## Pickup stolen from GMC dealer Aug. 29

Thursday night and Friday morning were busier than usual for Muenster police. There were a number of fights around the third block of Main Street and sometime between 1 a.m. and 3:30 a.m. on Aug. 29 a pickup was stolen. Gene Hoedebeck reported that someone broke into the Hoedebeck GMC building, found the keys to a new

1986 short-wheel base, dark blue, half-ton pickup and drove away with the truck. Approximately \$25,000 in cash was also missing.

Police Chief Helen Tompkins believes the fighting up the street could have been a diversion meant to cover up for the theft. Three Montague County residents were arrested during the night for public intoxication. Two of those men were found to be on felony probation from Montague County. One of those two was also charged for resisting arrest and possession of a controlled substance. Billy Hall knocked Chief Tompkins aside during a search and ran. Tompkins followed on foot and called other officers for backup. Hall was apprehended two blocks away by Officer Bob Stovall and transported to Cooke County jail. Police have no leads on the vehicle theft at this time.

Nolan Phelps, also on probation from Montague County, was arrested at 3:30 Monday afternoon and charged with possession and sale of marijuana. Eight bags were found in his possession.

When asked about the public intoxication and possible effects of Please See Page 2

## Myra BBQ set for Sept. 6

The citizens of the Myra community are completing preparations for their 8th annual Bar-B-Que Cook-Out sponsored by the Myra Volunteer Fire Department on Saturday, Sept. 6, in the Myra City Park.

Residents, friends and supporters will gather to enjoy a feast of barbecue brisket, Suzie-Q potatoes, ranch-baked beans, relishes, bread and homemade pies and cakes. Serving is from 5 to 9 p.m. There will be live entertainment from 6 to 10 p.m. by Doug Martin and the Myra Crossroads Square Dancers.

Also chances will be sold on a 16-prize raffle including a shotgun, lawnmower, weedeater, and a \$100 pair of boots.

## Workers are needed for Autofest '86

Autofest '86 is in high gear for an antique, classic and custom auto show with a street dance to be held Oct. 11 in the city park. At this time, concessionaires are needed for food and game concessions. The food booths would be in the open with no tent to be used. Games will be at various spots all over the park. Plans are underway for a 50's-60's dance on the pavilion from 8 p.m. to 12 midnight sponsored by the Kiwanis. John Scott of KGAF will be the DJ and dance and dress contests will be held during the dance. The line-up of antique, classic and custom cars looks good at this time, with several auto clubs expressing an interest in attending. Anyone interested in having a food or game concession should contact the Chamber of Commerce office for more information and game suggestions. Maudine Griffin can be reached at 759-2227.

MRS. FLORENCE WILLIAMS, Kindergarten teacher at Muenster Public School, waits for the school bus with three of her charges, Autumn Meyer, Mendy Gieb and Justina Cancino on the first day of school.

## New faculty members at Muenster Public School

Muenster School District has three new teachers joining the faculty at the start of school this week.

Gerri Colwell moves into the librarian position after the

retirement of Patsy Sloan, MPS librarian for 20 years. Marilyn Burrows will take Ms. Colwell's place as the new 5th-6th grade teacher.

Mary Ahrens will be teaching a 2nd-3rd grade class. Ted Heers will serve as head high school boys' and girls' basketball coach and girls' track and assist with football. He will also teach PE and junior high social studies.

Teachers for the 1986-87 school year are: Florence Williams, kindergarten; Becky Scott, 1st; Theresa Walterscheid, 1st; Jane Weinzapfel, 2nd; Mary Ahrens, 2nd-3rd; Carol Dyer, 3rd; Rosemary Dankesreiter, 4th; Dee Dee Rosson, Resource (Learning Disability); Kerry Bryan, Speech; Juanita Walterscheid, 5th; Marilyn Burrows, 5th-6th; Prue Selby, 6th; Ted Heers, Jr. Hi Social Studies, Coach; Bob Gross, Jr. Hi Math, Coach; Barbara Robison, Jr. Hi Reading, Computer Literacy; Phyllis Coffey, Jr. Hi English, High School Photojournalism, Yearbook;

Also Jo Ann Pagel, P.E. grades 5-12, 8th Science, High School Health; Gerri Colwell, 8th Earth Science, Librarian; Jon Ward, All levels of Band, High School Math; Dewey Sims, 7th Life Science, Coach, High School Health, Intro, to Biology.

Please See SCHOOL, Page 2

## Juhree Davenport named Cooke County chairman

AUSTIN - Juhree Davenport of Gainesville has been named the Cooke County chairman for the re-election campaign of Bill Clements.

Ms. Davenport will direct the organizational efforts in Cooke County. Anyone interested in working on the campaign in Cooke County should contact Ms. Davenport at 817/665-0376.

"I am fully committed to help Bill Clements be re-elected Governor and am thrilled to be involved in this exciting campaign," Ms. Davenport said.

"I believe Bill Clements was a good Governor for the State of Texas four years ago, and that we need his commitment to leadership to restore integrity back at the state's helm," Ms. Davenport ad-

ded. Ms. Davenport will be working with Bill Clements' Regional Chairman Mrs. Jacque Allen of Wichita Falls, Texas throughout the campaign.

The Clements campaign is building a strong grassroots organization in all 254 counties of Texas.

## City budget and tax increases pass easily

City councilmen met no resistance Tuesday night at the city budget hearing. "We've made every effort to trim the budget of any unnecessary expenses in order to make it work," said City Manager Joe Fenton, "I am confident that it will." The following departmental budgets were approved for fiscal year 86-87:

General Fund	
Administration	\$62,400
Police	89,900
Fire	15,750
Street	107,000
Health	3,100
Park	18,000
Pool	15,200
Sanitation	106,100
Library	4,500
Misc.	10,000
<b>Total Expenses</b>	<b>\$431,950</b>
Water Dept.	\$143,750
Sewer	40,550
<b>Total</b>	<b>184,300</b>
<b>Total City Budget</b>	<b>\$616,250</b>

The tax rate was set at 44 cents per \$100.00 valuation which is an effective increase of eight percent over last year's income. Last year's tax rate was 43 cents per \$100.00 valuation. The one-cent rise in rate gives an eight percent increase in income because the tax base increased.

Harvey Lamkin and Donna Biffler renewed their request on behalf

of the residents of Hillcrest and Endres streets in southeast Muenster. "There has still been no action on curbing the remaining uncurbed areas on our streets. We're asking the city to go ahead and initiate action as they have other times." Mayor Grewing said a letter would be written to Urban Endres requesting contract action by Sept. 9. The city will otherwise start

public hearing and bid procedures. Road grader work for the washed-out gravel streets was promised as soon as roads are suitably dry.

In other action, council decided to wait till Sept. 21 to approve or disapprove the Cooke County Tax Appraisal District Budget.

Jack Flusche, John Bartush and Ben Bindel were re-appointed to the park board.

A 1905 HORSEDRAWN HAY BALER will be one of the many antique pieces of farm equipment demonstrated at the Antique Machinery Show Sunday in Lindsay.  
Photo by Janie Hartman

## Antique Machinery Show slated Sept. 7

Cooke County Antique Tractor and Farm Machinery Association wishes to extend an invitation to everyone to the Antique Machinery Show Sunday, Sept. 7, at the Tractor Pull Arena in Lindsay. The show, the first of its kind in the area, will feature 40 pieces of antique farm equipment from the early 1900's, totally restored into working condition and painted in their original colors.

The day will start at 11 a.m. with a parade in the arena, featuring antique plows, tractors, threshers and more. A description of all the equipment and how it was used will

be announced as they parade past the crowd.

Several times throughout the day wheat threshing, using a 1930 threshing, and hay baling, using a 1905 horse-drawn hay baler, will be demonstrated. Other events include a small engine display, corn grinding in a grist mill, old-time plowing, antique tractor races and kiddie pedal tractor pull.

The Lindsay Arena is located north of Lindsay on FM 1199 3 miles. Watch for the signs. Admission is \$2.00, with children under 12 admitted free. Lunch and refreshments will be available all day.

## Good News!

I will welcome you and be a father to you and you will be sons and daughters,' says the Lord Almighty.

### BREATHE NEW LIFE INTO "CONTRACTING OUT"

By Edwin Feulner

While some critics would have us believe that the theory of privatization is radically new, the idea of turning over some government functions to the private sector has been around for a very long time. It was thirty years ago, in fact, that President Dwight D. Eisenhower put the White House four-square behind a policy known as "contracting out"—a fairly straightforward privatization option which requires government agencies to hire private firms to perform certain jobs.

The Eisenhower administration policy—which continues to be observed mostly in the breach—specifies that "the federal government will not start or carry on any commercial activity to provide a service or product for its own use if such a product or service can be procured from private enterprise." Over the years, the government directive on contracting out has been battered, weakened, and when all else has failed, ignored.

The current policy merely requires federal agencies to conduct detailed cost comparisons between "in-house government suppliers" and private contractors. The squishy rules governing the cost comparisons, of course, are heavily tilted against private contractors. The process has been further complicated by Congress, which in response to pressure from federal employee unions has passed more than twenty individual measures restricting the practice.

In other words, contracting out exists today mostly in name only. While the policy is still on the books, it has been wrapped and bound in endless red tape, and locked away in the government's attic.

That, of course, is where the Grace Commission found it—barely alive, but still hanging on.

Federal budget-watchers believe that following the thirty-year-old policy, as originally intended, could cut government costs by an estimated one-to-three-billion dollars a year.

According to a study by Steven Moore, the greatest potential cost-savings could be found if the government turned to private firms to provide such routine services as data processing, janitorial services, and maintenance work. Such are generally known as "commercial services," because they are routinely available from the private sector.

Interestingly, Moore's research shows that the federal government currently employs nearly one-million workers who perform 11,000 separate commercial activities—services which could be carried out by private firms at substantially lower costs.

Even though the Reagan administration's FY 1987 budget calls for more contracting out, agency opposition and foot-dragging, coupled with the barriers created by Congress, has brought the process to a near standstill.

