

MUENSTER ENTERPRISE

VOLUME XLIII

MUENSTER COOKE COUNTY TEXAS 76252

SEPTEMBER 28, 1979

NUMBER 45

Our guess is that the House of Representatives was spinning its wheels last week in refusing to appropriate the funds which President Carter wants and needs to settle the Panama Canal giveaway deal. One way or another the Administration will fenagle the appropriation and Uncle Sap will proceed with the arrangement of paying billions to the Communists for accepting this unbelievable gift from us.

Commentators tell us that by lots of coaxing and political arm twisting Carter and Associates will have their way. The House will appropriate and we taxpayers will supply the billions whereby the Panama dictator will be paid, so that he can pay off his debt to Wall Street bankers. More likely our politicians will pay directly to the banks because they don't want to risk a loss going through Panama. All of which makes us wonder how much Wall Street was involved in the transaction.

Regarding the Senate's approval of the giveaway and fabulous pay off to boot, we need to remember that those guys, elected for 6 years, are more inclined to feel their personal importance and less inclined to feel their responsibility to the electorate. They are more likely to act as they want to, regardless of the public's wish.

But the House of Representatives is closer to us people. Its members have to be candidates every two years. They communicate more with us and are more willing to present grass roots opinion to the government. They knew they were speaking for us when they voted disapproval of the canal deal and refusal to charge the bill to us.

Considering our government's provision that appropriations must originate in the House of Representatives, it's logical to assume that the House should have authority to stop our proposed payments on the deal. Why shouldn't it? By the same reasoning we have to assume that the pay off phase of the deal was not legal in the first place because it did not have House approval.

Just the same, the way to bet on this affair is that it will go through as the schemers originally planned. Opposition of taxpayers and representatives don't hinder the big time politicians who are expert at coming up with money whether or not it's there.

People who have received traffic tickets for speeding can thank their lucky stars for not living in South Africa. In that country exceeding the speed limit is referred to as "squandering gasoline," a serious offense in a country that's really serious about the energy shortage. Citations for speeders are said to read: "The accused did wrong fully or illegally use fuel to exceed the speed limit." Fines start at \$120 for going 11 MPH over the speed limit and rise to a maximum of \$2400.

The idea is OK in principle but it gets out of reason. No matter how scarce energy is, it's hard to justify that penalty...unless perhaps for the really wild speed. The same idea would be a good one for us. A moderate fine for a moderate violation and a big fine for the big speed. After all, the big hazard of high speed also deserves attention, and big fines ought to be used to discourage it.

By far the worst gasoline waste is forced school busing, which squanders millions of gallons daily for forced integration which is strongly opposed by students and parents of all races. Excess gasoline used by exceeding the 55 mph speed limit is a trifle compared to the waste in busing.

Another suggested gas saver now has the attention of the national legislature. The bill calls for eliminating all free parking for federal employees. Estimates claim that some 27,500 auto trips would be eliminated daily, saving up to 3.7 million gallons of gasoline every year.

County Budget Is \$2.5 Million

Commissioners of Cooke County have adopted a budget of \$2.5 million for the coming fiscal year, subject to minor adjustments, principally in pay.

The commissioners approved a number of pay raises headed by a 9 per cent increase for elected officials and an across-the-board hike of \$56.40 for other employees. Additionally the county brought its lowest paid employees up to the minimum wage level.

Precinct road crews will get a raise of \$80 a month, and paramedics of the emergency Medical Service System received a \$75 increase a short time ago. Longevity pay was also upped from \$5 to \$10 per month

for a year of service. Likewise included in the budget is \$20,000 for remodeling the courthouse and \$400,000 to complete the fund for a new \$1.2 million county jail. The remaining \$800,000 for that purpose is on hand.

To provide revenue for the increased needs the commissioners court recently raised its valuations from 30 to 50 per cent of actual value while leaving the rate unchanged. The effect was a 67 per cent increase in tax, which provides for inflation and increased budget expenses as well as offsetting some of the decline of oil property valuations, which results from a decline of oil production.

Harvest Hoedown Time Is Here

The Muenster Chamber of Commerce along with fifteen participating business people have laid out the welcome mat for their neighbors on both sides of the Cooke-Montague county line.

The occasion is a Harvest Hoedown Saturday from 9 to 5 with a purpose of drawing attention to the wide array of things available here, as well as just being neighborly.

By way of doing this, the storekeepers will literally come out to meet their visitors. They are moving lots of their wares outside for sidewalk sales besides offering additional bargains inside. Cooperatively they intend to make it worth while for people to make the

rounds and get a variety of good buys.

For appropriate atmosphere the cooperators have been encouraged to use harvest apparel and decorations. Also hay bales will be scattered around for seating as well as looks.

A special treat will be about a thousand barbecue sandwiches. The Chamber of Commerce has provided 250 pounds of beef brisket to be pit barbecued by Willie Walterscheid. The Chamber is also furnishing the buns and other sandwich needs. And ladies of the Jr. Elite Factory, headed by Bernice Sicking, will do the serving. The lo-

cation is the vacant lot diagonally across from the bank, starting at noon.

Tickets to the barbecue are available at the participating stores for free. They will be given by way of saying thank you for coming, whether a visitor buys or not.

As a complement to the treat, Cokes will be selling for 10 cents each from a truck near the serving stand. Fischer's Store has arranged with the Coca Cola Company for the special bargain.

Along with the many other preparations, a special effort has been made to get the word around. An identical full page ad appears this

week in the papers of Muenster, Gainesville and Bowie. And messages will be scattered over Friday all day and Saturday morning on KGAF, Gainesville.

Business people who are participating by having special sales promotions for the Harvest Hoedown are Ben Franklin Store, Charm Shop, Hamrie's, Tops and Teams, The Hut, Koesler Jewelry, Muenster Garden Center, Fischer's Market, Gehrig Hardware, Modern Floors and Fabrics, Discount Pharmacy, Hess Furniture, H&W Meat Co., The Center, and Bayer's Kolonialwaren.

Mike Nash, 10, of Era crashes into Robert Weinzapfel, 82, and fails to keep possession just after receiving a pass. Tim Hermes, 21, is approaching.

—Photo by Janie Hartman

Muenster Annihilates Era By Score of 58-6

There was no contest in the meeting of the Hornets last week. Era's pint size youngsters, with a big percentage of sophomores and freshmen in the lineup, did not have a chance against MHS. They were crushed 58-6 even though Coach Jerry Stinson turned most of the game to his reserves.

Muenster started with a 75 yard drive using 10 plays. Rusty Serna scored from the 1 at 9:29.

The next three scores followed a pattern. MHS got possession by a turnover and cashed in.

Floyd Felderhoff recovered a fumble on the 15 and Serna scored four plays later on the 4.

Next time Muenster fumbled the punt ending the first series and Serna intercepted

on the next series and ran back to the 25. Tim Hermes romped in from there.

Shortly after that Curtis Pagel recovered for Muenster on the 28. Passes from Phil Wolf to Mark Felderhoff and Roland Serna gained 15 and 12 after which Kevin Klement scored from the 1. Wolf went over for bonus points. Four TDs had been scored and the count was 26-0 at 0:38 in the first period.

Within the following few minutes Muenster intercepted three times and wasted two of the opportunities. After Serna's and Wolf's catches they bogged down and failed to move. Then Wolf intercepted again and the team did better. Hermes zipped 18 to the 6 and Kevin Klement continued on page 9...

70 Compete in Local Punt Pass & Kick

About 70 youngsters, including several girls from Muenster, Lindsay, Saint Jo, Era and Forestburg competed here last Saturday in the local level of Punt Pass and Kick competition, and six of them will be back on October 13 for the zone level of the nationwide program.

The local contest was sponsored by Endres Motor Co. in cooperation of the Muenster Jaycees, who will also sponsor the zone contest. In each case the winners of the six age groups advance to the next higher level and eventually to the finals at the Superdome, where national champions are decided. The national program is co-sponsored by Ford Motor Company and the National Football League.

Last week's competition was held on Muenster High School's new football field at 1:30 p.m. The zone contest on October 13 will be held at the same location and the

same hour. The method of competition is to measure distances of a punt, a pass and a place kick less the distance of variation from a center line. Those three figures are added to determine the score. The tests were directed by Jaycees and

local football coaches.

Trophies were awarded for the top three winners in each of the six age groups. The winners and their scores were listed as follows.

Age 8: Darrell Dangelmayr, 163½; Stephen Chisam, 122; Don Jo Park,

120½.

Age 9: Craig Neu, 189; Bobby Don Thornhill, 179½; Stuart Hess, 153.

Age 10: Brian Hess, 211; Kevin Anderle, 188; Scott Taylor, 169.

Age 11: Peter Serna, 223; Gary Grewing, 208; Stephen Fleitman, 205.

Age 12: Ronald Paul Russell, 190½; John Anderle, 190; Chris Dangelmayr, 174.

Age 13: Jim Bartush, 228; Larry Dankesreiter, 264½; Neil Hesse, 243.

The Weather

After last week's rainfall of .95 inch, the moisture total at Muenster stands at 30.57, which is near normal for this time of the year. The .95, in three readings, was the total for September to date.

Meanwhile temperature remains moderate. Low and high readings of the week have been recorded as follows by Steve Mosler.

September 20, 72 and 74; 21st, 62 and 86; 22nd, 62 and 86; 23rd, 64 and 87; 24th, 61 and 88; 25th, 56 and 87; 26th, 60 and 85.

Adult Classes to Begin October 1

Mrs. Marie Mosman has announced that the Adult Basic Education classes will begin in Muenster on Monday, Oct. 1, 6:30 p.m. to 9:30 p.m. in the Muenster Public Library. Mrs. Mosman may be phoned at 759-4138 for more information.

