

## Fair This Year Very Successful

Last Saturday night rung down the curtain on the 28th annual Panhandle South Plains Fair, pronounced by officials as by far the best Exposition in the more than a quarter of a century history of "The Show Window of the Plains."

Exhibits in all departments were pronounced by department heads and by the record crowds that visited exhibit buildings as outclassing in quality anything shown here in recent years. Officials frankly said that some departments had in the past had perhaps more exhibits in number, but never has the quality been better, they said C. C. Jobson, Superintendent of the Agricultural Department, announced that more people had been in the agriculture building than in any of the seven years he has been working with the department. Other department heads announced similar public reception.

Attracting particular attention was the pattern or model livestock exhibit by Texas Tech College, which a cross section of the college stock as individuals along with methods of preparation and exhibition of show stock.

Featuring the night entertainment program each night of the week was a series of the best rodeo performances ever brought to the South Plains. Most of the fine stock for the rodeo was furnished by Lynn Beutler of the Beutler Bros. ranch at Elk City, Oklahoma, who also arena director and responsible for the snappy program that was unreel. High class free entertainment was given each afternoon in front of the grandstand, and on Friday and Saturday this was augmented by appearance with equipment, of 125 men and officers from the 260th Coast Artillery from Fort Bliss Anti aircraft and anti mechanized weapons were placed on exhibition and inspected each afternoon. At night three powerful search lights placed in a triangular position about a mile and a half apart spotted a plane high overhead and illuminated it like a new star making its appearance as it maneuvered about.

The Fair was pronounced by officials as a financial success and all premiums will be paid in proportion to net receipts. Final figures have not been announced.

## THE SPIRIT OF OLD ABE

## Meadow Gets First Win of Season Over Cooper 12 to 0

Well, they finally did it. After three unsuccessful attempts the Meadow Brochs won a ball game. Last Friday evening Meadow defeated Cooper 12 to 0.

It was a perfect day for football. The sun was shining, there was no wind, and the field was in excellent condition.

The locals scored their first touchdown about midway of the first quarter. Meadow received the ball on the Cooper 47 yard line. Beasley found a hole down the center, and got away from every body, but the Cooper half back was too fast for him and overhauled him on the 7. On the next play Price went over for a touchdown. The extra point was no good.

Not much of an exciting

## SHORT CUTS

A DIRTY windshield is always a handicap to safe driving, particularly at night when headlights glare adds a hazard. Windshields and car windows can be quickly and easily cleaned by using a paper towel slightly dampened and then polishing the glass with another piece of dry toweling.

A roll of these towels placed in your garage will help to remind you to keep your windshield spotless. Another good driving tip is to have your brakes tested regularly and be sure your tires are properly inflated.

nature happened until about five minutes of the third quarter. Meadow received and made a first down, then bogged down. They punted, and Cooper returned to the 20 yd. line. They tried an end run to the right and lost 5, then an end run to the left which cost them 3 yds., then on an attempt to punt out, Tackle Ed Warren blocked the punt behind the goal line and Quarterback Beasley, always on the watch, rushed in and covered for a touch back and 6 more points. That was all of the scoring.

Cooper made a desperate effort to score in the final stages, with a successful passing attack, but not in time.

A few statistics in the game Meadow made a net of 183 yards on rushing plays, Cooper 25 yds. Cooper made 85 yds. passing. Meadow earned 8 first downs, Cooper 7. Cooper completed 5 passes. Beasley carried the ball 9 times for a total of 68 yards, or an average of 7.5 yards per play. Smith carried 10 times for a total of 48 yards, or an average of 4.8 per play. Price made 9 runs for 21 yds. and Peugh carried 8 times for 19 yards gain. Their best runs were, a 40 yard gain for Beasley, a 20 for Smith, 7 yd run for Price, and 5 for Peugh.

The strategy used in the game was unusually good. They profited by experience and the plays which were no good, they left them alone, and kept hammering at those which profited them.

Lunceford, playing in his first game, made two plays, (Page 4 please)

## H. D. Expert To Speak

Miss Dosca Hale, Extension Specialist in Parent Education and Child Development, will be in Terry County, October 17.

We feel that for Miss Hale to be of most help to all of us it will be best to have a county wide meeting for all club women, or any other women interested.

Let us urge you to attend this meeting, for Miss Hale is an excellent speaker and will bring to you very helpful and interesting information.

This meeting will be in the district court room at 2:30 in the afternoon.

