THE ANSWER TO "Who will wear the crowns and occupy these thrones?" will be revealed Saturday evening when ballots are counted after guests have listened to statements of the candidates and heard the interviews conducted by chairmen of the royal event. The couple named Koenig and Koenigen will represent Muenster throughout the Centennial year, Dec. 8, 1988 to Dec. 8, 1989. The dinner, coronation and dance is considered the social event of the year. It will emphasize German heritage in a setting resembling a beautiful German ballroom, and will be indicative of family involvement, as Muenster adults and youth, teenagers and children will participate in the formal coronation ceremony. The thrones were built by Rudy Koesler and the MHS Woodshop classes. The upholstery was done by Patsy Dangelmayr and the royal couple's robes were made by Stella Hess.

Lakeview Center will locate at local hospital

Lakeview Adolescent Center is a family-oriented comprehensive treatment program for adolescents with drug and alcohol problems. Their program allows for a full range of treatment options chosen to meet the unique needs of each young person and their family. The program ranges from crisis intervention and evaluation through primary and continuing care levels.

Treatment teams consist of a physician, psychologist, certified alcohol and drug abuse counselor, certified social worker and family therapist. Levels of care include intense seven-day-a-week treat-

ment in a controlled environment on to continuing supportive counseling for a few hours a week.

Clients participating in intensive care levels in Muenster are required to have family counseling sessions here one to three times per week.

Lakeview also offers 24-hour crisis intervention, Intervention Services, Parent Education Classes and "At Risk"/Status Offenders programs.

The Lakeview Adolescent Center will begin operation in Muenster Memorial Hospital facilities on Feb. 15, 1989.

The rumors circulating recently about something new at Muenster Memorial Hospital are no longer rumors. Hospital Administrator Herman Carroll announced Tuesday that an association has been formed with Beck Management Corporation. The hospital board met Monday night and voted unanimously to approve the contract.

Under that agreement, a union is formed bringing together the Muenster hospital and one of the most progressive drug and alcoholic treatment programs in the country. Muenster Memorial will provide medial and laboratory services for the program in addition to medical records service. Dietary and laundry services will also be used.

The existing 13 rooms in the southwest wing will be dedicated to the treatment center. That wing will be separated and secured from the rest of the building. A 2,500-square-foot building will be built just to the south of that wing. This treatment center will be joined by a secured hallway. Construction will start immediately.

Carroll said every attempt will be made to use local labor and purchase materials locally for the construction which should be finished by Feb. 1, 1989.

Dr. Bob Beck, president of Beck Management, said, "This facility is ideal. The level of care given patients and the quality of the administration make it clear that patients come first. The site selection committee was unanimous in their recommendation of this facility."

Terry Madsen, the director of community services adds, "Muenster as a community has an excellent reputation for quality and healthiness. The community sponsorship of the Fun Run and various events throughout the year give this area a very positive reputation. We look forward to being an active citizen in this community."

The new facility, to be called Lakeview Adolescent Center, will

be a 20-bed acute care unit for young people recovering from drug and alcohol abuse. Beck Management Company will be providing most of the direct care and treatment team while utilizing Muenster Memorial Hospital's expertise. Feb. 15, 1989 is the projected opening date.

"This company has a fresh approach over most rehabilitation centers. They are more concerned with the long-term care and rehabilitation of the individual. Their program is very conscious of cost effectiveness," stated Herman Carroll.

Carroll estimates conservatively that this association will bring a \$60,000.00 per month impact to the hospital and city combined.

"This is not only a boon to the hospital but a boost to the whole city," he said. Carroll expects the association strengthens job security for all current employees. The income from those needing care and those giving care will strengthen the economy for the whole community.

"We were facing the very real

danger of closing our hospital," Carroll said. "This association will help insure the survival and utilize our empty beds that we pay overhead on now."

Muenster Memorial Hospital and Lakeview Adolescent Center will be completely independent but synergistic. Carroll said that Muenster's cooperative, progressive, friendly attitude impressed Beck Management.

Carroll personally thanks David Bright Sr., Chuck Bartush Jr. and Director of Nurses Joan Walterscheid for their support in forming the association.

because of expense and topography.

Right-of-way acquisition must be complete in both counties before any bridge construction can begin.

Pagel said that we must wait until after the Texas Highway Commission meeting on Dec. 20, 1988 to know if there will be a bridge, but that Mr. Cantrell "expects" the commission will go along with the recommendation of the staff.

Engineer Dale Cantrell. It also states that the bridge and all connecting roadways will be proposed as one contract. It would be the contractor's decision to determine his work plan and the order of construction.

The connecting roadway between Cooke and Montague counties is proposed to intersect FM 677 approximately 2 1/2 miles north of Capps Corner instead of the earlier choice of 5 miles north

Bridge and connecting roads await state highway decision on Dec. 20

The connecting roadways between Cooke and Montague counties will be included in the proposal for the compromise Red River bridge site which will be presented to the State Highway and Public Transportation Commission at their Dec. 20, 1988 meeting.

Muenster Industrial Board President John Pagel received this assurance in a letter dated Nov. 21, 1988 from District Design

Lindsay ISD adopts abatement guidelines

by Elaine Schad

Lindsay school trustees, during their regular November meeting, adopted guidelines for providing tax abatements to new or expanding businesses that may come into the district, but emphasized that the tax breaks will not be automatic.

State law allows local taxing entities to give full or partial exemption, or abatement, from ad valorem property taxes for certain real property in a reinvestment zone designated for economic development.

Several taxing entities in Cooke County already have approved a set of guidelines that would grant tax abatements for up to five years, and even beyond if the entity deems necessary, for new or expanding manufacturing, research, regional distribution, regional service, regional entertainment or other basic industry facilities.

Lindsay School Board members have adopted the county guidelines so the district would be eligible to grant tax abatements, said Superintendent Henry Schroeder. The school board,

however, has the option to refuse, on an individual basis, any application for abatement in the school district regardless of whether the county or college board grants the application.

Any industry considered for abatement in the school district will be expected to add at least \$2 million to the tax rolls by the time the abatement period expires.

Supporters of the abatement program say incentives could bring more companies into the school district and county, providing more jobs, more potential for residential housing development, and an eventual expanded tax base which could help schools. Opponents say the program could also bring increased enrollment, which may offset any gains.

In other unrelated matters, Lindsay trustees:

- Authorized Rudy Zimmerman to head a project preparing the proposed new football field, which will be located just north of the present field. While the district may not use the field for several years, some preparation work will begin on the site, officials said.

- Reported the district has received a lot of interest and applications to fill the superintendent's position for 1989-1990 at the retirement of Schroeder. Applications will be accepted through Jan. 1.

- Reported that 100 percent of this year's Lindsay junior students have successfully passed their exit

level examinations required for graduation. The Lindsay district is one of the few in the state which has never had a junior student fail the exam on the first attempt.

- Tabled a discussion on setting new tuition fees for transfer students. A decision will probably be made the first part of next year well before the April deadline for transfer requests, Schroeder said.

- Approved the purchase of a video-cassette recorder for use in the district's drug education program. The VCR will be paid for through a grant the district has received for drug education.

- Tabled consideration of a lease contract with the church for rental of buildings because the paperwork was not ready.

- Approved sections one and three of the Annual District Performance Report.

- Had no nominations to the Appraisal Review Board for the Cooke County Appraisal District to replace Jerry Wimmer, whose term will expire in December.

Lindsay defeats Baird Bears

It came down to who wanted it more, who wanted to continue their football season the most. And Friday, in Weatherford, the Knights proved their desire was stronger.

Lindsay and its fans may not be able to take any more excitement and fun after last week.

Both teams punted the ball after their first possessions. A fumble recovered by Craig Neu led to the Knights reaching the 16-yard line before Baird recovered a Knight fumble and took over deep in their own territory as a scoreless first quarter ended.

Lindsay got the ball back four plays later when John Fangman sacked the Bears quarterback to force a 4th and 23 punt.

You could feel the momentum had moved into the Knights' cor-

ner. Starting at midfield, Lindsay moved the ball to the 20-yard line before running out of downs. The black defense hung tough and pushed the Bears back to their 6-yard line. With 2:55 remaining in the half, Lindsay started possession on the Bears' 31-yard line. Three runs by quarterback Bobby Fleitman and one by Craig Neu put the ball on the 15 where Regi Klement got the lone first quarter score on a pass from Fleitman. Fleitman's extra point kick was good and Lindsay took a 7-0 lead with 47 seconds remaining before halftime break.

After shutting down the Bears throughout the first half, the Knights never let Baird even threaten to score in the second. "The team effort on defensive tackles was effective out of all the team members," said Lindsay Coach Grady Roller. "The hard hits caused fumbles... the defense was excellent." It'll take another strong defensive performance this week.

Teams again changed possession of the pigskin the second half. A Neu punt put the Bears on their 10-yard line after losing 5 yards, a hard hit by Jeff Arendt caused a fumble which was covered by Curtis Weems. The Knights took over on the 3-yard line. Baird's defense held and on 4th down and goal at the 2-yard line, Fleitman kicked a field goal, stretching Lindsay's lead to 10-0 with 3:33 remaining in the third quarter.

The Bears controlled the ball the remainder of the period, getting to the Knights' 15-yard line, when on 1st and 10, the magic of Lindsay's defense struck again.

Skeeter Cason recovered a loose ball, with the help of Craig Neu's defensive hit, to stop the Bears' drive and give the Knights' ownership of the ball.

On the next series, Lindsay advanced to midfield before having to boot away the ball. Neu's 49-yard kick was downed by Regi Klement on the 1-yard line. On third down, the Bears quarterback tripped over his own player, giving Lindsay a 2-point safety with 5:43

showing on the clock. The ball again zigzagged back and forth among the teams. The Knights threw one interception, but Joel Metzler and Craig Neu each picked off Bear passes before the game ended.

The 12-0 victory allows the Knights to advance to the State Quarterfinal playoffs.

This marks the first time in Lindsay High School history that the football team has advanced this far in the playoffs. In 1982, the Knights lost the Regional game 28-12 to Italy on Thanksgiving Day.

Because of the Bi-District by the team received this season, the number of playoff games are equal to the '82 team.

Myra plans for holiday dinner Sun.

The Myra Community Club has completed all plans for a noon buffet of homecooked food for Sunday, Dec. 4, at the Myra School. General chairmen of the annual event are C.L. Williams, publicity; Randy Sawyer, drinks and desserts; and Bernice Sicking, meal.