A brief explanation of Adult Basic Education classes brought out that classes in this area are valuable for those wishing to improve reading ability or to increase basic math proficiency and other areas. Classes offered locally in the past have been particularly successful and satisfying for the students. All areas of Basic Education may be included for students who wish it.

Local students who prepared for and received GED, General Equivalency Diplomas, High School level, in the past, have expressed great pride and satisfaction in their achievement.

MHS Bake Sale

The Senior class of Muenster Public High School will sponsor a bake sale on Saturday, September 29, beginning at 9 a.m. at Hofbauer's and Fischer's.

Sacred Heart Trips Lindsay 20-0

The grid classic anticipated last week between Sacred Heart and Lindsay turned out to be as expected until half time, but the Tigers took over and came away with a 20-0 win. In doing so they extended their perfect record to 3-0 and enjoyed sweet revenge for a 9-6 loss last year.

Despite playing second best through the first period, however, the Tigers came out ahead in the score. That can be attributed to one big play midway in the first quarter when Brian Bednorz ran a punt back 60 yards for a touchdown. The play was a beauty in which he evaded a pair of early tackles and headed down the left sideline as his teammates set up a protective screen.

Otherwise Lindsay dominated, with total gains of 89 whereas SH had only 37, and a lead of 5-3 in first downs...even while being at the unhappy end of four turnovers.

The high spirited Knights started the action by sacking quarterback Kenny Hartman for a 16 yard loss on the first

play. Successful blitzes became a feature of the game as the aerial attacks were definitely blunted on both sides. Along with sacks, the rushes spoiled many throws when they did not quite catch the quarterbacks.

Following Sacred Heart's punt on first series, Mark Nasche got it back via interception on Lindsay's first series. His fine 30 yard run put SH in good field position, but the Tigers could not move and had to punt again.

Lindsay's second possession also fizzled on a fumble. It was recovered by Kenny Hartman on the 23 yard line.

From there the Tigers missed on four pass attempts.

Lindsay too failed to move and McCord booted a long punt that Bednorz returned all the way. Mike Hesse's place kick upped the count to 7-0. The clock read 6:01.

The Knights came back strong and made a pair of first downs before Mel Walterscheid recovered a fumble.

And Sacred Heart at its turn made 2 first downs before kicking on the third series. Then Lindsay made 2 more first downs before being stopped by Nasche's interception.

The balance of the half was a standoff including a first down by each team and five punts. One of those punts was extra special. Kenny Hartman appeared to be trapped after a bad snap back but got off a good kick from his scramble.

On first play of the second continued on page 8...

County Dump Grounds Open 2 Days a Week

Here after the county dump grounds east of Muenster will be open only on Wednesday and Saturday. The hours are 2 to 6 on Wednesday and 10-6 on Saturday.

Commissioner Robert Bayer made the announcement this week explaining that loads received on Monday have been too few to justify keeping the place open.

When the Muenster Garden Club's "Yard of the Month" sign was returned early last Thursday morning, it was placed in a worthy spot. There are few lawns more beautiful in Muenster than the brand new Hornet Football field. And that's where it was found. The accidental and inadvertent choice of the area for "Yard of the Month" honors was both a fortunate outcome for the Muenster Garden Club and a fitting recognition of long hours spent in hard work throughout the summer by several men who planted, watered and groomed the handsome new facility.

Finding the Garden Club's sign in the middle of the field that morning was a surprise to owners and recipients, alike. The sign had been missing since it was taken from the home of Ray and Irene Klement in July. Hence, no award was made in August.

The Garden Club is grateful for its return and appreciates the rare sense of humor exhibited by someone or probably several, and especially the work involved because the sign is heavy.

Congressional Comment

WASHINGTON, D.C. — To paraphrase an old story, there was once a man who built a mighty house; a beautiful house complete with scores of rooms, enough, in fact, for every man, woman and child in the village.

And the people were in awe of the gift and they rushed to move into their new homes, as their old ones were in sad repair and they could not afford to rebuild.

But, while that towering house was a masterpiece of gingerbread from the doorstep to the highest turret, the builder had put all of his money into the beautiful shell of the house and had neglected to construct a foundation.

The house and all of the people came tumbling down. That may be a rather simplistic way of describing the construction of some of our nation's economic and tax policies in recent years, but the description fits. While the Federal Government has concentrated on fancy gingerbread, very pleasing to the general populace, it has neglected the underlying foundation.

We are now facing an economic slowdown, along with rampant inflation and declining productivity. During past periods of recession, the Congress has built a gingerbread house in an attempt to solve the problems by setting on programs aimed at stimulating the economy through increased Federal spending.

But rather than solving the problem, these measures have fueled inflation because fewer goods are being chased by more dollars. Pumping up the demand for goods only gives short-term relief to a sagging economy and does nothing to correct the structural inefficiencies in the marketplace — the foundation — that are responsible for stagnating growth.

It is time for the rebuilding

of the foundation of our economic strategy. The emphasis should now be placed on the supply side of the economy. Policies which expand our capacity to produce goods and services more efficiently are the most effective in dealing with our current economic problems.

You fight inflation and recession by producing more goods, cheaper, not by lengthening costly unemployment and welfare rolls.

In order to promote productivity, changes must be made in our tax laws. I have cosponsored the Capital Cost Recovery Act, designed to encourage real economic growth by stimulating investment in more efficient plant and equipment.

This legislation would scrap existing depreciation schedules for fixed assets and substitute in its place a simplified system of rapid depreciation. The proposal would allow a 10 year writeoff for buildings, a five year writeoff for equipment and a three year writeoff for limited investment in cars and light trucks. This is no "quick fix," gingerbread solution, but a long-term attempt to make the United States more competitive in world markets.

Among major industrialized nations, the United States is 18th in both economic and productivity growth over the past 10-year period. In 1976 the actual rate of fixed business investment was 9 percent of the Gross National Product, compared with 20 percent for Japan and 15 percent for West Germany. We cannot continue to ignore the facts. Our economic position in the world is in decline. The choice now before us is whether or not we have the courage to reverse this trend — before the gingerbread house falls on us. Clearly meaningful tax reforms, such as the Capital Cost Recovery Act, would be at least a beginning in the building of a strong economic foundation.

A Letter to the Community

Over the years since the existence of our local hospital the Muenster Hospital Auxiliary has played a valuable and contributory role in regard to the hospital and the community. That role has been most rewarding to the organization and its members as individuals.

The Auxiliary came into being as an organization even before the hospital was completed. The membership was large, the enthusiasm was matching, and participation gratifying. Initially, the Auxiliary helped with readying the hospital for opening. Afterwards, it concerned itself in many and varied fund raising activities toward patient benefits and further equipping the hospital. All this while, the membership, made up of all ages, remained staunch in its commitment to effectiveness.

Some few years ago the decision was made to replace the many minor endeavors with two major functions each year; a variety show in the spring and a gala dance in the fall or early winter. The success of those undertakings each year since has been nothing less than fantastic. While our contribution to the hospital remained at or exceeded prior levels an even or perhaps greater benefit accrued to the cultural betterment of the community from those efforts. It has been said and we concur, they have been THE functions of the year in Muenster with the anticipation of each to come overshadowing those of the past. Unhappily, the Auxiliary is now at a crossroad and the future of those functions appears doubtful along with that of the Auxiliary.

For the past two years active membership has lagged with interest lost and participation difficult to generate. Even though we have been successful with the shows and dances and primarily because of the perseverance and tenacity of a relatively few, day to day interest and participation have continued to slide.

We are alert to the many demands on the time and energy of the community. We are also aware and appreciative of the tremendous job done by many in the past who now feel others should fill the void. We cannot help but agree. And so we approach the future with hope but great concern. Hope of a resurgence of interest and participation. Concern over the impending loss of a program which we believe of great value to the community.

In the near future we will be sending each member and those we think as prospective members a questionnaire on the future of the Auxiliary. We ask you begin thinking now so your response will reflect considered judgment. We will look forward to those responses.

Sincerely,
 Executive Committee
 Muenster Hospital Auxiliary
 Rita Russell, president

PROVISIONS OF SALT II
 Within a very short time the United States Senate will be asked to ratify a second Strategic Arms Limitation Treaty. The Treaty will have been signed by President Carter and Soviet leader Leonid Brezhnev amid great fanfare publicity. The debate over the signing of this treaty will make history; if ratified, it might well seal the fate of the United States as a second rate nation, subject to accession to the will of the Soviet Union from that moment on. For if we agree to the conditions of SALT II, we will be relegating ourselves to a position of decided weakness with respect to the strategic forces of the Soviet Union.

Because of the import of SALT II, it is absolutely essential that all Americans understand the issues involved. The provisions of SALT II are very cleverly designed to give the appearance of equality. This is deceptive as will be demonstrated. The ceilings of various categories of strategic weapons are as follows:

Each nation will be permitted to have 2,400 Strategic Nuclear

Launch Vehicles, which includes intercontinental ballistic missiles (ICBMs), submarine-launched ballistic missiles (SIBMs), and heavy bombers. Of these, 1,320 vehicles can have multiple independently targetable (MIRV) warheads, of which only 820 can be ICBMs with MIRVed warheads. All this appears to be the essence of equality.

However, in SALT I the Soviets were given a "special grant" of 326 heavy ICBMs; these modern large ballistic missiles have not been prohibited by SALT II. This special privilege has provided the Soviets with the ability to destroy ninety-five percent of our land-based ICBMs, bombers and submarine bases in a first strike. This is because the Soviet's heavy ICBM, the SS-18, has a MIRVed warhead package containing ten warheads of over one megaton each. This provides them with over 3,000 warheads to destroy our missiles, bombers and submarine bases in a first strike and still have all the SALT II-permitted weapons ready for a second strike. Should we dare to retaliate with what we had left we would lose up to 150 million Americans and all of our industrial capacity while being able to eliminate only ten percent of the Soviet population and industry. This is because the U.S.S.R. has been spending billions of dollars over a period of years on a vast civil defense system, while we have done nothing. Under such conditions, is it not reasonable a President might choose to surrender after a first strike rather than retaliating? This is one advantage SALT II gives the Soviets.

