Mrs. Doris Brandon announces the opening of the new addition of the Golden Holiday Nursing Home at 242 E. 6th St., with Open House to be observed Sunday afternoon, Feb. 13, from 1 to 5 p. m. The public is invited to view the completely new exterior of the Home and to tour the interior with members of the staff who will point out the many conveniences and comforts that make the Golden Holiday one of the most modern and commodious Homes of its kind.

Dominating the exterior appearance of the Home is the all new and spacious living area, which contains almost 1200 sq. feet of floor space where television viewing, games, and visits with other residents or members of families, can be carried on in pleasant surroundings.

The exposed beam ceiling rises 16 feet above the floor level to add to the roominess and attractiveness of the area.

Over 300 sq. feet of glassed frontage allows plenty of warm sunlight to bathe the living

room when the drapes are withdrawn. When closed, the ceiling to floor drapes complete the atmosphere of coziness and warmth.

The resident's rooms are arranged in a square, which forms an exposed garden in the center. Accessed by two walkdown ramps, this area promises to be a favorite spot during the summer months. Sheltered from the winds, this garden center provides a real outdoor touch to the Homes' residents and staff.

The individual rooms feature built-in dressers and plenty of closet space. The beds are of new design with the resident's comfort in mind. Many of the rooms have private baths, while others are semi-private.

The most modern equipment is provided for the occupant's safety and comfort, as well as for their professional care.

Nurses stations are arranged so that all residents and patients are constantly under the watch-care of the trained staff.

The newest in fire detection equipment is installed to provide immediate detection of even the smallest fire in the Home.

The support and confidence given the Home by this community and surrounding communities has made this expansion necessary and possible, and for this the management is appreciative.

The Golden Holiday again pledges itself to a renewed effort to serve its community and mankind everywhere with the finest service and personal care that can be afforded and at a price that makes its services available to almost everyone having need of its services.

"WEEKLY MEDITATIONS"

"A New Idea"

Over 1900 years ago our Saviour brought forth on this earth a New Idea, conceived in the heart of God, and dedicated to the proposition that all men are created equal as the children of God.

Now we are engaged in a great war, testing whether that idea, or any idea, so conceived and so dedicated, can long endure. We are met on a battlefield of that war. We are here to dedicate our very lives as a tribute to Him who gave His life that that idea might live. It is altogether fitting and proper that we should do this. But in a larger sense we cannot dedicate, we cannot consecrate, we cannot hallow this place. The Christ who died for us has consecrated it far above our poor power to add or detract.

The world will little note, nor

long remember what we do here, but it can never forget what Christ did for the Kingdom of God.

It is for us the living, rather to be dedicated to the unfinished work which He began, and for which many have died and nobly advanced. It is rather for us to be here dedicated to the great task remaining before us - that from the majesty and love of God we take increased devotion to that idea - that the cause of Christ, for which He gave the last full measure of His life, shall not diminish. That we here highly resolve that Christ has not died in vain. That this nation, and the world, under God shall have a new spiritual birth, and that the church for which Christ died shall, through us, prevail against the evil and death in the world, and that all men shall gain through Him life Eternal.

(With sincere appreciation to Abraham Lincoln).

Baird Garden Club Meeting Held In Kelton Home Feb. 1

Mrs. A. R. Kelton and Mrs. I. E. Warren were hostesses to the Baird Garden Club when they met in the Kelton home February 1.

Mrs. Lee Ivey presided for the business session, during which Mrs. W. A. Hunt, chairman of the Arbor Day Committee, reported that a non-bearing mulberry tree had been purchased and planted at the Baird Park.

Mrs. P. E. Dungan, of the Beautification Committee, asked that the Club cooperate with the City Council in a plan to place gravel on the streets at the cemetery. It was also suggested that an effort be made to clean up side streets and unsightly spots near the downtown area, and to have abandoned cars moved from city streets.

A third suggestion was that the Texas Highway Department be asked to plant wild flowers at the various entrances to Baird. Garden Club officers elected to serve in 1966-67 are: President, Mrs. Ben Ross; First Vice President, Mrs. I. E. Warren; Second Vice President, Mrs. N. L. Long; Secretary, Mrs. Pat

Garner; Treasurer, Mrs. Marvin Davis; and Reporter, Mrs. F. A. Smauley.

Mrs. Ivey reminded the Club that the Callahan County Library maintains a Garden Shelf of books, magazines and catalogs available to the public.

Members voted to have the next meeting on Thursday, March 3, in order that the delegate and others may attend the District VIII Convention to be held at Iraan on March 1-2.

