VOLUME XLI

MUENSTER, COOKE COUNTY, TEXAS 76252

JUNE 2, 1978

NUMBER 28

Fully as fascinating as the currently popular bus tours to places of historical and scenic interest was last Friday's guided tour for media personnel of North Texas to the mammoth Monticello electric generating plant near Mount Pleasant. The tour was hosted by TP&L in the interest of revealing what the company and two companion investors are doing about the energy crisis.

The most impressive part of the tour is the immensity of the operation, and next is the assurance that scarcity of several petroleum products, especially natural gas, is being relieved by converting to use of low grade coal, known as lignite.

Last year the material was used in producing 35 per cent of the electricity used by 2 million TP&L customers. By 1983 it is expected to produce 67 per cent of the company's electricity. Three welcome long range benefits of this situation are millions of dollars of savings on electric bills, billions of cubic feet of scarce natural gas diverted to other uses, and assurance of an adequate supply of electricity to over one third of the state. Companies participating in the lignite operation are Texas Power & Light, Dallas Power & Light and Texas Electric Service Co.

The lignite story, which is becoming important now, is old stuff to TP&L. It first prospected for the material in 1917 and started using it in 1926 at its Trinidad plant with two 24,150 kw generating units. The operation was very satisfactory at a cost of 5.8 cents per million BTU. But then came the East Texas oil boom and abundance of natural gas available at a cost of 3.5 cents per million BTU. So the company built gas fueled plants for some 20 years, and converted its Trinidad plant for the use of natural gas.

In the late forties engineers foresaw the eventual return to lignite, and launched an exploration program which in six years drilled some some 60 miles of core tests in 41 counties, and discovered reserves estimated at 750 million tons. A return to use of the material was indicated as signs of an energy crisis began to surface in the late 60s.

TP&L's first response was the construction of the Fairfield plant with two 375,000 kw generating units. It began operation in the early 70s. Next in line was the Monticello plant, also with two 375,000 kw units, which began operation in 1974. In the meantime the plant has been adding a 750,000 kw unit which is due to open in about three weeks. Also under construction is the Martin Lake station near Tatum which will have four 750,000 kw units, the largest single power complex in the Southwest, and also powered by lignite.

A very brief summary of the Monticello operation reveals that using the abundant and dirt cheap lignite involves big expense in facilities, construction and operation. Nevertheless the cost is amply justified because production over the long term is much cheaper than by using gas. Life time of Monticello is estimated at 40 years.

The initial cost of this venture includes not only the expense of constructing the enormous generating plant, but also the purchase or lease of 15,000 acres of coal bearing land plus the purchase and construction of vast quantities of equipment for mining the

## Help Requested in Children's Program

The Library-sponsored Children's Activity Program was completed for the current school year recently, and the directors have expressed their gratitude to a large group of mothers who volunteered their help in a number of ways.

Included are Mrs. Harold Bindel, Mrs. Dale Klement, Mrs. Robert Russell, Mrs. Harold Flusche, Mrs. Sam Endres, Mrs. Gerald Graham, Mrs. Larry Tisdale, Mrs. Chris Walter, Mrs. Fred Koerschner, Mrs. Robert McDaniel, Mrs. Danny Bayer, Mrs. Jim Gehrig, Mrs. Robert Klement, Mrs. Robert Miller, Mrs. Clyde Walterscheid, and Mrs. Andy Klement.

## 1.91 in. Rain Causes Grain Harvest Delay

The grain crop is ready, the weather is fine and only the wetness of the ground now delays the beginning of this year's harvest. That was the opinion of local grain buyers Wednesday while they awaited arrival of their first loads of wheat, probably by the end of this week. That grain is expected from Lindsay which traditionally leads Muenster by a few days in the harvesting schedule. And next week local combines will be going strong... if favorable weather continues. Even so, the harvest is a

## Improved Habits Of Trash Disposal Requested by City

A plea for cooperation with the city's trash and garbage pickup personnel was sounded this week by City Superintendent Steve Mosler, who points out that bad habits by a few residents impose an unfair burden on the city employees.

One offense he said is piling shrub trimmings and various other small trash loose at the curb for the workers to gather up. Such things ought to be in bags or boxes for easier handling.

Another offense is overloading the bags and setting out excessively heavy things with the garbage. Mosler said the recommended weight limit of bags is 50 pounds. He also added that heavy and bulky trash, like tree limbs, should be disposed of at the city's special pick-up on Wednesdays. A phone call to the city hall will bring a truck for that job.

Mosler added that there have been a number of occasions of people pulling out small trees and shrubs and laying them out for the city pickup. It would help if the city were notified of such operations so that the truck could be there for loading by the equipment doing the work. The same applies to other heavy articles. The city can be spared time and expense if arrangements are made to load articles by the machine that moves them.

## Windthorst Plans For Celebration Of 86th Birthday

Members of St. Mary's Parish, Windthorst, are busy preparing for a big celebration on Sunday, June 11, observing the community's 86th birthday. Relatives and friends far and near are invited to join them for the happy occasion.

The program starts at noon with a dinner featuring Windthorst's famous German sausage, roast beef, etc in the air conditioned parish hall. Tickets for all you can eat are \$3.50 and \$2.00, and serving continues until 6 p.m.

Activities through the afternoon include a horseshoe tournament, tours of St. Mary's Church, a country store and an auction, along with games, eats and drinks in the recently-built pavilion and the school cafeteria.

Two dances are on schedule for 8 o'clock to midnight. One is at the parish hall with music by Ken Brewer, the other on the tennis courts with Mad Martin. The ticket entitles a person to change from one dance to the other.

## Alan Rohmer Is Cum Laude Grad

Alan Rohmer is a Cum Laude graduate of North Texas State University with a major in accounting. He received his Bachelor of Science Degree in graduation ceremonies at NTSU on Saturday, May 13 and will be employed by Dallas Power and Light Co.

Attending the program were his sisters Sharon and Kathy Rohmer and his aunt, Alta Louise Kuhn. Alan Rohmer is a graduate of Sacred Heart High School and a son of Mr. and Mrs. Urban Rohmer.

## Mrs. W. C. English Of Rosston Dies

Funeral service for Mrs. W. C. (Myrtle) English, 78, of Rosston was held Sunday, May 28, at 2 p.m. at the Rosston United Methodist Church with The Reverend Al Ellenberg officiating and burial was in the Rosston Cemetery directed by Geo. J. Carroll & Son.

