

Splinters

The Cottle County Young Democrats organized Tuesday night of last week and elected W. B. Combest president. Hardeman county has already organized a club there. Knox, a thoroughly democratic county has not yet organized but should do so soon.

Ed Adams' resignation as National Committeeman from Texas was expected this week. There have been several conjectures as to who will take his place. Mr. Adams has served the state in this capacity for the last ten years. In view of the fact that Charlie McDonald and Maury Ghes are both candidates for governor at this time and both were potential aspirants for the place vacated by Mr. Adams, it is not likely that at this time they would want to assume the duties of national committeeman.

It is expected that Postmaster General Farley will resign as chairman of the Democratic National Committee at an early date.

The Texas Senate is looking for 100,000 school children that the state paid \$16 a head to educate. As a usual rule when the school census is taken, each district will enumerate transients, negroes, mexicans and anything else that could count as a child in order to get as much money from the state as possible. The only reason that there is not 400,000 school children unaccounted for is because some enumerators are a little tight.

One of General Johnson's eyes men in the National Rifle Association is suing because the association uses the initials NRA and an eagle. In replying the association asserted that it had been incorporated in 1878 and had used the same initials and emblems since that time. Further the communication stated that if Gen. Johnson would not sue they would not either.

McMurry Singers To Be in Vera Sunday

The boys and girls Octette of McMurry College will present a program at the Vera Methodist Church Sunday morning March 11. The entire morning service will be in charge of the McMurry group. Following the service dinner will be had on the ground. You are invited to come and hear this fine group of young people present the program. Bring your dinner and enjoy the day with the Vera Methodists.

Well Known Negro Dies of Pneumonia

Jess Williams, well known negro, here on Friday of last week was buried in the old Goree cemetery Sunday. For many years he was in the employ of the city as a street sweeper and was a good worker. He died of pneumonia following a week's illness.

Mr. and Mrs. W. B. Lowe of Bryson were recent guests of Mrs. A. J. Jones.

Onie Welch Asks For Re-election as Com. Precinct 3

The Post is authorized to announce the candidacy of Onie Welch of Gilliland as candidate for re-election to the office of Commissioner of Precinct 3, Knox County, subject to the action of the Democratic party. In announcing for a second term to this office Mr. Welch promises that if re-elected will continue to carry out the affairs of this office in an efficient and economical manner. He will appreciate your vote and influence.

Lucille Harris Is Again Candidate For County Treas.

The Post is authorized to announce the candidacy of Miss Lucille Harris as a candidate for the office of County Treasurer of Knox County, subject to the democratic primaries. Miss Harris made the race for this office two years ago and received a very complimentary vote over the county. Despite the fact that she was practically unknown in all parts of the county except in the Munday community, where she was reared.

Miss Lucille is a daughter of Mr. and Mrs. Walter Harris, pioneer citizens of this community, and after graduating from the Munday High School she attended Oklahoma University and one of the State Teacher's Colleges of this state and has followed the profession of teaching having taught in the schools at Hefner for two years, one year in Haskell County and for the past two years she has taught in the Union Grove school west of Knox City.

Miss Harris feels that she is in every way well qualified to discharge the duties of the office in a creditable manner and wishes to assure the voters of the county that should they honor her with the position she will give her very best efforts in rendering an efficient service, and will greatly appreciate any consideration given her candidacy at the polls.

PROGRAM FOR PRIMARY TEACHERS ASSOCIATION

- Benjamin, 10 A. M., March 10
1. Subject Matter of First Grade, meaning of number combinations, etc. Mrs. Lois Sullins, Vera
 2. Number Games for the First and Second Grades. Miss Leona Albus, Rhineland
 3. Subject Matter of Second Grade. Miss Ardelle Briggs, Dixon
 4. Elements of Good Drill, principals governing good drill. Miss Ruth Rice, Knox City
 5. Introduction of Multiplication and Division. Mrs. L. M. Palmer, Munday
 6. Teaching the First Written or Stated Problems in the Second and Third Grades. Mrs. W. L. Miller, Truscott

Each teacher is requested to have one written question to drop in the box to be answered at the close of the meeting.

James A. Stephens and Lewis Williams were in Wichita Falls on legal business Wednesday.

