

## PROSPECTS GOOD FOR EXCELLENT CROP FOR LOCAL FARMERS

The prospect for good crops in this community are indeed promising at this time. Avoiding a calamity of some kind, Meadow farmers will gather this fall an abundant crop; the best in many years.

In company with Joe Price our very efficient Sheriff, the Star editor rode about some Wednesday afternoon, west, south and east of town, and every where we went the crops really looked fine. We noticed some of the best hegarí, maize and such like as have ever been raised in the county, and good old Terry is famed for the fine bundle feeds it grows.

And not only does the feed look good, but the cotton also looks very promis

ing. You can not tell too much about how much cotton a field will yield until it is in the ties, but quite a number of fields look like they would produce from a half to three-quarters bales per acre, and some patches looked good enough for a ba'e.

The leaf worm is causing Meadow farmers untold misery. Some farmers have poisoned as many as five times. Rigs and equipment for applying the poison are at a demand, the most of them being operated 24 hours per day.

It is said of this county that it always growed good feed, and nearly always good cotton, and, brother, Meadow is the choice spot of the county.

## Study Club Ladies Issue Year Book

This week the Star delivered to the Meadow Study Club their Year Book, containing an outline of programs and club activities for the ensuing year, which will begin with the September eleventh meeting, with Mrs. Cadenhead as hostess.

Their course of study this year will be "Our Environment: Ideals and Realities." The club has as a special work the support and maintenance of the library, which affords Meadow people a large selection of good reading at practically no cost.

Mrs. Chas. L. Padgett is President, with Mrs. Zachry Vice President. Mrs. Floyd Copeland is the retiring president.

## Home Ec Girls Entertain Mothers

The Home Ec girls who took summer projects, ended their work by entertaining their mothers with a tea Saturday evening from 2 to 5. They had on display projects made by the girls. Twenty seven projects were completed during the summer. They consisted of sewing, cooking, remodeling rooms, refinishing furniture, canning, yardwork, and gardening. The display was very attractive and was evidence of the fact the girls have accomplished much during their vacation time.

## N.Y.A. Students Serve Lunches

Since November, 1940, hot lunch programs have been set up on 33 NYA Projects throughout the State to further the development of health and hygiene among Texas boys and girls, according to J. C. Kellam, State NYA administrator.

He said girls assigned to local NYA projects are planning, preparing, and serving as a part of their homemaking work experience, hot lunches for men who are working on other projects.

"Young men on these local projects to whom these lunches are being served," Kellam said, "are receiving work experience in basic manual skills—metal, machine, welding, and construction work—to prepare themselves for jobs in vital defense industries."

## Meadow School Gets Started With Largest Attendance In History

Meadow School observed its formal opening Monday, Sept. 1 at nine o'clock. A host of parents and friends of the school participated in the opening exercises, and together with the student body appreciated the splendid talk made by Minister Gulley of the local church of Christ.

The enrollment for the grade school at the present date is 264 and the high school 114, with the enrollment for respective classes as follows: 1st grade 37, 2nd

## Thirty - One Boys Report To Coach L. A. Stephenson For Football Training

### Featured At Cafe Esplanade

Orrin Tucker, America's ace orchestra leader, and Wee Bonnie Baker will be the featured attraction at the Cafe Esplanade at the 1941 State Fair of Texas. The Cafe will occu-

py a space of 200 feet by 185 feet in the west end of Automobile Building and will face the Esplanade.

Extensive improvements will begin shortly, Smith has announced.

## Voters Say "Yes" To Consolidation

Mr. and Mrs. J. A. Dennis have as guest this week Mr. Dennis' mother, Mrs. Lenna Dennis of Ottawa, Kans. She was accompanied here by a son, Clarke Dennis, who has gone on to Calif.

The election held Saturday on the consolidation of the Pool, Needmore and Meadow school districts carried by a vote of more than 6 to 1, gaining a majority in every district, which was necessary for the measure to go over. The total vote was 78 for 12 against. The vote by boxes was Meadow 38 for, 0 against, Needmore 20 for and 4 against, and at Pool 20 for with 8 against.

School officials have expressed the opinion that the system can be operated much more economically under the new set up.

Two large unfurnished rooms for rent. Water, two closets. Apply at house or depot. F. C. Trepow.

