BULLETIN OF SELECTION BOARD

1. The registrants inducted and entrained Saturday, the 27th for Camp Travis under Call No. 145 were: Rowland Ray Hillman and Theodore Albert Ideus, Cherokee; William Thomas Maxwell, Bowser; Douglas Ouray Terry, Frank Oliver Starr, Jeff Davis Startz, Thomas Jefferson Swails, Fred Paul Walker, Vernon Clifton Lawrence, and Lemuel Lawson Joiner, post office San Saba. An additional man, Lee Owens Bushwar, of Bowser, making twelve in all, was also inducted, under the provision that permits as many as two men over and above the number called for in any given movement to be included in the movement. The additional man or men, however, must have an order number that places such man or men within the current quota of the Board. The provision just mentioned should be borne in mind by all registrants and those who care to take advantage of same should file applications with this Board to be inducted ahead of their regular time.

2. According to the above mentioned provision this Board inducted and entrained on Monday, the 29th, for Camp Travis, Corn Murray Galloway (Col.) as one additional man to its quota of 0 under Call No. 160. Until another registration is had or unless the status of other registrants of the race of this registrant who have been placed in deferred classifications changes so as to put such registrants in Class I, Group A, this will be the only registrant of his color in such class and group to be drafted by this Board.

3. Under Call No. 186, one man will be inducted on the first proximo and entrained the same date for Fort Sam Houston, San Antonio, Texas. Under Call No. 190, one man will be inducted and entrained on the 7th proximo for Camp McArthur, Waco, Texas. Under Call No. 187, two men will be inducted and entrained on the 11th proximo for Fort Sam Houston. Induction calls have gone forward to the four registrants in question, but their names will not be given until after the three calls are filled, in view of the possibility of the places of one or more of such registrant having to be taken by alternates, as a result of illness or a deferment of induction temporarily for one of the reasons provided for in the Regulations or any other cause that might prevent one or more of such registrants from answering his call to service at the regular time.

4. This Board had received up to last Saturday, the 27th, and reported to headquarters that date, three applications from registrants skilled in various lines of work under the current national special induction call. Two of such applications were for the position of railroad clerk and one for commissary storekeeper. The quota charged to the State of men skilled in any of the 65 different lines of work will be apportioned among the Local Boards of the State on the basis of the number of applications reported by the Boards. Hence, it remains to be seen whether or not this Board will be called on to supply one or two railroad clerks or a commissary storekeeper. If such should be the case, further information in the matter will be given in a later bulletin.

SAN SABA COUNTY SELECTION BOARD. April 30, 1918.

Mr. W. H. Joekel returned Wednesday from Brownwood, and other points west, where he has been in the interest of his business.

OUR CAVALRY TROOP

RED BLOODED TEXANS WANTED FOR BORDER SERVICE

I have always believed that Texas men were patriotic. The idea of conscription was distasteful to me. I believed that the manhood of Texas would defend the State and Nation without being conscripted.

The challenge is now squarely up to the men of San Saba, Llano, McCulloch and Menard counties to volunteer to defend American liberty and the rights of free men against the brutality, butchery and savage autocracy of the modern Hun.

Regidier General Jacob F. Wolters has authorized me to recruit and organize a Troop of Cavalry in these counties and I am using the patriotic newspapers to appeal to the red blooded men to come forward and enlist. DO IT NOW. Don't wait to be conscripted. Be a patriot. "Make your dada glad to have had such a lad," "Make your mother proud of you and the old Red, White and Blue."

There are many reasons why the brave men of these counties should come forward promptly and fill up this Troop. In the first place there is no more attractive branch of the service for these hardy west Texas cow boys than cavalry. In the second place we are being organized for service on the border and this is real home protection. For the soldiers on the border are the guard to protect our homes from the frightful fate of Belgium. Best of all the Troop will be composed of home

boys who know each other and will feel for each other the common interest of home-ties and personal friendships.

