VOLUME 26 NUMBER 3

Youth Alive In Christ Week

All youth of the community, grades 7-12, are invited to attend Youth Alive In Christ Week sponsored by First Baptist Church, Quitaque. It begins Monday night, July 8, and goes through Friday night, July 12. It will begin each night at 8:00.

There will be a time of Bible Study, activities, food, fellowship

State Qualifier Tourney Is July 12-14

The State Qualifier Tournament is July 12-14. Sixteen teams are entered.

The top four teams will qualify for the State Tournament to be held in Amarillo later this summer.

Adamsons Receive Radio Congratulations

At the close of his radio program Thursday, June 27, Paul Harvey, noted radio and TV commentator, said "And now we will go to Turkey, Texas" and went on to congratulate Mr. and Mrs. John Adamson on their 70th wedding anniversary.

Mrs. Adamson said Monday that they had had such a good time for the past several days, talking to friends and relatives on the phone who had called them after reading about them in various papers. Of special interest was a call from Merkel from Joe Bodine, who was three years old the last time he saw the Adamsons. His father worked for John on the farm many years ago, and he will be 60 years old in September, he said. He remembered that Mrs. Adamson had given him and his brothers a pullet when they moved, and it followed them everywhere and was such a pet, living till it was four years old, and they all cried when it died. Mr. Bodine had heard Paul Harvey's program about the Adamsons and called them that night.

Mr. and Mrs. Tom Bowman of Denver, Colorado spent from Thursday of last week until Sunday in Quitaque visiting his grandmother, Mrs. Edna Taylor. Mrs. Taylor, who has been confined to her home for several months, was able to accompany them on a visit to the cemetery and to Caprock Canyons State Park.

Mike Chandler and family of Lubbock spent Sunday of last week visiting his grandmother, Mrs. Opal Hamilton, in Quitaque.

and fun. The group meets each night at a different place. The schedule is as follows:

Monday, 8:00 p.m.—City Park. Bible Study, refreshments, softball

Tuesday, 7:30 p.m.—Jess and Linda Little's—Hamburger cook-out, Bible Study, flag football

Wednesday, 8:00 p.m.—Church. Bible Study, refreshments, volleyball

Thursday, 8:00 p.m.—Iva June Johnson's. Bible Study, ice cream, Frisbee golf

Friday, 8:00 p.m.—State Park. Bible Study, wiener roast, campfire.

Come and have a great time in the Lord.

Gasoline Homecoming Set For August 4

The sixteenth Gasoline Homecoming is set for Sunday, August 4, to be held at the Quitaque Community Center.

A catered meal will be served at 12:30 p.m.

Everyone is welcome.

ATTENDS CAMP AT CETA CANYON

Kasey Fuston, daughter of Mr. and Mrs. Gene Fuston, is attending One Way 4th to 6th Grade Camp at Ceta Canyon this week. Camp Director is Rev. Jim Terry. Mrs. Fuston took her daughter to camp on Monday morning.

M.S. Beefathon To Air On KFDD-TV July 7

The annual Multiple Sclerosis Beefathon Television Auction will be aired from noon to 5:30 p.m. July 7 on Channel 10, KFDD. "We've Got the Beef" is the theme of this year's event.

Proceeds from the annual auction make up one-third of the Panhandle Chapter of the National Multiple Sclerosis Society's budget. The name Beefathon originated from the large number of donations by beef producers throughout the Golden Spread area. Today, fine jewelry, sporting goods, paintings, appliances and trips join the list of auction items in addition to beef.

The merchants of Amarillo and the Texas and Oklahoma Panhandle have donated over 200 items and the beef producers from the Golden Spread have donated 23 head of beef. Items range from a mink coat to a talking alarm clock, to a Seiko watch that has a tape recorder in

Early Deadline Again For Valley Tribune

The Valley Tribune will have an early deadline again next week, this due to vacation.

Please turn in the news and advertising to be included in the issue of July 11 by 10:00 a.m. Tuesday, July 9.

Your cooperation will be appreciated very much.

Hamburger Supper To Be Held In Turkey Park Sunday Night

The annual Independence weekend hamburger and ice cream supper will be held in the Turkey City Park Sunday night, beginning at 7:00 p.m. A fireworks display will be put on by the Turkey Fire Department at dusk, it was announced.

Sponsoring the affair are the members of the Ladies Auxiliary of the Fire Department, the Fire Department and the City of Turkey.

All proceeds will go to the ambulance fund. Make plans to attend and enjoy the good food and fellowship, and the fireworks display.

TELEPHONE NUMBER HAS BEEN CHANGED

One of the telephone numbers has been changed in the Jones Spraying Service ad in another part of this paper. Please take note of the new number.

Don Timmons is in St. Anthony's Hospital in Amarillo for treatment.

Fireworks-Related Injuries: Another July 4th Tradition?

