Local School Board Elects Teachers For 1959-60 School Year

The Clarendon School Board met in a special meeting last Thursday night, March 26, for the purpose of electing teachers for the Clarendon Public Schools and Junior College for the 1959-60 school year.

Superintendent of Schools and President of the College, W. W. Pinkerton, who is completing his fourth year as head of the local system, was given a new two-year contract. His present contract was to expire on Aug. 1, 1960, but the new contract will extend that time until Aug. 1, 1961. Dean of the College, Oliver J. Abel, High School Principal Kenneth D. Vaughan and Elementary and Junior High Principal Stina Cain were all given new one-year contracts.

Teachers who were re-elected for next year include elementary teachers Mrs. Nova Mears, Mrs. Hazel Brandon, Mrs. Wilma Batson, Mrs. Virgie Johnson, Mrs. Mildred Hendrix, Mrs. Evelyn Guy, Mrs. Margaret Williams, Mrs. Naomi Gilbreath, Edgar Mae Mongole, Mrs. Floyd Barrow, Mrs. Zola McDonald and Mrs. Velma Weaver. Junior High teachers include Inez Blankenship, Mrs. Frances Cooke, Mrs. Anne Kennedy, Mrs. Clara Gillham, Johnny Leathers and J. R. Williams.

The High School and College teachers re-elected were Mrs. Anna Ruth Thomas, Mrs. Lucile Naylor, Mrs. Gladys Seago, D. E. (Buddy) Travis, Weldon Day, W. W. Cooper, Gladys Burnham, Mr. and Mrs. Harold D. Bier, Dorothy McCowan, Jerry Hawkins, Mrs. Velma Bourland, Mrs. Sue Shields, Mrs. Claudine Todd, Tom Jinks, Roy Young, Roy Lewis, Willard Edgett and Guy Yates. The board accepted the resignation of Charles C. Ladd.

John Gillham, Vocational Agriculture teacher, had resigned earlier his position as agriculture teacher. He was elected to teach mathematics in high school to fill the vacancy created by Mr. Ladd's resignation.

The election of the North Ward Elementary (colored) teachers was postponed for a few weeks.

HEDLEY METHODIST CHURCH TO HOLD SPECIAL SERVICES

Five special services are to be held in the Hedley Methodist Church next week, April 6-10. These services are to begin each evening at 8, and will be preceded by a youth meeting. Speaker on each of the five evenings is Rev. David W. Binkley, now in his third year as pastor of the Memphis Methodist Church. The general public is given a cordial invitation to take part in the services and hear Rev. Binkley.

Funeral Services For Mrs. Behrens Held Saturday

Funeral services for Mrs. Frances Stella Behrens were held at 4 p.m. Saturday, March 26, at the First Baptist Church with the Rev. L. A. Sartain, pastor of the First Baptist Church, Friona, officiating.

Mrs. Behrens died at her home here Thursday evening. She was 51 year old and had lived in Donley County for 41 years and in Clarendon the past 10 years. She was a member of the First Baptist Church of Clarendon. She and the late Mr. Behrens were married at Grand Prairie, Texas, November 29, 1894.

Palbearers were Billy Jack Land, Glenn Churchman, G. W. Brandshaw, Alvin Landers, Virgil Jordan of Friona, and Norris Spurgeon. Burial was in Citizens Cemetery with Murphy Funeral Home in charge of arrangements.

Surviving are three daughters, Mrs. Emma Waggoner of Claude, Mrs. Ruby McKee of Hedley, Mrs. Nan Jones of Clarendon; four sons, Charles J. of Mission, Orgie T. of Seattle, Wash., F. L. Jr. of Houston and Truett of Clarendon; one sister, Mrs. Clyde Taft of Dallas, 20 grandchildren and 26 great-grandchildren. Mr. Behrens preceded her in death, November 27, 1957.

Public Invited To Hear Winburn Talk On Weather

Residents of this entire area are invited to attend a program at the Mulkey Theatre next Tuesday afternoon, April 7th that will be devoted to the weather. The program will be free of charge and the local Coca-Cola Bottling Co. will serve free Cokes to all present. Time for the program is 2 p.m.

H. C. Winburn, head of the Amarillo Weather station, will speak on the weather and the coming storm season. He will also show a film on weather conditions including storm clouds and tornadoes. If you want first hand information on what to look for when the weather gets stormy, then make your plans to come to this weather program.

