FIGHT WITH ROBBERS.

Officers Pursuing the Men Who Robbed the Train at Wilcox.

A SHERIFF KILLED.

In a Battle With the Bandits the Robbers Lost Their Horses, but Secured Others and Made Their Escape.

Cheyenne, Wyo., June 7.—A second battle with the dynamite of the Union Pacific express train, has been fought in the mountains, 40 miles north of Casper, Wyo. by the sheriff's posse which has been in pursuit since Sunday morning, and as a result one man, and probably more, are dead.

The first battle was fought Sunday on Teapot creek, 30 miles north of Casper. No one was wounded during this engagement but several horses were killed. The second battle was fought Tuesday evening at a point 10 miles further north and in a wider country. The robbers being already pressed made a determined stand behind some rocks in a deep ravine, and when the posse put in an appearance opened fire at close range.

Sheriff Joe Hazen of Douglas, fell at the first fire, being shot through the stomach. The office was removed to a safe place and afterwards brought to Casper and died from his wounds. The posse resumed the fight and was successful in a short time in driving the robbers from their stronghold and away from their horses, which were secured. A courier reached Casper late last night from the scene of the fight and reported that the outlaws escaped through the lines of the posse in the intense darkness. They stole the horses of a freighting outfit and now flying for the "Hole in the Rock" where the men under United States Marshal Hansen, took up the trail and are in pursuit. The three are Bob Taylor, of the Hole in the Wall band, a Mexican and a Casper gambler named Caspangh.

Lieutenant Pierce's Suicide.
Maui, June 7.—Lieutenant Fred W. Pierce of the Sixth United States artillery, suicided here. He came from Honolulu a week ago on leave, but lingered here beyond the limit and failed to reply to repeated telegrams from his commander. He was put under arrest on his commander's order. Another officer called to see him, when he suddenly pulled a revolver from under his pillow and shot himself through the head. His friends say his mind was affected by a recent stroke.

German-American Cable.
Washington, June 7.—The final details have been arranged for the laying of the cable between the United States and Germany, the last step being a satisfactory arrangement concerning government messages and rates of cable tolls. The authorities here have been informed that the actual work of laying the cable will begin during the present summer months so that the first message may pass over the line during the coming fall.

Managers Go to Athens.
Austin, June 7.—Governor Sayers has given instructions to Captain Donald and his rangers to proceed at once from Columbus, Tex., to Athens to aid the authorities of Henderson county in ferreting out and bringing to justice all members of the mob which tracked James Humphries and two sons a short time ago.

HAS VOTES TO SPARE.

His Manager Claims He Has Pledged Already Two More Than Necessary to Elect and More Yet to Come.

Washington, June 6.—Congressman Henderson of Iowa, will be the next speaker of the house. His managers claim he has already two more than a majority without the assistance of New York's vote, even if it should decide to abandon Mr. Sherman and declare for Henderson.

The following are the figures given by General Henderson's friends as to the number of pledged votes thus far: Iowa, 11; Illinois, 14; Indiana, 9; Maryland, 4; Massachusetts, 10; Michigan, 12; Minnesota, 7; Ohio, 18; South Dakota, 2; Wisconsin, 10; Wyoming, 1, making a total of 85, or two more than a majority.

In addition to the foregoing the Henderson men state that they will also have a majority of Pennsylvania's 39 votes, 6 in California, 8 in Kansas as well as 1 or 2 from Connecticut, New Jersey, Tennessee and Washington.

This will put his vote about 135, and there will be very little left for anyone else.

Who will be the leader on the Democratic side in the house, remains yet to be determined.

ARKANSAS TRAGEDY.

Two Men Killed and Another so Badly Injured He Cannot Live.

Fayetteville, June 6.—A courier reached here from Strickler, an interior village, 10 miles south, and states that in a difficultly there two men were killed instantly and one other fatally stabbed.

Jim Herrick shot John Hinkle with a shotgun. Hinkle returned the fire and both men fell dead. A younger brother of Herrick then assaulted a brother of Hinkle with a club, and was in turn stabbed so seriously that he cannot live. The men were all associated in the live stock business and the trouble resulted from the settlement of some joint transactions. The surviving Hinkle is under arrest.

Bryan of Nebraska a fine marble bust of her husband for presentation to her on her birthday June 7. The letter of presentation adopted says it is to adorn the home where her womanly devotion to the ideals of the republic have strengthened her husband's fight and that his work evinces the constant devotion of wife and home. A handsomely embossed letter accompanied the bust.

Dallas, June 5.—The trial of the famous case of S. A. Hayden vs. J. B. Cranfill et al, came to an end Friday afternoon at 5 o'clock when the jury returned a verdict awarding the plaintiff \$30,000 actual and \$10,000 exemplary damages. In the original petition the prayer was for \$100,000—\$50,000 for actual and \$50,000 exemplary damages.

No case which has been tried in the civil courts of Dallas county has ever attracted half so much attention over the state. This was because all the litigants were well known and had many friends. At any rate, there has not been a day since the trial was begun that the forty-fourth district courtroom was not taxed to its capacity to accommodate the crowd.

It is understood that the defendants will at once make a motion for a new trial, and in the event of unfavorable action by the court, will give notice of appeal.

The offense came under the category of embezzlement of over \$50, the punishment being from two to ten years. He fought the case, his attorneys laying special stress on the proposition that the theft of \$50,000 from a corporation like the express company was not deserving of severe punishment than the theft of \$50 from an individual.

The jury returned its verdict in half an hour.
