MHS achievers are recognized at banquet

For the second time since the coveted Hornet Hustler was started at Muenster High, the winner is a girl. This year it is Rita Walterscheid. She received the prestigious title Friday night at the annual All-Awards Banquet sponsored by the Muenster PTO to recognize academic and athletic achievers of the year.

Rita merited the distinction by outstanding records in basketball and track as well as for hard work and leadership. She is a member of the senior class, a daughter of Mr. and Mrs. Hank Walterscheid. In 1984, the girl-Hornet Hustler was Jill Walterscheid, daughter of Mr. and Mrs. Herbert Walterscheid. Three boys shared the Hornet Hustler title last year. They were Ronnie Fisher, Neal Flusche and Keith Klement.

Scholastic leaders were identified by a Who's Who routine in which the winner is named in capital letters and two other nominees are listed in lower case letters. They are:

- History - DARREN WALTERScheid, Amy Davidson and Sharon Wolf.
- Agriculture - SHAWN FLUSCHE, Travis Klement and Damie Hellman.
- Science - JEAN PAGEL, Dana Dankesreiter, Francine Hudspeth.
- Band - FRANCINE HUDSPETH, Dana Dankesreiter, Jean Pagel.
- Computer - RITA WALTERScheid, Damie Hellman, Matt Rhodes.

Last-minute effort for contest crucial

An official from the Keep Texas Beautiful, Inc. organization, Norma Silva, informed Muenster Operation Clean Sweep that May 29 and 30 is the final judging for finalists of the Keep Texas Beautiful competition. First prize is a \$20,000 landscaping award.

Operation Clean Sweep urges all citizens not to wait until the last minute for cleanup and that every form of beautification is important, including trash pickups, landscaping, fixing, painting, etc.

Outstanding Citizen nominations urged by Jaycees

Muenster Jaycees have announced that nominations for Outstanding Muenster Citizen are being requested. Jaycees have placed suggestion boxes at Fischer's Market and Hofbauer Food and Locker, and urge everyone to consider a choice for someone deserving the honor.

- Spanish - JEAN PAGEL, Francine Hudspeth, Karen Wolf.
- Industrial Arts - DOYLE LEWIS, Scott Klement, Dickie Trubenbach.
- Math - RITA WALTERScheid, Francine Hudspeth, Jean Pagel.

A fond farewell to coaches...

Banquet honors Sacred Heart students

Students of Sacred Heart High School received awards and praises Tuesday night for gratifying achievement during the past school year.

That occasion was the annual Awards Banquet sponsored by the Sacred Heart Home School Society in the Sacred Heart Community Center.

It was headed by Dee Blanton as master of ceremonies, who made introductions and called on teachers and coaches to present their charges.

Football coaches Virgil Henscheid and Julian Walterscheid had the complete attention of the audience as they gave their farewell to the job. Henscheid has been head football coach for the Tigers for the last eight seasons on a totally volunteer basis. Coach Walterscheid volunteered with him four years ago after Father Stephen Eckart was transferred.

As head coach, Virgil Henscheid guided the Tigers to 42 wins, 30 losses. The Tigers were Bi-District champs in 1979 and District champs in 1981 and 1982.

Both coaches expressed their thanks to all their boys, friends and supporters. They also took the opportunity to make a few good-natured jokes and tell some stories that everyone enjoyed. "I'm sure I'll enjoy being in the stands where I hear you can call much better plays," Henscheid said.

When they sat down, everyone was standing to applaud them. They will be succeeded by Joe Pasqua of Saint Jo and Roddy Clack of Gainesville.

by Coaches Bartush, Schilling, Henscheid, Walterscheid and LeBrasseur.

That was followed by special presentations and a closing prayer

VIRGIL HENSCHIED and Julian Walterscheid perform their last official function as Sacred Heart football coaches. Here, they present a letter to Tim Bartel.

Father Victor Gillespie gave the invocation.

Then Sister Cabrini Arami, principal, conducted the presentation of scholastic awards. Next, Laura Flusche recited the salutatory and Paula Yosten the valedictory.

Athletic awards were presented

by Father Denis Soerries.

Scholastic awards were presented in a who's who fashion as three nominees were named in each subject and one of them was identified as the winner. In this list, the winner is named in capital letters and

Protests due by June 24!

Tax estimates to arrive soon

Tax Appraisal District Chief Appraiser Bill Sherman is currently mailing out statements of reappraised value and estimated tax. You will get a notice if your property has been reappraised and it has increased more than \$1,000.00. This will be an estimate only on the tax and not a bill. The actual tax depends on what the districts set.

If anyone wishes to protest the figures, they must file with the district, in writing, before the Appraisal Review Board meets on June 24.

Value changes of less than \$1,000.00 will be posted in the TAD offices. Taxpayers should insure that cars listed on the statement are ones they currently own.

First Texas Savings celebrates opening

First Texas Firstfest, a second-to-none celebration marked the grand opening of First Texas Savings in its newest location at 1000 East Division Street, Suite A. The week of April 19-25 was filled with fun, festivity and magic during the week preceding Germanfest.

"Guests arrived throughout the week to view the First Texas office in the new Hillcrest Center Building, and Saturday's crowds were particularly satisfying, ignoring the heavy showers," said Mary Lou Hess, manager.

Instead of a ribbon-cutting ceremony, a magician performed a ribbon disappearing act on Saturday, April 19, with other magic features. Refreshments were served during Open House.

The Grand Prize, in the sweepstakes for the Muenster branch office, was won by David Vogel. He received two first-class tickets to a place of his choice anywhere in the continental United States, plus \$1,000 spending money.

Arthur Williams, the first prize winner, won a first-class getaway weekend for two at the Mandalay Four Seasons Hotel, Dallas at Los Colinas, with complimentary limousine transportation from Muenster.

Holly Koch won 100 gallons of gasoline which she was to receive at Neil's Kerr-McGee.

First Texas key rings and piggy banks for children's first savings accounts were other prizes at the drawings.

Good News!

Let the heavens be glad, and let the earth rejoice;
Let the sea roar, and all it contains;
Let the field exult, and all that is in it.
Then all the trees of the forest will sing for joy
Before the LORD, for He is coming;
For He is coming to judge the earth.
He will judge the world in righteousness,
And the peoples in His faithfulness.

Bentsen cites excessive production at government oil reserve, urges action

WASHINGTON - Senator Lloyd Bentsen, citing a finding by the Department of Energy Inspector General, said recently that excessive rates of production at the Elk Hills Naval Petroleum Reserve are placing at risk as much as 128 million barrels of high grade oil.

Bentsen and Senator Albert Gore (D-Tenn.) asked that U.S. Comptroller General Charles Bowsher investigate the situation. They also asked Secretary of Energy John Herrington to suspend most production at Elk Hills pending the outcome of the investigation.

"The findings by the Inspector General are quite clear," Bentsen

said at a joint press conference with Gore.

"The Department of Energy, since 1979, has withdrawn oil from the Elk Hills reserve at rates which exceed the Maximum Effective Rate, or MER, recommended by its engineers and consultants."

"This excessive production is damaging reservoirs and isolating reserves, causing the recovery of from 91 million to 128 million barrels of oil at Elk Hills to be placed at risk."

"One-half that total - from 45 to 65 million barrels of oil, with a value of at least \$600 million at today's depressed oil prices - has already been lost. This is comparable to some 10 percent of the total amount of oil in the Strategic Petroleum Reserve."

In the letter to Bowsher, Bentsen and Gore noted that the problem

was first called to the attention of the Department of Energy in 1979, yet the department has taken no action to slow production. In fact, the department has established production targets through 1989 which are not based on MER calculations.

"The Inspector General has found that the department has not developed an MER 'consistent with sound engineering practices' as the law requires and that it has ignored the MER recommendations made by its own engineers and consultants," Bentsen said.

"We need to get to the bottom of this problem and fast. And the department should immediately stop the vast bulk of production from Elk Hills and keep it stopped until we can determine what the best rate of production should be," Senator Bentsen said.

White Paper publishes Congressional voting record

SAN ANTONIO - The long-awaited NCOA IN ACTION "White Paper" on the congressional voting record has been published. More than 200,000 copies of the 12-page report were included in the May edition of the NCOA JOURNAL, the monthly tabloid publication of the Non Commissioned Officers Association (NCOA).

The "White Paper" reports on nine issues in the Senate and eight issues in the House. The issues are bills directly related to national defense. The report shows if a congressman voted yeah, neah or was absent when the vote was taken.

Complimentary issues of the "White Paper" may be obtained by writing: JOURNAL, NCOA Int. Hq., P.O. Box 33610, San Antonio, TX 78265.

Governor proclaims Texas Hospital Week

AUSTIN - Gov. Mark White has designated May 11-17 as Texas Hospital Week in recognition of Texas hospitals; their trustees, volunteers, employees and medical staffs; and the Texas Hospital Association (THA) membership for their efforts in providing and promoting better health care for all Texans.

