## Jerry Bynum awarded Good Neighbor by KCs

Jerry Bynum is the Good Neighbor for 1986, honored by the Muenster Council Knights of Columbus. He was named Sunday in a ceremony held in Sacred Heart Church following the 9 a.m. Mass.

In making the presentation with a handcarved plaque, Grand Knight Allen Sicking said it is given annually to a member of another faith and is made in the spirit of Ecumenism to foster harmony among the creeds.

Sicking said, "This award is a tribute to the honoree's service to this community and to his own church, and his concern for others and willingness to help where and when needed. A good neighbor is a blessing to have. His volunteered services are given from the heart, with no expectation of financial reward. He takes his pay in the good feeling received from a job well done..."

Continuing, Allen Sicking said, "This year's Good Neighbor honoree was born in Eldorado,

Okla. and moved to Muenster from Pottsville where he lived while employed as administrator of the department of radiology at Texoma Medical Center. He has been employed at Muenster Memorial Hospital as its radiologist since January 1981.

"An ordained deacon at Muenster First Baptist Church, Jerry Bynum is presently its treasurer and Sunday School superintendent and has taught Bible study classes for the past 15 years.

"He is a charter member of the Muenster Kiwanis Club; he is a committee member and treasurer for Boy Scout Troop 664; he is vice-president of the Muenster Public

School P.T.O.; has been vice-president of the Muenster High School Quarterback Club for the past three years; and presently serves on the board of trustees of the Muenster I.S.D.

Bynum and his wife, Kay, have been married 21 years and are parents of a son and a daughter, Drue a senior, and Stephanie a sophomore, at MHS.

The family was present for the ceremony and also the breakfast hosted by the Knights of Columbus in the KC Hall. At both events, the Good Neighbor responded with gratitude and expressed the satisfaction his family derives as residents of Muenster.

JERRY BYNUM, head of the Radiology Department at Muenster Memorial Hospital, shows the plaque he received from Muenster Knights of Columbus on Sunday, Oct. 12, in the ceremony

honoring him as Good Neighbor of 1986. With him are his wife, Kay, and son, Drue, at left and daughter, Stephanie, at right. Grand Knight Allen Sicking made the presentation. Dave Fette Photo

## Autofest '86 - hit or flop?

Saturday, Oct. 11, dawned cloudy, cool and damp, but Autofest '86 preparations moved forward at full speed. By 9:30 the sun began peeking through the clouds and cars began arriving for the auto show. As they registered and found their places along the road through the park, the sponsors of games and food concessions began setting up their booths and

letting it be known they were ready for business.

At noon Bryan Sicking entered the park to lead the road rally with his 1968 Camaro. Police Chief Helen Tompkins rounded the park road and led the cars onto Main Street heading south as they began the Metric Century Scenic Road Rally. The show participants not in the rally continued to arrive and

take their places for the judging that began at 2 p.m. At 1:45 p.m. the sound of sirens, horns and cars announced the return of the road rally and Bryan Sicking drove his Camaro onto the show floor to be on display prior to the auction.

The weather continued almost perfect for people to enjoy the various autos and trucks on display. Automobiles dating from

1905 to 1986 were shown. They came from Dallas, Fort Worth, Denton, Farmers Branch, but the one from the longest distance was Cathy Wade of College Station, Texas, who entered her 1969 Chevrolet. Nearer home we had nine cars entered from Gainesville, one from Era, one from Myra, and 11 from Muenster including the 1942 fire truck entered by the Muenster Volunteer Fire Department.

After tallying the votes in the People's Choice Judging, the following trophies were awarded: **Best Model T** - 1926 Ford Model T owned by David Flusche of Muenster. The trophy was sponsored by Endres Motor Company. **Best Model A** - 1930 Ford Model A Cabriolet owned by John Lunt of Argyle. The trophy was sponsored by Endres Motor Company. **Best of 30's** - 1932 Ford V-8 Roadster owned by "Mick" McClanahan of Lake Kiowa. The trophy was sponsored by Hennigan's Auto Parts. **Best of 40's** - 1942 Ford Business

Coupe, with original upholstery and mileage, owned by Dee Skaggs of Gainesville. The trophy was sponsored by Muenster Auto Parts. **Best 50's Classic** - 1951 Ford Convertible, red with a black rag top, owned by Sherry Armstrong of Dallas. **Best 60's Classic** - 1960 Red and White Corvette owned by Dr. Gerald Graham of Muenster. The classic trophies were sponsored by Coca Cola Classic. **Popular Choice** - 1905 Oldsmobile owned by Robert C. Young of Farmers Branch. The Popular Choice trophy was sponsored by Miller Lite. **Best Showmanship Award** for showing of the car went to the 1905 Oldsmobile owned by Mr. Young. He enjoyed starting up the one-cylinder engine and driving a short distance for those interested. The Showmanship trophy was sponsored by Stroh's Fire Brewed Beer. **Custom Choice**, sponsored by Gregg's Chevrolet, was won by a 1956 Ford F100. Please See AUTOFEST, Page 10

THE AUTOFEST SHOW favorite had to be this 1905 Curved Dash Oldsmobile owned by Bob Young and his wife Albina (Bezner, formerly of Lindsay) from Dallas. He said it is a very dependable car,

capable of 25-30 MPH and 50 MPG. An identical 1904 model was the third auto to cross the United States.

