Boling, Williams In Run-Off

A June run-off will be necessary in Briscoe County to determine the Democratic nominee for sheriff to succeed Sheriff Vinson Smith, who chose not to seek re-election.

J. L. Williams received the most votes for sheriff with 384. Bill Boling captured 370 votes, and Willard Vardell received 84 votes. Williams and Boling will be forced to campaign another month in preparation for the run-off.

Briscoe County elected two new commissioners Saturday. Glen R. Lindsey garnered 99 votes in Precinct One to defeat the incumbent, Shafe Weaver, who received 54 votes.

In Precinct Three, where the present commissioner, Bill Boling, did not seek re-election, Beryl Long was elected with 214 votes over Wayland Fitzgerald, who received 151 votes.

The delegates for Jimmy Carter easily won in Briscoe County, as they did all across the state, with 994 votes. The George Wallace delegates polled 242 votes, and the Lloyd Bentsen delegates received 395 local county votes.

Elected by write-in to serve as Precinct Chairmen are O. C. Rampley, Precinct One; Amelia Johnson, Precinct Two; Jack Sutton, Precinct Three; Bryant Edleman, Precinct Four; Dallas Culwell, Precinct Five.

Briscoe Republicans gave Alan Steelman the nod with 29 votes over Louis Leman (7) and Hugh Sweeney (4) for United States Senator.

Bob Price received 42 votes for United States Representative, 13th District. Walter Wendlandt received 39 votes for Railroad Commissioner. John R. Gill received 40 votes for Briscoe County Republican Chairman.

On the question of whether a constitutional amendment should be written to deny release or bail to repeat felons awaiting trial, 44 said "yes" and one voted "no."

Forty-three favored legislation which would require mandatory, non-parolable prison sentences for felony offenses involving the use of deadly weapons or resulting in bodily injury. Two voted against this question.

On the question of the use of oral confessions in a trial, 31 voted in favor and nine voted against.

Thirty-six favored the use of electronic surveillance to fight organized crime, and nine voted against the question.

Mr. and Mrs. Woodrow Mullin of Turkey left this week on a fishing trip for a long-deserved rest after 15 years of ownership of Turkey Butane Company.

Selliff-Eudy Advance To Austin; Barefield Takes Third At Reg.

Defending Regional doubles champs Ron Eudy and Scotty Selliff, Valley's doubles team, won themselves a return trip to Austin last weekend at the Regional Tennis Tournament at Levelland.

Joey Barefield, although not winning the championship, did give a good account of himself, winning third place in the tournament, and will go to Austin as an alternate. The first two places will play at Austin in the championship tournament, but if something should happen to one of the other singles players and he cannot make the trip to Austin, then Joey will compete in his place.

In the singles division, Joey received a bye in the first round, then won over Mike Bennett of Meadow 5-7, 6-4, 6-2 in the second round. In the quarterfinal round, Joey defeated Lucas Ramirez of Sierra Blanca 6-0, 6-4. In the semifinals Joey lost to Danny Gerber of Nazareth 6-3, 6-4, then won over Ramaeker of Nazareth 6-2, 6-3.

Eudy-Selliff also drew a bye in the first round of play, then whipped New Home's Jimmy Correa and Urban Estrada 6-0, 6-1,

JOAN CROWELL NAMED TO WHO'S WHO IN AMERICAN JUNIOR COLLEGES

Mrs. Joan Crowell, wife of Joe Bob Crowell of Flomot and daughter of Mr. and Mrs. Eugene Ferguson of Turkey, a graduating student of Clarendon College, has been named to Who's Who Among Students in American Junior Colleges.

then defeated Mike Legaretta and Nacho Solis of Fort Hancock by the same margin, 6-1, 6-0. In the semi-final round the Valley team defeated Kyle Martin and Dennis Flowers of Sudan 6-1, 6-3. In the finals the Valley team won over Sergio Garcia and Antonio Lechuga 6-1, 6-1.

