

May Methodist Church Lord's Acre October 15

Plans for the annual Lord's Acre for May Methodist Church were finalized Monday in a meeting of the Ada Prentice Unit of United Methodist Women.

As part of the Lord's Acre activities, the public is cordially in-

vised by church members to a turkey dinner with all the trimmings to be held Saturday, October 15, at the church. Serving will begin at 6 p.m.

Tickets are \$2.00 for children 12 and under, and \$3.50 for adults.

Lutheran Church Octoberfest Bazaar October 7th & 8th

The Redeemer Lutheran Church in Cisco is holding an Octoberfest Bazaar from 8:00 a.m. to 6:00 p.m. on Friday, October 7 and 8:00 a.m. to noon on Saturday, October 8.

The bazaar, sponsored by The Lutheran Women's Missionary League, will have booths featuring farm and garden produce, home canned foods, and jellies, pies, cakes, cookies, frozen foods, homemade crafts and needlework.

Dinner featuring stew, cornbread, cobbler and a drink will be served from 11:30 a.m. to 1:00 p.m. Friday. Cost of the meal will be \$3.00 for adults and \$1.50 for children.

A Sausage Breakfast for 75 cents will be served from 8 a.m. to 10 a.m. on Saturday, October 8.

Proceeds will go to the Parish Hall renovation fund and to various projects of the Lutheran Women's Missionary League.

Rural Fire Department Asks More Manpower

The Rising Star Rural Fire Department will meet on Monday, October 10, at 7:30 p.m. at the First State Bank conference room. Members and anyone interested in joining is invited to attend.

The Rural Fire Department handles fire emergencies in the area surrounding Rising Star. Henry Burk, a member of the board

endangers lives or ruins investments in crops, pasturage, fencing or buildings.

Participation in the group is greatly appreciated, he commented, and new members are always welcome.

Stenholm Will Speak at County 4-H Banquet

Congressman Charles W. Stenholm, U.S. Congressman representing the 17th Congressional District of Texas, will be keynote speaker at the annual Eastland County 4-H Awards Banquet on October 8, at 8:00 p.m. in Rising Star at the First Baptist Church Recreation Building.

Congressman Stenholm is one of the few "farmer Congressmen" on Capitol Hill, even though his agricultural interests are often overlooked in favor of growing national recognition for conservative Democrats in the House of Representatives.

We are indeed honored to have Congressman Stenholm be our banquet speaker at the annual countywide 4-H Awards Banquet this year. All 4-H families and 4-H friends are cordially invited to attend. Recognition and awards will be presented at the banquet to our outstanding 4-H'ers for their year's work and involvement in 4-H.

Special awards that will be presented include: recordbook awards, certificates of completion for project work, Fashion Revue and Food Show awards, outstanding club secretary, club scrapbook contest winners, outstanding club 4-H'ers awards, 100% attendance pins, Outstanding Man and Woman 4-H Adult Leader Award, Danforth "I Dare You" and Gold Star recipient awards.

The Rising Star 4-H parents are hosting this year's banquet, and are working hard to make it an outstanding occasion. The theme is "4-H Fiesta" and a delicious homemade Mexican dinner will be served by the Rising Star 4-H parents.

Tickets for the banquet are \$2.50 for adults and \$1.50 for children. 4-H families and 4-H friends planning to attend the banquet are urged to call in your reservations immediately to the local Extension Service office, 629-2222 or 629-1093.

The Rising Star Rural Fire Department will meet Monday, October 10, at 7:30 p.m. at the First State Bank conference room. Current members and anyone interested in joining the volunteer firefighters are invited to attend.

4-H The Rising Star 4-H Club will meet October 10 at 4 p.m.

An important town meeting concerning Blackwell Hospital will be held at Gorman High School Auditorium at 7 p.m. Tuesday, October 11. All area people interested in the hospital have been urged to attend.

PTO The Parent Teacher Organization will meet Tuesday, October 11, at 4 p.m. in the school cafeteria.

Dr. Carpenter's Office Will Be CLOSED Sept. 28th through Oct. 9 Open 9:00 a.m. Oct. 10.

Wildcats Win Homecoming Game

The Wildcats snapped victory from the jaws of defeat Saturday night to thrill a large Homecoming crowd. The Blanket Tigers were about to spoil the Homecoming festivities as they increased their lead from 13-12 to 19-12 with 2:14 to go in the last quarter.

With 2:06 left on the clock Sam Scott faked a run and hit Jaral Pannell with a 64-yard pass and run for the touchdown. Still trailing 19-18, the 'Cats ran the option and Scott pitched to Wayne Johnston for the go-ahead two-pointer. Steve Hill threw a key block to open the play up for Johnston to score.

The first quarter saw no score for either side. With 4:00 left in the half, Steve Laughlin ran 25 yards for a Blanket touchdown. The extra point kick was blocked by Johnston. Rising Star then drove to the Blanket 3-yard line. The big play in the drive was a Sam Scott pass to Wayne Johnston for 33 yards. Johnston then threw the halfback pass to Jamie Smothers for the 3-yard TD.

The kick for the extra point failed.

The score at the half was 6-6.

Third quarter action saw Rising Star score on a 1-yard run by Johnston. The extra point attempt failed, setting the score at 12-6 Wildcats.

Winners Named

The pep rally at the High School Gym started off with a bang. The cheer leaders asked Payton Scott to say a few words to the gathering and he asked all exes to buy a Wildcat cap from the Booster Club to support the Wildcats.

Barbara Long announced the winners of the parade, windows and the signs in the gym. Winners in the parade were first place, Jr. class of Rising Star; second place, Rising Star Nursing Center; third place, Rising Star 4-H Club.

