Farley In Radio Talk Urges Texas To Repeal

To my friends in Texas: It is indeed a pleasure for me to take this opportunity to speak to the people of Texas about a subject of vital importance, not alone to the people of Texas, but to the welfare of the entire nation, and an integral part of the National Recovery Drive, to the success of which every energy of our present administration is bent. It is a cause very dear to the heart of President Roosevelt, Vice-President Garner and every one connected with the Administration. That is the repeal of the 18th Amendment and the legalization of 3.2 per cent beer as quickly as possible under the constitution of the several states.

The Congress has taken every possible step to insure a swift consummation of these important moves to eliminate bootlegging and racketeering and to provide a much needed source of revenue for the Federal treasury. Your own State, by the action of the Legislature in submitting legalization of beer, has given the people of the state an opportunity to bring into its treasury revenue from a new source. To date 22 states have ratified Repeal and 37 states have legalized beer in rapid order.

I am particularly happy to be able to talk to the citizens of Texas in advance of the election on next Saturday. I understood that my good friend, the most distinguished citizen of Texas, and one of her most illustrious sons, the Honorable John Garner, Vice-President of the United States is listening to me at his home in Uvalde and I want to say to him, "Hello Jack, I hope you are enjoying your rest in Texas, I have read with pleasure your letter in which you appeal to your fellow citizens to vote for Repeal." I want also to extend my personal regards to my many friends throughout the great State of Texas. Since I was a boy, when I saw Texas sprawled nearly across the map, I always had admiration for the State and now I have met and been friends with many citizens of the State and my admiration for the State and her people have increased.

Texas is the banner Democratic State of the Union. It gave President Roosevelt and Vice-President Garner the largest majority of any state in the union. I feel at liberty, therefore, to speak directly to the Democrats of the State about Repeal and legalization of beer because the plans pledging the Democratic Party to these two things were more important parts of the immortal Democratic platform drafted at Chicago.

I am told by my friends in Texas that there is no doubt about your state voting for Repeal and legalized beer on next Saturday, but because it is the banner Democratic State, I hope to see it roll up the biggest majority for Repeal and beer next Saturday as it did the biggest majority for Roosevelt and Garner last fall. Texas will then become the 23rd state to ratify Repeal and the 38th state to legalize beer.

The repeal of the 18th Amendment will return to Texas and every other state the right to deal with liquor as it sees fit. The good old Democratic doctrine of States Rights, so dear to the people of Texas, is being put in dealing with the liquor question. Your vote to repeal National Prohibition, as you know, will not disturb in any way your own Texas laws which prohibit the legal sale of liquor in your own state.

It is not necessary for me to go into arguments to the people of Texas about the repeal of the Prohibition Amendment. Racketeering, bootlegging, kidnapping, gangsterism and all the ugly vices attendant upon them, have thrived during the last de-

Knox County Has Spent \$11,290 Federal Aid

Austin, Aug. 24.—In many counties in Texas the Federal government is now spending more money every month than those counties would have to pay back in a year paying off relief bonds, according to William Strauss, chairman of the committee campaigning for adoption of the proposed relief bond amendment.

"It is primarily a matter of bread and meat for the hungry," said Mr. Strauss. "It is unthinkable that Texas will let its women and children go hungry. But some people may want to know what Texas will get for authorizing a bond issue that may go up to \$20,000,000 if the legislature finds that much is needed.

"In the first place, there is hardly a county in Texas that can care for its own destitute through local taxation. If they could the burden of taxation would fall on homes and farms and be tremendously heavy. By issuing state bonds the burden is taken off homes and farms, for the taxes to fund these bonds cannot be raised on real or personal property. If all the bonds are issued the tax per capita will not average over 41 cents a year for 10 years. Actually it probably will be some special tax that will fall heavier on city people and be lighter on rural citizens.

In Knox County the Federal government in the past 10 months has spent for relief work \$11,290. The county has asked for \$5000 to carry on the work during August for the benefit of 2043 persons on its relief rolls."

