Trailer loads of peanuts have been a common sight in recent weeks as the harvest season hit a peak a little earlier than usual this year. A heavy frost following rain in October prompted farmers to start digging in earnest.

Peanut dryers at Winfrey Feed & Peanut have been running full time lately. Although the overall crop is fairly good considering the rainfall, grades have fluctuated even in the same field. Jerry Winfrey, owner of the business, estimates the crop to be 75 percent harvested.

Lord's Acre Group Says 'Thank You'

A big "thank you" to the Rising Star community has been expressed by Lt. Col. Andy Griffin, the organizer of the Lord's Acre Festival held at the First United Methodist Church on Nov. 3-4. More than 300 people participated in the festival this year. The turkey/ham luncheon, the bake sale, the arts and crafts sale and the country store (including the blood pressure corner) were all well supported.

Excellent cooperation and the hard work of many people helped to make this annual fund-raiser a success according to the pastor, the Rev. Dr. Andy Fowler. Dr. Fowler noted that everyone pitched in and helped, including the young people, four of whom are shown in their bright new serving aprons: (L to R) Robin Griffin, Kelly Griffin, Amanda Lawyer and Angelia DeLong.

Calvary Assembly Church Holds Revival

A Revival will begin Saturday night, Nov. 18, at the Calvary Assembly Church in Rising Star. The Evangelists will be the Rev. and Mrs. Chester Gates of Oklahoma, now residing in Eastland.

The Rev. and Mrs. Gates are well known in the area, as he has been one of the main speakers in The Camp Meeting at Carbon for several years.

The "Hands of Faith," a gospel singing group from Fort Worth will also be assisting in the revival, ministering in singing and music.

The services will begin at 7:30 each evening from Sat. Nov. 18, through Wed. night 22.

Everyone is invited to attend this Revival.

THE VOTE ON THE 18TH

by: E.C.E.D.C.

Strangely enough the election on Saturday, November 18th is still scheduled. State law prohibits the stopping of an election process once it has started - such as absentee voting in this case. The election concerns a mechanism of financing, specifically the use of bonds to pay for land to be used for the location of a state prison. Since the prison will not be coming to Eastland county in the immediate future it was desired that the election be called off since it will cost the county about 5-6 thousand dollars to proceed and the result will be mute. However the state law will not permit this.

The vote on Saturday will proceed. Voters are reminded that a "FOR" vote will indicate that the vote approves the method of using certificates of obligation to fund purchases of land in the future. A "NO" vote indicates the voter disapproves the use of certificates for this purpose and that other methods such as cash purchase would have to be used.

Since no purchase of land is now contemplated it appears that either vote only expresses an opinion.

As one person put it - "A FOR VOTE is for the prison and a no vote is against the prison-- a prison that we didn't get."

Chili Stew Lunch to Benefit RSEMS

Rising Star Senior Citizens Center is holding a chili and stew luncheon on Friday, November 17, from 11:30 a.m. to 1:30 p.m. to benefit the volunteer ambulance service.

The lunch is \$3.50 for adults and \$2 for children 12 and under. The price includes a drink and dessert.

The lunch will be at the Center which is part of the old hospital building.

Members of Senior Citizens Center appreciate the volunteer hours put in by Rising Star Emergency Medical Service and are happy to be able to help fund the ambulance.

Community Thanksgiving Service Is Sunday

All the pastors in Rising Star were invited in October to discuss the possibility of holding a community Thanksgiving service. It was agreed among the pastors attending that this would be good for the community.

The invitation from the First United Methodist Church to host the Thanksgiving service this year was accepted. The date was set for Sunday, November 19, at 6 p.m.

In addition to church choirs, will be among those taking part in the community Thanksgiving service. Those leading hymns, singing special music and playing instruments include John G. Lee, Susan DeLong, the Rev. and Mrs. Charles Chamberlain, the Rev. Sonny McGinn and Lisa McGinn, Bonnie Polk and Pat Walker.

It was also agreed that in the context of Thanksgiving it would be appropriate to take an offering to assist people who are down on their luck (especially sojourners who are hungry, cold, out of gas, etc.) The pastors agreed to cooperate in administering the proposed benevolent fund for the needy, which is to be audited with open disclosure.

Just prior to the service the First United Methodist Church will host a fellowship time from 5:15 to 5:50 p.m. in their fellowship hall to enable the participants to get to know one another better over tea and cookies. The Rev. Darrell Dossey of the First Baptist Church will bring the Thanksgiving message this year. Special music will be presented from the various churches.

A number of local talents,

If this proposed community-wide endeavor receives good support it may become an annual event with all invited to participate.

Wildcats Stampede Buffaloes

A LARGE CROWD of Wildcat supporters, including the Rising Star schoolchildren, gathered in the 100 block of North Main Street Friday afternoon to cheer their team to victory. The Wildcats made the victory a reality at Cross Plains that night.

The Rising Star Wildcats traveled to Cross Plains where they proceeded to outplay and outscore the Cross Plains Buffaloes 31-8 on Nov. 10.