The signs in the gym were judged as first place, Freshman class of RSHS; second place, Jr. class of Rising Star High School. The windows down town were judged as first place, Jr. class; second place, Sr. class; third place, Fr. class of Rising Star High School.

Exes Hear Bruce Stovall Speak

The Rising Star High School 27th Annual Homecoming was kicked off in style last Saturday as a crowd of approximately 300 ex-students gathered in the school gymnasium for the coffee and registration which preceded the business meeting of the ex-student association.

Former students had traveled from as far away as California and Virginia to take part in the homecoming activities.

The business meeting opened with Weldon Hill, principal of Rising Star Grade School, leading the invocation. Guy Nell West, vice president of the RSHS Ex-student Association, presided over the meeting in the absence of Steve Bibb, president, who sent his regrets for being unable to attend. The exes were welcomed by Frank Gray, principal of Rising Star High School.

Recognition of the classes included recognizing Irene Lan-

Bruce Stovall dreth of the class of 1917, as being a member of the earliest graduating class present at this year's meeting; the class of 1948 had the most members present at the meeting and the class of 1933 was recognized as celebrating its 50th anniversary. The eighteen members of the 1933 class who were present were given the honor of being seated with the speaker, officers and board of directors.

A new slate of officers presented by the nominating committee were accepted by the

Angeline Stovall Opens C.P.A. Office In Cisco

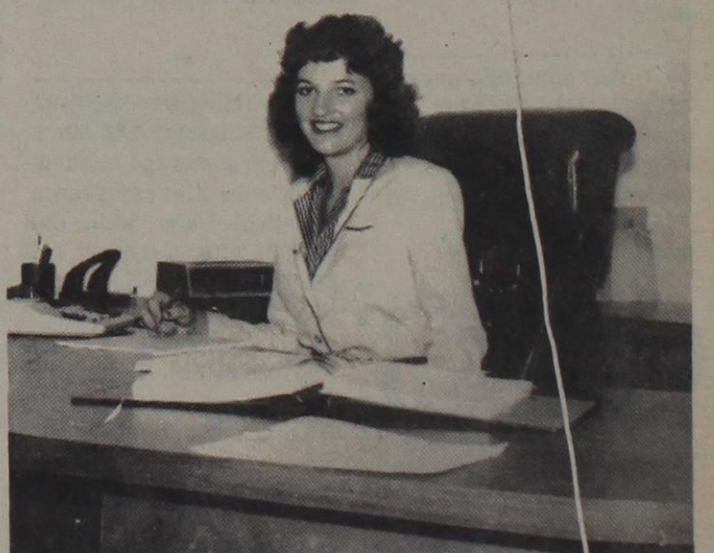

Angeline Aury Stovall, C.P.A., has opened an office in Cisco on West Highway 80.

Accounting services and tax services will be offered by the business at reasonable prices.

The office is located in a building formerly occupied by Nimrod Operating Co., and is west of the Graham Memorial Hospital turnoff. The phone no. is 442-3681, and business hours are 8:00 a.m. to 5:00 p.m. Monday through Friday.

Angeline Stovall is married to Howard Stovall, a local businessman, and they have a home near Cisco.

Mrs. Stovall was born in Mitchell County, Texas, and received her early education there. She attended Cisco Junior College, San Marcos State University, and

Tarleton State University.

She graduated from Tarleton in Dec. 1980 with a Bachelor of Business Administration Degree. Shortly after that she worked for Condley Co., C.P.A.'s of Abilene. Other work experience was with Rex Bes-

sent, C.P.A. of Brownwood. She was certified as a Public Accountant in May, 1983.

"I am very happy to have my office open in Cisco," states Angeline Stovall. "I look forward to doing C.P.A. work for both individuals and business firms."

KNOWLEDGE OF VALUES
If you're not sure what your items are worth you may be giving away your dollars when you think you're selling.
My knowledge of values can help you get fair market value when you have something to sell. Many items have gone up in value recently. And some of them are going up faster than the rate of inflation. But since I'm in the market daily selling all types of auctions I can help you get today's top dollar prices.
Why settle for one offer when you can receive the benefit of crowds of people eagerly competing by making their bids. I know what amount to ask to get the bidding started and I know how to keep it moving at a rapid pace.
It all adds up. My knowledge of values and proven auction selling techniques can net more money for you. Remember, when it comes to buying or selling AUCTION'S BEST (SM).

association. Serving for the 1984-86 term will be L.E. Allen, president; Randy Goldston, vice president; Vickie Claborn, secretary treasurer; and Edra Butler, reporter. Carolyn Ratliff will serve as publicity chairman.

The new vice president is automatically a member of the nominating committee and serving with Goldston will be Bobbie Wilson and Jeanine Childers.

The coming-home queen and king, Euna Dillard Pringle and Norman Claborn, were chosen from the honored class of 1933 by an overwhelming decision of the group.

The association gives an annual Good Citizen Award, selected by faculty and administrators of the school, to a graduating senior and Mrs. West announced to the crowd that Amy Dudley had been presented with the 1983 award. Mrs. Irene Mayfield was presented with a plaque honoring her with the 1983 Outstanding Retired Teacher Award.

Barbara Long read the minutes of the meeting last year and gave the treasurer's report.