Mr. Winburn will also speak to the members of the local Lions Club at their regular luncheon next Tuesday.

FARM NEWS

from the County ASC Committee

Wheat Measurement

Several farms are over-planted on wheat this year and the final date of disposing of the excess wheat is May 10th. Producers are encouraged to report to this office as soon as the wheat is destroyed and ready to be checked. A visit will be made to the farm to check the disposition of excess wheat without charge.

Conservation Reserve

Farmers with Conservation Reserve Contracts that have not established an approved cover are reminded that an approved grass must be planted on the land. Please come to the ASC office at your earliest convenience and tell us what kind of grass you intend to plant.

ACP Programs

Do you have a soil or water conservation problem on your farm or ranch? Can you economically justify correcting the problem or if practical, can you afford not to correct the problem in order to maintain use of the land in the future? How many of the present fields and pastures have ditches, gullies, sandy blowing areas, or other erosive features that were not present 5, 10 or 15 years ago and that could have been prevented at very little cost? Funds are available, under the ACP program to aid the farmer or rancher in carrying out many of the needed practices available.

Reapportioned Cotton Acres

This office will be in position to advise each farmer the amount of additional cotton acreage he can expect from reapportionment anytime after Tuesday, March 31st. Formal notices will be mailed at a later date.

Wool Program

Those who plan to participate in the incentive wool payment program must file their sales receipts and applications with the county office not later than April 30, 1959. This program applies to shorn wool and unshorn lambs sold between April 1, 1958, and March 31, 1959.

Clarendon High School Band Plays Concerts

The Clarendon High School Band under the direction of Willard Edgett has been making a tour of the surrounding schools around Clarendon and has been presenting a concert at each school.

On March 11 the band played a concert at Claude and Lelia Lake; March 17 the band entered the parade for the Shamrock Celebration, and on the 18th played a concert at Hedley and Quail. March 20th brought the Annual Band Banquet and on March 25th the final concerts were given at Turkey and Silverton.

The next trip the band is to make will be to Canyon for the Interscholastic League Music Festival. A total of 42 students will participate.

The purpose of these tours the band has made is to stimulate interest in band and also to act as a public relations organization to bring our schools closer together. These tours were very successful and the performances made by the students very commendable.

The band is also planning two home concerts before school is out.

SPRING RECITAL SCHEDULED FOR FRIDAY EVENING

Mrs. J. N. Weaver will present her pupils of accordion, piano and voice in their spring recital Friday evening at 7:30 in the First Baptist Church.

The public is extended a cordial invitation to attend.

LEADER CLASSIFIEDS GET RESULTS

C.H.S. Graduates Lead Dean's Honor Roll

Seven of the 20 college students who were selected for the Dean's honor roll because they had achieved a 2.6 grade average for the first nine weeks of the second semester, were graduates of the Clarendon High School. Leading the seven Clarendon High School students as well as the 20 from the entire student body was Walton Crain with a 3. average or a straight A grade.

Walton is the son of Mr. and Mrs. W. M. Crain of the Good-night community, and graduated with honors from Clarendon High School in 1957. He is also president of the College student body, a sophomore, president of the Phi Theta Kappa, national honorary scholastic fraternity with a local chapter on the Clarendon Jr. College Campus.

Other Clarendon High School graduates placed on the honor roll by Dean Abel include: College sophomores, Evelyn Chamberlain, daughter of Mr. and Mrs. Will Chamberlain; Edna Beth Finch, daughter of Mr. and Mrs. Richard Finch, Jimmy Carter, son of Mr. and Mrs. A. C. Carter; Bobby Cole, son of Mr. and Mrs. Raymond Waldrop. The two college freshmen graduates of Clarendon High School making the list were: Clifford Beard, son of Mrs. E. O. Barker, and Jimmy Graham, the son of Mr. and Mrs. Doyce Graham.

Area students other than enrollees from Clarendon High School, who were selected by the Dean include: Lyndon Crella, of Wellington, a graduate of Eldorado High School in Oklahoma; Bynum Hightower, of Dodson, whose wife is a teacher in the Dodson Public Schools; Ronald Wayne Cummings, son of Mr. and Mrs. James F. Cummings, and Juanita Adell White, wife of Chester L. White who farms in the Quail community, both of Quail. Ronald is a freshman in college while Juanita is a sophomore and one of the four top ranking students who aspire to become valedictorian of the 1959 class. Leslie Oldham, also a sophomore is the son of W. W. Oldham, Rt. 3, Shamrock, Texas, is a graduate of Samnorwood High School.

