Reports that a group of "salesmen" have been going about the country of late selling what they represent to be a roofing treatment that protects against hail, winds and all the ills that beset roofs, have been received. The treatment is expensive, and, needless to state, about as effective as so much water. The salesmen operate in area where there has been roof damage in the hall and they approach the homeowner, mostly, who obviously cannot make a close inspection of the work done.

A safe rule to remember when approached by crews of strangers with such a proposition is that, if such a treatment against hail damage exists, local lumber and roofing dealers would certainly sell it. They couldn't afford not to. So the best course to follow is to check with local dealers or insurance men before contracting to pay out a large sum of money for any treatment that may be offered. So far no such treatment for preventing damage to wood shingles or composition roofing from hail has been devised.

There are honest salesmen who sell standardized products, of course, but they represent established firms and their credentials and references may be quickly checked at known and respected sources. If a salesman hesitates to provide a prospect with such references he is suspicious.

There's another mighty good rule to remember—your home town dealer isn't a crook. If he were, he wouldn't remain in business very long. And if the job goes sour, he's here to answer for it. To stay in business he must stand behind his product or service. The man you never saw before, doesn't always have that check.

It may come as a surprise to some who look upon big city shopping as more economical than trading with small town merchants, that Higginbotham's furniture department here has customers in Fort Worth and other cities and towns. The reason isn't sentiment, either. It's because they can buy good furniture cheaper in Rising Star than they can buy it in their home stores. Paul Maxwell, manager of the department, recently made deliveries of several hundred dollars worth of furniture to Fort Worth customers.

Desecration of the Rising Star cemetery by litterbugs continues. Despite civilization and pleas for respect for the dead, there are still some people with a macabre sense of humor who wantonly decorate its graves with beer cans and other refuse of a misspent life.

Need of a reactivation of the Rising Star Cemetery Ass'n to provide funds for keeping the grass and weeds under control was emphasized this summer as good rains made the vegetation grow much more rapidly than the means of controlling it.

Fifth Sunday Singing At Long Branch

There will be a regular Fifth Sunday community singing at Long Branch church Sunday, beginning at 2 p.m., it was announced by Henry Carter who said that everybody is invited.

YOUR NEIGHBOR MAY ADVISE YOU HOW TO PACK A TRUNK

Direct RS-CP Dialing Begins September 1st

A new system of numbers— which, in reality, make only a minor change in dialing necessity—and an extended area of direct, toll-free dialing, will go into effect at 12:01 a.m., September 1, in the Rising Star and Cross Plains areas of the Kizer Telephone system.

Announcement of the changes is being made in letters to all subscribers of the Kizer Telephone Company this week. Instructions as to the method of dialing are included with the new number for each telephone typed on a gummed square to be pasted in the number of the phone set.

Effective on that date all Rising Star and Cross Plains stations may dial each other directly without the necessity of calling the long distance operator and placing a toll call. To compensate for the increased service, a small increase in monthly telephone rates will also go into effect.

Rates on all rural and residence phones will increase 50 cents per month. Present rates for straight-line residence phones are now \$4.75 and will increase to \$5.25 per month. Four-party residence and rural phones will increase from \$3.50 to \$4.00 per month. Business rates will increase \$1.25 per month, from \$3.00 to \$9.25 per month. These rates will go into effect with the September billings.

The only changes in numbers will be the addition of a two-letter prefix and a change in the exchange digit from 5 to 3. Rising Star phones will carry the prefix MI and the exchange digit will be "3" instead of "5". There will be no change in the last four numbers. Thus, if a subscriber's number is now 5-0000 the number will be MI 3-0000.

Cross Plains numbers will have the prefix RA. The Cross Plains exchange digit will remain "5".

In dialing between Rising Star and Cross Plains it will be necessary to dial the full directory number, including the letters RA, it was explained.

Complete new telephone directory, including both Cross Plains and Rising Star numbers will be issued each subscriber on August 31.

The May telephone exchange, which will soon be under construction, cannot be tied into the direct dialing area for several months. When the construction program is completed May numbers may be dialed from Rising Star directly and vice versa.

"We have endeavored to make a clear explanation of the new dialing system in our letter to our subscribers and in the forthcoming directory," said Ralph Kizer, secretary-treasurer of the company. "However, if there is any misunderstanding or if a customer wishes more information our office will be happy to be of assistance. Just dial our number MI 3-2111."

LOCAL ITEMS

Guests in the home of Mrs. Walter Looney were her sons, Gordon Looney, wife Olga, and daughter, Jeannie, of Beaumont, Tex.; Norman Looney, and wife, Pearl, of Abilene; Donald Looney, son, Danny, and daughter, Millie, of Fort Worth; her daughter, Mrs. W. O. Darsett, husband, Oran, and son, Nick, of Carthage, Tex.; her niece, Mrs. Vella Garrett, husband, John, and children Jeannie, James, Johnnie, and Carroll of Muleshoe; Mrs. Garrett's sister, Martha Ensminger of Roby; a sister, Mrs. C. A. Russell of Hico; Nute Cotton of Hamlin; and Rob Cotton of Breckenridge.

Mr. and Mrs. Harold Hughes and Mr. and Mrs. Babe Hughes of Acorth, Ga., visited in the home of Mr. and Mrs. Everette Harris and Mr. and Mrs. B. A. Pettel and Mrs. S. W. Fourn, tainlast week.

A Memory for Homecomers

Some of those who gather in Rising Star next Saturday to recall old days and meet former classmates in Rising Star schools will remember this building — Rising Star public school building of 1902.

Hi School Classes Register Friday

Preliminaries in the opening of the Rising Star public schools' 1959-60 term will get under way this week with a faculty meeting at the High School at 10 a.m. Friday, August 28, followed by the registration of

students for the High School Friday afternoon.

Under the schedule announced by Supt. Sam Jones, Seniors and Juniors will register from 1 p.m. to 2:30 p.m. and sophomores and Freshmen from 2:30 to 4 p.m.

A regular schedule of classes, with lunchroom operating and buses running on their regular routes and times, will begin Monday, August 31.