## Farm Bureau holds annual convention

The Cooke County Farm Bureau held their annual County Convention and election of officers Thursday, Oct. 9, 1986 in the National Guard Armory. The meeting was preceded by a dinner, catered by The Colonial Restaurant and a blood pressure clinic by the Cooke County EMS.

Mr. S.M. True, president of Texas Farm Bureau Insurance Company of Waco, was the guest speaker. Accompanying Mr. True was his wife, Anna Jane.

Mr. True brought the following message to the members: He stated that many changes are occurring in agriculture throughout the world today and that more changes had taken place in the past 20 years than had taken place in the previous 200 years. He emphasized that the future of agriculture will belong to those that are able to recognize changes and adapt to these changes.

Mr. True said that Texas Farm Bureau was the largest state in the American Farm Bureau Federation, and that Texas Farm

Bureau had recently completed some restructuring and at this time is a sound structure. He said that one of the goals for Farm Bureau in the future is to work closely with other farm organizations throughout the state and the country and to also become more closely attuned to the non-agriculture groups, such as real estate, and financial organizations.

Mr. True announced that Farm Bureau now has 14 commodity divisions and has recently updated the legislative staff to include six professional legislative workers who are in direct contact with both Austin and Washington and can monitor hearings and keep its members abreast of current legislation regarding the agricultural industry.

He mentioned that in today's times of changes and stress, we must continue to have a firm foundation in the church of our choice and the family unit to deal with these times.

Mr. True said that we must continue to "build on success" by con-

tinuing to elect leaders who are interested in building upon the successes of the past and showing the way of the future.

Following the speech by Mr. True an election of officers of the Cooke County Farm Bureau was held and the following were elected for the 86-87 year: Leonard Hartman of Muenster, president; John Hargesheimer of Whitesboro, first vice-president; and Bill Bayer of Muenster, second vice-president.

Elections also included directors from the following communities: John Hargesheimer of Whitesboro, re-elected; Murrel Harrison of Whitesboro, re-elected; Gene Schumacher of Valley View, Martin Krahl of Valley View, Tim Sicking of Lindsay and Jerry Fleitman of Marysville.

Delegates to the state convention to be held Nov. 30-Dec. 4 in McAllen were elected as follows: Leonard and Emily Hartman; Tim and Janie Hartman; Taylor and Katy Vestal; Bill and Annette Please See FARM, Page 15

Never again shall they know hunger or thirst, nor shall the sun or its heat beat down on them, for the Lamb on the throne will shepherd them. He will lead them to springs of life-giving water, and God will wipe every tear from their eyes.

## Kiwanis Dance a Stomping good success

Although the rain and winds blew the hopes for the Kiwanis pavilion dance right out of the park, the alternate location at the VFW Hall proved to be the right choice.

With music provided by Dave Klement of KGAF, using equipment from Mike Otts, the 50s-60s dance turned out to be a family affair and fun for all. Dressed in costume from the era, Wylie Lewis, Herkey Biffle, Mil Biffle and their daughter Melissa, Lori Graham and Ruth Hess. Lori Graham, age 12, stole the hearts of the crowd who acted as judges. She is the daughter of Gerald and Donna Graham. Lori again took top honors in the "Twist" dance contest with her partner, Ron Felderhoff. Sharon was unavailable for comment at presstime. Numerous trivia contests were held during the evening and Endres Motor Company provided 6-pack oil/filter change packages for winners. There were a number of parents who came with their teen (or near teen) sons and daughters and enjoyed the dance together. During one of the dance contests, Richard Herr was competing against his daughter Rose in a dance which was popular during Richard's era.

Considering the foul weather and the last minute change of location, the dance was a success. The Muenster Volunteer Fire Department manned the concessions and everyone is looking forward to another 50s-60s dance soon.

**HEADED FOR EASY STREET** - Happily displaying their greed during rehearsals for the upcoming musical production of "Annie" are, left to right, Mary Broughton as Lili St. Regis, Don Dudley as the slimy con artist Rooster and Sue Viktor as his sister, the equally despicable Miss Hannigan, ruthless taskmaster of the New York Municipal Orphanage where Annie was abandoned as an infant. The trio's rendition of "Easy Street" is a musical highlight of the show which opens Oct. 23 as a joint production of the Butterfield Stage Playhouse and Cooke County College's Departments of Music and Drama. Some performances are already approaching a sellout, so persons planning to attend are urged to call the BSP box office for reservations as soon as possible. The number is 665-8152.

# Columbus Day observed

Muenster Knights of Columbus Council 1459 observed Columbus Day, Oct. 12, on the traditional feast of their patron.

A Mass in Sacred Heart Church was celebrated at 9 a.m. by Father Denis Soerries. It was followed by a Communion breakfast in the KC Hall, catered by Mrs. Joe Sicking and Mrs. Lawrence Martin and served by Boy Scouts.

Attending were the honored guests, Jerry, Kay, Drue and Stephanie Bynum; also Mr. and Mrs. Andrew Roewe of Windthorst; Barbara Fuhrmann, director of Religious Education in the parish; Father Denis Soerries, chaplain to the KCs; and Sisters Cabrini, Genevieve, Clare and Carmelita; and a number of widows of Knights of Columbus.

Grand Knight Allen Sicking introduced the guests, mentioning that the 1986 presentation marks the 24th consecutive year of Good Neighbor Awards.

He asked Jerry Bynum to give the invocation. Following the meal, he introduced the speaker,

Andrew Roewe, who urged those present to emphasize their German heritage with pride.

He prefaced his remarks with: "This is what non-residents see when they enter Muenster from either the east or the west..."

