## Hospital board hires Snow as administrator

by Angela Jones  
Editor

The Hansford County Hospital District announced the hiring of Anne Snow as the new hospital administrator at a special meeting held Thursday, June 3, 1993.

"I feel very honored to be chosen as administrator and I am looking forward to making sure the Hansford County Hospital District continues to give Hansford County the best possible health care service," Snow exclaimed.

According to Snow the Hospital Board interviewed six out of approximately 60 applicants for the position.

When asked about goals for the hospital district Snow replied that the board of directors set the goals, but the board and her agree on

which direction to head. She continued that the District has a broader roll in maintaining the health of people in Hansford County. She gave examples like taking care of elderly and children, encouraging people to get regular checkups and helping to inform the community about health issues.

What Snow sees in the future is more educational activities to remind people what they can do to stay healthy.

She stressed that all of these activities need to be accomplished in a financially responsible manner to keep Hansford County taxes as low as possible.

Snow graduated from high school in Tacoma, Wash. She received a Bachelor of Arts degree

During this time Snow reported that her responsibilities were management of the business office, preparation of annual budgets, preparation and evaluation of financial statements and supervision of data processing functions.

According to Snow, she and her husband, Tom, and their 8-year-old son, Adam, are currently living in Farnsworth, but are looking to move to Spearman as soon as possible.

by Angela Jones  
Editor

Including Mary Catherine Cook Miss Hansford 1993, 47 young Hansford County women have been crowned since the pageants began in 1938.

Miss Hansford 1949, Pat (Howell) Dear, explained what it was like to receive the title. "When I received the title, we more or less represented the local Chamber of Commerce. We were chosen by them to be the representative in the Miss Wheatheart Pageant. It was a lot different."

She also explained how the pageant has changed through the years. "There have been a lot of changes. To begin with there was no talent." She continued, "The Miss Wheatheart was chosen at the rodeo dance, which was held at the community hall. At the dance the contestants were paraded across a flat bed truck." Pat explained that the flat bed truck was used for the stage.

She concluded by saying that every year changes are made. "A lot of changes have been made for the better and it (the pageant) keeps getting better every year. It is great for the community."

## Hayth and Pack exchange wedding vows May 8, 1993

Miss Teresa Lynn Hayth and Mr. Larry Michael (Mike) Pack were united in marriage on Saturday, May 8, 1993, at Tallwood Baptist Church in Houston, Texas. The doubling ceremony was officiated by Dr. Daniel Vestal. Wedding music was provided by Lewis Zailer, organist. Vocalist Tom Barich of Las Cruces, New Mexico, sang "Cherish the Treasure" and "Household of Faith." After the vows were pronounced, Tom sang "The Lord's Prayer."

The bride is the daughter of Mr. and Mrs. Eugene Hayth of Las Cruces, New Mexico. The groom is the son of Mr. and Mrs. E.N. Pack of Stinnett. He is the grandson of Mr. and Mrs. Woodville Jarvis of Spearman and Mrs. Daisy Pack and the late Odell Pack of McGregor, Texas.

Given in marriage by her parents and escorted by her father, the bride chose a gown of snow-white satin accented with lace and highlighted with bridal pearls and sequins featuring a high neckline, basque waistline, and long sleeves. The full skirt swept into a cathedral train, and the fingertip veil of silk illusion fell from a headband encrusted with bridal pearls.

Jacque Bateman of Katy, Texas, was Matron of Honor. Bridesmaids were Debbie Johnson of Lafayette, California; Wanda Berges of Las Cruces; and Mary Hayth of Fort Belvoir, Virginia, sisters of the bride; and Marilyn McClellan of Houston. Jessica Pattarozzi of Las Cruces, niece of the bride, was Junior Bridesmaid. The attendants wore identical teal-length dresses of black floral patterned jacquard with basque waistlines and white portrait collars worn off-the-shoulder.

E.N. Pack was his son's Best Man. Groomsmen were Jay Pack of Lubbock, brother of the groom; Bobby Pack of Flower Mound, Harold Pack of Austin, and Wesley Jarvis of Spearman, uncles of the groom. Ushers were Billy Jones of Odessa; Thomas Hayth of Las Cruces, brother of the bride; and Terry Gammell of Carrollton, cousin of the groom.

