VOLUME 24 NUMBER 13

## Valley Patriots Play Hard Defensive Game At Crosbyton

Coach Ted Giddens reports the Valley Patriots lost by a small margin to Crosbyton Friday night in a hard-fought defensive game against a AA team.

The bigger school team was rated by the Lubbock Avalanche Journal to take Valley by 17 points, but the Patriots went down to win. They let the Chiefs score three points in the first quarter and then stopped them.

Valley had 150 yards total offense, 108 rushing and 42 passing, the Coach reports. Cox hit four of seven for the 42 yards.

Tommy Williams was the leading rusher, totaling 57 yards on 13 carries.

The leading receiver was Ricky Jeeter, taking two receptions for 39 yards.

Tim Clardy had an excellent defensive game, the coach reports.

Kraig Cox looked good at quarterback, the coach says. Giddens also states that it looks at present like the passing game will be improved.

Ricky Jeeter is going to be a big threat as a receiver, according to Giddens.

## WTSU Students Receive Awards

More than 400 beginning freshman students at West Texas State University from seven states have been awarded a \$200 Don and Sybil Harrington Scholarship for the 1983-84 academic year.

Scholarships are awarded each year to students who will attend WTSU as freshmen and who were members of high school National Honor Society chapters or similar organizations.

Don and Sybil Harrington Honor Scholarships were begun in 1979 with an endowment from the Don and Sybil Harrington Foundation of Amarillo. Additional grants have grown to a total endowment of \$1.2 million and students are eligible to retain the scholarship for four years at WTSU.

The scholarships are renewable each year if the student maintains a 3.0 grade point average on a 4.0 scale.

Don and Sybil Harrington honor scholars may receive an additional President's Honor Scholarship if they score 28 or more of a possible 36 on the American College Test or 1,220 points of a possible 1,600 on the Scholastic Aptitude Test college entrance examinations. They receive an additional \$100.

A competitive scholarship of

Lee J. Browning had a good defensive game, he states.

Valley hosts Motley County Friday night with game time at 8:00 o'clock.

The Valley Junior Class is sponsoring a hamburger supper prior to the game. Fans are asked to make plans to eat with them, then go to the game.

## Doyle Dean Proctor Bitten By Rattlesnake Saturday

Doyle Dean Proctor was bitten by a rattlesnake Saturday while he was helping Jessie Ferguson and Brian and Barry Wheeler feed cattle on the Williams ranch

a good many miles east of Turkey. He was throwing down hay from a loft when the snake bit him on the thumb of his left hand, sinking only one fang into his thumb which went all the way through, but with not much poison remaining in his thumb. He jerked the snake's head out and called to Jessie that he was throwing down a rattler. Needless to say, the fellows scattered, but were able to kill the snake.

Proctor was rushed to Hall County Hospital by Turkey ambulance. They administered shots at the hospital and he was able to return home Sunday.

## Immunization Clinic Is September 16

An immunization clinic offering vaccines that give protection against several childhood diseases is scheduled for September 16, from 9:00 until 11:00 a.m. at the Valley School.

Protection is against polio, diphtheria, lock jaw (tetanus), whooping cough (pertussis), rubella, measles and mumps.

There will be no charge.

## Zieglers Toured South America Last Week

Trey Ziegler, small son of Brad and Jon Etta Ziegler of Silverton, spent last week with his grandparents, Mr. and Mrs. Johnny Peery, while his parents were on a South American tour. The Zieglers took a plane to San Juan, Puerto Rico, then went by ship to Venezuela and other points in South America. They also visited the Virgin Islands and came by plane back to Dallas and on home.

"He who finds himself,  
loses his misery."

Matthew Arnold

\$200 or more at WTSU waives out-of-state tuition which often is ten times greater than in-state costs.

Valley High School's honor scholars are Elaine Adams, daughter of J. A. and Ruth Adams of Turkey; Melody Cruse, daughter of Tommy and Lawana Cruse of Turkey; Bobbie Duncan, daughter of Mr. and Mrs. George C. Duncan of Quitaque, and Randy Fuston, son of Mr. and Mrs. Thomas R. Fuston of Turkey.

Receiving the scholarship for the second year is Cindy Hawkins, Valley High School graduate and daughter of W. E. and Shirley Hawkins of Quitaque.

## Valley 4-H Meets In Edwards Home

The Valley 4-H Club met Monday, September 5, at 7:00 p.m. in the home of Tommy and Janet Edwards.

There were 26 present. Officers were elected for the ensuing year. They are Lea Ann Edwards, president; Larry Bob Clay, vice-president; Jay Dale Butler, first vice-president; Warren W. Merrell, secretary; Heather Gray, treasurer; Kay Lynn Edwards and Oleta Lane, reporters; Vera Pinkerton, Josh Brooks and Tammi Clay, telephone committee. Leaders for the coming year are Don and Juanita Gray, Becky and Gerald Lane, and Tommy and Janet Edwards.