Parades, picnics and fireworks displays are all July Fourth traditions enjoyed by most Americans. Another, often overlooked tradition, comes in the aftermath of the holiday—those news reports about people blinded, maimed, or killed by fireworks-related injuries.

The Texas Society to Prevent Blindness reports that in 1984 fireworks-related injuries rose 19 percent over the previous year. An estimated 9,857 people required hospital emergency room treatment last year, 1,255 of them having sustained eye injuries.

"Fireworks are not toys," cau-

tions Dr. J. Franklin Howell, medical advisor of the Amarillo branch. "Yet, 74 percent of all those people injured last year were under age 24. Without doubt, we need to keep fireworks out of the hands of young people."

In a recent study conducted by Arkansas ophthalmologists, bottle rockets were found to be a leading cause of fireworks-related injuries there.

The study revealed that nearly three-fourths of all injuries resulting in permanent vision loss were sustained by people harmed by bottle rockets.

"Small, but lethal, a bottle rocket is a single firecracker attached to a stick, and shot from a stationary object. Usually, the suggested object is a pipe. However, more often than not, people use soda-pop bottles," says Dr. Howell.

According to the National Society to Prevent Blindness, these bottles can explode. Glass shrapnel thrown during the explosion can strike the face and eyes of bystanders, often causing severe, painful and irreversibly blinding injuries.

Among the other commonly available fireworks involved in injuries are firecrackers, M-80s, Roman candles, salutes and snakes. Even sparklers are unsafe. The Society says that a blinding burn can result if the sparkler makes contact with the eye.

"We recommend that people enjoy fireworks the one safe and sane way this July Fourth," Dr. Howell adds. "That is, view them at a licensed public display. Not on a street corner or in the backyard."

Softball League Play Begins Monday Night

Softball League action will begin Monday night. There will be three games then. This year it will be mixed teams playing.

Anyone who wants to play but didn't have their name on the list should contact Deloy Myers, Greg Ramsey or Jarrell Rice.

Rod Setliff Returns to Holland

Rod Setliff has returned to Holland and is now working in the office for his company, due to the injury to his hand. He has spent several weeks here with his parents, Mr. and Mrs. Arville Setliff. Last weekend, his brother, Alton Setliff of El Paso, came for a visit.

New Arrivals

Mr. and Mrs. Dale Wilks are proud to announce the birth of a baby boy, Justin Paul, on June 11 at Lockney General Hospital. He weighed 7 lbs. 14½ ozs. and was 19½ inches long. He has a big sister, Julia, who is six years old.

Grandparents are Preston Jouett of Turkey and Mrs. Wilma Wilks of Memphis. W. H. Jouett of Turkey is the great-grandfather.

Mr. and Mrs. Kenny Setliff of Tulsa, Oklahoma are the proud parents of a son born Wednesday, June 26. He weighed 7 lbs. 13 ozs. and was 20 inches long. He was given the name of Nicholas Justin.

Grandparents are Mr. and Mrs. Arville Setliff of Turkey and Mr. and Mrs. Russell Strain of Olton.

Mr. and Mrs. Bud Bailey drove to Silverton and spent the day with Mrs. Ethelyn May recently. Others present were Mr. and Mrs. Joe Bailey of Lubbock.

Mrs. Cora Gragson received word Thursday that her niece's husband, Edwin Jones, of Fort Smith, Arkansas had died. Mrs. Gragson was unable to go to the funeral. Services were held there Saturday with interment in Dawson Cemetery in Milltown, Arkansas.

Survivors are his wife, Clara, and a son, Arden, both of the home. Mrs. Jones' mother is a sister of Mrs. Gragson.

Mr. and Mrs. Aubrey Turner and Mrs. Nadine Baisden were in Amarillo Thursday. They visited the Turner's daughter, Mrs. John Couchman and family, who had surgery on Wednesday but had returned home. They also visited at the Heritage Home with their brother, Shorty Hollingsworth, and with Mrs. Jessie Coker, who had recently been moved to that facility.

OBITUARIES

DOROTHY BRUNSON

Mrs. George (Dorothy) Brunson, 72, died Saturday morning.

Services were held at 2:00 p.m. Monday at the Rock Creek Church of Christ with Elgin Conner, minister of Quitaque Church of Christ, officiating, assisted by Earl Cantwell, minister. Burial was in Rest Haven Cemetery at Quitaque by Schooler-Gordon Funeral Directors.

Mrs. Brunson had lived in the Kress-Claytonville farming area for 34 years. She was a member of the Rock Creek Church of Christ and the Kress Croche

Club. She married George Brunson in 1943 at Los Angeles, California.

Survivors include her husband, of the home; a son, Jerry of Canadian; four sisters, Barbara Weber, Anna Ford and Frances Watkins, all of Kansas, and Christine Marshall of Oklahoma; and three grandchildren.

Pallbearers were Jake Jones, Glenn Jolly, Billy Street, Fred Arnold, Billy McDaniel and Elton Cantwell.