It is now up to Congress and the White House to show whether they are really serious about saving money. Congress needs to remove its restrictions. Not only does contracting out cut spending while preserving the level of services government provides, in many cases the services are improved.

The White House, for its part, needs to show the bureaucrats it is serious about the matter. It should do so by letting its political appointees know that it won't tolerate any more foot-dragging. Those who do so should be told to find employment elsewhere.

(Feulner is president of The Heritage Foundation, a Washington-based public policy research institute.)

## EPA may grant you leeway on underground tank rule

Warning: If you own underground storage tanks for your business, with few exceptions, you should have given EPA basic information about your tanks by May 8, 1986.

Congress wanted both the Environmental Protection Agency and state agencies to alert small-business owners on the requirement, but debate over this year's budget held up education funds in some states.

The funding delay and the number of business owners who recently have called EPA for information about the rule prompted the agency to inform NFIB that late penalties will not be enforced rigidly as long as the owner did not knowingly ignore the rule.

EPA defines underground storage tanks as tanks with at least 10 percent of their volume below ground.

Major exceptions to the rule include tanks used for storing heating oil that is burned on the premises, and residential and farm-fuel tanks of less than 1,100 gallons storing motor fuel for non-commercial use. Tanks that are above the floor in an underground area such as a basement also are excluded.

Non-compliance can result in fines of up to \$10,000 per tank. The ruling requires that you give EPA information on the age, size, type, location and uses of existing tanks that contain petroleum products or various other substances labeled "hazardous" by Congress.

## Bicycle safety rules stressed

by Elizabeth Hanford Dole  
Secretary, U.S. Department  
of Transportation

In recent years, the Department of Transportation has placed major emphasis on improving the safety of individuals in all modes of transportation, including bicycles. More and more people are riding bicycles for transportation as well as recreation. Most of the millions of bike enthusiasts around the

country understand that while bicycling can be fun, and represents an excellent form of exercise, it also can be extremely hazardous, particularly in congested traffic.

Bicyclists should be aware of the danger and take all necessary precautions to protect themselves. One of the best ways to guard against serious injury is to wear a safety helmet. There is good, sound reasoning behind that advice.

Head injuries are the leading cause of death or serious injury in bicycle accidents, and helmet use can substantially reduce this risk. Just as drivers and passengers are developing the habit of wearing safety belts in cars, I would like to see bicyclists develop the equally healthy habit of using safety helmets. Helmets are available for children, as well as adults.

Adult bicycle safety helmet buyers should look for a seal indicating that the helmet meets the safety performance standard of the American National Standards Institute or the Snell Memorial Foundation. Bicycle helmets rated by the American National Standards Institute are identified inside with a seal reading, ANSI Z90.4-1984. Helmets rated by the Snell Memorial Foundation carry a seal inside that reads SNELL.

In addition to a safety helmet, bicyclists should wear highly visible clothing so it will be easier for the drivers of motor vehicles to see them.

Many bicycle crashes could be prevented if riders would follow these safe riding suggestions:

\*Ride on the right side of the street, with the flow of the traffic.

\*Always wear a securely fastened hard-shell helmet and high visibility clothing.

\*Look behind for other traffic before changing lanes or positions within a lane.

\*Make a full stop at stop signs and red lights. Look both ways before proceeding.

\*Yield the right-of-way when changing lanes or entering a major street from a side street.

\*Avoid riding at night, if possible. But if you do ride at night, wear light-colored clothing and be sure that lights and reflectors are on the bicycle.

An estimated 79,000 bicyclists are injured in collisions with motor vehicles annually, and in 1985, 890 bicyclists died from injuries sustained in these collisions. Most at risk, however, are young bicycle riders. More than two-thirds of those who lost their lives in 1985 were under the age of 25 and nearly half, 396, were under the age of 15.

Bicycling can be fun, as it should be. But make sure it's safe too, by protecting yourself.

### Whatever happened to "being a kid?"

It's not all fun and games anymore. Broken homes. Latchkey kids. Runaway children. Drugs and alcohol. Child pornography. Incest. Child abuse. The truth is—it's tough being a kid today. Very tough. That's why Kiwanians are involved with the children in this community. That's why we're asking you to join us. Projects include safety programs to summer camp experiences. Bicycle rodeos to horseback riding for handicapped children.

We want to help our kids grow up. But equally as important, we want to help them "be a kid."

A message from this newspaper and your local Kiwanis club.

The new age 21 drinking law, Chief Tompkins said, "We're going to enforce the law to the best of our ability, just because you've been drinking for one or two years doesn't mean you can keep on. But our local kids are not the big problem here, it's the out-of-towners. In the many fights Thursday night, not one local person was involved."

She mentioned a reminder to everyone driving in the school zone to be extra careful now that school is in session. The speed limit on Main Street is 20 mph between the warning signs when they're flashing. Limit is 15 mph on school streets between 7 a.m. and 4 p.m. No warnings will be given. Every offense gets a ticket.

## Sales tax payments mailed to 1,026 cities

AUSTIN - State Comptroller Bob Bullock sent checks Aug. 8 totaling \$107.7 million in local sales tax payments to the 1,206 cities that levy the one-percent city tax.

Bullock said the monthly allocations were down .14 percent in August compared to a similar period last year.

Smaller checks to some cities reflect a downturn in the Texas economy, he said.

Houston received the largest check, \$17.3 million, bringing Houston's total 1986 payments to \$99.6 million, down four percent over last year. Dallas' check for \$13.6 million pushed its total to \$73.5 million this year, a four percent decrease over 1985.

San Antonio's payment of \$7.1 million increased its 1986 total to \$39.3 million, up three percent. Austin received \$5 million for a total \$29.1 million, a three percent decrease over 1985 payments.

Fort Worth's check for \$4.2 million brought total payments to \$24.2 million, five percent over last

year's payments. El Paso received \$2.6 million, increasing its total to \$15.3 million, up seven percent over 1985.

Bullock also sent check totaling \$50.1 million to the state's six Metropolitan Transit Authorities. Houston's MTA payment was \$19.9 million for a 1986 total of \$115.4 million. Dallas' DART check was \$19.2 million, bringing total payments this year to \$110.4 million. Austin's Capital Metro received a \$5 million check for a yearly total of \$29 million. VIA in San Antonio received \$3.9 million, increasing payments this year to \$21.5 million. Fort Worth's MTA check for \$1 million brought that city's total to \$5.7 million this year. Corpus Christi's MTA received a check for \$939,646 bringing total payments for the year to \$3.5 million.

August checks represent taxes collected on sales in June and during the second quarter and reported to the Comptroller by July 20.

## Recycling aluminum cans can be helpful

**MÜNSTER** - Whether the motive is earning extra spending money, providing income for a non-profit organization or helping to keep the environment clean, recycling aluminum cans can be a helpful pastime or hobby.

And because people drink more beverages during the summer, there's no better time to get into the recycling habit, according to a spokesman for the Sacred Heart Recycling Center.

"Of course, we encourage people to recycle their used aluminum cans on a year-round basis," said Carol Grewing, recycling coordinator, "but the summertime can be much more productive because there are simply a lot more cans out there."

The Sacred Heart Recycling Center is operated by Sacred Heart Church under the sponsorship of Gilbert Endres Distributing, Inc. Located at 730 N. Main Street, the center is open Saturday, 9 a.m. to noon.

Grewing said the price being paid for used aluminum beverage cans is ranging from 22 cents to 25 cents per pound this year. Approximately 26 used aluminum cans make one pound.

"Last summer, the price we were able to pay for recycled cans was less than it is this year," Grewing said, "and even then the public continued to bring in cans." "It seems to us that people are

becoming more and more aware of the benefits of recycling. They recognize that recycling their aluminum cans helps keep our community and the environment cleaner and helps conserve natural resources. The extra money that can be earned by recycling the jobs and funds provided to not-for-profit organizations are additional advantages," said Grewing.

The Sacred Heart Recycling Center is one of more than 500 sponsored by Anheuser-Busch wholesalers throughout the United States in cooperation with Container Recovery Corporation (CRC), the recycling subsidiary of Anheuser-Busch Companies, Inc.

Last year, CRC and the network of wholesalers became the leading recycler of aluminum in the United States, recycling more than 270 million pounds of aluminum or about 6.5 billion used aluminum beverage containers.

## 4-H Club active on Adopt-A-Highway

The Muenster 4-H Club, having adopted a two-mile section of Hwy. 82 East, met at 12:45 on Aug. 23 to put concentrated work into this project.

Twenty-four 4-H'ers, one extra child and five adult leaders worked for three hours, covering a two-mile stretch. The area covered was both sides of the highway and the median, amounting to six total miles cleaned of highway litter by the group.

The students wore reflective vests provided by the highway department. "Litter crew ahead," signs were set up by an employee of the highway department from Nocona.

A highway department truck followed the "crew," providing trash sacks and drinking water at rest stops. The truck bed was completely filled when the group finished.

The 4-H'ers were the first group from Muenster to clean up their

area. It is required to the group to conduct two major cleanups each year. This saves the taxpayers' money, for the highway department to use for other projects.

The "Adopt-A-Highway" program is designed to make the public more aware of trash that is thrown out by people, or trash that blows out of pickup beds.

4-H'ers ask the public to please THINK before throwing trash out on the highway.

Helping with the litter cleanup were Jared, Weldon, Heath, Lucas, Deano, Vickie, Kelly, Jordan, Jeremy and Curt Bayer.

Wayne, Werner and Michael Becker; Andy Burnette, Darrin and Dana Hess; Charles Johnson; Michael, Daniel and Robert Profner; Sheryllyn and Staci Sicking; Marcia, Amber and Rodney Vogel.

Adult leaders were Barbara Bayer, Donna Bayer, Virginia Profner, Evelyn Sicking and Larry Vogel.

## TAPASHAC Club to meet in Decatur Sept. 7

The Texas Arrow Point and Artifact Society Hunters, Appraisers and Collectors will have a program Sunday, Sept. 7, at 2:30 p.m. in the Conference Room of the Decatur City Hall. The City Hall is located one block east of the Wise County Courthouse in Decatur.