The Wildcats kicked off to the Buffaloes and the defense went to work, completely dominating the first Buffalo offensive series by allowing only 2 yards on 3 plays and forcing Cross Plains to punt. On the Wildcats' first play of the game, leading rusher Derrick White picked up 13 yards and on the second play Wildcat Donny Alcorn picked up 7 yards. When the 'Cats decided to go for it on 4th and 2 on the Buff 47, White busted through the line for another 13-yard gain. The 'Cats elected to go for it again on 4th and 1 but this time the Buffs held, on their own 6-yard line. Cross Plains didn't have the ball for long as the mighty Wildcat defense continued to show Cross Plains who was the boss. The Buffaloes managed to gain 3 yards and it was 3 and 7 when Alan Havens came up with a key QB sack for -4 yards, bringing up 4th and 11. The Buffs punted

again and the 'Cats started moving the ball, only to be stopped short by a fumble which netted a 13-yard loss. Rising Star turned the ball over on downs at the Cross Plains 20 and the Buffaloes got lucky; Jody Brown broke into the open and raced 78 yards for a touchdown. The extra point run by Deron Duffy was good and with 10:28 remaining in the first half Cross Plains led 8-0.

The 'Cats continued to move the football and White had two more double digit gains of 13 and 10 yards before Alcorn picked up 7 yards on 3rd and 1, bringing up 1st and goal on the 9-yard line. Quarterback Jimmy Evans hit Senior receiver Brandon Carroll with a 9-yard touchdown pass. Cody Wilson ran the 2-point conversion with 5:51 left in the

second quarter, tying the 'Cats and Buffs 8-8.

On the Buffs' next offensive series Carroll came up with a big tackle. When the Buffs tried to run around the end on 3rd and 10, Carroll made a tackle which brought up 4th and 9 and forced the Buffs to punt. The 'Cats were forced to punt for the first time in their next offensive series but the Buffs were unable to move the ball. Jason Bible, Brian Bailey, Matt Harmon and Alcorn all came up with tackles and the half ended in an 8-8 tie.

The first play of the second half the Wildcats came out and showed the Buffaloes how to block, allowing White to race for a 38-yard gain. The 'Cats went on to move the ball well. White scored on a 1-yard drive with 9:09 on the clock, but a penalty called the TD back. Several penalties later Alcorn kicked a 24-yard field goal and with 7:48 on the third quarter clock the 'Cats took the lead, 11-8.

The Buffs tried to retaliate but were unsuccessful due to the efforts of the Wildcat defense. B. Bailey made a big tackle which brought up 4th and 2 and forced the Buffs to punt again. White again broke loose, picking up 51 yards. Alcorn picked up 12 to the 1 and with 2:11 showing, White ran the 1 yard for a TD. Alcorn's extra-point kick split the uprights and the 'Cats were now ahead 18-8.

Cross Plains tried to come back but the 'Cats were too

Election To Be Held As Planned

The November 18 election on the issuance of \$700,000 in certificates of obligation for the County to purchase land will still be held, according to officials here.

"I can find nothing in the election laws that authorizes the canceling of this election," says Emory Walton, District Attorney and legal advisor for the County.

Council's prison proposal, which included this 900-plus acre site.

Several Courthouse officials said that for all practical purposes this elimination of Eastland County made the Nov. 18 election look meaningless but that was not necessarily the case.

The election will help establish public opinion of the county purchase of prison land, or possibly county bonds of obligation for other purposes in the future. In two years more state funding for prisons is expected to be available.

Walton was in consultation by phone Thursday with attorneys in the Election Division of the Secretary of State's office in Austin. They stated that the election must be held, by state law.

County Commissioners called the election after being presented with a petition on the Certificates of Obligation, which were to be used for the purchase of a prison site near Carbon.

On Wednesday, November 8, in Austin the TDC Site Selection Committee eliminated the Eastland County Economic Development

By Thursday 278 absentee ballots had been cast on the Nov. 18 proposal, according to word from the County Clerk's office. It is too late now to request mail-out ballots, but ballots already requested and mailed back will be accepted through the day of the election. Absentee voting in person ends on Nov. 14.

Dr. Carpenter's Office Will Be Closed from Thanksgiving Day (Nov. 23) until 9 a.m. Monday, Dec. 4. RS 48

E.C.E.D.C. Urges "NO" Vote Saturday

By Eastland County Economic Development Council

An election will be held Saturday, November 18th, the results of which will be meaningless.

This election was forced on the Commissioners Court by a group who did not favor the proposal by the court to issue bonds to purchase land for a State Prison in Eastland County.

The election will cost taxpayers several thousand dollars.

The election was forced even though it was known that a prison board decision was to be made on whether or not the state wanted to build a prison in Eastland County before the date of the election.

Current law demands that once absentee voting has begun, the entire procedure must be completed. As has been previously announced, Eastland County was eliminated from consideration as a prison site on November 8th.

The wording of the ballot for the defunct election is as follows: FOR or AGAINST "the issuance of \$700,000.00 certificates of obligation".

The ballot does not have sufficient information to permit the voter to determine what is the nature of the election, who is conducting the election or what will be done with the money raised if the

election is favorable.

For this reason the Eastland County Economic Development Council recommends that citizens vote against the issuance of Certificates of Obligation (bonds) since monies are no longer needed and the results of the election are meaningless.

If one is truly interested as to how all citizens feel about the original proposition of a prison for Eastland County, a clue can be seen in the results of Proposition 8 of the November 7 General Election. This proposition was to determine the will of voters concerning funding additional prisons for the State of Texas. County-wide results were 1,410 favoring additional prison construction, and 856 against added construction.

In addition to the Proposition 8 vote, a telephone poll was taken throughout Eastland County on November 1st and 2nd by the Texas Field Service to determine how voters feel about a state prison here. Of those who planned to vote, 47.6% said they would vote "FOR" the Issuance of Certificates of Obligation to buy land for a state prison in Eastland County. 19.8% said they would vote "AGAINST" such proposition. The confidence level of this statistical survey was 95% with a 4-8% margin of error.

