Masters, students gather for martial arts

The small crowd of approximately 700 people at the NTSU Men's Gym in Denton last Saturday witnessed an event that deserved a much larger gathering. Masters and students of the martial arts, especially Tae Kwon Do, held a martial arts exposition described as "amazing, very well organized and well disciplined."

The program began with the flag entry and national anthems of the countries involved including the United States, Korea, Mexico and Spain. Mikki Gerstberger of Muenster was the solo singer of the Star Spangled Banner.

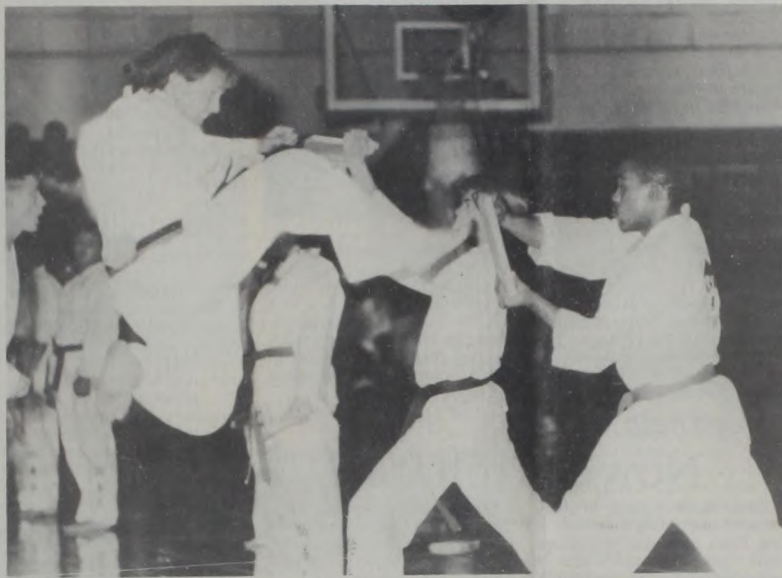

The students of Master Choi's Academies of Denton and Gainesville then gave several demonstrations of Tae Kwon Do exercise, form and breaking techniques. Foreign countries' masters and some from the States performed other martial arts including falling techniques and handling of nun-chuks and the fighting stick. The program also featured competition between national teams and further demonstrations by some of the Masters.

Master Choi, main organizer of the event, and his student, Alton Ladd of Muenster who handled the promotion and public relations, indicated their pride in the discipline, self-confidence and dedication of the students. They especially expressed thanks to the large number of masters who traveled from near and far to volunteer their talent and support.

About 300 friends and visiting dignitaries gathered at Choi's Academy in Denton after the expo and awards for a meal and fellowship.

Preparing and helping with the meal were Lennie and Bennie Haverkamp, Sonny Walterscheid, Mr. and Mrs. Rodney Balthrop, Walter Bartel and Jeanne Bell. Use of the NTSU Gym was made possible through a contribution by the Muenster Kiwanis Club. Proceeds from the event were intended to benefit the 1988 Special Olympics for handicapped children.

This Martial Arts Expo was viewed as a major step forward in the recognition of Tae Kwon Do. It will be the official demonstration sport of the 1988 Olympic Games in the capitol of its home country, Seoul, Korea.

Dinner, picnic and bazaar this Sunday

The annual Homecoming and pre-Thanksgiving celebration for the community sponsored by Sacred Heart Parish will be an event of Sunday, Nov. 22.

Serving of dinner will begin at 11:30 a.m.

Booths and games will be open all afternoon and food will be available all afternoon and evening. Everyone is welcome.

The menu for the bountiful dinner includes traditional turkey and dressing, German sausage, vegetables, rolls, relishes, pies and hot or cold drinks.

Dinner chairman Carrie Walterscheid called attention to the availability of food all day, in addition to the dinner menu.

Barbecue sandwiches, sausage sandwiches and nachos are included.

Regina Pels, co-chairman of the Country Store and Arts and Crafts, emphasized that more

homemade candies are needed; also handmade Christmas ornaments and other decorations; handmade crafts and needlework; and baked goods. She described a quilt offered for chances; it was pieced by the late Mrs. Anna Wimmer. Her son, Charles gave it to S.N.A.P. for assembling and quilting. Chances will be available at the Country Store. Chances will also be available on a Christmas tree skirt made by Mrs. Herbie Yosten.

Don Hess, general co-chairman with Tom Herr, called attention to the Silent Auction with Mrs. Jerry Fleitman and Mrs. Doyle Hess as co-chairman. It will be handled in a new way and will be found interesting. Many good and different items to bid on will be offered at 30-minute intervals.

The familiar bazaar attractions will be in place as usual for enjoyment of the crowds.

A.B.B.A. membership grows in 1 year, 1 month

A.B.B.A., whose name signifies its dedicated purpose, "All Babies Born Alive," held a business meeting in the Sacred Heart Community Center on Nov. 5, attended by members from Gainesville, Lindsay and Muenster.

Although most of the attendance was from St. Mary's, St. Peter's and Sacred Heart parishes, all faiths are welcome and urged to attend and will be given a warm reception.

During the business meeting on Nov. 5, members discussed the upcoming fundraiser dinner dance to be held at the Knights of Columbus Hall in Gainesville.

Dr. G. Balsley of Gainesville, president, conducted the meeting and program, explaining the progress of A.B.B.A. in only one year and one month of existence. He also drew names for door prizes donated by merchants.

Judy Krahl gave a brief description of A.B.B.A. and listed its purposes for new members who were present. She explained that

A.B.B.A. is trying to provide for needs of the expectant mother and her child, within the capabilities of A.B.B.A., including clothing and medical, legal, counseling and housing services.

The next meeting will be held on Dec. 3 at 7 p.m. in the St. Mary Parish Hall in Gainesville.

