Mrs. McWilliams Is Candidate for Briscoe County-District Clerk

Bess McWilliams this week announces her candidacy for the office of County and District Clerk of Briscoe County, subject to the Democratic primary in May, 1974.

In her announcement, Mrs. McWilliams made the following statement: "I feel that I need little introduction to the people of this county. I have lived in the county since 1937 and have worked in the County and District Clerk's office for over ten years.

"I have no elaborate promises to make if elected. My pledge is to give you efficient, honest and courteous service.

"I will try to see each of you before the election, and would like to take this opportunity to say any consideration given me in this campaign will be sincerely appreciated."

Smith Infant Buried Here December 27

Funeral services for Darrell Smith, infant son of Mr. and Mrs. Jerry Wayne Smith of Silverton, were conducted at 2:30 p.m. Thursday, December 27 in the Silverton Cemetery.

Officiating was Earl Cantwell, minister of Rock Creek Church of Christ. Burial was in the Silverton Cemetery with arrangements by the Silverton Funeral Home.

The child was stillborn at 10:00 p.m. Wednesday, December 26, at Swisher Memorial Hospital in Tulsa.

Survivors include the parents and grandparents, Mr. and Mrs. Dud Watters of Silverton and Mr. and Mrs. Charles Smith of Amarillo.

Mrs. Pavlicek Not To Seek Re-Election

TO THE VOTERS OF BRISCOE COUNTY:

I have given a great deal of thought and consideration to the matter of announcing my candidacy for re-election to the office of County and District Clerk, and have decided that I will not seek re-election.

My Deputy Clerk, Mrs. Bess McWilliams, has advised me that she intends to make her announcement as a candidate for the office, and under these circumstances I feel that it would be to the best interest of all concerned if I decline to run for re-election.

I have thoroughly enjoyed my years in the office as your County and District Clerk, and am deeply grateful to all of you for your consideration and cooperation.

Of course, I will still be your Clerk for the year of 1974, and will be looking forward to serving you to the very best of my ability, just as I have always tried to do in the past.

Sincerely,
Bertha Pavlicek

Spending the Christmas holidays with their parents, Mr. and Mrs. D. M. Gilbert, Flomot, were Dr. and Mrs. Jerry Gilbert, Gary and Jeremy of Jacksonville, Alabama; Mr. and Mrs. Leland Heiskell and Christi, Dalhart, and Mr. and Mrs. Neal Blanton of Irving.

Mr. and Mrs. Lee Seymour drove to Oklahoma City December 21 for the graduation of their son, David, from United Electronics Institute. David is an electronics technician and is employed by Texas Instruments at Lubbock.

Showdown Comes To Girls Of District 2-A

Sale Of Meacham Grocery Marks End Of An Era In Turkey

The sale of Meacham Grocery to Bud and Darrell Couch last week ended one of the oldest firms in years of service in this area.

Paul Meacham, who has owned Meacham Grocery (except for a five year period when he was connected with the bank at Turkey) since 1937 said that his father, the late J. H. Meacham, went into business in Turkey in 1915, and since that time some member of the family has owned the firm. The first store, of course, was a general store, not devoted to food alone, but handling just about everything a family needed in the way of food, clothing, hardware, etc.

Mr. Meacham and Drew Holcomb, who has operated the meat market at the store, express their appreciation in an advertisement elsewhere for the patronage given them down through the years. They wish Bud and Darrell Couch the best of luck as their successors in the business.

The Couch brothers are not strangers to Turkey residents as both of them are former residents of Turkey. Bud Couch is presently operating a grocery store at Silverton and will continue the operation of that store as well as the one at Turkey. He will be spending most of his time in the Turkey store until Darrell, who is a mail carrier in San Diego, California, can wind up his business affairs there and move back to Turkey. They invite all of the Meacham Food Store customers and all other area residents to come by and let them take care of your grocery needs.

