At Your Service for Regular Banking

We do not write insurance, make real estate loans, make abstracts, sell real estate, or carry any other side line.

It is our aim to give the very best banking service possible to this community, and we believe we can best do this by devoting our entire time to the banking business.

The First National Bank
of Hansford, Texas

JOSEPH NEWTON KIRK

The subject of this sketch was born in Lawrence county, Tennessee, January 2, 1854. He was married to Miss Lucy Sims on March 12, 1873. To this union were born five children. In the summer of 1882 he moved from Tennessee to Texas, locating in Dallas county. In 1884 he moved to Erath county, where he made his home for 17 years. In Erath county he settled on an unimproved tract of land and began at once, as all kind and loving fathers always try to do, to build for his family a good, comfortable home. The most important incident in his life was his conversion, which took place at Oyilla, Texas, in an old-time campmeeting in 1883. He was not satisfied with trying to build for his family an earthly home, but he taught them those principles of true manhood that the Savior has taught man, together with the building of his home. December 5, 1889, he was united in marriage to Mrs. Dortha Ann Wilkerson. To this union was born two children. Bro. Kirk moved in the fall of 1901 from Erath to Hutchinson county, and again settled upon an unimproved place, which is the present home of the family. Here he has

worked hard, often exposing himself extremely for the sake of his family. His early Christian life and teachings have resulted in almost all of his children identifying themselves with the church. For 36 years he was a member of the Methodist church, a supporter and attendant upon its services. On Friday before his death on Sunday night, he said that he realized his end was near and that he was ready to make the crossing. He said he was not tired of the Christian life. He urged all of his children to so live here that they might meet him "over there." He suffered much before his death, but he stood it well. Being ready for the life beyond, he waited patiently for the summons, "come up higher." His seven children survive him and were around his bedside when death came. He was 65 years, 4 months and 29 days old when he passed away. He lived a good old age and has wrought well. His remains were laid to rest in the Holt cemetery Monday afternoon at 3:30 p. m. A loving father, useful citizen and good man has gone. We love him for his work's sake. May his good life inspire us to live up to the standard that we, like him, may die in peace.

IRA B. SANFORD, Pastor.

Have you gotten your New Perfection Oil Stove? Its at the Hardware now.

E. E. Coons, attorney at law of Texhoma, was looking after legal business in county court here Tuesday.

T. B. Windom came from his home near Springfield, Colorado, the first of the week, for a brief visit with relatives and friends.

Miss Valaria Brandt came from Chapel Hill the latter part of last week to visit indefinitely at the home of her sister, Mrs. H. P. Bailey and brother, Fred W. Brandt.

E. F. Campbell and family will leave today for Breckenridge, Texas, where they will make their future home. This leaves Hansford without a lawyer, except our county attorney, C. D. Works.

Mrs. D. C. Jones and daughter Miss Blanch and Miss Mae Buck were in from the ranch six miles west of town Tuesday, shopping and visiting with friends. Miss Buck is from Alamogordo, New Mexico, and is a guest at the Jones home.

WANT A JOB AS MAIL CARRIER

Uncle Sam Has a Perfectly Good Job to Let

Uncle Sam wants to hire a man to carry the mail from Guymon to Hansford and return, every day in the week except Sunday, and is advertising for bids on the job. The carrier will leave Guymon at 7 a. m. and arrive at Hansford at 12 m.; leave Hansford at 12:30 and arrive at Guymon at 6:30 p. m. The contract runs from July 14, 1919 to June 30, 1922. The carrier will travel 43.75 miles coming from Guymon to Hansford and 47.50 miles returning to Guymon, or 91.25 miles for the round trip. The return trip is made by the way of Oslo. The carrier will be expected to make bond in the sum of \$3,000. This job will be let to the lowest and best bidder, in so far as the department is able to determine. In view of the fact that this mail line has caused the people of Hansford county great inconvenience, expense and worry during the past two years, and the further fact that the contractors have lost money on the job, it behooves the agents of Uncle Samuel, including the postmasters at Guymon and Hansford, to see that no man bids on this job until he has thoroughly acquainted himself with the enormity of the undertaking and knows exactly what he is up against, should he land the job. Experienced garage men and drivers say it is worth 20 cents per mile to drive a car over our roads in favorable weather and in bad weather it is worth more. With passengers and express helping out a little, a contractor can perhaps take this job on a basis of 20 cents per mile, which would mean \$18.25 for each trip, and come out at the end of the year with a little money ahead, but a man who bids it in for a smaller sum had best watch his step, else he will come out with experience only. Uncle Sam does not expect to get this mail carried free of charge and will pay some man well for doing the work. And another thing, a mail carrier should not be compelled to "freight" for a livelihood. Too much freight delays the mail and hinders the service. A mail carrier, and not a freighter, is wanted.

