## Good News!

...Jesus offered one sacrifice for sins and took his seat forever at the right hand of God; now he waits until his enemies are placed beneath his feet. By one offering he has forever perfected those who are being sanctified.

Hebrews 10: 12 - 14

## Easter activities set, Friday closing asked

Following a long-standing custom of the community, business here will be suspended on Good Friday afternoon from 2:30 to about 4:30, to coincide with services at Sacred Heart Church. Beginning at 3 p.m. and ending at approximately 4:30 p.m., the church service will be in commemoration of the suffering and crucifixion of the Saviour, Jesus Christ.

Mayor Richard Grewing has asked the business community to

cooperate with the closing hours. The Easter weekend in Muenster will be marked by school holidays, church services, special activities and family gatherings.

Muenster Jaycees will sponsor an Easter Egg hunt in the city park at 2 p.m. on Sunday, in two divisions: for children six years of age and under, and those seven to twelve. Prizes will be given in each division for highest number of eggs found, as well as second and third; and special prize eggs will be scattered around.

## Investigators group meets here

The Muenster Police Department hosted the Texas and Oklahoma Criminal Investigators Group who met at the Center Restaurant Tuesday, March 25, for the monthly luncheon. Its principal purpose is to exchange information from one department to another.

Muenster Police Chief Helen Tompkins said the meeting was marked by very good attendance. Officers attended from Lawton, Oklahoma, Duncan, Oklahoma, Wichita Falls, Bowie, Gainesville, Lindsay, Muenster, Cooke County and area departments. Only one member group was absent, whose officers were involved in investigation of an armed robbery.

Chief Tompkins also thanked a number of local businesses who provided gifts for door prizes for those attending.

Those included: Hennigan Auto Parts-40 piece socket set; Community Lumber Co.-Old Timer pocket knife; 82 Liquor Store-Sesquicentennial Commemorative decanter; Private donation from a gracious lady-\$10; Knabe Tire and Radiator-fire extinguisher; The Charm Sport-shirt; Tops and Teams-shop shirt; Floyd's Bar-one case Coors bottle beer; Ben Franklin Store-Durabeam lantern; Dude's Gulf-two cases Dr Pepper; Denis Texaco-one case Budweiser; Dairy Inn and DI One Stop-two cases Dr Pepper; Red River Cut Rate Liquor-one bottle Canadian Club Classic, 12 years aged; Muenster Garden Center-\$5; Muenster Milling Co.-box of peanuts; Bayer's Kolonialware-case Miller Lite; Cooke County Distributing-dress shirt; Speedy's

Area departments of the Texas and Oklahoma Criminal Investigators meet once a month for a noon luncheon meeting in the home town of each member group who is the host approximately once a year.

## Polls open April 5

Voters in the Muenster area will go to the polls April 5 to elect members to the Muenster City Council, School Board, Hospital District and Cooke County College Board of Trustees.

Voting will take place from 7 a.m. to 7 p.m. in the lobby of Muenster High School, 135 E. Seventh Street, for all elections.

There is only one contested race among the entire group of elections to be held. Alan Ritchey, a Valley View resident, and Paula Schmitz Lewis, an Era resident, will be running for the place seven position on the Cooke County College Board of Trustees. Karen Sullivant had filed for the place six position and is running unopposed. The terms are for six years.

The Muenster School Board will seat two members. Jerry Bynum, a newcomer to the board, had filed for the place two position and Dennis Hess is running unopposed for re-election to his place one seat.

The Muenster City Council has three seats open. Raymond Endres, a newcomer to the council, filed for the place one seat. Claude Klement has filed in the place four position for re-election to a second term, and Aubrey Tugle has filed for the place two position for re-election to an eleventh term.

The Muenster Hospital Board had five seats open and all five incumbents have filed for re-election to their positions and are running unopposed. They include Andrew Klement, Werner Becker, Jr., William Hermes, Daniel B. Luke and Albert Dangelmayr.

## Candidates interviewed

Muenster and Cooke County voters will decide on two new trustees to fill six-year terms on the Cooke County College Board of Trustees during the April 5 election.

Karon Sullivant of Gainesville will run unopposed in the place 6 position currently held by Joe Fox who did not file for re-election. Voters will be deciding the fate of the place 7 position, however, as Alan Ritchey of Valley View will be opposing Paula Schmitz Lewis of the Era Community to see who will replace Doug Selby who also did not file for re-election.

As a service to Enterprise readers, the three candidates were asked questions concerning their background, qualifications and ideas regarding Cooke County College and their candidacy. Following is the response to those questions.

Karon Sullivant--Pl. 6 Candidate

1. What is your background?  
Born and raised in Waco, Texas and educated in the Waco Independent School District. Graduated with a Bachelor of Arts degree from Baylor University and with a Masters of Education degree from North Texas State University. Moved to Gainesville in 1967.

2. What is your family background?  
Married to Larry B. Sullivant.

We have one son, Burke, and are members of the First Baptist Church.

3. What is your profession or major areas of employment?  
Previously taught school: Mesquite Independent School District; Hurst-Euleus-Bedford Independent School District; Gainesville State School; Valley View Independent School District; Gainesville Independent School District.

Presently: Larry B. Sullivant, Inc.--Vice President and business manager of World Champion Classic Sale, Inc. -- secretary and treasurer -- in charge of National Advertising and Marketing.

4. What do you feel qualifies you to be a member of the Cooke County College Board of Trustees?  
I believe that because of my educational background as well as my experience in and understanding of the business field, I am qualified to hold this position.

5. What do you feel are the strongest areas of the college at this time?  
Without a previously close involvement with the college, it is

impossible to know all of the strengths. One of the strengths of the college is the Mini-Course Program provided for the benefit of the community.

6. What do you feel are the priority areas that need immediate attention at the college at this time?  
It appears that the major concern facing this board, as well as every other state agency, is a drastic cut in the state appropriations. This will, therefore, present a challenge of enhancing the quality of education as well as continuing to move forward to meet the needs of our community.

7. Within the past couple of years, there has been a difference of opinion as to whether the college should retain its intercollegiate basketball and tennis programs or eliminate them as a way of cutting the college's overall budget while retaining intra collegiate sports. What are your feelings about this and why?  
To determine whether or not to retain or not to retain or eliminate these two programs could only be done after a careful study of the costs vs. benefits of these programs. I am not familiar with the facts pertaining to these programs. To make a statement pro or con, at this point, would merely be based on speculation.