Dorothy Fay Blanton,  
Home Dem. Agent.

## Study Club

The following members of Meadow Study Club responded to roll call Thursday afternoon, October ninth: Burleson, Copeland, Hand, Hartzog, Hedgspeth, Hinson, Lackey, Padgett, Peeler, Rackley, Russell, Stearns, Toombs, and Zachry. The club voted to present a play in the very near future. Mrs. H. C. Zorns was also voted an invitation to membership in the club. The hostess, Mrs. Floyd Copeland, served a delicious and attractive plate. Mrs. Lanan Bissett of Lamesa and Mrs. Roland Evans of Ropes were guests for the meeting.

James Gleason appearing in "Here Comes Mr. Jordan."

## Guess Who

A young man, not an old timer here. At one time was connected with an organization, known as the best of its kind in the world. A talented musician with stringed instruments.

Last week: J. M. Burleson.

## Meadow-Ropes Game Today

The annual Meadow and Ropes football game will be held here this afternoon. This should be one of the best and hardest fought games they have played in many years. They have played one conference game each this season. Meadow defeated Cooper 12 to 0. Ropes was beaten by Frenship 6 to 0. But even in defeat the Ropes boys outplayed their opposition all the game except the one play in which they were scored against, so if anyone has the idea that Ropes will be a push over they can dismiss it.

But one good thing about ball games, they are played on the field and not on paper. So if you want to know all about this game, join just about every one else in these two communities and be on hand this afternoon at 2:30.

Advance tickets are being sold. You better buy your ticket before you go, prices will be higher at the field.

Quite a number of the merchants have stated they will close for the game.

## Santa Fe Man Takes Gov. Job

J. A. Gillies, general manager of the Santa Fe Western Lines and vice president of the Panhandle and Santa Fe Railway, with headquarters at Amarillo, today was en route to Washington to report to the War Department for active duty as Colonel in the Army Engineering Corps.

Col. Gillies, veteran in Santa Fe service, yet one of the youngest railway executives to hold such an important position, is one of the most popular officials in the Southwest where he spent the majority of his activity.

## THIS WEATHER

The showers this week have rather put a damper on the gathering of cotton in this community. Tuesday the sun was shining bright, and you could almost see the cotton popping open. Farmers were all trying to get hands, and the gins were getting set for the rush. But alas, came the rain, and now some are wondering whether or not they will need any hands to gather cotton.

# James Rucker

**Row, Row, Row Your Boat**

When the soldiers of Uncle Sam's new Army set out on "blitz" maneuvers, they don't have to pack along heavy steel or wood boats for crossing streams in their path. Instead they're using rubberized cotton craft like that shown above. The boat will carry as many as six men. Several of the cotton boats, lashed together, are used in ferrying equipment.

**Pep Rally Held Wednesday**

A pep rally was held in the school Wednesday, with every student in school participating. The Grade school pep squad was well organized, and all but took the roof off the building with their yells. There seems to be more spirit and enthusiasm over the coming football game between Meadow and Ropes than there has been in years. Also Wednesday a number of the ball players who had dropped out were back in uniform, and it looks like the boys will be at their best by game time Friday.

FOR SALE: One coal heater and one kerosene range. See G. H. Bryant.

SHOVEL MIXING of home grains and supplements is not only tedious but produces unbalanced mixtures that vary greatly in feeding value. Mechanical mixing makes each mixture much more uniform and helps you get much better results from your grain rations. Our grain-grinding equipment and ability to mix feed have been approved by Purina Mills. Our supplements and grain-balancing formulas have been developed by Purina Research. Bring us your grain for uniform, dependable grinding and mixing service.

**Meadow - Cooper**

either of which would have cost a touchdown, had he not been there, both in the last quarter. Cooper completed a pass on their own 20, and the man headed south, throwing off tacklers right and left. Lunceford, who was blocked out on the play, got up, ran to the safety position, and made the tackle, stopping a 60 yard run. The next play Cooper tried another pass, but again Lunceford was in the right place and slapped it down.

We have not given much glory to the linemen, but you may be sure than anytime the boys carrying the ball get very far with it, that the boys in front are doing their work.

The ones who played, and their positions are: Liles, Tilger, Finley, and Lunceford ends; Warren, Upton, and Farrar, tackles; Gibson, Mitchell, and Fox, guards; Moorhead, center; Beasley, quarter back; Peugh and Smith, half-back, and Price, fullback.
