Miss Rising Star Candidates Speak at Chamber Luncheon

These lovely young ladies impressed Rising Star Chamber of Commerce members with their speeches. The girls are members of the Junior Class of Rising Star High School and are candidates for Miss Rising Star.

They are, back row from left, Stephanie Long, Stacey Wright, Shawnah Harmon, Staci Schlittler and Sandy Williams; and front row from left, Julie Stulting, Juanita Ramirez, Tricia Fox and Maxine Perales.

Candidates for Miss Rising Star were guests at a Chamber of Commerce luncheon Tuesday. Nine members of the Junior Class of Rising Star High School introduced themselves to Chamber members and guests. Each one made a favorable impression with her poise in enumerating her activities and achievements for the past few years and explaining how filling the office of Miss Rising Star might be an enrichment to the candidate and her community.

The candidates are Sandy Williams, daughter of Johnny and Brownie Williams; Tricia Fox, daughter of Claudie Fox and Marby Murdock; Stacey Wright, daughter of Earl and Sandi Wright; Juanita Ramirez, daughter of Lencha and Perfecto Ramirez; Maxine Perales, daughter of Mary and Dick Morrow and of Freddy Perales Sr. of Sylvester; Shawnah Harmon, daughter of Billy and Mary Harmon; Julie

Stulting, under the guardianship of Roger and Pat Barron; Stephanie Long, daughter of Tony and Barbara Long; and Staci Schlittler, daughter of John and Clara Lou Schlittler. Staci told the group she would be moving away at the end of this school year.

Current Miss Rising Star, Jennifer Linney, was too ill to attend the luncheon. Mrs. Cindy Wood, Junior Class sponsor, accompanied the girls. Filming the event for RSTV was Troy Willis, a junior at RSHS.

Miss Rising Star will be crowned at the annual Chamber of Commerce & Agriculture Awards Banquet which will be held at the Activity Building of First Baptist Church on Tuesday, March 15, at 7:30 p.m.

The price a ticket is \$7. Speaker for the banquet will be Marilyn Golightly, Regional Coordinator for Texans' War on Drugs, based in San Angelo. She has worked with the drug prevention program for six

years, making community and media presentations throughout Texas. She has conducted PTA drug awareness workshops, teacher inservice training, law enforcement seminars, youth conferences and related efforts in raising public awareness of the harmful effects of youthful drug involvement. TWOD helps in forming groups of citizens who are concerned and willing to work together to reduce drug use by young people.

Other activities at the banquet include making awards to outstanding business person, outstanding farmer and for community service. Certificates will be presented to four high school students highest in academics in their classes and to outstanding members of the local chapters Future Farmers of America, Future Homemakers of America and 4-H.

Elementary students playing recorders will provide music at the event.

Fire Truck Burns Near Rising Star

Area citizens began immediately to collect funds and Rising Star Fire Department volunteers and city officials began looking for a replacement for the fire truck which was caught in a grass fire and burned February 23.

The old white International, the other truck at the scene of the fire, had a history of the motor overheating and was unable to pull the red GMC away from the blaze. The larger truck escaped the fire although it developed serious mechanical failure.

The red fire truck was put into service in October, 1982, just two weeks after the motor fell out of the white Jeep fire truck. With donated labor and supplies a 373 gallon tank was installed on the truck.

The timing of the loss of this truck, which the Fire Department relied on heavily to fight grass fires, could have been worse. Another truck, a one-ton Chevrolet with a 300 gallon tank, was put into service just two weeks ago.

Numerous fire alarms have sounded over the past three months and, it seems, will continue to sound until a good rain occurs. Some days

the fire siren is heard six or seven times.

"Don't burn anything" is the message from fire departments all across what Abilene calls the "Big Country." Conditions are so dry and the wind so likely to blow that ranchers and farmers are urged to postpone any controlled burning until after a rainfall.

DON'T BURN LEAVES OR TRASH. Rising Star and area residents are cautioned against burning leaves or trash. Fire can spread quickly and be out of your control when the weather conditions are like they are at present.

Citizens have rallied to help the volunteer firefighters with the numerous fires plaguing the area. Each volunteer is reminded that following a fire truck too closely can cause difficult problems for the driver of the truck and is against the law. Space is needed for maneuvering the fire truck and volunteers following in other vehicles are urged to leave plenty of space around the fire truck.

Rising Star and area citizens have mobilized to keep the Volunteer Fire Department going in the past and are again doing so for the very necessary public service.

Registered

Eastland County voters will join others throughout the state and the south in marching to voting booths for the Super Tuesday spectacle.

There will be 14 voting locations in Eastland County - the Democrats will hold elections in nine locations and the Republicans in five.

Polls will open at 7 a.m. Tuesday and close at 7 p.m., followed by Precinct Conventions at each of the voting locations at 7:15 p.m.

By precincts, the Democrats will be voting at the following locations: Eastland-Courthouse, Gorman-Fire Hall, Desdemona-Community Center.

Lake Leon--Morris Newnam home. Carbon-School. Cisco-College Annex. Olden--Community Center.

Rising Star--City Hall. Ranger--Community Clubhouse.

The Republicans will be voting at these locations: Eastland--City Hall. Cisco--1010 W. 7th St.

Rising Star--School Office. Gorman--Old Fire Station. Ranger--Old School Gym.

Voters are being advised to determine in advance which primary they want to vote in, and go to their respective voting locations. Voters may not vote in both primaries.

Absentee balloting ran through Friday at the County Clerk's Office.

The County Tax Assessor-Collector reported that there are 13,252 registered voters in the county.

The two ballots are extensive, and both offer

County Art Association

Eastland County Art Association will meet Thursday, March 3, at 7 p.m. in the TU Electric Reddy Room in Eastland. The Art Association has invited artist Eugene Swenson of Baird to demonstrate acrylic medium.

All members are urged to attend the meeting. The public is also invited to attend the demonstration.

Owen Seeks Re-Election as County Commissioner

For some years I have had the privilege of representing you in the Commissioners Court of Eastland County. It has been an honor that I appreciate very much and a responsibility that I have tried hard to discharge to your satisfaction. I am now asking you to re-elect me to that office.

I will make this statement as short as possible; you know my record and when you go to the polls on March 8 and cast a vote for me, you will be voting for a fact and

not a promise. You can be assured that if you re-elect me I will continue to give you the honest and efficient service that I have in the past. Your County Commissioner is an office of great trust and responsibility, and I will certainly try to deserve that confidence.

I will deeply appreciate your consideration at the polls on March 8.

Sincerely,
L.T. Owen, Candidate for County Commissioner, Precinct 3 Eastland County

History Book Meeting

A meeting on the upcoming Eastland County History Book will be held at the Eastland Chamber of Commerce office at 10:00 a.m. on Friday, March 4th.

The purpose of the meeting is to give a progress report on the status of the book and to give a preview of the size and design of the book, etc. Over 2100 family stories have been submitted for the book. It is estimated that the book will contain 1000 pages.

All interested persons are invited to attend. A similar meeting was held last week in Cisco. Meetings will be held in Ranger, Rising Star, and Gorman in the near future.

Persons wishing to purchase a copy of the book at the prepublication price should send a stamped, self-addressed envelope to Eastland County History Book, Box 856, Eastland, Texas 76448.