Mr. Gregory Perino of Idabel, Okla. will give a program on his work with Indian and Early American Artifacts.

Mr. Perino, possibly the nation's leading authority on identifying and naming ancient artifacts and stone weapons, is a highly respected archaeological consultant. He has written many papers and several books about the subject, as well as working for the Gilcrease Museum of Tulsa, Okla. for many years.

Mr. Perino has excavated 110 mounds and village sites and excavated more than 4000 burial sites around the nation.

This program is open to the public, with a carpool leaving Sacred Heart church parking lot at 1 p.m. Sunday. Anyone interested is welcome.

that clearly stands to benefit oil producers in Texas and other states which have been hit hard by the international slump in oil prices," Gramm said.

Formal solicitation of bids will be made within two weeks, Gramm said.

The senator said that DOE is expected to select the winners of the bidding in early October.

Specifically, DOE is seeking bids on "West Texas Sour" crude oil, Gramm said.

"DoE wants a reasonable price, a quality product and an agreement to move the crude oil to the Strategic Petroleum Reserve terminal at Nederland, all of which Texas producers should be able to provide," Gramm said.

"This is the first step on a project

## Gramm says U.S. to buy oil from Texas

**WASHINGTON** - U.S. Sen. Phil Gramm has announced that the U.S. Department of Energy has decided to "aggressively seek bids from Texas oil producers to fill the Strategic Petroleum Reserve."

"We have encouraged DOE to take this action for some months, so I am pleased that the department is moving forward on this project," said the senator.

Gramm said that DOE will try to obtain up to 35,000 barrels of oil daily for the reserve from U.S. producers.

He noted that DOE has been reluctant in the past to specifically seek domestic crude oil to fill the reserve, in part because of an existing supply agreement with Mexico.

## State Fair salutes Sesquicentennial

"Texas 150," a Lone Star-sized salute to both the state's sesquicentennial and the 100th anniversary of the first State Fair of Texas, will officially open its gates Sept. 26 at Fair Park, Dallas.

The 1986 version of the State Fair of Texas, packed with entertainment and exhibits, handicrafts and homecooking, fireworks and farm animals, plus much, much more, will continue through Oct. 26.

It will be preceded by four weekends of special events in the 277-acre park, which has just undergone an \$18 million renovation and restoration program.

Weekend events will kickoff Aug. 30-Sept. 1, the Labor Day weekend, with a Home Show in the Tower Building, an Arts and Craft Show in the outdoor Mall and a Sports/Boat/Recreational Vehicle Show in the Automobile Building.

Later weekends will feature a flea market, miniature horse show, quarter horse show and a variety of concerts. The Midway will also be open on these September weekends.

The highlight of exhibits at this year's Fair will be the Texas Pavilion, which will fill the Hall of State with historic documents, photographs, maps, artifacts and other items which trace the heritage of the Lone Star State.

The centerpiece of the Texas Pavilion will be "In the Name of Liberty," a display of copies of the Magna Carta, the U.S. Declaration of Independence, the Texas Declaration of Independence and Col. William B. Travis' heroic letter from the Alamo.

Another major exhibit will be the 17,000-square-foot China Pavilion in the Centennial Building. Organized by the Council for the Promotion of International Trade of the People's Republic of China, the pavilion will feature a replica of the Great Wall of China, artisans who demonstrate handicrafts of the country, numerous products for sale and performances by the Incredible Acrobats of China.

Other outstanding exhibits will include a look at the 25-year history of the National Aeronautics and Space Administration, examples of the state's best architecture and "36-86," the Texas Department of Agriculture's Food and Fiber Show, tracing 50 years of products and progress.

"Cats," the national touring company production of one of Broadway's biggest hits in recent years, will be presented in 24 performances, Sept. 30-Oct. 19, in the Music Hall.

The unconventional and innovative musical is based on T.S. Eliot's volume of light verse, "Old Possum's Book of Practical Cats," and features music by Andrew Lloyd Webber of "Evita" and "Jesus Christ Superstar" fame. Tickets range in price from \$6 to \$40 and can be ordered through Rainbow Ticketmaster outlets (214/787-2000) after Sept. 1.

An assortment of free entertainment will also be available each day of the Fair. Included will be a water sports show, a parade, a fireworks display, an ice show and concerts by individuals and groups, such as Steve Wariner, Randy Travis, Boyfriend, Rob Dixon and the Lost Cowboy Band.

Livestock events during the Fair will include national shows for Brahman, Santa Gertrudis, Simbrah and Brown Swiss cattle, dairy goats, donkeys and mules, as well as extensive competition for various breeds of horses, sheep, swine, sheepdogs, rabbits, poultry, beef and dairy cattle. Special attraction in the livestock area will feature pig races and displays of longhorn cattle, pygmy goats and beefalo.

The Creative Arts Department expects hundreds of entries from all over the state and nation for its myriad contests in arts and crafts, hobbies, collections, sewing and cooking. Special contest this year will pick winners in "shoe box" floats, cake walks, sesquicentennial quilts and banners, the "Best of Texas Birthday Cake" judging and a Big Tex look-alike contest.

A sesquicentennial fashion show will recall the styles of the past, and Frigidair will provide a working 1936 kitchen for food demonstrations from that time.

Traditional college football rivalries will be spotlighted in three exciting Cotton Bowl games. SMU and TCU will meet in the Dr Pepper Classic on Sept. 27. Grambling and Prairie View will play on Oct. 4. AND Texas will clash with Oklahoma on Oct. 11. Those interested in buying tickets should contact the schools involved.

The annual Automobile Show, which introduces 1987 models; the 212-foot Texas Star, tallest ferris wheel in the western hemisphere; special exhibits at several of the museums located on the Fair grounds, and the State Fair's always tempting assortment of rides, food and games will also lure visitors to the 1986 event.

New landscaping, additional lighting and improvements to some of the structures built for the 1936 Centennial Exposition will be

## Volunteer firemen called to Cain home

The Muenster Volunteer Fire Department answered a fire call to the Chris Cain home on North Maple St. Tuesday, Sept. 2, at 7:30 p.m. for a grease fire on the kitchen range. The fire was extinguished by

the owner but cabinets had burned areas and there was moderate smoke damage. Firemen used smoke fans to remove smoke and odor from the house. This was the first fire call since Aug. 4.

# Lifestyle

**LINDSAY HIGH GRADUATES OF 1956**, who held a reunion on Aug. 23, are, seated, l to r, Virginia Hess, Dorothy Greving, Virginia Noggler, Tommy Corcoran, Irene Loerwald, Alfred Hess. Standing, l to r, are Henry Fleitman, Lucy Westbrook, Leroy Kupper, Mary Jane Fleitman, Paul Sandmann, Beatrice Wolf, Mickey Haverkamp and Leroy Schmidkofer.

## Lindsay High grads of '56 hold reunion

Lindsay High School graduates of 1956 held a reunion on Aug. 23, marking their 30th anniversary. The party and dinner were held at River Valley Country Club. The event was planned by Mickey Haverkamp and Virginia Noggler.

Dinner and decorations were arranged by Lucy Westbrook and staff of River Valley. Mrs. Westbrook displayed the class motto on

the wall and used multi-colored balloons and floral arrangements to highlight the rainbow-hues of their class colors. Votive candles and linen cloths were placed on guest tables.

## Mark Bayer celebrates first year

Mark Bayer, son of Carl and Norma Jean Bayer of Muenster, celebrated his first birthday on Thursday, Aug. 28.

The birthday party began with a hamburger supper at home and then cake and ice cream for dessert.

Those attending the party were parents, Carl and Norma; brother Travis; grandmothers Rosalee Bayer of Muenster and Dorothy Richardson of Gainesville. Many other relatives and friends were there to celebrate Mark's first year.

# Wedding held in Kentucky

The wedding of Sarah Anne Means and Christopher LaMont Hellman was held on Saturday, Aug. 9, in Church of the Holy Spirit in Louisville, Kentucky.

Father Roche of the Dominican High School in Irving celebrated the Nuptial Mass. He is a faculty member of the school attended by the groom in Irving.

The bride is the daughter of Mr. and Mrs. Robert Henry Means of Louisville, and the groom is the son of Dr. and Mrs. Wayne LaMont (Monte) Hellman of Irving. He is also a grandson of Mrs. Rudy J. (Alice) Hellman of Muenster.

The bride wore her mother's

wedding dress, worn almost 40 years ago.

Mrs. Mary Means Cope of Memphis, Tenn. was her sister's matron of honor. Bridesmaids were Susan Elizabeth Hunt of Nashville, Tenn., Mrs. Kenya Clements Stroud and Brenda Leigh Hellman, sister of the groom of Dallas.

Patrick Wayne Hellman of Dallas was his brother's best man. Ushers were Duane August Newman of Kansas City, Mo., Todd Allen Emery of Houston, Kenneth Walton Sloan and Todd Randall Moore, both of Dallas.

A reception and luncheon followed the wedding Mass, at Louisville Country Club.

The bride is a member of Kappa Delta and a magna cum laude graduate of Vanderbilt University. The groom is a member of Phi Kappa Sigma and a cum laude graduate of Vanderbilt and is now a student at the University of Texas Health Science Center in Dallas.

### REHEARSAL DINNER

Dr. and Mrs. Monte Hellman, parents of the groom, were hosts for the rehearsal dinner on Friday, Aug. 8, on the "Bonnie Bell," a sailing boat on the Ohio River, with about 125 guests coming aboard at Jeffersonville, Ind. at 6:30 p.m.

Guests, who were relatives of the groom, included Mrs. Ernie Hellman of Muenster, grandmother of the groom; Peggy Gobble, Tim Hellman and Queenie

Walterscheid of Muenster; Mary Nell Newman and daughter Peggy of Kansas City, Mo.; Florentine and John Pappas and their daughter Pam Tourdas, all of Jacksonville, Fla.; Isabelle Swirczynski of San Angelo and her daughters Alice Rodenbaugh of Dallas and Coleta Moore and two children of Huntington, West Virginia; Emma and George Proctor of Atlanta, Georgia.

