

# Voter registration deadline for Nov. 2 election is Oct. 3

Eligible voters who have not registered to vote must do so by Oct. 3 if they wish to cast their ballot in the Nov. 2 general election. "All that is involved is filling out an application card available at the county voter registrar's office," said Joe Rothe with the county officials program of the Texas Agricultural Ex-

tension Service, Texas A&M University System. Rothe particularly encouraged high school seniors to register to vote. Those who are 17 years and 10 months of age are eligible to register and may exercise the right to vote on or after their 18th birthday. Some 188,000 high school seniors should be eligible to vote in Texas

this fall. "Everyone eligible to vote but unable to do so on Nov. 2 should apply at the county voter registrar's office to vote absentee," said Rothe. Oct. 29 is the deadline for voting absentee in person while absentee ballots will be accepted in the mail as late as 7 p.m. Nov. 2. Any of the following conditions can qualify an individual to vote absentee:

1. Absence from the coun-

- ty of residence on election day.
2. Age 65 or older on election day.
3. Inability to appear at the authorized polling place on election day due to sickness, physical disability or religious belief.
4. Service as an election clerk or a poll watcher in an election precinct other than the precinct of residence.
5. Under certain circumstances, voters confined to jail may be eligible to vote

absentee. "Every Texas House, Senate and Congressional seat is up for re-election this fall along with nearly every statewide office," said Rothe. "So it's especially important for all eligible voters to get to the polls on Nov. 2. Only 24 percent of those eligible voted in the May 1 Texas primary, the lowest in 30 years for a gubernatorial primary election."

**Highly recommended** reading for anyone concerned about the welfare of the free world is a book condensation in this month's Reader's Digest entitled "The KGB's Magical War for Peace." The article explains how Russia has developed deceit to a precise science especially in pretending to support world wide peace promotions whereas it is actually advancing its own scheme of continued global exploitation while sabotaging the interests of free people.

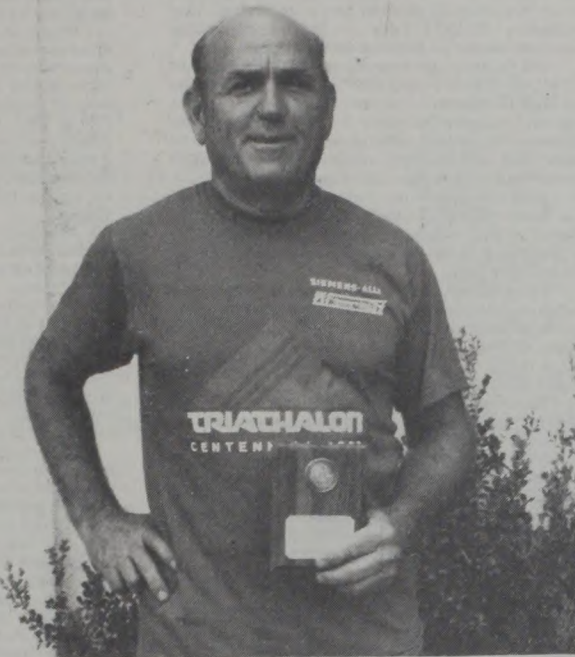

The exasperating truth about all this is that the Kremlin's clever agents have manipulated people all over the world to serve Russia's purpose while believing they are promoting peace. And all the while, Americans have been the most conspicuous dupes. Or this country has been the target while the KGB was directing other people to do Russia's bidding, in denouncing our country. The Reds have organized demonstrations and resistance movements whereby sincere Americans followed Soviet leadership in creating an atmosphere which harmed US interests but assisted Russia's interests.

Truly this article is important reading. It exposes the motives and methods of the global conspirators. It reveals the monstrous deceit by which they operate and their mammoth scheme for taking over the civilized world. The Reader's Digest article is based on revelations by a former high ranking KGB official, a Major Levchenko who escaped from Japan to the US and turned out to be one of the most important officers ever to flee the KGB. He explained "Active Measures" the method whereby Russia distorts or inverts reality in such a way that regardless of the issue, USSR is presented as a humanity's champion whereas any opponent, especially US, is presented as humanity enemy.

The trick is to make people support Soviet policy unwittingly by convincing them they are supporting something else. Almost everybody wants peace and fears war. Therefore by every conceivable means the KGB plans and coordinates campaigns to persuade the public that whatever America does endangers peace and whatever the Soviet Union proposed furthers peace. "To be for America is to be for war, to be for the Soviets is to be for peace."

The real tragedy is that the Reds are using good and sincere American people to carry out this massive program of deceit. And it is not an accident that such movements seem to arise spontaneously. As pointed out by Levchenko, the Russian subversive system is the world's largest and best financed. It has our country swarming with agents who will assemble crowds to demonstrate or riot or anything to serve the purpose of supporting Russian policy while openly defying their own country. Many people who do these short sighted chores for the Reds have been indoctrinated in advance by people who are here specifically to spread the red line. Many others are

The trophy held by Harry Scoggins signifies first place in the 50 and over class of the Centennial Triathlon last Saturday at Lake Wichita. The sporting event, was a part of the celebration observing the 100th birthday of Wichita Falls and consisted of a 1/2 mile swim in Lake Wichita, a 15 mile bike ride and a 6.2 mile run. Harry finished the entire distance in 2 hours and 2 minutes. Total number of entries was 126.

## 12 Sacred Heart Parish members receive Catechist certification

Formal Catechist Certification was held for twelve members of Sacred Heart Parish during Wednesday evening CCD Mass at 8 p.m. on September 22. Certification for the Ministry of the Catechist followed the Diocesan Program prescribed by the National Catechetical Directory of the United States Catholic Conference, which called for such a program "to encourage persons to respond to the ministerial call to catechize." The Catechist program also enhances and encourages the life-long process of having "faith become living, conscious and active, through the light of instruction."

Requirements include 88 clock hours of study in Scripture, Theology, Church, Prayer, and Catechetics. Receiving the Rite of Certification were Betty Kleiss, JoAnn Pagel, Sister Cabrini Arami, Sister Monica Swirczynski, Sister Cecilia Marie Shannon, Sister Carmelita Meyers, Sharon Walterscheid, Larry and Kathy Vogel, David and Pam Fette and Sister Romana Rohmer. Father Denis Soerries conducted the Rite of Commissioning, preceding the Offertory of the Mass; Sister Romana called each by name to approach the Communion rail. The Catechists repeated their commitment to the community and Fr. Denis

welcomed the response of the parishioners. After the Communion meditation Sr. Romana presented certificates to the twelve Catechists. Theme of the liturgy of the Mass was "Welcoming the Lord." All CCD teachers and aides participated in the entrance procession with Fr. Denis and the Mass servers. Mike Kleiss gave the first reading, and Juanita Bright the response and gospel acclamation. Pam Fette led the prayers of the faithful and Sharon and Clyde Walterscheid presented Offertory gifts at the altar. Ruth Felderhoff and Eileen Fisher were organist and song leader.

Following the commissioning service, the Knights of Columbus hosted an appreciation reception for the CCD staff, all teachers and aides, their spouses and families, also Father Victor Gillespie, Father Denis Soerries, members of the CCD Commission and Sister Carmelita, Sister Cabrini and Sister Romana. Four tables, covered with red and white checked cloths, held punch and cookies, an assortment of cheeses and sausage, a variety of fresh vegetables and dips, chips and crackers and wine. Assisting with hostess duties were Darlene Otto,

Janet Fisher, Agnes Rohmer, Joan Walterscheid, Linda Vogel, Doug, Jerry and Betty Rose Walterscheid. Enrollment in the Sacred Heart Parish C.C.D. program, Kindergarten to Grade 12 totals 275 students.

Assignments of grades, the teachers and aides are as follows: K (a) Mrs. Johnny (JoAnn) Pagel, Mrs. Harold (Betty) Beindler; K (b) Mrs. Dale (Charlotte) Klement, Mrs. Gilbert (Linda) Knabe; grade 1 (a) Mrs. Dave (Wanda) Flusche, Mrs. Donald (Sandra) Hennigan; grade 1 (b) Mrs. Willie (Margie) Wimmer, Mrs. Roy (Paula) Reiter; grade 2 Mr and Mrs. Larry (Kathy) Vogel, Mr. and Mrs. Clyde (Sharon) Walterscheid; grade 3 (a) Mrs. Maurus (Lynn) Hacker, Mrs. Johnny (Annette) Anderle; 3-b Mrs. Ben (Carol) Fleitman, Jr.; grade 4 (a) Mrs. Wayne (Doris) Klement; 4-b Mr. and Mrs. John (Lynn) Dangelmayr; 5 a Mrs. Tom (Sue) Trachta, Mrs. Bryan (Glenda) Russell; 5 b Mrs. Paul (Dorothy) Fisher, Mrs. Gilbert (Rose) Kubis; 6 a Mrs. Mike (Betty) Kleiss, Mrs. Wylie (Helen) Lewis; 6 b Sister Monica Swirczynski; 7 a Mrs. Albert (Imogene) Zimmerer, Mrs. Dolphy Joe (Della) Hellman; 7 b Sister Cecilia Marie Shannon; 8 a Sister

## Virginia Fisher hurt in auto accident

Virginia Fisher, 18 year old daughter of Mr. and Mrs. Clyde Fisher, returned home Wednesday and is recovering satisfactorily from injuries received in an automobile accident about 7:15 Sunday night.

At this time Virginia is on crutches favoring a sore hip while waiting to determine whether the injury is only a bruise or more serious. In addition she has facial bruises, three stitches over

an eye, extensive soreness and a possible concussion.

As reported by State Trooper Jim Cass, the 1979 van was heading south on FM 373 north of Muenster and failed to negotiate a curve. The machine jumped a ditch south of the highway and came to a stop in the yard of Chuck Bartush Jr. with Virginia about 20 feet away.

Officer Larry Holloway of the Muenster Police

Department, the first officer on the scene, said the accident was unavoidable and caused by a broken right rear axle on the vehicle. The van was declared a total wreck.

As Cass investigated the accident and made out his report Holloway attended to the patient, caring for her needs and comfort until an ambulance came to take her to Muenster Memorial Hospital.

## Events October 9 and 10 will observe German Day

"Herzlick Willkommen" to the 20th annual German Day in Texas is extended to all by the celebration's chairman Teddy Trept.

The occasion is the combined German Day Ball in the Marriot Motor Hotel and German Day at the Texas State Fair Saturday night and Sunday, October 9 and 10.

The ball, first on the program, offers a wide variety of attractions including the Dallas Town Concert Band, a ballet per-

formance, singing by Dallas Frohsinn Singing Society, a guest soloist from Hamburg

Germany, singing by a choir from the German training unit of El Paso Air Base, and a dance with the Polka Patriots. German food and drinks are available throughout the program. Tickets are available in Muenster from Alvin Fuhrman.

