Muenster jams Lindsay

On a night when many Muenster alumni came out to see one another and recognize the cheerleaders, the loyal fans and Hornet-exes were treated to a sweep of archival Lindsay before a foot-stomping packed house. The second annual "Jam the Gym Night" came out with a proper finale as the Muenster Hornets defeated the Lindsay Knights 45-39 to go to 6-0 in district play and 19-3 for the season. Earlier, the Muenster Hornets downed the Lindsay Knightettes 41-28 to also go 6-0 in district competition. The Hornets are 14-6 for the year. The surprise win of the night

came in the JV girls' game as the Muenster girls avenged a 28-point loss Saturday night with a 27-21 victory over the Knightettes "B" team.

A cold-shooting Hornet team fell behind by 8 points early in the first half as they shot a dismal 6 of 26 and went into the half trailing 17-15. They managed but 10 of 31 field goal attempts in the second half but hung on to win with a tenacious full court man defense. Senior Brian Hess led the attack with a hard-earned 18 points, including 10 in the fourth quarter. Mike Pagel and Dale Reiter each added 8 points with Pagel hitting 4

of 4 from the line down the stretch. Kevin Anderle scored 5 points, J. Shane Wimmer 4, and Weldon Hermes 2 points. Phil Metzler hit 14 for the Knights followed by Craig Neu with 13.

"Tough night shooting the rock," commented an exhausted Coach Ted Heers after the game. "Those 41 misses and shooting 12 of 23 at the free throw line just wore me out. We're thankful we reached down and hit some clutch shots and got the win. Anything can happen and, as far as we're concerned, we have four super tough district games to play."

Hennigan seeks office of Tax Assessor

PAT HENNIGAN

Worth and currently operate "Pat Hennigan Accounting Services" as a self-employed accountant.

I am the organist and choir director of St. Mary's Catholic Church and also a member of the Parish Council.

I filed by the petition method because, in my opinion, this was a practical way to practice economy and it provided me the opportunity to get out and meet the people.

I feel confident that I will be able to assume the responsibility of assessing and collecting much more economically and efficiently than the incumbent.

The people have a wonderful opportunity to combine all the services of property appraising, tax assessing and collecting into one office. The appraisal duties can be handed over to the Tax Assessor-Collector by appointment from the five-man Board of Directors of the Appraisal District. The Assessor-Collector has five years to become certified as a Registered Professional Appraiser and Registered Tax Assessor-Collector. There are presently 31 counties in Texas with this combination of Tax Assessor-Collector and Appraiser.

I am willing, when elected, to accept the responsibility of Chief Appraiser, if appointed by the Board.

The people, by popular vote, have said that they want a one-stop tax service in Cooke County. I believe it would be much more economical to have the property appraisals, tax assessing and tax collections all in one office.

I am looking forward to serving the people in Cooke County. I, unlike the incumbent, intend to greet the taxpayers on a personal basis. I will never forget that I am elected by and working for the people.

Pat Hennigan, Jr. has submitted the following as his announcement of candidacy for the post of Cooke County Tax Assessor-Collector.

I am a resident of Cooke County; attended elementary school in Muenster; and graduated from high school at Subiaco Academy in Arkansas. I served in the U.S. Army from 1969 to 1971, stationed at Ft. Bliss, Texas. I worked in the Chief of Staff office, and as an Administration Specialist at Camp Long, Wonju, Korea with the Korean Military Assistance Group (KMAAG).

After being discharged from the service, I was employed by National Supply Co. for 13 years. While working at National, I attended North Texas State University and graduated in 1981 with a Bachelor degree in Banking and Finance.

I attended the Becker CPA Review Course and sat the CPA exam in November 1987 in Fort

Gainesville hosts district recognition dinner

For the first time ever, Gainesville was host to the annual Recognition Dinner for the Boy Scout Frontier Trails District. The Frontier Trails District includes Cooke and Denton Counties and is part of the Longhorn Council.

Many adult volunteer Scouters were recognized for their efforts in the Boy Scout and Cub Scout programs. Among them were Lupe Evans of Muenster who received the Scouter's Key for her work as Unit Commissioner from Cooke County and Earl Russell of Gainesville who received the Wood Badge Training Award for completing an extensive Scout Leader's training course. Both are prestigious awards.

Lupe Evans and Shirley Weems of Lindsay co-chaired the event at

First United Methodist Church. Muenster Cub Scout Pack 664 conducted the opening and closing flag ceremonies. The dinner was catered by Ginny's Catering of Muenster.

District Executive Kevin Steffy of Denton recounted 1987 highlights for the district which has over 2,000 boys involved in Scouting. 1987 was a record year for advancements.

Scouting official John Morton of Fort Worth was the guest speaker. He delivered a talk concerning the importance and uniqueness of the Scouting program for youth in today's ever faster and more stressful world.

Steffy concluded the evening with thanks and a request for renewed commitment to Scouting.

All of you who have been baptized into Christ have clothed yourselves with him.

Free bus to Austin

There will be a bus leaving Muenster on Jan. 27, 1988 at 7 a.m. to go to the State Highway Commissioners' meeting. There will be two groups speaking at the hearings on the Red River Bridge. Nocona is to speak at 2:15 and they have a busload and are beginning their second bus to attend the hearings.

Muenster, Saint Jo and surrounding area will be speaking at 2:30 p.m. We need more people to go to the hearings in support of a bridge across the river. "We have done enough lobbying in Austin to know the effect that sheer numbers has on them. What we need is bodies to go," stated Clyde Fisher.

If you can attend, call the Chamber office at 759-2227 to sign up for the bus. The bus will be at the Muenster Public School stadium parking lot at 6:30 a.m. on the 27th to begin loading. They will pull out promptly at 7 a.m. in order to reach Austin by 12:00 noon.

Reservations have been made for a "Dutch Treat" luncheon in Austin at noon. The hearings will begin at 2 p.m. in the Dewitt C. Greer Building at 11th and Brazos. The bus will be leaving Austin following the hearings and will arrive in Muenster approximately six hours later. The extra time allows for a supper break on the way home.

Letters to the Editor

To the Editor:

Re: The article in **The Muenster Enterprise** Jan. 8, 1988, Council addresses rate increases, pornography.

In the past few years, I have visited Muenster many times. Almost every visit, I go to the Encore Video Store. I have never seen any X-rated films there, nor have I inquired if they had them. However, I would like to think that if I did want to rent one, that I am intelligent enough and have the right to do so.

Let me state that I am a mother, grandmother and have been a Baptist all of my life. I believe that I am supposed to influence others by living and setting an example, not by my mouth.