The above date reflects the true picture of how Eastland Counties fell about a prison for this area.

Annual Turkey Shoot Starts Thursday

The Annual Ranger Jaycee Turkey Shoot will begin on Thursday, November 16th and continue through Saturday, November 18th. Time will be

on Thursday and Friday from 6 til 10 p.m. and on Saturday from 10 a.m. til 10 p.m. The event will be held in the Jaycee Barn located on the Rodeo grounds. Entry is \$1.00 for 3 shots. A turkey will be given away to high point every hour.

A 22-250 rifle will be the prize for a \$1.00 donation ticket this year. Tickets may be purchased from any jaycee or at the shoot. The drawing will be held Saturday evening.

Come on out and enjoy the fun!!!!

Mountain Top Church To Present "Tragedy To Triumph" Wednesday

So far in the '88-89 school year Dave Roever has spoken to 245,896 students in 210 high school in various states. He said, "Who would have ever dreamed that I would be invited to speak for a function that normally is addressed by generals, presidents, etc.?" That was his reaction when he was chosen to speak to the U.S. Military Academy at West Point's black-ite affair in the

massive dining hall at the Academy.

As always, he stressed the importance to country, one's self, one's spouse, drinking, drugs, sex outside of the marriage, and other areas the "now" generation of young people need to hear. At the close of the speech, the cadets, guests and parents gave a standing ovation.

Pastor John Jones, area chaplain for the Eastland County Law Enforcement Association and pastor of Mountain Top Church, states, "Those ministers of our area who are perceptive, progressive and tuned to the needs of the youth are thrilled to have Dave Roever coming to our area in January."

"From Tragedy to Triumph" is a review of his

life story as told across America. Pastor Jones said, "If you love freedom, America, God, and want to hear a story that has blessed thousands upon thousands, come Wednesday night to the Mountain Top Church of Cisco, 600 E. 8th (old Hwy 80)." All area Veterans of War, especially Vietnam, are invited to hear this story of how Dave picked up a white phosphorus grenade

and it exploded as he drew back to throw it; yet, he survived to continue his Christian testimony that started at age 16. All parents should bring their children so Dave's testimony can instill in them a love of God and country and right values, Rev. Jones said. It is not a sob story, a horror story, not even a war story, but a story of hope, the triumph of love over tragedy, Jones added.

Senior Center News

We want to remind everyone to please come to our chili and stew luncheon Friday, Nov. 17, from 11:30 to 1:30. All proceeds go to the ambulance fund. All donations will be greatly appreciated. The meal is \$3.50 for adults and \$2.00 for 12 and under, and includes drink and dessert.

The club wishes to thank Curtis and Stella Hill for their long hours of work at the Senior Citizens Center. We don't know what we would do without them - Curtis did the repair work and painting on the windows and did a lot of repair on our two front doors. It really shut out a lot of the cold winter wind. Everyone will be re-classified for commodities on Dec. 4 from 2-4 p.m. The center will not be open until 2 p.m.

We wish to thank everyone who helped us in any way to make our rummage and bake sale a success. All the

proceeds will go to the ambulance fund.

Curtis' father was taken to the Eastland Hospital Sunday evening very ill. He will remain there about a week for tests.

W.D. Lewis was taken to the hospital in Abilene. He is a brother-in-law of Curtis Hill.

Glen and Jean Shults left Sunday to go visit their daughter, Lydia and Rod Pacek and two children in Memphis, Tenn. They will be gone two weeks.

Stanford Horton is having problems with varicose veins in his leg.

Ray and Nancy Wolf from Midland visited his three aunts Saturday, Mary Carroll, Inez Robertson and Stella Hilla, and also visited his mother, Rada King, who is in the nursing home and doing good.

Have a good week!!

Lena went out for lunch with her daughter, Gladys Barron.

Obituaries

Grace Glenn

MAY - Grace (Mrs. Herbert) Glenn, 84, died Monday at her home. Services were held at 10 a.m. Wednesday at May Methodist Church with Dr. Andy Fowler officiating. Burial was in May Cemetery, directed by Davis-Morris Funeral Home of Brownwood.

Born in May, she was a homemaker, a member of May Methodist Church and Eastern Star. She was the widow of Herbert Vernon Glenn.

Survivors include a son, Windle H. Glenn of May; three daughters, Sue Ferguson of San Antonio and Mildred "Dink" Todd and Barbara Wood, both of May; a sister, Aleta Mae (Mrs. O.B.) Chambers of Early; a brother, Hugh Boland of Dallas; eight grandchildren; and 11 great-grandchildren.

much for them. It was 4th

and 1 on the Wildcat 19-yard line when White made the tackle 1 yard behind the line of scrimmage, giving Rising Star the ball on their own 20. Brandon Geye had a 25-yard gain that was called back on an offside penalty, but no problem - White gained 23 yards on the next play, and three plays later Alcorn broke tackles and dashed 53 yards for another Wildcat TD.

The Wildcats became greedy and continued to play outstanding ball. Cross Plains was unable to move the ball offensively and was unable to stop the Wildcat backfield. White had a pick-up of 19 and Alcorn 23 to the Buff 1-yard line when the 'Cats fumbled. Cross Plains had another shot at scoring but they were not counting on the determined Wildcats. Senior Toby Long made a saving tackle on the 50-yard line and Sophomore Geye came up with a big pass interception, giving the 'Cats the ball on the Buffs 47. Alcorn picked up 13 and the 'Cats tried a pass play from Wilson to Carroll. The Buffs picked off the pass at their own 6-yard line. Cross Plains was unable to capitalize on the turnover and the 'Cats special team did a good job of rushing the punter. The punt was only good for 10 yards and it was Wildcats' ball at Cross Plains' 17-yard line.