Mrs. English died Saturday morning at 3:15 in Muenster Memorial Hospital.

She was a native of Rosston, born July 13, 1899, a daughter of the late Mr. and Mrs. William Meyer.

Surviving are her husband, W. C. English; two daughters, Mrs. Ann Knight of Era and Mrs. Kaye Aldridge of Duncanville; one son, W. B. English of Rosston; six grandchildren; and one sister, Mrs. Ruby Arnold of Decatur.

## Inflation Did It

Inflation goes on and on. Because of rising postage and other costs, the Enterprise finds it necessary to increase subscription prices and single copy prices. As of June 1, the subscription rate in Cooke County is \$5.00 for one year and \$9.50 for two years, and outside the county it is \$5.50 for one year and \$10.50 for two years. As of June 9, the single copy price is 15 cents.

## Mrs. Bessie Biffle 88, of Myra Dies

Final rites for Mrs. Bessie Biffle, 88, a long time resident of Myra, were held Sunday in the chapel of Geo. J. Carroll & Son with the Reverend Curt Stamey officiating and burial was in Reed Cemetery.

Mrs. Biffle died at 4:30 Saturday in Gainesville Hospital. She was born April 13, 1890, a daughter of the late Mr. and Mrs. Will McFarland. She was married on August 3, 1910 to E. F. Biffle, who preceded her in death.

Survivors are three sons, Joe, Bill and David Biffle all of Gainesville; five grandchildren, two great-grandchildren; two brothers, Carl McFarland of Lubbock and Reed McFarland of Odessa; and two sisters, Vivian Thompson of Lubbock and Sammie Cook of Midland.

## Spraying Due for Pecan Casebearer

Time to control pecan nut casebearer is fast approaching, according to H. A. Turney, area entomologist with Texas A&M Extension Service.

The casebearer is expected to be laying eggs around June 1st in counties along the Red River.

Look for small white eggs on tips of pecans in order to pinpoint the exact time to spray your trees. According to Turney, examine the buds just below the nut cluster for presence of larva feeding. If the buds are infested, a web of grass will be present.

Pecan trees in and around the house can be treated with Sevin or Malathion. Do not forget to add a fungicide and zinc sulfate to the spray. Read and follow the label directions.

A second application may be necessary because of the delayed emergence of casebearer moths, Turner warned. The second application should be made within 7-10 days after the first.

Indications are in Cooke County that spraying will be about June 1 as indicated by Area Entomologist, H. A. Turney. Weldon Holland, area

pecan producer set up a tree banding demonstration and collected the larva. All indications are that the eggs will be laid sometime around May 30, and spraying should be done approximately at this time.

The pecan crop does appear spotted in the county, but in most cases there should be enough pecans to justify the expense of controlling insects and disease. The number of larva that was trapped in the demonstration indicates that we will have a good number of insects and should do considerable damage to the small pecans.

## Local Victims of War Honored at Memorial Sunday

Service men of this community who lost their lives in war were honored Sunday in traditional memorial services sponsored by the Muenster VFW and Auxiliary in cooperation with Sacred Heart Parish.

They were enlized by Col. David Bright, Retired, who stated that these were men who honored the flag and the national anthem and whose sacrifices have helped to preserve the blessings we cherish.

He added that the meaningful observation of this occasion goes far beyond just appreciating what the honored dead did for us. Rather it includes the resolution expressed so many years ago, that they shall not have died in vain, and real gratitude is best expressed when all of us do what we can to preserve our country's ideals and blessings.

The observance started after the 7 a.m. mass with a procession from Sacred Heart Church to the cemetery. In it were the local VFW Post's color guard and rifle detail, auxiliary officers with bouquets and children with individual carnations.

Some 150 others attending were praised by the speaker for coming in spite of the early hour and threatening weather.

Their first stop in the cemetery was the crucifixion group of statues in the middle, where an auxiliary officer placed one of the bouquets and Father Placidus led in prayers for all deceased of the community.

Next all gathered at the service men's area where another auxiliary officer placed a bouquet at the monument and children placed their individual flowers on the graves.

Then Col. Bright made his remarks and the uniformed VFW detail closed the ceremony with the traditional three volley rifle salute and taps.

## Linda Knabe Continues as Head Of VFW Auxiliary

Linda Knabe was re-elected president of the VFW Auxiliary in elections held recently. Serving with her are Mary Ann Walterscheid senior vice president, Hilda Sicking junior vice president, Ethel Hesse treasurer, Laujuanna Klement secretary, Sue Wieler chaplain, Frances Bayer conductress, Peggy Walterscheid guard, Susie Hoenig 3 year trustee, Regina Pels 2 year trustee, Eleanor Felderhoff 1 year trustee, Ida Mae Bindel historian, Rosemary Dankesreiter musician, Mary Ann Walterscheid patriotic instructor, and Mary Lou Hess, Agnes Hesse, Carol Frost, Lucille Hesse color bearers, Lou Voth flag bearer, Regina Pels banner bearer.

Judging of Era in the regional was held Thursday, the 25th from 10 a.m. to noon. It was the last of the four regional communities visited and its rating was announced immediately afterward.

The community prepared for the event with general fix-up and decoration, a hamburger dinner for residents, visitors and judges, plus a skit entitled "Happy 100th Birthday to Miss Era." Gifts given at the party symbolized improvements and achievements of the past year.

## Federal Grants Awarded to CCC

Congressman Omar Bursell announces that Cooke County College has been approved for an award of \$138,605 under the College Work-Study Program for an estimated 313 students.

In addition, Cooke County College has been awarded \$19,975 as an institution participating in the Supplemental Educational Opportunity Grants Program, for 35 students.

## Children's Program Workers Praised

Sponsors of the Children's Activity Program for preschool youngsters will attempt to meet twice a month, beginning in September, if enough volunteer help is available.

Sponsored by Friends of the Library, the group met in the Community Center once a month last year.

Mothers interested in assisting the program are asked to notify the Library at an early date so that plans can be started. The Library phone number is 759-4291.

## Texans Will Vote Saturday in Runoff

The final showdown in the Democratic party's selection of nominees for this year's general election will be held in Saturday's run-off election.

As in the first primary on May 6, Muenster voters will cast their ballots from 7 a.m. to 7 p.m. with Mike Hennigan in charge of the North Box at the KC hall and Janet Fisher in charge of the South Box at the VFW hall.

Judging from apparent lack of interest in absentee voting,

## Jim Eaves Quits Police Chief Job

Jim Eaves, who has served as Muenster chief of police for slightly more than a year, has resigned to become an Army recruiter at Gainesville.

