## Wildcats Lose Opener To Eden

Action abounds here as the Wildcats head for the goal. Carrying the ball, David Cooper.

The Rising Star Wildcats were barely shut out on a victory by the Eden Bulldogs last Friday night, Sept. 5th. Edens tight end scored their first T.D. on a 30 yard run and the extra point was blocked by several Wildcats.

Rising Star's defense held well for most the first half. R.S. offenses drove two or three times to Edens 15 yard line but just couldn't put it in for a score. The score was 6-0 at the end of the first half.

Coming back from

half time R.S. immediately drove down and scored on a 25 yard pass to Clay Shultses. The extra point attempt failed. The score was 6-6.

Late in the fourth quarter with the score still 6-6 Eden's Keith Dillard intercepted a pass and ran it in from 25 yard out. The extra point was good. Final score 13-6 Eden's favor. The Cats play Tolar this week. See you there.

## 53rd Meeting Of Trail Blazers

The Trail Blazer's Association, first known as the "Old Settler's Association" met for the 53rd meeting on Saturday, September 6, 1980, in the First United Methodist Church of Rising Star, Texas.

O.R. Shults, President, welcomed the Trail Blazers.

Rev. R.D. Williams offered the invocation.

Dorothy Shook, first vice-president announced the program as follows: Recognition of officers for the past two years.

Reading of the minutes, Emma Jean Steel, secretary.

Treasurer's report, Adelia Shults.

Elizabeth Robertson, second vice-president, gave a memorial to former Trail Blazers.

James Steel, who played prelude music, received a standing ovation for the organ solo, "I Believe".

Officers for 1980-82 were elected: Jack Shults, president; Mrs. W.S. (Gladys) Carter, vice-president; Mrs. Jerry (Karen) Davis, secretary; Mrs. Marion (Margie) West, treasurer; Mrs. Kenneth (Edith) Bibb, reporter; and Mrs. Louis (Irene) Mayfield, historian.

Mrs. David (Doris Sue) Braungardt of Fort Worth, daughter of Mrs. E.B. McCollum and the late E.B. McCollum, held the attention of the Trail Blazers with words she wrote: "Remember, Renew, and Revitalize."

This is the day which the Lord has made; we shall rejoice and be glad in it. Such a beautiful day this is!

I was thrilled and honored when Mrs. Shook asked me to be the speaker on the program for the Trail Blazers Associational Day.

You have given me more than you know. As I sat here looking from this vantage point—I could see all of these magnificent stained glass windows, which surround this historical sanctuary; each picture so clearly beautiful in its rich colors because of the morning brightness.

So you understand why I have been truly blessed this day because I am here.

May I begin with a personal story.

In April, 1954, Mrs. Mary Claborn called me to her desk. I was a senior in Rising Star High School. On the day before, Mrs. Claborn had been given the long assigned "Story of My Life".

After reading the first paragraph, she laid the paper aside thinking that she had found an error.

My paper began—"I was born in the Rising Star Hospital, August 7, 1936". Mrs. Claborn said that the Rising Star Hospital was not built until 1947. It was then that she became educated by an "Older" but "Younger" settler. There was a Rising Star Hospital above the office of The Rising Star Record, staffed by the late Dr. Frank Payne and my mother as the head nurse.

Oh, yes, Remembering—such a pleasant undertaking—let us see.

Do you remember when Rising Star had 4 barber shops; two banks; the "Star" theater (7 days a week, double feature on Saturday and Sunday) (when Rex Allen, Sr. rode his horse on the theater stage in a personal appearance); the fabulous Free Fall Fairs with parades, prizes, exhibits, a Carnival, and Fun, Fun, Fun; skating rinks, in town for a week; the yearly circus; 5 grocery stores; 4 or 5 beauty shops; many Service Stations with gasoline at 17 cents; car dealerships for Pontiac, Ford, Chevrolet; the old Higginbotham store; two black smith shops; Herrington's Variety; Joyce Dry Goods; 2 tailor shops; Childress Dry Goods; 2 gins; three drug stores (tables that had stools you could spin around and around and swing back and forth); many churches; even almost 2 Drive-In theaters; 3 doctors; 2 dentists; a train; and for a few years a Wildcat team that remained unbeaten!

My filing system leaves a lot to be desired in the organization and neatness department. I have the filing cabinet, the A,B,C dividers; and I have folders stuffed to overflowing. For example, under "N", newspaper clippings—not neatly clipped but hurriedly torn out, for I would never get to it again if I waited until I had the scissors in hand.

Many of these clippings are about Rising Star and its people. There are pictures of couples and their anniversaries, births, marriages, articles on club meetings, jobs, promotions, stories about the area; inevitability, the notices of death of friends and loved ones.

Some of my most treasured articles are those compiled by the late Mrs. Vada Arnold—"Miss Vada" as she was known. "It Has Been" was the title; to this day, I miss ar-

## Ludene Michaels Receives Certificate Of Appreciation

Ludene Michaels

Ludene Michaels of May has been awarded a certificate of appreciation from the Governor's Committee on Aging for her many years of volunteer service to older Texans.

The certificate was given to her husband during a ceremony at the May Senior Citizen

Center. Ludene was unable to attend as she was hospitalized in Abilene at the time.

Signing the beautiful certificate were: William P. Clements, Governor of the State of Texas; Kris Kyker, Coordinator of Aging of Brownwood; and Nell Lashbrook, director of Brownwood.

Ludene has helped many elderly people in an around the community by cooking meals, taking them to doctor and dentist appointments, running errands to the Post Office and grocery store and numerous other small jobs that really mean a lot to these people. She has also served lunch at the Senior Citizen Center for many years.

Ludene and her husband, Floyd reside in May.

## May PTC Elects New Officers

New PTC officers for the 1980-81 school term were elected Thursday, September 4th in the recently remodeled May High School Auditorium.

Elected were: President—Loma Rae Pittman, Vice-President—Pearl Harris, Secretary—Liz Hardy, Treasurer—Jeanne Hardy, Reporter—Sharon Young.

Out-going officers were: President—Cynthia Thornhill, Vice-President—Pearl Harris, Secretary—Linda Lancaster, Treasurer—Jeanne Hardy, Reporter—Sharon Young.

Linda Lancaster was named Membership Chairman. Memberships are available at \$2.00 per member. A \$15.00 prize will be awarded to the class with the highest percentage of membership. Deadline for joining is November 1, 1980.

Room count was won by the second grade with 6 members.

## C.T. Parker To Address COFC

Everyone is invited to the Rising Star Chamber of Commerce luncheon this Thursday, September 11th in the Senior Citizen Center located at the old hospital.

Mr. C.T. Parker, retired County Agent

will address the group. The 12 noon luncheon is catered by the local Senior Citizens and is always a delicious treat in itself.

Come and enjoy the food and hear Mr. Parker's program.

## Receive Degree At OES

The Rising Star Chapter No. 277 met Sept. 1, 1980, at 7:30 p.m. in regular stated meeting. Rosalee and Marion McDaniel of May received the degree of the order. Sixteen members were present with two

visitors, Mr. and Mrs. John D. Eisenhower of Cisco chapter.

Delicious punch and cookies were served by the hostesses, Goldia Lancaster and Bess Wright. Next regular stated meeting will be Oct. 6 at 7:30 p.m.

### Congressional Comment

WASHINGTON, D.C. — Recent warnings by Saudi Arabia of sharp cutbacks in Arab oil shipments to the U.S. take us back to the pre-OPEC days when similar warnings were ignored. It took the 1973 oil boycott to force this country to face the unpleasant reality of our dependence on foreign energy supplies.

Seven years later, how much better prepared are we to deal with that dangerous reality? We seem to have made some progress, almost in spite of ourselves. We can all be heartened by the 12 percent drop in oil imports this year, thanks to market pressures, increased domestic production and conservation efforts. As we move toward decontrol of oil and gas prices, we can expect that those influences will continue control of our usage patterns. In spite of one of the most serious blights on the long-range energy picture — passage of the Windfall Profits Tax — domestic production has increased temporarily. We have also tripled funding for solar energy research and development from last year, along with other commitments to development of other renewable energy sources.