The schools, opening some what earlier this year than in years past, will be in session a week ahead of Labor Day, which falls on Monday, September 7. This day, as customary, will be observed as a holiday, Mr. Jones said.

The Elementary school, with Edward Watkins serving his first year as principal succeeding J. M. Crump who went to Mineral Wells this year, will also have a full program. Beginners, Mr. Watkins reminded, must, under state law, present birth certificates as a condition of enrollment.

Mrs. Ben Landreth Buried August 21 In Amity Cemetery

Funeral services for Mrs. Mollie Landreth, who died in Doctors General Hospital, Fort Worth, at 5:30 p.m., Wednesday, August 19, were held at the First Baptist Church in Rising Star at 2:30 p.m. Friday, August 21. The Rev. D. R. Philey, pastor of the Phillips Memorial Church in Big Spring and a former pastor of the Rising Star church, officiated in the absence of the pastor, the Rev. Ed Jackson.

Burial was in Amity cemetery under the direction of Higginbotham Funeral Home.

Mrs. Landreth, a native of Georgia, was a resident of Rising Star for many years. She attended school at Sipe Springs and at Howard Payne College, Brownwood. She was married to Ben Landreth and they made their home in the Amity community and in Rising Star. Mr. Landreth died in 1933 at Brownwood.

Mrs. Landreth was an active member of the First Baptist Church, the Worth While Sunday School class, Order of the Eastern Star and the Woodman Circle.

Survivors include one son, Ray Landreth of Van Horn, Texas; a daughter, Miss Bess Wright of Austin; a granddaughter, Mrs. Margaret Jane Wilson of Van Horn, and two great-grandchildren, Jimmy and Jane Wilson, of Van Horn; and two brothers, Walter Smith of Rising Star and Homer Smith of Amity.

Palbearers were Jack Agnew, Claude Cox, Ray Agnew, Aubrey Goss, Cecil Joyce and Curt Smith.

Mrs. W. E. Ellis Injured in Fall

Mrs. W. E. Ellis was in King's Daughter Hospital, Temple, this week, under treatment for a serious hip injury suffered when she slipped on a pear peeling at her home last Friday night and fell. She was taken to Temple in a Higginbotham ambulance where examinations a less serious condition than were reported to have disclosed the attending doctors had first feared. A serious dislocation or impaction was involved, but whether or not there had been a fracture was not learned, Jay Koonce, who took her to Temple, said.

The struggle over passage of a tax bill, he pointed out, was caused by the great variety of interests which were affected and the almost total impossibility of harmonizing them in a general tax measure. That it was finally accomplished, he said, was little short of a miracle. A bill covering such a great variety of interests was sure to run into combinations of opposition that would defeat it, he pointed out, because any tax bill hurts more than it pleases.

Rutherford's Build New Home on Farm

Mr. and Mrs. Charles Rutherford have begun construction of a new two-bedroom residence on their farm three and a half miles northeast of Rising Star. The Rutherfords recently sold their home in Rising Star to Mr. and Mrs. Alton Roan of the Roans Variety, who came here from Breckenridge.

Rutherford and Steel Co. are building a residence for Mr. and Mrs. M. I. Holamon at the corner of Miller and Austin streets. Mr. and Mrs. Floyd Joyce are enlarging and remodeling the former Cox residence at the corner of Austin and Anderson which they have purchased.

PUBLIC LIBRARY TO CLOSE FOR SEASON

The public library will be closed for the season on August 29. All books must be returned on that date.

PREACHES FOR PASTOR

Dr. Joe B. Rushing, vice president of Howard Payne College, filled the pulpit at the First Baptist Church on Sunday, August 23, in the absence of Rev. Ed Jackson, who is on vacation, visiting relatives in Arkansas and Missouri.

Miss Hettie McClanahan of Grabo is visiting here with Mrs. Ethel Guynes

Fair Parade Coronation At 8 p. m. Sept. 4

The wheels, a little late in getting started, were beginning to turn with increasing momentum this week as Rising Star, braced by cool, "fallish" weather and the prospect of a wonderful peanut crop, began getting ready for the opening of the 1959 Fall Fair next week end.

The program will open with a parade at 6 p.m. Thursday, September 3. Already there were prospects of one of the biggest and best parades in recent years with riding clubs from Breckenridge, Eastland, Baird, May and other towns accepting invitations extended by Parade Marshal Jack Jackson.

Jackson this week was calling upon local merchants, civic organizations, clubs and all others to place entries in the march which will be led by the Wildcat Band and will include a float upon which Fair Queen Mary Lois White and her court will ride.

The entry may be a float or

something odd, humorous or interesting, Jackson said. The only requirement is that it will roll, walk or move in some way to keep up with the procession.

Following the parade, visiting riders will be entertained at a barbecue at the American Legion Hall, hosted by the Rising Star Roping Club. The program will end with a rodeo at the grounds east of town.

Other features of the three-day festival will be the crowning of the Fair Queen in a ceremony at the Rising Star football field at 8 o'clock Friday night, and a football game Saturday night between the Rising Star Wildcats and the Melvin High School team. The game will end both the fair program and a Rising Star High School homecoming which will be combined with the Fair Saturday.

The Homecoming program will include a memorial for deceased ex-students, a business meeting and a pep rally, beginning at 3:30 at the High School gym. Charles Rutherford, president of the Exes, is directing the program.

The coronation, directed by Mrs. Betsy Burns, will occur on a stage to be erected on the football field facing the home stands. Miss White will be attended by a court made up

Mrs. James Bean Buried at Paris

The sad news of the death of Mrs. James Bean, the former Miss Billie Jean Maynard, daughter of Mr. and Mrs. Floyd Maynard of this city, was received here early Monday. Mrs. Bean died at Paris, Texas, her home, at 3 a.m., August 24.

Funeral services were held at Paris at 2:30 p.m., Tuesday, August 25.

She is survived by her husband and three children.

Attending from Rising Star were her parents and Mr. and Mrs. Bill Maynard, Mr. and Mrs. Deward Maynard and family, Mr. and Mrs. J. R. McKinney and family and Mrs. Jack Hubbard.