Police Commissioner A. T. Tuggle made the announcement this week, adding that a successor is under consideration and probably will be named soon. Until then Patrolman Henry Heard of Bowie is on regular duty and sheriff's deputies are assisting.

## June 8 Deadline Set for Entry in Golf Tournament

A low ball golf tournament sponsored by Sacred Heart Alumni will be held Sunday, June 11, starting at 8 a.m. on the Nocona Hills course.

Particulars were announced this week by Coach Eddie Stock. He said that the entry fee of \$20 for a team of two will cover tourney participation, green fee and refreshments, but not the rental of a cart.

He also stated that the tourney will be held in four divisions which will be determined after all scores have been turned in. Prizes will consist of trophies to each member of the first and second place team in each division, an over-all total of 16 trophies.

Deadline for sign-up is Thursday, June 8, which will allow sufficient time to draw up a schedule. Participants are asked to mail their names and entry fees to Coach Stock, Box 454.

## City Gets \$992 Sales Tax Rebate

The City of Muenster has received a check for \$992.24 as its May rebate from the state comptroller for the 1 per cent city sales tax collected here for the period ending April 27. It is a part \$13.8 million paid to 898 cities.

The check brings Muenster's payments for the year to date to \$17,430.64, which is 10 per cent over the corresponding period last year. This is slightly over the state-wide gain, which is reported at 6.1 per cent.

Payments to other cities of the area and their comparison with last year's volume to the corresponding date were reported as follows by the comptroller's office, Gainesville, \$10,128.44, up 8%; Lindsay, \$1,628.80, same as '77; Nocona, \$2,398.05, up 10%; Pilot Point, \$542.15, up 7%; Saint Jo, \$954.64, up 11%; Sanger \$528.34, up 13%; Whitesboro, \$1,546.45, up 20%.

## Mrs. Strategier, 89 Of Oklahoma Dies

Mrs. Rosa M. Strategier 89 of Norman, Okla., a former resident of Lindsay, died last Thursday, May 25 in a Norman Nursing Home after a long illness.

She was born September 19, 1888 in Windthorst, Kansas, and lived in Lindsay for a number of years before moving to Norman in 1907.

Survivors are two sons, Henry Strategier Jr. of Chandler and Paul Strategier of Fallbrook, Calif., one daughter, Rosalie Cavanaugh of St. Louis; 17 grandchildren and 26 great-grandchildren.

If you make your job important, it is quite likely to return the favor.

## Lightning Sparks Great Response at St. Richard's Villa

What might have been a serious emergency turned out to be a gratifying experience at St. Richard's Villa early Sunday morning. A blackout caused by lightning during the thunderstorm led to fast and orderly evacuation followed by wonderful response by volunteer firemen, the TP&L service crew and several others.

As related by W. D. Fuson, lightning knocked out the entire electrical system about 12:30. Fearing a fire, the staff notified the fire department and started evacuating under emergency lighting. By the time firemen arrived, about 10 minutes later, all were gathered at the front entrance ready to go outside on an instant's notice.

TP&L service men came and got on the repair job, and so did Rube Griggs of Rosston. Meanwhile individual firemen went home to get Coleman electric lanterns for auxiliary lighting and NBC kept the store open to furnish supplies and materials as needed. All was back to normal in about four hours.

Instead of trouble this thing turned out to be very satisfying, Fuson said. Calmness of patients, efficiency of staff and helpfulness of those who came were wonderful. It was an experience the community can be proud of.

## Drive for Salvage Paper Continues

The paper drive sponsored by Sacred Heart School will continue during the summer months, according to an announcement by Sister Mary John Seyler. She urged the community to save old newspapers and suggested that those who are assisting the project might offer to bring the accumulated papers from an elderly neighbor or relative.

The project is progressing well, but more people in the community are needed to make the project a success. The paper drive helps conserve valuable and limited timber and the profit realized aids the Sacred Heart School Fund.

The trailer provided by the paper salvage company of Wichita Falls will remain in place on the parking lot between the grade and high school building. Only newspapers can be accepted because the equipment of the salvage company handles only old newspaper, but no magazines, no catalogs, no cardboard.

The project was undertaken several years ago to teach the students to conserve valuable resources, to use and respect the abundance of God's blessings to our Country, to prevent unsightly litter and to earn money for the SH School Fund.

## Friends Cookbook

## Tim Luke, Gayle Fulk Exchange Vows

Mr. and Mrs. Timothy Patrick J. Luke are on a wedding trip to West End, The Bahamas, following their marriage Saturday at 8 p.m. in Richland Hills Christian Church of Fort Worth.

The bride is the former Gayle Louise Fulk, daughter of Mr. and Mrs. Byron E. Fulk of Fort Worth and the groom is a son of Mr. and Mrs. Harold J. Luke of Arlington and a grandson of Mrs. Ben Luke of Muenster and the late Ben Luke.

Officiating for the double ring ceremony were Rev. Hugh R. Baker, pastor of Richland Hills Christian Church, assisted by Father Eugene Luke of Subiaco Abbey, Arkansas, uncle of the groom.

In a setting of spiral candelabra with lighted votive candles in the chancel and a large arrangement of mixed white flowers in the baptistry window, the bride was given in marriage by her father.

She was wearing a formal bridal gown of candlelight chiffon-on-satin, with antique lace trim at the sheer yoke and long sleeves, and with elegant lace embroidered into the lower edge of the full skirt, and a cathedral length lace train. Her bridal veil

swept to full length and her bridal bouquet was a colonial arrangement of mixed cream-colored flowers.

Following the ceremony and prayers, the bride and groom lit their Unity candle with two burning tapers, while the soloist, Donna Young sang "Song of Ruth".

Wedding music, as guests assembled, and the processional, recessional and accompaniment for "By My Side" were given by Mrs. Hugh R. Baker.

**Attendants**

The maid of honor was Joyce Gathings of Dallas, a friend of the bride. Both were in the same Delta Gamma pledge class of NTSU in the Fall of 1973. She wore a mint green, princess line halter dress with chiffon jacket and carried mixed spring flowers with green ribbons.

Paul Keller of Arlington was the best man.

Ushers were Douglas Fulk, brother of the bride and Christopher Luke, brother of the groom, and Craig Norton and Monte Ashcraft.

**Reception**

Following the ceremony, the bride's parents hosted a reception in the Fellowship Hall of the church for 175 guests.