"The fundraiser dinner dance to benefit A.B.B.A. was a very pleasing success," as reported by its sponsors. A near-capacity crowd attended, paying \$50 per couple. A greater part of the support came from Lindsay and Gainesville with only about 10 percent from Muenster. However, most-appreciated donations came from Father Victor Gillespie's Tuesday Bible Study group; and local residents assembled a "car load" of used baby clothes, etc.

The excellent dinner was prepared by La Quita Neu and assisted by Mrs. Richard Hesse. Music for dancing was provided by Kelly Wolf and Co.

Pope's visit to Texas in 1987 is thought to be a great success

Archbishop Patrick Flores of San Antonio reported during a meeting of Texas bishops on Oct. 27 that contributions of more than \$2,400,000 have been received to cover the cost of the visit to Texas by Pope John Paul II on Sept. 13-14, 1987.

Father Lawrence J. Stuebben, Texas coordinator for the papal visit, reported bills of \$2,158,200 already paid with an anticipated \$150,000 in bills yet to be received.

Archbishop Flores explained that the total expected cost of about \$2,300,000 includes a year of educational programs conducted throughout Texas, the visit itself, and a planned follow-up educational effort.

Bishop Charles V. Grahmann, of Victoria, chairman of the papal visit finance office, reported income of \$2,408,200 with additional contributions anticipated.

The bishops, in their Houston meeting, voted to keep the fund in reserve until final accounting can be made and all bills have been paid. The balance of the fund, if any, will then be given to the Holy Father as a gift from the Catholics of Texas as the bishops had

originally agreed in September of 1986 when they first initiated the fundraising efforts for the papal visit.

In issuing this report, the bishops of Texas thanked the thousands of Catholics and others throughout Texas who contributed financially to prepare for the Holy Father's visit and so many others who contributed in so many ways to ensure the success

of the papal visit.

Bishop Joseph P. Delaney of the 28-county Diocese of Fort Worth said that he has paid the \$200,000 portion of the expenses allotted to his diocese. He said that the bulk of the amount was contributed by church members in response to three appeals made in the past year. The diocese added a small amount to bring the total to \$200,000, he said.

Stoffels brothers win contest

Grand prize winners of The Muenster Enterprise's football contest were announced this week, as the contest comes to an end with Sacred Heart's playoff defeat.

Craig and Chris Stoffels ended the season in a tie, correctly picking 71.88 percent. To determine a first place winner, the eight tiebreaker games were totaled to see which brother guessed closer to the games. Craig nudged ahead by having a total point difference of 213; Chris had 216.

Mickey Haverkamp came in third with a 71.13 correct percentage. Others finishing the contest and their correct percentages were: Mark Klement, 69.79; Curtis Pagel, 66.67; Benny Haverkamp, 65.62; Mark Grewing, 65.10; Janet Pagel, 62.37; and Carol Grewing, 63.02.

Craig's lowest pick was week 3 of the contest, with just 14 correct; his highest was the next week with 19.

Chris' lowest was the first week at 14 correct; his best was week 4 with 20.

The last round gives two new weekly winners. Four entrants tied with 17 correct guesses, with the winner being determined by the tiebreaker. Mark Grewing finished with a 2-point difference, picking Temple over Sacred Heart

21-27. Mark Klement followed with a 7-point difference. Craig Stoffels came in third with a 10-point spread followed by Chris Stoffels with 18 points.

The weekly winners picked up their cash prizes at Red River Liquor, last week's tiebreaker sponsor.

Five contestants correctly picked Lindsay's defeat and six chose Sacred Heart to lose.

Only one wrong pick on the Dallas-New England and Notre Dame-Alabama games. Two missed Callisburg's loss to Electra.

Every contestant picked Pilot Point over Tom Bean; Pennsylvania over Harvard; UCLA over Washington; Baylor over Rice; Liberty over Dallas Temple; and Gunter over Collinsville.

Letters to the Editor

Dear Editor: The Cooke County "Littlest Angel" program is organizing again for this Christmas season to help provide clothing, food and toys for Cooke County families in need of assistance.

The Littlest Angel program is a collaborative effort of various organizations, businesses, churches and individuals, which provides the following Christmas gifts to needy Cooke County families:

- 1) Clothing and toys to children in the home under age 18.
- 2) Clothing to elders age 60-plus.
- 3) Food baskets (as available) to families and elders on the basis of income and number in the household.

To be eligible for the program, a family must make application during the times scheduled in November. The application is screened to prevent fraud or duplication of services, and paper angels are made to represent each child or elder to be served.

These paper angels bear the first name of the client, a code number to designate to which family that client belongs, the age of the client, sex, clothing sizes, and special interests. All paper angels are then placed on Christmas trees at various Cooke County banks, K-Mart, the Holiday Inn and the Lake Kiowa Lodge, to be chosen by sponsors who then donate gifts for their "angel."

Sponsors are encouraged to donate gifts of clothing, and to gift wrap these items. Toys should not be gift wrapped. These gifts are taken by the sponsor to the Camp Fire, Inc. office or the Gainesville Boy's and Girl's Club

for sorting and preparation for delivery by volunteers in the week before Christmas. Food baskets are bought with money donated at local banks.

Your church group, club or organization can volunteer for one hour, one day, or for the entire time period of the program. We need your help! Please call the Voluntary Action Center at 668-6403 or the Camp Fire office at 665-6527 to volunteer.

We would appreciate it if you would mention the Littlest Angel program in your church bulletin or club newsletter. We have speakers available to talk with your organization about our program. If you are interested, please call Camp Fire at 665-6527 to make arrangements.

We are very proud of the "Littlest Angel" program and the people of Cooke County. Together, 350 families with over 900 children were helped through our program last year. Fifty-five elders received food baskets and other essential items. Any support you can give will be deeply appreciated. Thank you.