"This is how they feel when hosted by Muenster people...Therefore, applaud yourself. You've got a great town."

Referring to the Knights of Columbus, he said, "Knights are Fraternal. The local council is one link in the national and international organization. One cannot function alone. All must cooperate in fraternal action. Roewe also related experiences of his home council in recruitment of new members and new officers and establishment of a schedule of programs.

The Roewes came to Muenster on their 37th wedding anniversary. The event was recognized by Sicking by presentation of a bottle of wine.

Another feature of the program

was awarding of honorary and life certificates to Arnold Rohmer, Herman Stoffels, Urban Endres, Wilfred Reiter, Jerome Pagel, Earl Fisher, John Streng, Leo Sicking, Steve Moster, Harry Otto, Richard Trachta, Oscar Walter, J.P. Flusche and Ray Klement.

Concluding the program, Father Denis Soerries gave the closing prayer.

## Four suffer burns in accident

An accident about two miles west of Nocona Wednesday at 7:15 a.m. caused serious injuries to three men and minor injuries to one, all employees of Jack Mercer Well Service in Nocona.

When asked for information, Nocona Chief of Police Fred Castle referred *The Enterprise* to Jack Mercer. He related that the four man crew - Gerald Ramsey, Larry Adams, Charles Jeffers and Ray Romine - one from Montague and three from Nocona, were at work on a Muenster Drilling Company well.

The well had been closed-in overnight, he said, and had built up some gas pressure before morning. The crew was releasing pressure when one man lit a cigarette. The resulting fire caused serious burns to three and less to the fourth.

They were admitted to Nocona Memorial Hospital and transferred to Parkland Burn Center in Dallas in two ambulances.

## Legislature gives breathing room

**AUSTIN** - State Comptroller Bob Bullock said last week the recently-ended special session improved, but did not solve, the state's financial problems.

"The tax bill and spending cuts and bookkeeping maneuvers have chiseled away at the problem and the projected deficit is now about \$983 million," Bullock said.

He said the spending cuts and temporary tax package reduced the deficit in funds affecting certification from \$2.3 billion to just below \$1 billion.

He said the preliminary calculations show that the spending cuts will amount to about \$482 million and the tax bill will bring an additional \$764 million between Jan. 1 and Aug. 31, 1987.

Bullock said about \$108 million in additional taxes will be produced under the bill but will not be turned into the state until after Sept. 1, 1987, which will be credited to the next budget period.

"These tax and budget issues will affect only the current budget," Bullock said, "and the next Legislature will start off with nearly a \$1 billion deficit."

The Legislature has given the state some breathing room by narrowing the budget gap.

"They face the prospect of seeing taxes and finances top their agenda when the regular session starts in January."

## Cub Scouts, Den 4, begin active schedule

Cub Scouts of Den 4 held their first meeting Monday, Oct. 6, at the home of Royce Knabe. They worked on their requirements for earning their Bobcat badge which fits right in with the theme of October Advance in Rank. The boys also made color spinning wheels in which they took a round piece of cardboard and made it spin on a string.

Members of Den 4 are Royce Knabe, Darrell Russell, Joseph Mark Walterscheid, John Klement, Michael Flusche, Ryan Klement, Greg Fisher, Bradley Fisher.

Denner for the month of October is Bradley Fisher, assistant denner is John Klement.

Refreshments of Twinkies, bananas and Hi-C were provided by Michael Flusche.

Den 4 opened their meeting Oct. 13 with the Pledge of Allegiance to the Flag and the Cub Scout Promise led by assistant denner

John Klement. They then reviewed the other requirements for the Bobcat which all the boys are working on.

The boys were told about an upcoming event to be held in Denton called a pushmobile derby where the den races a car built by their parents which they all thought sounded exciting and fun.

They then took a break and went outside and worked through a feats-of-skill obstacle course where they had to accomplish rollovers, beam walking, ball catching and bounce passing, and standing like a frog.

After burning off some steam, they went back in and started their tin can lantern project which they took home to finish.

They closed their meeting with the living circle reciting the Law of the Pack and Cub Scout Motto and enjoyed refreshments of cupcakes and Coke provided by Ryan Klement.

## Budget cuts hurt jobs creation in Texas

**AUSTIN** - Republican gubernatorial nominee Bill Clements said Oct. 13 that Mark White is hurting the Texas economy when he advocates cuts in education.

"The fact is that Mark White is moving Texas backward when he proposes cuts in education," Clements said. "What Mr. White apparently does not understand is that economic development, the attraction of business and industry, and the creation of jobs are directly related to the education system."

"It is wrong that Mr. White proposed \$1.3 billion in cuts to higher education. It is wrong that Mr. White proposed this year a total of \$267 million in cuts to The University of Texas system and \$158 million in cuts to The Texas A&M University system. About \$197 million in cuts to education were made in the special session."

"Mark White should know that cutting education sends the wrong signal. Quality education attracts business and jobs," Clements said. "When Mark White cuts education funds jobs are lost."

Clements said that White proposed a 23 percent cut in funding for colleges and universities in 1985. The legislature passed a 3.8 percent reduction. Texas was the only state in the U.S. to reduce funds for higher education in 1985.

"Texans want jobs. Today there

are 730,000 unemployed Texans. One out of every 11 unemployed Americans is an unemployed Texan. Education is a central part of economic development and job creation in Texas.

"Texas appears to be moving in the wrong direction on this issue. Under Mark White, Texas Scholastic Aptitude Test scores dropped to 46th in the nation this year."