What really disturbed me about the article was: First - the Bible says "Thou shalt not steal." This was passed over like it was nothing and someone did steal. Then the

circumstances "as explained in the paper." I really find it suspect that Taylor received an "anonymous" phone call and found the video tape and a note on his car hood. I live in a town of 15,000 people and almost always recognize a voice when I'm called. Let me tell you that if someone called me and said they were placing stolen goods on my car or premises, I'd say whoa, not here you're not. Also, shouldn't Taylor have immediately called the police? To report this unlawful incident? If a parent did sneak over and leave the tape knowing his child had stolen it, what kind of example is that? Does that child now know it's okay to steal - I got away with it? Does the child know what his parent did? Surely he reads the paper.

Now, I know for a fact that the people that run Encore Video are hard working, honest people.

They have a lovely family and are good neighbors and friends to everyone. They live in Muenster and trade in Muenster. Didn't the City Council owe them the decency to call them or the police and report the incident? They are part of the city, they own a business, pay taxes, live there, pay bills. Certainly they should have been represented. Also, who is paying the rent on the tape all this time?

If real honest to goodness justice is what we're talking about, I really think pornography, in this case, should be at the bottom of the list. But if there is to be an ordinance, the people of Muenster should get to vote on it, they might not want a few people taking away another right.

I also think that if the rest of Texas knew about this, they'd probably ask Muenster to secede from the state.

Sincerely,
Wilma Neal

Register to vote!

Georgia, Kentucky, Louisiana, Mississippi, Missouri, North Carolina, Oklahoma, Texas and Tennessee.

Texas Secretary of State Jack Rains has also announced that his office is asking leaders from the business community throughout Texas to encourage their employees to register to vote before the Feb. 7 (or Feb. 5) deadline. His announced goal is to sign up one million new Texans in 1988.

The Gainesville League of Women Voters, according to Betty Buttolph, Voter Chairman of the LWV, is also contributing to voter education by holding an Election Judges School at the Chamber of Commerce on Saturday, Feb. 6, at 10 a.m. This school will be conducted by an attorney from the office of the Secretary of State at Austin. There is no admission fee. It is open not only to election judges, but also to workers at the polls, to any who may wish to work there, and also to

those who may just wish to learn more about the election process.

With the March 8 "Super Tuesday" Presidential Primary looming on the horizon, Wal-Mart and the League of Women Voters are cooperating in a voter registration drive. Locally, this activity will take place at the Wal-Mart Store on East Highway 82 on Friday, Jan. 22, from 10 a.m. until 8 p.m., and on Saturday, Jan. 23, from 10 a.m. until 6 p.m. Staffing for the registration will be provided by the League of Women Voters - Gainesville.

To vote in the March 8 Primary, a person must be registered to vote by Feb. 7 (or, by Feb. 5 since Feb. 7 is on a Sunday).

Through a cooperative agreement between Mr. Sam Walton of Wal-Mart, Inc. and the League of Women Voters, this year's voter registration drive at the Wal-Mart Stores is being carried out throughout the states of Arkansas, Alabama, Florida,

The founding of the Montessori system

by Bronte Gonsalves

Dr. Maria Montessori (1870-1952) was an Italian physician, the first woman doctor in Rome. She developed sensorial activities and materials appropriate to the child's developmental stages. These materials reflect her philosophy that the child's experience should be in an environment where he could handle materials which would demonstrate basic educational information to him. When she was forty years old, she made an oath to serve the Catholic Church in the reform of humanity. Her contribution to religion was central to the development of her pedagogy. Although the religious aspect has been omitted from some training programs, and overlooked by authors, the Catholic Church has continued and developed the sensorial approach to education, to wonder and the Kingdom of God. The importance of the sensitive periods for learning extends to the material to be presented for the development of the religious potential of the child. To explore God's existence, the reality of God has to be assumed and Catholic symbolism used in the exploration. Montessori provides the experiential base for the Catholic symbol system.

Much could be said about the life and work of Dr. Montessori, but it is her final message, written the day before she died, that conveys to us that she was a Catholic educator with a message that is relevant today.

Never, as at this moment, has the Christian faith needed the earnest endeavor of those who profess it. I would ask that you who are gathered together in this meeting to consider the great aid that children can give to the defense of our faith.

Children are sent to us as a rain of souls, as a wealth and a promise that can always be fulfilled; but that needs our efforts in bringing about that fulfillment. Do not consider the child as a weakling; for it is he who builds the human personality, and whether this personality is going to be Christian or not depends on his environment and on us who are the guides of his religious formation.

Do not consider that because the young child cannot understand in a way that we do that it is useless to make him partake in our religious life. It is among the simple people whose women take their children to church while they are still breast-fed that the staunchest faith is found. The child unconsciously drinks in divine powers, whilst the reasoning powers of the adult is but human.

It is by you who enjoy the great boon of belonging to the Catholic faith that the responsibility of the future generations should be more intensely felt; for among you are those who have renounced the world to bring the world to God. Take then as aid in your task, in all humanity and faith, the "all powerful children" (Benedict XV); take upon yourselves the task of seeing to it that their limpid light be not dimmed; and protect in their development those natural energies implanted in them by the guiding hand of God.

There are outstanding Montessorians who have made a contribution to religious education including Mother Isabel Eugenie. Mother Isabel Eugenie, Religious of the Assumption, was born in London, England in 1892. She came to the United States in 1960 and helped establish the first Montessori course at the Whitby School, Greenwich, Connecticut. She wrote about the connections between the various aspects of religion and the child's developmental stages. According to Mother Isabel, the preschool child has a great sense of wonder, a real intuition of the supernatural, and everything in his soul carries him to God. It is at this age that he receives his first ideas of God. The child will make his own ideas of God the way that God has been presented to him. The idea of God which we have given him, determines his whole future spiritual life, his relations with God and perhaps his eternity.

Boyhood Recollections

The Muenster Enterprise has initiated a new feature highlighting childhood recollections of boys and girls, original accounts sent in by readers whose special memories of events deserve to be preserved in print. We think readers will surprise themselves in their ability to recall items of interest, and retell the stories by capturing and preserving their special significance. We hope readers will dip into almost forgotten childhood memories, and retell great stories, and we sincerely hope they will be willing to share them with others.

We'll be ever so glad to assist or edit if requested to do so. In early December, **The Muenster Enterprise** printed an article written by Dr. Bernard Luke, D.D.S., recounting one vivid memory of a nine-year-old boy. Many favorable comments were received from a number of readers.

