

Masons Dedicate Sipe Springs Lodge

Jack, Emmett and Eppie Jean Whiteside

The Masons of Sipe Springs Lodge 537, joined by brother Masons from more than 20 other lodges, met Saturday, October 2, to dedicate the new lodge building, honor the Whiteside family and celebrate the lodge's centennial. The carpeted, air conditioned lodge was donated by Emmett Whiteside of Brownwood on land donated by his sister,

Audrey Whiteside of Comanche. Their brother, Jack, supervised the construction and his son, Robert, is MW Master of the Sipe Springs lodge. Approximately 250 Masons, their families and guests were treated to a fish fry by Brownwood lodge 279 of which Emmett Whiteside is a member. Tom Yantis of Brownwood lodge 279,

Past Master of Texas, read a history of the Sipe Springs lodge written by Dr. D.D. Tidwell. The Whitesides' grandfather was a charter member of that lodge, which received its charter December 12, 1881. The lodge suffered through the drought of 1886, then gained 86 members by 1891. May Has Two Brown Co 4-H Gold Star Winners

More than 200 county 4-H'ers, their parents and adult leaders attended the 1982 Brown County Awards Banquet Saturday, October 2, at the State 4-H Center at Lake Brownwood. County Agent Harold Stein gave the welcome and introduction of guests and the invocation was given by Al West.

Marshall Crouch, manager of the center, gave a short talk on the center and also welcomed all who were present.

Charles Elk of Texas Power & Light Co. presented the Gold Star Awards, the highest awards given in 4-H on a county level, to Debbie Geye and Al West. Gold Star recipients are selected on the basis of their 4-H activities and community contributions. Both Debbie and Al, members of the May 4-H club, have distinguished themselves in a variety of projects and leadership roles.

Debbie, 17-year-old daughter of Terry Geye, has been in 4-H since she was 8 years old, participating in food and nutrition, food preservation, clothing, crafts, beef, leadership, and in the ex-

Gold Star Winner Debbie Geye change program. Having held other offices in her local club in the past, she is presently reporter and is also president of the Brown Co. 4-H Council. Debbie has attended State 4-H Round-up with her demonstration on fire safety and was a member of the Heritage Tour to Washington, D.C. this past summer. The tour group also visited the World's Fair in Knoxville, Tenn. She is a senior in Rising Star High School.

Al, a junior in Brownwood High School, is the 15-year-old son of Mr. and Mrs. Homer G. West of May. His projects include sheep, beef, food, crafts, leadership, citizenship and achievement. Presently serving his club as president, he has also held the offices of reporter and treasurer and has served on the

Gold Star Winner Al West Brown Co. 4-H Council for two years. Al has received the annual 4-H sheep and goat award from the Texas Sheep & Goat Raisers' Association four years for his outstanding achievement in sheep production and management.

Other May 4-H'ers receiving completion awards were Sissy Burnett, clothing; Lia Ann Chambers, foods; Guyle Donham, beef, food and crafts; Susan Freeman, foods and clothing; Kathy Lancaster, foods, clothing, crafts and rabbits; Melissa Norris, foods and crafts; Natalie Tischler, foods and clothing; and Lynn Whiteaker, foods, clothing and crafts. Planned by the Youth Council, the banquet had a western theme and a barbecue meal was served. An outside dance was held after the banquet.

Jami Long Is Gold Star Winner at Banquet

Cactus and calico set the theme for the Eastland County 4-H Awards Banquet. Amid cactus, kerosene lamps, ropes and saddles, 4-Hers assembled in the Corral Rom in Cisco to receive their awards for the 1981-82 4-H year. Jami Long of the Rising Star 4-H Club was Mistress of Ceremonies.

Jami Long, daughter of Rex and Trudi Long is the Eastlong Co. Gold Star Award winner. Jami is president of the Eastland County 4-H Council and the Stars of the Future 4-H Club. She has been in 4-H 7 years, has been club treasurer 1 year, secretary-treasurer 4 years, and president 2 years. Jami has been very active in her sheep projects and has had clothing, food and nutrition, gardening, and food preservation projects.

Lt. Governor's Wife Speaks In Cisco

ANNETTE STRAKE (right) confers with Peg Morris (left), Chairman for the Eastland County George Strake for Lt. Governor Campaign in Cisco last Friday.

