Mr. and Mrs. Arthur Williams honored

K of C's present Good Neighbor award

Arthur and Florence Williams are the honorees of this year's Good Neighbor award by Muenster Knights of Columbus. The presentation was made Sunday, Oct. 13 following the 9 a.m. Mass in Sacred Heart Church by Robert Knauf, grand knight of the council.

In his presentation Knauf pointed out that good neighbors are helpful and cooperative people

Many comments in the community during the past week indicate that people emphatically resent the prominent headlines on last Friday's Gainesville Daily Register stating "Muenster man sentenced to life for infant's death".

The item refers to a person identified as Todd Anthony Huddleston, charged with beating his three-month-old stepdaughter, Ashli Dawn Huddleston on December 1984.

Long time residents said they had never heard of the fellow until his name came up in the trial, and they certainly had no idea that he was a "Muenster Man". And they were definitely miffed at being told in bold print that he is one of them. It's easy to understand that they dislike being identified with his kind.

As a matter of fairness, some have wondered what kind of regrettable boner connected the man with Muenster. A guess is that at one time he had mail sent in care of a relative or someone else with a Muenster address. Though remote, it could be a way of associating him with Muenster. Perhaps it happened. More likely not.

Everything considered it is more probable that the convicted criminal is not a Muenster man and should not have been identified as one. On the other hand, to give the narrator of the story the benefit of a doubt, let's assume that the identification is correct, that he knew something these many Muenster people do not know. Even then, it is improper to state the reference in print three times, maybe more. It was first mentioned at the start of the trial, then at least another time before the extra bold display on sentencing.

Use of that name in that connection, whether true or false, that is, identifying Muenster with that kind of character, is degrading to say the least. And to keep repeating it becomes insulting.

No matter how one looks at it, this is an unfortunate or irresponsible boner. Muenster has a right to take offense.

Unfortunately, this is not a rare incident. It happens with monotonous regularity, often spreading false or embarrassing reports harmful to one's good name. It's well known that the ill effects of a damaging statement are never completely undone.

A tragedy in becoming important public figures is that so many reporters are always eager to get them in the news. Sometimes they have facts, sometimes just rumor, sometimes with a motive of good will, sometimes malice. Understandably, many good names are blemished by the unfavorable statements...like communities can be offended by being unnecessarily associated with undesirable.

The public has reason to be concerned about the material that reaches the media. It's important to be cautious about possible ill effect on local, state, national and international levels. There would be more harmony all the way if the ugly stuff could be avoided.

doing their part to be community assets and applying a spirit of good will to their daily living. The award is a part of local KC tradition having been given for many years to members of other creeds in the ecumenical spirit of harmony among the faiths.

Speaking for the couple Mrs. Williams said they were very proud of the honor and that after being residents 23 years they intend to make Muenster their home in retirement.

The Williams are natives of Kansas. They were married in 1937, lived in Kansas and Oklahoma before coming to Muenster in 1962. There and here he has been an oil lease pumper. Since coming to Muenster she worked at Muenster Memorial Hospital and Jr. Elite and atten-

ded CCC and TWU receiving a BS degree in elementary education. Since then she taught at Prairie Valley one year and now is in her 13th year at Muenster ISD.

They have three children, a daughter Janet in Kansas, and sons, Gary in Kansas and Randy of Muenster, also four grandchildren, one great-grandchild, one step-grandchild and one step great-grandchild. They are members of the United Methodist Church of Saint Jo. Also, she has been active in church work and vacation church work and serves as church organist.

Basics of their philosophy are belief in God; belief that every person is worthy of treatment with dignity and respect; and belief that an employer is entitled to the best efforts of his employees.

Arthur Williams has been selected by Muenster Knights of Columbus as their Good Neighbor of 1985. Bob Knauf made the presentation Sunday to Arthur and his wife, Florence, at the 9 a.m. Mass in

Sacred Heart Church. A breakfast and reception followed in the K of C Hall.

Sandra Walterscheid is queen

Homecoming Week at Sacred Heart High School was highlighted by the coronation of Homecoming Queen Sandra Walterscheid, daughter of Norbert and Mary Ann Walterscheid. Ceremonies were held at halftime of the game between the Tigers and Bishop Lynch JV, won by the home team 43 - 6 on Saturday night.

Preceding the game, members of the Queen's Court were escorted by their fathers in an entrance to the event. They included seniors Lydia Walterscheid and Sonny Walterscheid; Leslie Hess and Frankie Hess; Paula Yosten and John Yosten; and Sandra Walterscheid and Norbert Walterscheid.

Also junior Bev Haverkamp and Lennie Haverkamp; sophomore Shawna Grewing and Anthony Grewing; and freshman Noelle Hesse and Tom Hesse. At halftime Ken Hesse escorted Sandra; Keith Hennigan escorted Paula; Tim Bartel escorted Leslie; John Nasche escorted Lydia. Also Mike Adair escorted Bev; Scott Taylor escorted Shawna; and Darrel Dangelmayr escorted Noelle.

Coronation formalities were led by the 1984 Homecoming Queen Sandy Taylor who placed the crown; '83 Susan Walterscheid

who presented red roses; and '82 Janet Hesse who attached the red silk banner.

The S.H.H.S Drill team performed a special dance before the ceremony.

All during the week events pointed toward homecoming. Popular songs furnished the theme for the hall decorations, won by the seniors, followed by sophomores, freshmen and juniors.

Forestburg child killed in tractor accident

The Forestburg community was shocked and saddened Sunday when four-year-old Britany J'Lynn Dill died of injuries received in a farm accident.

As related by Cooke County EMS personnel, the little girl was riding on a tractor with her father, fell off, and was crushed by the left rear wheel. The ambulance people said she was dead at the scene and the body was taken to McCoy's Funeral Home in Saint Jo.

Funeral service was held Tuesday, 10 a.m. in the Forestburg

Columbus Day observed

Muenster Knights of Columbus observed Columbus Day, the feast of their patron, Sunday at the KC Hall with their annual communion breakfast. The event also honored Mr. and Mrs. Arthur Williams, chosen to receive the council's good neighbor award of 1985. The presentation was made by Grand Knight Bob Knauf at the 9 a.m. Mass in Sacred Heart.

Headliner on the program was Gil Alzua, manager of TV channel 10 at Ada, Okla., formerly a 22 year employee on other TV stations in Oklahoma. He and his wife are special friends of Subiaco priests who regard their home as a

favorite visiting spot on trips to and from the abbey.

