Praise and Thanks to God

A special happy day arrives for me this week as I resume my association with the Enterprise. It's been more than six weeks since my duties at the paper were suddenly halted by illness.

On Christmas day I was taken to the hospital unconscious, to begin the siege with what I later learned was pneumonia. I used to think the illness was moderately serious, little more than a cold or flu, but I have been reminded since that it is often fatal.

Treatment involved three stages. First was to deal with the infection, and next was to eliminate it. Reaching that stage was a welcome improvement, but it still presented a problem. A combination of the infection and inactivity in bed wore down the body's physical condition. So the third stage was to restore physical condition. As explained by the doctor, that required nutrition and bed rest. After weeks of that I was allowed to go home for continued recuperation. That was followed a few weeks later by the good news that medical signs were right for recovery and a very possible normal life.

Well, that leads up to now. I feel partially able to be on the job, but only to a limited degree. Certainly it will be far short from the fifty years following establishment of the Enterprise in the Texas Centennial year of 1936. Nevertheless there will be plenty to do. Regarding the Confetti column, we'll have to see how much it needs to be abbreviated.

Regarding influences in my recovery, the most obvious are the medical personnel and their expert care. Not to be overlooked, however, is the power of God. Dozens of persons have assured me verbally, and by mail have said "We are praying for you." Based on the Savior's assurance that He listens when voices are joined in petition, we can confidently believe that the medical people were influenced by his Divine Goodness and Knowledge.

More special thanks are in order to all the friends who remembered. Along with the verbal good wishes were many, many cards for an early recovery, and of course, a mention of the plea to Almighty God. We firmly believe He responded.

Also in order at this time is a personal confession of failure to show the same consideration to others in their illness. Herewith is a promise to do better.

Dan Haverkamp files for county commissioner

Dan Haverkamp is a candidate for County Commissioner, Precinct 4, subject to the Democratic Primary May 3.

Born on June 28, 1933 to Mr. and Mrs. Wm. Haverkamp, he was raised on a farm west of Muenster, attended Sacred Heart Elementary School and graduated from Sacred Heart High School.

He served in the armed forces for two years during the Korean War, and received an honorable discharge. Since 1955 he has been engaged in farming, and in oil field work as a driller, roughneck and pumper, also a truck driver and welder for various companies.

At Cooke County College he has completed twelve credit hours studying Agriculture.

Dan Haverkamp is a life-long member of Sacred Heart Parish. He has been an officer in the Home-School Society and St. Joseph's Society; and for the past eight years has been the president of Branch 18, Catholic Life Insurance Union. He is the father of three sons and two daughters.

Discussing his candidacy for Cooke County Commissioner,

MHS Girls continue in play-offs

1985-86 Hornettes left to right in front row are: Kim Hess, Carrie Russell, Tara Walterscheid, Jennifer Carroll, Jeannene Walterscheid. Middle row: Melody Klement, DeAnn Walterscheid, Rita

Walterscheid, Meredith McDaniel and Amy Davidson. Back row: Coach Charles Meurer, Donna Walterscheid, Michelle Monday, Laura Hess, Staci Walterscheid, Darla Bindel and Judy Biffle.

Local elections outlined

by Elaine Schad

Several city, school and hospital board positions are open for the April 5 elections while county races have been set.

There will be three positions open in the Muenster city election with filing deadline Feb. 19. Interested people may file with the city secretary. The terms for city officials is two years.

Position 1 is presently being held by John Pagel who has served two terms. Position 2 is held by Aubrey Tuggle, completing his tenth term in office, and Position 4, held by Claude Klement who has served one term, are also up for election. Only Tuggle has filed for re-election to his position.

The Muenster Independent School District Board will have two positions open. Gerald Walterscheid, who has served in Place 1 for the past two terms will have his positions up for election while the Place 2 seat held by Dennis Hess, who has served one term, will also be up for election. Deadline for filing for the three-year terms will be March 5 and people may file in the superintendent's office. Neither board member has filed.

The Muenster Hospital Board will have five positions up for elec-

tion for two-year terms. Filing closes March 5 and applications may be obtained from the hospital administrator.

No one has yet filed for any of the positions on the Board, Albert Dangelmayr, William Hermes and Dan Luke, all long-time members of the Board, will have their positions open for election as well as the positions currently held by Werner Becker and Andrew Klement, both of whom have served since 1984. The election is at large.

Three people have filed for two places open on the Cooke County College Board of Trustees. The positions of place 7 trustee Doug Selby and place 6 trustee Joe Fox are up for election. The terms are for six years.

Karon L. Sullivant of Gainesville has filed for the place 6 seat while Alan Ritchey of Valley View and Paula Schmitz

Lewis of Valley View have both filed for the Place 7 position. Filing closes March 5 and applications may be made in the president's office at the college.

County elections have been set as filing closed Feb. 2. There will be only two contested races on the ballot, but one of those will be locally oriented, the Precinct 4 County Commissioner race to fill the seat of Robert Bayer who died in December. Bayer's wife has been serving out the term and did not file for election.

Gerald "Jerry" Walterscheid, Wayne Trubenbach and Dan Haverkamp have all filed for the Precinct 4 seat.

The other contested race in the county is the Precinct 1, place 2 Justice of the Peace race. Dorothy Smith is seeking re-election and will be opposed by Mary Pickle,

Please see Elections, page 3

Ric Williamson seeks reelection

State Rep. Ric Williamson of Weatherford said he will seek a second term representing Wise, Parker and Cooke Counties.

He as yet has no announced opposition. Filing deadline for the May 3 primary was Feb. 3.

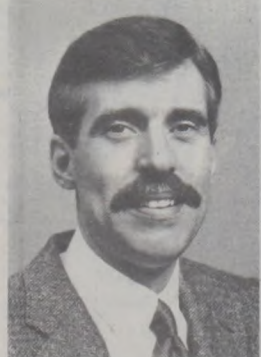

"I am asking voters to return me to office because I believe that I have done a good job representing District 63 before the Texas Legislature. I am proud of my performance during the 69th Session, and I have tried to address local concerns on a timely basis," Williamson said.

Among his accomplishments, Williamson listed his perfect attendance and above 90 percent performance on recorded votes.

He said he offered the only successful amendment to reduce the general appropriations bill, saving taxpayers \$900,000. He was instrumental in securing better drainage on FM 51 South in Decatur.

Williamson has traveled more than 2,000 miles in the county visiting and speaking to citizens at more than 20 locations. He also opened a Wise County office and authored 14 newspaper articles.

Other accomplishments include an amendment allowing public buildings to remodel with energy efficient equipment at an estimated savings of \$5 million per year; upgrading possession of certain amphetamine components to

felony status; and was voted runner-up outstanding freshman legislator by his colleagues.

"...I have been a fulltime public servant," Williamson said. "I enjoy the challenge of the job. I have been effective in dealing with the problems of my district, and I have produced successful legislation that confronts the major concerns of my constituents - drug abuse, the high cost of state government and efficient investment of tax dollars... I pledge once again to listen to the taxpayer and work hard to make progressive changes in the management of state government."

Chamber meets with concessions

Germanfest is coming! The Germanfest committee met Monday night, February 10, with the concessionaires to discuss concerns about parking, booth space, fire regulations, decorations, Etc.

Each concern was heard and discussed by the committee. The general feeling seemed to be one of cooperation and enthusiasm. All concessions needing more than two parking permits must make arrangements with the Chamber office to receive a greater number. Decoration suggestions and catalogs for ordering supplies are available in the Chamber office, 9-4 daily.

The Chamber of Commerce luncheon meeting was held at the Center, Tuesday, February 11, at noon. The new president, Monica Hess, presided.

The work on the Sesquicentennial project, the AMPI lot, was discussed, and the work has begun on the Mid Park. The need for

redoing the billboards on either side of town was discussed and the decision was made to look into a completely new design for the signs. If you have any ideas about what you would like to see on these signs, contact the Chamber office.

Gary Fisher presented a program on OPERATION: CLEAN SWEEP, which begins Feb. 15 with a meeting at the Chamber of Commerce Office, 115 First St. at 10:00 a.m. This meeting will be to map out a plan of attack on the trash problem in our community. Feb. 15-22 is Clean Sweep I, Public Awareness, March 15-22 is March Against Trash, and April 12-19 will be

Clean Sweep II, final clean up before Germanfest. Anyone interested in seeing our community the cleanest in the state should come to the kick-off meeting Saturday, Feb. 15 at the Chamber office.

Stenholm presented award -- Congressman Charles W. Stenholm (d-Stamford), right, recently received the 1985 Golden Bulldog for his efforts to reduce the deficit and cut federal spending. Making the presentation on behalf of the Watchdogs of the Treasury is George Kock, left.

Stenholm runs again

Charles W. Stenholm has announced that he will be a candidate for a 5th term as the representative from the 17th Congressional District of Texas. Accompanied by his wife Cindy, Stenholm expressed appreciation for support from friends through the years. He also assured the group that he is cautiously optimistic regarding the economic future of the country.

"If we can influence 218 votes in the House of Representatives for more legislation to get our fiscal house in order and muster the political courage to continue on this course, this nation will be

vibrant and productive," Stenholm said.

Repeating his promise to stay in close contact with the vast district of thirty-five counties, he urged everyone to take full advantage of our freedoms and opportunities as citizens of this great nation by participating in the political process.

Stenholm concluded by saying, "I am thankful that I can face each decision that arises with confidence that you are behind me. I really believe that these past years of experience in Congress make it possible for me to serve the 17th Congressional District and our country in a better way than ever before."

Good News!

Be firm and steadfast, so that you may give this people possession of the land which I swore to their fathers I would give them. Above all be firm and steadfast, taking care to observe the entire law which my servant Moses enjoined on you. Do not swerve from it either to the right or to the left, that you may succeed wherever you go. **Joshua 1:6-7**

Weather

Winter Weather is the norm this week with chilly gray skies, a bit of snow and ice but not enough for sleds and skates. The drought-breaker came on Feb. 3 when a mixture of rain, snow and sleet amounted to 1.16 in. as tabulated by Steve Moster.

| | | | |
|---------|------|---------------|-----------|
| Feb. 3 | 1.16 | rain and snow | 60 and 70 |
| Feb. 4 | .02 | rain | 49 and 71 |
| Feb. 5 | .14 | rain | 47 and 73 |
| Feb. 6 | .92 | rain | 40 and 47 |
| Feb. 7 | .05 | rain | 36 and 40 |
| Feb. 8 | .07 | rain | 30 and 38 |
| Feb. 9 | .28 | rain | 28 and 32 |
| Feb. 10 | .06 | rain | 24 and 32 |
| Feb. 11 | .24 | rain | and 48 |

Library gets \$5000 check

The Muenster Public Library received one of its finest gifts when a check for \$5,000 arrived from the estate of the late Catherine Dumraese of Alleyton, Colorado County, Texas. An avid reader, she directed in her will that the bulk of her estate be set aside for the benefit of small libraries in rural Texas with population under 7,000.

She specified that the sole purpose must be for purchase of additional books or for the alteration, improvement or expansion of these library facilities, as she recognized the needs that rural libraries have.

Total discretion as to books or material to be purchased with these funds was directed to Mary Moster, librarian or her successor, and expenditure must be within two years from date of gift unless

extended by the Independent Executor of the Estate.