David Boliver, son of D. E. Boliver of Hedley is one of the top ranking freshmen scholastically, and Lue Elia Tipton, the wife of Rev. Tipton, pastor of the First Baptist Church of Hedley is a sophomore and another one of the top four aspirants for valedictory honors.

H. D. Yarbrough, son of Homa Yarbrough, a principal in the Claude Public Schools, is a freshman from Claude, who played basketball with the winning Bulldogs this season and proves that winning athletes do not have to forego scholastic honors. Brad Wilson from Silverton has been selected for the first time on the roll. Loyd and Judy Stephens, one of our outstanding man and wife teams attending Clarendon, both made the grade with flying colors.

From far afield to complete the Dean's roll comes Nancy Chalenor, a second year member of the Comets, the daughter of Mrs. J. H. Chalenor, Plano, Texas, and Nancy Young, daughter of Fred C. Young of Winters, Texas. Nancy is a niece of Anita Thurmon of Lelia Lake and resides with her aunt while attending school here. Cheryl Scism, the niece of Mr. and Mrs. D. H. Cox of Hedley, resides with them while attending school, but hails from Deweese, Nebraska. She is another of the top four students vying for top honors come graduation day.

The college and the administration are proud of the achievement of everyone of these 20 students who represent a farflung area being served by this school.

Mr. and Mrs. O. C. Watson spent the Easter holidays with relatives at Hobart, Okla.

Comets Win First Two Games At National Tourney

At last report Wednesday noon, the Clarendon Jr. College Comets were still in the National AAU Basketball tournament at St. Joseph, Mo. after winning their first two games Sunday night and Tuesday night.

They defeated an Atlanta, Ga. team Sunday night 48-39 and Platt College of St. Joseph 37-32 Tuesday night. They were slated to go against the top-seeded team, Nashville Business College at 6 p.m. Wednesday.

Coach Buddy Travis' Comets had more trouble getting its second win, breaking a 25-25 tie with 2:10 left in the third quarter and went on to the five-point victory. This game was described as the most exciting of the tournament so far.

4-H Members Have 21 Calves On Feed

Donley County 4-H Club members now have 21 steer calves on feed for the 1960 shows in Texas says County Agent H. M. Breedlove. There will be approximately 31 steers fed by 4-H Club members this year says the county agent.

Steer calves have been obtained from all over Donley County, the Panhandle of Texas, parts of Oklahoma and New Mexico. Breedlove says that he expects to have all calves on feed by around the middle of April. The steers on feed will probably be shown in all the major shows in Texas next year.

This year has been a rather hard year to get good steer calves due to the high price of bulls and ranchers are holding most of the calves for bulls. Both Herefords and Angus steers will make up the show herd for the 4-H Club members.

Revival Begins Friday At Lelia Lake First Baptist Church

A revival at the Lelia Lake First Baptist Church will begin Friday, April 3rd and continue thru April 12th.

R. L. Self of Orange, Texas will be the visiting evangelist and Frank Claborn of Lelia Lake will be the song director.

Larry Molane, pastor, stated that services would be held twice daily at 10 a.m. and 7:30 p.m. and everyone was welcome to any or all services.

Gold Sox Tickets Available Here

The Amarillo Gold Sox will launch their first season as a member of the Texas League on April 12, when they meet the Tulsa Oilers in Amarillo.

General admission tickets at pre-season prices are available now at Prices Truck Stop in Clarendon.

Books of 10 tickets are \$10 per book and the 20-game ticket books are priced at \$20. Tickets at Gold Sox Park will sell for \$1.25 when the regular season gets underway.

TINY TOT STYLE SHOW NEXT TUESDAY NIGHT

The Tiny Tot Style Show sponsored by the Senior FHA Chapter will be held next Tuesday night at 7:30 in the College Auditorium. Admission will be 20c for children under 12 and 50c for adults.

There will be three divisions in the show: 18 months to 3 years, pre-school children 4 to 6 and the school age group 6 to 10 years. A boy and girl will be picked from each division as a first prize winner. Then, Mr. and Miss Tiny Tot of Clarendon will be chosen from these six children.

