RISING STAR, EASTLAND COUNTY, TEXAS 76471

THURSDAY, SEPT. 10, 1964

VOLUME 74, NO. 47

Through The Editor's Specs

By GAB

Noting that last year there were none of the fan - vs. - referee incidents which two or three seasons ago marred the usually healthful air of rivalry at Wildcat football games, Supt. Sam Jones expressed his thanks to local fans and at the same time urged them to continue the good record this year.

The earlier incidents were incited by growing resentment of what appeared to be unfavorable decisions by the officials, and some of the fans became downright vocally indignant.

"The danger in such incidents," Mr. Jones pointed out, "is not only in the bad influence they have on the players and students, but also in the fact that the school can be heavily penalized by the Interscholastic League."

"The officials are assigned by the League and their authority in the conduct of the game is supreme. While it is natural for the fans to resent decisions they feel do injustice to their team, we hope that our people will permit no discourtesy to take place that would endanger the sport which exists first of all for the youngsters."

The new football season begins here Friday night when the Wildcats entertain their Class A rivals.

I note that the sportscaster of the Abilene Reporter - News predicts that the Wildcats will win.

With due respect for the sincerity and prophetic genius of the newspaper lad, I would suggest that for his own protection he should be more Delphic in his predictions and say something like, "The Eastland Mavericks will beat the Wildcats." Then, no matter how the game turns out, barring a tie, he can say, "I told you so."

My suggestion to the Wildcats is to read less and play more.

The Church of Christ folks showed off their new educational building last Sunday with a dinner that was mighty fine eating. I can testify to that, having been, so far as I was able to see, the only Methodist in the gathering, and we Methodists are mighty fine judges of good food, especially when we are being fed.

The dinner was spread on the church lawn under the trees, following the morning worship services, and was followed by an inspection of the new building and by a singing. A good time was had by all.

My thanks to Patra Goss and H. McDonald for the invitation to dinner.

Singing Sunday At American Legion Hall

The regular second Sunday singing will be held at the American Legion Hall in Rising Star Sunday, Sept. 13, from 2 to 4 p.m., it was announced this week.

The public is invited.

James Nay and his sister, Mrs. Wanda Hard, both of Monahans, accompanied their mother, Mrs. Ruth Nay, to her home here where they spent Sunday. They took her to Monahans with them where she will stay while recuperating from surgery.

Mr. and Mrs. Willie Lyon were visited by their children during the week-end.

Drouth Loans Will Aid County Farmers

The Farmers Home Administration office at Eastland this week is accepting applications for emergency loans to enable farmers, hard hit by the drouth, to continue normal applications Cole, Eastland county administrator, announced.

"We have authorization to make these loans and the forms are available," he said. So far, Mr. Cole told the Record, there

during the next year, Homer had been only two applications, and he did not anticipate very many until near the first of the year.

These emergency loans are designed to help farmers carry on their normal operations during a period when they are handicapped by conditions due to no fault of their own, Mr. Cole said.

"There is no reason for a farmer to stop farming because of drouth losses now that these emergency loans are available," he said. "Of course, if he wishes to increase his operations it will be necessary for him to qualify under the normal production credit features of the FHA program."

Under the emergency drouth credit provision, loans are available to farmers and ranchers who cannot secure the credit from regular commercial sources.

The program will be in effect until June 30, 1965, Mr. Cole said.

The loans, made at three per cent interest, could possibly run up to \$30,000 for farm operating expenses.

This brings to two the number of emergency drouth programs for the county and another is pending. Permission was granted recently for emergency grazing of soil-banked land and an emergency feed program is awaiting USDA okay.

Funeral for Miss Wallace was held at 3 p. m. Sunday in the First Presbyterian church at Cisco, with the Rev. William Gould of Fort Worth officiating. Burial was in Oakwood cemetery.

She was born in Franklin, La., Sept. 1, 1943, and came to Cisco 16 years ago with her family. Her father died in 1948. She attended Cisco schools, Texas Tech and Cisco Junior College, then moved to Houston to work for a bank about a year ago.

Survivors include her mother; a sister, Kay, of the home; a brother, Lee, a student at Texas A&M; her grandparents, Mr. and Mrs. W. W. Wallace of Cisco and Mr. and Mrs. O. Y. Miller of Glen Rose.

Drucilla Eberhart, a teacher in Coleman schools, spent the week-end here with relatives.

Mr. and Mrs. Fred Eberhart and Mr. and Mrs. Larry Hoover of Fort Worth visited Mrs. Mollie West during the week-end and Mrs. West accompanied them to Abilene to visit Mrs. C. J. Turner.

Mr. and Mrs. Jesse Newby of Breckenridge were guests of Mr. and Mrs. Lee Clark on Sunday, Sept. 6.

Mr. and Mrs. M. L. Joyce of Albany accompanied her mother, Mrs. Bowden, to Rising Star on Monday, Sept. 7, and Miss Pauline Roberts accompanied her on to Brownwood where she will visit Mrs. Albertson, later returning to Rising Star to visit Mrs. Walter Henderson.

Mrs. Terry Henry of Big Spring was here during the week-end to visit relatives.

Mrs. S. A. Olive of Brownwood is here for a visit with her parents, Mr. and Mrs. J. W. Smith.

Rising Star Kittens Open 1964 Grid Season At May Tuesday Night Sept. 15

A squad of 34 Rising Star elementary school Kittens, under Coach Frank Gray, will open the 1964 football season Tuesday evening, Sept. 15, in a game with the May Junior Hi team at May.

The game will be the first of a schedule of eight to be played during the season. Each game will start at 7:30 p.m. and admission charges of 50c for adults and 25c for school children will be made.

Following is the schedule:
Sept. 15 - Rising Star at May;
Sept. 22 - Blanket at Rising Star;
Sept. 29 - Rising Star at Early;
Oct. 6 - Cross Plains at Rising Star;
Oct. 13 - Bangs at Rising Star;
Oct. 20 - Rising Star at Santa Anna;
Oct. 27 - Goldthwaite at Rising Star;
Date undecided - Rising Star at Gorman.

Old Settlers Will Gather Here Tues.

Next Tuesday, Sept. 15, old settlers and longtime residents of this area will meet at the American Legion Hall here in the annual reunion sponsored by the Old Settlers Ass'n. The reunion is always held on that date.

Registration will begin at 10 a.m. and will be followed by a program featured by talks emphasizing reminiscences of the early years in this area.

At noon there will be a barbecue served in the dining room of the American Legion Hall. The registration fee of \$1.00 will cover the charge for the luncheon.

The events of the day will conclude with an afternoon business session.

Officers of the association are Maj. Max Prentice, Ret., of May, president; Fred Roberts and Cecil Shults, vice-presidents, and Olice Jones, secretary.