Cleburne Minister To Speak Sunday

Guest speaker Sunday morning at the First Methodist Church will be the Rev. Thomas B. Granger of Cleburne, executive secretary of the board of education. Bill Crawford and the young people will have charge of the evening service. Rev. Robert Cook, pastor, is holding a revival in Newcastle.

Paul Brashear Speaks to Lions Club Monday

Despite the criticism which was leveled against it from many sections, the Texas Legislature did a difficult job when it finally compromised a great and stubborn conflict of interests in big tax and appropriation bills at its last and extended session, State Rep. Paul Brashear told the Rising Star Lions Club at its Monday night dinner.

Mr. Brashear, presented by A. D. Jenkins of the program committee, brought exhibits of the two big bills and one of three large loose-leaf binders in which were filed and indexed synopses of all the bills poured into the hopper at Austin. One thousand such measures were offered, he said.

The struggle over passage of a tax bill, he pointed out, was caused by the great variety of interests which were affected and the almost total impossibility of harmonizing them in a general tax measure. That it was finally accomplished, he said, was little short of a miracle. A bill covering such a great variety of interests was sure to run into combinations of opposition that would defeat it, he pointed out, because any tax bill hurts more than it pleases.

Lettermen Bolster Grid Race In Rising Star Loop

With the opening of the 1959 football season in Class B only a week away, the Baird Bears are almost unanimously selected to take the championship of District 7B for the third time. Baird, with a veteran team of 11 lettermen—six of them two year men—returning, was chosen by four coaches as the team to repeat.

There is a conflict of opinion over second place rating, with Rising Star and Gorman apparently closely matched in the estimates. Gorman with a record of 9 losses and one tie last year, has 15 lettermen returning and Rising Star, with a somewhat better record of three wins, six losses and one tie, will have 14 lettermen.

Either of these teams could come through with a fine and possibly championship season given luck and the benefits of fine talent potential. However, the other teams in the district—May and Jim Ned—each also has a flock of lettermen returning and either could come through in a manner to contend for the title.

All of the

The Wildcats will meet Melvin at the local field Saturday at 8 p.m. in the feature attraction of the annual Rising Star High School Homecoming and the concluding event of the Fall Fair with which the homecoming has been combined.

Although the Wildcats have fine material returning and some new players who are expected to add considerable luster to their prospects, the Rising Star squad is in point of experience and years, the youngest of the three top-ranked teams. The bulk of its players, including lettermen, are sophomores and freshmen, and Coach Ray Nunnally and Weldon Hill, while more optimistic over the outlook than in several seasons, are working with the 1960 and 1961 seasons in mind.

If the material they are putting through two practice sessions daily comes through with a good season this fall—as they have every right to expect—the Cats should pose a real threat to rival teams during the next three seasons and return to Wildcat stadium some of the glories of ten years ago. It all depends upon how well they start in their

season.

M. G. Joyce Honored On 81st Birthday

M. G. Joyce was honored on his 81st birthday on Sunday, August 23. Mrs. Joyce and their daughter, Alyne Siekman, planned and served a delicious meal, which was enjoyed by the children, grandchildren, and great grandchildren. They all attended church at First Baptist Church. Mr. Joyce played nine holes of golf in the afternoon at the local country club.

VACATION TRIP RETURN FROM

Mrs. Helen Donham and children Don, Sharon, and Mike, have returned from a three week visit to West Virginia, Washington, D. C., Annapolis, Maryland, and New York City. Mrs. Guyle Greynolds accompanied them to West Virginia where she was able to spend two weeks with her mother, Mrs. Elsie Chandler, before her death, August 3.

Color Trends for Fall—

Vivid colors effects give way to subtleties this fall. "Muted" is the word often used in writing and talking of colors. Quiet, gentle, grayed, subtle, rich, deep and beautiful are other adjectives used to picture colors we'll be seeing in fabrics and ready to wear. Yellow and brown are doing much influencing. A golden amber added to beige, for example, gives a warm vicuna. A faint touch of it in blue gives us the flattering teal. In greens, it makes soft moss and lichen green, in reds it creates paprika. Muted gold, represented by mustard gold, camel, vicuna, and the nut tones are strong with yellow brown influence. Sungold, or sparkling gold, will be important for accents and for evening wear. Gray makes the new colors smoky—taupe brown, heather green, mist gray. The grays are important in their own right and are seen in everything from medium or men's wear gray to oxford and on to almost black charcoal. Reds are influenced by yellow or blue; in the first category, we have paprika and brick; in the second, burgundy, plum, cranberry, mountain berry and candy apple. Some bright reds will be seen, such as red hot, scarlet, and fire engine. Greens are more muted than they were last year. There are new subtle versions of olive and forest green and loden; such greens are used in plaids and prints. Deep blue greens are destined for dress wear. Parrot

Internal Revenue Facts on Sick Pay

A Federal tax ruling of probable benefit to many mothers of Texas was explained today by Arthur E. Fogle, Jr., Administrative Officer of the Abilene office, in amplifying Revenue Ruling 55,263, C. B. 1955, 1, 16.

He explained: "The ruling holds that sickness for the purpose of the \$100 per week 'sick pay' exclusion exists from the commencement of labor to termination of the period during which a woman is physically incapacitated as a result of childbirth or miscarriage. "This means that wages or payments in lieu of wages, up to a maximum of \$100 per week, received for such period of incapacity can be excluded from income on the Federal income tax return."

Mr. Fogle said the ruling also provides that a written statement by a physician that the taxpayer was advised to remain at home for a specified time or times because of a substantial danger of miscarriage, will also generally be considered sufficient to establish "sickness" for purposes of the sick pay exclusion. Under these rulings, he said, wages or payments in lieu of wages for periods of absence due to other actual sickness occurring during a period of pregnancy may qualify for the exclusion, but not pregnancy alone. However, no exclusion is allowed for wages of absence from work in any case case unless the taxpayer is hospitalized at least one day during the absence, he added. In general, claims for refund of tax may be filed for 1956, 1957, or 1958. Claims should be filed on Form 843 by those who can qualify for the exclusion, Mr. Fogle said.

