## Rockwall ISD approves new courses, sunsets others ...

(Continued from Page 1)

The Court orally announced its ruling that the Texas school finance system was unconstitutional in several respects.

The Court held its written findings of fact and final judgment until after the 83rd Texas Legislature passed bills that affected the claims in the case. Later, on June 19, 2013, the Court granted a motion to reopen the evidence to consider the impact of the 2013 legislation, and held an evidentiary hearing that began on Jan. 21, 2014.

According to the Aug. 28, 2014 final ruling, the Court found that "the Texas school finance system effectively imposed a state property tax in violation of Article 8, Section 1-e of the Texas Constitution because school district did not have meaningful discretion over the levy, assessment, and disbursement of local property taxes."

The court also found that the Legislature "failed to meet its constitutional duty to suitably provide for Texas public schools because the school finance system is structured, operated, and funded so that it cannot provide a constitutionally adequate education for all Texas schoolchildren; is constitutionally inadequate because it cannot accomplish, and has not accomplished, a general diffusion of knowledge for all students due to insufficient funding; and is financially inefficient because all Texas students do not have substantially equal access to the educational funds necessary to accomplish general diffusion of knowledge."

During the Dec. 15 meeting, the Board unanimously approved membership for the District Bond Planning Committee, presented by Superintendent Jeff Bailey. According to Bailey, the ISD sent 80 invitations to serve on the committee. A total of 60 respondents were selected. Bailey explained the committee includes members of the community, parents, business people, ISD staff, teachers and administrators.

Becky Prentice presented proposed new courses and sunset courses,

which were passed unanimously by the Board.

New courses included two expansions of international baccalaureate college preparatory courses under House Bill 5; transition to college Math and English, Language, Arts and reading for seniors identified as not college ready, based on the TSI scores; dance performance ensemble to fulfill fine arts endorsement options; health science, culinary arts and robotics involving advanced culinary arts, practicum in health science, human growth and development and robotics II.

The new courses would not require additional staffing.

Proposed courses to delete included interior design and astronomy, due to limited student enrollment; child development course would be replaced with the one-year human growth and development course; practicum in culinary arts II would be replaced with the mid-level course in the culinary pathway, advanced culinary arts.

Board President Chris Cuny announced that all Board members and superintendent met the continuing education requirements.

The Board unanimously passed the 2015 Legislative priorities, presented by Bailey.

During the Jan. 12 meeting:

- Chief Financial Officer Sara Bonser read the Texas Association of School Board Policy Manual Update 101 as a first reading and referral to second reading.

- Shelly Garrett, Director of Student and Family Services spoke on the dropout report. She reported a .2 percent increase with 8 dropouts last year. Fourteen non-dropouts later received college degrees. Recovery process recommendations included early prevention, Gap program, persistent follow-up contact with related students, parents, other schools with use of Facebook, coordinated efforts with bus drivers, cafeteria staff, etc.

- Becky Prentice presented the Texas Academic Performance Report. The STARR showed Rockwall students at approximately 1-2 percent range. The Student Success Initiative (SSI) indicated 14,359 during 2012-2013, and 14,523 during 2013-2014.

- Unanimously passed the Order of Election and Notice of Election for May 9 for trustees in places 1, 2 and 3 for a period of three years to include Rockwall, Fate and McLendon-Chisholm.

- Bailey reported that the first Bond Planning Committee met on Wednesday, Jan. 7, and would meet again Jan. 21 from 6-6:30 p.m. at the RISD building. The meeting was adjourned.

## Junior sailing team prepares for the season of regattas

(Continued from Page 1)

Hannon and teammate Natalie Hopper sailed to the 2014-15 Texas Girls State Championship in the C4- at the Grapevine Yacht Club.

Coach Padgett named past sailors' accomplishments, including Hamrick Morgan, who recently earned a position on the Naval Academy Sailing Team.

Padgett explained the training works on skills such as navigating and maneuvering to a mark and changing direction, anticipating directional changes, reading the water to find good winds, spacial awareness, and making spontaneous decisions.

Although learning to put up the boats after sailing is a simple part of the sport, Padgett approaches the task as a good core workout.

The Junior Sailing team is set to race in a number of regattas starting in Feb.

Rush Creek Yacht Club will be host to the "Chocapalooza" which will be a free event for anyone to attend and enjoy some sailing with experienced sailors, is schedule for the month of May.