Former principal Ray Nunnally introduced guest speaker, Bruce Stovall, listing his many accomplishments. A graduate of Rising Star High School, Stovall was also graduated from Cisco Jr. College, Howard Payne University, Southwestern Seminary and the Mex-

ican Language Institute; he's a member of Southern Baptist Convention, Southwest Christian Counseling Service, has been active in numerous mission works, served 20 years as a pastor, and has been a member of the faculty of Cisco Jr. College for the past three years. Stovall is president of SO Operating Co., Stovall Roustabout Service, Stovall & Stovall Pumping & Completions and Stovall & Winnett Transports.

Speaking on "Remembering the Past, Enjoying the Present, Planning the Future," Stovall noted that the many ex-students present shared a common bond of school memories, memories which remain basically the same whether the student attended school in 1933 or in 1983. He reminded his listeners that while remembering the past is good, now is important and urged them to live for today rather than for yesterday. He then advised the crowd to set high goals for the future, maintaining that dreams do come true. Concluding with the Biblical story of the houses built by the wise man and the foolish man, Stovall pointed out the importance of building on a strong foundation, with God acting as guide.

With Stovall was his daughter, Kelly, whom he introduced to the homecoming crowd, a crowd which thoroughly enjoyed his speech. They joined him in singing the school song, led by Kay Gray, to close the 1983 meeting of the Ex-student Association.

Ex-students Association Thanks Homecoming Participants

"Remembering the Past, Enjoying the Present, Planning the Future" - the 27th Rising Star High School Homecoming certainly upheld that theme, from the parties on Friday evening through all the activities on Saturday and the farewell parties after the great game on Saturday evening.

Ex-students travelled from as far away as California and Virginia to attend the festivities.

"May I express sincere appreciation from the board of directors and officers of the Rising Star Ex-students Association to everyone who had any part in the 1983 Homecoming; those who attended, those on the program, and all committee chairmen with their co-workers," wrote Mary Claborn, chairman of the board of directors

Lisa Mc Ginn Slightly Injured in Accident

Lisa McGinn, daughter of the Rev. and Mrs. Vernon McGinn of Rising Star and member of the gospel singing group Hands of Faith, was slightly injured on Sunday afternoon near De Witt, Arkansas, when the travelling bus owned by the group overturned on a sharp curve in the road.

The six performers and one child were headed to De Witt to perform in a revival to be held this week.

Lisa received bruises and was "shook up", according to her mother. One member received

of the ex-students association.

"Thanks to the faculty and students of the Rising Star schools (past and present); the Parent-Teachers Organization for a wonderful lunch; the parade chairman, announcer, judges, the REACT club and police force for a great parade; the local businessmen; the Chamber of Commerce and Agriculture for the clean-up day campaign; the Eastland County State Highway Department; The Rising Star for its excellent coverage; The Wishing Well for floral arrangements; radio and TV stations; and to all of you wonderful Exes who travelled great distances," she said.

"May there be many more years of Remembering, Enjoying and Planning for RSHS Exes and students," she wrote.

severe facial cuts, and several other members were slightly injured. The 38-foot bus, outfitted as living quarters for the group, was extensively damaged. The bus had been recently purchased by the group.

After treatment for injuries and a day of rest, the group joined the revival in progress and planned to complete their commitment in De Witt. Their next engagement for this coming week is in Fort Worth.

Kittens Beat Blanket

Rising Star Junior High Kittens defeated Blanket's Junior Kittens by a score of 22-14 on Thursday in Blanket.

The first quarter saw the locals go ahead on a short run by Kerry Hill and a two-point conversion by David White to bring the scoring to 8-0. The Kittens drove to the 5-yard line on runs by Stacey Green and David White and a pass to Chip Gray. Time ran out before the Kittens could get in for the score.

In the third quarter Stacey Green scored on a short run and then added the two-point conversion on a run. This put the Kittens ahead 16-0. The game got close as Blanket scored two touchdowns and a two-point conversion to pull within two points of Rising Star at 16-14.

The Kittens of Rising Star drove in for the clincher as Dal Randle and Lupe Pavlon made key pass receptions and Kerry Hill dived in for the TD. The extra point attempt failed and the Kittens won it 22-14.

The next game for the Kittens is today at Rising Star. Opponent for the game is Abilene Christian Junior High School.

ment in De Witt. Their next engagement for this coming week is in Fort Worth.

PTO Will Choose Projects to Benefit School System

Rising Star Exes were greeted Saturday with PTO "Wildcat Fever" T-shirts. The T-shirt sales were a success and all deliveries were made on Friday in time for Homecoming activities.

More than 200 people attended the PTO luncheon.

With the membership drive completed and two more home games remaining, the organization has cleared more than \$2,000 to be used toward grade school playground improvements.

These improvements and other possible projects will be the main topics of our next business meeting on Tuesday, October 11, at 4 p.m. in the school cafeteria. The program for this meeting will be presented by our local 4-H club members.

Come out and support our local Parent Teacher Organization and our children. Bring your ideas and enthusiasm.

Lisa plays bass guitar and sings with the group. Rev. McGinn is pastor of the Calvary Assembly Church.

"We are grateful that Lisa was not severely injured, and we would appreciate everyone's prayers for a safe journey in the future," Mrs. McGinn said.

The officers and homecoming luncheon committee would like to recognize and thank each parent, teacher and friend who aided in making the PTO T-shirt sales, concessions and luncheon a success.

TEXAS PRIDE

IN TEXAS SCHOOLS

TSTA Tips For Parents

The Texas State Teachers Association wants to be your partner in helping your child learn all that is possible about the natural world in which we live. The following is part five in an eight part series to encourage learning away from school.

Social Studies

Encourage curiosity in the area of geography, land formations, climate and weather. Try to answer questions when your child is young and, when older, how to find the answers. Discuss current events, encourage the reading of newspapers and periodicals and the watching of local and national news telecasts.