All who have lived in this area for 10 or more years are eligible to attend and become members of the association for the \$1 fee.

The reunion annually draws around 150 people.

September 1 Is Start of Another Inspection Term

AUSTIN — Col. Homer Garrison, Jr., director of the Texas Department of Public Safety, announced today that the time has arrived for Texas motorists to have their vehicles inspected again.

Garrison said September 1 marked the beginning of the 1965 vehicle period as prescribed by the Public Safety Commission. As in previous years, the period will end on April 15, 1965.

"This means that between now and April 15, 1965, more than 5,200,000 Texas registered vehicles will have to be inspected at the 5,200 official inspection stations in Texas," he said.

Garrison urged motorists to have their vehicles inspected in the routine visits to garages for ordinary maintenance and repairs and thereby eliminate the necessity of having to wait in line at a later date for an inspection sticker. He further pointed out that with the ever increasing number of vehicles registered in Texas, it is becoming ever more difficult for the motorist to get an inspection sticker without some delay.

"With the hard summer driving coming to an end, fall is an excellent time to have vehicles safety checked for the winter months ahead," Garrison said.

In announcing the new inspection period, the Public Safety Director pointed out that vehicle inspection in Texas has apparently been a valuable tool in reducing traffic accidents due to vehicle defects. When compulsory vehicle inspection began in 1951, 19 per cent of all vehicles involved in fatal accidents had a defect that contributed to the accident, while in 1963, that percentage had been reduced to four per cent. In non-fatal accidents, vehicle defects as a contributing factor were reduced from 20 per cent in 1951 to 5 per cent in 1963.

NEPHEW KILLED

Walter L. Boggs received a message Monday evening telling of the death of his nephew, 15-year-old Dennis Baggs, who was crushed to death in a hay baler. Dennis was the son of Lee Boggs of Statesville, N. C. None of the local Boggs relatives plan to attend the funeral.

Mr. and Mrs. B. B. Morris were visited by their daughters, Laverne of Eastland, Dora of Weslaco, and Bennie Sue of Oklahoma City, during the Labor Day holidays.

Wildcats Get Real Test In Opener With Eastland Friday

The first definite answer, at least in part, to the question of what kind of team the Rising Star Wildcats of 1964 will be, will be provided on Wildcat

field Friday night when the two touchdowns. But the scrimmage revealed a number of glaring faults, particularly a consistent inability to hold the ball which must be overcome if the Cats are to make a creditable showing against the Mavericks here Friday night.

The Wildcats, with the exception of one regular guard, are in good shape physically for the Eastland contest. Frazier Clark, regular guard and place-kicker for the locals, will not be used for several games, after receiving a shoulder injury in practice.

Starting offensive lineup will probably be:
Center, Mike Donham, 235; lg, Gary Duggan, 160; rg, Bobby Burns, 155; lt, Russell Botts, 265; rt, James Cox, 165; le, Dick Goldston, 185; re, Larry Duggan, 145; quarter, Terry Geye, 165; full, Kenny Butler, 180; hb, Dwight Carter, 155; bb, Danny Wooley, 150 or Rex Long, 160.

On the defense this lineup will be varied with Doug Fisher, regular defensive hb, who understudies Geye as offensive quarter and will probably see service in that position also; Davy Jones, a fine defensive line-backer. Jimmy Rutherford, half, Danny Fraley, end, and John Hutchinson, defensive end and kicker-off for the team, are reserves who will likely see a lot of service.

The game will begin at 8 o'clock.

Five Rising Star Students At CJC

Five Rising Star Students had pre-registered for the fall semester at Cisco Junior College at the first of this week, according to an announcement from the college registrar.

They are Arthur Dale Jones, son of Mr. and Mrs. A. B. Jones; Marcia Lewis, daughter of Mr. and Mrs. L. L. Lewis; Charles Allen Wade, son of Mr. and Mrs. Raymon Wade; Covie Weaver, son of Mr. and Mrs. T. O. Weaver, and Orbia Dale Walther, son of Mr. and Mrs. K. L. Morgan.

They were five of more than 130 to preregister.

According to an announcement by President G. C. Hogue, the enrollment this year far exceeds that of previous years.

All freshmen students at CJC must register before Sept. 16 in order to attend the compulsory orientation period on that date.

Mrs. Gloria Benton, student counselor, says that the orientation period will begin at 9 a.m. for students whose name begins with A through L and at 10 a.m. for M through Z students.

This orientation will continue one period a week throughout the first semester. It is designed to familiarize students with the library and counseling facilities and other aspects of the college community.

Sophomores may register at any time until Sept. 15. The book store will be open several days before classes begin Sept. 17.

Thomas Grisham Dies; Burial In May Cemetery

Funeral services for Thomas Edgar Grisham, 75, who died Friday, Sept. 4, at 6:35 p.m. at Eastland Memorial Hospital after a lengthy illness, were held at the Okra Baptist Church Sunday, Sept. 6, at 2:30 p.m. with burial following in the May Cemetery.

The Rev. Mart Agnew of Cisco, a former pastor of the Okra church, officiated, assisted by the Rev. Aubrey Hillbert, present pastor of the church.

Higginbotham Funeral Home of Rising Star was in charge of burial arrangements.

Pallbearers were Robert Burns, Douglas Burns, Carl Burns, Perry Burns, C. A. Claborn and A. A. White.

Mr. Grisham, a resident of Rising Star for 42 years, was born in Alabama on November 7, 1888. He was married to Maggie Bell Jones on November 23, 1913 at Rising Star. He was a farmer who retired in 1952.

He is survived by his wife; four sons, J. W. Grisham of West Columbia, Tex., Norman Ray Grisham of Abilene; Thomas L. Grisham of Rising Star, and Eddie Roy Grisham of Eastland; three daughters, Mrs. Elgie Crisp of Rising Star; Mrs. Leonard Hageman of Okra, and Mrs. Glen Winfrey of Rising Star; two brothers, Luther Grisham of Rising Star and Pete Grisham of Plainview; and four sisters, Nina Grisham of Rising Star, Nola Jones of Childress, Ada Nixon of Hamlin and Fannie Donica of Bangs.

There are 12 grandchildren and six great grandchildren.

He was a member of the Baptist Church.

Social Security Offers Three, Not One Benefit Form

"Many people who call at our offices throughout the nation continue to surprise our interviewers by thinking of social security as only a one-way form of income insurance," reports R. R. Tuley, Jr., district manager of social security in Abilene.

"One caller will know only of the retirement benefits; another the disability program; the next the survivor payments," Tuley went on.

He added that with the retirement part now being over 27 years old, the survivors portion over 24 years old, and the newest, disability, now in its tenth year, such single-shot ideas are much more frequent than should be true.