It was further stated that the gift must be used for books and materials, but could never be used to replace funds previously committed to, or budgeted by a city to the library. Under the terms of the agreement, all benefiting libraries maintain membership in the Texas State Library system.

Small rural libraries were selected at random and visits to them were made without prior notice in order to determine the needs of such libraries and if the Catherine Dumraese Estate is in a position to help such libraries meet their needs.

Starting with Colorado County, Texas, Mrs. Dumraese's home area, the estate has, in a period of about eight months, distributed more than \$100,000 to a number of small town libraries.

Mary Moster, librarian at Muenster Public Library shares the pleasure of receiving a check from the Catherine Dumraese Estate to benefit small rural libraries, as she shows it to Melvin Luke, president of the library board and Gary Christian, treasurer.

Below Chamber of Commerce President Monica Hess presents the Muenster Flag to the Library.

Public school board positions are open

At a meeting Friday, Muenster I.S.D. Board of Trustees appointed three election officials for the annual election to be held on Saturday, April 5. Those appointed were judge, L.B. Bruns and clerks, Edgar Dyer and Robert McDaniel. School superintendent's secretary, Sharon Hess, will serve as absentee voter clerk for the 1986 election. Muenster I.S.D., Cooke County College, Muenster Hospital District and the City of Muenster will all conduct elections in the lobby area of Muenster High School between the hours of 7 a.m. to 7 p.m. on Saturday, April 5, 1986.

The filing period for position one and position two on the Muenster I.S.D. Board of Trustees is open now and will remain open until March 5, 1986. Any qualified person who desires to have his or her name on the ballot should contact either Sharon Hess or Superintendent Charles Coffey at the school administration building between the

hours of eight and four Monday through Friday.

The Muenster I.S.D. Board heard a presentation by Earl Fisher and Henry Weinzapfel of the Muenster State Bank on the bank's proposed settlement of bank stock taxes for the years 1979-1982. The school trustees informed the bank officials they would study the issue further and attempt to present a settlement offer in the next few days.

Members of the board of trustees also reviewed annual performance evaluations for the superintendent of schools and both principals during the February meeting. One year contract extensions were unanimously approved for Superintendent Charles Coffey, Jr.-Sr. High Principal Eddie Griffin, and Elementary Principal Gwen Trubenbach.

A Spanish Club trip to San Antonio for 11 students and three adult sponsors on February 14 and 15 also received favorable approval during the meeting.

Bullock releases view of oil prices in Texas

State Comptroller Bob Bullock Tuesday said he would soon release a financial assessment of slumping oil prices on the Texas budget.

"Mexico's decision over the weekend to drop oil prices to \$20 a barrel may have been the straw that broke the camel's back in terms of relatively stable prices," Bullock said.

Bullock noted that Mexico's oil

exports account for about 17 percent of the imported oil used in the United States.

That fact, alone, will have a strong influence on oil prices in Texas, he said.

Bullock said he has written Gov. Mark White and legislative leaders telling them of plans to update the state's financial picture.

"Even though world oil prices have been volatile, I'm not ready to throw out the current revenue estimate. But the oil situation that has unfolded in the past three weeks has serious implications for Texas and its finances," Bullock said.

The state's current budget is based on taxable oil averaging about \$25 a barrel in this fiscal year and near the \$24 mark in the following year.

He said new information is being gathered and will be included in the analysis which will be finished later this month.

Kiwanis club sets brief field trip

The Muenster Kiwanis Club will enjoy more than lunch on Wednesday, Feb. 19. Program chairman Alton Ladd has announced a field trip to the local AMPI plant beginning at 12:30 p.m., immediately after lunch at The Center. The public is welcome and transportation will be available.

Happy Birthday Texas 1836 - 1986

The Muenster Enterprise is grateful to MHS teacher Robert McDaniel for providing the following examination of Texas and her many-faceted history. This is the first of several articles he has agreed to submit in celebration of the Sesquicentennial.

By Robert McDaniel

The past history of Texas is unparalleled in comparison to the other fifty states. How many states were an independent country before they became a state? How many states were ruled by a president, Sam Houston, rather than a governor? How many states have such a wide variety of geography to offer to tourists? How many states adjust their overall economic output to prevent stagnation? Few.

Below are some interesting facts about the beginning of Texas through statehood.

Texas' sobriquet is the Lone Star State. Its motto is friendship. The Bluebonnet, sometimes referred to as Buffalo Clover, is the state flower, the state bird is the Mockingbird (1922), the pecan is the state tree (1919), Texas blue topaz is the state gem (1969), the state grass is the sideoats gramma, chili is the state dish (1977), and the state song is "Texas Our Texas" not "The Eyes of Texas," -- sorry U.T.

The origin of the state name is a Spanish spelling and pronunciation of an Indian word "Tejas" which means friends. In Spanish grammar x's and j's may be interchanged thus giving the present day spelling of Texas. Another word, Mexico, may also be found written as Mexico or Mejico.

Early settlers in Texas were referred to as Texigons or Texicans in association with the government that controlled them, Mexican. However, this name fell from grace and was quickly dropped due to the friction between the two peoples. Afterwards the settlers referred to themselves as Texans.

Texas has had various cities as its capitol. The first was Washington-on-the-Brazos. Washington to identify with the capitol of the United States, to which Texans hoped to become a part of, and on-the-Brazos because this city was located on the Brazos River in the original land grant of the founder of the Republic of Texas - Stephen F. Austin.

When the area of Texas declared itself independent from Mexico, the capitol was moved to Columbia because the only printing press in the state was located there. A printing press was needed to handle the printing of the necessary government documents.

After the Battle of San Jacinto, which determined Texas independence from Mexico, the capitol was moved again. Two brothers, the Allen brothers, owned a considerable amount of property between Harrisonburg and Buffalo Bayou on the coast. These two men created a town and named it Houston after the hero of the Battle of San Jacinto, Sam Houston. By naming the town Houston, they hoped to draw settlers to the area so they could sell their property at an inflated price, and also by it being the capitol of the state. Many businessmen would frequent the area bringing with them various business trades.

However, the swampy area around Houston caused epidemics of malaria and citizens and legislators demanded the capitol be moved to a healthier place. A new home for the seat of government was chosen on what was then the frontier, the Colorado River. This area was chosen because it had adequate space, an abundant water supply (the natural springs found all along the Balcones Escarpment), a sufficient wood and stove supply for fuel and building purposes and most important, by being on the frontier troops would be kept there to protect this new government and therefore settlers would be more apt to migrate to this area.

A feud developed between the citizens of Austin and Sam Houston and his followers who wanted the capitol moved back to Houston. In 1850 Austin was declared by legislative law to be the permanent capitol of Texas.

The land area of Texas has been under the control of six different governments.

France when Texas was a part of the Louisiana Purchase. Spain until Mexico declared its independence from that nation.

Mexico until Texas declared its independence. The Republic of Texas until Texas was admitted to the Union as a state.

The Confederate States of America when Texas seceded from the Union in 1861.

The United States flag before the Civil War and afterwards. (Obviously this is why Six Flags Over Texas is so named.)

Texas entered the United States as the 28th state of the Union on December 29, 1845. This is when Anson Jones said "The Republic of Texas is no more."

Texas entered the Union under a cloud of controversy. Northern industrialists did not want Texas as a state because they felt that slavery would simply expand into the area. The North also felt that Texas became a state, this would cause a war with Mexico; which it did. Southerners wanted Texas to become a state because the rich, fertile soil of East Texas and the alluvial soils of the river bottoms were ideal for growing cotton. Also, the South would gain two more senators in Congress who would vote as did the other Southern Democrats.

When Congress voted to annex Texas as a state, it gave Texas the option of entering as one state or the entire area could be carved into a maximum of five states. Our ancestors chose the one state option but Texas still has the right to divide herself into five separate states.

Therefore Texans, native or transplanted, can feel proud of the history of their state and see how unique it is.

Let's Beat the Litter Monster!

Community joins Operation: Clean Sweep

by Elaine Schad

Community organizations will join forces beginning this Saturday to kick off the Operation Clean Sweep Campaign which could result in \$20,000 in landscaping funds for the city through the Governor's Achievement Awards Program. Operation Clean Sweep is Muenster's campaign against litter and trash and is part of a larger statewide effort by Keep Texas Beautiful, the governor's office and the Texas State Department of Highways and Public Transportation said Gary Fisher, one of the local coordinators.

"In 1985 the state recognized that, if something were not done to curb the growing trash problem along our highways and city streets, we were either going to be buried in trash or face the need to raise funds through possibly higher taxes," Fisher said.

Bob LaCoe, Kiwanis Club member, said specific programs like Clean Sweep are needed locally and across the state to decrease littering. "It doesn't take much to recognize the entire state has the same problem we do in Muenster, but the solution lies in knowing what action should be taken to end the problem," he said.

To help provide an incentive for cities across the state to become more aggressive in the war against litter, the Texas Department of Highways with the help of Keep Texas Beautiful, Inc., has designed a contest which will yield eight Texas cities over \$700,000 in landscape funds. Should Muenster be the winner in the competition among cities of 2,500 or less population, it would receive \$20,000 in funds to beautify the city.

Organizations such as the Boy Scouts have helped in the past to fight litter when they organized trash pickup efforts before the Germanfest. Chief of Police Helen Tompkins has been instrumental in cleaning a stretch of Highway 373 north of Muenster and other organizations have been active on a continuing basis.

Local organizations including the Garden Club, Kiwanis Club, Bluebonnet Club, The Catholic Daughters, Beta Kappa Sorority,

Muenster Fire Department with help from city work crews and funding from the Chamber of Commerce, also help from the Boy Scouts, have made commitments to be involved in the Clean Sweep Campaign and other city organizations are expected to become involved as the campaign gets underway, Fisher said.

Three weeks during the next three months have been set aside to concentrate on bringing a greater awareness to the public about the problem of litter, to actually clean up areas of concern and to improve other areas of the city.

Clean Sweep Week I will begin this Saturday and will focus on targeting areas of concern and organizing efforts at cleanup. The week will extend through next Saturday. March 15 through March 22 will be March Against Trash Week when a concerted effort will be made to clean up roadside areas while keeping track of actual tonnage and miles of road cleaned. April 12 through April 19 will be Clean Sweep Week II. The effort of that week will be to put the finishing touches on the cleanup campaign as the city prepares for Germanfest.

Volunteers and organizers will be honored during a party tentatively scheduled for May. Matt Rhodes, who won a spot in the Orange Crush Band Competition, is expected to perform during those festivities.

Each city participating in the litter campaign across the state will be judged in six categories on a scale of 100 points.

City cleanup programs will be given a maximum of 30 points; public awareness programs could gain up to 25 points; education at the school level could gain up to 25 points; law enforcement efforts could gain 10 points; recycling, five points; and quality of life, five points.

Public awareness will be generated in several ways, Fisher said. The city will have available "Don't Mess With Texas" bumper stickers, the statewide slogan for this year's campaign, for anyone requesting them. Organizers intend to place the stickers on the back of all delivery

trucks going in and out of Muenster, hoping to create statewide and regional awareness.

The Kiwanis Club will place six garbage cans around the city Saturday and hopes to add others in coming months. The cans will eventually be imprinted with the local slogan. Public awareness will also be heightened through media coverage through radio spots and through the newspaper, Fisher said.

