WORLD'S CHAMPIONSHIP.

The Famous JA Ranch Again Honored in the Prize Ring.

Alice Ligertwood, the popular JA ranch accountant, phones the Banner-Stockman that Mrs. Adair is in receipt of a telegram from Manager Richard Walsh at St. Louis, giving the information that the 2 year old JA steers have been awarded the world's championship premium at the world's fair. These steers were taken from the JA ranch when calves and fed and prepared for the show ring by Dan W. Black of Lyndon, Ohio.

The JA ranch has received many honors in prize exhibits in the past but this is perhaps the highest honor yet awarded. These cattle were in direct competition with cattle from all points of the world's compass, and the Panhandle and the State of Texas are alike honored in their selection as world champions.

The Banner-Stockman is its beaver to Dick Walsh and the JA ranch—the greatest contribution known to the cattle industry.

Sweeney & Wright of Silverton have ordered 20 cars for next Sunday. They will ship to St. Jo.

Horn & Elkins bought from different parties a car of calves at \$6.60 and a car of cows at \$13.75. They were shipped to the St. Jo market Monday.

The markets must be improving some, the long faces of local shippers having decreased by about four inches of late. Still they won't give up the prices.

Foreman W. J. Clark of the JA ranch is this week receiving and branding at Southard the 4,000 steer yearlings purchased from W. Q. Richards some time ago. The stuff is in the Three Stripe, Three D and Moon brands and is described as being first class and strictly high grade.

Mrs. Cornelia Adair, owner of the world famous JA ranch, is now at ranch headquarters at Paloduro, where she will remain until January. Mrs. Adair is accompanied by her nephew, Mr. Wadsworth Rogers, of France, and her friend, Mr. Skeffington Smith of London. Mrs. Adair's fondness for her Panhandle possessions seems to be gaining as her visits of late years have been more and more frequent.

A Kurious Kolumn

By A. Kurus Kusse

The following curiosity certainly deserves a place in the Kurious Kolumn, and Kurus Kusse reproduces it verbatim et literatim, comment being deemed unnecessary:

Alanreed Tex
Nov the 2 1904

Mr Baner Stockman
I see in Mr weagesworth artical in the cronical that you refused to print it and as you printed the record of the commishernurs cort you aut to have let his artical in also so you can stop the paper that you air sending to me as I dont want it
W. H. BAKEN.

Kurus Kusse is shaking hands with himself. His vanity is tickled. While he has always been a democrat he has never expected to sit in high places, and now to be classed with Alton B. Parker, David B. Hill, et al., he just can't help expressing his feelings. And he knows it's so, too, for was not the article signed by "A Truth Lover?" And was it not published in the Chronicle, a paper which late events has shown to be strictly a champion of truth and veracity? Yea, verily. Selah!

The other evening Kurus was meandering over our beautiful town, admiring the beauty of its tree-lined avenues and wondering how much this natural beauty would be enhanced by the judicious use of a little artificial light, when we were accosted by a small boy, probably 2 feet, 9 1/2 inches tall, who wanted a match. Ordinarily we are not in favor of giving babies matches for we once heard of a youngster eating a box of matches and washing them down with a pint of gasoline. He's a cherub now. But this little chap looked up into our face with such a seraphic smile and with his eyes of heaven's own blue so filled with pleading that our heart went out to him and we handed over the lucifer. What do you think that ornery little dried-up chunk of assinnical humanity did? He opened up a chubby little fist and disclosed a vile cigarette which he proceeded to light and smoke with every evidence of enjoyment. You say, of course we gave him a lecture. Not on your life insurance, my dear. We were not put in this world to regulate the morals of the youth of this place or any other. We considerably kept our mouth closed and can hardly see but that silence on our part was quite as good if not better than a lengthy dissertation on the evils of smoking. It's our private opinion that a liberal application of locust tree

ointment would affect a cure in this case as well as many others. But that is for the parent to say. Some misguided people seem to think parents should be told of these things. There is no need for the parents who have any interest in their children being told these things for they find out for themselves and the youngster whose parents aren't interested is on the high road to the demnition bow-wows and there is no need of trying to stop him. Let him go. You can't stop him with a brick wall. A civilized heathen is a creation of—well, he's not an angel.

