Muenster City Council holds short, peaceful meeting

The City Council faced a light load at the first meeting of the new year. Heading the agenda were the ever-present garbage and landfill situations. The city still has no agreement which will allow them access to the old dump site. Despite landowner claims that a new agreement is not necessary since the old contract requires cleaning and closure, the city's legal counsel in Austin cautions against entering the site until the new one is signed because the old one has expired.

Inspections and testing are continuing at the proposed new landfill. More strata samples and drill cores have been ordered by the Texas Health Department. The city must hire an engineering firm to handle the sampling.

The state has not yet set the date for the local public hearing on the landfill. Legal maneuverings, however, are progressing. Among city bills the councilmen approved for payment was the first bill from the Austin law firm for \$3,100.00.

The council is still considering changes in garbage rates on an individual basis.

Another costly problem on the city's horizon is its aging fire truck. The present main pumper was purchased in January of 1959 and is nearing mandatory retirement age. The city must replace it by 1989 at a possible cost of \$80,000.00 or more. Fire Chief Herbie Knabe reported to the council on funds available and timetables. Funds currently available total

\$37,814.74. He hopes to have at least \$60,000.00 by the end of 1988.

Estimates are for a one-year delivery time since each truck is custom made. Firemen are currently working out specifications to begin seeking dealers and prices. Councilmen authorized Knabe to proceed on a non-binding basis so bids could be sent out by January 1988.

With spring comes elections. Mayor Richard Grewing called City Council elections for the first Saturday in April. Positions that will be open will be for Mayor, Alderman Place 3 now occupied by Willie Wimmer, and Alderman Place 5 now held by Ted Henschel.

Manager Joe Fenton reported a good job on refinishing the water

tower for \$5,990.00. The contractor even did some interior cleaning and fixing at no additional charge.

North Main Street resident Gene Vogel requested help from the city to do something about the junk cars parked in his neighborhood. The council will request appropriate action by the police chief in accordance with recent anti-litter ordinance.

Area has 1 hour with no power

Harry Bomar, District Manager of Texas Power & Light Co., told **The Muenster Enterprise** Tuesday that the outage of approximately one hour late Monday afternoon in Muenster occurred when a No. 6 copper conductor burned down and therefore locked the circuit, causing the outage to a large local area.

TP&L crews made the repairs on South Main Street, about one block off Division Street (Highway 82).

Meanwhile, Chief of Police Helen Tompkins directed traffic at the busy intersection and standby systems provided current at essential businesses and hospital, phone company, etc.

Good News!

When you pass through the water,
I will be with you;

When you walk through fire,
you shall not be burned;
the flames shall not
consume you.

Bynum on list of possible nominees...

Academies seek potentials

WASHINGTON - Congressman Charles Stenholm is pleased to announce the names of the young men and women who are competing to fill two vacancies at the U.S. Air Force Academy at Colorado Springs, Colorado; one vacancy at the U.S. Merchant Marine Academy at Kings Point, New York; two vacancies at the U.S. Military Academy at West Point, New York; and one vacancy at the U.S. Naval Academy at Annapolis, Maryland.

Nomination decisions were made using a formula weighing academic achievement, involvement in school, community and church extracurricular activities, athletic activities, letters of recommendation, and evaluations by the academies. "The decision-making process is getting tougher each year," Congressman Stenholm said. "Not only are we receiving more applications, but the quality of those applications is improving with each cycle."

"We are always on the lookout for qualified young people" said Stenholm. Students who are currently in their junior and senior years of high school and are interested in submitting an application for the classes entering in July of 1988 are advised that applications will be accepted beginning March 1, 1987. Anyone interested in receiving information or applications should contact

Congressman Stenholm's Washington, D.C. office.

This year, Congressman Stenholm is pleased to announce that the following 39 young people have been nominated to fill those vacancies: Wayne P. Armstrong of Anson, Air Force; Benny J. Boggs, Jr. of Abilene, Navy and Air Force; Melissa Buse of Santa Anna, Military; Robert "Drue" Bynum of Muenster, Air Force and Military; Clifford L. DePrang of Weatherford, Air Force and Military; Christopher Gully of Baird, Navy; Allen G. Hamblen of Paint Rock, Military; Christopher Harris of Sweetwater, Military; Thomas Hickman, IV of Stamford, Military; Don Tu Huynh of Weatherford, Air Force, Navy and Merchant Marine; John S. Jolley of Decatur, Military and Merchant Marine; Wesley D. Kinard of Abilene, Navy; Timothy Kozelsky of Ballinger, Air Force; Barton "Corbett" Leatherwood of Stephenville, Air Force and Military; Bobby V. Lewallen, Jr. of Santo, Military; Victoria Logan of Big Spring, Air Force and Merchant Marine; Tony R. Lowe, a resident of Abilene currently living in Anchorage, Alaska, Air Force; Joseph F. Lyons of Eliasville, Military, Navy and Merchant Marine; Jarrett Mathews of Ranger, Air Force; Shane M. McAda of O'Brien, Merchant Marine; John A. Meyer of Big

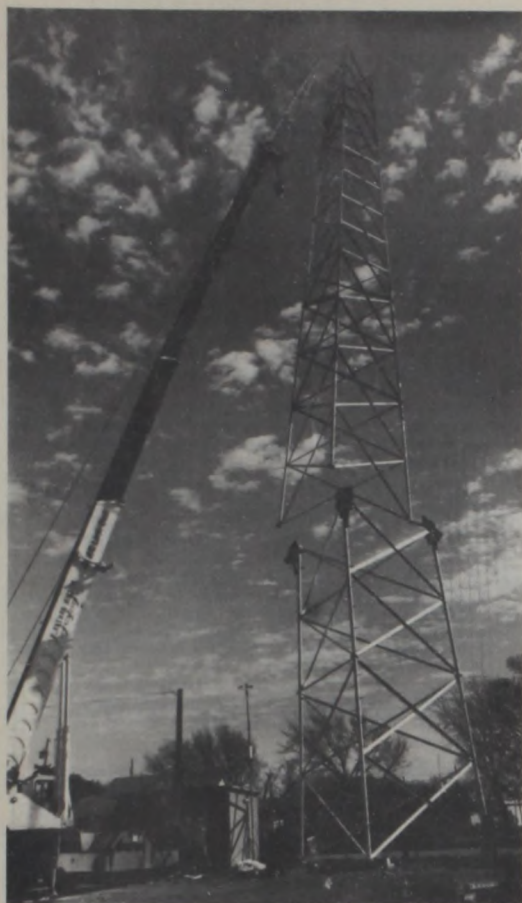

Spring, Navy and Military; Meredith L. Moore, a resident of Big Spring currently living in Reston, Virginia, Air Force; Vahid Y. Morris of Roby, Merchant Marine; Joseph A. Mower, a resident of Big Spring currently living in Springfield, Virginia, Air Force, Navy and Military; Walter B. Parsons of Millsap, Air Force;

Kevin "Rone" Reed of Sweetwater, Air Force and Military; Braxton D. Rehm of Abilene, Navy and Merchant Marine; Michael S. Rodriguez of Stamford, Military

and Merchant Marine; Michelle M. Self of Baird, Navy, Air Force and Military; Karl A. Smith of Hamlin, Merchant Marine; Michael R. Spears of Anson, Military;

Christopher Staud of Aledo, Air Force; Michael "Shannon" Taylor of Gainesville, Military and Merchant Marine; Christopher "Shane" Uson of Weatherford, Air Force and Military; Lance C. Walston of Abilene, Air Force; Monty G. Worley of Newark, Military; Scott J. Young of Abilene, Air Force.

Congressman Stenholm wishes to thank all of the fine young men and women who expressed their interest and submitted applications for nomination. Stenholm also extends his congratulations to the 39 nominees for the 1987 cycle.

Muenster Cable begins improvements in system

The new antenna tower in the warehouse lot across from the Muenster Telephone Office takes its place among the tallest structures in Muenster.

The tower rises to a height of 199 feet without antennas. The three-legged structure is comprised of galvanized steel pipe that is 5 inches in diameter at the base and narrows as it rises to 2 inches at the top. The legs are positioned 22 feet and 9-3/8 inches apart at the base, and narrow to 4 feet and 6-1/4 inches at the top. The system is anchored 15 feet under the ground with concrete piers that are 3 feet in diameter at the top and bell out to 7 feet in diameter at the bottom.

The new antenna system will replace the one located north of Muenster, and should provide better service for cable customers. The new system should be less affected by changing weather conditions, and the lower height should reduce interference from distant stations.

The new antenna tower is just the first step in a series of improvements that Muenster Cable TV will be undergoing. The improvements will eventually result in an increase to all basic cable subscribers in the city. The new system will be in operation within the next two weeks.

Open House hosted by Dr. and Mrs. Graham Jan. 4

Dr. and Mrs. Gerald Graham and daughters, Lori and Mindy, and the staff of their dental clinic hosted an open house on Sunday, Jan. 4, 2 p.m. until 6 p.m.

The spacious dark red brick building at 419 North Maple was constructed by Rudy Koesler and his crew. It measures 50' x 60' with ample parking space provided on

the north side and at the east entrance, with an added ramp for use by handicapped patients.

The interior includes five operatories, each professionally decorated, as well as three office rooms, a reception room and special children's area and a large laboratory.

Tours were led by Dr. and Mrs. Graham and office personnel Monica LeBrasseur, Joanie Hartman and Elaine Schilling.

The Grahams' daughters, Lori and Mindy, served refreshments of cookies, punch, cheese and crackers.

Guests who signed the guest book and registered for door prizes included dentists, patients and friends. Favors were free toothbrushes of various styles and colors.

Winners of door prizes were Carla Truebenbach, Mrs. Victor Hartman, Mrs. Harvey Schmitt, Billie Reinart, Fay Hamric, Steve Moster and Danna Hamric.

Register now for spring term

Registration for the upcoming 1987 spring semester is the first item of business for the new year at Cooke County College.

Enrollment for the spring term is set for Thursday and Friday, Jan. 15 and 16.

Although most faculty will not officially report back from the holiday break until Mon., Jan. 12, all administrative and student services offices are open now. This includes both the Registrar's Office and the Counseling Center.

"These, respectively, should be the first two stops for any persons wishing to enroll this spring," says Dr. Eddie Hadlock, dean of student services.

Hadlock explains that first-time

students, transfers and returning students who haven't been enrolled for at least one regular long semester need to come by the Registrar's Office to fill out an application for admission form.

New students also will need to furnish a copy of their high school transcript, or GED certification, if graduated within the past five years. A transcript from the last college attended is required from transfer students.