White scored on the first play. With less than one minute remaining in the game the 'Cats went ahead 31-8.

Everyone appeared to be getting his big chance and Larry Hollis lined up to kick off. Who said playing Cross Plains was no fun? White needed a few more yards to break 2000 for the year and his teammates rallied to give him the chance. He followed good blocking to pick up 20 yards and then 8 yards to finish the night with 294 yards and the season with 2048 yards! Congratulations, Duck, we are proud of you!

And congratulations to the 1989 Wildcats on a year of dreams. Who would have thought the Rising Star Wildcats would ever have been ranked 9th in the State. That's right, 9th among all the 1A teams in the whole State of Texas! So we didn't make the playoffs; it's hard to overcome injuries in such a small school where needed depth is often lacking. A record of 8-1 is something to be proud of. And best of all, the Rising Star Wildcats defeated their arch rival the Cross Plains Buffaloes 31-8 in the last game of the 1989 season.

A summary of the season's stats is planned for next week.

WILDCATS, WE ARE PROUD OF YOU!

Pioneer Patchwork

By Irma Miller

The quilting circle finished the Churn Dash and worked on the President Madison Star.

The Harvest Supper, prepared for our regular game night Thursday, was a success with 25 present for the turkey and dressing with trimmings.

Jean Fore's visitors last week were Winnie (Gibson) O'Donnell of Waxahachie, Mary Gibson of Fort Worth and her grandchild of Rising Star.

John and Irma Miller

visited their children in Dallas Sunday, driving through the beautiful autumn scenery with colorful trees. Apparently many others were answering the call of the sunshine, judging by the solid parade of cars and trucks returning to the Metroplex Sunday night.

Lottie Sooter showed us the dainty baby quilt she finished for a grandchild. It is a miniature Dresden Plate with four quilted fleur de lis inside each of the circles in the plain white squares.

Eastern Star

Rising Star's Order of the Eastern Star, No. 277, met Nov. 6 at 6:30 p.m. and everyone enjoyed a Thanksgiving supper. Worthy Matron, June Bean, furnished a huge roaster of the most delicious dressing with turkey, gravy and cranberry sauce, also baked and smoked ham. Other members furnished salads, pies, coffee.

Sonny Parnell, our new member, pro-tem chaplain and did his job so nice. We

are so proud to have him. Several of our visitors promoted our Worthy Matron.

Two candidates were balloted on and were accepted and will be initiated at next meeting. We will not have a salad supper as we usually do - will have cookies, candy and coffee at 6:30, Dec. 4. Masons and wives and widows of Masons come be with us and enjoy our good fellowship.

Goldia Lancaster

Methodist Women

United Methodist Women met at 3 p.m. in the lovely home of Elizabeth Robertson with 11 present. Winnie Armstrong opened the meeting with a prayer led by Maggie Smith.

Congratulations to Mamie Joyce, who is this month's birthday girl. Christmas cards, birthday and get-well cards were ordered. Officers are to be installed Nov. 19 at 10:30 at the church.

The hymns that were sung at the meeting were I Would be True and Sweet Hour of

Prayer. Nena Fowler prayed before our Bible Study which was Proverbs 31. Each member read one verse at a time then discussed it. Meeting closed with The Lord's Prayer.

Members present were Winnie Armstrong, Maggie Smith, Elizabeth Robertson, Winnie Anderson, Dearso Duensing, Dicie Adams, Inez Hutton, Mamie Joyce, Bertha Mae White, Nena Fowler and Maurine Wells. After the meeting we enjoyed cookies, ice tea and conversation.

Screening Children Is Nov. 29

On November 29, a developmental screening will be held for young children ages zero to six (0-6). This screening will be conducted at the Eastland County MHRM Center, 301 Pogue Ave., Eastland, from 10 a.m. to noon.

The screening, which takes about 20 minutes to complete, tests a young child in four areas; personal/social skills (playing, eating, dressing, etc.), fine motor skills (ability to manipulate small objects), gross motor skills (running, jumping, etc.), and language development (speech, following instructions, etc.). If a child is found to have two or more delays in one area, there is further testing available or referral to the appropriate agency.

The purpose of Early

Childhood Intervention is to identify and correct as many problems as possible for young children. Early detection of young children's delays have proven beneficial to the child, parents and teachers.

For further information please feel free to call (915) 646-9574, ext. 159 or 158 in Brownwood, or come to the screening site.

First Baptist Church

Plans Turkey Dinner

Members of First Baptist Church plan to share a Thanksgiving dinner and give thanks for the season at noon Sunday, Nov. 19, at the church.

Those attending will bring the trimmings to accompany the turkey and dressing to be provided by the church.

WTU Puts Winter Rates In Effect

Customers of West Texas Utilities Co. will see approximately a 10 percent drop in their rates beginning this month (November). The reduction is the result of using the lower winter rates which will be in effect for six months. Using higher summer and lower winter rates is part of the States' plan to encourage energy conservation during the summer when air conditioning creates the peak demand on electricity use.