In his proclamation, Gov. White recognized Texas hospitals' and their staffs' delivery of necessary, and oftentimes, critical care to hundreds of thousands of sick and injured Texans each year. He also

noted the role of hospitals in educating Texans in living healthier lifestyles.

"It is fitting and proper to salute the health care system in Texas for its contributions to the public welfare, high standards of care and outstanding educational and research programs," White stated.

This year's theme, "Hospitals Make Healthy Neighbors," reflects hospitals' efforts to provide local communities with health education activities and improve the overall standard of living in the community through health promotion.

Letters to the Editor

To the Editor:

The election on May 3, 1986 left two local men in a run-off for Commissioner of Cooke County, Precinct 4. Several charges or rumors have surfaced about one of the candidates. I do not know for sure where these started from. All indications point to one reason, that being to discredit this person as much as possible in any way they can.

I am not endorsing anyone in this letter, only suggesting someone needs to do some retraction or come up with evidence to support their charges.

With help from one other person, we decided to check for any evidence or facts that would support these charges. We found none. We checked with the local AMPI plant. No evidence was found to support these charges. We then checked with the Arlington office.

We were assured that no such things happened.

These charges were such as: shortages in his department, being fired, dumping milk without proper authority and so on. After making this investigation, we found no evidence to support these charges. I am convinced they did not happen.

Celebrating Texas

The hugeness of Texas

Part 1 of 3

by Robert McDaniel

Everyone living in the Lone Star State knows that Texas is huge, on that there is no debate. However, not everyone really realizes just how large Texas is. It has 266,802 square miles, which makes it second among the 50 states. It is larger than Illinois, Indiana, Iowa, Michigan and Wisconsin combined. It is also more than 220 times as large as Rhode Island, the smallest state. The greatest distance from north to south, in a catty wampus direction, is 801 miles, and from east to west is 773 miles.

These facts give a person a concept of how large Texas is, but not really until a comparison is made

to the surrounding areas. For example, a person living in Texarkana is closer to Chicago, Illinois or Tampa, Florida than to El Paso. Los Angeles, California is closer to El Paso than to Texarkana. A person living in Brownsville is closer to Mexico City or the Yucatan Peninsula than to Amarillo. Also, a person living in Amarillo is closer to Shreveport, Louisiana; Kansas City, Kansas; Denver, Colorado; or Phoenix, Arizona than to a fellow Texan living in Brownsville.

If you hinged Texas at Newton County and flipped it over, El Paso would be in the Atlantic Ocean, and if you hinged Texas at

El Paso and flipped it over, Texarkana would be in the Pacific Ocean.

The two largest ranches in the United States are found in Texas. They are the King Ranch in Kleberg County with 813,400 acres and the Waggoner Ranch with 535,000 acres stretched across parts of Wise, Jack, Montague, Clay, Wichita, Archer and Wilbarger counties. In fact, sizes of ranches in South and West Texas are referred to in sections (640 acres), not acres because an acre is too small a measurement for such large sizes.

Perhaps these facts will make Texans more aware of the size of their home state in relation to the United States as a whole.

A PROCLAMATION

WHEREAS: The annual sale of Buddy Poppies by the Veterans of Foreign Wars of the United States has been officially recognized and endorsed by governmental leaders since 1922; and

WHEREAS: V.F.W. Buddy Poppies are assembled by disabled veterans, and the proceeds of this worthy fund-raising campaign are used exclusively for the benefit of disabled and needy veterans, and the widows and orphans of deceased veterans, and

WHEREAS: The basic purpose of the annual sale of Buddy Poppies by the Veterans of Foreign Wars is eloquently reflected in the desire to "Honor the Dead by Helping the Living;" therefore

I, Richard Grewing, Mayor of the city of Muenster, do hereby urge the citizens of this community to recognize the merits of this cause by contributing generously to its support through the purchase of Buddy Poppies on the day set aside for the distribution of these symbols of appreciation for the sacrifices of our honored dead.

I urge all patriotic citizens to wear a Buddy Poppy as mute evidence of our gratitude to the men of this country who have risked their lives in defense of the freedoms which we continue to enjoy as American citizens.

Gramm urges, gets new cattle export markets

WASHINGTON - U.S. Sen. Phil Gramm has announced that Turkey, Morocco, Iraq, Indonesia and Egypt are now eligible to buy a total of 29,000 head of U.S. dairy cattle under the Export Enhancement Program.

Gramm is working with U.S. authorities in Mexico to expand cattle exports there, too, in order to soften the financial blow dealt to Texas beef cattleraisers by the dairy herd buy-out program.

"The export of live dairy cattle is a positive approach in dealing with the rapid decline in Texas beef cattle prices due to this dairy buy-out program," the senator said.

The buy-out program thrust thousands of dairy cattle into the beef cattle markets, financially devastating Texas cattlemen. It was designed by U.S. Rep. Tony Coelho of California, chairman of the Democratic Congressional Campaign Committee.

Gramm, R-Texas, said he and the U.S. Embassy in Mexico City are pressing Mexican officials to take advantage of \$50 million in export credits to import dairy cattle from the United States.

He reported that the Agriculture Cabinet of Mexico has begun proceedings to use the credit, which the U.S. Department of Agriculture made available after consulting with Gramm, and that a final decision is expected soon.

MR. and MRS. KENNETH PAUL SIDWELL
... see Pamela Kay Hermes ...

Hermes and Sidwell wed

Pamela Kay Hermes and Kenneth Paul Sidwell were married in Sacred Heart Church on Saturday, May 10, in a Nuptial Mass and double ring ceremony officiated by Father Victor Gillespie at 5 p.m.

Altar decorations were arrangements of white gladioli and sanctuary decorations included tall heart-shaped candelabra with lighted candles. Family pews held clusters of white roses dressed with pink, blue and lavender ribbons.

The bride is the daughter of William and Mary Evelyn Hermes and the granddaughter of Mr. and Mrs. Clem Hofbauer of Muenster and Mr. and Mrs. Julius Hermes Sr. of Lindsay. All were present for the wedding.

She is a 1984 graduate of Muenster High School and is employed as a proof operator at Muenster State Bank.

The groom is the son of Lonnie Sidwell of Woodbine and Janet Underwood of Nocona. He is the grandson of Mrs. Gertrude Likey of Akron, Ohio who was also present for the wedding. He is a 1981 graduate of Saint Jo High School and is employed by WFW Oil Well Service.

The bride was presented at the altar by her father. Her bridal gown of glistening satin peau de soie featured a fitted bodice lavishly adorned with three dimensional embroidery traced with pearl beads. Cap sleeves of waves of organza ruffles complimented the princess waistline. The full skirt was edged with scalloped tatting embroidery and featured an elegant beaded lace applique at front instep, rising to mid-point. The fitted bodice back held tiny satin buttons to the waistline, with a satin bow falling to a flowing organza chapel train accented with vertical ruffles.

Her bridal bouquet was a cascade of white roses with pink, blue and lavender mixed flowers and pink roses. Her bridal veil of two-tiered illusion was scalloped-edged and attached to a half-wreath of white flowers.

Attendants

Bridal attendants were her sister Laurie, Mrs. Billy Rohmer, as

matron of honor; and Denise Whitfield of Woodbine, the groom's stepsister, Denise Hermes, the bride's sister, and Rose, Herr, a friend, both of Muenster, as bridesmaids. Their gowns were designed with sweetheart necklines trimmed at the shoulders with satin bows, close-fitting bodices with a self-sash, and full skirts trimmed with lace and satin bows draped over acetate lining. The matron of honor wore blue and the bridesmaids wore lavender. They carried flowers and fans of pink, blue and lavender made as spring bouquets.

Carrie Martin of Gainesville, niece of the bride, was flower girl, wearing blue and carrying a spring basket of pastel flowers. Jon Martin of Gainesville, nephew of the bride, was ringbearer.

Sonny Weed of Saint Jo, a friend of the groom, was best man. Alan Corley of Saint Jo, a friend, and James Sidwell of Bowie, and the groom's brother, and Gary Hermes of Keller, the bride's brother, were groomsmen.

Tim Hermes and Glen Hermes, the bride's brothers, of Gainesville; Joel Hale of Saint Jo and Clay Hale of Nocona, both cousins of the groom, were ushers.

Mass servers were Leslie Cler, the bride's nephew, and Jerry Brawner, Jason Hofbauer, Jon Fleitman and Sam Fleitman, all cousins of the bride.

Candle bearers were Elizabeth Cler, the bride's niece, and Tonya Sidwell, the groom's sister, who carried candles to the altar for the couple to light their unity candle. They preceded the bridesmaids in the entrance. Their pink dresses were similar to the bridesmaids.

Wedding music was presented by Ruth Felderhoff, organist, and Wendell Black, who sang "We've Only Just Begun," "Ice Castles" and "Amazing Grace." Diane Grewing and Vicki Fisher sang "Mother Dear."