8. How do you feel you could make the greatest impact as a member of the CCC board?  
I believe an individual can have the greatest impact on the College Board by being an independent thinker, by listening to all the facts on an issue, and by making a decision based on the facts rather than based on hearsay, or any other type of special interest. All issues must be dealt with based upon the facts and within the bounds of reason, common sense and fairness.

9. What are your current affiliations?  
Currently serving as: President of the Gainesville Middle School P.T.A.; member of Advisory Council of Southwestern Baptist Seminary; member of Finance Committee of First Baptist Church; member of Xi Rho Sorority.

Paula Schmitz Lewis - Pl. 7 Candidate  
Before responding to the questions individually, Mrs. Lewis stated "While I do have a copy of the current budget and have talked with several people around town and employed by the college, I

don't feel informed enough at this time to say, 'This is right or this is wrong'. All I can say is this is my opinion or impression."

1. What is your background?  
I was born Feb. 19, 1949, in Gainesville. Shortly afterwards, we moved to Dallas. I attended St. Monica Elementary School in Dallas.

My parents are Mary and the late Pat Schmitz of Lindsay. I moved to Lindsay in 1962. I graduated from Lindsay High School in 1967, attended Cooke County Junior College on a Mary Josephine Cox scholarship and graduated in 1969 with an Associate of Arts degree.

I graduated in 1971 from NTSU with a B.S. degree in secondary education and received teaching certificates in Speech and Drama. During the next two years, I completed 39 additional hours in education, speech and drama at NTSU.

2. What is your family background?  
In July of 1973, Jerry Lewis and I were married in Lindsay. We have lived on a farm near Era since then. Jerry is Cooke County Commissioner, Precinct 3.

3. What is your profession or major areas of employment?  
From 1971-1979, I was a substitute teacher for the Gainesville Independent School District. From 1979 to the present, I have worked at Watts Bros. Pharmacy in Gainesville.

4. What do you feel qualifies you to be a member of the Cooke County College Board of Trustees?  
My qualifications to be a member of the College Board includes my education, time, interest in the college and an understanding of the budget-making process, problems of a taxing entity and problems of a taxpayer.

5. What do you feel are the strongest areas of the college at this time?  
I feel the strongest areas of the college at this time are the many excellent instructors teaching basic academic courses. A good teacher is the main factor in whether a student learns or merely takes up space. The vocational-technical courses, particularly paramedicine and nursing, make a significant contribution to our county as does the beef evaluation center.

I have participated in several continuing education courses and have found them to be enjoyable and beneficial.

# Letters to the Editor

My very dear friends,

It seems to me that I have written the above a very, very short time ago. And yet, here it comes again.

I think the very first thing I want to express is the warmest "Thank you" I can conceive, for each and every Christmas card that rejoiced my heart. These cards meet wonderful treatment from me. I align them, like soldiers on my dresser, my trunk and on a board 1'5" x 1' on my bed. Now you can imagine what patience is required to keep the arrangement of the cards beautiful from the time of their arrival until the octave of Christmas. but I feel that these messages of love deserve the best possible treatment I can give them.

And now I wish to fulfill the main purpose of this message, namely to wish each and everyone of you individually a very Happy Easter.

What memories I have of the Holy Week Services and Easter over so many decades! Why, I could write a book about them!

Cicero said that: "Old age is the crown of life." Well, I think that, considering the store of memories

an old person has amassed, are a treasure which make a man a king, and as such, rightly wears a crown. Old age is really what you make it. Very easily it could be made the "harbor of all ills" as a Greek poet called it.

Adventures I have none to tell you about this time. So I will just rake together a few things to tell you about. We planted 500 Lob Lolly pines on our grounds. I am sure they enjoyed the thunderstorms and the soaking rain they received last night (March 11th). That was their first experience in outdoor existence. You might know that we received these seedlings from the Arkansas Forest Reserve, or something like that. Mother Mary John collaborates with several of the organizations that operate to preserve nature.

It always is a great delight to me to see some visitors from Muenster. So you can imagine what an immense joy it was when last week two couples from Muenster visited namely Mr. and Mrs. Ray Voth and Mr. and Mrs. Raymond Walterscheid. I spent an hour plus of happiness and chatting with them.

On March the seventh at 12:10 a.m., Sister Angela Weber, O.S.B. died. She was the last one of the group of girls that came with me from Switzerland to Holy Angels Convent in Jonesboro in 1924. One of the dozen was sent back at once for a reason I don't remember. She was replaced by Gertrude Hofbauer, who in 1926 made with the eleven Swiss Novices her First Profession, and received the name Sister Frances - really Sr. M. Frances. Sister Canisia Senn was also in my class. So you know at least 3 members of the Profession Class of 1926 of which I am the sole survivor. Who would have thought of such a thing? Sister Canisia used to say to me in her wonderful teasing ways: "I will push your wheelchair when you are old."

It is highest time to stop. I don't want to bore you to death yet, just before Easter.

I wish you all, each one individually, a very, very "Happy Easter." May the Conqueror over death bless you always!

And, I remain forever your friend,

Sister M. Theresina, O.S.B.

## Elections

6. What do you feel are the priority areas that need immediate attention at the college at this time?

It is essential we continue to provide academic courses, vocational-technical training and services to the community at a reasonable cost.

7. Within the past couple of years, there has been a difference of opinion as to whether the college should retain its intercollegiate basketball and tennis programs or eliminate them as a way of cutting the college's overall budget while retaining intracollegiate sports. What are your feelings about this and why?

While attending the college in 1967-1969, I played intercollegiate volleyball, powderpuff football and basketball against area high schools and enjoyed watching intramural sports.

Intramural, or, as you called them, intracollegiate sports are an important extension of required physical education classes and provide needed recreation for students, especially students living in the dorms.

I question the feasibility of an estimated \$100,000 expenditure for intercollegiate basketball, tennis and volleyball when community involvement is seemingly lacking. Do the athletic achievements attained by these teams influence student

enrollment and add to the prestige and well-being of the college? Are the taxpayers willing to subsidize intercollegiate teams? This is an issue which requires study and investigation before a decision is made.

