NUMBER 49

With Election 1980 less than two weeks away, it's high time for careful consideration of the present administration's record, especially as it reflects the promises of four years earlier and what it has done to the country.

Jimmy Carter was emphatic in promising that he would keep America strong, promote private enterprise, fight inflation, reduce unemployment, lift up the poor and treat women as equals. He portrayed himself as tough and determined, deeply religious and compassionate, a man of morality, honesty and trust...Mr. Everything, and you could depend on it.

Well, his record has been a sad story from every consideration. In the first place it seems to have produced the first trio of double-digit economic woes in all of our country's history. We have double digit inflation, double digit interest rates, and double digit unemployment, along with outrageous increases in spending, requiring the greatest taxes ever.

At this time federal spending exceeds a million dollars a minute, which makes it necessary for Internal Revenue Service to raise taxes higher and faster than under any other peacetime president. The 4-year total could amount to about \$270 billion, a colossal increase of nearly 75 per cent.

Concerning his 1981 budget, Carter said "there is no waste in it that we could possibly eliminate," but within weeks he had found some \$15 billion of waste. Federal officials have conceded that total losses from fraud and abuse could run as high as 10 per cent of all programs, which amounts to about \$60 billion a year. Along that line a UPI reporter, David Lambro, has just written a book "Fat City: How Washington Wastes Your Taxes" which concludes that government squanders \$100 billion of tax money every year.

Another big and inexcusable expense is the high cost of government regulation, which is estimated to have increased 54 percent in the past four years. This government snooepervision is now estimated to cost every American about \$500 a year.

As regards the size of the federal bureaucracy, Carter claimed early this year to have lowered the number by 20,000 persons since coming to office. But official Labor Department figures at that time said the number was up by 58,000.

From an economic standpoint the worst bungling of the Carter administration was on the energy issue. In fairness it should be admitted that his predecessors fumbled the subject since it first came up in 1973, so the fault did not start with him.

However his was the privilege of looking back on three years of others' mistakes, but he had no solutions and to date has not come up with any. He has had ideas on conserving but interfered with production proposals that could increase supply and start our country on the way to energy independence. He and his overly cranky environmentalist friends have opposed and delayed exploration and development on public lands and the continental shelf. Meanwhile they cooked up the "windfall profits" scheme, which actually is a ripoff to take tribute from oil producers and royalty owners. Everything considered, the president did all he could to prevent US energy progress and make the country more dependent on OPEC.

While doing nothing to help the energy problem, the administration made matters worse by creating the Department of Energy, a bureaucratic boondoggle which apparently has done

Lawsuit Challenges Legality Of Windfall Profits Tax

Texas independent oil producers and royalty owners are actively involved in the major lawsuit filed in Cheyenne, Wyoming, today attacking the constitutionality of the Crude Oil Windfall Profits Tax. Dallasite L. Frank Pitts, President of the Austin-based Texas Producers and Royalty Owners Association described the tax as "a capricious and arbitrary excise measure" that hits hardest the nation's 12,000 independent producers and some two million royalty owners.

Stated Pitts: "The so-called windfall profits tax is totally unrelated to profits

and amounts to the biggest excise tax in history. More than \$227 billion will be siphoned from the producing industry during the next decade, assuring that literally hundreds of thousands of badly needed domestic wells will not be drilled. Furthermore, it endangers the economic livelihood of the more than 1.5 million royalty owners who average less than \$300 monthly in royalty income and find themselves losing more than one-third of it under this unreal tax. Most of these owners rely on Social Security and modest royalty income to pay their bills.

"Some 700,000 Texans are paying approximately one-third of the gigantic tax measure, and the State's economy as a whole will suffer even more loss as plans for more than 200,000 wells are cancelled during the next ten years to finance the tax burden. Ironically, the expressed purpose of the tax is to expand domestic energy and thereby reduce costly oil imports from the security-sensitive Mid-East and other foreign sources. In fact, the tax does the opposite, and this will be the main argument pressed in the court case.

"As the case proceeds to the U.S. Supreme Court in the future, additional arguments will be pressed. The Constitution requires that an excise tax be levied uniformly. The windfall tax fails to do this, since it exempts production north of the arctic circle in Alaska. The tax also is levied on a minority to finance as yet unknown objectives for the common good without providing appropriate compensation under due process requirements of the fifth amendment."

Barbie Wimmer is the 1980 Homecoming Queen at Muenster High School. She is the daughter of Mr. and Mrs. Andy Wimmer and is shown just moments after the announcement, exhibiting surprise and elation, wearing her crown and holding the presentation bouquet of red roses. Her escort was Tim Hermes. Members of the Ex-student Association were in charge of the ceremony.

Fund Drive Starts Sunday For New Baptist Church

With a spacious new building in sight, some 130 members of the First Baptist Church in Muenster will launch a fund raising drive during next Sunday's services, according to a statement this week by David Lively, promotion director.

The structure they have in mind is planned for a floor

space of approximately 4070 square feet consisting principally of an auditorium which will become the place of worship. It will be a brick building of \$100,000 estimated cost situated south of the present structure and to be attached to it. The distant plan, not related to the present campaign, is

eventually to remodel and renovate the present building.

Robert Russell has been named the campaign chairman working with Keith Thomas, pastor, and Dr. Charles Tidwell of the Southern Baptist Convention as consultant.

The congregation has adopted the campaign slogan "Together We Build", and a goal to get construction underway shortly after the first of the year. The campaign will ask members to pledge weekly donations for three years, which hopefully will be sufficient to complete the payment.

James Fisher Honored for Park Service

The National Recreation and Park Association, The National Advocate for the Park and Recreation Movement, will bestow its National Distinguished Professional Award upon James F. Fisher at the

National Recreation and Park Association Annual Congress to be held in Phoenix this month. The National Distinguished Professional Award is the highest citation awarded by the National Recreation and Park Association.

James F. Fisher has been executive director of the North Jeffco Metropolitan Recreation and Park District since 1972. Prior to joining North Jeffco, Fisher was director of Parks and recreation for the city of Aurora. With more than 20 years of professional experience in the recreation discipline, Fisher already holds numerous honors: The 1975 Fellow award from the Colorado Parks and Recreation Society; The 1977 Ruby Award from the Southwest Park and Recreation Training Institute; the 1977 Fellow award from the Midwest District Council of NRPA; the 1978 Diamond Award from the southwest Park and Recreation Training Institute and the 1979 award of Excellence from the citizens-board members branch of the National Recreation and Park Association. Mr. Fisher received special recognition from the North Jeffco Board of Directors in 1977 when cited for his unselfish dedication of time, talents

Former Resident Receives Jaycees' Top National Rating

Joe Arthur Jackson, a former Muenster resident, has been selected as one of the Outstanding Young Men of America for 1980. He thus receives one of the highest awards endorsed by the United States Jaycees.

His parents, Mr. and Mrs. Hugh Jackson of Fort Worth, were advised of the selection in an announcement to them from Doug Blankenship, Chairman of the Board of Advisors and Past President of the United States Jaycees.

In receiving this distinctive honor, he "joins an elite group of young men from the entire United States who have demonstrated their excellence in

Rody Klement Dies of Cancer

Roman J. (Rody) Klement, 55, died last Saturday, October 18, 7:50 p.m. at St. Paul's Hospital, Dallas, a victim of cancer, which had afflicted him for about six months.

Since the nature of his illness was discovered, Rody was a frequent patient for surgery and therapy at St. Paul's. In his final hospitalization, he spent a week at Muenster Hospital, then a week at St. Paul's.