Large Vote Expected For School Trustee Election This Saturday

Local Survey Shows Effect Of Auto On School Grades

An attempt is being made by local school officials to determine the reason for an alarming number of failing students. Blame has been placed upon a number of things including inadequate school facilities, poor teacher, poor grade school background and many others; however, it may be that the biggest factor of all, the automobile, has been overlooked. This possibility prompted the survey of 182 students in Clarendon High School to determine just what effect an automobile had on a student's grades. From this survey, Principal K. D. Vaughan found the following:

That 45.1 per cent of the students failing drove a car. While only 20 per cent of the failing students did not drive a car.

There were 80 of the students passing that did not drive an automobile. While only 54.9 per cent of the students that did drive a car were passing.

The survey also pointed out that 92 per cent of the students that participate in sports and do not drive a car were passing. While 48.3 per cent of the students that drive a car and participate in sports were failing. Other organizations (band, FFA, FHA, etc.) were considered in this survey and the results were similar to those found in the case of sports.

This isn't to say that there is anything in the automobile itself to inhibit study, but the combination does seem to prove too much for the student, Vaughn stated. A student simply cannot master the three R's and join all the activities that the automobile places within arm reach, he added.

Perhaps students' ownership of automobiles is not under the school administrator's authority, but these facts should certainly be seriously considered if the automobile is important enough to increase the chances of failure in the students high school career, Principal Vaughan concluded.

Voters To Elect Mayor Next Tuesday

Clarendon voters will have their second opportunity to exercise their right to vote within a weeks time when they go to the polls Tuesday to choose a Mayor for the City of Clarendon. The School Trustee election Saturday of this week should get them in the habit and be a reminder to go to the polls again April 7th to vote for a Mayor.

There are two candidates in the race with H. T. Burton, present mayor, seeking re-election and being opposed by Major B. Hudson.

Be sure and remember to go vote next Tuesday, April 7th. Choose the candidate you think is best qualified to serve as Mayor, and go vote for him as your vote may be the one he needs to get elected.

The election will be held at the City Hall from 8 a.m. to 7:30 p.m.

LICENSE TAG SALES ARE DOWN

The County tax office was still doing a pretty fair business on license plates Wednesday morning April 1 but the total sales so far is quite a bit under the number of tags issued at the same time last year. Up thru Wednesday morning, a total of 1,650 sets of tags had been issued and at the same time last year approximately 2,000 sets had been issued. This gives us a decrease of 350 which indicates a loss by people moving or out-of-county car owners registering in their own county this year.

FIELD ARTILLERY MISSILE—The L-Crosse is another new Army guided missile developed for close tactical support of ground troops. An all-weather weapon capable of carrying highly-effective area type warheads, it will replace and supplement conventional artillery and is air-transportable.

SECOND-GENERATION AIR DEFENDER—The Army's Nike Hercules guided missile, successor to America's first operational air defense missile, Nike Ajax, is on site guarding U. S. cities and defense installations in this country and overseas. It is air-transportable and more effective than the Ajax.

STATE CAPITAL Highlights AND Sidelights

by Vern Sanford
TEXAS PRESS ASSOCIATION

Austin, Texas — A possible shaft of light has pierced the murky tunnels of legislative tax study in the form of an "in-between" type money raising bill. An omnibus tax measure introduced by Reps. R. L. Strickland of San Antonio and Wesley Roberts of Lamesa would tax a raft of things not previously hit, but avoid the label "general sales tax." It is regarded as a possible compromise between Gov. Price Daniel's tax program and Rep. Frates Seeligson's general sales tax, neither of which have attracted widespread support. Strickland and Roberts estimate their proposal would raise from \$200,000,000 to \$300,000,000, an impressive sum even in the face of current huge needs. New tax sources it would tap

include sales of real estate, bonds, debentures, corporate stocks, transportation of persons and commodities, occupancy of a retail establishment, hotel and motel use, and trading stamps. It would increase the natural gas production tax and raise sales taxes on new cars, cosmetics, playing cards, radios and TV sets and raise taxes on telephone and telegraph companies. "Strings" attached to the bill are that after the state deficit is paid off, the money raised could be used to provide school teachers a \$600 a year raise, add \$13,000,000 to higher education programs and \$2,250,000 to the hospital program. NO HURRY—In terms of decisions, the tax program has made no dramatic forward strides.