A second advantage given the Soviets by SALT II was the failure to include their Backfire bomber or the SS-20 intermediate range ballistic missile. The U.S. has accepted the word of the Reds that they will not use the Backfire as a strategic bomber. The facts are that Backfire was built to carry nuclear weapons, has a 6,500 mile range unrefueled, is air refuelable, is almost the size of our cancelled B-1 strategic bomber; we are stupid if we think the Soviets would not use the Backfire against us in time of war.

STATE CAPITAL HIGHLIGHTS

By Lyndell Williams

TEXAS PRESS ASSOCIATION

AUSTIN—Work crews have yet to cap the off-shore oil well spewing barrels of crude daily into the Gulf of Mexico, but all the early indications of a courtroom collision between Gov. Bill Clements and Texas Attorney General Mark White apparently will be realized.

White told reporters last week he will sue SEDCO, the drilling company founded by Clements, and Mexico's nationally owned oil company PEMEX sometime this fall.

SEDCO is now run by the governor's son, B. Gill Clements, while the governor's stock is in a "blind trust." Though the governor may never appear in the courtroom, the political effect of the lawsuit will remain the same: one of the state's top Democrats will confront the top Republican state official.

Will Allege Negligence

White said he will allege negligence on the part of SEDCO, which had leased the off-shore rig used by PEMEX to drill the blow-out well.

"It (the blow-out) wasn't an act of God. This thing occurred apparently because of mismanagement, negligent operation, negligently

maintained equipment, whatever," White said.

He added that SEDCO's subsequent sinking of the damaged rig in deep international waters on July 12 "cast grave suspicions on everything they (SEDCO officials) have said" about the company's role in the blow-out.

White said he expects to delay until after President Jimmy Carter and Mexican President Jose Lopez Portillo meet Sept. 28 and 29.

Clements in Yugoslavia

Clements, meanwhile, has been unavailable for comment while leading a Texas delegation tour of several Communist-block countries. Reports indicate he is optimistic about future joint U.S.-Yugoslavia ventures.

When he returns he will find a message on his desk from Speaker of the House Bill Clayton saying there is no political support for a special session of the Texas Legislature.

Clements had promised to call the legislators back to Austin to pass an initiative and referendum bill, among other issues, but Clayton advises the legislators who failed to reach agreement on the issue last spring would probably not resolve the issue in a special session.

State Rep. John Bryant of Dallas, who heads the House minority bloc, thinks Clements should offer a pure initiative and referendum proposal or none at all.

Demo Chairman Race

In times past a Democratic Texas governor has always hand-picked the chairman of the Texas Democratic Party, but not this season.

With Republican Clements in the statehouse, the crucial Demo leadership post may be filled by a person emerging after a bona fide convention ballot, not one standing in the shadow of a governor.

Three prominent Democrats are mentioned for the job: State Rep. Luther Jones of El Paso, Houston lawyer John Odum and Democratic Executive Committeewoman Carrin Patman of Ganado.

With election of the chairman over a year away,

others are sure to be considered.

Ms. Patman is the wife of State Sen. Bill Patman, who is expected to meet a serious primary challenge for his seat from State Rep. John Wilson of La Grange. Wilson, who had long eyed the Speaker's chair, instead has mustered the opposition Patman incurred as a participant in the "Killer Bee" episode last session.

Short Snorts

Billy Goldberg, the current party chairman, will not seek re-election. Instead, he has announced he will join the movement to draft Sen. Edward Kennedy for the Democratic presidential nomination.

Col. Wilson E. Speir, director of the Texas Department of Public Safety, will retire on Dec. 31. The veteran law enforcement officer, 62, gave health problems and age as his reasons for stepping down.

A \$20 million miscalculation by the staff of the Public Utility Commission may result in a higher-than-expected rate hike for a telephone company.

Southwestern Bell Telephone Company may now be granted the entire \$145.2 million hike it requested last month. The PUC staff had recommended a \$136.4 million hike, but following discovery of the error, it changed its recommendation to \$156.4 million, about \$9 million more than the company can receive legally.

LAST YEAR, INSTEAD OF USING 882 MILLION GALLONS OF OIL...

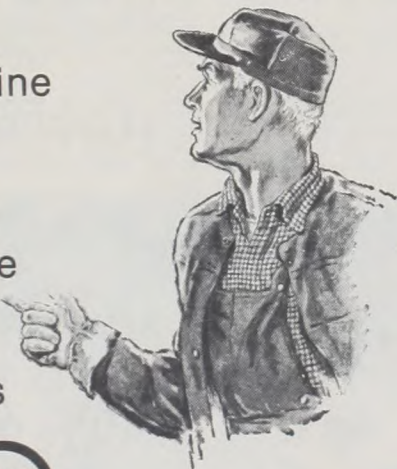

Texas Power & Light Company began a massive program back in 1968 to reduce its dependency on natural gas and oil by using lignite coal as a generating plant fuel. The first lignite-fueled generating unit began operation in 1971. Today, there are eight lignite units in service and five others are under construction or being planned. In 1978, we used 9 million tons of lignite coal to produce electricity. Had we used oil to generate the same amount of electricity, it would have required 882 million gallons... that's 21 million barrels... and that can make a lot of gasoline. We're working hard to do our part to help ease the energy crisis.

Prospects Honored At Buffet Supper

The Beta Kappa chapter of Epsilon Sigma Alpha Sorority honored prospective new members on Monday, September 10 at a buffet supper and party held in the Cooke County Co-op meeting room.

The club's scrapbook was displayed and members told of past activities of the service organization.

Guests were Mrs. Pam Fette, Mrs. Marcia Atchison and Mrs. Alma Wolf. Mrs. Barbara Felderhoff was hostess and rush chairman.

MRS. GARY JOE WALTERSCHEID
—Photo by Mathews Photographers

Double Ring Ceremony Unites Alisa Reid, Gary Walterscheid

Alisa Reid became the bride of Gary Joe Walterscheid in a Nuptial Mass with double ring ceremony in Sacred Heart Church on September 15. Father Stephen Eckart officiated at 5 p.m. before an altar decorated with lighted candles and arrangements of blue and white carnations.

The bride is the daughter of Mr. and Mrs. Thurman Reid of Myra and the groom is the son of Mr. and Mrs. Joe Henry Walterscheid of Muenster.

The bride was presented at the altar by her father. For her wedding she chose a bridal gown of white silk organza over taffeta, with an empire bodice of lace dotted with seed pearls, scoop neckline, long sheer sleeves and A-line skirt with a chapel train.

Her veil, made by her mother, was chapel length, trimmed with pearls and lace and was edged with a band of white floral-patterned lace. She carried a silk cascade of roses, tiger lilies, gypsophila and forget-me-nots.

She wore a 100 year old pair of earrings, formerly belonging to the groom's late-great-grandmother, Mrs. Theodore Wiesman and borrowed a blue sapphire and diamond necklace from her mother. A blue garter

was made by her grandmother Mrs. Pearl Wilkins.

Attendants

Mrs. Pat Sconce of Marietta was her sister's matron of honor and bridesmaids were Pam Yosten and Karen Walterscheid, groom's sisters. They wore blue, empire waisted, accordion pleated dresses, and blue picture hats and carried nosegays of silk flowers.

Terri Johnson of Krum and Shannon Sconce of Marietta were flower girl and ring bearer.

Steve Walterscheid of Denton was his brother's best man, Barney Reid of Myra, bride's brother and Tommy Tuggle were groomsmen. Rusty Reid of Gainesville, bride's cousin and Pat Hacker were ushers.

John, Douglas and Ronald Walterscheid, cousins of the groom were Mass servers. Anthony Luke played the organ and Karen House sang several selections, providing her own guitar accompaniment.

Reception

The bride's parents hosted a reception, dinner and dance in the Community Center. Mrs. Ernest Martin, bride's cousin and Sally Sherrill were at the guest book. Dance music was provided by Barney Reid, Paul Reynolds, Johnny Morgan, Calvin Hartline and Roland Serna. Guests danced under an antique gold and white chandelier covered with crystal prisms and holding 12 votive candles. This was brought from Germany by Steve Walterscheid.

The bride's table held the wedding cake, a centerpiece of blue and white carnations and antique candelabra belonging to Steve Walterscheid.

Reception assistants were Betty Rose Walterscheid, Tina Reid, Mechal Reid, Monnie Reid and Beverly Sawyer.

The bride is a graduate of Era High School and is employed by IBJ in Myra. The groom is a graduate of Muenster Public High School and is employed at Valente in Muenster.

The rehearsal dinner was hosted by the groom's parents. Showers were hosted by bridesmaids and Sally Sherrill on August 19 and by Rose Black, Maggie Mathews, Dorothy Black and Marcie Tate on September 1.

Attend Retreat
Mrs. Joe Fisher, Mrs. John Fisher, Mrs. Bertha Pick and Mrs. Vic Gremminger attended the weekend Retreat at Montserrat Retreat House last Friday through Sunday. About 50

women attended the event conducted by Father James Babb, in the new chapel, dedicated last June.

SNAP Bake Sale

Senior Citizens of Muenster will hold a Bake Sale at

the SNAP Center on Tuesday, October 9, from 9 a.m. to 5 p.m. to benefit the organization. It is open to the public and everyone is urged to support the project.

New Future Homemakers of America chapter officers at Muenster Public School are, l. to r. Kim Walterscheid songleader; Toni Dittfurth parliamentarian; Lou Dyer pianist; Judy Walterscheid secretary; Linda Lutkenhaus historian; Karen Walterscheid vice president; Beverly Trubebach president; Denise Sicking sgt. at arms; Carol Klement treasurer; Judy Dittfurth reporter; Carla Otto Installing Officer. —Staff Photo

FHA Has Reception And Installation

Formal installation ceremonies were held by the Muenster High School Chapter of the Future Homemakers of America on Monday evening, September 4 in the Homemaking Department.