"All doors are open to courtesy." Thomas Fuller

NOTICE OF INTENT TO IMPLEMENT RATES

General Telephone Company of the Southwest in accordance with the Public Utility Regulatory Act and the Rules of the Public Utility Commission of Texas gives notice of its intent to implement new exchange access rates for the provision of shared tenant and tenant resale services.

These proposed rates are applicable to customers of General Telephone Company of the Southwest, excluding hotel/motel customers, who provide local exchange telephone service of General Telephone Company of the Southwest to their tenants or patrons on a resale or shared use basis. This resale or sharing arrangement is normally provided utilizing a customer-provided PABX or other similar stored control switch capable of common control processing or other features commonly associated with a PABX "Smart" switch.

These proposed rates are designed to recover costs on a usage basis for local exchange telephone service access and are identical to General Telephone's "Optional Measured Service" rates. The monthly access rate will be \$28.95 per trunk line and the usage rates are as follows:

Over	Up To and Including	Band	Set Up	Full Rate Period Each Minute
0	7 miles	A	\$.025	\$.015
7	14 miles	B	.035	.021
14	21 miles	C	.050	.030
21	28 miles	D	.070	.042
28		E	.090	.054

As this is a new service offering, we are unable to determine the number of customers who may be affected. Currently, there are no known prospective customers. Until any customer utilizes this new offering, there will be no effect on the revenues of the telephone company, and in any event, the telephone company does not expect revenues to be affected by more than 2 1/2 percent. These proposed rates, where applicable, will provide tariffed local exchange access to customers who then will provide shared or resale services to tenants.

These proposed rates have been suspended by the Public Utility Commission of Texas and will become effective as proposed or modified by order of the Commission on a date to be determined by the commission.

The proposed rate schedule is on file with the Commission for public inspection and is also available at any business office of General Telephone Company of the Southwest.

Persons who wish to intervene or otherwise participate in these proceedings should notify the commission as soon as possible. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Consumers Affairs Division at (512)458-0223 or (512)458-0227, or (512)458-0221 teletypewriter for the deaf.

Case Family Has Reunion in Amarillo

The family of the late Harvey and Vera Case met June 21-23 for its annual reunion at the Hilton Inn, Amarillo. There were 64 present.

Families started arriving soon after noon on Friday and by 8:00 o'clock everyone was there. They all met on the pool patio and while the children swam, the adults visited, looked at old picture albums and made pictures.

Saturday morning at 9:00 everyone met in the Randell Room for breakfast and visiting. Afterward some went swimming while others attended the car show held at the Hilton Inn.

That evening at 7:00 the family again met in the Randell Room for dinner. A short business meeting was held. Jack and Jeanette Case will be hosts for next year's reunion.

Family members attending were Mr. and Mrs. Hugh Eudy, Van Horn; Donnie Eudy, Dallas; Larry and Jeanie Eudy and Tracy, Midland; Mr. and Mrs. Ken Eudy, John, James and

Amy, Van Horn; Mr. and Mrs. Jack Tutor, Childress; Mr. and Mrs. Phillip Tutor, Justin, Heather and Stephanie, Gafford, Arizona; Mr. and Mrs. Brent Tutor, Kent and Ericka, Dallas; Mrs. Laura Keyes, Steven, Misty and Brady, Childress; Mr. and Mrs. O. E. Case, Tulsa, Oklahoma; Mr. and Mrs. Marvin Bayes, Matt and Dallas, Ponca City, Oklahoma; Mr. and Mrs. Harry Case, Shannon and Blair, Oklahoma City, Oklahoma;

Also, Mr. and Mrs. Jack Case, Hereford; Mr. and Mrs. Pete Harling, Nashville, Arkansas; Mrs. Janie Richardson, Joe, Sarah and Jamie, Mr. and Mrs. Rusty Darling, Kara, Leta, Casey and Audra, Nashville, Arkansas; Mr. and Mrs. Cecil Case, Yvonne Case and granddaughters, Amarillo.

Hosts for this occasion were Mr. and Mrs. J. T. Mullin, Mr. and Mrs. Rod Mullin, Alecia, Amanda and Paul, all of Turkey; Mr. and Mrs. Rick Elmore, Shaylyn and Kari, Brownfield; Mr. and Mrs. James T. Mullin, jr., Jim and Leslie, Dallas.

Visiting in the S. D. Crump home last week were Mr. and

Mrs. Ray Harlan of Albuquerque, New Mexico and Mr. and Mrs. Les Perrin of Andrews, Texas.

Mrs. Clema Johnson returned Sunday from a week's visit with her son, Mr. and Mrs. Gary Johnson, in Paragould, Arkansas. She reported a very good visit.

Scaling Is New Chief Of Conservation Service

Wilson Scaling of Henrietta became chief of the USDA Soil Conservation Service on May 21. In the July issue of "Soil and Water Conservation News", he said he is pleased with his new job.

"The Soil Conservation Service runs an excellent voluntary soil and water conservation program," Scaling said. "I'm proud to be named the agency's new chief and I am confident in my knowledge and understanding of the strong partnership between SCS and conservation districts."