WHAT ABOUT HARVEST HANDS

This Big Problem Was Discussed in Hansford Saturday

Pursuant to the call of County Agent Frank Andrews, a goodly number of Hansford county wheat growers met at the court house in Hansford on last Saturday afternoon for the purpose of discussing the harvest help proposition, the wages to be paid and threshermen's rates, etc. After considerable discussion it was decided to adopt the wage scale which will prevail throughout the entire panhandle, Oklahoma and Texas, which is 50 and 60 cents an hour, man and team in proportion, and ten hours to constitute a days' work. It was also decided to cooperate with the wheat growers and county agent of Texas county, who are up against the same problems and are handling it through the Good Roads Club of Guymon. The farmers present at Saturday's meeting signed up for 118 men, and it is thought that fully 200 will be needed to care for the wheat crop. E. J. Thayer, cashier of the First National bank of Hansford, was elected secretary of the Hansford county organization, and intends to keep in close touch with the situation during the harvest and threshing seasons. A representative of the federal labor bureau will be stationed at Guymon to receive the men and send them out where they belong. If you need help through harvest you should remember to do this: Go to the First National Bank and sign up for the number of men you need; and Let Mr. Thayer know as soon as possible what day you will need the men.

It will be necessary to pay the men's expenses while in Guymon and to furnish transportation from Guymon to the wheat fields. Hansford county farmers who sign up for men should meet them at Guymon on the day designated, thereby cutting down expenses and making sure of getting the needed help. Mr. Thayer was in Guymon on Wednesday of this week and was assured by the county agent, J. B. Hisey, that every effort would be made to secure plenty of help and that he would cooperate with the Hansford county farmers and assist in every possible way in securing the help needed to harvest and thresh the present crop. A few belly-achers are knocking the efforts of County Agent Andrews to secure help for Hansford county wheat growers, but the said belly-achers are not offering any plan or scheme which we may follow instead of the one offered by the federal government. The plan is being followed by wheat growers in every county in Texas where wheat is grown and it is not reasonable to suppose that a few disgruntled barnacles, who never help out with anything, can improve on it. This is a serious matter. Everyone should lay aside their hammer and help. No doubt there will be among the helpers who will be sent to this community, men who will not make first-class harvest hands, but there are men in this and every community who are not first-class at anything. Let's help with the harvest.

J. F. Andrews was a business visitor to Amarillo the first of the week.

Col. C. C. Snively spent several days last week visiting at the Roland farm, six miles southeast of town.

W. W. Groom and wife came from their fine ranch in the west part of the county Tuesday and spent the day with Hansford friends.

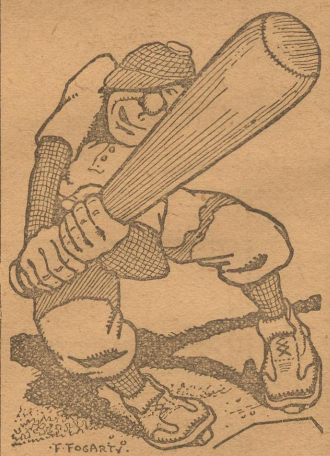

Her many friends here are glad to know that Miss Ruby Hitch is recovering nicely from the injuries received in an auto accident near Texhoma recently. Miss Hitch is a sister of Mrs. Luther Cline and resides at Guymon.

Dr. E. L. Maxwell, specialist in diseases of eye, ear, nose and throat, will be at the Trans-Canadian sanitarium (Inc.), Dalhart, on June 12, 13 and 14 and every two weeks thereafter. 12M

G. M. Whitson of Tonkawa, Oklahoma, was here the first of the week visiting with his son George, on the ranch southeast of town. On Monday Mr. Whitson received a telegram stating that his little granddaughter had died in Gower, Missouri, and left that day to attend the funeral.

