In the Star Cafe hangs a card bearing this "Fisherman's Prayer": "Oh, Lord, help me to catch a fish so big I won't have to lie about it."

A group of Rising Star men (including one man from Muleshoe) must have read that card with particular reverence, for the reality of what they brought back from the Colorado River this week was bigger than any lie they might have told—fishermen lie, that is.

I dare say nothing has caused as much excitement in Rising Star since Pa got his whiskers in the meat grinder.

U. S. Cooper of Muleshoe, a brother of Willie and Babe Cooper of Rising Star, said solemnly: "If I can't take a picture of this fish back home with me, I can't afford to talk about it."

The fishing trip, which had begun as a normal trotline week-end turned into a whaling expedition when the group discovered what they had hooked. When they had dragged it ashore they had a monstrous, wrinkled yellow cat, which "looked like a shark" according to one of the group. Indeed, it looked as if it could have eaten them if it had had any teeth.

The cat, pictured with five of its captors in this issue of The Rising Star, weighed 50 pounds when put on the scales at the Somerford Grocery a few hours after it was taken from the river.

"It must have lost some weight," said Jack Jackson. "It weighed more than that when we were taking him out of the water." At any rate, he remarked, the Rising Star men got a bigger fish than "those guys who had their pictures in the Eastland and Cisco papers the other day."

In the party were Mr. Jackson, Alton and Skeet Clark, U. S. and Babe Cooper, Wilbur Caudle, Red Stewart and Spike Nunnally.

They took their prize near Winfield.

Members of the Rising Star Fire Department were entertained with a steak dinner at the Elite Cafe the other night, compliments of Mrs. D. Breeding.

This expression of appreciation for the volunteer services of the firemen in protecting the property, and the lives, of Rising Star people is an annual gesture of Mrs. Breeding.

"We don't speak our thanks to the fire boys often enough," she said. "We certainly owe them a debt of gratitude."

"Thanks, Mrs. Breeding," said the members of the department.

The open house at Twilite Acre Nursing Home last Sunday drew a big response. No registration was made, but Mrs. J. R. Newton told The Rising Star that more than 125 people called to see the nursing home and its new additions.

She, Mr. Newton and their staff are grateful for this evidence of community interest in the fine job they are doing in helping some 60 residents enjoy the twilight of their days in security and comfort.

Mr. and Mrs. C. L. Smith visited Mrs. E. M. Howard in Memorial Hospital Sunday. Mrs. Howard is under treatment for a hip fractured suffered in a fall recently.

Members of the High School track team (top) and of the High School girls volley ball team, each of which won the regional championship in its sport at Stephenville last week.

Members of the track team are left to right: Kneeling—Dwight Carter, Danny Schaefer, Jimmy Rutherford, and Franz Pittman; Standing—Bobby Burns, Kenny Butler, Gene Burns, Danny White, Willie Ezzell, and Ronald Hunt. Not shown are Robert Clarke and Doug Fisher.

Members of the girls' volley ball team, left to right, are—Kneeling—Shirley Smith, Sara Howard, Terry Chambers, Karen Harris, Kay Nunnally, Robbie Rieburg, Debbie Medley, and Ginger Bishop. Standing—Supt. Sam Jones, coach, Linda Ezzell, Roxie Smith, Mickie Chambers, Sandra Linney, Bess Lee, Belinda Hutchinson, Jenny Tarver.

Rising Star Girls Win Regional Title In Volley Ball

The Rising Star High School girls volley ball team captured the championship of Region II B at Stephenville last week with a clean sweep of the bi-district and regional series.

The girls, coached by Sam Jones, won their way to the regional play-off by defeating May, Sidney, Zephyr and Mullin in the district play.

They then successively defeated Riesel in two straight games at Stephenville Friday to take the bi-district, and followed this victory with two straight defeats of Aquilla in the regional preliminaries Saturday morning. Saturday afternoon they met the Moran team in the regional two straights to capture the title.

The Rising Star girls have suffered only one defeat during the season—an early season loss to May.

Members of the team are Ginger Bishop, captain; Linda Ezzell, Jenny Tarver, Roxie Smith, Kay Nunnally, Robbie Rieburg, Terry Chambers, Karen Harris, Sandra Linney, Shirley Smith, Belinda Hutchinson, Sara Howard, Debbie Medley, Beverly White, Bess Lee, and Mickie Chambers.

Little League Meeting Called for Thursday

Boys and their parents who are interested in the organization of a Little League program in Rising Star this summer, are asked to meet at the American Legion Hall at 7:30 p. m., on Thursday, May 5, it was announced by Herman Claborn, chairman of the Little League. The meeting will determine whether or not sufficient interest exists to justify going ahead with plans for the program, he said.

Week-end visitors in the home of Mrs. Rada King were Mr. and Mrs. Tom Wolf of Dublin, and daughter, Lucy, of Houston, and Mrs. King's son and family, Junior D. Wolf, Mrs. Wolf and children of Midland.