Organizers appeared before City Council members last week requesting the fine for littering be increased to coincide with recent statewide increase. The fine for littering has been increased in Texas from a minimum of \$200 to a maximum of \$1,000. The present city fine is \$27.

As part of a statewide effort to increase awareness of the litter problem, local law enforcement officials will also be able to take advantage of a \$1 million incentive program in which they will be reimbursed for \$25 for each ticket written for littering up to a maximum amount of \$2,500.

The City's Fire Department will be busy during the next several months burning off vacant lots where feasible and removing debris. All citizens will be en-

couraged to make a private effort in removing debris and garbage from their premises.

Fisher said Texas officials have completed a study that indicates people are most encouraged to litter when three situations exist. First, people litter when they feel no sense of personal ownership. Second, they litter when they know others will pick up after them; and third, they will litter when they see litter already exists in an area.

Studies also indicate that males between the ages of 18 and 35 are the worst offenders when it comes to litter. The second most likely groups to litter are again males from 14 to 18 years of age and from 35 to 40 years of age. "They have even determined that most of the males in the prime group own pickup trucks," Fisher said.

"It's not going to do any good to pick it up unless you change attitudes," Fisher said. That's why the campaign is planned as a comprehensive effort which will reach from the pre-school level to senior citizens, all of whom will be encouraged to participate in the city campaign.

The program scheduled for Saturday and all programs will be held weather permitting. Fisher

said the weeks were deliberately set to allow for two Saturdays in each designated period in case one could not be used due to weather conditions.

All programs will be completed before the April 30 deadline when organizers must have all data sent to the state. Should Muenster win the competition, specific locations of landscape projects will be determined by consultation with the State Department of Highways and Transportation and the winning cities. Highway landscape projects will be designed, funded,

contracted and maintained by the highway department.

Fisher is confident that Muenster will come out on top in its population grouping. "Clean Sweep expects to win the competition because of widespread support from within the community," Fisher said. "Muenster is blessed with doers and leaders, and when these people set their mind to do something, it will be done," he said.

For more information contact Fisher or the Chamber of Commerce office.

Timetable for Clean Sweep Week I

February 15--Volunteer groups will meet at 10 a.m. at the Chamber of Commerce office to take assignments and disburse to work until lunch. Campaigns for following weeks will be organized. Assignments will include studying areas which need the most attention.

--Official dedication of Kiwanis Park sometime in the afternoon. Kiwanis members took state and regional honors in the "Make America Beautiful" competition sponsored several months ago by Family Circle Magazine. A plaque will be placed in the park. The Kiwanis Club won \$100, bedding products worth \$400 and products from the Hyponex Company worth \$2,000 for their efforts.

--Placing of six Kiwanis Club trash cans at high traffic areas around the city.

--Begin "Don't Mess With Texas" bumper sticker placements on trucks going in and out of Muenster.

--Area cleanup as time allows.

Feb. 17--State Sweeping machine will be in city. All businesses and areas wishing to participate in downtown area should have all vehicles removed from streets so sweeper can clean in front of establishments.

Feb. 22--Completion of activities begun on Feb. 15 and continuation of planning for ongoing cleanup.

Texas employers will pay less tax

Texas employers will pay approximately \$250 million less in federal unemployment taxes for 1985, the Texas Research League reports.

The reduced payments are due to the better-than-anticipated performance of the revised UC tax structure adopted by the legislature in May 1983, the League reports in the January issue of its monthly research publication, ANALYSIS.

After Texas' Unemployment Compensation Trust Fund ran out of funds in November 1982, federal loans were used to pay benefits to unemployed workers. These loans were paid off in August of last year, a full year ahead of schedule, according to Texas Employment Commission figures.

In addition, since the Unem-

ployment Compensation Trust Fund had a positive balance on January 1, 1986, the string of consecutive January 1 dates with an outstanding loan balance has been broken. As a result, the possibility of added federal taxes that are triggered to pay outstanding loans will not be a problem until at least 1988.

Although employers will pay less federal taxes, state law will continue to require state taxes to be above normal until the trust fund reaches the mandated floor of about \$400 million. This is predicted to take several years, and in the meantime the trust fund will remain vulnerable to dramatic and unexpected increases in unemployment.

The Texas Research League is an Austin-based public policy research organization.

The Montague County Carpenter's Shop will sponsor the appearance of the "Braschler Quartet Music Show" in concert on March 7 at 7:30 p.m. at 400 Boston Street. The group comes from Branson, Missouri. The performance will appeal to all ages with barbershop, gospel old time and modern, Sons-of-the-Pioneers style, and Hank Williams, Johnny Cash, Statlers, Oak Ridge Boys and Alabama influencing selections. The entertainment will make you glad you came. Proceeds will benefit the "Senior Citizen Center Building Fund." Reserve your ticket now, \$7.00 each. Call 1-817-825-4024 or write Montague County Carpenter's Shop, 400 Boston St., Nocona, Tx 76255.

Governor praises Crime Stoppers

Crime Stoppers programs throughout Texas produced more bad news for criminals in 1985, as the citizen-police, anti-crime program enjoyed unprecedented success during the past year.

Elections

Continued from page one

Tom Crawford and Ted M. Foreman.

Other county candidates, all of whom are running unopposed in the April 5 elections, include Cooke County Judge Jim Robertson, seeking re-election; County Attorney Janelle M. Haverkamp, who was appointed and will be running in her first election.

County Surveyor Delbert West, an incumbent, is seeking re-election to his post and Frank Scoggins is seeking re-election to the County Clerk position. Bobbie Calhoun is seeking re-election to the precinct 2 County Commissioner post and Royce D. Martin is seeking re-election to the precinct 4 Justice of the Peace position. Janet Graves Johnson is running unopposed for the first time for County Treasurer and David Morse is running for Inspector of Animals and Hides.

Governor Mark White said the 134 Crime Stoppers programs in the state solved more cases, arrested more suspects, recovered more stolen property and paid out more rewards than ever before.

In statistics compiled by the Texas Crime Stoppers Advisory Council, which operates out of the Governor's Office-Criminal Justice Division, a total of 5,895 crimes were solved and 4,247 suspects were arrested in the past 12 months through tips to Crime Stoppers. This is a 19 percent in-

Moving? Don't Forget to Tell Post Office and IRS

Taxpayers who move after filing their federal income tax returns and who expect refunds should notify the post office serving the old address, the Internal Revenue says.

The IRS service center where the return was filed should also be notified of the address change. This will help IRS to forward the refund check to the new address as soon as possible. When advising IRS of the address change, the taxpayer's social security number should be included in the correspondence.

crease over 1984's solution rate.

The biggest increase, however, was in the amount of stolen property recovered in 1985. A total of \$21.8 million worth of stolen property was recovered as a direct result of tips to Crime Stoppers, an increase of more than 85 percent over 1984, and an additional \$35 million worth of narcotics was seized.

"The statistics speak for themselves," Governor White said. "When you consider that during a typical eight-hour work day, a major crime was solved every 21 minutes in 1985 through calls to our Crime Stoppers programs, it simply underscores how important the concept has become to law enforcement in our state."

Greg MacAleese, Crime Stoppers founder and coordinator of the Texas Crime Stoppers Advisory Council, said some of the accomplishments by the state's programs in 1985 were staggering.

"The one statistic that stands out in my mind is that Texas Crime Stoppers programs helped recover more than a million dollars a week worth of stolen property and narcotics. Very few organizations can make that claim," he said.

Fleitman, Friday are wed

MR. AND MRS. JERRY FLEITMAN and DOBE FRIDAY

Billie Friday became the bride of Jerry Fleitman in a Nuptial Mass in St. Mary's Church of Gainesville on Saturday, Feb. 8. Father Nicholas Fuhrmann, pastor, celebrated the Nuptial Mass and heard their vows in a traditional double ring ceremony at 5 p.m.

The bride, daughter of Aileen Dyer of Dexter and the late William H. Dyer, is a travel agent. The groom, son of Bruno and Bertha Fleitman of Muenster is a farmer/rancher. When they return from their wedding trip to Hawaii, they will be at home in Muenster.

The bride approached the altar accompanied by her daughter, Dobe Friday, who presented her in marriage.

For her wedding gown she chose an ivory knit chiffon designed by

Alfred Angelo, with fitted Chantilly lace bodice kissed with bridal beads, featuring an English net yoke with a high neckline and a band of re-embroidered Venise lace and pearls. The yoke was encircled with scalloped re-embroidered Venise lace and pearls. The full, bishop sleeves were gathered to deep tulle cuffs overlaid with Venise lace adorned with pearls. Insets of tulle and motifs of lace sprinkled with pearls ornamented the sheer sleeves. The dropped waistline was encircled with Venise lace and outlined with pearls. The full, knit chiffon skirt fell to slipper length and was encircled with a wide band of Chantilly lace.

Her matching designer hat, adorned with lace and pearls, was turned up on one side revealing a cluster of silk flowers. She carried a bridal cascade of ivory and mauve roses, carnation, stephanotis and baby's breath.

Attendants

Ms. Chris Clark, a friend of the bride, of Walnut Bend, was her maid of honor. Dobe and the maid of honor were identically gowned in mauve matte taffeta, designed with fitted natural banded waist, scooped neck in front and deep V in back with multi straps. Short sleeves were shirred and bowed and the skirt fell to slipper length. Both carried round bouquets matching the bride's flowers.

John Dave Fleitman was his brother's best man. Douglas Fleitman, groom's nephew, ushered guests and Samuel Fleitman and Jon Fleitman, also nephews, were Mass servers.

Wedding music was given by Pat Hennigan, Jr. at the organ. Vocal music was given by St. Mary's Bluebirds led by Sister Gabriel Burton, Debbie Hermes, Michael Ann Rigler and Donna Dieter. The Bluebird Singers were Dobe Friday, Andy Lanz, Shelley Bezner, Jennifer Roye, April Fleitman, Nathan Bloom, Sherry Metzler, Matthew Von Sickle,

Jennifer Hermes, Kelly Rigler, Leah Rigler, Tom Plumlee, Donny Elvington, Paul Barnes, Elizabeth Marler, Sweta Patel, Penny McKinney, Ryan Stephens and David Spurgeon.

They sang "New Life" following the wedding vows; "Sing A Simple Song" with a small group echoing the refrain; and "This Is The Day" at Communion.

Readers for the wedding liturgy were Sarah Lester, groom's sister, and Sr. Dolores Siebenmorgen. Assisting as Eucharistic ministers were Mr. and Mrs. Alvin Hartman.

Altar decorations included two bouquets of white spider mums, pink carnations, baby's breath and leather leaf. The Unity candle, made by the groom's mother, centered the altar.

Reception

A reception followed in St. Mary's Parish Hall, for 250 guests, hosted by Mr. and Mrs. Bruno Fleitman, parents of the groom, with a buffet of pick up foods, followed by a dance.

Pam Swirczynski, a friend of the bride secured guest signatures in the bride's book.

The bride's table was covered with a mauve lace cloth, and held silver candelabra with flower centers. A floral arrangement in the bride's chosen colors was a gift from the groom's nieces and nephews.

The three tiered wedding cake featured a scalloped pattern around the bottom and a nosegay of fresh flowers dividing the two top tiers. Figurines of a bridal couple for the top keepsake tier

were originally used on the wedding cake for the groom's parents 47 years ago. Mickey Spaeth baked and cut the wedding cake which was served by Kelly Cox of Houston and Kara Sanders of Austin. Reception assistants were Sarah Lester of Era and Jane Cox of Houston sisters of the groom, Patsy Fleitman of Muenster, a sister-in-law, Luanne Shortnacy and Debbie Hermes both of Gainesville.