Readings for the wedding liturgy were given by Alyce Cler, Cheryl Martin and Debbie Bradshaw, all sisters of the bride.

Godparents of the bride, Mr. and Mrs. J.D. Fleitman of Muen-

ster, and the bride's nephew, Byron Bradshaw of Gainesville, presented Offertory gifts at the altar.

Reception

Parents of the couple were hosts for the reception in the Community Center, with dinner catered by the Schads of Lindsay and dance music by Jay Anderle.

Judy Sidwell, the groom's sister, and Theresa Sidwell, a sister-in-law, presided at the guest book.

White lace over pink covered the bride's table, also adorned with candelabra and the attendants' fans, and pastel flowers in vases made by the couple. The wedding cake, made by Mickey Spaeth, was

decorated with pastel flowers and topped by a musical wedding figurine. Serving the cake and the bride's table were Aletha Brawner and Jana Hofbauer, the bride's cousins, and Tammie Reiter and Valerie Vogel, friends.

Guest tables held flowers in the bride's chosen colors in blue laced vases and hurricane globes with pink candles.

The couple will be at home in Muenster. Showers preceding the wedding were hosted by Laurie Rohmer, Denise Hermes, Denise Whitfield, Alyce Cler, Elizabeth Cler, Cheryl Martin, Carrie Martin and Debbie Bradshaw. The rehearsal dinner was held at K-Bob's.

The Annual Hess
Family reunion will not
be held this year. The
Ed Hess family will
sponsor the reunion in
the summer of 1987.

MHS holds student council elections May 2

Student Council elections were held at Muenster High School on May 2, with the following results: Drue Bynum, president; Andy Burnette, vice president; Darla Bindel, secretary; Tracey Walterscheid, treasurer; Meredith McDaniel, reporter; and Melody Klement, parliamentarian.

Class representatives elected are Lisa Robison and Michael Connell, freshmen; Kim Hess and Jeff Walterscheid, sophomores; Michele Huddleston, junior; Melanie Richey and Matt Rhodes, seniors.

Installation ceremonies were held on May 7 in the MHS auditorium. Drue Bynum gave the invocation and led the student body in the Pledge of Allegiance to the Flag. Deann Walterscheid, outgoing president, introduced the new officers and student body representatives. Principal E.R. Griffin led the induction ceremonies.

The Muenster High School student body has elected favorites, naming the following in various categories:

Most school spirit, Ryan Klement and Deann Walterscheid; Most likely to succeed, Darren Walterscheid and Jean Pagel; Most talented, Matt Rhodes and Angie Barr; Best dressed, Drue Bynum and Deann Walterscheid; Most friendly, Ryan Klement and Melanie Richey; Chat-a-lot, Joe Pagel and Tonya Fisher; Campus favorites, Ryan Klement and Deann Walterscheid; Most courteous, Drue Bynum and Melanie

Richey; Most witty, Jeff Bull and Deann Walterscheid; Handsome Hornet, Darren Cheaney; Hornet Beauty, Dolle Pagel.

Muller-Herr reunion set for May 25

The annual Muller-Herr reunion will be held in the Muenster City Park on Sunday, May 25. Those attending may either bring a covered dish or meat or chicken to be barbecued, which will start about 11:00. Chicken should be split in half for the grill. Paper plates, napkins and party-packs will be provided.

News of the sick

Bridgette Klement, ten-day-old daughter of Leon and Christi Klement, remains in the Neo-Natal ICU at Harris Hospital in Fort Worth. While Bridgette is improving following heart surgery on May 8, her mother is staying nearby at OLV Convent with her aunt, Sister Francesca Walterscheid. Cards or letters can reach her, addressed to Christi Klement, 3300 Hemphill, Fort Worth, TX 76110.

Kindergarten to register

Mrs. Gwen Trubenbach, elementary principal at Muenster Public School, has announced a Kindergarten Roundup on Monday, May 19, from 3:15 to 4 p.m.

The event is intended for students who will enter kindergarten in September 1986, and their parents. The child's birth certificate and immunization record must be brought along.

During the visit, Mrs. Florence

Williams will discuss school rules, familiarize the children with kindergarten routine and conduct a language survey. Parents will fill out the registration form.

Please call 759-4311 or 759-4351 to report news items to the Muenster Enterprise. Or mail news notes to Box 190, Muenster, Texas 76252.

Garden Club holds annual installation

Muenster Garden Club's annual party and installation of new officers was held Friday, May 9, at the home of Mr. and Mrs. Herbert Miller, with a social hour and covered dish dinner.

Honored guests were husbands of members. A special pleasure for club members was the presence of Alice Roark, recently returned from hospitalization in Houston.

The installation ceremony was conducted by Loretta Felderhoff who presented a corsage to each new officer. The group includes Marie Endres, president; Marcy Wilde, 1st vice president and program chairman; Loretta Felderhoff, 2nd vice president and yearbook chairman; Alice Roark, 3rd vice president and membership chairman; Louise Knauf, secretary; Eileen Luke, treasurer; and Dolores Miller, parliamentarian.

The club presented a gift, a plaque and an honorary membership to Bill Luke in recognition of his help with the Germanfest booth.

During a brief business meeting, all members participated in an overview of their booth at Germanfest. They also discussed the coming flower show on May 17 at the Santa Fe Depot in Gainesville. The Muenster Garden Club is one of four Cooke County clubs hosting the Sesquicentennial Flower Show.

Baptisms

Klement

Ruth and Pat Klement's infant son, Frank Joseph, received the Sacrament of Baptism in Sacred Heart Church on Sunday, May 11, 1986 during the 9 a.m. Mass celebrated by Father Victor Gillespie. His baptismal sponsors were an aunt, Christy Yosten, and an uncle, Barney Yosten, with Allen Bayer proxy for Barney.

The christening gown was a gift from the paternal grandmother, Mrs. Tony Klement.

Dinner following at noon combined Mother's Day events in the Pat Klement home. Guests included the maternal grandmother, Mrs. Helen Yosten, also Martin Yosten, Ann Yosten, Mr. and Mrs. Matt Yosten, all of Sulphur Springs; Mr. and Mrs. Tony Klement of Muenster; Harold and Clara Schmitz of Lindsay; Mrs. Louise Horn of Windthorst; Mary Ann and Tim Sheaff of Denton; Vivian and Bill Thacker of Sherman; John and Lanie Bartush and family of Muenster.

Ogletree

Lance Joseph Ogletree, infant son of Adrienne and Paul Ogletree, was baptized on May 11 by Father Cletus Post in St. Peter's Church in Lindsay, following the 8 a.m. Sunday Mass.

Natalie and Doug Hess, an aunt and uncle, were his baptismal sponsors. In attendance also were the infant's grandparents, James and Geraldine Ogletree and Pete and Jeanette Hellingner. Others

were Elaine Hess, a cousin; Judy Ogletree, an aunt; and Angela Hellingner, an aunt.

Lance's baptismal suit was a gift from his great-grandmother Hellingner.

Serna

Jared Randy Serna, infant son of Phyllis and Randy Serna, was baptized in Sacred Heart Church on Mother's Day, May 11, during the 9 a.m. Mass celebrated by Father Victor Gillespie.

Godparents were an aunt and uncle, Janice and David Bayer. Jared wore a baptismal gown once worn by a cousin, Ryan Bayer.

Following the church service, family members, including two brothers, Jeffrey and Justin, and members of the maternal grandparents' family, Florence and Rich Grewing, were together for lunch at The Center Restaurant.

Weatherhead

Catherine Elizabeth Weatherhead, daughter of James and Carol Weatherhead, was baptized on April 20 at St. Mary's

Church by Father Nicholas Fuhrmann.

Catherine wore the same baptismal gown that her mother had worn. Her godparents were David and Helen Whitecotton of Montague. Those present were grandparents, Norbert and Ella Mae Rohmer and Bill and Joan Weatherhead of Gainesville, and Catherine Voth, great-grandmother of Muenster. Others attending were Betty and Stephen Tyler of Plano, Barbara, Jeanie and Lisa Mosman, Gene Rohmer of Gainesville, Wilmer, Lovelle and Gina Walterscheid of College Station.

Following the baptism and Mass, there was a dinner at the home of Norbert and Ella Mae Rohmer.

Doris Felderhoff Dennard honored by SFASU

Doris Felderhoff Dennard was inducted into the Ladyjack Hall of Fame in ceremonies held in conjunction with the Ladyjack Awards Banquet at Stephen F. Austin State University in Nacogdoches on May 1.

Mrs. Dennard is the former Doris Felderhoff, daughter of Henry and Betty Felderhoff and a 1973 graduate of Muenster High School. She received a Bachelor of Science degree in 1977 from Stephen F. Austin State University,

where she also earned a Master of Physical Education degree in 1978.

Listed as accomplishments while a student at SFASU, with special recognition of her three years on the Ladyjack basketball team, were a National Basketball Appearance in 1975; twice named Kodak All-American Basketball Player in 1976 and 1977; Regional Basketball Appearances in 1976 and 1977; recipient of the SFASU Ralph Todd Award, highest given by the

university (and Doris was the first girl to receive it); and the U.S. Olympic Trials in 1976.

