Last year the Flomot Baptist Church entered the Achievement Program in an effort to make a better church, a better community and a better world. A record book was kept of all the achievements and was sent to the State Evaluation Committee of the Baptist General Convention of Texas. The Flomot church has just been notified that it is one of three churches to receive Special Recognition.

Mr. and Mrs. G. E. Whitaker and children of Flomot visited his brother and wife, Mr. and Mrs. Ernest Whitaker in Loveland Sunday. Mr. and Mrs. Doyle Henderson, a niece of Mrs. Whitaker, also visited there. Jan Whitaker and Linda Hickman students at South Plains J. C. joined the group.

Ed Whitaker, brother of G. E. Whitaker of Flomot was taken to the hospital at Paducah Wednesday morning at 2 o'clock. He is seriously ill.

Mr. and Mrs. Bill Griffin and Johnny spent from Friday afternoon until Sunday in Colorado Springs, Colorado, visiting their son, Don, and his family. He is shipping out for Saigon, Vietnam, Wednesday of this week. The Griffins report a very good visit and beautiful scenery.

Mr. and Mrs. Robert Hamilton and children of Amarillo spent the weekend with his mother, Mrs. N. V. Hamilton.

Mrs. O. R. Stark, jr. and sons, Scotty and Randy, and Mrs. Delene Tyler were in Plainview for the boys to have their eyes checked Saturday. Randy is being fitted with glasses.

Mrs. Darrell Fuston and girls and Glenda Cotton of Dallas visited their parents, Mr. and Mrs. Melton Cotton, over the weekend.

Jurhue and Mistie Stone of Lubbock visited their grandparents, Mr. and Mrs. Buck Lancaster, and Mr. and Mrs. Leroy Stone, over the weekend.

Turks Fall To Lefors Pirates Last Friday

The visiting Lefors Pirates defeated the Turkey Turks 21-0 here last Friday night.

Although the weather made the fans uncomfortable, the Turks were too busy to notice the chill as they were being dealt 48 minutes of misery by a hard-charging Lefors eleven.

The visitors used an impenetrable defense and a trio of hard-running backs to control the game as they scored in each of the last three quarters.

The Turks made some great defensive plays, but could not consistently stop the Lefors backs as they made good on eight fourth-

down plays. Two of the Pirate scores came on fourth and long yardage situations.

The Turk offense was totally ineffective against the Pirates. The Lefors defense was so strong that the Turks failed to make a first down until the fourth quarter.

The only scoring opportunity of the game for the Turks came midway in the fourth period. Following two good runs by Fran Cruz, the Turks owned the ball on the Lefors 13-yard line. However, they were unable to gain a first down and once again had to turn the ball over to the Pirates.

MRS. CARRIE JAGO BURIED HERE

Funeral services for Mrs. Carrie Jago who lived in Quitaque for many years and who was an early day settler here, were held at 3 p. m. Wednesday at the First United Methodist Church here. Mrs. Jago died Monday morning in Hillhaven Convalescent Home in Amarillo. She was 83.

Matvin Morrell of Olsen Park Seventh Day Adventist Church in Amarillo, and the Rev. Carl Oglesby, pastor of the Quitaque, officiated. Burial was in Rest Haven Cemetery by Quitaque Funeral Home.

She was a member of the Seventh Day Adventist Church. Born in Ruthven, Iowa, Mrs. Jago had lived in Amarillo five years. Following the death of her husband, J. F. Jago, in 1940, she went to Paducah, Ky., and made her home there until she moved to Amarillo five years ago.

Survivors include two daughters, Mrs. Giv Mullin and Mrs. Mildred Neen, both of Amarillo; a son Frank of Pueblo Pintada, N. M.; two sisters, Mrs. William Bosch of Miami, Fla., and Mrs. George Larson of Paducah; six grandchildren, 13 great-grandchildren and two great-great-grandchildren.

Pallbearers were Jim Stroun, O. R. Stark, James Davidson, E. J. Hamilton, Charlie Grundy and Eert Grundy.

QUITAQUE FFA NOTES

On September 19 our Chapter President Perry Brunson and our Adviser Fred Kellum and his wife attended the dedication of the School of Agriculture at West Texas State University. Several interesting speakers were heard that evening speaking on the future of Agriculture. Among the speakers was Dr. T. S. Pope, Associate Dean of Agriculture at Texas A&M University. A barbecue plate was enjoyed by everyone present.