Classes for the 1987 spring semester at Cooke County College will officially begin on Monday, Jan. 19.

During regular on-campus registration Jan. 15-16, students may also sign up for classes being

offered this spring at a number of different off-campus extension sites including Nocona, Sanger and Muenster. Persons wishing to enroll in these classes also have the option of registering on-site just prior to the first class meeting.

Linda Mast, director of CCC's Division of Continuing Education & Extension Services, reports that all required textbooks will be available for purchase during registration at the off-campus sites.

For more information about enrolling for the upcoming 1987 spring semester at Cooke County College, visit or call the CCC Registrar's Office in Room 107 on campus, telephone 817/668-7731 or Metro 430-0352.

Letters to the Editor

Dear Editor: Every resident in the State of Texas has a direct stake in a hearing that has been set for Jan. 12 by the Texas Public Utility Commission. Its purpose is to consider a request by the Beaumont-based Gulf States Utilities for \$82 million in emergency rate relief to avoid bankruptcy in March.

about how a GSU bankruptcy would affect the perception of the state by corporate decision makers considering relocating into the state. Our economy has taken enough lumps from the out-of-state press without adding fuel through a GSU bankruptcy that would make Texas the home of the two largest bankruptcies in U.S. corporate history.

It is ironic that the effect of a Gulf States' bankruptcy can be averted by the emergency rate increase that would bring the company's Texas residential rates to approximately the average level among Texas utilities and to a level that would remain below the national average.

The eyes of the financial world and people in the executive suites of top corporations throughout the country are on Texas and Gulf States Utilities, and what happens Jan. 12. The stakes are high and the Public Utility Commission has the opportunity to prevent disaster by approving the company's emergency rate request.

A Gulf States Utilities bankruptcy, in terms of assets, would be the second largest in American history, and would have consequences on the lives of everyone in the state. It would be the first investor-owned utility bankruptcy in the country since the 1930s. Placing aside the effects of the company's bankruptcy in terms of lost taxes, less money for public services and jobs in its service area...

Business leaders have stated that a Gulf States bankruptcy would be a catastrophe for the Texas economy. It would send a clear signal to the business world that our state does not have a good environment in which to do business.

Financial professionals have expressed concern that a GSU bankruptcy would have a ripple effect on every utility in the state as well as local and state government bodies' ability to attract capital from the financial market. Investors will think twice about the safety of the utility securities, or state and local bonds where a state agency has allowed a public utility to go bankrupt.

PROTECTIONISM NO SUBSTITUTE FOR ENTREPRENEURSHIP

There's a new buzz word making the rounds in post-election Washington. The word is "competitiveness."

It means slightly different things to different people, but it suggests to many of us that the next Congress will be trying to enact some kind of protectionist trade legislation to make U.S. industry more "competitive" while the White House pulls out all the stops to prevent knee-jerk legislation that would harm the climate for free trade.

In a recent speech to the Japan Society, Deputy Secretary of the Treasury Richard G. Darman warned that the populism which made tax reform possible — against all odds and much big-business opposition — may now manifest itself in "populist resentment at the U.S.'s lagging competitiveness."

Darman is highly critical of what he calls "corporocracy" in American companies, "large-scale corporate America's tendency to be like the government bureaucracy that corporate executives love to malign: bloated, risk-averse, inefficient and unimaginative."

He argues that many corporate leaders are not entrepreneurial in spirit and that we have lost the edge to foreign competitors, not because of unfair trading practices from abroad, but because, "Indeed, in many cases American managers are not even as adept as some foreigners in designing products, strategies, and tactics for dealing with our own culture."

Delegates to the August White House Conference on Small Business expressed their concern about growing foreign com-

petition and the lack of a coordinated trade policy. Trade ranked fifth on the list of 60 recommendations.

But those delegates, along with their half-million colleagues who are members of the National Federation of Independent Business, did not call for protectionist legislation to fence out competition. Small-business owners are free traders. In survey after survey, NFIB members have voted against domestic-content legislation, trade quotas and other protectionist solutions. They favor reciprocity and think the role of government should be to encourage more firms to enter international markets.

White House Conference delegates called for a cabinet-level department of trade and a coordinated information system to get the word to smaller firms concerning export financing, education programs, licensing, trade missions and other essential aspects of international trade. They asked for no handouts, no barriers.

Nevertheless, small-business owners must be alert to the prospect of a major push early in the 100th Congress to erect new barriers to free trade — in the name of protecting jobs here at home.

In an interview with USA Today following his recent speech, Darman explained, "The protectionist spirit present in the last Congress has not diminished. . . . When Congress returns, their interest in protectionism will be high. That seems counter to the national interest. It is not healthy."

If the nation wants more jobs, it need only look to the millions of small businesses generating thousands of those jobs each month. The problem is, the Congress seems bent on improving the climate for the outdated management styles of the corporocracy and protecting the jobs of those who keep union leaders in seats of power and influence.

If politicians are serious about improving competitiveness, let them make room for more of America's true entrepreneurs. They'll get the jobs done, without building barriers at the water's edge.

Kiwanis Club expresses gratitude

As we close another year, the Muenster Kiwanis Club is proud to have been part of a very successful year for the community.

The worldwide goal of all Kiwanis clubs is to improve the community in which the members live. This we have done through active involvement in local programs, or through fundraising and distribution to needy groups or individuals.

In addition to serving the community needs, our members enjoy the fellowship of our weekly luncheons, as well as improving ourselves through short and informative programs during these luncheons.

We believe every citizen owes a degree of support to the community in which they live. We feel that the Kiwanis Club provides a great forum through which citizens can fulfill their obligation of public service and learn in the process.

During the next year we will be inviting a select few citizens to become members of Kiwanis International. If you are one of the

honored few, please take the invitation very seriously. If your New Year's resolution is to break out of your shell and become more active in your community's future, ask a Kiwanian about being a nominee. Regardless of where you apply yourself in public service, by all means, apply yourself!

Some of last year's projects were: ★ Donation to "The Little Angel" program, \$200.00; ★ Charter sponsor of the Muenster Girl Scouts, \$300.00; ★ Initiated the challenge to aid in the purchase of a new fire truck, \$1,700.00; ★ Donation to and pledged to help in Walk-A-Thon for the American Heart Association, \$20.00; ★ Coordinated "Operation: Clean Sweep," resulting in a boost in community pride and award, \$20,000.00; ★ AUTOFEST dance, where we made a lot more family fun than money for the Muenster Volunteer Fire Department's truck fund, \$15.35.

We would like to take this opportunity to thank the community for their support.

Increase in oil-gas lease nominations mark turnaround

AUSTIN - Land Commissioner Garry Mauro has announced a 26-percent upswing in the number of lease nominations received for the April 1987 Oil and Gas Lease Sale, an increase that may indicate a turnaround in drilling activity.

"The oil and gas industry has shown increased interest in leasing state tracts for exploration, nominating 220 tracts for the upcoming April sale, compared with 175 tracts nominated for the last lease sale in October," Mauro said. "But, more importantly, this increase may be the first indicator of a future increase in drilling activity, which would ultimately mean more jobs for Texans."

The Land Office is responsible for managing 16 million acres of state land dedicated to education and depositing that income into the Permanent School Fund. The money generated by this endowment fund, which now stands at about \$5 billion, is then distributed to primary and secondary schools throughout the state on a per pupil basis.

In order to lease a tract of state land for oil and gas exploration, a

potential bidder must first "nominate" a tract for leasing. A non-refundable \$100 nomination fee is collected by the Land Office for each tract a potential lessee wishes to bid on.

The nomination fee practice was implemented by Mauro in 1984 at the suggestion of oil and gas industry experts. This practice, along with additional recommendations, has resulted in the steadily rising

per acre bonus the state is receiving on the acreage it leases for oil and gas production.

"In the October 1985 sale, for example, the per acre bonus was \$178," Mauro said. "But it had increased to \$202.18 in the April 1986 sale and to \$249.52 in the last sale," Mauro said.

The October 1986 lease sale brought in \$3.2 million in total bids on 49 tracts totaling 18,029 acres.

"The 26 percent increase in nominations over the October 1986 lease sale is a hopeful sign that the oil and gas economy is stabilizing," Mauro said. "As a result, we expect a better lease sale than the last one."

"In the upcoming lease sale, 61 of the tracts are in the Gulf of Mexico, 124 in bays, 13 are upland tracts, 19 are river tracts and three are special tracts.

LUGS PROHIBITED ON MAIN STREET BY CITY COUNCIL

Plans to Retain Frank Hoedebeck As City Marshal Being Made by Muenster Body

Teachers with buses and any other implements or vehicles injudicious to pavement are to remain off the main street of Muenster, it was decided in the regular meeting of the Muenster City Council on Monday night, January 4.

The penal code which applies to injuries on State and Federal highways will be adopted by the city. This code provides for a fine of not less than \$100 for violation of the statute.

A considerable shock to the council members came with Frank Hoedebeck's resignation as city marshal. In view of the fact that Muenster has enjoyed a noticeable decrease in disturbances during the two years Frank held his office, Muenster people are especially reluctant to accept his resignation. For the time being the resignation has been placed on the council's agenda to make the job financially attractive enough to warrant Frank's reconsideration.

In order to minimize the chances of automobile crashes at the intersection of Main Street and Highway 5, the city is considering the institution of some traffic regulating system. To date no definite decision has been made but it is thought that stop signals will be placed on Main Street, to bring cars to a halt before crossing the highway.

Another subject for discussion was a street traveling project. That plan calls for the reconditioning of several of Muenster's cross streets which have been permitted to deteriorate considerably during the past few years.

According to reports recently voiced within caucus of The Enterprise office three Muenster people made land investments as follows: Henry Henschel, Jr., bought the Crowe farm across the road from his present home southeast of Muenster; Justin Hess bought the Theodore Wiesman place; and Leo Henschel purchased the Fred Herr, Jr., farm on the old Muenster-Saint Jo highway.

In spite of the rumor that Muenster's \$90,000 overpass on Highway 5 crossing the Katy tracks, would not be opened to traffic for another week or 10 days, barricades were removed from the structure on the morning of January 4.

SPENDING AT HOME

We persist in our plea for support to local merchants. We are determined to discourage, insofar as possible, the long established custom of watching the cheap prices of chain stores and mail order houses.

After all we must realize that whoever sells an item makes a profit. If the chain store or mail order house offers a cheaper price we should be prepared to receive a cheaper product.

In supporting this viewpoint we are not being narrow, neither are we working solely for the benefit of our advertisers. We are working for the community in general. We are trying to keep the profits at home where they can be spent for our benefit.