She barely missed membership on the U.S. Olympic team, in the trials held in Nashville, Tennessee in 1976, surviving to the final cut.

Also she was on the All-American team that played in Washington, D.C. in 1977. Her parents attended this game.

Doris Felderhoff Dennard was named "Coach of the Year" in the Houston area in 1981 while she was

coaching in League City at Clear Creek High School.

She is presently living in Burleson and teaching at Everman High School, and head basketball coach. She and her husband, Ron Dennard, are parents of a 13-month-old daughter, Lyssa Jean.

Mr. and Mrs. Henry Felderhoff attended the Ladyjack Awards Banquet and Induction ceremony with the Dennards and all were overnight guests of friends in Frankston, Texas.

Cub Scout Day Camp set for June 23-27

Preparations for Cooke County Cub Scout Day Camp June 23-27 are well underway, according to Camp Director Lupe Evans. 52 cubs are pre-registered to attend. This is a smaller number than in past years, so more attention will be given towards having a super program.

Program Director Rhonda Posey, of Lake Kiowa, will direct a program dealing with pioneering days in Texas 150 years ago.

On the first day of camp, all Cub Scouts will be asked to arrive at camp at 8:15 a.m. to "stake their claim" to their territory.

Every day after they will keep adding something to their "claim." Staff training was held in Sanger on Saturday, May 3, where 24 staffers were trained in order to comply with one of BSA National Day Camp Standards.

Cub Scout Day Camp provides an opportunity for continuation of the Cub Scout Program in the summer. Day camp is an experience in group living in a natural environment, under the supervision of trained leadership. It is fun and helps to attain the purposes of Boy Scouts of America: character development, outdoor experiences, citizenship and personal fitness.

Cooke County Webelos Scouts will be attending a Day Camp June 16-20 at Hills & Hollows Scout Camp in Denton. The Cub Scout and Webelos Scouts Day Camp uses the Cub Scout program of advancement with all the outdoor achievements and electives in the Wolf, Bear and

Webelos books. Any registered Cub or Webelo Scout who has not registered to attend day camp may still do so. Registration is \$18.00 and can be turned in to Lupe Evans in Muenster or Kathy McColly in Gainesville.

Koelzers win with antique pickup

Mr. and Mrs. Victor Koelzer and friends of Wichita Falls, C.C. Corbin, Joe Cerney and Fred Hoffster, attended the regional Studebaker Antique Auto Meet in Tulsa Sunday. All won prizes. Combining business and pleasure, the Koelzers entered a 1962 Studebaker pickup that Victor has restored. This was the second award the pickup has received.

MINDY HENNIGAN

Mindy celebrates eighth birthday

Mindy Hennigan, daughter of Mike and Janie Hennigan, had two celebration for her eighth birthday. On May 8th, her actual birthdate, Mindy's grandparents, Trudy Felderhoff and Pat and Alice Hennigan, godmother Carol Klement, Ryan, Brandon and Kimberly came with gifts to wish her happy birthday.

On May 9th, Mindy and six school friends walked home from school to celebrate with a slumber party. After a hamburger supper, guests enjoyed cake and ice cream. Helping Mindy celebrate were Audrey Knabe, Mary Knabe, Julia Fleitman, Melissa Biffle, Toni Trubenbach, Misty Klement and Mindy's sister, Megan.

MKT track to be removed in G'ville

When Interstate 35 was built through Gainesville, the Missouri-Kansas-Texas Railroad line from Sherman to Wichita Falls crossed it. The overpass that carried the railroad over the highway provides 14 feet of vertical clearance, less than modern standards dictate.

The M-K-T abandoned the line some years back, but the right to use the track was sold to another railroad, the Santa Fe, so that it could serve as a spur to a local industry.
Now, the tracks are no longer needed by the industry and the State Highway and Public Transportation Commission has awarded a contract to remove the old structure.

H & H Materials, Inc., of Kerrville was the lowest of seven bidders for the job at \$167,000, almost 40 percent under the highway department's estimate.
Charlie Hildebrand of Gainesville will be the highway department's engineer in charge of the work.

Electric Nights to come to Dallas June 29

The Benson & Hedges talent market concert makes its nationwide debut at the Summit in Houston on June 27 and proceeds to the Reunion Arena in Dallas on June 29. The show headlines The Pointer Sisters, Al Jarreau, Patti LaBelle and the Dallas winner of the Benson & Hedges Talent Search. There will be a special appearance by the internationally acclaimed dancer, Maurice Hines.

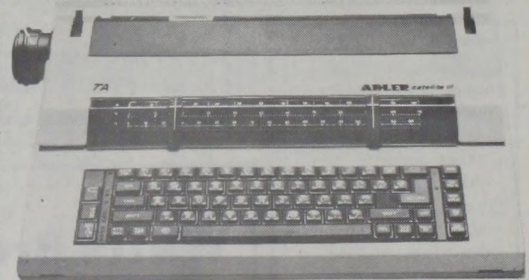

The Benson & Hedges Talent Search is being conducted in Dallas prior to the concert. This contest gives up-and-coming performers the chance to open for superstars Ruth, June and Anita Pointer, Al Jarreau and Patti LaBelle plus win a \$10,000 first prize.

The Benson & Hedges Electric Nights concert treats fans to a showcase of the best in pop and R & B, and to the most sophisticated production of any concert today. Five 16' x 20' video screens as well as two monitors give everyone in the audience close-up looks at the live performances. Studio-quality "sound in the round" with backfield speakers provides the ultimate in quadrophonic sound.

John Schad, 84, dies

Funeral service for John A. Schad, 84, of Lindsay was held Monday at 10 a.m. in St. Peter's Church with Father Cletus Post officiating at a Mass of Christian Burial.

Also present at the altar were Abbot Raphael DiSalvo and Father Denis Soerries.

Other participants in the liturgy were cousins, Sister Mary Rose Zimmerer and Sister Barbara Jane Zimmerer of Westphalia in presentation of offertory gifts; also nephews, Shannon and Cory Schad as mass servers.

Mr. Schad died Friday morning at Frontier Manor. Rosary service was held Sunday at 4 and 7 p.m. in the chapel of Geo. J. Carroll and Son Funeral Home.

Burial was in the Lindsay Cemetery directed by the Carroll Funeral Home with nephews Eddie Schad, Don Schad, John Henry Streng, Mel Bayer, Michael Kendall and Regi Bayer as the pallbearers.

Mr. Schad was born Oct. 29 in Valley View, a son of the late John and Sophia Zimmerer Schad. He

was a member of St. Peter's Church and a retired farmer.

Survivors are three brothers, Father Sylvester Schad of Corpus Christi, Ed Schad of Lindsay and Brother John Schad of Subiaco, Ark.; five sisters, Mae Streng of Muenster, and Sisters Liboria, Helen Margaret, Alma Sophie and Vera, all of San Antonio. Illness prevented the presence of Father Sylvester and Sisters Liboria, Alma Sophie and Vera.

Hunting regulation changes adopted by Commission

AUSTIN - Establishment of a uniform statewide white-tailed deer hunting season was among a number of hunting regulation changes adopted by the Texas Parks and Wildlife Commission in a public meeting in Austin.

The commission set season dates and bag limits for most game animals and birds, except those for migratory species and quail bag limits which will be adopted later.

The general white-tailed deer hunting season will be Nov. 8, 1986 through Jan. 4, 1987. The archery-only deer season will be Oct. 4 through Nov. 2.

The statewide white-tail season represents the first time in modern history that all Texas counties will have the same season dates.

The commission also added 59 counties to the either-sex system of

deer bag limits. Special antlerless tags will be issued to landowners with no limit as to acreage required for taking antlerless white-tailed deer. The counties experience chronic overpopulations of does.

The commission also authorized an either-sex archery bag limit for whitetails in counties where antlerless deer were harvested during the past gun season.

An archery-only deer season also was approved for Grayson, Hunt and Kaufman Counties, where limited but stable deer populations will provide some recreational opportunities. Deer may not be taken with firearms in these counties.

Amended archery regulations include requirements that bows have at least a 40-pound minimum peak draw weight, rather than the ability to propel an arrow 130 yards as specified in the previous

regulation. Broadhead arrows must be a minimum width of 7/8-inch with at least two cutting edges.

Several regulations on archery hunting currently in effect will be continued, including the name and address of the owner written on each arrow; prohibition of drugs or poison; prohibition of crossbows to take game animals or birds; and permitting the possession of a shotgun provided shot size is #4 or smaller.

In upland game, several counties were added to those having an either-sex turkey bag limit, and Cooke and Milam Counties were added to those having a spring season. In the Panhandle, the turkey season was lengthened from 16 days to 58 days (standard fall season) and the bag limit was increased from one turkey, either sex to two turkeys, either sex.