All men who are physically fit between the ages of 18 and 45 are eligible to enlist. Don't tell me that you will fight when they invade this country. Now is the golden opportunity, and may be the last opportunity, to volunteer and help to keep the Huns from invading our country. For the next few months we will drill at convenient places in the county and receive about one-fourth regular army pay. Later we will be federalized. When called out or mobilized we will receive full pay.

It is the duty of every eligible man to come forward at once and enlist. Let's don't be slackers.

Men of these counties, I appeal to you in the name of all that is sacred and dear to our homes and the pride you have in Texas patriotism. Rally to the Troop. Be a volunteer. You can be a volunteer if you are a registered man. Now is your opportunity. We are in a long war. You will have to go after while. Come now and do a man's part in a patriotic way.

Report to me at San Saba; to J. W. Munselle, Richland Springs; or the Local Selection Board of either county.

W. A. Smith, Captain T. N. G.

Mrs. J. N. Thompson of Fort Worth in the guest of her sisters, Mrs. Ed Simmons and Miss Alice Lewis.

Mrs. W. L. Baker and sister Miss Pearl Peverly from Cherokee were here shopping Monday.

MEETING OF SHEEP AND GOAT RAISERS

Notice is hereby given that a meeting of the Sheep and Goat Raisers' Association of San Saba county will be held at the court house in San Saba on Saturday, May 4 at 2:30 p. m. Every one in the county who owns sheep or goats whether a large or small raiser is urgently requested to attend this meeting and if not a member ascertain the purposes of the organization and if satisfied become members. While the Government has announced its intention to take over the wool clip there is much that can be done collectively to save expense in handling. This is an important meeting and we hope all raisers will attend.

W. C. EDWARDS, President.
B. R. RUSSELL, Secretary.

Moved To San Saba.

Mrs. A. W. Moseley and daughters arrived here Wednesday to join Mr. Moseley, who has a position in the dry goods establishment of A. R. Mosley's.

Mr. Moseley has made many friends in San Saba and we welcome his family into our midst. They occupy the T. C. Henry bungalow on Wallace street.

Mr. J. L. Walker returned Tuesday from Temple, where he has been with his daughter Miss Nora Walker who is in the Sanitarium. He reports Miss Walker improving rapidly.

ODD FELLOWS ANNIVERSARY

Alpha Lodge celebrated the ninety-ninth anniversary of the order at their new hall, Thursday night, the 25th, with a banquet and speaking.

The addresses were: "Some reasons for non-attendance"—Mitch Johnson.

"Why we should buy Liberty Bonds"—W. V. Dean.

"Good of the Order"—R. S. Crain, J. A. Adkins, a visitor, and others.

The first degree was conferred on one candidate, C. E. Lambert.

After the banquet and speaking, the lodge adopted a resolution setting aside one-half of all collections for lots sold in the Odd Fellows cemetery to a fund to be known as a "Perpetual Care Fund," the interest on the investment only of this fund to be used in taking care of the lots leased. Of the remainder, one-fourth was to go to the maintenance fund, and the other one-fourth to reimburse the Lodge for amounts expended on the cemetery.

The trustees were instructed to invest \$150.00 of the P. C. Fund in liberty loan bonds.

At this meeting, in behalf of the lodge John Seiders, presented U. T. Chamberlain, C. F. Henry and T. C. Henry with veteran buttons, they having been members for more than 25 years. Other members who had been previously awarded 25 years jewels were Richard Halden, John Seiders, Israel M. Harkey and Cornelius A. Russell.

SAN SABA COUNTY CITIZENSHIP 100 PERCENT LOYAL

It is with a supreme degree of pride that the Star can say that the citizenship of San Saba county is loyal. The volunteers amounted to quite the original quota of 97 of the original draft, and not a single "slacker" has been discovered. The two first liberty loan issues "went over the top" and the third liberty loan has almost gone over the top double. Thrift stamps are eagerly sought and purchased and have reached a figure far above what was expected of this county. The women have put all their energy into the Red Cross work and have accomplished untold good. Everybody is "on the job" and no sentinels have gone to sleep on watch.