8. How do you feel you could make the greatest impact as a member of the CCC Board?

My greatest impact as a member of the CCC Board would be the time to investigate an issue, the willingness to express an opinion and the common sense to know there may be a better way than my way. The board, administration, faculty, students and citizens of Cooke County must work together to maintain and improve Cooke County College.

Alan Ritchey-Pl.7 Candidate

1. What is your background?

I was born in Haslet, Texas, graduated from high school at Bonham, Texas, in 1956, and received a degree in Agricultural Engineering from Oklahoma State University in 1960. I moved to Valley View in 1963 and at the same time married Charlene Stroup from Yuba, Oklahoma.

2. What is your family background?

Charlene and I have been members of the Valley View United Methodist Church since 1963 and donated a gift in 1975 to build a new Sanctuary and another gift in 1984 to build a fellowship hall in memory of our oldest son, David. Our other children include Linda, 21, who is married; Robby, 17; Tammy 16; Cindy 10 and Debbie 9.

3. What is your profession or major areas of employment?

I operated a cotton gin and grain elevator in Valley View from 1964 to 1978. I also contracted with the U.S. Postal Service to haul U.S. mail, Interstate, since 1964.

4. What do you feel qualifies you to be a member of the Cooke County College Board of Trustees?

I feel that my educational background plus my business and county residence experience for the last 23 years qualifies me to be a board member.

5. What do you feel are the strongest areas of the college at this time?

6. What do you feel are the priority areas that need immediate attention at the college at this time?

7. Within the past couple of years, there has been a difference of opinion as to whether the college should retain its intercollegiate basketball and tennis programs or eliminate them as a way of cutting the college's overall budget while retaining intracollegiate sports. What are your feelings about this and why?

8. How do you feel you could make the greatest impact as a member of the CCC Board?

Answer to questions five through eight: I am declining to answer questions 5 through 8 until I get better acquainted with the college.

9. What are your current affiliations?  
I am past president of Texas Star Route Carrier Association, past Secretary of Valley View School Board, and Chairman of the Finance Committee and on the Board of Directors at the Valley View United Methodist Church.

## Soccer league aided by donations

Fifty-eight youngsters were able to play soccer in the 1985 fall season. This was made possible largely by the donations of the following people: Tops & Teams, Mr. and Mrs. Rich Grewing, Flusche Enterprises, Knights of Columbus, Muenster Youth Program, Norman's Well Service, Sharon Wolf, Sister Cabrini Arami, according to word from Loretta Felderhoff. She said also that a special word of appreciation is due the coaches who gave of their time. They were J. Gaston, Chris Walter, Marsha Hofbauer, Letha Hillard, Shirley Knabe, Pam Felderhoff, Roberta Walterscheid and Janice Bayer for her help.

# Red River Farm Co-op hears TPA executive

Hearing the Good news that the Red River Farm Co-op is now 100 percent owned by its members was a special treat for the more than 260 directors, members and guests who gathered for the annual dinner meeting on March 20 in the Knights of Columbus Hall in Gainesville.

The goal of total ownership was announced by Charles Whittington, Jr., manager for the past ten years, who took management in 1978 when Co-op members owned only 10 percent. In his financial report following dinner, Whittington urged members to remain loyal to the Co-op and continue using it, because "we're getting better and better." The Red River Farm Co-op has been in existence for 21 consecutive years. Whittington reported that 1985 was a very good year, even after consideration of adverse weather and depressed economic conditions. He added that although

sales were lower than in 1984, local savings were greater. And being able to "pay off the bank" was the result of years of hard

work and planning.

Following his financial report, Whittington introduced the guest speaker, Martin Burrell, Supervisor of District 8, Texas Department of Agriculture. He gave an "Overview of Texas Agriculture Economy."

Highlights of his speech included references to delinquent loans owed to Farmers Home Administration by 43 percent of Texas farmers, and Burrell said that the Texas Department of Agriculture has initiated three areas to focus on, as a means to make improved agriculture a major solution for Texas economy in the future. These, Burrell said are 1) direct sales of farm commodities to local, nationwide and international markets, 2) diversification of agricultural production into high-value cash crops that use natural resources and 3) construction of processing facilities to help Texans retain a

larger share of the food and fiber industry. Texas is the second largest grower of food in the nation, but processes only six percent of its products now.

Burrell said that these three points apply, whether the crops are jalapeno peppers, Christmas trees, pinto beans, crawfish, flour mills, rice, potatoes, blueberries, grapes, cucumbers, onions, beef, poultry, or whatever... the key to enormously increased profits is "Processing!"

Locally, members also enjoyed his reference to a flour mill at Dawn, Texas and Fischer's Meat Market in Muenster, a "Taste-of-Texas" company.

Burrell also emphasized that the planned processing and marketing facilities to be assisted by TPA will generate first-year sales of \$260 million, at the grass-roots level. "That's not trickle-down economics, but percolate-up economics creating genuine wealth

at a local level ... The Texas Department of Agriculture is working to bring back and then hold on to the glory days of Texas Agriculture."

During the business meeting that preceded the program, addressing the group briefly were Gene Deckard, president, Mike Fuhrmann, vice president, Ed Schad, Secretary/Treasurer, and Leonard Bayer, Kenneth Hoedebeck, Jack House, Kenneth Hutson, Peter Prescher, and

Clyde Yeatts, all directors. Re-elected three year directors were Bayer, House and Prescher.

Charles Whittington was presented a plaque-clock, cited for achieving third in the top five sales of fertilizer accounts in the state of Texas.

Winners of door prizes were Barbara Pybas, B.J. Scoggins, W.D. Hodgkinson, Luella Blakely, Dianne Hermes, Wilfred Reiter, Rose Zwinggi and Lorene Sandmann.

## Competition for \$20,000 gets tougher

The competition for the \$20,000 first prize in the Keep Texas Beautiful Contest is growing stronger as the deadline for entries draws to a close Easter Sunday. As of Monday, March 24, there have been 54 other Texas towns with 2,500 or less residents sign up to compete against Muenster.

The competition in all categories is growing rapidly, according to Norma Silva, with the Keep Texas Beautiful in Austin. The \$700,000 prize contest has prompted large turnouts from many cities and towns across Texas, and in Denison over 500 people turned out to pick up the trash voluntarily last Sunday. With one giant push the workers picked up from Denison to the Texas border along Highway 75.