The next meeting will be a local awards banquet for all 4-H'ers, friends and family. Anyone interested in joining 4-H work should contact one of the leaders. The 4-H organization is open to youth 9-19 years of age regardless of socio-economic level, color, sex, religion or national origin.

## Community Concert Association Opens Membership Campaign

Plainview Community Concert Association has opened its 39th membership campaign for the 1983-84 season which will include five top performances.

Scheduled this year are the Constanza Orchestra, one of Europe's finest and most popular ensembles, on Friday, October 21; Ballet Nacional Espanol, a 50-member group presenting the Spanish dance made up of classic ballet, rustic folk dancing and gypsy flamenco style, to be Saturday, November 12; Emily Mitchell, Texas-born harpist, playing Thursday, January 12; Jack Daniel's Original Silver Cornet Band, composed of 13 professional musicians making the happy naive sound of the small town band of the final decade of the last century,

scheduled Saturday, March 3; and Leonard Pennario, accomplished American pianist, to be here Thursday, April 26.

All concerts are at 8:00 p.m. The first two will be in Plainview High School Auditorium and the other three in Harrah Memorial Auditorium on the Wayland Baptist University campus.

Memberships are \$15 for adults and \$10 for students. Admission to the programs is by membership card only. In addition to the five concerts in Plainview, members also will be eligible to attend the Hereford and Dimmitt Community Concerts.

Headquarters for the drive, in the Centennial Room of Hale County State Bank in Plainview, will be open for renewal memberships beginning September 6. New Memberships will be sold the week of September 12.

Community Concert worker in Quitaque is Mrs. O. R. (Mary) Stark, Box 355, Phone 455-1111.

## ENGINEERING STUDENTS RECOGNIZED AT U OF T

Dean Earnest F. Gloyna of the College of Engineering at The University of Texas at Austin has recognized 1,184 honor students in engineering for the 1983 Spring semester.

To achieve the engineering honor roll, a student must have maintained at least a 12-hour

## Rice Dry Goods To Present Style Show

A special treat will be in store for the noon meeting of "We the Women" Monday when Rice Dry Goods will present an "Autumn Style Show" featuring fashions for ladies and children. Roy Dale Reed will assist Jean Rice in co-ordinating the presentation.

The meeting will be held at the Quitaque Community Center and the meal will cost \$3.50. Phone your reservation to Mary Stark or Roye Pigg.

A nursery will be provided for children under school age at the First Baptist Church. All ladies are invited to attend. Make this your day out and enjoy a delicious meal and a preview of fall fashions with "We the Women."

## MARY PEERY TAKES COSMETOLOGY EXAM

Mary Peery and her mother, Mrs. Johnny Peery, were in Austin August 29-30-31 for Mary to take her cosmetology state exam. It was reported that she passed with a good grade. She recently finished her work at Clarendon College, the latter part of July.

## BACK-TO-SCHOOL DANCE TO BE HELD FOR 4-H

Briscoe County 4-H members, parents and leaders are invited to a 4-H Back-To-School Dance Saturday, September 10, at the University Ballroom in the University Center at Texas Tech University from 8:00 p.m. until midnight.

This activity is for all South Plains District 4-H families and is sponsored by Lubbock County 4-H. Music will be by the Rex Thomas Band. Admission is \$3.00 per person and \$1.00 for children under 12. The same day Texas Tech Collegiate 4-H Chapter will sponsor a Club Lamb Sale at the South Plains Fairgrounds from 1:00 until 4:00 p.m.

Clema Johnson spent two weeks in Paragould, Arkansas visiting her son, Mr. and Mrs. Gary Johnson. He "flew her back" to Turkey and remained to visit a few days.

course load throughout the semester, passing all courses with a minimum grade-point average of 3.25. Total grade points are calculated by multiplying course hours by the value of each grade (A equals 4 points).

Texas students on the College of Engineering honor roll include Lex Herrington of Quitaque.

**Former Turkey Resident Receives Award At ENMU**

Mrs. Tex (Lanita) Garnett of Portales, New Mexico was among 18 persons who received a special award recently at Eastern New Mexico University in Portales. Mrs. Garnett is information specialist in the Alumni Affairs and Information Services.

A special dinner was held and Lanita attended at the insistence of her employer and was very much surprised when her name was called for an award.

She is the daughter of Mr. and Mrs. Bill Farley of Turkey and the niece of Mrs. Reddell Irby.

Mr. and Mrs. James Fuston and Lana Fuston spent a week recently visiting with Mr. and Mrs. Leck Fuston and Jamie in Monte Vista, Colorado. While there they helped Leck and Lisa prepare for a Longhorn Cattle Sale. They reported the weather was fine and they had a good rain.