Small Loot Taken Here In Week-End Burglary Series

A series of burglaries which took place here last week were under investigation by county officers. Small loot was taken in each case.

Businesses broken into during the week-end were the Mutt Carroll Service Station on East College and the Starlite Drive-in on North Main.

Constable W. H. Kornegay said that entrance to the Carroll station was gained by breaking out a glass pane in the door to the hydraulic lift and grease rack. Some bloodstains were found on the broken glass.

Mr. Carroll reported loss of about \$7.50 left in the cash register.

A broken service window gained the intruders access to the interior of the Starlite Drive-in, just across the street from the High School. J. R. Morrow, owner, said some small change and a carton of cigarettes were missing.

Earlier in the week intruders entered the High School agricultural shop building by breaking out a west side window and took gasoline from a truck parked inside.

The break-ins were believed the work of boys. Sheriff Lefty Sublett assisted in the investigations.

Sister of Mrs. W. E. Ellis Buried Saturday

Mrs. Beulah Scudday, 69, formerly of Sweetwater, a sister of Mrs. W. E. Ellis of Rising Star, died in Tucson, Ariz., Tuesday of last week after a long illness. She had made her home at Tucson for the past three years.

Services were held at Sweetwater at 2 p. m. Saturday and burial was in the cemetery there. Mrs. Scudday was born in Pao Pinto County May 25, 1896, the daughter of the late Mr. and Mrs. R. L. Farrar. She moved with her parents to Nolan County in 1901. They settled on a ranch near Maryneal. She was married to the late Fred Scudday in 1916.

Survivors include a daughter, Mrs. Harold L. Hagland of Tucson; two sisters, Mrs. W. E. Ellis and Mrs. Robert McDonald, both of Rising Star; and one grandson, Micky Prim of Tucson. A son, Fred, was killed in China during World War II.

Bob Shults Will Be Scoutmaster

Bob Shults has agreed to assume the duties of Scoutmaster for the Rising Star Boy Scout Troop, it was announced at the meeting of the Chamber of Commerce, sponsoring organization, Tuesday noon at the Elite Cafe.

Mr. Shults' agreement—he will be assisted by Dean Bailey, Jimmy Wilson and others interested in youth work, it was also announced—opens the way for a reorganization of the troop, H. McDonald, president of the CofC said.

Among other reports at the meeting was one to the effect that the United Fund drive is lagging. Workers who have not completed their canvasses were urged to do so once and make their reports.

W. E. Tyler of the committee named to plan the historical marker which the County Historical Committee has offered Rising Star, said that Mrs. Vada Arnold of the Rising Star staff had agreed to gather the information to be condensed for an inscription upon the marker.

Wildcat Track Team Takes Region II B Championship

The Rising Star High School track and field team, Dist 11-B winners, captured the championship of Region II B at Stephenville last Saturday by edging their bitter district rivals, the Bangs Dragons, by one point. The Cats scored 52 points to 51 for the Bangs athletes.

Blooming Grove was third with 30 points, Dawson fourth with 36, Crawford fifth and Tolar was sixth.

The Wildcats, crippled by illnesses, managed to pull off their coup without winning a first place, and only one second. Depth and balance gained them the victory with a series of third, fourth and fifth places.

While winning the region crown

the Cats qualified in only one event in the State meet—the mile relay in which the Rising Star foursome of Jimmy Rutherford, Dwight Carter, Franz Pittman and Danny Schaefer came in just behind the Bangs team in a time of 3:35.7 compared with a time of 3:32.4 run by the Dragons. Both the Bangs and Rising Star quartets will go to the State meet in this event.

The Cats pulled one point ahead of the Bangs team by placing fifth in the mile run. Ronald Hunt ran for Rising Star. The Dragons did not enter this event.

Only one new record was set at the regional meet—a 22.2 seconds in the 220-yard dash by Bill Porter of Dawson.

The Wildcats of Coach Weldon Hill, who was coaching his last team at Rising Star High School

before assuming his duties as Elementary School principal next fall, amassed their winning total with the following points:

440-yard relay, run by Doug Fisher, Dwight Carter, Gene Burns and Danny Schaefer, third place, 12 points;

120-yard high hurdles, Danny Schaefer, fourth, 4 points;

440-yard dash, Dwight Carter, fourth, 4 points;

180-yard low hurdles, Robert Clarke, third place, 6 points;

Discus throw, Kenny Butler, third place, 6 points;

220-yard dash, Douglas Fisher, placing fifth, 2 points;

Mile run, Ronald Hunt, fifth place, 2 points;

Mile relay, second place, 16 points.

The State meet will be held on May 7 at Austin.

Good Rains Bring Smiles To Rising Star Country

The Rising Star Country was smiling this week and its smile was reflected in the faces of farmers, ranchers and merchants alike.

Soaking rains over the week-end at last brought relief from a long winter and early spring drought, pouring from 2.5 to 4 inches of rain on parching pastures and yellowing grain.