....Mrs. Jackie Fick, Rt 2, Box 1302, Eastland, Tx 76448, along with several other interested citizens are working in the Staff Cemetery to "clean up & repair". At present time repairs are being made to the main gate & sign. Staff Cemetery is located near the Staff Community on Lake Leon, SE of Eastland, & S of Ranger Tx. Someone has said there is a lady in Ranger who has a map of the plats & burials here. There are numerous graves which are unknown, with stone or rock, or funeral markers without names or dates. We would like to place a small marker at each grave that can be identified, & if anyone has info of this map or knowledge of burials, please contact Mrs. Fick, 629-3658; Mrs. Geneva Richardson, 629-2220; Centennial Memorial Library, 629-2281.

....The Golemon Library is located on campus of Ranger Junior College, Ranger, Tx. Although first & foremost, it is an academic library, catering to the students, the public is welcome. Librarian, Mrs. Ilene Beck, and assistants, Mrs. Juanita Warden & Mrs. Mary Campbell are willing to help the public patrons when able. They have an excellent card catalog, which helps the researcher. The library does not have a genealogical department, but has microfilm of "The Ranger Times", starting with 3 Sept 1919, through 28 Dec 1969; many references of, but not limited to, The State of Texas, including individual county histories. Winter hours are: Monday through Wednesday, 8:00 a.m. to 8:00 p.m.; Thursday, 8:00 a.m. to 5:00 p.m.; Friday 8:00 a.m. to 4:00 p.m.

Jane (Nobles) Myers, b-20 Aug 1840, d-25 Jul 1899, both buried Shiloh cem, Rankin County, Miss. Have copy of letter written ca 1890 from F.A.J. to my gr-grandfather, Jacob Monroe, giving birthdates of their children, Jacob b-2 Apr 1859; Futey (male) b-1 Jan 1861; Columbus b-14 May 1862; June Jo (male) b-28 Feb 1878; Irvin b-5 Jan 1881; Eula b-25 Jul 1884. Poss others as there is 16 year span between Columbus & June Jo, part of letter could be missing. Jacob Monroe is said to have been a Free Will Baptist Minister. Need parents & birth place

of David & Jane. Would like to hear from other Myers researchers, will gladly share info & will answer all correspondence.

....Jeanne Pruett, P.O. Box Ranger, Tx 76470, has been sent info that an aunt, Mary Elizabeth Davis, was born "at Bayou Beth, La in 1820". I have searched & can not find such a place. Would appreciate hearing from anyone who can give me location.

....In the first column of "Pilgrims To Pioneers", the statement was issued that a Ranger based Genealogical and Historical Society is being formed under this name. So as not to conflict with the Societies already formed in other parts of the county, as author of "Pilgrims To Pioneers", I will make this change; we will form as Pilgrims To Pioneers Genealogical and Historical "Association". Also, at this time I wish to thank all who have responded to the column and those who are interested in being a part of the "Association".

TEXAS PRESS ASSOCIATION

Social Security

UPDATE

The Social Security Administration sent the following "Update" to recipients of Social Security benefits. **SOCIAL SECURITY IS FINANCIALLY SOUND**
The Social Security program continues to operate on a sound financial basis. Income to the Social Security trust funds is expected to exceed outgo by about \$36 billion this year. Current estimates show that the program will be able to pay benefits into the next century, as is shown in the table below:

Year	Income	Outgo	Amount in Trust Funds
1988	\$259 billion	\$223 billion	\$104 billion
1990	\$309 billion	\$255 billion	\$200 billion
2000	\$0.6 trillion	\$0.4 trillion	\$1.3 trillion
2010	\$1.2 trillion	\$0.8 trillion	\$4.5 trillion

The number of people who receive Social Security has risen to over 38 million this year. All received a cost-of-living increase of 4.2 percent in January. But Social Security is not just for retired people. Here is how benefits are being paid this year:

- 60 percent goes to retired workers.
- 10 percent goes to families of retired workers.
- 20 percent goes to survivors of deceased workers.
- 10 percent goes to disabled workers and their families.

Social Security is funded through payroll taxes paid by employers, employees, and the self-employed, and NOT from general revenues. Social Security is not a savings or checking account. Any reserves not used for benefits or operational expenses are invested in U.S. Government securities and earn the prevailing rate of interest.

\$2,500.00 REWARD

Money may be mailed to First State Bank, Rising Star, 76471, to be deposited in the Witt Reward Fund. The account number is 72-360-6. No arrests have been made in the rape/murder case. Era Witt, 87, was found dead in her home on June 7.

Fiddler's Association Show A Success

The Texas Association of Old Time Fiddler's Benefit Show drew a large crowd to the Majestic Saturday. Robert Weeks Sr. of Eastland, coordinator of the event, said that a number of top players from around the state attended. They, as well as local musicians, entertained the crowd for about six hours during the afternoon.

Among the visitors were World Champion Fiddler Wes Westmoreland of Gustine, National Champion Bart Trotter of Odessa, and his wife Marilyn, who is a New Mexico State Champion. Bill Gilbert from near Weatherford, another champion, also played for the crowd.

Among Association officers present were Bud Oto, Llano, President of the Association, Butch Henderson, Board Member and Vane Elms, Secretary, both of Gustine, and Mike

Henderson, guitar player and Board Member of Big Spring. Bart Trotter is also a Board Member.

Local musicians who performed were Robert Weeks Sr., fiddle, Al Anderson (Cisco) who sang and played the fiddle, Roy Thackerson (Ranger), fiddle, Raymond Hart (Ranger), guitar, Gerald Parks (Cisco), piano, and Cliff Andrews of Cisco, who sang.

Davene Jeffcoat directed the Siebert Square Dancers in "Cotton-eyed Joe" and "Put Your Little Foot." The Weeks boys, Robert Jr. and Brandy, played their fiddles with the routines. All these youngsters received big rounds of applause for their fine performances.

Mrs. Robert Weeks Sr. and Mrs. Al Anderson were in charge of the Arts and Crafts

contributed by Association members and friends. More than \$500 was raised by this project, and the money will be used for the Fiddler's Association.

Robert Weeks reports that special thanks are due to several restaurants and a motel which gave discounts during the Association meeting. These were The Crossin', K-Bob's, Pulidos, and The Sleep House. Special appreciation also goes to H.V. O'Brien of the Eastland County Newspapers for arranging use of the Majestic, Week says.

During the meeting there were a lot of good comments about the sound and the surroundings at the Majestic. Weeks feels there is a good chance the Association will schedule another meeting in Eastland.

DAR Monthly Meeting

The Charles Crawford Chapter of the DAR met Monday, Feb. 22, 1988, in K-Bob's Restaurant for a monthly meeting and luncheon.

The meeting was called to order by Regent, Flora McCaillies. The opening ritual was given by the regent. It was followed by the Pledge of Allegiance to the American Flag, the American's Creed, the Preamble of the Constitution, and the Star Spangled Banner, all voiced in unison by the people present.

The DAR President General's Message was read from the current DAR magazine. Both it and the National Defense Report were presented by Flora McCaillies.

The defense report advised concern for our country's dealings between Gorbachev and President Reagan. Defense concessions that might harm the interests of our nation should be carefully avoided.