Provide your child with social studies research materials, including a dictionary, atlas, globe and almanac.

A map of the city and gasoline road maps are excellent for plotting trips and helping the child understand geographic relationships. Keep the research items conveniently close to the TV set for use during news and documentary programs.

Map puzzles are good "learn as you play" items for youngsters. Distinctive shapes of

states, countries, continents form pictures in the child's mind to help your child learn and remember.

Discuss the world of work with your child, including the demands of various jobs and professions and the work and training necessary to qualify.

Stress the idea that training can begin at an early age and that attention to school work is vital for future success. Feel out notions about future career plans, including personal preferences, inclinations and natural skills.

Teach your child the importance of being a good citizen by discussing at the dinner table local candidates for public office, issues and problems of the community. Help with the judgment of each person individually rather than by race, creed, color and by curbing unthinking remarks about others.

Give books that reflect the diversity of American culture. Don't be afraid to guide talk with your teenagers into the fascinating realm of ideas. Junior high and high school students love "bull sessions" on serious topics.

27th Homecoming Rising Star High School

Mona Cloutier Weds Ricky McKinnerney

Mrs. Rickey McKinnerney

Miss Mona Felice Cloutier and Mr. Ricky Don McKinnerney were united in marriage on Saturday, August 27, 1983, at two o'clock in the afternoon. The double ring ceremony was performed by the Reverend Dan Miller at Chapelwood United Methodist Church in Houston. Mr. Madison Cloutier read the scriptures.

The bride is the daughter of Mr. & Mrs. Joseph Jack Cloutier of Shiner; she is the granddaughter of Mrs. Ernest Hajek of Shiner and Mr. & Mrs. Lawrence Phillip Cloutier of Monroe, Louisiana.

The groom is the son of Mr. & Mrs. Donald Harrison McKinnerney of Malakoff and the grandson of Mrs. Ernest Goldsmith of Sulphur Springs and Mrs. J.R. McKinnerney of Rising Star.

Mrs. Loy Harris, organist, played a prelude of wedding selections. The Rev. and Mrs. Dan Miller, soloists, sang "Let Us Climb the Hill Together" and "That Is the Way", self accompanied with guitar. During the lighting of the unity candle, they sang "The Wedding Song", and Mrs. Miller sang "The Lord's Prayer" at the closing of the ceremony, accompanied by Mrs. Harris.

Ivory satin bows and greens marked the pews of the center aisle and the altar table was adorned with an arrangement of ivory calla lilies interspersed with summer greenery. Pairs of brass candlesticks holding glowing tapers graced each side of the arrangement.

The radiant bride was escorted to the altar and given in marriage by her father. She chose to wear the wedding gown and veil that her mother wore for her wedding in 1950. The dress, an elegant creation of embroidered imported Swiss organdy with wide fitted waistband and short cuffed sleeves, featured a

semifichu cuff of embroidered organdy which edged the deep decolletage of the bodice. The ankle length, bouffant embroidered skirt was gathered in pleats and overlaid with a detachable organdy skirt that tied at the waist and extended into a chapel length train. Further enhancing the beauty of the dress, the bride wore a fingertip veil of imported English silk illusion with rolled edges deepened in three tiers from a Juliet cap of the embroidered organdy. Miss Cloutier wore satin slippers and her mother's pearl necklace. To complete her attire the bride carried a free form cascade of calla lilies and summer greenery interspersed with stephanotis.

Mrs. Steven Glomb attended her sister as matron of honor. Bridesmaids were Mrs. Madison Cloutier, sister-in-law of the bride and Miss Connie McKinnerney, sister of the groom. Melanie Leigh Cloutier attended her aunt as junior bridesmaid. The attendants were gowned alike in formal gowns of silk cerise tissue taffeta. The fitted bodice was fashioned with opera length lantern sleeves and portrait necklines edged with a wide ruffle which dipped to a deep U in the back. Cumberbunds circled the waists of the slightly gathered princess skirts which fell to slipper length in front and formed a train at the back. They carried silk bouquets centered with a large cerise amaryllis surrounded with Peruvian lilies of the same color, mauve dogwood, fox-tail, tropical leaves and Boston fern.

Jeff DuBose served as best man; groomsmen were Monte Green and Douglas Wintermute. Donnie McKinnerney served his brother as junior groomsman. Ushers included Madison Cloutier, brother of the bride, Kevin Leonard and

James Kurth.

The bridegroom wore a classic gray cutaway tuxedo with striped trousers, white pleated shirt with wing collar and ascot tie. His attendants wore formal dark gray stroller cut tuxedos with wing collar pleated shirts. The fathers of the couple wore formal black tuxedos with white pleated shirts with wing collars and bow ties. All wore boutonniers of stephanotis and greenery.

For her daughter's wedding, Mrs. Cloutier chose a formal gown of lilac matte taffeta and ivory embroidered lace. The bodice was designed with a scalloped square neckline of ivory frosted ribzine scroll embroidered on creamy lace over taffeta. Sashed at the waist, the dress was accented with a long sleeve, Mandarin collar jacket swirled with ivory ribzine scroll embroidery. She carried a pearl beaded bag and wore lilac colored silk Peruvian lilies and fox-tail in her hair.

The mother of the groom wore a formal A-line Nordic rose chiffon gown styled with a high, Victorian neckline, sheer yoke, full sleeves and fitted waistline accented with a satin sash. To complete her ensemble, she wore matching accessories and a corsage of rose colored Peruvian lilies interspersed with fox-tail.