Guest tables were decorated with hurricane lamps, mauve candles and silk flowers.

Guests coming from out of town included Mason Kirby of Dexter, R. Wayne and Nelda Sanders and Kara of Austin, Christi and Ashley Phillips of Austin, Charlotte Allison of Fort Worth, Celma Hess of Dallas, Frank and Jane Cox and Kelly, Kevin and Kris of Houston, Dan and Theresa McCrimmon and Kate of Morrison, Colorado.

Swirczynskis visit and entertain

Mr. and Mrs. Herman Swirczynski returned Feb. 10 from ten days of visiting, first in Amarillo and then in Liberal, Kansas. They flew to Amarillo on Jan. 31 to spend the weekend with friends, Mr. and Mrs. Joe Peters and to attend their golden wedding celebration. They were joined there by their son, Clifford Swirczynski, his wife Judy and their two children of Liberal, Kansas. The goldenweds are Judy's parents.

Mr. and Mrs. Herman Swirczynski accompanied their son and family to Liberal planning a short stay, but were housebound by bad weather. Clifford drove his parents back to Amarillo and they returned home by plane from there Monday.

Visiting the Herman Swirczynskis as guests in their home one day were Mr. and Mrs. Albert DeBoer, long time friends from Castleberry, Florida. They were traveling and stopped in Muenster to spend Jan. 30.

Carol Grewing gets degree at Midwestern State University

Carol Lee (Walterscheid) Grewing received a Bachelor of Business Administration degree from Midwestern State University in Wichita Falls in December, with a major in Accounting. She is the

daughter of Mr. and Mrs. Raymond Walterscheid, and a graduate of Sacred Heart High School. She and her husband Mark are residents of Denton.

Jeff Felderhoff is A&M Grad.

Jeff Felderhoff graduated from Texas A & M University in commencement exercises in December, 1985, receiving a Bachelor of Science degree in Industrial Engineering. He is the son of Girlie Felderhoff of Gainesville

and the late A.J. Felderhoff, and the grandson of Mr. and Mrs. Tony Felderhoff and Mr. and Mrs. Albert Kubis. He is employed by LTV Aerospace and Defense in Dallas.

Baptism

Walterscheid Baptism

Baptismal services were held in Sacred Heart Church for Alisha Marie Walterscheid, daughter of Nick and Robynn Walterscheid, during the 9 a.m. Mass on Sunday, Feb. 9. Godparents were an uncle and aunt, Gary Joe and Stephanie Felderhoff of Gainesville.

Alisha Marie wore the same christening dress that her sister Dee Dee wore at her baptism.

Attending with the parents and godparents were Dee Dee and the grandparents, Wendell and Rita Richey and Hank and Louise Walterscheid and the great-grandmother, Mrs. Richard Cain, all of Muenster.

A luncheon, hosted by the Wendell Richeys followed. Special guests were great-grandparents, Mr. and Mrs. Herman Richey of Gainesville.

Sicking Baptism

Allison Ann, infant daughter of Matt and Colynda Sicking was baptized Sunday, Feb. 9, during the 9 a.m. Mass in Sacred Heart Church by Father Victor Gillespie.

Attending as God-parents were Tracy Henscheid, aunt, and Hal Mollenkopf, a cousin.

Allison wore the christening gown worn by her sisters Angel and Mattie and before them by their mother for baptism.

The maternal grandparents, Mr. and Mrs. Virgil Henscheid were hosts for the christening dinner in their home. Special guests were the great-grandmothers Dora Henscheid and Elizabeth Mollenkopf.

Stoffels Baptism

The baptism of Lauren Nicole Stoffels was held in Sacred Heart Church on Sunday Feb. 9 during the 9 a.m. Mass, officiated by Father Victor Gillespie. Lauren Nicole is the infant daughter of Chris and Jana Stoffels.

Baptismal sponsors were an uncle and aunt, Chuck and June Bartush. The baby wore a special christening gown that has been in her mother's family for twenty nine years. She wore a gold cross and chain necklace, a gift from her godparents, along with a lace christening bonnet and receiving blanket. As a special gift from the parish, Laren received a welcoming ivy.

A brunch followed the church service in the Chris Stoffels home. Thirty nine guests attended, including the grandparents, Herman and Alma Stoffels; great-grandmothers Ida Mae Herr and Dora Henscheid; uncles, aunts and cousins Jim and Cindy Gehrig and family; Rex and Donna Simmons and family; Joe and Pam Dangelmayr and family; Chuck and June Bartush and family; Connie, Sally and Craig Stoffels; Connie Klement, Donna and Mike Heffron; Sandy Metzler; Shannon and Doug Herr; and Brad and Robert Herr. Unable to attend

were the maternal grandparents, Ronnie and Alma Herr.

Stratton Baptism

Visiting Bonnie Hess for a week were her daughter, Frances Stratton and infant daughter, Trisha Diane of League City, Tex. The husband and father, Paul Stratton, joined then for the weekend, and Trisha Diane was baptized in Sacred Heart Church Saturday, Feb. 1, at 11 a.m.

Father Denis Soerries performed the sacramental rites. Trisha's godparents were an uncle and aunt, Dennis and Kitty Hess of Fort Worth. Illness prevented them from attending, serving as proxy sponsors for them were Uncle Mark Hess of Decatur and Grandmother Bonnie Hess.

The christening dinner was in the family home with Grandmother Hess as hostess.

Others attending the ceremony and noon meal were Larry Hess of Denton, Steve Hess and daughter, Jennifer, of Irving, Bob and Jeanette Hess and Sarah, Don and Martha Hess, Arnold, Barry, Donnetta, Toby and Corey, all of Muenster.

The out of town guests remained overnight and Sunday.

American Exclusive Pageant Winners

Four named top winners in pageant on February 1

Winners in the American Exclusive Pageant held in Gainesville High School Auditorium on Feb. 1 are shown in this photo.

Top prize winner, at left, was Leigh Ann West, fourteen-year-old daughter of Mr. and Mrs. Jerry Sasser of Gainesville. Leigh

Ann was crowned American Exclusive Queen in her age group. She was also the Photogenic winner, in her age group and winner of Modeling I and II.

Standing, top right, is Kelli Joe Perrin, ten-year-old daughter of Bob and Diann Perrin of Gainesville. She was crowned American Exclusive Queen in her age group; and also was the Photogenic winner and Modeling I and II winner.

At lower right is Tiffany Lavonne Jeffcoat, three-year-old daughter of Horace and Kathy Jeffcoat of Gainesville. Tiffany was the winner of the American Exclusive Queen in her age group; she was first runner-up in Talent I and first runner-up in Modeling I and II.

The little boy, Dustin Scott, the six-month-old son of Bob and Charlyn Scott of Thackerville, Oklahoma, won the American Exclusive Beautiful Baby in his age group; and was named most Photogenic in his age group.

Winners not pictured were Brandon Grewing, Son of Kellye and Don Grewing of Muenster. Brandon was named most Photogenic in his age group.

Also Kristin Grewing, daughter of Kellye and Don Grewing was the winner of Talent I and winner in Modeling I and II.

Jennifer Banks, daughter of Arnold Banks of Gainesville was first runner-up in Modeling Part I.

Jan Darlene Fleitman, daughter of August and Paula Fleitman of Muenster was first runner-up in Modeling II.

Pageant Director was Norma Jean Clifton.

Catholic Singles Club plans March activities

The Cooke County Catholic Singles Club met Saturday, Jan. 25 at 7:30 p.m. in the home of Martha Fuhrmann in Lindsay.

During the business meeting the group made plans for several coming events, including a visit to the Clay Pot Eatery in Krum on Feb. 7 for dinner at 7 p.m. Also to meet at St. Mary's Church on Saturday, Feb. 15 at 7 p.m. to go to "The Yellow Rose" in Denton. Also on Sunday, Feb. 23, the group will meet at 1 p.m. at the Myra school gym to play volleyball and have a picnic lunch.

There will be a party for the club at Ronnie Klement's home on Friday, Feb. 28 at 7:30 p.m. On Friday, March 14, election of officers and discussion of by-laws will be held at St. Mary's Church basement at 7 p.m. This meeting will mark the beginning of the

group's second year. Following completion of the business meeting, members played "Trivia Pursuit."

The Cooke County Catholic Singles Club was organized with the support of the St. Mary's Parish Council, to promote fellowship, and to address the needs of those within the Catholic Church who are single, separated, divorced or widowed. The group offers social, recreational, religious, educational, emotional, intellectual and social growth. All Catholic Singles, or Singles Again, 18 years of age or older, within Cooke County are always welcome and encouraged to join the activities. If interested, they are invited to come as a visitor, or to phone Amy at 817-668-7628 or Sharon at 668-7175 after 5:30 p.m. for more information.

CDA holds February meeting

Members of Court St. Mary Catholic Daughters of America heard a book review presented by Betty Kralicke at their Feb. 3 meeting. She reviewed "La Popessa" by Paul I. Murphy.

The book tells the story of a nun who became an influential assistant to the late Pope Pius XII. At age 90, she is still a dynamic person.

During business conducted by Regent Stella Hess, members elected her and Dorothy Fisher as delegates to the state CDA convention in Galveston April 17-20. Members voted to increase con-

tribution to Sacred Heart Church for Communion breads.

A report on the bakeless bake sale revealed the benefit progressing nicely with donations coming in.

In the library report Mary Moster acknowledged a number of memorial gifts to the library in memory of Lee Toothaker, and several other deceased persons who were helpful to the library.

Next month's program will feature slides on the Grotto of the Redemption in West Bend, Ind., with Mary Moster as presenter.

Martin Bayer honored on 75th birthday

Martin Bayer celebrated his 75th birthday during a party in his home on Feb. 8.

Helping him observe the Saturday evening event with his wife, Louise, were their children and grandchildren.

A buffet dinner, decorated cakes, ice cream and a huge chocolate chip cookie were enjoyed. Gifts were opened amid the sound of polka music. The evening continued with visiting and picture taking. February birthday greetings were also extended to Don Bayer.

Patricia Otto and Rhonda Bayer. Observing wedding anniversaries in February were Tom and Joyce Bayer, and David and Janice Bayer.

Attending the family party were Don and Barbara Bayer of Waco, Ken and Pat Otto of Tulsa, Nelda Bayer and Lynn Van Meter of Dallas, Dale and Sylvia Bayer and family of Gainesville, and Tom and Joyce Bayer and family, David and Janice Bayer and family, and Bill and Anette Bayer and family, all of Muenster.

OLD RELIABLE

In 1940, the 78 percent of families who had electricity used about 80 kilowatt hours per month and paid about \$30 for it.

Today, the average family served by a consumer-owned, non-profit system like ours uses about 1,000 kilowatt hours of electricity and pays about \$75 for it. It's hard to imagine life without it. It's our "old reliable" source of energy.

It cooks for us, heats for us, shaves us, cools for us, washes our clothes and dishes and dries our hair, brings us the wonder of radio and television, makes the workplace a safer, more productive place. It's always there, it's quiet and clean; and it takes a smaller bite out of our paychecks.

We can help stretch utility dollars even further. We can help find ways to get things done more efficiently and economically...can find innovative ways to make "old reliable" work harder for our consumers, both at home and on the job.