Muenster has its hands full, for of the 54 towns competing against Muenster, about 6 have the potential to "knock our socks off" as one local resident commented as she looked over the list from the state. "But our most threatening obstacle comes from right here within our town, public apathy and lack of involvement," she continued.

The last month of April is critical. Muenster will be judged on several important fronts. First, the CLEANUP campaigns will be judged on how much support was generated from local businesses, local government, and community

civic organizations. Picking up the litter is important, but most critical in this area is what is done to "dry-up" litter from 6 sources. Number one is from motorists who randomly discard empties and fast food wrappers. In this area (and prime offenders) are pickup truck drivers who place trash in the bed only to have it blow out. Number 2 is from homes, where residents over-stuff or do not roll tops of the trash bags tightly to prevent dogs or high winds from spreading the contents.

Number 3 pertains to both businesses and individuals who haul trash to the dumps without tarping the load as state law requires. Other areas are: pedestrians, construction sites, and businesses who do not have a place to secure packing or boxes. These areas are of prime concern because if the litter is not stopped it will be back before the judges arrive to review our success.

In the area of Public Awareness Muenster is probably ahead of most of our competition. Through the Enterprise, the pickup crews who have helped, and the school leaders, Clean Sweep has reached most of the local residents. The film, "A Litter Message" has been shown at both schools and at many local club meetings. Some Eagle Scout hopefuls are attempting other

public awareness ideas on their own towards a merit badge. Much more is needed, however, in the area of simply sign painting, trash barrel painting, handing out of litter bags, etc. If any group is interested, please call Maudine Griffin at 759-2227 for a list of projects which need support.

In the section regarding Law Enforcement, Muenster will be judged on the action taken to stop offenders from littering. Of prime importance is passage of a litter ordinance which is separate from the solid waste and high weed ordinance most towns already have on the books. Along with passage of a litter ordinance the state hopes towns and cities bring up the local fine structure to meet the current \$200 to \$1,000 fines now effective at the state level. The

judges will be looking at the cooperation and effectiveness of the local government agencies, police and public support of such actions. A group of local citizens will approach the council with suggestions on how the goal of being "litter free" can be reached in Muenster.

Of the 54 towns which are competing against Muenster in the contest, the following is a partial list in order of size: Yorktown(2498), Ferris (2228), Mason (2153), Eldorado (2061), Rosebud(2026), Mt. Vernon(2025), Goliad(1990), Whitewright(1760), Calvert(1732), Franklin(1349), Elkhart (1317), Eden(1294), Gorman(1258), Blanco (1179), Aubrey (948) and others, Chico, Angus, Bertram, Emory, Frost, Groom and Richland.

## Kiwanis Club receives 13 tons garden products

The Muenster Kiwanis Club received the first shipment of garden products from HYPONEX, INC. at noon on Monday. The shipment, weighing in at over 26,600 lbs., including potting soil, peat moss, bark mulch, bark nuggets, and decorative river pebbles. The material was provided as a regional prize award in the Family Circle Magazine contest, "Make America Beautiful". Hyponex and Bedding Plants, Inc. were sponsors. The Kiwanis Club will use part of the bark mulch at Kiwanis Park on Main Street, the park which won the regional competition.

"With over 426 bags of bark material we can spread our prize a long way", said one member, "but we are considering offering the mulch to any civic organization which undertakes a beautification project." If your club or organization is interested in sprucing up a part of a park, a spot in town which is an eyesore, or even private property which will be for the public benefit, please contact Maudine Griffin at 759-2227.

Bedding Plants, Inc. has shipped 14 flats of Petunias, Pansies,

and other bedding plants as part of the prize. The second shipment will be Vinca which can survive the long hot summers of our area. Part of the bark and peat will be used to enhance a new bed being constructed on Hwy. 82 in front of the AMPI lot as part of the contest "Keep Texas Beautiful" promoted by Operation: Clean Sweep. Other beds are being designed as well as other improvements on the lot. Groups and organizations are encouraged to pick a portion of the lot for their improvement.

Unloading a wealth of landscaping supplies. These materials will be available to enhance the beauty and quality of local landscapes.

## Wimmer is honor grad

BRADLEY WIMMER

Bradley Wimmer of Lindsay graduated with honors in commencement exercises at DeVry Institute of Technology in Irving on Feb. 21, 1986.

He received his diploma in the Digital Electronics Technician program, and was named to the President's Honor Society, earning a cumulative grade point average of 3.83, in a possible 4.0 g.p.a.

Brad is a 1982 graduate of Lindsay High School and is currently employed with Peterbilt Motors in Denton. He is the son of Tim and Eunice Wimmer of Lindsay and the grandson of Joe and Marie Knauf and Lawrence and Irene Wimmer, all of Muenster.

## Five babies honored at Beta Kappa shower

A Baby Shower Brunch brought the Beta Kappa of Muenster, chapter of Epsilon Sigma Alpha, together once more before the end of their year. The casual brunch was Saturday morning March 22, at the home of Marcy Wilde. Honorees were Jana Stoffels and daughter Lauren, Rose Henscheid and son Darell, Lynn Dangelmayr and son Joseph, Debbie Hess and son Noah, and Sydney Porter and her daughter Alexandria. Each baby received one of the Bunnykins collection of plate, saucer,

and cup from the sorority, along with various gifts from other members.

During the party, Educational Director Jeanne Greathouse gave an excellent educational program. It summed up the year of programs about famous women, during which the theme was "Lives given in service, and what they mean to us."

Next, hostess Marcy Wilde served the brunch to her guests, while pictures were taken of the babies and their mothers.

After the party, the club joined in the "Clean Sweep of Texas" program by picking up trash on East Highway 82.

### News of the Sick

You don't have to search for Xerox products... or Xerox supplies, any more. Your fingers don't have to stroll through a phone book. Just come in and we'll demonstrate the newest machines for 1986. Like these...

### Xerox 6015 Memorywriter

The 6015 has a 15 character display that lets you see what you've typed and catch errors before they appear on paper.

It also lets you correct an entire previous line... up to 250 characters automatically without any manual changing.

A new option on the 6015 checks your documents against a 50,000 word dictionary, and lets you create an additional 500 custom-word dictionary.

Plus, the 6015 gives you all the standard features that have made Memorywriter the number one electronic typewriter brand in America.