Tuley furnished the following to summarize the three-way family income protection in the Social Security Act.

1. RETIREMENT. At age 62: early retirement amounts range from 80 to 99 per cent of the basic amount calculated as of age 65. At age 65: No reduction in benefit amount if no payments were made before age 65. At age 72: payment of benefits no matter how high current earnings may be.

2. SURVIVORS. Lump sum death benefit. Monthly payments to children under 18 or continuously disabled since age 18, to widows aged 62 or more with children in their care, to dependent parents aged 62 or more, to dependent widowers at age 62.

3. DISABILITY. Monthly payments to disabled person and certain dependents.

All social security district offices welcome and encourage inquiries about possible benefits, he added.

Wildcats open the new football season against a good Eastland Maverick Class A crew.

The game will be the first of a series of three consecutive games to be played on home soil.

It will be the second game for the Mavericks who last week were defeated by the Comanche Class A Indians by two touchdowns.

Coaches Weldon Hill and Frank Gray have a team of veterans with a high weight average which held the Santa Anna Mountaineers to no first downs and a safety in scrimmage last week while scoring

field Friday night when the two touchdowns. But the scrimmage revealed a number of glaring faults, particularly a consistent inability to hold the ball which must be overcome if the Cats are to make a creditable showing against the Mavericks here Friday night.

The Wildcats, with the exception of one regular guard, are in good shape physically for the Eastland contest. Frazier Clark, regular guard and place-kicker for the locals, will not be used for several games, after receiving a shoulder injury in practice.

Starting offensive lineup will probably be:
Center, Mike Donham, 235; lg, Gary Duggan, 160; rg, Bobby Burns, 155; lt, Russell Botts, 265; rt, James Cox, 165; le, Dick Goldston, 185; re, Larry Duggan, 145; quarter, Terry Geye, 165; full, Kenny Butler, 180; hb, Dwight Carter, 155; bb, Danny Wooley, 150 or Rex Long, 160.

On the defense this lineup will be varied with Doug Fisher, regular defensive hb, who understudies Geye as offensive quarter and will probably see service in that position also; Davy Jones, a fine defensive line-backer. Jimmy Rutherford, half, Danny Fraley, end, and John Hutchinson, defensive end and kicker-off for the team, are reserves who will likely see a lot of service.

The game will begin at 8 o'clock.

Meeting of May Exes Called for Sept. 15

Mrs. Bill Medley, president of the May Ex-students Association has announced that a meeting of the ex-students will be held in the auditorium of the May High School on September 14.

A meeting of the officers of the association was held September 4, to select committees for the Homecoming of ex-students in October.

These committees, she said, are to be approved at the September 14 meeting. All members are urged to attend.

Lakewood Gets Go On Planning At Phil-Pe-Co

Approval of "Exhibit A," the first phase of the project for developing the Lakewood Country Club into a rural recreation center for this area with FHA financing, has been received at the County Farmers Home Administration, Adm'r Homer Cole announced.

This approval from the state FHA office clears the way for the Lakewood Club engineer to develop detailed plans, specifications and cost estimates upon which final approval of the loan application would be sought, he said.

"We are well pleased with the progress being made," said Mr. Cole. "We intend to push the project in our office as rapidly as possible, and we hope that final approval may be obtained in time for actual work on the site to begin next December."

Of considerable interest and encouragement to the Lakewood Country Club sponsors and the office at Eastland, is the fact that a project almost identical in character has been finally approved and is under development in New Mexico, said Mr. Cole.

The Eastland County office has written for details of that project, and its experience will be used in promoting the Lakewood program, he said. "With such a pattern for us to follow, our own project should be

field Friday night when the two touchdowns. But the scrimmage revealed a number of glaring faults, particularly a consistent inability to hold the ball which must be overcome if the Cats are to make a creditable showing against the Mavericks here Friday night.

The Wildcats, with the exception of one regular guard, are in good shape physically for the Eastland contest. Frazier Clark, regular guard and place-kicker for the locals, will not be used for several games, after receiving a shoulder injury in practice.

Starting offensive lineup will probably be:
Center, Mike Donham, 235; lg, Gary Duggan, 160; rg, Bobby Burns, 155; lt, Russell Botts, 265; rt, James Cox, 165; le, Dick Goldston, 185; re, Larry Duggan, 145; quarter, Terry Geye, 165; full, Kenny Butler, 180; hb, Dwight Carter, 155; bb, Danny Wooley, 150 or Rex Long, 160.

On the defense this lineup will be varied with Doug Fisher, regular defensive hb, who understudies Geye as offensive quarter and will probably see service in that position also; Davy Jones, a fine defensive line-backer. Jimmy Rutherford, half, Danny Fraley, end, and John Hutchinson, defensive end and kicker-off for the team, are reserves who will likely see a lot of service.

It's the Law in Texas

FALSE CREDIT

It's easy to buy things on time if your credit is good. But some people try to make their credit look good when it isn't. This can lead to the crime of "theft by false pretenses."

In a recent case Sam Sadd wanted a new car just like his neighbor's.

At the Super Car Agency Sam could buy his new car for \$300 down and 36 monthly payments.

The agency asked Sam to sign a credit report. Sam reported that he made \$650 a month, had a \$65 car allowance a month, and his wife worked for \$400 a month.

Sam drove off with the new car. But when he fell down on his payments, the agency repossessed the car and found that Sam never did have the income he claimed. Truth was Sam was making only \$500 when he worked, and he had taken a leave of absence and had never gone back to his job. His wife hadn't worked in years.

The agency complained to the district attorney, charging Sam with theft by false pretenses.

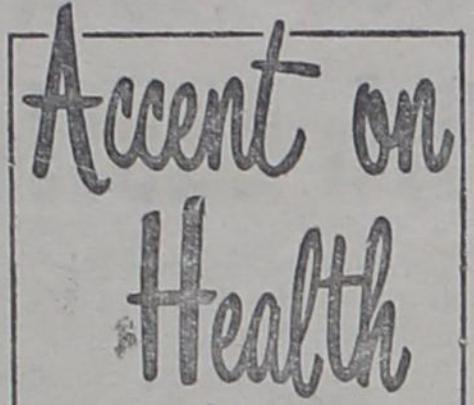

Sam was guilty as charged. Though no one can be put in prison for debt, he can go to prison for fraud, if, when he "bought" the goods, he never meant to pay at all, any time.

But it is no crime if he just happened to be broke but made no false claims.

Using another's credit card without his permission is also a crime, just as it is to use one's own credit card extensively,

knowing full well that he cannot or will not make payment. Again this is theft by false pretenses.

A weekly public service feature from the Texas State Department of Health

J.E. PEAVY, M.D.
Commissioner of Health

AUSTIN — A blister could well be called the modern version of the mythical Achilles heel.