The Eudy-Selliff team went to the finals at Austin last year and in the early going of the finals appeared to be on their way to the championship as they won the first set over their opponents, Leslie Krammer and Randy Ward of Barksdale Nueces Canyon, who rallied, however, to take the match.

The state meet will be held in Austin Friday and Saturday, May 14-15.

Bravery in Bronze

Here he stands . . . "The Minute Man" of Lexington, Massachusetts. A photographer with imagination chose the background of fireworks. But that April night when Paul Revere alerted the Minute Men, there were fireworks of a different kind. The bravery that night was not in bronze!

It is no accident that this historical encounter occurred in the same colony which the pilgrim fathers founded in their quest for religious liberty. The very kernel of American freedom sprung from the right to believe in God and to worship Him — each in his own way. The heritage of the Minute Men was a courage born in conscience that defied any invasion of liberty — religious or political!

Two centuries ago patriots established with their blood a nation of conscience, of faith. Celebrate that with your heart and soul . . . it cannot be preserved in bronze.

MOTHER'S DAY

MY MOTHER'S PRAYER

Among the treasured pictures
That I've hung on memory's wall,
There's one that's clearer than the rest
And sweeter far than all;
'Tis a picture of my mother
When I, a little chap,
Was folded in her loving arms,
I heard her softly say,
"Dear Jesus, take this little life
And use it every day."

There must have been a mighty weight
Behind that simple prayer,
For through the seasons, year on year,
The picture lingers there,
And whether I'm on hill or plain
Or on the deep blue sea,
The memory of that sacred scene
Forever comforts me;
Among the treasured pictures
That I've hung on memory's wall,
My mother's supplication
Is the sweetest of them all.

Basic Civil Service Course To Be Offered In August

Due to the amount of interest being shown in receiving instruction in Basic Civil Service Training, Mrs. O. C. Rampley has announced plans to offer that class in August of this year.

If you feel that this course might be of interest to you, or if you have questions about this, please contact Mrs. Rampley at Silverton High School.

The cost of the course will be only \$10.00—\$6.00 to go to the school for building-use fee and \$4.00 for the cost of text and workbooks. Mrs. Rampley's salary is paid by Amarillo College through the government-funded program of Continuing Education for Adults.

Nine people have already pre-enrolled in the class, so if you are interested, please don't wait until next fall to get your name on the list. The class may be filled before August.

Cancer Benefit Ball Games Will Be Played May 13

There will be two basketball games played in the Silverton School Gym Thursday, May 13, beginning at 7:00 p.m. with the proceeds to be donated to the American Cancer Society. There will also be a cake raffle. Admission will be \$1.00 for adults and 50¢ for children.

A free-throw contest for the women will precede the women's game, and a free-throw contest for the men will be held before the men's game. Cakes will be the prizes for the winners.

Barbara's Red Hots will play Paula's Baby Blues in the first game. The Little Dribbler Red Hots will be cheerleaders for Barbara's Red Hots. Ken's Bad Company will play Perry's All-Stars in the second game. Cheerleaders are still needed for the other teams.

A container will be at the door for your donations to the American Cancer Society. The money collected at this benefit will be added to the proceeds of the annual Cancer Crusade, and will go to help support cancer research. If any break-through is to be made in the treatment of cancer, the money must be made available for research.

This year's Cancer Crusade and its related projects are dedicated to the memory of the friends and loved ones whose lives have been claimed by cancer during the past year. Mary Ann Sarchet, chairman of the 1976 Cancer Crusade, reminds everyone, "We want to wipe out Cancer in your lifetime."

Cancer memorials may be mailed to Peggy Fleming, Box 98, Silverton, Texas 79257, or taken to the First State Bank in Silverton any time of the year. Every memorial is acknowledged to the family with a card.