For the afternoon program, "The Sloping Lot" Mrs. Frank Cunningham led a panel discussion "Beware of Harmful Plants in the Garden," and Mrs. Mrs. F. A. Smauley discussed the topic, "What Insecticides Can Harm You." She was assisted by Mrs. Pat Garner, who showed slides illustrating the topic. Mrs. Homer McIntosh displayed a unique arrangement of artificial garden vegetables, bringing a reminder on a winter day of the coming of spring.

Chevrolet Impala Sport Sedan with Body by Fisher

JET-SMOOTHER THE CHEVROLET WAY

Soft contoured new Strato-bucket front seats come standard in Super Sports for relaxing comfort on every trip.

We added new bushings and softened body-to-frame mounts to smooth Chevrolet's ride. We put in soft-acting shock absorbers and soft-working coil springs at every wheel. By soft, though, we don't mean mushy. Chevrolet's Way makes for a smooth, solid ride. Very steady on curves. A bump jumps from the Wide-Stance wheels to the supple springs and shocks—and pfft! It all but disappears.

396 TURBO-JET

The powerfully smooth new Turbo-Jet V8 is available in all '66 Caprice, Impala SS, Impala, Bel Air and Biscayne models.

Eight features now standard for your added safety—including seat belts front and back (always buckle up!) and an outside rear-view mirror (always check in back before passing).

Mr. and Mrs. N. L. Long Sr.
of Cross Plains, visited their son
N. L. Jr. and family, Monday.

OPLIN OBSERVATIONS

DAPHENE FLOYD

Mr. and Mrs. Clarence Breed-
ling attended the funeral last
Saturday afternoon for Carl
Landers of Lawn. Mr. Landers
was the father-in-law of their
oldest daughter, Shirley.

Mrs. Albert Betcher and Mrs.
M. C. Miller have been going to
Buffalo Gap and taking some
chiropractic treatments.

Mr. and Mrs. Lucien Pierce,
Mr. and Mrs. Albert Betcher and
Mr. and Mrs. M. C. Miller visited
Mr. and Mrs. Clyde Floyd of
Tuscola one night last week. Of
course, the men had to play a
few games of dominoes and the
ladies just caught up on some
visiting. The visitors reported
that the Floyds were doing just
fine.

Mrs. Stella Yost plans on stay-
ing most of the week with her
sister, Mrs. Jack Russell of the
Dudley community, since Mr.
Russell is in the Veterans Hos-
pital at Big Spring.

Ray Floyd, C. W. Barnard Sr.
and C. W. Barnard Jr. finally

got off to O'Brien last Saturday
to finish moving some house-
hold goods for Jr. They learned
it was to their advantage
that they didn't go sooner for
during the snowy spells, O'Brien
had received about 20 inches of
snow altogether and the ground
was still wet.

Bro. Robert Hoyt, the area
missionary for the Baptist As-
sociation, was a visitor at the
Oplin Baptist Church last Sun-
day.

So sorry to learn that Frank
Windham Sr. had to enter Hen-
drix Memorial Hospital last
week due to a clot in a vein.
Weekend reports were that he
was responding fairly well to
treatments for the clot.

Donations to Oplin Cemetery
Fence Fund: Mrs. Pearl Mitchell
\$5.00.

In the Dominican Republic, political uncertainty and recurring flare-ups since the revolution have paralyzed the economy. Contributions to the CARE Food Crusade, New York 10016 are helping to feed 200,000 Dominican school children.

When CARE was founded 20 years ago, its aid went solely to war victims in Europe. Only 3 European countries still get help. Today, CARE concentrates on bringing food, self-help and medical aid to the people in developing nations of Latin America, Asia and Africa.

If you're in the market for a new clothes dryer, (here's why modern Gas is better than you-know-what)

SAVE MONEY Modern gas dryers are economical. They dry a whole load of laundry for about a penny — which is a lot less than the cost of doing the job electrically. 91 out of 100 self-service laundries use gas dryers! **SAVE CLOTHES** Gas dries gently. Clothes come out soft, sweet-smelling and fluffy — never stiff or yellow. Many gas dryers have special settings and cycles to protect even the daintiest things. So why lug and lift heavy baskets of wet laundry? Why let wind, dust and rain ruin your clothes?

Enjoy the convenience of a modern, automatic dryer — a gas dryer. **SAVE ON REPAIR BILLS** Like all gas equipment, dryers are well built and virtually maintenance-free. Gas is fast, safe and unlike you-know-what, it dries with just a simple burner. There's no complicated, expensive heating element to wear out. Just a simple gas burner, which hardly ever wears out. Now's the time to enjoy price savings, too. See the new gas dryers on sale at all Gas Appliance Dealers and LONE STAR GAS