Turner Youth Is Buried at Lubbock

Funeral services for the 14-year-old grandson of an Amarillo woman who was killed Monday in Rome, Italy, when Arab terrorists blew up a Pan American World Airways jetliner, were conducted in the Sanders Funeral Home Chapel in Lubbock.

The youth, Russell Wayne Turner, was the grandson of Mrs. Estelle Turner of Amarillo.

He was one of 31 persons killed after the terrorists boarded the plane at Rome's Leonardo da Vinci Airport following a shooting spree with machine guns inside the air terminal.

He was the son of Mr. and Mrs. Wiley Turner, former Lubbock residents who now reside in Saudi Arabia, where Turner is employed by an oil company.

The youth was en route to Saudi Arabia to visit his parents for the Christmas holidays when the attack occurred.

He was a student at the Calvert Dyslexia Clinic at Albuquerque. The school is for children with vision problems that hinder reading abilities.

The youth was buried in Resthaven Memorial Park at Lubbock.

Other survivors include a sister, another grandmother, and several aunts and uncles, including Malcolm Turner of Flomot and Lejeune Turner of Dumas, formerly of Flomot.

CHARMAINE FUSTON

FAVORITE STUDENTS PICKED AT CLARENDON COLLEGE

Students at Clarendon College elected Pam Gattis of Irving and Joe Perrin of Adrian as Mr. and Miss Clarendon College for 1973-74.

Other personalities selected included Most Dependable Woman on Campus, that honor going to Miss Charmaine Fuston of Turkey.

Sharon Jarrett of Silverton and Herman Brown of New York were selected as Most Athletic.

Mrs. Eva S. Martin Buried At Flomot

Funeral services for Mrs. Eva S. Martin, 73, a Plainview resident 14 months, who died Sunday at the Heritage Home, were conducted in the Lone Star Baptist Church.

Officiating was the Rev. David Hartman, pastor of Earth Baptist Church. Burial was in the Flomot Cemetery by Carter Funeral Home.

Mrs. Martin, born in Coryell County, came to Plainview from Tucumcari, New Mexico. Prior to that, she was a long-time resident of the Flomot and Lone Star areas.

Survivors include her husband, Mark; two sons, Edsel B. of Etter and Virgil of Tucumcari; a daughter, Mrs. Bob Merrill of Lone Star; two sisters, Mrs. Iva Bird of Mercedes, California and Mrs. Pearl Barrett of Llano; 10 grandchildren and 10 great-grandchildren.

OPEN HOUSE TO BE HELD JANUARY 13

The children of Mr. and Mrs. C. A. Hodges of Fritch are honoring their parents with open house in Amarillo at 4722 Princeton on Sunday, January 13, 1974, from 2:00 to 5:00 p.m. in observance of their Golden Wedding Anniversary. Mrs. Hodges will be remembered here as Beula Simpson of Gasoline, where she attended school in the early 1920's.

Beula Brogdon and Lea Tiffin were married in a double wedding ceremony January 1, 1924. The men were cousins. Mr. and Mrs. Tiffin are celebrating their 50 years in Escalon, California.

Mrs. R. E. Butler and Mrs. Marvin Randall and Brenda visited recently in Amarillo.

School Hours To Change At Valley High Next Week

Supt. Loran Denton has announced that starting next Monday, January 7, classes will begin at 9:30 a.m. and school will be dismissed at 4:40. Daylight Saving Time is scheduled to start January 6 and Mr. Denton stated that some of the students who attend Valley that live the greatest distance from the school would have to be up and leaving home before daylight if the new hours were kept as usual.

By setting class back an hour, the students will actually be at school the same hours of daylight.

Ernest O. Stewart Buried At Turkey

Funeral services for Ernest O. Stewart, sr., 80, of 102B Cottage Drive, Hereford, who passed away in the Deaf Smith County Hospital at Hereford, were conducted at 2:00 p.m. Wednesday, December 26, 1973, in the First Baptist Church in Turkey with the Rev. J. T. Bolding, retired Baptist minister from Lubbock, and the Rev. Dewitt Seago, Chaplain of Kings Manor at Hereford, officiating.