HOME MAKERS VIEWS AND NEWS

By Sandra Shelton, Eastland County Home Demonstration Agent

Clothes do not make the girl, but they do have a decided effect on the impression a girl makes. It's not a matter of money... An attractive wardrobe is within reach of every girl who is willing to spend some time and thought in careful planning. Many girls are busy making plans for back to school wardrobes. Sometimes it becomes a matter of trying to keep up with the Jones girls, unless the girl has some guide for taking stock of her own needs, and takes pride in developing her own plans. Get a copy of "Wardrobe Planning", a leaflet written by the extension clothing specialists, at your County Home Demonstration agent's office. It has clever sketches and easy to follow directions for planning a complete wardrobe.

and emerald greens will make sharp accents for trims and accessories. Blue with a green cast, teal, is very much in the picture. Sapphire, clear, sharp electric blue and inky blues will have a select spot in junior appeal. Purplish versions are high fashion, especially for dress wear. It's going to be a great time for black, particularly combined with the burnished browns and golds. These will be for formal wear especially. Willene Sockwell, AECHEA

West Texas Utilities Company

AS IT LOOKS FROM HERE

By Omar Burleson, Cong. 17th Texas District

WASHINGTON, D. C.—ONCE on the well known limb, sometimes difficult to get

SOMETIME AGO in this column, it was predicted that the federal gasoline tax would not be increased to bolster up the lagging Highway problem. Similar predictions bordering on assurances were given in response to a great many letters protesting the President's recommendation that the tax be increased by 1½c.

THE WAYS and Means Committee, the taxing committee of the House of Representatives, first rejected the request of the President, and instead voted to issue one billion dollars in bonds, and stretch out the Highway Construction Program to meet the financial crisis.

THE COMMITTEE has now reversed its original action, and has voted to increase the tax by 1c per gallon. The choice now is either to support the 1c increase or to let the Highway Building Program come to a virtual stop in many states.

THE FEDERAL government contributes 90 per cent of the cost of federal highways. Basically, the shortage of funds is due to administrative changes which have made the program more costly than originally approved by the Congress.

ORIGINALLY, THE system called for 40,000 miles of highways at a total cost of 25 billion dollars through 1972. The Bureau of Public Roads added some 2000 more miles, which increased the total cost of about

1½ billion dollars. As originally conceived, the highway system was to provide connecting links between the main towns and cities of the country. This was changed by the Bureau of Public Roads so that, at present, 42 per cent of the funds are spent to provide expressways within cities. The fact that during the recession last year the program was accelerated to provide employment is also a factor in increasing cost at the present time.

AS IT now stands, if the Highway Building Program is to continue on schedule, seemingly the only choice is to increase the tax on gasoline.

EVEN WITH an accelerated highway program, construction is not keeping pace with the increase in traffic. Room on the highways and parking space have already become a national headache. Perhaps the answer for the future lies in the development of the Air-car. A model air-car has been produced by the Curtiss-Wright Corporation in New Jersey, and they expect to be in production before the year's end.

THIS VEHICLE travels on a cushion of low pressure, low velocity air, at a height of six to twelve inches over land, water, swamps, or mud. With no wheels it requires no paved surfaces—no bridges. Reportedly, it can travel at speeds up to sixty miles per hour over any terrain which has been cleared of large obstructions with a scraper.

TO DEMONSTRATE this rev-

olutionary vehicle, the company is presently setting up a twenty-five mile test road near Reno, Nevada, where the Air-car will be shown in operation over mountainous and desert terrain. The producers say the Air-car "pick-up" can carry up to 2500 pounds of freight over an unobstructed road, or across water and swamps. The company says it can produce a truck for payloads up to 7500 pounds. After the development of the lighter vehicles, they propose to build an air-bus for smooth and comfortable transportation of passengers. Roads for this vehicle can be built for as low as \$500 per mile.

WE CAN'T depend on it yet—but maybe.

GUESTS OF JESSE PERRY

Jesse O. Perry, who is home from the hospital in Temple, has had as his guests for the past two weeks his nieces, Mrs. Ruby Krochel of Houston; Mrs. Carmen Boulyon and Mr. and Mrs. D. D. James of LaMarque, Texas; his sister-in-law, Mrs. Martha Baldwin of LaMarque; a sister of Mr. Perry, Mrs. A. T. Youngs of Richmond, Texas; a daughter of Mrs. Youngs, Mrs. B. B. Stielenroth, and son of Bellaire, Texas; and a son of Mr. and Mrs. Jess Perry, Walter, of Atlanta, Ga. Walter is still with his parents for an extended visit while the others have returned to their homes.

Bobby Thomas, son of Mr. and Mrs. John W. Thomas, Jr., of Midland, is visiting his grandmother, Mrs. W. E. Tyler, for a couple of weeks.

Mrs. Durwood Young and children, James and Daile Young, of Irving, are visiting Mrs. J. W. Murphy.

Yarborough Bill Extends Korean Vets School Aid

President Eisenhower has signed into law a bill by U. S. Senator Ralph Yarborough which permits some 7,000 Korean War veterans to secure additional education or training under the G. I. Bill of Rights.

Senator Yarborough's measure corrects a technical error in the Korean G. I. Bill to allow qualified veterans a change of program to secure a higher degree in their chosen field. For example, qualified veterans enrolling in college to become teachers in many cases set a bachelor's degree as their educational objective. Other veterans planning the same course of study set their objective as a master's degree.

Under the original law, even though the veteran might be qualified for additional educational benefits, if he had mistakenly set a bachelor's degree as his objective under certain circumstances, he was not permitted to go on to college to work on his master's degree. Senator Yarborough's bill, S. 906, gives veterans the opportunity to have a change of program in their original field of training or education to work for higher degrees.

Mr. and Mrs. "Bud" Siekman and Kathy were here during the week end to visit and take Karen Siekman home. She had spent two weeks with Mr. and Mrs. Clark Crownover and other relatives.

THESE "JIFFY BREADS" ARE GOOD!