Alzua chose the Good Neighbor as the subject of his talk. He praised the Muenster KCs for their good judgement and Christian principle in originating this method of calling attention to good people and good behavior. It is a welcome contrast with today's widespread evil, a start toward bringing our nation back to its original standards of Christianity and Americanism.

He reasoned that the good neighbor spirit as applied to individuals can expand to families and then to communities, cities,

states and nations. The idea is in line with the Savior's urging to love God and neighbors as a way to a happier life and a happier eternity.

During the talk mention was made that Presbyterian Hospital at Dallas was asking for opinions on ending its abortion practice. Grand Knight Bob Knauf called for a vote on a recommendation for ending the practice permanently and got a favorable response. He said the message would be there Monday morning.

About 125 KCs and their guests attended. Nellie Martin and Hilda Sicking prepared the breakfast. Boy Scouts helped serve it.

MISD rejects CCTAD budget

Members of the Muenster school board in regular session last week joined the growing list of entities to reject, for the second time, the proposed 1986 operating budget of Cooke County Tax Appraisal District.

The amount asked was \$531,525, which is 30 percent higher than the current budget of \$399,516. The first budget suggested was \$543,289, some 35 per-

cent higher than the present operating figure.

Since the MISD meeting the county units have rated their opposition, increasing the total number to seven. A report on the subject is that one entity has approved and several others have not announced.

Also relative to CCTAD, the Muenster trustees discussed a proposal for staggered terms on the appraisal district board, but the subject was tabled awaiting details.

Also, the trustees voted unanimously to support Glenn Hellman as their nominee at the coming election of appraisal district directors. He is a candidate for the place being vacated

by Al Felderhoff after serving for 6 years.

In other business the trustees adopted a budget of \$3721 for this season's basketball program. Items covered in the proposed list of expenditures are equipment, officiating, UIL and District membership dues, telephone and bus expenses, and award jackets.

Another subject considered was the increasing need for a computer in the school's administrative work. The discussion ended with a decision to start inquiring about details on price, capability, etc.

The meeting opened with a report by principles on curriculum, enrollment, student progress, policy, and matters related to new state regulations.

Good News!

Who are you, then, that you should put God to the test this day, setting yourselves in the place of God in human affairs? It is the Lord Almighty for whom you are laying down conditions; will you never understand anything? You cannot plumb the depths of the human heart or grasp the workings of the human mind; how then can you fathom God, who has made all these things, discern his mind, and understand his plan? **Judith 8: 12-14**

Weather is fine

State Capitol Highlight

AUSTIN—Unlike any other primary election in Texas politics, the top of the Democratic slate is set and the hottest action will be in the Republican nominations.

With the February filing deadline for public office only a few short weeks away, gubernatorial hopefuls are gearing up for what promises to be one of the hardest-fought '86 campaigns in the nation.

ahead in May, many Republicans want to prevent the infighting from becoming bitter and fragmenting the party against White.

So, the three who want to take White's job, Hance, former Gov. Bill Clements, and Congressman Tom Loeffler, are leveling their big guns at him, not each other. Some observers are wondering how long it will last.

San Antonio Mayor Henry Cisneros to run for just about whatever he would like to, but Cisneros has declined every time. Barrera will probably not get the barrio vote into the GOP primary, but if he survives as the nominee, his surname may attract Hispanics to cross party lines in that slot.

Redistricting Squabble

A case questioning whether minorities are encouraged to run for high office was heard recently by the U.S. Supreme Court, and Texas Republicans are arguing that it and Texas minorities were cheated in the 1981 redistricting by Democratic gerrymandering.

At issue is the constitutionality of gerrymandering, or the drawing of political boundaries to the advantage of one group.

Texas Republicans and some minority groups feel they each lost a U.S. House and state senate seat when the 1981 Legislature failed to divide the districts of two white liberal Democrats.

Senator Hospitalized

One of the Democratic incumbents, state Sen. Oscar Mauzy, now a candidate for Texas Supreme Court, announced last week he has entered a California hospital for treatment of alcoholism.

His press release said he expected to remain there four weeks and to have his situation under control upon his return to Texas.

Special Election

Four candidates have entered a Nov. 5 special election to replace Terrell state Rep. Gordon Arnold, who resigned to become top aid to House Speaker Gib Lewis.

In the race for the Kaufman and Ellis counties seat are four Democrats: R. G. Perryman and John Snider, both of Waxahatchie; and Danny Wood and Keith Oakley, both of Terrell; and two Republicans: Rick Bunch of Ferris and Don Washburn of Ennis.

Hispanic Connection

While the Democrats have racked up considerable votes in Hispanic precincts, the Republicans are attempting to break that hold by encouraging an Hispanic to run for attorney general.

The potential candidate is San Antonio state district judge Roy Barrera, Jr., son of the one-time Texas secretary of state. As he prepares for fundraisers across the state this month, he is being backed by no less than former Gov. John Connally, Eddie Chiles, Trammel Crow, Nelson Bunker Hunt, Sam Barshop and H. B. Zachary.

Barrera is ripping Democrats for playing on minority voters without running a minority candidate for statewide office.

COMMENT

Democratic Gov. Mark White last week returned empty-handed from Japan, to learn a third GOP candidate had thrown his hat in the ring against him, and all three were maintaining Republican harmony at his expense.

White had gone to Tokyo to talk Toyota Motor Co. officials into building their new 2,000-new jobs plant in Texas. While Toyota didn't commit, the U.S. ambassador told White he was the 44th governor to visit.

Hance Announces

On the day White left for Japan, former Congressman Kent Hance announced for White's job and launched a four-day campaign swing around the state. Hance blasted White on a number of points, but mainly for spending too much money.

Hance faulted White for not using his veto power to curb "unchecked" growth in state government.

When asked if his switch last year from Democrat to GOP hurt his chances, he noted that 500 Dallas County Republicans were on his steering committee and he had heavy endorsements in Houston and San Antonio.

The mineral treasure house

Lenoid Brezhnev said at Prague in 1973: "Our aim is to gain control of the two great treasure houses on which the West depends: the energy treasure house of the Persian Gulf and the mineral treasure house of central and southern Africa." Brezhnev was then outlining to western pact chiefs the overall Communist-Soviet strategy for gaining world control.

Most everyone is aware of the threat to the oil of the Middle East posed by the Soviet presence in Afghanistan, South Yemen and Ethiopia.

Few Americans realize the danger to our security and our economy brought about by the Soviet threat in central and southern Africa.

There are four key minerals which are absolutely essential to our defense: chromium, manganese, cobalt and platinum. These come primarily from South Africa, Zaire and the Soviet Union.