Following the installation of officers for the '79-'80 school year by Carla Otto, new members were accepted in a similar ceremony. They included Susan Bayer, Jenny Hellman, Ginny Fisher, Connie Lutkenhaus, Jill Mollenkopf, Dora Sicking, Sherri Hess, Lisa Serna, Tina Koelzer, Teena Tisdale, Mary Winn, Shelly Zimmerer, Sheri Boydston, Stephanie Richey, Kyla Hale, Tami Lawrence, Nancy Walterscheid, Sara Walterscheid, Renee Wimmer, Sandy Wimmer, Kristi Oakley.

Among requirements for admission were committing the FHA Creed, Song and Motto to memory.

Receiving attention and a good bit of discussion was the quilt made by senior members of FHA during the '78-'79 school year and current members. It is shown in the display case of the Homemaking Department to benefit the organization. Arrangements were made to keep a scrapbook for the group.

When outside temperature is 75 degrees or below, save energy by turning off the air conditioning system. Use a fan instead.

Janie Hoehn of Nocona Weds

Janie Leann Hoehn, daughter of Mr. and Mrs. Jack Hoehn of Nocona, and Damon Douglas McConnell, son of Damon McConnell of Gainesville and the late Mr. McConnell, were married on August 18 in the Central Christian Church of Nocona. Rev. O.C. Harper officiated for the traditional double ring ceremony.

The bride was presented at the altar by her father, who is a former resident of Muenster.

The bride wore a full length white satin gown with overdress of flocked organza. Her matching veil of organza was held in place by a white satin cabbage rose tiara. Her bridal bouquet of pastel carnations and gypsophila was atop an ivory heirloom Bible belonging to her late paternal grandmother, Mrs. A.T. Hoehn, who was also a former Muenster resident. The bride also carried heirloom handkerchiefs belonging to her

maternal grandmother, Mrs. Howard Carpenter of Bonham and the late Mrs. James Onstott.

The matron of honor was the bride's sister Terri Martin of Nocona. Bridesmaids were Sheila Carnline, a sister of New Orleans, Kim Porter a cousin of Gainesville, Joyce Cler, a cousin of Muenster and Teresa Womack, a friend of Nocona.

They wore off-the-shoulder dresses in apricot, green, yellow, pink and blue respectively, designed with flounced eyelet skirts. Each had a matching picture hat and carried long stemmed carnations.

The best man was Dale Leonard and groomsmen were Russell Hughes and Rick Porter all of Gainesville; and Mark Cler and Doug Cler, brides' cousins of Muenster. Ushers were Lynn Roberts and Eddie Walker of Nocona.

Wedding music was presented by Dane Covery and the officiating minister.

The reception was held in the church parsonage. The wedding cake was made by the bride's sister, Sheila Carnline.

The bride is a graduate of Nocona High and ETSU in Commerce and is a legal secretary for Roger Williams, attorney. The groom is a graduate of Gainesville High and is a switchman for the Santa Fe Railroad.

Among relatives attending were Mr. and Mrs. Bill Hoehn of Deer Park, Mr. and Mrs. Eric Randolph and children of Thackerville, and Mr. and Mrs. Ed Cler of Muenster.

The U.S. Post Office Department approved the use of zip codes and two-letter state abbreviations in 1963.

Beta Kappa Hears Taped Book Review

Members of Beta Kappa heard a taped book review of "How To Live 365 Days a Year" as the educational feature of their September meeting. Mrs. Marcie Wilde gave a brief introduction. Mrs. Loretha Cash presided and Mrs. Betsy Fleitman was hostess in her home, and served refreshments to members and one guest, Mrs. Pam Fette. The next meeting will be in the home of Mrs. Barbara Felderhoff when a model business meeting will be conducted for new members.

Homemakers Club Forms at Lindsay

Young Homemakers of Texas have organized a new chapter in Lindsay. Their first meeting was Wednesday, September 19.

Elected to head the organization for its first year are Peggy O'dell president; Janie Wilson vice president; Julie Schumacher secretary-treasurer; Mrs. Steve "Pat" Zimmerer parliamentarian; and Janet Cunningham reporter and historian.

The club's first project will be a "door to door" collection to benefit the Cystic Fibrosis Foundation.

The regular meeting date was set for the third Wednesday of each month, at 7:30 p.m. in the Homemaking Room of Lindsay High School.

All new members are welcome and urged to attend.

Cards Recommended

Mrs. John Steele, a former resident of Muenster now living at Gainesville Convalescent Center, will observe her birthday on October 3. Her many friends in this area will remember the joy she expressed when she received a shower of cards and greetings on her birthday last year. Cards will reach her again this year at Gainesville Convalescent Center, 1900 O'Neal St. Gainesville, 76240.

Christmas in Nov. Program Planned

November 8 and 9 are the days for seeing the "Christmas In November" exhibit at the Gainesville Community Center. The annual sharing of Christmas ideas, decorations and crafts will be the project of a number of clubs and organizations of Cooke County.

The concession stand will be open for lunch or coffee breaks. Exhibits will be open

to the public from 12 noon until 9 p.m. on Thursday November 8 and from 9 a.m. to 4 p.m. on Friday the 9th. A variety of craft demonstrations are scheduled.

Phone 759-4311, or send to Box 190, Muenster, 76252, to share news of interest with out-of-town friends, relatives, or former residents.

SS Beneficiaries Alerted to Annual Limit on Earnings

This is the time of year when the earnings of many working people who receive social security benefits are approaching the point where their benefits may be affected, Gus Jones social security manager in Sherman, said recently.

Once a person's earnings exceed the annual limit, \$1 in benefits is generally withheld for each \$2 of earnings. The

1979 annual limits are \$3480 for people under 65 and \$4500 for people 65 or over. Many people getting benefits plan to earn no more than the limit but for one reason or another, their earnings exceed it and they have to repay benefits that were incorrectly paid.

That is the reason, Jones said, people should take a little time to review their ear-

nings for the first part of 1979 and make sure of where they stand. One thing people should keep in mind is that gross earnings, not just take home pay, counts towards the annual limit. Remembering this point will keep many people from going over the limit.

Another important point is that it is when wages are earned, not paid, that decides whether they should be counted. For example, wages earned late in 1979, but not paid until 1980, count toward the 1979 annual limit. By the same token, wages earned late in 1978 but not paid until 1979, do not count toward the 1979 limit.

More information about how earnings affect social security benefits can be found in the leaflet, "If you work after you retire." Copies can be obtained at the Sherman social security office, located at 810 N. Travis. The telephone number is 893-4654.

Lautenslager Baptism

Dana Suzanne Lautenslager, three week old daughter of Mr. and Mrs. Richard Lautenslager of Carrollton, was baptized Sunday, September 23, at 3:30 p.m. in a ceremony attended by a large group of relatives.

Maurice Lautenslager, permanent deacon, officiated at the baptism of his first grandchild in St. Pius X Church in Dallas.

Baptismal sponsors were an aunt and uncle Ann Lautenslager of Austin and Tom Fuhrmann of Denison.

The infant wore the same long baptismal dress worn by her mother, handmade by her maternal grandmother and worn by all children and most of the grandchildren in the Val Fuhrmann family.

Following the church ceremony, the paternal grandparents, Mr. and Mrs. Maurice Lautenslager, hosted a buffet dinner in their home in Mesquite for 25 relatives and friends.

ADVERTISEMENT

Many Hearing Problems Can Be Helped.

Chicago, Ill.—A free offer of special interest to those who hear but do not understand words has been announced by Beltone. A non-operating model of the smallest Beltone aid of its kind will be given absolutely free to anyone requesting it.

Send for this model, put it on and wear it in the privacy of your own home. While many people with a hearing loss will not receive any significant benefit from any hearing aid, this free model will show you how tiny hearing help can be. It is not a real hearing aid, and it's yours to keep, free. The actual aid weighs less than a third of an ounce, and it's all at ear level, in one unit.

These models are free, so we suggest you write for yours now. Again, we repeat, there is no cost, and certainly no obligation. Thousands have already been mailed, so write today to Dept. 2307, Beltone Electronics, 4201 W. Victoria St., Chicago, Illinois 60646.

"Take him out!"
Take out enough insurance to pay "full replacement cost" rather than depreciated value on your home or commercial building. Insurance to at least 80 per cent of value is the prime requirement.

Community 4-H Plans 2 Projects

Seventeen members and one guest attended the Muenster Community 4-H Club meeting Tuesday afternoon, September 18 at 3:30 in the T.P. & L. Building. John Zimmerer presided and Shellie Zimmerer led the Inspiration. During the business meeting, plans were made for the food project and bowling project. Tickets were distributed for members to sell for the Omelet Rodeo Supper to be held Tuesday, October 9 at Whaley Memorial Methodist Church, 5:30 p.m. - 7:30 p.m. 4-H families and friends are welcome. Tickets are \$2.00.

At the meeting members also brought enrollment activity cards up to date. Recreation was led by Michelle Kleiss. Amy Davidson is reporter for the Community 4-H Club.

A Wedding Anniversary

When all the family is together is an ideal time for a family portrait. As time passes it becomes more and more precious.

Mathews Photography
625 N. Grand, Gainesville, 665-2431

Karen Schilling and Richard Moster have chosen October 19 for their wedding day. Father Jim Moster, brother of the groom, will officiate in Sacred Heart Church at 6 p.m. The bride-elect is a daughter of Carl Schilling and the late Mrs. Rosalie Schilling. The future-groom is a son of Mrs. Elizabeth Moster and the late John Moster. Both are graduates of Sacred Heart High School. She is employed by Jr. Elite and he is employed by Muenster Milling Company. They will reside in Muenster.