## We'd like to get to know you.

## Sandra Yarbrough, 47, dies from injuries received

Sandra Yarbrough, 47, of Era, died in Harris Hospital in Fort Worth, on Thursday, March 20, where she was hospitalized following an auto accident at Cooke County Fair Grounds ten days earlier.

Funeral services were held Saturday afternoon March 22 in the Era Baptist Church, officiated by Rev. Rodney Bolejack, Dr. Harry Roark, and Rev. Ken Frasher; and interment was in Era Cemetery.

Sandra Yarbrough was the wife of Parker Yarbrough and the mother of two sons, Trey and Joe Yarbrough and one daughter, Kelly Yarbrough, all of the home. Also surviving are her parents, Lt. Col. and Mrs. V.K. Barris of Macon, Georgia and one sister, Vicki Jones of Jonesboro, Ga.

She was born in New York on July 26, 1938. She married Parker Yarbrough of Era and was an active member of the Era Baptist Church, serving as a Sunday School teacher, pianist and director of the Children's Choir.

She was a prominent leader in the Texas Young Homemakers

Organization and helped organize the chapter in Era, serving as a local officer and was also State President of YHT. Sandy Yarbrough was also active in 4-H Club leadership in local, county, state, national and international levels.

She was a current member of the Era School Board and was chairman of special events for Cooke County's Sesquicentennial observances. She was co-owner of "Wall Flowers" at 315 W. Main in Gainesville.

A graduate of Oklahoma State University, a member of Chi Omega Sorority, she also taught school in San Angelo and Oklahoma City for three years.

The family has announced that memorials may be made to the Sandy Yarbrough 4-H Scholarship Fund, in care of Cooke County Extension Office, Cooke County Court House, Gainesville, Texas.

Pallbearers at the funeral Saturday were Harvey Wilson, Albert Zimmerer, W.B. Hudspeth, Harold Brown, Tim Bullard, Dennis Cloud, Dale Smiley and Jack Clark.

## Soccer league needs coaches

The Muenster Soccer League needs more coaches. That's the word from sponsors. There were 58 youngsters who played in the fall season. This year more than 100 have signed up to play in the spring session.

But play will not be possible if there are not enough coaches to help. No previous knowledge is required... only a desire to learn something new and a little time, to help kids enjoy a sport new to some of them.

Persons willing to help may contact Loretta Felderhoff, 759-4918, daytimes.

### Teens sought for convention

Mrs. Debbie Hess of Muenster, Cooke County Chairman for the 1986 Republican Party, is now taking applications for teenagers interested in attending, at their own expense, the 1986 Republican State Convention. The convention will be held on June 27 and 28 in Dallas. Ages 13-18 will need to call or contact Debbie Hess before April 18 for applications.

### New Arrivals

Pat and Ruth Klement announce the birth of a son, Frank Joseph, in Muenster Memorial Hospital on Tuesday, March 18, 1986 at 8 a.m., weighing 7 lb. 3 oz. He is a brother for Renee, Darren, John and Crystal. Their grandparents are Mr. and Mrs. Tony Klement of Muenster and Mrs. Helen Yosten of Sulphur Springs and the late Larry Yosten.

### Edna Hogan honored on 97th

Mrs. Richard Cain and Mrs. Rita Richey hosted a family get-together on March 18 honoring their mother and grandmother, Mrs. Edna Hogan of St. Richard's Villa for her 97th birthday.

Together were five generations: Mrs. Hogan at the Villa, her daughter Mrs. Richard Cain, granddaughter Rita Richey, great-granddaughter Robyn Walterscheid and great-great-granddaughters Dee Dee and Alisha Marie Walterscheid.

Also attending were Mr. and Mrs. Frank Hogan and Mrs. Tommie Hogan of Saint Jo and other family members of the home.

Mrs. Edna Hogan shared her

birthday cake with other residents of the villa.

A tray was carried to the Villa with her favorite menu "chicken and dumplings", with all the trimmings. Gifts were presented and visiting was enjoyed.

Mrs. Edna Hogan has one living sister, Lucy Hunter of Lawton, Okla. who is 93 years of age, but she was unable to attend. Mrs. Hogan enjoys visits regularly from children, grandchildren, great-grandchildren and great-great-grandchildren, also nieces and nephews who come from a distance to visit on the traditional Labor Day Sunday annual Hogan Reunion.

## CHURCH HONORS ANDERSON PAUL SUTTON

It was Anderson Paul Sutton Day at the Church of Nazarene in Prairie Point Sunday, March 23.

Special services were held in memory of the late Anderson Paul Sutton, long time member of the Church of Nazarene. A Bronze Memorial Roll of names of thousands of late members of the Church is on display in the International Headquarters of the Church of Nazarene in Kansas City, Missouri, where Mr. Sutton's name will now appear on the roll. A memorial Print Roll Certificate of the late Anderson Paul Sutton was presented by the pastor Rev. Marshall Stewart to Mrs. Sutton and her family. The money helps retired Missionaries by establishing home etc. Members of Mr. Sutton's family attending the special services were Mrs. Sutton, Ross and Brenda Sutton and Jalise, Darren and Charlin all of Arlington, Darell and Joy Sutton, Cody and Julie of Gainesville, Mrs. Juanita Cote, Travis and Sue Sutton and Mrs. Paula Kerr. Sunday evening after church Mrs. Sutton and Mrs. Cote received phone calls from daughters Callie in Realto, Calif., and Ruth in Elk City, Ok.

Mrs. Lillian Dale and her granddaughter Mrs. Connie Hirsch spent Wednesday in Gainesville and had lunch at McDonald's.

Mr. and Mrs. Robert Grant Dale and family returned to their home in San Antonio Thursday. In the evening Bob Dale treated Mrs. Lillian Dale and Mrs. Connie Hirsch to dinner at Western Sizzlin' Steak House in Gainesville.

Brad Hutson and Kenda spent the weekend with Mr. and Mrs. Kenneth Hutson.

Mr. and Mrs. W.E. Ewing spent the weekend in Farmers Branch. Mrs. Lyndel Richardson attended a surprise birthday celebration in Sherman for her sister-in-law Mrs. Lula Penton for her 70th birthday. There was dinner with a beautifully decorated birthday cake and gifts for the honoree. Mrs. Penton was pleasantly surprised by her children Vick Jr. and Lou Ellen Womac who planned the affair. Others from this area attending were Mr. and Mrs. Dan Richardson and Mr. and Mrs. H.L. Settle and Mrs. Mary Settle of Gainesville.

