhorns Friday. A strong showing by the Valley defense allowed only 12 points and had two goal line stands where they kept the Longhorns out.

Valley opened the scoring with B.J. Price's 8-yard run for a T.D. and Valley led early in the first quarter but Vega answered quickly to make it a 7-6 ball game at the half.

The Patriots came out for the second half and drove 90 yards for a 13-yard Touchdown run by Nathan Wheeler, the point after attempt failed and Valley led 13-6.

The Longhorns responded quickly and two plays later scored from 79 yards out. The two point conversion failed and the Patriots would go on to win 13-12.

Leading the Patriots defensively were Nathan Wheeler with 2 solo tackles and 9 assisted tackles, Morgan Payne with 2 solo tackles, 10 assisted tackles and one sack, Roman Hernandez had 12 assisted tackles and 3 solo tackles, Brody Davis had 10 assisted tackles and 1 solo tackle.

Leading the Patriots offensively was Nathan Wheeler who had 21 carries for 101-yards. Morgan Payne led the Patriots in receiving with 2 receptions for 36-yards.

The Patriots will take on the highly ranked Hart Longhorns this week at Valley. Kick-off is at 8:00 p.m. Come support the Patriots.

Gospel Saturday Night At Memphis

Gospel Saturday Night, a program of old fashioned southern gospel singing, will come to the Memphis City Park Amphitheater on Saturday, October 3rd, at 6 p.m. Country Gospel and Bluegrass Gospel will also be a part of the program. The broad range of groups and styles that will be present should appeal to almost every liking.

The evening is being sponsored by Gospel Witness, a Southern Gospel Family Music Ministry from Justin, Texas, about thirty-five miles northwest of the Fort Worth area. Members of Gospel Witness are Mickey and Tammy Malone and their two children, Justin, age six and Michael, age four.

"The purpose of the musical evening is to provide an opportunity for the community to gather to hear some good old fashioned Southern gospel music and have a chance to fellowship with friends, neighbors and family," says Mickey Malone. "Sometimes we get caught up in all of the hustle and bustle of today's busy world and we need to remember to slow down a little and enjoy God's blessings. For us, going to a good 'singing' is a great way to unwind and recharge our hearts," Malone further stated.

Scheduled to appear with Gospel Witness is former Memphis resident Charlie Holt; the Herrin Family from Azle, Texas; The Gibbs Family from Venus, Texas; and special guest Laura Baker from Bedford, Texas.

The Herrin Family hosts the "Azle Gospel Opry" the last Saturday night of each month in downtown Azle. They are members of several Gospel Music and Christian Music Associations, including the southern gospel Music Association of Texas where Jeremy Herrin won the Youth Musician of the Year Award in 1997. The four members of their group are, the father of the group, Curry Herrin, Robbie Willis, Chris Herrin and Jeremy Herrin.

THANK YOU

The family of Ola Garner Lisenby express their heartfelt gratitude and sincere appreciation for the many expressions of kindness and love shown to them while they were in Turkey for her funeral.

Although we have not lived in Turkey for so many years, to "come home" to the open arms and genuine love of so many at a time when we certainly needed it the most is a comfort that cannot be expressed in words and neither can our appreciation.

To Suzie and Gary who opened their doors and their hearts allowing us to make their home our home for so many days; to the many who provided the delicious food for our family; to Donald and Stuart who delivered the wonderful celebration message in word and to James for his beautiful musical tribute; to all those who traveled from every direction to be here for Mother's funeral and to all who came to the hotel to comfort us and to share our sorrow; for the beautiful flowers and memorials; for the opportunity to share time with old friends and to make new friends; for every expression of kindness and every thoughtful deed we are most grateful.

Please keep us in your prayers as we will most certainly keep you in ours and may God's richest blessings belong to all of us until our paths cross again. 16 ttc

Dear Friends,

Just wanted to let you know how much I enjoyed my time in Briscoe County. It was such a blessing to have wonderful people to work with in my first county.

Special thanks to everyone who helped me with the Extension and 4-H programs. As I have started my job in Gaines County, I know I will use all of the things I learned in Briscoe County for the rest of my career. I will also use the things I learned about how to treat people, taking care of others, and being involved in the community for the rest of my life.

Never underestimate the power you have to make a difference in someone's life!! You certainly did in mine!!

Sincerely,
Calley Payne 16 ttc