The following is an article written by Willard Zimmerer. He and his wife, the former Rosebell Haverkamp of Muenster, now live in Farmers Branch. He is an Operations Supervisor for State Farm Insurance Co. He is the son of Mrs. Lena Zimmerer of Lindsay and the late Andrew Zimmerer.

Happy times at the Voth Ranch

by Willard Zimmerer

Some of the most memorable times of my childhood center around the home of my grandparents, the late Mr. and Mrs. Barney Voth. The ranch, south of Muenster, where Ray and Tee (Theo) Voth now live, was the site of many a happy family gathering.

We lived south of Myra on the Felderhoff farm by the Reed Cemetery when it came time for me to start school. This was the fall of 1939. It was decided that I would stay with Grandpa and Grandma during the week and go to Sacred Heart School from there. Driving back and forth from Myra was too far in those days. I did this during the first grade and half of the second grade. We moved to Gainesville at mid-term in my second grade. While we lived at Gainesville, I spent at least a week or two at the ranch every summer during my childhood.

With my mother being one of the oldest in the family, I was one of the first grandchildren. There were lots of uncles and aunts around and I received plenty of their attention. I enjoyed that and they seemed to enjoy having me around but my endless questions probably grated a few nerves. I remember the stock answer to "What's that for?", "What's this for?" was "That is for little boys to ask questions about." Uncle Tee, do you remember telling me that?

Several of the unmarried uncles and aunts still lived there and some were in and out. I recall Tee, Lee and Gerrie being there a lot. Ray and Rita were away at school most of the time and Mary worked in Wichita Falls.

While going to school in Muenster, I remember being taken in, in the morning as the milk was taken to the cheese plant. In the evening I was picked up by one of the uncles or aunts or walked home along with the Victor Hartman children and Herbie and Jerry Fette. I also rode along with one of the uncles on the morning milk haul when I stayed there in later summers. A stop at the cafe afterwards for tomato juice was pretty regular. I never could figure out the big deal over tomato juice as they discussed partying the night before.

There were a lot of Christmas gatherings but I remember one in

WILLARD ZIMMERER, 1939

particular. We were all gathered in the living room when all of a sudden Santa Claus' boots fell down the chimney and landed with a loud noise in the fireplace. Children ran screaming and crying in all directions. I know that the mischievous uncles and aunts got a bang out of that one.

Horseback riding was an activity I enjoyed and there was plenty of opportunity and room to do so in the large pastureland.

I remember feeling uneasy whenever we got close to the house of the headless woman. This was an old house at the back of the ranch and the uncles concocted a story about a headless woman who lived there. I understand that not only children but some adults believed the story at the time.

WILLARD ZIMMERER, 1988

Grandpa died in 1948 and Grandma moved to town shortly after that. Things were never the same. I feel very lucky to have been one of the older grandchildren and being there during that special time.

THE LARGEST white-tail deer shot in Cooke County in 1987 became the proud trophy of Alan Baldwin on Saturday, Dec. 12, at 6:59 a.m. The 23-point rack measured 18 inches outside spread. The buck weighed 175 lb. and dressed out at 111 lb. Baldwin used a Ruger .308 rifle. In 1975, he shot another 23-point deer, and from the same tree. Alan Baldwin is the TP&L area representative. He and his wife, Rhonda, son Cloy and daughter Amanda live in Muenster.

St. Richard's Villa News

The birthday party on Dec. 3 at St. Richard's Villa honored three residents: John Kupper, Loraine Hughes and Bertha Bewley. Betty Rose Walterscheid baked a large cake to honor her father's birthday.

Open House was held on Dec. 19. Pam Fette played the guitar and she and Irene Hartman sang at 2 p.m. Rosemary Dankesreiter came with her piano students Joy Tisdale, Leslie Grewing, Kerri Reiter, Valerie Bartush, Randy Reiter, Todd Reiter and Dana and Tommy Joe Dankesreiter. Each student presented piano solos. They were served chocolate candies.

Joe Hoenig played the piano at 3 p.m.

Janice and Dave Bayer and Eileen Fisher played the casio and sang Christmas songs at 3:30 p.m.

Mildred Lawson played the accordion at 6 p.m. and Margaret Loerwald assisted her in singing.

Santa Claus arrived at 6:30 p.m. with gifts for all the residents. Cookies, cakes and punch were served. Louise Fisher brought a cake; Mildred Lawson brought cookies.

A great many guests came to call during Open House. Everyone here is very grateful. Special thanks are offered to Jan Cain and Caroline Hess for facials; Cathy Tate and Betty Gilpin for hair care and Gerrie Walterscheid for manicures the morning of Open House.

On Dec. 21, residents of St. Richard's Villa enjoyed a doughnut and juice party hosted by Doris Grewing.

Billie Fleitman and Aileen Dyer brought the Camp Fire girls out to entertain the residents on Dec. 23. The girls served diet punch and angel food cake. They also made candy reindeers for each resident and a sack of presents. Bingo games followed.

Residents would like to say "Thanks for Caring" to the Jaycee carolers on Dec. 13; the FHA carolers on Dec. 12, with Joni Sturm who also brought cookies; the Blue Birds assisted by Pam Fette and Irene Hartman; the Muenster 4-H Club; and the Cooke County CB Radio Club who came on Dec. 24 bringing beautifully wrapped gifts for all the residents.

Visitor expected by Secular Franciscans

Secular Franciscans of Sacred Heart Parish, meeting Sunday afternoon, heard completion of plans for the Feb. 2 visitation of Father Tom Gardner, provincial from Chicago.

Marie Henscheid, local prefect,

has been in communication with Theresa Hermes, prefect of Lindsay St. Peter's fraternity and together they agreed on Lindsay hosting the visitation as Muenster has hosted the previous one.

The visitation program includes Mass in St. Peter's Church, a covered dish luncheon and afternoon meetings in the Lindsay Parish Hall. Time for the Mass will be listed on parish bulletins after word from Father Gardner. Local members discussed pooling their cars for the trip to Lindsay.

The Sunday meeting in Sacred Heart Church began with unison recitation of the divine office led by the prefect. Ten members and Sister Barbara Bernauer were present.

In other business, following plans for the visitation, members heard letters from their adopted families in India. Both wrote of appreciation for the monthly contribution, of their weather and their family members and included Christmas greetings and assurance of prayer.

Another letter came from the fraternity's contact in Ohio who is in charge of forwarding money to

the Indian families. She reported having 84 sponsors for 112 families during 1987.

After the concluding liturgy, the meeting closed with the peace prayer.