Rosary service for him was held at 4 p.m. Monday and a wake service at 8 in the chapel of Nick Miller Funeral Home.

The funeral was held at 10 a.m. Tuesday in Sacred Heart Church with Father Stephen Eckart officiating at the Mass of Christian Burial and Fathers Placidus Eckart, Cletus Post and Harry Fischer concelebrating. Also participating in the funeral liturgy were Monte Reiter and Shirley Otto in scriptural readings, Karl Klement and Mrs. Harold Bindel in presentation of offertory gifts, and members of the Sacred Heart School Choir.

Father Stephen's homily referred to Rody's intense suffering, saying his sacrifice is not in vain but

accompanies him as he returns to the Father. And "his attention turns now to providing a heavenly home for those he loved, as he had provided an earthly home for them before."

Burial was in Sacred Heart Cemetery directed by Nick Miller Funeral Home and it was followed by traditional military services of a 3-volley rifle salute and taps conducted by the VFW's burial detail under direction of Arthur Bayer.

Pallbearers were John Pangel, Leon Klement, Wayne Klement, Jim Klement, Lloyd Klement and Claude Klement.

Rody Klement was a native of Muenster, born July 17, 1925, a son of the late Mr. and Mrs. John B.

Klement. He spent all of his life here except when he was a member of the armed forces during World War II. He was a member of the local K of C Council and VFW post and was part owner of Community Lumber Co. He was married to Marcelene Wimmer on September 24, 1955. They observed their silver anniversary this year.

Survivors are his wife; two daughters, Kimberly and Tracy and three sons, Curtis, Cory and Ryan all of the home; also one sister, Mrs. Buddy Reiter of Muenster and seven brothers, Norbert, John A., Edgar, Roy, Walter and Martin of Muenster and Albert of Lindsay.

County FB Meeting Set October 23

The Cooke County Farm Bureau has scheduled its annual meeting for October 23, 1980 at the Community Center in Gainesville, beginning at 7:00 p.m. according to County Farm Bureau President, J.A. Klement.

The tickets for the dinner meeting may be obtained at the Cooke County Farm Bureau office on Hwy 82 in Gainesville or at the door at a cost of \$2.50 per person.

According to Lanny Lewter, policy development chairman, "Farmers and ranchers will decide how they are going to tackle the problems facing agriculture this year through the policies of Farm Bureau." "Policies that we adopt will be forwarded to be voted on at the state and national Farm Bureau meetings" he said.

Mr. Klement said that though all members are welcome to attend the meeting, only agricultural producer-members can vote on policies, officers, delegates to the state convention, or hold office.

The Cooke County Farm Bureau will elect annual officers and directors at the meeting. The present officers, including President Klement are: E.V. Fox, vice president; Lanny Lewter, 2nd vice president, Ray Sicking, secretary and Hugh Morgan, treasurer.

This county will have fourteen delegates to the Texas Farm Bureau annual convention in San Antonio Nov. 30-Dec. 3, delegates will be elected at this meeting.

The president and county committee chairmen will present their year-end reports to the members.

See page 14 for a preview of the proposed constitutional amendments.

Homecoming Queen Candidates Announced by Student Council

The Student Council at Sacred Heart High School has announced the names of candidates for Homecoming Queen and members of the court.

Four senior girls will compete for the honor. They are Brenda Henschel, daughter of Mr. and Mrs. Ervin Henschel; Tammy Henschel, daughter of Mr. and Mrs. Virgil Henschel; Gina Hofbauer, daughter of Dennis Hofbauer and Mrs. Norma Dowd; Shelly Walterscheid, daughter of Mr. and Mrs. Theo Walterscheid.

Princesses named from each class are as follows; Freshman Ann Felderhoff, daughter of Mr. and Mrs. Joe Felderhoff; Sophomore Laurie Endres, daughter of Mr. and Mrs. Ed Endres; Junior Susie Felderhoff, daughter of Mr. and Mrs. Thomas Felderhoff.

The Homecoming Queen will be announced during half-time activities of the Tiger-Tyler Gorman football game on November 1. The Student Council and student body invites everyone to attend the game and celebration.

Homecoming Activities are included in this week's Tiger Tales.

Plumlee's Mules Place at Fair

In competition at the State Fair of Texas in Dallas last weekend, Tim and Diana Plumlee, owners of Plumlee's Mammoth Jacks of Muenster, had three animals to place in the 1980 weanling colt class out of 25 contestants entered. The winners were Boston's Black Beauty winning a 1st; Black Jack Dealer winning a 3rd, and Red's Home Tonight placing 5th in the halter competition.

Cactus Black Jack, a mammoth Jack, won 2nd place in donkey pleasure riding, having to walk, trot and lope on command. It was the first time a mammoth jack has been entered in the pleasure class and was

Cactus Black Jack's first time out in the ring.

Twylight Plumlee, a second grader at Muenster Public School and daughter of Mr. and Mrs. Tim Plumlee, won 3rd place with her jenny, Texas Belle, in the jennets 36-48 inch, halter class.

The only yearling to place in the top five of the registered American Donkey and Mule Society halter class was Castus Rose, out of Cactus Black Jack, who sold last year at the Ft. Worth stock show for a record price from the Plumlees to Jim Henson of Farmersville, Texas.

Plumlee's Mammoth Jacks is located 3 miles south of Muenster.

Letters to the Editor

With the election only a few weeks away, I ran across some interesting quotes that Jimmy Carter made just four years ago when he was campaigning against Gerald Ford. Mr. Carter stated that the 1976 inflation rate of 6% and prime interest rate of 7% was unacceptable. I suppose now when we talk about the good old days, we're talking about the days before Jimmy Carter.

Dennis J. Hess

In the past few weeks I have become increasingly concerned by the number of Christians who intend to vote for President Carter because he says he is a Christian. Apparently, they have not asked themselves if his record is consistent with Christian principles - all they remember is that, four years ago, he ran as a "born again" Christian. I feel compelled to write this letter to simply state some facts about the Carter Administration and its betrayal of the conservative Christian voter.

The traditional American family is an endangered species. Christians believed that President Carter would hold and support values that would strengthen it. Instead, he has initiated and supported many measures that will result in a further weakening of the family unit. There have also been decisions and policies in other areas which stand in direct opposition to conservative Christian beliefs and values. Consider:

1. President Carter has supported the ERA and has used the White House to further its causes. The ERA is seen by conservative Christians as a measure that would weaken the family by eliminating the responsibility of the father to support his family and by withdrawing special protections and privileges, such as freedom from the draft, for wives and mothers. The ERA would also take away from the states many powers they now enjoy. Carter has vowed to "do everything within my power" to ratify the ERA.

2. He was responsible for forming the Department of Education, which will extend federal control over education. He appointed Shirley Hufstetler, a leading secular humanist, to head the department. As a result, the humanist values of anti-God, anti-prayer, and anti-family will gain an even stronger foothold within our schools to further erode the values we desire to teach our children.

3. President Carter has made no conservative Christian appointments. He has, however, made several anti-family appointments:

Patricia Wald, nominated to the U.S. Court of Appeals. She is a fervent "children's rights" activist who wants to lower the voting age to twelve and permit children to choose their families. She has likened the traditional child-parent relationship to slavery.

Sarah Weddington, called the nation's leading abortionist lawyer, appointed to the White House Staff.

Bella Abzug, an ardent feminist appointed to the White House Staff. Although he later fired her, Carter's use of this ultra-liberal as a representative of all American women angered millions of conservative women.

4. President Carter is op-

posed to voluntary prayer in public schools on the grounds that it might discriminate against an atheist's child.