Special guests were the grandmothers of the couple, Mrs. Ernest Hajek, Mrs. Ernest Goldsmith and Mrs. J.R. McKinnerney. They wore formal gowns complimented with silk keepsake corsages of pale pink sonia roses trimmed with dainty ecru lace.

Immediately following the ceremony, a buffet reception hosted by the parents of the bride was held in the Texas Ballroom of the Dunfey Houston Hotel. The guest registry was attended by Miss Diane Siegel and covered with an ivory pleated cloth overlaid with lace and centered with an arrangement of pink satin rice roses in a white basket. Potted palms and green plants were placed at vantage points throughout the ballroom. Individual tables for the guests were covered with ivory cloths and centered with flower arrangements.

Serving tables were covered with ivory cloths overlaid with lace. An elegant and majestic arrangement of burgandy, lavender and pink assorted flowers with summer greens cascaded from the silver pedestal container which centered the cross shaped buffet table. Silver tarays and chaffing service held fruits and melons,

varieties of cheeses, chicken drumettes, Swedish meatballs, vegetable and relish trays and chips and dips.

The bride's table was covered with an ivory cloth overlaid with lace and the silk bouquets of the bridesmaids. The four-tiered wedding cake was decorated with ivory sugar-spun lilies of the valley and garlands of sugar-spun scallops. Silk flowers were placed on the tier corners and a nosegay in colors of pink, burgandy and earth tones crowned the strawberry filled confection.

The groom's cake was a chocolate confection decorated with sea-shell borders and sugar-spun roses on a lattice work icing.

Punch was served from a silver bowl.

Mr. Al Marks, Houston pianist, provided a variety of classical and popular selections for entertainment and dancing throughout the evening.

The bride is a 1978 graduate of Shiner High School and a 1981 graduate of the University of Texas at Austin where she received a Bachelor of Business Administration degree in finance and was a member of Phi Beta Chi. She is an international lending intern with Interfirst Bank of Houston.

The groom is a 1978 graduate of Malakoff High School and a 1982 graduate of the University of Texas at Austin where he received a Bachelor of Business Administration degree in finance and was a member of the University of Texas Finance Association. He is employed by Houston Interfirst Bank Southwest as a commercial credit analyst.

Following wedding travel to Cancun, the couple will reside in Houston.

Mr. & Mrs. Don McKinnerney hosted the rehearsal dinner in the Dallas Suite of the Dunfey Houston Hotel on Friday, August 26.

The head table was covered with an ivory pleated cloth and centered with a flower arrangement of Rebrum lilies in shades of burgandy, pink and ivory with summer greenery. Guests were seated at individual tables skirted with pleated cloths and centered with arrangements matching that of the head table. Place settings were marked with pink menu cards and place cards, burgandy napkins and satin match covers with the wedding date.

The menu consisted of fruit and melon collage for the first course followed with fresh garden green salad, London Broil Marchant de Vin, stuffed baked potatoes, chef's choice vegetable and Mousse Parfait.

Pioneer News

By Mabel Halsell

Please bear with me for my usual "sound off" before writing the news.

"THINK" was a slogan once seen on many office desks. Our recent Sunday School lesson is a reminder to everyone to think, then act, and the results to individuals and nations who refuse to think correctly.

The raising up of prophets for the Israelite people came as a necessity to a so-called God-led people who had ceased to think and to remember. The result was the sin of apostasy, which led to idolatry. No individual or nation can remain in a state of apostasy very long before their sin becomes worse by falling into idolatry (pursuing any activity, sports, job, talent, etc., to the exclusion of service in God's kingdom). So it was with the Israelites (Judah) in that long-ago time when God was giving them a chance to repent, through the preaching of the prophets. Sin must be punished! The Israelites failed to cease their idol worship. Exile into Babylon was their punishment.

Have we as people and individuals become a nation of idol worshippers? Maybe not in the sense that the Israelites did. But God cannot condone sin in any form. Sin includes any act or attitude which is contrary to the rulership of God in our lives. When we stop to "Think" we can assess our own Christian status in the light of this definition of sin.

Mr. and Mrs. F. L. Dean of Rising Star visited briefly with Mrs. Brown on Friday afternoon. They will be moving to Big Spring in the near future. Other visitors were the Rev. Pete Kenner, Mabel Birchfield, Helen Tillotson, Mabel Halsell and Bob Hodnett.

Mrs. Calvin Roady's visitors were Mr. and Mrs. Bob Roady.

H. T. Parsons visited Mr. and Mrs. Pete Fore Sunday evening.

Mr. and Mrs. Paul Harlow were week-end visitors in Marble Falls.

Mr. J. T. Brown from Illinois has been visiting his mother, Velma Brown and other relatives in this community and in Brownwood. Velma visited her granddaughter, Pamela Martin, in Brownwood for two days.

Visitors with Mr. and Mrs. C. T. Barton were his niece and her husband, Edna and Rook Zunker of San Antonio, who stayed four days, and Mrs. Nettie Roady of the community.

The Pioneer Quilting Club is organized for another year with good

attendance and with an average of one quilt a week. They welcome visitors and invite new members.

Recent visitors with Josie and Alma Morris were Mrs. Truett Parsons, Mr. and Mrs. W. A. Morris of Stephenville, Mrs. Phillip Bennett and children, Mrs. Connie Swift, Mrs. Sylvia Brown and Wesley all of Cross Plains, Winnie Flippin, Gail Flippin and Melba Cathy of this community, and the pastor of the Pioneer Baptist Church.

Mrs. Ben Atwood's daughter and husband, Wanda and Darwin Anderson of Abilene, visited her and his mother, Mrs. Anderson, during the weekend. Other visitors were her granddaughter, Vanda King and children.