Also Gretchen and Dick Syverson with Kim, Sandy and Tracy; Mike, Lori and son Chris; Dale and Mary, all of Waukesha, Wisconsin; Matt Bielsmowicz of Dallas, a friend of Brenda Hellman, and Dr. and Mrs. David Beacham.

Also Charlie and Barbara Classe and children John and Jean of Richardson; Rick and Susie Phillips of Carrollton.

All were guests at the rehearsal dinner Friday evening and for the wedding Saturday at noon.

## 49 attend Harris reunion August 24

Forty-nine relatives attended the Harris reunion held on Aug. 24.

They were Lester and Kathryn Harris of Muenster; Billie Dennis of Gainesville; Clifford and Ruby Elrod of Lubbock; Pam and Christy Thompson of Fort Worth; Jim and Jo Brookshear of Whitesboro; Frances Brinson of Whitesboro; Howard and Geneva Harris of Floydada; J.B. and Lois Angley of Stillwater, Okla.; Jackie C. Harris of Dallas; Frank and Shirley Angley of San Antonio; Lorene Brewer of Dallas; Emma Frank of Saginaw.

Also Margerree and Charley Harris of Henrietta; Ernest and Pauline Angley of Duncan, Okla.;

Elmore and Wanda Angley of Portland, Tx.; Wayne and Monita Edwards of Malakoff, Tx.; Arvil Turner of Duncan, Okla.; J.D. Heard of Duncan; D.W. and Nola Harris of Saint Jo; J.C. and Mary Nell Donnell of Saint Jo; Jerl and Trivilla Smith of Irving.

Also Faye Dunkin of Irving; Laura Bell and Ted Jackson of Forestburg; Gertie Belle Smith of Irving; Henry and Veve Angley of Duncan, Okla.; Inez H. Dunn of Irving; Wanda Tucker of Saint Jo; Raima Scott and children of Forestburg; Relma Poyner of Waldron, Ark.; and Yvonne Scott of Forestburg.

## Music revival to be held at Prairie Point

There will be a Music Revival Friday, Sept. 5, through Sunday, Sept. 7 at the Prairie Point Church of the Nazarene.

Friday night service will begin at 7:30 p.m.; Saturday night at 7 p.m.; and services Sunday will be held at 11 a.m. and 2 p.m.

Sunday School will begin at 10 a.m. Following the morning service, the church will have a dinner for everyone at the new Forestburg Community Center.

After the noon meal, everyone is invited to remain at the community center for an old-fashioned gospel singing. The service will be over by 3:30. There will be no night service at the church.

Doye and Theda Day from Bowlegs, Oklahoma and Scotty Stockton from Tyler will be the singers for the meeting.

Everyone is cordially invited to attend every service, an invitation issued by Marshall Stewart, pastor of the church.

**Ride For Safety**

## CCD classes to begin Sept. 10 at Sacred Heart

Religious education, or CCD classes for Sacred Heart children attending public school, will begin on Wednesday, Sept. 10. Parents are asked to drop off their children at about 6:50 p.m. at the Sacred Heart School. The classes will be followed by Mass at 8 p.m. and parents are urged to attend, especially this first week for "Family Night." Teachers and aides for this year include Darlene Miller, Lynn Hacker and Rosina Kubis for kindergarten; Margie Wimmer, Katie Hamilton, Carol Klement and Janie Hennigan for

1st grade; David and Linda Vogel, Linda Knabe and Sandra Hennigan for 2nd; Tom and Judy Flusche for 3rd; Kay Wimmer and Pat Wimmer for 4th; Dennis and Kathy Hess and Annette Anderle, 5th; Laura Stoffels, Harriet Pagel and Colette Biffle, 6th; Dorothy Fleitman and Lupe Evans, 7th; Betty and Robert Miller, John and Jerry Walterscheid, 8th; Jan Hellman and Johnny and Jeanette Reiter, 9th; Kenneth and Marilyn Bierschen, 10th; James Hebert, 11th; and Pam Fette, 12th.

## SH and MHS graduates of 1961 hold reunion June 14

The 1961 graduating classes of both Muenster schools, Sacred Heart and Muenster High, gathered for their 25th-year-reunion on June 14 in the KC Hall in Muenster.

A dinner, catered by Rohmer's Restaurant, was followed by a program and then dancing to music from the fifties and sixties.

Dolphy Joe Hellman was master of ceremonies. He also asked the group to remember deceased members of the classes and Tim

Hellman led the group in a memorial prayer.

Ted Miller and Milton Fette read their class prophecies.

Those attending voted for Most Changes - Veronica Hess and Tim Hellman; Least Changed - Charlotte Trubenbach Hermes and Tom Vogel; Most Miles Traveled To Attend - Dolly Otto Gilley. Each of these was gifted with a ceramic mug with the winning title inscribed.

Door prizes were won by Dolores Derichsweiler Zimmerer, Janie

Endres Taylor, Billy Don Wolf, Jim Harris, Tim Hellman, Margie Vogel Fuhrmann and Virginia Vogel Sherrill.

Shown in the accompanying photo are, front row: Jeanette Walterscheid Reiter; Jeanette Muller Hellinger; Dolores "Dolly" Otto Gilley; Gerrie Trubenbach Walterscheid; Betty Ann Dangelmayr Flusche; Dolores Derichsweiler Zimmerer. Second row: Milton Fette; Virginia Vogel Sherrill; Margie Knabe Starke; Veronica Hess; Charlotte Trubenbach Hermes. Third row: Dolphy Joe Hellman; Anthony Knabe; Ted Miller; Margie Vogel Fuhrmann; Herbert Knabe; Dink Hudspeth. Fourth row: Roger Taylor; Jane Endres Taylor; Tim Hellman; Dick Pagel. Fifth row: Tom Vogel; Billy Don Wolf; Larry Wimmer and Clyde Walterscheid.

## Grant is three

GRANT HARTMAN

Grant Andrew Hartman's third birthday was observed in Bryan on Aug. 8 and his party was held the

next evening, hosted by his maternal Grandmother Fazzino, during the family's vacation visit in her home. Grant's parents, Roy and Irene Hartman, his sister Ashley and brothers Justin and Lucas spent part of the vacation in Galveston.

A hamburger supper, decorated cake and Care Bear decor added to the fun, with gifts and pictures.

Together for the event were the hostess, Mrs. Don Fazzino Sr., an uncle, Don Fazzino Jr., and other uncles, aunts and cousins, Steve and Lu Scarmardo and Marian, Rose, Stephanie and Christina; James and Diane Patranella and Gina and Sonny; and a friend, Frank Varisco and Grant's parents, sister and brothers. The family returned to Muenster on Sunday.

## Schedule of Meetings

**4-H Club**  
The Muenster 4-H Club will meet Tuesday, Sept. 9, at 3:30 p.m. in the auditorium of Muenster Public School. Members are reminded of registration and new members are welcome.

**Chamber of Commerce**  
The monthly luncheon meeting of the Muenster Chamber of Commerce will be held on Tuesday, Sept. 9, at noon at The Center Restaurant.

## Cooke County 4-H clubs meet

What is 4-H? 4-H is an exciting youth program that helps young people learn how to do new and interesting things through learn-by-doing projects.

Boys and girls from the 3rd grade to age 19 take part in 4-H by joining a 4-H club. A 4-H club is a group of boys and girls who participate in 4-H projects, run their own club, elect officers and develop their own program with the help of adult volunteer leaders. Improving leadership and citizenship are two of the greatest benefits of 4-H club membership. Above all, 4-H is educational. 4-H explores everything from sheep to safety, from cooking to camping, from square dancing to veterinary science.

There is no membership fee but each member is usually responsible for financing his or her own project. 4-H is the youth phase of the Texas Agricultural Extension Service.

4-H involves the family in fun and work. Members select and conduct their project with the approval and support of parents. Parents provide encouragement and much of the resources needed by the 4-H'ers for project work. The understanding parent is often the force that helps 4-H members through their beginning years of 4-H and sets the stage for a fulfilling and enriching experience as a senior 4-H member.

If you are interested in joining a 4-H club this year, here are some of the local clubs, their meeting dates, time and location. If anyone in the community has a question about 4-H enrollment, contact the County Extension Office at 668-5412.

This is an invitation sent by members of the 4-H Club in Muenster to all students in grade 3 through age 19. "Come and join the fun at the first meeting of the Muenster 4-H Club on Tuesday, Sept. 9."

Project areas cover a wide range of interests from beef, sheep, swine and other livestock to foods and nutrition, clothing, leather and other crafts.

Opportunities are also available in leadership and community service. "These are only a few of the projects we will be covering this year," say 4-H members, their officers and adult leaders. "You will have fun making many new friends. We are hoping to see all of you at 3:30 p.m. for the first meeting of the school year next Tuesday. Come and see how much fun you can have in 4-H."

## Berry reunion held

About 85 descendants of the late W.T. and Eliza Berry, and Henry and Julia Berry gathered at the Ross-Point Community Center on Sunday, Aug. 24, for their annual reunion.

Groups began arriving about mid-morning, with lots of visiting and meal preparation enjoyed.

Mr. and Mrs. Clifford Hudspeth of Forestburg were in charge of the 1986 reunion plans.

George Berry extended greetings to all present at the noon meal and gave several announcements. He called attention to a beautiful silk flower arrangement on the registration table brought by Edna Orrell in memory of David Orrell, son of Edna and Bailey Orrell who passed away this spring.

Judy Stephenson of Gainesville offered the Lord's Prayer.

Charles Berry of Wichita Falls gave the invocation, followed by serving of a lovely meal.

First-time visitors were asked to stand, give their names and branch of the family tree and their hometowns.

Coming the greatest distance were Hiram and Lucinda McCracken of Black Mountain, North Carolina, who were visiting Texas for the first time. They brought a picture to display of a little 105-year-old brick Methodist Church.

This church replaced a log church which burned. Land for the church was given by Joseph and Sarah Vaughan McCracken, great-great-grandparents of many of the older persons attending the 1986 family reunion. Joseph and Sarah Vaughan McCracken are buried in the churchyard burial ground. This

church received recognition last week as a church of continuous service for more than 100 years. The McCracken-Berry-Crabtree reunion is held in the church annually.