The showers which measured about 2.65 inches in the City rain gauge, came too late to be of much benefit to the grain, although there were reports the yield would be measurably helped in some sections, but they did a great deal for drying pastures and for the prospect of a favorable peanut planting season.

The rains which fell for the

most part slowly and beneficially, were general.

They brought the first moisture to this area since the scant snows of January.

Vocational Ag To Sponsor Pasture Short Course Here

A pasture short course for adult farmers will be held May 25 here under the sponsorship of the Vocational Agriculture department of the High School, it has been announced by Sam

Former Rising Star Groceryman Succumbs

Mr. and Mrs. R. L. (Bob) Carter and Minister and Mrs. H. McDonald went to Fort Worth Tuesday where the Rising Star minister conductor funeral services for Thomas W. Gibbard, 52, son-in-law of Mr. and Mrs. Carter and a former Rising Star grocer.

Mr. Gibbard died of a heart attack Friday night. He had been in ill health for two of more years.

The services were held at the Meissner Funeral Chapel and burial was in Roseland cemetery in Fort Worth.

Mr. Gibbard is survived by his wife, the former Pauline Carter; three daughters, Mrs. Janice Norton of Altus, Okla., and Mrs. Glenda Reagan and Mrs. Tommie Jo Lawing of Fort Worth; two sisters, Mrs. Pauline Rochelle, Fort Worth, and Mrs. Maxine Bell, Cisco, and two sons and Burt Gibbard of Blythe, Calif.

Mr. Gibbard was engaged in the grocery business in Rising Star for a number of years before going to Fort Worth in 1957 to enter that business there.

Abbott Lyon Dies In Carlsbad, New Mexico

Word of the death of Abbott Lyon, native of Rising Star, at Carlsbad, N. M., Wednesday of last week has been received by relatives here. Funeral services were held at Carlsbad Friday and burial was in a Carlsbad cemetery.

Mr. Lyon is survived by his wife, several children and a brother, Willie Lyon of Rising Star.

He was the son of Dr. J. R. Lyon, pioneer Rising Star Physician.

Cub Scouts Will Make Paper Drive Saturday

The Rising Star Cub Scouts will begin their monthly paper drive at 9 a. m. Saturday, April 30, weather permitting, it was announced. Contributions of old paper should be placed in view of the street in bundles or boxes, it was explained.

The Cubs and their parents will meet at the Scout Hut for a sack lunch and advancement ceremonies at 12 noon following the meal.

PHILLIP NIX

Jones, superintendent, and H. L. Geyer, teacher of vocational agriculture in the school.

Phillip Nix, pasture specialist with the Vocational Agriculture division of the Texas Education Agency, and the Department of Soil and Crop Sciences at Texas A&M University, will do the instruction in the course. He is headquartered at the University.

Mr. Nix holds a B. S. degree (Continued on Page Two)

Brother Of Clara Burkhead Succumbs

Clara Burkhead has received word of the death of a brother, Truman Jacobs, well known here, at Carlsbad, N. M. Funeral arrangements were not known at press time.

CEMETERY WORKING

Monday, May 2, will be regular cemetery working day at Long Branch. Residents of the community and others interested in the cemetery were asked to come, bring sack lunches, and mowers along with other tools for the working. The event is a day-long affair in the Long Branch community.

JUNIORS TO PRESENT PLAY

The members of the Junior Class of Rising Star High School will present their class play, "Lights Out," a mystery comedy in three acts, at the gym on Tuesday, May 3, at 7:30 p. m. Admission prices will be 75c for adults and 50c cents for students.

News From May

By Mrs. Ludene Michael

Mrs. Ophelia Brown and family of Mineral Wells visited Mrs. Ada Bruton at the Twilite Acre Nursing Home in Rising Star Sunday.

Beginning Sunday, May 1, and continuing through June 1, services at the Church of Christ in May will be held at 10 a. m. due to Memorial services in the area.

The Red Cross meeting was a success. Good lessons were presented by B. L. Cleveland of Brownwood and attendance was good.

Mrs. Ludene Michael attended open house at the Twilite Acre Nursing Home in Rising Star Sunday afternoon.

Pam Markham of San Saba visited Janice Michael over the weekend.

Memorial services will be held at Wolf Valley Church Sunday, May 1. There will be preaching at the morning service and singing in the afternoon. Dinner will be spread on the ground.

Mr. and Mrs. Charles Markham, Pam and Donna of San Saba, and Mr. and Mrs. Jodie Markham and baby of Brownwood visited Mrs. John Hardy recently.

Gary Michael, son of Mr. and Mrs. Floyd Michael will leave Friday, April 29, for San Diego, California, where he will train eight weeks with the U. S. Marines. Following training there, he will be sent to Camp Pendleton, Calif., for further training.

WSCS MEETING

Monday afternoon following the monthly luncheon, thirteen members attended the Business and Spiritual Life Program of the WSCS at the First Methodist Church. Mrs. J. R. Bucky gave the devotional, reading from the first chapter of the Book of Genesis. The opening song was "Amazing Grace". Rev. J. W. Hodges dismissed the meeting with a prayer. — Mrs. Ervin Hull.