Kurus owes the readers of this paper an apology. Last week the Banner-Stockman made the statement that a farmer near Rowe had raised a sweet potato weighing exactly 13 pounds. Kurus was not in the office at the time or the item wouldn't have gone in. It is shameful and shows a wonderful lack of patriotism on the part of the potato editor. We will give the facts in the case for the benefit of the papers that have been bragging about their little 6 lb 5 oz. potatoes like they were white baby elephants. We did not see that potato but we have the most conclusive proof that it was the biggest thing extant. In fact a friend of ours who was never known to tell the truth for fear someone would confuse his identity with that of the Father of our Country and every little tow-headed galoot in the western hemisphere would be calling him daddy, told us the entire story. It weighed exactly thirty-one pounds but a stuttering fellow tried to tell about it. He said: "Did you hear about that pot-pot-potato that weighed thirt-thir-thirt—" and before he could manage to say thirty-one the news had reached Clarendon, and went in the paper as thirteen pounds. We hope this explanation will suffice.

Best Liniment on Earth.

Henry D. Baldwin, Supt. City Water Works, Shullsburg, Wis., writes: "I have tried many kinds of liniment, but I have never received much benefit until I used Ballard's Snow Liniment for rheumatism and pains. I think it the best liniment on earth." 25c, 50c, \$1.00. Sold by Fleming & Maulfair.

F. A. White returned Friday from his trip to the world's fair which he pronounces well worth the money it costs to see it. He witnessed the successful flight of Baldwin's air ship, the head-on railway collision and many other features, and made a little side trip up to Keokuk, Iowa, before returning home.

A deed has been filed with the county clerk conveying the seven miles of road from Quanah to Red river of the Oklahoma City and Western to the Frisco for \$180,000.—Quanah Tribune-Chief.

For lack of space we failed to call attention last week to the new grocery firm—Williams Bros., successors to Meador Grocer Co. Mr. A. J. Williams is in charge and his family will arrive from Dundee about the tenth. His brother and family will remove here in the next 30 days. These gentlemen are brothers of Mrs. W. K. Howze and we welcome them and their families to citizenship among us.

Childress no doubt could be made a "common point" for freight rates if an effort was made. The Index has had some correspondence along this line and has found the sentiment favorable. The effort should be made.

Neuralgia Pain.

Rheumatism, lumbago and sciatic pains yield to the penetrating influence of Ballard's Snow Liniment. It penetrates to the nerves and bone and being absorbed into the blood, its healing properties are conveyed to every part of the body and effect some wonderful cures. 25c, 50c, \$1.00. Sold by Fleming & Maulfair.

REPUBLICAN LANDSLIDE.

We would like to explain how it is that Alton B. Parker is not the people's choice for president but it is inexplicable. The republicans won by an overwhelming majority and so far as we know they won fairly and Theodore Roosevelt is, unless something unforeseen occurs, destined to be our chief executive for another four years. As has every other staunch democratic paper the Banner-Stockman has said some things during the campaign that were not exactly complimentary to our president, but now the campaign is over and we will say that we do not belong to that aggregation of extremists who believe the country will now go straight to the demnition bowwows. We believe Mr. Roosevelt is honest and will be guided by his convictions in every matter pertaining to the interest of the great nation of which he is the head. The people have conferred on him the greatest honor it is in their power to give and we believe he is deeply sensible of this honor and will try to leave his name as it is now, an honored watchword in thousands of homes.

PARKER? Who is Parker?

THE fallacy of goldbug democracy is proven. Hurrah for W. J. Bryan and Joe Bailey!

CHILDRESS' county went dry in last Saturday's local option election. Somebody please pass the crow to Bro. Haskett.

RENT houses are in great demand in Clarendon. Never before has there been more calls for residences than just now.

THE Amarillo Herald showed commendable enterprise in issuing a special election edition at 5 o'clock a. m. Tuesday. The Associated Press service was used and Clarendon people read the news 12 hours earlier than usual.

REFERRING to our editorial on the matter of a common point rate for Clarendon, Amarillo and other Panhandle towns the Amarillo Herald says;

We have never seen anything that was good for all the Panhandle people all the time, but what the Banner-Stockman was ready to get behind and push or get in the lead and pull. We need the help of the good people of Clarendon and the other leading towns of the Panhandle. We do not think the railway commission any longer regards this section of the state as composing a few big ranches owned by non-residents. With the proper petition and data, the commission would certainly give a hearing that would result in getting common point rates.

The place of meeting of the Panhandle Teachers' Association has been changed from Clarendon to Amarillo on account of special art features. The date will remain the same. We publish the program on another page.

It is Again Judge Geo. F. Morgan.

Likewise is it Sheriff Patman, Assessor Baker and Treasurer Clower.