Girl Scouts set cookie time Jan. 15 - Jan. 25

Brownies, Juniors, Cadettes and Seniors of Cross Timbers Girl Scout Council will be taking orders starting Jan. 15, 1988 through Jan. 25, 1988. Cookies will be delivered from Feb. 12, 1988 through Feb. 29, 1988.

This year delicious Echos, Samoas, Thin Mints, Do-Si-Dos, Tagalongs, Trefoils, and Chocolate Chunks will be offered. Little Brownie Bakers, of Louisville, Kentucky, who are baking for our 1988 Cookie Festival, have chosen for its theme:

Girl Scouting: A World of Friendship

Should you be concerned about your waistline so close after the holidays, be assured the cookies are baked with health-oriented

mothers in mind, who count calories and insist on quality ingredients; also, Girl Scout Cookies are kosher. For \$2.00 per box, this is a bargain!

The Council-wide money earning project, which is held once a year, has a dual purpose. It helps to support Council operations, maintain Council property, provide for camp program equipment, and finance special girl events. The Cookie Sale is also an integral part of the Girl Scout Program, because it promotes assertiveness, self-confidence, alertness and safe salesmanship practices.

Cross Timbers is a United Way Agency, serving girls in Denton, Cooke, Wise, Montague and Grayson Counties.

For more information, call Loretta Felderhoff at 759-4479.

December 19 ceremony unites couple

Paulette Marie Yosten became the bride of Timothy Paul Sepulvado on Dec. 19 in a Nuptial Wedding Mass at 7 p.m. in the Robert Carr Chapel on the Texas Christian University campus in Fort Worth, with Father Warren Murphy officiating.

The bride is the daughter of Mr. and Mrs. Paul Yosten, former Muenster residents, and the groom is the son of Mr. and Mrs. Joseph Sepulvado, all of Fort Worth. The bride is also the granddaughter of Theo Miller of Muenster.

The bride was presented at the altar by her father. For her wedding, she chose a J.P. Original gown of ivory Chantilly lace and tissue taffeta. Designed with a sheer sculptured yoke, the bodice of ivory Chantilly lace featured a sweetheart neckline and Elizabethan sleeves that came to points at the wrists.

From the elongated waistline, the A-line skirt of ivory tissue taffeta fell to slipper length, and featured a picked-up hem front for an elegant accent. Her fingertip length veil of ivory illusion was delicately traced with matching lace, sprinkled with lace motifs, and secured to a band of lace and pearls.

The bridal flowers were carried in a crescent-shaped cascade of calla lilies, green ivy and ivory ribbons.

ATTENDANTS

Bridal attendants were maid of honor Loretta Holland of Cleburne, cousin of the bride, who is also the daughter of Curtis Holland and former Muenster resident, the late Dorothy Mae (Yosten) Holland. Bridesmaids were Glenda Vaughan, Amy Holland and Adele Kohl, all of Fort Worth. Angela Burns of Saginaw, bride's niece, was junior bridesmaid. Flower girls were Lindsay Baker and Kara Yosten, bride's niece. Joshua Baker, nephew of the bride, was ring bearer.

The best man was Mike Greenleaf. Groomsmen were Danny Sepulvado, groom's brother, Steve Holland and Mike Payne, friends of the groom, all of Fort Worth. Brandon Baker, bride's nephew, was junior groomsman.

Ushers were nephews of the bride, Jeff Walterscheid and Sam Walterscheid, both of Muenster,

and Brett Burns of Saginaw.

The bridesmaids were attired in dark emerald green, tea-length dresses. The bodice was designed of velvet, featuring a bateau neckline and short, puffed sleeves. The full skirt of iridescent taffeta was attached to the bodice at hip-line, accented with a side-bow of taffeta.

The junior bridesmaid and one flower girl, Angela and Lindsay, wore dark emerald green velvet street-length dresses with short puffed sleeves. The full skirt of red and green Christmas Tartan plaid taffeta was attached to the dropped waistline and featured a wide sash and bow at hip-line. The girls also wore ivory Belgian lace collars, a gift from their aunt, the bride. Kara wore a red and green plaid taffeta, designed with a high waist, Peter Pan collar, short puffed sleeves topped with an ivory embroidered eyelet pinafore.

The bridesmaids each carried three calla lilies in ivory illusion and ivory ribbon bow. The flower girls carried white wicker baskets.

The bride's uncle and aunt, Mr. and Mrs. Stan Yosten, presented Offertory gifts at the altar.

RECEPTION

A reception followed at St. Thomas Parish Center where 225 guests signed the bride's book.

A buffet of pick-up foods was served. Betty Rose Walterscheid baked and served the three-tiered, ivory on ivory bride's cake and the double layered, heart-shaped groom's cake. Tables were decorated with ivory lace cloths, and red candles in holly wreaths.

Since returning from a ski trip to Purgatory, Colo., the couple is at home in Fort Worth. She is a student at TCU and is employed at the GSA office in Fort Worth. He is a student at Tarrant County College and is employed at the Fort Worth Public Library.

Among relatives attending the wedding were Clyde, Sharon, Jeff and Sam Walterscheid; Robert and Betty Miller; Herbert and Dolores Miller; Bill and Terese Miller; Tommy and Barbara Felderhoff; Kerri Yosten; Mr. and Mrs. Buddy Yosten; Ervin, Carol, Shirley and Doris Henschel; Leigh Ann Bayer and Doug Walterscheid; Randy and Marilyn Bayer and children and spouses; Becky and Tom Felderhoff, Jr.;

Cub Scout News

The first den meeting of the new year for the Scouts of Den 4 was held on Jan. 4. They opened their meeting with the Cub Scout Promise and the Pledge of Allegiance to the Flag. Elections were held for denner and assistant denner for the month of January. Mark Walterscheid was elected denner and Ryan Klement will serve as his assistant.

The Scouts then began to discuss folklore and what it is. They played the folklore game in their Bear book in which they had to match several famous people and legends with things that made them famous. Several they had to know something about were Bigfoot, Casey Jones, Molly Brown, Daniel Boone, Pecos Bill and Davey Crockett. This was a fun game and the boys learned something of the country's past heroes.

Before adjourning, they discussed the upcoming popcorn sales and a new rule that has become effective in the Longhorn Council and all other councils in the country in which all outings must have two adults accompanying the boys.

The Dec. 14 meeting of Den 4 was opened with the admiration of the fresh falling snow and the many designs of the gigantic and beautiful snowflakes. After the excitement, the boys settled down to finish working on their clothespins and adding a plastic ring to the back as a napkin holder. Many of the boys decided to use one of theirs as a Christmas tie.