Rep. Frates Seeligson of San Antonio, introduced his 1.5 per cent general sales tax measure. It would raise an estimated \$67,000,000 annually earmarked for the school fundation program. Informal surveys indicate a majority of lawmakers pledged opposition to a general sales tax in their campaigns last summer. Despite urging from Gov. Daniel, the House Tax Committee showed itself in no hurry to get out the bill that would raise corporation franchise taxes. Committee declined, on a 15-2 vote, to order a report from the subcommittee which holds the bill. Part of the governor's plan was to get this bill passed in time to take effect May 1 so the added revenue from it could help offset this year's deficit. Committee also agreed to allow more time to hear groups wishing to oppose a proposed trading stamp tax. **FIRST HURDLE CLEARED**—Texas public school teachers won their first round in their campaign for an \$800 a year pay raise. Senate Committee voted favorably on the \$107,800,000 public school improvement program recommended by the Hale-Aiken Committee. Teachers' raises

Houston asked the Board for a permit to construct a dam at Livingston and impound some 1,750,000 acre feet of water. Trinity Water Authority was joined by Dallas, Fort Worth and other Upper Trinity towns in howls of protest over Houston's "water-grabbing." TRA filed a petition asking that Houston's application be dismissed and also filed an application for the same permit Houston is seeking. A hearing on Houston's application has been set for April 6, but the North Texans are asking for delay. Indications are that such a set-to between Texas' major cities probably cannot be settled for some time. **HIGHER TUITION ASKED**—Commission on Higher Education is recommending the Legislature adopt a new system of automatic tuition increases for state-supported colleges. By the Commission's formula, tuition would be in proportion to the college's spending. If legislative appropriations to the college went up, so would tuition. It was estimated the formula would raise present tuition for in-state students from \$100 a year to about \$125 to \$137.50.

BLOWIN' OUT THE CORNERS

Man to young lady:
How do you keep your hair beautiful?
Man to fellow man:
How do you keep your hair fatso?

At first we worried when it turned gray.
Later it was when it went away.

We enjoyed going back to Shamrock for this year's St. Patrick's Day celebration. Many things remind us of our boyhood and of the good times we had in school there. But, each year we walk farther and farther without seeing someone we know. Anyway, this year the weather was wonderful and in our opinion the whole affair, especially the parade was certainly good. Next year here we come.

We had a nice letter from our good friend Mr. D. M. Moody Womble of Morse, Texas. Moody says that he and his wife are doing fine under the conditions. Their many friends among the farmers and other folks here in the Panhandle were so sorry to hear of their car wreck. Papa Womble was hurt the least, it seems and was out real soon. But the Mrs. had some broken bones and it was taking some time. They rode all over the oceans and most of Europe with Cotton John on the European Tour last summer and then had to have an accident right here at home. We are so glad they will soon be well and out meeting with Farm Bureau groups again.

When we question our wife's judgment we should remember that we thought it was the best that night back yonder when she promised to take us as her partner for better or worse for the rest of her life.

One thing for certain about politics is that when we see folks slinging mud we can be sure that the fellow doing the slinging is having to stoop pretty low to pick it up and that when he does so he can not be standing on very solid ground himself.

Not long ago we saw the following sign in a cafe: "We get old too soon and smart too late." Now, isn't that just about the honest truth? It seems like only yesterday that we looked at folks our age and most wanted to help them across the street. Years passing like days it seems. Wouldn't it be nice to slow them down say like the years when we were straining every nerve to get 21. We thought those last three years would never pass. Then time went sort of medium like till we passed thirty. Speeded up like going down hill at forty. Now, we ain't talking no more. Oh me. . . .

It was the old backwoodsman's first trip to the city. Kicking on the pavement he remarked: "Don't blame 'em for building a town here the soil is too hard to plow anyhow."

If you hear a fellow running down his neighbors you can just about bet that he is trying to get them down to his level. It is usually the case that when we find someone who is down on the whole world, that nearly everytime the world is down on him and he is just trying to get even.

The happiest miser in the world would be the fellow who could hoard up a host of real friends. Everytime we see someone who seems lonely and without friends and folks to love him it always makes us pledge anew to try and take better care and pay more attention to our friends. One of the most enviable talents in the world could well be the art of making friends. Even more to be coveted would be the ability to keep our true and worthwhile friends to the end.

good thing to be absent minded and that is when we use it to forget the faults of those near and dear about us. Because we know more about those we love we need to be more forgetful of their short comings and to be long remembering of each kindness.

TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

MY FACE IS RED

On March 8th, I wrote a newsletter pointing out several items concerning the national debt and the amount of money that we in this country are required to expend each year. I also placed some figures in the newsletter with regard to the ownership of certain property by the Federal Government. Among these figures I included the number of vehicles owned by Uncle Sam. These figures had been acquired from the Library of Congress and the other agencies of government that are supposed to have their information correct and up-to-date. When we received the information that the Federal Government, civilian and military, owned some 200 million vehicles, it somewhat startled us. We rechecked with the source of information and were advised that those figures were correct. However, in the last few days a new recheck has revealed that the figures were in error. The first figures I had included too many zeros at the end, and represented millions of vehicles rather than thousands. The actual figures (that is, the last that we have received) reflect that the civilian arm of our government owns 107,094 vehicles and the military 108,743. Needless to say, I regret that this error was made, but figures have always confused me, especially when we get into the big ones. The Federal Government has grown so big that it is highly unusual to talk about anything less than a million. Most of the conversation and talk refers to items in the billions. This probably explains why the information sent to us by the Library of Congress referred to millions rather than thousands. Perhaps the folks doing much of this research work have had so little to do with minuscule items like thousands that they don't recognize them

when they see them. In any event, we apologize and assure you that the mistake was a mistake of mind and not of heart. Since we are on the subject, it might be interesting for you to know some of the other statistics concerning the vehicles owned by the Federal Government and the cost of their operation. The 224,956 government-owned vehicles (this figure is slightly higher than the two above figures added together, because a few different types of vehicles have been included in this total figure) were driven a total of 1,900,032,525 miles. These vehicles consumed 202,414,833 gallons of fuel for an average of 9.39 miles per gallon. The expense incurred for all motor vehicles, government-owned and rented or leased, including direct operating expenses, maintenance and repair, depreciation, direct expenses for renting or leasing, overhead, indirect expenses, and miscellaneous expenses, amounted to \$228,078,721. These figures have been copied from the Annual Motor Vehicles Report of the General Services Administration and if any of them are wrong, it is because they were wrong in that report.

GET INSPECTION STICKERS NOW BEFORE RUSH STARTS
Austin — The Texas Department of Public Safety warned motorists of the inconveniences of a last-minute rush at safety inspection stations before the deadline, April 15.

More than 3,000,000 of the 4,000,000 Texas motor vehicles have yet to receive their 1959 safety inspection sticker. In urging motorists to "do their safety shopping early" and avoid the rush at the 4,400 inspection stations, the safety department warned that those who fail to do so will be subject to traffic summons after April 15. The average cost of the safety inspection since the program began six years ago is \$1.19 for needed repairs and \$1 for the inspection fee. The inspection stations check such items as brakes, lights, horns, mirrors and windshield wipers and have found that 39 per cent of the vehicles have needed some adjustment or repair. Col. Homer Garrison, Jr., director of the safety department, said this is an improvement over

needs of these countries had become obsolete, but no adjustment had been made in furnishing the advanced equipment, even though it did not meet the needs. Numerous other such instances indicate and have indicated for a long time that some affirmative action was required in the Administration by correcting some of the administrative practices of the I. C. A. All of these will be fully aired in the debate before the House, and it will make some interesting reading.

SKELETONS IN THE CLOSET
Or perhaps it should be "on the front lawn." The workmen engaged in reworking the East Front of the Capitol. They unearthed quite a pile of bones that have been pronounced by experts as formerly belonging to certain turkeys, pigs, and oxen. The great mystery was—who left the bones in the front yard of the Capitol? The only acceptable answer so far seems to be that advanced by the Capitol Architect. He thinks that they are probably the remains of a ceremonial feast, barbecue, or whatever you may want to call it, which took place at the time of the laying of the second cornerstone in 1851.

SODOLATIS CLUB HAS EASTER PARTY

The Sodolatis Club was hostess Thursday, March 26, with an Easter party at the school cafeteria honoring the members of the 1919 Study Club and the Hedley Garden Club.

Each guest arrived wearing an unusual Easter hat. They were materials used such as kitchen calendars, phonograph records, pie plates, income tax blanks, fruit baskets, lamp shades and many other items. After much fuss over the Easter bonnets Mrs. Harold White, club president, invited the guests into the dining room, which was beautifully decorated with the Easter motif. The tables were covered with white cloths, centered with bunnies, colorful eggs and Easter baskets on beds of grass.