Well, its all over; even to the shouting and the echoes thereof. The county has passed safely through its biennial spasm and is now resting from the consequent exertions. No more is heard the pleadings of the candidate abroad in the land. He's been elected and don't have to plead—or defeated and with nothing to say.

Tuesday was an ideal day for an election, a quail hunt, a Sunday school picnic, a fist fight, a day in the cotton field, or any other old amusement. Most people who had laid by them in store a poll tax receipt chose the former, though a look at the totals would seem to show that the election was not the only attraction scheduled for that day. Indeed, to hear some of the dear defeated boys talk, there were undoubtedly more voters who just had to stay home and pick cotton than there were of those who were fired by a mighty zeal to help save the country.

Right here it is time to insert that "interest seemed to center," etc. And it did. Interest seemed to center in the whole darned county election. Even Charley Burton ran like a scared coyote—because he couldn't fly. That there were several close and exceedingly interesting races is shown

by the tabulated score submitted herewith. We do not include in the table the vote on state officers; it is necessary only to state that the usual democratic majority prevailed.

The vote on precinct officers is not included in the table. For county commissioner of the town precinct (No. 2.) J. D. Jefferies received 173 votes and C. E. Blair 95. Mr. Blair was not a candidate and his name was submitted over his protest by his friends, of whom he seems to have several judging from the handsome complimentary vote accorded him. In precinct No. 1, N. N. Martin defeated Chas. Graef by a vote of 25 to 18. In No. 3, R. H. Jones was re-elected without opposition. In No. 4,

F. R. McCracken received 19 votes and Frank Naylor 22. R. F. Wood was re-elected Justice of the Peace for town precinct and F. A. White constable. E. B. Dishman J. P. for precinct No. 3, and Joe Devine constable.

The vote on constitutional amendments was as follows:

Internal improvements, For 62, against, 62.

Ex-Confederate pensions, For 99 against, 43.

State Banks, For 78, against 59.

THE election is now a matter of history. Some of the best men in the county were defeated and other equally as good citizens were elected. The Banner-Stockman extends a warm hand of welcome to the new officers and congratulates them on their success in the battle of the ballots. And while extending congratulations we would include all candidates, defeated or successful, congratulating all alike on the clean races they have run. Now let all settle down for a prosperous season and let all pull together for the good of grand old Donley county.

Rev. and Mrs. G. S. Hardy entertained the stewards of the M. E. church Thursday evening from 8 to 10 o'clock.

A Card of Thanks.

To all my friends who in any way assisted me in the victory just won, I desire to thank you from the bottom of my heart. It has certainly come as a great blessing to me and my family. To those that opposed me I hold nothing against you. You did what you thought was right.

Very sincerely,

J. T. PATMAN.

Weather still continues nice for cotton picking and the farmers are making good use of the time.

They have ginned one hundred and seventy nine bales up to this time.

The election is over and passed off very quietly, one not knowing who the other fellow voted for.

Messrs. Johnson & Reeves shipped another car of cotton last Saturday.

The farmers of this community shipped a car the same day. The parties that shipped are: J. B. Wozencraft, eleven; W. M. Horn, twelve; J. C. Barnett, seven; G. J. Frame, eleven; J. S. Lattimer, three; Messrs. Bray and Moffit seven, Reed brothers, seven; Nat Smith, one, and they had fifty bales still on hand at the time with the crop not half gathered. How is that for the far west.

Mr. Myers, brother-in-law of Mr. Stephenson, came in with his wife and baby this week to take charge of the ranch purchased of Mr. Maulfair.

Roy Carson had the misfortune to get scalded very badly Monday and is in a very bad condition.

Miss Minnie Williams is visiting home folks at Newlin.

Mrs. Reeves, mother and children visited in Clarendon Saturday and Sunday.

Baxter Thomas has returned from Beaver county.

We are again called upon to report the death of one of our neighbors. This time the death angel visited the home of Mrs. Mary Devine and called her home. She had lived in this neighborhood since 1889. She was always ready to visit and nurse the afflicted. She will be missed most by those who knew her best. To the bereaved children we extend our most earnest sympathy.

Thou art gone but not forever,
For we, too, must cross the tide,
Where death fond ties cannot sever,
When we meet at Jesus' side.

There is a good deal of excitement this week on account of the election.

Jack Frost visits quite often lately and the farmers are hungering to get their crops in before cold weather sets in.

Mrs. Sims entertained the young people Saturday night. They had a nice time.