What happens when you patronize a chain store or a mail order house? The money goes to headquarters somewhere in the East where a group of millionaires, who don't need the money nearly as much as we do, are only adding it to their surplus wealth. It's like carrying coal to Newcastle, or carrying water to the ocean.

And when we're financially pressed the East sends our money back for us to use — at the rate of interest the millionaires specify.

Now let's look at the other side of the picture. We need money. We want to use it over and over again to improve our town, our homes, our farms, and to enjoy some of the pleasures to which every working man is entitled.

Do yourself a favor. When you need something see your Muenster merchants and if they cannot supply it go to Gainesville. You can get some benefit from money spent here or in Gainesville but you won't get anything back from Wall Street.

Group of Youngsters Surprise John Voth And His Young Bride

An old fashioned chivaree greeted John Voth and his young bride last Saturday night. About 12 carloads of youngsters who had previously met at the rock station drove up and leaned on horns until all ears ached.

When that sort of disturbance grew tiresome the entire group stormed John's house and playfully proceeded to make perfect pests of themselves.

But after the storm subsided the crowd settled down to more civilized fun, such as dancing and visiting. Before going on the surprise visit members of the party had had the foresight to provide for a pony keg of beer and some ambitious young musicians to furnish rhythm for the dancers.

An Ordinance

Ordinance No. 52 Article 818—Prohibitions on Tires Therefore be it ordained by the City Council of the City of Muenster, Cooke County, Texas, that:

No person shall operate or run on any public highway, any vehicle which has on its periphery any block, log, stud, cleat, ridge, bead or any other protruberance of metal that shall project more than one-fourth of an inch beyond the tread or traction surface of the tire, unless the said wheels are protected by bands, wooden blocks, skids or some sufficient device to protect the highway against injury by reason thereof. Nothing herein shall prevent the use of traction engines with cleats on the driving wheels thereof on dirt or unimproved roads, or the use of vehicles actually engaged at the time in construction or repair work on roads. Whoever violates any provision of this article shall be fined not to exceed one hundred dollars.

(Acts 1917, p. 477; Acts 3rd C. S. 1920, p. 70.)

"So in enrolled bill. Should probably read "lug". Passed and adopted this, the 4th day of January, 1936.

Attest: HENRY J. LUKE, Secretary, City of Muenster. M. J. ENDRES, Mayor, City of Muenster.

J. P. Flusche spent the early part of this week moving and getting settled in his new home on the farm known to Muenster people as the Stacy Farm. It adjoins the home of his father, Joseph Flusche, east of Muenster. J. P. will continue his trucking activities in connection with his farm work.

During the past week Al Walter has been spending the greater part of his time moving and getting organized in his new home southwest of Myra. He now occupies the Sam Gregory farm.

Gramm named senior Rep. senator on defense industry subcommittee

WASHINGTON - U.S. Sen. Phil Gramm of Texas has been appointed the senior Republican senator on the newly formed Defense Industry and Technology Subcommittee.

"The work of this new subcommittee will be particularly important to the thousands of Texans who are employed in the defense industry and to the thousands more who are engaged in research at universities and technical centers

throughout our state," Gramm said.

The appointment was announced by U.S. Sens. Sam Nunn, D-Ga., chairman of the Senate Armed Services Committee, and John Warner, R-Va., the ranking minority member.

According to Nunn and Warner, "The subcommittee will be looking at the health and vitality of the industrial and technological foundations of our defense program."

Gramm, a member of the Armed Services Committee since 1985, played key roles in this year's reform of defense acquisition policy, in attracting defense contractors to Texas, and in promoting Texas centers for defense research.

"America has always relied on Texans to be on the front line of our national defense, whether we are fighting the battles or producing the weapons," Grammsaid.

Needy to get help again with heating bills

DALLAS - Lone Star Gas Company has announced that the company has begun its fifth annual public solicitation effort in support of Project HAP'N (Heating Assistance Program for the Needy). Information explaining the scope of the program will be included in Lone Star's billing envelopes. A pre-addressed return envelope can be used for mailing in donations.

Lone Star initiated the special program in 1982 to help the needy pay heating bills. Since that time, over \$632,000 has been donated to this program through public support and Lone Star's contributions. These contributions have helped more than 7,000 families in cities served by Lone Star.

The program is administered by the Community Council of Greater Dallas, a non-profit agency engaged in coordinating social services. All of the Project HAP'N donations are used in helping

people throughout the Lone Star system.

In addition to Project HAP'N, Lone Star Gas also has available the Deferred Payment Plan and an Average Bill Plan for the convenience of those who can pay their bills, but prefer equal monthly payments over the entire year, or who need to pay a current bill in reasonable installments.

Persons who wish to contribute to Project HAP'N should make checks payable to Project HAP'N - Community Council, and mail them to: Project HAP'N - Community Council, P.O. Box 243, Dallas, Texas 75221. All funds collected go directly to the Community Council of Greater Dallas for disbursement via local participating agencies (area councils of government, community action agencies, etc.) throughout the Lone Star system. No contributions are retained by agencies participating in the program to cover operating expenses.

\$37 million project to aid local governments

State highway engineers and local government officials will consult in selecting projects for a \$37 million bridge replacement program approved this month by the State Highway and Public Transportation Commission.

"The commission recognizes the plight of the cities and counties in coping with bridge deficiency problems," said Robert C. Lanier, chairman of the highway commission. "This program is our way of responding to those problems."

"Together with city and county officials, the highway department will be selecting deficient bridges for possible replacement in this program," he said. "Special consideration will be given to structures that are on school bus routes and those that help local people avoid long, out-of-the-way detours," Lanier said.

Other things the state and local road officials will be looking at are volumes of traffic using the bridges, condition of the individual bridges, and cost of replacement, he said.

The program will be financed using 80 percent federal funds earmarked for bridge replacement, matched with 20 percent local contributions.

The federal law says a minimum of 15 percent to a maximum of 35 percent of the funds allocated from the Federal Highway Trust Fund to a state for bridge replacement must be used on bridges not part of the federal-aid highway system.

The \$37 million program authorized by the commission is 25 percent of Texas' total bridge replacement program for two years.

"We recently authorized a new Farm to Market Road program," Lanier said, and these programs traditionally have been formed after consultations between each of the highway department's district engineers and the commissioners court of each county in the district.

"We are putting this bridge replacement program on the same basis, and I expect that many of the highway department people and the city and county people will want to work on both these programs at the same time," Lanier said.

Specific projects for the 1987-88 Off Federal Aid System Bridge Replacement program will be selected when districts send in recommendations after the meetings with local governments. The reports are due in Austin in early 1987.

CCC held at Muenster

MUESTER - Students completing the first semester freshman English class being offered by Cooke County College here this fall can move right into the second semester this spring, again without having to leave town.

CCC will be offering EN 1053 - Literature & Composition at Muenster High School beginning Jan. 19.

The class will meet on Monday evenings from 6:30 to 9:15 p.m. through May 11. It is open to all persons who have graduated from high school or earned GED certification.

"This course is normally con-

sidered the 'second half' of basic freshman English, courses which are required at nearly all colleges and universities, regardless of a student's academic major," explains Linda Mast, director of CCC's Division of Continuing Education & Extension.

Persons wishing to enroll may do so during regular on-campus registration in Gainesville Jan. 15-16, or they may enroll on-site the first night of class between 6 and 7 p.m. Jan. 19.

For more information about this and other extension classes offered by Cooke County College call 817/668-7731, Ext. 272.

Tax cases contested

State Comptroller Bob Bullock said last month that the state made \$24 million in just six months under his new policy of slapping liens on contested tax cases involving more than \$500,000.

The liens motivate taxpayers to pay their contested liabilities while their cases are on appeal, Bullock said.

"Since July there have been 203 taxpayers who reached the \$500,000 threshold and whose tax problems have been resolved without any risk to the state," Bullock said.

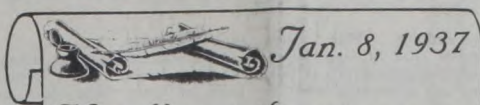

He said he was prompted to use tax liens to protect the state's in-

terest in contested cases because of the weakened Texas economy and an increase in the number of bankruptcies among Texas businesses.

The policy falls on the good taxpayer as well as the not-so-good taxpayer, but every business is on notice that the taxes they collect for the state are due and liens guaranteed this, Bullock said.

He said most of the taxpayers have settled their accounts and the liens have been released.

Unsettled cases are pending in refund hearings and these tax liens will be released when the cases are decided and the taxes are paid.

TUEC asks for refunds

Texas Utilities Electric Company, parent of Texas Power & Light, has filed application with the Public Utility Commission asking authorization to refund about \$55.6 million to customers.

TP&L Manager Harry Bomar said the refund represents a continuation of savings to customers brought about by lower costs for fuel used to make electricity.

Under the company's proposal, the refund is expected to be made through a credit to bills in February or later, depending on when PUC approval is received. When the refund is made, residential customers who use 1,000 kilowatt-hours will receive refunds averaging about \$8.

The company's composite charge for fuel was reduced in March, lowering residential customers' bill by about 5 percent annually. In November, the company filed a request for a second reduction in the fuel charge which,

if approved, would lower bills by about 3.7 percent annually.

In addition, the company has made three previous refunds in 1986 - a \$140 million refund in May, a \$64.8 million refund in October and a \$58.4 million refund in December.

These savings to customers have been made possible by the declining cost of natural gas, which has allowed TUEC to aggressively pursue lower-priced fuel supplies. The company's average cost of gas has declined from \$3.74 per million BTU in 1984 to \$3.41 in 1985 and \$2.84 for the 12 months ended in October 1986. The company expects its average cost of gas to be \$2.54 per million BTU in 1987.

Texas Utilities Electric Company provides electric service to about 1/3 the population of Texas through its operating divisions - Texas Power & Light, Dallas Power & Light and Texas Electric Service.

Thank You

Our most special thanks for the entire year go to the Muenster Post of the VFW. When our plans for a street dance were dampened by high winds and rain, the VFW opened their doors and donated the use of their dance hall. This in-kind donation resulted in a savings of \$225.00 and created an evening of family fun which would have otherwise been rained out. From all of us, THANKS VERY MUCH!

And thank you to our community for their support through the last year! 16 Kiwanians

Mexico is site for wedding vows

MRS. ROGELIO ZAVALA
...nee Teresa Zimmerer...