The meal, planned for family economy, is completely prepared by ladies of the community. You can have a menu of turkey and dressing, sausage, potatoes, gravy, green beans, cole slaw, corn, fresh baked bread, dessert and coffee or tea, all for \$5.00 per adult, \$2.50 children under 12, and those under 6 eat free. This is a great time to treat family and friends to a meal out.

Serving will begin at 11:30 a.m. and continue until 2 p.m. Everyone is welcome and the proceeds will help maintain the schoolhouse which has been remodeled and is used as Myra Community Center.

Good News!

I beg you, brothers, in the name of our Lord Jesus Christ, to agree in what you say. Let there be no factions; rather, be united in mind and judgment.

Letter to the Editor

My very dear friends,
It is said that the older you get, the faster the time goes. I certainly have ample reason to testify to that statement. Of course, in a way, it is a great blessing when you can say that for you the time speeds by. How awful it would be if it would drag along. And so the time has come to wish each and everyone of you individually a most joyful Christmas and a very happy New Year.

This year, I want to add another wish. It is this: "May you have a most blessed, joyful, peaceful and successful Centennial Year 1889-1989!"

Next in urgency is a most heartfelt "Thank you" to each individual or group who sent cards or letters for the various Holy Days and Holidays of the past year and for my birthday and feast day. The warmest thanks also to Mrs. Elfrieda Fette and the staff for the subscription of *The Muenster Enterprise* which keeps me so beautifully in contact with all my friends far and near.

I also wish to remind you what joy fills my heart when visitors arrive from Muenster. Keep on coming.

As far as I am concerned, I am as fine as can be expected at my age - going downhill physically but not in other ways. I thoroughly enjoy my life. My correspondence is endless and delightful. Lately, I worked several hours on two days with cancelled stamps. As a rule, I don't have to trim them. I only have to sort them and send them off. I send them to the Jesuit Mission Stamp Bureau in Dallas, Tx. and to the Benedictine Stamp Department in Subiaco, Ark.

I know that the Mission Club of Sacred Heart High School is also involved in saving stamps for the missions, and that my dear old friend, Cecilia Huchton, spends a lot of her time trimming them. I think that's just wonderful.

Now, I must stop. I meant to make my letter shorter because of the Christmas Season and the rapidly approaching events of the Centennial Year.

Please, do feel free to shorten the message!
I remain forever,
your loving friend,
Sister M. Theresina, O.S.B.

KEN McDUGGLE, center, presented Charles Coffey and Jack Murdock donations of \$115 each. The proceeds from the Kiwanis Pancake Supper were given to the two local schools to help in purchasing materials for their computer classrooms.

Liquor petition fails

by Elaine Schad

Oak Ridge petition organizers this week fell short in their attempt to have a local option election called to expand the com-

munity's business offerings of liquor sales.

Cooke County commissioners turned down a petition requesting the election because it failed to list enough correct names and addresses, said Frank Scoggins, county clerk.

Oak Ridge, located just east of Gainesville, overwhelmingly passed a referendum in August 1987 to allow the sale of beer and wine for off-premise consumption. Organizers now wish to expand that to allow the sale of all types of alcoholic beverages.

The election, should it be called and the vote successful, could again cut into some of the liquor sales in Muenster and Lindsay. Scoggins said the group plans to request that another petition be issued. They would then have 30 days to gather 35 correct signatures to again present to commissioners, the amount needed to call the election.

Deadline for Littlest Angel is Dec. 9

The Littlest Angel tree is set up in Muenster State Bank, holding paper angels for caring folks to take, in order to help provide a joyful time for needy children or eligible adults at this Christmas season.

Each paper angel carries the first name of a child (or elderly adult) and such information as sizes or ages, etc.

Persons unable to make the necessary trip downtown to choose a paper angel may request help from Debbie Hess, 759-2890, or Mary Endres, 759-4810, who will assist them. Those preferring to make a cash donation to be used for food baskets or toys may also call either Debbie or Mary.

Also, gifts for the Littlest Angels or donations may be left at Muenster State Bank or Cooke County Youth Center (formerly Boys Club) at Hird and Weaver Streets.

Caroling Challenge is Dec. 10

The Muenster Chamber of Commerce will sponsor the 1st Annual Christmas Caroling Challenge Saturday, Dec. 10, 1988 at 3 p.m. in the Mid Park in downtown Muenster, following the Christmas Parade.

The Challenge is being held to help kick off the Christmas season by encouraging fellowship, friendly competition and Christmas spirit.

Each group will perform three carols of their choice, as well as "Silent Night" which all groups are required to perform. Following the competition, a combined caroling concert will be held.

Then, for all interested groups, there will be location assignments for groups to perform in front of businesses and/or for local shut-ins. Also, there will be a hayride to the nursing home to provide Christmas cheer to the elderly.

First, second and third place awards will be presented based on group quality, enthusiasm and spirit.

The Chamber of Commerce "challenges" your group to enter the Caroling Challenge, to begin this festive and joyous season with true Christmas spirit! **Entry deadline is Dec. 4, 1988.** Contact the Chamber of Commerce for entry forms or additional information.

Centennial Update

The official opening of the Centennial Year will be Dec. 8, 1988 with a special liturgy at the 8 a.m. Mass in Sacred Heart Church, to which the public is invited.

The Muenster Centennial Museum will also hold its Grand Opening and Open House on Dec. 8 at 1 p.m. and the public is also invited to this event.

Museum committee chairmen continue to appeal for more items. Farm equipment can be displayed in the garage where the ambulance was formerly stored.

Museum hours are Thursdays, Fridays and Saturdays, 1 p.m. to 5 p.m., with special tours by appointment. The new phone number of the Museum is 759-4478.

The new date books have arrived and may be picked up or bought for \$12.50 at the Museum.

Centennial calendars also may be bought at the Museum for \$5.00.

"In Lieu of Christmas Cards" is set

The Muenster VFW Ladies Auxiliary to Post 6205 is announcing sponsorship of "In Lieu of Christmas Cards" for another year.

Donations to the project are put into a special fund which has been created by the Auxiliary to aid those in the Muenster area who may be in distress because of poor health, job loss or other traumatic experience.

Individuals wishing to take advantage of the program will have their Christmas greeting to friends, relatives and neighbors published on a special ad in *The Muenster Enterprise*.

When deciding on a donation, the Auxiliary asks that everyone consider the personal cost of cards, stamps, time and convenience; and the well-being of fellowmen in need.

Checks should be made to VFW Ladies Auxiliary No. 6205. Send to Juanita Knabe, P.O. Box 474, Muenster, Texas 76252; or Frances Bayer, Rt. 1 Box 1, Muenster. Deadline for "In Lieu of Christmas Cards" is Dec. 8.

The thrones for the Centennial Koenig and Koenigen were built by Rudy Koesler and MHS students in his Workshop classes. Names of the students are as follows: Paul Black, Troy Pagel, Rodney Knabe, Chad Bayer, Joe Walterscheid, Jason Ashley, Danny Black, Rex Huchton, Jimmy Herr, Tommy Teafattler, Jason Biffle, Mike Vogel, Joey Serna, Mike Gobble, Steven Youngblood, Bob Thornhill, Sam Walterscheid, Tony Perryman, Doug Hennigan, Daniel L. Knabe, Richard Tuggle, Scott Hudspeth, Brian Reiter, Jason Walterscheid, Jon Fleitman, Chris Kubis and Ryan Sicking.

Upholstering was done by Patsy Dangelmayr.

In announcing the official opening of the Centennial Year on Dec. 8, 1988, the Muenster Centennial Committee also has set Dec. 8, 1989 as the official closing date of the Centennial Year.

Roger Taylor, chairman of the Beard Contest, announces several categories: longest, most unique, scraggiest, etc. Awards will be given Saturday evening at Germanfest.

The Schutzenfest committee is in the planning stage, say Urban Endres, Joe Fenton and Leo Hess.

Beta Kappa needs clothing for their style show during the Centennial year, planning for March. Call Lynn Dangelmayr, Marlene Fisher, or Dolores Miller if you will share "fashions from the past."

New board member set for Era

by Elaine Schad

Era trustees have appointed G.C. Ellis to the school board to replace Jerry Kindiger, who has moved out of the district.

Ellis will serve until the end of Kindiger's term in May 1989.

In another matter during its November meeting, the board authorized Superintendent Dale Smiley to accept bids for the construction of a 100 x 40-foot fieldhouse to be built on the northeast corner of the football field across from the agricultural barn. The district owns about 40 acres of land in the area adjacent to the proposed site, so the new building would be accessible to any future school facility construction, Smiley said.

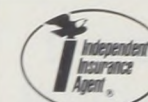

The district should receive some additional state funding for 1989-1990 because of a 30-student increase in average daily attendance from last year, Smiley said. Enrollment is 327 students, an increase from 318 last year. Attendance rate during the October monitoring period was 98.3 percent.

Commander calls for clean-up troops

At the Tuesday meeting for OPERATION: CLEAN SWEEP, Commander Clean was elected to serve as mascot for the 1989 Keep Texas Beautiful Contest in Muenster. No one knows who Commander Clean is, but if you are interested you can come to the Christmas Parade Dec. 10, 1988, and put in your guess. He will be in a chrome dome helmet and full dress uniform and will be chauffeured in a National Guard Army truck.

Commander Clean has put out an urgent appeal to kids, teenagers and parents who want to have fun and be in the parade and to assist him by riding with him in the

troop carrier or form a marching unit.

Everything will be impromptu and the Commander will take charge of this troops at 1215 hours (no later than 12:15 p.m.) at the car wash behind Gregg's Chevrolet. Kids and those who want to act like kids are encouraged to wear GI Joe or military camouflage clothes if they have them; however, no troop will be turned down. Parents of the younger children are encouraged to ride with them.

Let's have fun and help Commander Clean with the help of the National Guard. For any further questions, please call the Chamber of Commerce office at 759-2227.

Mother of Johnny Leftwich dies Nov. 22

Funeral services were held for Lucille Leftwich, 82, on Wednesday, Nov. 23, at 2 p.m. at Vernie Keel Funeral Chapel in Gainesville, with Dr. Harry Roark, pastor emeritus of First Baptist Church, and Dr. Bennie Slack, pastor of First Baptist Church, officiating.