Ellen Foreman, a sorority sister of the bride registered guests at a table covered in mint green and holding the couple's Unity candle surrounded by a wreath of Lilies of the Valley.

The bride's table was skirted with mint green and swags of green sheer caught with white flowers and green bows. The table held the three tiered white wedding cake topped with white bells; a centerpiece of a floral arrangement of green carnations, white daisy mums and silver candelabra; also the silver punch service. The groom's table held the chocolate groom's cake and the silver coffee service. Floor groupings of potted green palms were at both sides of the table.

Gayle Chaffin poured punch. Peggy Luke, sister of the groom, and Lourdes Tobias and Jan Isaac served the bride's cake and Cherie Banfield served the groom's cake. Katie Luke, sister of the groom, served coffee. Misses Chaffin, Isaac and Banfield are sorority sisters of the bride.

The bride's mother was attired in a green princess line floor length dress with matching lace jacket and the groom's mother wore an apricot, long sleeved floor length gown. Both had orchid corsages.

For traveling the bride wore a white cotton shirt-waist with bands of embroidery, with blue accessories and the corsage from her wedding bouquet. When they return the couple will be at home in Dallas.

The bride attended Nolan High School of Fort Worth, graduated from NTSU with a degree in Psychology, and attended Graduate School at TWU and is a member of Delta Gamma, Psi Chi, and Pi Lambda Theta Sororities. She is a research assistant employed in the Special Education Department of Texas Woman's University.

The groom attended Nolan High School of Fort Worth, and NTSU, received a Bachelor of Music degree from the University of Texas at Arlington and attended Graduate School at SMU. He is a member of Who's Who in Music in American Colleges and Universities and is a professional musician and music teacher.

Among pre-nuptial courtesies was the rehearsal dinner Friday evening at the Airport Holiday Inn, hosted by the groom's parents. Showers were hosted by Mrs. H. Dale Luttrell of Denton, Mrs. Gregory Martin of Denton and Miss Joyce Gathings of Dallas and Mrs. Hugh Baker of Richland Hills.

Among out-of-town relatives attending the wedding were Father Eugene Luke of Subiaco, Mrs. Ben Luke of Muenster, Mrs. Charles Denny and John Denny and Mr. and Mrs. Jim Root all of San Antonio, Mrs. Victor de la Garza and children Aaron and Vanessa of McAllen, Dr. and Mrs. Bernard Luke, and Steven and Stuart, Mr. and Mrs. Anthony Luke, and Mary, Frank, George and Melvin accompanied by Miss Terri Stulz of Sanger, Mr. and Mrs. Dan Luke and Damian, Cheryl, Benji and Greg, Mr. and Mrs. Bill Luke and Kathy, Jim, Carolyn and Nancy and Mr. and Mrs. R. N. Fette and Bernie, all of Muenster.

Also Mrs. Herschel Flesher of Winter Haven, Florida, grandmother of the bride, Mr. and Mrs. John Flanders of St. Louis, Mo. aunt and uncle of the bride, Mrs. David Perry, cousin of the bride, Miss Lourdes Tobias of San Marcos, Miss Jan Isaac of Houston and Miss Mary Di-fiore of Houston.

## Crews McCulloch Endorses Rhodes

Former Democratic congressional candidate Crews McCulloch of Weatherford officially threw his support behind the campaign efforts of A. L. (Dusty) Rhodes of Abilene. The announcement took place Friday morning during news conferences held in Weatherford, and Abilene.

In making the announcement, McCulloch stated "I am of the opinion that Dusty Rhodes is far and away the better qualified of the two run-off opponents. He has studied, and is far better informed on the issues than Mr. Stenholm. Dusty has never changed any of his positions even though there were times it may have been politically expedient to do so, and I personally believe that he has

the ability to get something done in a bureaucratically controlled Congress. Dusty has convinced me that when he gets to Washington, he will be responsive to the needs of the 17th Congressional District. Before I could in good conscience endorse a candidate in this very important run-off election, I had to be sure that he will keep an open door. I have that assurance from Dusty."

McCulloch went on to urge all of his supporters to rally around the Rhodes campaign, and to add their efforts in that behalf in the form of votes and volunteer work.

Also adding his support to the Rhodes campaign is Evan Evans, the campaign manager for former congressional candidate Jim Baum. That announcement came Monday morning (5-15-78) in Abilene.

Mr. and Mrs. T. W. Smith of New Braunfels have returned to their "spread" in the Forestburg area. We welcome them home.

Homer Shears is still in resident at the Muenster Hospital. Homer seems much better.

Mrs. Bill (Mae) Landers is seriously ill in a hospital in the Metro-plex area. At the present time I do not know what hospital Mae is in.

On Wednesday, May 17, Mrs. Cleo Lanier, Mrs. Patsy Bell and Rev. Glen Smucker took the 7th and 8th grade boys and girls on a tour of historic spots in the community. At noon they all enjoyed a sack lunch at the Freeman Lake.

Mr. and Mrs. Buddy Lanier visiting here from Santee, California, were honored with a weiner roast at the home of Mrs. Cleo Lanier Wednesday night, May 17. Others present were: Mr. and Mrs. Gerald Lanier and family, Mrs. Shirley Lanier, Johnny and Janice, Mrs. Willie Orrell, and Mr. and Mrs. Charles Montgomery of Greenwood. Wednesday the 17 was also Cleo's birthday.

The annual FFA Banquet was held in the School House Gym Thursday, May 18.

The last day of school here at Forestburg will be May 31. With that Mrs. Vesta Lee (Boyd) Carter will end her teaching career. Mrs. Carter has been teaching for 31 years and decided she needs a rest. Graduation Exercises for the Forestburg Seniors will be Monday night, May 29 at 8 p.m. in the school gym.

Mrs. Cleo Lanier visited her daughter Mrs. Jeanette Montgomery of Greenwood, Friday, May 19, and the two went shopping in Denton.

**YOU DECIDE**

On June 3, Texas voters will elect one of two men as the Democratic candidate for Railroad Commissioner:

**Jerry Sadler**, 70, is a twice-defeated former Land Commissioner. Here's what three of the state's leading newspapers have to say about him:

The Austin American-Statesman: "Voters deserve to know whom they will be choosing between in the runoff June 3. Poerner is not a household name; Sadler is. But Sadler has a sorry record in state government. He is the only person ever censured by the Texas House of Representatives (for failure to cooperate with an investigation). He became notorious for attempting to choke then-State Rep. Jake Johnson. He was defeated at the polls in 1970 and lost to Jon Newton in a race for Railroad Commissioner in 1976. And now he's back again."