## Royse City School Board receives acknowledgements, appreciation

by Millie Jean Coppedge

On Monday night, Jan. 12, at the Royse City School Board meeting, an overflow of teachers, administrators, parents, students, families and visitors crowded into the board room, many having to stand throughout the meeting. January is School Board Appreciation Month. The night was filled with celebrating achievements, accomplishments and support for all those involved in the Royse City school district. Student recognition for the Royse City High School football team was presented by the boys athletic director and football coach, David Hoff.

The students of the Royse City High School boys cross-country team were recognized by their coach Sterling Beck.

The Royse City volleyball team won All District Team honors. The presentation was made by head volleyball coach Amanda Marek. Worthy recognized the principals for all nine Royse City schools, complimenting each principal and school on its specific accomplishments.

The 21st Century Learning award went to Nadine Brown, first grade teacher at Davis Elementary, and was presented by instructional technology coordinator Zach Snow.

Worthy gave an update on the enrollment for Royse City schools, stating that there are 5,061 students, an increase of 2.5 percent above last year's total, noting that Davis has experienced the most growth this year.

On Jan. 20, the order for the general election for school board members will include Don Palmer for Place 3, Eric Fort, trustee for Place 4, and trustee Scott Muckenstrum, Place 5.

All board members were in attendance.

Board meetings are conducted the second Monday of each month. The next meeting will be Feb. 9 at the Royse City ISD Ernest Epps Education Service Center, 810 Old Greenville Rd.

## Basic Economics

Walter E. Williams

"Whether one is a conservative or a radical, a protectionist or a free trader, a cosmopolitan or a nationalist, a churchman or a heathen, it is useful to know the causes and consequences of economic phenomena." That quotation, from Nobel laureate George J. Stigler, is how Dr. Thomas Sowell begins the fifth edition of "Basic Economics." It's a book that explains complex economic phenomena in a way that many economists cannot. And, I might add, it provides an understanding of some economic phenomena that might prove elusive to a Ph.D. economist.

"Basic Economics" is a 653-page book, not including the index. It doesn't have to start reading it at the beginning. Near the book's end, there's a section titled "Questions," and it points the reader to answers. How about this question: How can the prices of baseball bats be affected by the demand for paper or the prices of catcher's mitts be affected by the demand for cheese? Another question easily answered: Why would luxury hotels be charging lower rates than economy hotels in the same city? Then there's: Can government-imposed prices for medical care reduce the cost of that care? I'm not going to give the answers away; you'll have to read the book. The bottom line is that understanding of material contained in "Basic Economics" would prevent us from falling easy prey to charlatans, hustlers and quacks. Sowell points out that the most basic thing that can be said about

economics is that we live in a world of scarcity. That means -- whether our policies, practices and institutions are wise or unwise, noble or ignoble -- there is never enough of anything to satisfy all of our desires. What are sometimes called "unmet needs" are inherent to any society, whether it's capitalist, socialist, feudal or any other kind of society.

Economics is not just about goods and services that we enjoy as consumers. It's more fundamentally about productivity -- that is, how the use of land, labor, capital and other inputs that go into producing the volume of output determines a nation's wealth. Decisions about how to use those inputs may be more important than the resources themselves. There are countries, such as Japan and Switzerland, that have far greater wealth than countries -- for example, Uruguay and Venezuela -- that are far richer in natural resources.

I would add as an aside to Sowell's discussion that the human mind is the ultimate resource. I've asked students why it was that George Washington didn't have guided missiles with which to pummel the British or a cellphone to communicate with his troops. After all, the physical resources that are necessary to make missiles and cellphones were around at the time. In fact, the physical resources were also around at the time of the caveman. What wasn't around was the ingenuity from the human mind to make missiles and cellphones.

One part of Sowell's introductory chapter deals with the role of

economics. A popular misconception is that economics is about opinions, running a business or the ups and downs of stock markets. Economics is a systematic study of cause and effect, showing what happens when you do specific things in specific ways. The path to understanding outcomes is to examine consequences of decisions in terms of incentives they create rather than goals they pursue.

Paying attention to goals rather than incentives has been responsible for disastrous public policy. The minimum wage law is one example. Its goal is to provide "living wages." It creates incentives for employers to reduce and seek substitutes for labor and thereby causes unemployment for some workers. Rent control laws are enacted to provide "affordable housing." They provide incentives for landlords to convert apartments to condominiums, create black markets and reduce housing construction in rent-controlled areas.