5. President Carter supports legislation which would remove homosexuality from a list of sexual aberrations.

6. Although he says he is personally against abortion, he has done nothing to stop it. The National Democratic Platform supports federally funded abortions, and Carter is against a constitutional amendment which would overturn the Supreme Court decision permitting abortions.

7. President Carter supports the drafting of women.

8. Under the Carter Administration, the IRS proposed a rule that would deny tax exemption to religious schools unless racial quotas were adopted.

9. The Carter Administration is gradually moving away from our traditional pro-Israel stand.

I could continue about the weaknesses of Carter Administration's policies on defense, Salt II, the energy crisis, and the economy, but I feel that the moral issues are what conservative Christian voters MUST use as their guideline in making their decision. God will hold each one of us personally responsible for placing a man in office at any level whose policies are in direct opposition to the principles of His Word.

Sincerely,
Patricia Bane

There are many things to look at when choosing the right man for President. Unfortunately many of their statements are confusing and make decision making even harder. Pro Life groups around the nation, feel that these candidates do have one issue from which a clear cut decision can be made. If a candidate is personally outspoken against abortions and federal funding for abortions; one who in fact has absolute respect for the human rights of the unborn, it can be assumed that he has the moral character to deal with all the other problems of the Presidency. We feel that their concern or lack of concern for the rights of the unborn is the most basic part of their campaign.

Ronald Reagan has steadfastly stated his position to protect the rights of the unborn and to do everything possible as President to reverse the Supreme Court ruling that legalized abortions. President Carter has said he was against abortions in his own family but he has neither done nor said anything to stop abortions or to protect the unborn for the nation. In fact he has actively supported the Pro abortion movement indirectly for years.

In 1972 he endorsed a book advocating abortions even before the US Supreme Court ruled abortions legal.

In 1978 he appointed Sarah Weddington as a special assistant in the White House. She resigned from a 2 year term as President of the National Abortion Rights action league to accept Carter's appointment.

Carter named Patricia Harris as Secretary of H.E.W. and she has allowed that dept. to continue using federal funds to pay for abortions months after the

U.S. Supreme Court ordered her to stop. She replaced Joseph Califano, a strong anti-abortion opponent, after he was kicked out by Carter.

Another Carter appointment to the HEW was Irvin Cushman, chairman of Planned Parenthood - the largest provider of abortions in the US.

He also chose Bella Abzug to chair the National Commission on the observance of International Women's Year. Abzug and all but one member of Carter's appointed 42 members of this commission favor abortions.

Reagan, on the otherhand, during the Sept. 21 TV debate, said "I think all of us should have respect for innocent life. With regard to the freedom of the individual for choice of abortion, there is one individual who is not being considered at all. That's the one who's being aborted. And I've noticed that everyone that is for abortion has already been born."

All Pro Life groups in the US urge you to vote for Ronald Reagan for President.

We've all heard a good deal from the Government people about "excessive" - "windfall" - "obscene" profits.

Of course, there is really no such thing as excess profit in the free enterprise system. Prices are set by supply and demand. A high profit in one year is either balanced out by low profit in other years - or else new competition will come in, increasing the supply of the product or service, and profits will then come down.

To many people, the real fact is that the sword points in another direction. It is our taxes that are excessive and obscene.

Someone who earned \$20,000 in 1975 and got it up to \$30,000 last year would apparently have gained against inflation, as his 50% increase would compare with a 44% rise in the cost of living. But there's a catch: his higher pay moved him into a steeper tax bracket. From \$4,255 in 1975, his tax jumped to \$7,522 - up 77%. (Assuming an unmarried person taking the standard deduction.) As a result, he had a decrease in his final purchasing power.

The tax brackets have not been adjusted, over those years. And consequently the "bracket creep" effect of millions of us moving into higher brackets has sharply boosted the government's tax take.

While inflation in 1975-80 was 44%, the government's tax revenues from individuals have soared 96%, from \$122 billion to \$238

billion.

That is what I would call obscene taxes. Without passing a new tax law, without warning the taxpayer what was happening to him, the government let inflation push people into higher tax brackets - and kept the difference.

That's windfall taxation. And it is obscene, because it is sneaky and unannounced.

Who's the loser? Of course, it's the person whose income seemed to match inflation's surge - but whose actual take-home pay did not. Because of the government's unfairness on tax rates, that person either had to reduce his standard of living, or use some of his savings to make up the difference.

They're not just soaking the rich. It's the so-called middle class, making between \$15,000 and \$50,000 a year - 32 million taxpayers - that pays 60% of all income taxes. And those people are getting hit harder every year. Meanwhile - in spite of all that - the government spends and spends way over its head.

I don't know how all of you feel about all of this, but it makes me very concerned.

Either we ought to revise the tax rates - so the tax is again shared more equitably among all citizens, as Congress intended, and not made such a burden to the steady earners of the middle class - or else we should have a "windfall tax" law that would return to the taxpayers any extra taxes collected by the government as a result of inflation.

After all, money that you give the government is money that you can't plow back into the free enterprise system - savings accounts, mutual funds, stocks, etc. Money that the government siphons out of the nation's income every year decreases the amount available for investment in productivity, which is what brings prices down.

We don't have to know all the answers. All we have to do is understand what's happening to us, and speak up, and use our votes wisely. The message will get to Washington.

Glasgow Receives Walt Parker Help

Former State Representative Walt Parker of Denton said today that he is supporting Stephenville attorney, Bob Glasgow, for election to the Texas Senate on November 4. Glasgow defeated Parker last spring in the race for the Democratic nomination.

"Bob Glasgow will have my full support and backing," Parker said, "because he is the best qualified for the job."

Parker said the race in the Democratic primary was "conducted on a high plain, and I came out of that contest with a respect for Mr. Glasgow's integrity and ability."

Glasgow, in responding to Parker's announcement, said "I appreciate very much the support from Walt Parker. He is a gentleman, and his long record of service from his legislative district is excellent."

Parker urged all of his

It's Time to Change Clocks

Clockchanging time is here again. At 2 a.m. Sunday, the nation will officially discontinue Daylight Saving Time and return to Standard Time, in which noon comes in the middle of the day, like it did long ago.

Getting back in tune with the sun involves setting clocks back an hour sometime during Saturday night. Failure to do so may result in being an hour early for church service Sunday.

DST is observed for six months a year in accordance with the 1966 Uniform Time Act. It becomes effective on the last Sunday of April and ends the last Sunday of October.

Fred Fuhrmann Will Appear On TV Film

Fred Fuhrmann will be a familiar face on the Golf Special of Channel 8 TV next Sunday, Oct. 26 at 4 p.m. A member on the staff at Pinehurst, N.C., he assisted with filming the World Amateur Golf Championship Tournament and will appear in the film. At a party afterward given by the Pinehurst staff for participants, the staff appears in Western Wear and gives an exhibition of clogging.

Craft Items Requested

There is still time to make items for the Thanksgiving picnic Arts and Crafts Booth on November 30, which is about five weeks away. Peggy Grewing, booth chairman, urges wide participation.

Completed items may be brought to her home at 451 W. 6th St. She will also pick up items if phoned at 759-4119. She urges donors to include a suggested selling price.

Any kind of handmade craft, artwork, or hobby creation is acceptable. Christmas items sell exceptionally well, she said.

Defensive Driving Course, Oct. 29-30

Area residents who are interested in the next Defensive Driving Course, sponsored by AARP are reminded that the dates are October 29 and 30 and the place is the First Baptist Church Educational Department in Gainesville. There is no age limit or restriction. More information is available from Mrs. Alice Hellman, 665-5853.