Burial was in Dreamland Cemetery at Turkey under the direction of Seigler Funeral Home of Turkey.

Mr. Stewart was born in Ladonia, Texas and was a resident of Paducah for 36 years. He moved to Lubbock in 1943 and resided there until 1966 when he moved to Clovis, New Mexico, living there until 1972 when he moved to Hereford and made his home until his death. He was married to Miss Dixie Seawright June 17, 1922 at Greenville, Texas. He was active in the First Baptist Church and was a member of the Lubbock Lodge 486 of the Knights of Pythias. He was very active in all phases of his life until his recent illness.

He is survived by his wife, Dixie of the home; a daughter, Mary Beth Adamson of Turkey; one son, E. O. (Doc) Stewart, jr. of Clovis, New Mexico; six grandsons and three great-grandchildren; one sister, Mrs. Mabel Brown of Paducah; one brother, G. B. Stewart of Fielton, Texas.

Pallbearers were three grandsons, Rod and Rex Adamson of Turkey and Mark Stewart of Clovis, New Mexico, and three nephews, Jack Howell and Edward Dunn of Lubbock and George R. Stewart of Fielton, Texas.

Relatives and friends who attended the funeral from out-of-town were from Fort Worth, Dallas, Houston, Lubbock, Childress, Big Spring, Paducah, Clovis, Hereford, Levelland, Seagraves, Quitaque, Littlefield and Abilene.

The leadership of District 2-A for the girls basketball team will be put on the line here Thursday night as basketball action resumes following the holiday break, when Claude invades Patriotland.

The Valley girls and Claude girls are both undefeated in District play and if the Valley girls, who have already defeated tough McLean, can win over Claude, then Valley, the defending district champs, will be a very definite favorite to win the title again in this district.

The Valley boys will be out to keep their hopes alive for a shot at the district crown. Currently 2-1 in district competition, the Patriots have surprised a lot of people thus far. The Patriots, with practically the same team as last year, were able to win only two games last year and to date the Patriots have won 10 games and lost 7 for the season. The Patriots (girls) are 15-2 with both losses coming at the hands of Canyon.

Saturday night the Valley teams play host to Wheeler in a double-header, A boys and A girls only.

Tuesday night of next week the teams go to Wellington for three games beginning at 5 o'clock and Friday night of next week Valley will wind up the first round of district play when Silverton comes to Valley.

Saturday night of last week the Valley teams drove to Matador for a four-game series with both A and B boys and girls playing.

The varsity girls took a narrow three-point 37-34 win over the Matador girls, and the Patriots upset the Matadors 65-60.

Pyron Rites Held At Flomot Friday

Funeral services for Mrs. Mary Elizabeth Pyron, 80, who died at 9:20 p.m. Tuesday in Central Plains Hospital in Plainview following a 12-day illness, were conducted at 10:30 a.m. Friday in the Methodist Church in Flomot.

Officiating was the Rev. Luther Baker of Sundown. Burial was in Flomot Memorial Park under the direction of the Quitaque Funeral Home.

Born in Collins County, she had been a resident of Flomot since 1910. She had been married to the late M. J. Pyron.

Mrs. Pyron was a member of the Order of the Eastern Star and Rebekah Lodge of Quitaque. She was a member of the Methodist Church in Flomot.

Survivors include two sons, Otis Crowell of Brazosport and J. R. Crowell, jr. of Flomot; a daughter, Mrs. W. L. Nall of Hereford; a brother, J. A. Watson of Quitaque; four sisters, Mrs. Ike Reed of Flomot, Mrs. Cora Sutton of Bandera, Mrs. Luna Reeves of Bakersfield, California and Mrs. Martha Stephens of Midland; eight grandchildren and two great-grandchildren.