Photo by Mary Ann Arendt

The wedding of Maria Teresa Zimmerer Diaz of Guadalajara, Mexico to Rogelio Zavala of Tala, Jalisco was solemnized in Sacred Heart Church in the bride's hometown Tecoman, Colima, on Saturday, Dec. 20, 1986 at 8:30 p.m. with the Rev. Jorge Valezjo O. of Tala as celebrant.

Parents of the couple are Mr. and Mrs. Fritz Zimmerer of Tecoman and Mr. and Mrs. Juan Zavala of Tala, Jalisco. They served as attendants for their daughter and son.

The bride is the granddaughter of the late Mrs. Katie Wilder, a former resident of Muenster. She is also a niece of Sister Benedict Zimmerer, a former teacher in Lindsay. While the bride attended school in Lindsay, she made her home with friends, Mr. and Mrs. Andy Arendt and family.

The aisles of the church and the altar where the couple exchanged their vows were banked with large baskets of white Calla lilies and

pink carnations.

Given in marriage by her father, the bride was wearing a formal gown of heavy white satin. In design, it featured a scoop neckline edged with exquisite embroidery in front and a ruffle at the shoulders; elbow-length sleeves, fitted bodice and bouffant skirt with a detachable, cathedral-length train. The bodice and edge of the skirt and train were edged with Heupier lace embroidered with sequins and seed pearls.

Her veil of illusion fell from a spray of silk flowers. To complete her bridal attire, she carried a pure white cascade of silk flowers.

The bridesmaids were attired in royal blue brocade street-length dresses with matching accessories.

As a traditional part of the ceremony, parents of the bride looped a rope of silver beads around the couple, signifying their unity. Parents of the groom presented gold coins, which the groom

placed in his bride's hand, signifying her richness in love and happiness.

Following the church service, a reception was held in the home of the bride's parents for about 250 guests.

Tables were set up in the landscaped backyard of the home. White tablecloths were centered with hurricane shades holding pink candles, in wreaths of pink carnations, statice and cedar.

Guests danced to the music of a 10-piece orchestra. Supper was served at midnight, after which dancing continued.

Following a two-week wedding trip to Ixtapa and Cancun, the couple will be at home in Guadalajara where she teaches

English at the University of Avtonomade and he is self-employed as an architect.

Among guests were Andy and Mary Ann Arendt of Lindsay and their daughter, Donna Reed of Gainesville; also Lu Ella Fuhrmann of Lindsay; all these were in Mexico especially to attend the wedding.

Visitors at OLV

A group of eight cousins and aunts spent all day Dec. 29 at OLV Convent in Fort Worth visiting Sister Francesca Walterscheid and Sister Roberta Hesse, who is home from Africa and is vacationing with Sisters of St. Mary of Namur and with relatives in Muenster, Lindsay, Gainesville, and Denison.

The group enjoyed a tour of the Convent, had dinner out together, spent time visiting and taking pictures. They were Teresa Hesse,

Dora Henscheid, Regina Pels, Armella Cler and Liz Koesler, all of Muenster; Janie Myrick of Lindsay, Pauline Spires of Gainesville and Caroline Neu of Denison.

Enroute home they stopped at the Myrick home in Lindsay for refreshments of Christmas goodies and hot and cold drinks. Sister Roberta Hesse will visit locally and then return to Africa in mid-February.

Harvey to begin Jan. 15

The Butterfield Stage Players will present the second show of the season, **Harvey**, at 7:30 p.m. on Jan. 15, 16, 17, 22, 23 and 24. Before being made into a classic film, **Harvey** was one of the most successful and popular plays ever.

Tickets may be purchased by calling 665-8152 or coming by 201 S. Denton. The box office is open from 9 a.m. to 1 p.m. and 2 p.m. to 6 p.m. Monday through Friday and 10 a.m. to 12 noon Saturday, beginning Jan. 8.

Two very special nights have been planned for **Harvey** - the first on Thursday, Jan. 15, and the second on Saturday, Jan. 24. Members of the audience at the opening night production, Jan. 15, will be invited to stay after the show for an "Evening with Harvey." This night will include not only a chance to meet Harvey, but a chance to eat some delicious food.

The performance on Jan. 24 will be a dinner theatre. Local caterers George and Doris Jones will prepare the dinner. The Joneses have catered many local events, and the Butterfield Stage Players look forward to working with them for the first time. The Joneses promise to make this a special evening.

Dinner will be served beginning at 6 p.m. at the First United Methodist Church. Tickets for the dinner theatre are \$12.50 each; tickets for other nights are \$6.00.

Longtime Gainesville resident Sandy Curtis is the director of **Harvey**. She has worked on and acted in many Butterfield Stage productions. Miss Curtis has a two-year degree in theatre from Joliet Junior College in Illinois and did some directing as a student there.

Assisting the director is Sue Viktor, who is well-remembered for her role as Miss Hannigan in **Annie**.

The cast members are Kenny Bezner, Patsy Wilson, Roger Dieter, Willie Kelling, Janine Fuller, Liz Smith, Lisa Young, Rik Michael, Richard Michael, Adam

Stephenson and Mark McElreath. Dates for the other two season productions have been set. **Catch Me If You Can**, a mystery, will run March 12, 13, 14, 19, 20, 21. **Everybody Love Opal**, a comedy, is scheduled for May 7, 8, 9, 14, 15 and 16.

S.A.D.D. to meet Jan. 11

Officers of the S.A.D.D. program, Students Against Drunk Driving, recently met to discuss issues and program for the next meeting. They have announced a general meeting for Sunday, Jan. 11, at 1:30 p.m. in the Sacred Heart Community Center meeting room. Everyone is welcome. If more information is needed, call 759-2814 or 759-4197.

Homemakers hold party for Christmas

The Muenster chapter of Today's Homemakers of Texas and its members were hosted by Kathy Felderhoff in her home on Dec. 18 at 7 p.m. for their annual Christmas party.

Members enjoyed a cookie and candy exchange. Each member brought a covered dish for the buffet meal. A gift exchange followed.

The next meeting will be on Monday, Jan. 12, at 7:30 p.m. in the TP&L meeting room. Sharon Grewing will present a program on CPR.

More information may be obtained by phoning 759-2893. Kim Felderhoff is the club reporter.

John Voths celebrate 50th anniversary

John and Christine Voth celebrated their fiftieth wedding anniversary Dec. 27, 1986 with a Mass at 5 p.m. in Saint Peter's Catholic Church in Lindsay. They were married on Dec. 29, 1936 in the same church.

Father Cletus Post was celebrant for the anniversary Mass. Mike and Ronnie Dieter and Bobby and Kenny Fleitman were Mass servers. Eucharistic ministers were Sister Dorothy Theresa Zimmerer, Veronica Klement and Clara Hermes.

Giving the readings and petitions for the Mass were granddaughters of the couple, Jennifer Zimmerer and Amy Sandmann. Three grand-

sons, Jeff Zimmerer, Russell David and Robbie Sandmann, served as ushers. Offertory gifts were presented by daughters of the couple, Alice David, Lorine Sandmann and Dolores Zimmerer.

Music was provided by Angela Haverkamp, organist, and vocalists were Dorothy Zimmerer and Rudy and Roger Dieter. Selections included "How Great Thou Art," "I Bless the Day I Found You" and "Only A Shadow."

Following the Mass, a reception was held in the Lindsay Cafetorium honoring the couple. The after-dinner program was presented by a son-in-law, Frank Sandmann, who

welcomed the guests and another son-in-law, Jim Zimmerer, who gave the family history. A slide presentation, showing the past 50 years, followed. Guests were registered by granddaughters, Pam Schmitz, and Donna, Sandra and Tammy David.

The couple has three daughters, Mrs. Robert (Alice) David, Jr. of Pilot Point, Mrs. Frank (Lorine) Sandmann of Lindsay and Mrs. Jim (Dolores) Zimmerer of Keller; nine grandchildren and one great-grandchild.

Out-of-town guests attending were Father Stephen Eckart of Subiaco, Ark., Paul Flusche and Bob Sterling of Corpus Christi, Mr. and Mrs. Paul Kubis of Houston, Gertie Lawing and Sam

Morgan of Wichita Falls, Mr. and Mrs. Dennis Hess of Fort Worth, Mr. and Mrs. Willard Zimmerer of Dallas, Mr. and Mrs. Mark Voth of Arlington and Pam Schmitz of Sioux Falls, S.D.

THE ENGAGEMENT AND forthcoming marriage of Sherry Lee Joy to Eric Byrum Wright, both of Denton, has been announced by her parents, Mat and La Donna Mathews of Gainesville. Parents of the future groom are B. Barnabas and Ann Wright of Denton. The bride-elect is a 1980 graduate of Gainesville High School and a 1982 graduate of Cooke County College and is a senior at TWU and employed as assistant director at New Horizons Learning Center in Denton. Mr. Wright is a 1982 graduate of Hobbs High School and a 1986 graduate of NTSU with a Bachelor's degree in Fine Arts and graphic design. He is employed by Dymar Agency of Denton. The wedding will be held on Jan. 10 at 1 p.m. in Cole Chapel of First United Methodist Church with Brother Tom Roseman officiating. The couple will reside in Denton.

Joe Hoedebecks celebrate 50th

Members of the Hoedebeck families recently flew to San Diego, Calif. to attend the golden wedding anniversary of their brother and sister-in-law, Joe and Lillie Hoedebeck.

Concelebrating an anniversary Mass were Rev. Douglas Regan, pastor, and Rev. Paul Hoedebeck, who also officiated at formal renewal of marriage vows by the couple. The Mass was offered at 11 a.m. on Sunday in Blessed Sacrament Church in San Diego.

A reception followed in the parish hall, hosted by the couple's daughter, son-in-law and five grandchildren. Mrs. Hoedebeck was attired in a mauve, beaded chiffon street-length dress.

One hundred guests were served a buffet of pick-up foods prepared by family members.

Joe Hoedebeck, son of the late Fred and Anna Hoedebeck, and

Lillie Coker, daughter of the late Jesse and Sarah Coker, were married on Dec. 29, 1936 in Tishomingo, Okla. They moved to California in 1941 to make their home.

They are parents of one daughter, Mrs. Betty Deeringer and have five grandchildren, Carol, Cathy, Barbara, Susie and John and seven great-grandchildren.

Joe is a retired engineer and Lillie is a homemaker. They were avid golfers until health forced them to retire.

Relatives who gathered at DFW on Friday, Dec. 12, and flew

together were Gene and Elsie Hoedebeck of Muenster, Leo Hoedebeck of Gainesville, Fr. Paul Hoedebeck of Subiaco, Alfred Hoedebeck of Irving and Mrs. John (Philomena) Howell of Houston.