In addition to these four upon which our defense depends, there are an additional eight which are necessary for our economy. These are vanadium, bauxite, tin, columbium, diamonds, graphite, rutile (pronounced "rooteel") and

tantalum. Three of these come from South Africa.

Thus we have seen that the defense of America, indeed even its economy, depends in large part on strategic minerals which are available only from central and southern Africa.

Secondly, we have seen the Soviets are determined to gain control of those areas in Africa so they can control America and Western Europe.

The Soviets currently control Angola, Mozambique and Zimbabwe, formerly Rhodesia. They have made considerable headway in Botswana where the Soviets have established extensive electronic intelligence operations. With the exception of Zambia, the Reds control a band across Southern Africa.

An attempt is now being made to overthrow the government of South Africa, which has always been friendly to and supportive of the United States, by means of a Communist-instigated and supported "national liberation movement."

This movement is composed of the African National Congress, a Communist-controlled organization, which is carrying on acts of terrorism within South Africa it-

self, and the South West Africa People's Organization (SWAPO), also Communist-controlled, operating out of Communist Angola against Namibia, now under South African protection.

Thus we see that the attack against South Africa and Namibia by the African National Congress and SWAPO is controlled by the international Communist movement, directed by the Soviets.

This attack against South Africa is in fact an attack against the United States, for South Africa is not only vital to our interests because of its strategic minerals, but also because of its strategic location.

For example, 70 percent of Western Europe's raw materials and 80 percent of its oil pass around the Cape of Good Hope each year. So does much of our own.

If the Soviets controlled this choke point, they could make defense of our country extremely difficult if not impossible!

Benson is president of the National Education Program, based in Oklahoma City.

Letter to the Editor

Dear Editor:

I would like to comment on the letter you printed from Mark Klement.

Is the Germanfest serving the purpose for which it was intended? I may be mistaken, but I thought it was to show Muenster's German Hospitality.

The American Heritage Dictionary defines hospitable as welcoming guests with warmth and generosity. Somehow I don't associate that with Germanfest, maybe it is the parking fees, the gate fees, and then the entertainment and food fees. Everyone involved with Germanfest makes plenty of money, why bicker over who makes the most? Doesn't the money earned go to our community one way or the other? If it causes so many problems, maybe the whole fest should be restructured. It was a good idea in the beginning, now it seems to have lost it's appeal.

Sincerely,
Margie Klement

To senior citizens of Cooke, Grayson and Fannin Counties:

On Sept. 5, Janis Gray, director of the Texoma Area Agency on Aging, released the following information relative to a new directory of senior discounts and services called the "Silver Pages." It is reproduced here as a service to interested senior citizens.

A few months ago, you received information and application forms to obtain a new directory of senior discounts and services called the "Silver Pages." This directory was for the city of Dallas only. Knowing that many of our older residents go to Dallas to shop, we thought this might be a good resource directory for you to have to find the best bargains in Dallas. Unfortunately, the directory did not include services and businesses in Cooke, Grayson and Fannin Counties, as the Silver Pages are only being completed in large metropolitan areas.

Realizing that other com-

munities in Texas were also interested in a directory such as this, the Texas Department on Aging identified another directory company that would be willing to do a similar project for the lesser populated, rural areas in Texas. This senior discount directory is called the "Senior Class Pages."

We are very lucky to have been chosen as the second region in the state to have the directory completed, as 25 other areas are on the waiting list. Our directory should be ready for distribution in late November or early December - just in time for Christmas shopping!

The "Senior Class Pages" has given us the first 32 pages to describe available services for

older citizens in Cooke, Grayson, and Fannin Counties, including your senior center! Next year when the directory is updated, a cover-contest will be held to select the "cover guy or girl" for the 1986 directory. A cash award of \$500.00 will also be given to the local winner.

You will not need to submit an application to receive a directory. Directories will automatically be mailed to over 30,000 senior citizens in our region.

Be sure and tell your very local merchants about this advertising opportunity!

Call the Texoma AAA for further information at (214) 786-2955.

A PROCLAMATION

Whereas, Sunday, October 20, 1985, has been designated by the National Board of the Catholic Daughters of the Americas as "National Catholic Daughters of the Americas Day"; and

Whereas, the theme for the observance is "Reaching Out to Young People-The Hope of the Church!"; and

Whereas, Catholic Daughters will direct their attention and energy toward young people! and

Whereas, through the Heart Speaks to Heart Program members of the Catholic Daughters of the Americas are able to prepare our youth for the work of adulthood; and

Hank Sicking, 33, is victim of car crash

Henry Joseph (Hank) Sicking, 33, a native of Muenster living at Tuttle, Oklahoma, died Thursday, October 10, of injuries received in an automobile accident.

Funeral service was held Monday at 10:30 in Sacred Heart Church with Father Victor Gillespie officiating at a Mass of Christian Burial and Father Denis Soerries assisting.

Others participating in the funeral liturgy were Ed Mitchell, Emily Klement and Ruth Felderhoff as musicians; Peggy Saprkman and Dianne Clegg in scriptural readings and prayers of the faithful; Karla Wilson in a communion meditation and Mr. and Mrs. Jerry Pels in presentation of offertory gifts.

Father Victor in his funeral remarks expressed special condolence to the family for the extra sadness in Hank's sudden and early death, and added that the Christian view offers a great consolation. He said people of faith have the assurance of the Savior Himself that He has gone ahead to prepare a place for them. While death ends the joy of living and separates a person from those he loves, it is the beginning of a happy eternity.

Burial was in Sacred Heart Cemetery directed by McCoy Funeral Home. Pallbearers were

Leon Klement, John Dangelmayr, David Stormer, Robert Sicking, Mike Hennigan and Melvin Schilling.

An earlier service was a wake service Sunday in the funeral home chapel. Another service was held at 10 a.m. Saturday in the Sowers Memorial chapel of Tuttle Okla.

Hank Sicking was born in Muenster on May 4, 1952. He attended Sacred Heart and Muenster Public Schools, was married to Georgeann Morgan in Muenster on January 9, 1971. He was a veteran of the US Air Force. His occupation was health technician supervisor for the Braum's Dairy of Tuttle, Okla.

Survivors are his wife, a daughter, Tiffany, and a son, Jason, all of Tuttle, Okla.; his father, Wilfred Sicking of Muenster; his mother, Anna Mae Downs of Fort Worth; four sisters, Rose Ann Brown of Gordonville, Gayle Rumley of Fort Worth, Janey Vance and Karla Wilson, both of Weatherford; one brother, Steve Sicking of Wichita Falls; his grandfather, Lawrence Dankesreiter of Muenster; and his grandmother, Mary Herron of Muenster.