Specially honored at this year's activities will be Sidney Henke, out-of-town

chairman, long time mayor of Fredericksburg.

Sunday at the Fair, the aim is Gemeutlichkeit in the tent near the grand Ave. entrance from 11:30 a.m. to closing time. German food, drinks, songs, dance and music will be constant; and programs will be presented by bands, singers and dancers of German clubs, plus the Frohsinn and a German soldiers' choir.

A retreat ceremony at 5 at the Hall of State terrace will be a salute to Germany.

Tony and Leona Luke are shown standing in the newly remodeled and refinished front entrance of their Ben Franklin Store, proud of its attractive new look. The entire project was designed by Mary McCain, Architect, of Gainesville. She selected the pattern of brick and design laid into the expanse of wall reaching from the south side to the front entrance.

The doors were built to her specifications by "Forms & Surfaces" in Santa Barbara, California. Gainesville Glass Co. built the bronzed aluminum frames and installed the insulated, double paneled, bronze tinted glass. Tony Klement hung the wood doors which have panels of bronzed security glass. Robert Klement, assisted by Bobby Lutkenhaus, was bricklayer for the project which includes three matching planter boxes.

The project was undertaken to enhance their location on Main Street and to beautify the entire east wall with new brick matching the rest of the building constructed in 1956. By doing so, they also succeeded in adding space by eliminating some clear glass windows and some painted glass or wood panels. At present Tony and Leona Luke are carrying out extensive changes in merchandise layout inside the store, including some new fixtures.

Sirach 5: 1-8  
Rely not on your wealth; say not: "I have the power."  
Rely not on your strength in following the desires of your heart. Say not: "Who can prevail against me?" for the Lord will exact the punishment.  
Say not: "I have sinned, yet what has befallen me?" for the Lord bides his time. Of forgiveness be not overconfident, adding sin upon sin.  
Say not: "Great is his mercy; my many sins he will forgive."  
For mercy and anger alike are with him; upon the wicked alights his wrath.  
Delay not your conversion to the Lord, put it not off from day to day.

## Lindsay Jaycees Oktoberfest is Sunday

Lindsay Jaycees are getting set this week for their ninth annual Oktoberfest to be held Sunday, October 3, rain or shine, in the Lindsay City park. The festival is a fund raising event to continue their long time project of improving the park. Principal attractions will be German food, beer, soft drinks, polka music, a horseshoe tournament, bingo and a dunking booth, with opportunities to see lots of friends and enjoy German style good fellowship... and a drawing for a long list of prizes.

## Two dry months

It's dry lately. To be exact the community has had less than an inch of rain in two months. Although the record shows 1.87 in August, Steve Moster explains that 1.52 was recorded on August 1, but it actually fell in July (before midnight) so the actual August total is .35 inch. And September rainfall to date is .64. That's a total of .99 in the two months. And moisture for the year to date is 29.03 inches.

Low and high temperature readings of the past week were recorded as follows by Moster.

September 23	56 and 90
September 24	60 and 74
September 25	57 and 82
	(plus .09 inch rain)
September 26	52 and 78
September 27	60 and 90
September 28	70 and 92
September 29	70 and 92

## The Owner's Manual

By Larry Tisdale DVM

I'm sure that many of you have noticed that when a tragedy occurs in a person's life, many times that person becomes either bitter or better. The difference between these two extremes depends mostly on this person's relationship with the Lord before, during and after the tragedy. This tragedy might be either severe financial problems, physical suffering of either oneself or family members, or loss of a loved one.

One example in the Old Testament of a man who suffered from all three causes is Job. In chapter one of the Book of Job we learn that Job had seven sons and three daughters, thousands of sheep and camels and hundreds of cattle and donkeys and many servants. He was perhaps the wealthiest man in the country. Yet we see that one day all of his wealth was taken from him when neighboring countrymen stole all his livestock. At the same time all of his children and most of his servants were killed. Stop now and think of how you might react today if overnight all of your family died and you lost everything you owned. Would you be bitter or better. We see Job's response in Job 1:20-22, "then Job arose and tore his robe and shaved his head, and he fell to the ground and worshiped. And he said, 'Naked I came from my mother's womb, and naked I shall return there. The Lord gave and the Lord has taken away. Blessed be the name of the Lord.' Through all this Job did not sin nor did he blame God." Job realized that God had given him his children and everything he owned. Therefore, since they had come from God to begin with, they were his to take back anytime he wanted to.

Job also reasoned that he had nothing when he came into this world and he would take nothing with him when he left. This reminds me of a story I once heard of a wealthy man who died. After the funeral one of the local citizens asked, "I wonder how much money he left?" In answer to this question another man with a southern accent slowly drawled, "I reckon he left it all."

Later in the book of Job we learn that Job also suffered a great deal from physical ailments himself. Yet through all of this we see that Job not only refused to turn away from God or to blame him, but he continued to worship and praise his name.

"Pulpit Helps", published by AMG International, Chattanooga, Tennessee, tells of a young man with a similar attitude. As the story goes, there was a cripple in a wheelchair pushing himself through a crowd. He was moving by the power of his two arms,

the only useful limbs he had left. Yet the man was singing! A preacher turned to him and remarked pleasantly, "A man in a wheelchair singing gives everyone a lift." The cripple then replied with a smile, "When I stopped looking at what I had lost, and began

looking at all I had left, I couldn't help but sing!" Surely this is an example we should all try to follow. So when times of tragedy occur, just remember that earth has no sorrow that heaven cannot heal and there is no pit so deep that God's love is not deeper yet.

## Small-business Angle

by Wilson S. Johnson

245 IN CONGRESS ARE GUARDIANS OF SMALL BUSINESS

In late September in Washington, 245 members of the 97th Congress were honored by the National Federation of Independent Business as Guardians of Small Business. Members of both parties (and one independent), representatives and senators, they had one thing in common: They voted 70 percent or more in support of issues the NFIB identified as critical to the existence of small business.

Not surprisingly, the votes were largely related to the economy. For the past two years the nation has watched as the economy consumed Congressional energies and drained small-business resources. The tax cuts of 1981, designed to stimulate business expansion and individual investment, have not yet borne fruit; unfortunately, in the summer of 1981, no one foresaw the magnitude of unemployment or the terrible decline in the economy that was to occur. Those tax cuts and incentives may yet spur the growth that was touted, but only after the economy "bottoms out" and begins a solid recovery. In simple terms, one has to be making money to take advantage of tax incentives!

There were several votes in the small-business tally which cut the increases in federal spending. It is important to note that they were not spending cuts. They were reductions in the percentage of the increase in federal spending. And with federal spending now consuming almost 24 percent of the Gross National Product, there must be further spending reductions — or tax increases — to make any progress toward balancing the federal budget.

Among those honored for their support of small business were many who fought against the 1982 tax increase. They believe — as do most small-business people with whom I am in contact — that until we address the escalating entitlement programs and force the Pentagon to make more efficient use of its billions in new tax money, there should be no tax increases.

Among the key small-business votes used to select the guardians of small business, were some which had a direct effect on small-business. There was a vote in favor of forcing the government to pay its bills on time and penalizing any agency that does not. Another vote requires the federal government to include small business in its research and development contracts. (Small business is traditionally the area of greatest innovation but has been shoved aside in recent years by universities and big corporations.) And there was a vote against raising payroll taxes any higher — a vote by those who recognize that payroll taxes are anti-employment taxes as well as a heavy burden to struggling small businesses.

There were many accomplishments for small business in the 97th Congress. We salute the 245 winners of the Guardian of Small Business award who helped make them possible.

## Looking Ahead

NATIONAL EDUCATION PROGRAM

**WHAT'S PAST IS PROLOGUE**  
It is absolutely essential for the future well-being of this nation that we keep uppermost in our minds the unalterable

fact that the unchanging goal of the Communists is to one day live in a totally Communist world.

Whenever we consider disarmament in a world which is already forty percent Communist-controlled, we should ask this question: "Is Soviet disarmament likely to contribute to the Communists winning control of more of the world?"

The answer is an obvious, "NO!" Then if disarmament is inconsistent with Communist goals, we can rest assured the Soviets and their satellites will not disarm. They may succeed in talking us into disarming, but they never will disarm because it would not promote the cause of world-wide Communism.

The Communists have long recognized the value of support from the scientific and academic communities for their causes. This is especially true in the disarmament or peace offensives because of the obvious connection between scientists and high technology weapons. It is their intention that the honor of the scientists will transfer to, and thus provide respectability for disarmament.

Currently there are several groups of scientists and quasi-scientific people actively engaged in the nuclear freeze and peace offensive. What we are witnessing is nothing new, but is in fact a replay of the Communist's tried and true "united front" approach used in the peace movement over twenty years ago, particularly in a series of meetings known by the quaint and interesting name of the Pugwash Conferences.

The Pugwash Conferences were conceived by Cyrus Eaton and, in the words of the Senate Internal Security Sub-

## CUTTING KREMLIN'S CREDIT

By Edwin Feulner

With the Soviet Union locked in a war of words with the United States over who possesses the deadlier arsenal — as they jockey for the upper hand at the Strategic Arms Reduction (START) Talks — the military buildup continues unabated in the rest of the Warsaw Pact.

East Germany, for example, spent 6.1 percent of its 1980 gross national product (GNP) on its military compared to West Germany's 3.2 percent. Czechoslovakia spent 4 percent, in contrast to Italy's 2.4 percent. Overall, the Warsaw Pact countries spent an average of 5 percent of their 1980 GNP on their militaries, while the NATO countries spent an average of less than 3 percent.

Don't kid yourself into thinking the Eastern Bloc has no direct connection to the Kremlin. East Germany has served as Moscow's proxy throughout the Third World, especially Africa. And in a roundabout way, the West has been helping them.

While Eastern Bloc military regimes build more weapons, trade agencies of Western governments extend credit to Communist governments and guarantee loans made by private banks and companies to the Soviet empire. As a result, the Eastern Bloc now owes the West over \$68.5 billion.

There you have it. And all we'd have to do to get the Eastern Bloc to slow down its military growth is cut off its line of credit.

So far Poland and Romania, with a combined \$32.7 billion debt, have had the most serious debt-payment problems. Stupidly, we let them off the hook. Now it appears that Hungary and East Germany, with \$20 billion in debts, may also ask for delayed payments.

Moscow too is experiencing a severe cash bind — due to shrinking revenues from energy and arms exports, another disastrous harvest, and the rising cost of its worldwide empire. The Kremlin now owes the West some \$10.2 billion.

Curbing the growth of Warsaw Pact military regimes is but one consideration. The other is moral. It seems to me there is something seriously lacking in a policy that rewards repressive Communist regimes that we have long denounced as threats to the Free World with financial aid. The Reagan administration has said repeatedly that it will oppose future Chrysler-like bailouts; but it doesn't have the heart to refuse to bail out the Polish regime?