Much as Achilles — the Greek idol of youth, strength, beauty and valor, was fatally wounded by an arrow piercing his vulnerable heel, a tiny blister can spoil a game of golf or tennis or even a whole vacation.

The blister merits closer attention than we usually grant it. And the admonitions which apply to our athletes also are sound tips for the millions of weekend and vacation athletes.

A blister is caused by pressure and friction on a localized area of skin. Fluid collects between the inner and outer layers of skin. If pressure is continued, it hurts. Even if no infection follows, the pain can cause a limp that isn't much fun for the golfer or hiker, and it can upset the customary grip

on a tennis racket, golf club, oar or canoe paddle.

The best approach to blisters, as to disease, is prevention. Proper fitting shoes are fundamental. There should be room beyond the big toe, room across the top, fitting of the ball of the foot into the widest part of the shoe with no slipping of the heel.

Wearing two pairs of socks, a lightweight pair under sweat socks, is recommended for athletics. Hands can be protected by taping or by special sports gloves.

A decision on whether or not to puncture a blister is based on location, size and inflammation. If there are signs of inflammation or irritation, medical attention is indicated. Sometimes it is advisable to puncture a blister before it breaks from friction. Wash the area with soap and water and sterilize with alcohol. The puncture is made with a sharp needle held in a forceps (small pliers) and sterilized in a flame. The puncture is made at the side of the blister and outer skin layer is left in place as a protective cover.

Attention to cleanliness in dealing with blisters cannot be overemphasized. Infected blisters require prompt medical attention, as do the occasional blisters from severe sunburn or other burn causes.

But with proper prevention and forethought you can keep your "Achilles heel" from spoiling your fun or vacation.

Suits get mussed as much from being crowded against other suits in closets as from being worn. To prevent this, upholstery tacks may be driven into tops of wooden clothes rods or heavy rubber bands may be wrapped around metal rods at equal distances to keep the clothes spaced apart.

A NEW AND BETTER YEAR

It is my pleasure to be back with you again this year as editor of the Wildcat Tales. It has been one of the most enjoyable, as well as valuable, of my high school experiences.

We are beginning a new year with some new members on our staff. Many of our reporters from last year, who did such an efficient job, will be writing news for us again this year. We are looking forward to a very successful year in reporting our activities to you.

The entire staff, student body, and faculty wish to express our thanks to Mr. Butler for the space in his paper and to all of you who give us your support and encouragement. This is our only way of informing the community of the many things our school is doing. We hope that in this way we can make the community more aware of the importance of our school system.

We believe that our student body has increased in quality as well as in quantity and that this school year will be one of great importance in the history of Rising Star High School. We are aiming our goals to the highest level.

As we strive to reach these high goals as students of Rising Star High School, follow us each week through the Wildcat

KNOWLEDGE COMES BUT WISDOM LINGERS

Hi! This has been a hot, exciting week! Being seniors this year, we are really enjoying the role of "big kids." We have already started the year by electing some hard working officers. They are as follows:

President — James Cox.
V. President — Sharon Stewart.

Treasurer — Sandra Teague.
Reporter — Judy Rutherford.
The class feels that with officers like these, we will make this year our greatest!

It seems we are having a hard time settling down to serious study with all the fish to look over, and seating arrangements — right, Terry?

In English we are studying English literature and all its complications! Most of the Seniors feel they are going to en-

joy this study when they become better acquainted with it.

Seniors in chemistry find they have a lot to learn. We are studying the basic fundamentals now. We have already learned to blow corks out of bottles and boil water at different temperatures.

We are all anxiously awaiting the first pep rally and football game; until then —

J. C. — No Santa Claus this year?

L. B. — Mustard troubles?

S. R. — Don't give up in chemistry, yet.

D. F. — Girl troubles?

LIVE AND LEARN

Hi, readers! We are back again for another year of Wildcat Tales. I am Marcia Lee, your Junior reporter. I will try to cover completely the news as it comes from the Junior class. Some activities I hope you will follow the class in are football, basketball, Junior-Senior Banquet, Junior Play, and track and field events.

Also I would like to mention the Junior members representing us during football season. Sandy Warlick is a cheerleader, and doing a job of which we are proud, backing our wildcat team. Ginger Bishop is another Junior doing a fine job backing the team; she is a majorette, and last but not least, we have the boys participating on the Wildcat team.

During the first week of school we elected officers to serve our class for the year. Julie Watkins, President; Bobby Burns, Vice-President; Doug Fisher, Secretary; Sharrise Lewis, Treasurer; Marcia Lee, Reporter.

These officers were elected by loud opposition from the male section but after a sufficient number of females was nominated, the boys finally carried.

ATTENTION: Juniors have a car-wash Saturday, September 12, 1964. We would appreciate all the dirty cars available.

Signing off until next week. Junior Reporter, — Marcia Lee

BUILDERS OF TOMORROW

The sophomore class, which has lost several of its current members, began the 1964-65 school year last Monday morning. The first thing on sched-

ule was a general assembly in the band hall, where we reviewed old rules and regulations and became acquainted with the new ones.

We elected class officers during activity, and the results were as follows:

President — Mike Stroebel.
Vice-president — Mike Donham.

Secretary — Roxie Smith.
Treasurer — Kay Nunnally.
Reporter — Karen Harris.

The sophomore class favorites for this year are Sally Medford and Bob Clark.

Room mothers for the school term will be Mrs. Hubbard, Mrs. Wolf, Mrs. Harris, Mrs. Schmitt, and there was a three-way tie for the fifth.

The Home Ec. II girls have started off with the study of textiles, and the Ag. II boys are discussing the advantage of college. The Biology students do not have enough books for everyone, but we must carry on; we are studying the composition of living things. The World History class has begun the term with discussions on the age of man and prehistoric times. We are reading selections in literature, and we have just started memory work.

The health class has been talking about teen-agers and their problems while the seventh period is taken up with basketball and football. Sophomore reporter — Karen Harris

Reporter — Trudi Wolf.
Thanks for a job well-done, Charlene.

Larry Jo, what language is it you speak?

We cheerleaders have certainly had a wonderful and busy summer practicing and planning for this year's football season. We spent five days at

TOWARD NEW HORIZONS

F.H.A. is getting off to a fine start this year with the election of our new officers. We are very proud of our new president, Becky Nowlin, and we are sure she will do a good job. Our officers are as follows:

President — Becky Nowlin.
1st V. President — Judy Rutherford.

2nd V. President — Linda Ez-zell.

3rd V. President — Caroline Brown.

4th V. President — Julie Watkins.

5th V. President — Pamela Geyer.

Secretary — Marcia Lee.
Treasurer — Sue Harris.

Historian — Roxie Smith.
Parliamentarian — Sally Medford.