Muenster clubs, Highway Dept. team up in project

by Daryl Ferber

Beautifully Muenster, and a project for the Texas Sesquicentennial, were dual purposes for a meeting and tour Friday in Muenster.

Bill Presson of Wichita Falls, district maintenance supervisor, with the State Highway Dept. and Mark Mathews of Austin, landscape architect with the department were in Muenster to make the tour, accompanied by representatives of the city, Kiwanis, Chamber of Commerce, Muenster Garden Club and AM-PI, and viewed sites for a Sesquicentennial project.

Sue Endres, member of the Park Board and Garden Club brought the group together for ideas and suggestions at a meeting at her home Friday at 11 a.m. Other tour participants were Johnny Fisher, Gary Fisher, Gary Christian, Daryl Ferber, Joe Fenton and Arthur Endres.

In addition to small areas and

plots that could be worked up, the main topic was the corner lot of AMPI on Main and Hwy 82. As this is a prominent location, ideas were given by Mathews to enhance the mural and cover some of the eyesores.

Gary Christian felt he could obtain approval from his supervisors and with the help of various organizations, it is hoped to begin some of the work in time for 1986 celebrations, with a possible finish of the project to present a good picture for Muenster's own centennial in 1989.

Mathews and Presson were also in Muenster on Thursday spreading Texas Bluebonnet seed here as well as along I-35. They reported seeding 500 feet of median on the west edge of Muenster and 700 feet on the east side of town on Hwy 82.

Presson emphasized their availability for help at any time with any projects that would make highways in Texas a better place to travel.

Bill Presson, at left, Wichita Falls District maintenance supervisor with the Texas Highway Dept. and Mark Mathews, landscape specialist from the department's Austin office were with the team planting Texas Bluebonnet seeds near the approaches to Muenster Thursday afternoon, Oct. 10.

Diocesan Center to be dedicated

The Diocese of Fort Worth will dedicate its new Catholic Center on Saturday, October 26, 3 p.m., the diocesan headquarters announced this week.

Its location is 800 W. Loop 820 South, Fort Worth, approximately 1 mile north of I-30 and just south of White Settlement road.

Several bishops from across Texas and a representative of the Fort Worth mayor's office are expected to attend the 45 minute

ceremony. The ceremony will include several speeches in addition to the Blessing of the CENTER. The music will be provided by the choir from St. Vincent de Paul Catholic Church in Arlington.

After the ceremony, the CENTER will be open for tours of the various departments. In addition to the administrative offices of the Diocese, the building contains the Marriage Tribunal, the Education offices, the Communication office, Lay Ministries, Hispanic Affairs, Diaconate Formation, Vocations, Continuing Education, Parish Outreach, Peace and Justice commission, Family Life services and "The North Texas Catholic will also be housed at the CATHOLIC CENTER.

There will be an Open House on Sunday, October 27 from 12 to 5 p.m. The public is welcome to attend both events.

Pedestrian struck on Ash street

Muenster had two accidents during the past weekend. As told by Police Chief Helen Tompkins the first happened on North Ash Saturday as Carol Klement, southbound, hit Janice Morgan, a pedestrian, on the same traffic lane. Car lights from a northbound car and traffic dust delayed notice of the pedestrian but she was near stopped at the collision. Morgan was treated at Muenster Memorial Hospital for cuts and abrasions and released.

The other accident happened on Highway 82 as Arnold Schilling's vehicle collided with one driven by Weldon Dennis of Saint Jo. None was injured but both machines were badly damaged.

Rhonda Hellman and Stanley Dieter united in nuptial at St. Peter's

Rhonda Kay Hellman, daughter of Alice and C.J. Hellman and Stanley Michael Dieter, son of Nick and Hank Dieter, all of Lindsay, were married in St. Peter's Church of Lindsay on Saturday, October 12 in a Nuptial Mass and double ring ceremony celebrated by Father Cletus Post at 4 p.m.

The bride is also a granddaughter of Mr. and Mrs. Oscar Walter and Mrs. Clarence Hellman and the late Mr. Hellman all of Muenster. She is a graduate of Lindsay High School and is attending Cooke County College for

an associate degree in nursing. The groom is also a grandson of Mrs. Helen Dieter of Lindsay and the late Mike Dieter, also the late Mr. and Mrs. Joe Mages. He is a graduate of Lindsay High School and attended TSTI in Waco for the Diesel Mechanics License. He is employed by Paul Hess Trucking.

The bride was given in marriage by her father, C.J. Hellman. She was wearing an elegant white gown designed by Mori Lee, featuring an illusion yoke with a high Alencon lace wedding band collar. The fitted bodice was ac-

cented with Alencon lace, and taffeta ruffles marking the edge of the yoke and across the shoulders, to highlight the long, fitted illusion sleeves. Alencon lace added a touch of elegance at the wrist.

The full, flowing taffeta skirt had appliques of re-embroidered Alencon lace and was enhanced with self-fabric ruffles around the hemline, flowing into a full chapel train.

Her double tiered illusion veil was finger tip length and scattered with lace applique. She carried a formal bridal cascade of white silk roses, carnations, stephanotis and valley lilies.

In keeping with tradition, she wore her Grandmother Walter's gold, diamond-studded cross and chain, a gift from her Grandfather Walter on their wedding day, and worn also by the bride's mother.

best man. Brad Dieter, groom's brother and Jeff Parsons, a friend, were groomsmen. Jeff Dieter, groom's brother and Jerry Brown, groom's brother-in-law, all of Gainesville and Bobby Noggler of Denton, a friend were ushers.

Joey Myrick and Jeff Myrick were Mass servers.

Wedding music was provided by Ruth Felderhoff, organist, Barbara Traweck, soloist and by the bride's sisters Shawna and Christy who sang "Everlasting Love."

Altar decorations included floral arrangements in the bride's chosen colors, royal blue with accents of raspberry. Candelabra held lighted votive candles on the main altar. Ice plant and lighted votives adorned the altar railing. Participating in the wedding liturgy were Rodney Walter and Leann Brown with the readings, Chris Walter with Offertory petitions and Judy and John Hoberer and children who presented Offertory gifts at the altar. Eucharistic minister assisting was an aunt, Clara Schmitz.

Four Walter sisters hold annual reunion

Betty Sicking of Muenster was hostess for the annual "sisters and mama" trip for her sisters Mary Jo Graham of Gainesville, Rita Chapman of Richardson, and Florence Blevins of Odessa recently. The group spent much time in special visits with their mother, Mrs. Anna Walter in Gainesville.

They met Thursday at lunch time and enjoyed visits in downtown Gainesville before proceeding to the Sicking home.