Those visiting Mr. and Mrs. Doyle Proctor over the Labor Day weekend were Mr. and Mrs. Bill Miller and girls, Canadian; Olga Gafford and Marlane Nollner, Spearman; Mr. and Mrs. Glyndon Gafford and children, Dennison; Bobby and Glenda Gayle, Dallas; Visitors Saturday were Mr. and Mrs. Tink Lane, Mr. and Mrs. Frank Lane and children, Sherry Clay, Mr. and Mrs. Dean Lane. They all came for a family dinner which everyone enjoyed. Bird hunting was the diversion for some with tall tales about the hunting.

Mr. and Mrs. Tex Garnett of Portales, New Mexico visited in the home of her parents, Mr. and Mrs. Bill Farley, recently. Mrs. Farley spent Monday and Tuesday of last week with her daughter.

Mrs. M. T. Blume visited recently with her son, Mr. and Mrs. David Blume and family, in Amarillo and her daughter, Mr. and Mrs. Jay Eudy and family in Plainview.

Mrs. Robert Chambliss and granddaughter, Kendra Hale, of Plains spent the Labor Day weekend visiting in the home of Mr. and Mrs. Keith Green and family.

Jana Boyles spent last week on vacation in Las Vegas, Nevada. She stayed with her cousins, Bobbe Mayfield and family. After returning to Texas, she visited Johnny and Wanda Chadwick, Shane and Brad in Amarillo, and Bob and Karon Boyles in Canyon.

**Stress Seminar To Be Held September 19**

"Coping With Life's Pressures" is the topic of a county-wide seminar on September 19, at 7:30 p.m. in the Pioneer Room at the First State Bank in Silverton. The meeting will be sponsored by the Briscoe County Family Living Committee and the Extension Service.

A choice of session to attend will be offered at 7:30. Dr. Chesna Sullivan of the Central Plains MH/MR Center will discuss "Stress of Early Childhood" and Dr. Dolores Stegelin, Extension Family Life Specialist, will present "Stress in the Teen

Years."

At 8:40 p.m. Glenn Carter of Central Plains MH/MR will speak on "Coping With Losses" (death and divorce).

The Family Living Committee which plans Extension programs to meet the needs of families planned this program to help families cope with the stresses of various stages of the life cycle.

Educational programs of the Texas Agricultural Extension Service are open to all, without regard to age, sex, religion, race, color or national origin.

The ring-tailed lemur, a primate found only on the island of Madagascar, meows like a cat.

**WITH THE SICK**

John Adamson was transferred last Tuesday afternoon from Central Plains Hospital in Plainview to Highland Hospital in Lubbock. He had surgery Tuesday of this week. He came through the surgery fine, it was reported by Rev. and Mrs. W. L. Armstrong, who were there for the surgery.

Mrs. Adamson is staying with a niece in Lubbock so she could be near the hospital. Other members of the family were there also.

Mrs. Ellen Smith was dismissed from Hall County Hospital on Friday. Janice Guest brought her home.

THURSDAY, SEPTEMBER 8, 1983

**Hightower D**

Congressman Jack Hightower said today that he is disappointed with several aspects of the Administration's 1984 wheat program recently announced by Secretary of Agriculture Frank Young. Hightower believes the Administration's program will not decrease the tremendous surplus which still glut the market and is preventing producers in the 13th from obtaining a reasonable price for their commodity.

"This program is not likely to reduce our wheat surplus, in all probability, those surpluses to income," Hightower said, referring to USDA statistics which show that surpluses could increase 100 million bushels over this acreage reduction program. "If farmers are ever to receive a fair price in the marketplace, the cost of farm production must be reduced, then we must address the problem of depressing surpluses," Hightower said.

Hightower pointed to another weakness of the wheat program, the fact that it will "do little if anything to prevent a further decrease in income to wheat producers." He said that wheat farmers in the 13th District would not obtain their income from the marketplace, rather than any type of Government program. Hightower said the program will simply not do that. Hightower pointed to a potential drop in producer returns of \$1.7 billion in 1984 for the Nation's wheat producers. Hightower said he does not believe producers will be satisfied with a farm program that would not help to reverse the downhill trend in income which is contributing to the current depression in the agricultural sector of the Nation.

Hightower went on to say he was very upset with the confusion which the Secretary has caused by not announcing definite details. "The Secretary is trying to force the Congress to act on the target price legislation before he announces the final details of the wheat program," Hightower said. "The Secretary has done several times in the past the wheat program and the outcome would not be better than the outcome of other farm programs. It's unfortunate that we are using these tactics which create uncertainty for our farmers. This only serves to reduce the overall effectiveness of the program because farmers are proceeding with planting within the next few weeks. Late announcements will only reduce farmer participation," Hightower said. "I hope

## Hightower Disappointed With Wheat Program

Congressman Jack Hightower said today that he is disappointed with several aspects of the Administration's 1984 wheat program recently announced by Secretary of Agriculture John Block. The program requires wheat farmers to idle up to 50 percent of their wheat acreage. Hightower believes the Administration's program will not help to decrease the tremendous wheat surplus which still gluts the market and is preventing wheat producers in the 13th District from obtaining a reasonable price for their commodity.