The Dallas Times Herald: "Sadler has made Texas government a universal target of ridicule and derision."

The San Angelo Standard Times: "Under Sadler, the Railroad Commission just might become the laughing stock he once made of the General Land Office."

**John Poerner**, 45, is a respected businessman and rancher. John Poerner was elected to three successive terms in the Texas House before being named Executive Director of the Governor's Committee on Aging and Director, Education Resources of Texas.

His honors include being named "Citizen of the Year" in his hometown of Hondo, receiving a "Distinguished Legislator" award from the Vocational Agriculture Teachers Association, and being named to the "Agriculture Hall of Fame" at Southwest Texas State University.

He was recently appointed to the Railroad Commission by the Governor. "Poerner is a solid, competent individual with a record of 10 years of dedicated public service," says the Houston Chronicle. "(We urge) his election."

### SH Group Plans Hospitality Hour

The Social Activities Committee of the parish invites everyone to a Hospitality Hour in the Sacred Heart Community Center, following the 9 a.m. Mass, Sunday, June 4. Homemade rolls, doughnuts, coffee, fruit juice and hot chocolate will be available. Everyone is welcome.

### 5 Members Join Local CDA Court

Five new members were received into Court St. Mary No. 249 of the Catholic Daughters of America during the reception held recently in Sacred Heart Church. Father Placidus Eckart, pastor and chaplain, celebrated the Mass. A social and business meeting followed in the meeting room of the Community Center.

During the Mass, Regent Dorothy Fisher, Vice-regents Lucille Lutkenhaus and Aileen Cler, Monitor Aileen Knabe and Ritual Coordinator Marie Mosman participated in the ritual by giving readings, responsorial psalm, patriotic motif and petitions.

District Deputy Dorothy Bengfort read a message from the National chaplain of CDA. In the homily, Father Placidus praised the organization for its many charitable projects and wished it continued growth in the community.

Color Guards were Elsie Horn, Adeline Sicking and Antonio Hess. Banner Bearers were Alvina Hellman, Lorena Taylor and Mary Moster. Offertory gifts were presented by Mildred Walterscheid, a new member and her daughter, Sara.

The business meeting included the Regent's report of the State Convention in Houston in April, a report of the organization's booth at Germanfest and other routine matters. The District Deputy explained the organization's ritual and programs, and distributed by-laws and constitution books to the five new members: Sandra (Mrs. Leon) Fuhrmann, Janet (Mrs. Gene) Hoening, Angela D. (Mrs. Enrique) Juarez, Wilda (Mrs. Albert) Stoffels and Mildred (Mrs. Ervin) Walterscheid.

Punch and cake were served to members and husbands from a table centered with an epergne of pink roses, varicolored corn flowers and greenery. The arrangement was made by Adeline Miller. Punch and cake were made by several of the members.

### Banquet Given by Forestburg FHA

The Forestburg FHA students honored their mothers recently with an annual spring banquet.

The high school gym was the scene and the junior class made the decorations. Scented candles and potted plants were used and then presented to the mothers.

Forestburg FHA President, Diane Steadham presided. Doniece Steadham gave the invocation. Special music was provided by Marjorie Orrell, accompanied by Kenny Bezner, also by Pat, Falcia and Latricia Bell, accompanied by Joyce Richardson; also by Judy Souther, accompanied by Karen Bell; and by Lesa Trammel, Karen Mitchell and Sharon Almon. A comedy skit was performed by Joe Evans, Chris Gresham, Bryce Boyd and Steve Sandusky.

Seven new members were awarded membership pins by their advisor, Mrs. JoAnn Sicking. Eight received Encounter I awards, including Roxanna Andrews, April Duke, Janice Lanier, Donna Latham, Glenda Lee, Brenda Patrick, Karen Bell and Doniece Steadham.

Rohmer's catered the dinner served to 84 guests, parents, teachers and students.

Special gifts were given to the youngest mother present, Mrs. Ruth Dykes, and to the oldest mother present, Mrs. Eva Mae Bell. Doniece Steadham won the door prize.

**THANKS**

Friends are always special but at times of illness they are invaluable. My gratitude is expressed to Father Placido, Father Stephen and Bishop Dangelmayr for their visits and prayers and to Sister Theresina for her thoughtfulness. "Thank you" to Dr. Antonetti, Dr. Juarez and Dr. Kralicke for excellent care, and to the nurses, aides and hospital staff for making my stay in Muenster Memorial Hospital so pleasant and comfortable. The flowers, cards and prayers will be long-remembered.

Evelyn and Al Schmitt and family

We wish to express our deepest appreciation to our many relatives and friends, to Dr. Antonetti and the nurses and staff of Muenster Memorial Hospital; also to Rev. Al Ellingburg and Rev. Dennis Pellet and to all who helped in the services and sent flowers, cemetery donations or brought food. We will always remember the kindness shown by everyone. The family of Myrtle English, W. C. English, W. B. and Margaret English, Ann English Knight and family, Kay English Aldredge and family.

A very special, great big "Thank You!" to our local Fire Department, the Texas Power and Light Company, National Building Center, Wendell Richey, Rube Griggs and all others who helped us last Sunday morning about 1 a.m. when lightning struck our transformer, causing a fire.

Nurses on duty moved all residents to the front lobby, calmly and quietly, and were ready to evacuate the building in case of emergency. But thanks to a lot of wonderful people, quick work and splendid cooperation, we avoided a tragedy.