After finishing their reindeer they enjoyed playing a game of Simon Says and Santa's Pack in which each boy was a different toy and loaded in Santa's pack until it broke when they all rush to get a chair and the remaining boy was then Santa filling his pack. The boys had a lot of fun with the games.

Refreshments of Christmas cookies and apple juice were served by Michael Flusche. Before leaving, the boys were reminded of the Christmas party and pack meeting next Sunday at Fantasia Skating Rink in Gainesville.

They are to meet at the Dairy Inn at 1:30 and will carpool to Gainesville. This is a family event and brothers and sisters and moms and dads are encouraged to attend and join in the fun.

The annual Christmas party for the Cub Scouts of Pack 664 was held on Dec. 20 with a skating party at Fantasia Skating Rink in Gainesville. Each boy and his family were invited to come and skate for three hours and have lots of fun. For many of the boys, this was a first time skating experience and they all seemed to learn fast and were skating around the rink by the time it was time to go.

The pack provided each boy with a drink and refreshments of brownies, cookies and doughnuts were brought by the parents and enjoyed by all. The pinewood derby cars were given to each Cub Scout as Christmas gifts. Den Leader Ernie Martin in turn presented each Scout in his den with a gift from him and wished all a Merry Christmas.

Everyone had a jolly good time and are anxious to go skating again.

After the skating party on Dec. 20, the boys of Den 4 met afterwards at their den leader's home for a Christmas party and gift exchange. The boys enjoyed playing a game exchanging gifts to the story of 'Twas the Night Before Christmas where they had to pass the gift they were holding each time the word THE was said. At the end of the story, the gift they were holding was theirs to keep. They also opened gifts from their leaders of canteens which they intend to put to use next year as Webelo Scouts.

After the gift exchange, the boys all eagerly helped in the preparation of the hamburgers which they heartily ate with all the trimmings. In helping cook the hamburgers they were able to complete some of the work in the cooking achievement in their Big Bear Book.

Next event for the Cub Scouts will be on Dec. 28 when they go and tour Denison Dam.

Cub Scouts of Pack 664 were together during the Christmas holidays when they met at the Dairy Inn for a trip to Denison to tour the dam.

Upon arriving at Denison Dam, the boys were given the royal treatment. They were greeted at the door by tour guides and taken through the dam and were shown the generators that are used when they are generating electricity at the dam. They were then taken throughout the site and shown

where the flood gate operations take place, how the water goes through the flood gates and shown the trash traps that catches logs and debris to keep it from going through the gates. They were shown the different types of wrenches used to turn the many valves at the dam and were able to hold some of them to see how heavy they were. They were able to see many types and sizes of light bulbs that were used throughout the dam. The boys were encouraged

to stay close together during the tour and not stray because the guides did not want them to meet up with the alligator.

The boys enjoyed the tour tremendously and had a good time. They also want to extend sincere thanks to Sacred Heart School for the use of a school bus for their trip. Adults accompanying the boys were Ernie and Anita Martin, Yvonne and Valerie Bartush, Dave Berres, Cliff Sicking, Lois Sicking and Shirley Knabe.

Homemakers meet in Appel home on Jan. 13

The Muenster Extension Homemakers Club took advan-

tage of the thaw and sun following a week of inclement weather to hold their meeting on Jan. 13 in the home of Lillian Appel.

Jaci Bilderback presided for the business meeting. The hostess read the Inspiration, "For So Many Things I Give Thanks," her original composition.

An informative program on Medicare was presented by Florence Williams and Olivia Wimmer. They explained the different services allowed and disallowed; the right of all to receive good medical care; and one's right to question and to appeal a refusal of claim.

All enjoyed a white elephant auction with Bertha Pick as auctioneer. This netted the club \$65.00.

The hostess served Strawberry Snowball Cake with coffee. Dorothy Fisher will be hostess for the February meeting.

Yosten's trip to Detroit ends in disappointment

An award for John Yosten and the distinction of being singled out by Ford Motor Co. as one of six representatives nationwide to participate in a training film, gave John and his wife, Pat, the opportunity to fly to Detroit where he would join the select group.

The film concerned a test program carried on by Ford Motor Co. for a full year in the Dallas, Boston and Washington State districts. The program was to be adopted nationally and the film intended as an instructional aid.

Of the six men selected, four were metro representatives and two represented small towns. The test program has now been adopted for all dealers across the land. But John was denied the opportunity to participate in the film, as was the other small town business man. Both were iced in by the seige of icy weather during the past several weeks.

Dramatically, his flight was haunted by cancellations and delays. The ice storm on Wednesday, Jan. 6, spread over a wide

area including the Metroplex and all the countryside.

John and Pat related, "We were due to take off at 1 p.m., and were told to board. And there we sat until 6:45 p.m. Periodically, we were told that we'd 'leave shortly.' It was like a rolling delay."

Shortly after take-off, they suddenly realized they would endure a new experience.

They continued: "We have flown many times and were accustomed to the surge and jerk. When we finally got underway and shortly after becoming airborne, we felt more than a usual jerk, sharp enough to alert the seasoned travelers. We were then told, 'We've lost an engine and will return.' We flew around to drain fuel and landed within 15 minutes. All planes landed safely, but the planes were so stacked in and the ice problems were so severe that we sat on the runway for another 2½ hours. No gates were available or clear to permit us to disembark. So, we spent the entire night there, and after all

those hours, we were exactly where we started. Friends came to get us the next morning."

Both the Yostens expressed great admiration for the pilot. They said, "It was a great disappointment missing the big oppor-

tunity in Detroit, but overshadowing that was the skillful performance of the pilot of that huge crippled plane," John concluded. "That pilot did one helluva good job bringing us down."

4-H Club hears reports and sees new fire truck

Twenty-two members attended the Jan. 12-4-H Club meeting.

Reports were given by Sherilyn Sicking on the visit to St. Richard's Villa; by Weldon Bayer on the visit to a county rest home; by Barbara Bayer on the Littlest Angel Program; and by Keith Vogel on the Ag Industry Project.

The Ag Industry meeting has been re-scheduled for Jan. 23 at 9 a.m. at Kupper's Dairy.

Members were reminded of

coming activities, including Rifle and Leather projects and "Share-The-Fun."

Following the business meeting, the 4-H'ers enjoyed a special report from the Muenster Volunteer Fire Department, given by Herbie Knabe, fire chief, and by Harvey Schmitt. A special treat was getting to see the new fire truck.

Refreshments were served. The meeting was reported by 4-H member, Werner Becker III.

Last week's results... MHS teams win 4

Both the Muenster varsity swept games from Prairie Valley and Forestburg on the road last Thursday and Friday to keep their district records spotless.