It's summertime, and the living is as easy as your meal-planning ingenuity permits. Hot-weather menus including such favorites as cold fried chicken or a hearty salad will seem twice as good with the addition of quick-fix "jiffy breads." Start with enriched, yeast-raised bread or rolls, add a zesty spread and pop them under the broiler or into the oven.

Onion Rolls: Melt margarine or butter. Add minced green onions and saute until soft. Cut enriched, yeast-raised frankfurter rolls in half. Spoon the onion butter over them and broil until golden.

Easy-Cheesy Loaf: Cut a loaf of unsliced yeast-raised whole wheat bread in half, lengthwise. Cut each half loaf, crosswise almost through to the bottom crust, into 12 slices. Melt 3 tablespoons margarine or butter and brush it over the top of the cut halves. Combine 1¼ cups grated cheddar cheese, ¼ cup chopped stuffed olives, 3 tablespoons chopped chives or onion, ½ cup margarine or soft butter and 1 tablespoon prepared mustard. Spread cheese mixture between each slice of bread. Place on a cookie sheet and bake until piping hot and crusty.

Tasty Slices: Cut loaf of French bread into diagonal slices, but not all the way through to bottom. Add ¼ teaspoon seasoned salt and a pinch of garlic salt to 2 tablespoons margarine or softened butter and 2 tablespoons cream cheese. Stir in 1 tablespoon chopped parsley. Spread between slices and bake in oven until heated through.

Tax-Man Sam Sez:

School days are almost here again. Many thousand young Texans will not only learn readin', writin' and arithmetic but will also learn how to complete an income tax form. Lots of folks are hoping that Internal Revenue Service doesn't find out that they still haven't learned. A letter from Internal

Revenue to the school principal will be in the early September mail so the teachers can order the Internal Revenue Service income tax course. Internal Revenue works out all the answers for the teachers. The teachers like it better that way. Last year 75,000 students were enrolled and there will probably be more this year.

E. M. Roberts is a patient in Rising Star hospital.

VISITS FRIENDS
R. B. McClure of the U. S. Naval Air Station, Corpus Christi, was a visitor here last week seeing old friends among whom he formerly lived. McClure was transferred to the Corpus Christi station recently after several tours of duty on the West Coast.

U.S. OIL

Indispensable in our way of life...
vital to our national defense

In the 100 years since the drilling of the first oil well in the United States, the usefulness of petroleum has been often demonstrated in many ways . . . It is an economical and efficient source of energy and a raw resource convertible through petrochemistry into innumerable useful materials. . . . It is indispensable in our way of life, and vital to the national defense.

It is comforting to know that today's reserves are ample for today's needs. And if incentives to undergo the heavy risks involved are continued, there is no doubt that more oil will be discovered and produced to replace the oil we use . . .

The United States has found, produced, refined, and used more oil than any other nation. This has made petroleum products a feature of the abundant American life. Americans use more petroleum products than any other people on the globe.

The past is prologue to the future. During its second century, oil can serve you and your grandchildren, and the nation, as well or better than ever before.

The Humble Company, incorporated in 1917, has participated in the development of new and better ways to find and produce oil, and in the research that has improved petroleum products and discovered countless new uses for oil and natural gas. Humble is a major producer of U. S. oil, with production extending all across the southern tier of states from

Florida to California. Marketing operations are carried on in Texas, New Mexico and Arizona. Humble's Baytown refinery, near Houston, is one of the great refineries of the world. (Humble Pipe Line Company, a major transporter of crude oil and finished products, operates more than 9000 miles of pipe lines in Texas.)

Paula Coats Is Crowned Queen Of Farm Bureau

EASTLAND.—Paula Coats, 17 year old junior at Cisco High School, was crowned Eastland County Farm Bureau Queen in coronation ceremonies held Friday night, Aug. 21, at the annual Farm Bureau barbecue in Eastland City Park. Miss Coats is the daughter of Mr. and Mrs. Clyde Coats of Route 1, Cisco.

As the Eastland County Queen, Miss Coats will represent the county in the District 7 contest to be held later in the year. The winner of the district contest will compete in the state finals.

Kay Miller, daughter of Mr. and Mrs. M. H. Miller of Gorman, was the second place winner in the contest. Other entries were Linda Pippen and Venita Coats of Cisco and Janie Morton of Eastland.

A. Z. Myrick of Cisco, a member of the Farm Bureau Board, was the master of ceremonies for the evening. John Love, of the Cheaney community, president of the organization, crowned the queen.

Crown bearer was Denise Kincaid and the roses were carried by Delaine Kincaid. Both children are the daughter of Mr. and Mrs. Don Kincaid of Cisco.

Approximately 200 persons attended the barbecue which followed the coronation of the queen.

Circle Plans Program For Ensuing Year

A business of the Mary Ann Cook Circle of the Methodist Church was held Tuesday evening, August 18. The program for the coming year was planned. The first study course will be on Africa, and the study will be led by Mrs. Vada Arnold. Refreshments were served by Mrs. Jeanette Eberhart.

Guests in the home of Mr. and Mrs. Fred Tunnell in Cross Plains on Friday evening were Mr. and Mrs. Cecil Joyce and Mrs. H. B. Sone.

P-TA to Have First Meeting in September

The first meeting of the Rising Star P-TA will be held on the second Tuesday in September, it was announced. The new officers are Mrs. Edra Buler, president; Mrs. Mary Clark, vice president; Mrs. Irene Vermillion, secretary; Mrs. Jimmie Claborn, treasurer, and Mrs. Ollie Burns, reporter.

Every parent is urged to attend the meetings of the association. The P-TA has completed a number of worthwhile projects, such as building a refreshment stand at the football field, graveling and curbing the Elementary School building driveway, and providing new curtains for the gym.

Come and be an active part of the P-TA.—Mrs. Burns, Reporter.

Baptist WMU Elects Mrs. Turner As President

A business meeting of the W. M. U. of the First Baptist Church was held on Monday, August 24, with 11 members present. Mrs. B. B. Morris presided. Calendar of prayer was introduced by Mrs. Clark Crownover. Prayer was offered by Mrs. Fred Roberds.