Mr. and Mrs. James McBee of Amarillo were hosts for a family dinner on Christmas Day. Guests were James McBee, jr., Quitaque; Mr. and Mrs. Dale McBee and children, Amarillo; Mr. and Mrs. Howard Fithen, Washburn; Mrs. N. G. Smith, Amarillo; Mr. and Mrs. Neal Smith, jr., and daughters, Floydada; Mr. and Mrs. James Kimbell, Mrs. Ruby McAlvey, Quitaque; Belinda, Cynthia and Jeff Mabry, Tulla. Howard Smith of McLean was an afternoon visitor.

Tops Gilreath Seeking Re-Election As Superintendent

Miss Tops Gilreath this week authorized The Valley Tribune to announce that she was a candidate for re-election to the office of the County School Superintendent of Public Instruction subject to the action of the Democratic primaries. She made the following statement to county citizens:

To the HaH County Voters, Patrons and Friends,

It has been a genuine pleasure to serve you as County Superintendent of Schools this term and I want to thank you, the good people of Hall County for your splendid cooperation and support. And, may I take this method of expressing my gratitude and heartfelt thanks for the privilege of serving you? As I have often stated, "there are no finer people anywhere." It is with an humble spirit that I announce to you my candidacy for re-election, and ask your continued support, vote and influence in the coming primary. I have appreciated the friendship, the cooperation and loyalty you have provided in our county schools. It has been my good fortune the past year to serve on the board of the Out Reach Clinic and recently I have been appointed to the Board of Mental Health and Mental Retardation comprised of Hall, Donley, Collingsworth and Armstrong counties and through these boards various services have been given to Hall County children and adults, and more and more services will be set-up in the future. Then, this past summer the Summer Youth Employment Program for the school youth was handled through our office of County Superintendent. This provided several jobs in the four high schools for girls and boys during the summer months. The program was secured through the cooperation with the County Judge and the local School Superintendents.

Our schools the past eleven months have also been fortunate in securing a Nurse for Hall County Schools funded 90% by the Emergency Employment Act and 10% by the schools in the county and the program is sponsored through this office of County Superintendent. Progress has been made in the health and general welfare of our school children by having a County Nurse to render many, many valuable services. The knowledge that through this office we have helped local superintendents, principals, teachers, parents and trustees perform services in the field of education for the youth of Hall County is indeed very gratifying. The harmonious relationship that has been evident among the educators of this county has also been appreciated, and the assistance, the time, influence, etc., the several organizations, the interested citizens of the community, county and city government officials have rendered in securing the school projects mentioned in above paragraph has been very notable and well worth the effort. They are all appreciated, and as a result our schools and communities have benefitted.

I assure you it has been a pleasure to work hard at the job trying to serve you; to be faithful to the duties of the office, and it is our aim every day to keep constantly on the alert for better and different ways of giving needed services to you, your children, the schools and the communities. This office is ready and willing at all times to perform any duty or any act that you may need or may ask us to perform, and we feel as a county official we owe it to you people to do that in a courteous and efficient manner. I try my best to do that.

I believe the experience I have had will enable me to do a better

job this coming term for all the county schools, and serve as the link between our local school units, our people and the state for consultation and assistance. I hope to see each of you again and thank you personally if it is permitted during the fuel crises, but in the meantime I want to solicit your vote and influence for re-election to the office of County Superintendent of Schools. Respectfully submitted, Tops Gilreath

Re-Election Sought By County Com.

I want to thank all of you for your support in the past. I have enjoyed working with the people and with my past experience, I feel I can do an even better job now.

I will appreciate your continued support in the coming election.