The Hornets established a perfect 5-0 slate with a 50-21 win over the Prairie Valley Bulldogs and a 75-22 win over the Forestburg Longhorns. Against Prairie Valley, Melody Klement scored 14 to lead the scoring, followed by Dana Wimmer with 10. Jennifer Carroll, Meredith McDaniel and Staci Walterscheid scored 6 each. Melissa Bayer hit 4, Jenny Wimmer 2 and Tara Walterscheid 2.

At Forestburg, the Hornets jumped to a 37-6 first half advantage behind 12 points from Walterscheid and 12 from Wimmer. Wimmer finished with a career best 23 for the night. Walterscheid scored 21, followed by McDaniel with 13, Klement 12, and Carroll 6. The girls ran their season ledger to 13-6.

The Hornets played the Bulldogs without leading scorer

Brian Hess, but looked good as they outscored Prairie Valley 43-16 in the second half. Leading only 24-16 at the half, Muenster pulled away with a 21-4 run in the third stanza. Mike Pagel hit a career high 20 points and also a varsity best 15 rebounds. J. Shane Wimmer added 19, Kevin Anderle 18, Dale Reiter 8, and Keith Klement 2 as the Hornets cruised 67-32.

At Forestburg, the Hornets met the unbeaten Forestburg Longhorns (3-0) and cruised to a 69-51 win by taking a 35-16 halftime advantage. Hess, working the kinks out of a sore knee, hit 22 points. Anderle finished with 13, Wimmer 10, Pagel 8, Reiter 6, Keith Klement 2, Chris Klement 3 and Alan Hudspeth 2. Jaime Cappuchina paced the Horns with 22 points.

"We struggled offensively and got sloppy in the second half," said Coach Heers, "but we played good team defense and managed a big win."

The Hornets go to 18-3 and 5-0.

HORNETS Continued from Page 1

The Hornets also had a cold night as they hit only 20 percent for the night. However, Lindsay fared a little worse and Muenster played a strong second half on the boards to get a 41-28 victory.

Meredith McDaniel and Staci Walterscheid combined for 21 points, including 10 of 11 free throws in the final quarter. McDaniel scored 11 and Walterscheid added 10 points. Melody Klement scored 9 points, while Dana Wimmer added 13 rebounds to go with 7 points. Freshman Melissa Bayer scored 4. The Hornets have averaged 55 points a game in district play while allowing only 26.

"When Muenster and Lindsay play you can throw stats and previous records in the lake," said Heers, "it is the kind of rivalry you love to play. It takes a lot out of you. You get twice as emotional and twice as tired."

The junior varsity girls played a superb game as they came back from Saturday night's loss at Lindsay 40-12 and defeated the Knightettes 27-21. Tara Walterscheid scored 12 points to lead the Hornets. Lisa Robison added 6, Kim Hess 4, Gaylia Brunson 2, Kim Anderle 2 and Denise Anderle 1.

The Muenster Athletic Department wishes to extend a warm thanks to Marlene Fisher, Carol Dyer, Lou Heers and any others who helped coordinate the gathering of the ex-cheerleaders. Also, local merchants Hess Furniture, Tops and Teams, Hamric's, 82 Liquor, Dairy Inn/DI One Stop, The Center and R&R Pipe were greatly appreciated in helping make "Jam the Gym II" fun and successful.

Junior high teams tangle; split wins

In one of the most exciting games of the season, the visiting Tigerettes won a 32-31 overtime thriller over the host Hornets. The boys' game wasn't as close as the Little Red Hornets remained undefeated (7-0) with a 53-22 win.

The girls' game provided thrills, spills and heartwrenching action. Sacred Heart jumped out early behind a hot-shooting Vicki Bayer to a 16-8 advantage. Slowly the Muenster girls crept back and, with 30 seconds to play, the score was tied 27-27. Hornette Amy Dankesreiter, who came off the bench to score 3 points and direct the comeback, found Joy Tisdale underneath for a layup with 13

seconds. She was fouled. The free throw wouldn't fall and Tigerette hero Jennifer Walter got the miss and dribbled the floor to fire a three-point attempt; it was no good, but, she was also fouled. Walter, the Knights of Columbus 14-year-old free throw champ Sunday afternoon, calmly sank both shots to send the game into overtime.

Substitute Christy Yosten fired in a 3-pointer to give the Tigerettes a 32-29 lead. Julie Hess came back with 2 to pull the Hornets within 32-31, and it finished that way. Tisdale paced Muenster with 13, Julie Hess scored 7, Kristi Bierschenk 4, Dankesreiter 3, Jami Flusche 2, and Stephanie Wimmer 2. For the Tigerettes, Jennifer Walter had 14, Vicki Bayer 9, Lisa Schilling 3, Christy Yosten 3 and April Truebenbach 2.

The boys' game was sparked by Hornet Ryan Sicking's 16 second quarter points as Muenster pulled out to a 28-9 halftime edge. Sicking scored 20, followed by Justin Ramsey 11, Mike Gobble 7, Tony Perryman 6, Rex Hughton 5, Mike Vogel 2, and Doug Hennigan 2. The Tigers were led by Stevan Nasche with 10, Steven Fisher with 6, Greg Hess with 5 and Darren Klement with 1.

Muenster JV teams win 2nd at Lindsay

Saturday, both the Muenster Junior Varsity girls and boys fell in the championship games to the host Lindsay to finish in the four-team tournament. In first round action, both Muenster teams defeated the S&S Rams while Lindsay defeated Saint Jo.

The Muenster Hornets stopped the S&S squad 34-26. Denise Anderle scored 10, followed by Lisa Robison and Tara Walterscheid with 7 each. Kim Hess and Kim Anderle added 5 apiece.

Against Lindsay, the Lady Hornets never got untracked and fell 40-12. Robison scored 5 points, Denise Anderle 2, Walterscheid 2, Jefflyn LeFevre 2 and Kim Anderle 1.

The Muenster Hornets beat a taller S&S opponent behind good outside shooting from James Hennigan with 22 points and Weldon Hermes with 16. Troy Pagel added 10, Brad McDaniel 4, Joe Paul Walterscheid 5, and Brian Reiter 2.

In the championship game, the Knights held off several Hornet rallies to pull away 66-50. Hermes scored 25, Hennigan 15, McDaniel 5, Walterscheid 4, and Erin Perkins 2.