Mr and Mrs George Boyd of Hobbs, N M, visited his sister, Mrs Willie Hughes and other relatives here over the week-end.

Mr. and Mrs. C. E. Baker, their sons and families, Mr. and Mrs. Loyd Baker and boys, and Mr. and Mrs. Harold Baker of Odessa and their daughter, Mrs. Lenora Herndon of Midland spent the week-end at Mountain View Lodge at Lake Brownwood.

CWO F. J. Baye and Mrs. Baye and small son, Mike, were week-end visitors in the home of his grandmother, Mrs. J. W. Cawley. CWO Bayes has been stationed in Viet Nam for some time where he flew helicopters in combat areas. His family will make their home in San Antonio where he is now stationed.

Pullman Promises To Be Full Time State Legislator

Saul Pullman, 25, Eastland attorney, has formally announced as a candidate for State Representative for the 63rd District. The district is composed of Calahan, Eastland, Palo Pinto, and Shackelford counties.

Pullman, a graduate of Texas Christian University as well as the University of Texas Law School, has lived in Eastland his entire life and is the son of Mr. and Mrs. Henry Pullman who are pioneers of Eastland.

His announcement follows: "I am the only candidate who

SAUL PULLMAN

is a lawyer and who has graduated from college. I feel that if a man is going to be a strong representative for the 63rd District, he must have graduated from college so that he can give full time to the true people of these five counties whenever they should call on him. I know from my own experience at the University of Texas, that many members of the Legislature were attending law school with me. This, I feel, is a great injustice to the people at home that sent these men to Austin to represent them."

My decision to become a candidate for the Texas House of Representatives stems from a keen sense of duty in government affairs. It is the responsibility of every citizen to give himself to truly make this a government of the people, by the people and for the people. The increased demand for legislation at the State level and the complexity of State government calls for aggressive and intelligent representation. I believe that my education at TCU and the University of Texas Law School qualifies me for this public office.

"I believe that a state legislator should not go alone to Austin. He must work in harmony with the county delegations and receive ideas and aid from a cross-section of his district. He must acknowledge that it is the people who send him to represent them and he must follow their suggestions.

"There are no real issues in this race because none of us candidates has held the office before. All the laws that have been passed are the law and we had nothing to do with it. We should look to the future and do what the people of these five counties want. As your state representative I pledge full time, energetic, positive representation in Austin for our District. I believe that Government should use the same prudence which in private life would forbid our paying money for unexplained projects and not have unexplained disposition of public money. If this is followed, I feel that our present source of revenue is sufficient without an increase in taxes.

"If I am elected your state representative the best interest of the 63rd District will be my constant goal."

Mrs. G. G. Goss and Mr and Mrs Aubrey Goss were in Wichita Falls recently to visit Mrs Edna Hancock, who is seriously ill.

"Many pasture short courses in various parts of the State have been taught by Mr. Nix and all have met with outstanding success," according to Ralph Moser, area supervisor of vocational agriculture, Stephenville, Texas. Arrangements for adult education short courses in pasture and other fields are made through Mr. Moser's office.

The short course in Rising Star is scheduled to begin May 2, at 7:30 p. m. in the vocational agriculture building. Other meetings in the series of four will be held May 3, 4 and 5. During the dates the short course is in progress, Mr. Nix will be available to assist farmers with individual problems and provide on-farm instruction, Mr. Geye said.

Farmers interested in attending should write or call either Mr. Jones or Mr. Geye. An entry fee of \$2 will be charged and Pasture Short Course Certificates will be presented to each enrollee who attends all the training sessions.

CHEATING IN SCHOOL

Statistics show that cheating is the second most common problem of high school students, that regular offenders may account for as much as one-fourth of the entire student body. This widespread problem stems from the values formed in grade school and carries over to high school. The major cause of cheating is the straining pressure for good grades which are necessary for admission to colleges and graduate schools. It has been proved that offenders are not as numerous when they set their own academic goals as when they are pressured by parents and that a poor student is generally more receptive to this habit than the more perceptive student.

A young person's desire for popularity during his high school days may encourage a lack of responsibility, thus causing him to turn to cheating in order to avoid having to prepare his assignments.

Too, some practice this unhealthy habit just to frustrate the teachers, and some students even cheat for kicks.

Young persons do not realize the injustice they are doing themselves when they engage in this activity; they seem not to understand that they, and only they will suffer from their dishonesty.

Parents and teachers play a leading role in the fate of a student, and they should realize that the example they set before him are keenly observed. It is their duty to make clear to

the student that the chief goals of education are based on learning and understanding rather than grades.

Although his character and values are molded to a large extent through the efforts of his parents and teachers, the decision to cheat or not is up to him. If each student would stop long enough to collect his thoughts and weigh both sides of the issue, surely he would realize that a clear conscience is worth a world of good grades.