W. A. Brown of Truscott was in Benjamin the first of the week. Mr. Brown recently sold 1600 acres of land near Truscott to Tom Master-son of that place.

Glenn Martin of Mineral Wells was in Benjamin Wednesday on business. His uncle, Tom Adams of Mineral Wells, accompanied him as far as Seymour. Mr. Adams recently sold his 15,500 acre ranch here to George Fain, Weatherford banker, who bought it for speculative purposes.

Mr. Orel Patterson and family are visiting relatives in Longview this week.

John Herring of Rhineland was in Benjamin Tuesday on business.

The best manhood and womanhood, the fathers and mothers of the country are determined to end these crimes. The present Administration, while carrying on its great effort to end economic ills which the country has suffered, is seeking to stamp out the crimes and evils so prevalent, and the repeal of the 18th Amendment is necessary to accomplish this purpose. Texas has given magnificent response to the President's Recovery Drive and the Blue Eagle flies around the Lone Star emblem of your beloved state.

All of us in this Administration hope that Texas, by an overwhelming vote next Saturday will vote for Repeal, thus helping, not only in the National Recovery Drive, but in the determined effort to stamp out bootlegging, kidnapping and racketeering.

Ladies and gentlemen of Texas, I deeply appreciate this opportunity to speak to you. I have several times visited your state and enjoyed your hospitality and hope to do so again soon. I want to thank you for listening to me and bid goodnight to the Vice-President and my other friends in Texas after urging all to go to the polls next Saturday.

WHY YOU SHOULD VOTE FOR THE STATE RELIEF BOND AMENDMENT

More than one and a quarter million Texans are now living entirely from funds supplied by the Federal Government in Washington.

Nearly a third more destitute Texans required Federal aid in July than in June.

Half of those now unemployed are not yet on the relief rolls. They will likely be the first ones to get their jobs back. Until they have been reemployed there will be just as many helpless Texans to be cared for as now.

In July we received more than two million dollars direct from Washington to feed hungry people in Texas. The payments average one million and a half a month.

If this amendment fails the Legislature cannot appropriate a single dollar to aid hungry and destitute families. No matter how many destitute there are, or how severe their condition, no Texas city or county can expect any outside aid in caring for them unless this bond issue is passed.

If the bond amendment to be submitted August 26th fails, it will be two years before it can possibly be voted on again. The Constitution fixes that.

If the bonds are defeated we can expect no more funds from the Federal Government. If more than a million Texans are left without food for a single week, there will certainly be a distressing situation. When they find out that it will be two years before they can be relieved, the result will surely be disastrous.

THE PEOPLE ARE NOT VOTING BONDS. If the amendment passes it will merely permit the Legislature to issue such bonds as are necessary.

Our Legislature is not wasteful. A constitutional amendment voted last year authorized the Legislature to expend a large sum of money to stage the Texas Centennial. Because of the distressed financial conditions they did not appropriate a dollar for this purpose.

If our vote on August 26th shows we do not want to help carry out the President's relief program it might cause us to lose millions of dollars that would otherwise be spent in Texas under the Public Works Act. Texas must keep in step with the National recovery program.

While Texans are generally opposed to state-wide bonds, our citizens must place the lives of more than a million fellow residents above their dislike for state bonds.

No property tax can ever be levied to pay off these bonds. The Legislature saw to that in submitting the amendment.

VOTE FOR THE RELIEF BOND ISSUE.

DON'T LET A MILLION TEXANS STARVE.

MARINE CORPS ANNOUNCES VACANCIES

During the month of September there will be a few openings for young men in the United States Marine Corps, provided they have the necessary qualifications, mental and moral, and can pass the rigid physical examination required of all men enlisted in this branch of the service.

Any young man graduated from a high school, who is interested, should write Major P. D. Cornell, officer in charge of recruiting, District of New Orleans, 535 St. Charles Street, New Orleans, La., who will furnish full information regarding the service and the duties of a marine, ashore, afloat, and in the air, in this and in foreign countries. The rigid requirements for enlistment also will be explained in detail, for this branch of the military and naval service which is recognized here and abroad as one of the finest in the world, and is the most difficult to enter due to its high educational, moral and physical standards.