We are committed to keep "old reliable" up and running and efficient...for you...for all of us.

JEFF HESS

Jeff is three

Jeff Hess celebrated his third birthday on Jan. 27 during a party in his home hosted by his parents, Ronnie and Janet Hess.

A baseball theme was used and guests enjoyed playing games and the breaking of a pinata filled with candy.

Guests attending were the honoree's sister, Stephanie; his grandmothers Betty Henscheid and Lucille Hess; and Rose, Jaclyn and Darell Henscheid; Russell Fette; Gayle and Justin Walterscheid; Eric Fisher and Danny Felderhoff.

WESLEY RAY KOELZER

Wesley Ray is one

Wesley Ray Koelzer celebrated his first birthday on Saturday, Feb. 8 at his home with his parents, Carol and Smoke Koelzer.

Decorative theme was a fire engine and Wesley was the chief. Cartoon balloons decorated the house.

His birthday cake was a big train baked and decorated by his babysitter, Dolores Hofbauer. Pictures were made during the party and gifts were opened. Refreshments of pick up foods, cake and ice cream were served.

Guests included Wesley's great-grandparents Mr. and Mrs. Henry Grewing, Sr. and Mrs. Marie Reiter; the grandparents Mr. and Mrs. Earl Koelzer, Sr. and Mr. and Mrs. Henry Grewing, Jr.; a great-aunt Margie Walterscheid; great-uncle Monty Reiter; and uncles Mike, Troy and Gary Grewing, Danny Gilbreath, Eric Hart, Louie Koelzer, Earl Koelzer, Jr. and Jeanette and Piper Snow; and aunts Kay and Kathy Grewing, Terry Gilbreath and Molly Koelzer.

Friends visiting during the day to help celebrate the day were Kay Bynum, and Dolores, Jana, Angela, Jason and Stephen Hofbauer.

Children's food program offered

The Summer Food Service Program for Children will be offered again this year by the Texas Department of Human Services.

The program provides services to children from needy areas when schools are closed for vacation.

Organizations eligible to sponsor the food service program include public or non-profit private schools, residential summer camps, and local, municipal, or county governments.

For more information, information organizations and food service management companies may contact Jean Ryan, Food Services Program 520-W, Texas

Department of Human Services, P.O. Box 2960, Austin, Texas 78769, 512-450-3139.

New Arrivals

Claudette and Dan Fette of College Station, Texas announce the birth of a son, Gabriel Nicholas at 4:01 a.m. on Monday, Feb. 10, 1986 in St. Joseph's Hospital in Bryan, weighing 7 lb. 2 oz. and measuring 21 1/2 inches in length. Gabriel Nicholas is a baby brother for eight year old Aaron and a grandson for Eugene and Jane Voelkel of Bryan and R.N. and Elfreda Fette of Muenster. The great-grandparents are Mrs. Ruby Voelkel of La Grange and Mr. and Mrs. Eric Munro of Ormand Beach, Florida.

Richard and Karen Moster are parents of their second son, Tony Richard, born on Saturday Feb. 8, 1986 at 11:25 a.m. in Flow Hospital of Denton, weighing 8 lb. 12 oz. and measuring 20 3/4 inches long. Tony Richard joins a brother, Charlie at home. Their grandparents are Mr. and Mrs. Carl Schilling and Mrs. Elizabeth Moster. The great-grandmothers are Mrs. Dora Henscheid of Muenster and Mrs. Margaret Moster of Lindsay.

Ken and Rhonda Hartman are parents of their second daughter, Courtney Renee, born in Muenster Memorial Hospital on Wednesday Feb. 12, 1986 at 12:34 p.m., weighing 7 lb. 10 1/2 oz. and measuring 20 inches in length. She is a baby sister for Holly Michelle and a granddaughter for Alvin and Joan Hartman and Ed and Clara Endres. The great-grandparents are Mrs. Dora Henscheid, Mr. and Mrs. Victor Hartman and Mr. and Mrs. Tony Felderhoff, all of Muenster.

Schedule of Meetings

Garden Club

The Muenster Garden Club will meet Friday, Feb. 14 at 9:30 a.m. in the home of Mrs. Angela Juarez, at 1052 North Cedar St. Loretta Felderhoff will be in charge of the program and will also show slides of her recent visit to Hawaii. Special attention is called to the time: tomorrow, Friday, at 9:30 a.m.

AA

The Muenster chapter of AA meets every Tuesday evening at 8 p.m. in the Community Center meeting room. New members are always welcome.

Personals

LaQueta McCollum of Dallas and her daughter Kelley Orsburn of Denton were Thursday overnight guests of the Chris Cains last week. They attended a Mary Kay Unit meeting in Gainesville accompanied by Jan Cain.

Tigerettes advance to Semifinals

The Sacred Heart Tigerettes moved one step closer to a State Championship with a 39-34 win over the Marion Christian Lady Colts in a game played in Waco Saturday afternoon. The victory places the Tigerettes in the State Semi-Finals in San Antonio this Friday morning.

In the game played Saturday it was do-or-die as the winner extended their season one week and the loser turned in the equipment Monday. The Lady Colts arrived in Waco with a 22-2 record against some of the best competition in Houston and were the favorites to advance to the State Finals. On the other hand our own Sacred Heart Tigerettes with a 23-4 record were looking to return to the State Championships for the sixth consecutive year.

Marion's refrigerator, Margo Graham, controlled the tap and the Lady Colts immediately brought it down court and scored, as Gina Abbott dumped the pass

under to Graham who had posted up Sacred Heart's Vicki Walterscheid. The tigerettes were pressured by the Lady Colts and turned the ball over allowing the Colts to take a 4-0 lead on two charity tosses by Kristen Kistner. With the Tigerettes trailing 4-0 Tammy Hess raced up court and launched a twenty foot jumper that was off the mark, but sophomore Vicki Walterscheid was there for the rebound and scored drawing a foul on Graham. Vicki's free throw was no good. Both teams could not score on their next possessions until Tammy Hess snatched a Kim Reeves miss and broke downcourt with her shot falling off the mark, but the rebound was taken by Sandra Walterscheid and pounded back in knotting the game at 4 all. The Tigerettes pressed the Lady Colts into a steal by Sandra Walterscheid and a resulting hoop by Tammy Hess giving the Tigerettes the lead which they would not surrender the re-

mainder of the afternoon. Another missed shot by Reeves, a rebound by Hess and an excellent fast break resulted in a pass from Sandra Walterscheid to Juline Bartel for the score. The rest of the period was all Sacred Heart as the Tigerettes Lydia Walterscheid had two steals which resulted in baskets by Sandra Walterscheid. Juline Bartel hit two free shots and Tammy Hess canned one for the Tigerette first period scoring and a 13-9 lead.

The second frame saw the Tigerettes continue to pressure the Lady Colts into turnovers and missed shots. The Tigerettes continued to push the ball upcourt and force the Lady Colts to play defense. Controlling the boards and running the fast break to perfection, the Tigerettes moved to a 26-15 halftime lead. Scorers in the second quarter for the Tigerettes were Sandra Walterscheid 6, Vicki Walterscheid 4, Tammy Hess 2, and Molly Koelzer 1.

In the third frame the Tigerettes continued with their game plan of taking the ball to the hoop, and continued to succeed as they held a 34-23 led after three quarters. By placing pressure on the Lady Colts the Tigerettes were able to control the boards and force the Lady Colts into foul trouble. Unfortunately, the Tigerettes were unable to convert the charity tosses. Third frame scorers were Sandra Walterscheid 4, Tammy Hess 2, and Vicki Walterscheid 2.

The domination of the boards by the Tigerettes' Sandra Walterscheid, Vicki Walterscheid and Juline Bartel forced the Lady Colts out of their game and caused them to lose Margo Graham and Kristen Kistner to foul trouble early in the fourth frame. With Graham and Kistner flaged out, it appeared the Tigerettes could coast. The Tigerettes lost concen-

tration and saw an eleven point lead dwindle to three points with 2:26 seconds remaining. "Anytime you play a school who is 22-2 in the Houston area they have to have a strong bench," said Coach Jon. And that was the case, the Tigerettes lost concentration and the Lady Colts executed their stretch run.

In the final stages the Tigerettes tried to slow the game down and were whistled for eight turnovers in the fourth period. The Colts began to take control and the Tigerettes began to back away. After calling two time outs the Tigerettes re-grouped and the clock forced the Lady Colts to foul. Sandra Walterscheid converted two and Tammy Hess converted two giving the Tigerettes a 39-32 lead with :19 remaining. A shot by Reeves at the buzzer ended the scoring giving the Tigerettes a 39-34 win and a return trip to San Antonio for the State Championships.

"We played a good ballgame with the exception of three minutes in the fourth period, and our inability to connect from the free throw line," stated Coach Jon. The stats reflect the Tigerettes performance as they controlled the boards grabbing a season high 55 rebounds. Scorers for the Tigerettes were Sandra Walterscheid 17, Tammy Hess 9, Vicki Walterscheid 8, Juline Bartel 4, and Molly Koelzer 1.

"I was very pleased with the performance of the girls, they showed a lot of heart in their work throughout the season and deserve the return trip to San Antonio." "Our fans are the greatest and are to be commended for their support of the Tigerettes and Sacred Heart School, we thank them for helping to make us winners on and off the court," said Coach Jon. The Tigerettes record now stands at 24-4.

Tigerettes on the road to state.

For the sixth consecutive year the Sacred Heart Tigerettes have advanced to the TCIL State Championships in San Antonio. The last two years the Tigerettes lost in the Championship game to the Angels of Incarnate Word Academy. In 1983 the Tigerettes won it all and hope to repeat that feat this year.

This year's final four include the defending champions, the Incarnate Word Angels of Corpus Christi. The Angels will open up the tournament with an 8:30 a.m. match against the regional winner of the Southeast. That winner has yet to be decided. At 10:00 a.m. our own Sacred Heart Tigerettes 24-4, will play the 21-6 Saint Paul Cardinals of Shiner. On Saturday the losers will play at 9:00 for consolation and the winners will play at 4:00 p.m., for the TCIL AAA State Championship.

A scouting report on the Saint Paul Lady Cardinals reads as follows. They run out of a 2-1-2 or a 1-3-1 offense with an inside rotation trying to use their post, the 6'2" Laura Kneifel. They are excellent perimeter shooters. Defensively the Cardinals will play a full court man defense using zone trapping principals. Defense has been the key to the success of the Lady Cardinals.

The Lady Cardinals are led by 6'2" Laura Kneifel who is averaging 18 points per game. The other starters are Becky Pustka a 5'9" Sr., 5'7" Pam Sampar also a senior, and two outstanding freshmen in 5'8" Karen Patek and 5'7" Michelle Herrmann.

The Tigerettes will start 5'9" Juline Bartel who controlled the boards with 17 in the victory over Marian. At the guard positions will be the senior combination of 5'5" Lydia Walterscheid and the speedy 5'7" Tammy Hess. The twin towers of 6'1" Vicki Walterscheid and 5'11" Sandra Walterscheid will occupy the forward positions. The first face off the bench will be defensive

Six Texas counties may get steel shot requirement

Federal wildlife officials have notified the Texas Parks and Wildlife Department that they are considering a prohibition of the use of lead shot for waterfowl hunting in six additional counties in Texas for the 1986-87 hunting seasons.