Annette Strake - Questions and Answers
"When have you last seen our present Lt. Governor, Bill Hobby?" and "How many people know what the Lt. Governor does?"

These were two main questions asked by Annette Strake, wife of George Strake, Republican candidate for Lt. Governor, after she arrived in Cisco Friday afternoon Oct. 1.

She also brought a special announcement to her reception at the Laguna Hotel - the confirmation that George Strake will stop at the Eastland Airport on Tues., Oct. 21, at 2:22 p.m.

Mrs. Strake's visit was the second stop in Eastland County by a family member of a candidate involved in the hotly contested race for Lt. Governor. The other visit was made in August by Paul Hobby, son of the Democratic incumbent Bill Hobby. Both Hobby and Strake are from long-time Houston families, and make their homes in that city.

Annette Strake, an attractive woman with gray eyes and russet hair, appeared tireless in spite of her campaign trail through Brady, Brownwood, Bangs, Coleman and Putnam. She was greeted in Cisco by Peg Morris, Chairman for the Eastland County Geo. Strake for Lt. Governor campaign, and a group of enthusiastic citizens from this area.

Mrs. Strake began her talk with a discussion of her first question. "It brings up one of the real issues I have found everywhere in my travels around the state," she said. "Most people have not seen Bill Hobby, Lt. Governor, during his ten years in office. He has lost his touch - no wonder citizens feel alienated from the persons who have the power of government. "That is one reason why George and I and the older of our six children are traveling through the whole state. We want to be sure that every town in Texas will see some of the Strakes. "On the duties of Lt. Governor - few people seem to know that he does anything. "But actually this office is one of the most powerful in the state. The Lt. Governor is the Presiding Officer of the State Representatives, and Chairman of the State Finance Committee. "In these positions he can influence decisions on the most vital of matters. "Instead of working to water down crime legislation, as Billy Hobby did last season, George Strake, at Lt. Governor, will work to see that the Texas Senate comes to grips with these problems," Mrs. Strake said.

Senior Center News

For a beginning, I want to report of my appreciation for all the love demonstrated toward Charlie and me while we have been a bit under the weather. All the folks from the Center expressed their concern for us in so many precious ways—it would be impossible to mention all of them, in my allotted space. Suffice it to say that it has been proven once again, that the love, prayers, and general concern shown forth for one another make for mighty good medicine. It is amazing what tremendous healing power is manifested in these ways. Charlie and I appreciate your concern and your love, so very much. You mean so much to us—and, we love you.

Thank you, Rilla, for doing such a magnificent job of filling in for me with last weeks report. As always, you came through with flying colors. How could we ever get along without you? I don't want to ever have to find out!

I hear some really good reports concerning the activities at the Center, last week. The fellowship was great, as always, and some of our sick folks and vacationers had returned. We pray for traveling safety for Marion and Marjie West, and that they have a rewarding and relaxing vacation.

The Starbrites were on the road, again. And doing a great job, I hear, at both Baird and Gorman. It troubles my heart, however, to learn that Louella, our dear president and band director, had a rough go of it in Gorman, having been overcome with the heat. Folks, do we really tell her often enough of our love and appreciation for her? She has always put the welfare of the Senior Citizens (both singularly and collectively) far ahead of her own. Her every thought and action seem to be expended in our behalf. For these years, since the beginning of the Starbrite Band, she has constantly worked and planned so that we might always improve and refresh our performance—ever doing the best we can to bring a few moments of joy and hope and joy to others as we appear, here and there. Yes, Louella, as our president and Band Director, you are TOPS—as a friend, you are the very best! Thanks, always!

Do not forget the Nurses Health Clinic at the Center, this Thursday--the 7th. Remember, this is a

On October the 19th, the Starbrites will travel to Hico, departing at 9 a.m. More about this later--also, concerning our part in the Eastland County Fair. Keep these things in mind. Submitted in love by your reporter, Elizabeth.

Exciting Entries Mark Eastland Parade

Plans are shaping up daily for the Eastland County Fair and Oil Show Parade.

The whole county is talking about floats, bands, cars, and other exciting entries for the parade to be held on Saturday, Oct. 23, 1982, in downtown Eastland.