Some argue that using international finance as a political weapon is a dangerous tactic. But that danger must be weighed against the threat of communist aggression, which is used, we know, even against their own citizens.

A high official of Poland's "Solidarity" union — one who has the freedom to say what he thinks because he was in the U.S. when the military crackdown took place — has bluntly said, "I believe that the West should block off the entire (Soviet) system. . . . It is generally known that the Soviet system is not economically self-sufficient. It spends most of its energy increasing its front of attack . . . and does not have enough energy left for satisfying the needs of its population. If you cut off all trade, this system will collapse."

Cutting the Eastern Bloc's line of credit would seem an appropriate first step.

(Feulner is President of The Heritage Foundation, a Washington-based public policy research institute.)

the shallow thinkers who are roused by the rabble rousers. When a crowd of such characters gang up to denounce their own country, it is obvious to any observant person that the influence of the enemy is involved.

A recent case of big demonstrations to support the Russian line involves the disarmament issue. USSR with a long head start in the nuclear race, spread the word that it would serve peace by a shut down of all arms as of now. President Reagan objected, saying America could not stop until it was nearer an equal potential. And immediately the Red line claimed America favored war and Russia favored peace. America was mean mouthed, many critics being deceived rather than thinking through the subject. Common sense would have told them that USSR with a military advantage would be a greater threat than either country would be if equally matched. Furthermore, any thinking person should know from a half century or history that US has a much better record than Russia for dealings with other countries.

America needs to read this exposure of Red intrigue. It should enhance American respect for America besides exposing the deceit and treachery of the KGB.

What is past is truly prologue. If we will we can learn from history. If we will not, we will be doomed to repeat the mistakes of the past and suffer the losses and regression accordingly, as the American philosopher, George Santayana, warned us we would.

## CAPITOL UPDATE

John Tower  
U.S. SENATOR for TEXAS  
142 RUSSELL OFFICE BUILDING  
WASHINGTON, D.C. 20510

The Reagan Administration has responded decisively to the growing threat to U.S. interests around the world from the Soviet Union. After a decade of declining U.S. power relative to that of the Soviet Union, we have begun to rebuild our national defense capability. The Administration's proposals have been well-reasoned and responsive to the threat, yet fully consistent with the limitations imposed by finite resources.

Thus far, Congress has been reasonably responsive to these proposals. Now, however, I am concerned about the willingness of Congress to continue our progress toward strengthening our national security system.

I believe there are three major threats to the success of the Administration's defense program, and each is related to public perception, or rather misperception, of our national security policy.

First is the misperception that we cannot afford to spend at proposed levels. Many in the media and in Congress believe the costs of the Reagan defense program to be unprecedented and proposed at the expense of growth in domestic programs. However, the fact is that for the period 1983 to 1987, the Administration proposed outlays for defense which would average 6.9 percent of the GNP. This is higher than the previous five-year average of 5.4 percent, but lower than the 10 percent average which prevailed during the late fifties and early sixties, before the war in Vietnam.

Additionally, during the last decade, spending for defense declined by 9 percent after inflation while non-defense spending increased by 97 percent.

A second misperception is that money has been "thrown" at the Defense Department without any plan or strategy. This is not true.

The Administration immediately recognized that not all of even validated military requirements could be funded. Priorities have been articulated clearly in several statements of policy. They are improved readiness, strategic force modernization, general purpose force modernization and force structure growth.

When funding has been constrained, programs of lower priority have suffered or been cancelled so that the most essential ones can be funded. This Administration deserves credit for implementing a defense policy according to previously established criteria within the dollar constraints imposed by Congress.

The third misperception which endangers defense program is that our policies are misdirected. This argument holds that simple weapons are cheap and good, and sophistication is expensive and ineffective. This argument usually is focused on the vulnerability or desirability of certain weapons systems. And, just as frequently, these arguments are replete with inconsistencies. Those who argue the vulnerability of naval vessels to modern missiles are just as likely the same people who criticize the complexity built into modern missiles.

Those who question the effectiveness of our modern weapons systems would do well to examine what happened to the Syrians and the Argentines when they faced some of these weapons in battle.

These three misperceptions to our defense program are as real a threat as they are unfounded. It would be a tragedy if they were allowed to grow and endanger the national consensus for a strong defense.

I do not intend to place all of the blame on the media, although many in the national press have fallen prey to all of these misperceptions. Public officials in and outside of the Administration also share part of the responsibility. Too often, internal squabbling over comparatively minor issues has led the public to believe that defense problems are not all that urgent, or that they cannot be solved with the means at hand.

We must never lose sight of the necessity for the U.S. to act now to restore the military balance. The Administration's defense program is timely and is supported by the American people. While there must be debate on defense issues, from it must emerge the determination and the means to meet the Soviet challenge.

## Strake Talk

FROM YOUR NEXT LT. GOVERNOR

This may be my last column in this series. We began this column ten weeks ago, hoping it would be a success. And judging from the response of the readers, I would call it an unqualified success. The mail has been very favorable. The columns that drew the most response were those dealing with education of our children, the property tax issue, and the issue of Mr. Hobby raising funds for the ACLU to use in that organization's crusade against prayer in schools and in defense of pornographers.

I have made a point in these columns that Texans need a Lt. Governor who is in touch with the people he is supposed to serve. Mr. Hobby is clearly out of touch with the thinking of Texans, and, in my opinion ought to be retired.

Mr. Hobby's lack of understanding can be illustrated. Texans are overwhelmingly in favor of President Reagan's efforts to transfer power and responsibility back to the states. I agree that Texans can do a better job for Texas than Washington can. Mr. Hobby disagrees. The vast majority of Texans do not believe they ought to be forced to pay for the education of the children of illegal aliens. I have compassion for these children — but I must confess that I care

more for Texans who are faced with the burden of supporting their own children in hard economic times. Mr. Hobby disagrees. Most Texans think our Right to Work law should be incorporated in the Texas constitution. I agree here, too. But Mr. Hobby disagrees and has fought the effort. The list goes on and on.

The problem with continuing my column is a simple one — money. We originally budgeted for ten columns, and we have now reached that point in our budget. If we are successful in raising more campaign funds, you are likely to see more columns. I hope so. For this seems to be a good way to get the issues to the people.

These columns are needed. Without them Mr. Hobby will clearly outdo the issues and seek to confuse us with 30-second TV commercials created by his image builders. If you would like to see these columns continue and would like to help in that regard, please send your contribution. If you can't make a contribution, I assure you that your opinion will be equally important. Please write to me at: Texas for Strake, 1213 W. 34th, Austin 78705. Let's keep in touch.

# A First Texas 80's Report: On Investments.

## “Knowing how to deal with today's unpredictable interest rates means knowing all your options.”

Will interest rates go up? Or will they fall? These days, nobody knows for sure. But one thing you can be sure of is your options. First Texas has just the right plan, no matter what you think interest rates will do in the future.

### Plan One: New Escalating-Rate Money Maker™ Security. Invest up to 89 days.

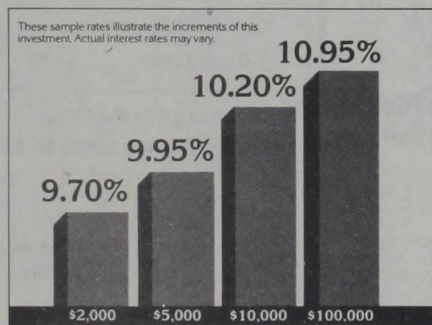

If you think interest rates will climb, First Texas has a great new short-term investment, their Escalating-Rate Money Maker Security. It's escalating, because the more you invest, the higher your interest rate.

The First Texas Escalating-Rate Money Maker Security gives you four optional investment plans. For a minimum deposit of \$2,000, you can buy a Security for 89 days with a daily or fixed rate. Or for a minimum of \$20,000 you can buy a 30- or 60-day fixed-rate Security.

All four options pay competitively high yields. In fact, these Securities have continually outperformed the money market funds, plus they beat inflation by a wide margin.

### The more you invest, the higher your interest.

This new Money Maker Security is escalating. The sample rates in the chart illustrate how the rate changes to your advan-

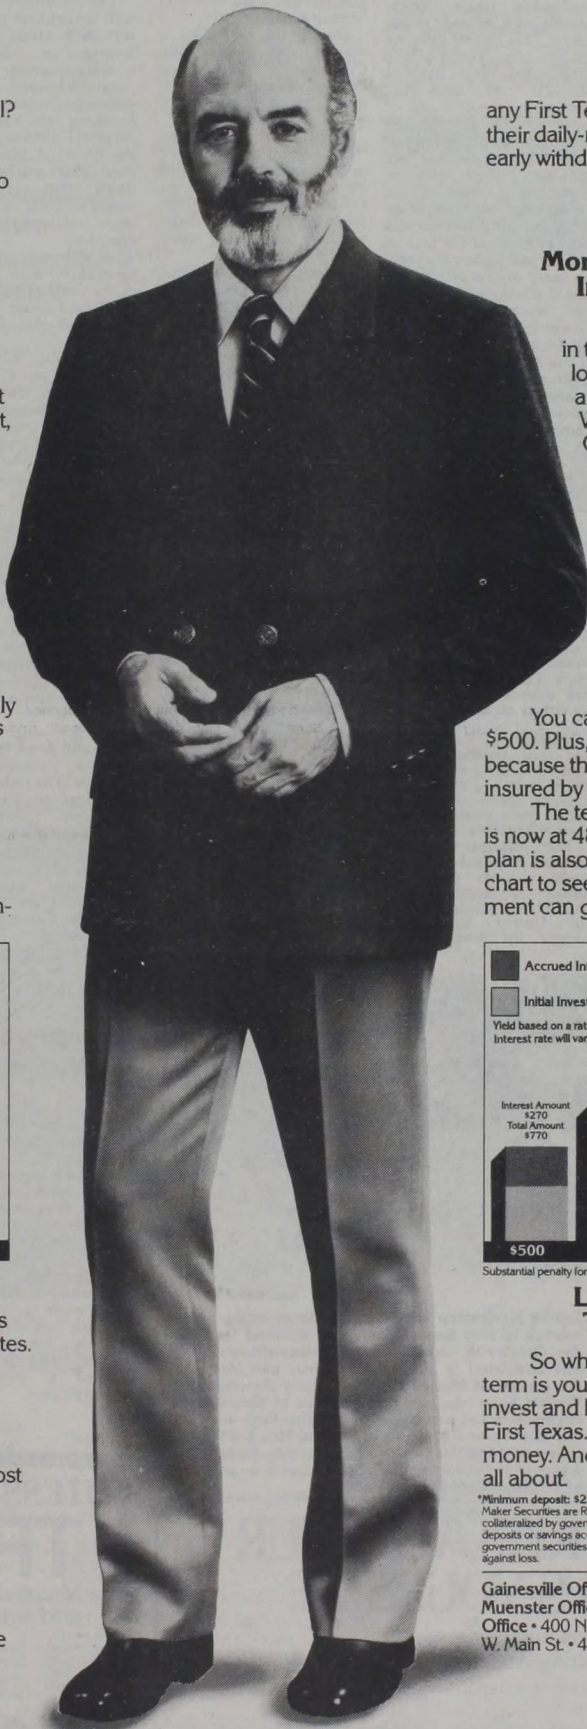

tage the more you invest. And for amounts of \$100,000 or more, you'll find that the rates are comparable to other investment certificates.