Adult Course in Skills Booked at Texas 4-H Center

Harvest Happening-'80, a camp for mature men and women, will take place at the Texas 4-H Center in Brownwood from Tuesday, November 4th through Friday, November 7th. Participants are advised to cast their vote for their favorite candidate on Tuesday morning and then to come to camp and watch the results come in at our Election '80 Campaign Countdown.

Freedom of Choice is the motto for the remainder of the camp as campers will be able to participate in four skill areas: Lapidary, Needlecraft, Ceramics, and Basketweaving.

Eight special features will be presented and recreation will be held every evening. Singing, good eating and fellowship will abound as campers choose their own activities. For those inclined to dominoes, cards or shuffleboard, space has been set aside for these activities at all times. The 1.7 million dollar facilities of the Texas 4-H Center provide a resort-type atmosphere for Harvest Happening - '80 participants. Ten lodges will house five men or five women to a sleeping area. Each has adjoining bathroom facilities. To insure your comfort and convenience, only 100 registrations will be accepted. For more information about Harvest Happening - '80, contact Evelyn Yeatts, County Extension Agent at 665-4931.

YHT Chapter News

October Program and Meeting

Members of the Muenster CHAPTER OF Young Homemakers of Texas heard a program by Earl Fisher during their October 9 meeting in the Public School Home Economics Department. He spoke on "Balancing Your Bank Statement", and also discussed loans, interest, certificates of deposit, and money markets.

Debbie Fisher opened the business meeting with the Devotional. Discussion continued about the Area V Convention on October 18 at Plano High School. Highlights include the principal speaker, Mrs. Mamie McCullough of the Zig Zigar Corp., an awards luncheon at noon, entertainment by a show choir from Azle High School, a workshop on Crafts from Arnolds and installation of Area V 1980-81 officers. Included in activities will be a "Garage Sale", with items donated by all chapters. Proceeds will help finance education for the handicapped. Muenster YHT delegates will be Glenda Russell, Jan Richey, Lou Moster, Sue Trachta and Joni Sturm.

Also noted was the success of the newest club project, safety suckers given to children treated at the Muenster Hospital's

Emergency Room. In another project, it was announced that "Tot Finder" stickers are still available from any YHT member, for 50¢. These large reflective stickers clearly mark the location of a child's room for fireman or other emergencies.

A membership drive committee, headed by Sue Trachta, will meet October 28 at 7:30 to inform and encourage more local young homemakers to join YHT. Refreshments were served to 12 members attending.

YHT Chapter Wins 3 Awards

The Muenster YHT Chapter won three awards at the Area V Convention in Plano on October 18. These included a plaque and 2nd place award for a Community Service Project; a certificate for the Superior Chapter Award; a cash award for Honorable Mention in Outstanding Chapter competition. Muenster delegates were Glenda Russell, Joni Sturm, Lou Moster and Jan Richey.

Nine ESA Chapters Meet Here Oct. 11-12

Epsilon Sigma Alpha chapters in District VI held a two day meet in Muenster on October 11 and 12.

About 50 members of the nine chapter membership attended a seminar on Saturday and a dinner and business meeting on Sunday.

Beta Kappa Chapter of Muenster and Kappa Theta Chapter of Gainesville were hostesses in the Community Center.

The seminar included presentation of service reports, presidents annual reports, the State Love Fund and International Disaster Fund.

The regular business meeting was conducted by Mrs. Retha Bjork, district president. Officers presented their reports and awards were given for service and educational programs. Beta Kappa received a second place award for the

educational program in August, presented by Pam Fette.

A delightful German dinner catered by Ginny Schneider was served at noon.

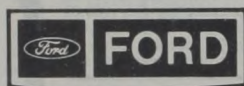

The group will next meet in January.

Love Fund

Beta Kappa Chapter of ESA has established a Love Fund for Albert (Pep) Schilling at Muenster State Bank and invites friends and residents to participate, to help defray mounting expenses for his medical care and hospitalization, during his prolonged illness.

Hood Club Starts Turkey Supper Plan

A potluck supper, slides of an English tour and plans for the annual November Turkey Supper were included in the regular meeting of the Hood Community Improvement Club on Monday, October 6, in the club building.

Mrs. Mildred Berry led a prayer before the meal was served.

Albert and Imogene Zimmerer gave the program,

A Winner!

Kathy Tate found that good news sometimes comes in a phone call. When answering her phone one morning last week she was told that she was the lucky winner of a \$50 gift certificate in a drawing held on October 9 and 13 in The Love Shop, a religious book and gift store in the Golden Triangle Mall in Denton.

showing slides of their recent trip to England, including beautiful scenery, historical areas, important landmarks and other highlights as Westminster Abbey and the Queen's residence and Changing of the Guard. They also toured the Case Tractor Plant. Mr. Zimmerer is a Case dealer in Gainesville.

J.T. Barker presided for a brief business meeting. A report was made on the completion of and payment for a new cabinet and repair on the serving bar. Albert Zimmerer told that four new tables have been purchased.

Plans were completed for the annual Turkey Supper, set for Saturday, November 1, beginning at 5 p.m. Tickets will be sold for \$4.00 for adults, \$2.00 for children under 12. Members agreed to meet on Thursday, October 30 at 1 p.m. for a clean-up day at the club building.

The next meeting will be on November 3. Lanita Lewter is club reporter.

Quilting Features Hood Club Meeting

The October 15 meeting of the Hood Extension Homemakers' Club met at the Hood Club Building.

The program was a quilting demonstration presented by Mrs. Magdalene Zimmerer. Mrs. Linda Becker's mother furnished the quilt top for all the members to practice the stitches and work on.

After the business meeting about Christmas in November, Mrs. Zimmerer served refreshments.

The next meeting will be held at the Hood Club Building November 19, 1980 at 1:30 p.m. with a program about managing stress to be presented by Mrs. Evelyn Yeatts and refreshments to be served by Mrs. Mary Evelyn Hermes.

Seniors

Sacred Heart Seniors will sell ads for the 1981 Annual during the next two weeks. Ads can also be purchased anytime by contacting Wanda Flusche at the High School.

Seniors

The SHHS Seniors were honored at school on Senior Day, Friday. With their sponsor and school principal Mr. John Schwartz, they had lunch at The Center Restaurant, in celebration.

Student Council Sponsors Candidates

The Student Council has announced the names of candidates for Homecoming Queen and princesses who represent their classes. Names are listed on page 1.

Homecoming Week

October 26 through November 1 is designated as

Spirit Week, to promote school spirit, and encourage the team. Activities begin Sunday, with Hall Decorating from 1 p.m. til 6 p.m. Each class is assigned an area to develop a theme.

On Monday at 10 a.m. Hall Decorating will be judged. Class competition begins at 7:30 p.m. with balloon shaving, egg toss, gunny sack relay, tug of war, sponge throw.

Tuesday is Blue Jean Day; girls will wear football jerseys. The powder puff game will begin at 7:30 p.m. Senior and freshman girls will play junior and sophomore girls. Three boys from each class will be cheerleaders. Winners will receive class points.

Wednesday will be Spirit Day with a mini pep rally that night.

Thursday will be Queen's Court Day; with Mass and special liturgy at 10 a.m. Everyone is invited.

The Queen's Court luncheon will be at 11:30 a.m. in the Community Center, with their mothers as guests.

It will also be dress up day for the high school.

Friday will be Red and White Day. A special Homecoming Rally will be held from 2 p.m. until 3 p.m. All classes will present skits and the grade school will have a bike contest. The bonfire will be held after dark.