Honor Society

The National Honor Society of Muenster Public High School has elected as officers for the '79-'80 school year the following: Lou Dyer president; Robert Weinzapfel vice president; Floyd Felderhoff treasurer; Kim Walterscheid secretary; and Toni Dittfurth reporter.

Other members of the National Honor Society are Henry Bayer, Julia Bright, Mark Felderhoff, Todd Richey, Barbie Wimmer, Gary Zimmerer and John Zimmerer.

Their first meeting of the current school year was held on Thursday, September 21.

Kindergarten

Michael Hellman's 6th birthday was observed in Kindergarten on Tuesday, September 18. His mother, Mrs. Janice Hellman was unable to attend but brought refreshments of punch and a very unusual birthday cake. It was made for Michael by his aunt, Mary Fisher. The cake was shaped like a T-shirt. It was chocolate, decorated in white and green, carrying his name, the numeral 6, and the birthday greeting. Michael also shared treats with his classmates.

Kathy Flusche, a senior is working with the afternoon kindergarten class during the 7th period each day. She is gaining experience for a career in Physical Therapy and plans to work with children. We appreciate her help.

Birthday

Jennifer Walter was six years old on Friday, September 21. Her mother, Mrs. Chris Walter brought refreshments of punch, a lovely birthday cake decorated with a cake doll, a pink skirt and flowers. Other guests were Mrs. Oscar Walter, Jennifer's grandmother, and Miss Rosa Juarez. The honoree distributed treats for everyone.

Hospital Notes

The following patients were dismissed during the past week at Muenster Memorial Hospital.

Tuesday, Sept. 18: Todd Fisher and Mrs. Ida Hesse, Muenster; Mrs. F.E. Gregory, Nocona; Paul Darnell, Fort Worth.

Wednesday, Sept. 19: Mary Becker, Muenster; Ruth Jones, Mrs. Lorene Comer, Mabella Travelstead and Elena Branch, Gainesville.

Thursday, Sept. 20: Mrs. Bess Orrell, Muenster; Ben Davis, Bowie; Roy McAfee, Gainesville; Jim Harry, Rosston.

Friday, Sept. 21: Mrs. Pauline Hellman, Muenster; Mrs. Wendell Griffith, Saint Jo.

Saturday, Sept. 22: Joe Luttmer, Muenster; Mrs. Lyndon Leonard and baby girl, Mrs. Gene Romero and baby boy and Mrs. Danny Potter, Gainesville.

Sunday, Sept. 23: Garland Dickerson, Nocona.

Monday, Sept. 24: Bill

Haverkamp, Albert Hess and Hubert Felderhoff, Muenster; David Black, Myra; Bobby Decker and Mrs. Kenneth Farr, Gainesville; Mrs. Jewel Goin, Sanger.

Stan Wylies Move On TI Promotion

Mr. and Mrs. Stan Wylie and son John are moving to Colorado Springs where he has been transferred, with a promotion to superintendent of a new Texas Instruments facility opening there on October 1.

They have lived in Grand Prairie for 25 years and their son George and his wife live there also. Another son, Jim is with the Army in Germany; a daughter Jeanette lives and works in Dallas and a son, Bill is a security guard in Irving.

When Margie wrote about their change of address, she told that Stan recently received a bachelor's degree in Management from Dallas Baptist College. She also said they are looking forward to 2½ acres of pine trees.

Thousands Pack Celina For Cindy Morris Day

Cindy Morris of Celina, the 17 year old cheerleader who has been paralyzed from the neck down since August 20, became a celebrity in absentia last Saturday. While she lay in a hospital in Dallas, thousands of people flocked to her home town to participate in Cindy Morris Day, a fund raising promotion to help pay for her medical expenses.

Cindy was hurt while performing a stunt at a cheerleader workout. Since then she has been living on a respirator, just breathing and being unable to talk. Her medical costs average \$1,000 a day.

To help pay the enormous

cost the people of Celina decided on the all day promotion and sent their invitations far and wide. People came by the thousands and patronized the concessions in a big way, after declining to take their change for big denomination bills.

A special feature of the event was an appearance by Dallas Cowboy cheerleaders. The day started early with a pancake breakfast and ended with a twilight concert, and the hours between were packed with carnival attractions, lunches, dinners, sales of cakes, canned goods and needlework, etc. etc. The day's goal was set at \$50,000. Whether it was reached has not been told.

Crossroads Club Plans Next Year

The Myra Crossroads Extension Club has completed plans for the next year's programs and has chosen a fund raising project of selling Tupperware.

Arrangements were completed during the meeting on September 20 at 7 p.m. in the Myra Community Room.

Hostesses were Mmes. Bernice Sicking and Kathy Vogel. The October meeting will feature a program on "Personal Happiness." It will be held in the home of Mrs. Kathy Vogel on October 18 at 7 p.m.

FHA Meeting Plans For New Members

FHA officers of Muenster Public School met on September 13 in the Home-making Department to schedule installation of officers and acceptance of new members for September 24 at 7 p.m.

Bev Trubenbach presided for the meeting. Other officers assisting were Karen Walterscheid vice president; Judy Walterscheid secretary; Carol Klement treasurer; Judy Dittfurth reporter; Toni Dittfurth parliamentarian; Linda Lutkenhaus historian; Denise Sicking sergeant-at-arms; and Joni Sturm supervisor.

SNAP Menus

Tuesday, Oct. 2- BBQ Beef on Bun, seasoned vegetarian beans, cabbage/carrot cole slaw, margarine, applesauce, crisp, milk.

Wednesday, Oct. 3- Meat Loaf with Tomato Gravy, fluffy mashed potatoes, herbed green beans, white bread, margarine, oatmeal cookies (2), milk.

Thursday, Oct. 4- Great Northern Beans with Ham, vegetable medley, tomato juice, cornbread, margarine, applesauce, milk.

Paul Becker Weds Brenda Sandmann

Mr. and Mrs. Paul Joseph Becker are on a wedding trip to Colorado following their marriage in St. Peter's Church of Lindsay on Saturday, September 22 at 5 p.m. The bride is the former Brenda Jean Sandmann, a daughter of Mr. and Mrs. Edward Sandmann of Lindsay and the groom is the son of Mr. and Mrs. Martin Becker of Muenster.

Father Alcuin Kubis of Little Rock, Ark. was celebrant of the Nuptial Mass and double ring ceremony.

Presented at the altar by her father, the bride was wearing a formal wedding gown of imported French Peau Dange lace veiled over diamond white silk taffeta, featuring a fitted bodice, Queen Anne neckline edged in matching lace, with tiny seed pearls tracing the design of the lace. Long bishop sleeves were caught to a crystal pleated ruffle at the wrists. The A line skirt was enhanced by a wide flounce of crystal pleated organza, which also encircled the chapel train. An open caplet of pearled Peau Dange lace held her three tiered finger tip length veil of imported silk illusion.

Her bridal bouquet was centered by a white orchid, white stephanotis, white feathered carnations and greenery entwined with her mother's crystal rosary. The bride also wore an heirloom wedding band belonging to her late great-grandmother, Mrs. Joe Schmitz; and she borrowed a pearl necklace from her sister, Mrs. Susan Fetsch.

Attendants

Mrs. Susan Fetsch was matron of honor and Mrs. Shirley Hess, groom's sister was bridesmatron. Sharon Voth, groom's cousin, and Carol Sandmann bride's sister were bridesmaids and Jackie Sandmann, a sister was junior bridesmaid. They wore matching floor length gowns of dusty green satin crepe with empire waisted jackets tied in front. Their flowers were nosegays of yellow gladioli and feathered carnations. Their gold cross necklaces were gifts from the bride.

Kristy Macready, cousin of the bride was flower girl and Darrin Hess, nephew of the groom was ring bearer.

Melvin Yosten was the best man and Glenn Hess, Chris

Bayer and Gene Rohmer were groomsmen. Garry Fetsch and Gilbert Hess, groom's brothers-in-law, were ushers. Kevin Macready, Jeff Sandmann and Michael Hubik, cousins of the bride were Mass servers. Irby Macready, uncle of the bride gave the readings in the Liturgy and assisted at Holy Communion.

Altar decorations included arrangements of white gladioli and green votive lights in gold candelabra on the altar and communion rail.

Wedding music was presented by Pat Hennigan Jr. organist, Mrs. Patsy Henry guitarist and Mrs. Teresa Krebs and Werner Becker, Sr. vocalists.

Reception

A reception, dinner and dance for 400 guests was held in the Gainesville Knights of Columbus Hall. Lisa Sandmann and Shirley Schmitz were at the bride's book, on a table covered with a crocheted cloth made by the bride's late great-grandmother, Anna Wiese. The Unity candle was made by the groom's aunt Mrs. Henry Voth, Jr. Silver candelabra for the bride's table were borrowed from the groom's aunt Mrs. Norbert Rohmer. Decorations were in the bride's chosen colors.

Doris Voth, Carol Rohmer, Gina Sandmann, Tammy Sandmann and Betty Rose Walterscheid served the three tiered wedding cake.

The rehearsal dinner, hosted by the groom's parents was at The Center Restaurant.

The bride is a graduate of Lindsay High School, attended Cooke County College and is employed at Jr. Elite. The groom is a graduate of Sacred Heart High School, attended CCC and is a dairy farmer.

Young Homemakers Win Three Awards

The Muenster chapter of Young Homemakers of Texas is the proud winner of three awards presented at the Area V Convention in Plano on September 22. Mrs. Sue Trachta, president and Mrs. Lou Moser, a member, and Mrs. Joni Sturm, advisor, accepted for the local chapter.

The three awards included: the Membership Award plaque, first place for an increase of 112 per cent; also the Superior Chapter Award, for completing fourteen of seventeen goals; also a cash award of \$35 for winning third place in the Outstand-

ing Chapter category.