"This program is not likely to reduce our wheat supplies, and will, in all probability, allow those surpluses to increase," Hightower said, referring to USDA statistics which indicate that surpluses could increase by 100 million bushels even with this acreage reduction program. "If farmers are ever to receive a fair price in the marketplace, and the cost of farm programs reduced, then we must seriously address the problem of price-depressing surpluses," Hightower said.

Hightower pointed out, as another weakness of the 1984 wheat program, the fact that it will "do little if anything to prevent a further decrease in net income to wheat producers. I know that wheat farmers in the 13th District would prefer to obtain their income from the marketplace, rather than from any type of Government program," Hightower said. "This program will simply not allow that," Hightower pointed out, referring to USDA figures showing a potential drop in net producer returns of \$1.7 billion in 1984 for the Nation's wheat producers. Hightower said he did not believe producers would be satisfied with a farm program that would not help to reverse the downhill trend in producer income which is contributing to the current depression in the agricultural sector of the economy.

Hightower went on to say that he was very upset with the confusion which the Secretary has caused by not announcing definite details. "The Secretary is trying to force the Congress to act on the target price freeze legislation before he will announce the final details of the wheat program," Hightower said. "The Secretary has assured me several times in the past that the wheat program announcement would not be tied to the outcome of other farm legislation. It's unfortunate that he is using these tactics which only create uncertainty for our producers. This only serves to reduce the overall effectiveness of the program because farmers must proceed with planting decisions within the next few weeks, and late announcements tend to reduce farmer participations," Hightower said. "I hope we can

avoid the problem of a late department announcement for the 1985 program," Hightower said, referring to legislation which he is co-sponsoring requiring an announcement by July 1, 1984.

### Do You Enjoy Paying Exorbitant Prices?

by Lloyd Bentsen  
United States Senator

If you were buying supplies for your own business, would you pay \$110 for a diode available from your stockroom for four cents; or \$17.59 for a bushing that cost \$2.83 two years ago; or \$17.59 for a 67-cent steel bolt?

Of course not. You'd shop around for a better deal to make sure you were getting the best possible value for your money.

The American taxpayer has a right to expect the same cost-consciousness from the federal government, especially in this time of high federal deficits. But those prices are examples of what the Pentagon has been paying for spare parts as revealed in the first report by the new Inspector General for the Department of Defense.

The report, which examines Air Force and Navy purchases of aircraft engine spare parts between 1980 and 1982, lends weight to an estimate by the President's Private Sector Survey on Cost Control that the Pentagon could save \$28 billion each year by being more thrifty. Defense Inspector General Joseph H. Sherick concludes in the report that little effort was made to limit the exorbitant price increases for these spare parts. His report notes, for example, that purchasing officers are evaluated by their speedy completion of paperwork, rather than their efforts to economize.

Other flaws in the system are the Pentagon's failure to encourage purchase of parts directly from the manufacturer, or to find new, less expensive suppliers. In addition, competitive bidding is not encouraged.

These practices, the report states, have allowed 65 percent of the 15,000 different parts examined to jump in price by 500 to 1,000 percent in three years.

In one instance noted, the Pentagon paid a company \$80,204 for parts that should only have cost \$3,658. Another company had to protest all the way to the Government Accounting Office to be approved as "qualified" to bid on an order for jet engine parts. The Pentagon ended up buying some of the parts from this company at a savings of \$9 million.

With just one report, the new Inspector General has more than paid for the creation of this office and more is yet to come.

**Social Security  
In  
Briscoe County**

BY  
**TERRY J. CLEMENTS**

It's that time of year when students are wrapping up that summer job and getting ready to go back to school. A look at that final pay slip finds an amount in the "FICA" column showing that Social Security is being withheld from earnings. Today's article is for those young persons who are wondering "where's that money going and what's in it for me?"

Let's look at that amount you paid for Social Security this summer. A quarter of coverage has been earned for each \$370.00 earned. These quarters go toward protection for the worker and family upon retirement, disability or death. This credit stays with you regardless of where you live and travels with you from job to job.

The money that you paid in FICA taxes goes immediately toward the payment of benefits for persons currently receiving Social Security. Any funds not needed to pay the current benefits goes into a reserve called the trust fund. There are three such funds: Retirement, Disability and Health Insurance. A record of each person's earnings is maintained as Social Security benefits are based on a person's earnings.

Retirement seems a long way off for students. However, now is a good time to learn that Social Security will not be enough to live on. It was never intended to provide full retirement. Rather, Social Security is designed to supplement other types of income (savings, investments, pensions) the retired person has provided for himself.