### Safer than money market funds.

The First Texas Escalating-Rate Money Maker Security is a safer investment than most money market funds. That's because both your principal and interest, even on investments over \$100,000, are backed by the strength of First Texas and a trust arrangement.\* With most money market funds, your entire principal is at risk.

Also, at First Texas, you have immediate access to your money with these Securities, and can get a cashier's check on the spot at

any First Texas location statewide. And with their daily-rate Security there's no penalty for early withdrawal.

### Plan Two: New Long-Term Money Market Certificates. Invest for 48 months.

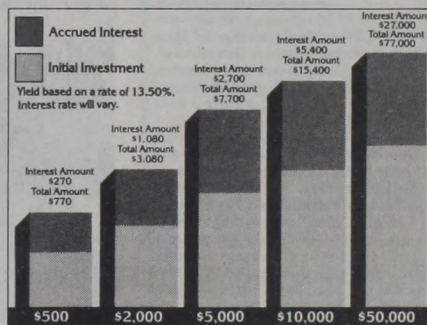

If you think interest rates will fall in the future, First Texas has a new long-term Money Market Certificate—a long-term fixed-rate investment. With the long-term Money Market Certificate, you can safely lock up a high interest rate now.

Also, with this plan, you can have your interest distributed either monthly or quarterly by a check or by a transfer to your First Texas statement savings or checking plan.

### A safe way to lock up your financial future.

You can start with a deposit as small as \$500. Plus, you know your investment is safe, because these Money Market Certificates are insured by the FSLIC.

The term of the Money Market Certificate is now at 48 months. A variable-rate, 42 month plan is also available. Check their example chart to see just how large your initial investment can grow.

Substantial penalty for early withdrawal.

### Long- or short-term? The choice is yours.

So whether you decide long- or short-term is your best option, now's the time to invest and First Texas is the right place to go. First Texas. They can make the most of your money. And that's what beating the 80's is all about.

\*Minimum deposit: \$2,000 (89 days) or \$20,000 (30 or 60 days). Escalating-Rate Money Maker Securities are Repurchase Agreements which are secured debts of First Texas, collateralized by government securities. These Repurchase Agreements (obligations) are not deposits or savings accounts. Although not insured by FSLIC, First Texas has set aside government securities with a trustee in a separate trust account to protect the purchaser against loss.

## Plans made for Christmas in November

Plans have been started for the Annual Christmas in November Exhibit to be held at the Gainesville Community Center on November 4 and 5. Eleven representatives from various organizations and clubs met last Wednesday with Mrs. Evelyn Yeatts, County Extension Agent and coordinator for Christmas in November, a county-wide project with many different people sharing ideas for homemade Christmas decorations, craft or gift ideas.

All organizations in the County are invited to participate by exhibiting homemade items. Reservations must be made in advance. This can be done by calling, Mrs. Yeatts at the County Extension Office at 665-4931 or 665-1966. Groups may reserve one or more tables depending upon how many ideas they have to share. Individuals who are not part of a club or organization who have homemade items to share are also invited to reserve a table or a part of a table.

This year as in past years no items will be offered for sale at Christmas in November. Since some of the groups may be selling items similar to one they exhibit, at the Arts and Crafts Sell-O-Roma sponsored by Extension Homemakers late in November, signs may be placed on their tables saying

they will be for sale at the Sell-O-Roma.

A concession stand will be open to allow viewer to have lunch or a coffee break during Christmas in November. Any club or organization wishing to operate the concession stand as a money making project for their club should contact Mrs. Gin Henry at 665-0301 by October 8 on that date a drawing will be held to determine who will be able to have the concession stand.

Several organizations will be helping with Christmas in November by serving as greeters and hostesses and helping with publicity.

During the two days a variety of crafts and Christmas decoration demonstrations will be given. A complete schedule will be given later.

Questions concerning "Christmas in November" or information is available by calling or coming by the County Extension Office. Plans already made promise another outstanding community wide project.

Serving on the Committee to plan for the 1982 Christmas in November were Gin Henry, Sara Lemons, Jaci Bilderback, Karen Thompson, Grace Bosley, Janet Morris, Jan Lee, Juanita Putnam, Emma Romans, Kaye Glaeser, Joanne Haines.

## Beta Kappa sponsors CF Walk-a-thon

Beta Kappa, sponsoring organization of the Fall Breath of Life Campaign in Muenster has announced a 9 mile Walk-a-thon to be held Saturday, Oct. 16 at 1 p.m., following the Germanfest route. Funds from the event will support research and treatment programs of the Cystic Fibrosis Foundation.

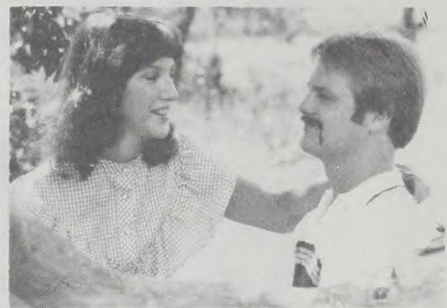

Members of Beta Kappa and their families will be walking in the event and invite everyone to participate. Sponsor sheets may be obtained by contacting Pam Fette at 759-2894.

The principal goal of research is to find a cure for cystic fibrosis (CF) the number one genetic killer of children and young adults in the United States. At present, the disease affects

one in every 1,800 live births. Approximately half of those born with CF do not live past their teens.

The North-East Texas Chapter is one of 72 Cystic Fibrosis Foundation Chapters in the country. The Foundation's mission is to find the means for prevention, control, and effective treatment of cystic fibrosis. In addition to providing annual research grants to study the causes of the presently incurable disease, the Foundation also supports a nationwide network of 127 CF Centers. These Centers specialize in diagnosis and medical care for patients as well as services for CF families.

More information may be obtained by phoning 759-2894.

Denise Haverkamp and Clint Dutton of Irving will be married in First Baptist Church of Muenster on Saturday, October 30, with Rev. Keith Thomas officiating. The bride-elect is a daughter of Mr. and Mrs. Dan Haverkamp of Muenster and Ms. Patsy Haverkamp of Wichita Falls. She is a 1980 graduate of Sacred Heart High School and is employed at Interfirst Bank of Irving. The future groom is the son of Mr. and Mrs. Joe Ware of Gainesville and Bill Dutton of Gainesville. He is a 1978 graduate of Gainesville High School and is an employee of Central Freight Lines of Dallas.

## Bluebonnets Extension Homemakers plan year of programs

The Bluebonnet Extension Homemakers, met Tuesday September 21 in the home of Mrs. Anne Perkins. The clubs Vice President Mrs. Charlotte Klement presided for the meeting in which plans were made for the club's coming new years schedule. The inspiration was read by Mrs. Monica Hess.

The club's new year begins in October with the club members inviting guests to a salad luncheon planned for October 9 at 11:00 a.m. in the home of Mrs. Anne Poole.

The October 19 meeting will be held in the home of Mrs. Gwen Trubench. The program will be "Make your own Convenience Foods" given by Extension Agent Mrs. Evelyn Yeatts.

The November 9 meeting will be held at the TP&L with Mrs. Judy McDaniel hosting a Microwave cooking program.

In December the club members invite their husbands to another enjoyable Christmas party in the home of Mrs. Monica Hess. There will be delicious foods from exciting new palate pleasing recipes, and loads of merriment for everyone.

In January, plans for Germanfest with a meeting in the home of Mrs. Sharon Wolf on January 10. Plans will begin for the club's second 100 Kilometer Bicycle Rally. With money made from our Germanfest projects the club donates gifts to the Gainesville Child Development Center and now plans to help here in Muenster too with donations to the Child Learning Center and The Tender Loving Care Day Care Center. "All work and no play makes for a dull year" so the Bluebonnets will be planning a trip to Ola Podrido in Dallas also in the month of January.

February is not only a fun time for the club members but for the residents of St. Richard's Villa too. JoAnn Pagel will host a Valentine party at the Villa with lots of prizes for bingo, refreshments and an all around enjoyable evening for everyone. The club members will meet at The Center Restaurant following the Valentine party for supper and the monthly business meeting.

Everyone loves new breakfast ideas and Mrs. Charlotte Klement will be the hostess for the "Nutritional Snacks and

Different Breakfast Ideas" meeting. Charlotte will host the meeting in her home on March 8. The club constantly works on the biggest project, Germanfest, so more preparations will be made for the Bicycle Rally at this meeting.

Finishing touches will be put on the Germanfest project and election of officers will be at the April 12 meeting in the home of Mrs. Kathy Berres, but before they get down to the serious business of this meeting they will have a salad supper and learn the identity of secret pals.

Mrs. Michelle Knauf will host the May 10 meeting at TP&L with Rose Hudspeth demonstrating facials and make-up from Stanley Home Products.

During the summer members get even busier, so this year the Bluebonnets have decided to take the summer off, eliminating the June and August meetings but in July Mrs. Eileen Fisher will host the family picnic. There will be good food, swimming and a wonderful time for every member of the family.

In September meetings will resume with planning for the new year of 83-84 with a meeting in the home of Mrs. Linda Vogel on September 13.

Each year brings new programs, new experiences and new friends. Bluebonnets invite new members to join them. For more information call Club President Anne Poole at 759-2721.

Through each educational program is a beautiful opportunity to learn by doing.

An Extension Homemaker is an off-campus student of the Texas A&M University System, studying and sharing knowledge of Extension Home Economics.

Memberships are open to all regardless of race, creed, color, sex, national origin, or age.

The fellowship of clubs may be enjoyed with a feeling of belonging—a chance to learn and grow together.

Extension Homemakers' program cover such areas as Leadership, Citizenship, Family Life and Family Resource Management, Cultural Arts and International Understanding, and Young Extension Homemakers.

For further information call Bluebonnet club President Mrs. Waylen (Anne) Poole at 759-2721 or Vice President Mrs. Dale (Charlotte) Klement at 759-4222 or Secretary Mrs. Lehnis (Anne) Perkins at 759-2810.