Mrs. Estelle Kelley had as her guests during the weekend Mr. and Mrs. Jerry Kelley, Mr. and Mrs. Don Kelsey and J.T. of Sanger, and Willis Kelley of Gainesville.

J.C. Maughan of New Deal visited his mother Mrs. Mae Maughan and other relatives.

Mr. and Mrs. Jerry Kelley and family attended the funeral of Mrs. Sandra Yarbrough in Era Saturday afternoon.

Ann and Demps Knight of Era treated Mr. and Mrs. W.B. English to dinner Sunday at the Center in Muenster, honoring their 38th wedding anniversary. Others attending were Kevin, Karen and

Keith Knight of Era and W.C. English.

Bob Dale who has been visiting his mother Mrs. Lillian Dale left Friday from DFW to return to his home in Long Beach, Calif.

Mrs. Lyndel Richardson accompanied Mrs. Louise Shults of Forestburg to Denton Wednesday afternoon where they visited Mrs. Kathryn Penton and Clyde Jenkins.

Miss Lois Bewley, Clyde and Lonnie had as their guests Mrs. Bertha Bewley of Muenster, Mrs. Odell Chenault of Paducah and Mrs. Caroll Sue Greear of Fort Worth Tuesday afternoon.

Mrs. Delia Morgan of Dallas spent Wednesday night with Mrs. Lyndel Richardson.

Mrs. Mozell Hutson visited her parents Mr. and Mrs. Alton Gaston in Nocona and Mrs. Essie Agee in Saint Jo Sunday afternoon.

Those from this area attending the funeral of Mrs. Mary Griffin in Saint Jo were Mr. and Mrs. C.W. Martin, Mrs. Oma Hartz, Mrs. Jimmy Britain and Ruth Smith.

Mr. and Mrs. Jack Berry had as their guests Tuesday to Thursday, Mrs. Myrl Gorey, Margie and Kara of Lubbock. Other guests of the Berrys were Casey McKown and Kristin and Kimberly McKown of Valley View. Dr. and Mrs. Jerry McKown and Robert Fletcher of Dallas.

Guests of Mrs. Vena Settle during the weekend were Stewart and Christine Hughes and Jim Christian. Work has also started on the guest house for the Haines at the Vena Settle place.

Mr. and Mrs. C.W. Martin had as their guests during the weekend Ricky Ramsey and son and a friend from Gainesville, Mr. and Mrs. Wylie Edwards and Lisa, Mrs. Mary Greenfield and Ashley all of Alford.

Mr. and Mrs. Marvin Mabery were in Denton Wednesday. Della had minor foot surgery.

Mr. and Mrs. Raymond Kelley of Irving moved their camper to Mrs. Estelle Kelley's Saturday for a vacation of visiting and fishing. Saturday evening the Raymond Kelleys, Mr. and Mrs. T.J. Amis and Mr. and Mrs. Lanny Kelley, and Raetta of Era had dinner with Mrs. Kelley.

Mr. and Mrs. C.W. Martin visited Mr. and Mrs. Walter Cravens in Gainesville Friday.

Mrs. Evelyn Brown of Leo and Mrs. Oma Wakeman of Forestburg went to Alford Monday to visit Frank Hancock.

Mary Griffin, 88, died on March 18 at 6 p.m. at St. Richard's Villa. Funeral services were held Thursday, March 20 at 2 p.m. at McCoy Funeral Home in Saint Jo. Officiating were C.E. Cole and Rev. Wesley Johnson. Interment was in Hardy Cemetery directed by McCoy Funeral Home. Mrs. Griffin's husband, Allie, preceded her in death several years ago. She was born and raised in the Hardy area and lived in the Freemound Community. Survivors include two sisters, Mrs. Edna Williams of Saint Jo and Esther Janeway of Tyler, and several nieces and nephews.

# 'Landmark' falls to clean-up

by Janie Hartman.

Recently, a part of Muenster history was removed from Main Street as the old building commonly called "The Old Pool Hall" was torn down and the location cleared.

The building, is believed to have been built in the 1880s by an elder of the Richter family. During the early years it was a saloon, first run by Al and Henry Richter. Matt Muller bought the saloon from the Richters when they decided to move to Fort Worth and open a saloon there. Frank Gottlob managed the saloon while living in a corner room of the building. After marrying Eva Muller, Matt's daughter, he became owner of the saloon and also owned the Gottlob Saloon in Myra. With the coming of Prohibition, the government closed all saloons.

Saloon evidence, old and new, was under the floor boards.

Around 1918-1919 the building housed one of the early entertainment spots in Muenster called "The Zoo Zoo". Operated by a young Joe Trachta, it was open at times for use as a skating rink. Several times a week and on Sunday evenings it was used to show silent motion pictures. A player piano furnished the music and provided atmosphere. Mr. Trachta also used the building for dances.

Due to complaints by the local "Moral Majority" over the "sinfulness" of modern entertainment, Joe Trachta closed the theater after several years and donated the projection equipment to the Sacred Heart Parish. Father Frowin then installed it in the parish hall and showed mostly the same type of films and encouraged parishioners to attend with the proceeds going for a "good cause".

The building then became home to a drug store owned by John Fisch. Dr. Dudley came to Muenster from Marysville and occupied a corner of the building as his office for a year or more before moving his practice across the street, where Fischer's Market now stands, until about 1930-31.

In the early 1920s Henry Walterscheid moved from San Antonio and bought the drug store from Mr. Fisch and opened the Muenster Drug Store. He later sold the business to Joe Trachta, who re-named it, and after several years moved the Palace Drug Store to the location presently housing Tops & Teams.

Sometime before WW II until the 1970s, the building has been

known as the "Pool Hall", and was managed by many persons throughout the years.

During more recent years Fischer's Market used the building for storage during remodeling of their store, and Herbie Knabe stored tires in the un-occupied building until this year. The building, having fallen victim to old age and dis-repair, was condemned by the City of Muenster as a fire hazard and was torn down by its present owner, John Virgil Walter of Dallas.