Also attending were Mrs. Hoedebeck's relatives, Mr. and Mrs. Buddy Coker of Tishomingo, Okla.; Mr. and Mrs. Cecil Coker of Covington, New Mexico, Bennie Coker of Capitan, New Mexico and Hulén Coker of San Diego.

On Monday, the Joe Hoedebecks took the visitors sight-seeing before they returned home on Tuesday, Dec. 16.

Lauren is one!

LAUREN NICOLE STOFFELS

Lauren Nicole Stoffels celebrated her first birthday on Dec. 30, one day earlier than her actual birthdate of Dec. 31, 1986. The party was given by her parents, Chris and Jana Stoffels, in their home.

A bear theme was carried out. Aunt Pam Dangelmayr made a beautifully decorated cake that was served with ice cream cones and punch.

Attending were the honoree's grandparents, Ronnie and Alma Herr and Herman and Alma Stoffels; godparents June and Chuck Bartush; and aunts, uncles and cousins, Daniel, Stephen and Jackie Bartush; Jim, Cindy, Jason, Ryan, Michael, Lucien, Joanna and Karen Gehrig; Donna, Rex, Russell, Chad, Pamela, Cheryl and Matthew Simmons; Pam, Joe, Kelly, Glen and Debra Dangelmayr; Donna, Mike and Ali Heffron; Sandy Metzler; Brad Herr; Craig Stoffels; and Connie Klement.

• IMPORTANT NOTICE •

For Cable & Telephone Subscribers

Effective Jan. 1, 1987, the Federal Communications Commission (FCC) has ordered the detariffing of the installation of simple inside telephone wiring and the maintenance of both simple and complex inside wiring which the Telephone Company provides for its customers.

Detariffing means that these services are no longer regulated by the FCC or the Texas Public Utility Commission (TPUC) in compliance with an order adopted by the FCC under Docket No. 79-105, effective Jan. 1, 1987. These measures taken on inside wiring are mandatory, and in no way reflects an independent action on the part of your telephone company. If you are **currently leasing telephone equipment** from the telephone company there is no change in the charges or service on the leased equipment, only the wiring inside your home or business is affected at this time. This new rule eliminates the extension line charge if you have extension telephones registered with us.

CHECK YOUR TELEPHONE BILL THIS MONTH FOR THE FOLLOWING:

1. Additional information on the deregulation of inside wiring.
2. Terms and conditions for us to continue maintaining your inside wiring.
3. A form to fill out and return if you would like for us to continue maintaining your inside wiring.
4. Home Theater Network (HTN) is discontinuing service. We are placing the Disney Channel in its place. Cable subscribers will find an additional form in their bill.
5. Please sign the form and return when you pay your telephone bill stating your preference.
6. Anyone on the cable can upgrade to the Disney Channel with no service charge, if you subscribe the first 10 days in January.

Forestburg News

by Myrt Denham

Want to start the New Year with the following taken from Our Daily Bread - which is published by the Radio Bible Class? It goes as follows and I quote - "A hypocrite is a person who is not himself on Sunday."

No doubt everyone in the Forestburg area had a Merry Christmas - with much good food, a lot of presents and the fellowship of relatives or friends - perhaps both. We also hope you had a nice New Year's Eve and New Year's Day. So now with those behind us for a year, we can start planning for Valentine's Day and Easter!

Meeting

The Forestburg WBAP Community Service Club has its regular monthly meeting Thursday, Jan. 15, at 8 p.m. in the Forestburg Community Center. Everyone is urged to attend.

One Forestburg man was in dire need of a new wallet but put off purchasing one - said he wouldn't have any money to put in it after he paid for one. So his wife broke down and got him one. Then she didn't have much money left to keep in her wallet. Sign of our times!

Jackson news

Mrs. Vera Jackson of Nocona visited with Ted and Laura Belle Jackson on Sunday, Dec. 28.

Mr. and Mrs. Bill Jackson of Decatur were Wednesday guests.

Elvin Jackson, a grandson from Lewisville, called on Ted and Laura Belle Saturday, Jan. 3.

Mrs. Melissa Allen, Josiah and Elspeth had lunch with the Jacksons on Sunday.

Visit in Palestine

Mr. and Mrs. W.T. Reynolds and Jo Ellen Gardner drove over to Palestine on Monday, Dec. 29, to visit with Mr. and Mrs. Doyle Tillman and family. Doyle is W.T.'s nephew, son of Edith (Reynolds) and Leonard Tillman. Doyle works in Saudi Arabia and was home for all the holidays. The Reynolds and Jo Ellen returned home on New Year's Eve day.

Wedding bells

Bryan Davis, grandson of Mrs. Imogene Links of Forestburg, was united in marriage to Mary Kay Irick in the Lutheran Church in Stephenville at 6:30 p.m. Saturday, Dec. 27. Reception followed in the church's Fellowship Hall. Attending from Forestburg were Mrs. Imogene Links and Mrs. Bobbie Wylie.

Imogene and her dog drove down to Stephenville on Christmas Day and returned home Sunday. She says that Bryan and his wife will live just out of Stephenville. Bryan is assistant County Agent for Erath County and his wife teaches school at Dublin.

Mobeetic trip

Bert Galmor drove up to Mobeetic on Tuesday, Dec. 30, to visit with his brother, Bob. Bert made it home on New Year's Day. Eula Fae says Bert left her in one year and she didn't see him again until the next year.

Niece visits

Mr. and Mrs. Johnny Pennesi of Oklahoma City drove down on Sunday, Dec. 28, to visit with Marion and Howard Sockwell. Mrs. Pennesi is Marion's niece.

Mexico trip

Mr. and Mrs. Dale Hudspeth had themselves a really nice vacation in old Mexico from Sunday, Dec. 28, returning home the evening of Jan. 1.

Wimberly visit

Mrs. Debra Dill accompanied her parents, Helen and Jimmy Steadham, and Mr. and Mrs. Gary Scott and Zack to Wimberly on Wednesday, Dec. 31. There they visited with Helen's brother and wife, Mr. and Mrs. Raymond

Orrell of Monterrey, Mexico. The Orrells maintain a town house at the Wood Creek Resort area in Wimberly. The group returned home Jan. 1.

Brogdon doings

Barney and Veda Brogdon's son Max and children Katie, Robbie and Chip, all of Newell, South Dakota came in on Dec. 28 to visit until Dec. 31.

On Dec. 29 Corvin Moseley, Shirley Perryman and Lechia and "Red" and Ileen Cunningham of Prairie Valley all stopped by to visit. Chana Brewer was also a caller that day.

Mrs. Jane Sledge of Cleburne drove up Tuesday and stayed overnight. On Wednesday, Cecil and Dorothy Foster stopped by. Margie and Jerry Long of Plano came up that evening and returned home Thursday night.

Veda Brogdon and her friend, Lina Bogess of Saint Jo, took in the Arbuckle Wild Animal Park in Oklahoma on Jan. 1.

Mrs. Ova Mann, Barney's sister, of Saint Jo entered Bethania Hospital in Wichita Falls Wednesday, Dec. 31, and was due to return home Jan. 4.

Last, but not least, Jason Brogdon of Gainesville spent all the recent holidays with the Brogdons or Mr. and Mrs. Larry Scott and Jennifer.

Millie Reynolds, Jo Ellen Gardner, Mrs. Joe Denham, Rocky and Joey Gates drove up to Wichita Falls on New Year's Day to visit with Mr. and Mrs. Elbert Perryman.

The Forestburg United Methodist Church had its annual New Year's Eve service Wednesday night. Afterwards, many remained for refreshments and games in the church annex to see the old year out and the new year in.

Mrs. Paula Barber, Angie and Charles of Wichita Falls were visitors with her parents, Merle and Clifford Hudspeth, on Jan. 1 and 2.

Mr. and Mrs. Joel Hawks of New Braunfels were recent visitors with Ross and Lucille Littell of Stony Point.

Birthday party

Mmes. Debra Dill, Helen Steadham, Diane Scott and Patricia Steadham were in Wichita Falls shopping Saturday. On their way home, they stopped in Bowie at the home of Mrs. Eunice (Orrell) Medley to help her celebrate her eighty-fifth birthday. Eunice's daughter and granddaughter honored Eunice with the party. Eunice is an aunt to Helen Steadham.

Mr. and Mrs. Ricky Huckabay and Lance visited with her mother, Lavonda Cannon, in Fort Worth over the past weekend.

Mr. and Mrs. Tolbert Fanning of Stony Point attended the wedding of Tammie Fanning in Abilene over the past weekend. Tammie is the daughter of Mr. and Mrs. Earl Fanning of Muenster.

Mr. and Mrs. Bill Moore of Sunset visited with Mrs. Georgia Greenwood, JoAnn and Wynona on Friday.

Mr. and Mrs. Charles Lee and children, Mrs. Becky Harvill, all of Denton, and the former Bonita Poteet were recent visitors with Mr. and Mrs. Paul Putnam.

Perryman Denham made it over to Bowie Saturday to visit with his mother, Mrs. Joe Denham, at Bowie Manor Nursing Home. While there, he also visited with Howard Ritchie and learned that Howard is to enter St. Joseph's Hospital in Fort Worth Jan. 6 for hip surgery.

Perryman Denham tells that years ago there was a feller in the community (not a native - nor

related to anyone) that left his wife. When asked why he did it, he said his wife just kept having babies and pretty soon she had so many - he just left her!

Miss Jo Ellen Gardner of San Leandro, Calif. returned home Sunday, Jan. 4, after being a visitor in the W.T. Reynolds' home since Sunday, Dec. 21.

Mr. and Mrs. Cecil Foster attended funeral services for Cecil King on Sunday, Jan. 4, at Coker Funeral Home in Decatur. Cecil's sons, Cecil Joe and Edward, attended school at Forestburg in the 1940s and lived in the New Harp area.

Mike Berry and son Jamie of Denton were up Saturday to visit Mike's parents, Dude and Bula Mae. On Sunday, Jan. 4, Henry Berry and Reece of Nocona had lunch with them. That evening, Lois and Clyde Bewley were visitors in the Berry home.

Louise Shults enjoys long holiday season

The holiday season, which began for Louise Shults on Wednesday, Nov. 26 and continued throughout Christmas week, was a very busy, happy time for her.

On Nov. 26, she accompanied Nelda and John Blankenship of Lindsay, Oklahoma to El Paso where they visited Koen, Melba, Clint and Brad Lund and Sheree, Todd and Cael Solomon for the Thanksgiving feast and long weekend. The lunds were hosts for the Thanksgiving dinner.