"I've learned firsthand how that partnership works—as a practicing steward of the soil, director of the Little Wichita Soil and Water Conservation Districts, and member of the Nation-

al Association of Conservation Districts."

Conservation districts are governed by locally elected landowners who coordinate conservation work within their district.

Scaling said he firmly believes soil and water conservation is the key to America's long-term productivity in agriculture.

"Conservation has served my family well for many years," he said. "It's the care that my ancestors have taken of the natural resources that's keeping our livestock operation in north-central Texas profitable today."

"I plan to lead SCS in helping many more people share the feelings of pride and satisfaction that taking good care of the soil, water and other resources has given me and my family. I

believe SCS and local conservation districts working together have the natural ability to make it happen for generations to come," Scaling concluded.

"Soil and Water Conservation News" is the official SCS magazine.

The Eskimo make and use wooden "eyeglasses" with only narrow slits for eyepieces, to protect their eyes from glare reflected by ice and snow.

On the average, each person in the US uses about 70 gallons of water a day in his home.

MRS. STEVE VENABLE

Venable-Griffin Vows Solemnized Saturday

Miss Cindy Griffin of Quitaque became the bride of Steve Venable of Garland in a morning service at 11:00 o'clock Saturday.

June 29, 1985, at the First United Methodist Church in Quitaque. The Rev. Steve Adcock of Wilmore, Kentucky performed the ceremony before a candleabra arch with white candles decorated with greenery, baby's breath and a red bow. Two baskets of red and white flowers tied with red bows flanked the archway. On the communion table, the bride and groom had a new family Bible and their unity candle. On the altar rail, green and red were displayed.

The bride wore a ring made from the wedding ring of her grandmother, Jeane Woods, in the double-ring ceremony.

Parents of the bride are Mr. and Mrs. Weldon Griffin of Quitaque. The groom is the son of Mr. and Mrs. Bobby Venable of Garland.

Given in marriage by her father, the bride wore a designer gown of shimmering white organza featuring a collared neckline and three-quarter length sleeves accented with schiffli lace. A deep flounce of schiffli bordered the full skirt which flowed into a sweeping train. She wore a matching hat with a floor-length veil gathered into a pouf at the back.

She carried a cascade bouquet of white daisy poms and white satin ribbon streamers with a center corsage of white cymbidium orchids.

For something old, the bride wore a wedding ring which belonged to the groom's great-grandmother. Something new was her wedding attire. She borrowed pearl earrings from her great-aunt, Bernice Thurman, and the blue garter was the one her mother had worn in her own wedding.

Mrs. Becky Norman of Post

was matron of honor. She wore a floor-length gown of red shimmering organza featuring a sweetheart neckline. She carried an arm bouquet of white gladioli and white daisy poms with red and white streamers.

Bridesmaids were Mrs. Ronda Clark of Wilmore, Kentucky, Mrs. Jendy Townsley of Canyon and Miss Jill Havens of Stanton. They wore gowns identical to that of the matron of honor.

Miss Kyla Woods of Ackerly, Texas, cousin of the bride, was flower girl. She wore a matching dress like the bridesmaids and carried a basket of white daisy poms.

Russ Griffin of Amarillo, brother of the bride, lighted the candles.

Best man was a friend of the groom, Doug Carpenter, of Garland, Texas.

Groomsmen were Walter de Vlught of Garland, Chuck Venable of Mesquite and Chris Venable of Garland, brothers of the groom.

Ushers were Russ Griffin, Chuck and Chris Venable and Doug Carpenter.

Mrs. Ross Herrington presented prenuptial selections and accompanied Mrs. Tom Loper of Quitaque, soloist. George Price of Spur, guitarist, and Chris Kragg of Garland presented music, also.

The mother of the bride chose a street-length dress of pink. Her flowers were white cymbidium orchids.

The groom's mother wore a beige street-length gown with a corsage of cymbidium orchids.

RECEPTION

A reception was held in the fellowship hall of the church. The bride's table featured a red cloth with a white crocheted overlay. The bride's bouquet centered the table. Mrs. Lana Burson of Silverton and Mrs. Jill Flaughter of Quitaque served the bride's tiered cake topped with miniature bride and groom with white

rose decoration, white mints and strawberry slush punch with crystal appointments. Others assisting with hostess duties were Mrs. Karen Price, the women of the Methodist Church, Quitaque, Annette Evatt of Knox City, Texas.

Denise Griffin of Amarillo, sister-in-law of the bride, registered guests.

The groom's table featured a red cloth and appointments of silver and china were used to serve heart-shaped chocolate cake decorated with chocolate roses. The centerpiece was a silver tray filled with strawberries. A variety of finger foods were served by Miss Ginny Logan of Garland and Mrs. Kathy Venable of Mesquite.

The couple will be at home in Mobeetie, Texas after July 6, upon completing a wedding trip to New York City, New York.