A reception was held in the Fellowship Hall of the church following the ceremony. The bride's table featured a beautifully decorated four-tiered wedding cake. Guests were served a variety of fresh fruits from a lovely fruit sculpture on the groom's table. The groom's cake was an appropriately decorated spice cake. Members of the house party were Elaine Divita and Diana Camp of Houston, Teri Holmes of Sugarland, and Adriana Shumate of Katy.

On the eve of the wedding, the groom's parents hosted the rehearsal dinner at the Houston Hilton Inn West.

The bride is a graduate of New Mexico State University in Las Cruces. She holds a Bachelor of Science degree in criminal justice and is employed by the United States Department of Justice.

The groom holds a Bachelor of Science degree in agricultural economics from Texas A & M University. He is a member of the Phi Gamma Delta fraternity. He is employed as a claims representative by Texas Farm Bureau Insurance Companies.

Following a honeymoon to Estes Park, Colorado, the couple is residing in Houston.

Lorene McGuire attended the high school graduation of her grandson, Creighton Davidson last Friday. He is the son of Joyce and Don Creighton. They have lived in San Marcus since he retired from the military and he is the Dean of the Baptist Academy there.

Lorene accompanied her granddaughter, Patty Hicks, the daughter of David McGuire. Patty is from Garden City and went on to Corpus Christi to visit her mother and family.

Ruth and Major Lackey had a houseful of guests weekend before last. Their son Wesley and Janie Lackey came from Anson and their daughter Pam and Pat Joyce with two children came from Kismet, Kansas. Janie and Wesley's son Mike and Shari Lackey of Lubbock as well as Bobbie Wilson also of Lubbock, plus Billy Lackey of Albuquerque completed the gathering.

Mr. and Mrs. Forest Henson of Homedale, Idaho were guests of Dorothy and Max Baggerly for several days last week. Mrs. Henson and Dorothy are cousins. The Henson's daughter, husband and five children, Mr. and Mrs. Keith Drum, joined them from Beaver.

Freda Sheets was delighted to have her daughter, Susan Noel, and grandson, Chris Noel of Dallas visit her last week. Chris is returning to Texas University for the summer term.

Pam and Clay Schnell spent a week at Lake Conchas near Tucumcari last week. They report that all the ingredients for a restful

week fell in place—good weather, good fishing, good companionship.

They were pleased with their catch of wall-eye, crappie and bass.

Nick and Mark Nelson of Houston spent week before last here with their mother, Amelia Johnson. They enjoyed golfing on several near-by courses, including Guymon, with their sister who lives in Texhoma and also enjoys golfing.

Amelia took five days over the Memorial day weekend to take a trip north via Amtrak. She took her grandsons, Ole Dahl, 7, and James Peter Dahl, 4, of Texhoma.

They went to Chicago, entraining at Garden City, Kansas, and enjoyed several activities. They took a cruise on Lake Michigan, visited a huge museum, aquarium, Lincoln Park Zoo and some other places of interest and renown.

Amelia has taken several long trips on Amtrak and says that is the most interesting way to go.

The last surviving brother of Ivan Allen was laid to rest last Friday. William E. (Johnny) Clark, 77, of Roseburg, Oregon, with his son Kenny, had visited Ivan just three weeks prior to his death for a week. He had visited here many times.

Ivan, with all three of her children, Terry and Eldon Vernon, and Janice Banister, attended the services in Memorial Park Cemetery in Amarillo. They stayed over the weekend visiting with other relatives who had come for the services.

Mr. and Mrs. Virginio Ortega had welcomed guests this past week when their son Raul and wife Debbie visited them for five days. They are

from Tucson where he is in the Air Force. Previously they lived in Turkey before he was reassigned to Tucson

Raul's brothers and families came up from Lubbock to be with them. They are David and Pam and two children—who stayed with their mother, Freddie Largent. The other, Ray and Julie and two children stayed with her parents, Mr. and Mrs. Bob Farr.

Former resident, Imogene Stowe Ballard and husband, Junior, were here Memorial Day weekend. After going to the cemeteries, they visited old friends, Mr. and Mrs. James Riley. The Ballards are from Waco.

Joan Lee is back from a week in

## On The Go With Joy

by Joy Henderson

On May 19, 1993, Violet Lee embarked upon a fun leisurely sight-seeing tour that took her through sixteen states and Washington, D.C. She began her adventure by meeting her daughter Gail McMillan at Vernon who was to be the driver of the Lee vehicle. Meanwhile, Tony McMillan was to be the chauffeur for his mother Eva McMillan.