Richard Taff, son of Mr. and Mrs. Mack Taff, was released from Cisco Hospital recently. He and his parents and Shelly and Amber had Sunday lunch in Coleman to celebrate the event. Vanessa Taff and her father Mack Taff were visitors in the Taff home during the weekend. They all attended church on Sunday.

Mrs. Annie Laurie Alexander is a patient at West Texas Medical Center. She is improving from a recent illness and hopes to be home soon.

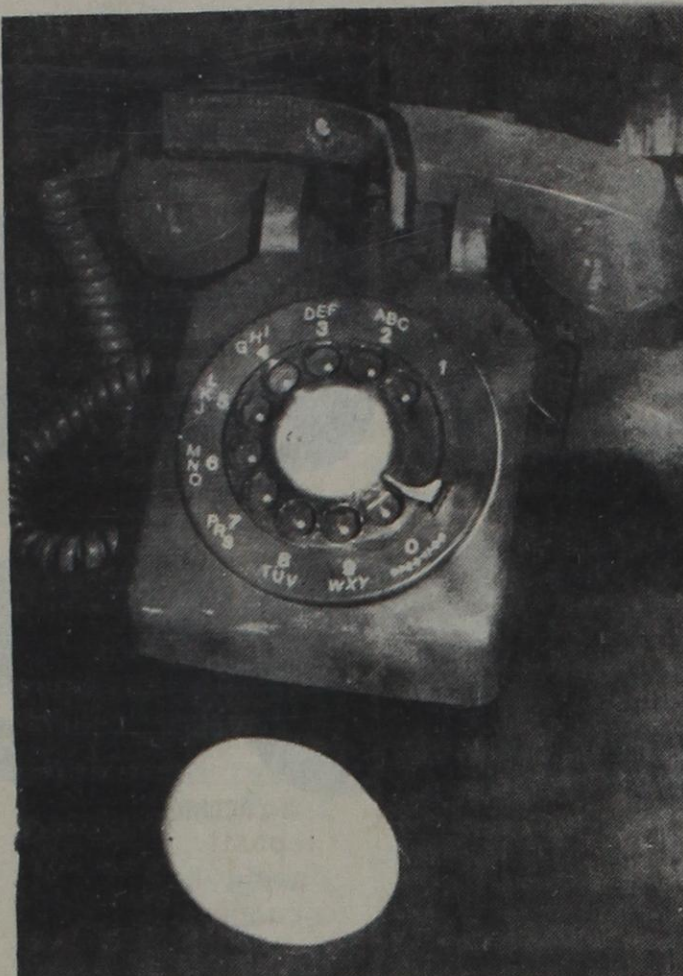

Recent visitors with the Rev. and Mrs. Hierholzer were John Miller; her daughter, Elaine of Brownwood Lake, and her sister, Mrs. Marie Pancake.

Annual Fish Stocking Program by Upper Leon SWCD Underway

Channel catfish and fathead minnows will again be offered for sale by the Upper Leon Soil and Water Conservation District in their annual fish stocking program.

Those wishing to stock their ponds may place their orders with the Soil Conservation Service in Eastland at 629-1480. The catfish will be 4 to 6 inches long and cost 30 cents each. The minnows will be \$7.50 a pound,

This "Texas size egg" was laid by a chicken, a White Buff belonging to Woodie Harris. The egg measures 7 3/4" X 8 3/4".

Brush Control Tour Set

An election for a director to serve in Zone 5 of the Upper Leon Soil and Water Conservation District is scheduled for Tuesday, October 11, at Eastland County Livestock show barn (fair grounds) in Eastland announced Norman Moore, Chairman of the board. The election will be preceded by a tour of brush controlled by Graslan pellets at 6:00 p.m. The group will return to the fair grounds for a hamburger supper at 7:00 p.m. and the election will be held at approximately 7:45 p.m.

Zone 5 covers approximately the east half of Eastland County and includes the cities of Eastland, Ranger, and Gorman. All interested farmers and ranchers are encouraged to attend.

Current members of the board of directors are Moore, Sidney; Edwin E. Jones, Dublin; J.W. Sadberry, DeLeon; George Steel, Rising Star; and W.D. Brown, Gorman.

with about 200 to 400 fish per pound, depending on their size.

Orders will be taken through the month of October, and delivery will be in late October or early November.

The Soil Conservation Service can provide information as to the stocking rates and the supplemental feedings of the catfish and minnows.

Payment must accompany all fish orders.

Prize-Winning Photo

The Texas Agriculture Magazine, dated September, 1983, featured results of a photo contest. Second place winner was Mrs. Leon Stewart of Rising Star. The black and white snapshot, shown above won Mrs. Stewart \$25.

The 1944 photo of her son, Kenneth, feeding a calf, was made on a farm about eight miles southwest of Rising Star. The Leon Stewarts have farmed in that area since 1942. The picture was made when Kenneth was two years old. He is now a Game Warden in Cook County, at Granbury.

Rising Star Nursing Center
Avis Massey
Activity Director

MONDAY 26 Bingo was today and our big winners were Estell Bolding and Martha Irby with four games each. Buster Rixford won two games and Mary Crisp, Ora Clark, Mamie Wells and Lena Eason each won one game.

TUESDAY 27 Today the activity director wrote letters and we had crafts in the dining area, where we made another octopus.

WEDNESDAY 28 Today we had exercises individually in the rooms.

At 4:15 Dorothy Reynolds came and sang for the residents.