San Saba Mill and Elevator Elects Directors

The stock holders of the San Saba Mill and Elevator Co. met in their annual meeting at the court house Wednesday afternoon. After hearing the report of the manager for the year and discussing other matters they proceeded with the election of a board of directors for the next year. The following were elected directors: R. P. Elrod, T. C. Henry, W. H. Gregg, W. H. Smeltzer and G. H. Hagan.

Immediately after the stock holders meeting adjourned the directors met and organized by electing R. P. Elrod, president, W. H. Gregg, vice president and G. H. Hagan, secretary.

BUSINESS CHANGE

A deal was consummated last week in which George Clark sold his interest in the gents furnishing goods firm of Biggs & Clark to Fred Townsend. The reason for the change was that Mr. Clark will enter the service of Uncle Sam. The new firm is composed of Messrs. Charles Biggs and Fred Townsend. The former is the pioneer in the gents furnishing goods in San Saba and has enjoyed a successful business career. Mr. Townsend has been connected with the business for several years and is thoroughly posted as to the desires of their trade and the new firm will continue to do a large and satisfactory business.

WOMANS LIBERTY LOAN WORKERS

We want to urge the captains and their teams to close up their work as early as possible Saturday, before the banks close, and bring in their reports of the bonds sold by them, so we may be able to make our report to head quarters on time.

Mrs. W. A. Smith, pub. com.

Mr. T. A. Germany of Holt was here last Friday on business. He informs us that considerable interest is being manifested in the oil proposition in his section and that it is not all talk but that oil well rigs are being shipped in and that real work will commence soon.

Misses Melba Wilcox and Marie Barber were here from Cherokee this week.

Judge W. V. Dean was a visitor in the Capital City this week.

Mrs. C. Worshman of Galveston is visiting relatives in San Saba and Richland Springs.

Mrs. J. R. McAtee of Richland Springs visited her father Jas Burns Thursday.

REBEKAHS BUY BONDS

At the meeting of the Rebekah Lodge Monday night, the lodge decided to buy a liberty loan bond for their piano fund, and Miss Mable Wilson, Mrs. Carrie Seiders and Mrs. Minnie Woodall were appointed a special committee to assist Miss Mina Taylor to collect the funds and purchase the bond.

This lodge has recently purchased a nice piano and are having music for the lodge as well as all public occasions.

OVER 100,000 MEN OF DRAFT AGE IN TEXAS

Austin, April 3.—Maj. John C. Townes Jr., supervisor of the selective draft in Texas, has just completed a tabulation of registrants who have answered the questionnaires, which discloses that there are 364,930 men of draft age in Texas, all of whom have been classified.

Of this number 100,598 have been placed in class 1. The number of claims or appeals now pending before the district exemption boards is 10,231 and Major Townes estimates that approximately 15 per cent of this number will be placed in class 1.

BASEBALL DOPE

There was one of the most thrilling games of baseball pulled off at the fair grounds park in this city last Thursday evening ever witnessed on the local grounds. For thrills and genuine excitement the world series would have been a tame affair in comparison. The opposing teams were the Red Cross team and an aggregation of the old guard who had not played ball for several seasons, but by having an umpire and a score keeper that was in sympathy with the Old Guard Team they were victorious by a score of 16 to 15. The score was of generous proportions, but it will be seen that the umpire and score keeper both came near going to sleep at the switch. Clarence Gosch was umpire and by several punk decisions came near causing near riots, but cooler heads prevailed and everything passed off peaceably as the Old Guard really needed practical assistance in pinches to make anything like a creditable showing. The score keeper's work was smooth and nothing was known of it until after the game was finished. The following was the lineup of the Old Guard team but the Red Cross team objects to their names being associated with their late antagonists especially with that of the umpire and score keeper whom they say are as crooked as a barrel of fishhooks:

1st base, Carl Jones
Catcher, Dun Johnston
Pitcher, Tom Gaines
2nd base, Tobe Walker
3rd base, Bascom Johnson
Left field, Alex Casbeer
Right field, Clarence Doffemyer

Center field, Geo. Clark
Short stop, Joe Clark.
Time of game all afternoon.