Another present for the first time was Juanita (Palmer) Warriern of Milburn, Oklahoma. She descends from the Palmer lineage, who were very early settlers in the Rosston area. She is working on a Palmer reunion scheduled for mid-June 1987 at the Ross-Point Center.

Archie and Maxine Peers of Krum will be in charge of arrangements for the 1987 Berry reunion. Ann Knight of Era and Eunice Nelson of Woodbine will plan entertainment for them.

Relatives attending the 1986 Berry reunion came from Amarillo, Wichita Falls, Bowie, Nocona, Gainesville, Dallas, Denton, Fort Worth, Saint Jo, Valley View, Arlington, Austin, Houston, Alvord, Forestburg, Texas, and North Carolina, Oklahoma and Arkansas.

## Anna Celeste Weber dies at 88

Mrs. Anna Celeste Weber, 88, died on Tuesday, Aug. 26, in Fort Worth Osteopathic Medical Center. She was a resident of Western Hills Nursing Home in Fort Worth, and had lived for short periods of time in Windthorst, Scotland, Wichita Falls, St. Louis, Mo. and Kerrville before moving to Muenster in 1934.

She married Ben Weber of Gainesville on April 23, 1935 and he preceded her in death on Sept. 12, 1977. She lived in Gainesville until 1983 and resided in Fort Worth until her death.

Mrs. Anna Celeste Weber, born on Aug. 21, 1898, was a daughter of the late Sidney J. and Henrietta Ahrens Martin. She was a sister of the late Mrs. Tony Otto of Muenster.

Funeral services were held in St. Mary's Church in Gainesville, with Father Nicholas Fuhrmann officiating for the Mass of Christian Burial on Aug. 28. Burial, under the direction of Geo. J. Carroll and Son Funeral Home, was held in Fairview Cemetery.

Survivors include sons, Gene Hellman of El Paso and Lloyd Weber of Fort Worth; daughters, Leola Harman of Dallas, Helen Billo of Plano and Jo Ann Buehrig of Fort Worth; a brother, Bill Martin of Dallas; a sister, Emma Brown of Wichita Falls; nine grandchildren; and 12 great-grandchildren.

Pallbearers were Don Flusche of Muenster, and Melvin Otto, Ed Wolf, Mike Dudenhoeffer, Robert Bauer and Willard Kuhn of Gainesville.

Attending the funeral from Muenster were Hazel and Joe

Flusche, Aileen and Tony Hoenig, Jewel and Earle Otto, and Tillie and John Otto. Also Mr. and Mrs. Tom Otto, Mrs. Marie Otto and Mrs. Pat Noggler, also nieces and nephews from Wichita Falls, Dallas and Fort Worth.

## New Baby

**Matt**

Mr. and Mrs. Stephen Matt of Aurora, Colorado announce the birth of their first son, Stephen Michael, a brother for their daughters Mariann, Michelle, Margaret and Marilyn. Stephen Michael was born on Aug. 31, 1986, weighing 7 lb. He is a grandson for Mr. and Mrs. William Matt of Tomball, Texas and Mr. and Mrs. Charles Bartush, Sr. of Muenster.

**Bartush**

Mr. and Mrs. Paul T. Bartush of Victoria are parents of their first child, a son, Paul Timothy, Jr., born on Aug. 29, 1986 in Victoria, weighing 10 lb. 4 oz. His grandparents are Mr. and Mrs. Fred Smith of Victoria and Mr. and Mrs. Charles Bartush, Sr. of Muenster.

**Baxter**

Mr. and Mrs. Brad Baxter of Nocona announce the birth of a daughter in Muenster Memorial Hospital on Wednesday, Aug. 27, 1986 at 4:10 p.m., weighing 8 lb. 5 1/2 oz. and measuring 20 inches in length. They have named her Whitney Leigh. Her grandparents are Herbie and Magdalen Yosten of Muenster, Jerry and Judy Meyers of Mansfield and Mr. and Mrs. Wylie Lewis of Muenster. The great-grandparents are Mrs. Susanna Noggler of Muenster and Mr. and Mrs. Massie Hankins of Nocona. Mrs. Brad Baxter is the former Thelma Lewis.

## Rosston News

by Ruth Smith

### Musical Revival set for Prairie Point weekend

There will be a musical revival at The Church of Nazarene in Prairie Point starting Friday evening, Sept. 5, at 7:30 p.m. Saturday service will be at 7 p.m. Sunday school will begin at 10 a.m., with worship services at 11 a.m. After church services Sunday, there will be lunch at the new Community Center in Forestburg. After lunch, there will be singing at 2 p.m. at the Community Center. There will be no church services Sunday night. There will be no preaching at these services, just gospel singing with inspiring words from the singers during the singing. Everyone is invited to come and enjoy this fine musical revival. Rev. Marshall Stewart is the pastor.

### Lovettes return from Colorado

Mr. and Mrs. Stanley Lovette recently returned to their home in the Rosston area after spending the summer at their cabin in the Rocky Mountains, near San Isabel, Colorado. Visiting them in Colorado were their grandchildren Ashley and Amy Hill of Forestburg, and Cory Pellet of Lake Dallas. Ashley, Amy and Cory accompanied their grandparents on visits to Palo Duro State Park near Amarillo where they attended the musical drama "Texas!" and to the Royal Gorge and other points of interest in Colorado.

### Attend grandson's graduation

On Aug. 24, Stanley and Audilee Lovette attended graduation exercises and ceremonies in Dallas for their grandson, Jason Bowman, who graduated from the Barbizon School of Modeling. Also attending were Jack and Linda Bowman, his uncle and aunt Dennis and Barbara Pellet and cousins Jeff and Corey Pellet of Lake Dallas.

### Attend Seabee reunion

On Aug. 29, Mr. and Mrs. Lovette journeyed to Lubbock where Stan attended the annual reunion of his World War II Seabee Battalion. Following the reunion they returned to their home.

### C.W. Martin celebrates

Mr. C.W. Martin was honored with a surprise birthday dinner Sunday, Aug. 31, at their home when 44 relatives came to help him celebrate. His granddaughter, Lanell, made and brought him a beautifully decorated cake with a horse and Indian and "88" on top. He received many gifts and cards, with one card coming from Alaska. Relatives came from Gainesville, Whitesboro, Dallas, Tom Bean, Pottsboro and Alvord. Mr. Martin will be 88 on his birthday Tuesday, Sept. 2.

Guests of Mr. and Mrs. Martin during the week were Mrs. Mary Lou Edwards, Mrs. Mary Greenfield Ashley and Jamie Alvord, Mr. and Mrs. Bobby Smith of Whitesboro, Doyle Cravens and son Bubba of Dallas and Wylie Edwards of Alvord.

Mrs. Eva Marie Addcock and Mrs. Beverly Fleitman visited Mrs. Fannie Ewing Sunday afternoon.

Mr. and Mrs. C.H. Christian spent the weekend visiting their grandchildren and getting acquainted with their new great-grandchild. They drove over to Springtown and visited great-grandson Ryan Christian and his parents. Then over to Stephenville where they visited Barry Christian and Fred Christian and family. Then on to Dublin to visit Mr. and Mrs. Mike Christian and Terra Michele and their new great-grandson, Austin Charles. They returned home Sunday.

Rev. and Mrs. Marshall Stewart's son Dwain Stewart and family of McKinney and Rev. Stewart's father of Hamlin were

visitors at The Church of Nazarene Sunday. Other visitors were Mrs. Delia Sutton and her two great-grandsons of Gainesville.

Mrs. Odessa Berry and Mrs. Katie Cook attended the funeral of their cousin, Mrs. Virginia McDaniel, in Gainesville Wednesday.

Dr. and Mrs. Jerry McKown, Kristin and Kimberly of Valley View visited Mr. and Mrs. Jack Berry one evening last week and they all had dinner with Mr. and Mrs. Johnnie Cook.

Mr. and Mrs. Richard Cook, Cristian and Jonathan of Irving spent the weekend with Mr. and Mrs. Johnnie Cook.

Mrs. Mary Ruth Kindiger took her granddaughter, Deidra Chapman, who had been visiting here, to her home in Austin. On their way they stopped by San Antonio for a day and visited Mr. Bailey Kindiger.

Mrs. Bobbie Handford and husband Rhett of Gainesville attended her class reunion Saturday at the Ross-Point Community Center. They had a hamburger cookout.

Mrs. Vena Settle had as her guests for the weekend her great-nephews, Jerry Don and Michael Adams of Arlington.

Among those attending the cookout at the Richardson Lake Saturday evening were Mrs. Vena Settle, Mrs. Opal Berry, Mrs. Estelle Kelley and Mrs. Joyce Hanson.

Miss Lois Bewley and Clyde had

as their guests during the weekend Ellis and Jo Stoffle of Tioga, Gene and Cindy Ferguson of Gainesville, Mrs. Ima King of Bowie, Cathy Cotton of Azle, Mr. and Mrs. Freeman Clark and son of LaGrange, Texas, Mrs. Bertha Bewley of St. Richard's Villa in Muenster, Rev. and Mrs. Merle Johns and two grandchildren of Justin, Tip and Ruth Christian and Bud and Pat Ford.

Mrs. Joyce Hanson, Mrs. Mag Huckabay and Mrs. Nannie Bonner were Gainesville visitors Wednesday.

Mrs. Estelle Kelley was in Forestburg Thursday on business. Saturday afternoon Estelle visited Merle and Tom Rosson in Era. Estelle's guests during the weekend were Raymond Kelley of Irving, Lanny Kelley of Era, and Jerry Kelley.

### Mrs. Brown visited by friends and relatives

Mrs. Evelyn Brown visited Mrs. Irene Harry Wednesday morning. Saturday guests of Mrs. Brown were Mr. and Mrs. Michael Brown and Bernie of Denton, and Miss Lori Brown. Sunday afternoon Mrs. Brown had a lovely visit at the C.H. Morris Lake with Mr. and Mrs. Raymond Brown, Raymond and Nancy Stevens and their sons Stevie and Walt and family of Valley View, Max and Shirley Mallicote and son John of Irving, and their daughter and husband, Melody and Vernon Lundquist of Dallas, and Eldon Brown.