Mr. Orville Baker, brother-in-law of Messrs. J. A., W. F. and C. M. Witt, died at his home in Portales last Friday and was buried in the Clarendon cemetery Sunday. Rev. Skinner conducted the funeral services at the Baptist church at 3 p. m. Deceased leaves a wife and two children to whom the sympathy of the community is extended.

J. G. Shepherd, proprietor of Hotel Clarendon informs us that he is now negotiating for the purchase of the corner lot of the hotel property and expects to soon enlarge the building. He also says that it is possible he may decide to build a new brick hotel building at a future date. We trust he may so decide, for such an institution is Clarendon's most crying need just now.

A good crowd was here Monday on account of "First Monday" attractions, and a lot of stuff was sold at auction. There was also considerable trading going on and our merchants report a good day's business. One notable fact concerning this first Monday is that everything which had been advertised for sale at auction was sold at private sale previous to the auction sales. Parties having anything to dispose of should advertise it for sale on "First Monday." It will not only help out the day but will pay the advertiser. Auctioneer J. E. Crisp expresses himself as well pleased with the day's business and says the country people are taking a big interest in the enterprise.

Williams Bros., cash grocers, keep no books. Try them. tf

Rev. and Mrs. W. L. Skinner left Wednesday for Waco to attend the Baptist State Convention. Rev. Walter Hightower will occupy Bro. Skinner's pulpit at both hours Sunday.

A Pretty Wedding.

The wedding of Mr. W. F. Dubbs and Miss Maude Homra at the Christian church last evening was one of the prettiest church affairs witnessed in Clarendon for some time. The church was beautifully decorated and the marriage ceremony as performed by Elder E. Dubbs, father of the groom, was solemn and impressive. These are among our city's most worthy young people. Mr. Dubbs is a young business man of great merit and popularity, while the bride is pretty, intelligent and highly esteemed. They have the heartiest congratulations and good wishes of a large circle of friends, among whom the Banner-Stockman is proud to be numbered. May their journey through life be peaceful and happy.

Concerning the Great Humorist.
Editor Harvey of the North
American Review and Harper's
Weekly confesses, on returning
from England, that he got himself
into trouble by remarking in a
moment of inadvertence that the
only great living humorist was
Mark Twain. There ensued, he
said, a great influx of letters, cards
and "copy" from claimants for
distinction in that line, and he
was worn out answering that cor-
respondence—"and all without re-
sult, for not a humorist was dis-
coverable in the whole bunch."
This is not a reflection on John
Kendrick Bangs, Harper's own
humorist, because these were all
English humorists. Mr. Harvey
is also alleged to have said that
Henry James would this year visit
America, where he has not been
for nineteen years, and that Wil-
liam Dean Howells would visit
England, both to get literary ma-
terial.

**A Remedy That No One Is
Afraid To Take.**

Dr. Thacher's Liver and Blood Syrup
has been used in thousands of homes for
fifty-two years with perfect confidence
and the most remarkable results.

The great success of this remedy is due
to the fact that its formula (which con-
sists of Buchu, Hydrangea, Mandrake,
Yellow Dock, Dandelion, Sarsaparilla,
Gentian, Senna and Iodide of Potassium)
has been freely published.

Doctors and Druggists everywhere do
not hesitate to recommend a preparation
which they know contains the best-
known remedies for correcting all irreg-
ularities of the Liver, Kidneys or Blood,
and the diseases caused by the failure of
these functions to perform their proper
work.

Thousands of sick ones to whom life
has been a burden have written grateful
letters that others might profit by their
experience.

BLOOMING GROVE, TEX., Nov. 13, 1902.
I was suffering terribly with indigestion and
kidney trouble and sent to my druggist for
something to relieve me.
As he sent me a package of Dr. Thacher's
Liver and Blood Syrup I concluded to try it,
and now I am deeply grateful to my druggist
as well as to you.

I had been a sufferer from these things and
a general run-down condition for ten years,
and had only received temporary relief from
other medicines. But after using not quite two
packages of your Liver and Blood Syrup I feel
as stout and hearty as I ever did in my life, and
I am satisfied that I am entirely cured. I feel
no symptoms whatever of kidney trouble, and
my digestion is as good as any living man's.
I can now eat whatever I choose.

I never had any remedy give me such quick
and permanent relief, and I can not put a cor-
rect estimate on the value your medicine has
been to me. I would not take any amount of
money for it. Very gratefully yours

McLean News.

(Delayed from last week.)

We are having fine weather for cotton picking and the farmers are availing themselves of it.

McLean is to have a newspaper, the first issue to appear Thursday.