Instead of Becky, I will be bringing the news to you each week and I hope I can do as good a job.

We will soon be planning our program of work and begin having our monthly meetings.

Also, we would like to welcome our new freshman home-makers. Signing off — Pam

THE "FISH BOWL"

The freshman class selected its class officers Monday morning during activity period. The officers are: President — Grant Poynor; Vice-president — Sara Howard; Secretary — Shirley Smith; Treasurer — Brenda Bailey; Reporter — James Gerhardt.

Room mothers were also chosen: Mrs. Hickman was chosen chairman; the others are Mrs. Bailey, Mrs. Medley, Mrs. Jones and Mrs. Cotton.

The freshman class is proud to have its part in the Wildcat Squad. Eight boys are on the team. These are Travis Ford, Robert Clarke, Richard Callo-way, Curtis Bishop, Mack Wolf, Grant Poynor, Jackie Bibby and Ronnie Hunt.

— James Gerhardt

DO RE MI

The band has been busy for two weeks learning how to march. We hope to give a good performance at each game this season.

We're happy to welcome all the new members to the marching band.

Band officers this year are:

President — Larry Jo Weise.
First Lt. Bruce Hubbard.
Second Lt. — Tommy Darnell.

Secretary — Ginger Bishop.
Treasurer — Sandra Teague.
Librarian — Charlene Vermillion.

Parliamentarian — Mike Pruet.

Reporter — Trudi Wolf.

Thanks for a job well-done, Charlene.

Larry Jo, what language is it you speak?

SKIN A MAVERICK

It is really GREAT to be back in school, and I hope I can keep you Wildcat fans up on the latest news from this end of the megaphone. From the looks of the scrimmage with Santa Anna, it certainly looks as if we are going to have a GREAT TEAM and a very EXCITING YEAR.

We are looking forward to seeing you at each game helping us cheer them on to victory and getting in on all the excitement.

We cheerleaders have certainly had a wonderful and busy summer practicing and planning for this year's football season. We spent five days at

(Continued on Page Five)

\$5.00 to \$50.00 Reward

For information which will assist us in the recovery of damages in the event of destruction of properties of the Kizer Telephone Company.

During the month of August more than \$1,000 in physical damage was done to the properties of the company by trucks, house-movers, oil field tanks, etc.

This does not take into account the loss of revenue resulting from interruptions of service due to breaks in our lines.

Not only do we suffer losses BUT OUR CUSTOMERS ARE CAUSED INCONVENIENCE AND LOSSES BY THESE INTERRUPTIONS.

Help us put a stop to these losses!

Persons seeing, house-movers, trucks, rigs, wrecks or any type of moving equipment breaking or damaging our lines are urged to get the license numbers of the trucks, note time of happening, and secure other pertinent data.

The amount of the reward paid in each instance will be determined by the amount of damage involved.

THE FIRST PERSON TELEPHONING OF THE DAMAGING INCIDENT LAYS FIRST CLAIM TO THE REWARD

Kizer Telephone Co.

CARD OF THANKS
Words cannot express what I feel in my heart, for the visits, food, flowers, gifts and cards received at the hospital and home. They have been so wonderful. I am also grateful to Mrs. Deva Semineuk who stayed by my side for two straight nights and nursed me into a quicker recovery. I shall always keep a warm spot in my heart and forever be grateful and thankful to those who contributed so much. May God bless all of you —
Mrs. B. A. Butler

CARD OF THANKS
We (the family of Mr. T. E. "Ed" Grisham) wish to express our sincere thanks and appreciation to the public and to our many, many friends and most wonderful neighbors for all the acts of kindness showed us during the illness and death of our beloved husband and daddy. May God's richest blessings be with you all.
Mrs. T. E. Grisham and children

Browsing With Bev
By Beverley Nicholson, County HD Agent

Frozen fish needn't be thawed before cooking — just allow a few extra minutes of cooking time. However, when fish are to be either breaded, fried or stuffed, you'll find it more convenient to thaw them first to make handling easier. Thaw frozen fish in the refrigerator in their original wrappings. Cook thawed fish immediately for best quality. Be sure you don't overcook it. Cook fish just until it flakes easily with a fork.

If you're going to pot a plant or two, it's all right to use some of the soil in your back yard or in the nearby woods. But, you shouldn't use it "as is." It needs to be purified to make it as disease-free as possible. Put the soil in a shallow pan and bake it in your oven at 180 to 240 degrees for 45 to 60 minutes. This will pasteurize it. Now mix the soil with the one-third sank — also pasteurized in your oven — and pasteurized peat moss. You'll be

able to grow almost any plant in this mixture.

A slightly-snug shirt collar can be eased a bit if the collar band is stretched while being damp ironed.

MISS ARLENE JOYCE MATTHEY

James Lewis To Take Bride In San Antonio Ceremony On December 19

SAN ANTONIO — Mr. and Mrs. R. L. Matthey of San Antonio have announced the engagement of their daughter, Miss Arlene Joyce Matthey of San Angelo, to James Walter Lewis, also of San Angelo.

The prospective bridegroom is the son of Mr. and Mrs. Tom Lewis of Rising Star.

The couple will be married Dec. 19 in St. Mary's Catholic Church in San Antonio.

Miss Matthey was graduated from Southside High School in San Antonio and attended Del Mar College in Corpus Christi and the University of Texas. She received the bachelor of music degree and did graduate work at UT, where she was an officer in Sigma Alpha Iota, national honorary music sorority, Newman Club, Symphonic Band and Music Educator's National Conference. She was a member of the University Chorus and Young Democrats, and held a Corpus Christi Faculty Club scholarship.

Her fiance is a graduate of Cross Plains High School and received the bachelor of music degree from North Texas State University. He is doing graduate work at the University of Illinois.

He was graduated with honors from NTSU where he was

Wildcat Tales--

Cisco Junior College learning new yells that we hope we can remember well enough to do at the games and pep rallies. We want to invite the public to come to our pep rallies every Friday morning at 10:15.

We will see you at the game tomorrow night so we can all watch our Wildcats SKIN A MAVERICK. — Sharolyn Roach

SPORTS SCOOP

School is not only well underway with lessons but also with sports. Just because it is football season does not mean that the girls are taking life easy. They are well under way with the physical fitness program provided by our school. The girls are taking active part in the calisthenics and are finding out just how out of shape they really are. The girls who plan to try for the basketball team have begun practicing early this year. The team has brought back several outstanding players from last year and is shaping up very nicely. The freshman class has some fine prospects for the team also.

Being football season, it is only natural that we think of football as the main sport right now, so let's prove to those Wildcats that we are behind them by giving them our support at every game. For now, — Sandra

BOYS SPORTS

This week the Rising Star "Wildcats" will take on their first opponents of the year, the Eastland "Mavericks." The Wildcats have been working very hard all summer for this first game.