The reports of officers was given. The treasurer, Bernice Durham, reported that

a gift of money had been sent from our chapter to the President General's "Pipes and Drums" project, a project for needed repairs at DAR's national headquarters. Contributions were made to a fund to be sent to Tamasee School, which has been supported by DAR members for many years.

Mrs. Emily Perkins was program chairman for the day. Since February is American History Month, the program centered about American presidents, particularly Washington and Lincoln. Also Mrs. Perkins told a personal story about how she met Theodore Roosevelt; She was a passenger in her grandmother's car, and they stopped to help a motorist, who was waving for assistance. The motorist was Theodore Roosevelt.

The benediction was given by Ruby Lee Pirtle. Present for the meeting were members Emily Perkins, Bernice Durham, Sarah Alford, Ruby Lee Pirtle, Flora McCaillies, and a guest, Dorothy Donovan.

Obituaries

Johnnie O'Brien

Funeral services for Mrs. P.D. (Johnnie) O'Brien, 91, were held at 11 a.m. Wednesday at Second Baptist Church in Houston, with the Rev. Edwin Young, pastor, officiating.

Kirsti McKinnerney

Kirsti McKinnerney, 12-year-old daughter of Floy and Claudia McKinnerney of De Leon and the granddaughter of Mr. and Mrs. W.J. Tomasich of Victoria and the late Luella McKinnerney Griffin of May, com-

peted in the Texas Pony of America Club Show Year 1987.

Kirsti rode a red roan mare (Charm Marantha Sioux MR, better know as Susie) owned by Brenda Goree of Cleburne. The mare was leased for a year by the McKinnerneys.

The Texas POAC awards banquet was held in the Cactus Room of the Amon Carter Jr. Exhibits Hall in Fort Worth on January 30. Kirsti received High Point

Girl 9-12 Division, High Point Mare, Reserve Stock Seat Equitation, Reserve English Equitation, Top Ten Riders and Overall High Point Rider in State. She received an engraved trophy, plaque, clock and monogrammed

hat bag. Kirsti also received \$250 in Pony Bucks which are cashed in toward tack equipment.

Kirsti shows 15-20 classes per day during a two-day show period, including native costume, various Western and English classes, speed events and hunt seat equitation. Sites for competition included Waco, Benbrook, Stephenville, Glen Rose, San Marcos and Belton.

She is presently training a new mare that she plans to show for the next few years. Kirsti is excited about the prospect of training the mare herself and has high hopes for herself and her new friend.

Fishing Outdoors

By Terry Wilson

Lunker Committee Changes Bass Release Rule

Officials of the "Operation Share a Lone Star Lunker" committee have decided to rescind the requirement for returning bass alive to their lakes of origin after completion of hatchery work.

Bill Rutledge, hatchery chief for the Texas Parks and Wildlife Department, said the decision was made because several anglers who were otherwise willing to loan their 13-pound-plus bass to the department did not do so because they wanted to retain final ownership of the fish.

"One of the objectives of the lunker program is to promote catch-and-release fishing," said Rutledge. "It will continue as an objective, but the release requirement was causing us to lose fish that could have helped us in our bass genetics program."

Any angler loaning a fish to the lunker program will receive a fiberglass replica of the fish. If the fish dies in the hatchery, it will be given back to the angler. Likewise, if the fish lives it will be returned to the angler to release or to use in any manner he or she chooses.

Fishermen with bass that might qualify for the program should call toll-free 1-800-792-1112, or the Tyler Fish Hatchery, (214) 592-7570.

Storm Lures is once again expanding one of their mainstay lines, the deep-diving "Hot 'N Tot" lure, by adding a larger, even deeper diving model, the "Magnum

Hot 'N Tot". Fishermen who are familiar with the two smaller "Hot 'N Tot" lures will readily welcome this new size with open arms.

The "Magnum Hot 'N Tot" is 1 1/2 inches longer than the smallest "Hot 'N Tot" and 3/4 inches longer than the middle size, making it a total length of 4 1/2 inches. This bigger size is heavier, too, with a weight of 3/4 ounce. With this extra weight and the larger dimensions emphasizing its bait-fish simulating body shape, the "Magnum Hot 'N Tot" is armed for bigger game, whether the prey is Walleye, Trout, Steelhead, Salmon, Musky, or Strippers. Largemouth bass, too, should fall easy prey to the lifelike bait-fish action.

The Magnum Hot 'N Tot's broader, longer metal lip provides more of the vigorous, widespread reaching action that fishermen need when trolling miles of shoreline or scouting deep waters. The continuous unrelenting searching action performed while maintaining the stability necessary to stay down at all effective trolling speeds is a primary feature of all the Hot 'N Tot's and the larger "Magnum Hot 'N Tot" is certainly no exception. The "Magnum Hot 'N Tot" hunts down the bigger game to bring in the trophies for its captor.

For a listing of the 31 proven color combinations available in the "Magnum Hot 'N Tot" and a new free catalogue with an updated color selection chart, write

Storm Manufacturing Company, P.O. Box 265, Norman, OK, 73070.

Last week we reported to you of a 17 pound 4 ounce lunker coming from Lake Fork. We have also learned of a 17 pound 10 ounce lunker found floating. Not knowing just how long this fish had been dead, it could have easily been a new state record. Till next week, safe boating and remember those kiddo's enjoy fishing too!

Gibbons Creek: Water clear, 53 degrees, normal level; black bass to 10 1/4 pounds, 6 keepers over the last week on variety of lures; crappie to 20 fish per boat in minnows; catfish fair to 9 pounds on juglines.

Whitney: Water clear, 46 degrees, 8 feet low; largemouth bass good to 3 pounds, the largest was 6 3/4 pounds, on Towash Creek with jigs, Redfins and Critter Getters; striped good in 25 feet of water to 14 pounds on stripper jigs; crappie good on houseboats in the brushy areas to 1 1/2 pounds with limits; white bass good up river to 25 fish per string on minnows up river; catfish fair to 5 pounds on rod and reel and trotline on nightcrawlers and shad; the bright weather has brought out good numbers of boats.

Monticello: Water clear, 60 degrees, normal level; black bass good to 8 pounds, 12 ounces on 8-11 inch black worms and lizards; crappie very good to 20 fish per string to 2 1/2 pounds on minnows and jigs; blue catfish very good to 65 pounds and channel catfish good to 10 pounds on shrimp and nightcrawlers.

Water discolored up river, main lake clear, 50 degrees, 3 inches over pool level; black

bass good to 5 pounds on Rat-L-Traps, spinners and jigs around the edges of hydrilla; striped slow; crappie good off the piers, wind has been high which keeps fishermen away from crappie holes; white bass good up the river along with crappie, no great numbers yet; catfish good in the 3-5 pound range.

Toledo Bend: Water clear, 52 degrees, normal level; black bass fair to 5 pounds on spinners; striped slow; crappie slow; white bass slow; catfish fair on trotline to 3 pounds.

Braunig: Water murky, 50 degrees, normal level; black bass excellent to 8 1/2 pounds on cranks and plastic worms; striped excellent to 4 pounds on chicken livers; crappie slow; catfish excellent to 8 pounds on trotline with chicken livers and shad; redfish slow; corvina slow.