Interment was in Fairview Cemetery directed by Vernie Keel Funeral Home. Pallbearers were Raymond Pate, Lanny Lyons, Wade Orsburn, Walter Vincent, M.C. Legge and Deryl Barnes.

Mrs. Leftwich died Tuesday, Nov. 22, at Frontier Manor Care Center. She was born on Feb. 11, 1906 in Rosston, to the late Sherman and Minnie Lefter Bewley.

She married Joe F. Leftwich in 1925 in Gainesville.

He preceded her in death in October 1952. Mrs. Lucille Leftwich was a homemaker and a member of Era Baptist Church.

Survivors are one son, Johnny Leftwich of Gainesville; one daughter, Billie Jo Whitley of Burleson. Also three brothers, T.L. Bewley of Gainesville; Johnny Bewley of Bonham; Willard Bewley of Decatur; and four sisters, Ruth Cotton of Saginaw, Winona Russell of Whitesboro, Ima King of Bowie, and Opal Bernard of Fort Worth. There are also five grandchildren and five great-grandchildren surviving.

Christmas lighting sets the season's mood

It is Christmas lighting time again. The lighting and decorating contest, sponsored by the Muenster Chamber of Commerce, will be judged Dec. 15 from 5:30 p.m. until 8 p.m. The businesses will be competing for the "Christmas Spirit Award" to be presented to the business with the best new display or decorations. The winning business from last year will not be able to compete, (but go ahead and decorate anyway).

There will be 10-12 gift baskets awarded residents judged the best. Saint Nick will bring them to your door. Rural residents are encouraged to participate in our Centennial year judging, so call the Chamber office to be sure you are not missed.

Businesses and individuals are encouraged to remember the

Centennial theme, "One Hundred Years of Christmases," as they begin decorating. It is hoped everyone will want to decorate, in this our centennial year, with a really big show of Christmas spirit.

The Chamber of Commerce has done the AMPI lot up as an "eye-catching" welcome to Muenster's Christmasfest with a 9-foot ferris wheel built by Jack Flusche and Gary Fisher. All they need now are dolls or stuffed toys to ride throughout the Christmas season. If you have a doll or toy to donate, call 759-2227 and tell Beth or Maudine. The dolls need to be able to sit and should not be more than 20 inches tall. Those that are still in good condition will be saved to ride the ferris wheel again next year.

Laurie Walterscheid weds Wilson Jones

MRS. WILSON RAY JONES
...nee Laurie Ann Walterscheid...

Laurie Ann Walterscheid became the bride of Wilson Ray Jones in a Nuptial Mass and double ring ceremony in Sacred Heart Church on Saturday, Nov. 26, celebrated by Father Victor Gillespie, with the bride's great-uncle, Most Rev. Bishop Augustine Dangelmayr, present in the sanctuary.

The bride is the daughter of Sylvan and Theresa Mae Walterscheid of Muenster. The groom is the son of Mr. and Mrs. E.E. Jones of Denton.

The couple selected their wedding day to coincide with the 60th anniversary of the wedding of the bride's late grandparents, Tony and Theresia Felderhoff.

Before an altar decorated with arrangements of white gladioli and mums, ferns and candles in spiral candelabra, the bride was presented by her father.

The bride wore her mother's wedding gown, of thirty years ago, made of ivory lace and chiffon over bridal satin. The fitted bodice of lace featured a scalloped collar, and long sleeves with petit point finish. The voluminous skirt was fashioned of alternate tiers of lace and chiffon cascading into a chapel-length train. The chapel-length veil was designed and created by the bride, with a headpiece of illusion, white baby's breath and tiny pearls.

She carried a bridal bouquet of white orchids, with a treasured rosary and handkerchief, the latter was a gift from the Grandparents Felderhoff on their golden anniversary. For sentiment, she wore her mother's gold cross and chain which Laurie also wore on her First Communion Day.

ATTENDANTS

Amy Walterscheid was her sister's maid of honor. Monica LeBrasseur, bride's cousin of Muenster, and Carolyn Powell, bride's friend of Arlington, were bridesmaids. They wore tea-length, deep purple gowns of iridescent nylon satin-finish fabric and each carried a white orchid with English ivy.

Stacy Gardner of Azle, godchild of the bride, was flower girl. Hayden Jones of Denton, nephew of the groom, was ring bearer. The ring pillow was a family keepsake, first carried in the processional for the First Mass of Rt. Rev. Henry Felderhoff, bride's uncle, on May 31, 1927.

David Riley of Denton, a friend of the groom, was best man. Jeff Nichols, groom's friend, and Ronnie Jones, groom's brother, both of Denton, were groomsmen.

Ushers were Danny Walterscheid of Muenster and Greg Walterscheid of Lewisville, both bride's brothers; Jon LeBrasseur of Muenster and Michael Powell of Arlington, friends of the couple; and Gaither Jones of Denton, groom's nephew.

Mass servers were Chris Pangel of Muenster and Larry Felderhoff of Lewisville, cousins of the bride.

Wedding music was presented by organist Ruth Felderhoff, bride's aunt; guitarists Danny Walterscheid and Christy Klement; flutist Terry DiGarmo; and vocalists Christy Hesse, Danny Walterscheid and Carolyn Powell. Selections included "All I Ask of You," "Edelweiss," "Bridal Prayer," "Flesh of My Flesh," "Come Journey With Me," "Father, Make Us One," "Our

Father," "Only A Shadow," and "Hail Mary." Traditional organ solo for entrance of the bridesmaids was "Hymne;" and for entrance of the bride was Purcell's "Trumpet Tune." The recessional was Mouret's "Rondo."

Participants in the wedding liturgy were Eddie Stock, a friend, who gave the Readings; Jesse Walterscheid, bride's cousin with Prayers of the Faithful; and Offertory gifts by Greg Walterscheid, bride's brother, and Gaither Jones, groom's nephew. Eucharistic ministers were Joe Felderhoff, Mary Felderhoff, Joanie and Alvin Hartman, uncles and aunts of the bride, and Sister Carmelita Myers and Leon Klement.

The Unity candle was made by the bride's late grandmother, Mrs. Tony Felderhoff. It was a traditional gift.

Special guests at the wedding were the bride's grandparents, Mr. and Mrs. Adolph Walterscheid of Muenster and Mrs. Fannie Mae Wilson of Denton, the groom's grandmother.

RECEPTION

A reception with dinner and dancing followed at the Sacred Heart Community Center.

Presiding at the guest book were Kathy Metzler of Madison, Tenn., Stacie Miller of Muenster, cousins of the bride, and Rene Turbeville of Gainesville, a friend.

The bride's table held a special tablecloth made by the bride's Grandmother Felderhoff for her own golden wedding anniversary. Candelabras held fresh flower arrangements with lighted candles. White lattice work with English ivy formed a background for the bride's table.

Guest tables were decorated with candles in hurricane globes in circles of purple baby's breath, iridescent ribbon and English ivy.

The white three-tiered wedding cake was made by the bride's cousin, Della Rose Voth of Lindsay. It was decorated with fresh flowers with tiny lights tucked within the blossoms.

The chocolate groom's cake was made by Debbie Rice, bride's cousin of Gainesville.

Reception assistants and cake servers were Julie Walterscheid, bride's sister-in-law of Lewisville; Sandra Walterscheid and Elaine Schilling, bride's cousins; Toni Lankford, Renee Andrews and Monica Haverkamp, bride's friends.

Serving at the main table were Anne, Rose, Jenny and Celia Felderhoff, bride's cousins, and Kathy Hartman, a friend. Christi Yosten, a friend, served punch.

The bride is a 1979 graduate of Sacred Heart High School and a 1985 graduate of Texas Woman's University. She is a dental hygienist employed by Jan Jenkins DDS of Denton.

The groom is a 1979 graduate of Denton High School and a 1985 graduate of the University of North Texas. He is employed by the Denton Independent School District as director of transportation.

When the bride and groom left for their wedding trip to Puerto Vallarta, Mexico, the bride was wearing her grandmother, Theresia Felderhoff's wedding dress, worn 60 years ago on Nov. 27, 1928. Laurie also wore that dress at one of her showers, on Nov. 13. Other showers were held on Sept. 25 and Oct. 30. A bridal luncheon was hosted by Doris Hamer on Nov. 26.

The rehearsal dinner was hosted by the groom's parents on Nov. 20 at The Center Restaurant.

The couple will reside in Denton, upon return from Puerto Vallarta.

CDA plans to pack holiday baskets Dec. 5

The November meeting of Catholic Daughters of America, Court St. Mary featured a memorial service for all deceased members. Stella Hess, regent, presided. Marie Mosman called the roll. Members joined in unison recitation of memorial ritual prayers.

During the regular business

meeting, members again decided to come to the December meeting with fruit and confections to pack goodie bags and boxes for local shut-ins. This traditional activity will be carried on at the Dec. 5 meeting in the KC Hall, following Novena devotions. All CDA members are urged to attend.

Baptism

Walterscheid

Bret Homsley Walterscheid, son of Kim and Lisa Walterscheid, was baptized Sunday, Nov. 27, 1988. Father Victor Gillespie celebrated the 10:30 a.m. Mass and performed the baptismal ceremony.

Participating in the liturgy were Bret's godparents, Beverly Trubenbach and Tim Schneider.

Toni Trubenbach, an aunt, read the petitions and Dustin, Bret's brother, assisted with the Offertory gifts.

Bret wore an ivory eyelet gown made by his grandmother, Gwen Trubenbach. A gold Saint Christopher medal, gift of the godmother, was tied with satin ribbon to the gown. Bret was carried in a white satin blanket that was used at his mother's baptism.

Following the ceremony, the family gathered at the home of Loyd and Gwen Trubenbach. After the meal, a beautiful cake, made by Betty Rose Walterscheid, was served. The inscription on the cake was "Welcome to God's family, Bret Homsley."

Special guests were Bret's grandparents, Willie and Queenie Walterscheid and Loyd and Gwen Trubenbach; great-grandparent Al and Louise Trubenbach and A.H. and Dolores Friske and LaVerne Homsley; aunt Barbara Traweck; and great-aunt and uncle Tony and Thelma Trubenbach.

Important safety tips from Lone Star Gas

You can take comfort in Natural Gas.

Trusting gas for your home is a natural. After all, Lone Star Gas Company has been faithfully serving its customers for more than 75 years. Through the years, we have worked to earn your trust by providing safe, dependable natural gas.