Confirmations have already been received from the "Strategic Air Command" Band from Offutt Air Force Base, Neb. to appear, along with Miss Texas, Gloria Gilbert, not taking any glory from our own county-wide entries which promise to be spectacular!

Following is a list of entries already received for the parade:

Vintage Auto Club
Ken Lyerla
Carroll Electric Co.
Eastland & Ranger Savings
La Mancha Lake Ranch
Ranger Riding Club
Ranger High School Cheerleaders
DeLeon Peach and Melon Festival
Dixon Auto Supply
Treater Equipment Co.
Miss Heart of Texas
Eastland Chamber of Commerce
Hood King Motor Co.
W.A. Hill & Sons, Inc. Gulf Oil
Morgan Building Corp.
Eastland Volunteer Fire Dept.
KVMX-FM 97

Along with the above entries there will be bands from Tarleton State University, Eastland High School, and Cisco Junior College, with hopes that many area bands will enter.

Politically, Bob Glasgow, Jim Parker, and Gary W. Logan have notified the Chamber office that they will be in attendance.

And to top off the festivities, the Local National Guard unit will be participating, not only in the parade, but will have displays set up at the fair along with the oil field displays.

These entrants, along with the Color Guard and Six White Horses from Hardin-Simmons University and the Marine Color Guard from Fort Worth, are a fantastic beginning, but it is hoped that many, many more people will enter before the Oct. 1, 1982, deadline.

Make your plans now and mark your calendar--Oct. 23, 1982--for a fun-filled day!

(Continued From Page One)

the lodge's number swelled to 138 in 1925. That number began dropping with the onset of the depression and by 1937 the membership had dwindled to 22. The present membership is 27.

Emmett Whiteside and his wife have also been benefactors to Indian Creek lodge of Brownwood and to the Masonic Home and School in Ft. Worth. The principal of the school, Bill Holt, attended the function and was accompanied by two students, Scott Sanders and Steve Feigenbaum. They each thanked the Masons for their support of the Masonic Home and School and Sanders, a senior, invited the crowd to attend his graduation next spring.

James Willson of Floydada, MW Grand Master of Texas, exhorted fellow Masons to practice the tenets of Freemasonry in the home and in the community; he pointed out that Masons have been a part of the history of this area and of Texas and must be leaders now for the country.

Many fifty-year Masons attended the ceremonies and a number of district and state office holders.

Officers in the Sipe Springs lodge are Robert Whiteside, Leon Welch, Jack Whiteside, Doby Jones and Mickey Scott.

Commentary

by Myrtle Owen

Galatians 1:3,4, Grace be to you and peace from God the Father, and from our Lord Jesus Christ. Who gave himself for our sins, that he might deliver us from this present evil world, according to the will of God and our Father. God's master plan of deliverance through His Son, Jesus Christ, includes the salvation, healing and resurrection of every human being. If we, the followers of Jesus, will carry out His plan, the saving of millions of people can be a reality. In order for God to save the world, people must accept Him. It is not enough for God to have the power to save the world. Men must cooperate with Him for their salvation. He is big enough through His love. He is big enough through the gospel of His Son. He is big enough through the triumph of Christ over sin, disease, demons fear and death. He is big enough because of

his Masters plan.

Some people have never given God an opportunity to really demonstrate what He can do in their lives; God must be tried; God must be approached; God must be received by people; God must be told about by His followers.

Galatians 2:20, I am crucified with Christ; nevertheless I live; yet not I, but Christ liveth in me; and the life which I now live in the flesh I live by faith of the Son of God, who loved me, and gave Himself for me.

Look at Christ with the eyes of love and faith. Remember, He is always beside you. You do not see Him with your natural eyes, but you can know He is there. You can reach out and touch Him with a hand of faith, and hear Him say, "You have come to Me, My friend, and you shall not be cast out. You shall be received into My family. Now you shall find rest for soul."

United Methodist Women Meet

The United Methodist Women of First United Methodist Church met at 2:30 Monday afternoon for the second study of "Ecclesiastes Speaks to Us Today" by Lawrence Bottoms.