The counties are Grayson and Fannin on the Texas-Oklahoma border, Upshur, Marion and Henderson in Northeast Texas and Deaf Smith County in the Western Panhandle.

The U.S. Fish and Wildlife Service (USFWS) said the six counties are among 173 counties in 26 states where the use of toxic lead shot by waterfowl hunters is believed to be a threat to endangered bald eagles. Eagles often feed on waterfowl which have embedded and/or ingested lead pellets, and are thereby exposed to

lead poisoning which can be fatal. USFWS officials will accept comments from the public on the proposed rule until Feb. 19. Comments may be sent to Director, U.S. Fish & Wildlife Service, Department of the Interior, Room 536 Matomic Building, Washington, D.C. 20240.

Officials said the counties were identified as critical areas under criteria which included an average annual harvest of at least 5,000 ducks and geese between 1971 and 1980 and a winter count of at least 25 bald eagles in one or more years between 1978 and 1984. Of these 50 counties whose geographical/ecological boundaries are contiguous with counties meeting the criteria were added because they may be important in protecting eagles, the agency said.

MHS overpowered by Alvord Bulldogs

The Muenster Hornets had a tough time with Alvord Tuesday night, in the final round of the boys district tournament, coming out on the losing end of a 70-55 score.

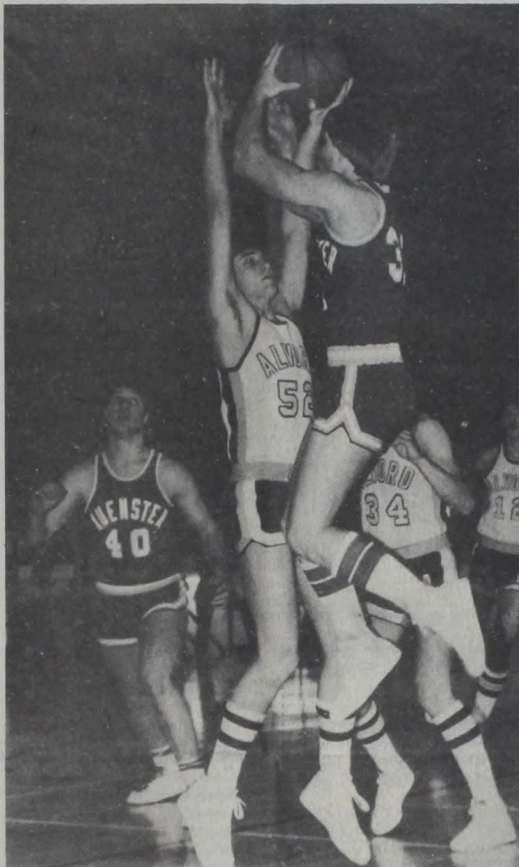

Muenster trailed 10-11 after a close first quarter. Alvord held a 28-21 advantage going in at half-time and overpowered the Hornets by 29-11 points in third quarter play to extend their lead 57-32. The Hornets fought back the last eight minutes making 23 points to the Bulldogs 13, but couldn't close the gap Alvord made.

Muenster got a big boost at the

free throw line hitting 23 of 37 shots. Alvord got eight points in 22 free throw attempts.

Brian Hess hit 23 points to lead the Hornets, but it was not enough to give them the win over the red-hot Alvord squad. Ryan Klement added 10 points, Joe Pagel accounted for 8, followed by Kevin Anderle's 7, Stuart Hess with three and two each for J.Shane Wimmer and Darren Walterscheid.

Alvord's top scorer, James Becker, hit 24 points. The defeat ends the Hornets basketball season with a third place district rating.

Huge ride in plans for Six Flags 25th

A spectacular new bobsled ride and major additions to Six Flags Over Texas' concert facilities highlight a multi-million-dollar expansion program planned for the theme park's 25th anniversary season.

The massive steel ride, to be known as the Avalanche Express Bobsleds, is under construction in the park's Spanish section.

Designed and fabricated in Switzerland, the ride will carry nearly 1,000 persons each hour over a steeply-banked, curving course which measures more than a quarter mile long. It will reach speeds up to 32 miles per hour.

Sleds carrying six passengers each will climb more than six stories into the air and then, propelled by gravity, will twist and wind through the course. The sleds are free-wheeling - not attached to tracks - and will veer

toward the lip of the bobsled run as they make their descent.

The Avalanche Express Bobsleds will open in late April.

On the opposite side of the park, work is underway at the Music Mill Amphitheater which will more than double both its seating capacity and stage area. New lighting and sound systems are also being installed.

Hornette invasion -- Amy Davidson - 23, eyes the ball as Slidell's No. 21 is surrounded by Muenster players. From left to right they are Judy Biffle, Staci Walterscheid, Rita Walterscheid, and DeAnn Walterscheid.

Photo by Janie Hartman

Hornettes defeat Lady Longhorns

The Muenster girls varsity basketball team faced-off against Forestburg on Feb. 6 in second round tournament play. Muenster received a bye for the first round along with Slidell who share a 9-1 district record.

After leading in the first quarter by a margin of 7 points, Muenster fought Forestburg's defense to score, but the Hornettes had to play a good defense themselves to stop the Lady Longhorns. At half-time Muenster still led 19-14.

The Hornettes outscored Forestburg 16-12, retaining their lead, in the third quarter. The fourth quarter brought foul trouble for both teams, Muenster

losing two and Forestburg three. Muenster went on to win after the race for points, with a score of 48-40.

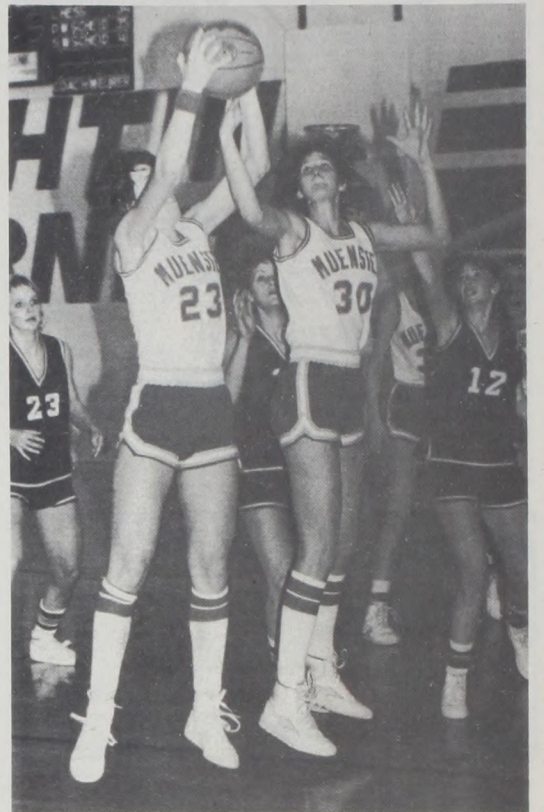

Staci Walterscheid was the overall high scorer for Muenster with 13 points, plus 5 rebounds and 1 assist. DeAnn Walterscheid totaled 11 points, Amy Davidson shot for 11, Rita Walterscheid finished with 9 points, Judy Biffle

made 2 and Rhonda Trubenbach added 2.

Danna and Lisa Hamric each racked up 12 points for Forestburg. Julie Beheler totaled 6 points, Michelle Reed and Page Sirman finished with 4 each, and Tara Romine shot for 2.

Muenster faced Slidell Monday night for the tournament and district championship.

Showdown With Ponder Friday at Sanger

Hornettes Amy Davidson - 23, and Rita Walterscheid - 30, reach for a loose ball in the game against Forestburg.

Photo by Janie Hartman

Judy Biffle, Hornette, makes two in the Muenster vs. Slidell game.

Photo by Janie Hartman

Muenster effort falls short against Slidell

A balanced scoring attack and aggressive defense propelled the Muenster Hornettes, but they failed to outscore the Lady Greyhounds Monday night, in final tournament play at Sadler. The 44-40 defeat places the Muenster girls the district runner-up, behind Slidell, but still qualifies them to compete in the bi-district playoffs.

Slidell led 12-9 after one quarter, but Muenster roared back to outscore the "Hounds" 15-7 in the next eight minutes to take their biggest lead at 24-19 going in at halftime. Slidell fought back in the third quarter to tie it at 34-all going into the last period. Outscoring the Hornettes 10-6 in final play, Slidell moved ahead. Muenster stayed withing reach, but couldn't build a lead, as they were unable to pull away from the

scrappy Slidell quintet.

Rita Walterscheid led the scoring with ten, followed by Amy Davidson, DeAnn Walterscheid and Judy Biffle dropping in seven points each. Staci Walterscheid came up with five and Meredith McDaniel added four.

Rita Walterscheid and Staci Walterscheid each brought down nine rebounds with Rita having seven steals.

Leading scorers for Slidell were D'Lynn Schertz with sixteen points and Corrie Muncy hitting twelve.

Heading for a showdown with District 22A champions, the Ponder Lady Lions, Muenster travels to the Sanger Middle School gym Friday at 7:30 p.m. Ponder, 10-0, is ranked 8th in Class A Texas Basketball. Slidell will take on District 22A runner-up Krum.

Submarine Veterans award scholarships

The Texas State Chapter of Submarine Veterans of World War II is an organization composed of members who served aboard submarines and their relief crews during World War II, the Korean Conflict and Viet Nam. Although small in numbers, their goal is to provide fellowship, aid and assistance to all their members.

Jim Hollis, the Texas State Commander, recently announced in Houston a program of providing scholarship aid to children and grandchildren of

Texas Submarine Veterans. This aid is available to those eligible and wanting to provide either a college degree or technical school education. If interested in further information concerning either the U.S. Submarine Veterans of World War II or Scholarship Aid, contact either Jim Hollis, Commander-Texas State Chapter, U.S. Submarine Veterans WW II, 13414 Montaigne, Houston, Tx 77065 or James W. Clepper, Sec-Texas State Chapter, U.S. Submarine Veterans WWII, P.O. Box 368, Friendswood, Texas 77546

Rosston News

by Ruth Smith

Mr. and Mrs. Kenneth Hutson visited Mr. and Mrs. Neil Thompson and infant twin sons, Wesley and William of Saint Jo Sunday afternoon.

Mrs. Estelle Kelley and Mrs. Lyndel Richardson accompanied Mrs. Louise Shults of Forestburg to Bowie Friday to attend the Quilt Show. Many of the quilts were over 40 years old. The show was held in the First National Bank Community Room. Many quilts were shown. Mrs. Imogene Evans, Home Extension Agent of Montague County was in charge of the show.

Mr. and Mrs. W.E. Ewing received word Tuesday, Feb. 4 that Mr. Ewing's brother-in-law, Charles Trussell of Lewisville is a patient in St. Paul Hospital in Dallas, and scheduled for heart surgery. The Ewings visited him Tuesday and returned home Wednesday. Mr. Trussell has been in the hospital three weeks in a critical condition. However, on Sunday he was showing some improvement.

Mrs. Joyce Hanson accompanied Mr. and Mrs. Ed Bonner of Forestburg to Gainesville Tuesday.

Mr. and Mrs. Marvin Maberry went to Daingerfield Friday to visit their son, Marvin, Jr. and to help him celebrate his birthday. There was a birthday dinner in his honor with a beautifully decorated cake. Also attending with the Maberrys were Marla and Wayne Bullard and Jamie.