Use your Freezer Wisely... AND SAVE

REDDY'S HELPFUL TIPS

- Distribute unfrozen foods evenly throughout the freezer. Foods freeze faster if they are not stacked in one section.
- To conserve energy, freeze no more than 10% of the total freezer capacity at one time. Label packages to conserve door-open time. Date and rotate packages so you use the older ones first.
- Defrost promptly—frost build-up of more than 1/4" makes cooling units work harder—they use more energy and wear out faster.

Orlin Starks Attend 100th Anniversary Party

Mr. and Mrs. Orlin Stark drove to Plainview Sunday morning and had lunch with Dr. and Mrs. E. O. Nichols, sr. and E. O. Nichols, jr. at the Country Club.

After lunch, they drove on to Hereford to attend the 100th birthday anniversary reception honoring Mrs. Kate McGehee, a sister of Dr. Nichols, sr. The reception was held in the Fellowship Hall of the Methodist Church. The huge birthday cake, with 100 candles on it, was cut and served with punch to a host of relatives and friends who were present from se-

eleven pieces of music, all by memory. Students begin in September preparing for this event which takes many hours of practice.

The judge this year was Mrs. Jonette Hinkle from Lindsey, Oklahoma. Three of Mrs. Herrington's students, Cindy Griffin, Dana Ramsey and Angela Eudy, made 97 percent, a Superior rating.

Melody Cruse, Karen Ramsey and Elaine Adams made 96 percent, which is also a Superior rating. Other grades ranged from 92-95 percent. Students winning National Honors with ten or more memorized pieces were Cindy Griffin, Dana Ramsey, Karen Ramsey, Melody Cruse, Elaine Adams, Devona Smith, Iva June Johnson, Stachia Chadwick and Bena Patrick.

Other students attending were Candy Jones, Terri Ramsey, Patti Ramsey, Kaylene Green, Colvin Morrison, Becky Sublett, Joanie Turner, Tonya Patterson, Lisa Herrington, Linda Coker, Judy Barrett, Criss Morrison, Robin Myers, D'Anna Smith, Jena Mullin and Jill Eudy.

County-Wide 4th Of July Celebration Being Planned

"I Love America." This is the sentiment everyone feels in this Bicentennial year, and you may express this in music as you join a County-Wide musical presentation of John Peterson's "I Love America."

On the Fourth of July, Briscoe County will be celebrating the Bicentennial birthday, with Quitaque and Silverton joining community activities. A gala celebration will be held on that day at the county court house, with a highlight of the activity being the presentation of this musical.

Singers are needed from seventh grade through adult age. Rehearsals will be held each Monday night at 8:00 o'clock with alternating rehearsals at Quitaque and Silverton. This week's practice will be in Silverton at the First Baptist Church. Elgin Conner of Quitaque will be directing the choir.

You are invited to join in this county effort, for this is truly what America is—people working together toward a common goal.

veral states and local towns.

Following the refreshments, the Methodist minister made a short talk and presented the honoree with a large silver tray from friends of the Methodist Church to honor her faithful service through the years. Mrs. McGehee is a very unusual person for her age. She still hears and sees well by wearing glasses. She has a wonderful memory and seemed to enjoy visiting with all her relatives and friends. She makes her home with a daughter, Mrs. Ross Stark, in Hereford. Mrs. Stark is a sister-in-law of Orlin Stark.

THANK YOU!

Thank you for your support in the Democratic Primary last Saturday. I will appreciate your continued support and influence in my behalf in the runoff June 5.

I will be trying to get around to see you again before the second primary. I want to be your next Sheriff, and if elected, I will work hard to do the job to the best of my ability.

Crowd Flocks To Lake Mackenzie On Opening Weekend

A total of 2,557 adults paid admission into Lake Mackenzie over the opening weekend, and brought along with them a thousand or more children. Fishermen, campers, sightseers and water enthusiasts covered just about every foot of the new lake's shoreline. Most were anxious to see how quickly the fish would respond to their bait and lures the first day of public fishing.