Do you know why gas has a strong odor? Because we have added a harmless odorant to the gas that lets you know it's there. This is for your safety, so if you ever smell the strong odor of gas in your home, follow these rules:

- 1 Do not switch anything electrical on or off. Do not use your own telephone (telephones use small amounts of electricity). Do not strike a match, and do not do anything that might cause a spark.
- 2 Have everyone leave the house immediately, leaving doors open for ventilation.
- 3 Go to the nearest telephone and call Lone Star Gas Company. Wait until we have found the cause before returning to your home.

Since gas lines run underground, you should also take precautions against disrupting these lines, particularly if you plan to:

- 1 Put in a new fence.
- 2 Install an underground sprinkler system.
- 3 Perform any major landscape renovation.

Before you dig, call your local Lone Star Gas office. If you smell a gas odor while you're outside, immediately contact Lone Star Gas.

In our continuing effort to provide better, safer service, local Lone Star Gas offices are ready to answer any questions that contractors may have concerning the location of gas lines in their areas.

The safety record for natural gas is impressive, and peace of mind is an important part of what natural gas has to offer. By following these simple rules, you can take even greater comfort in natural gas.

Borger is site for November 26 wedding

MRS. STEPHEN JOHN SCHUMACHER
... nee Selene Joy Shirley ...

The wedding of Selene Joy Shirley and Stephen John Schumacher was held Saturday, Nov. 26, in St. John's Catholic Church of Borger.

Msgr. Norbert Kuehler officiated for the Nuptial Mass and double ring ceremony.

The bride is the daughter of Mr. and Mrs. Gene Mack Shirley of Fritch, Texas.

The groom is the son of Mr. and Mrs. Albert Schumacher of Munday, Texas and the grandson of Mrs. Anna Henscheid and the late Henry Henscheid.

The church altar was decorated with greenery and lighted candles. Organ music was presented by Cora Kare and vocal selections by Donna Myers.

For the wedding procession, the couple and attendants walked down the aisle, approaching the altar together.

The bride wore an all-over lace, formal wedding gown designed by Country Elegance, with rounded

neckline, edged with ribbon loops and tiny rosebuds. The full bishop sleeves were accented with rosebuds.

The bride wore her mother's pearl headpiece, attached to a nylon illusion veil. She carried a cascading bouquet of white carnations and snowflakes with greenery.

For sentiment, her choice of "something old" was her mother's pearl tiara, and "something borrowed" was her mother's pearl necklace.

ATTENDANTS

The matron of honor was the bride's sister, Mrs. Monti Lloyd of Rowlett, Texas. Bridesmaids were Julie Wilson of Amarillo and Jill Turner of Fritch, both friends of the bride.

They were attired in royal blue lace over taffeta, tea-length gowns. Each carried a bouquet of white carnations with royal blue ribbons and greenery.

The flower girl was Amanda

Daniel and the ring bearer was Daniel Lloyd.

Randy Tankersly of Dalhart, a friend of the groom, was best man. Danny Hertel, a friend, and Douglas Schumacher, brother of the groom, both of Munday, were groomsmen.

Gregg Clark and Bob Whitty of Dimmit, friends of the groom, were ushers.

Mass servers were Shannon Parrish of Henrietta and Jerry Lynch of Amarillo, cousins.

Readings for the liturgy and music for the ceremony were personal choices made by the bride and groom.

RECEPTION

A reception followed in St. John's parish hall.

Cathy Daniel, sister of the groom, presided at the guest book. Reception assistants were Mrs. Greg Clark of Dimmit, Miss Niese Hooks, Mrs. Leonard Schwind and Mrs. Robert Schwind, all of whom assisted with plans and preparations.

Wedding guests attending from Muenster were Rufus and Betty Henscheid, and Ted Henscheid, all of Muenster; and Florence and John Kelly of Fort Worth.

The rehearsal dinner was hosted by the groom's parents on Nov. 25, at the Plaza Restaurant in Borger. Two showers honored the bride-elect, one on Nov. 5 in Munday and one in Fritch on Nov. 14.

The bride is a student in Frank Phillips College in Borger, majoring in Special Education on the Elementary level. The groom is a 1987 graduate of West Texas State University with a Bachelor of Science degree. He is a Crop Analyst employed by Servi-Tech.

The couple is residing in Panhandle, Texas.

Jack Biffle honored on fourth birthday

JACK BIFFLE

Jack Biffle, son of Donna and Jim Biffle, was honored on his Nov. 3 fourth birthday, all day long.

In the morning, he went to the post office to find several birthday cards with wishes from those unable to attend his party.

For his cake, Jack chose a "truck and cattle trailer" design made and decorated by his mother.

He also invited several cowhands to share the fun. These included his parents, Donna and Jim; his sister, Jayna Jae; his grandmothers, Lou-Lou and Collette; his aunts, Judy Biffle and Linda Grewing and his godmother, Tammy Hess; his cousins, Tanya Hess, Ashley Hess, Matthew Grewing. Also his friends, Johnny Bryant, Justin Hess, Jeff Haverkamp and Brooke Endres.

Brooke also shared her Nov. 3 birthday with Jack, and later that evening, Jack and his family attended Brooke's party in her home.

The afternoon party began at 2 p.m. All the guests played "musical chairs," "pass the package" and a balloon game. Jack opened his gifts and all played with his new toys.

For refreshments, everyone was served cake, ice cream and punch. Pictures and movies were made.

For a special surprise, Jack's Aunt Judy Biffle brought a large pinata. All the children had a ball trying to get the goodies, which were later shared.

Home-School Society plans bake sale

The annual Christmas Bake Sale, sponsored by members of the Sacred Heart Home-School Society, will be held on Friday, Dec. 9, in the lobby of the Community Center building from 8 a.m. to 4 p.m.

This announcement is made in advance of the date, to help everyone to plan for purchase of Christmas baked goods, either for immediate use, or to store in freezers for holiday use. It is also suggested as a reminder for parents of school children to bring in their baked goods on Dec. 9.

One more thought, say the sponsors, is to give the children enough coins to let them buy their snacks at the bake sale.

TONY and AILEEN HOENIG
... on their wedding day Nov. 19, 1938 ...

Golden wedding celebrated Nov. 27

Mr. and Mrs. Tony Hoenic celebrated their golden wedding anniversary Sunday, Nov. 27, amidst a gathering of family and friends at Sacred Heart Community Center, Muenster.

The couple was united in holy matrimony by Father Alfred Hoenic, O.S.B., brother of the groom, Nov. 19, 1938 at Sacred Heart Church, Muenster. Attendees were Marie Hoenic Vogel, sister of the groom, and John Otto, brother of the bride.

The bride's parents, the late Mr.

and Mrs. Tony Otto of Muenster, hosted a wedding breakfast at their home following the ceremony. Tony Hoenic is the son of the late Alois and Elizabeth Hoenic of Muenster.

On Nov. 19, the Hoenigs celebrated their anniversary at a Mass of Thanksgiving at Sacred Heart Church, offered by Father Victor Gillespie, O.S.B.

Sunday's celebration began at noon, when the Hoenigs hosted a dinner for 37 of their relatives.

The meal was catered by Ginny and Ed Schneider.

Following dinner, a reception was held in the hall from 2 p.m. to 4 p.m., during which time more than 40 relatives and friends of the anniversary couple stopped by for cake, coffee and lunch, and happy reminiscing.

Hosts for the reception were the couple's children, Betty Ann Hoenic Blockus of Schickshinny, Pa., Gene Hoenic of Gainesville, Daniel Hoenic of Denton, David Hoenic of Denton, Alvin Hoenic of Valley View and their spouses. The Hoenigs have two granddaughters and eight grandsons.

The three-tiered anniversary cake, decorated with a gold "50" numeral, gold bells, gold leaves, a gold bow, a gold ribbon and white doves, was topped by a miniature bride and groom which had stood atop the Hoenic's original wedding cake.

The anniversary cake was made by Betty Rose Walterscheid. It was cut and served by Pat Adair after the anniversary couple cut the first slice. Punch was served by Jeannine Flusche.

Decorations, emphasizing the color gold, were arranged by Aileen Knabe. Floral baskets and gold ribbon adorned the tables.

Flowers also adorned the guest registry and the cake table. The guest book was attended by the Hoenigs' two granddaughters, Amy Hoenic of Muenster and Leigh Ann Hoenic of Denton.

Also featured were numerous family photographs, the Hoenic family coat of arms, a special anniversary greeting from President and Nancy Reagan, a quilt made by Aileen Hoenic, and several craft items made by Tony Hoenic.

Prior to dinner, a special prayer of grace, selected by the anniversary couple, was read by their granddaughter, Amy Hoenic.

After dinner, Daniel Hoenic updated guests as to the whereabouts, occupations and interests of family members. He also read selections guests had entered into the couple's "memory book."

In reflection, Tony Hoenic said, "The Lord has blessed us far beyond our expectations. We are very grateful for that." Aileen Hoenic echoed her husband's sentiments, adding that "we wish to thank everyone who sent cards, celebrated with us, or expressed their kind thoughts in any way. Tony and I appreciate it from the bottom of our hearts," she said.

Sisters honored

MICHELLE PAGEL

AMY PAGEL

Amy Pagel celebrated being seven years old on Nov. 26 and her sister, Michelle Pagel, celebrated being two years old on Nov. 25, during a party on Sunday, Nov. 27, hosted by their parents, Curtis and Janet Pagel, in their home.

The birthday cake was made by the honorees' mother and was served with ice cream and cold drinks.

Movies and pictures were made and gifts were opened.

Guests included the honorees'

sister, Jessica, and the hosts; and grandparents, Bill and Charlotte Dangelmayr and Harriet and Harry Scoggins; uncles Tom and Shawn Dangelmayr; great-grandparents, Harry and Eva Jo Otto; and friends Monte, Sherri, Derek, Nathan and Kelsey Haverkamp; and Pam, Kelly and Debra Dangelmayr.

Unable to attend but sending birthday wishes were Frank and Caroline Schilling and Elfreda Dangelmayr, great-grandparents.

Adults - \$5.00 Children 6 to 12 - \$2.50
Under 6 - Free

My friends know me as J.P.
and some as Joe.

I am going to be 75 and
enjoy life so.

A surprise party is being
planned and I want you
to go.

No gifts please, so you won't
need a bow.

Don't get in a big hurry,
cause I kinda move slow.