After going through parts of Oklahoma, Arkansas, North Carolina and Tennessee, the party made their first stop in order to attend the wedding of Potasha Byers at Tellico Village Yacht Club. Potasha Byers is the granddaughter of Eva McMillan and the daughter of Poke and Mary Gail (McMillan) Byers of Tellico. Mary Gail attended schools in Gruver and lived here when her parents, Arnold and Eva McMillan owned a variety store, during the 1950's.

After the wedding of Potasha Byers to Thomas Gambill on Sunday the 23rd of May, Tony and his mother headed for Alabama to visit some of their relatives in that area while Violet Lee and her daughter Gail started for their destination toward Pennsylvania. They were to spend several days visiting Jim and Helen Red and Violet's granddaughters Chanda and Tiffanie Lee.

Exciting side trips and tours were through the Amish Quilt Country, eating some of the Pennsylvania Dutch food, and Washington D.C., with a different location each day. Other states visited were Virginia, West Virginia, Kentucky, Maryland, New Jersey, Ohio, Indiana, Delaware, Illinois, and Missouri.

When heading back to Texas, Gail again met up with her husband Tony and returned home to Abilene.

Meanwhile, Helen Red, Chanda and Tiffanie are here in Gruver in order to complete the sale of her house and will be staying with Violet for a few days.

Well, to continue our saga of Dustin and Grompa's garden, imagine Dustin's surprise when he found

a "eatermelon" (watermelon) out there hidden under Grompa's four inch high plants! Dustin and his parents and sister Teals came up for the weekend to help pick cherries and take a lawn mower back home. Anyhow, we asked Dustin what he had growing in his garden? He said "Grass!" Usually he says peas, okra, tomatoes, eatermelon etc., but now he has grass.

We were pleasantly surprised to have Mike, Pat and Loneida Burnam show up in Gruver this past weekend. I imagine since school was over for the summer, they were getting some vacation time in with their other relatives.

Some other visitors included Becky Bridwell's mother LaHoma Davis from Pampa. Becky recently lost her grandmother Julia Davis who also was a Pampa resident.

Grandpa Jerry Swink was escorting a beautiful little granddaughter to Sunday school. He was mighty proud holding the hand of Kayla Swink, daughter of David and Kim Swink. His little grandson was seen later on at church.

Talking about how grandchildren can run us ragged, I commented to Jennifer Morris about this and she said "Yeah, it takes her parents several days of recuperation after we have been down there." She had just returned from the Duncan, OK area after visiting with her parents, the Anderson's. Can you imagine the travelling with year-old twins? Hopefully Katie Beth and Colby can be a big help.

Very good news for the Cotter family! Shawn Cotter, son of Pete, was diagnosed with cancer last year, and was very sick for awhile. Now, it is hoped that he is in remission. At any rate, he was able to return home in Dimmitt and all the family went down to welcome him home. Those from the Gruver area were John and Karen, Don and Doris and Don and Peggy Dillow.

Madeline Harland went to Brownfield along with several of

Spearman's Tia Conley gives special Father's Day gift**

by Angela Jones  
Editor

After ten years of research and not being able to place a face on the man she wished to see on Father's Day, Tia Conley has been reunited with her biological father, Jay Lynn Wofford, almost three weeks before Father's Day 1993.

Before their reunion on Sunday, May 23, Tia had not seen her father since she was two years old and he went off to Vietnam. She explained that her mother had placed the kids up for adoption and when her father returned the kids were gone. "I could remember his outline and couldn't put a face on the body," she said.

She quickly added that despite the time that had gone by she knew it was him when they first met. "I knew it wasn't a joke and I was real excited. It was a dream come true for both of us," Tia exclaimed.

She continued, "Usually there is a gap, but when we saw each other it felt like we'd always been together."

Before their reunion, Tia and her father talked on the telephone for about three hours on Friday, May 21. After the initial telephone

conversation, Tia reports that her father came to her house in Spearman on Sunday, May 23, and they spent about 24 hours together. "We didn't get much sleep," she added.

Since the first telephone conversation and visit, Tia and her father talk to each other often. She reports that her family is planning to go visit him in Austin the second week in July.

Through Tia's research she has also located one of her sisters, Christine Rogers, but she is still trying to locate four others.

Tia Conley now has an address and a face to fulfill her Father's Day dreams for 1993.