Briscoe County Precinct 2

Junior High Girls Win Two Big Ones

On Thursday night before the holidays the Junior High girls and boys from Paducah came to play in the Valley Gym. The girls won two big ones with the Seventh Grade winning by the score of 67-1 and the Eighth Graders winning by the score of 62-7. The Paducah boys were a different story, however, with their B team winning over Valley 41-27 and the A team taking a 49-29 victory.

In the Seventh Grade girls game all players got a chance to play on both ends of the court and all except two guards were able to score. Peggy Shannon led the way with 26 points, Brenda Coker had 8, Paula Lipscomb 7, Carla Myers 6, Leandra Campos, Maria Valdez and Laura Fuston got 4 each, while Linda Coker, Jacquelyn Reed, Jana Boyles and Jon Etta Peery all had 2 points. Jana Smith and Bena Patrick did not score but played well on both ends of the court.

The B team boys were up against one of the best ball handling teams for their size Valley has played. Larry Curry got 11 for the Patriots. Jeff Crump had 8, Vance Price 4 and Otis Holman and Wade Proctor each got 2 points.

When the A team girls took the court, the Valley girls lived up to their expectations with the guards Cawley, Eudy, Dossey, Crump and Edmonds holding the Paducah forwards to zero field goals and only three free throws the first half while the forwards were able to rack up 42 points on the other end of the court. The second half saw the guards doing a good job at the forward positions and the forwards doing the same playing as guards. Sherice Price had 22 points, Joan Turner 18, Jill Eudy 10, Marlene Cawley 8, Mary Scoggins and Sonda Edmonds 2 each.

Again the story was different when the boys A teams took over. Although the Patriots were playing shorthanded with Dave Patrick, Jesse Ferguson and Kenny Chandler all out, the Dragons had a very fine team in both size and ball handling. Kenneth Helms and Jeff Crump each had 9 points to lead the Patriots, Kirk Proctor had 4, Darrell Dowd 3, Vance Price 2, Wade Proctor, Greg Ramsey and Larry Curry each had 1.

These boys and girls will not play at home again until January 24, when they will meet the Clarendon teams. Everyone come out and see them in action as they appreciate your support and interest.

Mr. and Mrs. Eddie Maupin of Farmers Branch and Fara Maupin of Lubbock visited over the Christmas holidays with her parents, Mr. and Mrs. Jack Lacy.

New Year Begins New Era For Farmers

Beginning with 1974 the Briscoe County ASC Committee, which takes office January 1, will start administering the new farm legislation.

Committee members as this new era for agriculture begins are Louie Kitchens, chairman; Wayne Whittington, vice-chairman, and Ray Teeple, new member for a three-year term.

Target price programs for wheat, feed grains and cotton were included in the Agriculture Act of 1973 and will first apply to 1974 crops. The legislation sets national farm policy for 1974 through 1977 crops.

Since the target price law frees farmers to produce without restriction in answer to market demand, it is a turnaround from previous legislation. Target price legislation guarantees a minimum return for a producer's normal production on his allotted acres, but offers neither incentives nor restrictions on additional acreage.

Wheat, feed grains and cotton are the only crops now under target price legislation; however, considerable discussion is being heard around the country about target prices for some commodities now under restrictive-type programs, such as peanuts, rice, extra-long-staple cotton and sugar.

Whenever possibilities for new farm programs are under heavy discussion, local ASC Committees and employees get a lot of questions. They don't have answers for a lot of them, because their job is

to administer the programs that are on the books now. They can answer questions about programs in existence now, but they can't speculate about possible future programs.

USDA Tells Funding For 1974 Water Bank, Rural Environmental Program

Washington, Dec. 26—The U. S. Department of Agriculture (USDA) today announced the operation and funding for fiscal year 1974 of the new Rural Environmental Conservation Program authorized by the Agriculture and Consumer Protection Act of 1973 and the Water Bank Program.

Total funding level for the two programs, the Department said, will be \$100 million. RECP will receive \$90 million and Water Bank \$10 million.