LIVE AND LEARN

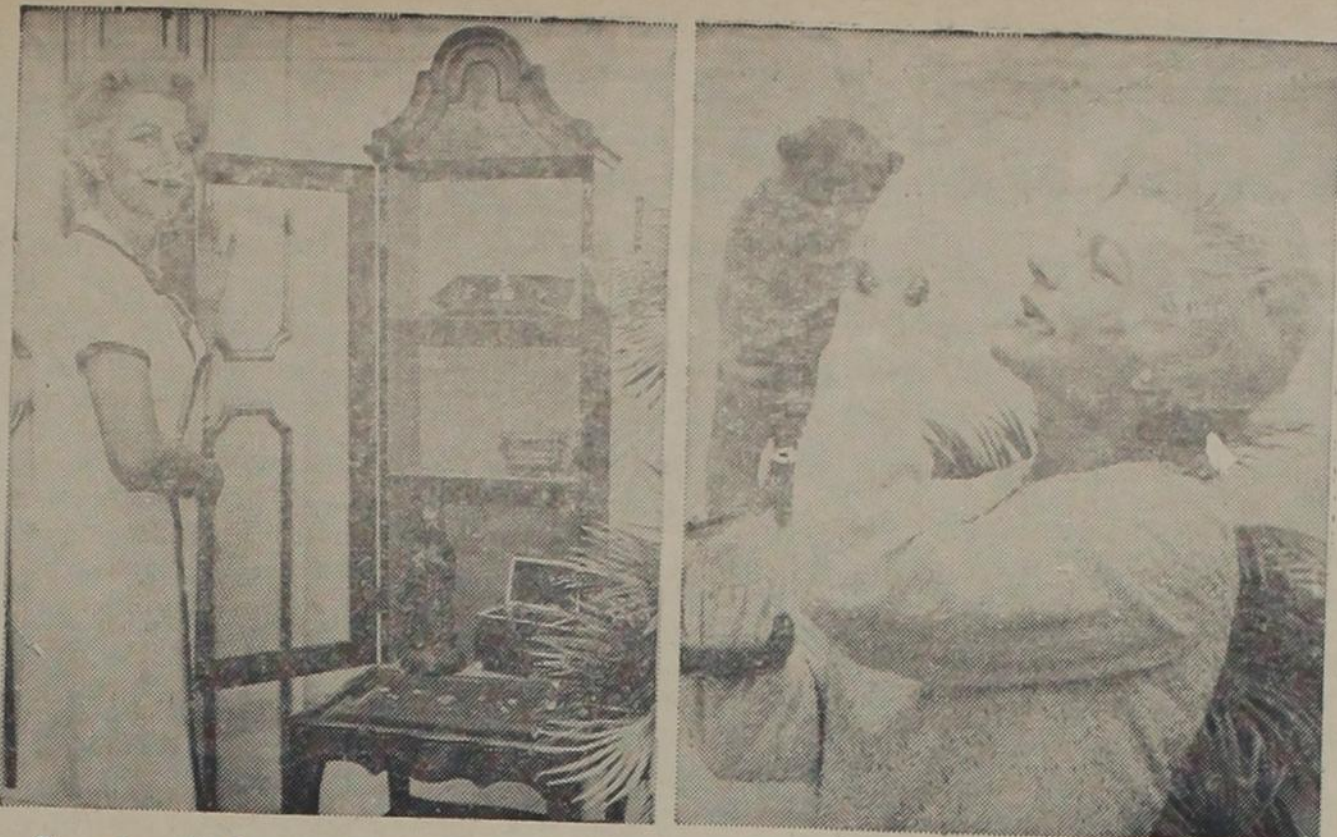

We are trying hard to balance our budget to cover all of our expenses on the Senior trip. We would like to have a balance from the fund to pay for some incidental expenses.

I want to let you know a little about the Seniors' immediate plans after graduation. Candy McCutchen's plans are a beautiful wedding on May 28. Two of the Senior boys plan to attend A&M this summer—Doug Fisher intends to begin his degree in engineering as Calvin Easterling works toward his mathematics degree.

Three Senior girls have plans for summer school. Marcia Lee is enrolled in Tarleton for both semesters; her interests are in the business field. Becky Nowlin begins her home economics courses the first semester at Baylor; and she will spend her last six weeks of summer at Glorietta as a student worker; while I plan to study six weeks at Texas Tech. Many others of the Seniors have plans for work this summer. In the fall several will enroll at Cisco Junior College. Wherever we are, we will be enjoying the summer sun and sending best wishes to our former Senior classmates. Julie.