Mrs. James Armstrong presided over the eight in attendance and the invocation was given by Mrs. Maggie

Smith. The study was presented by Mrs. Yvonne Williams and Mrs. Terry Wilkerson read scriptures from the first chapter of Ecclesiastes. The study, "The Problem of the Book Is Stated," was discussed by the group.

The Society Benediction was repeated in unison in closing.

"Learn Not To Burn" Fire Prevention Week Theme

October 3-9, 1982 is Fire Prevention Week in Eastland County and across the nation, with the theme - "Learn Not To Burn Wherever You Are".

According to Ernest Reich, President of the Eastland County Farm Bureau, fire prevention has special significance to farm and ranch families for the following reasons:

Fires on farms and ranches pose a special threat, unlike an urban or city property that has immediate access to a well organized fire department and an abundance of water.

Most farm and ranches are relatively isolated from fire fighting equipment and may lack adequate water for fighting a fire.

Many farms and ranches have the added fire risk brought on by traversing of railroads and roads. Trains cause grass fires as the result of a "hot box". The careless smoking motorist uses the roadway instead of his ash tray to discard his used smoking materials - thus turning valuable farm property into ashes. Vehicles traveling along the roadway on a bare rim create or produce sparks that result in grass fires spreading over many acres of crop and rangeland; many times destroying valuable structures and equipment.

Though U.S. fire losses amount to approximately \$5 billion annually, the human misery caused by unwanted fires is the most terrible cost. More than 6,000 people die and many more are injured in over 1,000,000 fires each year.

Farm fire property losses (dwellings, buildings, animals, cotton, hay, grain, supplies, timber, machinery and vehicles) approach an estimated \$300 million annually.

Frequent causes of building fires include electrical faults, smoking and matches, heating and cooking equipment, children playing with matches, open flames and sparks, arson, chimneys and flues, lightning and spontaneous combustion.

Joe Smetana, Safety

Director, Texas Farm Bureau, Waco, Texas, offers these suggestions for fire and burn prevention:

- Plow fire lanes around pasture/range/timber land. Also, plow fire lanes around farm structures, equipment and hay bales. Spray to kill weeds and grass that later become a fire hazard.

- Up date any old electrical system. Wiring may fail due to faulty installation, overloading, physical damage, aging, and the deterioration caused by chemical action, heat, sun, moisture and weather. Check your fuses and circuit breakers. Check wire size with the amount of current being used. For example: At 110-120 volts, No. 14 A.W.G. copper wire will handle a maximum of 15 amperes or 1800 watts; No. 12 wire will handle 20 amps or 2400 watts; and No. 10 wire 30 amps or 3600 watts.

- Be careful with matches, lighters and smoking. Do not smoke in places with combustible or flammable materials, nor when refueling or handling flammable or explosive materials.

- Think about fire prevention when you use a welder; especially when you use an oxy-acetylene torch for cutting. Too high oxygen pressure can blow sparks twice as far as need be.

- Locate above-ground fuel storage tanks at least 50 feet from buildings; keep the tanks painted white, under shade. When refueling a tractor, turn off the engine and extinguish smoking materials. If the engine is hot, let it cool for a few minutes. For added protection, have a fire extinguisher handy.

County Farm Bureaus sponsor several free, public service safety education demonstrations conducted by staff from the Texas Farm Bureau Safety Department in Waco. In addition to the standard 45-minute graphic fire prevention demonstration for junior high, high school and adult audiences; Farm Bureau now presents

the E.D.I.T.H. (Exit Drills in the Home) program designed especially for grades K-6.

Schools, civic clubs and other organizations planning fire or other safety education programs for the year may schedule these programs by contacting the Eastland County Farm Bureau at Eastland. Telephone 629-1704.

Letters to the editor

To the Editor:

Today I accepted a personal challenge—to acquaint myself with the issues that confront our city government. This challenge requires that I attend as many City Council meetings as possible. I hope that other citizens in our community will make a commitment to attend at least one in the remainder of this year.

If they do attend they will find, as I did, some very dedicated people trying in their own way to deal with these issues, with their reward an endless stream of criticism. The great difference in these people and myself was that they were at past meeting and I was not.