I don't know about the party, it's really a surprise.

Just show up at the SH Community Center on Sunday, Dec. 4,
between 2 and 4 p.m.

It's a come-and-go to suit yourself. My family and I would
enjoy seeing you. Don't dress up - just come as you are.

Let's talk about the good old times, the stories we can tell.

Do you remember the time???

Oh, yes, I remember it well!

Thanks,
J.P. or Joe Flusche

Service offers gift wrapping

The Sacred Heart Student Council has been active in promoting school spirit and community involvement. Beginning in September, the council hosted two welcome back parties, a breakfast for the teachers and an ice cream gathering for high school students. The last Wednesday of each month was designated as Pizza Day and the council ordered pizza from Bayer's Kolonialwaren.

Using the theme, "Together As One," the council has tried to involve everyone in activities. The grade school has shown their support by adopting a high school athlete. Homecoming week was filled with many activities: a games night, powder puff football, poster contest, queen's court luncheon, red and white day, and a successful non-alcoholic dance.

The council has committed themselves to serving others through several service projects. These include a visit to St. Richard's Villa, a Turkey Leg

Contest which helped provide food for the poor in Cooke County, a can tab collection which will provide money for children on dialysis, and gifts of Halloween safety pendants for Pre-K through fifth grade.

The council is presently working on two major projects. An academic awards program is being jointly planned by the council and the Home-School Society. Starting Dec. 3, the council is embarking on a new project. Christmas presents will be wrapped, and the money raised will benefit the council, the school, and many worthwhile activities. Members of the council invite everyone to bring Christmas presents to the Muenster Drilling Co. office building, next to Hoedebeck's GMC, between 12 noon and 5 p.m. on Dec. 3, 10, 17 or 23. Community support will be greatly appreciated.

For more information, contact Noelle Hesse, or Angela Endres, 759-2942.

Christmas Bake Sale Dec. 2

The Cooke County Heritage Society will hold its annual Christmas Bake Sale on Friday, Dec. 2, in the lobbies of the First State Bank and Gainesville National Bank and at the front entrance of Wal-Mart between 9 a.m. and 2 p.m. People wanting to donate baked goods should bring

them to the Museum on Thursday, Dec. 1, before 4 p.m.

Proceeds from the sale will be used to help support the Morton Museum.

For further information, contact the Morton Museum at 668-8900.

J.A. Klement families gather

Thanksgiving dinner for the J.A. Klement family was at the Helen Schleicher home in Dallas. Those attending were the families

of the Harold Bindels, Dick Schleichers, Kim Hales, Jerry Klement, Tom Burchfield, and Cliff Schleicher.

The children of Mr. and Mrs. J.A. Klement presented their parents with a certificate of apostolic blessing from Pope John Paul II commemorating their 55th wedding anniversary during the day.

Societies prepare gifts for shut-ins

St. Joseph and St. Anne Societies will hold their annual Christmas party on Sunday, Dec. 4, at 7 p.m. in the meeting room of the Community Center. This is customarily the time for the regularly scheduled monthly meetings.

Everyone is asked to bring favorite cookies, and small, personal gift items for residents of St. Richard's Villa. These will be tucked into individual gift baskets of goodies for delivery to St. Richard's by members of both societies before Christmas Day.

KCs plan tournaments and Dec. 11 Santa visit

Because of popular response in the past, Muenster Knights of Columbus will again sponsor a gin tournament, beginning Thursday, Dec. 1, at 7 p.m., and running each Thursday night for the following four weeks.

Knights of Columbus will also sponsor a 42 tournament, starting Tuesday, Dec. 6, at 7 p.m., and continuing every Tuesday for five weeks.

They also made plans for the visit of Santa Claus, an annual treat for children, sponsored by the Knights of Columbus.

It is necessary for all interested in participating in either tournament to register before beginning to play.

Trophies and prize money will be given for first, second and third place winners.

Pickup snacks will be available during the games.

There will be a \$20.00 fee for membership in the gin tournament; and a \$10.00 fee for membership in the 42 tournament. For more information, call the KC Club, 759-2979. Both tournaments will be benefits for the KC Club.

Announcement of the two tournaments was made by Randy Hermes, who also told of another coming event sponsored by the KCs. There will be a Turkey Dinner served on Dec. 11 from 5 p.m. to 8 p.m. Meal tickets will be \$4.00 for adults and \$3.00 for children (advance price). At the door, meal tickets will be \$5 and \$4.

Santa Claus will be present at 7:30 p.m. for his annual holiday visit with children.

Contact John Walterscheid, Wilfred Bindel or Randy Hermes for meal tickets.

THE SACRED HEART KINDERGARTEN CLASS took part in the blessing of the Advent wreath, a ceremony to begin the Advent season.

Jerry Klements celebrate silver wedding Nov. 12

Mr. and Mrs. J.A. Klement and Mr. and Mrs. Harold Bindel attended the 25th anniversary celebration for Jerry and Carole Klement at St. Luke's Catholic Church in Temple, Texas on Nov. 12, 1988. Other out-of-town guests included Mr. and Mrs. Dick

Schleicher, Mrs. Susan Burchfield and children from Fort Worth, and Mrs. Helen Schleicher from Dallas. Following the liturgy, family and friends continued the celebration with dinner and dancing in the parish hall.

Cain kin gather in Dallas for holiday

Mrs. Richard Cain joined relatives in Dallas for a Thanksgiving reunion with dinner in the home of her daughter and son-in-law, LaQueta and Bill McCollum, who hosted the holiday party.

Other guests included Bill's father, David McCollum of Valley View; Bill's sister, Peggy, and her

son, Darrell Prestage of Houston; the hosts' uncle and aunt, Bobbie and Lloyd Hefner of Amarillo; their daughter, son-in-law and child, Holly, David and Brooke Martin of Crowell; the hosts' daughters and sons-in-law, Tracey and Brad Nichols of Coppel, Kelley and Keith Orsburn of Denton.

BROOKE ELIZABETH ENDRES was recently selected as the Grand Prize winner in the Mathews Photographers Photogenic Contest. Brooke was one of over 120 entries ranging from 1 year old through 12 years old and six different categories. Brooke is 3 years old and the daughter of Monte and Jacque Endres and has a baby sister named Abby who is 1 year old. Brooke is the granddaughter of Edward and Clara Endres of Muenster, Wayne Kyle of Lake Kiowa and Beth White of Collinsville. She is also the great-granddaughter of Dora Henscheid of Muenster and Lena Christopher of Collinsville.

Essay contest winners noted

Co-sponsored by the Catholic State League of Texas and the Catholic Life Insurance Union, with winners announced at the July convention, the 1988 essay topic was "Pope John Paul II's United States visit and its reactions."

The following is a list of winners, in order named: High School girls: Lucy Fuhrmann, Lindsay; Loreles Acker, Nazareth; Bernadette Baca, Wharton.

High School boys: Bobby Kern, Nazareth; Warren Migura, Hallettsville; Bobby Fleitman, Lindsay.

Junior High girls: Jennifer Key, San Antonio; Candy Esquivel, New Braunfels; Amanda Zotz, Windthorst.

Junior High boys: David Carrazales, Taylor; Greg Weidenfeller, Fredericksburg; Chris Brozovich, Lindsay.

Cub Scout News

Tiger Cub group, affiliated with Pack 664, held their second big idea meeting on Monday, Nov. 14, at the home of Jim Stoffels. Jim and his parents were the leaders for this month's meeting.

The boys and parents enjoyed making Christmas ornaments and Christmas paper chains. They made three different kinds of ornaments using construction paper, glitter, stars and other decorative items.

After the meeting adjourned, everyone enjoyed refreshments of finger sandwiches, brownies and kool-aid.

The next meeting will be the second Monday in December when the boys are looking forward to a hay ride and caroling. Hosts for the December event will be Nick

Silmon and his parents. Members of the Tiger Cub den are: Nick Silmon, Jim Stoffels, Jay Jump, Lee Skinner, Josh Walterscheid, Eric Knabe, Cliff Massey and their parents.

The Cobra Den of Webelos this month are working on the Craftsman Activity pin. They have begun by making wooden Christmas ornaments to be used on the Christmas tree for the float during the parade. While working on the Craftsman pin, the boys will be learning the safety and use of several types of hand tools. They will also be making several different items from wood. All the boys have completed the requirements for the Webelos badge and are looking forward to receiving them at the Turkey Shoot coming up this weekend.

Area 4-H'ers attend state 4-H Congress

submitted by Sherilyn Sicking

On the days of July 19-22, four delegates from Cooke County had the honor of going to State 4-H Congress. This year, Congress was held at Austin, Texas. Senior 4-H'ers may go to Congress once when it is held in Austin and once when it is held at different cities in Texas.

The four delegates that went to Congress were Sherilyn Sicking of the Muenster 4-H Club, Mike Lutkenhaus of the Lindsay 4-H Club, and Kristen McKown and Amy Bartlett, both of the Mountain Springs 4-H Club.

We were allowed to sit in the House and Senate chambers of the state capitol. We debated and voted on bills for two days. The House and Senate 4-H'ers passed bills, which were presented to an aide from the State Governor's office. Governor Clements was unable to attend as he was in the hospital. We toured the Capitol and the LBJ Library, where we were shown a film of his childhood and his years as a politician and president of the United States.

We had lunch at the Spaghetti Warehouse, and one evening we attended the theater production, "Merrily We Roll Along" and had dances each evening.

There were 540 4-H'ers from the state of Texas in attendance for State 4-H Congress.

Hornets end season

Rotan advances to meet Lindsay...

"We had an excellent season," a subdued Bill Jump said Friday night after he witnessed his team's season ending 41-14 loss to the Rotan Yellowhammers. "Rotan has a strong team. We had as good a chance to be up 14-0 at the half as they did. The only problem was they were."

Indeed, the Yellowhammers displayed a tough goal line defense and speedy offense to seize control of the game midway through the second period. Muenster left its game plan in the second half and scored two touchdowns, but the Rotan offense answered the bell with crushing drives for retaliatory scores.

"Rotan and Lindsay could be a tight ballgame," added Jump, "turnovers will play the key role. Lindsay will need a mistake-free effort."

Mistakes. Six big turnovers. This statistic spelled the end for the Big Red Machine. Muenster took the opening kickoff and reeled off positive yardage down to the Rotan 35. Everything was clicking, except the Hornets fumbled. Forcing the Hammers to punt, Muenster took over on its own 35 and again coughed up the ball. Rotan missed on a short field goal attempt.