Sincerely,
Cooke County Littlest Angel
Board of Directors

EDITOR'S NOTE: Muenster representatives on the Board of Directors on the "Littlest Angel Program" are Mary Eades and Debbie Hess.

Co-chairmen for Cooke County are Jon Charles and Lynette Pettigrew. Shelly Kneupper was instrumental in starting the program in 1984 and has been its guiding inspiration.

Applications have been distributed to area schools for children to take home and will be accepted through Nov. 20 at the Cooke County Courthouse and again on Dec. 7 and 8. Christmas trees with paper angels will be set up in area banks on Nov. 30.

Tower light damaged

Someone shot and totally destroyed the flashing red beacon light on top of Muenster Telephone Corporation's communications tower one mile northeast of Muenster. Tower repair personnel and law enforcement officers determined that the shot came from a high-powered rifle some distance northwest of the tower. The beacon light is made from very heavy grooved glass and is about 1/2-inch thick. When the bullet hit and penetrated the beacon glass, the bullet apparently disintegrated and spun around, shelling out the components inside. The cost of replacement of the damaged beacon is estimated to be around \$1,500.

The tower, without its light, is a hazard to low-flying aircraft and Care-Flite helicopters that frequent the area. A pilot can see some of the towers that are lighted and may not be aware of the tower without lights. The proximity of other lighted towers makes the outage even more dangerous.

This action is a felony and is covered under the crime watch program and the Chamber of Commerce vandalism award program. Anyone providing information leading to the arrest and conviction of the person or persons that caused this damage can receive up to \$1,000 from the Crime Stoppers and up to \$500

from the Chamber of Commerce. Anyone with information should contact the Cooke County Crime Stoppers at 668-5488.

Alvin Fuhrman, manager of Muenster Telephone Corporation, reported that this is one of the reasons for moving the tower to a more secured area in town.

Finnell Fish Fry a "whopping" success

HOLIDAY - Over 450 enthusiastic supporters of State Rep. Charles Finnell turned out Thursday on behalf of his candidacy for re-election to the 80th House District.

The traditional Finnell Fish Fry featured State Treasurer Ann Richards and Railroad Commissioner John Sharp endorsing the legislative work and return of Finnell to the Texas House of Representatives.

State Sen. Ray Farabee and State Rep. John Gavin joined in the festivities which included entertainment with the rural flavor of the district.

"The opportunity for meaningful public service is actually greater today than ever before because of the economic challenges we face in Texas. I am ready to accept that challenge," Finnell stated in declaring his 1988 plans.

"I am proud to serve the people of this great district. Kay and I appreciate very much your encouragement and support," said Rep. Finnell, currently fourth in seniority in the Texas House.

In appreciation of Finnell's work on the Retirement and Aging Committee, a handmade red, white and blue goose-down pillow

was presented to Rep. Finnell by senior citizens of Petrolia, Texas.

Contributions have been received from every precinct of the vast nine-county district according to Treasurer Don Talley, who reported that this was the largest and most successful campaign kickoff.

David Bright's sister honored with special state award

On Nov. 5, 1987, Governor Guy Hunt of Alabama presented that state's highest award for volunteer services at a luncheon ceremony in Montgomery, Alabama.

Individuals, organizations and companies across the state were recognized for volunteer efforts in 13 special categories.

The first-ever posthumous award by the State of Alabama went to the late Lola Bright of Anniston, Alabama. She is the sister of David Bright of Muenster. That

award was for Miss Bright's volunteer work in the category of Human Services-Elderly.

In presenting the award, Governor Hunt cited a number of areas in which Miss Bright made significant contributions. He then stressed one particular project she developed and carried out in support of the "Meals-on-Wheels" program. That project was the designing, making and marketing of aprons with all proceeds accruing to the Meals-on-Wheels program, which tries to get a hot meal

to the elderly or shut-ins each day. More than \$3,000 was realized by the program in less than a year.

The director of the Meals-on-Wheels program wrote to Lola Bright's brothers and their families: "She was an admirable woman, indeed... with high spirits, good will and endless inventiveness... for our program she worked at an amazing rate... she cut and sewed and sold until she herself was cut down by illness."

Lola Bright died on July 16, 1987. She was a frequent visitor here with her brother and sister-in-law and her nieces and nephews.

David and Juanita Bright attended the awards luncheon in Montgomery, where he represented the Bright family and accepted the award on their behalf, from Governor Hunt.

Following the ceremony, they traveled on to Anniston for a week's visit with relatives and friends. During the drive to Alabama by car, they also visited overnight with other Bright relatives in Minden, Louisiana.

'Health Aware' is scheduled for Saturday

Mark your calendar for good health Saturday, Nov. 21, as "Health Aware '87," sponsored by Gainesville Memorial Hospital, gets underway in downtown Gainesville.

The health awareness event is scheduled from 10 a.m. to 4 p.m. at 201 W. California Street (the old Dollar General Store building). Admission is free.

Professional staff will be offering a variety of health screenings, including blood pressure, blood sugar and hemoglobin analysis. Colorectal screening kits will also

be available, free of charge.

Displays, demonstrations and literature on a wide range of health topics will also be a big part of the event, and those attending will be free to question hospital staff persons on various issues, including dietary concerns and inquiries addressing the various services offered by the hospital.

Evelyn Yeatts, County Extension Agent, will be present to conduct her popular computer health analysis. Also participating in the Saturday event will be representatives from the Cooke County Emergency Medical Service, the American Cancer Society, the American Heart Association and Home Hospice of Cooke County.

According to Gayla Blanton, director of community relations for the hospital, the event is designed to bring about health awareness in the community. "It is very important for people to be aware of their bodies. Health is a very precious thing and we believe people should take time to learn about wellness issues."