KIM HESS (23) sets up for a basket while Karri Ramsey, center, waits for the rebound. Kim Anderle (30) is ready for a pass at the Tuesday night JV game. *Dave Fette Photo*

Hornets ranked by latest TABC poll

The Muenster Hornet basketball team ran their season record to 19-3 Tuesday night after learning that the Texas Association of Basketball Coaches had tabbed them the 25th ranked Class A squad in the state. Muenster is a member of District 33-A and the A classification consists of 318 basketball teams.

"They have worked hard and deserve the notoriety," Coach Heers said of his Hornet squad. "I know we haven't looked like a Top 20 team the last couple of outings, but that's basketball. Your offense comes and goes but

the defense is there every night and defensively we have been very tough."

Muenster has averaged 60 points a game and given up 41 points per game for the season. In district play, they are averaging 60 points while defensively they are surrendering 42 points. Heers says the team is proud of their defense. "Defense is for the blue-collar, hard-working individual and this team really gets after it, especially when they are struggling offensively."

The Hornets have four district ballgames remaining before the district tournament. They meet Era at Era this Friday night and will be at home against Prairie Valley Tuesday night. KGAF Radio will broadcast Tuesday night's game, beginning at 7 p.m. with the girls' game.

Tigers get first win... Sacred Heart wins three games over Notre Dame

A towering Sacred Heart defense and some clutch shooting gave the JV Tigerettes a 60-17 win over Notre Dame last Friday night.

LaBecah Hess hit 19 points as high scorer of the night. Amy Walterscheid had 15 while Amy Bayer notched 11 points. Sharon Fuhrmann added 9 and Angela Endres 6.

Sacred Heart led all the way, holding a 15-1 advantage after one quarter, a 33-11 lead at the half

game," continued Coach Jon. "She was the difference tonight," Vicki Walterscheid and Danna Hamric had 8 points each, Vickie Schmitt 6, Noelle Hesse 2 and Molly Koelzer 1.

Free throws were fairly even as Sacred Heart went 11 for 23 and Notre Dame scored 13 points on 28 trips to the line.

and was 43-15 going into the fourth frame.

A third quarter rally gave the Tigerettes the win over old rival Notre Dame.

After being behind 15-12 the first quarter, the score was tied 25-25 at half time. "We turned the ball over too many times in the first half," said Coach Jon LeBrasseur. "Our guards had 25 turnovers and we feel very fortunate to win."

The defense came through the third quarter, holding the visitors to only 2 points while adding 15 to give a 41-27 Tigerette lead. Scoring was even the fourth quarter for a final 60-47 score.

Lisa Hamric burned the nets for 21 points, hitting 12 points in the fourth quarter. Juline Bartel added 14 points. "Juline had a great

Darrell Dangelmayr hit a season-high 32 points, as his Tigers took a 14-point upset win. Dangelmayr's scoring included 11 points in the first quarter, sparking a 19-7 run. Glen Swirczynski canned 10 points, followed by Walter Smith with 8, Wayne Becker 6, Deano Bayer 5 and Shawn Dangelmayr added 2.

"We clicked all our gears tonight," said Coach Jon. "Deano, Wayne, Shawn, Walter, Glen and Darrell all played their positions well."

After leading the first quarter, the score was 29-20 at half. The Tigers stretched it to 47-31 going into the final 8 minutes.

"The boys did a great job," said Coach Jon. "We controlled the boards and handled their press."

SH Cubs take second in Montague tourney

The Sacred Heart Cubs and Cubettes competed this past weekend in the Montague Tournament. The boys and girls opened the tournament with victories over Saint Jo.

The girls moved into the championship game after defeating Saint Jo 21-2. Saint Jo's only score came the first quarter and they were held scoreless the remainder of the game.

Vicki Bayer led the team with 8 points, followed by Allison Klement and Lisa Schilling scoring 4 each. Jennifer Walter made 3 and April Truelsenbach 2. The Sacred Heart squad was 7 for 15 at the free throw line.

The Cubettes dropped the title game 50-24 to host Montague. After falling behind 23-4 the first quarter, the Red Squad couldn't make a comeback. After a 38-12 halftime score, the point spread remained the same as each team scored 12 points the second half, finishing the game with a 50-24 score. Lisa Schilling scored 9 points, followed by Shirley Henscheid with 5, Vicki Bayer and Jennifer Walter 4 each and Chris-

ty Yosten with 2.

In the opening boys' contest, the Cubs picked up a 43-22 victory. Steven Fisher was high scorer with 13 points. Greg Hess added 8, Stevan Nasche 5, Helmuth Koelzer and Darren Klement 4 each, Gary Hess, Werner Becker, Larry Switzer and Gus Felderhoff 2 points each and Scott Frost added 1.

After a slow 6-3 first quarter and a 16-14 halftime score, the Cubs took a 30-22 lead going into the final period of play. The defense took control, preventing Saint Jo a score while piling up 13 points to take a marginal lead.

In the championship game Saturday, the Cubs stayed close the first half by staying behind 14-12 then 29-20, but fell farther behind 44-28 and then 62-35, settling for second place in the tournament.

Stevan Nasche was high scorer with 13 points, followed by Steven Fisher's 10, Helmuth Koelzer added 8 and Gary Hess and Scott Frost 2 points each.

DANNA HAMRIC and Vickie Schmitt put pressure on a Notre Dame player causing her to lose control of the ball.

SH Jr. High lose two to Gainesville

Sacred Heart Junior High boys lost a pair of games to the Gainesville teams last week Thursday.

After a 6-5 first quarter lead, the 7th graders dropped behind 9-7 at the half. Being outscored 5 points to 15, the last quarter rally fell short handing the Cub squad a 34-27 loss.

Larry Switzer fired in 17 points with Darren Klement following with 10.

The 8th graders played a tight game, tying 8-8 the first quarter and behind 17-16 at the half.

After a cold shooting second half, the Gainesville team took a 33-26 lead to win the game.

Scoring for the 8th graders were Stevan Nasche 7, Steven Fisher 6, Greg Hess and Gary Hess 4 points each, Mark Flusche 3 and Helmuth Koelzer 2.

The Cub teams shot 5 for 9 at the free throw line.

Sacred Heart teams split district matches

The Tigerettes handed Lutheran their second district loss, while keeping their record clean, with an 86-27 dumping.

Lisa Hamric led the Sacred Heart attack with 24 points, followed by Vicki Walterscheid with 22 and Juline Bartel with 12. Also making baskets were Amy Walterscheid 9, Danna Hamric 6, Vickie Schmitt 4, Noelle Hesse 3, Jennifer Fuhrmann and LaBecah Hess 2 points each. The Tigerettes were 9 of 16 at the free throw line.