## Hershal C. Knox dies in Dallas Aug. 29

Hershal C. Knox, of Forestburg, died Friday, Aug. 29, in a Dallas hospital.

He was born on June 4, 1911 in Forestburg to Max C. and Minnie Cordelia Minor Knox. He married the former Olga Warren on Dec. 24, 1955 in Ardmore, Okla. She preceded him in death on July 25, 1986. He was a farmer and rancher and a member of the Forestburg Baptist Church.

Funeral services were held Sunday, Aug. 31, at 2 p.m. in the Forestburg Baptist Church, with Jack Crain officiating. Burial was in

Perryman Cemetery, directed by Jerry Woods Funeral Home of Nocona.

Survivors include a step-daughter, Evelyn McGaughy of Nocona; a sister, Mrs. Edith McDonald of Arlington; a brother, Dee Roy Knox of Hilltop Lake; three grandchildren; four great-grandchildren; and two great-great-grandchildren. Also a sister-in-law, Mrs. Joe Knox of Forestburg; two nieces, Mrs. Audie Marie Hayes of Forestburg and Debbie Knox of Gainesville; and a great-niece, Roshanda Hayes of Forestburg.

## Mid-Year Investment Outlook

What are the prospects for the equity and bond markets for the rest of '86? Is Dow 2000 still a realistic target for the stock market? How will you be affected by proposed tax legislation in the years ahead? Our "Mid-Year Investment Outlook" examines all these questions and more. You'll get our top 10 stock recommendations and all the thinking behind them, plus the strategies our research analysts believe you should consider for the rest of this year. You also get a number of international investment opportunities and some very tax-wise ideas... whether legislation is enacted, or not.

MUENSTER JUNIOR VARSITY puts defensive pressure on a Howe runner during a scrimmage last week.

Photo by Janie Hartman

## Bud Light competing in playoffs

The Bud Light Softball team of Muenster, sponsored by Gilbert Endres Distributing, Inc., competing in the Division 2 Regional Play-offs at Ark Park in Fort Worth during the past weekend, won six of their seven games and will continue in the tournament Saturday, Sept. 6, at 1 p.m.

Postponement on Labor Day was caused by rain.

Bud Light now remains in the top 12 of 106 teams.

The top eight teams will compete in Florida in the National Playoffs.

Bud Light team members are Mel Walterscheid, Craig Walterscheid, Kirk Mollenkopf, Kenny Hartman, Monte Endres, Todd Richey, Jack Leaton, David Felderhoff, Angelo Nasche, Darrel Herr, Terry Walterscheid, Mike Heffron, Randy Wolf, Phil Wolf, Joe Reeves, Mike Hesse and Jay Mollenkopf. Coaches are Adam Wolf, Kim Hale and Wendell Richey.

COACH BOB GROSS instructs a JV Hornet in the scrimmage against Howe.

Photo by Janie Hartman

## Hornets expect tough Trinity team in opener

Muenster Hornets were second best in their final scrimmage of the year, outscored 2-1 against Howe and one score against the second team defense. Shawn Flusche scored for Muenster from 2 yards out after a 70 yard drive.

Coach Dewey Sims was very pleased with the performance of his team, "Everyone played well. We used a lot of offense and moved the ball well. Howe is picked to win their district, so they were a good test for us."

Sims said the Hornet defense also played well except for two long runs, "but overall we outplayed them." The freshman scrimmage had a 1-1 standoff and the Howe junior varsity outscored Muenster 2-1.

Muenster vs. Trinity Christian Muenster opens its regular

season play against Trinity Christian of Cedar Hill on the Hornets field Friday, starting at 8 p.m. Last year, Trinity finished a 9-1 season as district champions in Division II of TAPS League. This year they moved up to Division I with seven offensive and eight defensive holdovers.

"They will be a strong challenge," said Sims, "they have good size, and throw the ball real well."

Muenster is currently rated ninth in the state according to the Harris Rating System. District foe, Valley View, rates fourth.

The Muenster Junior Varsity will host Valley View at 7 p.m. Thursday, Sept. 4, in a non-district clash.

CASEY HOUTCHENS AND DEANO BAYER DISCUSS DEFENSIVE plays with Coaches Joe Pasqua and Roddy Clack.

## Aubrey holds Tigers in defensive battle

by Max Hastings

The Sacred Heart Tigers faced a strong Aubrey football team in preparation of their season opener against Era this Friday. Sacred Heart got their first indication of Aubrey's strength when Aubrey drove the length of the field on their first possession for a touchdown. However, the Tiger defense stiffened, keeping Aubrey scoreless, with the exception of a long touchdown pass in Aubrey's final offensive possession.

The Tiger offense made some good offensive gains, although they could not keep up a consistent drive. They did not score as a result. The Tigers had 35 yards rushing to Aubrey's 162 yards.

Sacred Heart went 6 of 19 for 62 yards passing.

"We played a tough ball club," stated Coach Pasqua. He added that his team didn't play a bad game, but did make mental mistakes which hurt them.

The Sacred Heart Tigers will travel to Era this Friday for their first regular season game, with kickoff set for 8 p.m.

## Quarterback Club to meet

The Quarterback Club will hold a meeting on Tuesday evening, Sept. 9, at 7 p.m. in the MHS library. Everyone is welcome.

## Muenster Golf Assoc. schedules tournament

The monthly tournament sponsored by the Muenster Golf Course Association will be held next Sunday, Sept. 7, at Nocona Hills Golf Course. Tee-off time is 9 a.m.

## Film to be shown in SHHS library on Sept. 10 at 7:30

The Sacred Heart High School Alumni Association will sponsor a film on Wednesday, Sept. 10, showing the previous Friday night's football game between the SHHS Tigers and the Era Hornets. The film will be shown in the Library at 7:30 p.m. Also available will be a tape of a Tiger game from the fall of 1977.

**CARD OF THANKS**

I wish to thank so many fine people for the many beautiful cards, flowers and kind favors during my stay at Westgate in Denton and Gainesville Memorial and the Rehabilitation Center, the wonderful nurses and Allan and Chuck for patience and kindness shown me in Therapy. My sincere thanks to Drs. Antonetti, Kralicic, Carr, Clayton and anyone I have possible overlooked. Also Fathers Denis and Victor in Muenster and Father Timothy O'Leary in Denton and Fr. Nicholas Fuhrmann. Also Elmo Self and a wonderful Lady Deanne for her

helping hand. I thank all friends who took time to visit me. The visits were so wonderful and helped pass the long hours. A great big "Thank You" to my husband, Hugo, for being so considerate upon my return home and his care for every minute. Also my children and their families and my grandchildren for being there when I needed them. Just knowing they were close was a feeling of assurance and comfort. May God bless all of you. I love you all,

## County Agent's Report

by Craig Rosenbaum

It's that time of year when we begin to think about purchasing our small grain seed. Your seed cost is probably one of the smallest investments that one will make in crop production. There are several classifications of seed that can be purchased.

**Foundation Seed** - Foundation seed is the purest form. It is produced by breeders and is the closest generation to that variety that is developed by a plant breeder. Most foundation seed is purchased by seed producers for an increase as registered seed.

**Registered Seed** - Registered seed is the first generation from foundation seed. This seed is used primarily by seed producers for sale to commercial farmers. The seed that would be sold to farmers would be considered certified seed.

**Certified Seed** - Certified seed is the second generation from foundation seed. This is the type seed that most commercial grain

producers will purchase.

County producers who wish to grow certified seed would need to purchase registered seed and go through the process of seed certification. Certified seed cannot be re-certified. Through the registration process, producers have the opportunity and assurance of quality seed. Producers should check with our local seed dealers for a listing of certified varieties that they will have available or else they can write the State Department of Agriculture for their Certified Seed Directories.

Should you want to go through a certification process on acreage that you plan to plant this fall, be prepared to keep the fields clean and go through the Texas Department of Agriculture certification process beginning this winter. You will also need to keep your bill of sale and seed registration certificates from the sacks.

## FARM AND RANCH NEWS

### Texas-Oklahoma cattle theft ring squashed

**FORT WORTH** - A three-month cattle theft investigation coordinated by the Texas and Southwestern Cattle Raisers Association here has culminated in the identification of at least 111 head of cattle and the arrest of three suspects in Texas and Oklahoma. Don C. King, TSCRA secretary-general manager, said the investigation in North Texas and southern Oklahoma is continuing. More suspects in Texas and Oklahoma may be arrested.

TSCRA, a 109-year-old cattlemen's association, investigates livestock and ranch-related thefts in Texas and Oklahoma. The organization employs 32 field inspectors, all certified peace officers carrying Special Ranger commissions.

A Mansfield, Texas, couple and the woman's cousin from Lindsey, Okla., were arrested this month. They face felony charges of concealing stolen property in McClain County, Okla. More charges in Texas and Oklahoma are expected, King said.

George McKeller, 48, and Shirley Ann McKeller, 32, remain in the McClain County jail. Ronnie Harrell, 24, has posted bond.

The threesome is suspected of stealing at least 127 head of cattle, many of show quality, in and around the Dallas-Fort Worth Metroplex and southern Oklahoma. Sale receipts from livestock auction markets at Purcell, Okla., and Fort Worth indicate the suspects received more than \$38,000 for the stolen cattle.

King said the widespread investigation was helped by the fact many of the cattle were branded. This led to their identification. He also had high praise for law enforcement agencies, both state and local, in Texas and Oklahoma.

"Our field inspectors were provided with tremendous support and assistance from the Garvin and McClain County Sheriff's Departments, the Oklahoma Department of Public Safety, the Texas Department of Public Safety, the Oklahoma Department of Agriculture, the Packers and Stockyards Administration of the U.S. Department of Agriculture and the sheriff's offices in Tarrant, Denton, Wise, Cooke and Grayson

counties, Texas," King said. "These thefts together represent one of the largest cattle theft sprees in recent years. It would have been extremely difficult to break this case without the professional cooperation we received from these agencies."