On Friday brief visits in Muenster, a shopping trip to Gainesville, lunch and an afternoon visit with an aunt, Cecilia

Wimmer highlighted the day. Dinner, exchange of family pictures and family news concluded the day at Betty Sicking's home.

On Saturday, more visiting, walks in the country, horseback riding and enjoying the sunshine were on the agenda. In the afternoon the sisters drove to Gainesville for the afternoon Mass at which their father, Joe B. Walter was lector. They were met by nieces Dianne Clegg and children Pamela and Lisa, also by Johanna Sicking and Nancy Sicking.

After a short visit to the Clegg home, everyone drove to Myra where they toured the new home of Sammy and Peggy Sparkman. Dinner at the Center in Muenster with everyone concluded the day.

On Sunday all the nieces and great nieces joined the sister group for lunch at Betty and Boots Sicking's home and held a surprise birthday observance for Rita Chapman who will celebrate the day on Oct. 10. Goodbyes were said and the long journeys home began. It was agreed that sharing time with their mother, Anna Walter was the outstanding part of the trip.

Attendants

Shawna Hellman of Lubbock was her sister's maid of honor. Christy Hellman, of Lindsay, bride's sister and Sheila Haverkamp of Gainesville, a friend were bridesmaids. They wore identical royal blue taffeta floor length dresses designed by Alfred Angelo, with English net and schiffli embroidery, featuring cape sleeves and basque waistline.

Their flowers were round bouquets of rosewood silk mixed blossoms, with matching hair ornaments.

Heather Hellman, daughter of Eddie and Donna Hellman of Rockwall was the flower girl and Scott Goldsmith son of David and Connie Floyd of Gainesville was ring bearer.

Darrell Dieter was his brother's

Reception

A reception, dinner and dance followed in the Knights of Columbus Hall in Gainesville.

Presiding at the guest book were Beth Thurman, Gina Sandmann and Katrinka Griffin. The wedding cake was baked and served by Betty Rose Walterscheid.

After a wedding trip to Dallas, the couple will be at home in Gainesville. The rehearsal dinner was hosted by the groom's parents in their home and attended by the wedding party.

Garden club hears County Agent

Mrs. Alfredo Antonetti was the hostess for the Friday morning Garden Club meeting and Craig Rosenbaum, Cooke County Extension Agent was the guest speaker on "The How and Why of Gardening."

With illustrations and commentary, he discussed herbicides and fungicides; he told how to identify

beneficial insects; how and when to fertilize; and how to maintain a good watering program throughout the year; and he urged rotating all vegetables every year.

Mrs. Herbert Miller, president conducted the meeting.

Members made plans for a horticulture show in the TP&L building on Saturday, Nov. 9, 10

a.m. to noon. The show will not be judged but will be an opportunity for display of a wide variety of specimens ranging from cut flowers to shrubs, house plants, hanging baskets, etc.

The arrangement of the month of dried flowers was brought by Mrs. Merle Brock of Lindsay. The house plant, a presca (endem plant) was brought by Sue Endres.

Mrs. Endres also told of a project of the State Highway Department wherein Texas Bluebonnet seeds were planted in a number of areas of the state, and locally near this town on median strips at the east and west approaches to Muenster, at 3 p.m. on Thursday, Oct. 10.

Directed by W.I. (Bill) Presson of the Wichita Falls office, Mark Mathews of the Austin office and Frank Collier of the Nocona office of the state highway department, the project will divide 3000 lbs. of seeds for planting in a nine-county area, according to Collier. The planting of bluebonnet seeds in Muenster on Thursday was a direct outcome of an initial invitation from the Muenster Garden Club spearheaded by Sue Endres, a member of the park board and the garden club. The Bluebonnet project is part of the preparation for the Sesquicentennial and a continuation of the Texas Highway Department's beautification program.

After hearing Mrs. Endres report the project, the members voted to purchase 18 additional lbs. of bluebonnet seeds for further planting.

The hostess, Mrs. Antonetti served refreshments following adjournment. The next meeting will be held in the home of Mrs. W.J. Luke on Friday, Nov. 8 at 10 a.m.

Beta Kappa ads two new members

Beta Kappa Sorority of ESA installed two new members, Jana Stoffels and Laurie Rohmer, into the Muenster chapter, when the organization met on Monday, Oct. 7 in the home of Kaye Wimmer, with Pam Fette presiding.

Mmes. Stoffels and Rohmer received the ESA Grecian Lamp of Learning pin. Also Lisa Walterscheid received the Jewel pin, signifying full membership in ESA.

Pam Dangelmayr, awards chairman, announced that Ramona Felderhoff has completed all requirements for the First Pearl award, given for first year members who participate in all three of the chapter's purposes -- philanthropic, educational and social, and who accumulate 1,000 points during the first twelve

months of membership in Beta Kappa.

An appeal was received from the city of Muenster, to help with park improvements around the swimming pool. Members discussed the project and expressed a willingness to participate. Fund raising to benefit this project was also discussed, with more ideas and discussion to follow at the next meeting.

Members of Beta Kappa will also support the Littlest Angel program as their Christmas project, directing it toward a local family if there is a need.

Following adjournment, Kaye Wimmer, hostess served refreshments. The November 4 meeting will be held in the home of Lora Hennigan.

"On your own" program planned for kids, parents

"On Your Own" is a program series planned for kids and their parents. The program will be held on Saturday, October 19, at the Gainesville Middle School Cafeteria.

With the increasing number of working mothers, more children are staying by themselves after school. The program of activities included in "On Your Own" is designed to provide responsible self care for school age children. The program is being sponsored by the County Extension Service and the City Council P.T.A.

The day begins with registration at 9 a.m. At 9:30 parents will have a program on "Responsible Self Care for Kids." At 9:30 boys and girls will begin one of four programs and rotate to another group every 40 minutes. These include: Nutritious Simple Snacks, Safety at Home, Leisure Time Fun Activities, and House Rules and Home Chores. The program concludes at 12:10. After the parents' program, they are welcome to attend the children's workshop or leave.

Senior 4-H members from over

the county will be in charge of each workshop. These include Amy Pitzinger, Darwin Sicking, John Krebs, Eddie Krebs, Tobie Vice, Traci Adkins, Kristen McKown, Donna Lutkenhaus and Mike Lutkenhaus.

"On Your Own" is planned for kids who stay by themselves or with brothers or sisters after school or those who are occasionally left alone for brief period of time in the afternoon or on Saturdays.

Following the October 19 Saturday program, a four-part letter series "The '3 to 6' Club" will be mailed to participants. It will include a bulletin for kids and one for parents.