Central America filled with History and the unusual

Mrs. Ray T. Coffin, Jr., Vice Consul of El Salvador in Dallas, Texas, shows some of the artifacts reflecting the historical heritage of Central America. The Gold and Jade jewelry is from the tombs of the ancient Mayan and other Indian cultures of this area. Central America was the meeting place and the crossroads for the interchange of trade and knowledge of the Mayan, Aztec, and Inca civilizations. The pre-Columbian pottery as well as gigantic stone-works are found throughout this area. With the Spanish colonization came the teachers and missionaries, and the little "Santos" is from this period. The "Pieces of Eight" are reminiscent of the buried treasure hidden along the Caribbean and Pacific coasts by Captain Morgan and his fellow pirates. Much of this pirate's booty is still to be found. The sea, the lakes, and the mountains are filled with beautiful and exotic birds and animals, and Mrs. Coffin enjoys the love and affection of her little "honey bear," a native of this region.

night and, of course, homework. It will all be over in three short weeks.

The class rings were shipped last Friday so that means they could be arriving almost any day now. Let me urge all of you who have not paid for your rings to do so as soon as possible. The rings cannot be passed out until everyone has paid.

The volley ball girls have had

a very successful season this year. They attended regional at Stephenville last week.

We all enjoyed the volley ball tournament sponsored by the Outsiders to raise money for the curtain project.

Spring is in the air, but it is Cool, Cool today. Jill.

NOT FINISHED, JUST BEGUN

The weeks seem to get shorter and shorter, as the good "ole" school is nearing an end.

For Typing I this means one of two things, rush to make up back work or rush to finish all the lessons before school is out.

H. E. II girls are still trying to learn what exactly makes little children "tick."

World History students have an interesting chapter on World War I and have started on World War II.

No school day would be complete without Mrs. C's English II. There is never a dull moment; however, some of us remain dull!

IN THE FISHBOWL

The members of the Freshman Class are working hard with the end of school only four weeks away.

In General Math we are studying negative and positive numbers. In Algebra we are still working with fractions in equations.

In General Science we are studying the ear, larynx and

In English I we are studying participial phrases. This is only one of the three verbals or verbal phrases.

In Home Economics I we are studying the relationship of brothers and sisters. Some of the Freshman girls are trying to get to go to San Antonio. They do this by writing paragraphs on why they want to go to the FHA State meeting. Good luck.

In Ag I the boys are still studying welding. In P. E. the girls have been playing baseball.

We are all wondering who P. C. likes. Is it R. C. or C. C.?

R. G., tell us what your new hobby is.

Until next week, Katie.

TOWARD NEW HORIZONS

This week-end, April 28-30; San Antonio will be host to FFAers from the entire State as they hold their state meeting.

Delegates from our chapter will be Pam Geyer, Chapter president; Beverly White, third vice-president; Becky Nowlin, Area IV fifth vice-president, and sponsor, Mrs. Billie Nowlin.

The group will leave Wednesday afternoon. Thursday, Becky, who is a member of the State nominating committee, will meet with other committee members to place the incoming State officers in their positions. Pam, Beverly and Mrs. Nowlin will spend the day shopping and sight-seeing.

Friday morning the First General session will begin with an address by Dr. Carl S. Winters, General Motors Corporation, Detroit, Michigan. Other highlights of the meeting will be the Friday night talent show entitled, "You Were There," depicting Texas under the rule of "Six Flags." Each Area will represent a different flag and Area IV will represent the Confederacy.

The meeting will close Saturday morning with the installation of new state officers.

DO-REMI

The band has received the schedule for the Region VII UIL Concert and Sight-Reading Contest in Brownwood on Saturday, April 30, 1966. We are to warm

up at 7:30 a. m. and to give our concert at 8 o'clock.

At 8:30 we will go to the sight-reading room.

The judges for the contest will be Mr. Doug Wiehe of Big Spring, Mr. Merlin Jenkins from Abilene and Mr. Herman Harman of Duncanville. Mr. Joe Had-don of Wichita Falls will judge the sight reading.

The Wildcat band will be in competition with two other bands, Gorman and Bertram. Brenda.

North Star Hears 4-H Girls from Cisco Club

The North HD Club held their regular meeting April 19, at the club house.

Mrs. W. V. Fenter was named the club's nominee to go to the State THDA meeting in Corpus Christi. There will be a nominee from each club in the county, and their names will be presented to the HD. Council at the June 1st meeting.

Members of the 4-H Club of Cisco presented the program.

Miss Kay Green of Cisco spoke on "The Berlin Wall." Miss Green was entered in the Senior Division of Public Speaking in the area contest at Stephenville, April 16, and placed third in her division.

Miss Caddie Lee of Cisco gave a talk and demonstration on "Stop the Moths" before they ruin clothing. Ways to prevent this were demonstrated.

The 4-H girls were accompanied by Miss Wanda Watson, asst. H. D. County agent. Refreshments were served. — Reporter.

Mr. and Mrs. John A. Stock were in Palo Pinto Sunday to visit Mrs. Manual Rouse, a sister of Mrs. Stock who has been seriously ill but is now improving.

LINDY AUDITOR PENS AT THE STAR

Mrs. Griffin Finds Sweden Lovely, Friendly Country

(Editor's Note—Mrs. A. W. Griffin recently visited for several weeks in Sweden, her ancestral homeland. Here she writes of her impressions of that beautiful and friendly country which lies in the "land of the midnight sun.")