Miss Haze Ivey returned from a visit to Sweetwater Sunday.

Knox County Student Makes Texas Tech Honor Roll

The Post is in receipt of a clipping from the daily paper at Lubbock which contains the honor roll of Texas Technological College for the past semester and also a letter from William M. Craig, professor of Chemistry at Tech. In the honor roll is found the name of Miss Beatrice Glidewell of Truscott who is attending school in Lubbock. She is doing very commendable work despite her handicap of having to work her way. That the people there appreciate her efforts to gain an education is shown by an excerpt of the letter from Mr. Craig which follows:

"Miss Glidewell has worked her way through school practically unaided and we wish to commend her not only for her scholarship, but as well for her pluck and determination to secure an education. Knox County should be proud of her record. Send us more boys and girls of this type."

Hundreds View Fat Calves Displayed Here By Club Boys

Hundreds viewed with admiration the entries of the 4-H club boys of the county which were shown here in competition on Monday for a prize list aggregating \$50.00 which was made possible through the cooperation of the chambers of commerce in the various towns in Knox County, and W. E. Jones, county agent, was well pleased with the interest shown in the exhibit and hopes that this show will grow in the number of entries and interest each year.

In the Junior class entries the Trimmers of the League Estate walked off with the big money, taking first, second and third on their entries, while in the Senior class the Hunt boys of Goree likewise walked away with the first and second prizes. The awards were placed by P. C. Colgin, county agent of Baylor County, and Mr. Denckle, county agent of Throckmorton County, both of whom are recognized as authorities on judging Herefords.

In the junior calf division the judges awards were as follows: Janelle Tremmier, first; Price Tremmier, second and third; Noble Welch of Benjamin fourth; Cecil Welch of Benjamin, fifth; Noble Welch of Benjamin sixth; Everett Pruitt, Munday, seventh; Harold Partridge, Sunset, eighth; Paul Pruitt, Munday, ninth.

In the senior class division first prize went to George Hunt of Goree and second to Ben Hunt of Goree, while third place went to Bob Armstrong of Knox City.

Meeting Called of Christian Church Members Sunday

There will be a meeting of the members of the Christian Churches at Benjamin Sunday March 11 at Benjamin at which several good speakers will have places on the program. Rev. Montgomery of the Highland Heights Christian Church of Wichita Falls will be one of the speakers. A good attendance is expected.

Dr. and Mrs. G. H. Beavers have been in Fort Worth this week.

New Grocery Store To Open Here Saturday Morning

The J. M. Edwards Cash Grocery Benjamin's latest enterprise, will open for business Saturday. Located in the Beavers Building on the southeast corner of the public square, the store will have one of the nicest buildings in the city in which to operate. Cecil Longley of Seymour is the manager of the new store and A. McCannies of Benjamin will operate the market in connection.

This is the sixth store put in operation by Mr. Edwards. Others are located at Knox City, Goree, Bomarton and Seymour. With the exception of the Knox City and Benjamin stores, the balance are operated under the M-System plan.

Mr. Edwards has been in the grocery business since 1921 and has gradually expanded his business until he is known as one of the most successful grocery merchants in this part of the state.

The store here absorbed the General Foods Store formerly operated by J. L. Galloway

We call attention to the nice weekend special advertisement in the Post this week

TRUSCOTT-FOARD CITY METHODIST CHURCH NEWS

The time of our revival services at the Truscott Methodist Church is drawing near. Just two weeks from Wednesday night of this week our meeting will begin.

The Rev. Bascom Morton is no stranger to the people of Knox County, having held meetings at Vera and Benjamin in the years 1928-29.

The Rev. Morton was a successful pastor for a number of years and has been in the evangelistic work. Morton has been very successful as an evangelist and has returned to the same communities each year for a number of years for evangelistic meetings. He is a deeply consecrated man and a true Gospel preacher. He has several sons who are licensed preachers and a daughter serving as a deaconess in the City of Nashville, Tennessee.

Whether we have a great revival of religion depends not wholly on the evangelist, nor the pastor, but on every Church member. Do you want to see a genuine revival and feel a revival? Then begin by praying for it and put feet to your prayers by working for it.