Some of the issues discussed at Monday's meeting were:

- (1) Our city is broke.
- (2) The city has an accounts payable, owed for some years, for our gas system. It is due NOW. It is over \$140,000. There is no money to pay it.
- (3) The city police payroll, due the 15th of this month cannot be met. (Please keep in mind these men were hired just a few months ago.)
- (4) Water rates are not adequate to keep the water system afloat.
- (5) The gas system is currently making the city a little money, but not enough to retire the years' old debt to install it.
- (6) Expenditure cuts that would necessitate turning off 25% of the city street lights, firing one city utility employee and one deputy.
- (7) A suit against the city that already has cost our financially-ailing community over \$9,000 and the fight has not even begun.
- (8) The council discussed the possibility of having the State Fire Marshal identify and condemn hazards within our city, both residential and commercial.
- (9) The implementation of a police reserve force utilizing certified volunteers from our community.

All of these issues were tabled with the exception of the police

reserve force, which was approved. Councilman Mark Cooksey moved to call a town meeting to inform the citizens of the financial crisis facing the city. The motion was carried and the date set for Monday, October 25.

I hope the citizens of Rising Star will take this opportunity to be better informed and offer positive ideas concerning the future of our town.

Respectfully,
Robin D. Reeves
Rainbow Cafe

Editor,

We feel the citizens of Rising Star are very unaware of the critical financial state our City is in. We are broke!

Some citizens have probably heard that we have no money, but they have not actually realized how true the fact is. Some citizens have stated that they don't care what mess the City is in—that the City can just get itself out. People, we ARE the City. Whether we live, run a business, work or have children in school, we need to care what happens to our City. If people don't get interested and get busy—we may not have a City long.

There will be a town meeting October 25 and we urge everyone to get concerned about our Rising Star. Kathy and Cliff Hall Jr.

David White and Stacy Green Given Birthday Party

Cassie Gray, Stacy Green, Bubbles the Clown, David White and Paula Azocar.

David White and Stacy Green were honored with a birthday party given by their parents.

Debbie and Debra took the birthday boys and their guests to the Heartland Skateway Saturday morning, October 2. While there the two boys each received a pass—a gift from Bubbles the Clown.

After skating, they returned to Debra's for sandwiches and cake.

Guests at the party were Paula Azocar, Cassie Gray, Wendy Green, Derrick White, Chad Byrd, Jeffrey Medley, Jennifer Pope, Brian Hayley, Kallie Gray, Kendall Hayley, Bill and Faye Medley, Derrell White and Ginger Medley.

ORDER OF THE EASTERN STAR

The Rising Star Chapter No. 277 Order of the Eastern Star met Monday night, October 4, for a stated meeting. Seventeen members and five visitors were present. Visitors were Mrs. Helen Mitchell of Rising Star, Mrs. June Bean of May and Mr. and Mrs. Bill Richardson and Ellen Justice of Cisco.

Discussion of hall improvement and Grand Chapter attendance were the main topics of interest as

presided over by Worthy Matron Opal Dean and Worthy Patron Harold L. Evans. "Happy Birthday" was sung to Ladell Key and Wilson Carleton.

Doris Griffin read a poem, "Indian Summer," by OES Poet Laureate of Texas and "All Hallowe'en" by Inez Marshall.

Refreshments were served by Evelyn Chick, Opal Dean and Doris Griffin. The dining hall was decorated with Halloween and fall arrangements.

4-H Scrapbooks on Display at Bank

4-H Scrapbooks from through-out Eastland County will be on display at our First State Bank next week, October 11-15.

Stars of the Future of Rising Star won Grand Champion in the recent contest. This brought

\$25 premium prize to our club.

Everyone is urged to take time next week and see what the 4-H youth of your county are doing. More important—you will be proud of the roles your own community youth are taking.

City Offices Will Be Closed

Mayor H.L. Killion has announced that city offices at City Hall will be closed November 2 when the general election will be held there.

MONDAY 27--Bingo day

Our big winner was Bryant Houston. He won three games. Estelle Bolding, Mary Crisp and Emma West won two each, and Martha Irby won one. Mary Hord, Ada Foster, Lena Eason, Mammy Forehand were playing, too. Today we had a volunteer playing with us. Earl Fussel was kind enough to come up and play and help put the bingo stuff back in place. He won two games and divided his winnings among the ones who played but had bad luck and didn't win.