FERGUSON FILES APPLICATION TO HAVE HIS NAME AS A CANDIDATE FOR GOVERNOR PLACED ON TICKET.

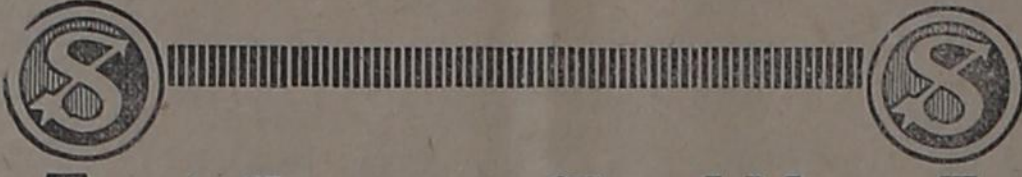

To the People of Texas:
In accordance with the law made and provided, I have this day sent my application to Honorable V. L. Shurtleff, Chairman of the State Democratic Executive Committee, to have my name placed upon the official ballot as a candidate for Governor.

I could have waited until the first Monday in June to have forwarded said application, but in view of the fact that the opposition have been continually and secretly circulating the false statement that I would withdraw my name in favor of some other candidate without putting my name on the Democratic ticket; and in view of the fact that the politicians who want to see me defeated are threatening to bring injunction proceedings in the courts to keep my name from going on the ticket and to keep the people from voting for me if they so desire I have today sent my name to the State Chairman, over thirty days in advance of the time required by law, in order that my candidacy may be put in legal form, and in order that the crowd who may want government by injunction may have ample time and opportunity to bring any injunction suit that they may care to bring to prohibit the people from having a chance or opportunity to vote for me, if they so desire.

I say boldly to the injunction crowd: pop your whip, do your durnest; the road is open; the courts are yet in session, and if you want to use that means to attempt to deprive the people of a right to vote for me as Governor, just sail in now, and don't wait until the eleventh hour, when the courts won't have chance or opportunity to pass on the merits of the case. The people need not be surprised that this crowd of political rap-scallions and cutthroats will wait until the eleventh hour and apply for some technical injunction to let the people pass on this issue. So I again ask the people to be on their guard, and to look out for any unfair methods which the opposition may resort to in order to defeat the will of the people. We are going to win this fight by the greatest majority in the history of our state, and the opposition is becoming desperate and frantic, and will use every method, fair and unfair, to control the next legislature. So put every candidate for the legislature on record as to whether he will count the people's vote and vote to seat the people's choice in the Governor's chair if he is elected. Make each and every one answer.

It has only been a short time since a citizen of Austin made the statement that he would be glad to sit on a jury of twelve men that would clear any man who would shoot Ferguson's block off. So let the people realize and be not surprised at any effort which may be made to thwart their will and to deny their right to select a public servant.

JAS. E. FERGUSON.
Temple, Texas, May 1, 1918.

A Business Should be as Big as Its Job

If bigness is of benefit to the public it should be commended.

The size of a business depends upon the needs which that business is called upon to serve. A business should be as big as its job. You do not drive tacks with a pile-driver—or piles with a tack-hammer.

Swift & Company's growth has been the natural and inevitable result of national and international needs.

Large-scale production and distribution are necessary to convert the live stock of the West into meat and by-products, and to distribute them over long distances to the consuming centers of the East and abroad.