Minutes of the previous meetings were read by Mrs. Lee Clark. The treasurer's report was read by the treasurer, Mrs. Clark Crownover. Week of prayer will be observed with all day meeting on Sept. 14.

The following officers were elected for the ensuing year: President, Mrs. Raymond Turner; recording secretary, Mrs. Chas. Watson; corresponding secretary and treasurer, Mrs. Jimmie Fridge; pianist, Mrs. F. J. Maynard; chorister, Mrs. Lee Clark;

Counselors: Girls Auxiliary, Mrs. J. R. Morrow, Mrs. Oral Davis, Mrs. Mary Holly, and Mrs. Frankie Smith; Sunbeams—Mrs. Rhea Maynard, Mrs. Rowena Chambers, Mrs. L. J. Linney and Mrs. Billy Linney.

Granddaughter of T. W. Steels to Wed at Austin

The engagement of Miss Jimmie Lee Steel and Harris L. Johnson, both of Austin, was revealed at a luncheon Saturday, August 15 at the home of Mrs. D. W. Jordan in Brady.

Parents of Miss Steel are Mr. and Mrs. Wylie R. Steel of Brady and grandparents are Mr. and Mrs. A. H. Turpin of May and Mr. and Mrs. T. W. Steel of Rising Star.

Mr. and Mrs. Gerald E. Johnson of League City are parents of the prospective bridegroom.

Miss Steel is a graduate of Brady High School and Nixon-Clay Commercial College. At present she is a secretary at the Austin Junior Chamber of Commerce.

Mr. Johnson attended Lon Morris Junior College at Jacksonville where he was a member of Sigma Delta Phi Fraternity. He also attended the University of Houston and is a graduate of the University of Texas. He is now Austin manager of the Lincoln Liberty Life Insurance Co.

The wedding date is set for November 21 in the First Methodist Church in Austin.

The bride to be is a granddaughter of Mr. and Mrs. T. W. Steel and a cousin of George Steel of Rising Star.

W.S.C.S. Has Monthly Meeting on Monday

The W.S.C.S. of the Methodist church had their monthly luncheon and business meeting Monday at the church.

The meeting was called to order by the president, Mrs. Floyd Joyce. Mrs. Tom Lewis and son, Jim, rendered a special in music. The group sang "What a Friend" and Mrs. Claude Johnson led in prayer. Mrs. O. D. Carver gave the devotional, stressing the need for taking time for meditation and prayer.

A short business meeting followed. The Cisco District Seminar will be held Sept. 10 at First Methodist Church, Graham.

The meeting was closed by prayer led by Mrs. J. B. Eberhart.

Jackie Lloyd Byerly of Gainesville, visited relatives here Sunday.

Casanova

Wait a minute, Dad. How can you forget so quickly? You're not that old. Remember your first date? Remember the first time you fell in love? How you suffered!

Sure, Junior ties up the phone. His conversation doesn't make sense to you. But he isn't talking to you. Don't drive him into secrecy by humiliating him.

And Junior: Have some consideration for your father. He might want to use the phone himself. Show him the same respect you expect to receive from him. Life is not a one-sided affair.

New Soil Bank Program Rules Listed by Powell

EASTLAND—Eastland County has some 112 farms under the Soil Bank program, according to Emmett Powell, ASC office chief in Eastland.

Powell said that new rules may cut down on the number of new farms coming under the program though.

Applications for farm rates must be filed during the period from Monday through Sept. 10. Applications for contract can be filed from Sept. 14 through Sept. 24.

Powell said that the basic annual rate per acre will be higher if the application covers all eligible land on a farm. Practice payments for establishment of grass cover will be limited to 50 per cent of the cost of carrying out the practice. Here are some other new rules:

If the farm had a tenant in 1958 or 1959 there will have to be a tenant on the farm in 1960 and he must share in the conservation reserve payments. Land purchased in 1957, 1958, or 1959 is not eligible for a contract.

Fair rental rates value of the land will help determine the soil bank per acre rental rate to be established for the farm.

The value of the crops produced on the land in 1955, 1956, 1957, 1958 and 1959 will in a large part determine the price to be paid under the 1960 program. It will be necessary to know the acreage, yield and

The annual Fox family reunion was held August 9 at the Eastland Park with one hundred and ninety one being present. A basket lunch was served for all. This was followed by a business meeting in the Legion hall. The president was Roy Lee Bearden, 170-pound center. The vice president was Steve Green, 135, is tied for the man-under start position.

Gorman lost only one starter, tackle, end David Rev. who is now playing at Houston State.

Man Brinegar, 190-pound senior fullback, is the main cog in the backfield, with quick Dick Townley, 185-pound TAYLOR, the outstanding lineman. They are three-year lettermen.

Another three-year letterman, halfback Neil Overstreet, 170-pound senior. Other starters returning are quarterback Ken Welch, 155-pound senior; Jack Joe Harrison, 140-pound sophomore; Bill Puckett, 165-pound sophomore tackle; Joe Sanders, 145-pound sophomore guard; Nathan Files, 155-pound senior; Jerry Anderson, 140-pound senior; and Jerry Shugart, 140-pound junior center.

After being shuffled back forth from Class A to B past three years, Coach unnally at Rising Star have found the right

Walker flank the end will give Rising Star beginning. The Wildcats try four lettermen last including all-district quarterback Gary Scott, 140-pound Don Long, plus Ken Ridens.

Returning are fullback Larry, 170-pound sophomore; tackle Doug Walker, 135-pound senior; and Rodney Smith, 135-pound junior; ends Agnew and Walker, a pair of 165-pound seniors; tackles Coy Edmiston, 160-pound junior; Jackie Nelson, 150-pound junior; Charles Car-

District 7-B Gorman Strong

roll; 190-pound junior; and Bob by Morrow, 230-pound senior; guards Gary Maynard, 150-pound senior; Morris Culwell, 135-pound sophomore; and DeWayne Rucker, 155-pound junior; and quarterback Johnny Jones, 130-pound sophomore.

"A fine backfield prospect is halfback Paul Freeman, 135-pound senior, while sophomore Clarence Chambers, a guard tackle at 185 pounds, is the top line newcomer.