The Quitaque FFA met Thursday of last week. The President, Perry Brunson called the meeting to order. Several items of business were discussed, including the trip to Dallas to the State Fair. Sears Roebuck & Co. offers the FFA Club award; retaining the sign post of town; and building a sign for the FFA BARN.

Sears Roebuck & Co. will give the Chapter \$97.00 with which to buy breeding pigs. They will be given to two active FFA boys who are willing to keep them for a litter of pigs. After the pigs are weaned the chapter will have a choice of the all they want back to keep the pigs going.

After the meeting we enjoyed a 20 minute film on Quarter Horses performing. The film showed the horses performing in cutting, roping and barrel racing. The meeting was then adjourned.

Evangelist Has Christmas Hit

"Christmas With Oral Roberts" a nationally televised special should be a family affair with guest star Anita Bryant, husband-manager Bob Green and two of her four children, Gloria and Bobby. Also appearing on the show scheduled for release during the third week in December is Oregon's Senator Mark Hatfield.

Evangelist Oral Roberts has out "scored" comedian Bob Hope in a recent exchange of "plugs".

Hope captured the interest of score-keeping columnists on his recent NBC special making two references to the world famous evangelist. Reverend Roberts managed only one passing reference to the globe trotting comedian in his soon to be released Christmas special.

Appearing on the "Christmas With Oral Roberts" show will be Anita Bryant, headliner with Hope's annual Christmas entourage for several years and Oregon Senator Mark Hatfield.

The nationally known guests have completed taping of "Contact!", the fourth Oral Roberts prime time special. The Christmas Special is scheduled to be aired nationally over 160 stations in the United States, Canada and England.

The show should have special family interest as Anita makes an appearance with two of her four children and her husband, Bob Green. Senator Hatfield adds to the Christmas scene as he delivers from his recent recording, a reading of "The Incomparable Christ."

Both Anita and Reverend Roberts are from Tulsa, Ok-

lahoma, and have a Cherokee Indian heritage. This bit of information is made known during an interview between Reverend Roberts and Anita. The interview was capped with a word for young people from Anita, "It's their lives . . . and regardless of who they blame a lot of trouble on, they are responsible for it."

Adding to the holiday at home festivities will be featured ice skaters, George Arnold and Phil Richards. Old and new Christmas tunes will highlight the show featuring Anita, Richard Roberts, son of Evangelist Roberts, the World Action Singers from Oral Roberts University and the Ralph Carmichael Orchestra. Anita's songs are from her latest Columbia album, "Christmas with Anita Bryant."

To climax the show Reverend Roberts offers the challenge of complete harmony within the individual speaking on "Christmas In The Now."

 Easy Fruit Glaze

Make a bright fruit glaze for mince cake, open fruit pies, big and little. Fresh strawberries provide the fruit flavor in this delightful recipe.

- Strawberry Glaze**
- 1 pint strawberries
 - 1 tablespoon corn starch
 - Dash salt
 - 1/4 cup water
 - 1/2 cup light corn syrup
 - 1 teaspoon lemon juice
 - red food coloring
- Crush enough strawberries to make 1/4 cup; leave remainder whole. Mix corn starch and salt in small saucepan. Gradually stir in water and corn syrup. Add crushed berries. Stirring constantly, bring to boil over medium heat and boil 1 minute. Remove from heat. Strain. Stir in lemon juice and food coloring. Cool slightly. Arrange whole berries on pies or cake and pour glaze over all. Chill until set.

Shirrtail Sermon

... be thou an example of the believers, in word, in conversation, in charity, in spirit, in faith, in purity" (I Timothy 4:12)

A little clock in a store window in a certain Western town stopped one day for half an hour at fifteen minutes to eight. School children noticed the time and stopped to play. People hurrying to the bus saw the time and walked more slowly. Professional men, after a look at the clock, stopped to chat awhile. Working men and women noticed the time and lingered a little longer. All were a few minutes late because one small clock stopped. These people did not realize how much they depended on that clock until it had led them astray.