The bride is a Valley High School graduate. She attended West Texas State University at Canyon and Asbury Theological Seminary, Wilmore, Kentucky, where she received a master's degree.

The groom attended South Garland High School, the University of Texas at Dallas, and Asbury Theological Seminary, where he received a master of divinity degree. He will pastor Methodist Churches in Mobeetie and Kelton.

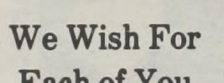

REHEARSAL DINNER

The groom's parents, Mr. and Mrs. Bobby Venable, hosted a rehearsal dinner in the fellowship hall. The groom's mother prepared the meal.

Mr. and Mrs. Roy Hunter were in Plainview Thursday to be with her sister, Mrs. Lloyd Jeffreys of Hale Center, who underwent surgery at Central Plains Hospital. Mrs. Hunter reports she came through fine.

MRS. RODNEY DALE CARPENTER

Kittrell-Carpenter Vows Exchanged At Hart

Melissa Gail Kittrell and Rodney Dale Carpenter of Aiken exchanged marriage vows Saturday afternoon at 3:00 p.m. in the sanctuary of First Baptist Church in Hart. Officiating was Rev. Jack Lee, the church pastor.

Parents of the couple are Mr. and Mrs. Jerry Kittrell and Mr. and Mrs. Ronnie Carpenter of Quitaque.

Escorted to the altar by her father, the bride was attired in a traditional white satin gown with off-the-shoulder draping bodice accented at the waist with a white rose and forming a gathered skirt which flowed into a chapel-length train. It featured pouf sleeves, gathering at mid-arm. Her derby side-sweep hat and veil were accented with Alencon lace and seed pearls and fell into a chapel-length train of silk illusion.

She carried a cascade of white silk roses and stephanotis, accented with apricot tinted apple blossoms and was complimented with white satin ribbon and streamers tied in love knots. She placed pennies minted in the years of birth of the bridegroom and herself in her shoe. The pennies were given to the bride by Myrt Loman. Something blue was her garter and something borrowed was a diamond necklace from her mother.

Sisters of the bride served as honor attendants. Miss Gayla Kittrell was maid of honor and Mrs. Marlin Marble was matron of honor. Bridesmaids were Suzahn Rowland and Debra Davis of Anton, the bride's cousin. Serving as flower girls were Ashley Marble, the bride's niece, and Becky Lee. The pair carried baskets with lace and apricot ribbon.

Feminine attendants wore identical floor-length formal gowns of apricot taffeta designed with off-the-shoulder necklines and large pouf sleeves. Grey satin ribbon sashes fell from

the waistlines. Their derby hats were grey with apricot Alencon lace covering and apricot tulle bows and back veils.

They each carried long stemmed arrangements of apricot silk roses and apricot and blue baby's breath, accented with apricot and blue bows and streamers.

Kirby Chandler of Quitaque was best man. Groomsmen were Mike Rice, Kenny Chandler, both of Quitaque, and James Stephens of Matador. Serving as ushers were Marlin Marble, the bride's brother-in-law, Coy Myrick, Kirk Saul of Quitaque, the groom's cousin, and Jerry Cargill of Canyon.

Candlelighters were Scott Saul

of Quitaque, the groom's cousin, and Jared Lee. The groom's cousin, Langdon Reagan of Silvertown, was ring bearer.

Wedding music was presented by Mrs. Weldon Davis, organist, and Jennifer Davis, pianist. They accompanied vocalists, Mr. and Mrs. Blake Northam, who sang "My Only Love" and "Crazy."

The altar area of the church was centered with a candelabra arch extended by two spiral candelabra and completed with nine-branch candelabra trees on each side. Fresh greenery, flowers and baby's breath adorned the entire altar area with brass plant stands filled with bouquets on each side of the altar. A unity candle was below the altar area and was lighted by the couple as they left the church.

Parents' pews were decorated with flowing greenery, baby's breath and bows. Apricot bows marked the remainder of the pews.

The registry table was covered with a white floor-length lace cloth featuring apricot candleholders in a fresh arrangement. Mrs. Norman Gerber registered guests.

An outdoor reception on the patio of the church honored the couple following the wedding ceremony. Green and flowering hanging baskets and bows graced the patio area.

The bride's table was adorned with an apricot floor-length lace cloth with a full gathered skirt, centered with a fresh arrangement featuring the bride's chosen colors of apricot, grey and blue. The bride's cake was a tiered confection with a filigree bridge and stairway featuring miniature bridal attendants dressed in apricot and grey. Crystal punch bowl and appointments were used throughout the reception area. Presiding at the table were Mrs. Andy Smith of Olton, Sheryl McLain and Robin Bowden.

Covered with a grey floor-length cloth with a ruffled flounce, the groom's table featured a fresh arrangement containing a baseball player, one of the groom's favorite hobbies, and

an ACCO Seed cap. Served from the table by Nadine Rice of Canyon and Lisa Herrington of Austin was German chocolate cake, nuts and fruit.