**IN THE MUNICIPAL COURT**  
**OF**  
**MUENSTER, COOKE COUNTY,**  
**TEXAS**

**OPINION AND ORDER**  
 On the 6th day of May, 1978, came on to be heard the above cause, its having been regularly called on the docket and the Defendant, having been advised by the Court of his rights and of the effect of his plea, entered a plea of nolo contendere to an alleged violation of Tex. Rev. Civ. Stat. Ann. art. 6704d section 166(2) and 166B, operating a motor vehicle in excess of 55 miles per hour on the highway, which speed was posted, and Defendant's speed was, therefore, prima facie not reasonable or prudent.  
 The Court heard evidence in the matter and found that the arresting officer was operating a radar unit in a proper fashion at the city limits at the point at which U.S. 82 enters the City from the East. The Defendant was proceeding west on U.S. 82 and was clocked at 70 miles per hour by the officer. There was no evidence as to whether the arresting officer was aiming his radar unit eastward, i.e. outside the city limits, or westward, i.e. inside the city limits. The Court took judicial notice of the population of the City of Muenster as being approximately 1800 people and the fact that all territory contiguous to the City is unincorporated. The Court found the Defendant guilty and assessed the fine appropriate to the case granting the usual ten-day motion as well.  
 The case presents the threshold

question of whether this Court has jurisdiction beyond the city limits. The Court is of the opinion that it does.  
 Tex. Rev. Civ. Stat. Ann. art. 97-a section 3.A, stated in part:  
 "In order to promote and protect the general health, safety, and welfare of persons residing within and adjacent to the cities of this State, the unincorporated area, not a part of any other city, which is contiguous to the corporate limits . . . shall comprise and be known as the extraterritorial jurisdiction . . ."  
 (1) . . . of any city having a population of less than five thousand (5,000) inhabitants (it) shall consist of all the contiguous unincorporated area, not a part of any other city, within one half (1/2) mile of the corporate limits of such city." Emphasis added.  
 Tex. Rev. Civ. Stat. Ann. art. 119c establishes the territorial jurisdiction of this Court as being "within the territorial limits of the city" as to ordinances, but concurrent jurisdiction with the justice of the peace for the precinct in which the city is located as to "criminal cases arising under the criminal laws of this State" and "arising within such territorial limits. A home rule charter would implicitly extend the jurisdiction of this Court to a distance of 5,000 feet. See Tex. Rev. Civ. Stat. Ann. art. 1175 section 19 and Traddell v. State, 160 Tex. Crim. R. 558, 275 S.W. 2d 658 (1955).  
 In the absence of such a charter, however, the Court must construe the statutes together to determine the legislative intent. It is clear that the Legislature intended that the cities assume responsibility for those areas most closely associated with them for the pur-

pose of police protection. It necessarily must follow that the jurisdiction of this Court to protect the safety of the inhabitants of the city must likewise be extended. The Court next must proceed to review the question of whether sufficient facts exist to support the finding of the Court. It is apparent from the record that they do not. No evidence was adduced as to whether the Defendant was inside the city limits at the time he was clocked by the arresting officer. If the Court presumes that the Defendant was beyond the city limits, which presumption is not indulged, it still would be essential to the case for the State to establish that the Defendant was within one-half mile of the city limits at the time. No such evidence was presented to the Court, nor can it be due to the subsequent departure of the arresting officer.  
**IT IS THEREFORE ORDERED,** the decision of the Court entered in the trial of this cause be and is hereby REVERSED and a new trial not being possible in the present circumstances, the decision is here rendered that the Defendant is found NOT GUILTY.  
**REVERSED AND RENDERED,**  
**MARSHALL J.**  
 Opinion delivered May 25, 1978.

## Acreage Drop to Decrease '78 Texas Wheat Production

Texas wheat production in 1978 is expected to drop 37 per cent below that of last year, Agriculture Commissioner Reagan V. Brown has announced.  
 The Texas Crop and Livestock Reporting Service's first spring report forecasts 73.5 million bushels for the summer harvest, based on surveys from sample field plots in growing areas.  
 "This is quite a contrast to the 117-million bushel average harvested between 1975-77, when our farmers were encouraged to plant fence-row to fence-row without adequate markets for their crops," Brown said.  
 "We had 600,000 fewer acres planted for this year's crop," he commented. "The season began with 5.7 million acres seeded. We have no way to determine from the survey the exact reasons for the cut-

back, but the combination of low prices, 138-million bushels in carryover stocks and organized efforts to cut back production, plus drought conditions on the Plains were factors."  
 Low moisture during the growing season on dryland wheat in the Plains has wiped out some production, Brown said. However, irrigated fields are in good to excellent condition now.  
 Brown said the reduced production should be no reason for consumers to feel the effect in higher bread prices. "While the price of one pound of bread cost 35 cents in January and the wheat it was made from cost three cents, the grain's price actually dropped to 2.9 cents per loaf the following month," he said "and yet consumers paid more, 36.1 cents for the same loaf of bread."

## Merit Certificates Awarded by SNAP

Sixty seven meals were served to senior citizens last Thursday by SNAP. During the afternoon Mrs. Tony Felderhoff won the door prize, a shampoo and set from Carol's Beauty Salon.  
 In a surprise second drawing, a bottle of Avon Cologne from Odelia Detten was won by Matt Muller.  
 Photographs were made of several awardees of the senior group, when SNAP manager, Mrs. Gladys Lutkenhaus and assistant manager Mrs. Lajuana Klement presented certificates of merit to outstanding Senior Citizens of the Year, Mrs. Leo Henscheid and Henry Fuhrmann. In brief remarks, Mrs. Lutkenhaus cited their volunteer work and cheerful willingness to assist at all times.  
 Also honored were Mr. and Mrs. Matt Muller for being the oldest couple attending and who have been married for 63 years. She received a red boutonniere made by Gladys Lutkenhaus.  
 Warren G. Harding was the first president to ride to his inaugural in an automobile.

On election day a man in a Russian village was given a sealed envelope at the polling place and told to drop it into the ballot box. He started to tear it open when a Communist polling commissioner screamed, "What are you doing?"

The Russian answered, "I only wanted to see who I'm voting for."

"Are you crazy?" the official asked. "This is a secret ballot!"

**At Dance Recital Of Denton Nephew**

Mr. and Mrs. August Fleitman, Randy, Jan and Melinda of Muenster, accompanied by her mother, Mrs. Pearl Richardson and Laverna and Mark of Gainesville, were in Denton recently to attend a dance recital.

Troy Zackery, grandson of Mrs. Richardson and nephew of the Fleitmans performed in the recital in an auditorium at TWU.

Also attending were Troy's parents, Mr. and Mrs. Jackie Zackery and his paternal grandmother Mrs. Nell Zackery of Denton. Troy received a certificate and a trophy for accomplishments of the past year.

They attended a reception held at Liz Gallego's Studio and afterward were dinner guests in the Zackery home.

Teeth are the only part of the body which does not repair itself.

**Requirements More Rigid in Applying For SS Numbers**

Everyone, regardless of age or place of birth, must now submit evidence of age, identity, and U. S. citizenship or lawful admission status when applying for a social security number, Gus Jones, Social Security District Manager in Sherman said today.

These procedures are intended to help protect the applicant's social security record, assure that it is complete and accurate, and to prevent anyone else from misusing or abusing the person's social security number, Jones said.