Guests were served a delicious buffet dinner consisting of baked ham, creamed asparagus, salads and pickles, candied yams, hot rolls, strawberry chiffon pie, tea and coffee.

The center table was reserved for officers of clubs. Mrs. White in her charming manner extended welcome to the clubs and guest. Mrs. Jewell responded for the 1919 Club. Mrs. John Tate responded for the Garden Club.

After a bountiful dinner Mrs. Evelyn Messer gave a book review, "Sand In My Eyes," by Seiguora Russell Laune. This review dealt with every woman's problems. Mrs. Messer gave a splendid review with her humorous expressions. She was very capable and entertaining.

Mrs. White asked each lady to bring her Easter bonnet to Johnson Dry Good Store to be displayed in the window. The group sang Easter Parade with Mrs. Joy Stewart at the piano.

Everyone left expressing themselves as having a wonderful evening and declaring the Sodolatis Club as a perfect hostess.

PRESBYTERIAN PRAYER SERVICE HELD WED.

A prayer service during the observance of Holy Week was held in the Sanctuary of the Presbyterian Church at 2 p.m. Wednesday afternoon. Women from other churches of the town were present as well as those from the Presbyterian Church.

Robert Leathers provided a soft and inspirational background of organ music. The meeting was opened with prayer and closed with prayer. The group sang the hymn "When I Survey The Wondrous Cross" and prayers were offered by individuals. Then, Mrs. Millard Word gave the meditation on "Life Eternal Now." The hymn, "Dear Lord and Father of Mankind," was used as a benediction.

Prayer service was dismissed in time for ladies to attend Women's organization meetings of which they were members.

Presbyterian Circle meeting was held immediately following the prayer service. The study for the afternoon was led by Mrs. Fred Chamberlain, Jr. The Bible study was brought by Mrs. Byrd Adkins assisted by other members of the group. Fourteen members were present.

Hostesses were Mrs. Charles Blackburn and Miss Mable Mongole.

DEDICATED TO OUR MOTHER Farwell

"He shall not return to me, but I shall go to him!"

2 Sam. 12:23

The chariot sweet swung low today . . . And bore our dear loved one away . . . Up yonder to The Pearly Gates . . . Where group of friends and kin awaits . . . Her coming and though we are sad . . . When we think of the years we've had . . . Her gracious presence with us . . . We feel that God was generous . . . And stay our weeping as we share . . . Our loved one with those over there . . . Assured by faith this will occur . . . That some day we shall go to her.

"File Now" Says Internal Revenue

Forget something?

This is the question Internal Revenue Service is asking of a quarter of a million North Texans. These 250,000 taxpayers are due a refund on their 1958 taxes but have not filed their tax return. The Internal Revenue Service is anxious to start processing these refund returns.

Incidentally, there are 350,000 other North Texans who have not filed their tax return. These taxpayers owe money, Internal Revenue says, and now is a much better time to file than on April 16 when a penalty is due. The tax folks sum up their advice to the 600,000 who haven't filed their 1958 tax return with the following: "FILE NOW."

Guests in the home of Mr. and Mrs. Bill Greene, Jr. and family Sunday were Mrs. J. O. Adams, and J. O. Adams, Jr. of Lesley, Mr. and Mrs. Joe Montgomery and Sarah Beth and Mr. and Mrs. Paul Montgomery and sons of Memphis.

Visiting in the W. C. Scott home Easter Sunday were: Mr. and Mrs. Chester Scott, Glenda and Connie, Mr. and Mrs. Ray Hefner and Patsy, Mr. and Mrs. John F. Harlan and Latrice, Mr. and Mrs. Billy Scott and Cheryl, and Mr. and Mrs. Don Barker, all of Amarillo.

Born to Mr. and Mrs. Darrel Brogdon of Amarillo, March 25, a 5 pound 2 ounce baby girl named Pamela Kay. Grandparents are Mr. and Mrs. J. H. Helton of Clarendon and Mrs. Mamie Cunningham of California.

Mrs. Jake Moffett and Carol visited Mrs. Darrel Brogdon in the J. H. Helton home Saturday evening.

Mr. and Mrs. Marvin Hodges and daughter from Groom visited Mr. and Mrs. Edd Hodges Saturday evening.