Saturday is Homecoming Day. The parade will form at 6:30 at the Ben Franklin parking lot. Pre-game activities begin at 7:15 p.m. with introduction of the Queen's Court, and announcement of class competition winners. The football game will begin at 7:30 p.m. Coronation festivities will be at half-time and two dances will follow the game. The high school dance will be in the KC Hall with music by Kenny Jones Disco. The Alumni dance honoring classes of 1950, '60 and '70 will be in the Community Center, with music by "Hard Times."

Homecoming Is Liturgy Theme

Homecoming 1980 was the special theme for the Liturgy last week Wednesday evening at the CCD Mass at 8 p.m.

The Hornet football team and Coaches Stinson, Burnes and Nix entered together followed by Altar Boys Brian Wimmer, Alan Hudspeth, Travis Klement, Danny Black, Raymond Stewart and Brian Kleiss and Father Stephen Eckart, celebrant.

The First Reading and Response were given by Dale Swirczynski; the Second Reading and Gospel Acclamation were given by David Flusche; and Petitions with Prayers of the Faithful were offered Tim Schneider.

Students also participated in the Offertory procession. The following, with the gifts they carried were Charlotte Fleitman, Offertory Gifts; Glen Hermes, helmet; Doug Walterscheid, football; Jill Walterscheid, Band Hat; Terrye Edmunds, Bible; Nancy Fleitman, water; Carla Walterscheid, wine; Rene Stelzer, paten.

Mrs. Mary Ann Fleitman, teacher of the 11th grade CCD was the commentator.

The Altar Banner carried out the theme for the Mass: "Live Your Life So That You Are Ready For Your Eternal Homecoming." Portrayed on the banner were a Bible, a cross a football and a Hornet pennant.

Father Stephen Eckart delivered the sermon, relating the religious theme of dedication of life and the festivity of temporal and eternal homecoming.

Attends English Forum, Workshop

Martha Koesler, English instructor at Muenster High School, attended a Fall Forum in composition and a workshop in teaching composition last Saturday at Texas Woman's University. The program was sponsored by the university's English and speech department.

Featured speaker of the event was Dr. Frank J.D'Angelo of Arizona State University talking on the Crisis in Literacy. After his address Dr. William Tanner and Dr. Suzanne Webb presented findings of their research on "Illogical Positioning of Subjects."

Hornet Band

The Hornet Band members are selling oranges and grapefruit as a fund-raising project this year. Two sizes of boxes are available. The small box of oranges contains 40-60; the large box contains 80-125. The small box of grapefruit contains 18-24; the large box contains 36-48. Both, oranges and grapefruit are the same price: \$7 for a small box; and \$12 for a large box.

FHA Horizons

Homecoming Mums

The Muenster FHA participated in Homecoming Activities by taking orders for Aughty's Flowers for Homecoming mums. The chapter earned a 12% commission for taking orders.

FHA Meeting

The FHA chapter set up its calendar for the 1980-81 school year during the October 20 meeting. Some of the projects planned are:

"All Hallows" Liturgy Planned at Sacred Heart

A special "All Hallows" Liturgy has been planned for all children, grades Kindergarten through fourth, for Friday, October 31 at 7 p.m. in Sacred Heart Church. They are invited to come dressed as a favorite saint.

Grades 5 and 6 are asked to sing. They may also come dressed as a saint.

Signs for the children to wear will be distributed in school and at CCD classes. Parents are asked to label the card with the chosen saint's name. Any child wishing to participate must be in the vestibule of church no later than 6:45 p.m. There are ten suggested categories from which to choose a saint: angels, prophets, apostles, evangelists, matyrs, professors, popes, doctors of the Church, founders of religious orders, religious persons and patron saints.

The 26-Week Money Market Certificate

Put in \$10,000, and get back
\$10,589

26-week return reflects interest earned on \$10,000 principal and accumulated interest for 26 weeks at current rate.

Current rate of 11.657% yields 12.169%*

Staying ahead financially has always been a race. But the 80's present new, tougher challenges.

At First Texas Savings, we have ways to beat the 80's. Like our 26-Week Money Market Certificate. It offers the maximum rate allowed by law for maximum yields on amounts from \$10,000. Rates for new certificates are set weekly and are good for the entire term.

Sure, our 26-Week Money Market Certificate is a good investment, but it's also a no-risk investment. Your money is insured up to \$100,000 by a federal agency. And your deposit is backed by First Texas' over 1.6 billion dollars in assets.

No insured bank or savings and loan can pay more on your investment.

Best of all, at First Texas Savings, your money is always available. Penalty on early withdrawal is 3 months' interest** and only on the amount withdrawn. And as a convenient reminder, you will be automatically notified prior to renewal.

Also ask about our 2 1/2-Year Money Market Certificate.

So, before you put your money anywhere, remember: Others may keep you even in the 80's, but First Texas Savings will keep you ahead.

* Effective October 23 thru October 29, 1980.

Federal regulations prohibit compounding of interest on 26-Week Money Market Certificates. Annual yield assumes reinvestment of principal and interest at maturity at the same annual interest rate. However, the annual interest rate is subject to, and likely to, change at maturity.

**Recent federal regulations require principal reduction if sufficient interest does not exist.

Cub Scout News

Den 4 held its regular meeting Tuesday, October 21 in the home of den leader, Lupe Evans.

After their business meeting, the cubs learned a Halloween song which they plan to share with the other cubs at their pack meeting, Monday October 27, 1980.

The boys were given poster board and they are making posters to remind people to vote on November 4. These posters will be on display in various stores in Muenster.

Mrs. Jean Park furnished the ingredients for the boys to make S'mores on a fire they built outside.

Cubs in Den 4 are Murlin Evans, Jeff Walterscheid, Johnny Herr, Joseph Shane

Wimmer, Jason Brogdon and Don Joe Park.

Pack 665, Cub Scouts are collecting old reusable or repairable items for the Goodwill Industries. This project is one of their opportunities for service to their Community. Plastic bags were issued to all Cubs, to be distributed in their neighborhoods, or among their relatives and friends. Anyone wanting a Goodwill

bag may contact a neighborhood Cub Scout or Lupe Evans at The Hut. All boys helping with this project will receive a patch. Good Turn Day will be November 2.

Don't Blame Your Age For Poor Hearing
Chicago, Ill.—A free offer of special interest to those who hear but do not understand words has been announced by Beltone. A non-operating model of the smallest Beltone aid of its kind will be given absolutely free to anyone requesting it.
True, all hearing problems are not alike... and some cannot be helped by a hearing aid. But audiologists report that many can. So, send for this free model now, and wear it in the privacy of your own home. It is not a real hearing aid, but it will show you how tiny hearing help can be. It's yours to keep, free. The actual aid weighs less than a third of an ounce, and it's all at ear level, in one unit.
These models are free, so we suggest you write for yours now. Again, we repeat, there is no cost, and certainly no obligation. Thousands have already been mailed, so write today to Dept. 62484, Beltone Electronics, 4201 W. Victoria, Chicago, Ill. 60646.

Citizens of Muenster

On November 4th you will have the opportunity to cast your vote for the man you think should serve as Sheriff of Cooke County. We think you should base your decision on each candidate's qualifications.

Dan Tiller has sixteen years experience in Law Enforcement. Seven of those years in an administrative position dealing with budgeting, organization and writing policy and procedure manuals. He has graduated from supervisory schools at North Texas State, SMU, attended and graduated from the National F.B.I. Academy. This is just a small example of his education and training.

There are two ways to enforce the law, one being to follow the letter of the law, the other being to enforce the intent of the law. Dan Tiller believes in the latter. His fairness in dealing with the public as far as law enforcement is concerned is very evident in the policies he has set forth before.