"New Beauty For Old Skin"

Smart women everywhere know that beauty starts with a lovely skin. But wind, sun and that "old devil time" combine to rob skin of its ability to retain moisture. We can't turn back time but we can make it appear to stand still with a marvelous new moisturizer.

It took more than five years of research and development by a noted biochemist, Dr. Frank P. Panzarella, to perfect this beauty aid but the results of his efforts can make a noticeable improvement in your skin in as few as four days.

This remarkable cream contains no hormones. What it does contain is a unique combination of cosmetic ingredients created to help maintain optimum balance between the skin's loss and gain of moisture. Nature's precious hydrating plumping agent. It is rich in lubricating and emollient ingredients.

Dermatologists are enthusiastic. Jonas E. Schneider of Walnut Creek, California, a respected doctor in his field, was very favorably impressed. At first, he thought Formula 405 was just another skin emollient and gave it to his patients to use in addition to super-fatted soaps and bath oils. To his pleasant surprise, many patients of both sexes volunteered that this was in-

deed an unusual product. He was impressed by the unqualified enthusiasm and decided to investigate the action of this new moisturizing cream. He asked patients to apply it to one side of their face only and to continue using what they had been using on the other side, or if they had been using nothing, to leave one side untreated. After six months, he is still receiving glowing reports. In fact, patients have been reluctant to continue using this product on one side of their face only for any period of time for differences often appeared within a week, and once this occurred, they wanted to apply Formula 405 to the entire face.

Why not begin today to give your skin this beauty lift? Economical to use, it takes only about one half inch for each application. Rub in gently and give particular attention to the areas around the eyes, mouth and neck. It's great under makeup and, by using it faithfully every night, your mirror will show a smoother, more radiant and younger looking skin. Formula 405 makes it happen!

For more information, send your inquiry to Frank P. Panzarella, Ph.D., President Doak Pharmaceutical Company, Inc., 2009 Shames Drive, Westbury, L.I., New York, 11590.

Repair Expensive Sheet For 39¢

New Iron-on Sheet 'n' Pillow Patches from Bondex are available in white, pink, blue, yellow and lime green.

NEW BRUNSWICK, N. J. — Don't throw away those torn sheets and pillow cases! Now it's possible to repair them quickly, easily and neatly with Super Bondex Brand Iron-On Sheet 'n' Pillow Patches.

With this new product from the Permacel Division of Johnson & Johnson, you can repair a \$5.00 sheet (even permanent press sheets) in seconds for only 39¢.

The patches are made of high quality percale and offered with a money-back guarantee to stay on through more than 30 washings and dryings. They are available in white, pink, blue, yellow and lime green.

To use, merely set a dry iron at the "wool setting" and preheat for five minutes. Next, iron the sheet area to be patched, then apply patch, shiny side down. Hold the iron down firmly on the patch (don't slide iron across area). If large patch is used, do one half at a time. Press down on each half for 15 seconds, then press around edge of patch to complete seal.

The same patches can also be used to mend table linens, towels, curtains or draperies. Or, use them to repair men's shirts and shorts; women's dresses, slips, pajamas and nightgowns; and children's clothes and underwear.

Decorating possibilities are limited only by your imagination. For a start, you might make colorful appliques for dresses, playclothes, aprons, etc.

The patches are available nationally at drug and variety stores, supermarkets and at notions counters of department stores. For additional information, contact Bondex, Permacel Division of Johnson & Johnson, New Brunswick, N. J. 08903.

CANCER'S WARNING SIGNALS

- 1 Unusual bleeding or discharge
 - 2 A lump or thickening in the breast or elsewhere
 - 3 A sore that does not heal
 - 4 Change in bowel or bladder habits
 - 5 Hoarseness or cough
 - 6 Indigestion or difficulty in swallowing
 - 7 Change in a wart or mole
- These signals do not usually mean cancer, but they are warnings; if one lasts more than two weeks, it is important to go to your doctor.

CARD OF THANKS
Words cannot express our thanks for the many kind deeds shown us at the passing of our dear, sweet mother. The prayers, phone calls, visits to our loved one, flowers, food, the friends and nurses who stayed with us in her last hours, made it easier for us to bear. Everyone has been so kind, so let us say thanks again.