Last week one of the local Wildcats, Frazier Clark, received a shoulder injury in practice; we all hope he will be able to return to the team very quickly.

Since this will be a home game, we hope every Wildcat fan will come and back the Wildcats all the way. — Franz

Saturday Club Begins Its 45th Season Sept. 2nd

The Saturday Club opened its 45th year on September 2 with a luncheon and program at the clubhouse. There were 24 members, one visitor and one honorary member who answered the roll call.

Minutes of the previous meeting were read and approved. All committees reported, and a delicious covered dish luncheon was enjoyed.

Mrs. Ray Nunnally is president; Mrs. George Steel, vice-president; Mrs. Lee Clark, recording secretary; Mrs. Bill Dennard, corresponding secretary; Mrs. C. M. Carroll, treasurer; Mrs. Fred Tunnell, parliamentarian; Mrs. Roy Holly, pianist, and Mrs. Fred Roberts, reporter.

The club was organized in 1920 and federated in 1921.

During the summer the kitchen of the clubhouse was rebuilt and new cabinets and an electric hot water heater installed. New furnishings were placed in the kitchen and the bathroom.

The public library, which the club sponsors, consists of many shelves of good books, and is open to the public during the summer months.

Miss Carol Harrell, who has been in Midland with her sister, Mrs. Ware, is now at home with her parents, Mr. and Mrs. Charlie Harrell.

Miss Joyce Sheffield and two teacher friends of Fort Worth spent Labor Day here with her parents, Mr. and Mrs. M. M. Sheffield.

Mrs. Cheryl Rahmlow, and her husband of Terrell, were here for a Labor Day week-end visit with her mother, Mrs. Lucy Boase.

named outstanding male graduate, elected to Who's Who Among Students in American Colleges and Universities, president of Alpha Chi national honorary organization, president of Student Religious Council, president of the Episcopalian Student Organization, member of Pi Kappa Lambda, Blue Key, Phi Mu Alpha Sinfonia, Phi Eta Sigma and Student Senate. He was a scholarship student for four years.

State Missions Theme To Upgrade Quality

The YWA met in the home of Mrs. Ira Hudler Saturday, Sept. 5, for a prayer for state missions. Theme of the meeting was "Lord Make Me Aware."

The program was a playlet and girls who had parts were Sharon Donham, Becky Nowlin, Caroline Brown, Cynthia Brown, Louise Fraley, Carol Harrell, Sandy Warlick, Lee Anna Chalk and Marcia Lee.

Pam Geye was a visitor. The program closed with a prayer by Mrs. Hudler.