In addition, a person 18 or over who is applying for a number for the first time, must apply in person.

The best evidence of a person's age and U.S. citizenship is a birth certificate, Jones said. This should be submitted if possible. But, if it is not

available, other documentary evidence can be used.

Evidence of identity should include documentation which shows the person's picture, signature, date of birth or age, or other identifying information.

Applicants not born in the U. S. should submit evidence of their U. S. citizenship or their immigration documents showing they are lawfully admitted to the U. S.

All documents submitted as evidence are subject to verification with the agency which issued them, Jones said.

A person should allow plenty of time to get the number. It takes 4 to 6 weeks to issue the number and deliver the card after all required evidence has been submitted.

A free leaflet, "Applying for a social security number," can be obtained at the Sherman Social Security Office. It tells what kinds of evidence can be used. All documents submitted must be originals or certified copies. Photocopies are not acceptable. The office is located at 810 North Travis and the phone number is 665-0770. This is a direct line to the Sherman office. Office hours are from 8:30 a.m. to 4:45 p.m., Monday through Friday, except national holidays.

A representative may be contacted in Gainesville each Tuesday and Thursday from 9:30 a.m. to 12 noon and 1:00 p.m. to 2:00 p.m. at the Federal Building.

**4-Hers Cause a Racket!** 4-Hers from across the state will cause quite a racket at the 1978 4-H Invitational Tennis Tournament. The tournament will be held June 28-30 in Orange, Texas. Any 4-H member may enter the contest. Additional information about the contest or about starting a 4-H project may be obtained from Karen Hughes at the County Extension Office at 665-4931.

**Winners Named In 4-H Pet Show**

Muenster kids did fine in the 4-H pet show held recently, as the final event in a series of meetings on care and training of pets. Mike Bartush won the champ dog honor with his collie "K" and Kelly Yarbrough of Era got the best of show honor with her cat "Mouse."

Among blue ribbon winners in dog obedience were Virginia Bartush, Mike Bartush, Paul Bartush, Angie Bartush and Kathy Davidson. Red ribbons in dog obedience were won by Darren Cheaney, Jim Bartush, Amy Davidson, Stephen Vogel, Valerie Vogel and Amy Felderhoff.

Blue ribbons in dog conformation went to Virginia Bartush, Mike Bartush, Jim Bartush, and Stephen Vogel; and red ribbons in the category went to Darren Cheaney, Paul Bartush, Angie Bartush, Kathy Davidson and Valerie Vogel.

In small dog conformation Giles Trubenbach got a blue ribbon, Amy Felderhoff and Amy Davidson got reds.

The entertaining part of the show was the pee wee kids class of children under 9, each showing the pet in his or her own unique way. All of the eight entries got blue ribbons — including Chad Cheaney and Bobby Don Thornhill.

Among the variety of entries were 4 gerbils by Darren Cheaney and rabbits by Scott Fleitman and Bobby Don Thornhill.

**Muenster HD Club Hears Program on Spices and Herbs**

Mary Charlotte Casteel of the Lone Star Gas Company, Sherman provided the program for the Muenster Home Demonstration Club on Wednesday, May 17. Showing foods prepared in advance, she explained the use of various spices in specific foods and she told about the native state or country of each spice or herb. Her program was entitled "A Dash of Spice" and she shared recipes with those attending.

Mrs. Irene Klement was hostess in her home. The meeting opened with the club prayer and pledge to the Flag, in unison. Mrs. Dorothy Fisher read a poem about "Mothers", very appropriate for the month of May.

Thirteen members reported an enjoyable time at the annual May Luncheon, held at the Callisburg Community Center on May 10. Members were delighted to have Mrs. Effie Robison with them again, after a long absence caused by illness.

Refreshments of strawberry cream pie and coffee were served to 17 members and five guests, Mary Charlotte Casteel, and Mmes. Viola Schmidtkofer and Marian Gruber of the Lindsay Home Demonstration Club and Linda Vogel and Charlotte Klement of the Bluebonnet Club.

Harlingen, Texas and Mrs. Ruth (Magee) Tallman of Montague visited the V. G. Greenwood family Sat., May 20.

Mrs. Bennett Reynolds returned home Saturday, May 20, after vacationing in California for two weeks and in Hawaii for two weeks. While in California she was the house guest of her sister Mrs. Gerry Priest of Ventura who accompanied Betty on the Hawaii vacation.

D. J. Rater took his 6 and 7 grade students to Six Flags Monday, May 22. They were accompanied by some of the students mothers.

Perryman Denham visited with Mrs. Gladys Tinney of Alford Monday, May 22. He learned that her son Bill is putting in a big truck-stop between Alford and Sunset.

Mrs. Ina (Perryman) Ivey of Fort Worth was in the area this past weekend visiting with relatives.

Mr. and Mrs. Jack C. Dill and Vatori Mr. and Mrs. Charles Dill and Keith, Mr. and Mrs. Ray (Ted) Jackson all headed for Matador early Sunday a.m., May 21, to attend Baccalaureate Services for the Senior graduating class of which Todd McCandless, son of Mr. and Mrs. J. T. McCandless, is a member. The Dills all returned home late Sunday but the Ray Jacksons remained for Todd's graduation exercises. From there the Jacksons will go on to Miami, Texas, to attend graduation exercises for their granddaughter Karla Brogdon — daughter of Mr. and Mrs. Johnny Brogdon.

Mr. and Mrs. Wade Perryman and family have recently moved in the house once owned by the late Jim Embry and his wife, Lutie, who now resides in Saint Jo.

Mrs. Laura Belle Jackson will be celebrating a birthday come May 30. We wish her many happy returns of the day.

Anyone ever heard of "Buckshot Cabbage"? Well, that is what most gardens in this area are producing these days — worms are sure making it look like someone emptied a shotgun in all the cabbage.

**YOU CAN BANK ON IT!**

Your child wasn't born with a knack for handling money. Since an allowance is the major source of income for most youngsters, they must learn the skill by the way they use their allowances. Children need some money to spend any way they choose. If every cent is earmarked for necessities, the valuable experience of deciding what to do with extra money is missed. Expect some mistakes, remembering if you do all the shopping now your child won't make his mistakes until he's grown . . . when everything will be more expensive. Try to set a realistic amount for an allowance. Start with a list of necessities and then add extra money for personal spending. It's a good idea to try to adjust a teenagers allowance on a fairly regular basis. In these years, expenses increase rapidly.