Alfred Kilgore, member of the Civilians Conservation Corps stationed at Dublin, is home for a short leave of absence. He says that the work is pleasant and the food good. He recently rated a promotion to foreman.

Ruth Patterson of Crowell is visiting relatives and friends here this week.

W. P. CAMBREAY IS BURIED HERE MONDAY

W. P. Cambrey, 62, former Munday man, died here Monday after an illness of more than four years. He was buried in the local cemetery. Funeral services were conducted by Rev. Albertson of Munday, Missionary Baptist preacher of Munday. Mr. Cambrey was born in Tennessee in 1871 but has lived in Texas since 1885. He is survived by no close relatives. Officials of the county had recently made application for his admittance to the state tubercular hospital but examination by doctors at that institution disclosed that he was not suffering from tuberculosis. He was returned to Benjamin and lived but a short while.

Frank Patton recently sold his 36,398 acre ranch in King county to Sam P. Britts, Childress banker. Mr. Patton has been in the cattle business in this section for many years and is widely known as a breeder of good cattle and fine horses.

Avis Williams of Gilliland visited friends here Wednesday.

William and Grace Bisbee, Mabel Moorhouse and Annie Lee Wright are attending the Century of Progress at Chicago this week.

J. J. Handley and family are visiting Mr. Handley's father in East Texas this week.

State Orders Purchase Of Right Of Way On 16

Judge J. W. Melton and County Attorney J. C. Patterson made a trip Wednesday to Crowell and Vernon in the interest of highway matters. The county recently received orders from the State Highway Department to purchase a right of way from Benjamin to the Haskell county line for Highway 16. Federal aid to the extent of \$40,000 has been granted for the construction of this road and it is expected that as soon as the county has secured the right of way, the state will start the grade and drainage work.

Helen Bisbee returned Wednesday from Nebraska where she visited in the home of her uncle, Leroy Bisbee at Arlington. She also attended the Century of Progress while on her vacation.

Dr. and Mrs. Coehn of Waco were in Benjamin for a short while Thursday. Mrs. Coehn will be remembered as the sister of L. P. Jones, formerly of this place but now of Houston. She has two other brothers, Hubb Jones of Seymour and John Ed of Munday.

Benjamin and vicinity received 2.1 inches of rain Thursday. Crops were beginning to suffer from the drought and the rain was of immeasurable benefit to both the farmer and the stockman.

NEW ELECTION LAW TO BE TRIED OUT TOMORROW

The election Saturday will be the first held under the new Neal law which was passed by the 43rd Legislature and is designed to speed up the tabulation of the election returns. In past elections many counties were usually several days slow in reporting their returns.

Under the new law precinct officials are required to telephone unofficial returns to the county clerk when they complete the count. Official returns under seal are required to be made within 24 hours. The clerk is required to tabulate unofficial returns up to midnight election day and announce the count at intervals.

Rev. Bedford Smith, Christian preacher from Olney, was in Benjamin Friday an announces that he will hold a revival here in the near future. He has just closed a successful meeting at Seymour. Mr. Smith is part time preacher at Benjamin.

BANKERS TO CONVENE IN SEYMOUR SEPTEMBER 4

The regular semi-annual meeting of the Haskell Knox Baylor Throckmorton Bankers Association, which is composed of officers, directors, and employees of the banks of these four counties, will be held in Seymour on Monday, September 4. The wives of the bankers will also attend.

The meeting will be called to order at 10 a. m. by R. E. Baskin, president of the association, and president of the Farmers National bank here. Dutton J. Bailes is secretary of the association and is assistant cashier of the First National bank of Seymour. The program will include talks, round table discussions and an address on banking problems by R. R. Gilbert, governor of the Federal Reserve bank of Dallas.

Luncheon will be served in the City hall. Following the luncheon, the visiting bankers and their wives will be entertained with golf and a bridge tournament.—Baylor County Banner.