Calaveras: Water murky, 56 degrees, normal level; black bass very good to 9 pound on jigs and tilapia and plastic worms; striped excellent to 4 pound average on silver spoons and chicken livers; crappie slow; catfish good to 38 pounds on chicken liver and shad; redfish slow; corvina excellent to 5 pound average with strings weighing up to 45 pounds good on chartreuse grubs.

Fort Phantom Hill: Water a little muddy, 45 degrees, 5 feet low; black bass fair to 3 pounds on plastic worms; hybrid striped good to 7 pounds at the hot water discharge on shad colored cranks; crappie fairly good to 1 1/2 pounds each with strings to 25 fish per string on minnows and white jigs; white bass fair on shad colored cranks and Sassy Shad; catfish poor to fair. Walleye fairly good to 19 inches, or 3-4 pounds, on jigs right on the bottom in the hot water area. Walleye should be plentiful around the dam in

about 3 weeks.

Granbury: Water clear, normal level; black bass slow; striped slow; crappie fair on minnows to 3 fish per string; white bass fair to 4 fish per string on minnows; catfish slow.

Hubbard Creek: Water clear, 45 degrees, normal level; black bass good to 6 pounds on motoroil and chartreuse worms; hybrid striped fair to 4 pounds on shad colored cranks trolling; crappie good with limits to 1 1/4 pounds each on white and yellow jigs up in the creeks; catfish slow.

Possum Kingdom: Water clear, 46 degrees, 13 feet low; black bass good in the 3-8 1/2 pound range in good numbers on plastic worms, pork skins; striped slow; crappie good to 70 fish per string on minnows and slabs; white bass slow; catfish slow.

Spence: Water clear, 48 degrees, 19 feet low; black bass good to 9 1/4 pounds, a new lake record, on silver and blue spinners; striped slow, a few to 10 pounds on live bait; crappie slow; white bass good to 2 1/2 pounds on slabs; catfish slow.

Twin Buttes: Water clear, 3 feet below conservation pool level; black bass good to 4 pounds in fairly good numbers on spinners and slabs with pork rind trailers; striped slow; crappie scattered, a few in 7 feet of water instead of the usual 30; white bass slow; catfish good in the rivers, but water is rough so fishermen have a hard time getting out.

Caring Heart Award Presented

This quarter's Caring Heart Award was presented to La Nelle Bennett. La Nelle is our Food Services Supervisor and has been with our facility for 9 years. When asked how she felt about the award, La Nelle said she felt exceptionally honored because she was chosen by the residents of Northview rather than by the staff.

La Nelle is always there!

New staff members always appreciate her helpful tips, as meals are supervised by employees. She knows which residents like what, and always keeps a watchful eye on our "Dieters!"

The Caring Heart Award is given to employees exceeding the standards and expectations established by our facility and who better exemplifies this than La Nelle Bennett!

Homemaking Hints

From Janet Thomas, County Agent

Some of the snack foods found in the health or natural foods sections at the supermarket may be giving you more sugar, sodium or fat than you bargained for.

Granola bars, dehydrated fruit bars, trail mix and other health snacks can be convenient and nutritious food choices, but also have their drawbacks.

Granola bars are a good example. Plain granola bars contain grains, such as oats, that add protein and fiber to the diet. With added fillings, chocolate pieces or coating and syrup added to enhance flavor and chewiness, however, some snacks are more like candy than granola.

Dehydrated fruit snacks which come in bars, bits and rolls are convenient lunch-box treats, but don't compare to fresh fruit for nutritional value. The fruit snacks also have added sugars and sweeteners.

Microwavable popcorn, like regular popcorn, will

vary in fat and sodium according to how much butter and salt is added.

While consumers control how much salt and butter they add to the popcorn made the conventional way, the microwave product may contain more than they would normally use.

Many of the trail mixes and bulk fruit and nut mixes have high nutrient values. But some, such as the bulk party mixes, are high in fat, calories and sodium.

Moderate amounts of almost any snack can fit into a balanced diet, but consumers shouldn't assume all foods are healthy because they're advertised that way. If you're really concerned about nutrition, carefully reading the ingredients list and nutrition information on snack food labels to find out just what you're getting.

County Peanut Growers Short Course Planned

An Eastland County Peanut Growers Short Course has been planned for Friday, March 11, at the Senior Citizen Center in Gorman. All peanut growers and wives are invited to attend, says County Extension Agent, DeMarquis Gordon.

Registration and viewing of exhibits will begin at 9:30 a.m. A free barbecue lunch will be served at noon. Extension Home Economist, Janet Thomas, will have a booth on the nutritional information of peanuts.

The short course will be filled with timely and important topics for peanut growers. Extension Service Specialists, Experiment Sta-

tion Scientists, and peanut industry personnel will discuss topics that address problems of peanut growers.

Among the topics to be discussed will be peanut soil fertility needs, weed control with herbicides, seed supply and seed quality, peanut varieties and planting rates, peanut insects, peanut diseases, chemigation regulations, and alternate crops for rotation. There will be reports from the Texas Peanut Producers Board and the Southwestern Peanut Growers Association.

Speakers will include Cr. Charles Simpson, peanut breeder for the Texas

Agricultural Experiment Station; Dr. George Alston, Extension Agronomist; Dr. Chip Lee, Extension Plant Pathologist; Dr. Jesse Coker, Extension Entomologist; George Rutledge, Inject-or-meter Manufacturing; Mary Webb, Texas Peanut Producer Executive Secretary; and Ross Wilson, Manager of Southwestern Peanut Growers Association.

Chemical Company representatives will have displays of products for peanut production.

Oscar's Barbecue will serve the noon meal courtesy of the Chemical Companies present.

The short course was planned for all peanut growers of the area by the Eastland County Crops Committee.

Gordon says, everyone interested in peanut production is invited to attend. Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socioeconomic level, race, color, sex, religion, handicap or national origin.

"Wall Street" To Show At Majestic Theater

WALL STREET

This movie plays like Karl Marx's worst fever dream. That 22-year old business school geek you were selling lit notes to in your senior year is now twelve months older and making six figures overseeing hostile billion dollar multi-national takeovers.

Oliver Stone convincingly portrays America's fiscal nerve center as a ruthless kill-or-die-trying Darwinian nightmare: a bunch of snottosed brats riding bullet trains in the fast lane, all of them bent on turning personal profit by playing fast and loose with your parents' hard-earned pension funds. And the fact that this appears to be a workplace teeming with darkest evil does little to deter us from getting caught up in Charlie Sheen's unprincipled rise to unfathomable wealth and power.

"Wall Street's"

screenplay, by Stone and Stanley Weiser, is packed solid with just the kind of sickeningly warped yuppie chuckleheads you'd like to strap to a pontoon boat bound for the Strait of Hormuz. Michael Douglas, as a blood-thirsty wimp-chewing Rambo capitalist named Gordon Gekko, gets to mouth lots of wickedly funny Dale Carnegie-on-acid rhetoric about how insider trading is okay as long as it nets the insider in question a wholly ungodly amount of money. Sean Young (the wiseacre call-girl from "No Way Out") contributes a really memorable four minutes or so as Douglas' lovely, ultra-tactful wifemistress. Charlie Sheen, James Spader, Chuck Pfeiffer, and a whole cadre of hard-charging young pup actors fill the screen with likable unctuous performances as Stone's greed-

blinded disciples of the liquid asset. Terence Stamp is on hand to create a fascinating menace as Douglas' Brit rival. And this isn't half of what "Wall Street" has to offer; Stone just keeps these high-concept sleazoids coming, and, boy, it is a fun parade to watch.