Another table was added to the reception featuring a 45th anniversary cake honoring the groom's grandparents, Mr. and Mrs. Cecil Reagan of Quitaque, who celebrated their anniversary

that day.

Following a honeymoon to Las Vegas, Nevada, the couple will reside near Aiken where the groom is employed by ACCO Seed Company. He is a graduate of Valley High School and West Texas State University. The bride is a graduate of Hart High School and graduated from WTSU with a two-year secretar-

Can Elderly Improve Length, Quality of Life?

How can the elderly improve both the length and quality of their lives? How can they avoid the loneliness and ill health that plague many Americans over 60? How can they avoid massive health care bills that deplete hard-earned life savings?

These are all questions that will be addressed at a leadership conference on health promotion scheduled for July 9-11 in Austin. The conference, entitled "Wellness is Ageless," will be jointly sponsored by the Texas Department on Aging and the Texas Department of Health and will be held at the Wyndham Southpark Hotel at Interstate 35 and Ben White Boulevard.

The keynote speakers for the event will be Texas Governor Mark White and Alice Faye, a popular movie actress of the 1930's and 1940's who is now a full-time advocate for health promotion for the elderly. During her portion of the program, which will begin at 10:00 a.m. Wednesday, July 10, Faye will describe how she has been able to stay mentally and physically at 69 by maintaining a healthy lifestyle.

Appearing with Faye will be Dr. Joseph Novello, also an expert in the field of health promotion. Health promotion is a concept aimed at reducing health care costs by keeping people fit and out of expensive institutional care settings.

O. P. (Bob) Bobbitt, the

Executive Director of the Texas Department on Aging, and Dr. Robert Bernstein, Commissioner of the Texas Department of Health, will also appear on the program. Humorist and folklorist John Henry Faulk will deliver the welcoming remarks.

In addition to the keynote speaker and general session, conference participants and media will have the opportunity to learn about nutrition; physical fitness; mental well-being; injury control; health promotion program planning; proper use of medicines and community networking.

If you plan to stay at the Wyndham while you attend the program, reservations were to have been made by June 18.

CHEESE YOU CAN FREEZE

Recent tests on freezing cheese should be good news for those who would like the convenience of having a stock of their favorite cheeses on hand.

Ten different varieties of cheese proved successful for home freezing in tests reported by the Minnesota Experiment Station, says nutritionist Dr. Dymple Cooksey.

But the success depends on rapid freezing as well as the composition of the cheese, explains Dr. Cooksey, a specialist with the Texas A&M University Agricultural Extension Service.

"The temperature in the freezer should be zero degrees F or lower, and the pieces or packages of cheese should weigh no more than one pound," she advises.

The varieties of cheese that

were successfully frozen and kept in freezer storage for six months in the Minnesota tests were Cheddar, Brick, Port du Salut, Swiss, Provoloni, Mozzarella, Liederkranz, Camembert, Parmesan and Romano.

"The three brands of Blue cheese tested all became crumbly and mealy after freezing," notes the specialist. "But if Blue cheese is to be used for salad or dressings, this would not be a disadvantage and might make the cheese handier to use."

Since the cream cheese in the tests became watery and mealy, it is not recommended for freezing, Dr. Cooksey says.

To freeze cheese, the specialist advises cutting it in pieces no larger than one-pound size or using packaged cheese weighing no more than a pound. Small-size cheeses like Camembert and Liederkranz may be left in their

original package or you can use an overwrap for extra protection.

Any cut cheese, such as wedges of Cheddar, should be closely wrapped in freezer-foil. Press the foil tight with the hands to keep out air. Freeze at zero F or lower, and thaw in the refrigerator.

Potpourri, which means "rotten pot" in French, is a mixture of dried flower petals, herbs and spices, essential oils and natural fixatives. It is used to freshen closets, drawers and rooms.

C & L FOOD

Turkey, Texas

Frances (Sissie) Payne of Quitaque was hostess for a brother-sister dinner honoring five brothers, her one brother-in-law and her one sister, Margie George.

A delicious meal was cooked and served by her mother, Coye Payne, it is reported, at their home at 208 Russell in Quitaque, on Father's Day, June 16, in memory of their husband and father, the late Archie Payne. Mr. Payne died in 1976.

Sissie had a small surprise gift for each brother and sister, including the brother-in-law, Virgil George. She gave each a ceramic mug with the inscription, "Brothers are forever, I'm glad you're mine," and one for her sister which stated, "Sisters are forever, I'm glad you're mine."

Joe David Payne and family and Stan Payne and family took Sissie for a tour of Caprock Canyons State Park where pictures were taken, and they met many other people they had not seen in a long time who were also in the park.

Upon arriving back at the Payne home, they found that their mother and sister, Margie, had made two freezers of ice cream and they had two cakes to serve to end the very special day.