### Plant a seed of education and watch it grow

Consider the Bluebonnet. A tried and true addition to any garden, its beautiful deep blue color suggests the many beautiful opportunities growing along the way through education. With education we are able to pluck these chances to improve our daily lives. But, just as the flower fades and dies, life's beautiful opportunities slip away if we do not pick them as they bloom.

Extension Homemakers hold the seed of education—it is yours to plant, for the asking.

## Nurses attend perinatal seminar

Seven nurses of Muenster Memorial Hospital recently attended a perinatal education seminar at Cooke County College.

The one-day session entitled "Making It a Family Affair", was designed to give the health care professional an overview of regionalization of health care and of the family unit specifically related to perinatal cases. The Fort Worth Medical Center (Harris Hospital) in conjunction with the CCC division of continuing education presented the seminar.

This is the first of a series of continuing education programs for rural hospitals that are being made available through a nationally funded March of Dimes grant.

Objectives of the seminar were:

To identify the needs of a family unit prior to birth;

To identify the needs of the family after birth;

To identify the components of prenatal care that are used in evaluation of fetal well being;

To use currently accepted risk assessment guides to

identify the pregnancy at risk;

To understand a newborn adjustment to extra uterine life and perform assessments of the newborn;

To recognize early signs of neonatal distress;

To assist in the implementation of a regional system of health care and establishment of effective communication between health care facilities;

Nurses attending were Jan Hellman, Peggy Hatcher, Pauline Stelzer, Pat Wimmer, Darlene Miller, Linda Walterscheid and Joan Walterscheid.

## Thanksgiving picnic plans progressing

Because there will be no auction this fall, Thanksgiving picnic officials announced that more emphasis is being put on the individual booths in an effort to effect a more carnival-like atmosphere.

Therefore, several new game booths are being added. They include a football booth, a basketball booth, a toy walk and Tin Gun Alley, in addition to the usual array of games. Another added attraction will be a special children's drawing offering over \$500 in cash and merchandise. Prizes include an Atari Home Video game, a 3-speed bicycle, \$50 cash, record player, tape recorder, AM-FM Roller Phone, and much, much more.

In an effort to reduce the parish expense for booth prizes, donations are being requested. Fish Pond items are also needed. Small children's toys such as jacks, yo-yos, jump ropes, play-doh, small balls, small cars, and other such dime store items are suitable. As in the past, a designated basket will be set up at the Ben Franklin Store for items.

Donations for the picnic project may be left at the rectory, either project chairman's home or by calling Mrs. Wayne Grewing & 759-4119 or Mrs. Brent Hess (759-4893) for pick-up.

Twelve members of Sacred Heart Parish received formal certification as Catechists on Wednesday, September 22. Shown are front row, l to r Sister Cabrini Arami, Mrs. Pam Fette, Mrs. Sharon Walterscheid, Sister Carmelita Myers; back row, Larry Vogel, Kathy Vogel, Sister Romana and Mrs. JoAnn Pagel. ## Lindsay 20, Valley View 7 in district opener

Lindsay's Stan Dieter 42, comes to the end of a short gain in last week's game with Valley View.

Donna Arendt Photo

by Donna Arendt  
Lindsay's rating as the top team of the west zone in District 9A stood up firm last week as the Knights overcame their principal challengers, the Valley View Eagles. The score was a decisive 20-7, however it had been even at half time and the Eagles seemed to move ahead in the third but luck leaned the other way when a touchdown was nullified by an infraction of the rules. Meanwhile Lindsay's steady offense delivered vital yardage all the way, ending in two TDs that made the big difference.

Valley View was the first to score, after recovering a fumble on the Eagle 18 yard line. Eight plays made the distance and Tony Jones made the final yard for the Valley View TD. The PAT by Warren Dyer was good to make it 7-0 with 1:57 left in the first quarter.

Valley View did not keep its lead for long. On the very next play Lindsay's Leonard Fuhrmann ran back the kick-off for an 89 yard touchdown. The PAT by Fuhrmann was good to make it 7-7 with 1:44 left in the first quarter.

Before the end of the half Valley View missed a good chance to score. The Eagles advanced to Lindsay's 24 yard line then were rudely halted when Stan Dieter recovered a fumble on the 26 yard line with only .54

seconds left in the half, which ended 7-7.

Entering the second half the Knights started showing their stuff. Promptly after the second half kickoff, Valley View's fumble on the 33 yard line was recovered by Gary Dankesreiter. From there Gary Weems broke through and ran 14 yards, and then another 3 yards to the 16 yard line. Quarterback Leonard Fuhrmann ran 13 yards to the 3 and Weems' next effort was stopped only inches from the goal line. At 9:33 Weems ran in for the Touchdown and Fuhrmann's PAT made it 14-7.

A trick play a short time later kept Lindsay's drive alive but only briefly. On 4th and 4 Lindsay faked a punt and Dankesreiter slipped through for a first down. But Eagle defense was too tough and halted the drive on the next series.

Lindsay's last scoring drive began on the Eagle 33. Weems ran for 3 and John Dieter ran 15 yards to the 15 yard line. Weems ran again for 6 and on 3rd and 8,

Weems ran in for the score. The kick was to the right leaving the final score 20-7 with 8:56 left in the game.

During the remaining time Lindsay missed two scoring opportunities. After an interception Dieter returned to the Eagle 11. Next Lindsay fumbled and the ball tumbled into the end zone, giving Valley View possession on its 20. From there the Eagles gained to midfield, where Mike Hermes intercepted an Eagle pass. Heading goalward again, Lindsay ran out of time.

The Knights will travel to Prosper Friday to try for their second district win. Kick-off time is 7:30.

# Hornets roll over Prosper

Muenster High's Hornets opened the 9A season on a positive note last week with a 21-13 win over Prosper. The visitors had a few big moments early and late in the contest on drives which yielded their two touchdowns, but otherwise Muenster ruled the field.

The game was featured by the Hornets' rushing success along with timely passes. Carl Sicking was the top gainer with 150 yards on 35 carries and Ronnie Fisher was next with 66 yards on 14 carries. Wayne Carroll caught three of the Hornet passes for 75 yards.

MHS made a good start with Fisher and Sicking stepping off short gains for two series, but the third series failed and Prosper took possession 65 yards from the goal. Three plays reached the 50 and three more brought in a fourth down and 1 foot situation. At that point a quarterback sneak by James gained not only the needed foot, but busted into the open and kept going 40 big yards to the end zone as the clock read 5:14. The kick by James upped the score to 7.

The Hornets next effort did not stall. Starting promptly after kickoff it used 12 plays in moving 68 yards, Fisher going over from the 9 on the first play of the second quarter. The attempted kick for extra point was spoiled by a bad snap from center, so Felderhoff tried to pass for 2 points. It failed to connect.

The next Hornet score came with their next possession. Jeff Fisher intercepted on Prosper's first play and a 39 yard drive used 9 plays. Sicking made the last 4 on a scoot around right end and also received a pass from Felderhoff for bonus points.

As the remaining 7:05 of the second period ticked away the Hornets missed a fine opportunity to improve their count. After Felderhoff's fumble recovery the team made a 57

yard drive to the 20 in seven plays, including a 33 yard pass to Carroll. But then precious time was wasted with a major penalty on both sides before Muenster faced first and goal at the 9 with 20 seconds to go. The buzzer sounded as the third play ended.

The third quarter started with another lost opportunity for Muenster. Felderhoff blocked the punt ending Prosper's first series putting the Hornets in business on the 13. After two short gains and a 7 yard sack on an attempted pass, Felderhoff tried for a field goal. It failed.

The balance of the quarter was made up of two first

downs by the Eagles and two punts for each side, and the Hornets entered the last quarter by starting their final scoring drive. It used seven plays going 74 yards including passes to Carroll for 11 and 7 and a run of 20 and 12 by Sicking, the latter reaching pay dirt. Felderhoff's kick upped the count to 21 and 8:25 in the period.

At that time the Eagles started a passing attack that put new life into the game. A heave, James to Ricketts picked up 12. Another heave, James to Furr was headed for the goal but stopped by Leslye Wells on the 12 after a gain of 47. Four plays later a completed

pass looked good but officials ruled it was caught beyond the end zone.

The teams exchanged kicks after that, and with 1:12 remaining the Eagles made another desperate effort. Two short passes gained 15 to the Hornet 43, a run reached the 38, and the final pass connected with Constant across the goal with only a second remaining. A run for the double PAT failed. The final count was 21-13.

### Who's next

Muenster at Collinsville; Lindsay at Prosper; Valley View at Gunter; Bells at Era; Alvord at Sacred Heart.

### Spirit Moms cheer Hornets-

Cindy Russell and Doris Fleeman, assisted by cheerleader Jo Ell Hellman provided cheers for the MHS Hornets preceding the game with the Prosper Eagles.

They gifted each of the 28 team members with a pair of "Hornet Antlers" to wear all day Friday, if they chose, and especially at the pep rally. Each player also received a hand-lettered emblem "We Love You, Hornets." On Friday morning each team member found snacks, put into the lockers, including a banana, package of chewing gum and bar of candy.

Next week's Spirit Moms will be Shirley Truebenbach, Pat Reiter and Janie Monday, assisted by Cheerleader Kim Eldred. The Hornets play the Collinsville Pirates on Friday.

### Collinsville is next MHS foe

In addition, the Collinsville boys share a 2-2 record with the Hornets, one of the losses being by a single point to Alvord, and a win being the run-away over Era last week.

Physically also, the Pirates and Hornets seem to have points in common. As seen by Coach Leonard Peters they have a mixture of size and experience and speed. With potential about equal, the breaks could be the deciding factor. However the Hornets have another factor which they hope is leaning in their favor. Determination and hard work are showing up as steady improvement.

Last week's game with Prosper was encouraging. Hornet defense was solid most of the time and offense was consistent except when a few scoring opportunities were wasted. Rushing and passing both made good yardage.

Physically, too, the report is good. As of now all Hornets are ready for action.

### Collinsville is next MHS foe

More keen competition appears to be in sight for the MHS Friday at Collinsville in their second effort of the 9-A schedule. The report is that the Pirates are about equal to Prosper's Eagles who started and ended the contest with a bang but were outscored 21-13.

### Junior Hi loses 8-6 at Prosper

Muenster juniors saw their season standing take a drop at Prosper last week when they ended at the short end of 8-6. It was one of those games when the performance deserved a tie score, but the difference was that the young Eagles connected on their try for bonus points but Muenster did not.

Prosper was first on the score board with a long pass on the last play of the first half, then upped the count 2 points with another pass.

Muenster scored in the third quarter on Steven Wimmer's 15 yard run ending a 65 yard drive.

### Monday win gives MHS volleyball record of 3-1

Muenster High's volleyball girls upped their record to 3-1 Monday in winning a match with Sacred Heart. In previous matches they beat Callisburg twice and lost one game to Whitesboro.