# Trubenbachs celebrate

MR. and MRS. TONY TRUBENBACH  
...on their wedding day Oct. 6, 1936 ...

Surrounded by relatives and friends who attended their golden anniversary Mass of Thanksgiving and the reception that followed, Tony and Thelma Trubenbach celebrated 50 years of marriage on Saturday, Oct. 11.

The couple was married in Sacred Heart Church on Oct. 6, 1936, a traditional Tuesday morning at 8 a.m. as was the custom in the community. Father Frowin Koerdt officiated.

Tony is a son of the late Mr. and Mrs. Tony Trubenbach Sr. and Thelma is a daughter of the late Mr. and Mrs. C.J. Fette.

Wedding attendants were her sister Della, Mrs. Herman Hartman, and his brother, the late Joe Trubenbach.

The anniversary Mass was offered by Father Denis Soerries O.S.B. at 5 p.m. Saturday afternoon.

Participating in the special liturgy were Roy and Irene Hartman who gave the readings; Loyd and Gwen Trubenbach and Tom and Debbie Hartman who presented Offertory gifts at the altar; Roy Hartman offered the petitions.

Dorothy Hartman, Jerry and Evelyn Sicking, Regina Pels, John Yosten and Imelda Rohmer assisted as Eucharistic ministers.

Don Hartman, Mike Trubenbach, Ken Stormer and Larry Hennigan were ushers and Trent Trubenbach, Justin Hartman, Michael Hacker and Maurus Hacker Jr. were Mass servers.

Ruth Felderhoff was organist and Emily Klement was soloist. Selections included "The Lord Is My Shepherd," "Only A Shadow," "How Great Thou Art," "Amazing," "Edelweiss" and "Ave Maria."

The altar held arrangements of fresh red carnations and lighted candles. A bud vase with a red silk

rose stood at the Blessed Virgin's altar.

### RECEPTION

A reception followed in the Sacred Heart Community Center with a cocktail hour, catered dinner program and dance.

Marguerite King and Kristen Fette secured guest signatures.

Following the meal, catered by the Schneiders, Dolphy Joe Hellman was master of ceremonies for an after-dinner program. He introduced Dr. Dennis Swanburg, a Baptist minister from Saginaw, Texas, and Sister Thomas More Bertel, a Catholic nun from Silver Lake College, Manitowoc, Wisconsin. Both were accomplished speakers.

Loyd Trubenbach offered a toast for the anniversary couple.

The white anniversary cake and a chocolate cake were baked and served by Mrs. Henry Voth (Della Rose) of Lindsay.

Table decorations included handmade bales of fresh bermuda hay, with floral centerpieces.

Relatives from both sides of the family enjoyed reuniting throughout the evening.

Guests danced to the music by Doug Martin's Band.

The 50-year-bride was attired in a fuschia gown. On her wedding day in 1936, she wore a royal midnight-blue velvet formal gown and carried pink roses. The couple recalled that the day in 1936 was almost a copy of the anniversary weather - misty in the morning, sunny for the reception and much rain late in the evening.

Seymour; Lillian (Fette) Gallery of Encino, Calif.; Marge (Fette) Rattiff of Lubbock; Dorothy (Fette) Quinlan of South Bend, Ind.; Ernie and Hilda Denning of West Point, Iowa; Ernest and Juanita Felty of Ashdown, Ark.; Joe and Lou Parker of Byers, Tx.; John and Jewel Pullen of Royce City, Tx.; Rody and Jewel Mora of Kaufman; Milton and Sue Hickman and Stewart and Kris Ducote, all of Dallas.

# Stoffels, Hinkle wed

Mr. and Mrs. Darryl Robert Hinkle have returned from a Caribbean cruise and are at home in Gainesville. They were married in St. Mary's Church in a Nuptial Mass on Oct. 4 at 5 p.m. officiated by her uncle, Father Nicholas Fuhrmann.

The bride is the former Melissa Jane Stoffels and the daughter of Mr. and Mrs. Frank Stoffels of Muenster and is a 1983 graduate of Sacred Heart High School. The groom is the son of Mr. and Mrs. Edward C. Hinkle of Gainesville and is a 1979 graduate of Gainesville High School and is employed by Texas Power and Light Co.

Given in marriage by her father, the bride was wearing a formal white gown designed with a dropped bodice, sweetheart neckline and fluted ruffled sleeves. Alencon lace, with bridal sequins and tiny pearls, covered the bodice. The full skirt featured rows of fluted ruffles and lace edging the hemline and extending into a cathedral train. Her headpiece was made of soft white orchid hair flowers and tiny pearls. She carried a bouquet of roses and carnations in white, soft pink and rose.

Reception assistants were Laura Stoffels at the buffet table, Charity Gilbreath and Alisia Ladd, who served the wedding cake, which was baked and cut by Mrs. Terry Browner of Saint Jo.

## Secular Franciscans hold special liturgy

Secular Franciscans of Sacred Heart Parish, at their October meeting Sunday, held a special prayer service to commemorate the passing of Francis of Assisi from this life to eternal life.

Marie Henscheid, prefect, led the prayers in which the tertiaries participated and Franciscan Sister Barbara Bernauer read from Scripture, including a passage from the Book of Sirach. Unison recitation of Psalms and group singing was followed by a renewal of commitment.

In a brief business session members were reminded of the World Day of Prayer for Peace on Oct. 27.