Our Sunday School attendance improved a little Sunday, but if we are to have 80 percent of our Church Membership enrolled in Sunday School and 80 percent of our Sunday School attendance in the preaching services,—Morning service at 11 o'clock and evening services at 7:30—we still have very much to do. Mrs. W. F. Hickman's class had the best average attendance in the Sunday School last Sunday. We are sure that will be increased next Sunday.

Jesus at the age of twelve said to his mother, "Wist ye not that I must be about my Father's business?" Is this not a challenge for every one?

The Foard City Epworth League will meet Sunday afternoon at 2:30. The Methodist women of the Foard City community will meet Monday afternoon March 12th, 2:30 at the Church.

O. C. Stapleton, Pastor

Co. Superintendent Gives Figures On the County Schools

The county superintendent, Mrs. Ethie Lee P'Pool has been getting out financial statements, and estimating the length of school term for each of the fourteen common school districts in the county.

No school for financial reasons will have a school term of less than eight months. All schools with the exception of one is planning for either an eight or nine months term. A number of schools began late on account of cotton picking but have taught on Saturdays in order to get in an eight months term by June. The possibility of the increased length of term is due to two causes, the good tax collection and the lowered salaries of teachers.

The majority of the schools are on a cash basis but the maintaining of the cash basis depends upon the manner in which the state meets its payments.

Since September 1, 1933, the schools have collected \$8,933.21 delinquent taxes, and \$30,849.87 of 1933 taxes.

Mrs. John Streigl Died Friday After Major Operation

Mrs. John Streigl of the Rhineland community died in the Knox County Hospital at Knox City early Friday morning following a major operation, from which she failed to rally, and funeral services were conducted Saturday morning at St. Joseph's Catholic Church at Rhineland by the Rev. Father P. Boniface, O.S.B., pastor, after which interment was made in the church cemetery.

Mrs. Streigl was one of the pioneer women of the county, having come to the Rhineland community in 1905 from Memphis, Tennessee, where her family first settled after coming to America from Germany, and where she grew to womanhood. She was born in Bavaria, Germany, February 4, 1880. Her maiden name was Johanna Zeissel, and she was married to John Streigl at Rhineland in 1910. In addition to her husband she is survived by six children, three boys and three girls, and one brother, John Zeissel of Rhineland, and numerous other relatives.

The Times is joined by the entire community in extending sincere sympathy to the bereaved husband and children in their great sorrow.

Mrs. E. Duval and young son are visiting relatives and friends here this week.

Mrs. P. L. Armour returned Monday from Abilene where she visited friends and relatives.

Charles F. O'Donnell Elected President Southwestern Life

Dallas, Texas, Mar. 6—At a specially called meeting of the board of directors held at the Company's offices this morning, Charles F. O'Donnell was elected president of the Southwestern Life Insurance Company. He succeeds the late T. W. Vardell, who was president from March 1911, until his death one week ago.

**Supt. Bass Gives
Out Statement In
Regard to League**

In the county basketball tournament which was held at Goree, Knox City won the championship for girls and Goree won the championship for junior boys and for senior boys. The playground ball and volley ball tournament will be held at Sunset, on Saturday, March 17. The tennis tournament will be held at Benjamin at the time and in the manner that Mr. Armour shall decide, and the track and field meet will be held at Munday on March 24. The district meet will be held at Breckenridge on April 6th, and 7th, and since the executive committee voted to hold our county meet two weeks before the district meet, the county meet will be held at Munday on March 23-24. All literary events will be held on Friday, March, 23rd,

and the athletic events will be held on the following day, Saturday, March 24th. The Interscholastic Bureau at Austin has given notice that the following schools in Knox County are members of the League and entitled to participate in the the contests: Benjamin Hi-Grammar, Gilliland Hi-Grammar, Goree Hi-Grammar, Knox City Hi-Ward-Grammar, Munday Hi-Grammar, Rhineland Hi-Grammar, Sunset Hi-Grammar, Truscott Hi-Grammar, Antelope Flat, Cottonwood, Hood, Lone Star, Washburn, Brock, Dixon, Hefner, and Union Grove, Vera Hi-Grammar. The directors of the various events in our county are as follows: Mr. Bass Munday, Director General, Mr. McMinn, Truscott, director of debates; Mr. Bardwell, Goree, director of declamations; Mr. Kimbrough, Sunset, director of athletics; Mr. Deane, Knox City, director of essays; Mr. Brewer, Benjamin, director of extemporaneous speaking; Mr. Hol-