Announcement has been made that Mrs. Norbert Rohmer will present a program on "Uses of Tupperware" at the October meeting on Wednesday, the 3rd at 7:30 p.m. in the Muenster Public School Homemaking Department. The public is invited to attend, with no obligation to join.

Members are reminded to bring their yearbooks to Sue Trachta at the Muenster Bank, to be brought up to date and returned during the October meeting. They are also reminded that annual dues are payable.

Little Monsters Break Jinx, Win First in 4 Years

Last Thursday was a great day for the junior high football players at Muenster Public School. They won their first game in four years, an 8-6 decision over the Era lads.

Era was first on the scoreboard with a sweep of about 40 yards around right end. Muenster scored in the final period after moving the ball on a pair of drives. The first, for about 60 yards ended with a fumble on the 20.

Era fought back to its 40 and also fumbled after which the Little Monsters got going again. Ronnie Fisher scored from the 5 and added 2 extra points on an end sweep.

By the identical score of 8-6, junior varsity boys of MHS were losers in the second game of the evening's program. The winners were the JV kids of S&S.

A 76 yard gallop by Gary Klement on the second play was the extent of Muenster

Tigers...

half Mel Walterscheid's fumble recovery gave SH a good position on the Lindsay 35. Nasche went 12 in two tries and his gain of 15 in the next series was nullified by an offside penalty. However SH gained in position while losing possession as a Knight obligingly intercepted at the 7 on fourth down instead of just breaking up the pass.

Lindsay had to kick on next series and SH got another start from the 30. Five plays were enough from there. Nasche gained 15 in two tries, Mike Hesse gained 3, Kirk Mollenkopf 10, a penalty gave 1 yard for free, and Nasche scored from the 1. Mike Hesse kicked his second extra point. Sacred Heart was comfortably ahead 14-0 at 6:42 in the third.

The remainder of the quarter was a midfield standoff but early in the fourth Bednorz raced down field in time to kill Hartman's punt at the 2 yard line. Lindsay was in a hole.

A 15 yard penalty gave free yardage to the 20. Then John Hartman caught Quarterback McCord for an 11 yard loss and forced the Knights to kick, after which the Tigers were looking at pay dirt 28 yards away. Nasche, Mollenkopf and Kenny Hartman made it from there in 10 tries, the last yard being made by Hartman's quarterback sneak. The kick for PAT missed. SH led 20-0 at 5:06 in the fourth.

The remaining time resulted in short yardage in midfield: Sacred Heart 1 first down, Lindsay 2.

Statistics	SH	L
First downs	11	9
Yards rushing	142	45
Yards passing	18	72
Passes completed	4-22	7-21
Intercept by	2	1
Fumbles lost by	1	3
Penalties	7-65	5-41

Neil Flusche, 22, of Muenster Junior High takes off on a run while team mates Wayne Ponder, 50, Ronnie Fisher, 30, Steven Vogel, 70, and David Winn, 10, set up their blocking formation. Their 8-6 win over the Era junior high kids broke a 4 year losing streak. —Photo by Janie Hartman

Tigers to Tangle With Panthers on SH Field Saturday

According to the records the Tigers should have no problems when they meet Saint Jo's Panthers Saturday night, but that is not the way they intend to play it. The coaches, Father Stephen Eckart and Virgil Henscheid, have made a point of convincing the boys that they are sticking out their necks if they take things for granted.

Reason No. 1 is that the defense is tough allowing only three touchdowns to date. Furthermore the Panthers have size and offensive potential that is due to shape up any time. If this is their week to put it together they will give Sacred Heart lots of trouble.

SH Cross Country Runs with Leaders

Members of the Sacred Heart cross country team, coached by Ronnie Hess, ran with the leaders last Saturday at Fort Worth Country Day School.

Ronnie Dangelmayr was third in the junior high boys' division. Anne Felderhoff was No. 7 and Sara Stoffels No. 10 in the junior high girls division.

Lisa Hennigan was 5th and Connie Stoffels 10th in junior varsity girls; Dale Schilling was 3rd and Mike Dangelmayr 5th in junior varsity boys.

This week the team intends to participate in a cross country run sponsored by Southwest High School at Texas Christian University.

While being cautious, however, the Tiger coaches are very pleased with the last tussle, especially the defense, which almost shut off the Knights rushing completely. Meanwhile Tiger rushers kept the game under control with their persistent pounding. Passing was not up to par but hopefully will be better after this week's practice.

Possibly the best asset of all, according to Henscheid, is the Tiger spirit. They were high as a kite taking on Lindsay and they have been equally enthusiastic in this week's workouts. Besides, all players are in fine physical condition. They're ready in every way.

The game will be on Sacred Heart field starting at 8 p.m.

scoring. Klement broke through the right side of the line, got in front and barely kept the lead in the long race to the goal. A run for extra points failed.

After that the young Rams used their superior size and experience to good advantage. They promptly powered their way 60 yards and scored on a 23 yard pass. They missed a kick for PAT and the score was 6-6.

The Rams followed with another drive that was stopped by Kevin Felderhoff's interception across the goal. Kevin was nailed at the 2 on his attempt run back, and on the next play the Rams scored a safety.

Just before the half ended the Rams moved again some 80 yards to first down on the 1 with almost a minute to go.

That's where the Little Hornets played big and refused to budge.

Apparently fired up by their goal line stand, the Hornets came out tough in the second half and dominated the action, mostly on Klement's runs and Kevin Felderhoff's passes to Tim Schneider.

As the last minute arrived Muenster got a first and goal at the 9 and got the same treatment they had given at the end of the first half. The Rams held. On fourth try a pass to Schneider was good for 5, just 3 yards short of a win.

There are four possible chances of holding a royal flush in a poker hand. However, the odds against it are 649,739 to one.

Muenster, Lindsay Start 14-A Season Here Friday Night

1979 football for the Muenster Hornets starts in a big way Friday night. In the first place it's the annual showdown with Lindsay's Knights, and in the second place it counts in the district race.

Furthermore, considering records of the season to date, it is probably a better matched game than the previous 3. As it turned out, Kennedale was big and stout and fast, whereas Chico and Era were clearly outclassed.

The signs are that it will not be that way when the Hornets and Knights clash. They have identical records of 2-1 and they are well matched in size and speed.

Lindsay showed lots of potential last week by playing the fired up Sacred Heart Tigers a tough first half. They led in stats though trailing in score. The big threat is Jeff McCord, a sharpshooting passer as well as a good runner. He has full respect from Coach Jerry

continued on page 11...

Shown are three of the Muenster Hornets involved in the one sided win over Era last week. They are John Klement, 52, Rusty Serna, 32, and Floyd Felderhoff, 80, with Mike Stevens 77, of Era at the bottom. —Photo by Janie Hartman

MHS blockers gather here to escort Tim Hermes, 21, on his sprint to the goal. They are Gary Zimmerer, 33, John Klement, 52, and Floyd Felderhoff, 80.

—Photo by Janie Hartman

Hornets...

finished the distance in two tries. Wolf's pass to Mark Felderhoff upped the score to 34-0 at 6:41 in the second period.

For the rest of the period MHS failed on its third series and Era responded with its first first down, a 24 yard pass, Taylor to Nash. But the bit of success ended abruptly with a fumble recovered by Frazier at the Era 41. Runs of 17 by Kevin Klement and 12 by Monte Wimmer reached the 12 by half time.

Following Era's punt ending the first series of the second half, Muenster started on its sixth TD. The 80 yard drive used five plays plus a pass interference ruling. Hermes scooted for 8. Wolf passed twice to Floyd Felderhoff, for 36 and 19. Interference was at the 5 and Rusty Serna scored from there on two tries. The score 40-0 at 8:02.

Briefly the Era kids got organized then. Roughing the kicker penalty gave them a second start at the 30 and passes to Nash and Dotson gained 10 and 18 but a fumble stopped the drive. Jeff Tempel recovered on Muenster's 45.

Seven plays plus a face-mask penalty were enough for the next TD. Hermes, Dale Swirczynski and Kevin Klement did the footwork in seven tries. Hermes scored from the 4 at 2:47 in the third.

The next Muenster drive was briefly interrupted as Era recovered a fumble and failed to make the required yardage in the next four plays. MHS then put on 62 yard drive in 8 plays. Wimmer and Klement accounted for 14 and 27 and Dale Swirczynski scored from the 8.

A bad snap to the punter gave Muenster a set up on the 11 for its next score. On second play Wimmer passed to Floyd Felderhoff for 8 and the touchdown.

As the closing minutes ticked away Era made a final successful effort to get on the score board. With 56 yards to go, it did the job in 8 plays, including a 15 yard penalty and three passes for 33. The pay off went from Taylor to Norris Boyd for 21 yards.

Passes accounted for what little success Era had. The total was 90, identically the same as Muenster's, whereas net rushing, after deducting losses, was only 1. Muenster's net was 378.

A disappointment in Muenster scoring was the failure to make points after touchdowns. The record in that department was two

Band Parents Meet

A special meeting of the Band Parents Organization of Muenster Public School will be held next Monday night October 1 at 7:30 in the band room.

The purpose is to discuss programs and projects on the band schedule and to plan fund raising events to finance non budgeted items.

All parents who have children in the band are urged to attend.

Football Tickets At MHS Cost Less On Advance Sales

Hornet fans, adults as well as students, have the opportunity to save money on all football games, at home and away, for the balance of this football season.

Principal Winn announced this week that advance tickets are available at \$1.50 for adults and \$1.00 for students. Admission price at the gate is \$2.00 per person, adult or student.

Winn said that advance ticket sales each week will be in his office starting Monday morning and ending after the pep rally Friday afternoon.