By Mrs. A. W. (Ruff) Griffin
Sweden is a small country about the size of Missouri, Arkansas and Louisiana combined.

Stockholm is the capital and largest city in Sweden. It is a very old city and seems to be a melting pot for many nationalities.

Sweden had one of the coldest winters this year that they have had in about 20 years; however, the cold and snow do not keep the people indoors.

Some of the impressions which linger from my recent trip are how fast the people drive; how well one can get along without being able to speak the language fluently, and how small the world after crossing the Atlantic.

Sweden's main industries are electricity and lumbering. Northern Sweden resembles Michigan and Minnesota with its birch and pine trees. The monetary system of the country centers around the crown, which resembles our quarter and is worth 20 cents in American money. There are 100 ore in a crown and they are similar to our penny.

Traffic still moves along the left side of the road, but they plan to change to the right side in 1967. I believe this leaves England as the only country using the left side. Volvos and Saabs are the popular Swedish cars. There are many French cars and Volkswagens, but not many large American cars. Most of the highways are quite narrow.

The Swedish people are very friendly and courteous and handshaking is a custom in which even children and teenagers take part.

Schools seem similar to ours except that classes are held six days a week and students finish in ten years. English is taught beginning in the fifth grade and French and German in the seventh grade. School lunches are paid for by the government. Boys are expected to serve one year in the armed services when they become 18.

I spent several days in Sundsvall which is about 300 miles north of Stockholm. It is beautiful and very hilly. It is on the east coast and ships come into port there from America. For several months during the summer there is daylight for 24 hours. Midsummer Eve is celebrated all night long on June 21.

Grocery stores stock many of our brands of canned goods and have many of their own. Lettuce is called salad and comes from Belgium during the winter months. It has large, loose green leaves. They are thrilled when the boats begin to bring lettuce from the States. Grapefruit and oranges come from Italy. Sweden has apple, pear and cherry trees. They also have lignonberry marshes which resemble our cranberry marshes. Swedish smorgasbords are famous and

sandwiches are called "smorgas." They are made with one slice of bread and eaten with a knife and fork. Bakeries are a beautiful sight. They seem to have hundreds of different kinds of cookies, breads and cakes.

Skiing is very popular in Sweden and all schools get a week off during the winter for this sport.

Many people go to northern Sweden where skiing is excellent. They serve blueberry soup to professional skiers as this is supposed to give them more energy. Hockey and ice skating are also popular. Soccer replaces our football over there.

Television in Sweden is quite limited. It come on about 7 in the evening and there is one channel from Stockholm for the whole country. They show a lot of English movies, a few Russian movies, style shows from Paris and a lot of sports events. They do get some American TV shows such as Danny Kaye, Dick Van Dyke and a John Drake detective show and they are thrilled with these.

People walk a great deal in Sweden, and I do mean a great deal. All women carry a large bag with an extra pair of shoes and they all wear comfortable walking shoes. Men and women wear plain, smart-looking clothes. A city of any size has a governor, so there are several governors in Sweden. The king of Sweden does not live in the palace—it has become more or less a museum. Most of the churches are very old—many have been restored. The Lutheran Church is the dominant church.

Much to my regret I spent only one night and part of a day in London on my return. I did see part of the Changing of the Guard and the gate where the Queen drives out at Buckingham Palace. This is very colorful and impressive.

The English people are very friendly and fascinating and helpful. I did not get the English monetary system figured out, but I plan to go back and do that one of these years.

With all the competition in the airlines these days, flying is real pleasure — all three weeks were a real pleasure.

Stamey Asking For First Full Term As Superintendent

TO THE VOTERS:

May I use this method to ask your support in the coming election? Due to the increased duties in this office, I shall be unable to see each voter personally, so by this means I should like to solicit your continued support.

I am asking for my first full term as County Superintendent. I intend to carry on my work with the best interest of the schools and the pupils of Eastland County ever in mind.

Your suggestions and constructive criticisms will be welcomed by me at all times. It is my hope and aim that our schools point the way to excellent training and that no child be neglected.

O. L. Stamey, County School Superintendent.

HIGGINBOTHAM'S

Dness Fatal To Roy Acker of Cross Plains

CROSS PLAINS — Roy E. Acker, 71, groceryman here for about 15 years, died Wednesday of last week in Hendricks Memorial Hospital at Abilene.

Services were held at 2 p. m. Thursday in First Baptist Church here with the Rev. Roger Butler, pastor, officiating, assisted by the Rev. D. C. Jones of the Evangelical Methodist Church.

Burial was in Eastland Cemetery with Higginbotham Funeral Home in charge.

Mr. Acker was born May 12, 1894, in Hunt County and married Hallie Owens in Rising Star Dec. 20, 1914.

Surviving are his wife; two sisters, Mrs. T. D. Lyle of Ralls and Mrs. Floy Barnes of Houston; a grandson, Jimmy Wayne Acker of Cisco; a nephew and two nieces.