All of these steps are vital to any long-range energy policy. But what of our short-range — emergency — capabilities to deal with another crippling boycott? Congress voted down the first attempt at a rationing plan to deal with such an emergency in early 1979. I voted against that preliminary plan because it had no provisions for a target amount of shortages, or "trigger" mechanisms. I fully supported a later bill which authorized the President to devise a plan, requiring a 20 percent shortfall for 30 days before rationing could be put into effect. That measure was passed.

Why then did I vote to block implementation of the Administration's proposal later? I objected — as I still object — to Congress's refusal to accept their responsibility to the people and to make use of a procedural vote such as this was to "duck" the issue. If we, as an elected body, were in favor of a rationing plan, we should have reflected those feelings with legislative votes rather than taking the easy way out and accepting, by procedural vote, the Administrative proposal that we had not thoroughly considered and debated on the House floor, parts of which are already causing Members to have serious second thoughts about the plan.

A less serious objection (and one overridden by the recent Saudi warning) was that once the door was open, so to speak, Congress would be pressured into dropping that trigger level to a less desirable, non-emergency level. For instance, the long gas lines formed last year with only a 6 percent shortfall. That was an inconvenience, to be sure, but not a true emergency which warranted rationing. In such a case, rationing would be used as the primary tool to cut usage instead of relying on conservation methods and market pressures first.

While I remain philosophically opposed to rationing, no one can deny that if we reached the point of a 20 percent shortfall, we would have no better choice. I also agree that the time to make provisions for such an emergency is now, not after another boycott has been announced. But, as a Congressman, elected by the people as their voice in such serious matters, I would rather that that rationing plan had received a more thorough hearing before implementation.

## 4-H Scrapbook Workday Big Success

Seated L to R, Trudi Long, Stephanie Long and Jerry Long. Middle Row-Toby Long, Karmen and Jay Hall, Travis Parson. Top Row-Kathy Hall, Johnnie Scott and Wanetta Parson.

Standing, Tabitha and Jami Hutton, Toby Long, Jami Long, Stephanie Long, Karmen Hall and seated Jay Hall.

Pres. Travis Parson presents Brad Fortune with going away gift from club.

Rising Star 4-H'ers worked over two hours Saturday until finally all the scrapbook pages were finished and ready to go in the cover. The 4-H'ers really worked as a team on their scrapbook, encouraging each other and sharing ideas. They are proud of the scrapbook and that pride is well deserved.

There was little time for horseplay as each member had one or more pages to complete. The Clubs scrapbook contains 20 pages, 75 pictures and about 85 clippings.

The 4-H'ers held a contest for a cover design earlier in the year. Travis Parson's design won and will grace the cover of the Club's scrapbook.

The 4-H'ers were so involved in their work, it was hard to get them to break for refreshments. A whiff of Jami and Jerry's homemade chocolate chip cookies brought them around. The punch was delicious too.

After refreshments, Club President Travis Parson presented our special guest, Brad Fortune with a going away present in appreciation of the great

Wanetta Parson, Jami Long and Brad Fortune study picture layout.

job Brad did as our Club President last year. The gift was a beautiful leather belt buckle. It was oval with the 4-H clover symbol. The Club will miss Brad and we hope he will be back to visit with us.

4-H'ers working on the scrapbook were: Jami and Jerry Long, Brad Fortune, Kelly Hill, Travis and Warren Parson, Tabitha and Jamie Hutton, Karmen and Jay Hall and Stephanie and Toby Long.

Parents and adult leaders present were: Bob and Martha Fortune and Karen, Mrs. Kathy Hall, Sandy Hutton, Barbara Long, Johnnie Scott, Trudi Long and Wanetta Parson.

The 4-H'ers want to thank the First State Bank for the use of the

community room on this special workday. The Rising Star 4-H scrapbook will be

entered in the county scrapbook contest in September in Eastland. Be wishing this 4-H Club GOOD LUCK!

### OIL NEWS

Shoe Petroleum Inc., Breckenridge completed No. 1 Bates as a gas discovery three miles northwest of May in Brown County.

Location is 1704 feet from the north and 2310 feet from the west lines of Section 17, Block 3, BBB&C Survey.

Absolute flow was 4,400,000 cubic feet of dry gas daily from perforations at 2816-27 feet, treated with 500 gallons of acid.

Operator set the 4 1/2 inch casing at 2865 feet, and the hole is bottomed at 2881 feet.

Foree Co., Dallas completed No. 1 Velma Martin as a Duffer oil discovery three miles southwest of Grosvenor.

Location is 2350 feet from the north and 2330 feet from the west lines of Section 46, HT&B Survey.

Daily potential was 16 barrels of 34 gravity oil, plus eight barrels of water. It is pumping from perforations at 2,732-48 feet, treated with 500 gallons of acid and fractured with 4,000 gallons of fluid

## Senior Citizens Host Ice Cream & Cake Evening

On September 2nd, the Senior Citizen Club was the scene of an ice cream and cake get-together. Safe journey wishes were extended to Edith Bostic on her trip to Utah where she will visit two of her sons and their families. Also to Marion and Margy West, who will be traveling to Canada and parts of the Northern USA.

Happy Birthday was sung to Marjorie West and C.W. Richter. Charlie Chamberlain also has a September Birthday, but wasn't present.

I was unable to attend Club this week, but everyone reported good attendance and

an enjoyable time. Band rehearsal was held at Deward and Willie Lee Maynard's, because they were in the middle of laying tile at the Club House. We didn't want to get high on sniffing the glue! It has all been laid, so come by and see how pretty it is.

There were 27 registered on Thursday, the 4th. Gerald Green brought a very good short sermon, some said it was the best they had heard in a long time. He was accompanied by his wife and the youngest daughter. Also by his sister, Freda in some beautiful sacred music and songs. Reporter, Rilla

and 5,000 pounds of sand.

Operator set the 4 1/2 inch casing at 2856 feet, and the hole is bottomed at 2865 feet.

Same firm completed No. 1 Kyzar in the regular field one mile west of Grosvenor.

Location is 1400 feet from the north and 2405 feet from the east lines of Section 43, HT&B Survey.

Absolute flow was 290,000 cubic feet of gas daily with a gas-

liquid, hydrocarbon ratio of 112,000-1 of 45 gravity.

Production is from perforations at 2518-24 feet, treated with 4500 gallons of acid and fractured with 10,000 pounds of sand.

Operator set the 4 1/2 inch casing at 2600 feet, total depth.

The Eastland County Fair will be on October 2, 3, and 4 this year.

## Rising Star Nursing Center

Mary Harmon, Activity Director

This has been a great week. There has been something going on everyday. Monday was Labor Day; but to some it was just another day.

Tuesday was the day for the wild Bingo Game. Everyone ate their fill of popcorn, while Buster called out the numbers. The winners this week were: Maggie Christian (3 games) Leo Atkinson (2 games), Earl Fussell, Lennie Brashear (2 games), Emma West, Bryant Houston (2 games), & Dolly Harrellson.

Wednesday is the designated day for exercise class, but Nettie Wilson and Emma West exercise everyday. Occasionally they will encourage some of the others to join them. Nettie says that exercising makes her feel younger, which is quite an accomplishment considering she is 97 years young. Some of the others like Maggie Christian and Estelle Bolding exercise everyday by walking.

Thursday Bryant Houston, Mary Crisp and Martha Irby played dominoes.

Friday Olive Odom taught the Bible Study while Mrs. Ashworth led the singing program. Linnie Brashear

honored everyone by playing the music for the program.

## PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS OF PROPOSED

## CONSTITUTIONAL AMENDMENTS GENERAL ELECTION NOVEMBER 4, 1980

### PROPOSITION NO. 1 ON THE BALLOT

Senate Joint Resolution 35 proposes a constitutional amendment that would authorize the Legislature to permit banks to establish and operate un-manned teller machines within the county or city where the banks are located and to share the use of teller machines on a basis consistent with anti-trust laws, if it finds such operation will serve the convenience of the public. The Legislature has already passed enabling legislation (H.B. 1510) for this proposed amendment.

### PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 97 proposes a constitutional amendment that would grant the State and the accused the right to an interlocutory appeal from the following trial court rulings in criminal cases: pretrial rulings on the constitutionality of a statute; on a motion to quash, dismiss, or set aside an indictment; and on a motion to suppress evidence.

### PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 98 proposes a constitutional amendment that would require a single appraisal of all property subject to ad valorem taxation and would provide for a single board of equalization within each county. The con-

stitutional requirement that the county commissioners court sit as a board of equalization would be eliminated, and elected officials of the county or governing body of the taxing unit would be prohibited from serving as members of the board of equalization.

### PROPOSITION NO. 4 ON THE BALLOT

Senate Joint Resolution 18 proposes a constitutional amendment that would allow the Legislature to authorize the conduct of bingo games by certain specified groups for charitable purposes, subject to the limitations that operation of the games must be approved in local option elections and that all proceeds must be spent in Texas.

### PROPOSITION NO. 5 ON THE BALLOT

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to authorize bingo games on a local option election basis if the games are conducted by a church, synagogue, religious society, volunteer fire department, nonprofit veterans organization, fraternal organization, or nonprofit organization supporting medical research or treatment programs and if the proceeds are to be spent in Texas for charitable purposes of the organizations."

### PROPOSITION NO. 6 ON THE BALLOT

House Joint Resolution 86 proposes a constitutional amendment that would allow the Legislature to exercise fiscal control over the expenditure of certain appropriated funds, subject to any conditions and limitations provided by law and subject to the ap-

proval of a budget execution committee that would be composed of the Governor, Lieutenant Governor, Speaker of the House of Representatives, Chairman and Vice-chairman of the Senate Finance Committee, and Chairman and Vice-chairman of the Committee on Appropriations of the House of Representatives.

### PROPOSITION NO. 7 ON THE BALLOT

House Joint Resolution 121 proposes a constitutional amendment that would authorize counties with a population of 5000 or less to construct and maintain private roads if they impose a reasonable charge for the work. The Legislature by general law may limit this authority. Revenue received from private road work may be used only for the construction, including right-of-way acquisition, or maintenance of public roads.

### PROPOSITION NO. 8 ON THE BALLOT

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing counties with a population of 5000 or less to perform private road work."

### PROPOSITION NO. 9 ON THE BALLOT

House Joint Resolution 54 proposes a constitutional amendment which defines separate property owned by either spouse as all property, both real and personal, of a spouse owned or claimed before marriage, and that acquired afterward by gift, devise or descent. Persons about to marry and spouses, without the intent to defraud pre-existing creditors, may by written instrument from time to time partition between themselves all or part of their property. Spouses may exchange a community interest in property owned or to be acquired for a community interest in other community property. The amendment would allow spouses to agree in writing that income or property arising from any separate property is to be separate property rather than as community property as it would be in the absence of an agreement. The amendment proposes that a gift from one spouse to another is presumed to include all income or property deriving from such gift.

### PROPOSITION NO. 8 ON THE BALLOT

The proposed amendment will appear on the ballot as follows: "The constitutional amendment allowing spouses to agree that income or property arising from separate property is to be separate property."

al amendment that would change the jurisdiction and authority of the State's appellate courts. The amendment would change the name of the Courts of Civil Appeals to Courts of Appeal and provide that these courts have intermediate appellate jurisdiction over both criminal and civil cases. The amendment would change titles for the Associate Justices of the Supreme Court to Justices and would require members of the Supreme Court to be attorneys licensed in this state while holding office.

### PROPOSITION NO. 9 ON THE BALLOT

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to change the name of the Courts of Civil Appeals and the names and qualifications of the justices of the Supreme Court and to prescribe the jurisdiction and authority of the appellate courts."

### PROPOSITION NO. 9 ON THE BALLOT

House Joint Resolution 54 proposes a constitutional amendment which defines separate property owned by either spouse as all property, both real and personal, of a spouse owned or claimed before marriage, and that acquired afterward by gift, devise or descent. Persons about to marry and spouses, without the intent to defraud pre-existing creditors, may by written instrument from time to time partition between themselves all or part of their property. Spouses may exchange a community interest in property owned or to be acquired for a community interest in other community property. The amendment would allow spouses to agree in writing that income or property arising from any separate property is to be separate property rather than as community property as it would be in the absence of an agreement. The amendment proposes that a gift from one spouse to another is presumed to include all income or property deriving from such gift.

### PROPOSITION NO. 8 ON THE BALLOT

The proposed amendment will appear on the ballot as follows: "The constitutional amendment allowing spouses to agree that income or property arising from separate property is to be separate property."

## First Baptist Church

Years ago, an illiterate traveler was walking along an old stagecoach road to Boston. At intervals were milestones, telling the distance to Boston. Being unable to read, he mistook them for tombstones. A man of courtesy, he would stop at each stone, remove his hat, and stand for a few minutes in meditation. Late in the afternoon a stranger asked what he could be doing.

"Oh," he replied, "there are so many graves alongside this road that I have stopped ten times today to mourn."

And the stranger explained: "My friend, these are not tombstones. These are milestones. You are weeping over progress."

For the christian every milestone can become a point of reference for praise to God for His blessings upon our lives and thanksgiving for the opportunity to do something worthwhile in this old world.

We cannot live in the past but we can make today an important and fulfilling day in anticipation of the tomorrows.

The Apostle Paul expresses this thought in Philippians 3:13-14. He faced his todays realistically, "I count not myself to have apprehended."

He did not look back wishfully, "forgetting those things which are behind."

He looked forward excitedly, "reaching forth to those things which are before."

How do you face the milestones of your life?

R.D. Williams, Pastor

## Jehovah's Witness

As one of Jehovah's Witness, we as a group are a body of ministers, ordained by God not by men II Corinthians

3:1,5,6—following in the masters who said I come not to be ministered to but to minister Matthew 20:28—the one who set the example for ones that would follow him and teach his Father's Word I Peter 2:21—although we are imperfect we try to live by every Word of God and to rely fully upon it for guidance and direction, it was Jesus who said, man must not live by bread alone but by every Word that proceedeth from the mouth of God Matthew 4:4. We look to the Bible for instruction and as the way that the creator communicates with us people, Psalms 119:105. Jesus said what I speak doesn't belong to me but to the one that sent me, John 7:16. Jesus was always referring to his Father's Word when teaching the people as he said, it's written, Matthew 4:4.

Another example Jesus set for ones that would teach his Father's Word, he said I come in my Father's name, John 5:43.

May I ask a question? Who goes in God's name today to

the people, Psalms 83:18? In the Lord's Prayer the first thing Jesus asks us to pray for was his Father's name to be hallowed or sanctified, Matthew 6:9, how are we going to sanctify that name if we are not familiar with it? Or know it? The second thing Jesus asks us to pray for is for God's Kingdom to come, Matthew 6:10. Many people pray this over and over every day, but have no understanding of what this Kingdom is that Jesus said was no part of the world, John 18:36.

Jesus preached about this Kingdom and sent his followers out to do the same work, Matthew 4:17, Matthew 10:7. He commanded that it be preached worldwide for a witness, Matthew 24:14.

Jesus performed this at no cost, he said to his disciples when he sent them out, you received fully, give freely, Matthew 10:8,9.

I was reading in the Readers Digest not so long ago, and it brought out that there were almost 1200 different religions here in the United States alone, in the last book in the Bible, Revelations, Chapter 18, all this religion is called "Babylon The Great" far greater than the City of Babylon that existed in Bible times and where false religion got its start, we understand from Bible study that it refers to the World Empire of false religion and God is telling His people to get out of here and separate themselves, Revelation 18:4.

A lot of people that all religion leads to the name place, but Jesus did not agree on that as he showed when talking to the religious

leaders in his day, he did not tell them that everything they taught was untrue, but he said that they had added Commandments and traditions of men and similar like things they did, Mark 7:6-8, 9, 13; Matthew 7: 13, 14; and Matthew 7:21-23.