comb, Vera, director of spelling; Mr. Hoffman, Rhineland, director of music memory; Miss Bisbee, Benjamin, director of choral singing; Miss Crouch, Hood, director of picture memory; Mrs. Branton, Union Grove, director of arithmetic; Mrs. Palmer, Munday, director of story telling; Mrs. P'Pool, director of rural events, as Three-R contest. All contestants, along with faculty sponsors, register for the various events at 8:45 Friday morning. Go to the first floor of the high school building. Ask questions about any point that is not clear at that time. The schedule of events with time and place is as follows: High school spelling at 9 A.M. in high school building. Ward school spelling at 10 A.M. in high school building. Rural school spelling at 11 A.M. in high school building. Extemporaneous speaking at 10 A.M. in high school auditorium. Essay writing at 11 A.M. in high school building. Music memory at 10 A.M. in the grammar school building. Picture memory contests at 11 A.M. in grammar school building. Story-telling contest at 10:30 in Presbyterian Church. Arithmetic contest at 1 P.M. in grammar school building. Three-R contest at 1:30 P.M. in grammar school building. Rural choral singing at 1 P.M. in Presbyterian Church. High School (Wards) Choral Singing at 2:30 in Presbyterian Church. Rural school declamations (sub-junior boys and girls included) at 1 P.M. in the Methodist Church. High School and Ward school declamations (excepting sub-juniors to be held with rural school division at 1 P.M.) at 7 P.M. in the Methodist Church. Please note that the sub-juniors, boys and girls, will meet together with the rural school for the declamations at 1 P.M. in the Methodist Church. We are attempting to obtain competent judges for the "speaking" contests and they are so arranged that the same set of judges may decide all contests. We are anticipating a great meet. I am hoping that we shall have pleasant weather for your trip and your visit to Munday. Again, may I urge, please, that you make full entries in all of the literary events. Call me or write about any matter that is not clear, or any matter which you wish to have adjusted.

Signed,
J. Horace Bass,
Director-General.

RHINELAND

The Senior and Junior boys of the Rhineland High School, accompanied by Mr. Hoffman, attended the Fat Stock Show of the 4-H club at Munday on Monday afternoon. Painters are busy this week putting a new coat of paint on the teacherage. Mrs. Ethie Lee P'Pool visited our school last Tuesday. Mrs. John Streigl, who had been in ill health for quite a while, died on March 2 at Knox City after a serious operation. Funeral services were conducted by Rev. P. Boniface, O.S.B., on Saturday of last week at 9:00 A.M. She is survived by her husband and six children. Upon receipt of an urgent telephone call from Lubbock, Texas, that their daughter, Frances, was suffering from an attack of acute appendicitis, Mr. and Mrs. A. H. Diersing made a hurried trip there on Friday of last week. An immediate operation was imperative. Last reports are to the effect that she is doing nicely. Frances is a Sophomore at Texas Tech. Mr. and Mrs. J. J. Smith and children of Wichita Falls visited relatives and friends here on Saturday of last week. The following made trips to Wichita Falls, either on business or for pleasure; Mr. Anton Homer and children, Norbert and Irma, Messrs. William Kuehler, George Wilde, Clement, Frances and John Albus, Fritz Redder, Mr. and Mrs. Ferdinand Petsch and sons, Albert, Leo and Paul. Mr. and Mrs. Fitz Kuehler are proud parents of a baby boy. Mr. Martin Wilde and son, Paul, of Windthorst, Texas, are here visiting relatives and friends. Miss Alice Frerich of Pep, Texas, is substituting this week for Miss Mary deAguirre, our English teacher, who is ill in the General Hospital at Wichita Falls. Miss Frerich received her training at C.I.A. Denton. Miss Frances Bruckner, who has had charge of Miss deAguirre's room for the past two weeks, will leave soon for Abilene to enter the National Business College.