According to WTU Local Manager Travis Williams "a residential customer using 478 kilowatt hours (KWH) of electricity a month, the average for November 1988, will see his bill go from \$45.29 to \$40.88." Other customer groups will see similar reductions, Williams said.

Since mild fall weather has reduced many customers' cooling and heating use, the actual decrease in the electric bill from September, when average use was 959 KWHs, to November will probably be around 51.5 percent. That decrease includes the combined impact of lower winter rates and lower use resulting

from mild weather. The actual size of a customer's bill is determined by the use.

While the higher summer rates are intended to encourage conservation, lower winter rates benefit the customer two ways, Williams said. First is lower cost to heat homes and businesses. Second, winter usage makes more efficient use of WTU's facilities and helps spread the costs more evenly throughout the year.

Letter To Editor

This is a note of appreciation to Dr. Charles and Anna Barnes for all the months of hard work, daily trips to Cisco, numerous trips to Eastland and many trips to Austin trying to secure something for Eastland County and our schools. Except for some travel expense returned, the Barnes gave of their time and resources voluntarily.

Let's give these two a big thanks for their efforts to help the economy of our town and area.

Even though the election is needless, go ahead and vote.

Manhunt Quickly Apprehends Escapee

by: Richard Kurkin
A police manhunt took place Monday afternoon between Cisco and Eastland. DPS officer Steve Foster and Sandra Adams attempted to arrest two Spanish men after the van they were driving broke down on I-20 about 3 miles east of Cisco. The van had reportedly been stolen in Ft. Worth that morning. One man was cuffed, but the other who reportedly had a knife, broke and ran into the nearby brush. Cisco and Eastland police officers, sheriff's deputies and additional DPS officers joined in the manhunt. Officers advanced into the brush, expecting to have to search the large wooded area as other officers surrounded the area. As the escapee had run

moved in on the run. He seemed to disappear, but Cisco police officer Donald Wylie lifted and dropped a turkey feeder lid and reported that the escapee was inside. DPS officer Sandra Adams, who was among those who had gotten a good day's exercise, arrested the escapee, who was joined by his traveling companion who was being held at a nearby home. Both men were placed in the Eastland County jail. It was expected that they would be turned over to Ft. Worth officers. One of the men was on parole from Travis County after serving two terms in prison, the other had served time in a county jail.

Supplemental Feeding Of Deer Draws Interest

A hot topic for sportsmen and others in deer management circles these days is supplemental feeding, since many people view it as an alternative agricultural potential. Dr. Larry Varner, a private wildlife consultant from Uvalde, told listeners at a recent wildlife symposium conducted by the Texas Agricultural Extension Service that the subject is far from being an exact science. When giving answers though, Varner was not just pulling figures out of a hat, he drew his conclusions from more than 15 years of deer feeding experience as a research nutritionist formerly with Texas A & M University. He said with deer hunting growing steadily as one of the state's highest alternative agricultural income endeavors, ranchers, game managers and hunters alike want to improve the product. Varner said antler development is what sells and proper supplemental feeding is a factor that will help improve antler growth. Varner defined a supplement as a limited amount, about 10 to 20 percent, of the daily intake of feed used to

balance deficiencies in the remainder of the deer's diet. What most hunters think of as supplemental feeding actually is baiting, said Varner. "In other words, they're trying to get that animal out of cover where they can get a shot at him." Varner took dim view of letting hunters near a supplemental feeding area. "You want an area that's off limits to hunters," he said. "Don't allow hunters around your supplemental feeders. After all, one shouldn't shoot turkeys off the roost." Once the management decision has been made to enter a supplemental feeding program, Varner said success depends on staying with the plan year-round for at least three years. He said it takes at least that long for the animals to become accustomed to using the feeders and derive any real nutritional benefit from the program. Extra feeding also requires more intensive management as do any additional practices to a ranching operation, Varner said. He said when the deer population improves through feeding, it must be kept under control or the stepped-up reproductive rate of the does will overpopulate the range.

Wedding Bells

McCreery - Johnson

The First Presbyterian Church of Fairfield, Iowa was the setting for the marriage of Lisa Ann McCreery and Gregory Paul Johnson October 28, 1989 at 6:30 p.m. The Reverend Richard Wallarab performed the double ring ceremony. The bride is the daughter of Joan Olson of Fairfield, Iowa and Jack McCreery of Clear Water, Kansas. Parents of the groom are Paul and Roberta Johnson of Slaton, Texas. Grandparents of the groom are Robert and Marie Halbert of Stephenville and Doyle and Lucille Johnson of Desdemona. Given in marriage by her father, the bride wore a white satin gown with a Queen Anne neckline accented with Alecon lace and seed pearls. Seed pearls motifs were scattered on the simecathedral train. She wore a fingertip veil of silk illusion featuring a tulle pouff at the crown and attached to a headband of seed pearls. She carried a cascade bouquet of red and white roses accented with a bow and streamers with love knots. Linda Golden of Douds, Iowa, (sister of the bride) was Matron of Honor. Bridesmaids were Kim Hammen, of St. Louis, Missouri, and Lisa Akerly of Dallas. Their gowns were court length black satin accented with pearls. They each carried a single red rose. Chad Sikes of Arlington served as best man. Groomsmen were Mike Walker of Fresno, California and Tory Taylor of Lubbock. George Palmer, groom's brother-in-law, of Joshua, Texas, and Bob Golden, bride's brother-in-law, of Douds, Iowa, served as ushers. Flower girl was Shelby Cunningham and Lane Palmer, groom's nephew, was ring bearer. Music was provided by Mary Kelly at the organ and soloist Bonnie Bechtel. A dinner-reception followed the ceremony at the Best Western of Fairfield. The bride is a graduate of Northeast Missouri State University and is employed with American Airlines. Greg is a graduate of Slaton High School and Tarleton State University and is employed as a consultant for IBM. Following a wedding trip to Hawaii, the couple will make their home in Denton. A rehearsal brunch was hosted by the parents of the groom at the Best Western in Fairfield.