Some inspired uses of avant-garde rock and roll (particularly several haunting David Byrne/Brian Eno-compositions) lend a sharply-realized, out-of-kilter atmosphere to a film that adheres so strongly to realism, and Robert Richardson's highly innovative hand-held camera-work works better than it has any right to, transforming the enclosed fluorescent-lit office spaces where so much of the movie takes

place into vast paperwork jungles. Much less preachy and a lot more fun than dumb old "Platoon" ever was, Stone's first directorial foray into big-budget filmmaking should pleasantly surprise Stone supporters and detractors alike.

This film is rated "R" for language, nudity, sexual situations and, one assumes, some ugly portraits of bankrupt American morality.

Feature times at the Majestic in Eastland:
Friday, Saturday, and Sunday - 7:30 p.m.
All seats are \$2.50.

Texas Peanut Producers Will Elect Board Members

The Texas Peanut Producers Board will hold its biennial election on April 30, 1988. The current terms of three board members will expire at that time. Any person living within the following counties who is engaged in the business of producing, or causing to be produced, peanuts for commercial purposes, is eligible to vote in his district, including owners of farms and their tenants and share croppers, if such person is subject to paying the assessment that is collected on peanuts within the following counties:

DISTRICT II: Includes the northwestern counties of the State. The southernmost boundary of this district includes the following counties: Loving, Wheeler, Ector, Midland, Glasscock, Sterling, Coke, Nolan, Taylor, Callahan, Eastland, Palo Pinto, Parker, Wise, Denton, Grayson, Fannin and Lamar. Peanut producers north of this line are in District 2.

DISTRICT III: The westernmost boundary of this district includes the following counties: Red River,

Delta, Hunt, Collin, Dallas, Tarrant, Hood, Erath, Bosque, McLennan, Bell, Milam, Lee, Bastrop, Fayette, Colorado, Wharton and Matagorda. Producers east of this line are in District 3.

DISTRICT IV: The northernmost counties of this district include the following counties: Maverick, Zavala, Medina, Bexar, Guadalupe, Gonzales, Lavaca and Jackson. Producers south of this line are in District 4.

Any person qualifying to vote in the election may place his name in nomination for membership on the Texas Peanut Producers Board for a six year term from that district by application to the above organization, signed by himself and at least ten other persons eligible to vote in the election. Such application must be filed at least 30 days prior to the election date, in order to have his name placed on the ballot.

The election will be held by mail ballot. Ballots must be mailed to the polling place at P.O. Box 398, Gorman, Texas 76454 by or before midnight on date of the elec-

tion. (April 30, 1988)

Any person qualified to vote who does not receive a ballot 15 days prior to the election, may obtain one at County Agent offices in peanut producing counties within the State.

REFERENDUM STATE AT LARGE - The Texas Peanut Producers Board proposes a referendum election on April 30, 1988 under provisions of the Texas Commodity Referendum Law, Chapter 41, Texas Agriculture Code, on the proposition of whether or not peanut producers within the State of Texas shall assess themselves an increase in the current assessment rate of \$1.00 per ton to a maximum amount of \$2.00 per net ton of farmers stock peanuts to be collected at the point of first processing or sale on a "refund only" basis, and to be used for funding programs of research disease and insect control, education, and promotion designed to encourage the production, marketing and use of peanuts. All Texas counties are within the proposed referendum area.

Peanut Growers Nominations

Peanut growers of the Southwest -- primarily Texas, Oklahoma, New Mexico, Arizona and California -- will meet at Austin, Texas on Thursday, March 24, 1988 to elect a grower member and alternate to the Peanut Administrative Committee.

The meeting is scheduled for 10:00 a.m. (CST) at the Howard Johnson North Plaza, I-35 North and Hwy. 183, in conjunction with the annual membership meeting of Texas Peanut Growers Association. The nominations part of the meeting will be at the top of the agenda.

Lane Campbell, Peanut Administrative Committee Field Representative will conduct the nominations and he will be assisted by John Toth, USDA-AMS, Marketing Field Officer, Winter Haven, Florida.

Wm. I. Yarbrough, Peanut Administrative Committee Manager explains that the Peanut Committee administers the Peanut Marketing Agreement. The

committee is made up of growers, shellers, and the Area Association managers, and recommends peanut marketing regulations to be issued by the Secretary of Agriculture under the Agreement. Though these regulations are applicable only to signatory handlers under the Agreement, they generally affect the entire industry.

The grower member position to be filled is currently held by Harvey Schneider of Pleasanton, Texas. The alternate's position is oc-

cupied by Charles Freeman, also of Pleasanton. Both terms expire April 30, 1988. Both men are eligible for renomination.

A special program of interest to peanut growers will be held in conjunction with the meeting, says Mary Webb, Assistant Secretary/Treasurer of Texas Peanut Growers Association. She invites peanut growers from all Southwestern Area states to attend the meeting and participate in the nominations.

Dee Hogan Issues Statement

DEE HOGAN
...Issues Statement
Dee Hogan, candidate for Democratic nomination as Sheriff of Eastland County, has issued the following formal statement:

I am asking to be elected County Sheriff of Eastland County because I am qualified to help work toward improving the living conditions of citizens in the county, and to improve the living conditions of citizens in the county, and to improve the public image of the county as a safe place from crime.

This is my home and as a citizen of Eastland County I have certain rights. I see the erosion of many of those rights.

We have the right to law enforcement that is responsive and can calm the fears of the elderly and rural citizens who need assistance. It breaks my heart that these people have to put multiple locks on their doors, nail shut their windows and stay inside because there is no prompt response to their calls for help or adequate vigilance to ensure their safety.

We have the right not to be burdened with taxes that are unnecessary. A jail expansion costing \$1.4 million is not the answer to jail overcrowding. Proper management of our present facility is the answer. The thought of Eastland County going into debt for an expensive jail scares me. Our present economy calls for the highest degree of efficiency in order to limit expenses. By speeding up the release of those eligible for personal recognizance bonds, closely coordinating efforts with the Texas Department of Corrections for a timely transfer of prisoners to Huntsville and causing needy persons who cannot afford an attorney to be brought quickly to the attention of our courts will prevent long and very costly jail stays. I've been told by attorneys that some needy persons have been in our jail for as long as 6 to 9 months before they (the attorneys) are appointed to represent them.

We have the right AND the obligation to educate our young people to the risks and dangers of drugs and alcohol. I would propose an ongoing program, with the help of local ministers, teachers, parents and other interested, to equip our youth with the tools to deal with the peer pressure and outside influences to which they are constantly subjected.

We have the right to a drug free area. Statistics show that controlling burglaries and other crime controls drug trafficking. I want those inclined to sell or manufacture drugs or burglarize for obtaining money for these substances to realize that Eastland County is not a profitable place for their activities and will not be tolerated here.