RECP is a new program which carries forward some features of the old Rural Environmental Assistance Program but with increased emphasis on tree planting in states and counties to be designated. Annual cost-share agreements will be used as well as phasing-in of the Title X Authority in the Farm Act which authorizes the Secretary to enter into long-term cost-share agreements with landowners to es-

tablish conservation practices. These programs will help landowners establish and follow recommended permanent type conservation practices while farmers are being called on for all-out production to meet consumer and export needs.

Water Bank continues a program established by Congress in 1971 providing agreements with owners and operators of eligible wetlands in important migratory waterfowl nesting and breeding areas. Participants agree not to drain, burn, fill, or otherwise destroy the wetland character of such areas.

The Agricultural Stabilization and Conservation Service will administer the cost-share agreements through its farmer-elected committee system, in close cooperation with other agencies of USDA. Planning, technical and educational assistance will be provided by Soil Conservation Service, Forest Service, Extension Service, and State Forestry Agencies.

Program details will be announced soon.

Feedlot Waste Has Value As Fertilizer

Throughout recorded history the use of animal waste has made an important contribution to domestic agriculture. Within the last few decades commercial inorganic fertilizers have come into prominence as a source of plant nutrients. Without doubt commercial fertilizer will retain this position but since their price is increasing and inadequate supplies are in prospect it is time to take a new look at feedlot waste as a source of plant food.

The USDA Southwestern Great Plains Research Center at Bushland has been studying the effects of feedlot waste since 1968. Their chemical analyses of material from 23 feedlots show that on an average 10 tons of manure contains 268 pounds nitrogen, 244 pounds P 205 and 360 pounds K 20. These values are much higher than those previously reported for barnyard manures. The material varied in nitrogen content with extremes being 226 and 392 pounds of nitrogen in ten tons.

Ten to 15 tons applied anytime after harvest and just ahead of cultivation is generally adequate for high yields of irrigated sorghum or corn. Additional commercial fertilizer is not likely to be needed.

LOCAL FOLK ENJOY CRUISE

Mr. and Mrs. Orlin Stark and Mr. and Mrs. J. T. Persons left Quitaque November 25 on a 12-day adventure, ten of them on the high seas, which was something for landlubbers.

The couples left Amarillo, flying to Miami, where they spent the night in the beautiful Hotel Sheraton Four Ambassadors. The next morning they took a bus trip up the Florida Coast, through Miami Beach to Fort Lauderdale and Port Everglades, where they went aboard their Cruise Ship, the New Amsterdam, leaving at 5:00 p.m. Sunday.

The Nieuw Amsterdam is a Holland America Liner, the largest in service. This was the second last cruise for this ship, as it was to have been retired from service after one more cruise. The reason given for retiring the ship was that it was so large and required a crew of 500 and carried 800 passengers. It was about 800 feet long, from bow to stern, and a mile long when you made 4½ trips around the Promenade deck. There were 10 decks with outstanding service from early morning coffee on Lido deck to meals in a massive and beautiful dining room that seated more than 500. Mid-morning and afternoon buffets and also another at 11:00 in the evening. The food was excellent and required a lot of laps around the Promenade deck. The cabins were very nice, all the conveniences, and a room steward who performed service around the clock.

The ship had its own doctor and nurses, a complete hospital, drug store, gift shops, a theatre for picture shows and other meetings and the Grand Ball Room which was used for live entertainment from talented artists.

On leaving Port Everglades, they cruised for three nights and two days in the Caribbean Sea. The first stop being in Willemstad, Netherlands Antilles, at noon. They went ashore for a bus tour of the Island where the second largest oil refinery in the world is located, the Dutch-Shell plant. This is the home port for the New Amsterdam, and one of two ports that could accommodate the ship. At other points, passengers went ashore on tenders.

The next stop was at LaLuaira, which is the port city of Caracas,

Holiday visitors of Mr. and Mrs. Gordon Bain were Mrs. C. S. Boston of Pampa and Mr. and Mrs. Billy Jo Turner and family of Lockney.