This is the third year for the hospital-sponsored health event.

To be introduced during "Health Aware" is a free cholesterol screening project the hospital will be conducting in December. The project will provide free screenings by appointment during a specified week in the month.

For more information on "Health Aware," contact Blanton at 665-1751.

VFW Auxiliary will again sponsor 'In Lieu of Christmas Cards'

The VFW Auxiliary will again sponsor the "In Lieu of Christmas Cards" project for 1987 according to Agnes Hesse, and Frances Bayer, co-chairmen.

Proceeds will be placed in an established fund and drawn upon to help anyone in the community in case of great need.

The project sends greetings at Christmastime to relatives, neighbors, friends and former residents through the good wishes expressed in space reserved for that purpose in the Christmas issue of *The Muenster Enterprise*. Names of all participants donating to the "In Lieu of Christmas Cards" project will be listed in the ad space, but amounts of individual donations will not be revealed. However, the total amount collected will be announced.

Sponsors suggest that an

amount comparable to what an individual or family spends on cards and stamps be designated as a donation to the project, taking into consideration also the time saved in an otherwise busy holiday time.

For information, call Agnes, Mrs. Bernard Hesse, 759-4130, or write to Rt. 1 Box 164, Muenster, Tx. 76252; or Frances, Mrs. Arthur Bayer, 759-4362 or write to Rt. 1 Box 19-A, Muenster, Tx. 76252.

Lindsay Fraternity hears letter from India

The Secular Franciscans Fraternity of St. Peter's Parish in Lindsay met with Mr. and Mrs. William Flusche at 1:30 p.m. on Nov. 10.

Mrs. Tony Hermes, president, led opening prayers and conducted the meeting and Mrs. Veronica Klement read a scriptural passage.

A letter from St. Francis Village of Crowley was read expressing gratitude for the large package of stamps sent by the Lindsay Fraternity. The letter also described the upcoming raffle on Dec. 5 which carries a new name: "The 2000 Club Award Festival." Its proceeds will be used for improvement of the Utility Systems and the wells.

A letter was read from the group's adopted Seminarian, John Mathie of Bombay, India at St. Pius College. He is a very dedicated young man and anxious to become a priest. He told of extremes of weather in India, parts are suffering from extreme

shopping, visiting malls, sightseeing, visiting and reminiscing. For many years, their late mother, Anna Walter accompanied them on the trips.

One day, Mrs. Chapman's four grown children came to visit their aunt. And one day an extended telephone conversation with their brother, Dr. John Walter of San Antonio, added to the visit.

Gehrigs attend Parents Weekend

The first weekend of November was a gala time at Subiaco Academy, when the school hosted Parents' Weekend.

To attend, Jim and Cindy Gehrig and children, Michel, Lucien and Joanna, left a day early, on Thursday, Nov. 5, to also spend the weekend with their sons and brothers, Jason and Ryan Gehrig.

They drove as far as Clarksville Thursday and watched Ryan play football with the freshmen Trojans.

On Friday while the boys were in school, the Gehrigs and Mrs. Albina Schmitz and her daughter, Maquita Gossett, drove to Mt. Magazine for sightseeing and hiking on a trail to the highest elevation on the mountain.

John and Albina Schmitz of Gainesville have a son, Steve, attending the academy.

They all returned to Subiaco in time for the students' pep rally. That night the Trojan varsity football team played their last game of the season against the Ozark Hillbillies, who were ranked third in the state. It was an exciting game, although the Trojans lost 28-20.

While Jason and six classmate members of the Cross Country Team were in Arkadelphia all day Saturday for a state meet, all the others went to Russellville for shopping, bowling and roller skating.

Later Jim and Cindy Gehrig attended the headmaster's presentation, and then met their sons' teachers. They enjoyed meeting other parents over the weekend and visiting with school friends of their sons.

After Sunday dinner at the academy, they all began the long drive to their homes.

Two weeks earlier on Friday, Oct. 23, Jim and Cindy Gehrig attended the Trojan Homecoming game, and have been informed that their son, Jason, was named Player of the Week, for that game.

Accompanying them were Jason and Ryan's grandmother, Mrs. Alma Stoffels, their aunt and cousin, Donna Simmons and Chad of Denton. All returned home after the game.

Den 4 Cubs win at Pushmobile Derby

Cubs of Den 4 joined other Cub Scouts from around the county Oct. 31 for a fun-filled morning of racing and all around good time. They attended the 2nd annual pushmobile derby for Frontier Trails District, held on the spacious parking lot of First Baptist Church.

Upon arriving, each den registered according to rank. Den 4 raced in the Bear division as the boys are presently working on their Bear rank. Each car was then assigned a number and told which heat they would be in. Before the actual racing began, all the cars participated in a parade around the racetrack.

Den 4 raced in the the third Bear heat and won a first place. Each boy received a ribbon along with a ribbon for their den flag. In their second heat, which was the Bear semifinals, the boys also finished first, winning another ribbon for the flag and themselves. In the third heat, which was the Bear finals, they were in a very tight race with the lead changing several times and at the end of the heat, Den 4 was in second place. Each boy also received a second place ribbon and one for their flag. Even though they were disappointed at not winning first, they remembered they went to have fun and do their best and they did advance one step further than they did last year so they were still happy and excited.

After all racing was completed, an awards ceremony was held with trophies being presented for first, second and third place. Den 4 received a trophy for their second place finish in the Bear division. Unknown to the boys, judging was being held for the best looking cars while the races were taking place, so when they were announced as having the best looking Bear car, they were really excited.

After the awards ceremony and picture taking was finished, the boys enjoyed pizza and Dr Pepper at Godfather's Pizza before returning home. They enjoyed their outing tremendously and are excitedly making plans for attending again next year.