J. L. Gray and daughter, Miss Annie, have gone to Clarendon to meet Mr. Gray's brother-in-law and niece who are prospecting with a view to going in business here. We gladly welcome them and hope they will be pleased.

We now have another merchant. Mr. Conley of Amarillo has put in a nice stock of dry goods and groceries. We are glad to have them.

The carpenters are still at work on Mr. Cook's residence. He is also having new counters put in his store.

Born to Mr. and Mrs. W. T. Wilson Oct. 24, a fine boy.

Our school is getting along nicely but quite a number are out picking cotton.

J. L. Collier has sold his residence in town to Mr. Philips and will build on his farm two miles from town. Mr. Philips also bought one-half section of land from Uncle Johnnie Biggers.

"BETSY."

Doesn't Respect Old Age.

It's shameful when youth fails to show proper respect for old age, but just the contrary in the case of Dr. King's New Life Pills. They cut off maladies no matter how severe and irrespective of old age. Dyspepsia, Jaundice, Fever, Constipation all yield to this perfect Pill. 25c at Fleming & Maulfair, Drug Store.

Stockmen's Excursion to Denver.

On account of the annual convention of the National Livestock Association and National Wool Growers' Association to be held at Denver, Colorado, beginning January 16th, 1905, the Fort Worth & Denver City Railway Company ("The Denver Road") announces a rate of one fare plus \$2.00 for the round trip, applicable from all points in Texas. Tickets will be sold January 7, 8 and 9, will be good for return until January 31st, and holders will be allowed stop-over privileges on the going trip at and north of Pueblo within final limit.

As many matters of vast importance to livestock interests are to receive attention in these conventions, an unusually large attendance is expected from all sections and it goes without saying that Texas will, in all respects, be well represented.

Those interested who may desire further information regarding transportation arrangements or wish to reserve sleeping car accommodations, etc. in advance, should address A. A. Glisson, G. P. A., "The Denver Road" at Fort Worth.

Disastrous Wrecks.

Carelessness is responsible for many a railway wreck and the same causes are making human wrecks of sufferers from Throat and Lung troubles. But since the advent of Dr. King's New Discovery for Consumption, Coughs and Colds, even the worst cases can be cured, and hopeless resignation is no longer necessary. Mrs. Lois Cragg of Dorchester, Mass., is one of many whose life was saved by Dr. King's New Discovery. This great remedy is guaranteed for all Throat and Lung diseases by Fleming & Maulfair, Druggists. Price 50c, and \$1.00 Trial bottles free.

Christmas Holiday Rates.

The Rock Island System and connections has authorized one fare plus two dollars for the round trip to points in Tennessee, Alabama, Mississippi, Florida, Georgia, Kentucky, North and South Carolina on December 20, 21, 22 and 26, limited thirty days for return. This system has through service to Memphis and connects there in union depot with all lines, thus avoiding transfer across town. The General Passenger Agent, Phil. A. Auer, Fort Worth, Texas, will be glad to send rates from your station, details of service, connections, changes of cars, etc.

Not a Sick Day Since

"I was taken severely sick with kidney trouble. I tried all sorts of medicines, none of which relieved me. One day I saw an ad. of your Electric Bitters and determined to try that. After taking a few doses I felt relieved, and soon thereafter was entirely cured, and have not seen a sick day since. Neighbors of mine have been cured of Rheumatism, Neuralgia, Liver and Kidney troubles and General Debility." This is what B. F. Bass, of Fremont, N. C. writes. Only 50c at Fleming & Maulfair, Druggists.

CLARENDON W., L. & P. CO.

This great stock medicine is a money saver for stock raisers. It is a medicine, not a cheap food or condition powder. Though put up in coarser form than Theford's Black-Draught, renowned for the cure of the digestion troubles of persons, it has the same qualities of invigorating digestion, stirring up the torpid liver and loosening the constipated bowels for all stock and poultry. It is carefully prepared and its action is so healthful that stock grow and thrive with an occasional dose in their food. It cures hog cholera and makes hogs grow fat. It cures chicken cholera and roup and makes hens lay. It cures constipation, distemper and colds in horses, murrain in cattle, and makes a draught animal do more work for the food consumed. It gives animals and fowls of all kinds new life. Every farmer and raiser should certainly give it a trial.
It costs 25c. a can and saves ten times its price in profit.

PRUSSBURG, KAS., March 25, 1904.
I have been using your Black-Draught Stock and Poultry Medicine on my stock for some time. I have used all kinds of stock food but I have found that yours is the best for my purpose.