PERSONALS

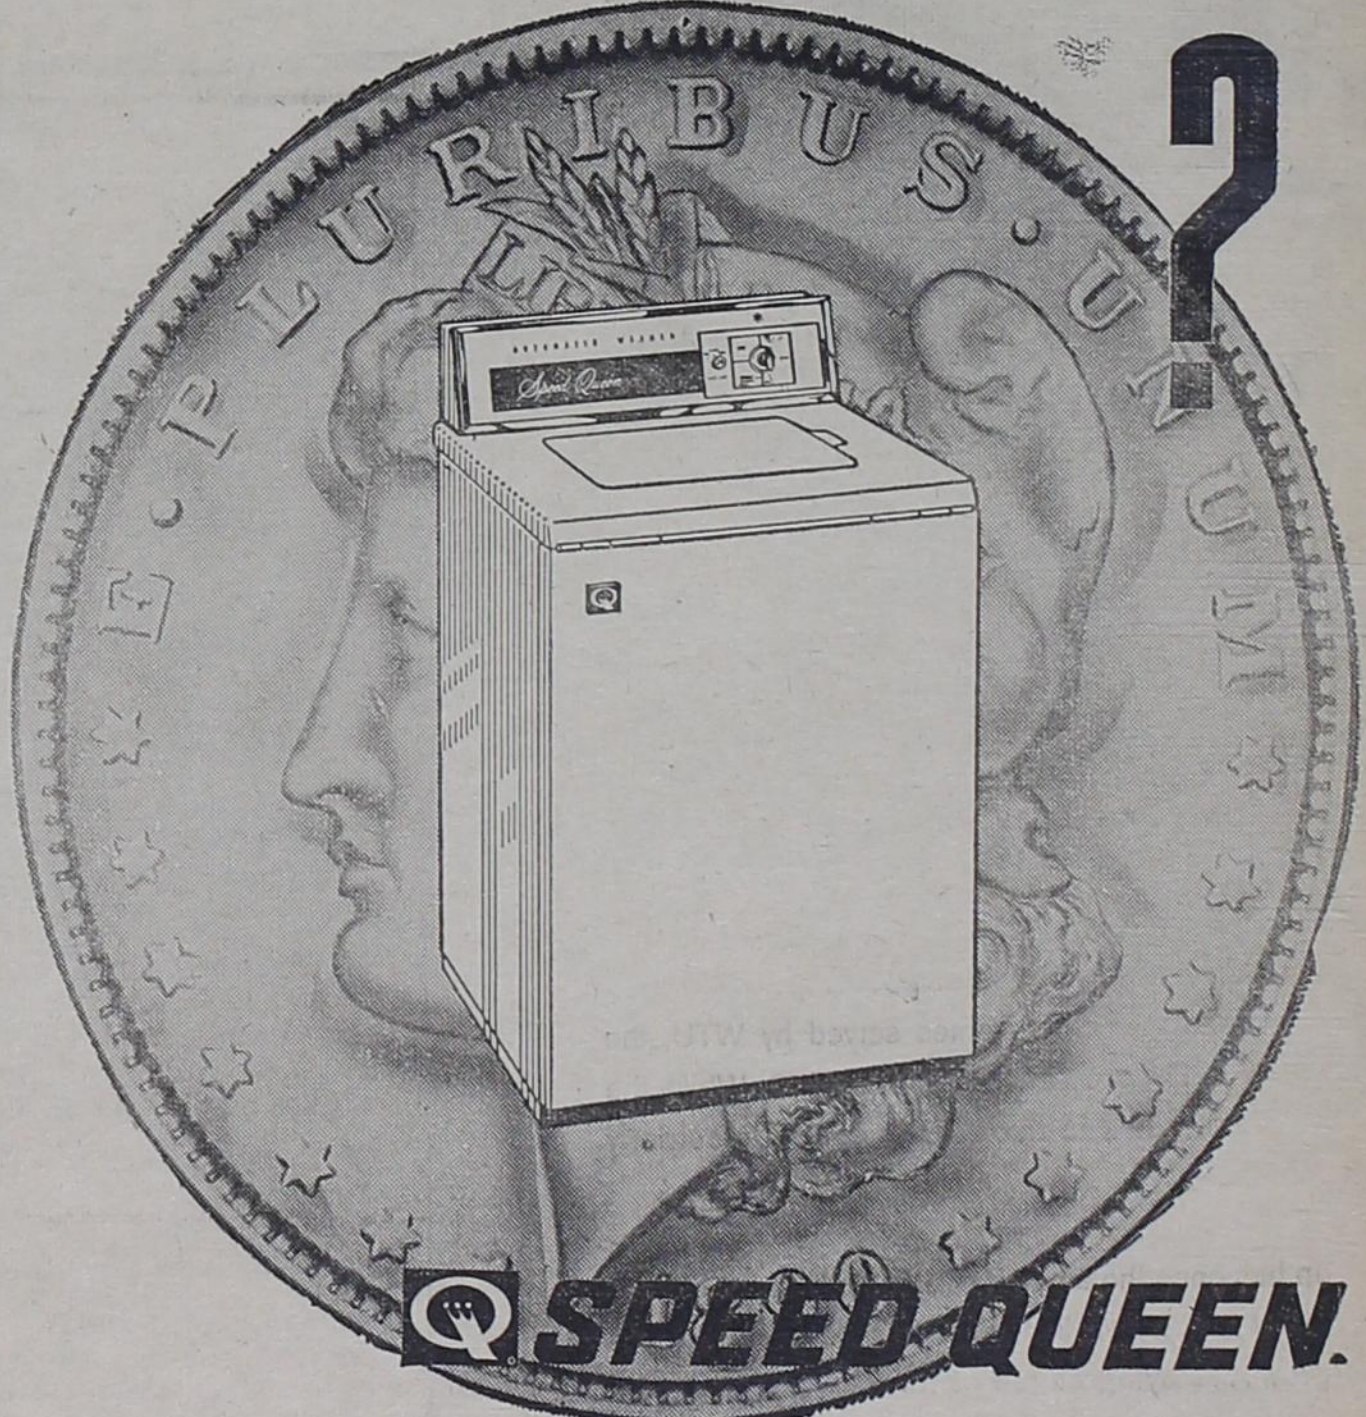

Judge and Mrs. Elzo Been were the guests of Mr. and Mrs. Lee Clark on their 50th wedding anniversary Sunday here.

Miss Elizabeth Robertson spent the holidays with her brother, John, and family on their ranch near Comanche.

Mr. and Mrs. S. C. Tucker, and son, Dickie, made a trip to Artesia, N. M., to be with their daughter, De Lois Duke, who is ill. They also visited with another daughter, Carolyn Ray, at Roswell.

Mr. and Mrs. George B. Laswell of Brownwood, attended the 50th wedding anniversary celebration of her brother, Lee Clark, and Mrs. Clark, here Sunday.

look'n for EXTRA BIG washer dollars

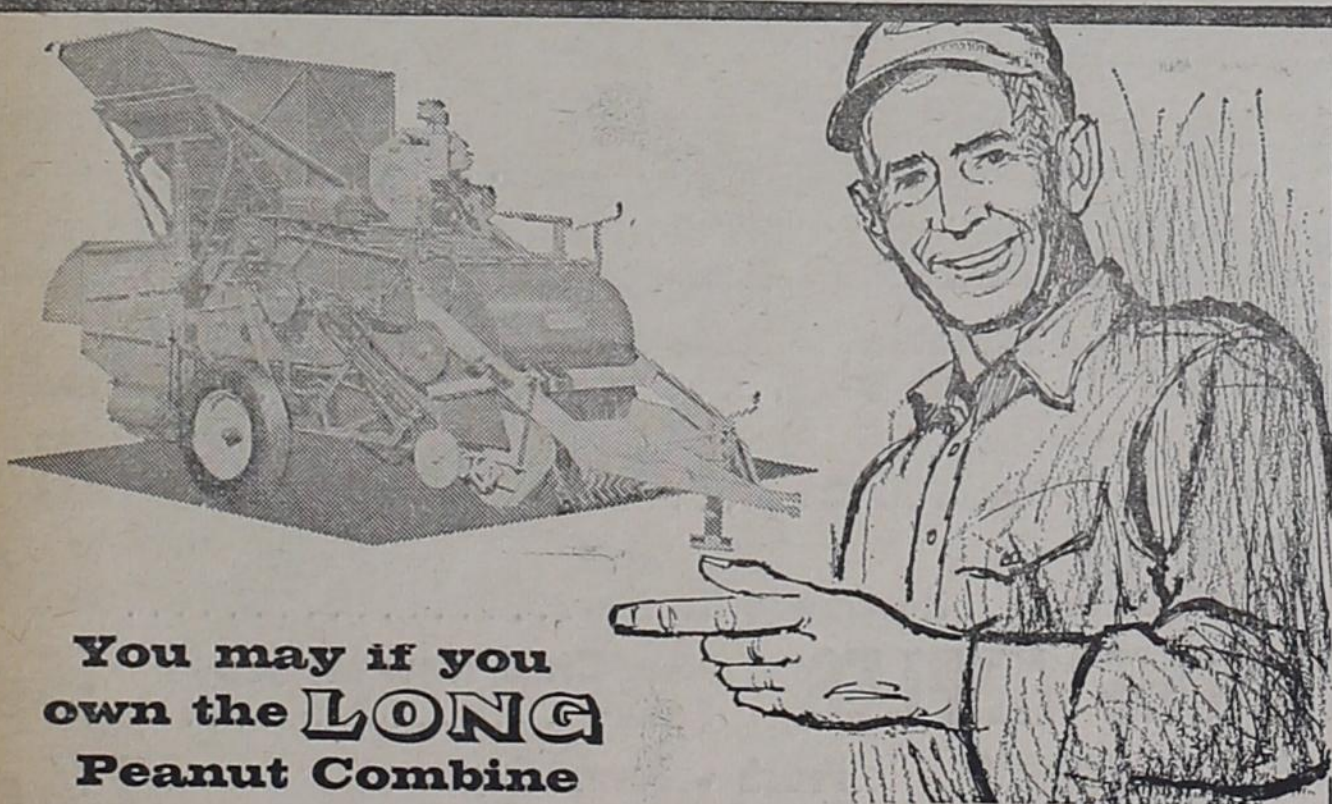

If you want a dependable, "work horse" automatic — and at the same time save money — here's your machine. The mechanical design is the same as the highest priced Speed Queen models. You can depend on the same faithful, low cost service that built Speed Queen's reputation for dependability. This Model 54, with 12 lb. capacity tub, will give you more washer per dollar than any other machine in America today. You can prove it to yourself by merely making comparisons. Remember, it's what's inside that counts!

\$199.95

HIGGINBOTHAM'S

Can you harvest 200 acres and spend only \$25-\$50 for upkeep?