After recitation of the rosary for recently-deceased Mary Becker, the meeting closed with the peace prayer.

## ATTENDANTS

The maid of honor was the bride's sister Sherry, Mrs. Ricky Wimmer of Muenster, wearing a dusty rose satin full-length dress designed with a stand-up collar and sheer illusion front and back yoke. Ruffles edged the hemline. The dress was made by Gail De Borde.

Amanda Wimmer and Brandy Gilbreath, nieces of the bride, were flower girls wearing pink and gray

## Boy Scouts to host salute to Texas Oct. 18

From pioneering to space, variety is the key to the Boy Scouts of America's "Big Show - A Salute to Texas," Oct. 18, in the Amon Carter Jr. Exhibit Hall.

Over 350 Boy Scout exhibits will be joined by such commercial and private exhibits as a NASA Apollo Space Suit and the Wrangler Wagon from the Texas Sesquicentennial Wagon Train with cowboy Doug Kafka.

The day's show will open at 11 a.m. with a concert by the 1st Cavalry Division Band from Fort Hood, Texas. WBAP radio personality Hal Jay will serve as master of ceremonies. Hourly stage photos will include performances by the Texas Christian University drill team and a military working dog demonstration by Carswell Air Force Base's 8th Security Police Squadron.

The public can also see and participate in exhibits such as silk screening, Texas trivia, Indian crafts and weaving. Another feature of the show will be a Scout Stew Cook-off. Each Scout will develop a recipe and cook the stew using Scout utensils or cook with utensils over a charcoal fire. A group of judges will determine the best "Scout Stew" recipe.

Education displays on topics such as drug abuse prevention and the history of Texas are also scheduled.

"Big Show - A Salute to Texas" is sponsored by the Longhorn Council, a United Way agency. The Longhorn Council is the community's largest youth-serving organization and one of the leading councils in the South Central region which covers a five-state area. The council has a membership of 17,408 Cub Scouts, Boy Scouts and Explorers in 708 Packs, Troops and Posts and is served by over 5,000 volunteer leaders.

The council serves youth in 82 public school districts in Tarrant and 10 surrounding counties: Wise, Denton, Cooke, Parker, Palo Pinto, Young, Jack, Johnson and Somervell.

Admission to the show is \$2 with all proceeds going to support the Boy Scouts of America. Show times are 11 a.m. to 6 p.m.

## St. Anne's Society holds meeting

Members of St. Anne's Society held their October meeting on the first Sunday of the month in the Community Center. Della Walterscheid, president, conducted the meeting.

After routine business, Ida Mae Herr gave a report on the NCCW deanery meeting she attended in Denton. The program there was on organs for transplant and for research. A discussion from the floor followed.

Della Walterscheid read several letters of thanks from missions, a prison and an order of nuns w-

had received rosaries and asked for more. She also gave a report for Tillie Otto, rosary-making group chairperson who was unable to attend. Total number of rosaries distributed-to-date is 4,010.

Marie Henscheid read the treasurer's report and the inspiration. Bertha Knabe read minutes of the last meeting. Get-well cards were mailed to Catherine Voth and Anna Starke and a congratulatory card was sent to Cindy Gehrig on the birth of Karen. Marie Walterscheid won the door prize.

## Public School receives Treasure Chest

Muenster Public School has received a Heart Treasure Chest made possible through the generosity of the Houston Endowment, Inc., a philanthropy endowed by Mr. and Mrs. Jesse H. Jones. The Heart Treasure Chest is distributed by the American Heart Association and focuses on the heart - how it works, how to tell if it is healthy, and how to care for it through proper diet, physical activity and rest. The set presents a

concept about the heart and its care which children can understand. The program provides "hands on" and sensory experience through the use of the stethoscope, wall charts, Healthy Heart Game, filmstrips and tapes.

Key topics include: The heart and how it works, ways to tell if the heart is healthy, and care of the heart through nutrition, physical activity and rest. The Kindergarten

students have been using the Heart Treasure Chest to learn more about healthy hearts and how to keep them healthy.

## Focus on Serger Sewing Workshop

One of the most popular trends in home sewing today is the use of the home serger. Since this is a new piece of equipment for the home sewer, two special workshops will be held on Oct. 20 focusing on the use of the serger. A morning workshop is scheduled for 9:30 a.m. and a repeat of the same workshop will be given at 7 p.m. Both of the workshops will be held at the Texas Power and Light Company Meeting Room.

The serger programs are being co-sponsored by the County Extension Service and The Sewing Center with Phyllis Aston as owner. To register, call Mrs. Evelyn Yeatts, County Extension Agent, at 668-5412.

Commercially, sergers have been used for many years on all types of clothing as well as in home accessories. Recently, every major sewing machine company has developed one or more models of home sergers. Basically, all of these are similar.

Mrs. Arlene Taylor, with the Bernina Sewing Machine Company from Irving, will present the two-hour workshop both Monday morning and Monday evening. The program will focus on what the serger can and cannot do and will show how it actually operates. Various uses of the serger will be shown for sewing on garments as

well as for creative sewing.

For home sewers who already have a serger, the workshop will give added hints on using it to the best advantage. For home sewers who do not own a serger, the program will provide information to help decide whether one would be justified or not.

## CCC art course offered at MHS

A special "mini-course" in art being offered to local secondary school students by Cooke County College may signal the development of an art instruction program from which students in the Muenster public schools can earn credit.

According to Ed Griffin, Muenster High School principal, no credit classes in art are currently available to local students from junior high on through high school.