Playing the Tigerettes they lost the opener 15-9, then got organized and won the next two games by decisive counts of 15-4 and 15-1.

The girls have only one district opponent, Windhorst whom they are scheduled to meet October 28 at Goldburg. Before that date they have six more non-district games as follows.

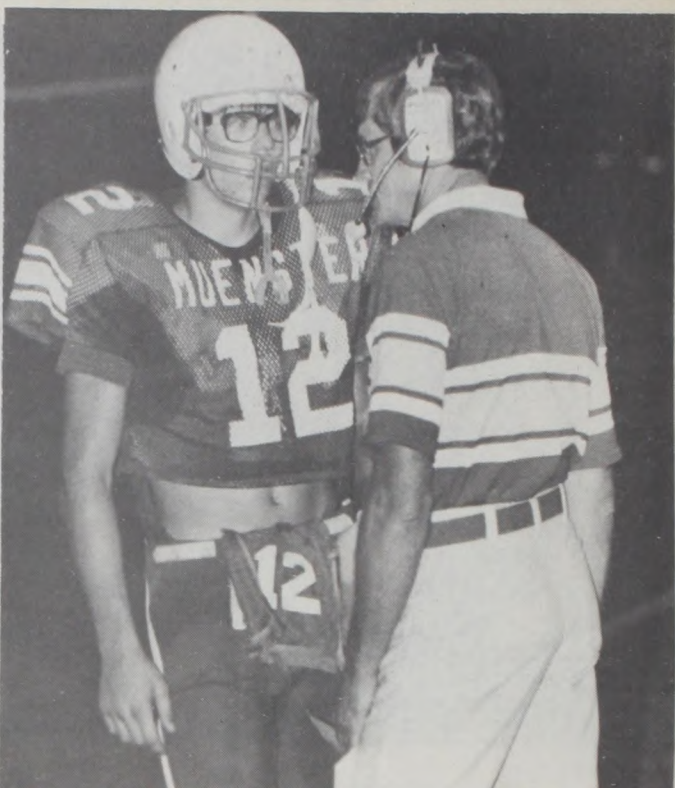

Sept. 30 Whitesboro, here Oct. 5 Sanger, here Oct. 12 Coppell, there Oct. 18 Selwyn, here Oct. 21 Sanger, there Oct. 25 Selwyn, there

Members of Muenster High's varsity volleyball team are: Front, Sherri Hess, Debbie Bindel, Sara Walterscheid and Stephanie Richey. Back Coach Alan Gustine, Renee Wimmer, Nancy Walterscheid, Sandy Wimmer and Shelley Zimmerer. Janie Hartman Photo

### How they stand

After last week's games the standings of area teams are as follows.

Sacred	3-1
Lindsay	3-1
Muenster	2-2
Valley View	2-2
Saint Jo	2-2
Era	0-4

Scores of last week's games were

Muenster 21, Prosper 13
Sacred Heart 22, Bryson 8
Lindsay 20, Valley View 7
Saint Jo 33, Santo 14
Collinsville 44, Era 0

### Jaycees' PP&K

Entries will be accepted until contest time for the Punt, Pass and Kick competition sponsored by Muenster Jaycees on the Muenster Hornets football field Saturday at 2 p.m. Children who have previously turned in an application may use the one which is a part of this article.

All youngsters of the area, ages 8 to 13, are invited to participate. Willie Wimmer,

chairman, said trophies will be awarded to the top three scorers of the six age groups.

He also said that the local Jaycee chapter hopes to host a district PP&K if other chapters are interested. All who enter will need to fill out a special application form with a parent's signature indicating permission to compete and excusing the Jaycees from responsibility in case of injury.

The following data is needed on the application

## Tigers outscore Bryson 22-8

The tigers chose the right time last week to play their best game of the season to date. As they discovered later, their best was needed, because they were facing their best opponent so far. Coaches Henscheid and Walterscheid agreed that it was a fine game on both sides featuring hard and clean football. However, there were breaks that hurt.

The first one happened to the Cowboys, a 72 yard touchdown run nullified by offsetting penalties. Two first downs and a punt later the Tigers had their first possession and promptly fumbled it away. But Bryson was stalled and had to kick on first series.

Then, from the 6, SH made three good gains: Neil Hesse 14, Darrell Herr 15, Ricky Hennigan 19 before fumbling again, giving the Cowboys possession on their 41.

Ending the next series Bryson kicked to the SH 15 and the return plus a facemask penalty gave SH possession on Bryson's 48, which was the starting point for the first score. Neil Hesse went 22 in two carries and a pass, Hesse to Mike Danglemayr, went 26 yards for the first Tiger TD on the first play of the second period. Curtis Henscheid's kick made it 7-0.

Later in the quarter SH appeared to be in fine positions when Hennigan got to Bryson's 7 but holding and clipping penalties followed by an interception, then a punt pushed the Tigers back to the Cowboy 46.

At that point Herr pulled in Hesse's pass and evaded defenders all the way to pay dirt. It was the last play of the half and Henscheid's kick upped the score to 14-0.

After intermission Bryson got going on its first possession, which followed Sacred Heart's punt ending its first series. With 83 yards to go, Brooks and Cornell did the heavy work on a drive which used 19 plays

and almost all of the period. Cornell went in from the 2 and a pass, Freeman to Leming upped the count to 14-8. The clock read 1:59 in the third.

Tigers took over again in the final period but progress was interrupted by stout defense on both sides: first an exchange of punts then loss of possession by Sacred Heart and regaining it by a fumble recovery on the Cowboy 28.

That was the starting

point of the last Tiger TD. Four tries got to the 16 and three more reached the 1. Hesse scored at 0:31 and Herr ran for the additional 2 points.

## Tigers host Alvord Friday at 8

Another big job for the Tigers is in sight for Friday night when they take on Alvord's Bulldogs on the Sacred Heart field. Both teams have a 3-1 record, Alvord with wins over Era, Collinsville and Millsap plus a loss to Notre Dame. The Tigers have decisions over Nocona, Saint Jo and Bryson plus a loss to Valley View.

Comparison of the teams favors Alvord in size and Sacred Heart in speed. Coach Virgil Henscheid said they have a big line and a big fullback and average speed. Tigers are smaller but more mobile. Over all it shapes up as an even match, probably

to be decided by how the breaks go. In that regard, however, Henscheid recalls that his boys were at their best last week and hopefully will have a repeat performance going for them.

He was lavish in praise of the Tigers. The best team effort and the best game with very few breakdowns. Physical condition is normal with Bartush still nursing an early season injury. Otherwise there are bruises but the roster is complete.

The game will be at Sacred Heart, the season's last with an 8 o'clock starting time.

## SH Juniors lose and tie at Nocona

Sacred Heart's Junior High tied and Junior Varsity lost in a pair of contests at Nocona. Scores were 6-6 and 18-14.

The Tigers Cubs started the scoring in the second quarter with a 70 yard drive completed by John Mangum's two yard plunge.

Nocona evened the count in the third quarter, also as completion of a long drive.

In the final quarter Sacred Heart had a brief moment of satisfaction as a reverse play went for a TD. But it did not count. Officials nullified the play because of a face mask infraction.

In the JV game Kenny Hesse scored from the 6 to end a drive of about 65 yards and Duane Haverkamp made the other TD on a punt return of some 60 yards.

Nocona's three scores resulted from sustained drives all ending in short plays.

**Personal**  
Mr. and Mrs. Alford Winn, formerly of Muenster, came back for the weekend and visited friends, attended the Hornet-Prosper football game Friday night and Harvest Hoedown Saturday. They were house guests of Mr. and Mrs. Charles Coffey and also visited at their farm near Nocona.

## Golf winners named

Willie Walterscheid and Frankie Hess were the champs in a 2-member scrambles tournament last Sunday at Nocona Hills golf course. Ending the 18 hole round they were tied with Ken Hartman and Mark Hess and won the honor in a playoff, third place winners were Dale Klement and Bill Reed.

The tournament had 28 teams participating in four flights. Top three teams of each of those flights were as follows.

Flight 2: Brent Hess and Joe Hoedebeck; Augilar and Kmeiss; Framton and Littleton.

Flight 3: Denton and Page; Ray Voth and Danny Voth; Bud Graham and Roy Monday.

Flight 4: Jimmy McDonald and Ricky Cloud; Alan Miller and Wayne Klement; Pegg and Bennett tied with Laura Trachta and Wayne Trachta.

Others winning prizes were Willie Walterscheid (over 40) and Ken Hartman (under 40) and Bertha Hamric for the longest drives. Prizes for nearness to pin went to Adam Wolf and Tandy Quisenberry (over 40) and Dickie Pagel (under 40) and to Laura Trachta.

In addition Tops and Teams gave a putter as a special prize and all beer

distributors gave beer for the event. Also, a number of Muenster business people helped as sponsors. They are Gilbert Endres, Urban Endres, Clyde Fisher, Walterscheid Oil Co, Tony's Seed and Feed, Muenster Milling Co, Hofbauer's, Bill Reed Perforating, Tops & Teams, Hoedebeck GMC, The Center, The Charm Shop and Ken's Kerr McGee.

Muenster Jaycees and the sponsors have expressed their appreciation for all around cooperation in the tournament.

## Salvage Project re-activated at SHS

Sacred Heart School will re-activate its salvage project for newspapers only, as a benefit for school supplies.

The metal container used several years ago, will be in place east of the Sisters' Convent. A convenient entrance for cars is between the high school and elementary building. The project, while being a benefit for the sponsor is also a convenience and aid for homemaker and city crew.

## Two brothers share birthdays

Tommy Joe and Eric Dankesreiter, sons of Mr. and Mrs. Tom Dankesreiter, shared a birthday party on Sunday, September 19, when their parents entertained in their home. Tommy Joe became 5 years old that day and Eric Francis became 12 years old on Sept. 20.

Honoring Tommy Joe, a clown theme with his favorite colors of red and blue were used in decorations and refreshments. Enjoying games and helping him celebrate were friends Leslie Grewing, Michael Flusche, Mindy Hennigan, Greg Fisher, Tanya Knauf, Scott Poole, Vanessa Felderhoff, Joseph McCoy, Cody Klement, Jeffrey Hermes all of Muenster, Jennifer and her mother Debbie Hermes of Gainesville.

Special guests were the grandparents Tony and Teresa Hermes of Lindsay, the honoree's sisters Dana and Amy and his brother Eric and his guests.

Upon arrival, the children were given balloons with their names inscribed. Refreshments were birthday cake, ice cream and cherry punch. Gifts were opened and pictures were made throughout the afternoon. When the guests left, each one received a "gift of goodies" to take home.