Senior J. Shane Wimmer then recovered a Rotan miscue at the Hammer's 36-yard line. As the second quarter began, the Hornets were looking at the most important series of the season.

With a first and goal at the 6-yard line, Keith Klement bulled to the 1-yard line. Faced with a third and goal, the Hornets called timeout. Jerry Brawner ran a quarterback sneak that many felt could easily have been called 6 points, but the Hammer defense got credit for the stop. On 4th and 1, Muenster bobbled the exchange and Rotan was breathing but still 99 yards from the lead.

Hammer flanker Willard Ruddy then electrified the home crowd when he raced 93 yards for a touchdown. One Rotan coach called it "our biggest play of the season." Jorge Montoya kicked the PAT. Ruddy wasn't finished. With less than two minutes before the half, Ruddy hauled in an 8-yard TD pass and Montoya kicked the PAT for a 14-0 advantage.

Muenster opened the second half with a defensive stop but again their offense coughed up the ball. Rotan took over at the Hornet 44. Five plays later, Ruddy raced in from 19 yards. Montoya was good again for a 21-0 margin. Ruddy would end the game with 193 yards rushing.

The Fighting Hornets showed their character as they roared 65 yards in 10 plays to get on the board. James Hennigan capped the drive with a 3-yard run. Bobby Don Thornhill kicked the extra point. Rotan needed but 3 plays to answer. Quarterback James Smith hit end Gary Fowler for a 19-yard scoring strike. Montoya was good again and Muenster trailed 28-7 entering the final quarter.

800 yards despite sitting out 4 games offensively.

Coaches Tim Ratliff and Ted Heers both singled out their players as having contributed to a fine season.

"Eric and Bobby exceeded our expectations on defense," said Ratliff, "and our line on offense outplayed larger opponents nearly every week. They opened up a lot of holes to get over 2200 yards on the ground."

Heers praised the backfields. "The secondary gave up but one TD during the regular season. They set a standard there that can only be beaten by perfection, and the entire staff was proud of the way Jerry played offensively the second half of the year. He looks

SCOT VOGEL (40) leaps high over a Rotan blocker in effort to block an extra point kick.

HORNET DEFENSE swarms around the Rotan ball carrier (22). Making initial contact is Troy Pagel (44). Weldon Hermes (61), Marshall Smith (35) and Bob Thornhill, at right, are approaching to assist.

Dave Fette Photo

Eric Dankesreiter recovered a Hammer fumble on the Muenster 42 and Muenster scored again behind Hennigan. He caught a pass for 24 yards, ran twice for 18, and scored from the 1. Trailing 28-14, the Hornets' onside kick was a good one, but the Hammers wound up with the ball. With 6:59 left, running back Joe Huit scored from the 13 and Rotan was again up by 21 points. With 36 seconds to play, the Hammers added one more score on a 12-yard pass from Smith to Blake Morrow.

Muenster gained 140 yards on the ground compared to 416 by Rotan. Quarterback Brawner was 7 of 12 for 106 yards with Hennigan getting 64 through the air and 53 on the ground. Hennigan was superb for the year, gaining

ready to be one of the best in the area next season."

Coach Bill Jump saw his 2-year record go to 13-9. He summed up the 10-2 campaign and Area Championship season. "Anytime you overcome the pre-season forecasts to win the conference title, the adrenalin really gets going. Ours got rolling early in the year and gathered momentum. The boys worked hard and we're proud of them."

The 1988 team gave Muenster the fifth district title in school lore. With six starters returning on offense and defense, the Hornets look well for '89.

"We don't expect to be anybody's cinderella next year," added a smiling Jump.

Contest winners announced

Grand prize winners of The Muenster Enterprise's Football Contest are announced this week, as the contest comes to an end with Muenster's playoff defeat.

Mickey Haverkamp finished as grand champion with a 77.377 correct percentage on games picked. Besides the \$100 grand prize, Mickey also won \$30 in the weekly competition.

Chris Stoffels came in second overall with his percentage of 75.410. Chris' winnings totaled \$70, which included two weekly first places.

Benny Haverkamp came in third with a 74.426 correct percentage. Others finishing the contest and their correct percentages were: Ben Bindel, 72.168; Janet Pagel, Mark Grewing and Craig Stoffels with 72.131; Nick

Walterscheid, 69.180; Leona Hellman, 67.541; Duane Haverkamp, 65.246; Tim Bindel, 63.107; and Carol Grewing with 61.639.

Mickey's lowest picks were weeks 4, 6 and 12 of the contest; with 12 misses. Her highest was Week 5 with only 3 incorrect picks.

Chris' lowest was the fourth week at 14 correct; his best was Week 5 with 24.

The last round sees two repeat weekly winners. Mickey Haverkamp and Janet Pagel both correctly guessed 21 correct. The weekly winner was determined by the tie-breaker. Mickey finished with a 28-point difference; Janet followed with a 36-point spread. Chris Stoffels and Benny Haverkamp followed with 18 correct guesses.

Four contestants correctly picked 17 and 16 games while two picked 15 and two 14 to round out the final week.

The weekly winners picked up their cash prizes at Muenster Building Center, last week's tie-breaker sponsor.

All contestants correctly picked Denison, Arizona, Georgia, Florida State, Texas A&M and Houston to win their games. Only one missed Fannindel's win over Wortham but only two picked Muenster's loss to Rotan.

Fourteen of the 16 entrants missed the Giants win over New Orleans, while 13 incorrectly guessed the outcome of the Quannah-DeLeon game. Twelve missed Union Hill's defeat to Bremond and Dallas Temple's win over Lexington.

Lindsay's win over Baird surprised 11 contestants.

The Muenster Enterprise wishes to thank the sponsors for making the contest possible; also the contestants, without whom there would be no contest. We hope you look forward to next year's Football Contest!

Full slate of basketball underway

The Muenster Hornets and Hornettes traveled to Chico Tuesday night and came home with two victories. In a tough, exciting contest, the Hornets prevailed over the Lady Dragons 44-40. Jennifer Carroll paced the attack with 19 points. The Hornets showed the effects of being a playoff football team but shook off the cobwebs for a 59-51 win. J. Shane Wimmer scored 20.

Friday night the junior varsity boys tip-off at 5:30 p.m. with Callisburg here followed by a boys' varsity game. Tuesday night the same two teams are in action against Aubrey. The 3-1 Hornets

get back into action Thursday in the Alvord Tournament as do the Hornets.

At Chico, Carroll and Wimmer found plenty of support. Melissa Bayer had 12 points and 8 rebounds, followed by Shonna Reiter with 7 points and 4 steals, Jenny Wimmer 4 points, and Tara Walterscheid 2 for the Hornets. In boys' action, James Hennigan scored 12, Chris Klement 10, Keith Klement 7, Mike Pagel 8 and Weldon Hermes 2.

"The girls played aggressive," said basketball coach Ted Heers. "We won a tough game on the

road against a strong girls' program. The guys came on in the fourth quarter and pulled out the W. We will be a contender come January.

Last week, the Hornets played Chico in Muenster and won 39-38. Then on Tuesday, they fell at Pottsboro 44-33. Against Chico, Denise Bayer led the way with 16. She was followed by Melissa Bayer with 7, Dana Wimmer 6, Carroll 4, Jenny Wimmer 6, Lisa Robison 1, and Denise Anderle 2. Against the Cardinals, Melissa hit 17, Denise Bayer and Kim Hess 4 each, Kim Anderle 3, Jennifer and Denise Anderle 2 apiece, and Gaylia Brunson 1 point.

The Alvord Tournament will run Dec. 8 through Dec. 10. Last year, the Hornets won the consolation bracket and the Hornets captured third.

Little Red roundballers meet Collinsville Mon.

The Little Red basketball teams will play their fourth games of the season this Monday night here at the Hornets Nest. Tip-off for the girls' game with the Collinsville Pirates will be at 6 p.m. followed by the boys' district contest. The junior high district 34-A is comprised of Collinsville, Lindsay, Era, Valley View and Muenster.

Last Monday, the girls ran their record to 3-0 with a 31-23 victory over the Aubrey 8th grade. The Hornets had good performances off the bench from Amy Otto, Theresa Kubis, Kim Stewart and Kay Grewing. Another fine game from DaLana Walterscheid with 18 points kept Muenster in the win column. Adding to the scoring were Chelby Schoppa with 4, Diane Pagel and Lori Graham with 3, Kubis with 2, and Otto with 1.

"Everyone of the girls seems to have just the right amount of pride," said Heers. "We have much to learn and improve upon, but they have that Hustlin' Hornet spirit already."

Michael Hacker with 7, Darren Bindel 5, Daniel Proffer 3, and A.J. Knabe 1 point.

"We didn't dream we would go scoreless in the third quarter. I guess I should have broken a blackboard or smashed a chair at halftime, something. But I've never heard of coaches doing that when you've doubled the other team's score at the half. Give Aubrey some credit for their fight. They kept coming till the end. In fact, we found little pieces of a clipboard all over the locker room floor. I guess they had a little pep talk at halftime."

The Hornets are 2-1 for the season and battle Collinsville for the district lead Monday night.

Golf tourney set to tee off Sunday at 10

The Muenster Golf Association will have their monthly golf tournament Sunday, Dec. 4, at the Nocona Municipal Golf Course. Tee-off is at 10 a.m.

KNIGHTS

Continued from Page 1

Bobby Fleitman threw for 62 yards passing with one interception. The Knights also fumbled one time. They were hit with 8 penalties for 65 yards while Baird was flagged 5 times for 47 yards.

Lindsay's speed outshined the Bears' quick men, and Craig Neu finished the night as the game's leading rusher with 51 yards on 15 carries. Kevin Parson added 44 yards in 8 attempts. Joel Metzler contributed 31 yards and Bobby Fleitman 29. The Knights edged Baird in first downs 14-13.

But the night belonged to the Knights' defense. With so much talk about the dangerous running attack of Baird, the Knights harassed the Bears' substitute quarterback all night.

It was a total team effort in the Knights' defense and Roller's team let it be known to future playoff opponents that moving the ball against the Knights' black magic defense will not be an easy thing to do.

The Knights held Baird to 62 yards rushing on 34 carries with

John Fangman leading the charge with 13 tackles and one quarterback sack. Regi Klement and Craig Neu followed with 11 and 10 tackles respectively.