"There are a number of reasons for this, not the least of which are economics and some provisions of House Bill 72 which have been rather difficult for many small rural school districts to live up to," Griffin says.

"Suffice it to say," he adds, "that we're very eager to reverse the situation, and we're looking at this non-credit course developed in

cooperation with CCC as a first step toward developing a more ambitious credit program in art for our junior high and high school students."

The mini-course, titled "Fundamentals of Art for Junior High and High School Students," was developed at Griffin's request by Linda Mast, director of CCC's Division of Continuing Education.

Mast reports that the course will meet on consecutive Monday evenings from 6:30 to 8:30 p.m., beginning Oct. 20 and continuing for eight weeks through Dec. 8. Meeting place will be the Homemaking Lab room at Muenster High School.

Cost of participating in the class will be \$38 per student. Instructor Sarah Huddleston holds a BA degree in art and art education and is an experienced community

education art teacher.

Mast stresses that the class is for students in seventh through twelfth grades only, who will be required to purchase some art supplies.

"Class size is limited," she says, "and students will be accepted on a first-come, first-served space available basis. Students can register in advance in the Continuing Education Office on campus at CCC, or they can sign up on the first night of class."

## AUTOFEST

Custom owned by Jack Waldrop of Denton. The final two trophies were awarded by judges selected from the Cooke County area. **Best Special Entry** - 1956 Ford F100 Custom owned by Jack Waldron of Denton was sponsored by Coors Silver Bullet Beer. The **Best of Show** was awarded to the 1932 Ford V-8 Roadster owned by "Mick" McClanahan of Lake Kiowa and was sponsored by Budweiser Beer. Mr. McClanahan was also the winner of a trip to Bossier City donated to Autofest '86 by KGAF.

The awards had barely been received when the threatening weather hit. In a matter of minutes the park was cleared of people, cars, food and games. It would have been hard to tell that an Autofest had ever been there. The dance sponsored by the Kiwanis Club of Muenster was moved to the VFW Hall and proceeded as scheduled. The auction of the 1968 Camaro owned by Bryan Sicking was cancelled. The rain seemed to cause most of the out-of-town guests to leave but the hometowners had a fun-filled evening at the Kiwanis Dance.

My Girl Friday donated a trip for two to Wurdfest in New Braunfels. To win this trip you had to play the game at the Sacred Heart 8th Grade booth. The winner of this trip was John Fisher. Two other trips were raffled off by the Muenster Chamber of Commerce, and were donated by KGAF. The trip for two to the Hyatt Regency in Fort Worth was won by Herky Biffle and the trip for up to a family of four to Island East Condos in Galveston was won by Ron Hess. These people may have a little more to remember from Autofest '86 than the rest of us, but everyone seemed to have a good time and some money was raised (although how much is not clear at presstime) for the Muenster Volunteer Fire Truck.

# Tigers win big in district

by Max Hastings

The Sacred Heart Tigers overwhelmed the Dallas Lakehill Warriors with a rampaging offense that stacked up 471 total yards for a 55-0 victory. This evened the Tigers district record at 1-1 and improved their overall record to 2-4.

"We played real good, and I'm pleased with the team effort," stated head coach Joe Pasqua.

The offense picked up points in every quarter. The Tigers jumped on the scoreboard with 8:21 remaining in the first quarter by the strength of Steven Knabe's 16-yard run. Frank Hastings' kick was on target for a 7-0 lead. Minutes later Hastings scored from 16 yards out, but the kick was unsuccessful, leaving the advantage at 13-0 for the opening quarter.

In the initiating minutes of the second quarter, Wayne Becker went to work as he punched through the Warrior defense from the 7. Hastings' kick was good and put the score at 20-0.

Sacred Heart, still unsatisfied, put yet another score on the board before the half ended. With just over a minute left, Darrell Dangelmayr connected with Mike Adair for a 14-yard pass reception. That picked the score up to 26-0.

Dangelmayr and Adair teamed up again in the third quarter with 7:57 on the clock. The 12-yard scoring reception was accompanied by Wayne Becker's two-point conversion, which added another eight to the score.

DEANO BAYER (65) stops a Warrior runner for a 2-yard loss inside the Lakehill 1-yard line. Other Tigers include Craig Voth (22) and Casey Houtchens (58).

The next drive was keyed by a Craig Voth interception. Hastings then finished off things, scoring from the 7 at the 7:22 mark in the third quarter. The Tigers faked the kick and Becker threw to Voth for the conversion. This rooked the score to 42-0.

Glen Swirczynski added six more to the score in the third quarter. He scored by picking off a fumble in the air, and then running 26 yards to the end zone. The kick failed.

The last quarter saw action from Steve Koelzer at quarterback. He led the Tigers 92 yards, from their

own 5 to the Warriors' 3, where he took it in with 6:14 remaining in the game for the score. Koelzer threw only two passes all night and completed both of them. One to Mike Adair, which was good for 26 yards in his scoring drive.

Dangelmayr completed 8 of 11 for 118 yards passing with no interceptions. Adair led all receivers, snagging 3 catches for 54 yards. Hastings caught 3 for 40 yards and Knabe followed with 2 catches for 34 yards.

Hastings also cashed in 152 yards rushing on 16 carries. Wayne Becker also tacked on another 82 yards on 15 carries.

The Tigers outdid the Warriors in every category. They rolled up 308 yards rushing on 44 carries with 25 first downs, while the Warriors could only manage 94 yards in 34 carries with 9 first downs.