B. V. Andrews, our hardware and implement man, received two car loads of binders and headers this week, and has been putting in most of his time in Guymon, unloading and distributing them to the grain growers of Hutchinson and Hansford counties. This line of implements are expensive this year, but with the mammoth crop, it is thought many farmers will be glad to get them.

Ball Game Sunday

The Hansford ball team expects to put up the game of its life here Sunday afternoon against Guymon's hard-hitting heavyweights. Guymon has been defeated twice already this season and there is no reason why Hansford should not administer the third drubbing. If our boys get up on their toes and do their best. It will be a good game.

Miss Mae Faus was in from the farm three miles east of town Wednesday, shopping and visiting with friends.

John Close was so unfortunate as to sever a toe from his foot with a post hole digger on Friday of last week. We failed to learn the particulars but it is thought that Johnny was trimming a corn and set the digger a little too digging.

Harvey, the nine year old son of Mr. and Mrs. F. A. Shapley, was run over by an automobile at Guymon Monday, and suffered a broken leg as a result. Mr. and Mrs. Shapley were in Guymon trading when the accident occurred and have remained there this week that they may be near a doctor. They live on the Guymon road, 20 miles north of Hansford.

Frank L. Carson, the genial vice president of the First National bank, accompanied by Mrs. Carson, came from Wichita on Wednesday and are guests of the E. J. Thayer family. Mr. Carson is now cashier of the Kansas National bank of Wichita, one of the largest banks in Kansas, and is in charge of the panhandle branch of the bank. He is occasionally

WE - APPRECIATE - YOUR - BUSINESS

Big sale of live stock in Hansford Saturday, June 14.

W. F. C. Etling was in from his farm, 12 miles north of town, Tuesday.

L. D. Pierce of the Medlin community was shopping in the city Tuesday.

B. O. Cator and W. H. Douglas of Texhoma were business visitors here Saturday.

Wallace G. Hughes, one of the leading legal lights of Guymon, attended county court here Monday.

Mr. and Mrs. S. G. Ward of Texhoma, were in the city Tuesday, visiting with friends and attending to business matters.

W. M. Killen, manager of the Galbraith-Foxworth Lumber Company of Texhoma, was looking after business matters in the city Tuesday.

Lyman J. Hillhouse is in Guymon this week, helping out in the prescription department of the Wanser Drug Company, while Glen Reek takes a short vacation.

Victor Crissler, son of P. C. Crissler, arrived Monday from Camp Bowie where he recently received an honorable discharge from the army. Victor was an overseas boy and was in some of the real fighting.

The Headlight made an awful blunder last week when it stated that J. H. Buchanan went to Burkburnett. Buck is with us still and intends to help out with our mammoth wheat crop.

R. T. Anderson, of the firm of Anderson & Thompson, Ft. Worth and Austin, spent several days in Hansford county this week, looking after business matters. This firm owns considerable land in Hansford and Ochiltree counties.

Mrs. A. F. Barkley and the children left last Saturday for Denton, where they will visit several weeks with her parents, Mr. and Mrs. H. R. Lyon. Mr. Barkley accompanied them as far as Dalhart, returning to Hansford Sunday.

A jolly party composed of Mrs. Tom McMurry, Mrs. Cook, Miss Hazel Wright and Perrin Lyon and Phil Weaver, motored over to Amarillo last Saturday and Sunday in the metropolis. Miss Lutie Belle Hume returned to Hansford with the party, and is the guest of friends here.

Coble in the Oil Game

Word comes from Amarillo that W. T. Coble has organized a company for the purpose of drilling for oil on his lands in Hutchinson county, known as the Turkey Track ranch. Associated with Mr. Coble in this enterprise are Thomas Curry and W. Scott Heywood, the latter being a well known and successful geologist, having located two oil fields in California, one in Louisiana and picked out the spot and purchased the site on which was drilled the Heywood No. 2, at Spindle Top, greatest oil well in the United States. The company will be known as the Coble-Heywood Oil Syndicate and Mr. Coble is president; Mr. Currie, vice president and Mr. Heywood secretary-treasurer and general manager. The fact that Tom Coble is its president is sufficient evidence that in this company the stockholder will be given a square deal. The Headlight wishes the company much success.