To a young person, the possibility of disability or death probably receives very little thought. However, 42% of the young men and 28% of today's young women will become disabled or will die before age 65. Social Security can help in these situations. In fact, young workers are often insured for benefits with as little as six quarters (1 1/2 years of work).

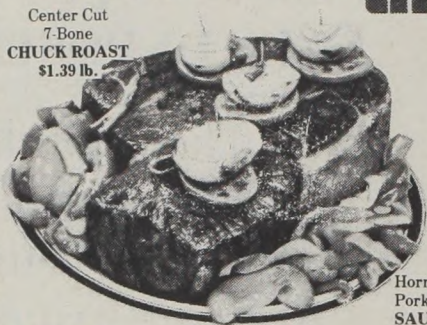

Similar to other types of insurance, it is hoped that benefits from Social Security are not needed until retirement. Student workers have already begun building on a lifetime of protection that will help the individual and his family should disability or death occur.

If you have a question on any matter concerning Social Security please call 293-4371—we will be glad to help you. If you need to visit our office our address is 1401-B West 5th Street in Plainview.

## Hightower Encouraged About Trade Mission to Mexico

Agriculture Commissioner Jim Hightower returned from a four-day trip to Mexico City recently "greatly encouraged" about the possibility of arranging agricultural sales direct from Texas farmers to Mexico.

Accompanied on the trip by Texas Farmers Union President Mike Moeller and Department of Agriculture international marketing personnel, Hightower met with the Mexican undersecretary of agriculture, the secretary of commerce, the director general of CONASUPO (the national export/import agency), the secretary of agriculture economy, the secretary of agriculture reform, the director general of Industrial de Abastos, a United Nations delegation on food, the president of the Mexican Farm Organization Federation, a representative of the American Soybean Association, and the American ambassador to Mexico. "I believe we laid the groundwork for a long-term relationship

that will benefit both Texas farmers and Mexico," Hightower said. "I fully expect that we will be able to arrange some sales in which, by cutting out the big middlemen, our farmers will get a higher price and Mexico will pay a lower price. It may take some time, but their response was very positive.

"The single best thing that could happen to the farmers of Texas is for Mexico to have a healthier economy," Hightower said, pointing out that, in the last year, purchases of Texas agricultural products by Mexico has declined by half.

Hightower said TDA would immediately submit to CONASUPO officials a proposal outlining how such direct sales might be handled.

"If a man could have half his wishes he would double his troubles." Ben Franklin

### LEGUMES FOR TEXAS PASTURES

Legumes are a good bet for permanent pastures in Texas, and planting time is here.

Legumes offer several benefits for Texas pastures, says Dr. J. Neal Pratt, forage specialist with the Texas Agricultural Extension Service, Texas A&M University System.

They provide higher quality forage than perennial grasses growing in most Texas pastures. Legumes can improve the total production of quality forage on most farms and ranches.

Legumes also can lengthen the pasture growing season and can provide options for pasture management.

September and October rains usually provide favorable conditions for planting legumes, says Pratt. September and early October are the most desirable planting times.

Several legumes are available for specific areas of Texas, notes the specialist. Vetch is a longtime favorite and grows well in most areas of the state. Madrid sweetclover is a deep-rooted legume and is well-suited for Central, South and West Texas.

Arrowleaf clover is gaining popularity in East, Central and parts of South Texas. A relatively new legume, Subterranean clover, does well in bermudagrass and bahiagrass pastures in East Texas and Gulf Coast areas.

County Extension Agents and program building committees throughout the state annually conduct demonstrations to show advantages of legumes in pasture production, Pratt says. He encourages producers to contact their County Extension Office for recommendations on legumes this fall.

### JOHN BLOCK REFUSES TO IMPLEMENT THE EMERGENCY PROGRAM

Texas Farmers Union President Mike Moeller returned to Texas recently, frustrated with the United States Department of Agriculture and their "stonewalling" of drought aid for parched West Texas.

Accompanying Texas Agriculture Commissioner Jim Hightower to Washington, D. C.,

Moeller and two West Texas ranchers appealed in vain to Secretary of Agriculture John Block's department to institute an emergency feedgrain program, using government-owned corn that even now is decomposing in Texas Panhandle grain elevators.

"Top USDA officials agree fully that a severe crisis exists here in Texas, and Congress has given them the authority to respond to this type situation, but for reasons unclear to us, efforts to help solve the crisis are being stonewalled," said Moeller. "This drought will not go away. The ranchers in Texas need the stored grain to feed dying livestock. The government already owns it; the public is paying to store it, and the grain is not suitable for use as human foodstuff," Moeller added. "What Texans want to know," continued Moeller, "is why won't John Block implement the emergency feedgrain program?"