Electric Cookery Gives You Freedom from Tiresome Kitchen Duties

Are you tired of being tied to your kitchen stove? Do you long for enjoyable hours of freedom from the drudgery of kitchen duties? Does the thought of spending more futile hours in "peeking and testing" cooking foods weaken you? Wouldn't you like to delegate the routine part of your kitchen obligations to some one else?

If—like thousands of progressive West Texas home-managers—your answer to these questions is an emphatic "Yes"—then you NEED a modern Electric Range.

Ask one of our Trained Representatives to tell you the interesting story of modern Electric Cookery. He will explain in detail how this modern "Electrical Servant" gives you a clean, cool kitchen . . . better and more healthful meals . . . substantial savings in food and fuel . . . surprising economy of operation. Then he'll tell you about new LOW PRICES . . . and the *Convenient Terms* that make the purchase of this modern, automatic "Electrical Cook" fit into your household budget *right now*. Don't wait . . . ask for a complete demonstration . . . TODAY!

Call us for an individual investigation of your use of electric service, to determine the cost of cooking by electricity in your home. You may be surprised to know that there are many cases where electric cookery actually decreases the total of electric and gas bills.

THE CASH MARKET

ON TEXAS FARMS

BY W. H. DARROW

Poisoning grasshoppers by Extension Service methods has meant the difference between a crop and no crop to E. M. Ball, Young county farmer, who says he uses from 300 pounds to 1500 pounds of poison bran mash every year.

By bringing in competitive buyers for the tomato crop the Nacadoches County Truck Grower's Association raised prices last season from one-half cent to one and one-half cents per pound, the county agent reports, and maintained the market price for the crop throughout the season.

A \$150,000 farmer's market is being planned for El Paso, Hudspeth and Dona Ana (New Mexico) counties.

ORDER OF SALE

THE STATE OF TEXAS,
COUNTY OF KNOX.
Suit No. 2344, Vol. 8, Page 43.
The State of Texas, To the Sheriff
or any Constable of Knox County,
Texas—Greeting:

Whereas, on the 14th day of February 1933, Leroy Brooks recovered in the District Court of Knox County, Texas, a judgment against R. J. Head for the sum of Six Hundred Ten and 66-100 dollars which amount is actually due thereon; with interest thereon from the 14th day of February 1933, at the rate of ten per cent per annum and costs of suit together with a foreclosure of a lien against R. J. Head on the following described property, to-wit:

Lots Numbers Seven (7) and Eight (8), in Block Number Seventy three (73), of the town of Goree, in Knox County, Texas, as shown by the map or plat of said town which is of record in the Deed Records of Knox County, Texas

as said lien existed on the 14th day of February 1933, and it is ordered by said judgment that said property be sold as under execution in satisfaction of said judgment. And if said property shall sell for more than sufficient to pay off and satisfy said sums of money, the excess should be paid over to the said R. J. Head. But if said property should not sell for enough to pay off said sums of money, the balance due shall be made as under execution, and such order of sale shall have the force and effect of a writ of possession, and the officer executing same shall make a good and sufficient deed, and place the purchaser of said property in possession thereof within 30 days from date of sale.

Therefore, you are hereby commanded that you proceed to seize and sell the above described property as under execution, and make a good and sufficient deed to such purchaser and to place said purchaser of the same in possession thereof within 30 days after the day of sale, and you apply the proceeds thereof to the payment and satisfaction of said sum of Six Hundred, Ten and 66-100 Dollars, together with the interest that may be due thereon, and the further sum of Nine and 25-100 Dollars, costs of suit, together with your legal fees and commissions for executing this writ. And if the said property shall sell for more than sufficient to pay off and satisfy said sums of money, then you are hereby directed to pay over the excess thereof to the defendant R. J. Head. But if you fail to find said property, or if the proceeds of such sale be insufficient to satisfy said judgment, together with interest and costs of suit and the costs of executing this writ, then you are directed to make the money, or any balance thereof remaining unpaid, out of any other property of the defendant R. J. Head as in case of ordinary executions.