You may if you own the **LONG Peanut Combine**

Many owners report they harvest 100 to 200 acres and have to spend less than \$50 on repairs. Acre for acre, field for field, we don't believe you can beat the outstanding record of Long Peanut Combines.

These combines have established such an outstanding record that we will be happy to have you ask any owner about his upkeep costs — speed of harvesting — and quality of harvest.

TWO SIZES—LONG Super-extra large capacity, handles up to 4 rows, bulk basket PTO or 60 hp air-cooled engine. LONG Standard—with bagging attachment or bulk bin PTO or 36 hp air-cooled engine.

We believe they will back us up when we say Long is the best peanut combine you can buy. Many of these owners have used other combines and are now sold 100% on Long. See your dealer and let him show you the many reasons why Long will give you better service.

Mr. and Mrs. J. E. Boyd Honored By Children On 60th Wedding Anniversary

The six children of Mr. and Mrs. J. E. Boyd were hosts to an open house for their parents Sunday afternoon, in honor of their 60th wedding anniversary.

Mr. and Mrs. Boyd were married in Athens, Texas, Sept. 11, 1904. They have lived at Rising Star since 1937 and have been retired from their farm some 20 years. There was a covered dish luncheon at the Legion Hall Sunday.

The highlight of their celebration was a reception in the home of their daughter and son-in-law, Mr. and Mrs. Tom Grisham. The traditional all-white wedding cake was served to a host of friends and relatives. The center-piece for the table, covered with a lace table cloth, was of six large mums, one mum for each child.

The children, all present, are: Mr. and Mrs. Edgar Boyd and family; Mr. and Mrs. Earl Boyd and family, of Carlsbad, New Mexico; Mrs. Max Sherill of Hobbs, New Mexico; Mrs. Art Thorp, Bakersville, Calif.; Mr. and Mrs. Lonnie Boyd and family, Menard, Texas; and Mr. and Mrs. Tom Grisham, Rising Star.

Other out of town guests present were: Mr. Mike Floyd, Mr. and Mrs. Alton Boyd and two daughters, Mrs. Claud Galoway and two sons, Mr. and

Mrs. Donald Boyd and two daughters, Mr. and Mrs. Terrell McBee and daughter, all of Carlsbad, New Mexico; Mr. and Mrs. Mack Boyd, Mrs. Kenneth Friar and children and Mr. and Mrs. Ray Grisham and family, all of Abilene; Mr. and Mrs. Dwayne Thurman of Grants, New Mexico; Mr. and Mrs. J. Taylor Boyd of Dallas, Mr. and Mrs. J. R. Williams of Sweetwater, Mr. and Mrs. J. L. Schroeder and two sons of Austin, Mr. and Mrs. Gervaise Medford of Lamesa and Mrs. C. M. Hinkle and Mrs. Annie Brinson of Baird.

The Boyds have one child dead; a son, Bernie, who died in 1939.

The Boyds have 24 grandchildren and 29 great-grandchildren.

Mrs. Frank Jacobs spent the week-end here with her mother, Mrs. Jennie Henry, and other relatives.

Peanut Growers Join Of YWA Meeting

COLLEGE STATION — Texas and Oklahoma peanut growers have joined forces with agricultural scientists, Extension specialists and industry representatives in a coordinated effort to upgrade their crop to insure a wholesome product for the public. Their immediate objective is the elimination of molds that threaten growers with serious economic loss, according to Ben Spears, Texas Extension agronomist.

Other leaders in the movement include Roy L. Gentry, president of the Southwest Peanut Growers Association; E. L. Ganey, president of the Southwest Peanut Shellers Association; Dr. David W. Rosberg, head of Texas A&M's Plant Sciences Department; and Dr. Louis E. Hawkins, director of the Oklahoma Agricultural Experiment Station.

Peanuts can mold and develop animal poisoning, but agricultural officials are taking no chances that such molds will develop. In 1964, they will inspect the entire peanut crop as it is marketed to assure consumers of a safe, wholesome product.

Farmers, meanwhile, can reduce materially the mold hazard and avoid a painful blow to their pocketbooks by controlling diseases and insects, harvesting peanuts properly, and paying careful attention to the curing and drying process. Since mold damage also may develop in storage, producers' efforts must be supported by handlers and processors to minimize economic and health hazards.

110 Register At Lee Clarks Golden Wedding Event

Mr. and Mrs. Glen Henry and Mr. and Mrs. Eddie Joe Henry were hosts to an open house reception on Sunday, Sept. 6, honoring their parents and grandparents, Mr. and Mrs. Lee Clark, on their Golden Wedding anniversary at the Clark home on West College St.

Serving the party were Mrs. Frank Jacobs, Mrs. Ted Henry, Mrs. Lawrence Henry and Miss Pauline Roberts.

Refreshments of pineapple float, coffee, cake, unts, and mints were served from a refreshment table laid with a cut-work linen cloth and centered with a tiered arrangement of gladiolus, spider mums, carnations and miniature pompoms, with golden wedding bells, accented with anniversary candles.

Appointments were of silver and crystal. Mrs. Eddie Joe Henry presided at the register in which 110 guests registered. Many lovely gifts were received, and a number of cards, telegrams and telephone calls were received also.

Polaroid pictures in color were made by Lawrence Henry.

Mrs. Jess Perry has returned from Plainview where she visited her son.

Mrs. Easter Cawley went to Ardmore, Okla., for a visit with her son, who is in business there.

WHAT'S BEEN GOING DOWN

UP

AND OUT

FOR YOUR BENEFIT?

DOWN and down the unit price of electricity has dropped over the past years. Today in homes served by WTU, the cost per KWH is 17% less than it was in 1953. While the cost of living continues to rise... the cost of electricity continues to fall.

UP and up has gone the amount of electricity the customer is using. WTU has grown in the past years and will continue to grow... staying ahead of its customer's needs.

OUT in every direction have gone power lines to supply electricity for all. Customers all through West Texas are provided with benefits from the most modern and efficient generating plants.

ELECTRICITY DOES IN ONE DAY what it would take 228 hours to do by hand in the average American home.

LONG DIGGER-SHAKER WITH PATENTED VINE LIFTER

■ When it comes to digger-shakers, you'll find the LONG tops. A patented lifter action knocks out dirt as vines are lifted off the shaker chain. Keeps chain from dragging vines under, too! No other shaker has this important feature.

■ Throughout, you will find a heavier, stronger-built machine to give long, useful life. Special flattened points shed grass better and reduce peanut loss caused by stripping.

■ Many other features, too... adjustable vine deflectors, adjustable shaker pick-up drive, precision machined gear box operating in oil, ball bearing pillow block bearings and double V-belts.

■ Let your LONG dealer show you this shaker today. See for yourself why it does such a good job.