Fort Worth Basin Subject Of Baylor Geology Research

Matthew J. Pranter, a Baylor University graduate student from Oklahoma City, Okla., recently completed a thesis on the Fort Worth Basin to fulfill requirements for a Master of Science Degree in geology. Funded by Sun Exploration and Production Company, pranter's research evaluated the geologic history of the Central Texas region located between Fort Worth and Abilene and between Graham and Stephenville. Under the direction of Dr. Robert C. Grayson Jr., associate professor of geology at Baylor, Pranter attempted to determine the origin of the various rock formations which were deposited within the basin approximately 300 million years ago. During the Mississippi and Pennsylvanian geologic periods, the collision of the North American and South American continents created the Ouachita Mountain Belt, which is exposed in southeastern Oklahoma, southern Arkansas and now buried within the Central Texas region. Sediment derived from this ancestral mountain range eventually filled the Fort Worth Basin. As soil and gas become more difficult to discover, a better understanding of subsurface geology, of how basins form and how basinal sedimentary systems originate is crucial in order to determine potential zones where hydrocarbons occur.

Smoking directly affects cholesterol levels, says the American Health Foundation. Tests indicate that each cigarette per day raises total cholesterol by half a point; quitting brings it down again.

People who take aspirin and non-steroidal anti-inflammatory drugs in arthritis-fighting doses are more likely to be hospitalized for ulcers, the British Medical Journal reports. (The Food and Drug Administration now requires warning of this on labels.)

Instead of surgery to remove gallstones, doctors at Mayo Clinic have been injecting ether into the gallbladder to dissolve the stones.

Combination of medications seems to slow the progress of diabetic kidney failure and may even prevent it. Reported in the British Medical Journal, the treatment uses captopril, an antihypertension drug, and a thiazide diurectic. United States tests are starting.

Liquid dosages of acetaminophen should not be used interchangeably. Drops for babies have 500 mg. per teaspoon, children's elixir only 160 mg.

More Might In a Mite Than Jr. Cats Saw

by Becky Walker

The season that had started out so promising for the Jr. team unfortunately ended with the 'Cats feeling a painful twinge as they looked back upon events in the season's last game that led to their sound and unquestionable defeat. With the scoreboard reflecting a runaway 24-8 sweep by the Cross Plains Mites, all hopes of a District championship were extinguished.

The game opened with a scoreless first quarter on both sides. Wildcat defense was able to keep a tight rein on Cross Plains' top team rushers and backs, but our own offense was likewise stopped from gaining too much yardage.

As second quarter action unrolled, David Bronson carried the ball down the field to score the team's first and only TD. The conversion play was also a success, and with half-time quickly approaching, the 'Cats' worthy opponents took possession of the ball and worked fast in order to make a touchdown and a two-point conversion that would even the score. The 'Cats' usually insurmountable defense was unsuccessful at stopping this particular drive, and the score at the half read unbelievably a disappointing 8-8 close-game match.

Thursday night also being the date set for the Jr. 'Cats' annual Sweetheart Banquet, the new 1989-90 football sweetheart and beau were presented. The honorees must come from the eighth grade class, but are otherwise unlimited. This year's lucky twosome was Christy Hughes and Aaron Jones. Congratulations to this attractive couple!

The half-time activities now brought to a close, the Jr. Cats prepared to take the field one final time this year. While Cross Plains broke ahead in the third quarter with a touchdown moving them ahead into a 16-8 lead, the 'Cats' fought an impressive battle the third quarter and came just short of making a score on several occasions. The 'Cats' were also forced to accept another disheartening setback. Jarod Horton was put out for the remainder of the game

when about halfway through the third quarter, he was dealt a slight injury to his already unreliable leg.

The 'Cats, discouraged by all factors, let up in the fourth quarter enough to permit the Cross Plains team to score one more TD. The score was left at 24-8, and the game ended with many sighs as the dethroned Jr. power-charged pack had to face what was not only a game of missed opportunities and their first home loss, but also what was, for many of the team's recognizable leaders, their last Jr. High game. Eighth graders, as senior members of the team, will soon turn over the role of leadership to their fellow upcoming class of respected successors.

All of these chaps have done an outstanding job this year in representing our school and the town and warmly deserve to receive a heartfelt commendation for their efforts and a hearty pat on the back for all that they've achieved throughout the season. Coaches Nathan Allen and Doyle Browning also deserve a considerable round of applause for all the time and energy they've spent in molding these young athletes into an elite ball club.

The fans, players, coaches, parents, cheerleaders, pep squad, sponsor and teachers have all put in to making this football season one of the most memorable ever. Let's all keep it up and give as usefully of our support to future school activities and endeavors as we have to the former. Again, thanks to everyone for helping to make this another great year at RSJH!

School Scoop by Wendy Green

What ex-Wildcat couldn't find his way home Saturday night? Who's home did he find? (hint, it was in Cross Plains!)

Well, looks like B.C. did curl K.C.'s hair again! Is that girl ever gonna learn?

Cross Plains should have written on their walls - Rising Star left a major imprint Friday night when they whooped them all over the football field!