Mrs. Luther Cline and children, Opal and Gene, spent Sunday in Guymon. They returned to Hansford early Monday morning, accompanied by little Miss Ruth Williamson, who spent the week here.

Notice to Creditors of Estate

Notice is hereby given that original letters of administration upon the estate of S. R. Spivey, deceased, were granted to me, the undersigned, on the 11th day of June, a. d., 1919, by the county court of Hansford county. All persons having claims against said estate are hereby required to present the same to me within the time prescribed by law. My residence and postoffice address is Hansford, Hansford county, Texas.

J. H. SPIVEY,

Administrator of the Estate of S. R. Spivey, deceased.

Notice of Sheriff's Sale—Real Estate.

The State of Texas, County of Sherman.

Notice is hereby given that by virtue of a certain alias execution and order of sale issued out of the Honorable District Court of Sherman county of the 7th day of May, 1919, by Sallie Jackson, clerk of said District Court, for the sum of twenty-seven hundred thirty-five and 20/100 dollars (\$2,735.20) and costs of suit, under a judgment in favor of John H. Stahl, assigned to Mrs. M. G. Walker, in a certain cause in said court, No. 571, and styled John H. Stahl, plaintiff vs. Mary E. Lord, A. H. Lord, Mrs. M. G. Schroeder and R. T. Anderson, defendants, placed in my hands for service, I, H. L. Wilbanks, as sheriff of Hansford county, Texas, did on the 12th day of May, 1919, levy on certain Real Estate, situated in Hansford county, Texas, described as follows, to-wit: An undivided one-half interest in and to section No. 104, in Block No. 2, certificate No. 439, G. H. & H. Ry. Co., original grantee, containing 640 acres of land, and levied upon as the property of Mary E. Lord, and that on the first Tuesday in July, 1919, the same being the first day of said month, at the court house door of Hansford county, in the town of Hansford, Texas, between the hours of 10 a. m. and 4 p. m. by virtue of said levy and said order of sale, I will sell said above described real estate at public vendue, for cash, to the highest bidder, as the property of said Mary E. Lord.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Hansford Headlight, a newspaper published in Hansford county, Texas.

Witness my hand and seal this 11th day of

B. JOHNSON

AUCTIONEER

FARMERS STATE BANK of TEXHOMA, Clerk

A Small Case Thresher and Tractor

This is the ideal outfit for the man who wants to be independent and do his own threshing, and other belt and drawbar work, exactly when he wants to, without waiting.

We picture a Case 10-18 Kerosene Tractor and a Case 20x28 Thresher. The tractor will handle all farm machinery requiring belt power up to its rated capacity.

It will pull easily a 2-bottom plow 7 to 8 inches deep, or an 8-foot

binder, a 22-shoe grain drill, a 5-section spike tooth harrow, an 8-foot double-action disc harrow or a large manure spreader.

For belt and field work, this small Case Tractor cannot be equalled. A Case Thresher is equally superior. Case Machinery has been famous for 76 years.

Let us tell you how you can decrease the hard work on your farm with Case machinery.

Scouts Decorated For Selling W.S.S.

JOYCE COX

Every Boy Scout in the Eleventh Federal War Savings District can wear a Treasury Achievement Button, an Ace Medal and have bronze, silver and gold palms on his medal ribbon, if he will do as much as Joyce Cox, a Boy Scout of Cameron, Texas. Joyce had sold almost \$6,000 worth of War Savings Stamps up to May 1, 1919.

The Achievement Button represents sales of War Savings Stamps to twenty-five individuals. The Ace Medal represents total W. S. S. sales of \$250. A bronze palm represents an additional \$100, a silver palm an additional \$1,000 and a gold palm an additional \$5,000 in War Savings Stamps sold. "I'd like to see every Boy Scout in the District wearing gold palms on his medal ribbon by the end of the year," said Frank M. Smith, Federal District Director of the War Loan Organization. "What one boy has done others can do. One of the best War Savings Societies in the District is in the Boy Scout Troop at Tallulah, La. There ought to be a Savings Society in every troop."

Have you bought your Thrift Stamp today?

—w.s.s.—

Fraternal Orders Strong For Saving

Fraternal orders should take an active interest in the 1919 Savings Campaign in the opinion of Pat M. Neff of Waco, Grand Chancellor of the Texas Grand Lodge, Knights of Pythias. Another enthusiast over the Savings Campaign is J. W. Chancellor of Bowie, Grand Master of the Texas Grand Lodge, Independent Order of Odd Fellows.