Passing was also dominated by the Tigers who went 9 of 13 for 144 yards. Dallas Lakehill picked up 23 yards and went 2 of 13 with one interception.

Pasqua's defensive squad gave up but 117 yards total offense with Deano Bayer, David Halley, Terry Bartel and Casey Houtchens leading the charge. The offense also did good and valued the play of Darrell Dangelmayr, Frank Hastings, Mike Adair, Steven Knabe and Wayne Becker.

Last week's Tigerette of the Week was Misty McCoy. Sacred Heart will host Dallas Tyler Street this week Oct. 17. Kickoff is set for 7:30 p.m.

## Deer hunting lease registry off and running in Texas

AUSTIN - The Texas Parks and Wildlife Department's new Deer Hunting Lease Registry program is off to an outstanding start, with more than 850 landowners listing almost 4 million acres of potential hunting lease lands.

The registry was established to assist hunters in finding a place to hunt while offering landowners the opportunity to generate additional income through deer hunting leases.

Hunters who wish to obtain a list of landowners offering lease lands may obtain the list by writing the TPWD, 4200 Smith School Road, Austin, TX 78744.

Prospective applicants should specify which region of the state they prefer to hunt. Hunters will receive a list of landowners in that region. The list will include the landowner's address, telephone number, county, number of acres offered, whether hunting will be for bucks or antlerless deer, and duration of lease.

Officials stress that the TPWD is functioning as a clearinghouse for hunter/landowner contacts, and is not responsible for negotiations between individual hunters and landowners.

## Tigers to face Tyler Street Crusaders Fri.

by Max Hastings

The Dallas Tyler Street Crusaders posted a 2-7 record last year and have not won a game this year. They lost last week in district against Boles Home 26-0.

The Crusaders will take the field with a good size and experienced line. Their wishbone offense is led

by quarterback Gary Lopez, with Brian Strong and David Underwood backing him up.

Coach Pasqua will rely on a solid passing game to beat their defense which has seven, sometimes eight, men on the line.

Scott Taylor will be sitting out yet another game due to his neck injury, which happened earlier this year against Irving Cistercian.

The Tigers are now at 1-1 in district play and will have four more consecutive district games to improve their record.

The Quarterback Club will meet each Tuesday at 7 p.m. in the Muenster Public School Library.

# Hornets fly over the Eagles

Drue Bynum, Mark Hennigan and the rest of the Muenster Hornet varsity piled up some memorable statistics against an outmanned Prosper High squad Friday night in a 54-6 Big Red victory. Coach Dewey Sims could very well have spoken the same halftime words that Coach Barry Switzer did Saturday afternoon as Oklahoma ran to a 31-0 halftime lead over Texas. "We just have better players," commented Switzer. Sims' Hornet squad ran to a 34-0 lead at the half and obviously had a few more weapons than the feisty Eagles could offer.

Bynum had 18 carries for 218 yards and 4 first half touchdowns on runs of 8, 22, 50 and 30 yards. Hennigan added 102 yards on 21 carries and one touchdown. It was a night to remember for the two Muenster seniors. Both, however, gave credit to their linemen who indeed created some very nice holes.

"We kept running the quick pitch and Damie Hellman kept getting the block" said an elated Bynum. "I just had to keep the legs moving." The modest Bynum broke six tackles on a 22-yard touchdown run in the second quarter and led a backfield of Hennigan, Mike Armstrong and Kevin Bell to a season-high 413 yards on the ground. Hennigan pointed to the play of Joe Pagel, Stuart Hess, Gary Grewing, Daniel Klement and Steven Whittington for his 4.9 yard average.

"They did a good job of blocking on every play. It was nice getting my first varsity touchdown, too."

Sophomore quarterback J. Shane Wimmer had the best game of his young varsity career. He completed 5 of 12 passes for 102 yards and 2 touchdowns. Both TD's went to junior Brian Hess on passes covering 41 and 6 yards. Mike Armstrong scored the other Hornet touchdown on a 1-yard

plunge. Stuart Hess kicked 5 PAT's and brought to their feet with a scrambling effort after a bad snap on a failed PAT try.

Defensively, Armstrong and Wimmer intercepted errant passes from Eagles' quarterback Ricky Gillespi, and Stuart Hess and Billy Youngblood accounted for the final Hornet points by tackling Gillespi in the end zone for a safety. The Eagles had 113 total yards with 65 coming on a Gillespi aerial to Todd Montgomery for the lone Prosper score of the game with only 3:04 remaining in the game.

Muenster evened their record for the season at 3-3, but more impor-

tantly, kept pace with Valley View and Era for the District Championship by going 1-0 in loop action. Era dumped Lindsay 22-14 and Valley View beat Collinsville 81-6. Muenster meets Lindsay at Lindsay Stadium tomorrow night at 7:30 in the annual showdown for Hwy. 82 bragging rights.

Injuries continue to plague the Hornets. Andy Burnette and Donnie Boydston are still questionable. Add to that new injuries: Keith Klement has a broken bone in his hand and Bobby Thornhill is out with a knee injury. The JV schedule may be cancelled to bring all players to district play.

**THE OFFENSIVE LINE** continually produced gaping holes in the Eagle front. The blocker with his man on the ground is Joe Pagel (52). Other blockers are Stuart Hess (72), Damie Hellman (70), Daniel Klement (55) and Brian Hess (80) who had a big night with two touchdown pass receptions from his tight end position. Running back Drue Bynum (44) was in his own element, spending most of the game running through those holes and then battering the Eagles with 218 yards over the ground

**J. SHANE WIMMER** reaches high to break up a pass intended for Lowe. Wimmer handled the ball offensively and defensively with 5 pass completions at quarterback and a defensive interception.