Religious error is being exposed today and the truth made known as Jesus taught so that people of honest heart can get free from false religion, we are fast approach.

The end of this system of things and God wants people to live, 2 Peter 3:9. We are now living in the time of the fulfillment of the very last prophecy Jesus spoke of and he said the end of the world would come, Matthew 24:3. Jesus here was discussing his presence and the "End of the World" with his disciples, the signs he gave so we would know when the time came, Matthew 24:7, 14.

There is a people God is using to finish up the work his Son started nearly 2,000 years ago, Matthew 24:14.

I think the reason that most people are in opposition to Jehovah's Witnesses is that they are prone to listen to what others say and not checking into what Jehovah's Witnesses teach, themselves, it would be like saying if the majority of the people were more like the Berea in the Apostle Paul's day, Acts 17:11, and the Apostle John spoke of everlasting life for those taking in knowledge, John 17:3.

## COMMENTARY

By Myrtle Owen

## RAPTURE OF THE CHURCH

We believe it will occur prior to the period called the Great Tribulation. The Blessed Hope. The resurrection of those who have fallen asleep in Christ and their translation together with those who are alive and remain unto the coming of the Lord is the imminent and blessed hope of the Church (Thessalonians 4:16-17), Romans 8:23; Titus 2:13; I Cor. 15:51-52). Jesus taught that He will return to earth. He was careful to warn His disciples to be constantly prepared for this (Matthew 24:42-51; 25:13; Mark 13:37; Luke 12:37). They understood that the present age will end with His coming (Matthew 24:3). The assurance of His return was one of the truths with which He comforted His followers before His death (John 14:2-3). At the time of Christ's ascension two angels came to the group of watching disciples to repeat the promise that He will return. They declared it would be in the same manner as He went away (Acts 1:11). This clearly means His second coming will be literal, physical, and visible. The new Testament Epistles refer often to the Second Coming, and the theme of im-

minence runs through all the passages of Scripture dealing with this subject. Though there would be a period of time between the first and second comings (Luke 19:11), the whole body of teaching concerning the return of the Lord emphasizes that it will happen suddenly, without warning; and that believers should be in a state of continual readiness (Philippians 4:5; Hebrews 10:37; James 5:8-9; revelation 22:10). Believers in the early days of the Church lived in this state of expectancy (I Cor. -:7; I Thess. 1:9-10). Paul's "we" in I Cor. 15:51 and I Thess. 4:17 shows that he maintained the hope

he would be alive when Jesus comes back. A comparison of passage of Scripture relating to the Second Coming shows that some speak of a visible event seen by all mankind and involving the judgement of sinner. Others describe a coming known only to believers and resulting in their deliverance from earth. The latter is referred to among evangelicals as the Rapture. This word is not in the English Bible, but has been used so wildly that one of the definitions of "rapture" in Webster's Third new International Dictionary Unabridged is: "Christ's raising up of His true church and its

members to a realm above the earth where the whole company will enjoy celestial bliss with its Lord." The word raptured could well be used to translate the expression "caught up" of I

Thess. 4:17. Jesus said His coming will result in one individual being taken from a location while another is left.

September 11, 1980

This indicates a sudden removal of believers from the earth, with unbelievers left to face tribulation (Matt. 24:36-42).

## Saturday Club Begins 60th Year

A covered dish luncheon was served in the Fellowship Hall of the First United Methodist Church to begin the 60th year for the Saturday Club of Rising Star.

Red and White check tablecloths covered the six tables with white baskets of artificial fruit and red candles in fruit arrangements as centerpieces.

Lenell Henry, Mary Claborn, and Olive Schaefer were hostesses.

Irene Mayfield, president, presided for the business meeting, which followed the luncheon.

Joyce Easley offered the opening prayer.

Dorothy Shook, secretary, read the minutes and correspondence, which included Citation of Community Achievement as recognized by the General Federation of Women's Clubs and Sears Roebuck & Co. for working to improve the quality of community life.

The treasurer's report was read by Adelia Shults.

Linda George, chair-

man of finance and arts, reported on the sales from the last order of the "Library of Recipes."

Eleanor Nunnally, yearbook chairman, distributed the attractive yearbooks bearing the theme, "Learning to Live in Today's World." The dedication is to the youth of America and reads:

"We dedicate this sixtieth edition of our Saturday Club Yearbook to the Youth of America:

May they ever be aware of their talents and capabilities.

May they realize that through faith in God, they will find courage and strength to overcome evil, aid and encourage the Scouts of America, and be united in working for a better world.

May they know that God is not discouraged with man.

Know that youth is life's radiant reality of today and must be the vibrant leaders of Tomorrow!"

For the closing prayer, Irene read "Thank You, God, for Little Things" written

by the late Lexie Dean Robertson, first president of the club.

Attending were Blanche Cawley, Mary Claborn, Lela Clark, Helen Donham, Joyce Easley, Linda George, Joyce Geye, Lenell Henry, Olice Jones, Lucille Joyce, Hazel Marsh, Irene Mayfield, Hazel McCollum, Eleanor Nunnally, Bonnie Polk, Lottie Mae Roach, Elizabeth Robertson, Maxine Robinson, Olive Schaefer, Joy Setser, Dorothy Shook, Adelia Shults, Emma Jean Steel, Bertha Mae White, and guests, Christi George, Mrs. Freddie Harrell, Mrs. Carroll Westerman, Mrs. Dewain Finley, and Mrs. Wayne Evrage, Carlsbad, New Mexico.

Officers of 1980-1982: Irene Shults Mayfield, president; Eleanor Nunnally, vice-president; Dorothy Shook, secretary; Adelia Shults, treasurer; Mary Claborn, reporter; Lillian Howard, historian; Pauline Hudson, pianist; Hazel T. Marsh, parliamentarian.

The recreation committee is Glenn Pittman and Crissy Moore. The refreshment committee included Terry Burnett, Melissa Norris, and Richard Holt. The opening ceremonies were then conducted with Melissa Norris leading

the Pledge of Allegiance. Glen Pittman the 4-H Pledge, and Debbie Burnett the 4-H prayer. The treasurer reported that the bake sale held in August netted \$50.00 which was donated to the May Volunteer Fire Department. Matt Muckleroy gave a report on the May 4-H party held in August and Debbie Geye told about the Brown County Rally Day at the state 4-H Center.

Lynne Whiteaker and Debbie Geye then gave a slide presentation on their summer Kentucky exchange trip. The meeting was adjourned and refreshments were served to 21 members, 5 adult leaders and 3 visitors.

Meeting date will be the first Thursday night of each month this year. Next month's meeting will be on October 2. All members are to bring a food dish for a local 4-H food show. We will sample each dish and rank them.

## Grandson Of Walters Gymnastics Coach

by Arlene Cinelli

Complete control is the goal of every muscle and every movement is the name of the game.

To see a superior gymnast is like watching art in motion. The ease with which he performs belies the hours of routine practice it took to master the art.

Gymnastics is described as physical exercise designed to develop strength and coordination. Competitions are prescribed acrobatic feats done on special apparatus to demonstrate strength, balance and body control.

And all of this takes practice. Hemo Walters, who's competed in gymnastic events for 10 years, has the only gymnastics

program in town, Farmington, New Mexico.

Since he opened his gymnasium in 1976, Walters has had 19 of his students (male and female) win state championships, six made it to regional competitions, two boys qualifying for national winning all-around, and others have been ranked among the top 20 in the nation.

Walter's wife, Peggy, also helps him coach.

Walters met his wife Peggy, while he was at the University of New Mexico at Albuquerque serving as assistant gymnastics coach under Rusty Mitchell. "She was a gymnast working on floor exercises and the balance beam," Walters said.

Now Peggy helps him coach, teaching

the young girls floor exercises and also conducting adult gymnastic-type exercise sessions for adults.

Walters, the son of Mr. and Mrs. Herman Walters, has been interested in gymnastics ever since he was in the seventh grade.