"Jim Ned's Indians lost 14 lettermen last year, which included all-Abilene area halfback Jim Swindle, all-district guard Sidney Young and all-district fullback Gary Grant.

"But Coach Frank Hibler has five starters returning and one of them is a three-year letterman—175-pound en Ronnie Aldridge. Three are two-year lettermen. They are 185-pound junior tackle David Caldwell, 170-pound junior end Kenneth Windham, and 140-pound senior quarterback Larry Aldridge. Returning center Jerry Vernon, 140-pound junior, is a one-year letterman. All were starters last year.

May's Tigers could be a real darkhouse in the loop chase.

Coach R. K. (Bullet) Thompson has 13 returning lettermen, which includes nine starters from a team that could muster only one win during the 1955 campaign.

"May has exceptional speed in the backfield in 165-pound senior halfback Bobby Comp-ton, 150-pound junior halfback Bill Fortune, 180-pound fullback David Holt and 164-pound Don Newman at quarterback, both seniors.

"Thompson also expects a lot from his tackles, 175-pound junior Teddy Driskill and 180-pound senior Jerome Smith, both speedy linemen.

"May lost only two players from its entire squad last year, but one of them, back Wilber Harris, was an all-district performer. The other was end Bennie Willett.

"It will be Thompson's first year at the helm and he isn't expecting too many great things his first year, although his team will be pretty tough."

Long Hot Summer Calls For Quick WARM Showers!

One way to beat the mid-summer heat is to hop in and out of a shower or tub several times a day. But it's more a matter of degree than frequency at this time of year, the makers of Mum advise. Warm water is better than cold for keeping you cool in hot weather because it makes your blood vessels dilate and the inside heat comes to the surface. That's what cools you off. Cold water keeps the body heat sealed in. When you're drying off after a bath or shower, don't rub your

skin, pat yourself dry. Then dust yourself with a fragrant powder to help you slip into clothes more easily. Keep that after-bath freshness by applying an effective deodorant like Mum as soon as you step from the tub. It's particularly important after each bath or shower in the summer — when everyone tends to perspire more. As a finishing touch, spray a mist of cologne or perfume about you — and you're as refreshed and glowing as a mid-summer night's dream!

Chicago Trips, Scholarships for Topnotch 4-H'ers

CHICAGO. (Spl.) — Awards are ready and waiting for 4-H Club members who have done a superior job in the national 4-H Safety and Forestry programs, according to the National Committee on Boys and Girls Club Work, Chicago.

Winner of the 1959 safety award will be a delegate to the National 4-H Club Congress in Chicago this fall, with all expenses paid. The state winner will then be eligible for one of eight national \$400 scholarships awarded in this program, the National Committee reports. These awards are provided by General Motors which has supported the 4-H Safety program for 15 years.

The state winner in forestry will receive a handsome pen and pencil set, and will also become eligible for a national award. The latter is an all expense paid trip to the National 4-H Club Congress. This marks the 12th year that American Forest Products Industries has provided forestry awards, relates the National Committee.

Club members are judged on the basis of achievement in their project work, leadership, and as all around 4-H'ers. The Cooperative Extension Service makes the selections and announces the winners. Arrangements for the awards are made by the National Committee.

NEWS FROM AMITY

By Mrs. I. A. White

Rev. Hazen Simpson filled in at the church Sunday for Raymond Woodruff who is in Baytown on vacation. Hazen and his wife, Nancy, were dinner guests in the W. T. Henderson home Sunday.

Our revival at Amity will begin Sunday, August 30. Professor L. R. Dobson of Howard Payne College will do the preaching.

Mr. and Mrs. Roy Armstrong and sons Ricky and Jim of Roby, Texas, spent Sunday with Elizabeth Robertson.

Mr. and Mrs. E. L. Stodghill are in California visiting their children who live in different parts of California.

The G. A.'s of Amity met in the home of Mrs. Pollie Henderson for a book review. "Mission Temple of the Down" was given by Mrs. Jack Ryley of Brownwood. Those present were Glenda Lindley, Joyce Pierson, Dorothy Lindley, Shirley Jo White and Latrisha Alford. The hostess, Mrs. Henderson, served punch and cookies.

Those visiting Mr. and Mrs. Anderson White Sunday were Mrs. Laura Holt of Houston, Mr. and Mrs. Russell White and family of Houston, and Mrs. Coe White and daughter Col. lene of Rising Star.

Mr. and Mrs. E. R. West had as their guests Sunday J. B. Littlefield of Pennsylvania, his

mother, Mrs. Jess L. and his sister, Joyce, Wood; and their grandchild by West of Fort Worth.

LOCAL ITEMS

Guests in the home of Mr. and Mrs. Lee Clark on Wednesday were Mr. and Mrs. W. B. Woodruff and Mr. and Mrs. Carl Woodruff of San Angelo.

A family reunion of the Robertson, Ray and Rankin families was held recently at Lake Brownwood at which 76 relatives from eight states were present.

Mr. and Mrs. Claud Covey and two sons, Gary and Melton, of Clarksdale, Miss., have been here four days for a visit with her parents, Mr. and Mrs. E. D. Ware. They left for their home in Mississippi Tuesday.

Mr. and Mrs. Arley Bibby, Jackie and Velda, and Mrs. Jack Bibby visited Mrs. Jack Bibby's sister, Mrs. Maude New and family of Ballinger, Texas, last week end.

Mr. and Mrs. Frank Jacobs and daughter are here for a visit with her parents, Mr. and Mrs. Lee Henry and his sister, Mrs. Clara Burkhead.

Mrs. Ethel Bernes has returned after visiting her daughter, Nell, in Dallas.

Mr. and Mrs. Eugene Dill and three children have returned to Champagne, Ill., where Mr. Dill is completing work on his Ph.D. degree. He is majoring in physics.

Morrison from Fort Worth, N. M., has been here on a visit with his sister, Miss Della Morrison, who has been quite ill, and with his brother, Horton Morrison.

Mrs. H. S. Switzer has as her guests this week her niece, Mrs.

