

The Meadow Star

Jones Hardware Co. Dissolved After Many Years Of Operation

The Star has been authorized to announce to the public that the Jones Hardware, owned by E. H. Jones, G B. Jones, and Mrs. B. F. Finley has been dissolved, and effective Saturday, May 31st, the store will be rearranged and under a different management.

Mr. E. H. Jones has purchased the hardware and implements of the company, and will have complete charge and possession beginning Saturday morning.

Mr. G. B. Jones has purchased the entire grocery and dry goods stock of the company, and, likewise will have charge and possession beginning Saturday morning.

The spacious building will be remodeled, a petition being erected down the center, new fronts built, and will be operated as two separate businesses. Both businesses will be open while the carpenter work is going on, and they request their customers to be patient with them in handling the trade.

Both of the Mr. Jones invite the patronage of the people of the community, offering high quality merchandise and friendly service.

G. R. White, Doctor Moorhead and Grandpa Finley were seen in front of the drug store one morning this week giving demonstrations as to the proper mode of walking which would be fitting to gentlemen of their age.

Several of the Star readers have asked us why we did not print the complete story last week about the burglary case and give the names of the persons involved.

While getting and reporting news is our business, and we like a good story as well as anyone, the paper has certain policies which can not be overlooked. Where local people are involved, either directly or indirectly, in any kind of misdeed, we show them the courtesy of not mentioning any names.

Ben Finley has his new set of teeth, and proclaims as how he really has been going after them big beef stakes. He says soup and mush every meal soon gets old.

Mr. Finley is a man o leisure (?) now that he is not connected with the store any longer.

Mr. and Mrs. Floyd Copeland and children are visiting in East Texas.

As we go to press Thursday night it has already come a nice little rain, and still threatening. Perhaps the farmers will be wearing "long faces" over crop prospects.

Did He Mean What He Said

At the beginning of the present session of the Texas legislature, Gov. O'Daniel had a bill introduced which would require the holder of any public office to resign that office before becoming a candidate to any other office.

Last week Mr. O'Daniel announced (with big tears in his voice) that he was a candidate for the office of United States Senator. When asked by reporters if he intended to resign his position as Governor, his reply was "Of course not."

This writer, as well as thousands of other Texans, is wondering if he really meant it when he said last winter that he thought the measure should be passed, or was he just pulling another of his HERO OF THE COMMON PEOPLE stunts.

Meadow And South Plains Receive Big History Making Rain

Baptist Church

Announcing two weeks vacation bible school.

On Saturday afternoon, June 7, preparation Day will be observed. Then on Monday, June 9, the school proper will begin. All boys and girls from four years old to seventeen are cordially invited to attend. While the school will be held at the church building and conducted by workers of the Baptist Church, boys and girls from families of other religious faiths will be accorded the same welcome and given the same opportunity for good as those of Baptist families. This, however, does not carry with it any idea or intention of infringing on any similar work that might be carried on in any other church concurrently with ours. With loving interest for all children, we take this means of urging the parents of the community to do what they can to make possible attendance of the children.

The emphasis of the Vacation Bible School work is a happy combination of allegiance to Christ (Christianity) and to our nation. The pledge of allegiance to both the Christian flag and that of the United States is a part of the daily routine. Nothing can be more appropriate for our children and our citizenry at large now than this combination.

We remind you of the services at the church Sunday. Bad weather kept many away last Sunday, but we will be expecting to see all of you in your places again this Sunday.

Geo. W. Lair, Pastor and Principal of the VBS.

The Meadow community has been the recipient of an enormous amount of rainfall the past week, the larger portion of which fell Thursday night. The rain has been estimated at 15 inches.

The damage to young crops has been very heavy. Also thousands of young chickens of the community were drowned.

The highway near the Short place has been submerged under from 3 to 5 feet of water, and after a week it is still impassible. All of the lakes are full and the people are saying "Its the most water I ever saw."

Is My Face Red?

Is the Star editor's face red? Last week in notifying the Ropes people of the birth of our young son Editor Morris of the Plainsman had us doing everything from giving an Indian war whoop, to getting out in the street and doing the buck and wing.

Of course Lucas, Hartzog or Fred Hinson would not know any thing about it, but being presented with a son is a great event, and it is altogether possible that we are guilty of the queer action the Ropes editor accused us of.

Trester Faulkner says the biggest news event of the day is that he is working now.

J. A. Dennis, new mail carrier on Route one out of Meadow who recently transferred here from Ed-

enberg, is liable to form the wrong opinion of the climatic status of the community, since it has rained almost every day he has been here. Part of the time he has been unable to deliver but little of

the mail. But he has really put forth an effort, proof of which is the fact that he has walked and delivered mail to some of the boxes, and part of the time hired an extra car to help with the delivery.

We are glad to have Mr. and Mrs. Dennis as citizens of the community.

Meeting was called order by vice President Mrs. R. R. Richey. After roll call by Mrs. Park a song was sung by the club.

An interesting report from Council was given by Mrs. Jim Finley.