Members of the den attending were Royce Knabe, Mark Walterscheid, Ryan Klement, Jamie Hellman, Jeff Felderhoff, Eric Miller and Paul Swirczynski. They were accompanied by Shirley Knabe, Roberta Walterscheid and Paulette Swirczynski.

The boys want to give a special "Thank You" to David Fisher for building their car, giving them the opportunity to race.

The Cub Scouts are chartered by the Muenster VFW and will be presenting them with the trophies at the November Pack meeting.

Beta Kappa plans for future

Beta Kappa Sorority of ESA members were hosted by Marcy Wilde on Nov. 9 for a business meeting and educational program.

Wanda Flusche, president, conducted the first section, leading a discussion of possible centennial projects.

Lynn Dangelmayr reported on the upcoming 42 tournament and prizes. Members decided to give personalized dominoes to grand prize winners.

Sharon Felderhoff led a discussion on ABBA, and donations for a baby and mother-to-be items, and she thanked members for the support they have given.

The educational program was given by June Bartush and Debbie Hess concerning C.H.E.W. and the Littlest Angel program.

Holiday in the Park to feature glittering show

A glittering new ice revue, "Christmas On Ice," will premiere Nov. 27, as Six Flags Over Texas launches the third edition of its Christmas spectacular, "Holiday In The Park."

Last year more than 165,000 persons visited the Arlington theme park during its winter festival.

Most of the park's rides are silent for Holiday In The Park. The star attractions are elaborate Christmas decorations, live holiday musical shows, carolers, strolling bands, holiday foods, shops filled with gifts and a nightly parade by Bugs Bunny.

A snow hill will be built with tons of icy artificial snow for sledding. Looney Tunes will be open with rides and play activities for small children. The Avalanche Bobsled will be running and there will be nostalgic rides aboard the Six Flags Railroad with its puffing antique steam engines.

For an extra fee, visitors may ride through the park in open carriages drawn by horses with jingling harness bells.

More than a half-million twinkling lights will be seen in the park's lavish decorations, including the 7,000 sparkling green bulbs which transforms Six Flags' parachute drop into a 200-foot-tall Christmas tree visible for miles around.

A nightly feature of the '87 Holiday celebration will be a parade of lighted floats carrying Bugs Bunny, Sylvester, Porky Pig, Daffy Duck, Foghorn Leghorn and other Warner Bros. cartoon stars.

Bugs and his friends will also appear in their own holiday musical show on the stage of the Looney Tunes Theater.

At the Southern Palace Music Hall, the full-scale musical production, "A Jolly Holiday," will feature 14 talented young performers.

For country music fans, the Crazy Horse Saloon will be the

Temple Eagles soar over Sacred Heart Tigers 28-20

The Sacred Heart Tigers fell to 7-4 on the season Friday night as they lost a 28-20 fourth quarter battle to Fort Worth Temple Christian in the first round of T.A.P.S. football playoffs.

Temple quarterback Chuck Velasquez hit 6 of 12 passes for 122 yards and 3 touchdowns.

The Tigers rushed for 130 yards and passed for another 123 enroute to 17 first downs, two more than their opponent, but couldn't punch the ball into the end zone enough times against a tough Eagle defense.

Four interceptions helped kill Sacred Heart's scoring drives and the Eagle defense keyed on top rushers, Wayne Becker, holding him to 97 yards on 19 attempts, and Scott Taylor, who picked up 12 on 6 trips into the line.

Sacred Heart passed for 123 yards to Temple's 122, with Ryan Bayer completing 4 for 52 yards and Taylor 40 yards on four catches.

The Tigers put their first touchdown on the board with 6:54 remaining in the first quarter, when Becker broke tackles on a 16-yard run. The 60-yard drive in 10 plays was helped by a pass interference flag and an important fourth and one situation. Deano Bayer kicked the extra point, but had to rekick after a penalty, which was blocked. The Tigers took an early lead, 6-0.

The Eagles controlled the ball in

the second quarter, moving 75 yards in 15 plays, scoring on a 23-yard pass. The extra point attempt failed, tying the game at 6-6.

The Tigers moved the ball to the Eagle 30 when Temple picked off its first interception. Starting at the 11, the Eagles moved the ball 89 yards in 8 plays, finishing with a 49-yard TD pass. The extra run was good, giving Temple a 14-6 lead.

The Eagles stopped the Tigers' last scoring attempt, intercepting another pass as time ran out in the first half.

Temple extended its lead 20-6 in the third quarter, on a 58-yard drive in 6 plays.

Sacred Heart came back on its next possession. Behind the running of Becker, Taylor and Ryan Bayer and quick Dangelmayr passes, the Tigers used 13 plays, moving 56 yards, finishing on a 10-yard pass to Taylor to shorten the score 12-20 in the fourth quarter. The extra point attempt failed.

The Sacred Heart defense held Temple and forced a short punt. Taking over on the 50, an 11-yard pass to Ryan on 4th and 9, a 12-yarder to Taylor, and a 10-yard draw by Becker was topped by a 15-yard Dangelmayr pass to Taylor for another touchdown. Taking a delay of game, Dangelmayr passed to Curt Bayer for 2 and tied the game 20-20 with

4:40 left in the game.

A timeout as called, so the officials could inform the coaches, because of the tied game, who was leading in penetrations and first downs. Temple was reported to have four penetrations to Sacred Heart's 3, but the Tigers led in first downs. With this information, Sacred Heart needed to get inside the 20 to win.

The Eagles took the kick to their 48-yard line, moved into Tiger territory when Curt Bayer covered a fumble, giving the Tigers new hope.

The excitement was cut short on the next play when Temple picked off a Tiger pass, giving them possession on the 24-yard line. Two plays later, the Eagles hit paydirt. The extra point gave them a 28-20 lead with 2:09 left in the game.