For more information or to answer questions, call Evelyn Yeatts or Lynn Goerke, County Extension Agents, at 668-5412. The workshop, like all activities sponsored or co-sponsored by the Texas Agricultural Extension Service, is open to all kids and their parents regardless of socioeconomic level, race, color, sex, religion, handicap, or national origin.

Emergency program presented to homemakers

Gayla Blanton of Gainesville Memorial Hospital presented a program on "Life-Line Home Emergency System" to members of the Muenster Extension Homemakers Club on Wednesday, Oct. 9, at 2 p.m.

She gave a demonstration and showed the group its important applications, emphasizing its value in lives and suffering saved by quick help.

The hostess, Mrs. Ann Herr read the inspiration, "Success." Opening ritual, routine committee reports and county council reports were followed by assignment of hostess duties for the quilt show in Gainesville; also, workers were assigned for the Arts and Crafts show.

The Muenster Extension Homemakers Club will observe its

25th anniversary on Oct. 24 by gathering for a dinner at 6 p.m. in the Golden Corral Restaurant in Gainesville.

Lucille Lutkenhaus reported on attendance at the state convention in Longview last month. The state organization pointed with pride to its support of Girls Town, USA. A sizable sum of money is given each year, collected in thousands of pennies at all club meetings statewide.

For refreshments, Ann Herr served banana splits, chocolate cake squares and coffee to 17 members.

The next meeting on Nov. 13 will be hosted by Alice Hellman. Evelyn Yeatts, Cooke County Extension Agent will be program speaker on "Improving Your Memory."

Immunization set for Oct. 23-24

The Texas Department of Health Region 5 office in Arlington announces a free immunization clinic to be held in Muenster on Wednesday, October 23, 1985 at Sacred Heart Community Center, from 9:00 a.m. to noon.

The clinic will provide immunization against Diphtheria-Tetanus-Pertussis (DTP), Polio, Rubeola (Red Measles) and

Rubella (German Measles). Precautions must be taken with females in the 12-18 age group to insure that they are not pregnant when they are immunized with Measles and/or Rubella vaccines, and that they do not become pregnant for 3 months following immunization.

Immunizations are incomplete if a child has not received three (3) doses of DTP and four (4) doses of Polio vaccine with one dose ad-

ministered past the fourth birthday.

All children under 18 years must have an informed consent form read and signed by the parent or legal guardian. If possible, the parent should accompany the child to the clinic. Immunization records should accompany the child to the clinic and be examined by the public health nurse who will answer any questions.

Fourth graders await their turn, during Vision Tests held at Muenster Public School this week, sponsored annually by the PTO for students K-8. The tests are conducted by Dr. Webb of TSO in Gainesville, assisted by Mmes. Della Hellman,

Collette Biffle, Mary Ann Hess and Jean Park. In the above photo is Misty Knabe, reading for the test, with Mrs. Hellman. All children were tested. Parents are notified only if further testing is indicated. Janie Hartman Photo

Jim Hoedebeck funeral held

Funeral service for James Hoedebeck, 39, was held in Sacred Heart Church on October 10 with his uncle, Father Paul Hoedebeck officiating at a Mass of Christian Burial and Fathers David Flusche, Denis Soerries, Victor Gillespie, Cletus Post and Nicholas Fuhrmann concelebrating.

Father David, also an uncle gave the funeral homily, first commending Jim's many friends for their generous help on his home and medical expenses along with personal attention in his long illness with cancer. He said Jim's family deeply appreciates those expressions of love. Regarding suffering and death he said Jim had resigned himself to God's will, ready to accept His call to eternal life, and that now he is living with God.

Burial was in Sacred Heart Cemetery directed by McCoy Funeral Home. Pallbearers were Paul Moore, Chris Hess, Dwayne Hess, James Fleitman, Roger Taylor and Clinton Endres.

Jim Hoedebeck died at his home on Wednesday, October 8 after an illness of about one year

with cancer requiring extensive hospitalization, medication and therapy.

Others participating in the liturgy of his funeral Mass were Jane Taylor readings; Emily Klement and Ruth Felderhoff, musicians leading the congregational singing; Charles Hoedebeck, leading prayers of the faithful; Rhonda Fleitman, Nita Fleitman, and Mike Morris presenting offertory gifts; Lisa Hoedebeck in a meditation; Wayne Becker, Scott Taylor, Jason Frost and Steven Nasche as mass servers.

Services prior to the funeral were a rosary at 4 and a wake service at 8 Wednesday in the funeral home chapel.

Jim Hoedebeck was born on September 6, 1946, in Denison a son of Alfred and Irene Flusche Hoedebeck, and was married to Dorothy Aaron on March 30, 1969 at Lewisville, Ky. He was self employed as a plumber and electrician; and was a member of the Knights of Columbus and Veterans of Foreign Wars, having

served in the Vietnam War. After his tour of service he returned to Irving and lived there until coming to Muenster in 1979. He has lived here since then.

Survivors are his wife, Dorothy; two daughters Lisa Gail and Bethany Ann, all of Muenster; his father, Alfred, of Irving; two sisters, Margaret Morris and Marilyn Hoedebeck of Irving; and five brothers, Alvin and Tom of Irving, Harold of Hurst, Billy of Gallup N.M., and Charlie of Lubbock. His mother preceded him in death.

Hood hosts annual Supper, Nov. 2

The Hood Community will host its annual Thanksgiving turkey supper on Nov. 2 in the Hood Community Center. Serving of the bountiful meal will begin at 5 p.m. Price of the dinner is \$5.00 for adults and \$2.50 for children under 12. Everyone is welcome.

Hornets wallop Knights 28-7

Last week's renewal of the old time football rivalry between Muenster and Lindsay was a happy event for the Hornets, but not for Lindsay. Muenster won it 28-7.

The game was the opener of North Zone competition in District 4-A, and the result is that the Knights, pre-season favorites, now have a 0-1 standing and the Hornets, formerly rated third, are 1-0. Other loop standings have Valley View 1-0 after a big win over Collinsville. And Era is 0-0

after an open week. In the full season Muenster is 4-1 and Lindsay is 1-4.

The Hornets got their start in the first period after exchanges of three punts and a first down by Lindsay. There Mark Hennigan intercepted and returned 17 yards to the 47. Three plays later an interference ruling yielded 14 free steps.

On next series Drue Bynum went up the middle on a fourth and four situation, saw daylight and kept going 26 yards to the 6. Johnny Eldred made 4 on the first

try and Ryan Klement made the remaining 2 on a quarterback sneak. Shawn Flusche's PAT kick was the first of his four for the night.