Four to go to state

Cooke County will send four high school tracksters to Austin this weekend to compete in the 1-A state track and field meet. Rita Walterscheid, Tammie Reiter and Andy Burnette will represent Muenster and Lucy Fuhrmann will go from Lindsay.

Tammie Reiter has the eighth best throw in the discus with 103'6". Terri Agubright from Ague Dulce has the best distance of 142'6". Rita Walterscheid has six girls with better shot put tosses going into state. Rita's 35'2"-mark is almost nine feet short of JoAnn Wooley of Sudan, whose 44'1"

toss gives her the best distance.

Lindsay's Lucy Fuhrmann will be running the 1600-meter run, with a time of 5:54.21. The fastest time of 5:20.72 belongs to Cindy Harper of Woodson.

Andy Burnette, the county's only male competitor, will run the 110-meter hurdles. Burnette earned his best time of 14.92 at the regional track meet and presently has the second fastest time behind Wendall Edwards of Cayuga, with 14.88.

Muenster's track members placed second and Fuhrmann of Lindsay won her race at the regional meet.

Bass, crappie limits adopted May 1

AUSTIN - A 14-inch minimum length limit and bag limit of five per day for largemouth bass in most of Texas highlighted fishing regulation changes adopted by the Texas Parks and Wildlife Commission May 1 in Austin.

Most hunting and fishing regulation changes will go into effect Sept. 1, 1986. Saltwater regulations go into effect June 1, 1986.

Effective Sept. 1, no largemouth bass smaller than 14 inches in length may legally be retained by anglers except in the Panhandle region north of U.S. Highway 70, where a 12-inch minimum length limit will be in effect. The bag limit is five largemouth bass per day, 10

in possession statewide.

The 12-inch length limit adopted for Panhandle Counties would apply to all bass species. In the remainder of the state, the 14-inch minimum applies only to largemouths, and anglers will be allowed to retain smallmouth or spotted bass 10 inches and longer. The five per day bag limit will be in effect regardless of which species of bass is retained.

Bass limits for Lake Texoma also vary somewhat from the statewide limits, in order to conform more closely to Oklahoma limits. A 14-inch minimum length limit will be in effect, but the daily bag limit will be 10 largemouth, smallmouth and spotted bass in the aggregate,

possession limit of 20 in the aggregate.

Officials stress that the 14-inch minimum length limit applies only to largemouth bass. The 10-inch minimum length limit still applies to spotted, Guadalupe and smallmouth bass, except at Texoma, where the length limit on all bass species is 14 inches, and in the Panhandle, where the minimum is 12 inches for all bass. However, even though 10-inch spotted or smallmouth bass may be legally retained, they still count in the five per day bag limit, except on reservoirs such as Texoma which have a higher bag limit.

The commission established a statewide bag limit of 25 crappie

per day, 50 in possession. There will be no minimum length limit except on reservoirs with special crappie limits.

On the Trinity River in downtown Fort Worth between Nutt Dam and City Dam, the daily bag limit of catfish is five in the aggregate, possession limit of 10 in the aggregate. This was authorized to manage the urban fishing program which includes stocking of catchable-sized (nine-inch) channel catfish.

Another regulation adopted by the commission requires a trotline used in fresh waters to be tagged with the owner's name and address at each end of the line, rather than just one end as is currently required.

Operation Game Thief to pay for convictions

AUSTIN - The state's Operator Game Thief program will pay \$7,450 to persons who caught game law violators in the act during the past six months.

Deer poaching in one form or another accounted for 24 of the 34 cases, ranging from night road hunting, use of prohibited weapons, possession of untaged deer and taking deer during a closed season.

Persons who observe game or fish law violations may call toll-free 1-800-792-GAME, and if the information leads to a conviction the caller, who may remain anonymous, is eligible to receive a cash reward in an amount specified by the Operator Game Thief Committee.

The committee meets in Austin every six months to disburse rewards, which are funded entirely through tax-deductible contributions from individuals and organizations.

The committee deemed two cases worthy of \$400 rewards, and both were deer hunting cases. Four violators were caught hunting deer at night on a public road. Officials said the four were caught with an untaged buck deer and two other deer they had killed. Two of the party did not have a hunting license. The four paid fines totaling \$1,704. The other case involved three persons caught with deer killed from a public road. The committee recommended a \$400 reward for the caller on this case because his calls had resulted in arrests on prior cases. The three were fined \$600.

Operation Game Thief continues to receive excellent support from contributors, with sufficient money now in the fund to pay rewards from accrued interest, according to Capt. Stanley Brooks, Game Thief Program Coordinator for the Texas Parks and Wildlife Department.

The program continues to have a good arrest and conviction percentage from the incoming calls, Brooks said. During the past six-month period, the 705 calls led to

588 cases investigated and 66 arrests. A total of 168 convictions were obtained against 206 persons, for a 11.12 percent conviction rate.

Persons or organizations interested in making donations to the OGT fund may contact Brooks at the Parks and Wildlife Department headquarters, 4200 Smith School Road, Austin, TX 78744.

County students compete

Five students from Muenster High School competed in the state Literary tournament in Austin on Friday, May 9. Lindsay High School sent three students; Era sent two; Valley View sent one; Callisburg sent one; Gainesville sent one.

What does the average person think when hearing that a student has advanced to the state level? Does anyone realize how few earn this honor? Looking at the numbers, it is even more impressive.

This year, 1,142 schools entered the literary competition across Texas. Each school is permitted to send three representatives to district competition in each event, amounting to 3,426 contestants in the state.

Of these possible contestants, only 12 earn the honor of advancing to the state Literary tournament in each event. Being one of the 12 is most impressive. It also becomes pressure-laden. Each participant at state level equals roughly .3 of 1 percent of those who took part.

For the Muenster students, in the preliminary round of debate, each team debates three times and the

four teams with the best record of wins and losses advances to the semi-finals.

Meredith McDaniel and Jamie Walterscheid won against teams from Trivoli-Austwell, Trivoli and Christoval, and lost a debate to Loop, which earned them fifth place. The second team of Jean Pagel and Mikael Fette defeated a team from Weinert and lost to teams from Barksdale and Iraan, and they tied for sixth place in debate.

Debate sponsor Robert McDaniel said he was not disappointed with either team, considering how many teams had to be defeated to reach the state level. He added, "It is difficult for students to overcome the mental attitude of competing in Austin on the University of Texas campus, realizing the judge may be a professor from the university."

Drue Bynum competed in persuasive speaking and spoke on the topic of "U.S. Banks and Why They Are Declining In Number." He did not reach the finals.

Jean Pagel also competed in feature writing, and wrote her article after interviewing Cathy

Cronkite, daughter of Walter Cronkite. Jean and all the other writers had a 30-minute interview and then received a fact sheet in which they had one hour to compose their articles. Jean's feature did not place in the top six.

Lindsay High School sophomore, Lucy Fuhrmann, won fifth place in science. She represented her school in three categories: Spelling, Editorial Writing and Science. Lindsay High School seniors Wayne Fleitman and Leroy Hermes also placed in the top 20 in state in Science. Lindsay High School was the only school with three students in the top 20 in Science.

Era junior, Laurie Carden, was fifth in editorial writing and Era freshman, Brian Downe, was ninth in typing. Valley View's entry was unable to attend, but Valley View senior Lee Ann Penbroke placed third in prose reading and was the highest winner for Cooke County. Brad Scott, Gainesville junior, won fourth in informative speaking.

All these were high winners at regional level in Kilgore on April 25.

Forestburg News

by Myrt Denham

The Forestburg Community was deeply saddened by the death of Mrs. Cleo Lanier at 4:30 a.m. Saturday morning, May 10, in the Bowie Memorial Hospital where she had been a patient for some time. This community will really miss Cleo - she was very active in the community and church. She worked with the FHA and 4-H Club for many, many years and could always be counted on to "take the reins" for any fund drive. She so loved to have "little get-together" parties in her home for special days - and she always managed to get the ladies in the community to attend. Cleo was also a very good poet; we all enjoyed the poems she wrote from time to time. She became known as Mrs. Forestburg and Forestburg's First Lady - which pleased and amused her. So we will all miss seeing her "hustle and bustle" around the 'Burg.

Funeral services for Cleo were held at 4 p.m. Sunday, May 11, in the Forestburg United Methodist Church with C.E. Cole, Rev. Chris Allen and Rev. Marshall Stewart officiating. Interment was in the Perryman Cemetery under the direction of McCoy Funeral Home.

Thus, we bid our little "Mrs. Forestburg" a fond, but very sad, farewell as do her son, Gerald of Decatur, daughter, Jeanette Montgomery of Forestburg, her sister, Geneva Davis of Montague, her seven grandchildren and two great-grandchildren.

This is the last reminder about the upcoming WBAP Homemakers Community Service Club Auction this Saturday, May 17, at the new Community Center. Donations are still needed! Sandwiches, pies, cakes and drinks will be on sale - and donations along those lines will really be appreciated. See you at the Auction. Starts at 10 a.m.