Sacred Heart took an early lead in the game, holding a 28-3 first quarter advantage. "We had an outstanding first half," said Coach Jon LeBrasseur. "Lisa and Vicki dominated the first half." It was 54-13 at the half, with the Tigerettes continuing their lead the second half, outscoring their opponents 32-14.

"Danna ran our sideline break to perfection," said Coach Jon.

"Juline is really coming on."

Lutheran's fourth quarter attack proved too much for the Sacred Heart Tigers in Dallas Tuesday night, as the Lions stretched their record 7-0 with a 76-45 win over the district winless Tigerettes.

"We played great for three quarters," said Tiger Coach Jon LeBrasseur, "then we ran out of gas. The score does not indicate how close the game was."

Sacred Heart led 16-6 after one quarter and ahead 32-29 at halftime. Lutheran outscored the Tigers 18-9 in the third quarter to take a 6-point lead going into the crucial fourth quarter.

The Lions made a comeback, outscoring Sacred Heart 29-4 in the final 8 minutes to take a 76-45 district win.

Clasen, high scorer for Lutheran, scored 24 points the second half and was the downfall for the Tigers.

Darrell Dangelmayr led the Tigers with 17 points followed by Deano Bayer with 9. Glen Swirczynski and Wayne Becker added 8 each and Walter Smith had 3. The Tigers hit 11 for 21 at the charity strip.

Sacred Heart will host their next three district games. They will play Tyler Street Christian on Friday, Jan. 22, Liberty on Tuesday, Jan. 26, and Lakehill on Friday, Jan. 29. All games are scheduled to begin at 6 p.m. in the Tigers' Den.

FARM AND RANCH NEWS

Farmers urged to establish conservation plan for benefits

Farmers with highly erodible cropland have less than two years to meet conservation requirements of the 1985 Farm Bill and remain eligible for USDA program benefits. The Soil Conservation Service is working with county farmers to meet this deadline.

Robbie L. Davis, Soil Conservationist with the SCS, said, "the 1985 Farm Bill provisions require farmers with highly erodible land to have a conservation plan approved by the local conservation district by Dec. 31, 1989." The plan must be implemented by Dec. 31, 1994 for farmers to remain eligible for USDA farm program benefits, loans, or guarantees on all their land.

Davis states in Cooke County alone there are approximately 625 farms which will need to have highly erodible determinations. "We encourage farmers to ask if a plan is needed on their farm, this will help increase our chance to get all farm plans by the deadline," emphasized the conservationist.

Since highly erodible land is not always obvious to the eye and is based on soil type she encourages

farmers to check with their local SCS office to find out if they have land that meets highly erodible criteria.

Many farmers that participate in USDA programs can't afford to lose program benefits. Davis said, "farmers need to get a conser-

vation plan and remain in compliance to continue receiving program benefits." The SCS will help work out conservation plans with farmers.

Cooke County farmers can stop by the Federal Building in Gainesville or call 668-7794 for more information.

COOKE COUNTY FARMS with highly erodible lands will need a conservation plan on it by the end of 1989. The plan must be implemented by the end of 1994.

County Agent's Report

by Craig Rosenbaum

I had a wonderful opportunity this past week to attend the National Western Livestock Show at Denver, Colorado. Paul and Eddie Fuhrmann, two of our county livestock breeders, invited me to attend the show with them. Each year the Fuhrmann Brothers attend this excellent cattle show to look for replacement bulls for their various cow herds. The National Western could be called the "Cattlemen's Cow Show," the reason being the large number of pens and carloads of breeding animals exhibited by various ranches throughout the United States.

A pen consists of three bulls while a carload consists of 10 bulls. In addition to these categories, they also exhibit pens of feeder heifers and feeder steers with six animals to a pen. These animals are judged on foot along with additional performance data including age, weaning weight, hip height, weight per day of age, and other evaluation factors given. All

of these shows take place in the old stockyard area at Denver. One certainly becomes aware of the excellent cattle available in all breeds and the great deal of progress going on in breeding of these animals. Breeds present included Angus, Simmental, Hereford, Shorthorn, Polled Hereford, Limousin, Charolais, Salers, Gelbvieh, Maine-Anjou, Longhorn, Chianina, Tarentaise, Santa Gertrudis, South Devon, Red Angus, IHO and Piedmontese.

Several new breeds that we had not seen before were in evidence at the show. These included Amerifax which is a 3/8 beef Friesian, 5/8 Angus mix. They appear to have a great deal of maternal traits and look somewhat like a long, broody Angus. Another new breed was the Piedmontese which appears to be a double muscle white cattle somewhat similar to the Chianina.

If you are involved in the beef cattle industry, you should try to attend this show at some time. There are plenty of breeders to visit with and good cattle to look at.

'88 Beef Referendum

The date of Tuesday, May 10, 1988, has been proposed for registration and voting for the Beef Referendum. Arrangements will be made for Absentee Voting. A simple majority vote will determine whether the \$1 Per Animal/Check Off Program will continue or not. Cattle persons must certify they are in cattle production during a specified period. One vote per entity will be allowed with no age restriction. 4-H and FFA members can vote if they have owned cattle during the specified period. The registration and voting will be conducted at County Extension Offices. The County ASCS will count the ballots.

Nutrient supplement necessary for winter

Cattle graze pastures all year long, but the nutrient composition changes with the seasons, and fall and winter diets are generally low in protein and usually inadequate for beef cattle, says Dr. Larry L. Boleman.

"Once the grass has stopped growing and loses its green lush appearance it becomes coarse and fibrous," Boleman says.

Boleman, beef cattle specialist with the Texas Agricultural Extension Service, The Texas A&M University System, says the crude protein content of the grass falls, and the forage becomes harder for cattle to digest.

Animals consuming diets low in protein lose their appetite, develop a rough appearance, become weak, possess lowered resistance to disease and overall growth, reproduction and calf weights are greatly reduced, Boleman adds.

"Some people think cattle can simply eat more to make up the needed nutrients," Boleman says. "Since the grass is slowly digested, consumption is lowered and the animal receives even less nutrients."

If protein is added to this type of diet, digestion will increase, and eventually the animal will eat more.

Protein supplements are available in many types and forms, such as cubes, cakes and liquids. Each will vary in nutrient composition and the producer should be aware of the protein amount.

"Since protein is required for growth and milk production," Boleman says, "the protein requirements for heifers and lactating cows are higher than for dry, pregnant cows."

Boleman says the amount of dry matter (energy), vitamins and protein are all to be considered when a deficiency occurs.

"When energy is low, some grain may be fed along with protein to make up the difference," he says.