One of the most delightful stories concerning the building was told by T. Miller as follows:

The chimney was on the west end of the building, the stove in the front (east end), had an exposed stove pipe running the length of the building. One Sunday afternoon, several men were in the saloon secretly drinking, instead of attending church services, when lightning from a thunderstorm struck the chimney, knocking down the smutt-filled pipe. The men, covered with smutt, came running out of the saloon. Several boys playing outside, were amazed to see "black" men coming out of the Muenster Saloon.

Special thanks are due to T. Miller, Herbert Meurer and Joe Knauf for sharing their memories with us.

This old building was not venerated as a landmark, just neglected and finally razed as an eyesore. However, few other Muenster structures have seen as much history pass, either outside, or inside its doors.

Below: Mark Moster and Donnie Fleitman dismantled the frame structure and salvaged much old wood before Bernard Hesse finished the job and cleared the site.

## Special Olympics April 26

The Special Olympics will be held in Fort Worth on April 26.

Mrs. Joaline Henscheid is accepting donations from individuals and businesses to assist some of the boys and girls who are in need of running shoes. All the children will need uniforms, that is, shorts, tops and socks. However, the greatest need is for shoes.

Mrs. Henscheid will begin her rounds Monday. Those persons who are not contacted may mail checks, which should be written to the Cooke County Special Olympics Fund. The mailing address is Cooke County Development Center, 705 Muller Street, Gainesville, Texas 76240. Mrs. Henscheid emphasized that all money collected will be used for Cooke County children, only.

## Sacred Heart competitive in Hornet Relays

The Sacred Heart Tigers and Tigerettes continued their effort to improve each week and to prepare for their District Meet April 12. "We had some outstanding individual performances," said Coach Schilling. "Doug Aston cleared 6'5" in the high jump for a new school record and Molly Koelzer clocked a 12.88 for a school record in the 100 meters."

Another first place finisher for the Tigerettes was Kerry Haverkamp. "Kerry has overcome her initial problems and hopefully will continue to improve. With more experience in the shot and discus, time will allow for more consistent perfor-

mances. Overall I was quite pleased with her performance in the shot," said Coach Bartush.

Others scoring points for the Tigers were Scott Taylor 3rd in the 200 meter run, Wayne Becker 3rd in the 800 run and 6th in the 400 meter run. Doug Aston claimed 2nd in the pole vault and Darrell Dangelmayr scored a 5th place finish in the 1600 meter run.

For the Tigerettes Molly Koelzer jumped to a 3rd place finish in the long jump and Bev Haverkamp scored a 6th in the 800 meter run. SH milers Michelle Walter, Sharon Henscheid, and Sally Stoffels finished 3rd, 4th and 6th respectively. The 1600 meter

relay team comprised of Bev Haverkamp, Vicki Schmitt, Michelle Walter and Molly Koelzer brought home the bronze. SH results:

# Forestburg News

by Myrt Denham

The WBAP Homemakers' Community Service Club met at 7 p.m. Thursday March 20 in the New Community Center. It was decided to have a pot-luck supper Saturday, April 12 at 7 p.m. in the New Community Center. Everyone is invited and urged to attend - just bring a covered dish and join the fun and enjoy the food. There will be a "Loving Offering Box" if you wish to make a donation to be used to help defray some of the bills owed plus finish up the building.

I have been asked to remind everyone that the New Community Center DOES NOT belong to any group or person - it belongs to EVERYONE in the Community. That does mean YOU! So let us all do everything we can to support it.

The Forestburg United Methodist Church had its monthly fellowship supper and official board meeting Wed. nite March 19. As per usual there was a lot of good fellowship and much good food. After the supper the business of the church was taken up.

Leave us ALL remember that the next "Over Forty" Social will be Saturday, April 5 from 7 p.m. to 11 p.m. in the New Community Center. Everyone forty and over is invited, so make your plans to attend and bring your 40 and over friends with you. See you there.

Saturday, April 5 is also the date for the School Board Election. You are urged to go vote. The "doors" open at 7 a.m. and close at 7 p.m. Again - please make every effort to vote.

The Forestburg Community men's basketball team won 2nd place at the Forestburg Tournament Saturday night March 22. Please remember - these are MEN and not students presently atten-

ding our local school.

Forestburg women's volleyball team will be participating in the Prairie Valley Tournament which starts Thurs. March 27 and goes thru Sat. the 29.

Our New Community Bldg. has itself a nice new porch. It was "run" on Sat. March 22 with the work being done by Gary Johnson, Larry Eldridge and Larry Dill.

Descendants of Eli and Mary Steadham are having their family reunion Sunday March 30 in the New Community Center. Veda Brogdon says that anyone wishing to stop by to visit with the family is more than welcome to do so.

The Forestburg Community's sincere and heartfelt sympathy goes out to Merle and Clifford Hudspeth and to the Willie Orrell family. Merle and Clifford's grandson "Kip" Wood of Wichita Falls died in a Wichita Falls Hospital Thurs., March 20. "Kip" was the son of Raymond and Carolyn (Hudspeth) Wood.

Willie Orrell passed away in Westgate Hospital in Denton on Friday, March 21. Funeral services were held Sunday March 23 at 2 p.m. in the Forestburg Church of Christ with C.E. Cole and R.L. Halford officiating. Interment was in the Perryman cemetery under the direction of McCoy Funeral Home, Saint Jo. Willie is survived by four children: Mrs. Norman Morby of Quannah, Lowell "Buster" Orrell of Seattle, Washington, Leo Orrell of Forestburg and Jerry Orrell of Denton plus 12 grandchildren, several great-children and a host of other relatives and friends. With Willie's passing our community has lost another one of its "Old-Timers."

Starr Mann returned home from Bethania Hospital on Thurs. March 20. His son, "Spike" reports that his dad is doing fairly well.

Cleo Lanier returned home Sat. March 22 after spending several days in teh Bowie Memorial Hospital. Welcome home Cleo - we all hope that you are on the road to complete recovery now.

Mrs. Elva Carter has taken a turn for the worse thus is seriously ill and is still a patient in Gainesville Memorial Hospital.

Mrs. Dorothy Foster received word Friday March 21 that her sister, Mrs. Lizie Bell Dodson of Fort Worth, had fallen and broken her hip. Mrs. Dodson underwent surgery on Sat. at Saint Joseph Hospital where she is a patient. Dorothy and her "sidekick" Cecil drove down Mon. to visit with Mrs. Dodson.