Support Greatly Appreciated By Mrs. Ellen Justice

Mrs. Ellen Justice, County Treasurer of Eastland County and a candidate for re-election in the May 7 Democratic primary, has issued the following statement:

"Although I do not have an opponent in the coming primary election, I would like to take this opportunity to thank the wonderful people of Eastland County for your vote, support and confidence in the past. I will do the best of my ability to continue to conduct the duties of this office fairly, honestly and in the best interest of all the citizens of the county.

Your vote and support in the coming Democratic primary will be most deeply appreciated."

Mrs. Justice was reared in Stephens county and for the past 16 years has been a resident of Cisco. She is the widow of the late Rufus L. Justice, a member of the First Methodist Church; she teaches a Sunday School class, is a past matron of Cisco Chapter No. 461, Order of the Eastern Star.

Mrs. Ruth Nay has returned from a visit with her sister, Mrs. Ezra McBeth at Seagraves.

Mrs. Barney Cargile visited her son, Jon, in Dallas recently.

It Has Been

By VADA ARNOLD

All people everywhere were invited to an "Open House" or "House Warming" for the attractive new Market Building on April 17, 1941, from 2 p. m. to 7 p. m.

A one-hour concert by an Army band from the 36th Division stationed at Camp Bowie, Brownwood, was given.

Rep. Bill Chambers of May gave the dedicatory address and formally dedicated the building. Coffee and doughnuts were served during the afternoon.

The building was a WPA project, sponsored by the City at a cost of \$18,000. It is 80 feet wide and 120 feet in size. The floor is concrete and there is a concrete stage or band stand inside.

The structure was to be used as a market center for truck and fruit of all kinds. It housed the Free Fall Fair for as long as it existed, and was then used for peanut storage.

In June, 1941, Rising Star was a military center of the State for two days. On Saturday and Sunday, more than 70,000 men with all kinds of trucks and motorized equipment were involved in the movement in this area.

This was the exercise of the Eighth Army, summer training, commanded by Major General George V. Strong under the direction of Lt. Gen. Walter Kruger, commanding general of the Third Army.

While in the area, Jack McKinney, a member of Hdqrs. Co., 72nd Brigade, captured a young eagle in the rocks, six miles east of town on the Goss ranch, where his company was quartered. According to local residents, this was the first eagle known to have been captured in this locality. When young McKinney's company went back to Camp Bowie the eagle was taken to the camp and became the mascot of the company.

A short time after the maneuvers were over and the soldiers had returned to Camp Bowie, in a letter to the "Rising Star Paper" from Pvt. M. E. (Bill) Payne, the young soldier said: "I would like very much to say a few words, not only for myself, but for all the boys in my regiment, which is the good old "Fighting 77th Field Artillery." I want to thank each family who have invited us into their homes, and have helped us pass away the time. They have shown us real hospitality and we can't say in words how much we appreciate it.

"To each citizen of Rising Star I want to say that you have one of the finest little cities that

you could find anywhere, and you should be very proud of it." The new Methodist Church was dedicated Sunday afternoon, Oct. 12, 1941, at 3:30 p. m. by Bishop Ivan Lee Holt of Dallas.

Also in October of the same year, the first area Soil Conservation office was located here. The unit office was located in the Library building with L. K. Gregory in charge. Work began immediately.

Clifford Reed Is Buried Monday

Funeral services for L. C. (Clifford) Reed, 79, who died Sunday at 3:20 at his home in Brownwood, were held at Higginbotham Funeral Home Chapel here at 2 p. m. Monday.

Rev. L. F. Elder of Brownwood officiated, assisted by the Rev. and Mrs. Clyde Kelley of Cross Plains and Rev. and Mrs. Lamar Gillum of Austin.

Burial was in Long Branch cemetery under the direction of Higginbotham Funeral Home.

Mr. Reed was born November 28, 1886, in Tupelo, Miss. He was a school teacher by profession and was also a groceryman. He had been a resident of Texas for 75 years, the last five of which he lived in Brownwood.

He was a member of the Pentecostal Church.

Survivors include his wife, the former Pauline Tarner, to whom he was married on May 9, 1909 in Sylvester, Texas; one son, Cyrus T. Reed of Graham; one daughter, Mrs. Noema J. Johnson of Brownwood; one brother, Henry of Rising Star; one sister, Mrs. Ada Wright of Eastland; six grandchildren and four great-grandchildren.

Pallbearers were Paul Johnson, Alum Hastings, Irving Palmer, J. Flemming, Claude Rich and Andrew McFall.

FOUL WEATHER FRIENDS

Wonderful in fair weather, too. When the weather is foul, as it is so often in winter, an automatic washer and flameless electric dryer guarantee a constant supply of fresh-smelling, fluffy-dry clothes. With your own automatic electric laundry, you just pop the family wash in the washer, set the dial and go about your other chores. Drying clothes is no problem either—pop them in—set the dial—then do some other little chore for the family, you have been "putting off." So remember, in fair weather or foul, your best friends are an automatic washer and flameless electric dryer.