A peanut, some say, is technically not a nut, but is a legume.

## An important part of your electric bill:

In the past, your electric bill was "just another item" in your family budget, but that is not true anymore. However, as a consumer of electricity, YOU can make a difference. How you use electricity is an individual matter — it is in your hands — and in your pocketbook.

At West Texas Utilities we are working to provide dependable service at reasonable rates. Unfortunately, the costs of producing and supplying electricity have soared. WTL has had no choice but to raise its rates to pay for the high cost of fuel to generate electricity.

We know you are concerned about your electric bill, and we suggest a few things that

can help you save money and energy.

Make it a family project to learn more about conservation. Keep your thermostat set at 78 degrees or higher in the summer and 68 degrees or lower in the winter. Operate your washing machine, dryer and dishwasher only with full loads. Turn off the television and lights when you leave a room. And check around your house to find other energy-saving measures that can mean dollar savings on your electric bill.

WTL is working to ensure an adequate supply of electrical power for YOU and all of our customers, while trying to assure the most value for your energy dollars now and in the future.

WEST TEXAS UTILITIES COMPANY

A Member of The Central and South West System

Remember, Supplies the energy—  
but only YOU can use it wisely!

## Major Medical that's worth a Million.

Time Insurance  
Company's Major  
Medical plan offers:

\$1,000,000 in lifetime benefits  
per insured party.

Payment of all covered charges  
both in and out of the hospital.  
Without schedules.

A deductible you pay just once

**OBITUARIES**

**JOE HENRY TIFFIN**

Funeral services for Joe Henry Tiffin, 64, of Quitaque were conducted Tuesday at 3:00 p.m. September 6, 1983, at the First United Methodist Church in Quitaque, with the pastor, the Rev. Wayne Norman, officiating. Burial followed in the Rest Haven Cemetery at Quitaque under the direction of the Seigler Funeral Home of Turkey.

Mr. Tiffin was born in LaJunta, Colorado, a son of Troy Lee and the late Bessie Tiffin and came to this area with them in 1920 at the age of one year. He was married to Pauline Spieker on January 24, 1946 in Hamilton, Texas. They had been engaged in farming up until a few years ago when ill health forced him to retire. He was a veteran of World War II, having served in the Philippines. He was a member of the VFW and the Disabled Veterans in Childress.

One son preceded him in death in 1961.

He was also a member of the First United Methodist Church in Quitaque.

He is survived by his wife, Pauline of Quitaque; two sons, Dannie Tiffin of Childress and Johnnie Tiffin of Silverton; one daughter, Mrs. Peggie Wilkinson of Brownwood; one brother, Clyde Bee Tiffin of Vancouver, Washington; two sisters, Mrs. Edna Slaton of Fort Worth and Mrs. Ethel Morrison of Portland, Oregon; five grandsons and two granddaughters.

Pallbearers were Morris Wilson, Jimmy Davidson, Bob Ham, Elmo Edmonds, Terry Don Morrison, all of Quitaque, and Earl Patrick of Flomot.

The full moon is nine, not two, times as bright as the half moon, because the visible half-moon is extremely rough and not as reflective as the rest of the moon's face.

Harvard University was first known as Cambridge.

**ROSAMOND BATTLES**

Rosamond N. (Johnson) Battles, 74, of Wichita, Kansas, died August 30, 1983.

She was born June 12, 1909, the daughter of the late Mr. and Mrs. John A. Johnson of Quitaque. She was not born in Quitaque.

Services were held Saturday, September 2, 1983 at 10:30 a.m. at the First Baptist Church in Wichita, Kansas, with the Dr. Roger Fredrikson officiating. The Downing and Lahey Mortuary directed the services with interment in White Chapel Memorial Gardens at Wichita, Kansas.

She is survived by two sons, Larry N. Koch of the Navy and Charlie Koch of San Diego, California; one brother, Clayton Johnson of Quitaque.

**Smith Reunion Held At Weatherford**

Fifty members of the Joshua and Canarie Smith family got together Labor Day weekend for a reunion at the beautiful country home of Albert and Mattie Smith at Weatherford, Texas.

All the surviving children were in attendance except Audrey Smith Wolff of Kingsport, Tennessee.

The children of the late Ida Belle Smith Hanna were present: Weldon and June Hanna, Wendy and Becky; Carroll and Mary Ann Hanna and Carlton, Denton; Peggy Hanna Ford, Tracy and Casey, Richmond, Virginia; Tim and Donnie Mickelson, Ginny and Austin, Mesquite; Bobby Hanna, Jon and Kelly, Abilene.

Josh Smith, Jerry and Brenda Smith, Brandon and Jason, J. W. and Jo and Randy Lacy, all of Turkey; Jimmy Lacy and Richard Tankersley, Lubbock; Tommy Lacy and Teresa Chatham, Greenville, Mississippi; Foster and Carolyn Smith, Julia and Shanna, Rockwall; Betty and Kelly Williams, Hereford.