"In the Savings Campaign," Mr. Neff said recently, "the Government has placed the stamp of its approval on the fraternal idea. War Savings Societies are not lodges, strictly speaking, but they are next thing to it. Many of the most successful Savings Societies are in the lodges and the Knights of Pythias are doing their share."

"Texas Odd Fellows had a number of strong War Savings Societies last year," Mr. Chancellor said, "and most of them made excellent records. Wherever possible, it would be a fine idea for the members of the lodge to form themselves into a Savings Society again this year, if they have not already done so."

Numerous lodges of various orders over the Eleventh Federal District not only have Savings Societies but are securing sinking funds by investing in War Savings Stamps as a lodge. The members of these lodges are also buying W. S. S. individually.

Has your lodge been organized?

—w.s.s.—

Successful Dollar Is One That Works

The dollar that goes to work is the successful dollar. The idle dollar is a failure.

The successful dollar brings back another dollar with it. It makes itself a dollar and something—two dollars and something—a whole family of dollars.

The careless dollar goes off somewhere and is never seen again.

A Texas man the other day lost a life-time's savings—\$786.00. His dollars had gone off in the pockets of two fake stock promoters. He had not taught his dollars to keep good company.

Hundreds of years ago a man to whom a handful of dollars had been trusted buried them in a napkin. He got no increase—he did not even keep what he had. One might as well have nothing as keep an idle dollar.

The dollar that succeeds is energetic—and careful. War Savings Stamps do more than save your dollars. They put them to work at 4% interest.

Buy them for fall. Your dollars will be working for you every one of the days of the year.

BUILD A QUALITY BUNGALOW

The most popular type of home today for town or country is the Bungalow. It is compact, convenient, comfortable, beautiful. The only trouble is that it usually costs a little more than plain types of houses.

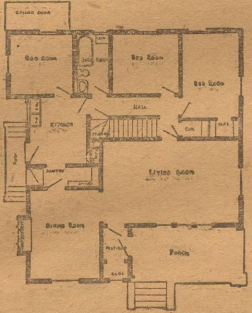

However, here is a Quality Bungalow, a beautiful, modern, up-to-date home of seven rooms and finished attic, that you can build for less than \$3,300! And that means total cost.

Furthermore, we have the architect's working plans and estimates showing you can build for that price and still use throughout, durable dependable

Southern Yellow Pine

"The Most Useful Wood"

Come in, see the plans, and let us prove these statements. But come now, because this Quality Bungalow is possible only by reason of the present exceptionally low prices of high grade Southern Yellow Pine. Bring the wife along - and don't delay.

5 Per Cent Off On Auto Casings and Tubes Save Money

FOR SALE—THE EARTH
If your farm or your ranch is for sale, and your price and terms are right, I can sell it. Write me a letter giving me a full description of your property, section and block number, kind of improvements, and if I don't sell it you are out nothing, as I do a strictly 5 per cent commission business, no sale no pay. The longer time and the least amount of cash you have to have as first payment, the easier it is to sell. It's my business to get the buyers and I know how to get them, and if you don't get in on the deal it's your fault not mine. Have just sold \$60,000 worth of Hansford County land in the last thirty days, but can't sell yours unless you list it with me.

Savings Campaign Is Boon To Women

The average family in Texas, Louisiana, Oklahoma and New Mexico is not wealthy enough for the "lady of the house" to have all the little conveniences she wants. Through Thrift and War Savings Stamps, however, the Government has provided a way for the housewife to fit up her kitchen, paint the house, furnish her spare room or embellish the parlor.

Those women who were so wise as to begin saving systematically early in 1918 have nice little sums invested in War Savings Stamps by this time. Eleven War Savings Stamps, some of which cost as little as \$4.12 apiece, will buy a first class kitchen cabinet. In many instances, the housewife would not have saved anything to speak of, had it not been for the War Savings Stamps.

Some of the banner Savings Societies in the Eleventh District are in women's clubs or church societies. Women are quick to grasp the benefits from habits of Thrift. Numerous reports have been received at District Headquarters of the Savings Division at Dallas of women who have started in by putting quarters in Thrift Stamps and who have been enabled to buy desired articles to brighten up their homes. As soon as a War Savings Stamp is bought, it begins earning more money. War Savings Stamps are ready money. They are redeemable with accrued interest at the post-office on ten days' notice, but the longer they are held, the more money they make for their holders.