Together they toured White Sands, Lincoln National Forest, Cloudercroft and Ruidoso, New Mexico and also areas of interest in and surrounding El Paso.

Nelda and John Blankenship left for home on Nov. 30 while Louise Shults stayed in El Paso with the Todd Solomons, and cared for her great-grandson, Cael, while his mother Sheree returned to her

teaching and coaching duties in the El Paso school system.

On Dec. 20, Louise and Koen and Melba Lund returned to Forestburg for the Christmas holidays. They were joined for the celebration of Christmas by Todd, Sheree and Cael Solomon of El Paso; Bill, Louise and Celina Harrell of Chico; Mima De George and Lucille Lund of Garland; Bill Shults of Denton; John and Nelda Blankenship of Lindsay, Okla.; Jonell Fenoglio of Montague; Diana Romine of Bowie; Ed and Nannie Bonner and the Dale Hudspeth family, all of Forestburg; Betty Miller of Hurst; Jack Miller of Forestburg.

While here, the lunds visited friends and attended church services on Sunday at the Forestburg Baptist Church.

Later guests of Louise Shults on Thursday were Mr. and Mrs. Eli Harvill of Vernon.

COMMENT

I recently checked into how long I'd been writing this column for *The Muenster Enterprise* - and we got back into 1974. So that makes it almost 13 years except for the few months Kyura Orrell wrote it. Also the times Merle Hudspeth and the late Cleo Lanier would fill in for me while we were on vacation or I was in the hospital. I have enjoyed it even though it has taken up almost 2 days of my time each week. There certainly have been no monetary gains in it at all for me.

The Forestburg news column in *The Enterprise* has been my contribution to the Forestburg community. Now, however, I believe the time has come for me to step aside and let someone else take it over. Therefore, if anyone "out there" would like to try your hand at it - give me or *The Enterprise* a call. Remember - it isn't hard, just time consuming. It's a real service to the Forestburg community and a loving thought for friends and relatives.

Home for Christmas

Mrs. Pete Block hosted a pre-Christmas family gathering on Sunday, Dec. 21, at the Lindsay Gun Club Hall. A covered dish dinner at noon was followed by picture taking, table games and a gift exchange around a decorated tree. More than 70 attended, coming from Perry, Okla.; and Fort Worth, Scotland, Bedford, Lindsay, Muenster and around Cooke County.

Christmas dinner and gift exchange guests in the home of Al and Dorothy Yosten were their daughter and son-in-law, Mr. and Mrs. Dan Phillips and sons, Kary and Paul, of Dallas. Joining them were Mr. and Mrs. Justin Jezek of Celina and Mrs. Sue Savage of Garland. Mmes. Yosten, Jezek and Savage are sisters.

A holiday gathering for all members of the Frank Schilling family was held on Sunday, Dec. 21, in the home of Tommy and Virgilla Herr.

Attending with the hosts were their children and grandchildren, Brian Herr, Darrell Herr, Sherie and Monte Haverkamp and family, Derek, Nathan and Kelsey. Also Charlotte and Bill Dangelmayr, Tom Dangelmayr and Shawn Dangelmayr; Curtis and Janet Pagel and children Amy, Jessica and Michelle; Eileen and Junior Schilling and Laura, Jon, Lisa, Michael and Joel; Duwayne and Sharlene Schilling and Kelly,

Tina, Cindy, Erica, Brad and Charlie, all of Muenster.

Also Debbie and Bob Walterscheid and Leah and Allison of Lindsay; Doris Lynn and Leroy (Peanuts) Sandmann and Chad, Cory, Kyle and Kacey of Lindsay.

Other guests were Father Denis Soerries, Father Victor Gillespie, Stephen Vogel, Bob Hamric and Delra Bindel. The 47 guests were present for the covered dish dinner at noon, a gift exchange and games during the afternoon, and the evening meal, before departing for their homes Sunday evening.

The Wayne Klements were hosts for the second annual Christmas visit of a good friend, Maura Wilkinson of Springfield, Missouri.

During her 10-day stay during the holidays, they attended the Muenster-Era basketball game, the KC Christmas party, the Trubebach family gathering and the Klement family holiday get-together. Particularly enjoyable times were seeing old familiar faces from years past. Maura Wilkinson is the former Sister Mary Rose.

Another special guest who arrived for a short stay was Lee Alexander of Washington, D.C. He is attending St. Paul's College which is associated with the Paulist Community of Priests. As a former State Jaycee officer in the Wichita Falls area, Lee Alexander is well known in the area and has many good friends in Muenster.

Services held Dec. 31 for A.T. Dickerson, 72

A.T. Dickerson died in Muenster Memorial Hospital on Dec. 29, 1986 at 12:20 p.m., after a long period of poor health. He was a native of Poolville, Oklahoma and was employed in Muenster for many years and was a retired pumper.

Dickerson was born on Aug. 4, 1914, a son of the late Sam Dickerson and Alice Lawson Dickerson. He married the former Ruth Marshall in Sulphur, Okla. on Nov. 29, 1941. She survives, with one daughter, Mary Alice (Dickerson) Truebenbach of Muenster, and one son, Gary Dale Dickerson of Oregon City, Oregon. Also five sisters, Lona Pierce of Gainesville,

Bessie Jones of Dallas, Mamie Lois Washburn of Hennipen, Okla., Norma Jo Chambliss of Davis, Okla. and Helen Copenbarger of Burkburnett, and one brother, Woodrow Dickerson of Davis, Okla. There are also eight grandchildren and one great-grandchild.

Funeral services were held on Dec. 31, at 2 p.m. in Muenster First Baptist Church officiated by Rev. Andy Stowe. Burial in Sacred Heart Cemetery was directed by McCoy Funeral Home of Muenster. Pallbearers were Giles Wayne Truebenbach, Karl Koesler, Damien Moster, Jim Vogel, Jimmy Dickerson and Ronnie Dickerson.

W.H. Lamkin, 76, dies Dec. 30 in Nocona

William Harvey Lamkin, 76, of Nocona, father of Harvey Lamkin, died suddenly on Tuesday, Dec. 30, 1986. Funeral services were held on Friday, Jan. 2, 1987 at 2 p.m. in the Jerry Woods Funeral Home Chapel with Jack Crain officiating. Burial was in Mountain Park Cemetery of Saint Jo.

W.H. Lamkin was born in Bowie on March 1, 1910 to the late Leroy Franklin Lamkin and Fannie Paralee Pollard. On Dec. 24, 1934, he married the former Lennie D. Bowerman in Montague.

He is survived by his wife, Mrs. Lennie Lamkin of Nocona; three daughters, Virginia Sue Hare of Bulcher, Carol Ann Carter of Wichita Falls, Judy Kay West of Euless, and one son, Harvey Lynn Lamkin of Muenster and six grandchildren; one sister, Stella Blanche Britton of Huntington, West Virginia; five cousins, Irene Meekins of Chickasha, Okla.; Waunell Bowling of Nocona; Waudine Howard and Marcille Lee both of Wichita Falls and Maurine Hudgens of Grand Prairie.

Muenster teams maintain share of 1st place

The Muenster Hornet and Hornado basketball teams both ran their district records to 2-0 with wins over the Era Hornets at Era Tuesday night. The Hornets downed Era 63-48 behind 18 points from Kevin Anderle and 16 points from Ryan Klement. The Hornets won the first game by a 46-27 count with Staci Walterscheid popping 18 points and Dana Wimmer adding 12.

Muenster took a 10-5 lead in the first quarter with Walterscheid scoring 8. In second quarter action,

to Era's 12. Meredith McDaniel had all 8 of her points in the second half. McDaniel and Wimmer each had 9 rebounds. Walterscheid got 8 boards and Wimmer had 6 steals, also. Shonna Reiter added 5 points and 5 steals.

"This was the first time we won all four quarters in a game," said Heers, "and we committed only 6 turnovers, which is great. I thought the Hornets outscored Era 13 to 10 for a 23-15 halftime advantage. Wimmer had 9 points in the second period. The second half was all Muenster as they scored 23 points

that Jamie (team statistician) had made a mistake, but 6 it was." The Hornets did not commit a turnover in the first or third quarters. "Our ballhandling was much better and it needs to be. We play a tough Prairie Valley team tomorrow night at 7 p.m."

The Hornets ran their season record to 10-5, identical to the Hornets' 10-5 slate, and only trailed once at 6-7 the entire game. Anderle and Klement both buried medium- and long-range jumpers all night long and the Hess duo, Brian and Stuart, came up with 11 and 8 points inside.

"We executed our half-court game," said Heers, "and we also committed a season-low 13 turnovers. Now we hit the tough part of the schedule, the three teams who don't play football. Prairie

Valley will be here at 8:30 Friday night and they have some excellent perimeter shooters."

Brian Hess and Stuart Hess led the Hornets in rebounding with 9 and 8. Anderle got 7 rebounds, 3 assists and 2 steals. Klement had 5 steals. Senior post-man Damie Hellman hit 6 points and hauled in 4 rebounds, and Mike Pagel added 4 points.

"Both squads are playing well," added Heers. "The key is consistency. The boys are shooting the ball extremely well and the girls are rebounding extremely well. If the girls' shooting touch comes around and the guys' defensive pressure and rebounding picks up, we can be there at the end."

Both teams are in action Friday night at the Hornets' Nest against Prairie Valley.

Hornets win both district openers

The Muenster Hornets and Hornadoes finally got to play a home contest and it couldn't have been better. After 30 days of away contests, the two squads began district play last Friday night with victories over Highway 82 rival Lindsay. The boys dropped the Knights by a 55-38 count and the girls defeated the Knightettes 33-26.

"We had a goal to win all eight quarters," said Coach Heers, "and we got seven. We won with sub-par performances from some key people which tends to give you more confidence, and the younger players need a confidence booster."

Senior Ryan Klement paced the Hornet attack with 8 field goals in 14 attempts, 4 assists, and 5 of 6 from the free throw line to total 21 points. Kevin Anderle regained his shooting touch with 6 of 9 from the field for 12 points. Brian Hess scored 11 points and contributed a team-high 13 rebounds. Stuart Hess had 7 rebounds.

The win put the Hornets at 1-0 in district play and 9 and 5 on the year. It was the first time this season that a Muenster team shot over 50% for a game. The Hornets shot 23 of 45 from the field and 9 of 13 from the line.

In girls' action, the Lindsay Knightettes brought their slow-down game to the Hornets' Nest, but it resulted in a 33-26 Muenster win. The Hornets led by as many as 13 points early in the fourth quarter and effectively stalled the last 2 minutes of the game.