TUESDAY 28--Game day

Today we played a game called "Do You Know Your Bible". We had four people who did their paper; Mary Crisp, Estelle Bolding, Martha Irby and Emma West. They all did real well.

WEDNESDAY 29--Today we made flowers for our homecoming float that will be participating in the parade on October 16, 1982.

THURSDAY 30--We made pumpkins for Halloween.

FRIDAY 1--Decorated for Halloween. Olive Odom came and held Bible Study.

The Stars of the Future 4-H Spirit Committee met Wednesday, September 29, in the Ag Room after school.

Co-Chairmen Howard Lawrence and Karmen Hall gave a report on ads to promote 4-H and took suggestions on things to do during 4-H Week, October 4-10, to promote 4-H.

The committee voted to put up posters promoting 4-H around town and help with the Chamber of Commerce Cleanup Campaign October 9.

October 13, from 3 to 5:30, the Stars will have a bakesale in front of the Quik Stop. If you are expecting visitors over the homecoming weekend, come by our 4-H Bake Sale and let us do your baking. Wendi Green and Stacy Wright are Bake Sale Chairmen.

October 16, the Stars will have a float in the Homecoming parade. Look for us, we will have a big smile and wave for you!

Attending the meeting were Kelly Hill, Jerry Long, Stacy Wright, Wendi Green, Heather Wright, Stephanie Long, Toby Long, Clifford Jay Hall, Karmen Hall and Howard Lawrence.

4-H Club Plans for Fair Entries

The Stars of the Future 4-H Club met Monday, October 4, at 7 p.m. in the high school Ag room with nineteen members in attendance. Kim Schaub was welcomed as a new 4-Her.

After filling out enrollment cards, the 4-Hers held a short business meeting with Jami Long presiding.

Plans were made for the 4-H float for the homecoming parade. The club will meet at the Ag shop Friday, October 15, at 6:30 p.m. to work on their float.

4-Hers were reminded of the County Fair October 20, 21, 22, 23. Crafts, clothing, living plants, etc., entries will be taken Thursday, October 21. Baked goods will be accepted from 1:00-2:00 Friday. 4-Hers desiring to enter the Fair but needing a way to send entries to Eastland may call Barbara Long at 643-6103.

Howard Lawrence, Spirit Committee chairman, gave a report on the Spirit Committee meeting.

The meeting was adjourned and refreshments were provided and served by Jerry Long and Amy West.

Mr. and Mrs. Larry Manning and their baby daughter, Lauran, have just returned to Clear Alaska, after visiting here in the home of Debra's parents, Mr. and Mrs. E.A. Duensing.

Enroute to Rising Star, the Mannings visited Larry's relatives in New York City. While in New

York, they visited several places of interest including the Statue of Liberty, Empire State Building, St. Patrick's Cathedral and Yankee Stadium.

While in Rising Star, they attended the University of Texas homecoming in Austin, where Debra played in the Alumni Band during the football game.

First Baptist Church WMU Officers, Doris Griffin, Anna Baker, Dorris Harrell, Vi Williams, Norma Carpenter and guest speaker Bernice Carter. Officers not pictures, Jean New, Roby Kornegay and Debbie Jones.

First Baptist Church WMU Begins New Year

A large number of the ladies of the First Baptist Church met Monday morning at 9:30 to hear an inspiring charge by Mrs. Bernice Carter, who installed the new officers and members present. She used charts to outline the different duties of the

officers and members. Mrs. Carter, from First Baptist Church in Cisco, is well qualified in her WMU and church work. The group enjoyed her talk and presented her with a copy of the "History of First Baptist Church" and the book,

"Because I Love You." Officers installed were Anna Baker, director; Dorris Harrell, president; Norma Carpenter, vice-president; Roby Kornegay, mission action chairperson; Jean New, mission study chairperson; and Deb-

bie Jones, secretary. Following the meeting, refreshments were served from a table set with a centerpiece of a cotton stalk 'abloom' with opened bolls amid fall gourds and vegetables; members and guest enjoyed fellowship with one another.

Personal

Visiting in the home of Mr. and Mrs. Freddie Harrell the past week was Mrs. Christena Parker of Littlefield, Mrs. Harrell's mother.