Eric Dankesreiter was honored at the same party as his brother. His special birthday cake was made by his mother. Friends John and Jimmy Herr came to spend the day. Eric opened and displayed his gifts and more pictures were made. A special supper of hamburgers and French fries was held for his friends and family to complete the day.

Tommy Joe's birthday was also observed at The Young Children's Learning Center on Friday, Sept. 17, where he attends. A special "Celebration of Life" was held. His mother showed pictures and read a brief summary of each year of his life. While Tommy Joe walked through the 12 months, Susan Wilkerson lit a candle for each year. Cupcakes were served to the children by the honoree.

## Dankesreiter families tour ten states and British Columbia

Their summer vacation in 1982 will always evoke great memories for two families who traveled together more than three weeks over thousands of miles. "Fantastic" is the word for the 22 day, 62000 mile trip in ten states and British Columbia, that meant vacation this summer for Tom and Rosemary Dankesreiter and children, Dana, Eric, Amy and Tommy Joe of Muenster and his brother and family, Larry and Connie Dankesreiter and their children Karan and Duane of Fort Worth.

They planned the first day out to include a stop in Muleshoe, in the Texas Panhandle, for a visit with friends. The next day, while in Albuquerque, New Mexico they enjoyed the world's largest Tramway ride, 10,378 ft. up in the Sandia Mountain peaks.

Scenic beauty provided by the long drive through

## Harvest Hoedown - big effort, slim crowd

The 1982 Harvest Hoedown was the best yet as far as local participation is concerned, but attendance from outside communities was disappointing, according to comments from local business people.

Muenster merchants were mostly agreed that visitors were fewer, but also that they missed a good show reflecting the best job yet by the Chamber of Commerce and especially by the chairman, Deb Klement of Tops and Teams. There were more attractions, more bargains, more decorations and costumes, more preparations, more local participation, more effort by the Chamber, more activity in the stores. And there were prizes galore, not only more than 40 giveaways by merchants and four tickets to a cowboy game but also the prizes for pies, decorations and costumes. Here are some of the winners and their prizes:

Billy Don Wolf, 4 Dallas Cowboy Football tickets; The Charm Shop, 1st place, Best Window Display, where the scarecrows were constructed by the Muenster High School FHA members and teacher, Joni Sturm; Tops & Teams, honorable

mention, Window Display; Lisa Martinez, Best Costume in Muenster businesses;

Winners of the Pie Baking Contest were: Betty Rose Walterscheid, first, King Kamehameha Pie, Earlene Tisdale, second, German Sweet Chocolate Pie; Agnes Rohmer, third, Pecan Pie. Because of many requests, we will print the prize-winning recipes next week.

Danny Darwin, a special guest at Harvest Hoedown, graciously gave his autograph to long lines of children and grown-up fans. Here he signs Troy Pagel's glove, while Douglas Evans, Brad McDaniel and Terry Felderhoff await their turn.

Autumn leaves and the Straw man decorated vantage spots and windows at Fischer Market Saturday for Harvest Hoedown. Adding to the merriment, in appropriate costumes, were, l. to r. Kenya Endres, Roberta Walterscheid, Margie Walterscheid, Pat Herr and Lisa Martinez. When costume winners were announced, Lisa won first prize.

Panning for Gold, modern style, in the American River at the site of historical Sutter's Mill, California, are Eric, Amy and Dana Dankesreiter.

the lake and the beautiful summer weather where they stood. A scenic drive northwest of Lake Tahoe completed that special day.

Arriving in California, the Dankesreiters waded in the North Fork of the American River and panned for gold at the site of Sutter's Saw Mill. It was an instant history lesson for the children.

A day in San Francisco was brimming over with activity, beginning with a tour of Fisherman's Wharf, China Town and the Japanese Gardens. A cruise on the Red and White Fleet into the Bay area included such interest points as the Palace of Fine Arts, the Golden Gate Bridge, Fort Baker (built during the Civil War) Alcatraz Island, and Treasure Island. Another special fun time was learning to use chop sticks at a sumptuous Chinese dinner.

Beautiful wild and cultivated flowers and blooming shrubs along the way provided great sweeps of color, including commercially grown fields of Easter lilies and daisies. The group stopped to tour three wineries in the famed Napa Valley, including the Roman Catholic Christian Brothers Winery. In the Redwood Forest, they stopped to walk through the Living Chimney Tree and drove through the Avenue of the Giants.

Driving the many miles along the pacific coast, the children delighted in the excitement of stopping to hunt for clam and shells, taking pictures, and trying to outrun the surf, although the water was very cold. They saw large lumber camps and numerous log-floats. In the Undersea Gardens, 12 feet down, they were intrigued by the vast variety of sea life. They toured the Sea Lion Caves near Florence, Oregon. Among memories to be cherished was the visual beauty of the cathedral-like, 1500 ft. long cavern with its many blending colors. The cave is one of the world's greatest sea grottos, home for about 2500 sea lions. A stop at one of Oregon's fine cheese plants brought memories of home. They enjoyed samples of the products.

In Olympia, Washington they toured the Olympia Brewing Co. and saw the processes of making "Olympia Gold" and "Lone Star." In Bremerton, Wash. they toured the U.S.S. Missouri, historical site of the signing the declaration to end WWII with the Japanese.

A ferry trip across Hood Canal took them to upper northwest Washington, Puget Sound and Port Angeles, and another ferry took them to Victoria, British Columbia for down town shopping, Miniature World, national parks, Parliament, Classic Car Museum, Empress Hotel and specialty dining.

Butchart Gardens, renowned for its skillful

blending of rare and exotic plants and trees, with colorful gardens of familiar flowers, joined by many paths, crested a memorable event for the Dankesreiters, followed by an evening of outdoor entertainment.

From Sidney, B.C. another ferry took them on a cruise of the Juan de Fuca Islands and to Anacortes. Days of beautiful country drives brought mountainous and heavily wooded areas and Gorge Dam, Diablo Dam and Ross Dam on the Skagit River, and an exciting visit to Grand Coulee Dam. Everyone marveled at the awesome engineering projects, the world's largest hydro-generators and the entire Columbia Basin.

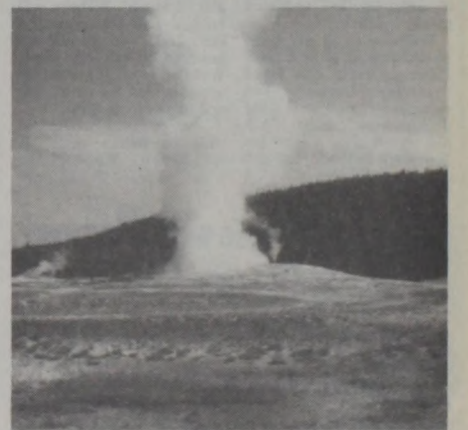

The children will remember especially playing in the snow in the North Cascade Mountains.

In Missoula, Montana the Tommy Dankesreiters visited a relative, Martha

Koesler, and the Larry Dankesreiters visited a college friend, and saw the Lewis and Clark Caverns, enroute to Yellowstone National Park. They saw large herds of elk and deer and all the usual tourist attractions there. A 600 ft. hike down the canyon near Bigon Falls was great fun but their sentiments coming back up were "Oh, my aching feet!"

The sight of snow tipped Grand Teton Mountains in Wyoming and the Flaming Gorge and Dam in Utah, added to the excitement; and the Dinosaur National Monument exhibited petrified bones of crocodiles, turtles and 14 species of dinosaurs brought into view by excavation.

A stop at the Great Sand Dunes National Park was the last major sightseeing adventure for the two families before returning home.

Old Faithful Geyser in Yellowstone National Park, on schedule, as always, and the Dankesreiters were ready with their cameras.

Without it they would be totally useless to your life. In fact, they wouldn't even exist. That's why Texas Power and Light Company works for you around the clock. To make sure the power keeps coming. Because without electricity, all our lives might seem a little like the dark ages.

TEXAS POWER & LIGHT COMPANY

Arizona included the Zuni and San Mateo Mountain ranges, Cathedral Rock, fields of lava, Indian Hogans and pueblos, and the spectacular Painted Desert and Petrified Forest. At Walnut Canyon National Monument they all hiked 285 ft. down into Indian Cliff Dwellings.

Enroute to the North Rim of the Grand Canyon, they drove through the Navajo Indian Reservation and viewed Sunset Crater and Marble Canyon. A special treat that night for the children was staying overnight in a log cabin at the Grand Canyon and getting up very early next morning to watch the magnificent sunrise in the Canyon. Angel's Window and Kaibab National Park provided many opportunities for taking pictures. Next a drive in a mile long tunnel through the mountain side was one more exciting adventure in dozens of occasions throughout the trip.

The drive through Utah presented Zion National Park, Weeping Rock, Cedar City's Old Iron Mission and Cathedral Gorge. And in Nevada, exploring Moon Caves was another treat for the children. They spent a day in Reno at Circus Circus, where everyone enjoyed the Midway and all the excitement of the town. Tom Dankesreiter particularly enjoyed viewing the World's Largest Collection of 1,000 antique, vintage, classic, and special interest cars at Harrah's Automobile Show.

In Carson City, Nevada they walked through large mining tunnels that were under a museum housing natural history and exhibits of Nevada.

Their reaction to the first sight of Lake Tahoe echoed the words of countless travelers: "How Beautiful!" The view was breathtaking because of snow covered mountains above and in back-the incredible blue of

## Fifteen local scouts attend retreat of Longhorn Council

Fifteen Scouts of Troop 664, Muenster, joined a large number of fellow scouts of the Longhorn Council during the weekend of September 24-26, at Leonard Scout Reservation, to attend the 22nd annual scout retreat sponsored by the Catholic Committee on Scouting, Diocese of Fort Worth.

Theme of the weekend retreat was "Duty to God, Country and Self," and all activities of the weekend developed awareness of the primary duty to God, an obligation which only the individual can satisfy for himself; duty to country in appreciation of the freedoms provided for all; duty to self, realized because each individual is one of God's greatest creations, made in His own image.

Father John Hennessy, assistant to Father Jerry Mosman in Denton, was retreat chaplain and celebrated Mass twice in the outdoor Camp Chapel.

A staff of scout leaders, experts in counseling and teaching, conducted all activities of the retreat weekend. Each scout received a manual "A Scout is Reverent" and each also received a "Scout Retreat" Patch to wear on his uniform. The patch was authorized by the diocese.

Muenster Scouts attending were Drew Bynum, Peter and Roan Serna, Ronnie Walterscheid, Michael Walter, Murlin Evans, Jeff

Walterscheid, Keith Vogel, Shawn Vogel, Alan Hudspeth, Pat Hellman, Eric Dankesreiter, Ryan Bayer, Jason Gehrig and Michael Mangum.

Adult leaders accompanying them were Waylen Poole, scoutmaster, John Walterscheid, assistant scoutmaster, and Robert Knauf and Chris Walter.