The fact that Sowell's "Basic Economics" has been translated into seven different languages speaks well of its usefulness in transmitting fundamental economic understanding. Reading it can benefit ordinary people, as well as Ph.D. economists.

Walter E. Williams is a professor of economics at George Mason University.

# History – America and the rest of the World

FROM HISTORY Vol 36

Comparing our past with today and looking at our future

by Kenneth Shores, Rockwall, Texas

Why in the rest of the world some people hate and want to destroy America, some people want to become part of America, and some people love their country and America. This article will briefly summarize each of the groups of people and suggest how we can save America. Hate and Destroy America.

These people have been convinced by leaders, America will destroy their only true way to live and die in this world. These leaders are angry for power and some believe what they preach. Most all these people are tied to a religion that has grown on the path that anyone that does not believe as they do, must be destroyed. Many of these people have hatred in their hearts including their own life.

America believes in freedom of choice and religion and must be destroyed. Throughout history, certain leaders have believed they are all powerful and everyone else must obey their way of life, or be destroyed. They do not believe the only true history book, the Bible, which is the book of life from the divine creator of the universe of how to live in peace.

The founding fathers of America used the Bible and prayer to guide them to form a nation God's way. They were interested in each person have the freedom of choice and religion. God provided how to create the documents as the foundation for peace.

The constitution, Bill of Rights and the Declaration of Independence were the results. War only occurred when we had to defend our country and way of life against whoever wanted to attack and destroy them. Currently our country has again made changes distorting the founding fathers legal documents! This country was founded as a Godly Christian nation following the way of God. Most of the revisions and changes are a way to remove God's way and replace it with the World's way, pleas-

ing Satan. This is what happens when we take Bibles out of school, permit killing of unborn babies, interfere with religious freedoms, allow other than the Christian rules and laws to enter into our public government, and many others that can be listed.

Support and/or move to America.

Some people admire the freedom and life style of America. Some may choose to live in their own country, but support peace in both countries. Others want to escape where they live in order to enjoy America's freedom of choice and religion. Many of these people become our best citizens. There are some who pretend they want the American way of life, but in reality want to come here to help destroy America.

Love America and their Country.

Some people enjoy peace and the heritage of their country. They have no desire to move from their country, but admire and support America, like most of the previous groups, enjoy life and peace. There are some who give a false impression they love America, but are part of the hatred group and plan on catching us off guard in order to destroy us.

Summarization and steps to save America.

Many people desire to live a peaceful family life, others live in poverty, and turn to hatred, supporting dictators, who are power seeking leaders. Prisons all over the world are full of people that are violent and full of hatred and hate what America stands for. America must be on constant guard and take steps to ask God for help to restore this great Country back to a Godly Christian Nation.

Throughout the history of this country we have drifted away from the Godly Christian Nation our founding fathers created.

Each time it took "The Great American Awakening" led by Godly people through prayer to reorganize our government and change it back to

the original form of government. Look what happened in 1991 during "Desert Storm" when throughout the world people joined in prayer for a short and just ending to the war. The war lasted only three days because of the power of prayer.

Today we need all Americans for love of country to join in constant prayer to return us back to a "Godly Christian Nation". This includes churches, pastors, religious leaders government and "We The People".

I personally believe the time is short until Jesus returns as promised in the Bible.

May God Bless America and help us restore our country.

January 22, 2015 Dr. Gary Frazier presents "American at the Tipping Point Praying to restore America to a Godly Christian Nation" 7 PM First Baptist Wylie 100 N. 1st street, Wylie, TX 972-896-7081 Everyone is invited to this free event

## Rockwall County Sports

# Heath, Rockwall girls continue dominant District runs

by Ryan Garrett

The Lady Hawks soared past South Garland Friday, January 16, defeating the Lady Colonels 62-14 at South Garland High School. Rockwall-Heath (12-8, 5-1) remains in second place in 12-5A just behind West Mesquite (14-8, 5-0).

Heath took control early with a 31-2 first quarter and a 41-8 halftime

lead. The Lady Hawks added 21 in the final two periods and held South Garland to six second-half points for the blowout road win.

Katie Webster led all scoring with 13 points, Nicole Gleason scored eight, Tannya Gonzalez put up seven, while Morgan Talley and Kendall Williams added six.

After traveling to Mesquite Poteet on Tuesday, Rockwall-Heath returns home tomorrow for a 7 p.m. game against the Terrell Lady Tigers.