ELECT HOGAN COUNTY SHERIFF
(Pd. Pol. Adv. by Dee Hogan, 306 N. Oak, Eastland, Tx. 76448)

We have the right to be served by citizens of our own. Eastland County has produced many people of honor and intelligence. These people, your friends and neighbors, should staff the sheriff's office. The hiring of one's relatives is not in the best interest of good law enforcement and only creates a monarchy thereby shutting out local participation and input.

My wife Jo and I have two daughters and four grandchildren. We live in Eastland and attend Olden Baptist Church.

I am 56 years old, the middle child of Oliver and Dausie Hogan, and a native of this county, having attended schools in Morton Valley and Eastland. I attended the University of Southern California where I studied Police Sciences and Administration. My training is in excess of the state requirements for the office of sheriff.

My experience in law enforcement includes Uniformed Patrolman, Plain Clothes Detective, Lieutenant of Detectives, Chief of the Crime Prevention Bureau, Deputy Sheriff's Commission and Chief Juvenile Probation Officer.

Other administrative training includes employment with two of the top 100 largest corporations where I served in Management. At the present time, I am the Tri-County representative for Panasonic and Savin Corporations in the distribution and sales of office equipment.

People are ready for a change. I will bring efficiency and good business management to the office. I want a law enforcement agency to be proud of, one known for its credibility, its cooperation with the courts and other law enforcement agencies, one that will cause our senior and rural citizens to breathe easy again and finally an incentive for our youth to once again say with pride, "I was raised in Eastland County."

Thank you, Dee Hogan.

Area News Briefs

CISCO

The Cisco City Council has approved the purchase of a police car, after hearing City Manager Mike Moore tell Council members that two out of the six department cars are out of commission. There is enough money in the city budget for one car, but the matter of a second one may be brought up again if exceptional buys can be found. Moore said the eight Cisco Police officers are having to double up now.

During a financial report to the City Council, Mike Moore said that the tax collection for overdue city taxes is "extremely disappointing." He said thirty five percent of the past due taxes for

the City of Cisco are from people who have never been delinquent before. Moore added that this must signify something. Tax collection is the biggest source of income for the city. Moore reported that he will meet with tax lawyers next week, and a decision will be made on how to handle the problem.

A new business in town is Cisco Communications, located at 220 West 8th. Dave Lorange, the owner, will be repairing phones and answering machines. He has rebuilt phones for sale, and will have used books for sale. He plans to have an antique popcorn machine in operation soon. Everyone is invited to stop by and see his

establishment.

Calvary Baptist Church has agreed to purchase two lots and a house beside the church property, adding space for future growth. Parking space is in short supply at Calvary, and a new church building is under construction. Nearly ten thousand dollars has just been raised to continue the building construction, and now the members have accepted a challenge to raise another ten thousand in just thirty days to pay for the additional property. Calvary has stayed out of debt by building on a "pay as you go plan" and by using volunteer labor.

The 1938 Class of Cisco High School is planning their 50th reunion on April 23, 1988. A number of members have not been located.

Anyone wishing more information may contact Richard Donovan at (817) 442-2421.

EASTLAND

The Eastland County Precinct One (Eastland) Democratic voting box has been selected as one of 100 in Texas for random sampling by the CBS Television network, to be used by their sophisticated computerized projection system to determine winners in the Super Tuesday election. Details are to be announced, but it appears that representative at the Eastland box will call CBS as early as possible Tuesday night to give early returns and delegate preference from the Convention. This will be used as part of the "yardstick" to measure the state results.

Eastland Head Coach Ronnie Hughes resigned unexpectedly last week. The School Board has yet to act on his resignation, but could possibly call a Board meeting to consider it. Hughes has been offered the head coaching job at

Jacksboro, and says he felt that accepting this job would be a good career move. Hughes also says that he "loves the people here, and everyone has always treated just great." He insists that the Eastland program will continue with or without him, and that if the boys want to win badly enough to work hard they will win.

"The Train to Estelline" will be reviewed by Dorothy Perkins of Midland at the Thursday Afternoon Club meeting on March 3 at 3 p.m. The program will be in the Womens Clubhouse on Plummer St. This will be "Guest Day" for the club, and all interested persons are invited to come out and enjoy the review. Dorothy Perkins is the daughter of Mrs. Emily Perkins of Eastland.

RANGER

A Public Meeting will be held Thursday, March 10, 7 p.m. at the Community Clubhouse on Pine Street, to give Ranger citizens an opportunity to offer suggestions on what can be done to help with the financial

burdens of the city. With everyone working together some solutions are expected. Ranger is still paying on some indebtedness made years ago, and would like to clear this up as soon as possible. Repairs to streets and water meters are also needed.

Paul and Eddy Waddy are the new agents for Greyhound Bus Lines in Ranger. The location for the bus station is now at Ranger Truck Stop, where the Eddys are owners/managers. There will be six busses each day, and package express services. The station will be open from 5 a.m. until midnight.

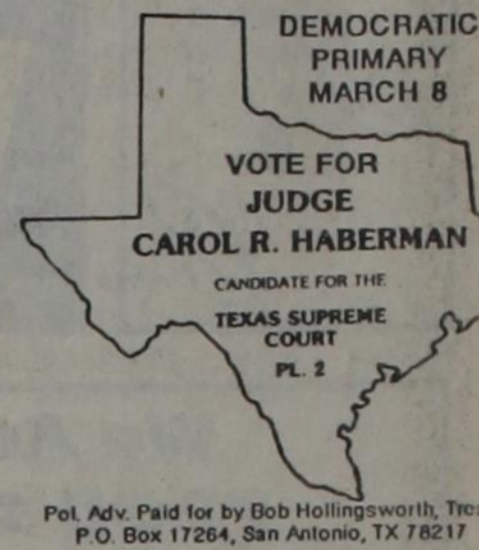

The United Methodist Women of Ranger will sponsor "World Day of Prayer" at the Methodist Church on Monday, March 7 at 12 noon. Ladies of the Ranger Churches are invited to participate. There will be a covered dish luncheon provided by the United Methodist Women. A

nursery will also be provided, beginning at 11:45 a.m.

RISING STAR

The official approval to establish a new church in the Union Center/Romey area was given by the First Baptist Church of Cisco, in cooperation with the Cisco Baptist Association. The church voted to allocate funds and authorize the missions committee to function as a pulpit committee to seek a pastor for the new congregation. Services are now being conducted each Sunday at the Union Center community building on Highway 187.

Candidates Of 1988

By JOSEPHINE CLEVELAND

What are the national issues facing the American people? Where do our presidential candidates stand on the issues and what methods do they propose to deal with them? The candidates were sent a questionnaire by the Wall Street Journal asking about their beliefs. Here are the answers drawn from their campaigns and public statements and the Journal questioning.

Paul Simon, a Democrat from Illinois was a U. S. Congressman from 1975-1985. He was elected to the U. S. Senate in 1985.

On the issue of NATIONAL SECURITY he advocates elimination of U. S. intermediate nuclear forces in Europe and a build-up of NATO conventional forces. He wants a moratorium on nuclear testing, a decrease of nuclear weapons and a ban on chemical weapons. He opposes Star War deployment. He favors research but less than is currently done.