We ask that you weigh all the facts and vote accordingly. Do not let yourself be influenced by some ridiculous rumor.

The Sheriffs Dept. has many crimes to deal with and many problems to solve. With crimes such as cattle thefts, house burglaries, vandalism and drugs. Mr. Tiller does not feel that constant patrol of the clubs and liquor stores and singling out the patrons of these businesses is necessary or worthwhile. He feels his deputies time should be spent patrolling the rural areas in an attempt to prevent actual crimes from occurring.

We hope that after considering all the facts, you will come to the conclusion that Dan Tiller is the most qualified candidate.

Your vote for Dan Tiller on Nov. 4th will ensure results.

Bluebonnet Ext. Homemakers Meet

Mrs. Michelle Knauf was hostess in her home to the Bluebonnet Extension Homemakers for the October 20 meeting.

The business meeting included a discussion of the "Christmas in November" show on November 12-13 and plans for participation. Members will have two display tables for Christmas craft ideas.

Monica Hess reported on the State TEHA meeting held in San Antonio October 14-18.

Mrs. Evelyn Yeatts, County Extension Agent, spoke on "Managing Stress." She told how everything people do produces some kind of stress, explaining that stress is the body's reaction to the situation surrounding them.

The hostess served a dessert plate to six members and three guests, the speaker and Mrs. LeAnn Ladd and Mrs. Dana Watson.

The next meeting will feature a program on "Christmas Ideas" by Mrs. Mary Castillo. The Bluebonnet Club secretary-reporter, Joyce Abney said: "We want to invite the public and other clubs to join us for this meeting. The time and place will be announced next week."

Annual CDA Bake Sale

The local court of Catholic Daughters of the Americas will hold its annual bake sale on Saturday, November 8 in the Muenster Public Library. All members will be contacted and asked to contribute toward this benefit to aid in the organization's charitable projects. Sale will be held from 9:00 - 5:00.

Guests of Mrs. H.A. Walterscheid, spending Sunday with their mother and grandmother were Mr. and Mrs. Rainard Walterscheid and daughter Raina of Jacksboro, Lambert Walterscheid and Jimmie Lyn Harris of Denton, Mrs. Herman Grewing and daughters Amber Lynn and Brandi of Muenster.

Mr. and Mrs. Mel Fisch are new residents of Muenster, moving here from Chicago last week. Mrs. Fisch is the former Henriette Wiesman.

By Gary Rainwater Soil Conservationist
When rain falls, or water from any source runs downhill on bare soil, it moves soil particles, organic matter, and soluble nutrients. This is Soil Erosion.

Soil erosion by water may occur anywhere there is enough rain to cause runoff. To avoid erosion, the soil must be protected from moving water. Dense vegetation, cover crops, mulches, grasses, or trees will intercept rain and slow runoff. Where tillage leaves the soil exposed, barriers like terraces can help control runoff. Otherwise, tillage needs to be confined to nearly level soils where water moves slowly.

Land used for grazing or wood crops also may be eroded by water if harvesting leaves the soil exposed. Too heavy grazing or careless cutting and burning can also cause soil erosion. But with good management, grasslands and woodlands, usually are safe from erosion.

On soils kept in cultivation, the prevention of excessive erosion is a major conservation objective. Positive steps to improve the soil and use it efficiently are a part of modern soil conservation, however, without protection from erosion, soil improvement efforts fail.

Erosion control requires the attention of each farmer, rancher, and even home owners. It requires cooperation between all land owners, for water knows no property boundaries.

Dollar Dividend Days

Now's the best time to buy Sperry New Holland balers, hay tools and windrowers. You can receive a cash dividend of up to \$1,500—or get Free Finance until the seasonal use date—it's your choice.

Free Finance means you can get the machines you want now, while equipment is available, and not pay any finance charges until their seasonal use date. A great way to

insure you get the tools you need for next spring, and enjoy tax benefits this year.

Dollar Dividends give you up to \$1,500 cash when you purchase and pay for eligible new machines. The size of your dividend depends on the model you buy, and how soon you buy it. Check this list for the models you need and the dividends you'll get.

The sooner you buy—the larger your dividend check.

SPORTS

Tigers Whip Abilene Christian 26-6

Sacred Heart Tigers were in fine form Friday night rolling over the Panthers of Abilene Christian to an easy 26-6 win and improving their season's score to 4-3.

They dominated the statistics as well as the score board with leads of 20-8 in first down and 356-114 in total yardage. They particularly looked good in defense against the running game, allowing the visitors a net rushing yardage of only 13.

The Tigers started with Ricky Hennigan's 38 yard kickoff return to the 50, made a first down to the 38 and exchanged punts before resuming the drive from the 30. A busted play lost 8 yards, then Kirk Mollenkopf's pass to Monte Endres reached the 4. Two plays later Brian Herr passed to Endres for the first TD. Mike Nash's kick added an extra point.

The remaining half of the first period was spent at punt exchanges and one fumble. Each team kicked twice and Steve Hennigan recovered the fumble, after which SH headed for its second TD. With 60 yards to go, the Tigers gained 52 to the 8 in eight plays and fumbled. However Abilene fumbled too, Dean Swirczynski recovered, and the Tigers were back in business on the 15. One try lost yardage, Nash passed to Endres for 12, then to Bednorz for the score. Nash's kick upped the score to 13.

A blocked kick for the Panthers and a fumble recovery by Bednorz for the Tigers were the only eventful plays as the ball remained in midfield for the remainder of the half.

The second half started with a pair of first downs by

Abilene, interrupted by Bednorz's interception and 20 yard run-back to the Tiger 44. Then the Tigers completed two series and had a miserable third losing yardage and having a kick blocked. When it settled down the Panthers were 33 yards away. They advanced to the 22 but were stopped on the next series, at the 16 yard line.

So SH started again, with 84 yards to go. A pass to Endres for 9 plus a 31 yard gain by Mollenkopf plus 31 free yards for penalties reached the 13 and three more tries finished the job. Nash went in from the 5 on a great second effort. Nash's PAT kick was blocked. SH led 20-0 at 3:18 in the third period.

The next Tiger score came in less than two minutes. Nash intercepted on first play after kickoff and returned to the visitors 32. From there he passed to Bednorz for the final TD. Again the kick for bonus point was blocked. SH led 26-0 as the third period was ending.

Finally it was the Panthers' turn, but the score did not come easy. Three good series gained 51 to the Tiger 19 and further progress was delayed by four consecutive turnovers: an interception by Bednorz, a fumble recovery by Abilene, a fumble recovery by Troy Grewing and an interception by Abilene.

The give and take ended with the Panthers four yards from the goal line and they used 4 plays in making the distance. Schoonover scored from the 2. A pass for extra points failed.

The remaining five and a half minutes consisted of defensive effort.

All of the Tigers shared in

the fine defensive effort which held the Panthers to short yardage and took possession on frequent turnovers. Kirk Mollenkopf was the leading rusher with 93 yards on 16 carries and Monte Endres was the leading pass receiver with 5 receptions for 129 yards, including a touchdown. Brian Bednorz was the all-around

performer: 2 catches for touchdowns and gains of 42 yards, also 3 interceptions and a fumble recovery.

SH Junior Varsity Wins 14-6 at S&S

Sacred Heart's junior varsity continued its winning ways last week at Sadler-Southmayd with a 14-6 decision over the S&S youngsters. The team's record, now stands at 4 wins and 1 tie.