**Baker-Campbell Co.
Stock Is Purchased
By Houston McCarty**

The stock of merchandise of the Baker-Campbell Company here and at Weinert has been purchased by Houston McCarty, former Munday citizen, now residing at Albuquerque, New Mexico, according to an announcement made Wednesday by W. A. Baker, who for the past 32 years has been associated with the business. In fact the business is probably the oldest business institution in Munday, having been established here in 1902 as the Baker-Bryant Company. In 1920 the firm name was changed to Baker-Campbell Company, J. C. Campbell having purchased an interest in the business at that time. The store will continue to operate at the same location with practically no change in personnel, and will be known in the future as the Baker-Campbell Store. Pitzer Baker will act as general manager of the business, and J. C. Campbell will continue as manager of the dry goods department.

In connection with the sale of the business it was also announced that Jerry Kane, who has for the past several years been associated with the firm at Weinert, has purchased an interest in the grocery department and will have charge of that department of the business. Roy Baker will have charge of the business at Weinert temporarily, it was stated.

Mr. McCarty, who is a nephew of Mr. Baker, senior member of the firm, was reared here and graduated from the Munday High school. Some years ago he moved to New Mexico, where he has extensive ranching interests, and he will not be actively associated with the business here.

Mr. Baker will continue to have an interest in the business and while he will not be actively associated with the business he stated that he would continue to make it his headquarters in his work as inspector for the Haskell Production Credit association.

It will be gratifying news to the many friends of all the gentlemen associated with this pioneer business concern that no material changes will be made in the personnel and the firm will continue to operate as a credit to the community as it has during the thirty-two years that it has been an integral unit in the business life of this city and community.

HOOD NEWS

The rain Wednesday night was greatly appreciated by the farmers of this community.

There have been several cases of measles in this community lately.

Messrs Everett and Abery Payne of Slaton visited Mr. and Mrs. F. M. Payne Tuesday night.

Mr. and Mrs. Dewey Melton, Mr. and Mrs. Harry Garrison and Mr. and Mrs. Douglas Smith visited in the home of J. W. Polson and family Friday night.

Mr. and Mrs. Elmer Hendrix and daughter Mildred visited Mr. Ira Owen and family Friday night.

Mr. and Mrs. Harry Garrison spent Saturday night with Mr. and Mrs. R. B. Jones.

Mr. and Mrs. Fred Brown are the proud parents of a baby boy, Donald Wayne, born February 27.

Mr. and Mrs. G. W. Weber, Jr., Mr. and Mrs. Douglas Smith, Opal Hendrix and Audie Polson visited in the home of Mr. R. J. Melton and family on Wednesday of last week.

Mr. Cerveny and family have been quite ill with the "flu" the past two weeks. They are improving now.

Mrs. Jessie Mae Bason and Roy Howeth visited relatives in Munday Sunday.

TODAY and TOMORROW

By Frank Parker Stockbridge

CAREERS—Man made

"A man's life is what he chooses to make of it," I heard an eminent scholar say not long ago. It sounded like a pretty broad statement, but as I tried to analyze it I came to the conclusion that he was right. Most people won't agree, because most people are not satisfied with what they have made of their lives, and imagine that if they had "got the breaks" their careers would have somehow been different. But, looking back of the failures as well as the successes among men I have known for years, I think the professor was right. The failures failed because they did or would not make the necessary effort to attain the goal of their ambitions; the successes succeeded because they put all they had in them into the job. To the failures their successes seemed to have been easily achieved, but only the man who has succeeded knows how much harder he has worked than did the man who failed.

WORDS—How many?

How many words does it take to express one's self clearly in the English language? Shakespeare used more than 35,000 different words in his writings. Some years ago a student of such things reported that the average uneducated man used not more than 700 different words. Some savage tribes have vocabularies of only 300 words. In the effort to compile a dictionary of English for use in the education of persons speaking other languages the faculty of New York University has come to the conclusion that not more than 900 words are really needed to carry on all ordinary conversations. That does not include technical terms, of course. Too many persons have a tendency to use unusual words where ordinary ones will answer as well or better. Sometimes I think the world would understand itself better if nobody were allowed to use more than 900 words, and those were so clearly defined that nobody could misunderstand their meaning.