36TH DIVISION ASSOC. COMPILING ROSTER

The 36th Division Association is compiling a roster on the current address of all men who have ever served with the 36th Infantry Division in time of war and peace.

Douglas N. Boyd, Waco, President of the Association, estimates some 100,000 men have worn the T-Patch of the 36th Division. He urges all T-Patchers in this area to send their name and mailing address to the 36th Division Association, Box 5068, West Austin Station, Austin 31, Texas.

Guests in the home of Mr. and Mrs. J. H. Helton for Easter were Mr. and Mrs. Forest Helton, Mr. and Mrs. Fred Helton and girls, Mr. and Mrs. Darrel Brogdon and children, all of Amarillo, and Mr. and Mrs. Frank Helton and Tammie, and Mr. and Mrs. Virgil Siddle and family of Clarendon.

Mrs. John Wright who has spent the past 2 months in the Clyde Gilbert home left for her home in Holdenville, Okla., Monday evening.

Mr. and Mrs. L. G. Holland visited their aunt and husband, Mr. and Mrs. Chester Martin, Monday morning.

Mr. and Mrs. C. B. Stubbs of Dial, Texas spent Sunday night with their daughter and family, Mr. and Mrs. Bill Cornelius and daughter.

Mr. and Mrs. Grover Cornelius of Borger visited Sunday evening with Mr. and Mrs. Bill Cornelius and daughter.

Mr. and Mrs. G. W. Estlack and Mr. and Mrs. David Patterson and Marcie spent Easter with Mrs. Estlack's mother, Mrs. Faye Scoggins, and grandmother, Mrs. Mattie Tyree, at Phoenix, Arizona.

Mr. and Mrs. Joe Shadle and family and Mr. and Mrs. Dick Vallance and family spent Sunday with her parents, Mr. and Mrs. L. O. Dennis at Memphis.

Mrs. Tommy Gattis and children of Earth and Mr. and Mrs. Don Landers of Amarillo spent Easter with their parents, Mr. and Mrs. Alvin Landers.

Mr. and Mrs. John N. Plaster and Children, Cynthia Ann and John Charles, visited in the home of Clyde Gilbert Thursday night.

Mr. and Mrs. L. L. Edlin of Odessa spent the Easter holiday in the home of her parents, Mr. and Mrs. Clyde Gilbert.

Pattie and Jo Brogdon of Amarillo are visiting Mr. and Mrs. Virgil Siddle and family.

Mrs. Otho Bain and daughter of Dumas visited Mr. and Mrs. Edd Hodges Monday evening.

FIRST BAPTIST BROTHERHOOD TO MEET

The regular monthly meeting of the Brotherhood of the First Baptist Church will be held Monday evening, April 6, at 7:30 p.m. There will be a covered dish supper and an exceptionally good program has been planned. All members are urged to come and help in the promotion plans for the revival which is to begin in two weeks.

TAX MAN SAM SAYS:

The newspaper publishers in Texas are always interested in the general welfare. You will usually find your local editor active on civic projects and doing his best to make the community a better place for his readers to live. The Internal Revenue Service relies heavily on the newspaper business to keep taxpayers informed. Your editors realize that paying income taxes is a shoe we must wear in spite of the pinch. He joins thousands of other newspapers throughout the country every year in attempting to pass along information on tax law requirements and tax benefits to his readers. We want to take our hats off to our nation's editors. The fact that the voluntary income tax system works is due in a large part to the helpful advice that you read in your newspaper. April 16 would be a day of great embarrassment to thousands of taxpayers who had forgotten to file their income tax return on April 15 if your editor was not kind enough to remind you.

The County Agents in North Texas are doing a very commendable job on helping taxpayers, farmers in particular, with their tax problems. The Extension Service at College Station worked with Internal Revenue Service in setting up a number of schools for County Agents to help provide your County Agent with the answers you need on farm tax questions. The County

Agent, of course, has a supply of the Farmers' Tax Guide, publication 225, which will give the answer to most farm tax questions. If you have a farm tax problem, drop by your County Agent's office and he will be glad to help you look up the answer to your problem in the Farmers' Tax Guide. He is a pretty good man to know, anyway.

The 1958 Form 1040 for preparing your income tax return for the year has several small changes but the most noticeable is the removal of line 6(a). The Internal Revenue Service issued new regulations on reporting travel expenses. In some cases you don't have to give an itemized accounting of your travel expenses.