Joy Smith McClung; Kenneth and Lynna McClung, Mandy and Michael, Denton; Roland and Virginia (McClung) Jones, April and Matthew, Abilene.

The host and hostess, Albert and Mattie Smith, Jon and Donna Smith, Jon Alan and Pam, Snyder.

Cherrapungi, India has an annual average rainfall of 432 inches—36 feet.

**Class Officers Elected At Valley School**

Chosen to serve as Senior Class president at Valley High School this year is Kraig Cox. Selected to serve with him are Mary Dowd, secretary-treasurer; J. Dale Butler, vice-president and Sherri Hendrix, reporter. The Student Council representatives are Darren Edwards and Lori Clay.

Serving as officers of the Junior Class are Criss Morrison, president; D'Anna Smith, secretary; Margaret Leal, treasurer; Tim Clardy and Kaylene Green, Student Council representatives.

Directing activities in the Sophomore Class will be Chuck Martin, president; June Johnson, vice-president; Kay Donna Hancock, secretary-treasurer; Roy Beavers, reporter; Denise Bynum and Steve Price, Student Council representatives.

Elected by the Freshman Class were Lane Meyers, president; Kirk Saul, vice-president; Delma Martinez, secretary-treasurer; Olga Ortiz, reporter; Sandi Lipscomb and Jeff Fuston, Student Council representatives.

Over 97 percent of the tea consumed in the U.S. is black tea.

**Little Known Facts About People Who Help Us**

**Our Physicians**

According to the Bureau of the Census, there are about 438,000 physicians in the United States. That's about one doctor for every 500 Americans.

Many of these physicians live and work in the sunbelt states where they help treat and protect people from a number of ailments. One disease that many sunbelt physicians see is called solar keratosis. It's a skin condition caused by too much sunshine over a long period of time. In some cases, it can become malignant if untreated.

Symptoms of this skin condition include red, scaly

patches, usually on the back of the hands or on the neck or face. Anyone with such symptoms should see a doctor.

To treat this skin condition, doctors sometimes use a prescription cream or solution made by Hoffmann-La Roche Inc. that is often applied to the skin with good results for people with solar keratosis.

Only a doctor can diagnose and treat you properly. If you suspect that you may be developing this or any other skin condition, it's a good idea to see your doctor.

## Annual Broxson Family Reunion Held Over Labor Day Weekend

by Hattie Lois Carter

Once again reunion time rolled around for the Broxson family. I have always heard the older one became the faster time passes (not that I'm getting older, but where has this past year gone?) I'm always going to have everything all packed, baked, loaded and ready to go and be all calm and relaxed at departure time, but, as usual, always rushed and out of breath when I finally depart. When arriving at our destination and seeing all our kin as they arrive, it makes it all worthwhile.

Our crowd was down quite a bit this year for various reasons including illness in some families, accidents prevented others from coming and the extreme heat took its toll. Also, the expected arrival of little ones kept others at home.

Willie Broxson, at 82, is the eldest family member. He was notified Sunday that he was a great-great-granddad. The Gibbs Ruckers were expecting a call any minute, telling them of the arrival of their second great-grandchild. When a family gets as large as ours has become, it is

always having weddings and expecting new babies.

Our usual games were played this year, only in cooler times. The volleyball tournament was played under the lights at the lodge Saturday night. This is always a hotly contested sport. Each brother and sister make up a team of family members. This year we had six teams and played round robins. We have a silver tray trophy that is a traveling trophy. The winners' name is engraved on it each year. This was started in 1981 and Opal Broxson's family won it that year. Hattie (Broxson) Carter's family won it in '82, and Ruby (Broxson) Rucker's family won it this year.

Our "42" tournament was played Sunday night under our big tent top. There were eight couples who played and trophies were presented to the couple that won the most game points. Don Tindall and Terry Payne took home the trophies.

There were some hotly contested horse-shoe pitching contests this year, so there will probably be a tournament for this next year.

Other activities included lots of swimming, mountain climbing, picture taking, visiting and eating the abundance of food that is always there.

Our officers this year were Mr. and Mrs. Gary Young, assisted by Mr. and Mrs. Harry Barnhill. They did a super job. The theme this year was around flying, called a "fly-in." The president, Gary Young, is a helicopter pilot and he enjoys flying as his profession.

New officers for next year are Sherry Dillard and her two daughters and her son-in-law. The trainees will be Bryon and Shree Mayfield.

There were 69 family members present and five visitors.