Wildcats Skin Buffaloes

by Roanen Barron

The Rising Star Wildcats ended their 1989 football season last Friday night at Cross Plains with another win, defeating the Buffaloes 31-8. The Wildcat record stands at 8-1-1 for the season.

The Wildcats left the fans sitting on their seats by letting the Buffs score first in the second quarter. Jody Brown ran the ball 75 yards for the TD. As he neared the goal line though, he made a fatal mistake and turned around and rest of the way giving the Wildcats

The 'Cats evened the score in the second quarter and left the game at a tie during half-time. The scoreboard read eight points for Rising Star and eight points for Cross Plains.

But the second half the Wildcats dominated the game. The offense racked up 10 points in the third quarter and 13 in the fourth. The 'Cats, led by Senior Tailback Derrick White, gained over 400 yards during the game. White had another 300-yard night, putting him past the goal for 2,000 yards rushing this season. White's total is 2,019 yards.

The Wildcats defense didn't do too good the first quarter until the Buff touchdown. The rest of the game they swarmed the field. Everywhere the Buffs wanted to go the Wildcats were there waiting. All week the Wildcats practiced at keeping Brown to under 100 yards, but the Buffalo running back eluded the defense enough to gain 164 yards. But he was not able to score again after that first touchdown.

Neither the Wildcats nor the Buffaloes will be in the playoffs, but Rising Star will have bragging rights for another year over their long time rivals.

That's pretty good when the Rising Star football team has a celebration for beating (literally beating C.P. to death!) and Cross Plains people come over. I guess they wanted to celebrate too!

What May "heart-throb" went out with RS Junior Saturday night - were they actually watching the movie?

Queens of the Court
by Shannon Stuteville

It has been a busy week for the Lady Cats with two scrimmages as basketball season opened. Last Tuesday the Ladies travelled to Mullin for their scrimmage with Mullin and Richlan Springs. At the end of eight quarters, the Lady Cats have outscored their opponent and tied one quarter. All the Lady Cats got lots of play in time and used to advantage what they had learned in practice.

Then on Saturday, the Gordon girls came to town and gave the Lady Cats a good workout. The JV Lady Cat played two quarters with the score 13-20 in Gordon's favor. They did a good job the shots just didn't fall in when they needed them. Scoring in this game was Gherda Williams 5 and Pamela Hollis, Chery Robinette, Jo Linney and Kimberly Schwab each contributing 2 points.

The Varsity Lady Cat played hard, but came up with a disappointing loss 42-44. Leading the Lady Cats' scoring drive was Wendy Green with 17 points Jomy Clark 16, Shannon Stuteville 6 and Pamela Hollis 3. The defense and offense looked good for the second confrontation of the year, but there are lots of improvements that can and will be made.

Coach S. is excited about the upcoming season and the potential talent of the Lady Cats. Keep up the good work Ladies! Good luck this week!

Beyond the Books
by Camille Harris

The cheerleaders heated up the pre-game ceremonies Thursday night at what was probably the largest bonfire in the history of RSJH. Even though the band did not participate this year, Chad Hill's stereo and amplifier kept the Wildcats in tune.

The Seniors all took part in the burning of the Buffalo. Sparks flew when all the girls "pinned" their guys. Miss Anna Ezzell provided marshmallows to those who were brave enough to roast them.

We would like to thank everyone who participated in making this year's bonfire a smoking success.

Elementary Beat
by Gherda Williams

The kindergarten and first grade classes invited Eileen West to educate them about the Native American way of life. Mrs. West lived and worked with a tribe of Dakota Indians in South Dakota.

She taught the children many basic Indian words, like the Indian words for grandmother, hello, buffalo and the white man.

Mrs. West also showed them many genuine Indian artifacts from the reservation she lived on. Some of these artifacts were: bells the Indians wear when doing ceremonial dances, necklaces that the Indians believe keep the good spirits in their bodies, a fan made of bone and bird feathers and many pictures of Indians in sacred Native American ceremonies.

She also explained that the buffalo is sacred to the Indians, because every part of a buffalo is used after it is killed.

Kindergarten Jesse Harris told Mrs. West how an Indian man can become chief of his tribe.

Jesse said calmly, "They can be chief by the amount of good things they do for the tribe."

Timothy Butler, also a kindergartner, could hardly wait to tell what he learned about Indian life. He said, "I learned that Indian kids now-a-days are just like us!"

Mandee Westerman, first grader, said, "I learned about all the stuff they use buffaloes for."

Finally, Mrs. Susan DeLong, kindergartner teacher, concluded, "I believe actually talking to someone who knows so much about Indian Life, like Eileen West, helps not only the children understand about Native American, but also us adults!"

Thank You

By Tami Vandivere

The RSJH cheerleaders would like to say "thank you" to the following people: Miss Anna Ezzell, our sponsor, for putting up with us and always having goodies for our lockers.

Mrs. Cindy Wood, who set up the microphone and helped get the wood for the bonfire (she ran one mile in a peanut field just for us).

Mrs. Arla Hill and Jomy Clark, who helped us by selling the beat ribbons at elementary.

Johnny Cook for allowing us to use the lot and wood for the bonfire.

City of Rising Star, for grading around the bonfire and setting up blockades to have the downtown pep rally.

Pioneer Farmers Co-op, for donating the footballs that were thrown at each football game.

Booster Club, for making the signs for the football team, coaches and cheerleaders.

Debra Stuteville, for painting the run-through sign at all the games.