Herres and two children, Gary and Donald of Albany, N. Y., and Rebecca and Eric Switzer of Georgetown, Tex., who are children of the Rev. David Switzer.

Recent visitors in the home of Mr. and Mrs. Wilburn Scott have been their daughter and husband, Mr. and Mrs. Clint Reese of Hereford, Texas; Mr. and Mrs. Winfield Scott of Fort Worth, and Mrs. R. Lee Spears of Sherman, Texas.

Dove Season Begins Sept. 1st In North Zone

AUSTIN.—Season opens for North Texas dove hunters Tuesday, Sept. 1, with perhaps one of the best crops in years, according to the assistant secretary of the Game and Fish Commission.

The new 1959-60 hunting and fishing licenses will go on sale after August 20, according to the announcement. They will be effective Sept. 1, and all persons who hunt outside their own counties are required to have a new license. Fishing licenses also expire Aug. 31, and a new license is necessary for fishing outside the home county, or with any kind of winding device.

available at the regional offices or by writing to the Game and Fish Commission in Austin. Such cards are issued as a courtesy, and are not required. A map showing the Texas counties and their open seasons has been prepared by the Commission. A study of it will tell you where it is legal to hunt in both the North and South zone counties.

The season is open Sept. 1 through Oct. 20 in the North Zone, and Oct. 1 through Nov. 19 in the South Zone. There is an exception in the Lower Valley counties where mourning doves may be shot at the same time as white-winged doves. In that area the season will close three days earlier.

The whitewing season is for the alternate days of Sept. 11, 13, 15, from 2 p.m. until sunset.

Relatives who visited Mrs. Beyr Heath this week were Mr. and Mrs. L. E. Nabors of Brownwood, Mr. and Mrs. John Porterfield of Phoenix, Ariz., and Mr. and Mrs. Paul Thuesen of San Antonio.

(See Map on Bottom of Page)

Persons over 65 years of age are not required to have a license. Exemption cards are

ABOUT YOUR HEALTH

A weekly public service feature from the Texas State Department of Health. HENRY A. HOLLE, M.D., Commissioner

Uppermost in the parents' mind is safety.

While the child is home, the mother has a direct control over the safety of her child.

When a child leaves home, for school or other activities, the responsibility becomes more complex.

It becomes necessary for parents to do their part to see that the community is doing its best to safeguard children from preventable accidents.

What parents can do about this is well worth looking into. The school, police, fire, recreation and health departments all have a part in planning for child safety.

A child is fortunate if he has attended a well conducted nursery or kindergarten before school. Here the youngster learns very early to play safely and happily with other children, and he begins to learn the rules of safety.

If he walks to nursery school with his mother, or even if he goes to school in a bus or the family car, the rules of safety can still be taught.

The wise parent finds out what safety rules the school is teaching and then sees to it that the same rules apply at home.

He makes doubly sure that nothing he says or does runs counter to what is being taught in school, because such conflict only confuse and undermines the child's confidence in both his teachers and parents.

It is well to follow this same practice throughout the early years of the child's schooling. Safety is an important part of the elementary curriculum, as in secondary schools where older children get instruction in safe driving and the rules of the highway.

Police and fire departments take an active part in promoting safety practices for children in cooperation with parents.

The health department is often thought of chiefly as responsible for controlling sanitary nu-

sances and contagious diseases.

However, it is vitally concerned about accidents, because they are the commonest cause of childhood death. (A weekly feature of the Division of Public Health Education of the Texas State Department of Health.)

MRS. MILLS' CONDITION BETTER

Mrs. Tex Mills, who has spent some time in an Albuquerque hospital under the care of a bone specialist, is resting much better at her home in Gallup, N. M. Mrs. Mills is the former Helen Plummer, daughter of W. R. Plummer and the late Eula Plummer, formerly of Rising Star. She was chosen Mrs. Gallup in 1957 in the Mrs. America contest, and is the mother of Nelda, Benny, Gwen, and Kloy Nichols, formerly of May, Texas.

Check First, Safety Ass'n Warns Motorist
AUSTIN.—"Going on a trip during the Labor Day weekend? Has your car been safety checked?"
These questions were asked of Texas motorists, today, by J. O. Musick, general manager of the Texas Safety Association, who added:
"Remember this: Drivers who check first... last! Even the best drivers can have an accident with a car that is in poor mechanical condition."
Musick said that people seem to get carried away in a "welter of carelessness" during holiday periods, thus making these the most dangerous driving times of the year.
"With Labor Day just around the corner," he said, "it means that many Texans will be making short, vacation-end trips before school bells start ringing."
Musick pointed out that 42 persons died in Texas traffic accidents from Friday through Monday, during the 1938 Labor Day week end. This doesn't include deaths from other causes, such as drownings, airplane crashes, etc., which will come close to matching traffic accidents in total number of fatalities.

For an all-around Labor Day, the safety expert suggested the following precautions:
1. First of all, a good healthy feeling of common sense with a constant awareness that there is danger in nearly everything you are likely to be doing.
2. If you will be on the highways, limit the miles you can cover in one day's driving and be prepared for heavy traffic.
3. Get an early start and don't rush occasionally.
4. Slow down, slow poke and, don't drink and drive.
5. Watch the road conditions intelligently.

Getting Married Will Be Harder After October 15
EASTLAND. — Getting married in Eastland County won't be quite as easy for juveniles after Oct. 15.
County Clerk Johnson Smith says he plans to carry out "to the letter of the law" House Bill 48 passed by the 56th Legislature. The new law goes into effect on that date.
Under the new law both parties must appear at the clerk's office to obtain their marriage license. Both must present documentary evidence proving their name and age (such as their birth certificate, driving license, etc.) as well as proof of blood tests.
The clerk then has to make a written statement showing the

age and name of the parties to whom he issues the license, and stating that he has seen their true name and age on some documentary piece of evidence.
If the boy is under 21, or the girl is under 18 they must be accompanied by their parents or guardian. In case of illness, a doctor's certificate can be given the clerk, showing that the parent or guardian is sick. The license must then be on file for three days before a juvenile can legally marry.