On the CENTRAL AMERICAN issue, Simon, Gephardt and Dukakis are in general agreement, but their methods of dealing with the issue is different. Each favor the Arias peace plan. Gephardt would appoint an envoy to encourage direct negotiations among all parties in the region but opposes all aid to the Contra who are fighting for their freedoms. Michael Dukakis favors the Arias peace plan, opposes military aid but supports the economic aid. Simon opposes military aid to the Nicaraguan Contras, supports the peace efforts and promotes economic assistance to Central America in targeted areas.

Simon has sponsored a balanced BUDGET constitutional amendment. He proposes an \$8 billion program to stimulate jobs and would boost funding for education and job training. To control the deficit, he would curb the growth in defense expenditures and review federal spending programs to eliminate unspecified waste.

His views on the TAX ISSUE is to increase the tax revenue by an excise tax on cigarettes, and energy and

such. On the TRADE ISSUE Simon opposes Gephardt's amendment which would mandate automatic U. S. retaliation against trading partners failing to reduce surpluses unless the president especially waives such action. His plan is to provide his own legislation providing for retaliation by focusing on specific industries where the unfair trade was detected.

What about Simon's views on drug abuse and Aids? He thinks that education should begin in kindergarten, older children should be taught chastity and use of condoms. Opposes mandatory testing except for prisoners and immigrants. He, as well as all the democratic candidates, are pro-abortionists.

Jesse Jackson, a democrat, was president of Operation PUSH from 1971-1983. In 1984 he became a Democratic presidential candidate. He has chosen to run again in the 1988 campaign.

His views on NATIONAL SECURITY include decreasing defense spending. He calls for agreements freezing nuclear testing and cutting strategic weapons by at least 50 percent. He would eliminate MX and Trident missiles, would cut SDI budget to \$1.2 billion and use it only for research.

On the CENTRAL AMERICAN ISSUE he opposes both military and humanitarian aid. Favors the Arias peace plan.

He would bring about a rise in the BUDGET and would spend it for a host of domestic programs. He would ask for a \$50 billion American Investment Bank financed by public pension funds guaranteed by the government that would pay for low-cost housing, mass transit, new roads, bridges and sewer lines.

On taxes, Jackson favors increasing tax revenues from business and the wealthy. Also favors an oil import tax and excise taxes on luxury goods with revenues used for intra structure repairs and deficit reduction.

On the subject of TRADE he'd place emphasis on negotiation to determine fair market shares for all producers. He would call for international conference on food and agriculture. He would vote on the Gephardt Amendment, but says the country isn't prepared for possible international reaction to it.

On DRUG ABUSE and AIDS issue he favors increased funding for medical research to seek vaccine for Aids. Would want an educational campaign which would include public-service ads, condom promotion and public school education as early as child can comprehend. He is against large-scale mandatory testing for Aids. He feels it is not necessary. He is a pro-abortionist.

To Be Continued

Holshouser To Speak Monday

Joanne Holshouser, coordinator of Member Relations with the Teacher Retirement System of Texas, will speak Monday, March 7, 5 to 6 p.m. at Region XIV Service Center, 1850 Albany Highway, Abilene, Texas, at a pre-retirement planning workshop entitled, "STEP INTO THE FUTURE WITH TRS." All current and future retiring teachers are invited to attend the workshop. The workshop is sponsored by the Abilene Retired Teachers Association.

Editor's note: The following article, submitted by Mrs. Ruby McCowen of Cross Plains, was released for publication February 26, 1953.

AS IT LOOKS FROM HERE
Omar Burleson
Congressman, 17th Dist.

In a number of letters during my service in the Congress, people have quoted the 14th Verse of the 7th Chapter of II Chronicles.

A few days ago I had a letter from a friend in Cross Plains who is devoted to her church and to all good causes, who sent me the admonition contained in this Scripture. Her letter was written with deep insights as to the direst need of this anxious day in the life of America. She likely senses that the problems which cry to Heaven for solution are so central and crucial that they must be resolved or catastrophe awaits.

In these desperate days, from newspaper, magazine, radio and pulpit we are being admonished that the fundamental questions are what might be called moral, spiritual, religious. We have come to such a plight that the choice which must be made involves the blessing or the curse, life or death, for our Nation and our boasted Way of Life.

In this letter referred to was quoted this most monumental sentence. It

was quoted in a prayer during the last Congress and is as overarching in hope as a glorious rainbow. But sounding in it is also a doleful solemnity suggesting those for whom the bells toll. "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from Heaven, and will forgive their sins and will heal their land."

In this awe-inspiring covenant, the two mighty monosyllables to write in letters of fire across the sky are "if" and "then" for they are rooted in the inexorable law of cause and effect.

"If" is one of the shortest an biggest words in the Bible. It is written across every promise of spiritual guidance and enrichment.

From Genesis to Revelations we are constantly assured that certain things will happen sure as the rising sun if — if — the conditions are fulfilled. "If with all your hearts ye truly seek Me, then ye shall surely find Me." That is not just a nice motto. It is a law of the unseen.

President Eisenhower in his recent address to the Congress said that we must be strong in arms and strong in productivity but above all, strong in our spiritual resources. These are the needs of this Nation, and of us, the people who inhabit it. I am glad that President Eisenhower is opening his Cabinet meetings with prayer. In the Cabinet Room where these meetings are held, the likenesses of

George Washington, Thomas Jefferson, James Madison, Andrew Jackson and Woodrow Wilson look down upon the group. The first three did much to give us a Republic; the latter two did much to preserve it. The problems facing President Eisenhower today are no less grave.

It would be encouraging to people all over these United States to know that on each Thursday morning at 8 o'clock, a group of Members of Congress come together in a Devotional to admit that the wisdom of man alone is wholly inadequate to meet the responsibilities of running this Government and pray for Divine Guidance. Christ's rule was that "if you do His will, you shall know."

Long before Eisenhower was President he said to a great company of religious leaders that "without a spiritual renaissance, America is doomed." The sharpest sword America has is the sword of the spirit. That is the implement which totalitarianism has thrown away and the weapon it fears most. It seems necessary that we be militarily strong but the final hope of America and all the world is not alone in the Pentagon but in Pentecost.

We call ourselves a Christian Nation. Are we really? "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from Heaven, and will forgive their sins and will heal their land."

Senior Center News

We had a very enjoyable day Thursday at the Senior Citizens Center. The Dublin Senior Citizens Rhythm Band came and played for us, there were 23 members in the band and we enjoyed them very much.

Mr. Walt Knowland and Mrs. Irma Miller were at the Center Monday, helping with income tax, they are tax counselors for the elderly, 60 years and over. They will be here every Monday at 10 a.m. to help with taxes and it is free.

We still have some sick folks, Mrs. Barnes fell and broke her ankle, Alvie and Dell Bible did not get a good report from their doctor, Martha Ward is not able to come to club. We hope everyone is better soon.

Dutch Shults thanks the volunteers of our Ambulance Service for the safe trip to the Diagnostic Clinic, he urges everyone to support our Ambulance Service and the Fire Department.

We want to thank Clyde Griffin and Curtis Hill for installing the awning over the outside door. The awning was donated by Lucy Curtis and we thank her very much. Clyde Griffin and Marion West repaired the plumbing in the ladies room and we thank all the ladies that helped clean up Monday after the Meals on Wheels.