"Our half-court game was very good on both ends," said Hornado Coach Heers. "We took good shots and passed the ball well. But the transition game was poor. We committed a lot of turnovers early in the game on the break when we could have established an up-tempo and maybe put them away."

Staci Walterscheid led the Hornado scoring with 10 points. Dana Wimmer added 8 points and 7 rebounds. Meredith McDaniel scored 6 points and pulled in 8 rebounds. Melody Klement scored 5 points and got 7 boards. Shonna Reiter and Carrie Russell each scored 2 points. Walterscheid also contributed a season-high 7 steals. It was the third win in a row for the Hornadoes.

Hornets win 2nd tournament this year

The Muenster Hornets followed their first place win at the Lindsay tournament and second place win at the Forestburg tournament with two come-from-behind wins and a first place finish at the Era Classic. Ryan Klement and Brian Hess were named to the Classic All-Tournament Team.

In the first round game against Valley View, the Hornets found themselves down by 8 points early in the second half. But strong inside play from Hess, Mike Pagel and J. Shane Wimmer brought Muenster an 11-point lead and an eventual 56-48 victory. Klement paced the scoring with 14 points, Wimmer had 12, Hess and Kevin Anderle 10 each, Pagel added 8, and Damie Hellman and Chris Klement 1 point each. Hess hauled in 12 rebounds and Wimmer pulled in 10.

The championship game matched the host Era Hornets and Muenster. Again, the visiting Hornets found themselves an early hole, falling behind by 10 points in the second quarter. A third quarter charge, led by a pressing defense, provided Muenster with a 42-36 advantage entering the final frame. Muenster outscored Era 13-5 in the fourth quarter to record a 55-41 win and the Classic Championship. Brian Hess scored 21 points and got 10 rebounds. Klement scored 8 points and added 5 assists. J. Shane Wimmer had a career-high 20 rebounds and 6 points. Kevin Anderle popped in 6 long-range jumpers for 12 points. Pagel added 6 points, and Stuart Hess scored 2.

"We showed character and determination in both games," commented a happy Coach Heers, "which will give us confidence heading into district play. Forestburg and Prairie Valley will be the favorites since they are both gym rats, but we'll be ready and give them all they want."

Muenster will host Prairie Valley on Jan. 9 and Forestburg will visit the Hornets' Nest on Jan. 16.

Hornadoes capture third place in Era Classic

The Muenster Hornadoes won their second consecutive third-place tournament finish before Christmas break with a 73-21 thrashing of Liberty Christian. Staci Walterscheid scored a career-high 25 points to pace the attack and land a spot on the Classic All-Tournament Team. Meredith McDaniel added 12 points, Shonna Reiter scored 10 points, Melody Klement hit for 9, Dana Wimmer and Jennifer Carroll each scored 6, Michelle Monday added 3, and Peachy Switzer made 2 points.

"We had a good performance from every girl today," commented Coach Ted Heers. "Liberty was very rough, committing 29 fouls, but the girls kept control and we shot the ball better than we have in a long time."

Walterscheid had 8 rebounds and 4 assists. McDaniel, Klement and Wimmer each contributed 6 boards. Jennifer Carroll had 5 rebounds and 3 assists off the bench.

"We did an excellent job rebounding. But the key was that we took 63 shots as compared to yesterday's 30 attempts," added Heers.

Yesterday's game was an opening round loss to the Valley View Eaglettes 46-27. The Hornadoes committed 31 turnovers,

limiting them to only 30 field goal attempts of which they could make only 10. Walterscheid scored 10, followed by Wimmer with 5, McDaniel and Klement 4 each, and Carroll and Switzer 2 points each. The 27 points was the lowest total of the year.

"I wish the game had been in our gym. If we play bad, I can sit on the bench until the lights are out and not have to face anyone. There's no place to hide at Era," joked Heers. "We played badly, but even games like this happen to players getting

paid a lot of money. We bounced back and showed good form against Liberty."

Hornadoes beat Callisburg 47-30

In their final non-district game, the Muenster Hornadoes traveled to Callisburg and built a 25-8 halftime advantage, coasting to a 47-30 victory. It was their eighth win against five losses. Staci Walterscheid and Meredith McDaniel controlled the boards and the Hornadoes hit 17 of 24 free throws to keep the Wildcats from getting close. Walterscheid had 16 rebounds and 18 points. McDaniel had 11 rebounds and 8 points.

Two freshmen starters, Dana Wimmer and Shonna Reiter, both played well. Wimmer scored 11 points and totaled 5 rebounds. Reiter had 4 points, 4 steals and 2 assists. Melody Klement added 4 points, and Carrie Russell scored 2.

Muenster had a 35-14 lead after three quarters. The host Wildcats came back to outscore the Hornadoes 16-12 during the final frame, but couldn't avoid losing to the Hornadoes for the second time this season.

JV girls split games

The Muenster Hornado Junior Varsity played two games last week, beating Lindsay 21-15 and losing a heartbreaker to Callisburg 17-16.

At Callisburg, the Hornadoes trailed 14-8 late in the third quarter before taking a 16-15 lead. Trailing 17-16 with :07 seconds to go, Lisa Robison rebounded a missed free throw and passed to Denise Anderle, whose 10-foot shot rolled off the rim at the buzzer. Tara Walterscheid scored 6 points, Teddi Oakley 5, Anderle and Jeannene Walterscheid 2 each, and Jenny Wimmer 1.

Friday night the girls met Lindsay at Muenster. Nursing a slim 14-13 lead early in the fourth quarter, the Hornadoes reeled off 7 straight points to take a 21-13 lead. Tara Walterscheid scored 10 points, Anderle scored 4, Jeannene Walterscheid scored 2, Robison 1, and Kim Hess scored 4 points in the fourth quarter.

Tigerettes top the district loop 80-20

The Sacred Heart Tigerettes improved their District 2 lead with an impressive 80-20 win over Lutheran High. The Tigerettes dominated the contest from the opening tap and raced to a commanding 49-11 halftime advantage.

Junior Vicki Walterscheid popped in 24 points, grabbed 14 rebounds and swatted away 10 shots to pace the assault. Danna Hamric, recovering from a deep leg bruise, returned to top form as she canned 14 and dished out 8 assists. The "steal thief" Molly Koelzer recovered 8 steals to go along with 6 points. Noelle Hesse collected 10 points and 8 steals also. Other scorers were Lis Hamric 14, Juline Bartel and Vicki Schmitt 4 each, and Donna Walterscheid and Julie Rohmer 2 apiece.

"The girls did a great job of moving the ball and finding the best shot," said Coach Jon. "They were impressive!" With the victory, the Tigerettes remain atop the District II standings with a 3-0 mark. The standings are as follows:

TEAM	DISTRICT	SEASON
Sacred Heart	3-0	16-1
Tyler Street	2-0	14-2
Oakridge	2-2	3-2
Lexington	1-1	4-6
Liberty	1-2	3-8
Lutheran	0-2	1-9
Lakehill	0-3	1-6

Tigerettes capture 3

The Sacred Heart Tigerettes picked up three victories over the holidays to increase their season record to 15-1. The victories were over Forestburg 57-36, Lindsay 45-39 and Prosper 77-26.

The Tigerettes spoiled the Lady Longhorns' homecoming by opening up a 21-8 first period lead and rolling to the 57-36 victory. Vicki Schmitt, in her first start of the season, canned 10 points and snared 15 rebounds. Leading scorer for the Tigerettes was Vicki Walterscheid with 17 points and a season-high 25 rebounds. Also scoring for the Tigerettes were Danna Hamric 8, Lisa Hamric 7, Molly Koelzer 5, Noelle Hesse 4, Juline Bartel 4, and Amy Walterscheid 2.

The Lady Knights of Lindsay entered the Tigerette gym and had upset on their mind as they were tied with the Tigerettes at 31 with 1:12 left in the third period. The Tigerettes regrouped and went on to a 45-39 win. Scorers were Juline Bartel 13 points and 15 rebounds, Lisa Hamric 10, Vicki Walterscheid 9 points and 7 blocked shots, Danna Hamric 8, Noelle Hesse and Molly Koelzer 2 each and Julie Rohmer 1.

The Tigerettes finished off their non-district competition with an impressive 77-26 win over the Eagles of Prosper. The Tigerettes were well in control at the half with a 38-11 lead and coasted to the win. Juniors Vicki Walterscheid and Danna Hamric led the attack as Danna Hamric found the touch for a game-high 23 points to go along with 7 steals and 6 assists. Vicki Walterscheid scored 20, grabbed 13 rebounds and blocked 5 shots. Other scorers were Vicki Schmitt 7, Molly Koelzer 6, Noelle Hesse 6, Lisa Hamric 6, Julie Rohmer 4, Angela Andres 3, and Jennifer Fuhrmann with 2.

Tigers 1-2 over holidays

The Sacred Heart Tigers returned to action after the Christmas holidays at Forestburg and dropped a four-point game to the 'Horns 62-58. The Tigers jumped to a 14-13 first period lead only to have the 'Horns outscore the Tigers 16-8 in the second to take a 29-22 lead in the locker room. The third period saw the 'Horns extend their lead to 49-37 before the Tigers mounted a comeback that fell short.

Sophomore Darrell Dangelmayr and senior Craig Voth paced the Tigers 16 each. Wayne Becker scored 14 and had 16 rebounds. Steve Knabe added 8, Casey Houtchens 2 points and 21 rebounds, and Glen Swirczynski with 2.

On Dec. 30, the Tigers hosted the Knights of Lindsay and registered their only holiday win 45-33. The Tigers controlled the tap and never

looked back. Steve Knabe playing his best game of the year, paced the Tigers with 16 points (8 of 11 free throws), Wayne Becker followed with 8, Darrell Dangelmayr, Steve Becker and Craig Voth 6 each, and Casey Houtchens chipped in with 3.

The Tigers slipped to 6-10 as the Prosper Eagles dumped the Tigers 62-43 at the Tiger Den Jan. 2. The Tigers opened up with a 7-2 lead only to have Fred Hare of Prosper can 11 of his game-high 30 in the first frame to push the Eagles in front 17-7 at quarter's end. The Eagles continued to fly high and extended their lead to as much as 30 before the Tigers made a late charge. Darrell Dangelmayr led the Tiger attack with 13, Craig Voth 12, Steve Becker 8, Steve Knabe 7, Deano Bayer 2, and Casey Houtchens 1.