Those present were Willie Broxson, Charles and Gloria Broxson, Monahans; Mr. and Mrs. Don Broxson, Donnie, Darrell and Melinda, Corsicana; Mr. and Mrs. Cecil Broxson, Mr. and Mrs. Terry Payne, Terry Ben and Troy, Fort Worth; Mr. and Mrs. Benny Tinker, Collyville; Mrs. Sherry Dillard and Twilla, Hurst, Texas; Twilla's friend, Jeff Tasker, San Angelo; Mr. and Mrs. Lance Reed, Frost; Mrs. Wayne Chrestman, El Paso; Craig Surrent, Mr. and Mrs. Marc Tindall and Ryan, Lubbock; Mr. and Mrs. Don Tindall, Mr. and Mrs. Ticky Tindall, Allison; Wes and Jay, Borger; Mrs. Viola Fawver, Mrs. Ryan Smith, Vicki and Bryan, a friend, Robie Honea, Mr. and Mrs. Dennis Mason, Fort Worth; Mr. and Mrs. Gibbs Rucker, Clovis, New Mexico; Mr. and Mrs. Johnny Rucker and Tesha, Mr. and Mrs. Rusty Rucker and Callie, Texico, New Mexico; Mr. and Mrs. Byron Mayfield, Farwell, Texas.

Others were Mrs. Opal Broxson, Mr. and Mrs. Bob Broxson and Lance, his friend, Christy Cain, Mr. and Mrs. Bruce Broxson, Sunray; Annette Broxson, Amarillo; Mr. and Mrs. Ralph Carter, Quitaque; Mr. and Mrs. Larry Hedrick, Layne and his friend, Rusty Kershaw, Canyon; (Todd Hedrick is already enrolled in school at Texas Tech in Lubbock and Scott Hedrick is enrolled at the University of Texas at El Paso, and they were unable to attend); Mr. and Mrs. Mel Carter and Melanie of Lubbock; Mr. and Mrs. Harry Barnhill, Fort Worth; Mr. and Mrs. Gary Young, Jennifer and Audrey Beth and her friend, Mark Miller of Collyville.

Everyone departed for their homes by Monday noon, reporting a good time and hoping to see you again next year.

Mrs. Floye McCracken hosted a family dinner for her children and grandchildren in her home Sunday. She served chicken and all the trimmings.

Those present were Mr. and Mrs. Stewart McCracken, Tulia;

Mr. and Mrs. Alvie Francis, Mr. and Mrs. Barry Francis, Jared and Nathan, Silverton; Mrs. Jo Beth Edwards and children, Chris and Kevin, Olton; Mrs. Becky Drew, Dallas; Mr. and Mrs. Ronnie McCracken and Katy Francis, Lubbock, and Mrs. Estelle Davidson, Quitaque.

Mrs. McCracken reports they had a good time.

The family of Mr. and Mrs. Cecil Price enjoyed a family reunion Monday, Labor Day, at Caprock Canyons State Park. The meal was catered and they had barbecue with all the trimmings, they report.

Those present were Mr. and Mrs. Stanley Price, Chastity, Crystal and Chris, Mr. and Mrs. Bruce Price, Sandy and Steve, Quitaque; Mr. and Mrs. Norman Mullin, Lubbock; Mr. and Mrs. Buddy Price and son, Skeeter, Childress; Mr. and Mrs. Earnest Wayne Barbee, Clarendon; Mr. and Mrs. Randy Croslin, Canyon; Mr. and Mrs. A. C. Price and son, Shane, Amarillo; Mr. and Mrs. Hubert Price, Turkey; Miss Sherice Price and friend, Pepper Jones, Dallas; Mr. and Mrs. Larry Don Price and children, Bradley, Brandi and B. J., Quitaque; Mr. and Mrs. Cecil Lynn and baby, Patricia Price, Amarillo; Becky Price, Dallas; Mrs. Hoppy Trent and Kim, Memphis; Mr. and Mrs. Joe Edd Price and daughters, Keava and Karla, Mr. and Mrs. Howard Landry and children, all of Amarillo; Mr. and Mrs. Charles Barrett, Neal and Matt, Quitaque.

Others were Mr. and Mrs. Horace Hunter, Quitaque, and Wayne Hunter, Flomot.

Susie and Eric Rivas and Faye Dudley have recently returned from a trip to San Antonio where they visited friends and relatives. Susie and Eric visited her grandmother, aunts and an uncle. Faye visited an Army buddy of Euel Dudley and his wife. They did a lot of sightseeing in San Antonio. They report there is a lot to see and do in San Antonio. They returned home tired but report a fabulous trip.

Mr. and Mrs. W. F. Geissler and daughter, Myra, of Denver City spent a recent weekend visiting in the Lon McKay home. Others were the Geisslers son, Barry, his wife and baby, Jennifer, of Denver City, and another son and family, Mr. and Mrs. Lonnie Geissler and baby, Rusty, of Sundown. Mr. and Mrs. Cecil McKay of Plainview joined them here for a visit. Mrs. Eldon Martin and Trent McKay stopped in for a visit with them.