The brothers are Junior Payne of Quitaque, Joe and Stan Payne of Plainview, Henry Payne of Amarillo, Jerry Payne of Marble Falls, and her brother-in-law and sister, Virgil and Margie George of Flomot.

Several local visitors stopped by for a visit during the day, it is reported, ending a good day together.

Mr. and Mrs. Lon McKay of Quitaque accompanied their daughter, Mrs. Bill Lane of Turkey to Albuquerque, New Mexico to visit in the home of another daughter and sister, Mrs. Dean Purcell. They were met there by two of Lon's sisters, Mrs. Molly Chambers of Bakersfield, California and her daughter, Mrs. Wilma Harvey and her two daughters, Jana and Judy. The other daughter is Mrs. Ruby Folley of Wellington, Colorado, and she brought her daughter-in-law, Mrs. Buz (Judy) Folley and her two sons. The group was also joined by a brother and wife, Mr. and Mrs. Cecil McKay of Plainview.

They left Quitaque last Friday and arrived home Monday evening about six o'clock. They stopped in Bovina to visit a nephew of the McKay's who was injured in a car accident about four months ago but he was in Lubbock taking therapy.

The McKays report their son-in-law, Dean Purcell, is recovering well from recent open heart surgery.

Mrs. Truman Merrell loaned a July issue of the Texas Parks & Wildlife magazine to the editor to read an article about J. N. Johnson of Lockney and how he is working with the Texas P&W to build up his land which has been over-grazed and blown away in past years. He has leased many acres from the State of Texas and has put quail, mule deer and turkey, along with some cattle, on all the land. He has put up windmills and built stock tanks over the land. He is not only improving the land, but in the near future, he will reap a

sizeable harvest from public hunting of the wildlife.

The article, along with beautiful pictures, is very interesting. If you have not read it, it is well worth your time to read.

Mr. and Mrs. U. F. Coker and Mrs. Tink Lane visited on Wednesday in Amarillo with Mrs. Jessie Coker. They got to see a cousin, Martha Littlefield from Atlanta, Georgia, whom they had not seen in 26 years. They reported a good visit.

BABY SHOWER GIVEN IN JOUETT HOME SATURDAY

A baby shower was held in the Preston Jouett home Saturday afternoon for Mrs. Dale Wilks and her new baby son, Justin Paul. Hostesses for the shower were Theresa Clinton and Judy Lowe.

Refreshments of cookies, cake and punch were served to the guests. A large array of beautiful and useful gifts were presented to the honoree.

Governor Signs Farmers Land Measure

Sen. Bill Sarpalius said Mark White's signature on the farmers land program measure gives agriculture a chance for a brighter future in Texas. All that remains, he said, is for voters to approve the plan in November.

House Bill 196, known as the Patterson-Sarpalius Act, was approved by voters in 1976. It was sponsored by Rep. P. (Pete) Patterson, D-Brewster, and Sarpalius, implementing a \$500 million loan program to help farmers purchase land on which they farm. The idea is to relieve them of financially wasteful practices by leasing all their farmland.

"Farmers everywhere dream of owning their own land; we're giving them a chance to do it," said Sarpalius. D-Canyon, the long run, that's really the only way farmers are going to get ahead.

"If they keep leasing the land, they're never going to have anything to show for their money they pay. If they own the land, they're building up equity and that means financial security to help you through the tough times," he said.

Sarpalius said the money for the loans would be generated through the state sale of bonds in the amount of \$500 million. The bond sale was proposed through House Resolution 19, also sponsored by Sarpalius and Patterson, which must be approved this November by voters when presented in the form of a constitutional amendment.

"Sometimes voters tend to flinch when they see a figure like \$500 million on the ballot, but don't think they will this year," Sarpalius said. "People everywhere are becoming more aware of the problems of agriculture and we believe they're going to respond at the polls."

Once approved, the program then would be administered by the General Land Office, which also administers the highly successful Veterans Land Program. Sarpalius said Land Commissioner Gary Mauro intends to operate the program in a similar manner.

Low-interest loans would be made available to all U.S. citizens whose primary business is farming and who have yet to accumulate a net worth of more than \$200,000. Though the program is for all Texans, Sarpalius said it is aimed primarily at younger farmers.

"Statistics show that a large majority of the state's farmers are 60-years-old or even older," he said. "What's going to happen to farming when those people retire? If farming in Texas is going to survive as a family-owned enterprise, we'd better start helping our younger farmers get a piece of their own land."

Sarpalius commended White for signing the Patterson-Sarpalius Act bill and also noted that the governor today signed other bills important to agriculture. Those measures—Senate Bill 16 and Senate Bill 1114—relate to highway regulations and their relationship to farm equipment.

Flying fish can glide through the air at speeds up to 30 miles an hour for as much as a quarter of a mile.

**Governor Signs
Farmers Land Measure**

Sen. Bill Sarpalius said Gov. Mark White's signature on a farmers land program measure gives agriculture a chance at a brighter future in Texas. All that remains, he said, is for voters to approve the plan in November.