Sunday, June 1, is the date for the annual Dewey Homecoming. It will be at the "Little Country Church" in Dewey. Bring your dinner and join your friends and neighbors.

The Hardy Cemetery Association will sponsor a luncheon Sunday, June 8, in the new Community Center at Forestburg. Anyone interested is asked to bring a vegetable and dessert or salad and dessert. Serving will start about 12:30 p.m. and charges are \$3.00 per adult and \$1.50 per children under 12 years of age. Money raised will go into the Hardy Cemetery Fund. For more information, call Mag Huckabay.

The New Harp church revival is to start Wednesday night, May 14, and continue through Sunday night, May 18. Bro. Charles Taylor of Sycamore will conduct the services. There will also be special music. A hot dog supper is scheduled for Friday night and a lunch at noon on Sunday.

The Forestburg Baptist Church will be host to a Community Singing Sunday night, May 18, at 7 p.m. Everybody in the area is invited to attend. These community singings take place once every three months.

Dude and Bula Mae Berry attended the wedding of their son, Mike, to Linda Hughes at 2 p.m. Saturday, May 10, in the home of Linda's mother, Mrs. S.C. Graves of Era. The Berrys report that Mike and Linda paid them a visit Sunday afternoon.

Jerry and Debbie Reynolds are the very proud and happy parents of a baby boy born at 7:40 a.m. Sunday, May 11, weighing 6 lb. 10 oz. and named Jonathan Ray. His grandparents are Mrs. Moxine Erwin of Richardson and Mr. and Mrs. Kenneth J. (Wassie) Reynolds of Forestburg. Great-grandparents are Jimmie Joe and Cleta Reynolds also of Forestburg. Jonathan was the first baby to be born on Mother's Day. He was presented with gifts from the Young Homemakers and pictures were taken for the newspapers.

Mr. and Mrs. Jack C. Dill drove to Paris, Texas Friday night to attend the graduation exercises for Jack's niece, Deniese Black, from Paris Junior College with a RN Nursing degree. Deniese is the daughter of Mr. and Mrs. Jerry

Dill of Mount Pleasant. After the exercises, the Jack Dills drove on to Mount Pleasant to spend the night with the Jerry Dills, returning home Saturday evening. The Dills' daughter and husband, Vatori and Scott Selby of Denton, spent Sunday with them.

Juanita Bailey had herself a great Mother's Day weekend and then some. Her son and wife, Mr. and Mrs. Ronald Bailey, and two of their grandchildren, Coleman and Hunter Hampton, all of Lubbock, arrived Thursday, May 8. Then Mr. and Mrs. Roger Bailey and Carter of Fort Worth made it in on Friday and Bonnie and Jay Holleman of Abilene arrived on Saturday.

Mrs. Gladys Barclay reports that 120 people signed the register at the Barclay Reunion on Sunday, May 4, at the new Community Center.

Mrs. Joe Denham of Bowie Manor spent the Mother's Day weekend with her son and wife, the Perryman Denhams.

Mr. and Mrs. Charles Barber and family of Wichita Falls spent the Mother's Day weekend with her parents, Merle and Clifford Hudspeth.

Mrs. Tanya Bolten and girls of Fort Worth, Mr. and Mrs. Raymond Wood, Mr. and Mrs. Gerald O'Brien of Collier, Mr. and Mrs. Jim Pickens of Edgewood, Ray Ann Lynch of Denton and Mrs. Gladys George of Fort Worth were all guests in the Doyle Lynch home on Sunday, May 11.

Mr. and Mrs. Brian Hudspeth and family spent the past Sunday with his parents, Charles and Helen Hudspeth.

Mag Huckabay drove to Walnut Bend Saturday to visit with two ladies that she grew up with. They now reside in Bakersfield, California.

Sunday, May 11, visitors with Louise Shults were John and Nelda Blankenship of Lindsay, Okla., Mr. and Mrs. Bill Shults of Denton, Mrs. Laura Warren of Greenwood and a longtime friend of Louise's, Flora Williams of Waco, and Dorothy Penton of Gainesville. Mrs. Williams is the sister of the late Charlie Meyer. On Saturday, Louise drove over to the Saint Jo Nursing Center to visit with Mrs. Lenora Moore.

Mildred Williams and Mary Fellers of Gainesville called on Veda and Barney Brogdon on Tuesday, May 6. Mildred, Mary and Veda were nurses together in Gainesville at one time.

Elizabeth Cox, Nina Eavenson and Floyd Steadham of Wichita Falls, and Mr. and Mrs. Oran Steadham of Bowie were all visitors

with Barney and Veda Brogdon on Monday.

Mrs. Margie Long of Plano and Mr. and Mrs. Larry Scott and Jennifer of the 'Burg fixed dinner and made it to Veda and Barney's on Sunday, May 11.

Mrs. Ova Mann of Saint Jo was a Sunday evening visitor with the Brogdons.

Seems like every year that it comes time for the annual FFA Rodeo - here comes up a rain and thunderstorm. Well, this year it came on Friday night and really boomed and rained on the rodeo. It rained about 4 1/2 inches here at the Denham abode.

Mr. and Mrs. Truman Greenwood of Denton visited with his mother, Mrs. Georgia Greenwood and JoAnn and Wynona on Saturday.

Melvin Hancock of Alvord passed away at 3 a.m. Monday, May 12. Funeral services were held for Wednesday in the Alvord Baptist Church. Mr. Hancock is the father-in-law of Billy Barclay of Saint Jo and Mrs. Anita (Potet) Hancock of Alvord. Anita is Olita Lanier's sister.

Our deepest sympathy goes out to Rev. and Mrs. Chris L. Allen and children of Forestburg in the loss of his grandmother Sunday night, May 11, in Wichita Falls. I do not know at this time if it was his paternal or maternal grandmother.

The Forestburg Monthly Ladies Luncheon had its get-together Thursday, May 8. As per usual, there was much chatter and laughter, and a lot of good food to enjoy. The next luncheon will be Thursday, June 12. So all you ladies out there - mark your calendars and make plans to attend!

Those enjoying this last luncheon were Betty Jo Cook, Eula Fae Galmor, Frances Brewer, Mag Huckabay, Marion Sockwell, Loveta Bewley, Vera Mae McGee, Dorothy Foster, Juanita Cote, Delia Sutton, Mary Etta Foster, Millie Reynolds, Bonnie Griffin, Wilma Moseley, Geneva Volkman and Myrt Denham.

If I did not get your news items this week, my apologies go out to you. I had to make a business and "errand running" trip to Bowie Monday afternoon. If I do not contact you, please call in your news items. I would really appreciate them. I will close with a saying a friend of mine asked me to use, and I know you have heard it before. However, the meaning is there and very good indeed.

Put it on,
Make it do,
Wear it out,
Or do without!

THE MUESTER GARDEN CLUB has announced the selection of the front and back yards surrounding the home of Dave and Pam Fette for "Yard of the Month" honors in May. Facing east on South Willow Street, there are floribunda roses, and the entrance is marked with a native stone walk, edged with seasonal flowers, presently yellow pansies. Bradford pear trees will provide shade as they mature. In the back, there is a vegetable garden. Also two flower beds and more shade trees. Playground equipment includes swings, a tree house and sand box.

ORDINANCE 132-A LITTER CONTROL ORDINANCE

AN ORDINANCE AMENDING ORDINANCE 132-A; PROVIDING FOR LITTER CONTROL; DEFINING LITTER; REGULATING DISPOSAL OF LITTER FROM PEDESTRIANS AND MOTORISTS; VEHICLES TRANSPORTING LOOSE MATERIALS, LOADING AND UNLOADING OPERATIONS, HOUSEHOLD SOLID WASTE CONTAINERIZATION AND REMOVAL, COMMERCIAL SOLID WASTE CONTAINERIZATION AND REMOVAL; PROVIDING FOR SOLID WASTE DISPOSAL AND STORAGE FACILITIES AT NEW BUILDINGS; PROVIDING FOR PENALTIES FOR VIOLATION THEREOF; PROVIDING FOR ENFORCEMENT THEREOF; AND SEVERABILITY.

BE IT ORDAINED BY THE CITY COUNCIL OF MUENSTER, TEXAS:

That Ordinance 132-A passed and approved by the City Council of the 20th day of March, 1972 is amended to read as follows:

ARTICLE 1 - DEFINITIONS

For purposes of this ordinance:

Litter is any quantity of uncontainerized paper, metal, plastic, glass or miscellaneous solid waste which may be classified as trash, debris, rubbish, refuse, garbage or junk not placed in a solid waste container.

Public property includes, but is not limited to, the following exterior locations: streets, street medians, roads, road medians, catch basins, sidewalks, strips between streets and sidewalks, lanes, alleys, public right-of-way, public parking lots, school grounds, municipal vacant lots, parks, other publicly-owned recreation facilities, and municipal waterways and bodies of water.