Herein Fail Not, but due return make hereof within 30 days from the date hereof, showing how you have executed the same.

Given under my hand and seal of the District Court of Knox County, at my office in Benjamin, this 10th day of August 1933.

Roy Phillips, Clerk District Court, Knox County, Texas.

FARM ACCOUNTING CONTEST LAUNCHED

Bankers Evolve Plan for Stimulating Important Aid to Farm Success

THE Cache county, Utah, bankers recently added a stimulus to banker-farmer cooperative work by launching a farm accounting contest. At a meeting of the Clearing House Association the project was put before the bankers, and methods and plans formulated.

Each bank in the county agreed to enroll a minimum of five farmers in the farm accounting project. The names of the farmers when enrolled will be sent to the Secretary of the Clearing House, and also to the Extension Division of the Utah State Agricultural College. The bankers agree to cooperate and keep in close touch with each farmer they enroll so as to insure the completion of a maximum number. The bank which succeeds at the conclusion of the contest in enrolling the largest number of farmers completing the project will be given a special recognition at the annual meeting.

The banks of Cache county have agreed to subscribe to an award fund, which will be presented to five winners as follows: first prize, \$35.00; second prize, \$25.00; third prize, \$20.00; fourth prize, \$12.50; fifth prize, \$7.50.

Recognition for Good Farming

In addition to the cash prizes, every farmer customer enrolled, who scores sixty per cent or more, will be awarded a special certificate issued by the Clearing House Association and the Extension Service jointly in cooperation with the Agricultural Committee of the Utah Bankers Association.

The scoring will be done on the following basis:

Farm and home account records (accurate and complete)	50%
Success of year's operations as brought out in the summary of the year's business	25%
General appearance of farm and improvements and condition of livestock and poultry, (judging to be done during the summer months)	25%

The contest will end December 31, 1933. The judges will be the County Agent, the County Key Banker, a representative of the Clearing House Association, and two representatives selected by the Extension Division of the College.

Would trade 160 acres of land in Dawson County all in cultivation, well improved in good community, for smaller farm in Knox County. Address this office.

West Texas Utilities Co. Joins Blue Eagle

Abilene, Texas, Aug. 25.—Signing the NRA code for the 161 West Texas cities and communities in which it operates, the West Texas Utilities Company yesterday at the local Post-office pledged its support and cooperation to the program and plans of the National Recovery Act.

Pledges were also signed locally in each of the towns in which the company operates.

Changes in personnel and hours are being made at the present time, and all provisions of the agreement will be placed in effect as rapidly as possible it was learned.

Price Campbell, president of the West Texas Utilities Company, in commenting on his company's participation in the Blue Eagle program, said:

"The West Texas Utilities Company feels that the NRA program actually will increase purchasing power in an amount sufficient to stimulate general business. While this program adds a large new responsibility to our already heavy payroll, due to the hours required to give continuous service, we feel that the try to carry this additional burden, communities we serve desire that we together with the summation of the 3 percent tax payments to be taken off the collective shoulders of our customers and placed on our single shoulders.

"This and other added taxes, together with increased payroll and increased cost of supplies, creates such a very large additional burden that it can be carried only by increased consumption or increased rates. So we issue a plea to our customers to help by taking increased service, at least to the extent of the 3 percent decrease in cost of service by which customers will benefit when we take over the payment of the tax.

Much of such service will come on the low steps of the rate schedules, and must occur quickly as we have only to the first of September before taking over this tax and other additional burdens.

"The Department of Labor reports that living costs are nearly 25 percent above normal, or above 1913 prices, while electric rates instead of being above the normalcy line of 1913 are between 40 and 50 percent below that line—and nearly 70 percent below average living costs. General living costs are now increasing, so the difference between cost of electric service and the cost of other items of family expense soon will be far greater than at the present time.

"Few customers realize that our present rate schedules are so arranged that they can increase their service several times with only a small addition to the total bill. The problem we must meet at once is to have our customers realize the comforts and conveniences this increased service will provide at lower rates."

Blue Eagles were posted on the company's windows throughout the properties yesterday.