House Bill 196, known as the Patterson-Sarpalius Act because they were sponsored by Rep. L. P. (Pete) Patterson, D-Brookston, and Sarpalius, implements a \$500 million loan program that will help farmers purchase the land on which they farm. The idea is to relieve them of the financially wasteful practice of leasing all their farmland.

"Farmers everywhere dream of owning their own land; now, we're giving them a chance to do it," said Sarpalius, D-Canyon. "In the long run, that's really the only way farmers are going to get ahead."

"If they keep leasing the land they farm, they're never going to have anything to show for the money they pay. If they own the land, they're building up equity, and that means financial security to help you through the lean times," he said.

Sarpalius said the money for the loans would be generated through the state sale of \$500 million in bonds. The bond sale is proposed through House Joint Resolution 19, also sponsored by Sarpalius and Patterson, and must be approved this November by voters when presented in the form of a constitutional amendment.

"Sometimes voters tend to flinch when they see a figure like \$500 million on the ballot, but we don't think they will this year," Sarpalius said. "People everywhere are becoming more attuned to the problems of agriculture, and we believe they're going to respond at the polls."

Once approved, the program then would be administered by the General Land Office, which also administers the highly successful Veterans Land Program. Sarpalius said Land Commissioner Gary Mauro intends to operate the program in a similar manner.

Low-interest loans would be made available to all U. S. citizens whose primary business is farming and who have yet to accumulate a net worth of more than \$200,000. Though the program is for all Texans, Sarpalius said it is aimed primarily at younger farmers.

"Statistics show that a large majority of the state's farmers are 60-years-old or even older," he said. "What's going to happen to farming when those people retire? If farming in Texas is going to survive as a family owned enterprise, we'd better start helping our younger farmers get a piece of their own land."

Sarpalius commended White for signing the Patterson-Sarpalius Act bill and also noted that the governor today signed two other bills important to agriculture. Those measures—Senate Bill 16 and Senate Bill 1114—deal with highway regulations and their relationship to farm equipment.

It's easy—when you know the answers

All of life is not far removed from the classroom. There are truths to be learned every day. And there are questions to be answered.

But some people don't have the answer when they need it. And some people do...

Any teacher will tell you it's a question of preparation. And any preacher will tell you the same.

The people who go to church on Sunday have no more problems than those who stay home. Nor do they expect as a result to have any fewer.

They believe simply in preparation—preparation of the mind, conscience, heart and soul . . . faith.

This is the preparation God offers men . . . for the questions that will confront us all tomorrow!

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

It's Such a Big World

Some folks say that as we grow older the world grows smaller. Is that because of the wonders of modern communication and transportation? Or is it because when some folks grow older they become preoccupied with their own little orbit of life?

Junior certainly enters life completely preoccupied with himself. But once he begins to walk and talk—gosh how his world balloons!

That's why he needs the religious training our churches provide. His faith must keep pace with his burgeoning world.

And as grown-ups, in worship and Christian devotion, we need likewise the spiritual gifts our churches offer.

For it really is a big world. Full of challenges, opportunities, and promising tomorrows. It always looks that way to a growing soul.

PUBLIC NOTICE

Notice is hereby given that the Board of Review of the Hall County Appraisal District will meet July 12, 1985, at 9:00 a.m. to 12:00 noon in the Memphis Community Center, 721 Robertson Street, Memphis, Texas, for the purpose of determining, fixing and equalizing the value of all real estate, personal property, minerals, industrial and royalty interests in the Hall County Appraisal District for the year beginning January 1, 1985.

All persons having business with the board should contact Hall County Appraisal District Office at (806) 259-2393, 721 Robertson Street, Memphis, Texas 79245, to give notice of intent to meet with the board. 3-2c

CARDS OF THANKS

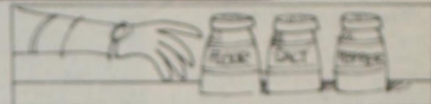

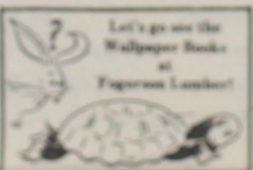

MANY THANKS

Thanks to all our friends who have sent us beautiful cards on our 70th wedding anniversary, and for the phone calls, visits and lovely flowers. May God bless you all.
John and Mayne Adenson

I would like to thank everyone for the flowers, food, concern, cards, money and gifts I received while I was in the hospital and since I've been home. May God bless each of you.
Suzie Taylor 3-1c

I want to thank everyone who has been so good to me while I have been ill and at home. Thanks to everyone who has brought food, washed the dishes, sent cards, and every thoughtful thing that has been done for me. Thanks to the ladies at the First Baptist Church Sunday School class who sent the card. Everything has helped me to be up again. May God bless each of you.
Dora Hawkins 3-1c

Bread in Scotland is often made of barley meal and is called an oatcake or haddock.

Coating food with flour can be easier if you use a flour-filled salt shaker.