Those visiting with Mr. and Mrs. Charles Hamner and family over the Christmas holidays were Mr. and Mrs. Charles Hamner and Brittany of Rawlins, Wyoming, Mr. and Mrs. Bobby Hamner of Canyon and Mrs. C. H. Hamner of Quitaque.

Venezuela. There they boarded buses for the fifteen mile trip into Caracas over a modern super highway. Caracas is a fabulous city. Venezuela is rich in oil and other minerals and the government has spent billions of dollars on public buildings. It is a city of very rich and very poor, the poor living in "rancheros" on the slopes of the mountains, having no electricity, with water carried up the slopes. A highlight of this stop was a cable car ride to the top of a mountain where one could see Caracas below and the Caribbean Sea on the other side.

The next stop was on the English Island of Grenada, a poor, tropical island growing bananas, coconuts, guava, etc. and of course, their small cars had right-hand drives, and they drove on the left side of very poor, rough roads.

From there they went to the French Island of Guadalupe, for a short tour in and around Pointe-à-Pitre, sugar cane plantations, rum mills. They stopped on American St. Thomas Virgin Islands, a beautiful harbor and city with a stop at Bluebeard's Castle. On all the islands there was no fresh water supply, and water was expensive, being distilled from sea water.

Leaving the Virgin Islands, the New Amsterdam swung out into the Atlantic Ocean for the two day trip back to Florida. The sea became pretty rough and a lot of the passengers became sea sick, including Jo Persons. It was so rough that a number of the crew were sick also. Even if Jo was ill, she reports a wonderful 10 days. On the plane trip back there was a 3-hour layover between planes in Dallas, and the group was met by Tad, Barbara Jo, Jenny and Susan, children and grandchildren of the Persons, for a short visit.

They arrived back in Amarillo about 8:00 p.m. on Thursday, December 6, 1973, reporting a memorable trip.

Scientists Say That Animal Manure Can Be Converted into Oil

Scientists at the Pittsburg Energy Research Center of the U. S. Bureau of Mines say animal manure can be converted into oil because they have done it by heating the animal waste under pressure with carbon monoxide. One ton of dry waste can be converted into three barrels of oil. If all animal waste could be collected and converted, the result would be about 2.45 billion barrels of oil per year. This would satisfy about half of this country's present need.

Hey! Mr. Employer! Do You Know About New Law?

Here is a message of vital importance to every employer in the State of Texas, brought to you as a public service by your local Independent Insurance agent who is a member of the Texas Association of Insurance Agents. Effective January 1, 1974, the Workmen's Compensation law has been amended to apply to business and professional organizations which have one or two employees. Here is the report: The 1973 Texas legislature enacted S.F. 283 which made many substantial changes in our Workmen's Compensation law. We'd like to call one of these to your attention.

For practical purposes, ALL employees in this state except "domestic servants or casual employees engaged in employment incidental to a personal residence, farm laborers, (or) ranch laborers..." should now be protected by Workmen's Compensation insurance, or the employer loses his common law defenses if the injured worker sues him. Formerly you had to have at least three persons on your payroll to be affected. But beginning on January 1,

1974, employers with one or two employees will be brought under the terms of the Workmen's Compensation Act. The question that probably occurs to you at this point is: What if I as a small employer fail to carry Workmen's Compensation insurance? Well, if you don't and one of your employees is injured, he has the right to sue you and will almost certainly be awarded damages. (Your liability doesn't cover either the legal costs in such a case or the court judgment.)

By being uninsured the three so-called common law defenses against a suit by an injured employee can't be asserted in court.

These are:
The Fellow Servant Rule (The injury was caused by another employee.);
Assumption of Risk (The injured worker knew job conditions were dangerous and assumed the risk.);
Contributory Negligence (The injured person was partially at fault himself.)