Mrs. Bobbie Handford and family of Gainesville spent Saturday night with Mrs. Mary Ruth Kindiger.

Teresa and Jimmy Jenkins of Rockwall had lunch Saturday with her grandmother, Mrs. Lyndel Richardson.

Mr. and Mrs. Tom Rosson of Era visited Mrs. Estelle Kelley Monday evening.

Mrs. Juanita Cote was a visitor at the Church of the Nazarene Sunday morning.

Mrs. Emma Steadham of Forestburg is still on the sick list and has been unable to attend church at Prairie Point.

Funeral services were held Saturday, Feb. 8 for Mrs. Norvilla

Bewley in Vernie Keel Funeral Chapel in Gainesville at 2 p.m. Burial was in Fairview Cemetery. Mrs. Bewley is survived by her husband Tylden and three daughters. Lois Bewley, and Clyde and Lonnie Bewley are cousins of Tylden. They also attended the funeral.

Kenneth Hutson visited his aunt, Mrs. Essie Agee in Saint Jo Thursday afternoon.

Mr. and Mrs. C.H. Christian were in Denton Wednesday.

Lanny Kelley of Era visited his mother Mrs. Estelle Kelley Thursday morning.

Mr. and Mrs. Eddie Kindiger of Gainesville and John R. (Doc) Mosley of Forestburg visited Mrs. Mary Ruth Kindiger and other relatives on Sunday.

Mrs. Joyce Hanson accompanied her daughter, Mrs. Carol Jakse of Montague to Denton Wednesday.

Mrs. Ima King of Bowie and Mrs. Ruth Cotton of Saginaw were lunch guests of Lois Bewley and Clyde and Lonnie on Tuesday.

Mrs. Joyce Hanson visited in Muenster Friday.

Miss Lois Bewley visited Mrs. Essie Agee in Saint Jo Thursday afternoon.

Mrs. Joyce Hanson spent Saturday night with her daughter, Mrs. Carol Jakse and family.

Jerry Kelley visited his mother Mrs. Estelle Kelley Saturday morning.

Mrs. Evelyn Brown was in Muenster on Business Friday.

Forestburg News

by Myrt Denham

Bad Actors

Unfortunately, too many of us today feel it is pleasant to act important, and too few of us feel it is important to act pleasant - Lane Olinghouse.

The above was taken from the March issue of the Saturday Evening Post. It appeared in their Post Script section.

Mrs. Imogene Links and her friend Nancy Jo Minton of Denton took in the Fort Worth Fat Stock Show on Friday, Jan. 31. Imogene's grandson, Shawn Davis, showed his calf on that day.

Bob Steadham, son of the late Bruce and Park Steadham, is now a resident of the Saint Jo Nursing Center. We have been told he has been residing there for about two months.

Mrs. Dorothy Hunt, New Harp, received word that her sister-in-law, Mrs. Jean Simmons had passed away. Burial was in Houston beside her husband - the late Buddy Simmons.

Loveta Bewley has been very ill with a bad cold and laryngitis.

Billie Poynor is much better however, she is still "staying in" for awhile.

Mr. and Mrs. S.T. Warford of Slidell were Tuesday visitors with the Ted Jacksons. On Wed, the Jacksons made their Gainesville trip. Friday, Mr. and Mrs. Wayne Wood of Amarillo and Mrs. Vera Jackson of Nocona were visitors in the Jackson home. Mrs. Wood is Mrs. Vera Jackson's daughter. That p.m. the Ted Jacksons were to be found in Slidell visiting their friends - the S.T. Warfords.

Mrs. Diann Cook Sawyer of Saint Jo was honored with a Pink and Blue Shower Saturday afternoon in the Fellowship Hall of the Saint Jo First United Methodist Church. Those attending from Forestburg were Mrs. Laura Belle Jackson, Mrs. Jewell Dill, Mrs. Gayle Edwards and Mrs. Ora Embry of Saint Jo.

After the shower Mmes. Jackson and Dill visited with Mrs. Eula Steen, Mrs. Lenora Moore and Bob Steadham in the Nursing

home there in Saint Jo. Mrs. Billie Anderson made a business trip to Gainesville Fri.

Hal and Mary Hays motored up to Ardmore, Oklahoma Sat. to visit her parents - Freeman and Mattie Baker.

Renee Gates and Millie Reynolds joined up Saturday to make a trip to Bowie and Muenster.

Bert and Eula Fae Galmor and Krista Shults made it over to Montague to visit with Rosetta and Jody Hoover. From Montague it was on to Bowie.

The Buford Greenwoods were up in Wichita Falls Thurs. to visit their daughter Mrs. Darlene Johnston.

Shirley and Eli Harvill made it down from Vernon to spend the weekend at their home here.

Mr. and Mrs. Dale McGee of Kemp made it up to Vera Mae McGee's home on Saturday then they continued on to Montague to spend the weekend with Mr. and Mrs. S.D. Hoover. Vera Mae joined them later on Sat. to spend the rest of the day with them all.

Mrs. Paula (Hudspeth) Barber's father-in-law, Louis Barber, died Friday the 7th in a Wichita Falls hospital. Funeral services were held at 11 a.m. Mon. at the First Methodist Church in Burkburnett with burial in the cemetery there with Masonic graveside rites. Paula is the daughter of Merle and Clifford Hudspeth.

Cleo Lanier's visitors recently were Charles Lanier of Wichita Falls on Wed. Mr. and Mrs. Chris Gresham and Karl of Denton were visitors one day and Mr. and Mrs. Eli Harvell of Vernon visited with her on Sunday.

Visitors with Barney and Veda Brogdon this past week were Mrs. Lina Boggess and Asko Talley both of Saint Jo on Wed. p.m. Starr and Ova Mann of Saint Jo came over on Fri. to visit and while they were there Veda drove over to Bowie to take in the Antique Quilt Show. Mr. and Mrs. Jerry Long and Caton Orrell spent the weekend with Barney and Veda. Sunday afternoon visitors

were Eli and Shirley Harvill.

Gene and Pam Tipton of Argyle were Sunday visitors with Mr. and Mrs. Sam Tipton.

Dude and Bula Mae Berry celebrated their 47th wedding anniversary on Sunday, Feb. 9. It was a quiet celebration at home with only their friends Bill and Nell Looney of Decatur as visitors.

Cecil and Dorothy Foster left DFW Airport for Miami, Florida on Sat., Feb. 1. At 4 p.m. after their arrival in Miami, they boarded the cruise ship Norway for their 7 day Caribbean cruise. On Sun. they visited Nassau, the Capital of the Bahamas. Then on Tuesday, they visited Saint Thoma Island where they took a tour. Wed. it was Saint Martin Island and on Thurs. all the people on the cruise were treated to a picnic on a small private island - they got to swim, stroll the beaches and pick up shells and rocks. It was back home to Dallas and Forestburg on Sat. the 8th. Dorothy reports that she and Cecil really did have a wonderful time.

Sat. p.m. the 8th the Fosters' daughter Kaye and husband Chuck Scott, and son Willie and Chris all of Denton drove up to visit with them. Misty Walker, Dorothy and Cecil's granddaughter, of Krum spent Mon. nite with them.

Mr. and Mrs. D.D. Echols of Mallard celebrated their 56th wedding anniversary Sun. the 9th.

This writer chatted with Mrs. Edna Forrester Mon. Edna told me that her niece - Mrs. Yvone (Poynor) Scott had called her to say that Edna's brother - Truman Poynor of Waldron, Ark. was very ill and in a hospital there. Truman is Yvonne's father. Edna also told me that her sister, Loyd Golightly, lives in Flagstaff, Arizona next door to her son Harvey and family.

Jewell, Debra and Brady Dill made a business trip to Denton Mon. a.m. and then in the p.m. Jewell visited with Mrs. Beulah Dill of Era.

The annual meeting of the Forestburg Water Corporation will be at 7 p.m. Thurs. nite Feb. 20 in the New Community Center. All members are urged to attend the chili and soup supper to be followed by a business meeting.

The WBAP Homemakers Community Service Club will have its monthly meeting at 7 p.m. Thurs., Feb. 27 in the New Community Center.

I will close this week with the following from the Radio Bible Class Literature and I quote:

"Do a deed of simple kindness; Though its end you may not see, It will reach like widening ripples Down a long eternity." ANON.

"Kindness is the oil that takes the friction out of life."

Meet the candidate

The official "Meet the Candidate" program at Forestburg will be on March 22. Cleo Lanier has stated that "We have been asked to file our programs with the Democratic party chairman, to avoid conflict with other communities. This program has been officially filed with the chairman. More information will follow."

Revival

Prairie Point Church of the Nazarene is having a revival, Feb. 18-23. Dr. and Mrs. Lyle Eckley will be the Evangelists. Mr. and Mrs. Eckley are former superintendents of the West Texas District Church of the Nazarene. Dr. Eckley will preach and Mrs. Eckley will play violin and xylophone. Services will be at 7 p.m. weekdays and 11 a.m. and 6 p.m. on Sunday, the 23rd. Marshall Steward is the Pastor and cordially invites everyone to attend.

CITATION BY PUBLICATION

THE STATE OF TEXAS TO: Etta Cross, W.O. Albert, A.J. McCowan, J.B. Steele, W.T. Bourland, and A.M. Bourland, and if any are deceased, their unknown heirs or legal representatives, Defendant, vs. Etta Cross, W.O. Albert, A.J. McCowan, J.B. Steele, W.T. Bourland, and if any are deceased, their unknown heirs or legal representatives, Plaintiff.

YOU (AND EACH OF YOU) ARE HEREBY COMMANDED to appear before the 235th District Court of Cooke County at the Courthouse thereof, in Gainesville, Texas, by filing a written answer at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of issuance of this citation, same being the 24th day of March A.D. 1986, to Plaintiff's Petition filed in said court, on the 7th day of February A.D. 1986, in this cause, numbered 86-066 on the docket of said court and styled EARNEST ROBISON, Plaintiff, vs. Etta Cross, W.O. Albert, A.J. McCowan, J.B. Steele, W.T. Bourland, and if any are deceased, their unknown heirs or legal representatives, Defendant.

A brief statement of the nature of this suit is as follows, to-wit: TRESSPASS TO TRY TITLE OF LAND AS MORE FULLY DESCRIBED, TO-WIT:

The following field notes described a survey of 137,422.4 acres of land in northwestern Cooke County, Texas, said land being a part of the (upper) M. Elliott Survey, A-361 (pid. 156-38); the lower M. Elliott, Jr. Survey, A-361 (pid. 156-37); and the J. DeGuire Survey, A-341. This is also the land described in the Warranty Deed conveying undivided interest from Mrs. Susie Mae Wilburn Et Al to Earnest Robinson dated July 30, 1951, and is of record in Volume 365, Pages 32 and 33, Deed Records, Cooke County, Texas, said deed calling for three tracts consisting of 80, 50, and 88 acres, less, save, and except 52.6 acres (Volume 326, Page 583, Cooke County Deed Records) which would leave 165.4 acres, however, the land is bounded on the ground by existing fences and evidence of old fences which encompass only 137,422.4 acres, creating a deficiency of 27,977.6 acres. The bounded tract is further described as:

BEGINNING at the most southern southwest corner of the L. Pickering Survey, A-839, and the northwest corner of the S.P.R.R. Co. Survey, A-986, said corner being in the east line of the (upper) M. Elliott Survey, A-361, and is occupied by a very old fence corner post;

THENCE South 00 degrees 11 minutes - 37 seconds West 1279.7 feet generally along an old wire fence, through heavy and dense timber to a 24 inch Oak tree for corner;

THENCE South 85 degrees 11 minutes 21 seconds West 488.1 feet with an old wire fence to a fence corner post;

THENCE South 01 degrees 35 minutes 08 seconds East 780.4 feet with an old wire fence through dense timber to an 18 inch Oak tree on the north bank of Camp Creek for the corner;

THENCE South 82 degrees 16 minutes 09 seconds West 652.3 feet crossing Camp Creek and generally following an old wire fence and evidence of the fence (washed out) along the south bank of Camp Creek to a 16 inch Oak tree for corner;

THENCE South 02 degrees 52

minutes 03 seconds West 185.6 feet generally following an old wire fence along the east bank of an eroded ditch to a fence corner post;

THENCE South 67 degrees 17 minutes 31 seconds West 294.2 feet crossing said ditch and following an old wire fence along and to the north of another ditch to a 10 inch Oak tree and angle point; (There is a new fence about 5 feet north of this call, built in order to avoid heavy brush.)

