Auto Registrations Hit All High Mark

Deputy Tax Collector and Assessor Herbert Chesshir was in town Tuesday assessing taxes.

Herb said he had been working in the rural sections of the county, but due to bad roads he was working in town now.

He stated the automobile registrations this year exceeded the high mark of any previous year. About 3000 cars and trucks were registered for a total of near \$44,000.00.

Johnson Opens Campaign Saturday

Congressman Lyndon Johnson opened his campaign for the United States in San Marcos Saturday night, May 3. He declared the first problem of the Nation is to prepare to meet the crisis with which we are confronted. He pledged his continued cooperation with President Roosevelt in the defense program and made an urgent plea for unity.

Outstanding features of the platform which he announced were:

1. Definite legislation which would prevent further strikes in National defense industries.

2. A national old age pension law which would give to every person in Texas over the age of sixty the same as paid by other states.

3. Full parity payments to farmers.

4. Opposition to any federal control of the Texas oil industry.

Johnson said, "It is later than you think," and declared it imperative that the American people unite behind the leadership of President Roosevelt in these days of national crisis.

Mr. and Mrs. Jack Brown are the proud parents of a baby daughter born Tuesday, May 6th.

Rain Rain Rain

Yes, rain, rain has been the story here the past few days. It began raining Saturday night, April 26th and rained almost every day for the next week. J. M. Burleson measured the rain Sunday morning and found that six inches had fallen during the spell. Some places around in the community the rain was heavier.

By Wednesday afternoon quite a number of farmers had begun planting, some feed, some cotton.

Tom Gibson Wins Third

Tom Gibson, local FFA boy, placed third in Public Speaking Division of the Area One Leadership contest held in Lubbock Saturday.

Boys from eleven vocational agricultural districts from thirty six counties representing a large number of FFA chapters participated in the contests. Winners of first and second places will enter the State leadership contest to be held in Marshall July 27th.

Two Definitions

Woman: A person who can hurry through an aisle 18 inches wide without knocking down piled up tinware, then drive home and knock the doors off a 12 foot garage.

Man: A guy who can see an ankle three blocks away while driving a car down a busy street, but won't notice in wide open country a locomotive the size of a school house.

George-Benson

John George and Miss Mildred Benson both of Meadow were united in marriage April 12, 1941.

The groom is manager of the Meadow school bus system, the bride a member of the Meadow Senior Class.

The news of their marriage was with held until just recently.

The Star joins their host of friends in wishing them much happiness and prosperity.

Much Kissed 'Devil

I the featured role of "The world's richest man," Charles Coburn, in "The Devil and Miss Jones" plays a double crossing role which back fires on himself in the end as he sides with employees he had planned to destroy. Result: kisses! from Jean Arthur, star, at top; from Robert Cummings, romantic lead, centre; and from Spring Byington, featured romantically opposite Coburn, bottom. The picture was directed by Sam Woods, of "Kitty Foyle" fame.

This picture shows at the Rialto in Brownfield Tuesday and Wednesday.

Mr. and Mrs. Lewis Cotton visited in Quanah over the week end.

If there was a doubt in any one's mind that Great Britain is expecting the United States to come in and help win the war, that doubt must have been removed by Churchill's talk Sunday afternoon. We would have been in the war before now if public sentiment had justified it. But it takes a long time and lots of propaganda to arouse war hysteria in America. But give them

time and they'll have a lot of people reconciled to seeing the U. S. enter the war. The reason the people have been willing to "render aid short of war" was a hope that by so doing we could stay out of war. We'd rather give them billions of dollars in cash and supplies than to send one boy across to undergo what those Australian boys underwent in Greece last week. If it is

our war, we should have been in it long ago. If it is not we should make certain it does not become our war.—Anton News.