Word was received in Forestburg Sunday a.m. March 23 that Mrs. Decie Ellzey had fallen and was taken to Scott-White Hospital in Temple. Decie resides in Temple with her daughter - Mrs. Caronell Wright. Decie suffered her fall Sat. p.m. the 22nd.

Mrs. D.D. Echols of Mallard is a patient in Muenster Memorial Hospital at this writing.

Mrs. Bessie Greenwood, Bellmire Home in Bowie, is very ill so we were told Monday nite.

Mr. and Mrs. John D. Sledge of Cleburne are the proud parents of a baby boy. The young gent weighed in at 8 lbs. and was named John Garrett. The big event took place Sunday, March 23 at 10 p.m. His grandparents are Jane and Durwood Sledge of Cleburne and Mrs. Ruth Sledge of Alvord. Great-grandparents are Barney and Veda Brogdon of the Burg.

Things have been sorta peaceful with Laura Belle and Ted Jackson this past week. The S.T. Warfords of Slidell called on them Tuesday and "Tip" Reynolds of Hurst dropped by for a chat Sat. p.m.

Mrs. Mary Roller of Grapevine drove up to the Burg Thursday to visit with Mr. and Mrs. W.T. Reynolds. She accompanied them to Wichita Falls and then spent Thurs. nite with them before returning home on Fri.

Jason Brogdon of Gainesville spent Thurs. nite and Fri. nite of last week with Mr. and Mrs. Larry Scott and Jennifer. Mrs. Scott is Jason's Aunt.

Visitors with Barney and Veda Brogdon this past week were: Mr. and Mrs. B.L. Harvill of Gainesville. B.L. is Veda's nephew. Marjorie Long of Dallas, Jason Brogdon of Gainesville and Jennifer Scott of the Burg spent Sat. nite with them. Then Sunday afternoon "Queen" and Ozzie Barnett of Alvord paid them a visit.

Mrs. Shirley Harvill of Vernon spent Thurs. and Friday of last week in her home here in the Burg. She was here on business but did get in some visiting.

Mr. and Mrs. Weldon Penton of Gainesville were visitors with Mrs. Louise Shults on Sunday p.m.

Dude Berry drove over Dye Mound way Sunday afternoon to visit with Wayne Thompson. Gaylon and Karol Thompson of Fort Worth were visitors with H.D. and Jo Cook on Thurs. Jo is Gaylon's Aunt. On Sat. p.m. H.D. and Jo made it over to Saint Jo to visit her aunt Edna Williams. Tom and Billie Harville of Whitesboro paid H.D. and Jo a visit on Sun. Jo and Billie are cousins.

Buford and Hazel Greenwood drove over to Gainesville Sat. nite to join up with their daughter and family, John and Nancy Dunn and children-then all attended the Roy Clark Musical show.

Mrs. Dorothy Hunt and Mr. and Mrs. Woodrow Wallace motored to Tioga to spend the past weekend with Mr. and Mrs. Bernel Moore.

Miss Jackie Farrell, daughter of the Don Farrells, is home on her spring break from her studies at Kilgore College.

Mrs. Maxine Pomeroy has purchased the late Charlie and Hattie Moore home and got moved in this past weekend. She had been living in Salt Lake City, Utah. Maxine is the daughter of the late Frank Scott and a sister to

Dolly Orrell.

Mr. and Mrs. Jack C. Dill, Mr. and Mrs. Louis Eldridge and Mrs. Clarice Merritt all attended a 3 p.m. organ concert Sunday in the First Baptist Church, Gainesville. The concert was presented by Dr. Joyce Jones of Baylor University in Waco.

W.T. Reynolds had himself a run-in with a horse on Sat. and the horse won. W.T. had taken the horse to Montague for a manicure job. During the procedure W.T. was holding the horse by a lead rope when horse spied another horse and decided to join it. Well, W.T. was in between - so he got himself knocked down and roughed up some, however, he is still able to move around. When J.T. Willis' granddaughter, Erica Cain, visited W.T. Sunday p.m., her parting words to him were, "You best stay away from these horses." Guess she has a point there.

Perryman Denham made a business trip to Sheppard A.F.B. on Mon. On the way home he stopped over in Bowie to visit with his mother Mrs. Joe Denham. Joe has been feeling sorta poorly here lately.

I leave you this week with the following poem which I found in some Unity Literature. It was written by Connie Young and I quote:

Pardon  
I got so wrapped up in being me  
I forgot there was a you.  
Please forgive what you see in me  
and pardon what I do.  
If you remember and can't forget,  
My life will be the same.  
But, if I remember and you forget  
Then "friend" must be your name.

Pastures grazed short last season need to be fertilized early this spring for rapid recovery.

Pasture fertilization this spring also can help provide additional grass for harvesting hay. Spring rains generally provide 65 percent of the total seasonal growth during the first two months. If rainfall is adequate this spring, excess forage can be harvested as a hay crop.

Pasture fertilization is most efficient and effective when based on a soil test, and producers still have time to get soil tested before fertilizer is needed. Although nitrogen is needed in large amounts, other nutrients such as phosphorus, potassium and secondary nutrients may be needed to expedite regrowth and develop a good root system before summer dry weather sets in.

Most permanent pastures can use greater amounts of fertilizer than have been applied in recent years, and fertilizer prices are more favorable this year than in past years.

Some of the benefits of nitrogen include the addition of tonnage in improved forages. These improved forage grasses would include Coastal Bermuda, Klein and

Lovegrass. As a general rule, for each additional 50 pounds of actual nitrogen applied per acre, you should realize an additional ton of forage.

Nitrogen also increases protein content of forages. This will even work on the cool season annual grasses such as cheat. And, the additional of nitrogen fertilizer will help in water conservation. In years of low rainfall, production stays up with the addition of nitrogen fertilizer. Plants tend to use less water if they have been fertilized.

Most soil tests indicate that the heavier clay soils have ample potash. This would tell us that we can get by in many instances with just an application of nitrogen. Coastal bermuda responds to higher nutrient levels than producers will usually apply. In our rainfall area, we can generally produce four tons of forage and should base our fertilizer recommendations on the production that we can achieve.

Fertilization is important for pasture growth, drought tolerance and quality and should be combined with other management practices such as weed control and

efficient use in a total forage production program.