Mike Dieter didn't play because of a knee injury. "His backups did a tremendous job," said Roller. "Joel Metzler came in, made no mistakes and did a great job." Lindsay chalked up 153 yards on the ground compared to the Bears' 62 yards.

Lindsay will face the Rotan Yellowhammers on Friday, Dec. 2, in Mineral Wells. The 'Hamers defeated Muenster last week 41-14. Muenster handed the Knights their only district defeat.

"The teams get tougher all the time," said the Lindsay coach. "They run the same offense as Munday. If we can hold on to the ball, we have a good chance to win."

Mike Dieter will be able to play "if we can keep his knee loose."

Lindsay will be the home team. Game time is 7:30 p.m.

Both SH Junior High teams lose in Montague

The Sacred Heart Lady Cubs ran into the high-flying Montague Eagles Monday evening in the Tiger Den and suffered a 51-35 defeat at the hands of the Eagles. Montague jumped out to a 10-0 lead before Julie Felderhoff got the Lady Cubs on the board. Montague upped its lead to 20 early in the fourth period before the Lady Cubs cut the margin to 10 late in the game.

The Lady Cubs are now 2-1 and in second place in the NJHBL one game behind Montague. Scoring for the Lady Cubs were Julie Felderhoff 13, Deann Bayer 5, April Truembach 6, Toni Reiter 4, Staci Cler 2, Kelly Dangelmayr 2, and Jeanne Endres 2.

Next action for the Lady Cubs will be Monday evening in the Tiger Den as they play host to Saint Jo at 6 p.m.

The Sacred Heart Cubs played hard, but lost to an excellent Lady Dragons of Chico. After trailing 6-3 in the first period, the Tigerettes put the offense in high gear and scored 19, 17 and 21 in the final three cantos. Lisa Hamric hit for 17, Amy Walterscheid cashed in 14 and also pulled down a game-high 16 rebounds, Vickie Schmitt 13, LaBecah Hess 8, Sharon Fuhrmann 4, Janel Flusche 2 and Noelle Hesse added 2 along with a team-leading 7 assists.

Coach Sims was especially pleased with the play of Tommy Greathouse, Weldon Bayer, Kelly Bayer and Chris Pagel. The Cubs next play the Saint Jo Junior High at 6 p.m. on Monday, Dec. 5, at Sacred Heart gym.

Tigerettes take two of three games

Sacred Heart's Tigerettes picked up two wins over the Thanksgiving Holidays while dropping a 68-53 decision to the state-ranked Gainesville Leopardesttes. The Tigerettes improved their record to 3-2 as they will defend their title this weekend in the Lindsay Tournament. The defending champions will open play Thursday at 4:30 against Sanger. Because of the good fortunes of the Knights football squad the Tournament will be played Thursday and the finals Saturday.

The Tigerettes jumped to a 19-17 first period lead over the visiting Gainesville club as Lisa Hamric knocked down 7 in the period. A 3-minute dry spell and some fine play by the visitors enabled the tough Gainesville squad to take a 35-30 lead at the intermission. Leading Tigerette scorer Vickie Schmitt had 7 in the period to pace the Tigerettes.

The second half saw the Leopardesttes expand their lead to 10 before the Tigerettes could score. "We cut the lead to 4 three times in the second half but just could not get the big hoop," said Coach LeBrasseur. The Tigerettes having to foul late in the fourth period enabled the Leopardesttes to claim a 68-53 win. Scoring for the Tigerettes were Vickie Schmitt 18, Lisa Hamric 14, Michelle Walter 7, Amy Walterscheid 6, LaBecah Hess 5, Noelle Hesse 4, and Sharon Fuhrmann 2.

On Friday of the Thanksgiving holidays, the Tigerettes claimed a 60-46 win over the always tough Lady Dragons of Chico. After trailing 6-3 in the first period, the Tigerettes put the offense in high gear and scored 19, 17 and 21 in the final three cantos. Lisa Hamric hit for 17, Amy Walterscheid cashed in 14 and also pulled down a game-high 16 rebounds, Vickie Schmitt 13, LaBecah Hess 8, Sharon Fuhrmann 4, Janel Flusche 2 and Noelle Hesse added 2 along with a team-leading 7 assists.

The Tigerettes picked up their third win of the season and their second in a row with a 33-32 overtime win at Era Tuesday evening. Trailing most of the contest, the Tigerettes took a 30-29 lead on a basket by Noelle Hesse with 24 seconds remaining only to have

Misti Barthold hit a turn-around jumper with five ticks on the clock to seemingly put the game away. The smart Tigerette club immediately inbounded the ball and called time out with five seconds. The Tigerettes then inbounded the ball across halfcourt and called another time out to set up for the final play with three seconds. The Tigerettes executed the inbound play to perfection only to have Noelle Hesse's jumper fall off the mark into the hands of Tigerette Vickie Schmitt who put the ball back into the hoop to send the game into overtime at the buzzer.

In the overtime, Vickie Schmitt hit for the Tigerettes' only score as the Tigerettes milked the clock for the 33-32 overtime win. "What a win!" exclaimed Coach LeBrasseur. "This win should get us going, we found out we have a lot of heart." Vickie Schmitt led the Tigerettes in scoring with 14, Noelle Hesse hit for 9, Amy Walterscheid added 7 and 16 rebounds and LaBecah Hess added 3.

Tigerette JV remains undefeated

Sacred Heart's JV Tigerettes recorded two wins over the holidays to up their record to 4-0. The undefeated juniors roared through a talented Gainesville squad 45-26 as Amy Bayer swished 14. Sister Vickie Bayer scored 9 and snared a team-high 9 rebounds. Janie Fisher added 7, Jennifer Walter 6, Janel Flusche and Shirley Henschel 4 each.

At Era on Tuesday evening, both teams found the weather outside to be cold along with the shooting. Trailing 8-6 at the half, the youngsters shut out Era in the third period as they scored 6 to take a 12-8 lead into the final period. J.J. Dowd was a scoring machine as she netted 16 and Janel Flusche followed with 4 and a fine floor game.

Next action for the JV Tigerettes is unknown at this time and is pending on the availability of future opponents.

ABOVE - a head and toe tackle seems to do the job as Regi Klement and Jeff Arendt stop a Bear runner for no gain. At left - quarterback Bobby Fleitman hits head on with a Baird defender.

Tigers open season with two losses

The Sacred Heart Tigers opened the season on Friday, Nov. 25, with a loss to the Chico Dragons 51-47. The game was the opener for Sacred Heart and featured many early season mistakes, but great hustle and heart for the Tigers who entered the fourth quarter trailing by 21 points.

In the last quarter, the Tigers scored 27 points while holding in the Dragons to 10 with some excellent defense to finally lose by 4.

The Tigers were led by Darrell Dangelmayr's 22 points and Glen Swirczynski's 12. Chad Fleitman chipped in 6 points and 8 rebounds and Curt Bayer contributed 4 points and 8 rebounds. David Rohmer threw in one 3-point shot. Shawn Dangelmayr and Don Park both played hard but failed to score.

This year, Sacred Heart has a JV boys' team which also opened the season with a 45-27 loss to Chico. Jason Endres led the JV with 10 points, Gary Hess and Chris Hess had 6 each. Mark Flusche and Randy Miller scored 2

each, Jason Frost scored 1. Gregg Hess played, but failed to score. This team is looking to improve itself each week and will play again Dec. 6 against Era's JV at home.

The Sacred Heart Tigers lost Tuesday night to the Era Hornets. The Tigers played hard, but turned the ball far too many times to hang with the Hornets.

The Tigers were led by Darrell Dangelmayr's 25 points and Glen Swirczynski's 14. Chad Fleitman had 5 points. Shawn Dangelmayr and David Rohmer each put in 4 points. Curt Bayer did an excellent job on the boards and put in 1 basket.

The Tigers also hurt themselves at the free throw line by hitting only 9 of 29 free shots. They will work hard Wednesday to prepare for the Lindsay Tournament where they open with the Sanger JV on Thursday, Dec. 1. The Tournament will take a break on Friday and wrap-up on Saturday, Dec. 3.

PUBLIC NOTICE
The Federal Communications Commission requires telephone companies to increase subscriber line charges, effective December 1, 1988. The charges to residential and single line business customers will increase by \$0.60 per month. This increase applies to single-party and multi-party line customers.
These subscriber line charges are designed to recover a portion of the costs of connecting telephone customers to the nationwide telephone network that in the past were recovered through interstate long distance charges. We anticipate that the increased subscriber line charges authorized may be offset by reductions in charges by long distance service providers.
The new interstate toll access charges, effective December 1, 1988, are: Individual line or trunk, including multi-party lines, each: \$3.20.
If you have a question about these charges, please call 759-2251 in Muenster for more information.

Funds reduced for brucellosis program

The Five-Year Brucellosis Eradication Plan that began in 1986 to decrease and redirect federal support has entered the fourth year. According to the plan, more fiscal responsibility for program activities are to be assumed each year by state agencies and industry. After Oct. 1, 1990, the federal brucellosis program will consist only of primary surveillance, record keeping and compliance.

Accredited/approved veterinarians involved in fee-basis activities have made substantial contributions to the cattle industry and the brucellosis eradication efforts. However, the Texas Animal Health Commission reports that

Veterinary Services in Texas has received a substantial reduction in federal funds for brucellosis field activities for the current fiscal year.

The impact of this reduction on the state has made it necessary after Dec. 31, 1988, to curtail any and all fee-basis payments from either federal or state funds for vaccinations. Therefore, after this date, all costs of brucellosis calfhood vaccinations will be paid for by the producer with no help from state/federal funds.

Strict regulations to clean up state

Texas has met the October deadline for complying with new federal guidelines on brucellosis, due to the emergency adoption of state regulations by the Texas Animal Health Commission (TAHC).

Cattle being moved from herds quarantined because of brucellosis infection are under more stringent state and federal restrictions. Bulls older than 18 months and female cattle of any age or vaccination status that are moved from a quarantined herd must be branded with an "S" and can go only to quarantined feedlots, quarantined pastures, or to slaughter. Permits may be issued for these animals to go either through a livestock market or to be shipped directly to reach one of the three destinations. (Steers and spayed heifers

are exempt from the restrictions.) "The new regulations are in response to the time schedule dictated by the U.S. Dept. of Agriculture," said Dr. John Holcombe, executive director of the TAHC. "USDA guidelines are considered 'minimal' for states, and because we are one of six high-incidence states, there's a special concern in 'cleaning up' the disease so the Texas livestock industry can continue to operate nationally."