Only an organization like that of Swift & Company, with its many packing plants, hundreds of distributing houses, and thousands of refrigerator cars, would have been able to handle the varying seasonal supplies of live stock and meet the present war emergency by supplying, without interruption:

First—The U. S. soldiers and the Allies in Europe by shipping as much as 800 carloads of meat products in a single week!

Second—The cantonments in the United States.

Third—The retailers upon whom the American public depends for its daily supply of meat.

But many people ask—Do producers and consumers pay too much for the complex service rendered?

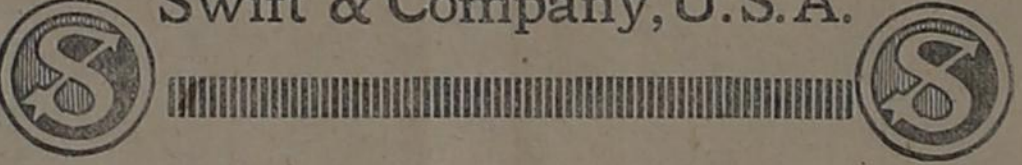

Everyone, we believe, concedes the efficiency of the Swift & Company organization—in performing a big job in a big way at a minimum of expense.

Swift & Company's total profit in 1917 was less than 4 cents on each dollar of sales of meat and by-products. Elimination of this profit would have had practically no effect on live stock and meat prices.

Do you believe that this service can be rendered for less by any other conceivable method of organization or operation?

These questions and others are answered fully and frankly in the Swift & Company 1918 Year Book sent free on request.

C. E. Shults Entertains Friends.

A number of friends from out of town and many from this city were the guests of C. E. Shults up the river yesterday afternoon with a fish fry and barbecue. The outing was had on the river near the ranch home of J. D. Slaton and Mr. Slaton added to the evening by supplying a fatted calf.

The guests from out of town were largely from membership of the District Exemption Board, of which Mr. Shults is a member. They were: Dr. C. W. Goddard, Col. Geo. H. Carter, Guy A. Collett, A. R. Johnson, Jr., Senator S. L. Staples, Judge Weinert, Will Cowan, Ross Malone and Dr. A. Howell.

The affair was greatly enjoyed by all. Several appropriate and interesting dinner talks were had and during the afternoon an o'possum and coon hide was auctioned off to the highest bidder and from this source some \$50 or more was raised for the Red Cross.

The jolly bunch returned to Llano before dark with profuse expressions of the novel and enjoyable evening.—Llano News

School Teachers And The High Cost Of Living.

Are you content to continue teaching without any increase in salary when the cost of living has more than doubled in the past twelve months? Or will you enter the broad field of business where the demand for trained young men and women is the greatest in the history of this nation. The commercial concerns of the country, realizing the advance in the cost of living, have increased salaries in proportion, and bookkeepers, stenographers and operators receive from \$75 to \$100 per month for twelve months in the year and receive advances promptly as they progress in experience and skill. The increase in salary during the school terms added to the additional salary in vacation amounts to a large gain over the teachers pay, and the expense of schooling is over after the few months spent in a commercial college. Teachers' salaries are limited, while business positions pay salaries as large as the abilities of the employees justify. Salary and ability seek their level in business very quickly, because of the widespread demand for help. Can you blame several thousand teachers who are quitting the profession annually to enter commercial work where they have an opportunity of increasing their earning power each year and where their training fits them for the responsible positions of life? Do you know that, with only a small cost in money and from three to five months' training, you can step into a good paying commercial position? Compare this with the time and money which teachers must spend in preparation before they can begin earning, after which they are employed only six or nine months in the year and spend what little money they save to attend summer normal during vacation. Make up your mind now to spend your vacation this summer in America's largest commercial training school and prepare yourself to answer one of the many calls we have daily for our students. Write the Tyler Commercial College, Tyler Texas, for their large, free illustrated catalogue and read what teachers who have attended this institution say of the many advantages it offers to those who desire to enter the business world.