When Walters graduated from Farmington High School in 1969, he went to Pasadena, California to enroll at Pasadena City College, a two year institution. From there he obtained a gymnastics scholarship to Louisiana State University at Baton Rouge.

Hemo is the grandson of Mr. and Mrs. M.E. Walters of Rising Star.

## Six Flags Enters Fall Season With Two Million Mark Passed

Arlington, Texas--Six Flags Over Texas begins its fall season this weekend with more than two million visitors already counted.

General Manager Ray Williams said, "We're quite optimistic about prospects for an exceptional fall period.

which hit in late June caused many families to alter their vacation plans, and, with the advent of cool weather, we anticipate that those folks will be taking weekend trips."

Williams said attendance so far this season is off about eight percent compared to last year. "The dip corresponded

with the onset of the heat wave," he said, "and we have every reason to expect a rebound now that temperatures are moderating."

Williams said the park will open at 11 a.m. every Saturday and Sunday through November, with closing hours varying. The season will end November 30th.

The Evans reunion was held at Sandy Beach on Brownwood Lake over the Labor Day weekend from Friday August 29, 30, 31st and Labor Day. There were only 40 present along with a good number of visitors from places as far away as Farmington, New Mexico and from all parts of Texas.

Those from Rising Star were: Ethel Evans Clark, Annie Mae Evans Selman, son, J.D. Selman, Mutt and Laverne Carroll and grandson, Brandon Carroll, Benjy and Jan Clark and two little daughters, Jomy and Traci, and Luna Evans Smith of Brownsfield, Texas.

Luna Smith remained in Rising Star until the 3rd of September visiting with Ethel and Annie Mae. While here, the three sisters traveled to Burnet, Texas to visit with Nora Evans Carroll, the fourth sister. They had a wonderful time while visiting with her. Nora had been pretty sick, but was up and about doing real well, getting around with a walker.

## Varying Amounts Of Rain

Relief finally came, in the way of much needed rain. Scattered showers were recorded late Saturday and early Sunday morning with from 1/2 to an inch of rain in some areas. Tuesday morning, a general type rain fell over most of the area.

Amounts varied quite a bit. Residents in town recorded from 1 1/2 to 2 inches; B.H. Hearrin north of town had 1.2; Jim Ray Cox recorded only .6; Pioneer Farmers Co-Op received 3 inches and Mr. R.L. Carey, south of Pioneer recorded 4 inches. South of town amounts ranged from 3 to 5 inches.

C.E. Witt recorded 2 1/2 inches. It was recorded that the Okra community received only a trace. Showers remained in the forecast through the rest of the week.

Don't forget the Eastland County Hay Show in connection with the Eastland County Fair October 3.

Get those hay bales turned in by September 13 to the Vocational Agriculture Department in your community, feed and fertilizer dealers, or implement dealers in your town or community. The Eastland FFA will make arrangements to pick up the entries. Please make sure your name, address, and the type of hay is put on a tag and attached to the bale.

If additional information is needed, please call the Eastland Vocational Agriculture Department at 629-1021, Charles Hutto at 629-2865, Fred Brown at 629-8282 or the Vocational Agriculture Department or teacher in your community. Let's make the eighth annual Eastland Hay Show a success.

#### EASTLAND COUNTY HAY SHOW

We wish to take this last opportunity to remind everyone in the county to get those hay bales turned in for the hay show.

The deadline is September 13. Be sure and tag the bales as to kind of hay and your name and address.

Bales may be turned in at feed stores, implement dealers, and the Vocational Agriculture Department of the High School in your town. The Eastland FFA will be picking the bales up from these locations.

We will tell you more about the hay show later. Let's go get those bales right now before we forget it again.

#### SWINE COMMITTEE MEETING

The Eastland County Swine Committee will meet on September 22, 1980 at 7:30 p.m. in the Gorman Bank Currency Room.

At the meeting final plans for the swine shortcourse will be held November.

All County Swine Committee members are urged to attend this meeting.

#### Personals

Mr. and Mrs. Hardy Harris of Big Spring, Mr. and Mrs. Howard Harris of Lake Brownwood, Mrs. Clara Kidd of Brady, Mrs. Ethel Jones of Fort Worth and Mrs. Ethel Brown of Pioneer have been recent visitors of Mr. and Mrs. Leonard Harris.

### State Fair Begins October 3-19

After a summer of record-breaking, "broken record" bouts with heat and inflation, Texans are ready to welcome the state's biggest annual celebration, the State Fair, 1980-dated for October 3-19.

This year's theme, "Around the World in '80," has brought renewed emphasis on international participation in the exhibit program and an entertainment lineup that globe-hops from Tahitian fire dancers and Scottish pipers to Trinidadian steel drummers and Australian folk musicians.

Special days are designated to honor Texans of German, Czech, Norwegian, and Mexican heritage, and first-week fairgoers will be offered the stirring spectacle of the Royal Canadian mounted Police Musical Ride. The Mounties will perform their intricate drill between events at the State Fair Rodeo, participate in the evening parades and be highly visible elsewhere on the grounds.

The rodeo will attract more than 500 cowboys from the professional circuit to compete for prize money and points in the national standings. Bronc and bull riders, calf ropers, steer wrestlers and barrel racers will provide rugged action in the Coliseum, October 4-12.

Richard Burton will recreate his original role in Lerner and Loewe's classic, "Camelot," the 1980 State Fair musical. The show, which has just completed a two month sold-out engagement in New York, comes to the Music hall as part of a limited national tour. "Camelot" opens on September 30 for 24 evening and matinee performances. Joining Burton in the cast are Christine Ebersole, Richard Muenz and Paxton Whitehead.

The most important football game of this or any year, at least in the minds of Texas Longhorns and Oklahoma Sooners fans, is scheduled for the afternoon of October 11, in the legendary Cotton Bowl.

The lure of the latest makes and models is sure to attract

thousands daily to the 1981 Automobile Show. Demonstrations by expert cooks, on-the-spot contests and fashion shows are featured in the Women's Building, while the Food and Fiber Pavilion offers a broad overview of Texas products. The Food Pavilion will again showcase exhibits by the giants of that industry with long lines as a testimony to the popularity of sampling procedures.

The prestigious Pan-American Livestock Show and related events provide a forum for breeders and buyers as well as an opportunity for fair visitors to see the finest beef and dairy cattle, swine, sheep, goats and poultry. Horse shows are another important part of the livestock program.

There's an abundance of free entertainment at this year's Fair. Daily performances of a 3-ring circus, parades, fireworks displays, military band concerts, street dances, skateboard competition and gospel sings among the fairgoers' choice, all without charge.

No fair would be complete without something to ride and something to eat, and the Midway offers both, plus games, souvenirs and shows, along a crowded corridor that stretches from Big Tex to the Comet Coaster. The temporarily tired and the perpetually hungry will also enjoy the concession oasis on Cotton Bowl Plaza and the numerous restaurants located in or near the exhibit buildings.

Group tickets to the Fair may be ordered at a 20 percent discount until September 30. For information, call 214-565-9931. Rodeo tickets will be sold through all Rainbow Ticket Outlets, 214-521-3670. Tickets for "Camelot" are available only at the State Fair Box Office, 214-691-7200. Football tickets should be obtained through the individual universities.

Eastland County 4-H Wins Big at West Texas Fair Calf Scramble

Five Eastland County 4-H members caught calves at the West Texas Fair Calf Scramble during the

rodeo at Abilene this past week.

The scramble was re-organized this year to include other types of livestock - sheep and swine. On Saturday, September 6 and Tuesday, September 9, approximately 40 4-H and FFA boys and girls scrambled for a total of 20 beef heifers, on Sunday night the 7th, 14 participants scrambled for 8 breeding ewes, and on Monday night, the 8th, 23 scramblers went after 11 breeding gilts. The scramble participants, regardless of whether wanting a heifer, ewe, or gilt, scrambled for calves. After the calf was caught, they had to halter the calf and then drag the animal to a location in the center of the arena.