WEATHER—Down East

The month of February, 1934, was the most severe winter month in the Eastern United States since the winter of 1777-78, when Washington's army camped at Valley Forge and nearly froze to death. There have been heavier snows, but not in connection with such low temperatures. At my farm there was at one time three feet level depth of snow, with drifts as high as twenty feet, and the thermometer 35 degrees below zero! Folks who were certain that the Gulf Stream had changed its course and made the Atlantic Coast permanently warmer are trying other guesses now to account for the cold

weather. Nothing gives most people more pleasure than to try their hands at weather forecasting. And nothing is more futile than long-range weather predictions.

OBSOLESCENCE—Interpreted

Owen D. Young has brought into public notice a word that is not given enough consideration when people discuss the replacement of men by machines. He said the other day: "Science is the mother of obsolescence." What Mr. Young meant was that it is the function of science to send old machines and old methods to the scrap-heap, to make them obsolete. There is no danger of the world becoming overcrowded with goods of man's production, so long as scientific research continues to find new machines or methods which will perform the same function better, or do new things that no machine has ever done before. Some people though there were enough automobiles in the world when Ford finished making his fifteen-millionth "Model-T." But where are the model T's now? They have been replaced by better cars, which in turn will be replaced by still better cars. Let someone invent anything which will do any job twice as well as existing machines and cost half as much and every machine of the old type becomes obsolete.

State Health Dept. Suggests Spring Clean-Up

Austin, March 8.—The warm days of spring will soon be here and the Texas State Department of Health urges everyone to see that their property is cleaned of the winter's accumulation of trash. It is only through individual responsibility and effort that one can have a clean and neat appearing city. In planning your spring cleaning start with the house itself in the attic and work down, not forgetting the basement. Attics and basements are the greatest collectors of refuse and therefore of dust and dirt that the house possesses, and their neglect often constitutes a serious fire hazard. Do not forget to screen against flies and mosquitoes. The better the job of cleaning, and with a garbage pail kept tightly covered, the fewer flies there will be, because flies love dirt and filth and breed in garbage and other filth. Under the C W A sanitary project pit privies and septic tanks may be installed at no cost for labor, also private water supplies may be sanitized. This will be a great improvement in rural sections and towns that do not have a city water supply or sewer system. We are prone to judge people in no small measure by the kind of yard keepers we think they are. Many times you have heard some one say "No, I don't know the people next door but they cannot amount to much because their yard is cluttered with tin cans and papers and their garbage can is always open." Do not let your neighbors be able to pass judgment on you on such grounds.

BAYLOR - KNOX WORKERS CONFERENCE
To Be Held With The Benjamin Baptist Church

TUESDAY, MARCH 20th.

Subject: "World Conquest for Christ."

- 10 A. M. Song and Devotional E. M. Yeakley.

Associational President in Charge
 - 2:30 P. M. Inspirational Address Rev. C. V. Stovall, Knox City
- Let us have a good representation from every church as we are expecting a large crowd.
Rev. H. F. Gage, Pastor.

Poses By Children Added Attraction Sunset Art Exhibit

Mrs. J. S. Shannon, Chairman of the Entertainment Committee for the exhibit of 150 reproductions of famous masterpieces of art, to be held at Sunset on April 9-13, has announced that someone will be on duty at all hours that the exhibition is open to discuss the pictures being shown and tell of interesting incidents in the lives of the artists who painted them. At each of the evening showings a number of the pictures will be posed by school children. A large frame will be erected at one end of the room and the children, dressed in costumes similar to those shown in the picture, will pose within this frame in an effort to make the pictures appear just as realistic as possible.

Electric lights attached to the back side of the frame will add to the effect. A curtain will be drawn across the frame during the interval between poses. School children are taking a great interest in the exhibition and seem eager to take part in the poses. In all probability, music and appropriate literary selections will be given in connection with the entertainment. The purpose of the exhibition is to create greater interest in worthwhile pictures, to impart information relative to the pictures and artists to children and adults, to stimulate local talent, and to raise funds for the purchase of pictures for the decoration of Study Hall and class rooms. The small admission charge made will constitute this fund.

POLITICAL ANNOUNCEMENTS

H. D. CLUB.

ITINERARY OF JEWELL FAULKNER, DEM. AGENT, 2nd WEEK OF MARCH

Monday—Benjamin, planting of grapes and berries; court.

Tuesday—Vera girls: Lone Star women.

Wednesday—Goree, Gillespie.

Thursday—Truscott.

Friday—Union Grove girls and women.

Saturday—School on making American cheese, Munday.