Volley Teams Take Callisburg Series

Muenster High's volleyball girls had everything their way Monday in two matches and five practice games with last year's champions of Callisburg High School.

Junior varsity won 15-5 and 16-14, and varsity won 15-3 and 15-1. After that Muenster won all of five practice games.

The district schedule starts next week with Muenster having a buy on the first date. After that it will play four Tuesdays in a round robin preceding the 14-A district tournament.

Hill Climber

Jerry Reed was second place winner in the 126 to 250 cc division of a motorcycle hill climb sponsored by Nocona Jaycees Sunday 3 1/4 miles northwest of Nocona. Competing with 12 other riders he made a distance of 66 ft. 1 inch up a 60 per cent grade. First place distance was 67 ft. 4 inches.

Physical Fitness Program Scheduled For Friday, 28th
By Evelyn Yeatts
Are you "physically fit"? Find out what is involved in Physical Fitness and its value at a special program planned for Friday, September 28.
The Physical Fitness Program will be held in the South Room of the Gainesville Community Center. It is being sponsored by the County Extension Service Family Living Committee and is open to anyone wishing to participate regardless of socio-economic levels, race, color, sex, religion, or national origin.
Dr. Don Merki, Chairman of the Department of Health Education at Texas Woman's University in Denton, will begin the program at 9:30 a.m. Dr. Merki will be speaking on the importance of keeping physically fit and what is involved. Following his presentation, Miss Marilyn Haggard, State Foods and Nutrition Specialist with the Texas Agricultural Extension Service, will speak on proper eating as it relates to keeping fit. She will also talk about the dangers involved in fad dieting.
To conclude the full morning programs Mrs. Teresa Cooper, who is a Physical Education Dance Major from Denton and former North Texas Teacher of Tap and Jazz, will talk about exercise. Mrs. Cooper will demonstrate a variety of exercises which contribute to keeping fit. She will emphasize exercises that can be done as a part of your regular work day. People attending may want to dress casually as Mrs. Cooper may ask for the group to participate with her.
If you want to feel your best and look your best throughout life—and who doesn't?—you must stay active. Some form of regular exercise is one of the most important factors in prolonging your active years.

SH Juniors Lose And Tie at Lindsay

Sacred Heart junior high played to a scoreless tie and the junior varsity lost 12-0 at Lindsay last week.

The first game was a defensive struggle featuring the Cubs' goal line effort which barely failed.

After recovering a Lindsay fumble on the 42 they gained to the 17 and fumbled the ball away. Then Neil Hesse's interception gave them another start on the 23, a penalty moved them half way to the goal and Hesse's pass to Jim Bartush was followed by a fumble on the 2.

Otherwise the game was played mostly in midfield and the only standout events were the turnovers. Sacred Heart lost 3 fumbles and 1 interception, Lindsay lost 2 fumbles and 2 interceptions.

The JV game rocked along as a defensive struggle in Tiger territory until early in the second quarter when an interception gave Lindsay a set up on the 13. A pass reached the 2 and a TD was

Whopper Copperhead

What's the measure of the biggest copperhead made found in this area? Bennie Haverkamp put in a bid for the record last Friday after killing one beside the lake at Jim Christian's ranch near Rosston. The remains after being exterminated by a shotgun blast measured 32 inches.

Bennie estimates the head measured an inch and a half, so he says the snake must have been 33½ inches long. He's claiming that as the record until someone comes up with a bigger snake.

Birth

Mr. and Mrs. Billy Kupper of Gainesville are parents of a daughter, Kimberly Rose born at Muenster Memorial Hospital on Tuesday, September 25 at 11:03 a.m. weighing 6 lb. 14½ oz. Her grandparents are Mr. and Mrs. John Kupper of Muenster and Mr. and Mrs. Paulo Borysowicz of Dallas. The great-grandmother is Mrs. Elizabeth Neu of Muenster. Kimberly Rose is a baby sister for Jennifer and Casey.

Scouts to Attend Ranger Baseball

Boy Scouts of Troop 664 will attend the Ranger Baseball game Sunday. In uniform, they will depart together at 11:30 a.m. It will be a Father-Son outing. Bob Vogel is assisting them with plans and arrangements. The decision to attend the Ranger game was made at the regular meeting Monday night. Cubs and their fathers are also invited to join the trip. Scouts and Cubs must wear their uniforms.

During the meeting, newly admitted scouts began working on their Tenderfoot Badges. Waylen Poole assisted on the hiking merit badge. Scoutmaster Bob Michaels assisted on tying of knots and David Bright on Communications Merit Badge and Mrs. Martin Kralicke on the First Aid Badge.

SH Class Sponsors Bike-Hike-a-thon

A Bike-Hike-a-thon will be held by the SHH Junior class on Sunday, September 30 to benefit Cooke County Child Development Center and the Sacred Heart Junior Class.

WHO: Anyone who can walk, run or ride a bike.

WHEN: Sunday, September 30, beginning at 2 p.m.

WHERE: In front of Sacred Heart High, then following a well-marked six mile route to Muenster City Park.

HOW to enter: Bring a completed pledge blank to the starting point any time after 1 p.m. on September 30. Pledge sheets are available from juniors or from local stores. Prizes will be awarded for the most money collected. Money must be turned in by Friday October 5, at 3:30 p.m. to Shellee Walterscheid treasurer or Mrs. Betsy Fleitman sponsor.

Refreshments will be available at the Park. Participants will receive the first drink free.

Prizes include, in order listed: an 11x14 color portrait, Mathews Photographers; \$25 cash Grewing Brothers; \$10 gift certificate Tops & Teams; \$10 gift certificate Rohmer's Restaurant; \$5 gift certificate Dairy Inn.

The Junior class encourages many entries; there is no age limit. The class and the Child Development Center will benefit.

SH School Menus

Real Estate Inspection - Open House Sunday, Sept. 30, 2 to 4 p.m.

Deed record shows the property to be the Northeast corner of block No. 85; 140 feet wide by 155 feet deep. This is an extra large property being almost 6 city lots (normally a lot in Muenster is 25' x 150' and it takes 3 lots for a house). There are many good trees on the property to include some large pecan trees. Lots of shrubs along the perimeter for privacy and beauty. The location is all the main travel area of town where you can have peace & quiet. Very good neighborhood. Close to all shopping, school and church. Curbing and pavement both sides.

The house contains 1270 square feet of living area with two bedrooms, one has a large closet water heater. Kitchen has metal cabinets, stainless steel top along one area including sink. Formal dining room, carpeted and built in china cabinet. Nice living room carpeted and with a decorator fireplace. Another small room that could be a bedroom or used as a utility or sewing room. A small screened in back porch. Large front porch, edges decorated with brick leading to the entry. The construction is wood frame and wood siding. Corn position roof about 5 years old. Ceilings are 10 ft. high, interior has been mostly sheetrocked. House appears to be in good physical condition. Probably the showplace of Muenster when it was built. The house will be left in its present condition so the new owner can refurbish to their liking or possibly leave in it fair to good condition.

Out back is a Garage 18' x 20', siding matches house and a metal roof. At the back of the lot is a building once used as a cow barn, size 16' x 18'. Another 8' x 10' and 6' x 8' once used as chicken houses in excellent condition with metal sides and roof.

All this will be sold with minimum or reserve. Come and place your bid on the property on sale day, be prepared to make a deposit of only 10% on sale day and the balance in full at closing. Please make your financial arrangements prior to sale. Abstract of title will be furnished. Any question you have will be gladly answered by Auctioneer. Real Estate to be Auctioned at 1 p.m.

Announcements Sale Day take precedence over all advertising.
Inspection Merchandise: Morning day of sale. Terms Merchandise: Cash day of sale.

Cub Scouts Receive Promotion Badges

Eight boys, members of Den 4 of Muenster Cub Scouts, received Bob Cat badges at the monthly Pack meeting on Monday, September 24. They are Shayne Wimmer, Joseph Shane Wimmer, Bill Wimmer, Jeff Walterscheid, Don Joe Park, Johnny Herr, Jason Brogdon and Murlin Evans.

Lupe Evans, den mother for Den 4 received the Parent Attendance ribbon which will hang in Den 4 until next month's pack meeting. Total number of Den 4 parents attending were twelve.

SH JV Loses 7-0 To Cowtown Kids

Junior varsity kids of Sacred Heart Country Day played on even terms for most of 40 minutes, and suddenly the visitors cashed in a fat opportunity. Following a short drive, they tried a pass to the end zone and got the ball on the 1 when officials ruled pass interference. From there they went to a TD and improved the score with an extra point.

Otherwise the teams played very much the same. Both moved the ball but failed to keep going.

Forestburg News

by Myrt Denham

Mrs. Decie Ellzey has herself another great-granddaughter. The young miss was born Wednesday September 12 to Mr. and Mrs. Ken Wooten of Lafayette, Indiana. Her name is Carissa Rose and her weight was 8 lbs. Carissa's grandparents are Mr. and Mrs. Jerry Boelter of Arlington.

The following news item was contributed to this column by Veronica Edwards reporter for the Forestburg 4-H Club:

The Forestburg 4-H Club started out a new year by holding their first meeting on Wednesday September 12. The 4-H members elected new officers. They are: President Janice Lanier, Vice President Leann Hays, Secretary Treasurer Pam Edwards, Reporter Veronica Edwards, Council Delegate Douglas Edwards,

Douglas Edwards, Parliamentarian Dee Dee Andrews and Recreational Chairman Page Sirman. Each member received a membership card. Refreshments were served by Mmes. Mary Harp and Cleo Lanier.

Visiting in the Joe Hunt home on Sunday September 16 were Mrs. Vivian Barnett, Mrs. Eva Sherry of Sunset and Mr. and Mrs. Ben Matlock of Fort Worth.

Mrs. Cora Mae Greenwood will have herself a birthday come Saturday September 29.