Winning certificates for ewes from Eastland County 4-H are: Justin Kendall from the Nimrod 4-H Club and Phillip Osborne from the Gorman 4-H Club. A certificate for a breeding gilt was awarded to Noble Laminack of the Gorman 4-H Club. Beef heifer certificates were won by Tommy Donham of Nirmorod 4-H, and Sam Scott of the Rising Star 4-H Club.

Other participants from Eastland County in the scramble were: Scott Anderson, Shannon Kendall, and Mike Woolley of the Nimrod 4-H Club; John Bailey and Shannon Berry of the Cisco 4-H Club; and Johnnie Osborne from Gorman 4-H.

The winners will return to the West Texas Fair next year and show the project they purchased with their certificate.

### Obituary

#### Brother Of Ida Morris Buried

Operators have staked locations for three Brown County wildcats.

Deeper of the trio is CJS Energy Co., Brownwood, No.1 Ben Overton, slated for 3,000 feet.

It will be drilled three miles northeast of Grosvenor on a 90-acre lease.

Drillsite is 1,350 feet from the north and 3,700 feet from the west lines of Patrick McGee Survey 649.

## GORDON SPOT

By DeMarquis Gordon

Now is the time to check your pecan trees for weevils. The adult weevils began emerging from the soil last weekend in some areas. We have insects traps in a few orchards. The first weevils of the year were found on August 31. They do not necessarily emerge at the same time in every location. The soil condition and soil moisture helps determine the time for emergence. This is why it is important that each pecan grower examines his or her own trees.

The pecan weevil is a large weevil being brownish in color and about three-eighths of an inch in length. It has a beak about as long as its body.

Adult feeding is done prior to hardening of the nut shell. After nut kernels have hardened, the female weevil chews a hole in the shell and deposits her eggs in little pockets in the nut. The legless, white grub hatches and feeds on the kernel from three to six weeks. When the grub reaches maturity, they chew a hole about one-eighth inch in diameter in the shell and emerge from the nut and overwinter in the ground.

Pecans are now changing in development from the water to the dough stage. If the pecan is still in the water stage when the weevil feeds the pecan will drop. The nut must be in the dough stage before the immature stage of the weevil can develop.

One method of checking pecan trees for weevil infestation is jarring of the limbs. To accomplish this, place a large sheet under a tree and jar limbs with a padded pole. Weevils will drop to the ground and remain motionless for a short period of time.

When you find an average of three weevils per tree control measures should be applied. Insecticides that are effective for weevil control are Sevin and Torak. Repeat applications as needed at 10-14 day intervals. Do not spray after the shucks begin splitting.

Honeydew aphids are a problem on some pecan trees now. They may be controlled by adding Malathion, Zolone, Cygon or De-Fend to the spray solution.

We would like to remind you again of the hay show. Entries should be turned in next week. One bale of any variety makes any entry. Leave entries at local feed stores or with the FFA in your school system. Be sure to tag your hay with your name, address and kind of hay. There will be no entry fee. This a bargain because the hay owner will get a protein analysis and a physical score on his hay. Otherwise,

## Meeting Of Trail Blazers

ticles of this type in the local paper, which arrives weekly in my home also. These articles let the "Here and Now" know what it was like in the "Good Old Days" as in the "Years Past".

From the passing on of the stories of the history of the growth of this community, you give others the pride of heritage.

Some bits of articles I would like to share with you as we pause this day to Remember, Renew, and Revitalize.

THE RISING STAR-October 1970

"From the very beginning citizens of the Rising Star community have been people of faith and courage.

Pioneers of the country suffered many hardships and failures. During the years 1886-'87 actual suffering was experienced by many families due to extreme drought that covered Eastland County. Many fields were as barren as a cleanly swept floor. Crops that were planted never came up.

Spotted oak failed to bud and post oaks only put out a few leaves that died in their early stages. Grass did not sprout in the spring of 1886.

During the years of ups and downs there was ever a dominant spirit--the spirit of expectancy--and faith in God that all would turn out right and times would be better if they would only trust, work and save.

The courageous people rode out the drought and established homes, cultivated fertile soil, raised fine families, and blessed this new country."

In 1910 electricity came to Rising Star.

In 1910 the first train steamed into Rising Star on Texas Central Railroad track from De Leon. Hundreds of people from miles around came to see their first train; streets were decorated, and a brass band played.

In 1911 an opera house was opened.

In 1917 OIL--within a few hours a peaceful, law-abiding town became a seething mass of humanity. Lease brokers, men seeking oil field work, business men of all works and types, and less welcome followers of oil fields seemed to drop onto the streets. The boom lasted for a time and was gone. Some people got rich; some went broke; Rising Star lived on.

1923 natural gas entered the economy and progress of the community.

THE RISING STAR, June 24, 1971, from an article in THE RISING STAR RECORD, June 23, 1926.

"A contract for a new high school has been let. The site of the new building in the north part of town was located about half way between the Levi McCollum home and town. The school board purchased 8 acres of land from Mr. McCollum.

The building was to

be strictly modern and fitted with every convenience; including steel lockers for students, two modern laboratories, and inside toilet rooms, large classrooms, and a large study hall to accommodate 200 students and the teachers--which could be used as an auditorium; however, no stage was provided. The auditorium in the grade school building was equipped with a large stage and was used for school plays and other entertainment.

Sunday, June 27, 1926, was set for the cornerstone laying of the new First Methodist Church building. Leading church officials from all over the state were present for the presentation of this beautiful building.

Through the years, settlers have come from "Far and Near" to renew old fellowships and observe the founding of our beloved town. In 1903 more than 2,000 people attended the "Old Settler's Reunion" in Rising Star.

Early settlers who came to this wilderness endured hardships and Indian raids; yet, they established homes, cleared land, organized churches and opened schools.

Were it not for these--our pioneer mothers and fathers--we would not be enjoying the blessings of our days. There are many stories about the naming of "Rising Star", most of them seem to use some manner of seeing the brightly shining Evening Star rising in the Heavens. Some people even claim this community would out shine other small villages being built in the section--just as the Evening Star outshines the other stars above.

Whatever the naming story, someday, the town received a beautiful name. In THE RISING STAR last week, the article about this meeting set forth your goals--one being to create a new interest among the children and grandchildren of our ancestors. This is one home town gal, who has the interest, the pride of Rising Star, the pride of knowing that my grandfather and grandmother, Levi and Grace McCollum, came from Tennessee to Okra--than settled in Rising Star, raising their family here; the pride to know that my Heritage here is deeper because my mother and daddy, Hazel and Bulis McCollum, came here to live and give me ROOTS for my life.

My grandparents, my parents, my aunts, my uncles, and ME--we have all helped to carve out a piece of this Rising Star history; in so doing, each making a little history of our own connected with this community; Rising Star--your town--my town. Yes, Rising Star has had its share of good times and bad times.

The economy has varied with the years and the weather. Lately, it seems that oil is in again.

At times the area seems to draw no young people to stay; then, it turns around and they are here, beginning their professions and business ventures.

Because of the number of years that I have been away from Rising Star, I see a new town, a town I no longer closely know its beat; however, I cannot believe the basics have changed that much.

As "Miss Vada" wrote of another time, we may speak of this present time, for her writings apply to the present.

As we each grow older, we learn that the past is so close in time to the present; the future follows fast behind; too soon we awaken to realize the present is now the past.

People in Rising Star and from Rising Star have blessed this community and their country for generations.

How many varied professions of education, science, ministry, business, military, music, homemakers, law related jobs, farmers, artists, poets, and writers have developed from this community. They are, what they are, partially because of the community contribution--the contribution of people here to make persons believe they count for something in this world.

I left home for college; surely, I was frightened, but I was also assured that I was capable of becoming what I dreamed. Eighteen years of caring and love from family and community had instilled this characteristic.

I grew up here; I wasn't troubled by many cares; but when in my childhood "tough times" came, the dog and I would go sit by the dirt tank and watch the frogs jump in; or the solitude of my treehouse would hear my "mournful cries". I dreamed of places yet to see, things yet to do, as I climbed the windmill tower and gazed over the country side.

