Employment Open For Machinists

According to Sam G. Wynn manager of the local office of the Texas State Employment service, he has several requests for machinists and machine tool operators which were located in various sections of Texas as well as in other states.

Some of the openings are for all-round machinists and others are for operators of turret lathe milling machine, boring mill, etc., welders, die makers, sheet metal workers, and riveters are also needed.

Not only is the Employment Service interested in men who are well qualified in this line of work, but also those who are only partially qualified due to length of inexperience of experience. Information relative to present employment in the metal

Harmony Home Demonstration Club women are learning the value of home canning of pineapple where the price is greatly reduced through cooperative buying. The club members turned in their orders for pineapple to the chairman of their club's purchasing committee who placed the order for the total number wanted. Approximately 100. By placing one large order to be later broken down to individual orders, a lower price was obtained.

Baptist Notes

We are glad to report that the Vacation Bible School has progressed satisfactorily for two weeks. We wish to express appreciation for the splendid cooperation which has been given both by the boys and girls and the workers. We ascribe the success of the school to this fine spirit of cooperation and reverence for the house and service of God.

There will be a Vacation Bible School social on the grounds back of the school building this Friday afternoon at 5:30. We are expecting a good time for all.

There will be a Vacation Bible School Commencement program at the church Sunday evening at 8:30. Every body is cordially invited to attend. The program will be rendered by the boys and girls, and their handwork will be on exhibit. We are anxious for you to be with us in this service. You will understand and appreciate the work of the Vacation Bible School a little better if you if you attend this service.

LEADING THE FIELD

Lyndon Johnson For U. S. Senator

Lyndon Johnson now leads the field in the Senate race as shown by a well known and widely quoted state poll. Others admit his lead by their vicious and underhanded attack on his stand for Roosevelt and Unity. But their attack has failed and Lyndon Johnson is still the man they are all trying to beat.

What has caused this tremendous swing to Lyndon Johnson? The explanation is now clear:

Texans want a Senator trained for the job, a Senator who has the friendship and confidence of our great President, Administration leaders and members of Congress. Texans now know that Lyndon Johnson is that man and that he can get the job done for Texas.

Texans want Unity of action and unity of purpose in this hour of peril. They know that Lyndon Johnson stands for Roosevelt and Unity and action now. They know that his record of achievement for the nation and for his District proves that his stand is sincere and can be fulfilled.

Join with Lyndon Johnson in a State wide pledge of Unity and Loyalty to President Roosevelt. Let the world know that Texans stand united with all Americans in our fight to preserve our Democracy.