The FHA girls had their annual HOBBO DAY on Saturday, September 16. This is a money raising project where the young ladies go out in the community to do all sorts of odd jobs.

Ted and Laura Belle Jackson headed for Miami, Texas Tuesday Sept. 18 to visit their daughter and husband, Mr. and Mrs. Johnny Brogdon. They also visited with their granddaughter,

Mr. and Mrs. Randy Williams of Shamrock and Mr. and Mrs. Doug Benge of Canadian. Mmes. Williams and Benge are sisters and daughters of the Johnny Brogdons.

The Forestburg United Methodist Women met at the local United Methodist Church on Wednesday evening September 19. Mrs. Lucille Littell, President, opened the meeting, then a program on "Human Rights" was lead by Mmes. Alice Shears and Myrt Denham. Others present were: Mmes. Esther Shears, Cleo Lanier, Marion Sockwell, Dorothy Thompson, and Decie Ellzey. Following the program and a business meeting, refreshments of watermelons were enjoyed by all. The next meeting will be on Wednesday Oct. 3 and will be the first session of a study on the book of "Revelations" to be presented by Mrs. Dorothy Thompson. Anyone interested is invited to attend these studies.

Mr. and Mrs. Donald R. Sledge of Nocona visited with his mother Mrs. Atrice Sledge on Sunday September 16th.

Mrs. Veda Brogdon underwent surgery in the Nocona Hospital on Friday September 21.

Charlie Tenney of Denton visited with Mr. and Mrs. Willie Orrell on Sunday Sept. 23rd.

The Price Truitt abode at Mallard was the scene of a Steak Bar-B-Q Supper, Saturday evening, September 22. Others enjoying the cookout, fellowship and fun-time were: Mr. and Mrs. Price Truitt, Mr. and Mrs. Don Moore and daughter, Mr. and Mrs. Fred Gosset all of Argyle, Mr. and Mrs. George Hasting of Denton and Mr. and Mrs. Perryman Denham.

Mr. and Mrs. Randy

Greenead and Mr. and Mrs. Will Payne and family visited with Mr. and Mrs. Herschel Holzbog and the Vint Freemans the weekend of September 22.

Mrs. Wanda McGee of Lawton, Oklahoma and Jacksonville, Alabama arrived at D/FW Airport at 3 p.m. Saturday September 22 and was met by brother Buford Greenwood. Mrs. McGee will visit with her mother Mrs. Georgia Greenwood and other relatives.

Mrs. Alice Shears had dinner with Mr. and Mrs. Ross Littell Sunday September 23. Then in the afternoon Mmes. Shears and Littell motored over to Nocona where they visited Mrs. Shears cousin Mrs. Inez Butts. They also visited Mr. and Mrs. Mark Landers in Pleasant Haven Home in Nocona and Mrs. Veda Brogdon in the hospital there.

The Saint Jo-Forestburg United Methodist Youth Fellowship gathered at the home of the Perryman Denhams Sunday night September 23 for a patio party. There were about 16 young folks plus Rev. and Mrs. George Thompson and Mrs. Jewell Dill. During the party refreshments of dips, chips, salads, cokes and watermelons were enjoyed by all.

Mr. and Mrs. Howard K. Garrison and Crissie of Argyle visited Mrs. Garrison's grandparents Mr. and Mrs. Howard Sockwell Sunday September 23.

Third and fourth grade students celebrating their birthdays this week with parties at school and joined by their classmates are: James Putnam, Sept. 24; Tara Romine, Sept. 25; and Bart Sirman, Sept. 29. Others partaking in the festivities are teacher: JoAnn Greenwood and mothers Catherine Putnam and Sue Sirman.

Recent visitors in the Buford Greenwood home were Mr. and Mrs. Sam Parson and family of Wichita Falls.

Mr. and Mrs. Clayton Fenoglio and son of Bowie visited her parents, Mr. and Mrs. Eddie McClure and Becky of New Harp recently.

Jeff Carter and his dad Jack attended the Dallas Cowboy-Chicago Bears football game Sunday, Sept. 16.

The residents of the Yester-year Nursing home of Saint Jo were treated to a watermelon party Monday afternoon Sept. 24. Hostess was Mrs. Alice Shears and the melons were donated by Johnny Carter.

Area Members Attend Homemaker Clubs State Conference

Several Cooke County members of the Texas Extension Homemakers clubs attended the 53rd annual Statewide Conference of the Association on September 25-26 in Fort Worth.

The delegates included Mrs. Bernice Sicking of the Crossroads Extension Homemakers Club of Myra; Mrs. Mary Evelyn Hermes of the Hood Extension Homemakers; and Mrs. Sue Austin of the Callisburg club.

Other members attending were Mrs. Monica Hess of

the Bluebonnets Extension Homemakers Club and chairman of the county council; and Mrs. Imogene Zimmerer of the Hood Club. Attending part of the conference were Mmes. Patsy Bell, Agnes Brandon and Wilma Richardson of Ross Point; Marva Sue Nehib and Sue Reasor of Four Corners Club; Marian Baker, Barbara Pybas, Emma Spencer and Bernice O'Brien of the Sivells Bend Club.

"Living, Learning and Sharing in Century III" was the theme for the conference held at Green Oaks Inn.

Hesston Sweepstakes Open at S&W

For the second consecutive year, the Hesston Corporation is launching one of the biggest sweepstakes in the farm equipment industry.

The HESSTON GRAND CHAMPION SWEEPSTAKES, which runs from September 15 to December 31, 1979, offers the Grand Champion prize winner in each of four geographic areas of the United States, the Hesston product of his choice, free. Hesston is making nearly 40 products eligible for the sweepstakes from its line of hay harvesting and handling machines; forage harvesters, tillage implements, and manure handling equipment.

Forty Reserve Grand Champion prizes will also be awarded. 10 winners will be drawn in each of 4 geographic areas of the U.S. Each of these winners will receive \$250.00 in merchandise from the Cutter Bill western wear catalog.

According to S&W Tractor Co. the local Hesston Farm Equipment dealer sponsoring the sweepstakes, contestants must be 18 or older and actively engaged in farming or ranching to be eligible to enter. Entry information is available at his Hesston dealership at I35 at Hwy. 82 Gainesville.

S&W Tractor Co. has the full list of eligible Hesston products plus complete rules for the contest. The Sweepstakes ends December 31, 1979, and the winners will be announced in mid-January.

Mrs. G.M. Lehnertz of Tyler and daughter, Mary Lauren who is employed at Nieman Marcus in Dallas, were Sunday guests of Mrs. Agnes Lehnertz. Joining them for dinner was Mrs. Alice Hellman of Moss Lake.

Mrs. Agnes Stewart of Dallas spent last weekend with her sister and brother-in-law Lena Mae and Martin Trubenbach. Together they attended the Sandmann-Becker wedding in Lindsay on Saturday evening.

News of the Sick

Carl Herr of Denton and formerly of Muenster, underwent surgery at Flow Memorial Hospital Friday. His wife phoned relatives here to tell them that he was resting well and making normal recovery.

Two Honored at Birthday Party

Family members who observed birthdays in September were named honorees at a family party held Sunday September 16 in the home of Mr. and Mrs. Tony Felderhoff.

Mrs. Felderhoff and her granddaughter, Celia Felderhoff who both observed birthdays that day. The decorated birthday cake made by Mrs. Sylvan Walterscheid carried the names of all honorees: Danny Walterscheid, Bobby Hartman, Anne Felderhoff, Chad Felderhoff, Celia Felderhoff and their grandmother, Mrs. Tony Felderhoff.

Dinner was served at noon. Attending were the Charles Felderhoff family of Lewisville; the Steve Felderhoffs and son of Lewisville; Mrs. Lawrence Dittlinger of Houston; the Bobby Zimmerers and daughter of Gainesville; the A.J. Felderhoffs of Gainesville; Sharlene Page; the Alvin Hartmans, the Sylvan Walterscheids and the Joe Felderhoffs.

Auxiliary Project To Benefit Cancer Aid and Research

The Muenster VFW Auxiliary is actively assisting Cancer Aid and Research by giving information to the public and sponsoring a benefit for the annual drive. Members will sponsor a bake sale on Friday, October 12, 11 a.m. to 5 p.m.

The organization points out that no one is immune from cancer, regardless of race, age, sex, creed or social status or wealth.

There are three key phases: Education; Aid and Research; Service and Rehabilitation.

Education: Cancer is an uncontrolled growth and spread of abnormal cells, and, if not controlled or checked, results in death. However, with cancer education, many cancers can be cured if detected early and treated properly.

Aid and Research: Contributions help cancer-stricken victims through grants, thereby easing financial burdens. They also enable doctors to spend countless hours trying to save two lives out of four by their research in surgery, X-ray, radio active substances, chemicals and hormones.

Each patient is and must be treated for his particular case. No two are alike.

Rehabilitation and Service: Once cancer has been diagnosed and all treatment given, other help is needed. Volunteer hospital work, transportation for treatment, help at home, etc. are needed.

Health is a gift of life; giving is a gift of love. The VFW Auxiliary encourages generous support to benefit Cancer Aid and Research.

YOU CAN BANK ON IT!

Keeping profit in the proper perspective is something many people seem to have a hard time doing. In our free enterprise system, profit is the catalyst that makes everything else happen. Without the incentive of profit, there would be no investments in new plants and equipment. No new products or services. No new jobs. No pay raises.

In the past 25 years, payrolls in our country have increased from just over 55 percent of the total dollars spent on all goods and services to nearly 62 percent. In terms of real earning power (after the effects of inflation), wage earners have increased their earnings by almost ten percent in the past decade. And this has come after a dramatic increase in the work force.

Our country has moved to the number one position in standards of living because of a healthy system of free enterprise. Regaining our positive attitude toward this system and the benefits it can bring to all of us is the first step towards new progress. It's a step in the right direction... You Can BANK On It!