The Tigers started a passing drive on their own 35. After two incomplete passes and one completed to Ryan Bayer, Temple stepped in again for their fourth interception for the night, stopping all hope for a Sacred Heart comeback with only 47 seconds remaining in the game.

After the game, Coach Pasqua told the players and fans that Temple's coach said, "You're the best team we played all year."

Becker and Deano Bayer led tackles for the Tigers with 14 and 13, respectively.

Freshman tackle Darrell Mullins left the game with a knee injury he received on the third play of the game.

Wayne Becker left the game with 3 minutes in the game with a dislocated shoulder.

Wild turkeys have good production year

AUSTIN - Add wild turkeys to the list of game species having an excellent 1987.

Texas Parks and Wildlife Department data already indicated that whitetailed deer and quail are in boom cycles across the state, and new information from the field shows Rio Grande turkeys also are flourishing.

Don Wilson, upland game program leader, said the hen/poult count (the number of poult compared to the number of hens observed in the field) is more than twice the long-term average. "The statewide average count was 2.6 poult per hen this year, compared to 1.6 in 1986," said Wilson. "A count of one poult per hen is considered average."

Texas leads the nation in turkey populations, and this year the state boasts an estimated population of some 571,000 birds.

Wilson said it was encouraging that some of the highest hen/poult ratios were in some of the most popular turkey hunting regions of the state. The Possum Kingdom region of West Texas, which runs roughly from Fort Worth to Midland, had the highest count at 3.45 poult per hen. The eastern portion of the Trans-Pecos registered a 3.27 count, while the Edwards Plateau had 2.88 poult per hen.

The Panhandle and South Texas regions also were above average at 2.29 and 1.95 respectively.

In the Oak Prairie region north and west of Houston, the hen/poult count was 1.69. "It's gratifying to see those birds having a good production year, because they are present because of the department's stocking programs," Wilson said.

The fall turkey hunting seasons in Texas are concurrent with the whitetailed deer seasons. The regular season will be Nov. 14-Jan. 3.

The bag limit is two turkeys during the fall season. However, a hunter may elect to take one turkey in the fall and two gobblers during the special spring season

during April. One turkey tag on the hunting license may be used either in the spring or fall season.

M.H.S. Quarterback Club

Lindsay suffers loss Celeste wins 40-16

by Gene Hermes

It was a sad night for the home boys. The Blue Devils outplayed and outscored the Knights from the word go as they piled up a total of 437 yards and six TDs to Lindsay's 282 yards and two TDs.

Celeste received the opening kick off and started their drive from the 14-yard line. Nine plays later and a 24-yard pass from QB Roger Seals to tailback Shawn Ballard put the first points on the board. The extra points failed, leaving the score 6-0.

On Lindsay's first possession, on 3rd and 8, the Knights went to the air only to be intercepted by Ballard on the 40-yard line.

After the interception, the Blue Devils marched downfield to score their 2nd TD. Once again, it was Ballard, this time on a 19-yard run. The extra points failed and the score at the end of the 1st period was Celeste 12, Lindsay 0.

Lindsay got the ball for the second time. They moved the ball, from the 27-yard line, downfield to inside the 20 only to lose it on a fumble.

The Knights' defense came back, and four plays later, Troy Huchton intercepted a pass on the Knights' 20-yard line, only to lose the ball three plays later with a second fumble. It had to be Friday the 13th, because three plays later, John Fangmann recovered a Celeste fumble on the 3-yard line. The story isn't finished yet; two plays later, with 6:20 left in the half, Lindsay fumbled for the third time, the ball rolled into the end zone, was covered by Celeste for the third TD. The extra points,

answering to that TD. Ballard ran 72 yards for his 4th TD and then he kicked the extra point, making the 3rd quarter score 40-8.

Late in the fourth quarter, Rick Sandmann scored on a 12-yard run. Sandmann also ran the extra points in and the final score 40-16.

You can not score if you can not keep the ball. Lindsay lost five fumbles and threw one interception in the first half. And with a team like Celeste, with their size and speed, mistakes take away all hope of winning.

Shawn Ballard led Celeste for rushing yards, 226 yards on 22 carries. Todd Phillips followed with 119 yards on 13 carries.

The leading rushers for Lindsay were Craig Neu, 90 yards on 11 carries; and Ashley Fuhrmann, 82 yards on 14 carries. The Knights' leading rusher, Mike Dieter, was injured on the third play of the game, and was unable to return to the field.

Leading tacklers for Lindsay was John Fangmann with 15, Ted Cason had 11, Curtis Weems 9, Brad Neu 8, Paul Hughes and Jeff Arendt each with 7.

Hornets win opening games

The Muenster Hornets reversed last year's start and opened the '87-88 campaign with two wins. Friday night at Savoy they beat the Cardinals 79-46 and Tuesday night began the home schedule with a 51-43 victory over Anna. There was little doubt at Savoy, but the outcome against Anna was in doubt until the final two minutes.

Trailing 45-40, the Coyotes missed a short jumper. J. Shane Wimmer rebounded, and seconds later, Mike Pagel hit a bucket, was fouled and converted the three-point play for a 48-40 Hornet lead with 1:58 to play.

"Mike made the big plays all night," said Hornet coach Ted Heers, "and he came through with 12 rebounds and 14 points. We came away with an ugly win (24 turnovers). Last season if it was ugly we lost, so this was a good win. They all are."

Senior Brian Hess scored 18 points, followed by Pagel's 14, and J. Shane Wimmer with 12. Wimmer also had 8 boards and 7 steals.