The Rockwall Lady Jackets hosted Garland on Friday, defeating the Lady Owls 61-25. Rockwall (19-5, 6-1) is tied with Lakeview Centennial (16-5, 6-1) and Sachse (18-6, 6-1) for first place in 11-6A.

Rockwall jumped in front with a 16-7 first quarter and led 27-16 at the break. The Lady Jackets then went on a second-half surge, holding Garland scoreless in the third, and outscoring the Lady Owls 34-9 in the final two quarters.

Sara Williamson led the Lady Jackets with 22 points, and had three rebounds, eight assists and four steals while Haley Hicks put up 11, shooting 50 percent from behind the arc. Madison Wheeler and Mandi McMillian added eight points — McMillian also had 12 rebounds.

Also for Rockwall, Jayley Ramirez scored six, Krystal Contreras added four and Nicole Smith scored two.

Rockwall hosted North Garland on Tuesday. The Lady Jackets will look to even the series with Lakeview Centennial — their only district loss — on the road Friday for a 7 p.m. tipoff.

# Fulton Falcons move into tie for 1st place

The Fulton School reached the halfway point of its boys' basketball season in a three-way tie for first place at the halfway point of the TAPPS District 3-1A schedule.

On Monday, the Falcons handed Waxahachie Preparatory Academy its first district loss, 63-57, at Forney Sports Center. Fulton improved to 13 overall, 5-1 in the district with its fifth consecutive victory.

Fulton didn't have much time to brag about that win. On Tuesday, they were scheduled to play at Forney Sports Center against Irving StoneGate Christian Academy, which defeated the Falcons 45-39 for their only district loss.

The win over Waxahachie was one of three last week for the Falcons. They won against Dallas The Westwood School 39-18 Tuesday, Jan. 13, and Nacogdoches Regents Academy 49-26 Friday.

After a non-district game at Dallas A-Plus Academy Thursday, Fulton is scheduled to play district games against Nacogdoches Regents Academy at home at FSC Tuesday and at Longview Christian School Thursday, Jan. 29.

# Heath extends record to 19-0, Jackets rally falls short to Owls

by Ryan Garrett

The undefeated Heath Hawks downed South Garland 84-57 at the LHHS gym Friday, extending their season to 19-0, 5-0 in District 12-5A.

After one quarter, Heath led 15-10 but then outscored the Colonels 4-14 heading into halftime with a 39-24 advantage. South Garland came out in the third quarter with 20 points, but with 22 points of their own the Hawks led 61-44 — they allowed just 13 points in the fourth for the 84-57 win.

Kelden Pruitt and Tyler Zivney each knocked down 16 points, Jeremiah Sandidge added 14, Camron Talley scored 12 and Jackson Zivney put up 11. Also for the Hawks, Grant Buckholt scored six, Nathan Stover had three while Maison Abmas, Bryan Knostman and Colton Rashbrook each added two.

Heath remains in sole possession of first place in 12-5A, with Mesquite Poteet (10-9, 4-1) in second. The Hawks faced the Pirates on Tuesday in Heath, and will travel to Terrell Friday for a 7 p.m. tipoff.

The Rockwall Yellowjackets (6-14, 1-4) — playing without injured Austin Grandstaff and Joseph Williams — suffered a tough loss to Garland after rallying from a 13-point first-half deficit on the road Friday, falling just short to the Owls 57-52.

At the end of the first half, Rockwall trailed 26-13, but battled back after the break, outscoring Garland 17-15 in the third quarter and 22-16 in the fourth.

Sheridan Bee led the Jackets with 13 points, while Blake Kindred and Travis Lewis each knocked down 10. Cameron Schmucker added five, Sam Edwards, Jay Galloway and Daniel Smith each scored four, and David Broach put up two.

Rockwall hosted North Garland on Tuesday, and will remain at home tomorrow as they face Lakeview Centennial at the RHS gymnasium at 7 p.m.

# Down week for Royse City basketball

Royse City's basketball teams lost when they started slowly and lost when they got off to a good start last week.

The result was that both the boys and girls lost twice, against Rockwall-Heath Tuesday, Jan. 13, and vs. West Mesquite Friday.

The Bulldogs had their best start at home against Rockwall-Heath, the state's 10th-ranked 5A team. RC led 17-15 after the first quarter and trailed just 31-28 at halftime. But the Hawks outscored Royse City 24-9 in the third quarter and went on to win 69-45.