Marion and Margie West went to Breckenridge Saturday to the Rattlesnake Roundup. They enjoyed the Flea Market exhibits, especially the two elephants. There were rides on the elephants and you could feed them range cubes, six for a quarter.

Duby and Edna Jones went to Tyler this week end to see their children and granddaughter, Dee Dee Simpson.

Mrs. Fay Martin and children, Jerrelynn, Becky and Johnathan, of Dallas, spent several days with her parents, Mr. and Mrs. B.B. Ivie, last week.

Rowena Chambers, Taby and Dustin Dunn, Taronna, Jud and Jetanna Sewalt, all came by going and coming from Oklahoma, to spend birthday weekend with Dod-

die Davis. Kimberly Childers, niece of Irene Mayfield and daughter-in-law of Victor and Jeanine Childers, was honored with a birthday party in Irene's home. Relatives present were Mr. and Mrs. Glenn Shults, Ruby Ballew, Benjamin Childers, Scott Harris, Mike Childers, Willie Lee Gray and Mr. and Mrs. Victor Childers.

Evelyn Chick visited with her son Arthur and family last week, she got in some good fishing and saw a good rain in Zapata.

Hazel McCollum is in Fort Worth with her daughter.

Pioneer Patchwork

The quilting circle finished on the pink Dresden Plate and is now working on a Fan and an Improved Nine Patch. They had a pretty good attendance and a visitor, Gladys Sessums.

The last time we reported Game Night at the Pioneer Clubhouse was in error. It is not this Thursday night either. But they were having poor attendance, probably the weather and flu interfering.

Jean Fore's guests were Paul and Juanita Harlowe of Lovington, N.M., and Vic Harlowe of Marble Falls, who came Tuesday and spent most of the week.

Mr. and Mrs. Bill Watson and son Alton of Pampa, and a granddaughter, Julie Robinson and son Chris of Midland spent the week with Joe and Nell Fleming and with Jim and Charlene Fleming. Gladys Sessums visited Monday evening.

Jewel Foster's daughter, Golda, is now out of the hospital and is convalescing in Jewel's home. She will not need chemotherapy because the disease was caught in time.

John and Irma Miller went to visit her sister in Springtown Sunday and returned Monday afternoon.

BREAST CANCER DETECTION UNIT AVAILABLE TO AREA WOMEN

Thursday, March 17, 1988
Rising Star, Texas

A Service of
Dr. Carpenter's Office

CALL 643-3141 FOR APPOINTMENT

According to the American Cancer Society, one out of eleven women in the United States will develop breast cancer sometime in her lifetime. It is currently estimated that over 37,000 women die each year as the result of breast cancer.

Ninety percent of breast cancers are diagnosed by women or their physicians finding a lump in the breast. Women who are diagnosed with a lump large enough to feel have a 50 percent five year survival rate. A woman who is diagnosed as having breast cancer by mammography, before a lump can be felt, has a 97% five year survival rate and a 90% 10 year survival rate.

A mammogram can detect a cancer this small, even before it can be felt. Appointments may be made by calling 643-3141.

\$50.00

The American Cancer Society has established guidelines for mammography in asymptomatic women. (Women who have no symptoms of disease). Those guidelines have been adopted by the American Academy of Family Physicians, American College of Obstetricians and Gynecologists, and The American College of Radiology. Those guidelines are:

- 35-40 years of age - One baseline mammogram.
- 40-50 years of age - A mammogram every 1-2 years depending on breast type and risk factor.
- 50 years of age and over - Annual physical examination and annual mammogram.
- Asymptomatic women under 50 years of age with significant high risk factors should be examined at appropriate intervals. These risk factors include previous breast cancer and family history of cancer.

V. A symptomatic woman should have a mammogram at any age when she experiences a mass, nipple discharge, skin changes or unexplained breast pain.

A screening mammogram is an x-ray of the breast using extremely low dosages of radiation (usually comparable to dental x-rays) and is designed to find very early cancers.

A female technologist who is highly trained in mammography will perform the examination.

The charge for the screening mammogram is \$50.00. The Unit accepts cash, check, Visa, Mastercard and American Express.

For more information or to make an appointment call 643-3141.

Indictments Handed Down

Ten indictments were handed down by a 91st District Court Grand Jury in special session Tuesday, according to Criminal District Attorney Emory Walton.

Indictments included:

- Two for burglary of a habitation.
- One burglary of a building.
- One possession of methamphetamine (less than 28 grams).
- One forgery by making.
- One forgery by passing.
- Two for aggravated robbery.
- Two sealed indictments.
- Two cases were non-billed and one felony DWI was passed for future consideration.

Billy Wright was foreman of the grand jury which is subject to reconvene.

Locals Win at Fort Worth Show

FORT WORTH - Local young people were winners during the 92nd annual Southwestern Exposition and Livestock Show which closed its 17-day run earlier this month with a record junior show turnout.

Area winners include: Class 267 - Simmatal Late Summer Yearling Heifers, 1st Place Toby Long of Rising Star; Class 13 - Junior Crossbreds Heavy Weight Barrows, 2 Place, Brandon Geye of Rising Star; Class 13 - Crossbreds Heavy Weight Barrows, 2nd Place, Brandon Geye of Rising Star.

Among the records established at the Stock Show were over 6,200 entries in the junior division where premiums amounted to over \$48,000, a substantial part of the \$500,000 available for the entire livestock show and rodeo.

The Junior Sale of Champions, featuring champions and class-winning steers, barrows, lambs and wether goats shown by junior exhibitors, grossed over \$570,000.

Grand champion steer exhibitor Vicki Priemeyer of Pflugerville watched as her entry brought \$35,000 in the

sale from Western Insurance Company and Coors Distributing Company of Tarrant County.

Reserve grand champion owner Kyle Benson of Plainview pocketed \$15,000 for his entry on a winning bid from First Interstate Banks and Bb Moore Construction Company.

During the expanded 17 days of the stock show, a record of 797,100 visitors, including many from 44 foreign countries, passed through the gates. An all-time high of 139,640 paid rodeo attendance was charted for the 28 performances of the World's Original Indoor Rodeo.

Livestock entries in general were ahead of the previous year with the show posting an overall increase of 7 percent with over 16,000 head being shown in classes for various animal breeds. The premier shows for Llamas and the Southwestern Sheep Dog Trials met with outstanding success. Plans are to have repeat these specialty shows next year.

Dates for the 1989 Southwestern Exposition and Livestock Show will be Jan. 20 through Feb. 5.

Letter To Editor

Dear Editor:
 Please print my letter so the people in the rural area around Rising Star will sit up and take notice. Just think about it a minute. You are sitting at home, you look out the window and there is a fire coming toward your house - barn - vehicles - etc. Who do you call? The Fire Department of course. But what if there is No Truck to come to your rescue. Well that could be very possible - the demand has been so heavy on the Fire Department lately - last week one truck was burned up in a fire - and the other truck motor is blown.

When you are in the situation of looking at the fire coming toward your property

any donation seems small and you'd make it - if only the fire would be put out before it burns you out. Well it can happen - just as it nearly happened to our family.

So reach into your pockets and give some money to the Rising Star Rural Fire Department before its too late.