Knauf and Walter participated in the Ad Altare Dei Counselor's Training session and received certificates authorizing them to function in that capacity in

the scout program.

At the Campfire Program Saturday at 8 p.m. Troop 664 won two awards, the Road Runner Trophy and the Religious Trophy, which they earned by having six Cub Scouts qualified for the Parvuli Dei Award and one Boy Scout, Mike Walter for the Ad Altare Dei Award. The six cubs were Murlin Evans, Jeff Walterscheid, Eric Dankesreiter, Ryan Bayer, Shawn Vogel and Jason Gehrig, who have now advanced into the Boy Scout Troop.

## Michael Walter qualifies for Ad Altare Dei award

Michael Walter, member of Boy Scout Troop 664 and son of Chris and Peggy Walter has completed the required work entitling him to receive the Ad Altare Dei Medal.

At the retreat weekend at Leonard Scout Reservation, during the Saturday evening Mass in the outdoor chapel, Michael received the bar with silver knot, insignia to wear on his uniform shirt. In April he will receive the accompanying Ad Altare Dei medal from Bishop Delaney, who will preside at a ceremony to award all medals earned by Catholic

boys and girls in the Fort Worth diocese.

Michael's counselors in preparation for Ad Altare Dei were Father Stephen Eckart and Mrs. David Bright. He passed his Board of Review preceding the retreat.

The last presentation of Ad Altare Dei to members of Muenster Troop 664 was 16 years ago when one scout was presented his medal at Sacred Heart Cathedral in Dallas and a year previous to that when six Scouts received the special award, also in services in the Cathedral.

## Cub Scout news

The VFW Hall was full of Indian Chiefs for Pack 664's first Pack meeting of the school year, Tues., Sept. 27th. Spirit candle was lit by Webelo Joe Weinzapfel, then the flag ceremony was presented with the beating of Tom-Toms by den 1 cubs, Mike Gobble, Ryan Sicking, Helmut Koelzer, Sammy Walterscheid, Scott Wilde, Mark Flusche and Chad Simmons. After the pledge of allegiance the Cubs recited the "Law of the Pack." All cubs appeared in full Indian make-up. As a den project they made head-dresses of yellow and blue turkey feathers.

Welcome to all as given by Cubmaster Lupe Evans. Parents present were asked to introduce themselves and recognize their Cubs. New members who joined Pack 664 on School Night for Scouting: Jerry Colwell and son Kelly Colwell and Jackie

and Dorothy Taylor and son Jackie Taylor were presented their pin to be placed on the Pack's advancement ladder. They were welcome with a big cheer of "How!" Cubs who had a birthday during the summer and September were honored by everyone singing Happy Birthday. It was announced that Pack 664 will be saving aluminum cans to provide a small fund to help pay for Leaders' training and Leaders' supplies.

A training session will be held October 16 and it is hoped that all leaders will be able to attend. Webelos will hold a Fall Camporee on Oct. 22-23 with details announced at a later date. Webelos attending must be accompanied by their dads or a family male adult.

The program continued with an Indian game introduced by den 4 played with 3 wooden blocks prin-

ted with Indian symbols. Den 3 led the group in singing "America". Cubs in den 4 are Douglas Evans, Terry Felderhoff, Scott Hudspeth, Brad McDaniel, Darrin Russell, Raymond Stewart, Ryan Hess and Ryan Gehrig. Cubs in den 3 with leader Mil Biffle are Justin Ramsey, Steven Nasche, Darrin Klement, Jason Biffle, Kenneth Walterscheid, Gussie Felderhoff.

Then it was time for advancements. A special "Cub" award mug was presented to Rodney Knabe for always "being there" when he was needed during the summer months. Chad Simmons of den 1 and his parents received their Bobcat award and Chad was able to move his pin on the advancement ladder. Webelos have been working hard earning activity pins during the summer months.

Webelos are led by Pat Knabe. All nine Webelos earned their athlete, sportsman and aquanaut activity pins. In addition, Rodney Knabe also earned his artist and engineer, Joe Weinzapfel earned his artist, engineer, craftsman, and citizen. Jerry Brawner earned his engineer, artist and outdoorsman. Other Webelos are Michael Abney, Jason Walterscheid, Jimmy Herr, Troy Pagel, David Rohmer.

Summer time pack awards were presented to 25 cubs for participation in 3 fun events during the summer.

Pack 664 is initiating a Parent Participation ribbon award that will be given to the den that has the highest percentage of parents present at pack meetings. The September ribbon was awarded to the Webelos den. They will return it in October and hope to get it again. The den keeping it for the longest time in the 9 months of pack meetings will get to keep it as a trophy. Next pack meeting will be Oct. 25.

## Young People with Purpose

October 3-9 has been declared National 4-H Week, and five million youth across the nation ages 9-19 will be celebrating this time in various ways.

This year's theme, "4-H Pathways to the Future," challenges members to become self directing, productive and contributing members of the society.

4-H offers over 70 projects from which youth can choose. With these projects and practical hands on learning experiences, 4-H'ers select and follow pathways that lead to success in per-

sonal and career development.

4-H is not only for the youth, but also for the adults. 4-H involves the family in fun and in work. Members select and conduct their projects with the approval and support of parents. Parents provide encouragement and much of the resources needed by the 4-H'er for project work. The understanding parent helps the youth through the hard times and helps direct them on their "4-H Pathways to the Future."

# Sacred Heart School newsletter

October 1982

We have been notified that our regular newspaper buyer is back in business again. Therefore, if you want to support Sacred Heart School and get rid of unsightly newspapers, please bring your throw away papers to the metal bin on the east side of the convent. With your support we will help make Sacred Heart financially successful.

Mr. Bob Anderson, representing Atlantic Richfield from Dallas, will be presenting "Alternate Energy Resources" to the 8th grade earth science, 10th grade Biology and 9th grade earth sciences classes on Oct. 5, from 12:00 noon to 3:07 p.m. Parents are invited to attend one of the three classes.

I have noticed that a number of students (usually youngsters) are playing in and near the end-zones during football games. This is very dangerous. Last home game a student was injured when a player crashed into the student while the student was playing. Please have your children stay away from the end-zones during the football games. This is for their safety. Thank you.

### Congratulations!!!

The following letter was received by one of our parents. We thought you might enjoy sharing the good news these parents received.

Mr. and Mrs. Virgil Henscheid  
Special Delivery Muenster, Tx. 76252  
Dear Brother and Mrs. Henscheid:

Congratulations to you and your family! We were happy to learn of your selection as the July "Family of the Month" for Council 1459. We salute all of you for involvement in the activities of your church, community and council. We thank you for those contributions of time, talent and energy.

Also, this letter will serve to advise you the the "Family of the Month" report submitted by your council was chosen at random in our current "Celebrate 100" membership campaign drawing on August 15. You and your family are entitled to receive a special campaign prize, a handcrafted Holy Family plaque for your home. The award is being forwarded to you under separate cover and should be received shortly.

Again, please accept our congratulations and best wishes for continued success.

Sincerely and fraternally,  
Virgil C. Dechant, Supreme Knight

## Fall Fun Festival to be held Oct. 2

The Cooke County Youth Council announces its Fall Fun Festival on Saturday, October 2 at Leonard Park in Gainesville.

The schedule begins with assorted games, 11 a.m. until noon; "bring your own sack lunch" and lunch time activities, noon until 1 p.m.

Young people will compete by age groups. Cubs and Scouts should wear uniforms and may expect a fun experience. For more information call Lupe Evans, 759-2911 or 2520 or any Den Leader.

## Noted language authority to speak

On Saturday, October 2, 1982, Sister Edna Ann Habert will speak at the Sacred Heart Community Center meeting room in Muenster. Her topic will be, "Activities in Language Arts Programs." Emphasis will be on skills from pre-reading to beginning reading--pre-school through Grade 1. Activities described will be adaptable to the traditional classroom as well as individualized training.

Sister Edna Ann is currently a consultant to the Fort Worth School systems and curriculum director at St. Mary's School in Houston. She has authored "Activities for Individualized Language Arts Programs."

The workshop will begin at 9:00 a.m. and is being sponsored by the Young Children's Learning Center. There will be a \$5.00 charge per person. For additional information call 759-4918.

## Homecoming

This year homecoming will be on Friday, Oct. 29. More information will follow concerning the normal homecoming activities. The homecoming dance will be on Sat., Oct. 30 at the Knights of Columbus Hall.

## School Board meeting

The regular meeting of the Sacred Heart school board will be on Monday Oct. 18, 8:00 p.m. in the high school library. All are encouraged to attend.

## Home and School Meeting

The Home and School association has changed its regular meeting date to the 4th Monday of the month. This month the meeting will be Oct. 25 at 8:00 p.m. in the community center meeting room. The new officers for 1982-83 are Herbie Knabe, president and Jim Gehrig, vice-president. Carol Frost, treasurer and Dolores Hofbauer, secretary. Thanks to all these people for donating their time and talents. Incidentally, the 5th graders will have a special show at this month's meeting.

## Testing for Juniors

The juniors at Sacred Heart are going to take a very important test on Tuesday, Oct. 19. This test, the PSAT (Preliminary Scholastic Aptitude test), will help prepare the students for college entrance tests, as well as all tests in general. This test also gives the students the opportunity to become eligible for the National Merit Scholarships. Please help your students prepare for the test by making sure they get a good night's sleep and a good breakfast.

## Report cards

Report cards will be distributed on the 28th of Oct. You should sign the cards and have them returned to the teachers by Tuesday, Nov. 2.

## Playground equipment

We are in the process of purchasing playground equipment for our students to use during the school recesses. The money for this has been generously donated by the Home and School Association. In addition, Mr. Felderhoff's shop class is taking on a class project of building some permanent playground equipment for the older children. Something along the lines of a climbing and swinging set. Thanks to both of these groups for their help in making school a fun experience.

4. Computerized Budget Projections the meeting is free and open to the public.

## Westgate hosts drug abuse meet

The Denton chapter of the Texas Association of Alcoholism and Drug Abuse Counselors held its first fall meeting September 7, 1982. John Leadem, CAC, Director of the Alcohol Recovery Unit at Westgate Medical Center, presided over the meeting as President of the Denton chapter.

The Texas Association of Alcoholism and Drug Abuse Counselors (TAADAC) is the professional association for alcoholism and drug abuse counselors in the state of Texas, and is actively involved in the development and maintenance of standards of excellence for counselors working in the field of chemical dependency.

Local chapters throughout the state participate in bringing members educational seminars that provide Texas Certification Board for Alcoholism and Drug Abuse Counselors (TCBADAC) credits for purposes of certification and recertification, and keep members abreast of current issues of interest and concern in chemical dependency, as well as informed of events occurring in the state and national associations of alcoholism and drug abuse counselors.