THURSDAY 29 This morning we read and wrote letters. We also started getting things ready for our float for the Homecoming parade on Saturday.

FRIDAY 30 We did exercises individually in residents' rooms, then did more work on the trailer to be decorated as our float.

SATURDAY 1 We finished the float for the parade. The employees on the float were Patsy Duggan, LVN; Barbara Alexander, director of nursing; Annie Ruth Christian, housekeeping; Melba Lamb, nurses' aide; and Darlene Harris, activity director.

The title of the float was "These are the Good Ole' Days", and the residents on the float were Maggie Christian as a retired school teacher; Estell Bolding, churning butter; Pauline Hill as a granny in a rocking chair; Garland Bibby as an old farmer singing his songs; and then Mamie Wells was the lady of luxury in the brown lawn chair.

Our float won second prize. Thank you, residents and employees! Thank you, judges! Thanks also go to the employees who got all the residents at the home out to see all the parade.

This last week and weekend was busy for everyone. Detta Webb and Lela Clark came to visit Mary Crisp.

Harold Wells and Mr. and Mrs. White from Hamlin, and Mr. and Mrs. Ivey all came in to visit Mamie Wells.

Effie Williams had Billy Jean Benson and Yvonne Williams as guests.

Nettie Wilson had her niece and family from San Angelo, and Mr. and Mrs. Marshall from Cross Plains as visitors.

Wynona Walker of Seminole, Shannon Matthews, J. D. Owens and sister from Hamlin and Lake Whitney came to visit Wandine Walker.

Marion and Marjorie West visited Charity White.

Mr. and Mrs. Willard Alexander and family from California;

Mr. and Mrs. Willis of Lampasas visited Mr. and Mrs. Robert

Our recipe this week is furnished by Willie Leah Maynard:

- German Fruit Cake
- 4 cups flour
- 2 tsp. baking powder
- 1 tsp. cinnamon
- 1 tsp. cloves
- 1 tsp. nutmeg
- 1 tsp. allspice
- ½ pound margerine
- 2 cups sugar
- 6 eggs
- 1¼ cups buttermilk
- 1 tsp. baking soda, dissolved in buttermilk
- 2 cups chopped nuts
- ½ pound candied cherries
- ½ pound raisins
- 1 No.2 can drained pineapple
- 1 quart apricot preserves

Mix all the ingredients well. Spread in five 9-inch round cake pans (makes thin layers).

Bake at 325 degrees until done in center. When layers are cool, put together with the following frosting:

- 3 cups sugar
 - ½ pound oleo
 - 2 cups canned cream
 - 3 dozen marshmallows
- Cook sugar, oleo and cream until it reaches the soft ball stage, stirring constantly. Add the marshmallows, beat until thick enough to spread.

This is a delicious holiday cake. Serve in thin slices.

Miss Ballard's work experience includes being a senior counselor at the State 4-H Center during the summers of 1980, 1981 and 1982 and working under the direction of Marshall Crouch, director of the State 4-H Center.

On coming to Eastland County, Miss Ballard's primary responsibilities will be giving leadership to the 4-H program of work in the County.

letters to the editor ...

Dear Editor,
I would like to use this form of communication to make two apologies and two admonitions.

I apologize to the people who attended our auction at Ranger on Sept. 17, for my handling of the beer drinking incident. I was caught somewhat by surprise and did not know exactly how to act on the problem at the time. I assure all of my present and future customers that no alcoholic beverages will be consumed at another of our auctions if I have knowledge of it. Words to this effect will be added to our advertising flyers and my opening remarks at each sale.

In a related incident, I would like everyone concerned to know, especially the people of

Rising Star, that I regret the purchasing of an ad in the so called drug abuse manual produced by the Rising Star police department.

There are at least seven ads for liquor and private clubs in this "drug abuse manual." It seems ironic to me that a police department would seek support from the dealers of the largest drug industry, alcohol, to produce a drug abuse manual for the young people of their community. Alcohol kills more innocent people, ruins more lives and wrecks more homes than all the other drugs combined. Please accept my apology for not investigating more closely where I spend my advertising dollar. My admonitions con-

cern this same subject and are directed to two well meaning and worthwhile groups.

First, the police department of Rising Star, I believe, should not have accepted advertising from any liquor related business.

Secondly, I was very disappointed with the Lions Club of Eastland having as their program a representative of the LaJet-COORS-golf tournament. I believe a service club that is in the business of helping people should not associate with or support an industry that profits from the misery and heartbreak of broken homes and wrecked lives.

Thank you for allowing me to express my opinion in this manner.

When You Buy, Build or Remodel, You Can Save Thousands of Dollars* on Your Electric Bills over the Life of Your Home if it's a WTU-Approved E.S.P. Home

Some homes on the market may seem to be energy efficient, but before you buy, build or remodel, be sure your new home earns the West Texas Utilities

"E.S.P. Award"

ASK YOUR REALTOR OR BUILDER ABOUT SOME OF THE MOST IMPORTANT ENERGY SAVING FEATURES:

- Ceiling insulation of R-30 and wall insulation of R-16.
- Storm windows or insulated glass.
- Weatherstripping and caulking around all doors and windows.
- Air conditioning with a Seasonal Energy Efficiency Ratio (SEER) of 8.5 or higher.
- Electric heat pump with an SEER of 8.0 or higher.
- Air infiltration control.

*COMPARE BELOW HOW MUCH MONEY AN E.S.P. HOME CAN SAVE YOU OVER A ONE-YEAR PERIOD

An average 1800 square foot home will cost approximately \$835 per year to heat and cool.