The rash of thefts began in April 1986 when Willard Butler of Dallas County reported the theft of 10 Holstein calves, two Charolais cows and one calf. The cattle were sold at a Purcell, Okla., auction market and, at presstime, had not been recovered.

In May and June 1986, a series of cattle thefts were reported in Tarrant and Denton counties. Investigation of the crime scenes by TSCRA field inspectors revealed the thieves were pulling a blue stock trailer with a single-axle pickup. Also, investigators saw that the suspects were cutting locks on gates and then tying them back with wire. In some cases, the gates were removed from their hinges. The cases had so many similarities that the officers concluded a common perpetrator was involved.

In late July TSCRA Field Inspector Jim Tuck of Springtown, with the help of Texas and Oklahoma DPS officers began stopping persons with livestock trailers at night on Interstate 35 between Denton and the Red River. McKeller was one of the individuals stopped. He advised the officers he had a place in Oklahoma.

This information, along with other leads, led the officers to Purcell where the bulk of the cattle were sold. Auction receipts showed the McKellers and Harrell had sold more than 100 head of cattle through the sale since April.

Armed with this information and the McClain County warrants, the officers arrested the McKeller couple and Harrell.

Thus far, King said, law enforcement authorities have accounted for 15 of 17 roping calves for Jim Smith of Denton; 16 yearlings and one cow/calf pair for Bob Wright of Fort Worth; eight cows, two heifers and a steer for Jerry Holland of Denton; seven Limousin bulls for Harold Riley of Lindsey, Okla.; seven yearlings for Joe Webb of Roanoke; 20 of 21 yearlings for David Earl Webb of Durant, Okla.; and 13 cows and

one bull for Pilot Knob Ranch of Denton. Nineteen yearlings belonging to Lewis Rettig of Saginaw are expected to be found in a Greeley, Colo., feedlot, King said.

Investigating officers were TSCRA Field Inspectors Joe Ramer of Sulphur, Okla., Paul Wade of Antlers, Okla., Jim Tuck of Springtown and Garvin County Sheriff Bob Holt. Assistance was provided by Garvin County Deputy Sheriff Al Jones, McClain County Sheriff Don Smith, TSCRA Field Inspector Larry Gray of Graham, Packers and Stockyards Investigator Bill Butler of Fort Worth, Earl Brewer and

Sody Flemings of the Investigation Division of the Oklahoma Department of Agriculture in Oklahoma City as well as the previously mentioned state and county agencies.

### HOGS

Good to Choice... 180-275 lbs.  
... \$59 to \$60

Packing Sows... All Wts. \$50 to \$54

### COWS

Good to Choice... \$35 to \$37  
Medium to Good... \$32 to \$35  
Canners to Cutters... \$32 to \$35  
Hard Kinds... \$20 to \$30  
Stocker Cows... \$36 to \$42  
Cow w/Calif @ Side... \$450 to \$575

### STOCKER CALVES

Steer Calves... \$60 to \$85  
Steer Yearlings... \$52 to \$66  
Steers... 2 yrs. & up \$50 to \$56  
Heifer Calves... \$50 to \$70  
Heifer Yearlings... \$48 to \$59  
Heifers... 2 yrs. \$45

## 39 soil series in Cooke Co.

Did you know that there are about 15,000 different soil series in the United States? About 1,000 of these soils can be found in Texas, and 39 are in Cooke County.

A Soil Series has its own unique set of characteristics. Some of the characteristics of one soil may differ greatly with another soil, while they differ only slightly with another soil. Some of the characteristics that make soils different are depth; color; texture, which is a measurement of the amount of sand, silt and clay; kind, thickness and arrangement of soil horizons or layers. Soil scientists study soil and note the different characteristics in the field and then they classify and group the soils into soil series.

Soil Series are given names. These names are usually taken from communities, towns, cities or counties near the place where the soil was first found and identified. Each soil series has its own individual name. The Callisburg Series was first found and identified near Callisburg in 1973. This soil may be found in other locations, but it will have the same characteristics as the Callisburg Series here in Cooke County.

Thirty-nine different Soil Series were identified in Cooke County. A Soil Survey was made of Cooke County by the Soil Conservation Service. A report has been published which will include aerial photographs with location of the soils, names and descriptions of all the soils, and use, management and possible limitation of each soil. Soil surveys are part of the assistance provided by the Soil Conservation Service to the upper Elm Red District to help them carry out their conservation programs.

## North Texas Alfalfa Symposium Sept. 11

Farmers, mark your calendars for Sept. 11, 1986. That is the scheduled date for the North Texas Alfalfa Symposium to be held at the Fair Hall, located on North Texas State Fair Grounds. The program will last from 3 to 7 p.m.

Warren C. Thompson, featured speaker, is a nationally recognized authority on alfalfa production. He is the National Forge

Specialist for the Nickerson American Plant Breeders. Mr. Thompson is an excellent speaker and teacher.

For more information, contact Alfred A. Croix, Denton County Extension agent, at 817-566-3607, or metro 434-2052. Registration sheets should be returned by Sept. 8.

# Leopardettes open with new volleyball coach

Nash says teamwork will be key as Gainesville enters third season of competition

by Keith Magee

The Gainesville Leopardettes will enter their third season of volleyball competition with a new coach — Jana Nash.

This will be Nash's first season as a head volleyball coach. Last year she was an assistant volleyball coach and head basketball coach at Meia.

The Leopardettes were 1-4 in zone play last year and 2-10 overall, but Nash says the Leopardettes can be as good as they want to be this year.

"They're good enough this year that they can do anything they want," Nash said. "If they want first place, they can have it."

Nash commended former coach Deanna Duerson for her work with them in the past two years, and one of the things that Duerson said would make the team strong is the same thing that Nash sees this year.

"What will make us strong is that the girls play well as a team," Nash said. "They hustle real well. They just don't want to get beat. They've gone through the fundamentals. This is finally the year they will do real well."

Five lettermen are gone from last year's team, including three starters, but four return, including three starters.

Nash says strong serves will be the strength of the team, while not setting the ball up for the spike will be a weak area.

Heading the list of top prospects include junior Susan Miller, who joined the team last year after transferring from Deer Park along with her sister, Sandy.

"She's a strong hitter," Nash said of Susan Miller. "She can spike the ball. She's our strongest server."

Another player expected to have a good year is senior Sharon Russell, who also has a sister on the team, Penny. Nash said Sharon Russell has good hustle and overall reflexes.

Also in the starting lineup is senior Kim King, whom Nash said has been serving well.

Junior Sandy Miller is the team's No. 1 setter, and junior Penny Russell is probably the strongest spiker, Nash said.

Rounding out the starting lineup is senior Amy Greer. Nash said she has been consistent with serves.

Nash hasn't had much time to scout the zone opponents yet, but she thinks her team will be able to challenge for the title regardless.

"I've heard Allen is traditionally a good team," Nash said. "I think we can compete with anybody in the district. I think we can come in at least second. I shoot for the top."

1986 Valley View Eagles

# Leopards picked to win 5-4A West Zone crown

by Keith Magee

The new District 5-4A got off to a rocky start last winter following the University Interscholastic League's biennial realignment.

First the schools were assigned to the district, then reassigned to another district, and then finally reassigned back to the original District 5-4A.

So after things had finally settled down, coaches from the new District 5-4A met and decided to divide the district into two zones — East and West.

East Zone teams will include McKinney, Paris, Powderly North Lamar, Rockwall, Terrell and West Mesquite, while the West Zone will consist of Allen, Denison, Gainesville, Justin Northwest, Lewisville The Colony and Saginaw Boswell.

Now, the question is, how will these teams finish in 1986? Well, the coaches in each zone were asked to rank the teams in their zone in order excluding their own team.

The results were compiled and were announced in the *District 5-4A Magazine*, an annual preview of the district's teams.

The West Zone should have a dandy race, and Gainesville was picked as the winner ... barely. The Leopards compiled 23 points and three first-place votes to edge out Denison, which had 22 points and two first-place votes.

Gainesville was 7-2-1 last year and barely missed going to the playoffs. They finished tied for second with McKinney, but the Lions went to the playoffs by penetrations. After almost getting there last year, the Leopards will be hungry for the playoffs this season.

Denison had its 29-game win streak come to an end last year, but look for the Yellow Jackets to start another one this year. Denison advanced to the Class 4A quarter-finals before bowing out of the playoffs.

Allen finished third in the preseason poll with 17½ votes and received one vote for first place. The Eagles strength will be in their numbers, as they have 11 starters back and 31 seniors on the team.

Boswell, fourth in the poll with 13½ points, is going through another coaching change, but Pioneer fans hope new coach

W.T. Stapler will stick around. His team won the Class 4A state championship at Sweetwater last year, and he'll bring that winning tradition to Boswell.

The Colony finished fifth with eight points. The new school will be starting from scratch with no seniors on the team this year and could be a darkhorse.

Justin Northwest, which is moving up from Class 3A, finished sixth in the poll with points. The Texans may have a rough initiation into Class 4A, but don't count them out yet.

In the East Zone, McKinney easily claimed the No. 1 spot in the poll. The Lions received five first-place votes and 25 points.

McKinney advanced to the playoffs last year and should make that trip again this year.

Paris moves over from District 8-4A and brings with it a winning tradition. The Wildcats didn't make the playoffs last year, but the coaches think they will be the second place team from the East Zone this year.

Paris finished second in the preseason poll with 20 points and one first-place vote.

Rockwall, third in the poll with 18 points, should also challenge for the two playoff spots. The Yellowjackets were 6-4 last year and return nine starters.

Also expecting to challenge for the playoffs is Terrell, which finished fourth in the poll with 13 points. The Tigers will bank on speed and quickness to try to grab a playoff spot.

West Mesquite, fifth in the poll with eight points, could figure in the picture if the Wranglers aren't plagued by injuries like they were last year.

North Lamar, sixth in the poll with six points, will be in a position similar to Northwest. The Panthers are moving up from Class 3A and may have a depth problem, but they'll be competitive, also.