The gates to Lake Mackenzie were opened to campers Friday night, and a Fishing Rodeo began at 7:00 a.m. Saturday. People from as far away as Dallas were in attendance at the grand opening, hoping to fill their stringers with fish.

Facilities at the lake are adequate. Public restrooms dot the area around the lake. Electrical hookups for campers are available and overnight camping is allowed. More than 300 were entered in a Fishing Rodeo sponsored Saturday by the Silverton Merchants and the Silverton Volunteer Fire Department. The largest fish reported was a 5¼-pound bass

caught by Bud Roberts of Tullia. Roberts arrived in Silverton too late to register for the Fishing Rodeo, and was, therefore, not eligible for the \$75.00 top prize the fish would have earned. Winners of the Fishing Rodeo were:

- ADULT DIVISION**
- Bass**
1. James Bedingfield, Shallowater, 3 lbs. 4½ ozs.
 2. Glen Kingery, Silverton, 3 lbs. 2 ozs.
 3. Chris Stark, Kress, 2 lbs. 13¾ ozs.

- Catfish**
1. Jim Henley, Lubbock, 2 lbs. 5 ozs.
 2. Ray Cox, Tullia, 1 lb. 2 ozs.
 3. Robert Cannon, Tullia, 1 lb.

- CHILDREN'S DIVISION**
- Any Type Fish**
1. Carl Race, Lockney, 2 lbs. 3 ozs. bass
 2. (Tie) Tina Shepard, Tullia, 1 lb. 13 ozs. bass
 2. Christi Comer, Littlefield, 1 lb. 13 ozs. carp

Largemouth bass was the species of fish seen most often on the stringers. Catfish, crappie, bream, lots of carp and a few trout were also caught. Most fishermen were using artificial lures, minnows, shrimp and waterdogs. Most bass were in the 10 to 12 inch size range and weighed from one to one and a half pounds. A number of the bass weighed over two pounds.

Visitors in the home of Mr. and Mrs. Michie Maupin this past weekend were Mr. and Mrs. T. H. Shubert of Adrian.

Mr. and Mrs. Drew Holcomb were in Petersburg over the weekend to visit in the home of their daughter and family, Mr. and Mrs. Keith Rogers.

Mr. and Mrs. Phil Barefield and Debra of Hereford spent the weekend with their parents, Mr. and Mrs. James Barefield and Mr. and Mrs. Walter Taylor.

I Wish to extend my sincere thanks and appreciation to all who gave me their support in my campaign for County and District Clerk. I enjoyed the friendly reception extended to me during my campaign by all the people of Turkey, Texas. Congratulations to Phyllis Dunn on her Victory.

Thank you,
Myrtle Helm

"WE THE WOMEN" HAVE

REGULAR MEETING

A group of 14 ladies met in the Community Building Monday afternoon at 4 o'clock for a business meeting which was called to order by the president, Mrs. Grady Tyler. Minutes were read by the recording secretary, Mrs. Bill Hulsey. Several items of business were discussed and plans for coming events are getting underway.

The women decided to ask everyone interested to donate one book of trading stamps toward the purchase of kitchen appliances, a punch bowl and serving trays, with the rest going toward the purchase of tables and chairs for the Community Center.

Mrs. Denver Anderson, Mrs. Bill Curry and Mrs. Ralph Carter will select the kitchen appliances and wares.

Mrs. Josie Johnston and Mrs. Bill Curry were selected to contact the Silverton Lions Club to see about the possibility of getting the cast and musicians who performed in the recent "Hee Haw" presented at Silverton, to bring their show to Quitaque and perform here.

Time for the regular meetings was changed from 4:00 to 5:00 o'clock for the convenience of the teachers and other women who have regular occupations outside the home.

There was more discussion about the coming "Medicine Show," with plans for including an ice cream stand, a fortune booth, tap dancing, a box supper, salt water taffy, and the possibility of a person doing caricatures. Make plans to attend and participate. The time and date is still pending.