The Knights started strong after the kickoff. Wayne Fleitman intercepted on Muenster's first series. Next Roy Neu made a nice gain and fumbled; the ball tumbled forward and was recovered by Tim Carpenter for a gain of 19.

On next play, however, Fleitman was hurt by Joe Pagel's tackle and had to leave the field.

Rick Sandmann spent the rest of the game at QB. He promptly made a first down after which the team failed on the next series and lost possession on the MHS 23.

With 77 yards to go Muenster started working on the next TD. Two short runs gained 6 and Klement's pass to Eldred went 24 to Lindsay's 47. A pass to Hennigan gained 30 more and seemed good for 6 points until the Knight's Toby Fuhrmann halted it 17 yards away. Klement finished the drive with runs of 16 and 1 and Flusche added 1 point at 2:26 in the second.

Nine big minutes of the third period were claimed by the visitors. They made 7 consecutive first downs, using 17 short runs, passes from Sandmann to Larry Hermes for gains of 1, 15, 8, and 6, along with 28 free yards on an interference call in going to the goal. The 6 yard pass was the touch-down play. Metzler kicked the ex-

tra point. The next MHS score was a quickie following a kickoff run-back to the Hornet 41. Eldred and Flusche each made 4, a penalty cost 10 and a pass to Bynum gained 20 to the Lindsay 39. Then Eldred got 3 and another pass to Bynum went 36 yards to the score.

The final TD started with Hennigan's interception and a 38 yard runback to the 50. The next two series ended in a punt by Muenster and loss of possession by Lindsay on the Knight 47.

From there Klement gained to the 21 and the next series failed at the 13. Then Lindsay made a first down and lost its next series at the 25.

After being stopped twice, the Hornets tried again. Four runs by Flusche and Eldred finished the job. Muenster led 28-7 with 55 seconds remaining.

Next action for the Hornets will be Collinsville, there, at 7:30, Fri-

day. It's a game in which Muenster should be favored, considering its 5-1 record and the Pirates 1-5.

Meanwhile the big one of the district is Valley View at Era both sharing the undefected district standing with Muenster. It's of particular interest to the Hornets, who will meet both later. For the season Era has a perfect 5-0 and Valley View has 4-2. Lindsay has an open date.

Before and through the game Collinsville's FFA will have an extra, hamburgers for the fans of both sides. Muenster supporters are invited to come early and join. It starts at 6.

Juniors win 2 at Lindsay

Muenster's clean sweep of three games with Lindsay during the weekend started last Thursday on the Knights' field with wins in both junior games. Junior High came out at the big end of 38-0, and Junior Varsity came from behind for a 12-7 win.

Those happy events were followed by the varsity's 28-7 win Friday. Standings of the junior teams now is 4-0 for junior high, the only two opposing TDs being made against reserves. The JV season tally is 2-3, and the Hornets are 5-1.

Jr. Hi wins 38-0

Junior High kids started their win early in the first quarter in a drive from midfield ending in Brawner's 1 yard quarterback sneak and his kick for extra point.

Later in the same period James Hennigan broke away for a 37 yard TD gallop. The extra point attempt failed.

The juniors scored another pair of touchdowns in the second quarter. The first was on a 10 yard connection, Brawner to Boydston after a short drive. And just before the half Lindsay's bad punt gave a setup. Shortly after Brawner went over from the 2. Both tries for extra point failed.

The only third period score was a 52 yard romp by Boydston.

Reserves had the field in the last period and Troy Pagel's 25 yard quarterback keeper was the scoring play. Finally another try for

extra point was good. Coach Dewey Sims said the kids were great with a strong defense and good blocking on offense.

This next game will be with Collinsville on the MHS field starting 6 p.m.

JV Hornets win 12-8

Junior Varsity Hornets came from behind to overcome the future Knights. And barely in time. They had 2 minutes left on the clock when J Shane Wimmer went over on a 1 yard quarterback sneak following a 30 yard pass to Bobby Thornhill. That was the go ahead score and the pass for extra points failed to connect.

Hornets started the scoring in the second quarter on a 6 yard run by Mike Armstrong after a long drive of mixed passes and runs. The PAT attempt failed leaving the score at 6-0.

The Knights tied the count late in the second period on a short run at the end of a good long drive. Then they took an 8-6 lead with a 2 point PAT, and that's how it stood until the Hornets got their go-ahead TD.

Outstanding offensive performers were Thornhill with a pair of key receptions and other good catches, as well as Wimmer, and Chris and Keith Klement. And all shared in defensive credits.

MHS Jr. varsity survives the cut

The report of losing the junior varsity football team at MHS was wrong, but just barely. Coach Sims said Tuesday that new developments enable the team to survive.

He explained that the "no pass, no play" regulation eliminated one player, not two. At the same time a former player, ineligible the past six weeks, is qualified to come back. So the team breaks even and still has 14 players in-

stead of 12.

However it has 13 this week because of an injury. It's a touchy situation he said. With so few reserves, just a few injuries can put the team out of business. From week to week health will decide whether there will be a JV game.

The varsity is in slightly better condition. It has a total of 16, one of them ailing this week.

KC Oilers lead League

The KC Oilers, this community's member of the Boys Club football league of Cooke County, are the champs of the first half of their '85 season.

They finished that part of their schedule last Thursday with a perfect 4-0 record by turning back the First State Bank kids 16-0.

The Oilers got going on first possession and went all the way, Helmuth Koelzer making the TD from the 10. Rex Huchton's run

upped the score to 8-0. Mike Gobble also went in from the 10 to earn the second move and Ryan Sicking followed over for the next 8 points.

Good defense was also involved. In the first half the Oilers stopped the Bankers at the 2. And in the second half Darren Klement's interception ended another big threat. Steve Nasche, Chris Hess and Jeremy Jones were standouts

on defense; Bill Parks, Larry Switzer, Gary Hess and Chad Cheaney on offense.

On Oct. 3 the Oilers won 14-0 over CBJ Tire. Ryan Sicking made the first score from the 4 and went over again to add double bonus points. TD no.2 was scored on Ryan Sicking's 20 yard pass to Darren Klement and the try for extra points failed, leaving the count at 14-0. Top hands were Mike Gobble, Helmuth Koelzer, Tony Perryman, Bill Parks, Jeremy Jones and Chad Cheaney on offense; Gary Hess, Jason Biffle, Larry Switzer and Steve Nasche on defense.

Also, the boys had a 34-0 scoring spree over Olney Savings on Oct. 8. The point makers were Helmuth Koelzer, 2 TDs; Ryan Sicking, 2 TDs, and Rex Huchton, 1 TD.