**LOCAL LAKES IN GOOD SHAPE**

The fishing at Lake MacKenzie near Silverton should be good in 1993 according to latest studies by Charles Munger, Texas Parks and Wildlife inland fisheries biologist. Mr. Munger reports "blue channel and flathead collections were very good during recent gill net surveys". He noted that the walleye reproduction is "very limited" but 75% of those caught in the nets were over 25 inches. The hybrid stripers are the last survivors of stocking in 1979 through 1981 and all were longer than 24 inches. Munger noted that the hybrids may not last much longer.

Final note from Munger indicates that the population of black bass was extremely high for gill nets, but better data on bass will be collected in the fall.

My recommendation — keep the hybrid stripers and catch-and-release the largemouth bass. A twenty foot rise would work wonders for the fishing at MacKenzie. Now is not a bad time to take a video camera and make a permanent record of the interesting lake features that will hold fish after the rains come.

**Lake White River** was gill netted in April and Joe Kraai, TPW biologist, reports "good numbers of channel and flathead catfish." According to Kraai, walleye numbers have decreased since 1990 and evidence indicates that they are not reproducing. He also reports a

healthy population of white bass, with one sandy exceeding the current state record of 5.56 lbs. The status of largemouth bass is usually determined in the fall studies.

**Good News** It is a pleasure to report the results of these scientific studies. Some previous studies were the results of "cove kills" using rotenone. This writer always found it difficult to report that our government employees indiscriminately wiped out all the fish in a cove, in order to give the anglers a lake report. Besides, every fisherman secretly feared that he was fishing in one of those dead water coves.

**Father's Day** is Sunday, June 20th, and next week's column will list some great gift ideas and a few bargains. **Preview**—Want to save some money when buying those Flying Lures advertised on television? Stop by the closest K-Mart store and \$10 will buy enough of these lures to conduct your own test. Makes Dad happy and saves you \$35 off those inflated TV prices.

**Question of the Week** How many rods can a fisherman legally use? Answer—The folks at TPW referred me to a pamphlet entitled 1992-93 Fishing Guide. On page 28 reads, "The law says you may not fish with more than 100 hooks on all devices combined." Come to think of it, I do think I have some catfish guys with nearly that many rods at Greenbelt.

**RADICAL LIVING**

By Dan Carter, Pastor Trinity Community Church

**ARE WE THERE YET?**  
I John 3:2,3

Remember as a child driving on trips with your parents? While your dad drove and your mother read, you would drive them nuts asking, "How much longer?"

Several years ago, my now teenaged girls began to pester us from the back seat: "When will we get there", "What's the next town", "I'm bored", "Mandi's on my side of the seat, mom!" Threats, and sometimes punishment issued from behind the wheel. The tables had turned and my sin found me out.

There seems to be a parallel in the Christian's journey to heaven. Some believe, the destination being heaven, you can get there before you arrive (perfectionism). All it takes is one more fact, received at one more seminar, heard on one more tape or spoken by one more counselor. Or one more powerful experience of God's Presence. Such thinking is similar to someone saying, "Oh, you're going to Albuquerque? Well, when you get to Tucumcari you're there."

Others seem to hold to the idea that God is "driving" us to heaven, only we never make any progress toward being heavenly (holy) until we arrive. The Bible teaches that to get to Albuquerque (heaven in our example), we must drive until we arrive, going through Stinnett, Borger, Panhandle, Amarillo, Bushland, Vega, etc.

Sometimes as Christians, we can grow tired of traveling. When we do we'll find ourselves grumbling at God, fighting in the back seat with brothers and sisters and maybe being yanked out for some roadside discipline.

None of that makes the trip any more pleasant. God would like us understand that the journey is the destination because with us. That is the ultimate reason heaven will be heaven. The next time you find yourself grumbling or bored, fix your hope on Christ who is the way and the goal of our journey. If you don't, be prepared for a large hand swinging your way from the front seat.

**Saving Energy Is As Easy As Pie.**

A pie crust helps keep the filling nice and hot. Home insulation works on the same principle. By slowing the transfer of heat, it keeps warm air out of your house during the summer and in your house during the winter.

Insulation works best if you have the right level for your area and if you keep your attic ventilated to avoid moisture build-up. To learn more about measuring insulation levels in your home, and adding insulation if needed, call or visit your local TNP office and ask for your free Energy Management Guide.

That's how thousands of Texans greet us every day.

