## Locals gather for info on new open-carry laws

**Millie Jean Coppedge**  
The briefing session was to begin at 6 p.m. Saturday at The Center, but people still were pouring in at 6:15 p.m. More than 200 people were there for the briefing session regarding the new open-carry laws. Much anticipation and anxiety was apparent as citizens talked to themselves relating their views about what they thought might be divulged at the meeting and what the new laws might mean. The Citizens Association for Responsible Gun Ownership (CARGO) Group (Citizens Association for Responsible Gun Ownership) and the City of Rockwall hosted the event. Officer Kirk Aldridge, assistant chief of police for Rockwall, and Joseph Florance, lieutenant for the Patrol Division, represented the city. CARGO representatives gave information regarding the

upcoming laws and assisted in clarifying what the laws would mean. State Sen. Bob Hall discussed how the laws were passed and told the crowd that only time will tell as to the effectiveness of how these laws will affect our nation. Aldridge and Florance explained the procedures the Rockwall Police Department will carry out as they receive calls relating to the new laws. As was stated in a story printed in last week's Rockwall County News, "According to the State Legislature website, House Bill 910 was signed into law by Governor Greg Abbott on June 13, 2015." Hall said he was influential in getting these laws passed. As of Jan. 1, Texas will become the 44th state to have open-carry laws. This came as a real surprise to those in the audience as was evident by the many comments that followed Hall's statement.

In an attempt to make clear to the audience just what the new laws would mean, Hall said the "Conceal to Carry Permit" would simply be called a "Gun Carry Permit," dropping the word concealed. Citizens can still conceal their gun but the new law states that for an Open Carry, the gun must be either in a belt holster or a shoulder holster. Hall also said that while carrying a gun in an automobile, it must be concealed and cannot be laid on the seat. Hall noted that the new law is an expansion of liberties for the citizens. Aldridge said businesses that do not want their customers to carry a gun onto their premises must now display two signs at the entrance of their business called 3006 and 3007, which will measure 2' by 2' in size with Spanish and English on each, with 2-inch black letters and contrasting colors. He also added that if the business owner tells you verbally that you cannot come into his/her place of business with a gun, then you must leave the premises. A verbal command is as good as the signs.

A question-and-answer session was held at the end of the session with several good questions. Citizens were concerned that however they carried their gun, they would be legal. They wanted to make sure they were not breaking the law. One lady said she carries her gun on her leg/thigh and asked if she could still carry it. Aldridge said she could if it were attached to some type of belt. Aldridge told the audience that if they would email him at [kaldridge@rockwall.com](mailto:kaldridge@rockwall.com) he would email them his presentation which included such important information as a list of places where citizens can carry their gun and places where they cannot.

## On God's Word

by Timothy W. Burnett  
Salvation ... speaking in tongues, Part 3

A study of Romans 10:9-15 and Acts 2:4 reveals that people must first believe with their hearts that God raised Jesus from the dead, resulting in being filled with Holy Spirit, unto righteousness. Next, having been filled with Holy Spirit unto righteousness, they must confess with the mouth the Lord Jesus unto salvation.

Romans 10:13 shows that confessing with the mouth the Lord Jesus, and calling upon the name of the Lord refer to the same thing that is unto salvation. Considering that both are spoken with the mouth, it stands to reason that they refer to what the apostles did after they were filled with Holy Spirit -- they began to speak in tongues.

Just as believing with the heart that God raised Jesus from the dead is prerequisite to confessing with the mouth the Lord Jesus, so also is being filled with Holy Spirit prerequisite to speaking in tongues. In essence, it's impossible to speak in tongues without first being filled with Holy Spirit, as it says in Romans 10:14, "How then shall they call on Him in whom they have not believed?" This rhetorical question simply drives in the truth that one cannot occur without first fulfilling the other.

With this in mind, we will study 1 Cor. 1:2 which reveals a distinction between God's spirit-filled saints, and the saints who have called upon the name of the Lord.

## Legal Notices

**TxDOT NOTICE OF AVAILABILITY OF ENVIRONMENTAL ASSESSMENT & NOTICE OF PUBLIC HEARING**  
 Farm-to-Market Road 3549 (FM 3549)  
 From: Interstate Highway 30 (IH 30)  
 To: North of State Highway 66 (SH 66)  
 CSJ: 1015-01-023

The Texas Department of Transportation (TxDOT), in conjunction with Rockwall County, will conduct a public hearing on Thursday, January 21, 2016, at the Eastridge Church of Christ, 670 N. Stodghill Rd., Rockwall, Texas 75087. The purpose of the hearing is to present the planned improvements for FM 3549 from IH 30 to north of SH 66 in the cities of Fate and Rockwall, Rockwall County, Texas, and to receive public comment. Displays will be available for viewing at 6:00 p.m. with the formal hearing commencing at 7:00 p.m.

The existing facility consists of one 11-foot wide travel lane in each direction with no shoulders. A left-turn lane is currently provided at the Eastridge Church of Christ and Airport Road. The existing typical right-of-way (ROW) width is 80 feet.