Have you bought your Thrift Stamp today?

The First Thousand Is Hard To Get

When a man gets \$1,000.00 saved up there are always opportunities for a good investment. It is hard to place much less than that. That is why wealthy men who are self made advise young men to begin early and save the first thousand.

Until we went to war, it was hard to get started toward that \$1,000.00 unless at least one dollar could be put away at a time. Small change was restless and acrobatic and kept jumping out of our pockets into somebody else's.

Now, however, there is an easy way to get that first thousand. The answer is Thrift Stamps. They cost only a quarter apiece and can be converted into War Savings Stamps. The Government of the United States backs these War Savings Stamps with a guarantee of 4 per cent interest, compounded quarterly. Save and Succeed.

Have you bought your Thrift Stamp today?

Who Is Best Man To Do Your Work?

The best way to have anything is—do it yourself. The best way to get ahead in the world is—save regularly and invest wisely. Your children may be buying Thrift Stamps but the nickels and dimes and quarters they are able to save won't buy a home or a new automobile or a new cultivator. The money to do that will not be saved—unless you save it.

It's easy enough to save if you do it the W. S. S. way. Quarters planted in Thrift Stamps grow into War Savings Stamps and the interest makes them grow like rain does a summer weed. Save for that happy opportunity. If you're not in a War Savings Society—get in one. Be with the crowd. Save.

FORESAW RAPACITY OF HUNS

Many Years Ago Charles Dickens Looked Into the Future With Vision Remarkably Prophetic.

There is something almost uncanny about the accuracy with which Charles Dickens foresaw the Hun and his aims as we know them today. Not long ago there was quoted part of Dickens' reply to an invitation to become a member of a peace society that a number of persons were endeavoring to form in 1851. The words written then by the great English author are worth repeating:

"Look out toward Austria, look out toward Germany," he counseled. "Do you see nothing there?"

"I tell you that it is because there are the wild beasts of the forest . . . because I would not be soldier ridden, nor have other men so, because I dread and hate the miseries and tyranny of war, that I am not for the disarming of England, nor can I be a member of your peace society."

Every reader of "Little Dorrit" will remember the landlady of the "Break of Day Inn" of Chalons. Words of this French character of his have a peculiar prophetic ring. Here they are.

"And I tell you this my friend . . . That there are people whom it is necessary to detest without compromise. That there are people who must be dealt with as enemies of the human race. That there are people who have no human heart, and who must be crushed like savage beasts, and cleared out of the way."

CLAIMS CENTURY-OLD FUND

Chilean Government Asks Return of Unexpended Portion of Indemnity Paid in 1821.

The full bench of the Massachusetts supreme court has been called upon to determine the ownership of a fund nearly a century old, which is claimed by the commonwealth of Massachusetts on one hand and the Chilean government on the other.

In 1821 an American ship returning from China to Boston was seized by Chilean revolutionists and its cargo confiscated. When normal conditions prevailed in Chile the United States demanded indemnity and Chile paid \$70,400.

William H. Gardner of Brookline, Mass., was selected to distribute the money among those entitled to it. He executed the trust except as to two Chinese—known only as Paqua and Moqua, merchants—and Thomas Furber of Boston. Mr. Gardner failed to locate these persons or their representatives. When he died the trust was transmitted to his son, and upon the latter's death to the grandson and great-grandson, Robert H. Gardner and Robert H. Gardner, Jr., who are now its custodians.

The present holders of the fund have searched through the records of the state department, through the American consular service at Canton, China, and through various other sources, for the heirs of Paqua, Moqua and Thomas Furber, without success.

"Clean" Crowd of Cash.
Vacuum gleaming money from street crowds was the striking scheme employed in one of the large cities some weeks ago for the benefit of the Red Cross, says Popular Science Magazine.

A suction pipe was held over the heads of persons congregated on the sidewalk, and contributions solicited by a leather-lunged seaman who shouted through a megaphone. Crisp dollar bills and worn greenbacks, it mattered not which, were drawn in by strong suction force when inserted in the nozzle of the tube.

The novelty of the plan attracted passers-by and drew forth many donations.