Muenster pounded the Savoy Cardinals with a 42-18 second-half score last Friday in their season opener. Wimmer led the attack with 28 points and 20 rebounds. Kevin Anderle hit 8 of 13 field goals for 18 points, Hess scored 10 and hauled in 12 caroms, Pagel

and Dale Reiter each chipped in 9 points apiece. "The guys are playing excited, looking forward to practicing," Heers added, "we just have an awful case of the flu this week. Ten of the guys played sick Tuesday. We hope we're healthy for Jacksboro."

The Hornets will meet the Jacksboro Tigers here at the Fighting Hornet Gym at 8 p.m. A 5 p.m. 9th grade boys' game will be followed by a junior varsity boys' game at 6:30 p.m.

Tuesday night the Hornets will travel to Howe for an 8:30 p.m. tipoff.

Hornettes split games

The Muenster Hornettes raced to a 41-12 halftime lead over the Gunter Tigers Tuesday night and evened their ledger at 1-1 with a 61-35 win. Friday night they lost their season opener 67-45 to the Savoy Cardinals.

Gunter built an early 11-3 lead, but saw it evaporate as the Hornettes outscored the Tigers 38-1 for the remainder of the half. Four Hornettes hit double figures. Melody Klement and Staci Walterscheid each scored 13, Dana Wimmer and Shonna Reiter added 10 apiece. Meredith McDaniel led the team with 10 rebounds, and Walterscheid had 9 steals. Muenster received strong support from Peachy Switzer with 7 points, and Tara Walterscheid with 6 points.

"Effort was the key tonight," Hornette coach Ted Heers said after the game, "and that was

missing against Savoy. We looked like a completely different team tonight."

Against a hot-shooting Savoy team, Muenster fell behind 10 points at halftime and never recovered. Wimmer hit 18 points and had 10 rebounds, followed by Walterscheid with 12. McDaniel hit 6 points, Klement 5 and Switzer 4.

The girls will resume play Tuesday night at Howe. A junior varsity girls' game will be played at 5:30 p.m. followed by the varsity contests. The scheduled game with Pottsboro for Friday night has been cancelled.

In junior varsity action, Jenny Wimmer and Denise Bayer scored 13 and 9 points to pace the Hornettes to a 36-20 win over Gunter. Kim Bayer, Jefflyn LeFevre and Kim Hess each scored three points also.

Little Red teams split with Era

The Muenster junior high basketball teams began their season at home Monday night against the Era Hornets. Era won the girls' game 33-25 and Muenster won the boys' game 31-26.

Joy Tisdale scored 16 for the Hornets.

kicked by Ballard, were good and the score was 19-0.

With five minutes in the first half, Lindsay fumbles yet another time. Roger Seals recovers the ball on the 36-yard line. Celeste again takes advantage, and in five plays, they crossed the goal line. The TD came on a 19-yard run by Ballard; the extra points kicked by Seals and the halftime score Celeste 26, Lindsay 0.

The second half was a different story. There were no fumbles or interceptions by either team. The Blue Devils' defense was still too much for the Knights as the first punt of the game came from Lindsay, starting Celeste on their own 25-yard line. But with the right combination of running and passing, Celeste moved the ball 75 yards for their fifth TD. This time Todd Phillips scored on a 20-yard run up the middle. The extra point was kicked by Seals, upping the score 33-0.

Lindsay, still not giving up, scores with 1:37 left in the third quarter. The TD was by Craig Neu on a 1-yard run. The drive took 11 plays, 4 1/2 minutes. The extra point was a pass to Troy Huchton, making the score 33-8.

Celeste wasted no time

FARM AND RANCH NEWS

TFB membership at an all-time high

Membership in the Texas Farm Bureau has reached an all-time high of 334,162 member families, according to S.M. True, president.

True said tabulations just completed for the fiscal year ended Oct. 31 showed that the Texas organization gained 10,363 member families over last year, marking the 35th consecutive year to show a gain.

Don Neumann, director of field services for the TFB, said a total of 159 county Farm Bureaus showed an increase in members. There are 216 county Farm Bureaus in the state.

Texas Farm Bureau has been

the largest state Farm Bureau in the nation for the past five years. The American Farm Bureau Federation has a membership of 3.5 million in 49 states (all except Alabama) and Puerto Rico.

The 20 largest county Farm Bureaus in Texas, listed by size, are: Harris, Collin, Fort Bend, Brazos, Ellis, McLennan, Bell, Jefferson, Houston, Brazoria, Fayette, Tarrant, Bexar, Van Zandt, Hidalgo, Wharton, Washington, Starr, Denton and Dallas.

The Farm Bureau is an independent general farm organization financed by voluntary membership dues.

Grant Teaff to be guest speaker at TFB meeting

Grant Teaff, head football coach at Baylor University and the dean of Southwest Conference football coaches, will be the keynote speaker at the 54th Texas Farm Bureau annual meeting in Lubbock Nov. 29-Dec. 2.

Teaff will speak the morning of Nov. 30. Also speaking that morning will be TFB President S.M. True. TFB Secretary-Treasurer Neal Burnett will give the annual report that morning.

TFB Executive Director Warren Newberry will present his annual administrative report on Tuesday, Dec. 1.

Some 1,300 voting delegates, representing 216 county Farm Bureaus, will meet in the Lubbock Memorial Civic Center to adopt state policies for the state's largest farm organization to follow in 1988.

The delegates will also approve resolutions on national issues that will be forwarded to the American Farm Bureau Federation annual meeting Jan. 10-14 in New Orleans.

Teaff, a native of Snyder (Scurry County), has been head football coach at Baylor for 16 seasons. Through the 1986 season, Teaff had a 90-76-5 record.

Under Teaff, Baylor went to six bowl games. He has won SWC Coach of the Year honors six times. His overall coaching record was 132-122-7 through 1986.

He has a M.S. in administrative education from McMurray College where he earned All-Texas Conference honors as a linebacker.