Joseph Steffen led the Bulldogs with 15 points. Jackson Zivney had a game-high 17 points for R-H, and his brother Tyler Zivney scored 16.

West Mesquite led RC 9-5 after the first quarter and 26-17 at halftime before winning 68-52. Steffen poured in 28 points for the visiting Bulldogs (0-5 in District 12-5A).

At Rockwall-Heath, the Lady Bulldogs led 18-12 after the first quarter and 27-26 at halftime, but the Lady Hawks dominated the second half to win 60-42. Alexis Wanton scored 12 points for Royse City, and Daryn McMinn had 10.

Even playing at home Friday, RC fell behind West Mesquite 14-2 through one quarter. The Lady Wranglers won 66-37. Belle Munoz led the Lady Bulldogs with 12 points, and Wanton scored 10.

Royse City finished the first half of the district schedule 3-4, in a three-way fight for the 12-5A's fourth and final playoff berth.

The second half was scheduled to begin Tuesday, with the boys playing at Forney and the girls hosting the Lady Rabbits. The girls would go on the road to play North Forney Friday, when the boys play at home against the Falcons.

# Jackets soccer takes third in Rockwall Invitational

by Ryan Garrett

The Rockwall and Heath boys soccer teams competed in the three-day Rockwall Invitational Tournament January 15-17. The Yellowjackets defeated Sulphur Springs 1-0 Friday to advance to the tournament semi-finals, and in a hard-fought contest, the Jackets fell to JJ Pearce 1-0 Saturday morning, taking home the third place trophy.

JJ Pearce took home the tournament championship trophy, and Roysé City was name runners-up.

The Jackets began tournament play Thursday, Jan. 15 with a 2-1 win over McKinney North. Luke Harbin scored first for the Jackets early in the game, but the Bulldogs tied the game with four minutes in the half. With 15 left to go, Cole Talley shot the winning goal. Rockwall

advanced to play South Garland in game two, resulting a 0-0 tie.

On Friday, the Jackets beat Sulphur Springs 1-0, advancing to tournament semis on a Logan Corbin goal in the final five minutes.

Against JJ Pearce, Rockwall held the Mustangs scoreless in the second half, but a goal by Pearce with 17 minutes remaining sealed the game.

Rockwall (5-3-1) completed their pre-district schedule Tuesday against Lake Highlands, and will begin play in District 11-6A Tuesday, Jan. 27 at 7:15 on the road against North Garland.

After dropping their three tournament games over the weekend, Rockwall-Heath (3-5-1) will look to bounce back as they travel to Wylie Friday at Wylie ISD Stadium at 7:15. The Hawks will begin district competition January 27 at North Forney High School.

Yellowjackets midfielder Logan Corbin quickly positions for a strike at the Sulphur Springs goal, giving the Jackets their 1-0 winning score, Fri. Jan. 16 at the RHS Field.

## Bulldogs hold up well in tough soccer schedule

After opening the season with three wins and a tie against West Texas opponents, the Roysé City boys' soccer team has continued to play well against stiff competition.

In the Forney Jackrabbit Kickoff tournament, the Bulldogs shut out Canyon 1-0 and Midland Lee 2-0 and defeated Lubbock 2-1 before playing Amarillo to a 1-1 tie.

RC finished that tournament with a 2-1 loss to Richardson Pearce.

In last week's Rockwall tournament, Roysé City (3-4-1) lost to Garland Lakeview Centennial 4-2, to Pearce 1-0 and to Garland 2-0.

All three of those teams were undefeated when they played the Bulldogs, and Amarillo had only one loss in its first nine games.

The RC boys are scheduled to visit Mesquite at 7 p.m. Friday at Hanby Stadium. Then the Bulldogs will open District 12-5A play at 7 p.m. Tuesday against South Garland at RCISD Stadium.

The Lady Bulldogs also will play their first 5A district game against South Garland Tuesday at 7:15 p.m. at Garland Naaman Forest.

They opened their season at Wylie's tournament, where Roysé City tied Naaman Forest 1-1 and defeated Dallas Bryan Adams 4-0.

At home Tuesday, Jan. 13, the Lady Bulldogs put 17 shots on goal in a 2-0 victory over Paris.

Roysé City Bulldogs midfielder Gustavo Banda (3) takes a shot to the goal against Richardson Pearce, Sat. Jan. 17, during the Rockwall Invitational Semi-Finals game at the RHS field in Rockwall.
