## Art Names To Present "Are You A Monkey"

The High School has secured Art Names to produce one of his plays for them. Art tells us that he has picked out a play which he never before presented in Meadow and one of the funniest plays he has ever seen. The title is 'ARE YOU A MONKEY?'

It will be presented in the grade school auditorium as the basketball seats are set on the stage of the high school. It will be played on Thursday night February 6th.

The cast is made up of the following high school students: Dorothy Key, Marjean Bell, Duane Norman, Tom Gibson, Nathan Jones, Wade Turnbough, and Edward Warren. Art Names, himself, is playing the part of an old scientist.

The play is full of comedy from beginning to end and you should plan right now to see it. The admission is only ten cents for Children and twenty cents for adults. And no extra charge of any kind for reserved seats. You will say that "ARE YOU A MONKEY?" is the best play you have ever seen. Don't miss it!

Eleven committee appointments have been given to Senator Formby of this district, including a seat on the important Finance Committee.

Mr. and Mrs. E. A. Short spent Sunday with Mr. and Mrs. Louis Peeler.

There have been a lot of suggested reforms, some good and a plenty not so good, but in our modest opinion what the world needs most is dollar a dozen golf balls; a straw hat that won't rot, less water in tomatoes and more apples in apple sauce.

No hardwood floors are not a luxury. Health demands them. Let us tell you how cheaply they can be laid.

Who ever works for himself alone and not for his community has a mighty poor boss.

Hardwood floors make housecleaning easy. Ask the wives who have them.

### "WANTED"

Several house to house canvassers to leave town at once. (an advertisement that most merchants would like to run).

Listen folk when you go to pipe your house for gas and buy your stoves. Do not listen to some high pressure salesman and then come and find out how much cheaper you could have done the job at home. Give us a trial. We will treat you right or if any thing goes wrong you won't have to go to some other town to have it made right.

In winter, summer, spring or fall we like this town best of all.