Private property includes, but is not limited to, the following locations owned by private individuals, firms, corporations, institutions or organizations: yards, grounds, driveways, entrances, passageways, parking areas, working areas, storage areas, vacant lots and recreation facilities.

Containers or solid waste containers are city approved metal, heavy-duty paper or plastic receptacles used for the disposal and storage of solid waste.

ARTICLE 2 - REGULATIONS

Section 1. PEDESTRIANS AND MOTORISTS

(a) It shall be unlawful for any person to throw, discard, place or deposit litter in any manner or amount on any public or private property within the corporate limits of the city, except in containers lawfully provided therefor.

(b) In the prosecution charging a violation of Section 1 (a) from a motor vehicle, proof that the particular vehicle described in the complaint was the origin of the litter, together with proof that the defendant named in the complaint was at the time of such violation the registered owner of said vehicle, shall constitute in evidence a presumption that the registered owner was the person who committed the violation.

(c) It shall be the duty of every person distributing handbills, leaflets, flyers or any other advertising and information material to take whatever measures that may be necessary to keep such materials from littering public or private property.

(d) To facilitate proper disposal of litter by pedestrians and motorists, publicly patronized or used establishments shall provide, regularly empty and maintain in good condition adequate containers that meet standards prescribed by the city. This requirement shall be applicable, but not limited to, fast food outlets, shopping centers, convenience stores, supermarkets, service stations, commercial parking lots, and public institutions.

Section 2. VEHICLES TRANSPORTING LOOSE MATERIALS

(a) It shall be unlawful for any person, firm, corporation, institution or organization to transport any loose cargo by truck or other motor vehicle within the corporate limits of the city unless said cargo is covered and secured in such manner as to prevent depositing of litter on public and private property.

(b) The duty and responsibility imposed by Section 2 (a) shall be applicable alike to the owner of the truck or other vehicle, and to the operator thereof.

(c) In the prosecution charging a violation of Section 2 (a), lack of adequate covering and securing shall in itself constitute proof a violation has been committed.

Section 3. LOADING AND UNLOADING OPERATIONS

(a) Any owner or occupant of an establishment or institution at which litter is attendant to the packing and unpacking and loading and unloading of materials at exterior locations shall provide suitable containers there for the disposal and storage of such litter and shall make appropriate arrangements for the collection thereof.

(b) Further, it shall be the duty of the owner or occupant to remove at the end of each day any litter that has not been containerized at these locations.

Section 4. CONSTRUCTION/DEMOLITION PROJECTS

Ordinance 132-A, as amended, provides for proper disposition of litter at construction/demolition projects.

Section 5. HOUSEHOLD SOLID WASTE CONTAINERIZATION AND REMOVAL

(a) All residences shall have sufficient container capacity to accommodate their normal volume of solid waste between collections.

(b) All items too large to fit into containers, such as, but not limited to, furniture and mattresses, shall be disposed of through fee-payment bulk collection services or self transport of such items to end-disposal facilities outside the city.

(c) All loose materials which normally fit into containers but which are excess as a result of special circumstances such as holidays shall be bundled and tied securely so as to repel animals and to prevent materials from blowing or scattering, and such bundled materials shall be placed beside the containers.

(d) Containers shall be kept covered at all times.

(e) Any container which does not conform to prescribed standards or which has defects likely to hamper collection or injure the person collecting the contents thereof or the public generally shall be replaced promptly by the owner or user of the container upon receipt of written notice of such defects from the city. Failure to do so within five (5) days of such notification shall constitute a violation of this section.

(f) In placing containers for collection and in removing them so after collection, all persons shall take the necessary precautions so that the contents thereof do not become litter.

(g) It shall be unlawful for any resident to deposit household solid waste in any receptacle maintained on a sidewalk or at any other location for disposal of litter by pedestrians.

Section 6. COMMERCIAL SOLID WASTE CONTAINERIZATION AND REMOVAL

(a) All establishments and institutions which generate solid waste for collection by approved contractors shall obtain adequate containers approved by the city and said containers shall not be visible from adjacent public or private property.

(b) Containers shall be kept covered at all times.

(c) Any container which does not conform to prescribed standards or which has defects likely to hamper collection or injure the person collecting the contents thereof or the public generally shall be replaced promptly by the owner or user of the container upon receipt of written notice of such defects from the city. Failure to do so within five (5) days of such notification shall constitute a violation of this section.

(d) It shall be unlawful for any owner, manager or employee of a commercial establishment or institution to deposit solid waste from that establishment or institution in any receptacle maintained on a sidewalk or at any other location for disposal of litter by pedestrians.

Section 7. PROVISION FOR SOLID WASTE DISPOSAL AND STORAGE FACILITIES AT NEW BUILDINGS

(a) Before building permits shall be issued for construction of commercial buildings and multiple-dwelling units, plans for the adequacy, location and accessibility of solid waste containerization and storage facilities must be approved by the city.

(b) No certificate of occupancy shall be issued for said premises until the city's approval of these facilities has been obtained.

Section 8. KEEPING PROPERTY CLEAN

(a) It shall be the duty of the owner, agent, occupant or lessee to keep exterior private property free of litter. This requirement applies not only to removal of loose litter, but to materials that already are, or become, trapped at such locations as fence and wall bases, grassy and planted areas, borders, embankments and other lodging points.

(b) Owners, agents, occupants or lessees whose properties face on city sidewalks and strips between streets and sidewalks shall be responsible for keeping those sidewalks and strips free of litter.

(c) It shall be unlawful to sweep or push litter from sidewalks and strips into streets. Sidewalks and strip sweepings must be picked up and put into household or commercial solid waste containers.

(d) It shall be the duty of every non-resident owner of a vacant lot or other vacant property to appoint a resident agent who shall have responsibility for keeping that lot or other property free of litter.

(e) If after due warning, citation or summons, an owner, agent, occupant or lessee fails to remove litter from any private property, the city is authorized to serve written notice to the owner or his appointed agent that if the condition is not corrected within ten (10) days, the property will be cleaned by the city and the owner or his appointed agent billed for the cost thereof. If the bill is not paid within thirty (30) days, execution may be issued by the city against the property for the amount of the cleaning charge, and such execution shall constitute a lien on the property until the claim has been satisfied.

ARTICLE 3 - ENFORCEMENT AUTHORIZATIONS

Designated personnel in the following two departments are authorized to enforce sections of this ordinance as prescribed below:

POLICE DEPARTMENT

Police officers are empowered to enforce any regulation of which violations may be observed in the normal course of patrol duty. Officers have authority to enforce, in their normal course of duty, violations of the following sections in Article 2:

- 1 (a) Littering by pedestrians and motorists
- 1 (c) Littering with handbills, leaflets, etc.
- 2 (a) Transporting loose materials without adequate covering
- 3 (a) Lack of containers at loading/unloading operations
- 3 (b) Failure to clean loading/unloading areas
- 6 (a) Improper commercial solid waste containerization
- 6 (d) Depositing commercial solid waste in sidewalk or other pedestrian litter receptacles

- 8 (a) Litter on private premises
- 8 (b) Litter on sidewalks and strips
- 8 (c) Sweepouts

CITY INSPECTOR

In pursuance of their normal work, city inspectors are authorized to enforce the following sections:

Section 4. Litter control at construction/demolition projects and appropriate collection/disposal.

Section 5. Wherever violations of household solid waste containerization regulations constitute existing or potential fire or health hazards.

Section 6. Wherever a similar situation prevails with regard to commercial solid waste containerization regulations.

Section 7. Approval of solid waste disposal and storage facilities at new buildings.

Section 8. Wherever violations of clean-property regulations constitute existing or potential fire or health hazards.

ARTICLE 4 - PENALTIES

It shall be unlawful for any person, firm, or corporation to violate the provisions of this ordinance. Any person violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor, and each such person shall be deemed guilty of a separate offense for each and every day or portion thereof during which any violation of any provision of this ordinance is committed, continued, or permitted and upon the conviction of any such violation, such offense shall be punishable by a fine of not more than ONE THOUSAND (\$1,000.00) DOLLARS.

ARTICLE 5 - SEVERABILITY

If any provision of this ordinance, or any section, thereof, in any circumstance is held invalid, the validity of the remainder of the ordinance and of the application of any of the other provisions or sections shall not be affected.

ARTICLE 6 - EFFECTIVE DATE

This ordinance shall be effective from and after the 2nd day of June, 1986.

PASSED AND APPROVED this 2nd day of June, 1986.

Wheat Variety Tour set for May 16

Variety selection is one aspect of wheat production that requires more attention each year. Many qualities are expressed in variety comparisons like grain yield, disease susceptibility, maturity, grazing ability, straw strength, etc.

Producers are invited to a Wheat Variety Tour on Friday, May 16, beginning at 9 a.m. Locations and times are:

9 a.m. - Henry Popp Farm
9:45 a.m. - Hoelon/Glean Herbi-cide Plots

11 a.m. - William Hermes Soft Wheat Plots - Butcher Farm
A hamburger lunch will be served following the tour.