Our world is not so simple now, but I am glad the kids still have windmills to climb, tanks to stare into, green pastures to see, country roads to follow, fresh cut hay to smell, and tree houses to dream in.

Yes, "Miss Vada" was right: "Courageous people established homes, cultivated fertile soil, raised families, and blessed their country."

Mrs. Shook read the poem, "My Town," which is a favorite of many.

Mrs. Charles (Linda) George sang a medley expressing a love theme of "Heart of My Heart", "High Lilli, High Lo", "I Can't Give You Anything But Love," "For Me and My Gal". The closing song, "May the Lord Bless

and Keep You" expressed the innate feelings of all of the Trail Blazers. Linda was accompanied on the piano by James Steel.

Reverend Bill Easley gave the closing prayer.

Wallace Anderson, 92 of the Rising Star Nursing Center was recognized as the oldest.

Stephanie Sue Braungardt, age 6, received recognition for being the youngest to become a member of the Trail Blazers.

Mr. and Mrs. Ira Edwards of Midland traveled the greatest distance.

A catered lunch by the Quickway Grocery, with the officers furnishing slaw, cake, mints and iced tea was served in the Fellowship Hall to the following who registered: Scott Bailey, Mrs. M.D. Bailey, Homer Claborn, Cisco; James Steel, Albert McAlister, Abilene; Mr. and Mrs. Glenn Bowden, Brownwood; Mr. and Mrs. Ira Edwards, Midland; Mrs. David Braungardt and Stephanie Sue,

(Duck) Bailey, Mrs. Bertha Mae White, Mr. and Mrs. Fred Cook, Mrs. Dennis Clark, Mr. and Mrs. Jack Shults all of Rising Star.

The 68 people who registered paid \$3.00; \$1.39 was for the lunch and \$1.61 as a membership fee.

We also had several donations to the maintenance fund. We encourage each citizen to help us in keeping this organization alive; to continue to honor our ancestors and outstanding citizens---your heritage---my heritage.

Mary Claborn, Reporter, 1978-80

## Second Annual Funday Activities For Stenholm Held

The Second Annual "Funday Festivities" Friends of Charlie Stenholm was held on the Ericksdahl Picnic Grounds Saturday, September 6, 1980 from 5:00 to 8:00 p.m.

Master of Ceremonies was Alton Higginbotham.

The invocation was given by Reverend Stan Leaf.

Congressman Stenholm addressed the close to 1,000 in attendance. The freshman congressman has kept a very hectic pace, having delivered 5 speeches Friday and Saturday alone. He was very grateful and appreciative of the response shown him the last two years. He was optimistic with regard to the little man--stressing a bill recently passed in the House, stating we are on the right track.

Cotton farmers have been hard hit in the Stamford area too, and little or no rain being recorded. Stenholm, who is a member of the Agriculture committee understands the problems faced by the farmers. Proposals are now being outlined for the new 1981 Farm Bill and comments are being welcomed by Congressman Stenholm and his staff in Washington.

During the afternoon, Stenholm mingled and visited with his constituents of the 17th

Congressional District. People came a great distance, some traveling from as far away as Stephenville. Senate hopeful, Bob Glasgow, Democrat of Stephenville was also on hand, getting to know people in the district.

Following Stenholm's remarks, Don Starr, Campaign Manager made several announcements.

Cindy Stenholm, wife of the Congressman also spoke to the crowd.

Entertainment was provided by Rowland Smith and the Roadrunners.

A delicious meal of fried chicken, cole slaw, potatoe salad, beans, pickles, cantalope and sweet juicy watermelon was served among a country setting of hay bales accented with a red, white and blue patriotic theme.

Attending from Rising Star were Mike, Evelyn and Guyle Donham.

## CROSS PLAINS ROPING CLUB

The Cross Plains Roping Club will have an ice cream supper Saturday, Sept. 13, at 7:30 p.m. The event will be held on the cement slab behind the park. Anyone interested in a roping club from the Rising Star area is invited to attend.

## New Era Of Taxation

BY VIOLA M. PAYNE

Few people in Eastland County are faced with a task as monumental as that of Steve Thomas, who was recently named as Chief Appraiser for the newly formed Eastland County Appraisal District. Mr. Thomas, who has served since 1978 as Tax Assessor-Collector for the Cisco Independent School District and the Cisco Junior College, will be faced with the job of implementing the provisions of Senate Bill 621 for the Eastland County District. This Bill calls for - among other things - equalization of property values throughout the State of Texas.

Each of the 254 Counties in Texas must create a central appraisal office by 1982, according to the Bill. This measure, passed by the Texas State Legislature in May of 1979, brings sweeping changes which are certain to affect each tax-paying citizen in Eastland County and across the State.

Eastland County, just as many other places, has not been reappraised in most areas for twenty years or more. The stated goal of Senate Bill 621 is to bring about equality in the valuation of property, and bring it up to fair-market values. The Eastland County Appraisal Board of Directors has employed the firm of McMorries and Co. from Hereford, Texas, to reappraise the County. This firm has begun title search work at the present time, and plans to have several appraisers in full-time valuation work throughout the County within the next few weeks. Reappraisal costs are estimated to be around \$200,000, which will be paid by the County. The public will be notified before the actual field work begins in their area across Eastland County. The work is expected to be completed before October 1981. No new values, however, will be used before 1982.

The Eastland County Appraisal Board of Directors is composed of seven residents who were appointed by representatives of the taxing jurisdictions of the County. The present members of the Eastland County Board and the areas they represent are:

- Bill Hoffman Jr. - Chairman - Eastland ISD
- Dr. Bill Auvenshine - Vice Chairman - Ranger ISD
- Jimmy Hughes - Secretary - Carbon and Gorman ISD and Cities.
- Emmett Rich - Cisco ISD
- Arlin Bint - Eastland County
- Jack Hubbard - Rising Star ISD and City
- Volney Day - Cities of Eastland, Ranger, and Cisco.

Eastland County has a total of twenty-one separate taxing jurisdictions at this time. According to the provisions of Senate Bill 621, thirteen of these were entitled to participate in the section of these representatives. These thirteen were composed of each of the six school districts of the County, each of the six cities, and Eastland County by itself. Members of the Board of Directors are giving their time to the County - hoping to be of some assistance in this situation.

The first move toward Senate Bill 621 probably came in November of 1978,

when the people of Texas voted on a number of amendments to the State Constitution. One amendment was entitled "Tax Relief" and with a name like that there was no way it could have failed! It was approved in most parts of Texas by a three-to-one margin, including Eastland County. With this mass approval on record, the Texas House and Legislature translated the desires of the people into their version of tax relief. Senator Grant Jones of Abilene and State Rep. Wayne Piveto of Orange, were instrumental in the passage of Bill 621.

The measure is a consolidation of old and new tax laws into one overall State Property Tax Code. It also created the State Property Tax Board to oversee all of the taxing jurisdictions of the State of Texas. It further created a central appraisal district for each County in the State. This central appraisal district is responsible for establishing equal and fair market values for all taxable property in each County. Each County must have its central appraisal office set up and functioning by Jan. 1, 1982, in order to be in compliance with State law. After Jan. 1, 1982, all property values for Eastland County will be kept on file with this central appraisal office. Each of the individual tax units in which the property is located will have the same equalized value.

"This is a much needed improvement over the present situation where the same property may be on the rolls of three different units of three different values," stated Mr. Thomas.

The major purpose of Senate Bill 621, as stated by its supporters, was to get property values equalized and current as to today's market values. The actual cost in taxes will still be determined by the local tax rate set by the individual tax unit. The Central Appraisal Office will be responsible for furnishing the values to the local tax units each year in time for them to adopt a tax rate which will, ideally, generate the same amount of revenue they had the year before. The tax payers will still be able to meet with the Board of Equalization if they feel their property is valued unfairly. The Board will be known as a Board of Review, composed of three members appointed by the Board of Directors of the Eastland County Appraisal District.