An E.S.P. HOME of 1800 square feet will cost approximately \$610 per year to heat and cool, which results in an annual savings on electricity costs of 25 percent or more. (Energy savings may vary according to the type of construction of the home, family size and individual energy usage habits.)

Call your local WTU office for additional information on buying, building or remodeling to have an E.S.P. HOME. IT CAN SAVE YOU MONEY ON FUTURE ENERGY BILLS!

Interceding for the Lost: Who hath heard such a thing? Who hath seen such things? Shall the earth be made to bring forth in one day? Or shall a nation be born at once? For as soon as Zion travailed, she brought forth her children (Isaiah 66:8). Many have looked at this verse and thought it referred only to the rebirth of Israel as a nation. Yet most Old Testament prophecy has a twofold application - first the natural, then the spiritual. Isaiah is prophesying that Israel will be reborn as a nation in the natural, and that in the spiritual, Zion will travail and bring forth her children. Who is Zion? The New Testament tells us that the New Covenant believer is not come to Mount Sinai where Moses received the Ten Commandments under the Old Covenant - but that we are come to Mount Zion. It calls the Church, Mount Zion. (Hebrews 12:18-23). For ye are not come unto the mount that be touched, and that burned with fire, nor unto blackness, and darkness, and tempest, And the sound of a trumpet, and the voice of words; which voice they that heard entreated that the word should not be spoken to them any more: (For they could not endure that which was commanded, And if so much as a beast touch the mountain, it should be stoned, or thrust through with a dart: And so terrible was the sight, that Moses said, I exceedingly fear and quake:) But ye are come unto Mount Zion, and unto the city of the living God, the heavenly Jerusalem, and to an innumerable company of angels, to the general assembly and church of the firstborn, which are written in heaven, and to God the Judge of all, and to the spirits of just men made perfect. And to Jesus the mediator of the new covenant, and to the blood of sprinkling, that speaketh better things than that of Abel. Notice this calls the Church of the general assembly of the firstborn, "Mount Zion". And our text in Isaiah 66:8 said that, "as soon as Zion travailed, she brought forth her children." Galatians 4:19, "My little children, of whom I travail in birth again until Christ be formed in you." Paul is writing to the churches throughout Galatia (Gal. 1:2). He intimates that he travailed in birth for them to be saved in the beginning. (Now he is travailing "again".) We talk about making conversion. God does not mention conversions - He wants births. You must be born again! You cannot have births without having

travail. The picture here is of a woman giving birth to a baby. (Now I do not mean that one must come to the altar and travail to be born again. That baby does not birth itself. But for true births out of the kingdom of darkness and into the kingdom of light, some intercessor, somewhere, has travailed.) Paul travailed. It was a spiritual activity. It is an intense suffering in the inner man. It is comparable to the pangs of natural childbirth. It involves real intercession. There was a man, now with the Lord, who travailed in prayer and intercession until you would think his heart would break literally. It's hard on anyone, but remember the Lord prayed in the garden, and his sweat was as it were great drops of blood falling down to the ground. (Read Luke 22:41-44). We cannot play at praying and expect to get answers from God. Jesus found his disciples sleeping for sorrow, and said, "Why sleep ye? Rise and pray, lest ye enter into temptation." And if we don't pray we will not be able to overcome the temptations of the devil.

Lifting Up Jesus

Once a lady living at the top of a narrow mountain road was seeking a chauffeur. There were three applicants. During the interview she asked all three the same question, "How near could you drive to the edge of a steep mountain road without going over?" The first and second applicants answered that they could drive to within an inch of the edge. The third applicant indicated he could not tell her how close he could come because he always made it a practice to stay as far away from danger as possible. The third man got the job.

Playing with danger is a deadly game and that is especially true in the spiritual realm. There are things in life which have unlimited potential for good or evil. James tells us that is the case with human speech (James 3). Our speech can be very useful and beneficial or we can inflict untold harm (gossip). We can persuade men to do good or seduce them to do evil. The tongue can cement friendship and bring peace or it can create division and bring war.

You may see me sometime with a favorite T-shirt on which reads: "Caution, mouth may be moving while brain is disengaged". Is that not what happens sometimes when news travels the "grapevine"? We

Gregg Knight must be careful how we use our tongues! When we are going to say something, ask first, "Will it help, build up, strengthen? Or will it ruin and destroy mankind?"

Teachers Society Meets At Cisco Bank

Beta Upsilon Chapter of Delta Kappa Gamma, International, met Saturday, October 1, 1983 in Cisco National Bank.

Delta Kappa Gamma is an international society made up of key women teachers. The Beta Upsilon Chapter is made up of women teachers in Eastland and Callahan counties.

Ethel Sparks of Eastland, president, presided. She introduced Mrs. June Khaler, Area 10 Coordinator of Fort Worth. Mrs. Khaler gave her greetings to the

chapter by using three fables incorporated into the framework of the purposes of Delta Kappa Gamma.

Mrs. Anna Auvenshine of Ranger presented the program "A Look at Educational Policies." Mrs. Auvenshine brought out the fact that public

opinion very much influences school policy. She named some evaluations that have already been made and some being made.

"A Nation at Risk" is a report made by a presidential appointed committee, The Na-

tional Commission on Excellence in Education. The Carnegie Report is another. "A State Motion in the Midst of a Nation at Risk" shows that Texas is already at work for excellence in education. Then there is the Ross Perot committee at work now. The yearbook committee, headed by Lois Marshall, presented the yearbooks to the thirty-four members present.

Hostesses Evelyn Kirk, Jeanell Purvis, Miriam Bledsoe, and Allye Terrell served delicious refreshment from a fall decorated table.