Cattlemen, USDA reach settlement

FORT WORTH - The U.S. cattle industry and the U.S. Department of Agriculture reached an agreement Friday afternoon, May 9, to settle out of court their differences over the controversial \$1.8 billion Dairy Termination Program, said John E. Birdwell, president of Texas and Southwestern Cattle Raisers Association.

The Fort Worth-based trade association filed a lawsuit as a complaint against the federal government to stop the program last month. Federal District Judge Halbert O. Woodward of Lubbock issued a preliminary injunction and order April 30 in favor of the cattlemen represented by TSCRA, the National Cattlemen's Association, Texas Cattle Feeders Association and individuals. He instructed USDA to implement provisions by June 1 that minimize the impact of the dairy whole-herd buyout on the beef cattle market. Since Monday, a team of cattle industry representatives including Birdwell and TSCRA Secretary-General Manager Don C. King has been meeting with USDA officials and legal counsel to expedite the development of those provisions before the June 1 deadline.

"I am pleased to announce that we reached agreement today on language that essentially satisfies our requests submitted to the court last week. Those requests focused on three areas: (1) orderly marketing, (2) reporting and (3) beef purchasing," Birdwell said.

The court order mandates orderly marketing without breaking existing contracts with dairymen. To avoid as much as possible the "bunching" of dairy cattle in the first five months of the program, USDA agreed to ask dairymen to voluntarily move the scheduled slaughter or export of their cattle from the first marketing period to the second or third period. USDA will also impose severe penalties on dairymen who fail to meet disposal period deadlines.

USDA also agreed to make its required purchases of 400 million additional pounds of red meat proportionate to the additional cattle going to market under the program. The department agreed to take steps to avoid displacing normal meat purchases. Recipient agencies will be encouraged to limit their acquisitions to domestically produced beef, USDA also agreed to expedite the export of live dairy cattle under the program.

Forage producers and purchasers need to be cautious of the moisture content of hay at time of baling and storing. Barn fire due to unfavorable drying conditions caused by weather and high humidity is a real problem in the spring. The problem has been more prevalent the past two years because of the increase in wheat harvested as hay.

Producers should keep a careful watch on hay stored in buildings the first four to six weeks. When the temperature of hay reaches 150° to 175°F., bacteria and molds present are killed, but oxidation

continues and the hay may become extremely hot. There is a serious danger that a barn fire will occur when the temperature goes above 160°F. At temperatures of 175° to 185°F., fire pockets may be expected.

Producers can best check the temperature of the forage by probing with a steel rod and inserting a thermometer attached to a wire. A dairy or similar type thermometer that will record a temperature of, at least, 200°F. should be used.

If the hay reaches a temperature of 140°F., it should be checked daily; at 160°F. it should be

checked hourly; and at 180°F., it should be removed from the barn. Since removing the hay may hasten spontaneous combustion, a fire department should be called to stand by since the hay may burst into flames when the air reaches it.

To prevent a large economic loss of forage and facilities, producers should strive to bale the hay at the optimum moisture content of 13 to 15 percent. A hay preservative must certainly be considered at moisture levels of 18 percent or higher if weather conditions prevent drying to the optimum level.

Petty re-elected to board

Hermon L. Petty of Mineral Wells was elected in a convention-type election May 6, to serve a one-year term on the Texas State Soil and Water Conservation Board. He has served on the TSSWCB since May 1981.

Petty represents State Zone Five which consists of 51 counties served by 38 soil and water conservation districts in the Central to North Central region of Texas. The TSSWCB's chief responsibility is

to coordinate the programs of Texas' 204 SWCDs. Unlike many state agencies and commission whose policy-making bodies are gubernatorial appointees, the State Board consists of five elected members who must be landowners and actively engaged in farming or ranching.

Petty, a graduate of Texas A&M University, is a pork, pecan and livestock producer.

Prior to his election to the TSSWCB by soil and water conser-

vation district delegates, Petty served as President of the Association of Texas Soil and Water Conservation Districts. He also served as a director of the Palo Pinto Soil and Water Conservation District, Chairman of the County ASCS Committee, Director of the Mineral Wells Chamber of Commerce, President of the Palo Pinto County Farm Bureau and as a Director of the First National Bank of Santo, Texas.

Loan restructuring a "major victory"

WACO - A decision by the Farm Credit System to allow loan restructuring is a "major victory for financially-troubled farmers and ranchers," according to the president of the Texas Farm Bureau.

"Farm Bureau's efforts to gain restructuring by commercial and Farm Credit System banks has finally paid off," said S.M. True, Plainview cotton and grain producer.

"We've been looking for this day ever since we announced our two-tiered debt restructuring proposal in February," he said. "The essence of the two-tiered plan," he explained, "is to put part of a farmer's debt on the back burner, at a lower rate of interest, while the working part of the debt is paid off. Eventually, all of the debt would be repaid."

The Farm Credit System last week announced its plan to implement the nationwide loan restructuring policy. The program, FCS explained, is designed to assure a "fair and consistent approach" to restructuring the debt of financially-stressed borrowers.

The loan restructuring policy was endorsed by the presidents of the 37 Farm Credit Banks and was approved by the board of directors of the Farm Credit Corporation of America. The FCCA is the central policy-making organization and spokesman for the Farm Credit System.

"This policy is an important step for the system and the nearly 900,000 farmers and ranchers that borrow from it," said H. Brent Beesley, president and chief executive officer of the FCCA.

W.B. Hudspeth selected member of advisory board

DALLAS - W.B. Hudspeth of Valley View, owner of Hudspeth Seed and Fertilizer in Cooke County, is a member of the newly formed 20-member Dallas District Agriculture Advisory Board of the Texas Department of Agriculture.

The board's first meeting was at the Dallas District Office, April 8, 1986. The Dallas District serves 11 counties, namely Collin, Cooke, Dallas, Denton, Ellis, Grayson, Hood, Johnson, Rockwall, Somervell and Tarrant.

Texas Agriculture Commissioner Jim Hightower announced the appointment of board members and made brief opening remarks. The board also received an overview of its function, TDA's marketing initiatives and regulatory services in the Dallas District.

Arnold Garza of Dallas was elected board chairman. Garza is manager of Dallas Farmers Market. Dennis Horak of Waxahachie was elected vice chairman. Horak is owner of Boyce Grain and Gin.

At future meetings, the board will discuss various agriculture issues. The next meeting will be June 23, 1986 in Dallas.

Selective Service System

Young men born on or after January 1, 1960 are required to register with Selective Service within a month of their 18th birthday.

The registration process takes less than five minutes at the post office. A young man fills out a simple form asking only for his name, date of birth, address, telephone number and Social Security number.

Registration helps keep our country prepared with a pool of names to draw from in case of a national emergency... without interfering with people's lives. When you think about it... that's not a lot to ask for a country as great as ours.

IT'S QUICK. IT'S EASY. AND IT'S THE LAW.

HOME EC BRIEFS...

IF YOU CAN'T DIGEST MILK - If you have trouble digesting milk, try to drink a smaller amount at one time, eat yogurt or cheese, or drink milk with lactase, advises a Texas A&M University Agricultural Extension Service nutritionist. Lactase is an enzyme that breaks down milk sugar, says Dr. Dymple Cooksey. You may find milk already containing lactase in the grocery store, or you can buy lactase in a drug store and add it to your milk.

WHEN YOU DON'T LIKE MILK - If you don't drink milk because you simply don't like it, Texas A&M University Agricultural Extension Service nutritionists recommend eating more of other foods that include calcium. High calcium foods include those made with milk or cheese and tofu, a soybean product that is often made with calcium sulfate. Dark green leafy vegetables and tortillas made with cornmeal also provide some calcium. Canned or dried fish with edible bones, such as salmon, will also contribute calcium to the diet.

COST OF CONVENIENCE COOKING - When you buy frozen dinners and entrees, you're paying for the time you gain by using convenience foods. A recent U.S. Department of Agriculture study showed that the frozen entrees and dinners tested cost twice to 2½ times as much as making the same dinner at home, says Dr. Alice Hunt, a Texas A&M University Agricultural Extension Service nutrition specialist. She says the study also shows that if you paid yourself a clerical wage of \$7.00 an hour, or an "average" wage of \$7.87 an hour for cooking, the home-prepared dinners and entrees would still cost only about two-thirds as much as their frozen counterparts.

AG BRIEFS...

GUIDELINES FOR AG YOUTH LABOR - Child labor requirements for agricultural work apply to youth 16 years of age and under working on any farm or ranch, points out a safety engineer with the Texas Agricultural Extension Service, The Texas A&M University System. The requirements restrict youth under 16 from operating or riding a tractor of more than 20 horsepower. They also restrict youth from working with a wide range of equipment, from working at certain heights and from working with anhydrous ammonia and certain chemicals. Farmers and ranchers planning to hire youth for agricultural work this summer should be familiar with these requirements.