We are sure that you want to protect yourself and your employ-

ees, so let's take a brief look at some of the Workmen's Compensation benefits.

WEEKLY COMPENSATION

9-1-73 9-1-74
Weekly benefits equal to 66 2/3 percent of average weekly wage subject to:

Maximum — \$63.00 \$70.00
Minimum — \$15.00 \$16.00

Fatal Injuries:

Unlimited Unlimited or until remarriage, then 2 years lump sum:

Maximum — \$6,552.00 \$7,280.00
Minimum — \$1,560.00 \$1,664.00

Children benefits payable to age 18, and beyond in some instances:
Various Various

Or to other legal beneficiaries:
360 weeks

Maximum — \$22,680.00 \$25,200.00
Minimum — \$ 5,400.00 \$ 5,760.00

Disability:
Permanent Disability—401 weeks:
Maximum — \$25,263.00 \$28,070.00
Minimum — \$ 6,015.00 \$ 6,416.00
Temporary Disability—300 weeks:
Maximum — \$18,900.00 \$21,000.00

Minimum — \$ 4,500.00 \$ 4,800.00

Medical Benefits:
Unlimited as to time and amount. Employee now has sole right to select doctor of facilities to furnish medical and hospital services.

Waiting Period:

Waiting period before payments begin is 7 days. Should disability continue beyond 28 days, payments shall be retroactive to date of injury. Keep in mind that if you have at least one employee, you yourself are then eligible to be covered, and if your spouse works with you as a co-owner he or she may also qualify for this valuable protection—even if no salary is paid. Also, the owners of an unincorporated firm regardless of size may now be included under the Workmen's Compensation insurance they presently carry. Since it sometimes takes awhile to obtain Workmen's Compensation insurance for a small employer, please contact us immediately.

Don't depend on the mercy of a court to protect your business assets.

DUNCAN COMMENDED

USS Coontz (FHTNC) Dec. 13—Navy Machinist Mate Third Class George C. Duncan, jr., son of Mr. and Mrs. George C. Duncan of Quitaque, was commended as a crewmember of this guided missile frigate for his efforts as part of the U. S. Sixth Fleet task force in the Mediterranean during the latest Middle East crisis. The powerful force stood ready to evacuate American citizens from danger areas and to back up our government's diplomats as they helped negotiate a cease fire.

A former student at Texas Tech University, he joined the Navy in May 1971.

Seven Accidents Reported In County

The Texas Highway Patrol investigated seven accidents on rural highways in Briscoe County during the month of November, according to Sergeant J. R. Smith, Highway Patrol supervisor of this area.

These crashes resulted in four persons injured and no one killed. The rural traffic accident summary for this county during the first 11 months of 1973 shows a total of 49 accidents resulting in two persons killed and 22 persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for November, 1973 shows a total of 606 accidents resulting in 25 persons killed and 349 persons injured as compared to November, 1972 with 504 accidents resulting in 14 persons killed and 265 persons injured. This was 22 more accidents, 11 more fatalities and 84 more injured in 1973 at the same period of time.

Those visiting in the home of Amy E. Davis Christmas week were Mrs. Opal McKnight of Pampa; Mr. and Mrs. Oneal Davis of

Telephone Bills To Decrease In January

Telephone bills will reflect a one per cent decrease for the second year beginning in January. The reduction is the second scheduled step to eliminate the Federal Excise Tax paid by telephone customers and collected by telephone companies on telephone service. The tax was reduced during 1973 from 10 per cent to 9 per cent and will be reduced to 8 per cent during 1974.

The Federal Telephone Excise Tax was first passed as a "temporary" tax during the Korean Conflict in 1953. It was an easy tax to assess, even easier for the government to collect since telephone companies did the collecting for the government free of charge. Despite continuing efforts to remove the tax, felt by many to be unfair, it has continued since the end of the Korean Conflict.

The tax is levied on both local telephone service and long distance calls.