Dave Fette Photo

**PROSPER TIGHT END TORREY LOWE** made one of a few receptions early in the game but he was stopped immediately by Drue Bynum coming up from his safety position. Approaching for backup is Gary Grewing (63).

## Muenster Jr. High dumps Prosper, 22-0

Behind a two-touchdown third quarter and a first-half special team's score, the Muenster Little Red team shutout the Prosper

Eagles 22-0. The win enabled the Hornets to run their record to 3-1 for the season and 1-0 in district play.

## Glenn Hess wins top rider award Oct. 12

Glenn Hess competed at the Cooke County ATV Raceway in Gainesville on Oct. 12 in the final race which had been delayed by rain and postponed several times. The contest began on June 29.

At that time, a point system was set up, with the winner to be determined by skill evidenced in first, second and third place finishes on the track and by extra points earned by bringing new riders and new competitors to the track.

In the spirit of fairness, race officials ruled that the three races on Sunday, Oct. 12, would be determined by skill only, the first on a 200cc 3-wheeler; the second on a 250cc 3-wheeler. Since Glenn Hess won both races, the third on the 250cc was unnecessary.

Hess received the "Top Rider Award" and the prize of a 1986 200 X Honda 3-wheeler valued at over \$2,000. The second place winner, Kevin Gardner of Thackerville, won a camera and a helmet.

For most of the first two quarters, the game was a seesaw battle of miscues and errors. Hornet Mike Gobble turned the tide with a beautiful 50-yard punt return for a touchdown. Scott Hudspeth and Doug Hennigan threw key blocks enabling Gobble to hit the sideline and scoot in for the score. Spencer McAden added the conversion with a dive over the left side.

Leading 8-0, the Hornets moved to the 5-yard line with 13 seconds left in the half. A Gobble pass intended for Darrin Russell was short and an Eagle picked it off to thwart the scoring opportunity.

Second-half action was all Muenster. The defense held the Eagles to 3 first downs and negative offensive yardage until the last two minutes of the game. The offense executed two flawless 70-yard drives to seal the victory. Strong running by Troy Pagel provided the spark. Brad McDaniel, Paul Black, Chris Reyling and Terry Felderhoff opened up huge holes, springing Pagel and McAden for nice gains. Pagel capped both drives with short scoring runs and the Hornets converted one of the extra point attempts on a Ryan Sicking to Felderhoff aerial.

Strong defensive performances were turned in by Richard Tuggle, Sicking, Tony Perryman and McDaniel. This Thursday night the Hornets will play the Lindsay Knights at 6 p.m. here at Muenster Stadium.

## Muenster JV wins fifth game of the year

The Muenster Hornet JV football team notched their fifth win of the season against one loss with a hard-fought 13-0 triumph over arch-rival Lindsay. Playing before a vocal home crowd in Lindsay, the Hornets broke open a 0-0 deadlock on a 12-yard scoring toss from Chris Klement to Jeff Hellman with 3:50 left in the game. The PAT was no good, but three plays later, safety James Hennigan returned an interception 42 yards for an insurance score and Weldon Hermes kicked the point after for the 13-0 final score.

Hermes made several key defensive plays as the Hornet defense recorded their fourth shutout in six games. Mike Pagel, Mike Bierschenk and Shawn Vogel also helped shut down the Knight attack. Quarterback Chris Klement showed a new-found JV aerial attack, completing 5 passes in 9 attempts for over 100 yards. Hellman caught two passes including the game winner. Keith Klement intercepted a pass to stop one Lindsay drive along with Hennigan's insurance interception runback.

The JV game scheduled for Thursday, Oct. 16, was cancelled by Lindsay when No Pass/No Play took seven of their players. Injuries in the Hornet ranks probably would have stopped the game anyway. Coach Sims said the JV

schedule for each week is tentative on injuries and the return of certain players.

### Farm Bureau awards Gramm high rating

WASHINGTON - U.S. Sen. Phil Gramm of Texas has supported the American Farm Bureau in 86 percent of the key farm votes in the Senate, according to the Farm Bureau News.

Gramm was ranked 4th out of 100 senators in his backing for the Farm Bureau.

"We work with Sen. Gramm constantly on the crucial issues facing agriculture," said Pat Smith, national affairs director for the Texas Farm Bureau. "We can routinely count on the senator for an open door and a willing hand."

"The Farm Bureau and I share a deep concern about the future of agriculture in Texas and America," Gramm said. "I believe strongly in expanding markets and opening new markets overseas for the agricultural products that American farmers produce."

"Our goal is to make the farm not just a good place to live, but a good place to make a living again," Gramm said.

The Farm Bureau considered 15 critical votes in assessing the performance of individual senators during the 99th Congress, the News reported.

\*\*Selection of the votes follows

this criteria: (1) an issue on which the Farm Bureau has a policy position; (2) is critical in the success or defeat of a policy position; (3) each senator was informed of Farm Bureau's position prior to the vote."

Issues included these:  
-Opposition to a freeze on target prices.

- Support for a referendum among farmers on the pork promotion program contained in the farm bill.

- Opposition to textile import quotas due to potential retaliation against U.S. farm exports.

- Opposition to a referendum on the wheat and feed grains marketing program.