FRUIT AND PRESERVES WANTED FOR SOLDIERS

The following letter has just been received from the Navy League of the United States, an organization devoted to the welfare of the soldiers and sailors who are going to France to fight. Any one having fruit or preserves they wish to donate to this cause may do so by leaving same at my office which is with the County Judge in the court house at San Saba. No one is solicited but an opportunity is given for those who wish to do something for the soldiers and sailors is given. The letter explained.

Yours truly,
R. P. ELROD,
County Agricultural Agent.

NAVY LEAGUE OF THE UNITED STATES

Washington, D. C.
April 22, 1918
Mr. R. P. Elrod, County Agent
San Saba, Texas.

Dear Sir:—
This is a circular letter because, at the suggestion of Mr. Bradford Knapp, Chief of the Extension Work in the South, U. S. Department of Agriculture, we are writing to all of his State and County representatives. Both Mr. Knapp and ourselves feel that each of you would like to participate in this service.

About a month ago we received from the women of Maryland liberal donations of canned fruits and preserves. These articles were given for use on our transports and destroyers which were going abroad. The expressions of gratitude from both officers and men have been almost overwhelming, and now requests come from every side for more.

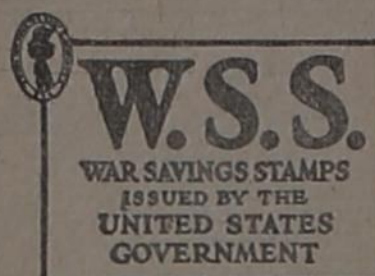

We know you would be glad to help give back to our boys some of the things which they have sacrificed in leaving their homes to fight for us in France. No doubt each member of your rearing clubs would consider it a privilege to donate one or two cans of fruit or jars of preserves for this purpose. Have them paste labels on the cans giving their names and addresses. It will add a personal touch to the gift which the boys will appreciate, they like to know who it is that is thinking of them.

As soon as you have secured enough of these articles to make a small shipment, write us and we will give you shipping instructions and will be glad to take charge of them for you and see that they are delivered promptly to the men who are leaving for France.

Very truly yours,
Navy League of the United States,
W. S. Townsend,
Secretary.

Mr. Lipsitz is very anxious for the ones who have the Thrift Stamps to sell, to urge the public to buy so we will come up with our quota.

TO THE VOTERS OF SAN SABA COUNTY

Viewing the fact, as it presents itself to me, I want to say to the voters of San Saba county, that owing to war conditions confronting us at this time, it is highly fitting that everybody, regardless of wealth or poverty, should devote every energy to help in the great struggle before us. Considering it as I do, it is our duty first to be loyal, not only to our friends, neighbors, home, state, county, and community, but preeminently over all other loyalty at all times, and especially at this time, should be our country. It is impossible, as I see the situation for a man to be indifferent to his country and loyal to God at the same time.

When Thomas Jefferson wrote the sentiment of democracy in the Declaration of Independence on July 4, 1776, he said: "With a firm reliance on the protection of a divine Providence, we mutually pledge to each other our lives, our fortunes, and our sacred honor." Woodrow Wilson reasserted in his war message that "the right is more precious than peace and we shall fight for the things which we have always carried nearest our hearts for democracy." He also says: "To such a task we can dedicate our lives and our fortunes—everything that we are and everything that we have." Now, the way I feel about it is, I shall not let any mercenary motives or desires for honor or gain or for a soft place sidetrack me. While I believe I can fill the Tax Assessor's office efficiently and know I need it as badly as anybody. I shall not "bore" the people with spels of self-praise for their votes till the war cloud rolls by. But bear in mind, I did not enter the race before considering it and I am in it to a clean finish and if my opponents do not "clean my plow" I will clean theirs. I want to see all the voters I can, but will work my crop some before I will be able to see you.

Hoping you will consider me favorably and thanking my friends for all the interest they may manifest in me, I earnestly solicit your influence and votes.

Respectfully,
W. E. YARBOROUGH.