We're the Southwestern Bell Telephone Operators ... and we're ready to help you with your local and long-distance calling needs. Every day. Around-the-clock.

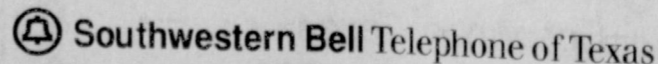

Like Directory Assistance that provides you with phone numbers, addresses and ZIP codes. And our Call Completion Service that connects you with your requested number so you don't have to hang up and dial it yourself.

Southwestern Bell Operators also think it's important to teach children about telephone safety. As a reminder, please take time to review with your child how to reach help in an emergency.

Then, practice these emergency calling procedures until your child can dial "0" for Operator -- or call a specific emergency number if used in your area. Children should also memorize their home phone number, including the area code, as well as your neighbor's number and your work number.

We hope you never have to call with an emergency. If you do, however, we're here when you need us to handle the call.

Southwestern Bell Operators help make Southwestern Bell the one to call on in Texas.

"The One to Call On"

Here is a rundown of local Gruver talent in the West Texas Amateur Athletic Union (AAU) Girls National Qualifying Tournament held this past weekend, June 3-6, in Amarillo.

**CARGILL'S GIRLS** (18-and-under) - Holly Venneman was Gruver's representative on this team, playing along with Jill Lusby, Michelle Garnett, and Laura Pearson of Spearman, Lori DeShields of Sanford-Fritch, Kenda Chisum of Sunray, Angie Jo Ogletree of Panhandle, and Tammy Yelton and Cherec Menden of West Texas High. Cargill's Girls opened on Thursday with an 85-67 trouncing of the Lubbock Sports Center Cardinals. On Friday, the West Texas Lady Cardinals knocked Cargill's Girls into the losers bracket with a 74-69 win over them. On Saturday, Cargill's Girls met the Unknowns, and won 66-52; then they met the Nets and won 95-74, setting up a rematch with the West Texas Lady Cardinals on Saturday evening, and Cargill's Girls won a thriller in overtime. That set up a showdown between the favored Doctor's Clinic team, and Cargill's Girls, on Sunday afternoon. Cargill's Girls would have to beat the Doctor's Clinic team twice in a row, but it was not to be, as Doctor's Clinic came from behind to win the championship game 65-64. All in all, it was a very exciting and superb effort by Cargill's Girls. Lusby, Chisum and Ogletree made the All-Tournament Team. Doctor's Clinic now represents West Texas in the national tournament in Chattanooga, Tennessee on July 2-10.

**DAVIS DUNKERS** (16-and-under) - Gruver was represented on this team by Wynn Maupin, Sara Jones and Julie Meyer. The Dunkers opened with a 65-52 victory over Quest on Thursday. On Friday, Davis Dunkers was trounced by the West Texas Flyers 74-34, and knocked into the loser's bracket. On Saturday, they played the Unknowns and lost a heart-breaker 50-49, knocking them out

of the tournament with their second loss. Wynn Maupin was selected to the All-Tournament Team.

**WEST TEXAS ELITE** (15-and-under) - On this team from Gruver was Tisha Ralston. They received a bye in the first round, then, still on Thursday, defeated the Lady Bulls Black 63-29. On Friday, the West Texas Elite lost to the West Texas Hot Shots 69-60, knocking them into the loser's bracket. Saturday they played Quicksilver, and won 61-52. Then they played PAA Tops, and were eliminated from the tournament with their second loss 54-46.

**THE RIGHT STUFF** (15-and-under) - Molly McLain of Gruver was on this team. On Thursday they defeated the Groovin A-K's 43-40, then were defeated by the Lady Bulls Red 72-39, knocking them into the loser's bracket. Then, on Friday they were eliminated from the tournament, suffering their second loss, a 47-40 loss to Bullets.

**WEST TEXAS QUICKSILVER** (15-and-under) - Kiki Carthel of Gruver was on this team. They won Thursday by forfeit, 2-0, over the Sharpshooters. Also on Thursday, they lost to the PAA Tops team 61-54. On Friday, they trounced the Amarillo Shooters 75-39, then trounced the Bullets team 66-25. On Saturday, they played West Texas Elite and were eliminated from the tournament with their second loss 61-52. Kiki Carthel was selected to the All-Tournament Team.