### Quality Education High on Stenholm Priority List

Charles Stenholm, leader in the 17th Congressional District's May 6 Democratic primary, is a strong advocate of quality education. Both Stenholm and his wife Cindy have education degrees and experience as teachers.

"I believe in quality education with local control and a strong foundation of the basic 'READIN', 'RITIN' and 'RITHMETIC' skills to insure that students graduating from public schools have the necessary tools for competing in our contemporary society," Stenholm stated.

"My personal experience as a teacher convinced me that the most critical ingredient in providing a good education is a devoted teacher. A supporting structure of closely knit parents and teachers at the local level is the second most important factor. Frustration and discouragement felt by parents and teachers are often in direct proportion to the distance we feel from the sources of intrusion by requirements and programs from the federal government that are not tailored to our local needs," said Stenholm.

Recent figures provided by the Texas Education Agency say that eight percent of the money required to operate the local school districts in Texas for the 1976-77 school year came from the federal government. "Red tape pressing down from Washington, even to the classroom level, was far out of proportion to this contribution," noted Stenholm.

"I believe that when federal funds are wanted and needed, they should flow directly as possible to the local school district with a maximum amount of local control and a minimum amount of federal control," stressed Stenholm.

## Beta Kappa, Kappa Theta Join for Founder's Banquet

Founder's Day of ESA was observed jointly on May 17 by Beta Kappa of Muenster and Kappa Theta of Gainesville.

Held in the Cooke County Electric Co-op Building, the event commemorated the beginning of Epsilon Sigma Alpha International in Jacksonville, Texas in 1929. The annual banquet served also as an awards banquet and installation of officers for the two sister chapters.

Decorations were in chosen colors of the incoming presidents, yellow and white, and of the sorority, blue and gold, featuring daisies and jonquils.

Seated at the guest book were Louise Fisher of Beta Kappa and Barbara Weaver of Kappa Theta. Invocation by Genie Gilliland of Kappa Theta and welcome by Jan Cain of Beta Kappa recognized Jean Hudnall, District VI president of Hurst and Retha Bejork, District VI coordinator of Grand Prairie.

Dinner, prepared and served by Kappa Theta members included a variety of meat, vegetable and fruit salads, bread sticks and crackers and frozen yogurt dessert.

A candle-lit jewel pin ceremony followed, conducted by Sandy Klement, Margaret Stomer and Barbara Weaver, by Ellen Marie Harden and Betsy Fleitman, presidents of their clubs. The jewel ritual is held for pledges completing a 6 month learning period and fulfilling all qualifications for full membership.

First Pearl Awards were presented to Loretha Cash, Geri Colwell, Lupe Evans,

The engagement and approaching marriage of Diane Yosten and Jim Grewing has been announced by her parents, Mr. and Mrs. Leonard Yosten. Parents of the future groom are Mr. and Mrs. Steve Grewing.

They will be married on Saturday, July 8 at 5 p.m. in Sacred Heart Church, with Father Stephen Eckart officiating.

The bride-elect is a graduate of Muenster High School, attended Cooke County College and has been employed as a secretary at Electrospace Systems, Inc., of Richardson, Texas. He is a graduate of Muenster High School and is employed as a machinist at National Supply in Gainesville. They will reside in Muenster.

## Rate Hike Granted by Commission Termed Inadequate by TP and L

Texas Power & Light Company officials termed "grossly inadequate" the \$40,585,000 revenue increase granted today by the Public Utility Commission. The amount is substantially below the amount requested by TP&L.

The Company's original request was for a \$118 million increase in General Operating Revenues. TP&L President R. K. Campbell said the Company will study the decision before determining what course of action it will take. Campbell also noted that the Company must determine whether it can continue with its present plans for converting from the use of natural gas and oil to alternate fuels such as lignite and nuclear for generating electricity.

Regarding the Commission's order, Campbell said the Company can accept the decision and file for another rate increase in the near future, or it can appeal the order.

"We presented a good case before the Commission," the TP&L President said. "While there is an element of judgment involved in the final decision, we feel the evidence we presented justified our request."

"We're greatly concerned about this regulatory trend," Campbell stated. "On the one hand the Commission encourages us to lower the customer's total bill, which we have been doing by increasing our use of lignite coal for generating purposes. On the other hand, the Commission, on two occasions now, has failed to grant us a proper return on the tremendous investment required to allow us to continue our conversion program as scheduled."

"We've made great strides in our construction program," Campbell noted, "and customer bills are lower today than they would have been had we continued high use of natural gas for generating purposes. However, a lack of sufficient return on our investment will hamper that progress. In the end it will cost the customers, both in money and in reliability of service."

Campbell said that seeking a rate increase is an expensive, time-consuming proposition, involving much money

lignite and transporting it to the plant.

The production process starts with removal of the top layer of dirt, called overburden, measuring 30 to 80 feet in thickness, to expose a seam of coal averaging 6 to 12 feet in thickness. The overburden is removed by an electric powered dragline with a work radius of 255 ft. Its bucket scoops up about 60 yards of dirt (80 tons) at one sweep. It removes 20,000 cubic yards in an 8 hour day.

The coal is removed by a power shovel with capacity of 12 cubic yards, into diesel powered haulers with capacity of 151 cubic yards (100 tons). Both the dragline and shovel are electric powered, the "extension cord" leading to them being about 4 inches in diameter.

Monticello has two each of those big units and nine haulers. Haulers are powered by 700 HP diesels using 20 gallons of fuel per hour.

Haulers take the lignite to a hopper for crushing to 6 inch size or smaller and feeding to a 2000 ton per hour inclined conveyor to the top of a loading silo which has a capacity of 2,475 tons. It can fill a 100 ton rail car in about a minute.

From this area the coal is transported in 15-car trains some 11 miles to the generating plant. A round trip, including loading, hauling, unloading and return takes about an hour and a half. Power for the trains is supplied by three electric locomotives and two diesel electric locomotives.

In comparing the lignite operation to gas operation, the first consideration is that all of the foregoing investment and expense are needed to deliver coal to the plant whereas the cost of pipe line is the only expense in making gas available.

Furthermore there is a vast difference in use of the two materials for generating electricity. Lignite requires more expensive procedure before it fires the boilers whereas gas is ready to use when the

valve is turned on. All of this clarifies the utility company statements that big expenses have to be absorbed before the company can start to save money by using lignite. However those costs are justified in the over-all great volume operation.

Comments on the generating plant's operation will appear in next week's column.