The proposed project would widen this section of FM 3549 from two to four lanes with one 12-foot wide travel lane; one 14-foot wide outside lane to accommodate bicycles; one-foot wide inside and two-foot outside offsets to a concrete curb; and five-foot wide sidewalks in each direction separated by an 18-foot wide raised median. The median would accommodate additional left-turn lanes which would be provided at select intersections. The proposed typical ROW width would be 120 feet. The purpose of the proposed project is to provide capacity for ongoing suburbanization, improve the efficiency of FM 3549, and to eliminate safety issues created by a lack of left-turn lanes. The proposed improvements would require approximately 4.322 acres of additional ROW, 0.553 acre for a drainage easement, and 0.172 acre for a construction easement. The proposed project would displace one residence and a barn. Information about the TxDOT Relocation Assistance Program, benefits and services for displacees, as well as information about the tentative schedule for ROW acquisition and construction may be obtained from the TxDOT Dallas District Office. Relocation assistance is available for displaced persons and businesses.

Maps showing the project location and design, environmental document, and other information relevant to the project are on file and available for inspection Monday through Friday between the hours of 8:00 a.m. and 5:00 p.m. at the TxDOT Dallas District Office, 4777 East Highway 80, Mesquite, Texas 75150, and online at [www.keepitmovingdallas.com](http://www.keepitmovingdallas.com) under Upcoming Public Hearing/Meeting. This information will also be available for inspection at the hearing.

All interested citizens are invited to attend this public hearing. Verbal and written comments from the public regarding this project are requested and may be presented for a period of 10 calendar days following the hearing. Written comments may be submitted either in person or by mail to the TxDOT District Office, Mr. Jim Dobbins, 4777 East Highway 80, Mesquite, Texas 75150. All comments must be received or postmarked on or before Monday, February 1, 2016 in order to become part of the official hearing record.

The Public Hearing will be conducted in English. Persons interested in attending the hearing who have special communication or accommodation needs, or need an interpreter, are encouraged to contact the TxDOT Dallas District Public Information Office at (214) 320-6100. Requests should be made at least two days prior to the public hearing. Every reasonable effort will be made to accommodate these needs. If you have general questions or concerns regarding the proposed project, you may contact Ms. Nancy Peron, P.E. at (214) 320-6245.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 16, 2014, and executed by FHWA and TxDOT.

God loves each of

...so much that he gave us a free gift (John 3:14 - 18). The free gift included to be forgiven of sins and the promise of everlasting life. There are many miracles surrounding the birth of Jesus Christ, starting with the preparation for the birth. The first miracle involved announcement of the birth of John the Baptist (Luke 1:5-25). The angel Gabriel, God's messenger, told Zechariah, a high priest, he was sent by God to tell him his prayer has been heard. "Your wife Elizabeth will bear you a son, and you are to call him John." When the angel Gabriel finished explaining God's plan, Zechariah questioned the angel explaining that both he and his wife were old and well along in years. Gabriel answered; because of his unbelief, Zechariah would be silent and not able to speak until the day of the birth. God fulfilled His word given by the angel. The second miracle was the conception of Jesus Christ (Luke 1: 26-38). In the sixth month of Elizabeth's pregnancy, God sent the angel Gabriel to Mary, a virgin young woman pledged to be married to a man named Joseph, both descendants of David. The angel went to her and said, "Greetings, you who are highly favored! The Lord is with you." ... 31 You will conceive and give birth to a son, and you are to call him Jesus. Mary believed, and God fulfilled His word. The third miracle surrounded the birth of Jesus (Luke 2:1-20). 2 In those days Caesar Augustus issued a decree that a census should be taken of the entire Roman world. 2 (This was the first census that took place while[a] Quirinius was governor of Syria.)... 5 He went there to register with Mary, who was pledged to be married ... 6 While they were there, the time came for the baby to be born, 7 and she gave birth to her firstborn, a son. And there were shepherds living out in the fields nearby, keeping watch over their flocks at night. 9 An angel of the Lord appeared to them, and the glory of the Lord shone around them, and they were terrified. 10 But the angel said to them, "Do not be afraid. I bring you good news that will cause great joy for all the people. 11 Today in the town of David a Savior has been born to you; he is the Messiah, the Lord. 12 This will be a sign to you: You will find a baby wrapped in cloths and lying in a manger." 13 Suddenly a great company of the heavenly host appeared with the angel, praising God and saying, 14 "Glory to God in the highest heaven, and on earth peace to those on whom his favor rests." 15 When the angels had left them and gone into heaven, the shepherds said to one another, "Let's go to Bethlehem and see this

thing that has happened, which the Lord has told us about." 16 So they hurried off and found Mary and Joseph, and the baby, who was lying in the manger. 17 When they had seen him, they spread the word concerning what had been told them about this child, 18 and all who heard it were amazed at what the shepherds said to them. 19 But Mary treasured up all these things and pondered them in her heart. 20 The shepherds returned, glorifying and praising God for all the things they had heard and seen which were just as they had been told. What a loving GOD who willingly gives forgiveness through our Lord Jesus Christ. Merry Christmas and a blessed New Year.