For Sale—Apples ready to can \$1.00 per bushel. W. J. Moss, 1 mile south east Meadow,

## First Game Of Season With Abernathy Here Sept 12th

Thirty-one boys, reported to Coach Stephenson Tuesday afternoon for football training. Of this group only four, Bert Smith, Robert Liles, Edgar Peugh and Robert Beasley are returning lettermen. Other boys are Bill Tilger, Billie D. McCallister, Terrell Bell, Clifton Lunceford, Windell Jones, Calvin Bartlett, Maurice Fox Homan Moorhead, Wallace Finley, Edward Warren, D. J. Yowell, Jimmie Mackey, James Fox, T. J. Upton, Richard Gryder, James Warren, Tom Gibson, A. C. Freeman, Leroy Price, Wayne, Cadenhead, Daniel Lair, Paul Warren, Albert Holder, E. D. Gossett, Robert Brooks, Rayford Williams and Monk Mitchell.

The first game of the new season will be held in Meadow Sept. 12th with the Abernathy Antelopes. Every local fan should make this a red letter day and come out and watch the boys in their initial appearance.

The schedule for the season is as follows:  
Sept. 12 Abernathy here.  
Sept. 19 Southland there.  
Sept. 26 Open  
Oct. 3 Frenship there.  
Oct. 10 Anton here.  
Oct. 17 Ropes here.  
Oct. 24 Cooper here.  
Oct. 31 Open  
Nov. 7 Seagraves there.

The team this year will have very few experienced boys. If the new coach can take these young lads, who are small and know practically nothing about the game, and make a winning team of them, he will have done his job well. In the roster of players there is a wealth of talent and ability. With the proper training they have the makin's of a well balanced team.

We are setting the mark high for Coach Stephenson and his squad, and don't think we will be disappointed.

Mr. and Mrs. T. J. Locke had as guests this week Mrs. Alfred Roberts of Paris. Mr. Roberts is a brother to Mrs. Locke.

## Mrs. Clampitt Entertains Club

The Meadow Home Demonstration Club met in regular meeting Tuesday Sept. 2 with Mrs. J. T. Clampitt as hostess, and Mrs. C. W. Avary as program leader. Mrs. Richey acted as secretary in

the absence of Mrs. Parker who is on her vacation.

The program was opened with "Eyes of Texas" sung by the club. Roll call was answered with a sandwich spread or relish recipe.

The club voted to take our gifts with our names on them, and draw names after we get to the meeting, and we get the gift that has the

same name as the one we draw. This will take place at the first meeting in each month.

Ways and means were discussed to raise money for club expenses. The club will present a play. A definite date has not been set as yet.

Mrs. Richards gave a report on the social meeting at Lubbock. Each member reported her "white elephant." The Fair and window display was discussed.

Mrs. Avary talked to the club on well balanced school lunches. Mrs. Locke demonstrated a hurried fixed school lunch, and a prepared, well balanced one, and showed the effects it would have on the child.

Mrs. G. B. Jones, president was presented with a gift from the club and Mrs. Blanton.

Mrs. Finley gave a report from council.

More pictures were taken for the club scrap book.

Mesdames Richards, Doak and Moss were selected as a committee to arrange to entertain the Lahey club. Refreshments were served to those present, including three visitors.

The next meeting will be with Mrs. W. T. Bell Sept. 16th. Members will answer the roll call with "My Favorite Flower."

Buy it in Meadow.

## Greenville Girl Gets Hollywood Makeup

Jack Dawn, Hollywood's premiere make-up expert, is shown putting the finishing touches to the beauty of Miss Jerry Jenkins of

Greenville, who was crowned the Queen of Queens at the 1940 State Fair of Texas.

Miss Jenkins in winning the coveted title was given a trip to Hollywood where she received a screen test.

## WEST POINT IN EXILE

Future Officers of Free France at Their Studies in English Classroom

TO FIVE generations of French infantry and cavalry officers, the 133-year-old Military Academy of St. Cyr, a few miles south of Paris, was what West Point is to the officers of the United States Army. Then, early last summer, invasion swept over Northern France, and ancient St. Cyr closed its doors. Already its corps of cadets had been halved by war-time emergency graduations. The few hundred students remaining were called together and told to flee—to make their way to safety, to England. Some 170, nearly one-half of the entire reduced corps, succeeded in getting there. Today, supported by Anglo-American refugee organizations, these ex-students of St. Cyr are once more at work, learning to become officers for the Free French armies of General de Gaulle. Many of the original refugee students have since joined the ranks as lieutenants. But others have taken their place in the classrooms, and nearly 200 young Frenchmen now live at the South England college which Britain has turned over to them. Some of them will be the Generals and Marshals of the free France of the future.

Mrs. J. T. Fulford has a sister visiting her.