Mr. Thomas further explained: "Eastland County had no choice but to comply with the law as it was mandated by the Legislature. The County has needed a program to bring its property up to 1980 values, and the Legislature has now forced the implementation of the reappraisal plan. Although it will be a tremendous job to appraise every piece of property in the County, it is a job that needs doing, as there are many inequities on the tax rolls of the Eastland County tax jurisdictions. By getting all taxable property on the rolls, it will ease the burden on the property owners who have been rendering their property and paying their taxes for years.

Much of the land is valued as low as \$30.00 per acre at present, while the fair market value is much higher - \$400.00 to \$500.00 per acre. Although the property

you own will go up considerably in price or value, this does not mean that your taxes will go up in the same proportion. Even after the revaluation the taxes on most property will still be much lower than those we read and hear about in nearby metropolitan areas."

Mr. Thomas reminded: "Due to the increase in the value of our property, it will be very important for each and every property owner to take advantage of all the exemptions that were created for them by the same Legislature that passed Senate Bill 621. The most important of these exemptions was mandated for all School Districts. This was the \$5,000 Residential Homestead Exemption, which can reduce the taxable value of your home by \$5,000. If you are over 65 or totally disabled you are also eligible for an additional \$10,000 exemption. In fact, for those who are over 65 and sign up each year there is a freeze of the school tax amount at whatever it was the first year they signed up. Therefore, if a 65 year old owner signs up in 1981, and his tax is \$25.00 to his local school district, his tax becomes frozen at that amount as long as he signs up each year. Even if his property is reappraised it will have no effect on his school taxes as long as he signs up.

Rural land owners in Eastland County will be eligible for Open Space land valuation or exemptions. This exemption, along with the Residential Homestead exemptions, must be applied for each year. The applications must be filled out and returned to the tax office between Jan. 1 and April 1 of each year if the property owner wishes to take advantage of his exemptions.

The legislature also removed personal property from the tax rolls unless it is used to produce income. Business inventories, vehicles, farm machinery and livestock used to produce income are still to be taxed. (Although livestock have been taxed in some counties for years, this has not been the overall pattern of Eastland County). Personal vehicles are no longer taxable unless the individual district they are located in passes a resolution to tax them."

Mr. Thomas plans to have a number of public meetings to further discuss the tax laws and situations with property owners. At the present time there seems to be little favorable feeling toward the new Tax Law in Eastland County. In general, the public finds it confusing and disturbing. They feel they had no consideration in its drafting. They feel that taxes had already reached the saturation point, and that this measure will drive them still higher. They do approve of the exemptions, and agree that taxes need equalization. But tax relief?

"This kind of tax relief," stated one individual, "is like shooting a sick man to stop his pain - and making him pay for his own execution!"

Persons in agriculture fear that the new measure will place a heavy burden upon the small farmer, for their income has not kept pace with the inflated values of their land. This is a time, also, when drought and high prices of equipment are taking their toll. And ranchers in most parts of Eastland County are not accustomed to having their cattle and equipment taxed.

Ironically, owners of residential property in cities such as Dallas contend that an unfair burden is being placed on them - having to pay taxes on current market prices for houses. Lawsuits are pending in Federal Courts at this time concerning property in the Metroplex.

Don't expect such actions to magically change the trend of the times. It is very difficult for elected Officials to forego State revenues for their special programs. For this means money-power which can be shifted to areas of higher voter concentration than Eastland County. So a new era of taxation dawns. But, regardless of how various citizens feel about Bill 621, they will be much better able to cope with it if they are well informed. Perhaps this will also assist them in deciding what sort of representatives they want to send to Austin.

### 4-H Council Meeting

The Eastland County 4-H Council will meet on Monday, September 15 at 6:00 p.m. in the County Extension Office located in the basement of the Courthouse.

There are several business items to take care of during this meeting, and all council members from the county are urged to attend.

### 4-H Foods Project Underway

The 1980 4-H Food and Nutrition projects are beginning this month according to Mrs. Donna White, County Extension Agent, 4-H and Youth. Several clubs are conducting more non-traditional projects this year. One club is taking the project called "International Foods". This particular course involves a study of the different countries - their custom, traditions and food. The 4-Hers then have a turn at preparing foods from Japan, Mexico, Scandinavian, Italy, etc.

One of the boys foods projects may consist of a cook-out and camping experience. Whatever project, the 4-Hers choose to take, there will be fun learning experiences, also! After the 4-Hers have completed their 4-H project, they are eligible to enter the County 4-H Food Show which is tentatively planned for November 22 in Cisco. If you would like to help with the 4-H Foods project or need more information, please call the Extension office at 629-2222.

School bells rang this week for many children across Eastland County. What an exciting time with all the school related activities getting into full swing. My own child joined the ranks of school children this year.

What better time to examine breakfast eating habits than the beginning of a new school year. This time of year tends to put everyone into a new routine.

Breakfast is important to everyone! Breakfast is more than the first meal of your day. The word "breakfast" means literally "break the fast". The morning meal comes after a 10 - 12 hour period without food, and just before your body needs food energy for a busy morning's activities. In fact, scientific studies have demonstrated that those who start the day with a basic nutrition breakfast perform better - physically and mentally - than those who start with lighter and heavier meals. And so, it's not surprising that many nutritionists consider breakfast the most important meal of the day. It's the number one meal of the day!

Nutritionists recommend that breakfast provide about a quarter of the day's nutritional needs. With today's changing lifestyles, about 60 percent of mothers of school-age children work outside the home, and over half of school-age children prepare their own breakfasts at least twice a week. As a result, the number of food items included in breakfast has decreased and quick-to-serve foods are becoming increasingly important.

### RECIPE FOR THE WEEK:

- The recipes I am including this week are some quick breakfast treats for the kids. They're nutritional and can be prepared ahead.
- BONUS - BREAKFAST COOKIES**
- 1/2 cup butter or margarine
- 1/2 cup peanut butter
- 1/2 cup firmly packed brown sugar
- 2 eggs
- 2 tablespoons water
- 1 1/2 cups all-purpose flour
- 1 teaspoon soda
- 1/4 teaspoon salt
- 3 cups wheat flake cereal, coarsely crushed

Heat oven to 350 degrees F. Beat together butter, peanut butter, and sugar until light and fluffy. Blend in eggs and water. Add combined flour, soda and salt; mix well. Stir in cereal. Drop by rounded tablespoonsfuls onto ungreased cookie sheet. Bake for 12 to 15 minutes or until light golden brown. Cool on cookie sheet for 2 minutes; remove to wire rack. Cool completely and store. Makes about 3 dozen cookies.

## Open House September 15

...We want to take this opportunity to invite EVERYBODY to our OPEN HOUSE on Monday, Sept. 15. We'll have COFFEE, SOFT DRINKS and SWEET TREATS for all, and hope that you'll drop by to visit, look our new facilities over and get accustomed to being treated THE WAY YOU WANT TO BE TREATED!

This invitation goes to all our friends, clients, former customers, potential customers and casual acquaintances. EVERYBODY IN EASTLAND COUNTY IS INVITED.

Naturally we're proud of our new offices, and the fine TOP-LINE COMPANIES we now represent. We believe that we now offer THE MOST COMPLETE one-stop-spot FOR ALL YOUR INSURANCE NEEDS. Save fuel-shop our one-spot.

And here's something that our customers will tell you-WE TAKE CARE OF OUR CLIENTS. With a group of companies of this calibre, we can SHOP the best deal FOR YOU, and this means BETTER VALUE: MORE COVERAGE, LESS COST

I have elected to leave Farm Bureau because I believe in "today's day and age," I can best serve you by having the freedom to choose the very best plan available rather than being limited to one insurance company. We can offer BROAD coverage and place it with a major company that will give you the best buy for your money - and that's important to us all.

Let me thank you for the confidence you have placed in me in the past and ask you for the opportunity of serving you in the future.

WE'LL BE LOOKING FOR YOU Monday, Sept. 15.

108 S. Seaman - Eastland

## Thank You -