Chad Hill for providing entertainment (music) at the bonfire.

Wildcat football team and coaches who supported us!

A "special" thank you to the parents and fans who made this football season a big success!

Jr. Lady Cats Bounce To Bold Beat

by Becky Walker

The Jr. High girls' basketball team is "breaking out" to the sounds of victory this season as they've thus far

blasted two exceptional teams with scores of 46-9 and 28-17. Both times have been mere scrimmages - the first against Huckaby - but if they give any indication of what will take place in a real game, the Lady 'Cats' rivals had better watch out!

Eighth grade members are Inga Williams, Emily Stuteville, Christy Hughes, Heather Wright, Rebecca Coleman, Lisa Robinette and Christi Bush.

The seventh grade team consists of Misti Bailey,

Olivia West, Brandi Harris, Andy Fox, Heather Hutchison and Gwen Hollis.

Both teams played again Saturday while Monday night, the eighth grade team took on the job of stomping Huckaby. The seventh grade team was scheduled to play Brookesmith Tuesday, the 14, and planned to be equally tough on them.

All the girls have exhibited impressive skills and winning attitudes. Coach Judy Hennant brags on her spirited bunch, "I'm tickled pink with them. They're attempting to play together as a team and I think that's wonderful!"

Downtown Pep Rally

By Tami Vandivere

The Rising Star fans and students went to a pep rally hosted by the cheerleaders to prepare for the "Big Game" against Cross Plains on Nov. 10. The streets were full and the crowd screamed with spirit.

The Booster Club, along with Stacy Green, raised the spirits with a skit called

Rachael Coleman who always was ready to help when we needed it, thank you!

For all of those who helped us throughout the year, another "Thank You."

"Buff Busters." At the pep rally the football guys "pinned" their girls as a good luck charm for the game. The intensity of feelings about the game showed as the crowd grew louder and louder. Footballs were thrown and spirit sticks were given away. It was a hard choice but those who did receive them must have done an outstanding job! As the pep rally came to an end the spirit still was high as the fans awaited the arrival

of the "Game" to see who was better, us or them. As you clearly saw on Friday night WE ARE THE BEST!

Healthy calves are like money in the bank.

Now, that's not news to you. But a proven way to assure you'll have healthier calves... That's darn good news! Results of 1,734 nationwide feeding tests of Purina Mills Pre-Conditioning/Receiving Chow® prove it does the job. It improved health and performance of calves during the stressful periods of weaning and feedlot startup.

Total Animals Tested	72,811
Average In Weight (lbs)	475
Average Out Weight (lbs)	539
Average Days Fed	22
Average Daily Gain (lbs)	2.94
Average Gain per Head (lbs)	64
Average Feed Conversion	5.41

No other company offers results like these, because no one else offers our unique blend of nutrients and AS-700.

If healthy calves make sense to you, stop in, and we'll show you why Purina Pre-Conditioning/Receiving Chow is the feed you can bank on.

The Taxpayers of Eastland County

November 18, 1989

PAY TO THE
ORDER OF

?????

\$ 700,000.00

Seven hundred thousand & no/xx----- DOLLARS

Eastland County Taxpayers

**Do you think the
County Commissioners
should get a blank check for
\$700,000 from the taxpayers?**

**If you don't, vote No
on Saturday, November 18.**

On November 8, the Texas Department of Corrections announced that Eastland County will not be considered as a site for a maximum security prison.

But we are still holding an election on Saturday, November 18 to decide if we should give the Commissioners the authority to spend \$700,000 in bonds for a prison site.

That's \$700,000 of the taxpayers' money.

If the bonds pass:

- we won't have the chance to decide how the money is spent
- we won't know what kind of prison will be coming here
- we won't know who will benefit

The only thing we'll know is that the County Commissioners will have a \$700,000 blank check from the taxpayers.

**Vote NO to a blank check!
Vote NO on the bonds!**

Rising Star Youngsters Learn About Indians

The kindergarten and first grade students enjoyed an authentic Indian wacipi (celebration) Monday morning. Mrs. Eileen West, who

lived and worked on the Crow, Creek and Sioux Indian Reservation in South Dakota for 12 years before moving to Texas, came to

Rising Star Elementary School to give the Indian presentation. The students and teachers learned several Indian

words and Indian ways. Many pictures and items were explained and passed around the pow-wow circle which had a star in the center representing a fire. Mrs. West even taught everyone the Rabbit Dance. After everyone had danced to authentic Indian music (until their feet and legs were tired), they sat in the pow-wow circle and passed the peace pipe once more, as any respectable Indian would do to end the wacipi.

Sybrinna Killion Will Perform

Sybrinna Killion, daughter of Mr. and Mrs. H.L. Killion of Rising Star and a senior at Angelo State University, will be performing in the San Angelo Civic Ballet's Nutcracker. The ballet is directed by John and Arletta Logan of the Austin Ballet and will be performed Dec. 15, 16, and 17 at the city auditorium in San Angelo. Sybrinna will be dancing as a parent in the party scene, in the Waltz of the Flowers, in the Chorus of Snowflakes and as a Spanish dancer.

Sybrinna is also co-captain of the ASU Angelettes which perform at the Ram football games and a member of the 1990 Dance Team, which competes nationally. She teaches tap, jazz and ballet part-time at Sunshine Place Daycare Center.

Academically, Sybrinna maintains a 3.74 GPA and is secretary of the ASU Accounting Society. She plans to graduate as an accounting major in August, 1990.