THENCE South 72 degrees 48 minutes 06 seconds West 556.2 feet with the old wire fence to a 20 inch Oak tree for angle point;

THENCE North 83 degrees 44 minutes 07 seconds West 53.4 feet with said fence to a 20 inch Oak tree and angle point.

THENCE North 88 degrees 21 minutes 40 seconds West 262.7 feet with said fence to a 10 inch Oak tree and angle point;

THENCE South 89 degrees 42 minutes 06 seconds West 340.4 feet to an 8 inch Oak tree for corner. (There is evidence of an old road here.)

THENCE North 32 degrees 31 minutes 13 seconds West 267.5 feet with an old wire fence along the west side of an old roadway to a 16 inch Oak tree and angle point;

THENCE North 04 degrees 53 minutes 06 seconds East 896.3 feet generally following an old wire fence crossing a deep tributary to Camp Creek in the south line of an old abandoned roadway;

THENCE North 00 degrees 17 minutes 34 seconds West 1508.8 feet crossing a deep ravine and over the east side of a hill to a 1/2 inch rebar rod driven in the east right of way of an old abandoned road and in line with an old fence and tree line (There is no fence along this call.);

THENCE North 88 degrees 25 minutes 54 seconds East 794.1 feet following evidence of an old wire fence in a tree line to an angle point;

THENCE North 89 degrees 23 minutes 51 seconds East 639.3 feet crossing a tributary of Camp Creek and following evidence of an old fence and tree line to an angle point;

THENCE North 88 degrees 53 minutes 49 seconds East 423.8 feet following evidence of an old fence in a tree line and crossing Camp Creek to a 2 inch iron fence post on the east bank of the creek;

THENCE South 89 degrees 14 minutes 57 seconds East 802.1 feet following an existing wire fence through dense growth to the place of BEGINNING.

The aforescribed tract contains 137,422.4 acres of land, approximately one-half of which is bottom land and 1/2 of which is heavy timber. This tract is traversed by Camp Creek and its tributary. There are no improvements on this property.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to the requirements of law, and make due return as the law directs.

Witness, Bobbie Calhoun, Clerk of the District Court(s) of Cooke County, Texas.

Issued and given under my hand and seal of said court at Gainesville, Texas, this 7th day of February A.D. 1986.

Bobbie Calhoun, Clerk, District Court, Cooke County, Texas 2-14-4E1

Craig Rosenbaum

County Agent's Report

It is very difficult to grow top quality plums in the home orchard unless a rigid spray program should begin with dormant sprays and be carried through the growing season.

Brown rot of the fruit can be a problem especially if the weather is warm and humid during bloom or the three-week period prior to harvest. A good spray program should control this disease.

Unless an efficient spray program can be maintained, it is not advisable to plant plum trees and expect quality fruit. On the other hand, results can be rewarding if a good spray program is carried out.

Two important diseases of plums, plum leaf scald and bacterial leaf spot and twig canker, are caused by bacteria. Thus, they are not controlled by the usual fungicides. Cost-wise, control by bactericides is prohibitive because the bacteria are infectious much of the year. Consult this office for recommended varieties.

The day you plant your trees is the day you begin to prune and

train for future production. Too often backyard growers plant fruit trees and leave them untended for several years. This neglect results in poor growth, shading out and limb breakage. The purpose of pruning a young tree is to control the shape of the tree by development of a strong, well-balanced framework of scaffold branches.

Plum trees produce fruit on wood that grew the previous season as well as on spurs on older wood. Because of this fruiting habit, plums are easier to manage if pruned to the open center system. The open center, which resembles a vase, is the same pruning system for peaches and nectarines. NEVER prune plum trees in October, November, December and January. Detailed pruning should be done in mid-February with some summer pruning in August to remove vigorous shoots from inside the tree as well as excessively long shoots from the top.

At planting - If you obtain an unbranched tree or a tree several feet tall with no good branches 20

to 30 inches above the groundline, cut the tree off 26 to 30 inches above the groundline after planting. This may seem drastic on a tree six feet tall; however, if you don't prune it back to 26 to 30 inches, your major branches will develop at the level where you do cut the tree off.

If you obtain a tree with branches that are healthy and located 18 to 30 inches above the groundline, select three or four that are well distributed around the tree to be your main branches. Head these lateral branches back by one-half to a healthy outside facing bud. Remove any branches that are less than 18 inches above the groundline, and cut the tree off just above the top selected scaffold.

One Year Old - Pruning consists of first removing diseased, broken and low hanging limbs. Since we are developing an open center (vase-shaped) tree, next remove upright shoots that may have developed on the inside of the main scaffolds. Finally, since the tips of the main scaffolds have

turned up, prune them back to outside growing shoots.

2nd and 3rd Years - Pruning the second and third years is done keeping the same principles in mind used after the first growing season. First, remove low hanging limbs as well as those that are broken and/or diseased. To maintain the open vase, remove any vigorous upright shoots developing in the inside of the tree, leaving the smaller shoots for fruit production. Finally, prune the vigorous upright shoots on the scaffolds by cutting them back to an outside growing shoot.

Mature Plum Trees - The same principles used to develop the tree are used to annually maintain the size and shape of the mature tree. Removal of low hanging, broken and dead limbs should be done first. Next, remove the vigorous upright shoots on the inside of the tree as well as vigorous shoots on the scaffolds. Once this is done, and the tree has been lowered to the desired height, the job of pruning is complete.

Valley View stock show date set

The Valley View Young Farmers have announced plans for their annual invitational stock show to be February 21-22. The event will take place at the Valley View Ag barn in Valley View Texas.

The show is open to Future Farmers of America and 4-H Club members only. Trophies will be awarded for showmanship in

steers, beef, heifers, sheep, and swine divisions. Entries will be \$7.00 per head and late entry will be \$9.00 and there will be no refunds.

Ribbons will be awarded first to tenth place. For further information contact Bob Andrew 817-726-3522, Jack Martin 817-726-3362, or Darrell Sutton 817-668-7172.

Mauro appoints loan advisory committee

Texas Land Commissioner Garry Mauro has contacted a balanced and broad-based group of Texans--farmers, ranchers, lenders and state and local officials--to make up the membership of the Texas Farm and Ranch Finance Program Advisory Committee.

So far 61 Texans have accepted the invitation to assist Mauro in

drawing up guidelines for this new program aimed at preserving the Texas tradition of the family farm and family ranch. Locally, Derrell Hall, Commissioner from Bonham is a member.

"The best part about the Texas Farm and Ranch Finance Program is, like our Texas Veterans programs, it is entirely self-supporting since it won't cost the taxpayers a single penny," Mauro said. "A constitutional amendment approved by the people last November authorized

the sale of bonds for the program. Texas farmers and ranchers who obtain the loans will repay all of the bonds and the expenses of the program."

The Texas Farm and Ranch Finance Program will provide up to \$100,000 to qualified Texas farmers and ranchers for the purchase of 50 acres or more of land. Set up like the Veterans Land Program, eligibility requires the applicant to be a Texas resident for at least five years. Also, 35 percent of their gross income in

the previous three years must have come from a farm or ranch. The applicant's net worth must also be

"The Texas Farm and Ranch Finance Program will not solve all the problems facing those in agriculture today. But we hope that many producers who are wishing to purchase land will be able to use this new low interest loan program as a partial solution in making agriculture profitable again," Mauro concluded.

Mr. Mauro unveiled a toll-free number, 1-800-292-FARM, that will provide information to those Texans interested in participating in this program.

North Texas Cattleman's Roundup

"Grass- The Next Cinderella Crop" will be the topic of the program being presented at the North Texas Cattleman's Roundup, Feb. 25, at the National Guard Armory in Bowie, Texas.

Now in its fourth year, the Roundup is an event for cow-calf, stocker and feedlot operators. Sponsored by the Montague County Livestock Committee, the Roundup is an event where you can learn more about the business of beef.

Speakers for the 1986 Roundup include Allan Nation, editor of The Stockman-Grass Farmer, from Jackson, Mississippi and Fred Schmidt, Economists, Noble Foundation, Ardmore, Oklahoma.

According to Kemp Denson, chairman of the Livestock Committee, over 20 commercial exhibitors have been registered along with the thirteen "Grazing Hour" sponsors. The "Grazing Hour" will feature a variety of beef from calf fries to fajitas.

The doors open at 4:00 p.m. and everyone interested in the cattle business is invited. There is no charge and over \$800.00 in door prizes will be awarded.

Hereford heifer show and sale

Almost 400 quality heifers from reputation Texas ranches were entered in the 1986 Commercial Hereford Heifer Show and Sale held during the Fort Worth Southwestern Exposition and Fat Stock Show. Sponsored by the Texas Hereford Association, the event featured bred-and-owned heifers shown and sold in pens of 20 to 22 head.

The Summerour Ranch, Dalhart, made a clean sweep of this year's show by exhibiting the champion and reserve champion pens. Both Summerour pens were two-year-olds bred to calve this spring. The champion entries were selected by a three-man judging committee consisting of Jim Williams, Hungerford; Tom Shaw, Caldwell, Id.; and Tom Cowley, Abilene.

The first-place and top-priced pen of open heifers was shown by Richard Windham, Baird. The Windham heifers will be two-year-olds next fall and were purchased by the MK Ranch, Muenster, at \$450 each.

The 390 head of females averaged \$520 per head with 262 bred females securing a \$600 average and 128 open heifers demanding \$355.

Market Report

by Bill Hamer

The sale tally this past week at Muenster Livestock Auction was 258 cattle and 16 hogs. Cows and bulls were \$1 to \$2 higher; stocker and feeders were strong and active and on short supply; and hogs were steady.

| COWS | | STOCKER CALVES | |
|-------------------------|-----------------|-----------------------|----------------------|
| Good to Choice... | \$38 to \$41.50 | Steer Calves..... | \$60 to \$90 |
| Medium to Good..... | \$34 to \$38 | Heifer Calves..... | \$50 to \$62.50 |
| Canners to Cutters..... | \$30 to \$35 | Heifer Yearlings..... | \$50 to \$59 |
| Hard Kinds..... | \$25 to \$30 | Heifer..... | 2 years \$38 to \$47 |