States that fail to abide by federal brucellosis guidelines or achieve goals for controlling and eradicating the disease could face statewide quarantines and restrictions on out-of-state livestock movement.

Brucellosis, or "bangs," is a contagious bacterial disease that affects a cow's ability to properly reproduce. Typically, animals have no signs of infection until they abort or give birth to weak calves, at which time brucellosis bacteria can easily be spread among the herd. Blood tests can detect the disease, but because there is no cure, owners must sell infected animals for slaughter.

Other animals in the herd are placed under quarantine until blood tests indicate they are not infected. Vaccinations are strongly recommended by the TAHC to help animals build immunity against brucellosis. However, if an animal is already infected, the vaccine may not prevent infection from developing.

Before the new regulations, heifers vaccinated against brucellosis were allowed more freedom of movement from the quarantined herd. However, research has revealed that heifers exposed to the brucellosis bacteria at birth - or when very young - can incubate the disease and may not test positive for infection until their first, or even second, pregnancy. Results of the most recent study by the TAHC reveal that infection in seven percent of

Texas' quarantined herds could be traced to heifers.

Because the restrictions may affect as many as 29,000 heifers from infected herds this year alone, the new TAHC regulations have provisions for quarantined pastures to accommodate only "S-branded" heifers too young or small for a feedlot. After grazing, these heifers have only two possible destinations: a quarantined feedlot or slaughter. They may reach their destination by way of a livestock market or be shipped directly.

Owners or managers of herds under quarantine are not required to sell their heifers. They may retain the heifers, using one of two options. In the first option, heifers remain within the quarantined herd. In this case, the entire herd remains under quarantine until at least 30 days after the heifers calve and the entire herd is tested and classified negative for brucellosis. This option is the most time-consuming and carries with it some risk, because heifers born in an infected herd can incubate the disease and test negative until calving, as previously mentioned. This can expose other animals in the herd.

Therefore, the TAHC recommends the second option, in which retained heifers are vaccinated and maintained in a separate, quarantined "heifer" herd. The main herd of adult cattle can be released from quarantine in the usual manner. The "heifer" herd may be released from quarantine at least 30 days after the heifers calve and are tested and classified negative for the disease.

County Agent's Report

by Craig Rosenbaum

Winter forages have higher protein content, digestibility and mineral content than summer forages. Rainfall patterns in most of Texas during the fall, winter and spring are favorable for growing high-quality winter forage. As a result, more stocker cattle are being grazed on winter pastures in Cooke County each year.

The nitrogen content of winter pastures is higher than that of summer pastures. During the growing season and until winter pastures begin to develop seedheads, protein contents usually are 18 percent and higher; early in the season, the leafy material may contain 25 to 30 percent protein.

Generally, more fertilizer nitrogen must be applied than the amount desired in the forage decomposition of previous crop residue and the less-than-100-percent efficiency of fertilizer nitrogen. High levels of nitrogen must be maintained throughout the growing season for high yields and sustained quality forage production.

This winter forages have made excellent growth with the mild winter and ample moisture. Some forage varieties have really exceeded expectations. Some producers in the county have planted the wheat variety Florida 302 and a new oat variety Blizzard. We have not yet seen what a severe freeze will do to this excessive forage growth. We do not anticipate any problems but each year brings a different situation to farmers and their crops.

Many producers in the county use anhydrous ammonia for a

nitrogen source. This is applied before planting and is generally the only source of nitrogen used. If you have not applied all of the nitrogen fertilizer needed for either forage or forage and grazing, this can be done any time before jointing. The purpose of applying fertilizer before jointing is to get this needed nitrogen into the plant before head formation. As a rule of thumb, wheat will use approximately 2 pounds of nitrogen and 1 pound of phosphorus for each bushel of grain produced. If you are grazing and plan to produce a grain crop also, an additional 40 units of nitrogen would probably be needed. We are fortunate to have the large amount of forage production this fall with the dry summer that we experienced. This excellent quality forage is very beneficial to livestock producers.

Supplies, expectations support feeder prices

by Ernie Davis, Extension Service Economist

Feeder cattle and calf prices continue to be supported by small supplies. Although feedlot placements have decreased in recent months, that decline reflects tight cattle feeding margins more than feeder cattle availability. Despite the slump in feedlot placements and higher feed costs, prices for both feeders and calves have experienced little seasonal weakness into the early fall months. Optimistic cattle price expectations have supported aggressive bidding for replacement feeder cattle.

Smaller calf crops have reduced available feedlot supplies to historical lows. However, feedlot placements increased about 4 percent in each of the last two. In addition to larger feedlot placements, the calculated number of new heifers added to the beef cow herd increased nearly 18 percent during the first half of 1988. Aside from the first half of this year, relatively few heifers have been added to the beef cow herd in recent years. This aging cow herd suggests further sharp declines in beef cow slaughter are unlikely and more heifers will need to be saved as replacements to maintain current herd size. Significant growth in the cow herd will impose an even larger drawdown of available feeder cattle supplies.

The available supply of feeder cattle has been augmented by feeder cattle imports, primarily from Mexico. During 1986, imports from Mexico totaled 1.16 million head, but declined to about 900 thousand in 1987. Through July, feeder cattle imports are up about 14 percent in 1988. However, during the last half of the year, imports will be below a year earlier since the 1987/88 Mexican quota has been filled and the announced quota for 1988/89 has been reduced

sharply. Mexican feeder cattle imports reportedly will be reduced to about 500 thousand head during the import year that began Sept. 1. Most of those imports will arrive during the first half of 1989.

Tight feeder cattle supplies will remain a major concern for cattle feeders during the coming year. Feeder cattle prices will be sensitive to the competition among cattle feeders, cow herd owners, and stocker operators for replacement cattle.

High feeder cattle prices in relation to fed cattle and rising costs of gain have taken a toll on feedlot placements in recent months. Although fed cattle prices are expected to trend higher into next spring, cattle feeding margins are likely to remain narrow. Prices for 750 pound feeder steers averaged near \$80 per cwt last summer. At a total cost of gain (including interest) in the 56-58 cent per pound area, average breakeven prices for Choice slaughter steers in the fall and early winter will range in the \$75-\$77 area, (includes 4 percent shrink). Continued financial losses on fed cattle marketed this fall will likely keep feedlot placements below a year earlier.

Prices for 7-800 pound feeder steers are expected to average near \$80 this fall, a \$7-10 premium over fed steer prices. That price premium is similar to last year, despite the higher feed costs, but is much larger than the 1982-86 average when feeder steer prices averaged about the same as fed steers. A seasonal increase would push feeder steer prices higher during the first half of 1989, likely into the mid \$80s.

Prices for 4-500 pound steer calves averaged near \$98 during July-September and are expected to trade around the \$100 mark during the last quarter of 1988. Improving fall pasture conditions, including wheat pasture grazing, will help support prices. Seasonal strength will likely carry steer calf prices well into the \$100-\$110 range during the first half of 1989.

They were accompanied by the Bill Whites.

Six Flags offers holiday 'magic'!

Arlington, Texas-An all-new show lineup and additional rides will be featured in Six Flags Over Texas' traditional Christmas spectacular, "Holiday In The Park," when it begins its fourth season the day after Thanksgiving.

The event's ice show, which was introduced last year, will be bigger and more elaborate than the initial production. The 1987 show was designed for a theater seating less than 1,500 guests. The 1988 version is tailored to fit the 10,000-seat Music Mill Amphitheater.

A new full-scale musical production filled with holiday songs and dances will debut in the Southern Palace Music Hall. A totally new show will also be presented in the Crazy Horse Saloon, and a laser show with a holiday theme is slated for the Cinema 180 Theater.

For an extra fee, visitors may ride in open carriages pulled by prancing horses in jingling harness.

More than a half-million twinkling lights will be used in lavish holiday decorations including the traditional 200-foot-tall Christmas tree created by 7,500 brilliant red lights strung from the top of the park's parachute ride.

Carolers and strolling bands will entertain in the streets outside shops featuring foods of the season and gift selections.

Holiday In The Park will begin in the evening after Thanksgiving and will be open Friday, Saturday and Sunday nights until nightly operation begins Dec. 16. With the exception of Christmas Eve and Christmas Day, the event will be staged from 5 p.m. until 11 p.m. each evening through Dec. 31. On the final night a special New Year's Eve fireworks spectacular will light the skies at 10 p.m.

Admission is \$6.95, plus tax. Six Flags season passes will be honored. Children ages two and under are admitted free. Parking is also free.

HARD-TO-STOMACH PROBLEMS

Judging by the sales of antacids, heartburn and indigestion are widespread problems. Anyone with these or other digestive disturbances should avail themselves of the services of a chiropractor in an effort to realize long-term relief. The key to such an effort is to visit the chiropractor before the condition becomes severe or chronic. Oftentimes, the chiropractor can seek to relieve mild gastric upset by applying manipulative therapy to the region of the mid-back. It is here that nerves controlling the stomach emerge from their spinal opening. If these nerves are impinged by misaligned vertebrae, their ability to control stomach functions may be impaired. The chiropractor's goal is to remove the source of the interference, not cover up the resultant symptoms with antacids.

P.S. If a patient's digestive problems are a result of improper eating habits, the chiropractor is prepared to offer nutritional guidance.

Periodic chiropractic exams serve to address existing problems as well as preventing unwanted situations from developing. MURRAY CHIROPRACTIC CENTER, 504 E. Broadway, offers the chiropractic exams that will address all your needs. For a total state of well-being, call MURRAY CHIROPRACTIC CENTER today. Tel. 665-7656. Hours: Mon., Tues., Thur., Fri. 8:30-12:00 and 1:30-5:30.

This Christmas ...
Return to a simpler, less frantic time.
Give a gift that invites a time of quiet thought and composure; a gift that can return to you; a gift that is unique, yet suitable for almost everyone on your list.
Give personalized stationery
... lettered with hand-set type and printed on our original Heidelberg Press.
... or unprinted, complete with matching envelopes.
All stationery includes a suitable gift box.
OFFICIAL CENTENNIAL STATIONERY
including letterheads, envelopes, informal cards with envelopes and note pads.
Distinctive with the Centennial Spirit.