"Last year I drew every bucket of water for my garden and flowers and nearly broke my back. It wouldn't have been so bad if I had gotten anything from the garden or had had any flowers, but as it was,

I had nothing to show for that broken back," said Mrs. Moylette of Rhineland.

"This year I plan to lay tile for my garden and flower bed. Since it takes less water to raise a garden this way, I feel sure we will be able to raise all the vegetables we can use," she further stated.

A number of 4-H club girls of Rhineland were also convinced that to lay tile was a sure way of raising enough tomatoes to fill their goal of 50 containers of canned tomatoes.

"I have made only about 80 feet of tile so far, but we plan to lay our entire garden in sub-irrigation," said Mrs. W. H. Finley, Knox City H. D. Club. "It will take about 300 or 400 feet. I am sure I will have all the vegetables I can use fresh and can for winter use," she also said.

Mrs. Finley is rather optimistic. She has already planted a part of her garden. If the weather is not too bad she will be having a variety of fresh vegetables on her table before long.

MEAT SHOW

"The meat you have here is of exceedingly good quality," said Miss Elfelda Harrison, Shackelford County Home Demonstration Agent, who with Miss Johnnie Reed, Haskell County Home Demonstration Agent and Mrs. Eileen Partlow Wilson, who was supervisor of the Lubbock meat canning plant, did the judging in the Knox County Meat Show in Munday, March 3.

The prizes were awarded as follows:

Sausage—1, Mrs. L. M. Melton, Gillespie; 2, Mrs. R. M. Almanrode, Gillespie.

Liverpaste—1, Mrs. C. M. Matlock, Munday; 2, Mrs. L. M. Melton, Gillespie.

Mincemeat—1, Mrs. R. M. Almanrode, Gillespie; 2, Mrs. L. M. Melton, Gillespie.

Chicken—1, Mrs. H. L. Cannon, Hood.

Beef Roast—1, Mrs. L. M. Melton, Gillespie; 2, Mrs. Marion Ryder, Gilliland; 3, Mrs. J. B. Reneau, Munday.

Steak—Mrs. L. M. Melton, Gillespie; 2, Mrs. Marion Ryder, Gilliland. Chili—1, Mrs. C. M. Matlock, 2, Mrs. Marion Ryder, 3, Mrs. J. B. Reneau.

These products with about 15 other entries will be taken to the Lubbock Quality Meat Show, March 28-30.

Mr. and Mrs. C. H. Burnett returned Friday from Fort Worth where they spent a few days. Mr. Burnett attended a bankers convention there.

For Attorney General

WILLIAM McCRAW

William McCraw, prominent Dallas attorney, has launched his campaign for the office of Attorney General of Texas.

McCraw served three consecutive terms as District Attorney in his home county, holding the distinction of being the only prosecutor who has ever been so honored. His record as a public official and in private law practice has won him state-wide recognition.

McCraw studied law while working in his father's printing office; saw active service in France and made a notable record for law enforcement as district attorney. He has been active in the State's Democratic party affairs, being regarded as a liberal in politics.

Mrs. D. J. Brookreson returned from Sweetwater Sunday where she visited her parents.

Mrs. W. C. Glenn returned this week from Dumas and Amarillo where she had been visiting her

HOW ONE WOMAN LOST 20 LBS. OF FAT

LOST HER PROMINENT HIPS, DOUBLE CHIN, SLUGGISHNESS

Gained Physical Vigor—A Shapely Figure

If you're fat—first remove the cause.

Take one half teaspoonful of KRUSCHEN SALTS in a glass of hot water every morning—in 3 weeks get on the scales and note how many pounds of fat have vanished.

Notice also that you have gained in energy—your skin is clearer—you feel younger in body—KRUSCHEN will give any fat person a joyous surprise.

Get an 85c bottle of KRUSCHEN SALTS from any leading druggist anywhere in America lasts 4 weeks. If this bottle doesn't convince you this is the easiest safest and surest way to lose fat—your money gladly returned.

The party at the school house Friday night was enjoyed by all present.

March 6th, 1934.

I have decided to announce for County Judge again and ask the voters of Knox County for their support. My record is open for investigation and will appreciate your consideration.

J. W. Melton.

CHIX, CHIX, CHIX