The Tigers started the good work early when T.J. Walterscheid recovered a fumble on the Rams 23 yard line. They used six plays to score from there, the key play of the short drive being an 8 yard gain on a fourth and seven situation for first down on the 12. Then Wade Walterscheid stepped off 7 more and Neil Hesse scored from the 5. A run for extra points failed.

The Ram's comeback was equally fast, using 8 plays on their 67 yard drive. Big gainers were passes for 30 yards and 20 yards, the latter being for the tying touchdown. A pass for the PAT failed to connect leaving the score at 6-6, where it remained until about midway in the fourth period.

However there was no lack of action. For instance the remainder of the half had six turnovers, one interception and two fumbles by each side. Also during that time SH got close to the line but ran out of steam and lost possession on the 7.

In the third period S&S likewise threatened with a 50 yard drive that ended on the 9.

And that was the launching point for the 91 yard 4th period drive which put the Tigers in front. They used 10 plays along the way, the big gains of 20, 12 and 10 by Neil Hesse, also 14 by Mark Hesse and the 14 yard touchdown run by Jim Bar-tush. Another run by Bar-tush added the bonus points.

For the balance of the game the tempo picked up again, featuring an interception by Dangelmayr and two by Mark Hesse, one returned for a score but nullified by an infraction; and also one interception by S&S.

Brian Bednorz is on the way to a good punt return after evading an Abilene Christian defender. Joining him as blockers are Kirk Mollenkopf, 20, and Dean Swirczynski, 76. Tim Hartman Photo

Paradise Edges Hornets 18-13

The jinx that has been hounding Muenster High's Hornets through most of the season was there again last week as they were nudged 18-13 by the Panthers of Paradise. Finally it seemed they had broken out of the loss column, but a late touchdown slapped them down again. Their record now stands at 1-4-2, a frustrating feeling to a team that has been a consistent close loser.

Another disappointment is the shattering of an 8-A hope that was still alive a few days ago. Following the tie a week before, MHS was still in the running for the title. But this loss eliminates it. After the tie and loss there's no way to get ahead.

The game opened with three successive punts after which the visitors got established at their own 45 yard line and drove to the first score in eight plays. Big plays were a 25 yard romp by Rhine and a 21 yard touchdown pass from Rhine to Jackson. A 2-point try from a fake kick failed, so the score was 6-0 at 6:07 in the first period.

The second Panther success followed a period of exchanges in which Matt Sicking and Vance Wells recovered two fumbles for the Hornets but Muenster also fumbled twice. After Wells' recovery Muenster had a set-up on the Panther 10 and promptly fumbled the opportunity away.

From there Paradise gained 51 yards in four carries and had to kick on the third series. The ball was put in play on the 20, where Muenster fumbled again. The one just before wasted an opportunity, this one handed it to the opponent. Paradise accepted and made the 18 yards in five plays. Holt went over from the 3. For the second time a run for points failed. Paradise led 12-0 at 8:34.

After that, for the first time, MHS got results. Starting from their 27 after kickoff they drove 65 yards to the 8 in 13 plays, the big one being a 23 yard scoot by Winn. But then the going got tough, and a fine effort seemed to be going to waste. First try resulted in a 5 yard penalty and the next regained the 5 yards. Then 2 passes went incomplete and a big break gave Muenster another chance. The pass on a 4th and 8 situation was ruled as interference, giving the Hornets first down on the 1. Klement crashed over from there on first try. A kick for PAT missed, but Muenster was back in contention.

However it missed a fat opportunity to do something

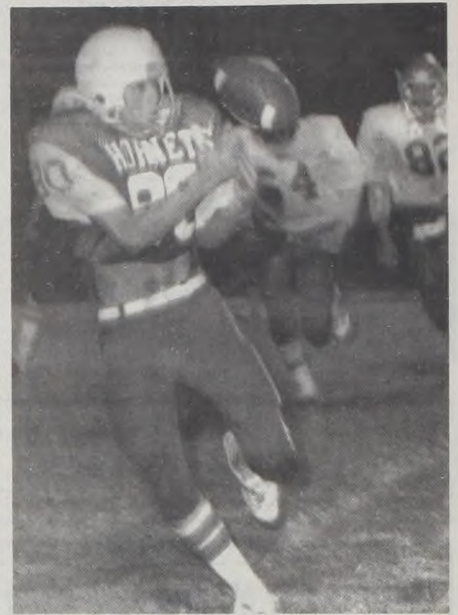

about it early in the second half. Paradise failed to get a punt away and MHS was 32 yards away, after which 4 nice plays reached a first and 10 at the 10. But they could not stand success. The next series gained only 2 and possession changed at the 8.

After that Paradise made 2 first downs, the teams swapped kicks, and Paradise made two more first downs and fumbled. MHS recovering on its 27. Swirczynski's pass to David Flusche reached the Muenster 44, after which the teams had to exchange kicks

and Muenster was back on its 49, where the next TD was launched. A pass to Ricky Winn for 11 plus 4 short gains reached the 24 and a pass to Flusche reached the end zone. Swirczynski's kick was on target. Muenster was ahead 13-12 at 7:26 in the fourth.

Following an exchange of kicks the visitors started on their go ahead score. In nine plays they gained 45 to the 2 where Jackson went in for the score. The kick was blocked. The score was 18-13.

Continued on Page 13....

This pass to David Flusche was good for a touchdown in last week's homecoming game with Paradise. It put the Hornets in the lead but Paradise rallied for an 18-13 win. Jamie Hartman Photo

Fitts for Sheriff

Dear Citizen,

As the November 4th General Election approaches, I realize it is going to be impossible to meet all the voters. I would like to take this opportunity to personally solicit your vote for sheriff of Cooke County.

Facts about myself are listed below for your consideration.

1. Life long resident of Cooke County.
2. Attended the Gainesville public schools and graduated in 1964.
3. Graduated from Cooke County College with associate of Applied Science Degree in Law Enforcement.
4. Property owner and taxpayer.
5. Deputy Sheriff for over nine years in Cooke County.
6. Hold a Basic and Intermediate Certificate from the Texas Commission from Law Enforcement Officer Standards and Education.
7. Married and have two sons.

I believe honesty, fairness, and integrity are vital in good law enforcement. With my past experience as a deputy sheriff, education in law enforcement, and common sense, I feel I can professionally and effectively serve the needs of Cooke County. If elected the office of sheriff, I pledge to you, the citizens of Cooke County, to enforce the law throughout the county to the best of my ability.

In closing, I want to ask each of you to consider the facts and vote for the candidate, regardless of party affiliation, that can honestly serve the people of Cooke County.

Sincerely yours, *Kenneth Fitts*

For the remaining 1:42 the game got reckless. Muenster lost the ball by interception on the first play after kickoff and had it back a short time later on John Walterscheid's fumble recovery. And three tries after that Paradise intercepted again.

V'Ball Team Loses Match to Coppell

Muenster High's volleyball team, with a district title in the bag and awaiting regional play offs November 15 at Stephenville, got welcome experience Tuesday night in a match with Coppell High in the MHS gym.

The Hornets, coached by Sharon Felderhoff, lost the match 15-12 and 15-6, got a sample of the competition they will face in the next stage of UIL com-

petition, and it was appreciated.

Two more such practice sessions are on schedule before the regional. Muenster girls will be at Nocona next Monday at 6:30 and at Coppell November 4, also at 6:30.

MHS automatically qualified for the bi-district title when it won district in a tournament with Slidell and Alvord last week.

JV Tigers Lose In Scoring Spree

Touchdowns were abundant Monday night as junior varsity teams of Sacred Heart and Fort Worth Country Day met on the Tiger field, but the local kids waited too long to get into the count. When the scoring spree ended, Sacred Heart was at the short end of 28-48.