**THE DIRTY DOZEN** (13-and-under) - This team included Weslyn

Maupin of Gruver. They were knocked into the loser's bracket on Thursday in their first game, defeated by the Young Guns team 34-31. But they bounced back, still on Thursday, defeating The C.R.E.W. 42-24. On Friday, they played South Plains Magic and won 36-28, but, also on Friday, they were eliminated from the tournament, suffering a 58-45 loss to the Hereford Heat.

**WATLEY'S WINNERS** (11-and-under) - This team was coached by Andy and Sheila Watley of Spearman. Krystal Deeds, Annie Mayhew, and Becky Cassidy of Gruver were on the team, along with Janae Watley and Lisa Swink of Spearman. Also on the team were four Perryton girls - Lacy Holt, Toby Alexander, Kelly Colbert and Kortney Nowlin. On Thursday, they defeated the Lady Rebels 31-18. In the winner's bracket on Friday, they continued winning, beating Lady Bulls Red 43-29. On Saturday in the winner's bracket they played the Cactus Sharp Shooters, and were edged 29-26, knocking them to the loser's bracket. But they bounced back, beating the Lady Bulls Black team 38-34, setting up a Sunday final with the Cactus Sharp Shooters. Watley's Winners would have to beat them twice to win the tournament. In the first game, it was heartbreak city, as the Cactus Sharp Shooters came out victorious 36-34, and Watley's Winners finished in second place. The Sharp Shooters will not represent West Texas at the national tournament in Terre Haute, Indiana, June 25-July 3.

Janae Watley and Kelly Colbert were selected to the All-Tournament Team.

**LATE NOTE:** The Sharp Shooters have backed out of the national tournament and will not go to Terre Haute, Indiana. Instead, Watley's Winners will represent West Texas at Terre Haute, Indiana, and they are badly in need of funds for the trip. Anyone wishing to make donations for this trip, contact Andy or Sheila Watley in Spearman. The tournament is June 25-July 3, and it will be a very exciting trip for the group of 11-year old basketball players.

## Rose Lessons

Sunday Ephesians 2:1-21  
Monday Ephesians 6:10-20  
Tuesday James 5:7-20  
Wednesday 1 Timothy 4:1-5  
Thursday 1 Samuel 2:1-11  
Friday 1 Samuel 7:2-17  
Saturday 2 Samuel 7:18-29

I work with people and raise roses. Both fascinate me. And both are so similar. Roses require tremendous attention. They must be cared for, talked to, fed and watered regularly, and protected from foreign matter that would harm. All of which must be done with extreme care.

You never hold a rose too tightly or its thorns will give painful notice of your indiscretion. You move about rose bushes with careful caution lest they snag you. They demand room to grow and fulfill their purpose in life.

And each rose bush has its own nature! You can perform all the proper acts of care and love, but the rose will be what its inward nature (its God-purpose) determines: a red rose will be a red rose; a yellow rose, a yellow rose. You have absolute control over its nature (color).

In working with people that's the hardest lesson to learn. We can apply influence, give guidance, exert persuasion, but each person's individuality must be respected. His or her nature (God-purpose) must be allowed fulfillment. Refusing such freedom stunts people and kills roses.

A thank you card from the Manor Residents was shared with members.

There will be a Public Tea held on Sunday, July 11, at the Manor from 2-3:30 p.m. for Anne Snow and new Activity Director for the Manor, Debra Sanford from Perryton.

Jodie Harnish said she really appreciated all the work that the Auxiliary ladies have done over the years.

After no other business, Hazel Stump moved that the meeting be adjourned.

## Plans for Lakefest '93 are underway

Spearman Chamber of Commerce and the City of Spearman announced this week that plans are underway for a fun day at Palo Duro Lake, according to Cindy Blackman, Spearman Chamber of Commerce Executive Vice President.

The day has been designated Lakefest '93, according to Blackman. The Chamber and City wanted to pick a weekend during the summer to have this event every year. The date scheduled for this year is Saturday, July 28. Blackman indicated that this day was chosen because it is most likely

that harvest will be over and that people will be back from vacation in preparation for an early starting of school.

The Chamber asks that if there are any organizations or people that are interested in helping to plan this event or would like to have a booth at the lake, to contact Blackman at the Chamber office. The telephone number is 659-5555.

A meeting for this event will be held on Monday, June 28 at the Chamber office. It will start at 5 p.m. At the meeting questions will be answered about what will be going on during the Lakefest day.