Six special conferences will be held Nov. 30 in conjunction with the TFB convention. A Young Farmer & Rancher Conference will be held at 6:30 a.m. featuring Dr. James Blakely, a motivational speaker from Wharton. The other conferences will begin at 1 p.m.

The conference and speakers areas follows:

- Legislative & TFB AGFUND Update, John C. Datt, executive Director, American Farm Bureau Federation's Washington, D.C. office; Vernie Glasson, Waco,

TFB Public Affairs director; Joe Maley, Austin, TFB State Affairs director.

- Cotton and Beef Research & Promotion, Jo Ann Smith, Micanopy, Fla., chairman, National Beef Promotion & Research Board; Lloyd Cline, Lamesa, chairman, National Cotton Board.

- Agriculture and the Environment, Dr. Ray Frisbie, College Station, integrated pest management coordinator, Texas A&M University; Paul Seals, Austin, with the law firm of Heron, Burchette, Ruckert & Rothwell.

- International Trade, Marty Clayton, agricultural advisor to U.S. Senator Lloyd Bentsen of Texas; Paul Drazek, Washington, D.C., assistant director for trade issues, AFBF.

- Immigration and Farm Labor, Chuck Fields, Washington, D.C., assistant national affairs director, AFBF; Keith Garrison, Waco, director of farm labor programs and member communications.

A NEW ADDITION to the Ag Shop at Muenster High School is a "Millermatic 200" wire feed welder (MIG). This welder uses a .035 bare wire as the electrode along with Argon/co2 gas mix as a shield around the arc to prevent oxidation and slag buildup. This machine will introduce welding students to a modern method of welding used in industry today. Members of the Ag I Shop include, 1 to r, Steven Youngblood, Brian Reiter, Richard Tuggle and Ronnie Jones.

1988 Arbor Day kits available to teachers

To help Texas teachers and organizations conduct Arbor Day programs, the Texas Forest Service is again offering free program kits.

Each kit includes a loblolly pine seed packet with planting instructions, program aids for a local Arbor Day observance, suggested classroom activities for teachers, and a copy of the governor's proclamation.

Arbor Day is to be observed on Friday, Jan. 15, 1988 in Texas. It was first celebrated in Texas in 1889. Since 1949 it has been observed annually in Texas on the third Friday in January, although dates vary in other states. The purpose of the event is to promote a greater appreciation of the beauty and value of forests and trees in both rural and urban settings.

The official state observance for 1988 will be held in College Station. The public is invited to attend the state celebration, and hundreds of other public events will honor Arbor Day in other Texas locales.

LOOK FOR THE BIG SIGN

THE ADVANCED Woodshop students of Muenster High School are building an 8'x10' storage building as a class project. Students learn the principles of residential construction beginning with sill and joist construction for the floor. Wall framing and rafter work follows with the roof being decked and shingled. Masonite siding is applied to the exterior wall and trimmed with redwood.

Other phases of construction are plumbing, electrical and sheet rocking - they will be done in the shop area with shop built patterns.

When completed, the storage building will be offered for sale. Proceeds will pay for materials used to construct the project building. Interested persons may contact Rudy Koehler at MHS. Children and exercise: a great combination

Over 82 percent of Texas 7th and 8th grade students in Texas schools agree that "regular exercise that makes you sweat and breathe hard" is good for your health, according to a recent Youth Awareness Survey. The survey, conducted by the Texas Affiliate of the American Heart Association, was designed to ascertain students' knowledge, attitudes, practices and social environment related to the prevention of heart disease.

Not smoking, reducing a high blood cholesterol level, and keeping blood pressure low are three of the most important ways to reduce the risk of heart disease. Physical inactivity is often associated with obesity, abnormal plasma lipids, high blood pressure, and hyperglycemia, each of which contributes to atherosclerosis, or hardening of the arteries. The AHA recommends aerobic exercise for children, which develops a more efficient cardiovascular system, and reducing the other atherosclerotic risk factors.

In the Youth Awareness Survey, 2,644 students from 113 randomly selected Texas schools were surveyed. Respondents engaged in exercise an average of 3.9 days per week across the four seasons, with females reporting a higher participation (4.17) than males (3.67). Blacks reported the most frequent exercise (4.19), followed by Hispanics (4.11), other (3.97) and Anglos the least (3.70).

About 1/6 of the students (17.5 percent) took no physical educa-

tion at school. Of those enrolled in physical education at school, the average number of classes per week in which the students "usually got physical activity that makes you sweat and breathe hard" was 3.75. According to the survey, students desire 4.24 of these classes per week.

The Texas Association for Health, Physical Education, Recreation and Dance (TAHPERD) and the American Heart Association in Texas co-sponsor the Jump Rope for Heart program in schools across Texas. This program features a curriculum on the aerobic benefits of rope jumping and at the same time, teaches teamwork and fun while raising funds to fight the nation's No. 1 killer - heart disease.

"Since children split their time between school and home, these are the logical places for good exercise habits to be encouraged. Parents serve as role models through their exercise habits for their children," says Michael H. Crawford, M.D., president of the AHA in Texas.

Adults must be sure not to place their own expectations upon children's physical activities. Enjoyable activities may become disastrous experiences that discourage continued physical activity if too much pressure, stress and competition are emphasized.

What are the best exercises for children?

"For preteens, most any type of movement activity is good," said Dr. Crawford. "Since children at

this age have not fully developed their motor control and coordination, exercises such as running, rowing, bike riding, jumping rope and swimming are best.

"Competitive sports, such as basketball, soccer, tennis and racquetball can be included for children in their early teens," Dr. Crawford continued. "Sports

such as football, bowling and golf are good choices for high school students because such sports can contribute to an individual's self esteem while teaching teamwork."