Here are the results of the *District 5-4A Magazine's* preseason coaches poll. Coaches only voted on teams in their own zone, and they did not vote on their own team. Five points were given for first place, four points for second, three points for third, two points for fourth and one point for fifth.

WEST ZONE		EAST ZONE			
No.	Team (first-place votes)	Points	No.	Team (first-place votes)	Points
1.	Gainesville (3)	23	1.	McKinney (5)	25
2.	Denison (2)	22	2.	Paris (1)	20
3.	Allen (1)	17½	3.	Rockwall	18
4.	Boswell	13½	4.	Terrell	13
5.	The Colony	8	5.	West Mesquite	8
6.	Justin Northwest	6	6.	North Lamar	6

1986 Muenster Hornets

# Hornets ranked 10th in state poll

## Experienced Muenster team seeks repeat trip to state playoffs

by Keith Magee

In his first season as the Muenster coach, Dewey Sims took the Hornets to the playoffs for the first time since 1976.

And like Valley View, the Hornets had a young team with few seniors last year. Now after a year of maturing, the Hornets are expected to compete for a playoff spot again.

But added to that is a top 10 ranking, as the Hornets are rated No. 10 in the state in a preseason poll of Class A teams from the Harris Rating System.

"It's nice to have your peers think that highly of you," Sims said. "I don't know if we deserve to be that high. But the kids are determined to try to do their best to live up to it."

Muenster finished second in the zone last year behind Valley View, but advanced to playoffs as the zone runnerup. The Hornets beat Paradise 21-7 in the zone playoffs and lost to Crowell 14-0 in bi-district to finish with an 8-3 overall record.

"It was a real boost to make the playoffs," Sims said. "Our goal this year is to try to better what we did last year."

The Hornets will have a senior ballclub this year, with 11 seniors on the roster. And Sims looks for that senior leadership to be the team's strength, along with a solid backfield, line and quickness.

The only problem area is a lack of depth, and Sims says the team will have to stay healthy to be a contender.

Only four lettermen and three starters are gone from last year's team. Seventeen lettermen return, with nine offensive and eight defensive starters back.

Ryan Klement, an all-district selection last year, returns at quarterback, along with Shawn Flusche (all-district last year) at fullback and Drue Bynum at running back.

Andy Burnette will start at running back this year after switching over from tight end. Burnette was an all-district tight end last year.

Brian Hess, who started at tight end towards the end of last season, will fill that position this year, while Mark Hennigan returns at split end.

Returning on the offensive line will be tackles Damie Hellman and Stuart Hess, guard Gary Grewing and center Joe Pagel. Also starting this year is guard Daniel Klement.

On the defensive side, Pagel (all-district last season) and Hellman return at defensive end, along with Stuart Hess at nose guard. Travis Klement will start at one tackle position, while Brian Hess and Daniel Klement will alternate at the other slot.

Both linebackers return from last year — Grewing and Burnette — and both were all-district selections last season.

In the secondary, Bynum (all-district last year) and Flusche return at safety along with cornerback Mark Hennigan. The other cornerback will be Bubba Klement or J. Shane Wimmer.

Sims looks for the District 9-A West Zone race to be similar to last year.

"If we stay healthy, it should be us fighting Valley View for the top spot," Sims said. "Lindsay and Era will probably fight it out for third place, but they could be in there too. They've got the numbers out this year."

Sims says the West Zone will be tougher than the East Zone. Last year, both Muenster and Valley View won their zone playoffs over the other zone.

Last year, Muenster rolled along in non-district play, with four shutout wins and

their opponents outscored 134-0 before losing the first game of the year to Van Alstyne, 14-13.

But Sims says this year's non-district schedule will be tougher.

"We've got all 2A schools this year," Sims said. "We wanted a little tougher schedule after last year. We feel like we can play with the teams. It will better prepare us for district."

By the way, there's one other note of interest for the Hornets. Several senior players decided to get burr or flat-top haircuts, and the idea caught on with several other players.

"It's just a fad going around right now," Sims said. "I told them I'd get one if we were fortunate enough to beat Valley View."

# Tigers

Continued from previous page

Tyler Street Academy are two schools that are supposed to have good teams, and he added that most of the teams have about the same number of players each that the Tigers have.

"I'll put our 25 up against theirs," Pasqua said. "I don't like to get over-optimistic, but our kids really hit, they run good and they throw the ball well. We are real pleased."

Sacred Heart will compete in TAPS Division II, District 2 along with Liberty Christian, Oakridge, Word of Faith, Boles Home, Dallas Lakehill, Southwest Christian and Tyler Street Academy.

The top two teams from the district will advance to the playoffs, along with one at-large team.

"We like our chances of being there," Clack said. "We'll be competitive. But if we get any injuries, like any small school, we can go down in a hurry."

SACRED HEART PLAYERS scrimmage against each other during a recent practice. The Tigers will be under the direction of two new coaches this year — Joe Pasqua and Roddy Clack. Photo by Keith Magee

# Knights hope to get back on the winning track

Lack of experience may hurt Lindsay

by Keith Magee  
 Something unusual happened at Lindsay last year — the Knights had a losing record. That doesn't happen very often, and Lindsay coach Grady Roller hopes it won't happen again this year.  
 Roller hopes the 1986 season will be similar to one a few years ago, when the Knights weren't supposed to win... but they did.

For the first time in several years, the Knights won't have the roll as one of the district's favorites, but they are predicted by most coaches in the zone to be one of the teams most likely to knock off the two favorites — Valley View and Muenster.

"We're coming along a little slower this year," Roller said. "We do have so many young kids. But they're in high spirits, and they're working together. We just need to play some ballgames."

And the lack of experience is one of the areas that concerns the sixth-year Lindsay coach, along with a lack of size and speed.

"My philosophy is that you don't get any better sitting on the sidelines — you've got to play," Roller said. "I'm looking forward to seeing where we're at."

The Knights will lose 10 lettermen from last year's team that was 3-6 overall and 2-2 in the District 4-A North Zone. Eleven lettermen return, including four starters.

Lindsay will open the season with a new quarterback, after losing Wayne Fleitman to graduation. Junior Rick Sandmann will be replacing Fleitman at that spot.

Senior tailback Eric Weems returns in the backfield, and he'll be joined by junior Danny Wolfe at fullback and junior Greg Roller at wingback.

Receivers include senior Eddie Hughes at split end and sophomore Quentin Hoenig at tight end.

Senior Frank Fangman, an all-district selection on both offense and defense last year, returns at tackle for the Knights, along

1986 Lindsay Knights

with junior Dale Martin at guard. New starters on the offensive line are junior Jeff Myrick at center, junior Leo Sandmann at guard and sophomore John Fangman at tackle.

Frank Fangman also returns at his defensive position on the line. Myrick, Martin and John Fangman also will start on the defensive side, but Roller wasn't sure of their starting positions since they will be alternating.

Starting defensive ends will be Wolfe and junior Ralph Klement.

Senior Roy Neu returns at linebacker, and Weems will start at the other linebacker position.

In the secondary will be sophomore Mike Dieter and senior Steven Zwingski at cornerback, while Hughes returns at safety.

Roller looks for Valley View to be the favorite to win the District 9-A West Zone title this year, with Muenster claiming the second spot.

Roller looks for the Knights to battle with Era for third place.

"This is the least experienced team Lindsay has fielded in five years," Roller said. "Although the team attitude is very good."

CALLISBURG COACH JAMES RAY POLK gives his players a pep talk following a recent workout. Polk is returning to coaching after a 20-year absence.  
 Photo by Keith Magee

## Callisburg Wildcats

Continued from previous page

In the linebacker slots and in the secondary will be Case, Morrison, Tolbert, Kirchoff, Smith, Parker and Milam. Coaches were to determine positions this week.

As far as the District 10-2A races goes, Polk looks for Boyd and Nocona to be the top teams.

"Boyd is going to be tough," Polk said. "Nocona will be there, too. And I think the Wildcats will be there. We're attacking this thing from a positive attitude. We're not going to quit. We're going to come to play football."

"I'm pretty proud of the boys. I think that we're going to be a district contender. I'm telling you, we're good. We're going to be a good football team."

## District 10-2A schedule

# New coach is optimistic

## Polk to head Wildcats after 20-year coaching absence

by Keith Magee

You might could say that James Ray Polk, the new Callisburg coach, has just a slight hint of a positive attitude as he prepares for his first coaching season in 20 years.

"I guarantee this is going to be the best year Callisburg has ever seen," Polk said. "We're going to put spirit in our program. We're going to be champions."

The Callisburg program has been down for several years, but Polk hopes to get it going again after a 20 year absence from coaching. Polk last coached at Muenster.

Polk at least has gotten off to a good start as far as numbers go, as the number of players at Callisburg has grown to 43.

"Things have been going pretty well," Polk said. "We started out slow. I've been working them until they get tired. The kids have given me 100 percent. We've got a good bunch of kids."

"The basic formation that they had last year is similar what we hope to run. We'll custom build the formation around the material we have."

Polk said the biggest change will be for the offensive and defensive lines, as the

blocking technique will be changed.

Callisburg, which was 2-7-1 overall last year and 1-5-1 in District 10-2A, should be strong in the backfield, but Polk says the offensive line may be a problem area. Polk is having to replace eight offensive starters from last year.

"I'm going to have some real flyers," Polk said. "What I'm trying to do is build an offensive line so we can pop a hole and get these flyers through them. If the offensive line will develop, we'll be stout."

Junior Dwain "Red" Milam will be the starter at quarterback for the Wildcats this year, but the starting running backs are a question mark due to preseason injuries.

Junior Tolbert, a senior, should start at fullback, while sophomore Jeremy Smith or freshman Alvin Childress will see action at running back.

The starting wingback will be either sophomore Tad Kirchoff, junior Duane Case or junior Bobby Morrison.

Seniors Shawn Parker and Richard Milam will see action at split end, while junior Mark Medford will start at tight end.

Also on the offensive line are junior Brad Hill and freshman Ricky Moore at tackles, juniors Richard Franco and Gary Vanbe-