Collinsville trips Tigers

The Sacred Heart Tigers trying to rebound from their one-point loss to Liberty Tuesday evening hosted the Collinsville Pirates at the Tiger Den Friday evening. The host Tigers were in the Christmas spirit and connected on only 2 of 14 free shots allowing the visiting Pirates to take a 47-46 victory. "We played so hard only to give the game away from the foul line," said a disappointed Coach LeBrasseur. "We have three non-conference games after Christmas before we resume district play and we have a lot of work to do if we plan on making the playoffs."

The game opened with both teams hot as a firecracker and the first period ended knotted at 16. Darrell Dangelmayr led the Tigers

with 6. The second period saw the Tigers go 0-5 from the foul line as the Pirates moved out to a 31-26 halftime advantage. The Tigers charged from the dressing room to take a 40-38 lead into the fourth period as Steve Knabe hit three bombs.

With the Tigers leading 46-45 with 57 seconds remaining a Collinsville steal and lay-up gave the Pirates the lead for good. A Tiger shot by Voth fell off the mark and then the final shot of the game by Houtchens fell short as the Tigers fell victim to their second one-point loss. Scoring for the Tigers were Steve Knabe 12, Craig Voth and Darrell Dangelmayr 10 each, Casey Houtchens 8 points and 19 rebounds, and Wayne Becker with 6.

Lutheran dumps Tigers, 58-49

Dallas Lutheran invaded the Tiger Den Tuesday evening and the Lions got away with a 58-49 win over the Tigers. "After watching the film, we played a pretty good ballgame," said Coach Jon. "Casey (Houtchens) played his best game of the year and as a team we looked sharp but we still cannot get that big hoop at the right time."

Lutheran jumped out to a 32-23 halftime advantage only to see the determined Tigers cut the margin to 40-38 at the opening of the final period. A couple of Tiger miscues allowed the Lions to move back out to nine before the Tigers jumped back into the contest behind 9 fourth period points by Houtchens. With under a minute to play, the Tigers trimmed the lead to 5, but turnovers averted the Tigers from narrowing the gap. Having to foul at the end allowed the Lions the final margin of victory.

Scoring for the Tigers were Casey Houtchens 20 points and 10 rebounds, Steve Knabe 9, Wayne Becker and Darrell Dangelmayr 8 each and Craig Voth 5. With the loss, the Tigers drop to 1-2 in district. The boys' district standings are as follows:

TEAM	DISTRICT	SEASON
Tyler Street	2-0	17-1
Lutheran	2-0	8-3
Lakehill	2-1	6-6
Lexington	1-1	3-7
Liberty	1-2	4-9
Sacred Heart	1-2	6-11
Oakridge	0-4	2-6

FARM AND RANCH NEWS

County Agent's Report

by Craig Rosenbaum

Consider source of diet advice

Three national health agencies have issued dietary guidelines that cut through the flood of often misleading advice on how to lose weight, prevent disease and "eat right."

Dr. Alice Hunt, a nutritionist and Registered Dietician, says many diet plans are designed to sell books, magazines, products, vitamins and special foods.

Even legitimate nutrition research findings are sometimes used as a basis for overstated claims about certain diets or "miracle" foods, notes the Texas A&M University Agricultural Extension Service specialist.

To reduce some of the confusion, the U.S. Departments of Agriculture (USDA) and Health and Human Services (HHS), the American Heart Association (AHA) and the American Dietetic Association (ADA) have each set forth their own dietary recommendations this year.

The USDA has provided guidelines for the general public on balanced and nutritious meals, she says. The Heart Association recommendations emphasize controlling certain dietary substances to reduce the risk of developing heart disease, and the Dietary Association guidelines focus on the dietary needs of women.

These guidelines are based on the results of research, and made in the interest of public health, rather than to promote any particular diet or product, Hunt stresses.

According to the nutritionist, the health organizations make the same or very similar recommendations:

- * Eat a variety of foods daily. These include foods from the four basic food groups of meat, poultry, fish and protein alternates; fruits and vegetables; breads and cereals; and dairy products. The ADA recommendations also encourage women to eat more iron- and calcium-rich foods.

- * Maintain ideal weight by adjusting calorie intake downward and increasing physical activity. If you need to lose weight, do so gradually.

- * Avoid too much fat, saturated fat and cholesterol. The ADA recommendations suggest limiting fat to no more than one-third of daily calories and selecting a variety of saturated, polyunsaturated and monosaturated fats as well as eating lean meats and low-fat dairy products.

The Heart Association has more specific recommendations on fat, advising that saturated fat should be reduced to less than 10% of total calories and polyunsaturated fat should also supply less than 10% of total calories, with total fats in the diet not to exceed 30% of daily calories. The AHA also recommends that dietary cholesterol be reduced to 300 milligrams per day.

- * Eat more complex carbohydrates and fiber from whole-

grain breads and cereals, fruits and vegetables. The ADA further suggests that at least half of a woman's daily calories should come from carbohydrates.

- * Avoid too much sugar. Eat fewer concentrated sweets such as soft drinks and sugared foods.

- * Avoid too much sodium. Eat fewer highly salted foods and processed foods that contain excessive sodium. Do not salt foods at the table.

- * If you drink alcohol, do so in moderation. The Heart Association makes no recommendation about alcohol, while the USDA recommends moderation and the ADA defines moderation as no more than 1-2 drinks per day.

Hunt says these recommendations are sufficient guidelines for achieving a healthy, balanced diet. For further information on dietary guidelines, she suggests contacting the county Extension office, your local Heart Association office or a registered dietician.

A lot of cattle are now grazing small grains, and cattlemen need to be aware of three potential problems that might develop. Nitrate poisoning, grass tetany and bloat are three major problems that afflict cattle grazing on small grain pastures.

Nitrate poisoning occurs mainly during cloudy, overcast conditions. Under such conditions, nitrates accumulate in plants instead of being converted to protein. Plant stems contain more nitrate than leaves, so nitrate poisoning is more of a problem on heavily grazed pastures.

Hay or grain supplements enable cattle to tolerate higher levels of nitrate than those on pasture only. Splitting nitrogen fertilizer applications may also help prevent nitrate poisoning on small grain pastures. But the safest way to protect animals is to remove them from problem pastures until plants resume normal growth.

Grass tetany is more of a problem in older cows during early stages of lactation. The condition is associated with low blood magnesium. High levels of protein and potassium that are common in small grain pastures may either depress an animal's digestion of magnesium or increase its excretion of magnesium, resulting in inadequate blood magnesium levels.

Grass tetany occurs more frequently on heavy, high potassium soils, so producers should avoid applying excessive amounts of nitrogen and potassium fertilizer. Fertilizing with magnesium to increase the magnesium content in plants is not practical. The most practical step to prevent grass tetany is to supply a palatable mineral containing 6 to 14 percent magnesium.

Bloat occurs when an animal cannot rid itself of gas produced in the rumen during normal digestive processes. Normally, bloat is not as much of a problem on grass pastures as it is on legumes, such as alfalfa. However, young, fast-growing grasses high in protein and low in fiber also can cause bloat.

The chemical agent poloxalene provides effective bloat control if animals eat it in adequate amounts - 1.5 to 2 grams per 100 pounds of body weight. However, the supplement used should contain no nonprotein nitrogen such as urea and little natural protein since this will only aggravate the bloat problem.

One effective way to deal with bloat is to remove cattle from bloat producing pastures and to feed hay or a combination of hay and grain until pastures can grow and become more mature.

Young Farmer of the Year named in McAllen

McALLEN - Russell Boening, a 27-year-old dairyman from Floresville (Wilson County) and his wife, Margie, have received the 1986 Texas Farm Bureau Outstanding Young Farmer & Rancher Award.

The announcement was made Monday night, Dec. 1, at the 53rd TFB annual meeting. The other finalists, Bryan Thomas Dishman (Jefferson County), and Steve Patman (Ellis County), were also introduced.

For winning the award, the Boenings will receive one year's free use of a 3/4 or 1/2-ton Ford pickup of their choice. The other finalists will receive one year's free use of a Ford Ranger pickup, all compliments of Bird-Kultgen Ford Co. of Waco.

The other district winners were: Bud and Penny Taylor, Lockney (Floyd County); Dale and Rhonda Spurgin, Anson (Jones County); Roy and Charlotte Kneupper, Boerne (Kendall County); Kenneth and Nancy Koehl, Alletton (Colorado County); and Glenn and Julie Wilde, Lyford (Willacy County).

Noting that times are difficult in agriculture, Boening said that hard work isn't enough.

"I know a lot of good hard-working farmers who just can't make it," Boening said. "It takes a lot of hard work and more. Staying on top of things is absolutely necessary these days."

Boening said his success in dairying can be attributed to an intensive nutrition management program. Through it, he has increased his per cow milk production from 15,500 to 15,860 pounds annually. He has a goal of 16,775 pounds per cow annually.

He said he continues to farm because it's been his whole life.

"I farm because I grew up doing it and I can't see myself doing anything else," Boening commented.

He is involved in a family cor-

porate operation consisted of dairying, grain production and fed beef cattle on 3,200 acres, part of which is leased. The dairy milks 300 cows.

Boening serves as vice-president and Young Farmer and Rancher chairman for Wilson County Farm Bureau.

He has served as vice-chairman of the Texas Farm Bureau Young Farmer and Rancher Advisory Committee and is also president of the local Young Farmers of Texas Chapter.

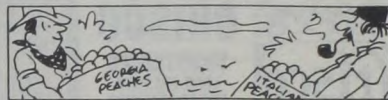

Dishman, 27, is a partner in two family farming operations on 3,000 acres, part of which is leased. The farms produce rice and soybean seed, wheat and beef cattle as the main crops. A catfish pond is being prepared for production. A blueberry operation features pick-your-own marketing.

Dishman serves as secretary-treasurer and Young Farmer and Rancher chairman of the Jefferson County Farm Bureau and on the Texas Farm Bureau Rice Advisory Committee.

Patman, 29, raises cotton, grain sorghum, corn, wheat and beef cattle in partnership with his father on 7,700 leased acres. He has a seed dealership on the side.

Patman serves on the Ellis County Farm Bureau Board and as the Young Farmer and Rancher chairman. He served on the Texas Farm Bureau Board and as the Young Farmer and Rancher chairman. He served on the Texas Farm Bureau State Young Farmer and Rancher Advisory Committee. He was active in the Future Farmers of America while in high school and received many honors for FFA work.

The winning couple additionally receives expense-paid trips to the American Farm Bureau Federation annual meeting in Anaheim, California, during January and to the AFBF Young Farmer and Rancher Leadership Conference in February in Lincolnshire, Ill.