The visitors had it all their

way in the first half, running up a total of 28 points, including big plays like a 65 yard pass and a 96 yard run.

But it was more of a contest the second half when Sacred Heart kids outscored their guests by one touchdown.

After Country Day made it 34-0, on a 50 yard pass, SH finally got into the act. A pass Curtis Herr to Curtis Henscheid gained 20 and a pass Neil Hesse to Jim Bartush was good for 33 and a TD. Curtis Hesse's run added 2 points.

Then came another quickie TD, a kickoff return and extra points by the visitors, after which Sacred Heart made a 70 yard drive ending in Wade Walterscheid's 4 yard dive. A pass Curtis Hesse to Curtis Henscheid added 2 points.

So SH made another drive, a total of 53 yards ending in an 11 yard romp by Jim Bartush.

Next for the visitors, and also their last, started with an interception and the next play went 40 yards to the goal.

Sacred Heart's final score was a 1 yard touchdown by Jim Bartush.

Tigers Have Open Date This Week

Suddenly Sacred Heart has another open date on its football schedule. A cancellation has been received from the junior varsity of L.D. Bell High School of Dallas.

The inactivity is disappointing, according to the Tiger coach, Father Stephen, but it also has its good side. It gives the team extra time to prepare for the most important contest of the season, which also happens to be on of the toughest.

Tyler Gorman, which with Sacred Heart and Wichita Falls Notre Dame is a member of the TCIC district, rates as the clear favorite for district honors. And with good reason. It has the record and the lineup to deserve respect.

Regarding personnel, the team is strong on experience, including 23 lettermen from the '79 team that barely lost to the Tigers, and almost all are juniors and seniors. So, the Tiger coaches are grateful for extra time to get ready. Present records of the teams are 6-1 for Tyler Gorman and 4-3 for Sacred Heart.

The Tiger health report is 100 percent. Teddy Walterscheid, the only player sidelined last week, is back in action.

Muenster Leads District Juniors

Junior High youngsters of Muenster Public School, after three losses in pre district have staged a comeback and now have three consecutive wins for a 3-0 standing in the junior 8-A race. Following a 12-8 win over Era, they dumped Paradise 28-8 and won by forfeit this week when Perrin cancelled because of injuries.

Actually the pre district record is better than it looks, two of the losses being 6-0 and 8-6.

In their game with Era the Little Monsters wasted lots of gains on 4 fumbles and 1 interception, losing possession on the 1 and the 7

in the first half. But they put it together in the second half and took their gains to the end zone. Ronnie Fisher completed a 50 yard drive with a 10 yard run and David Winn sneaked over from the 1 after a 60 yard drive. Half of the drive was on a halfback pass from Ronnie Fisher to Jay Mollenkopf.

Playing Paradise, all Muenster scores were completions of drives, Ronnie Fisher and David Winn each making 2 touchdowns. Also Fisher and Neil Flusche scored extra points. Paradise scored in the fourth on an interception and 50 yard runback.

Included were Veronica Edwards, Clothing; Doug Edwards, Swine; Leann Hays, Food Preservation; Janice Lanier, Leadership; Page Sirman, Fashion Review; Bart Sirman, Foods and Nutrition; Jackie Farrell, Breads.

Mrs. Cleo Lanier received a plaque for outstanding leadership for 36 years.

Forestburg 4-H Club Meets

The Forestburg 4-H Club welcomed four new members during the October 8 meeting, including Brent Holland, Tracy Lanier, Jimmy Smith and Teresa Greenwood.

Program leader was Mr. Charles Edwards who spoke on Parliamentary Procedure. Members discussed the 4-H Foods and Nutrition project.

Refreshments were served to 19 members by Shana Muegge, Beth Holzbog and Melinda Smith.

Bluebird News

Butterfly Bluebirds met in the Sacred Heart School Homemaking Dept. on October 15 at 1:45 p.m. Membership includes Melanie Wilde, Cindy Barteau, Kristen Klement, Misty Vogel, Jennifer Walter, and Cheramic Moster. They began working on their "Wise Old Willie" conservation project and will receive "feathers" for each completed project. They also began working on the "Who Bird."

The Butterfly Bluebirds also elected "Helpers of the Month," and then played a tag game outdoors. Kristen Klement received Happy Birthday wishes from the group. Her mother, Mrs. Emily Klement brought refreshments of decorated cupcake cones and fruit punch.

The next meeting on November 5 will include a roller skating party. Members will each bring a First Aid Kit item.

Group leaders are Peggy Walter, Linda Vogel and Lou Moster. The group sponsor is Urban Endres.

Library News

Children's Films
The Muenster Public Library's monthly children's films will begin next week. The showings will be on Tuesday, October 28, at 10 a.m. and again on Thursday, October 30, at 4 p.m. The theme of the three films is "curious colors," and titles are "Charlie needs a Cloak" (8 minutes), "The Mole as a Painter" (11 minutes) and "Zebras" (10 minutes).

In the first film, Charlie is a young shepherd and needs to replace his cloak. He shears his sheep, cards and spins the wool, weaves and dyes the cloth and sews a beautiful new cloak. In the second film, Mole's friends transform themselves with colorful paints left behind by a painter and frighten away their common enemy, the fox. In the third film, two zebras misplace one of their stripes, and have a series of adventures as they attempt to recover it.

Auxiliary Sponsors Bake Sale For Cancer Research

Members of the Muenster VFW Auxiliary will sponsor their fourth annual bake sale to benefit their annual drive to assist in the Cancer Aid and Research project. The bake sale will be held on Friday, October 24 at Fischers and Hofbauers, 11 a.m. to 5 p.m. Members are asked to bake their favorite pies, cakes, rolls, breads, etc. or to make a \$5.00 donation. Mrs. Leo Hesse and Mrs. Gilbert Knabe are co-chairmen.

Great Weather

Beautiful weather, including more rain, has prevailed through the past week. Even though the year's moisture total is far below normal, land condition is fine and prospects are good for crops as well as pastures. The reading on Steve Moster's gauge was 1.08 last Friday and .01 Saturday, bringing the month's total to 4.43 and the year's total to 23.12 inches.

Low and high temperature readings of the week were recorded as follows. Oct. 16, 70 and 83; Oct. 17, 62 and 80; Oct. 18, 59 and 75; Oct. 19, 51 and 84; Oct. 20 51 and 78; Oct. 21, 56 and 78; Oct. 22, 52 and 78.

record in saving energy."

Speaking of new departments, don't overlook Carter's other creation, the Department of Education, which vastly increases the influence of the National Education Association, which in turn promptly endorsed Carter for reelection, and which favors more federal control over schools. It can be more correctly classified as a political organization receiving big pay of taxpayer money and a detriment to the old concept of local regulation of schools.

Another creation for which Carter deserves no credit is the White House Conference on families. Ostensibly organized to strengthen families, this group is stacked with liberals who ignore the old concepts of family life and recommend such ideas as publicly funded abortions, support of homosexual rights, welfare expansion, government-guaranteed jobs, etc.

The list of blunders goes on and on in the matter of national defense, in which he has cancelled or delayed a number of programs resulting in the decline of US power while the Soviets went full speed ahead on their war equipment. There have furthermore been a number of cases in which we provided equipment and supplies for Russia's arms buildup. Likewise in foreign policy, where we have helped our enemies and double crossed our friends, we have strengthened the global communist conspiracy while weakening the world's free nations.

All of those things combine to show that the Carter administration has been a failure and a disgrace. A change is urgently needed in the coming election.