Outstanding were Tony Perryman, Gary Hess, Bill Parks and Larry Switzer as blockers; also Chris Hess, Chad Cheaney, Scott Hennigan and Jeremy Jones on defense.

The boys started their good season with a win over Weber. And now they are ready for their second tussle with Weber Aircraft. It will be Thursday, the 17th, at the Boys Club, 6:30 p.m.

Kevin Switzer dives over for a Tiger touchdown in the 43-6 win over Bishop Lynch JV. Janie Hartman Photo

Tigers maul Friars 43-6

The Tigers improved their near perfect season record while delighting an enthused homecoming crowd Saturday night by rolling over the junior varsity of Bishop Lynch Friars 43-6.

Actually the score was more one-sided than the action. The scrappy visitors moved the ball regularly as indicated by trailing 11-22 in first downs and 171-330 in total yardage. But they failed to put their gains together whereas the Tigers did it regularly.

Action started early in the first period after an exchange of fumbles, first by Sacred Heart, then by Lynch. Houtchens recovered for SH on the 2 Switzer stepped over from there and also kicked an extra point.

On first possession after that

they went 45 yards in three big plays: 21 by Taylor, 14 by Nasche and 10 by Switzer. The remaining 2 of their 47 yard drive was made by Taylor's quarterback sneak. Switzer's kick added a point.

Briefly then the Friars took their turn: a first down, an exchange of punts, another first down then bogging down on the next series and punting.

That's when SH got going again, starting 76 yards away. Nine plays were enough. Big gains were a 30 yard pass. Taylor to Voth, runs of 15 and 10 by Switzer and an 8 yard TD by Switzer.

Scoring activity got under way again in the third period but it was delayed by an exchange of fumbles, first by Lynch, then by SH. Deano Bayer recovered for the Tigers. Then the drive resumed with 52 yards to go. Tigers got 17 by Switzer and 12 by Wayne Becker and 10 for free on a penalty.

The next series failed and visitors took possession on the 1, but two plays later Hesse tipped a pass and Nasche intercepted putting SH back in business on the 3. Becker made it from there. A PAT kick missed. Tigers led 26-0 at 5:27 in the third.

Still in the third, SH got a quickie. On third play after kickoff Nasche intercepted and returned to the 36, and Switzer's heave to Adair was good for a TD. The count was 32-0.

Again visitors could not keep going. They stalled on second series and kicked. And SH started again, with 75 to go and made 64 in 5 tries, including 11 and 33 by Switzer and 12 by Nasche. That was on the 11. The next series stalled, and Switzer's 18 yard field goal salvaged 3 points out of the drive.

Another small addition to the score came moments later when a Friar's fumble in the end zone was turned into a safety.

Finally the big play of the evening was Craig Voth's 63 yard punt return to pay dirt.

Eventually the Friar's got into the act, starting at their 24. However the drive was delayed by an exchange after the second series. Friars fumbled and Tigers kicked on first series. Then the visitors started their only fruitful effort of the game. It went 78 yards on 10 plays and included a 42 yard run plus 14 and 21 yard passes. The scoring play was a quarterback keeper for 1 yard. With 2:48 to go the count was 43-6.

Era beats Cubs

The kids of Era Junior High had everything their way in rolling over Sacred Heart's Tiger Cubs 38-16 at Era.

That applied especially in the first half, in which the home team piled up 22 points in their first three possessions.

The Cubs broke even in the second half, but it was too late. Early in the third Pete Abbott got loose on a 70 yard scoring romp and Steve Koelzer followed over for double bonus points.

Later in the same period Koelzer scored on a 2 yard quarterback sneak and added two more points.

 THE STATE OF TEXAS
 TO: Maria Elena Sanchez,
 Respondent.
GREETINGS:
 YOU ARE HEREBY COMMANDED to appear and answer before the Honorable 235th District Court, Cooke County, Texas, at the Courthouse of said County in Gainesville, Texas, at or before 10 o'clock a.m. of the Monday next after the expiration of 20 days from the date of service of this citation, then and there to answer the petition of Texas Department of Human Services, Petitioner, filed in said Court on the 23rd day of September, 1985, against Maria Elena Sanchez, Respondent, and said suit being numbered 85-726 on the docket of said Court, and entitled "In The Interest of Angelo Raymond Sanchez, a Child", the nature of which suit is a request to terminate the parent-child relationship. Said child was born the 28th day of February, 1985, in Gainesville, Cooke County, Texas.

The Court has the authority in this suit to enter any judgment or decree in the child's interest which will be binding on you, including the termination of the parent-child relationship and the appointment of a conservator with authority to consent to the child's adoption.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and make due return as the law directs.

Issued and given under my hand and seal of said Court at Gainesville, Texas, this 9th day of October, 1985.

County Agent's Report

Continued from Page 9

by Craig Rosenbaum

During the first part of the week the Cooke County Hay Show was held in Gainesville. This year we had 67 samples entered in the Show. The majority of the hays were in the Forage Sorghum Category.

Several things noted in this year's show included the lack of good protein content. In many years that we have excessive amounts of rainfall early in the growing season, we tend to see lower protein amounts in our forages. This can be attributed to the rapid growth of the plant and the limited amount of nutrient take-up. Most of the forage sorghums, even though cut at the ideal stage which is during the boot, only yielded in the seven to nine percent protein range. Legume hays also showed lower protein content this year. Much of the alfalfa was from 12 to 19 percent crude protein with the majority being in the 17 percent range.

Producers would benefit this year from forage testing of their hays before the fall and winter feeding period. Forage evaluation will help in estimating supplemental protein nutrients for various cattle classes. Forage tests can be

run at Cooke County College or one of the other forage testing laboratories in the area which include Texas A&M and Tarleton State University.

The class winners of the various categories include:
ALFALFA, Weldon Bezner, Lindsay
Prairie Hay, W.T. Vestal, Moss Lake
Forage Sorghum, Tim Sicking, Muenster
Soybean, Fuhrmann Bros., Lindsay
Wheat, Fuhrmann Bros., Lindsay
Bermuda Grass, Jones Ranch, Sivells Ranch
Grass Hay Mix, Bud Metzler, Lindsay

Grand Champion Hay overall of the hay was a sample of alfalfa grown by Weldon Bezner of Lindsay, Tx. The reserve Overall Champion of the hay was also an alfalfa sample grown by Dick Arend of Gainesville.

Some 40,000 acres of hays are produced in Cooke County each year. Cooke County producers remain as some of the best hay and forage producers in the state.

The hay samples, as in past years, will be donated to the Frank Buck Zoo in Gainesville.
